

negative regulation of multicellular organism growth

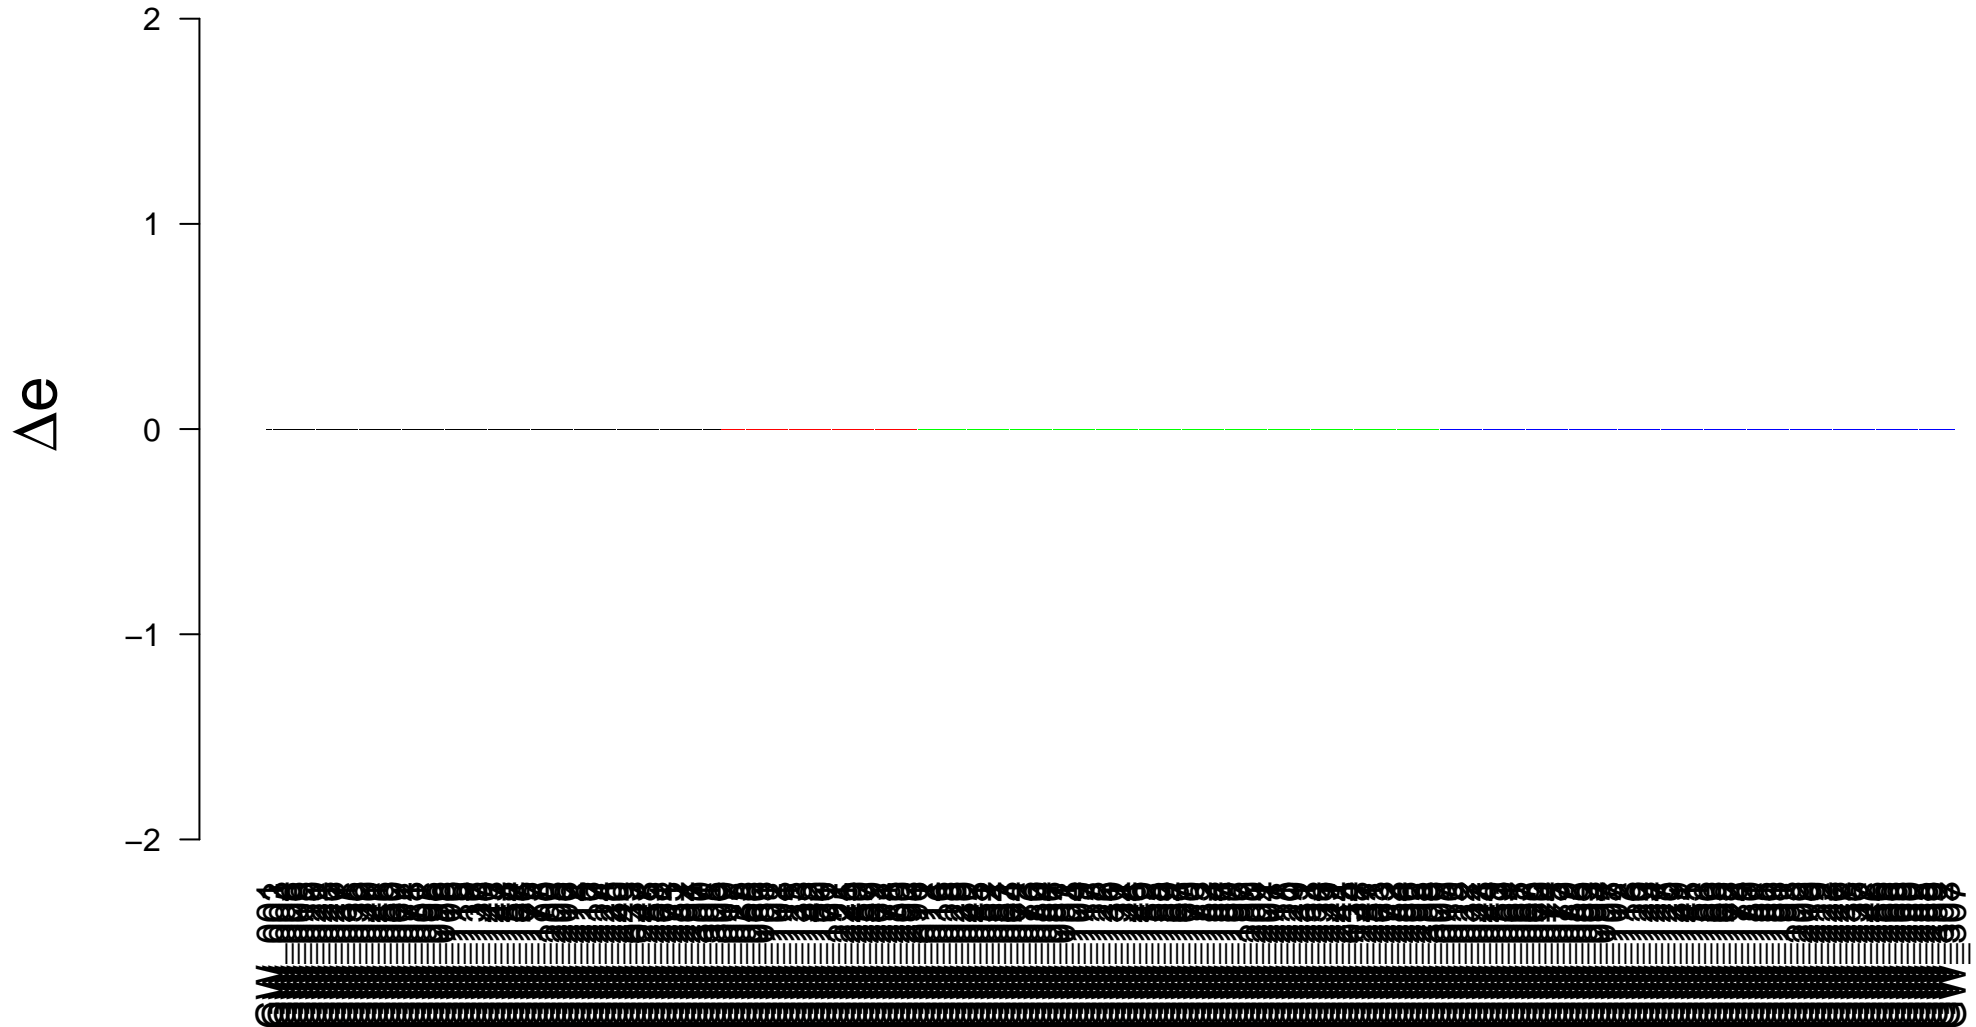

negative regulation of multicellular organism growth

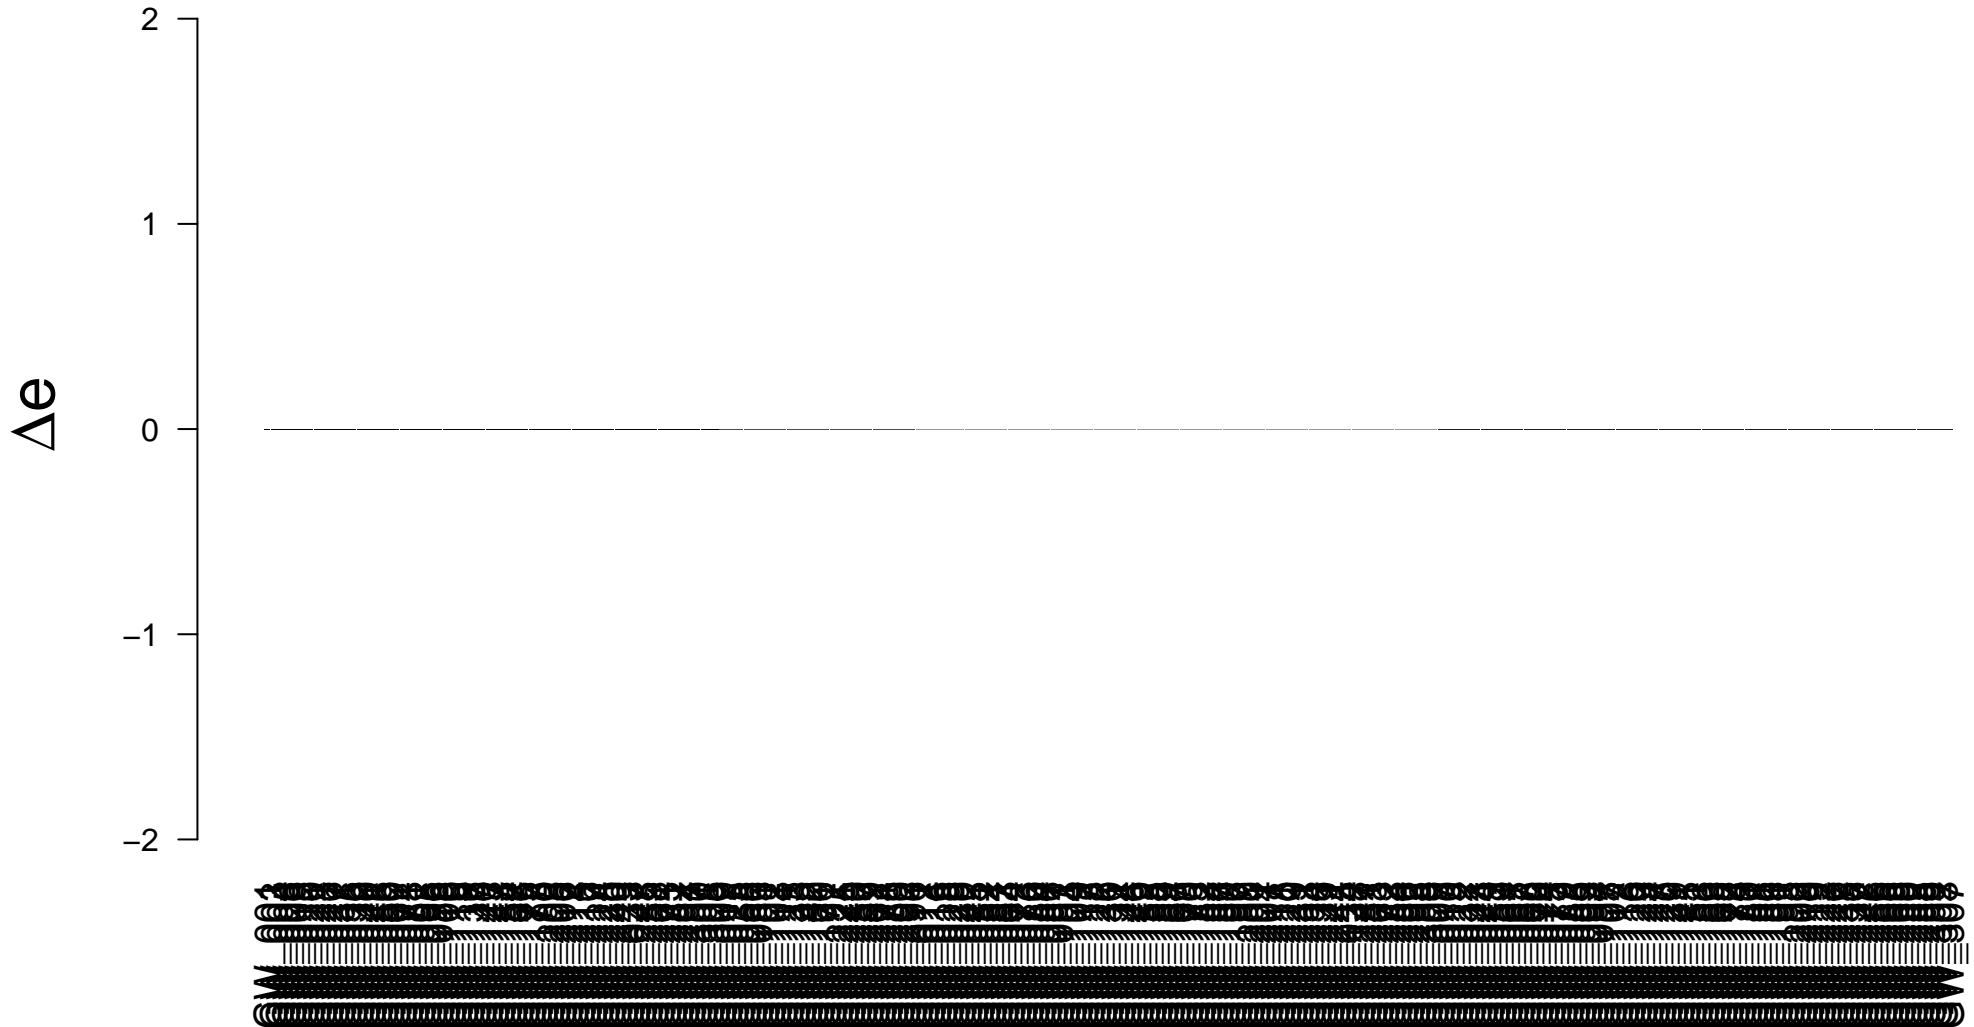

Enrichment in spots: negative regulation of multicellular organism growth

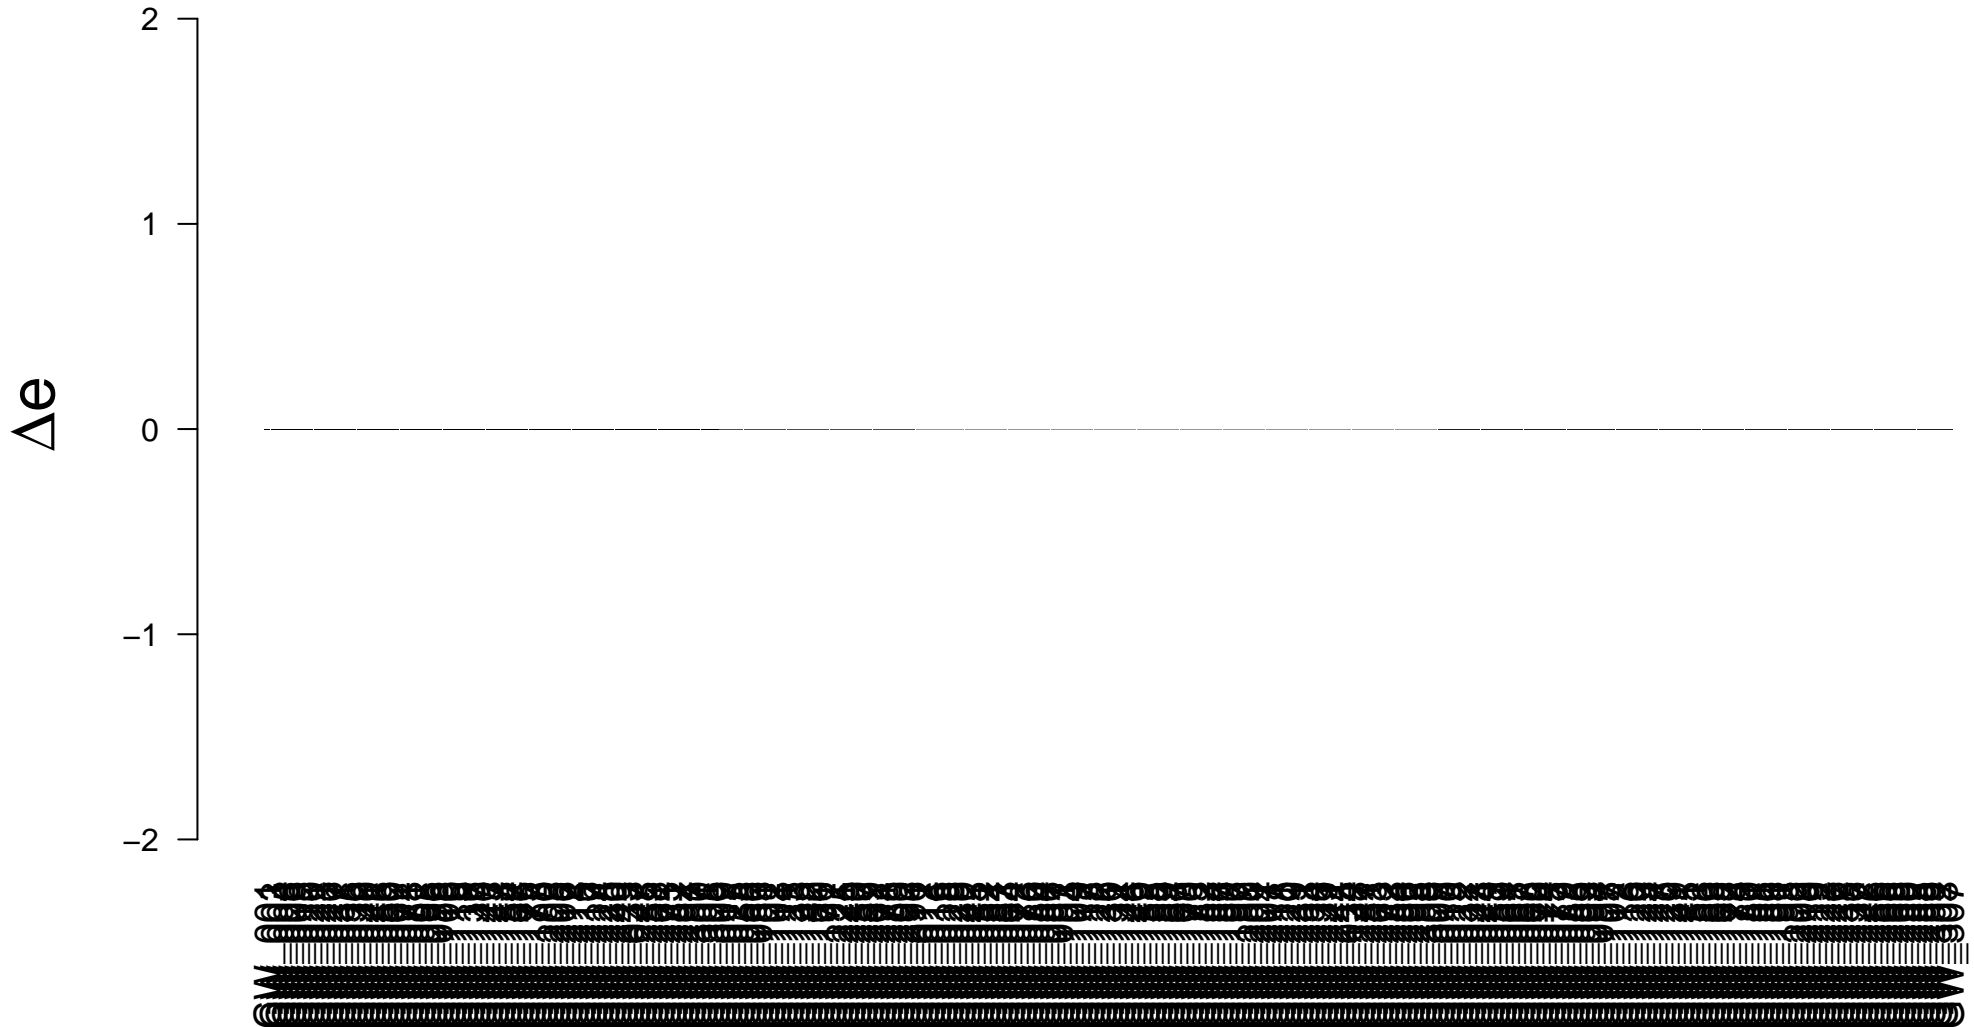

Expression of negative regulation of multicellular organism growth in Spot A

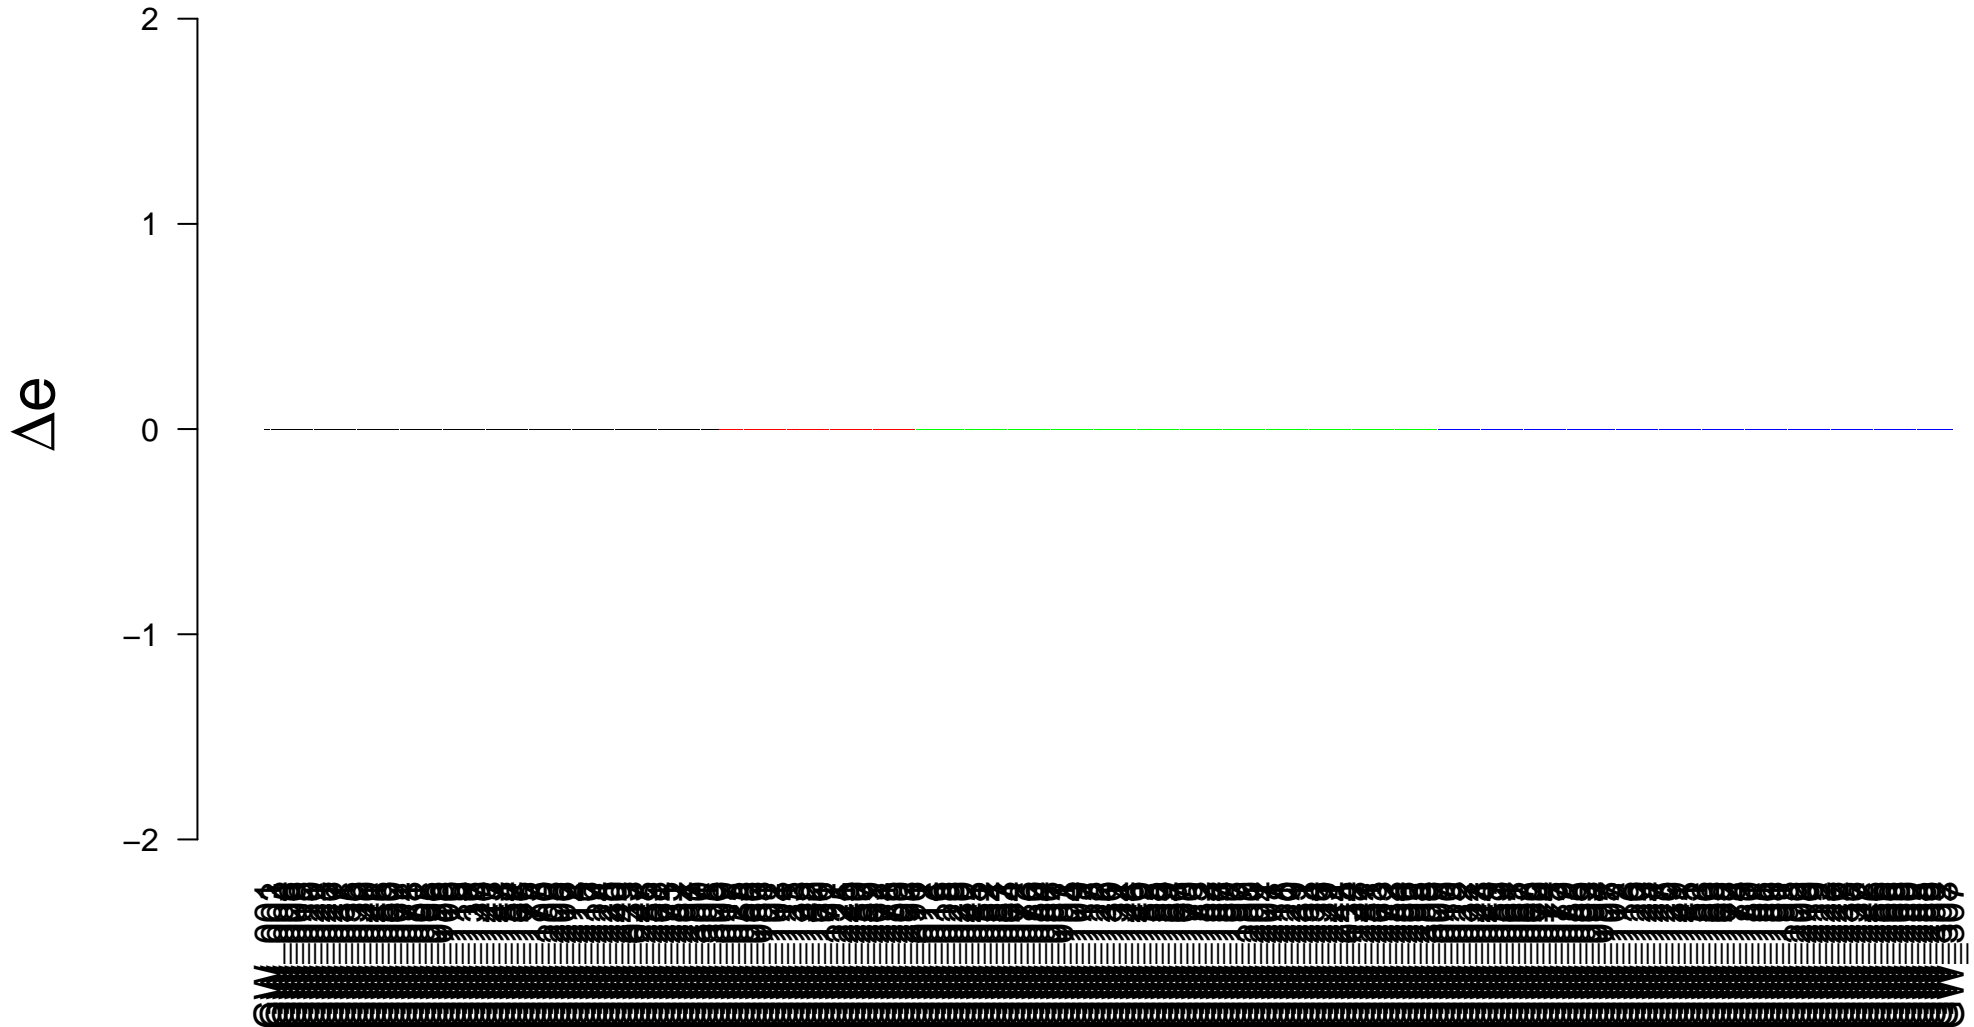

Expression of negative regulation of multicellular organism growth in Spot B

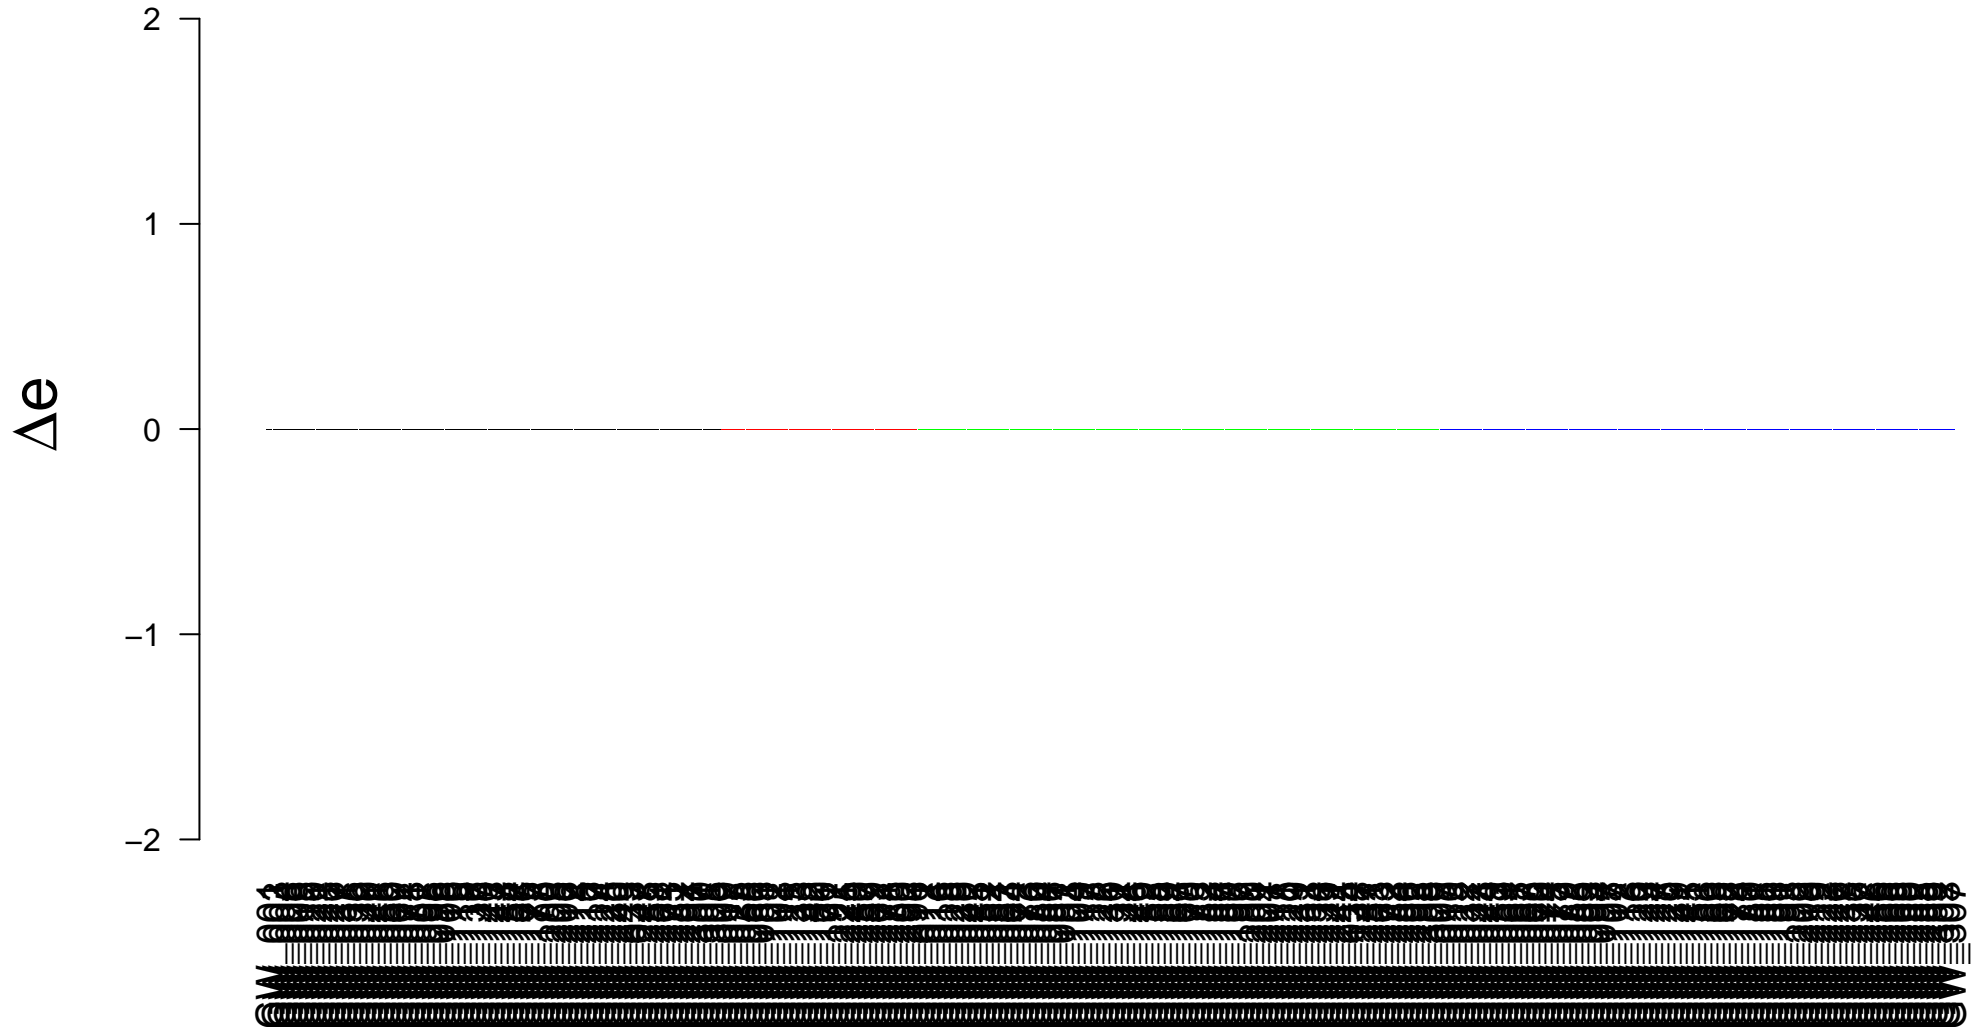

Expression of negative regulation of multicellular organism growth in Spot C

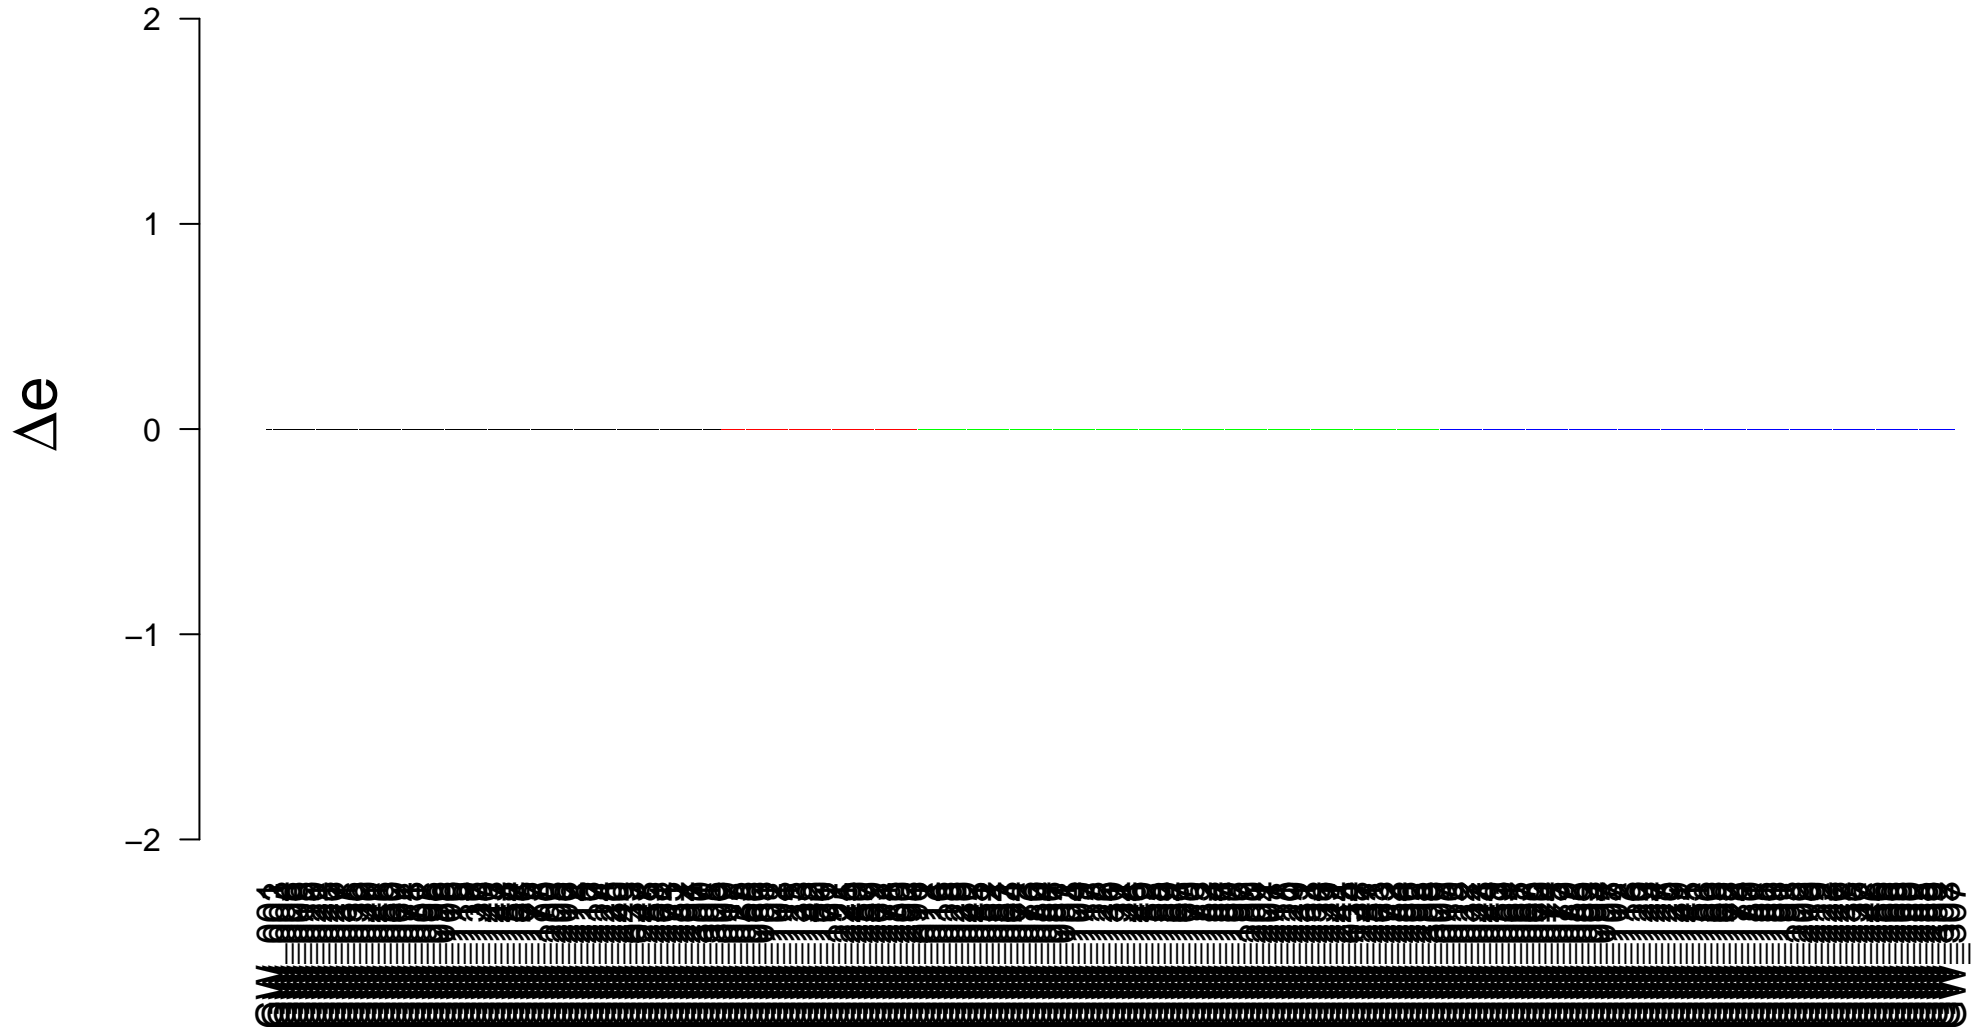

Expression of negative regulation of multicellular organism growth in Spot D

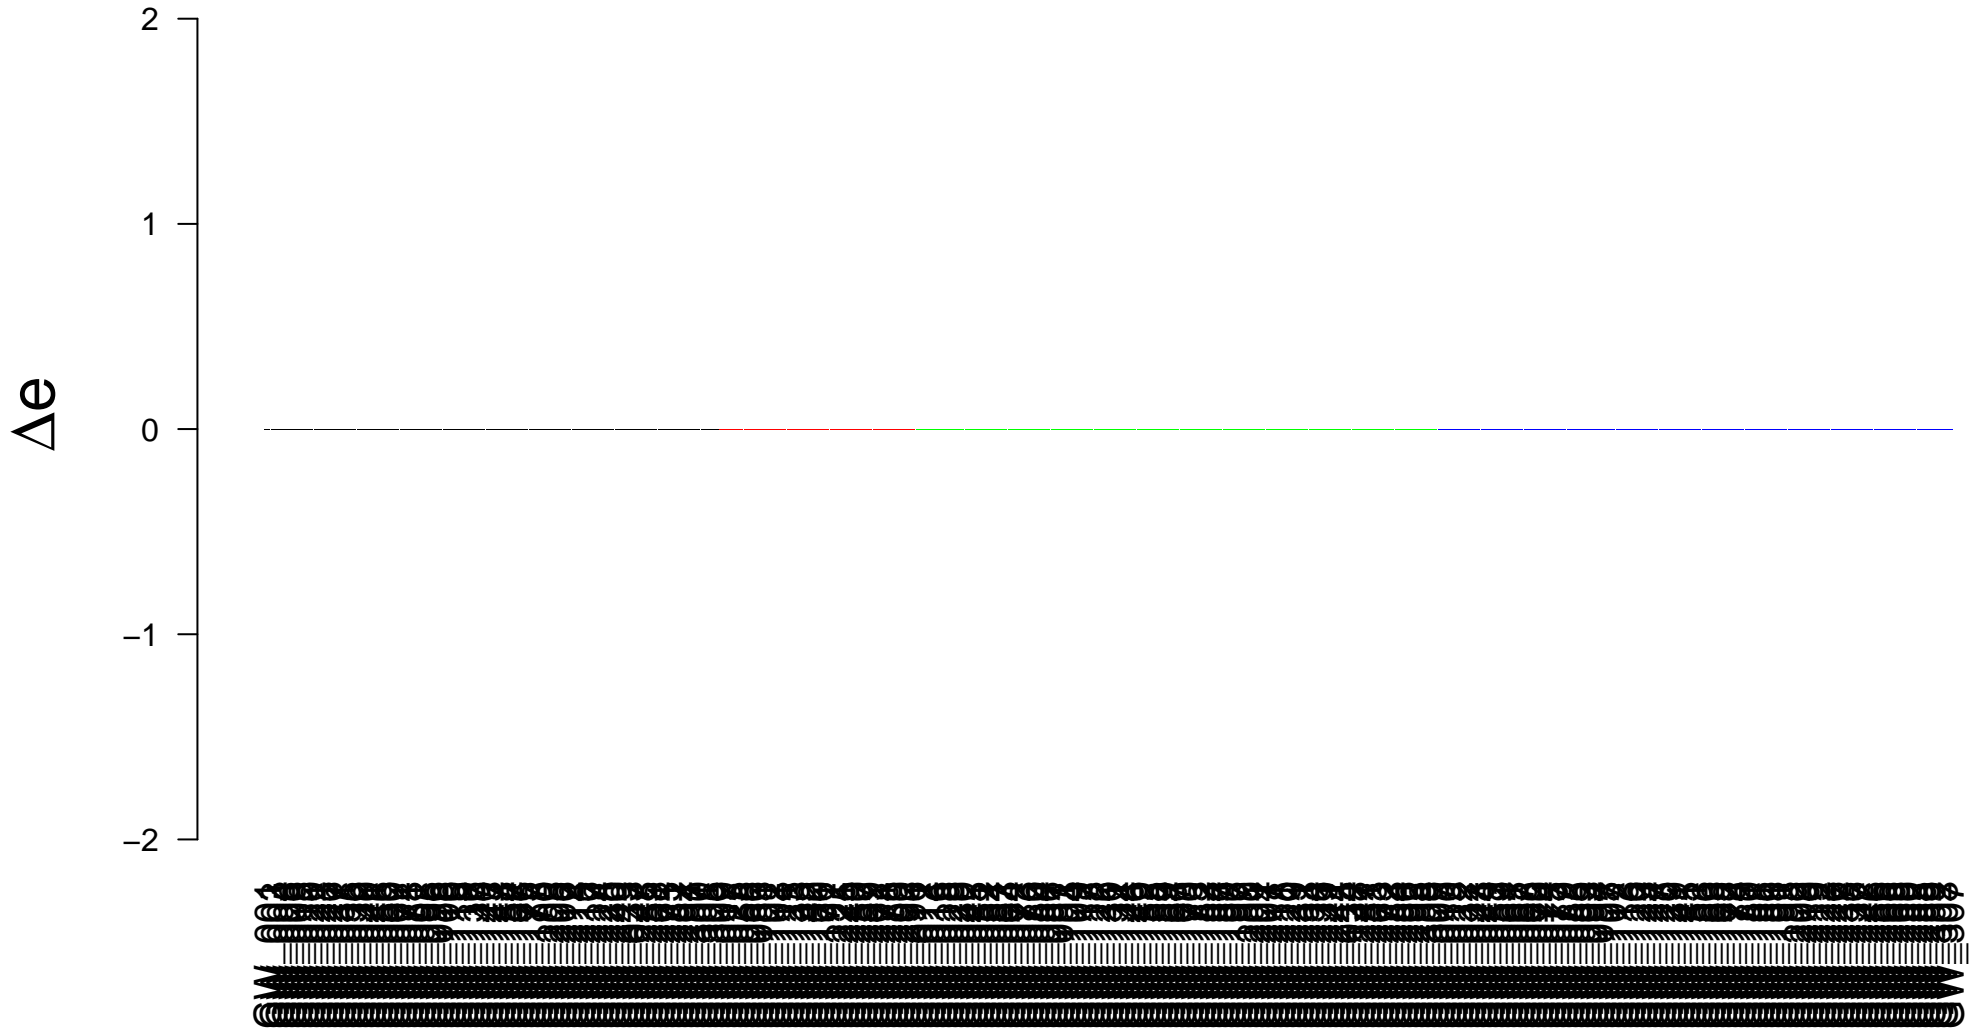

Expression of negative regulation of multicellular organism growth in Spot E

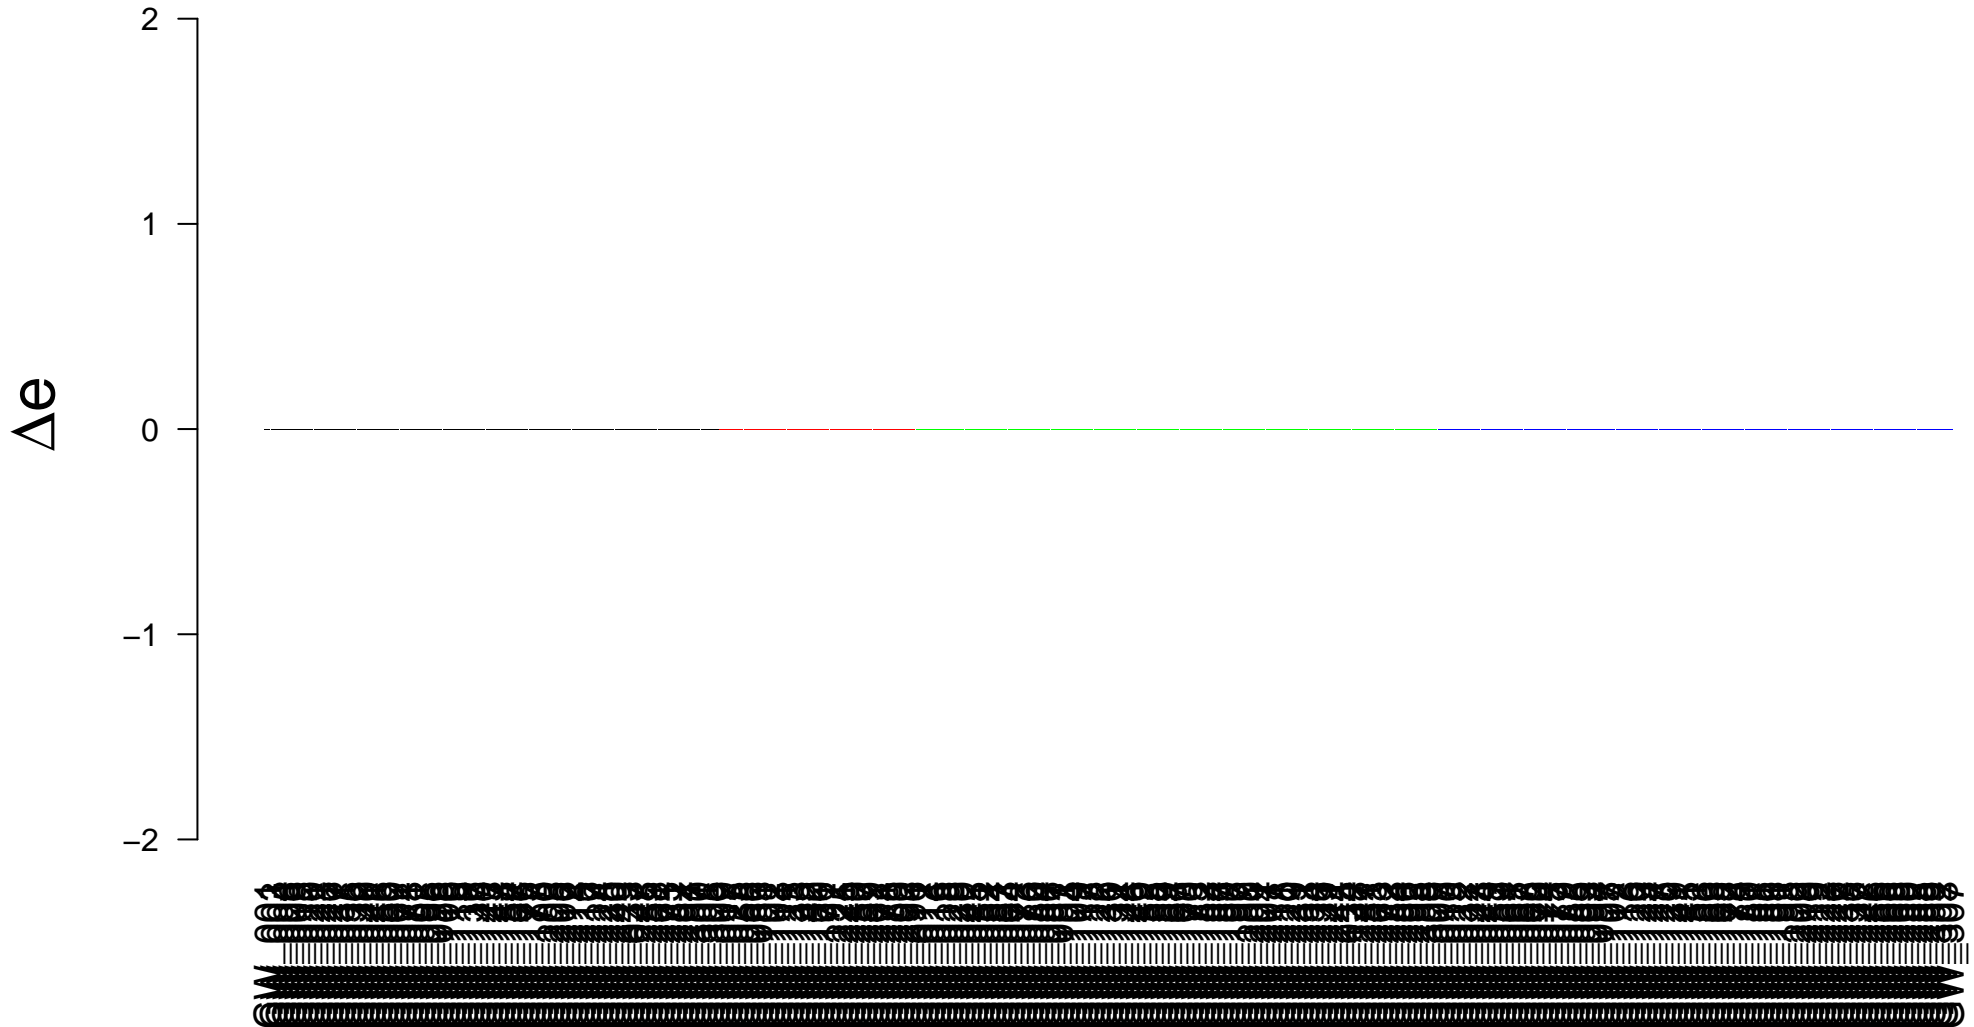

Expression of negative regulation of multicellular organism growth in Spot F

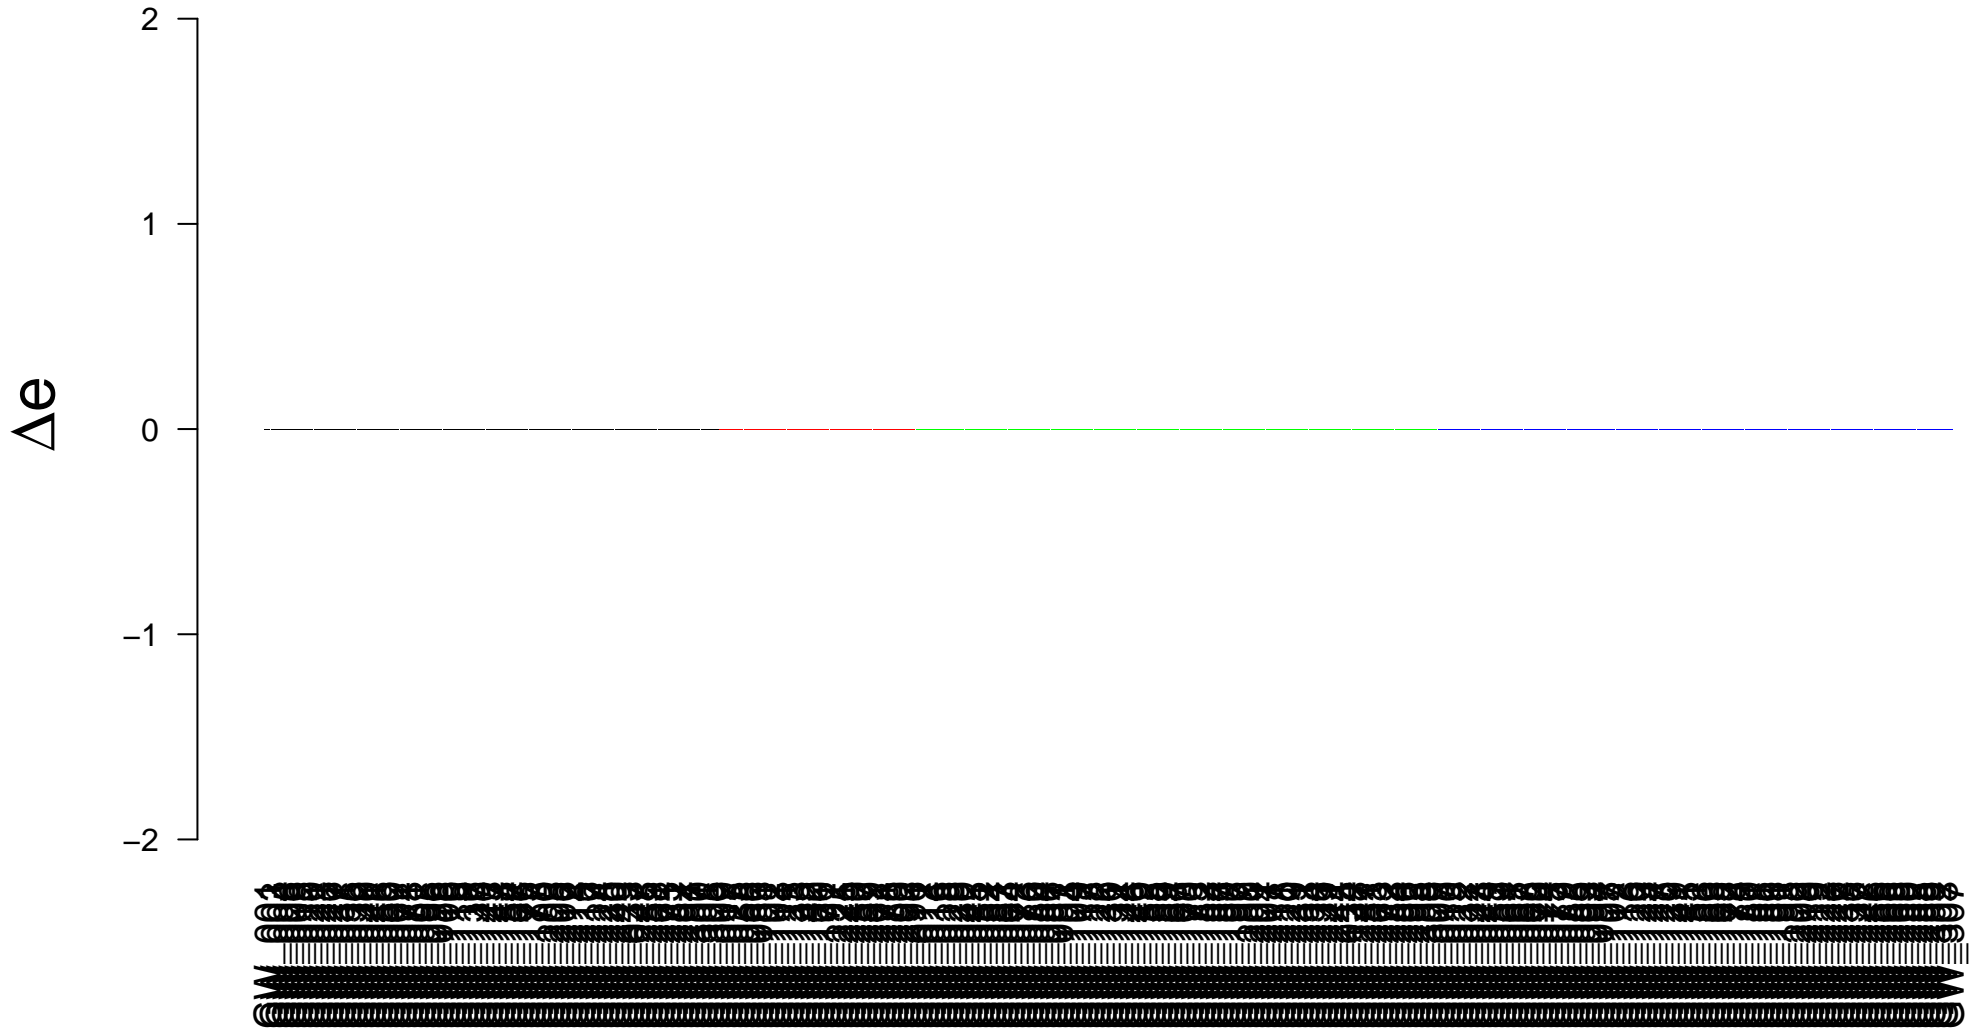

Expression of negative regulation of multicellular organism growth in Spot G

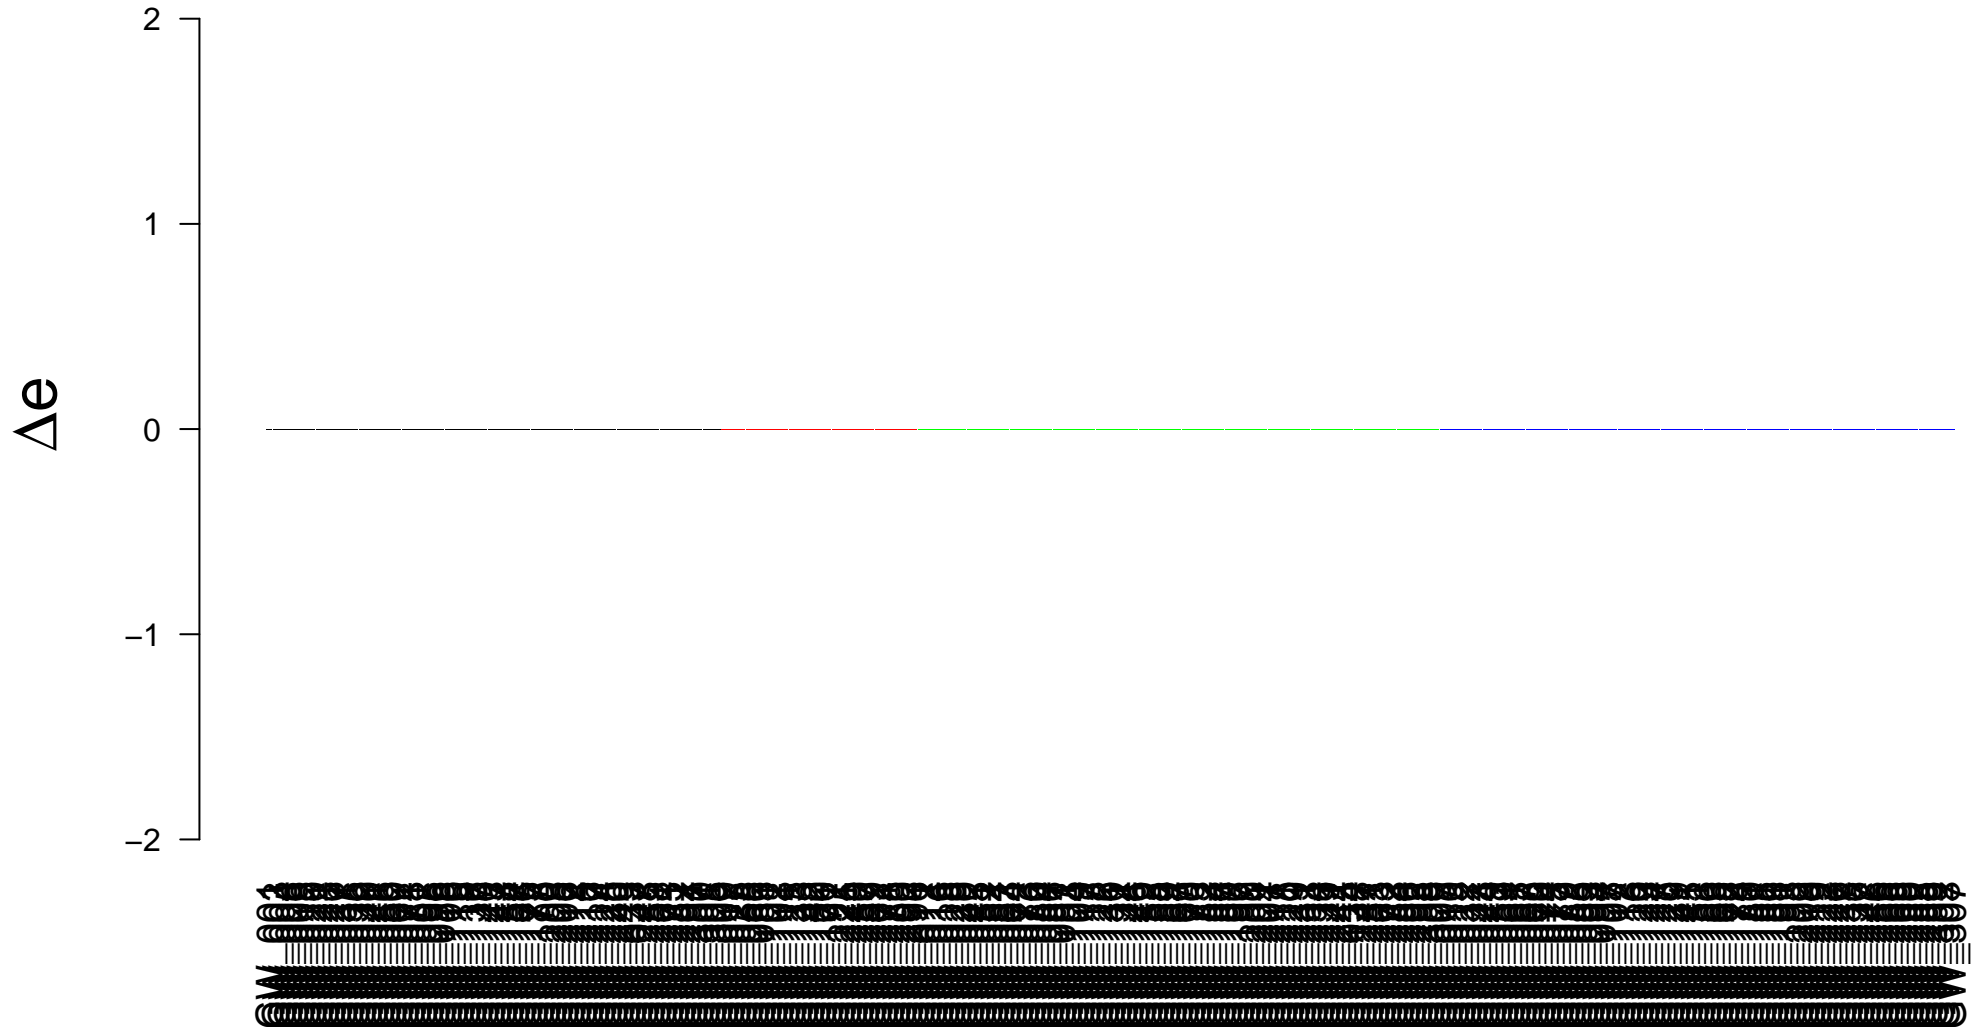

Expression of negative regulation of multicellular organism growth in Spot H

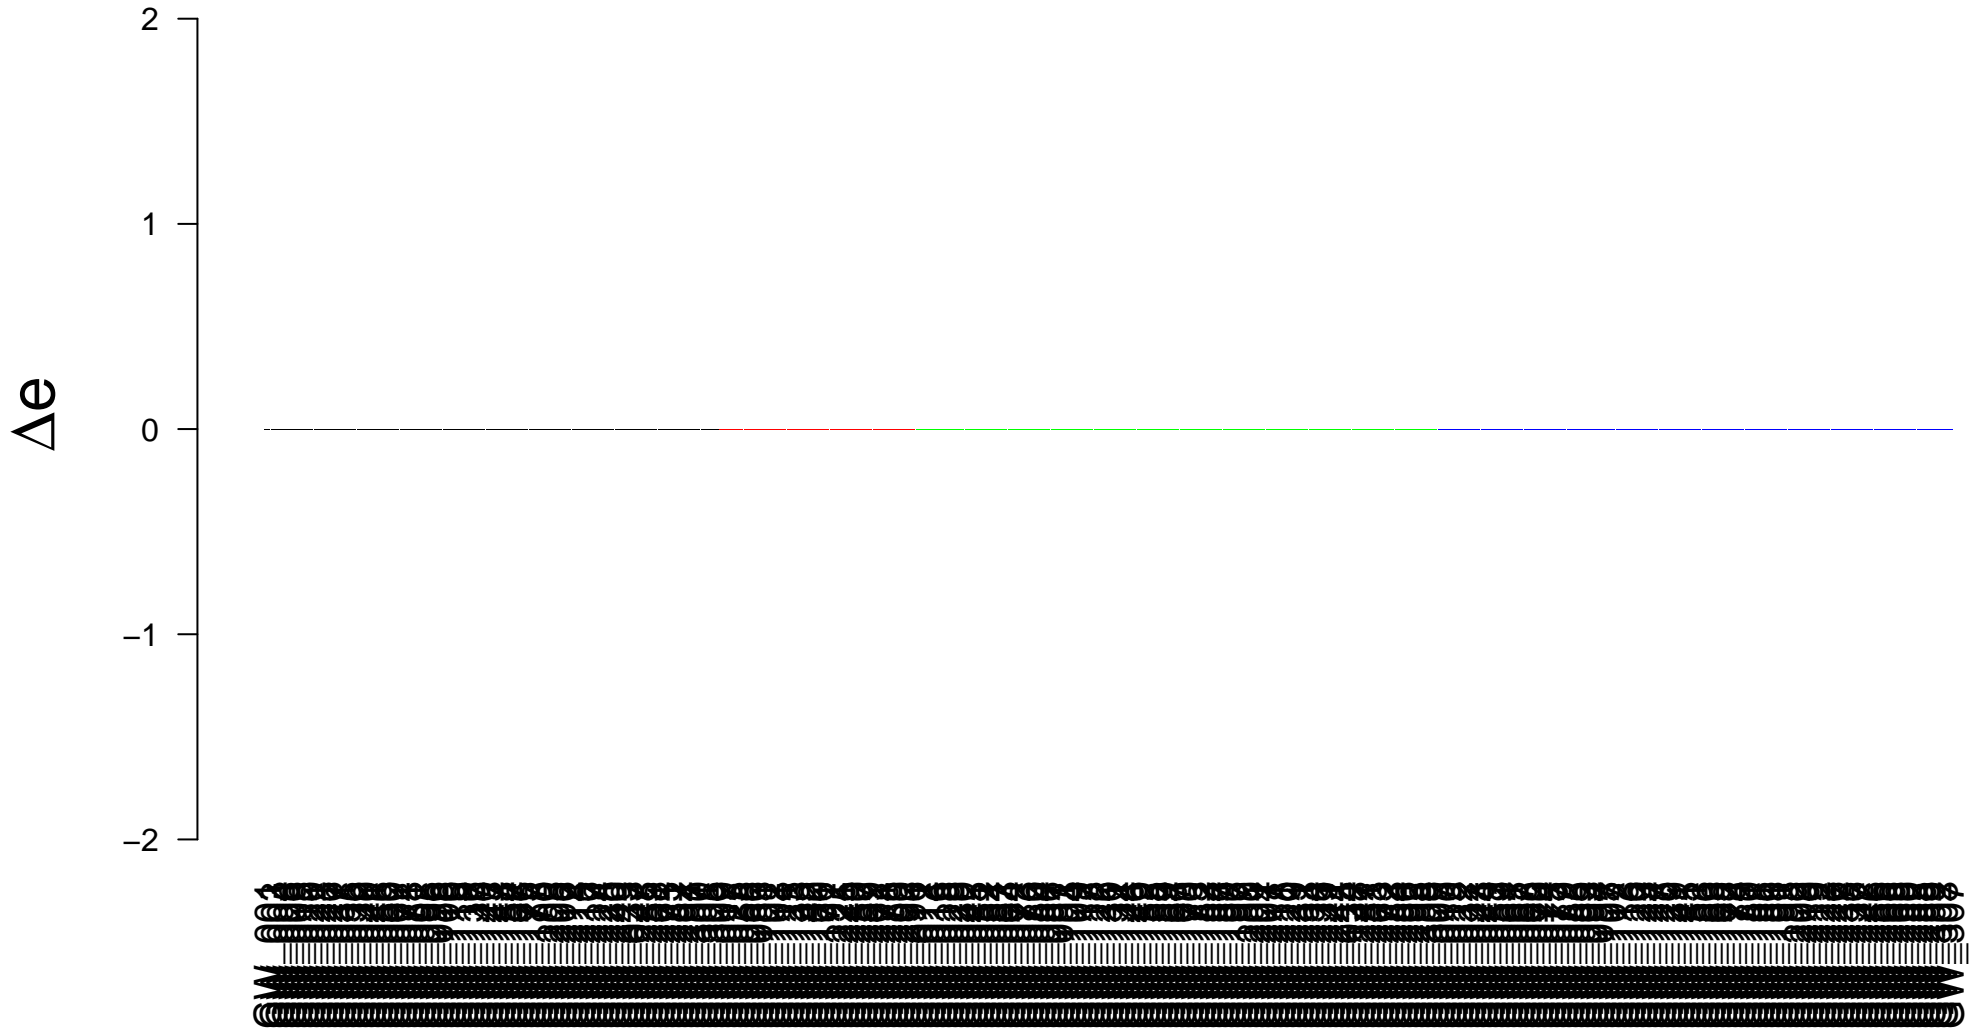

Expression of negative regulation of multicellular organism growth in Spot I

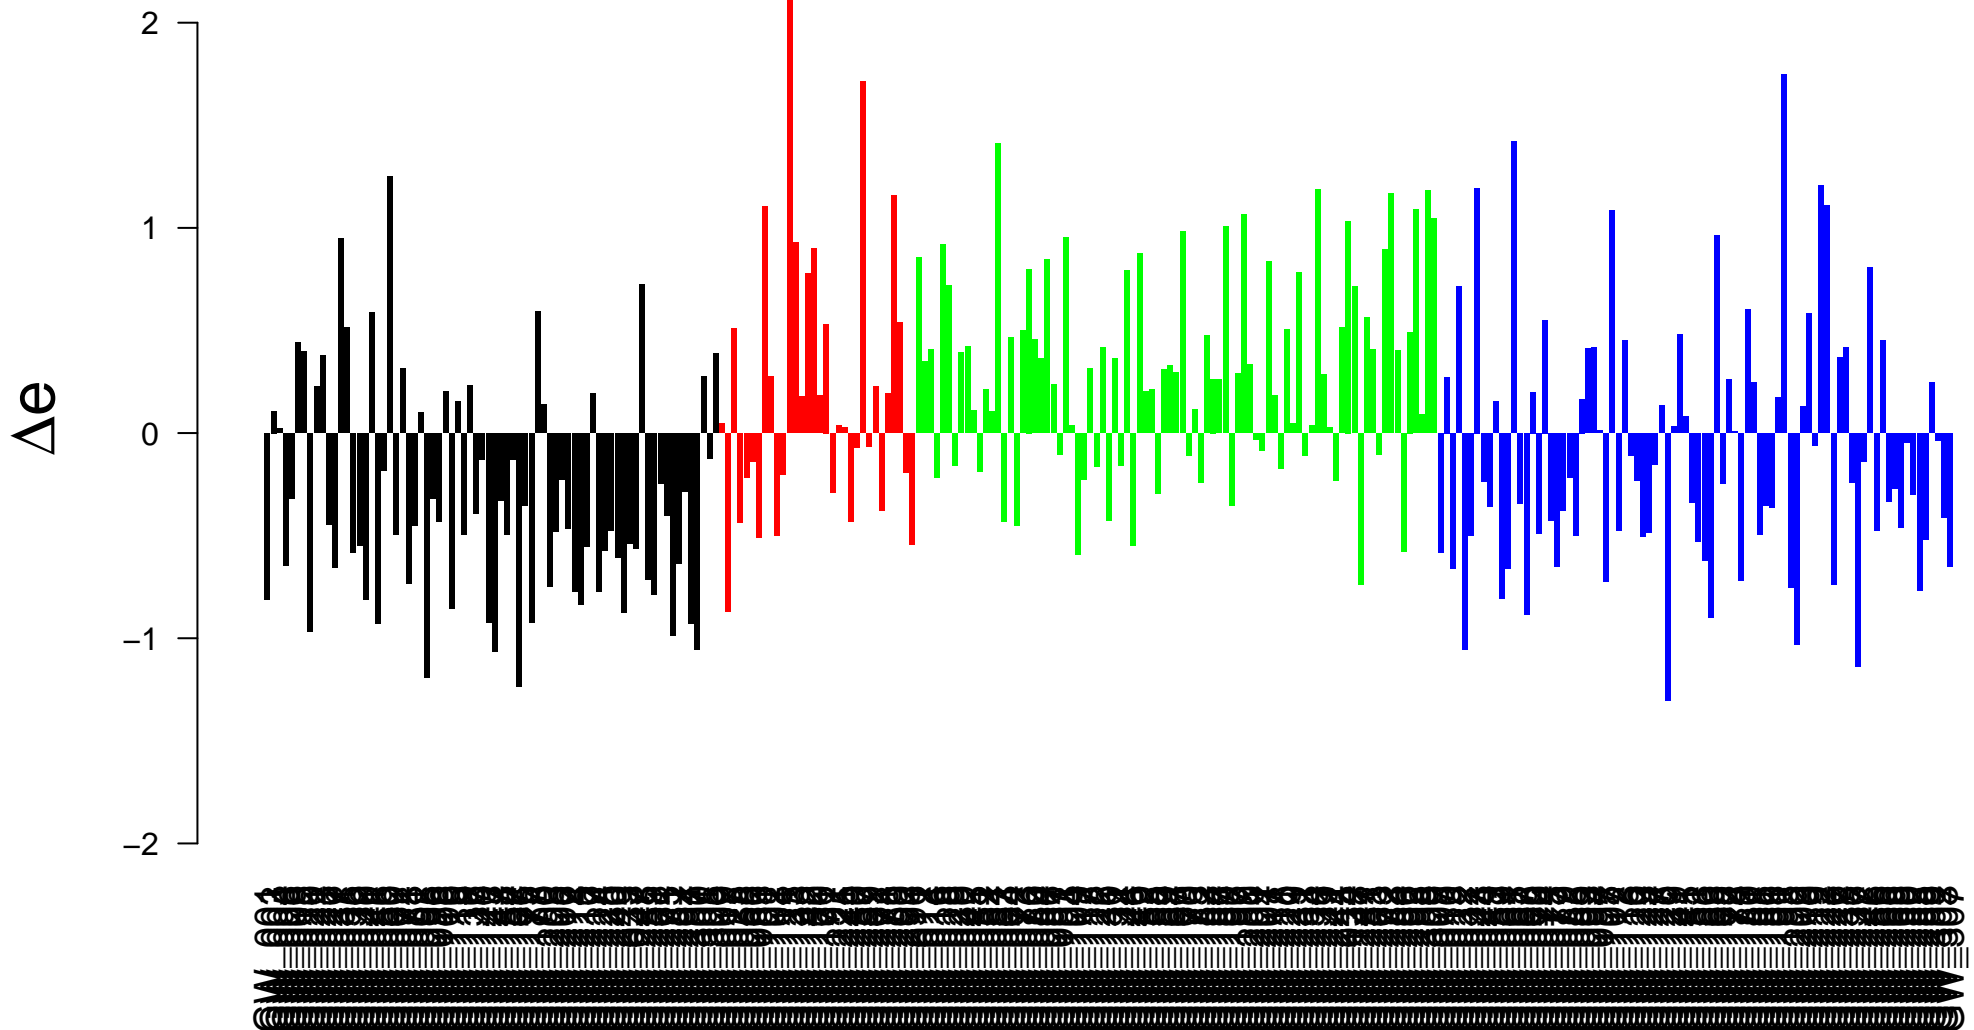

Expression of negative regulation of multicellular organism growth in Spot J

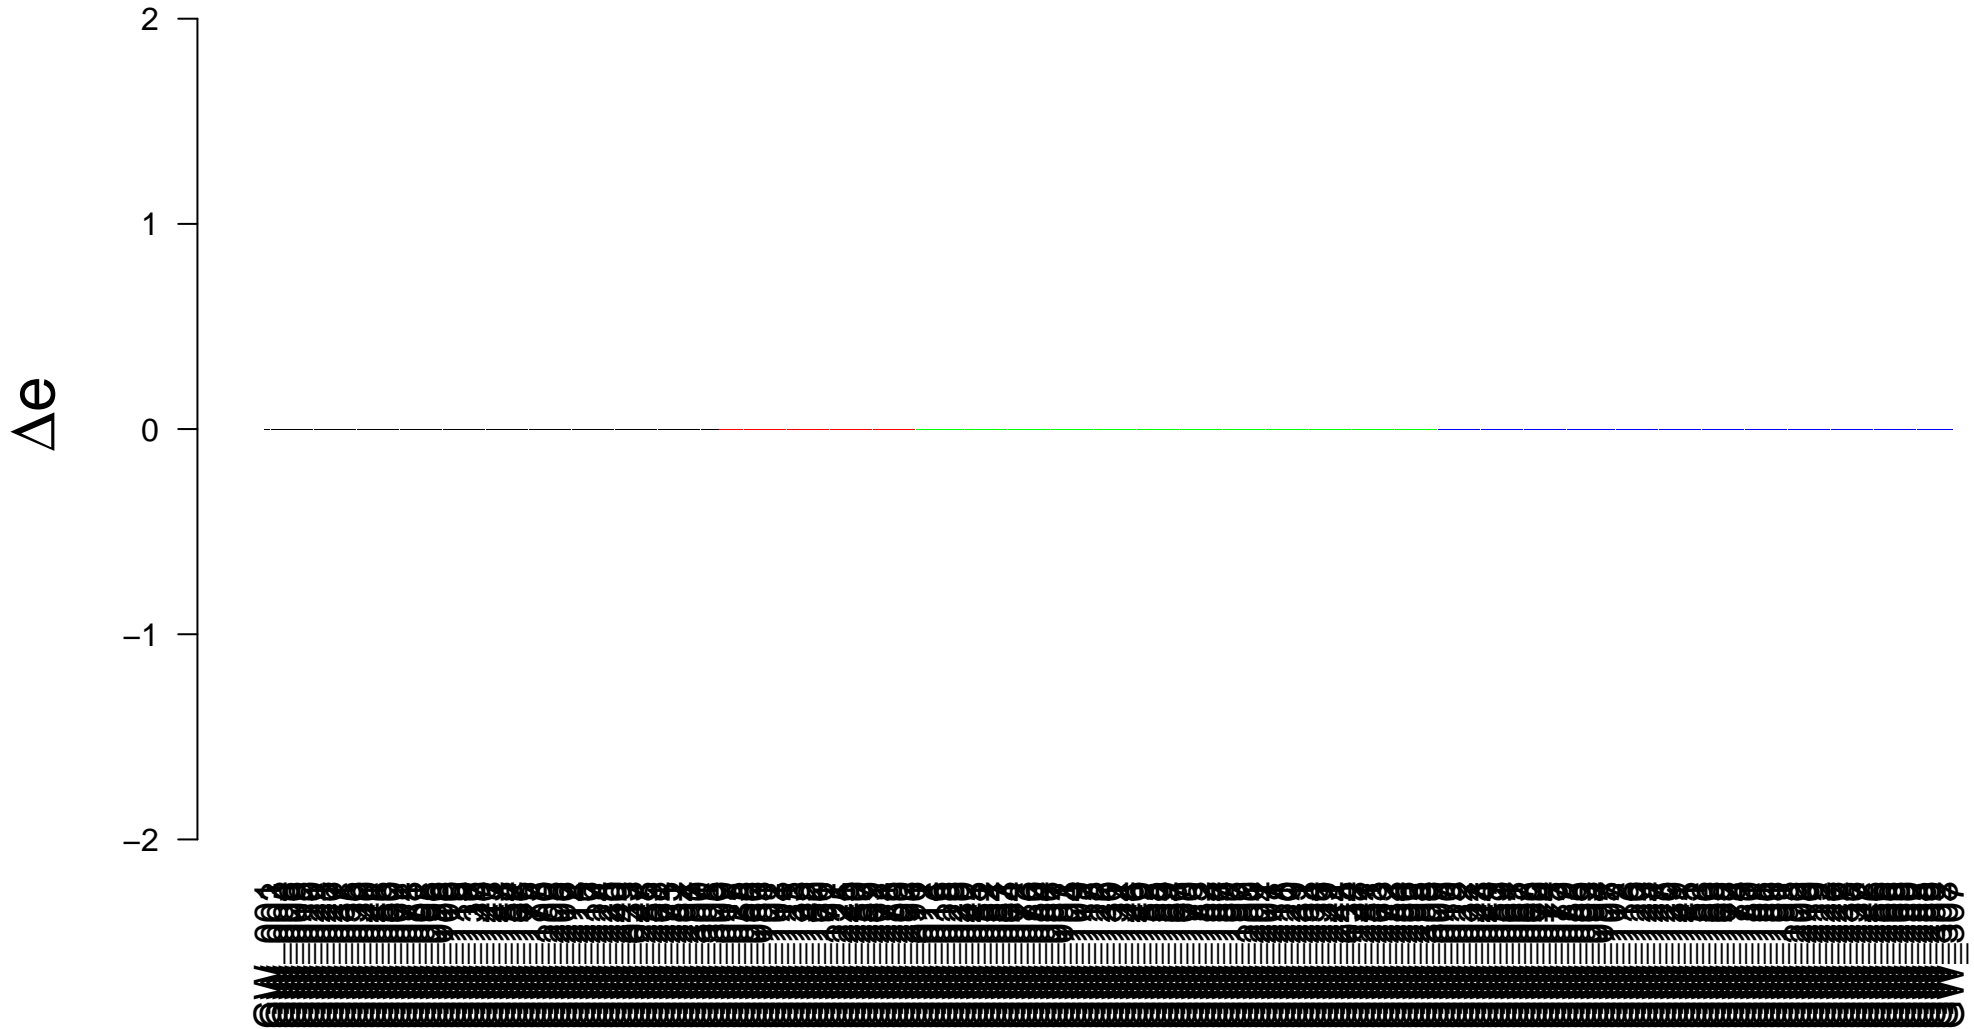

Expression of negative regulation of multicellular organism growth in Spot K

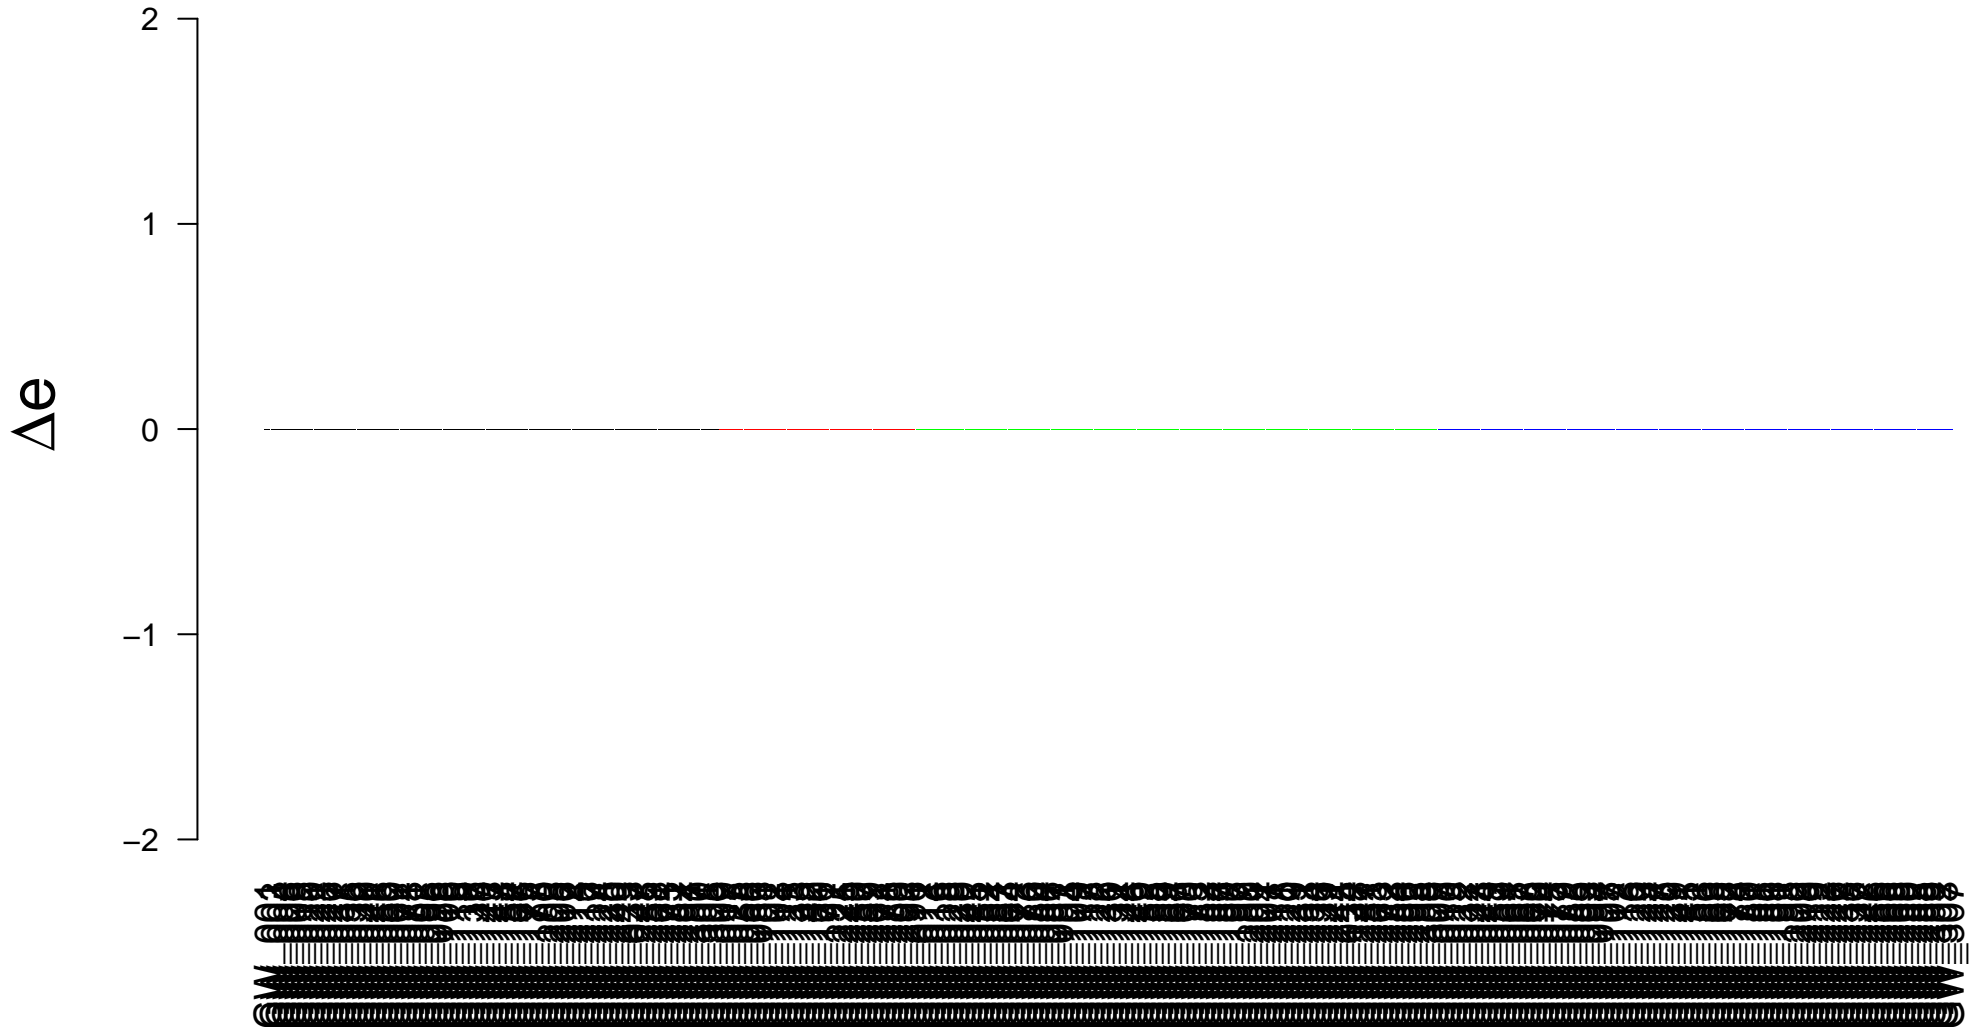

Expression of negative regulation of multicellular organism growth in Spot L

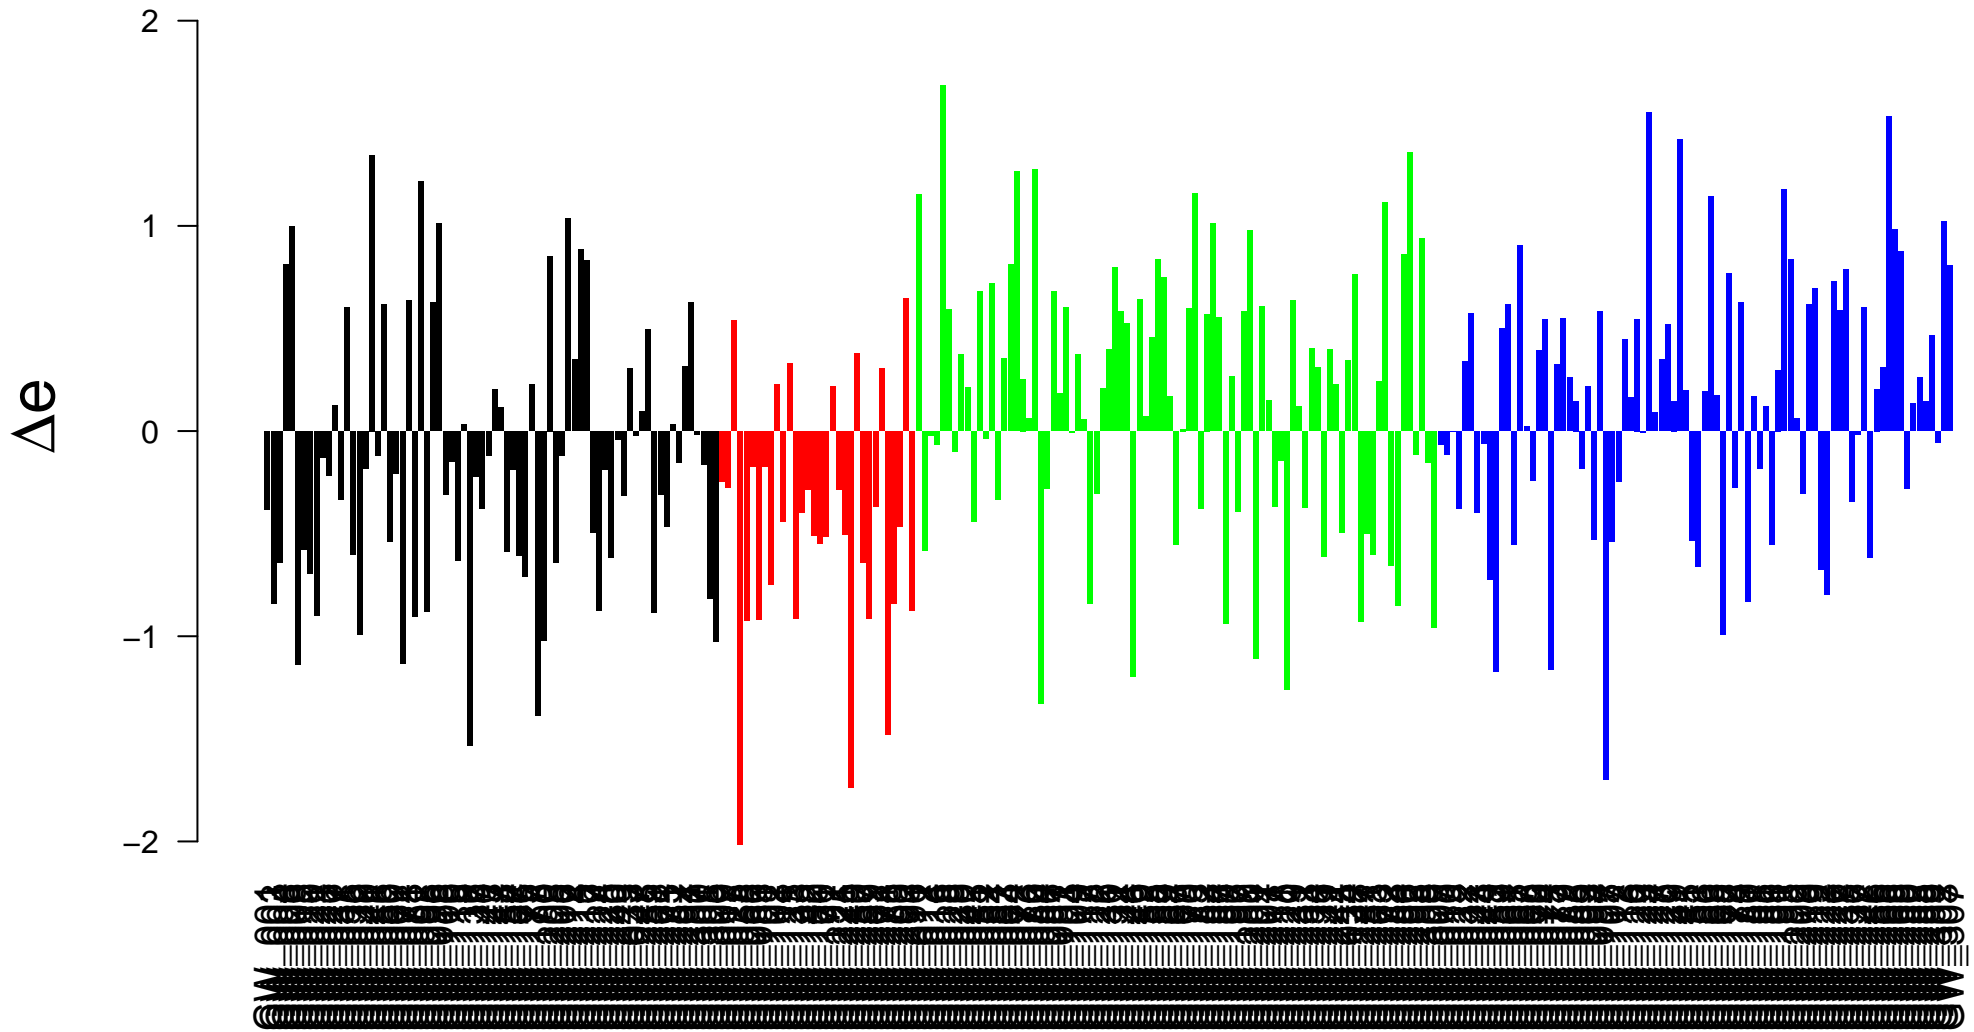

Expression of negative regulation of multicellular organism growth in Spot M

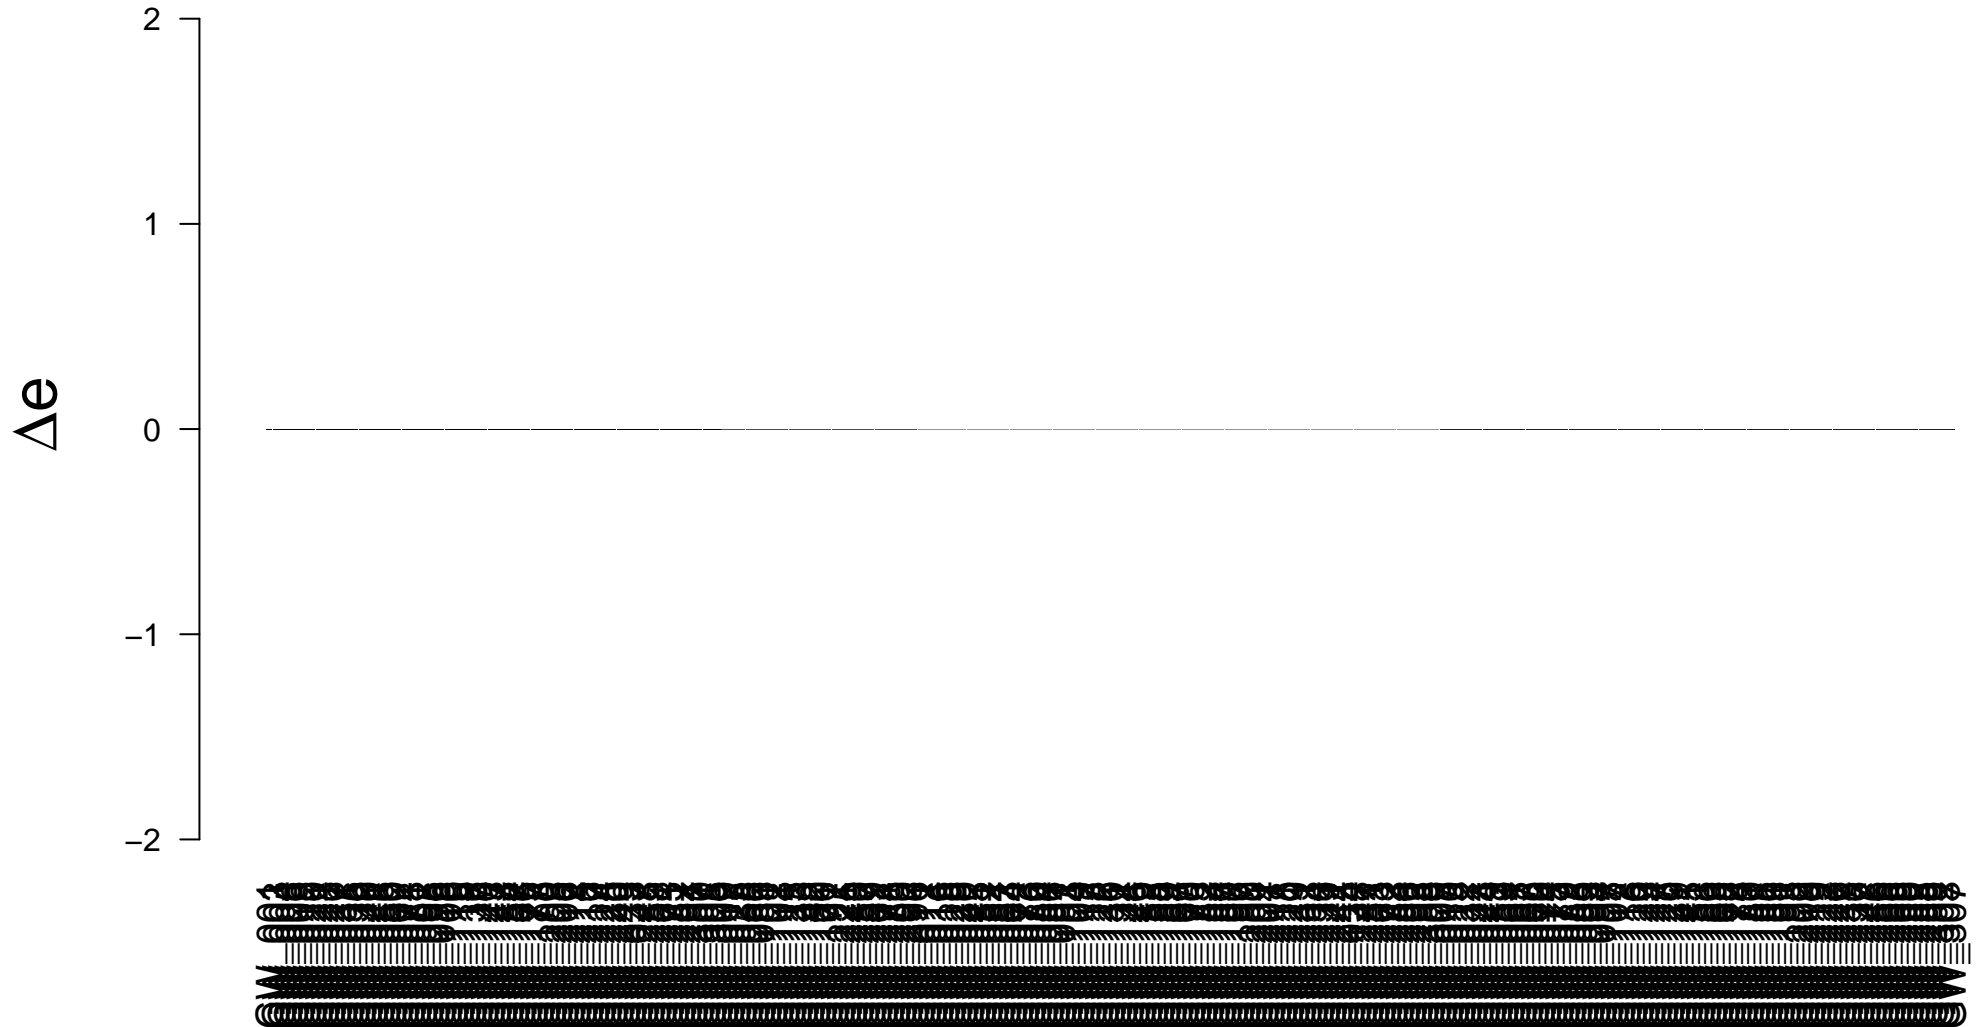

Expression of negative regulation of multicellular organism growth in Spot N

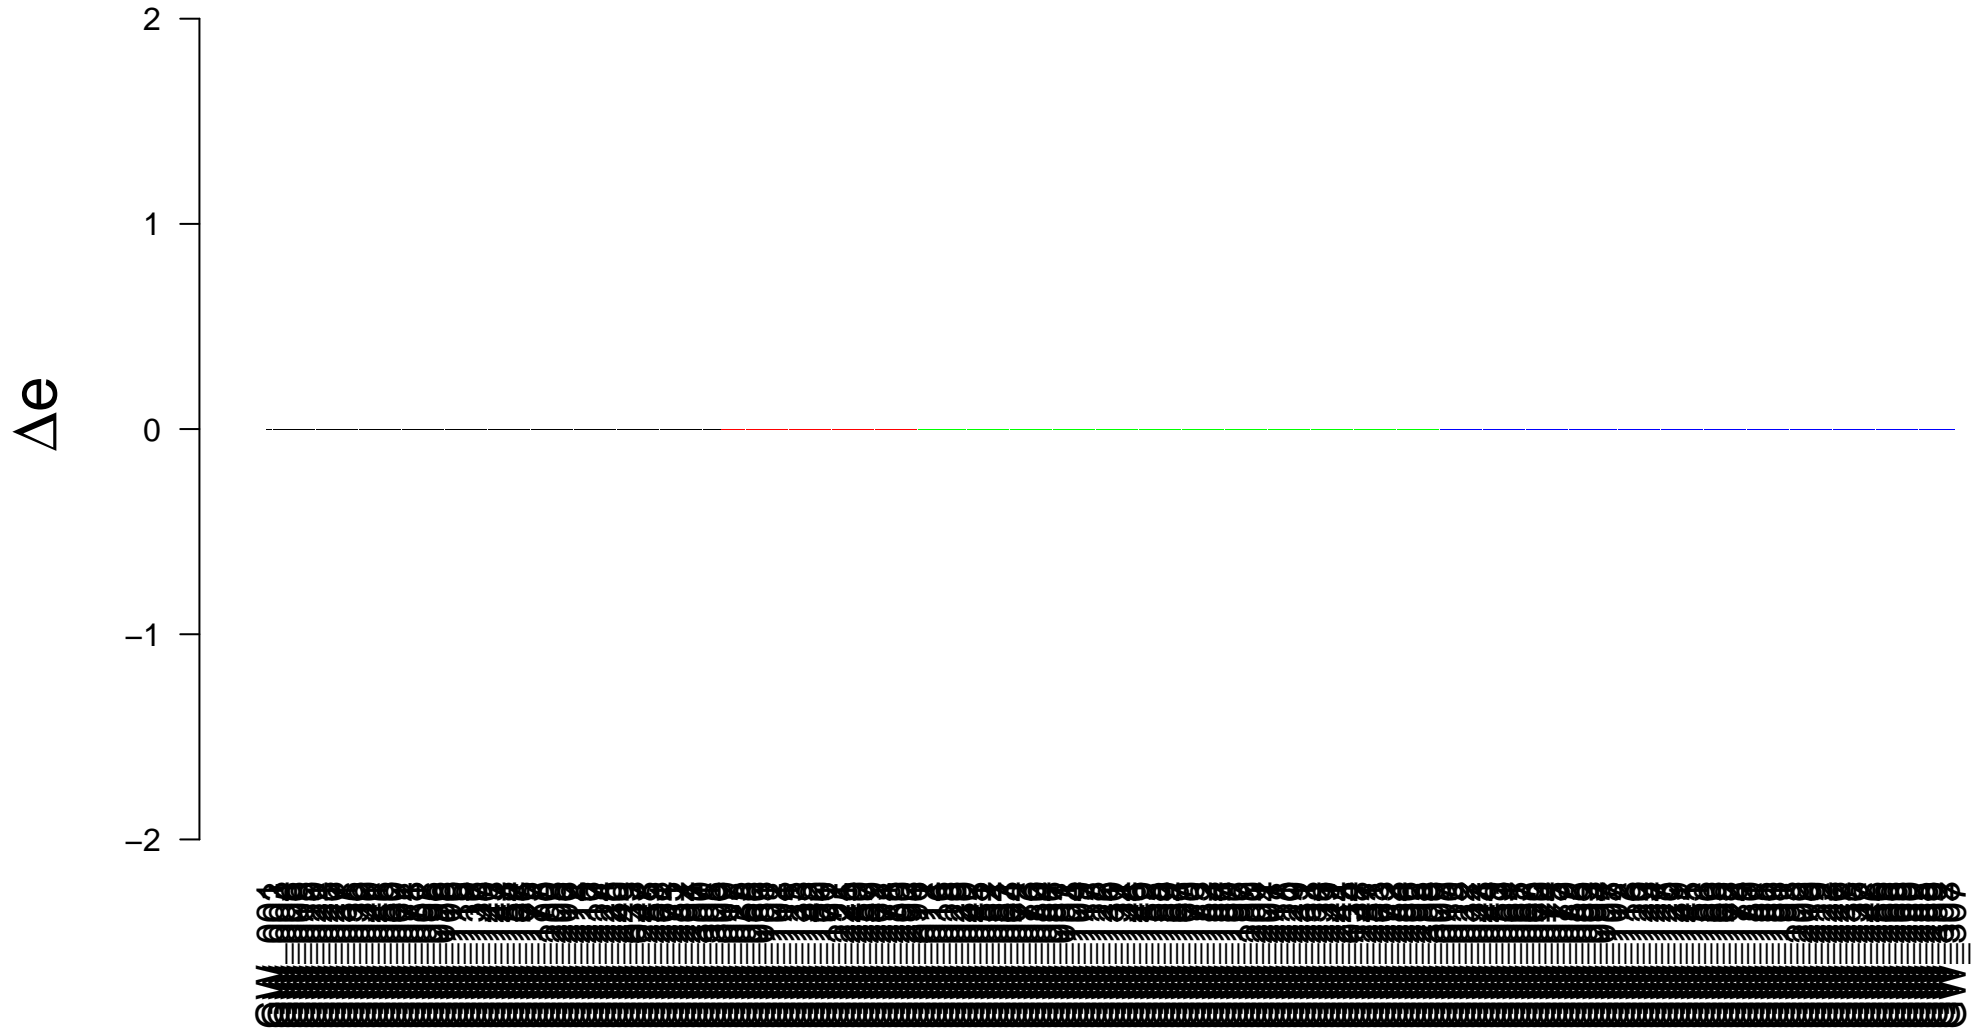

Expression of negative regulation of multicellular organism growth in Spot O

Expression of negative regulation of multicellular organism growth in Spot P

Expression of negative regulation of multicellular organism growth in Spot Q

Expression of negative regulation of multicellular organism growth in Spot R
