

negative regulation of microtubule depolymerization

negative regulation of microtubule depolymerization

Enrichment in spots: negative regulation of microtubule depolymerization

Expression of negative regulation of microtubule depolymerization in Spot A

Expression of negative regulation of microtubule depolymerization in Spot B

Expression of negative regulation of microtubule depolymerization in Spot C

Expression of negative regulation of microtubule depolymerization in Spot D

Expression of negative regulation of microtubule depolymerization in Spot E

Expression of negative regulation of microtubule depolymerization in Spot F

Expression of negative regulation of microtubule depolymerization in Spot G

Expression of negative regulation of microtubule depolymerization in Spot H

Expression of negative regulation of microtubule depolymerization in Spot I

Expression of negative regulation of microtubule depolymerization in Spot J

Expression of negative regulation of microtubule depolymerization in Spot K
