

negative regulation of interleukin-6 production

negative regulation of interleukin-6 production

Enrichment in spots: negative regulation of interleukin-6 production

Expression of negative regulation of interleukin-6 production in Spot A

Expression of negative regulation of interleukin-6 production in Spot B

Expression of negative regulation of interleukin-6 production in Spot C

Expression of negative regulation of interleukin-6 production in Spot D

Expression of negative regulation of interleukin-6 production in Spot E

Expression of negative regulation of interleukin-6 production in Spot F

Expression of negative regulation of interleukin-6 production in Spot G

Expression of negative regulation of interleukin-6 production in Spot H

Expression of negative regulation of interleukin-6 production in Spot I

Expression of negative regulation of interleukin-6 production in Spot J

Expression of negative regulation of interleukin-6 production in Spot K

Expression of negative regulation of interleukin-6 production in Spot L

Expression of negative regulation of interleukin-6 production in Spot M

Expression of negative regulation of interleukin-6 production in Spot N

Expression of negative regulation of interleukin-6 production in Spot O

Expression of negative regulation of interleukin-6 production in Spot P

Expression of negative regulation of interleukin-6 production in Spot Q

Expression of negative regulation of interleukin-6 production in Spot R
