

# negative regulation of peptidase activity

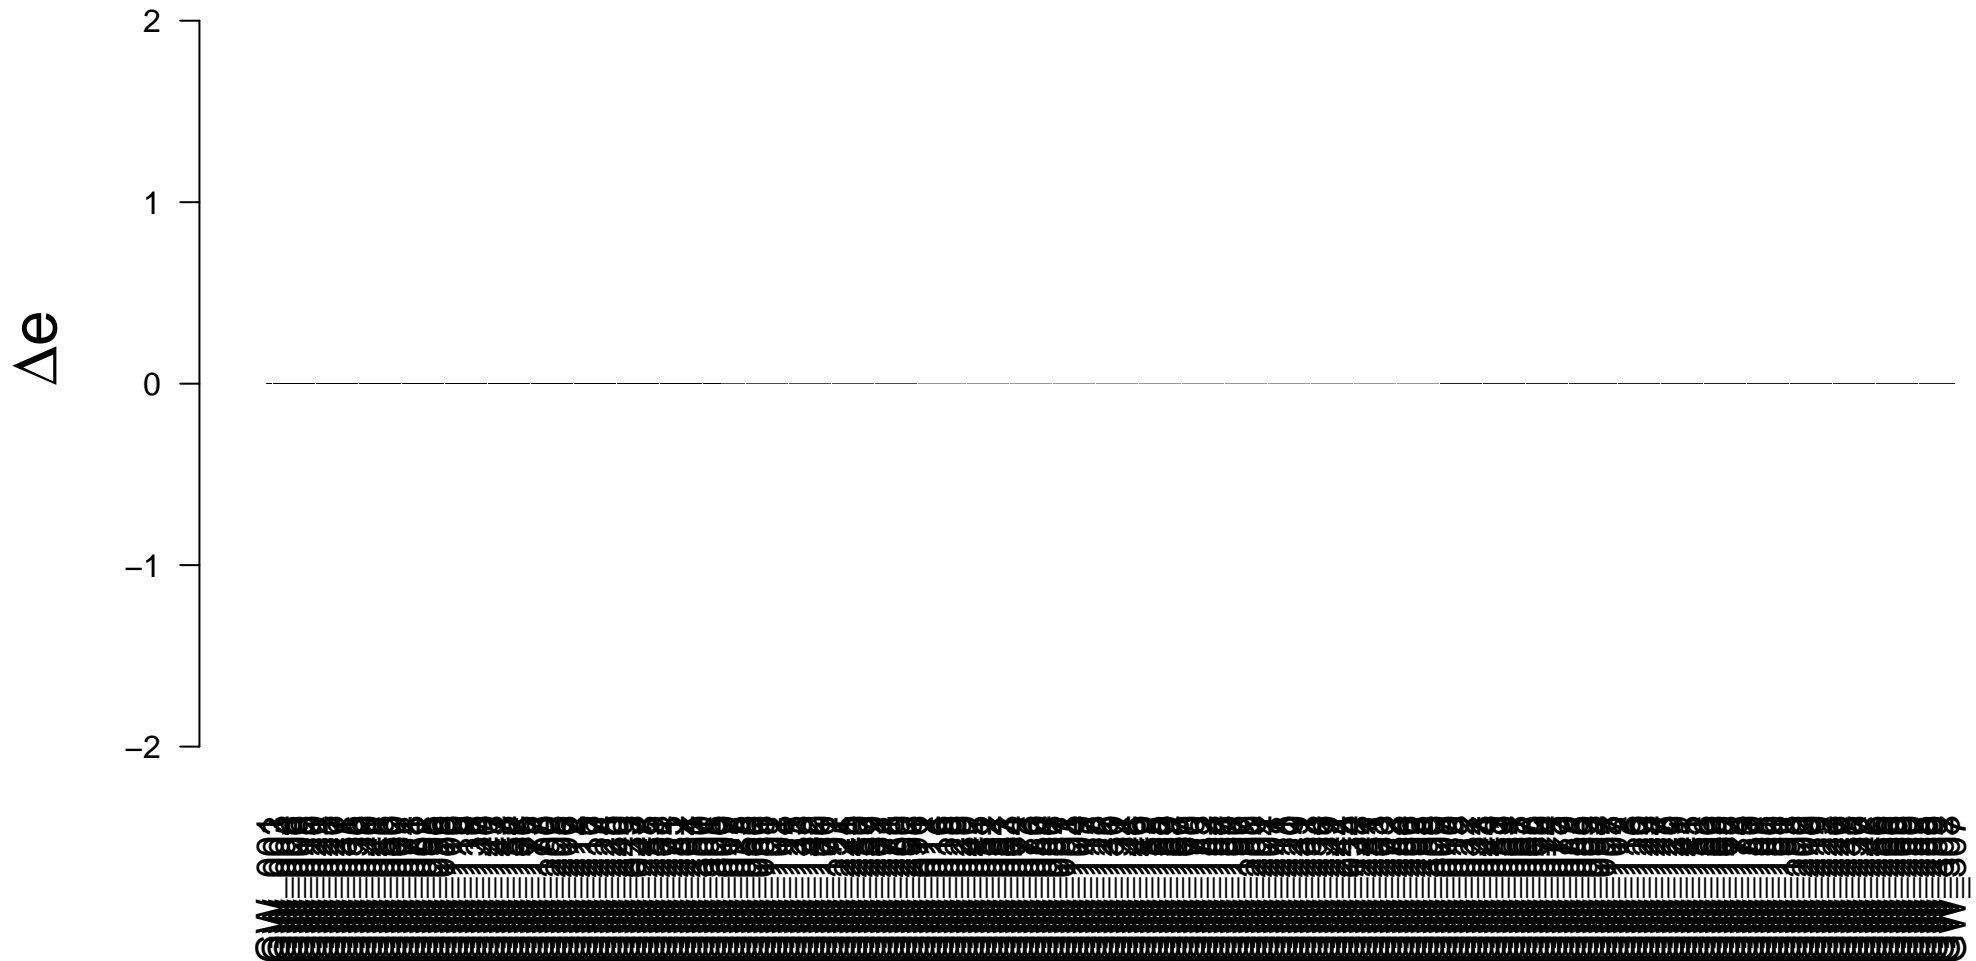

# negative regulation of peptidase activity

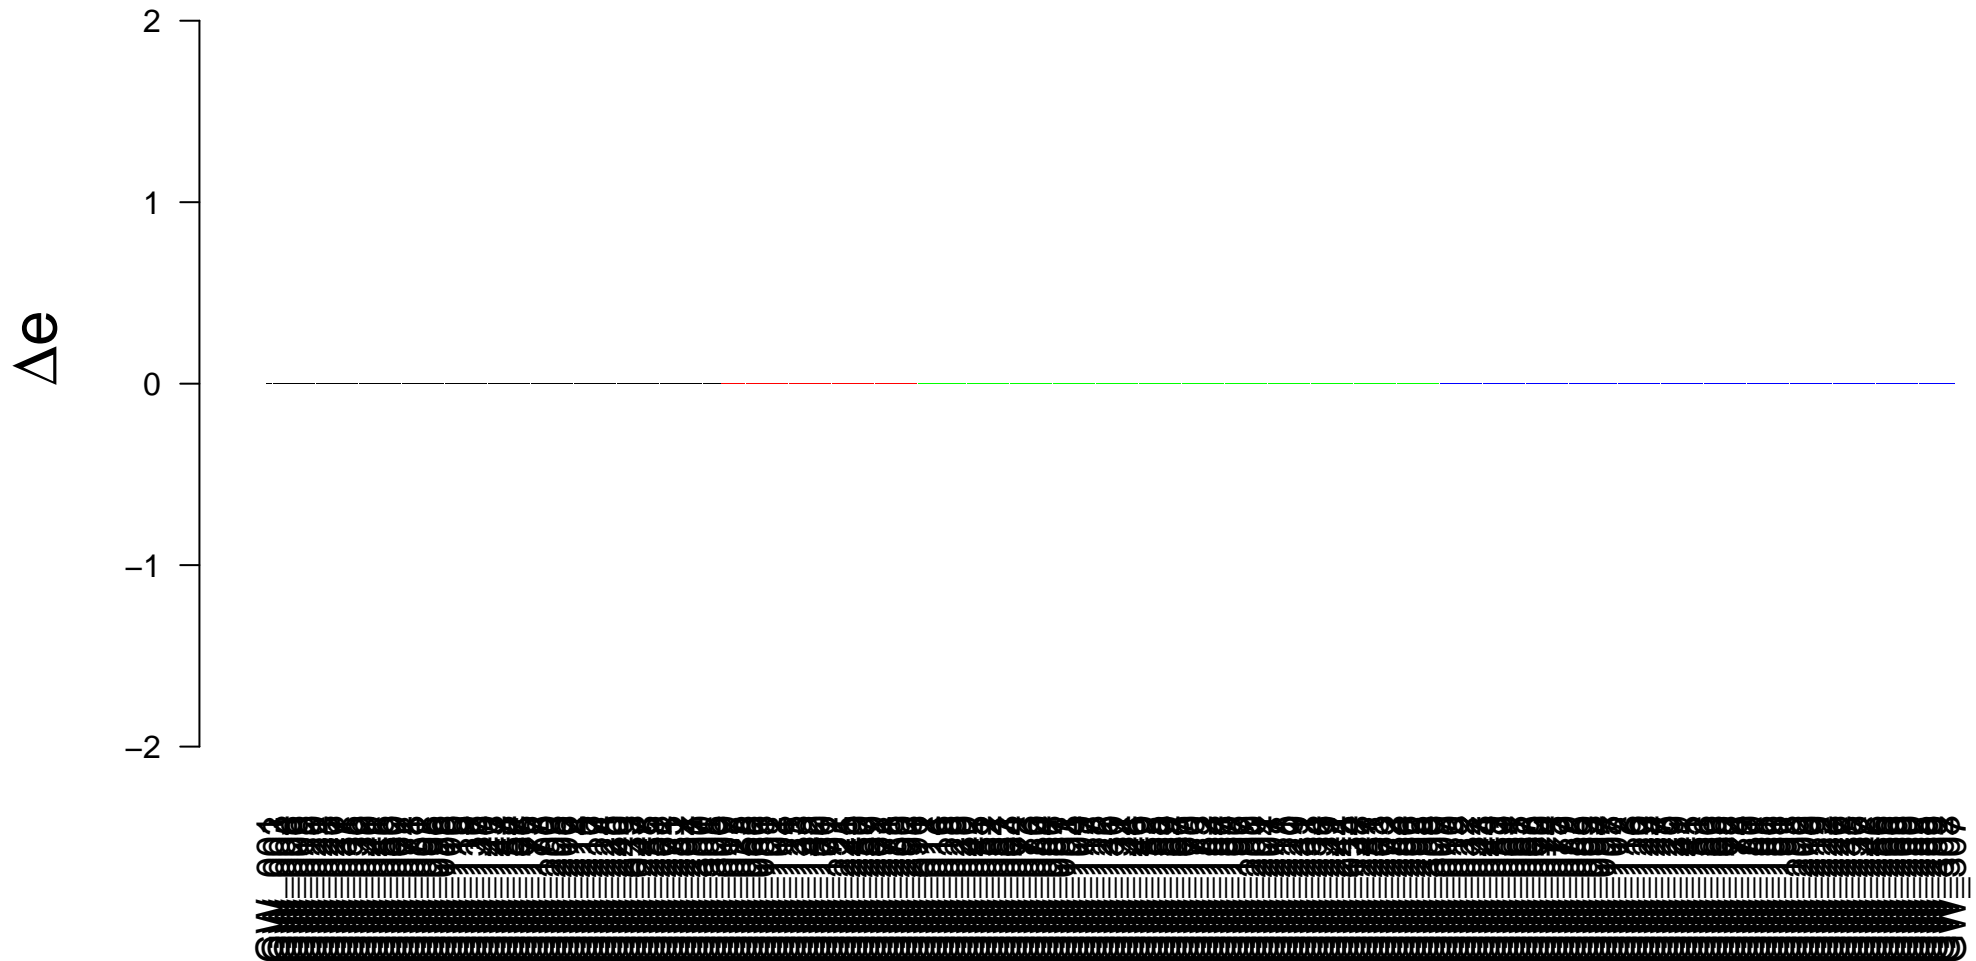

# Enrichment in spots: negative regulation of peptidase activity

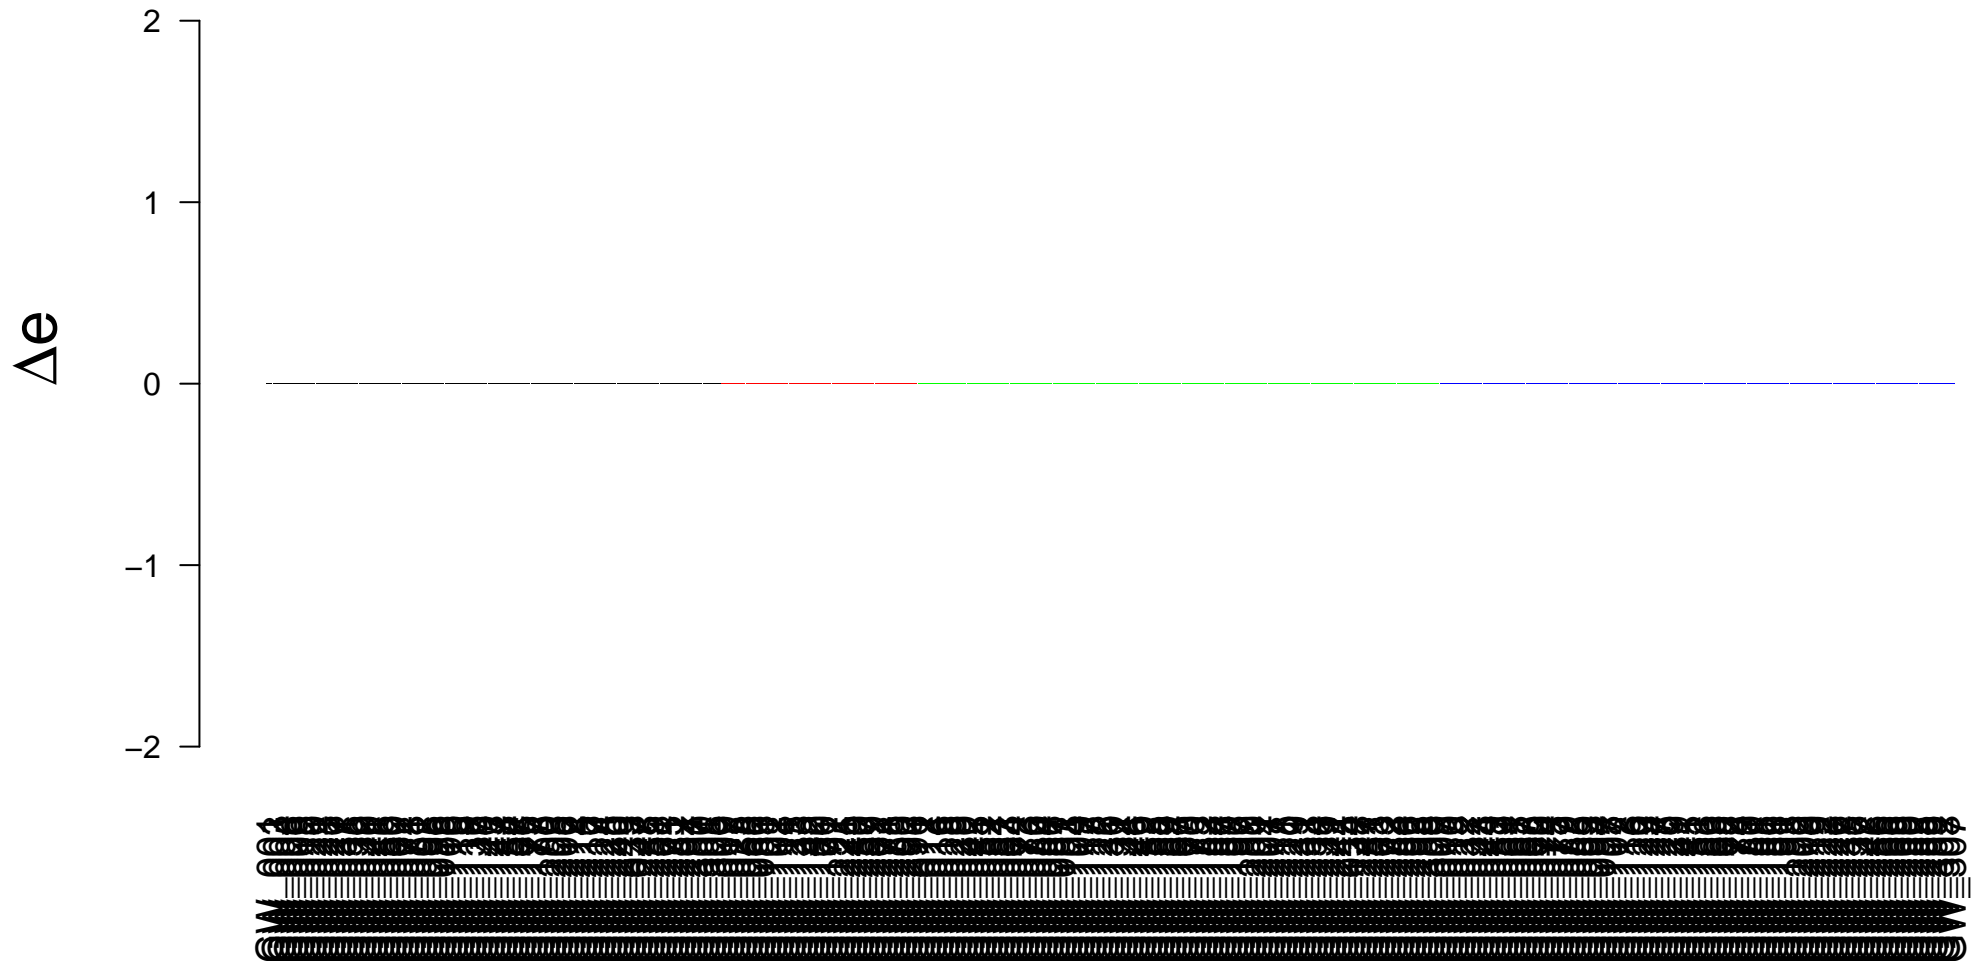

# Expression of negative regulation of peptidase activity in Spot A

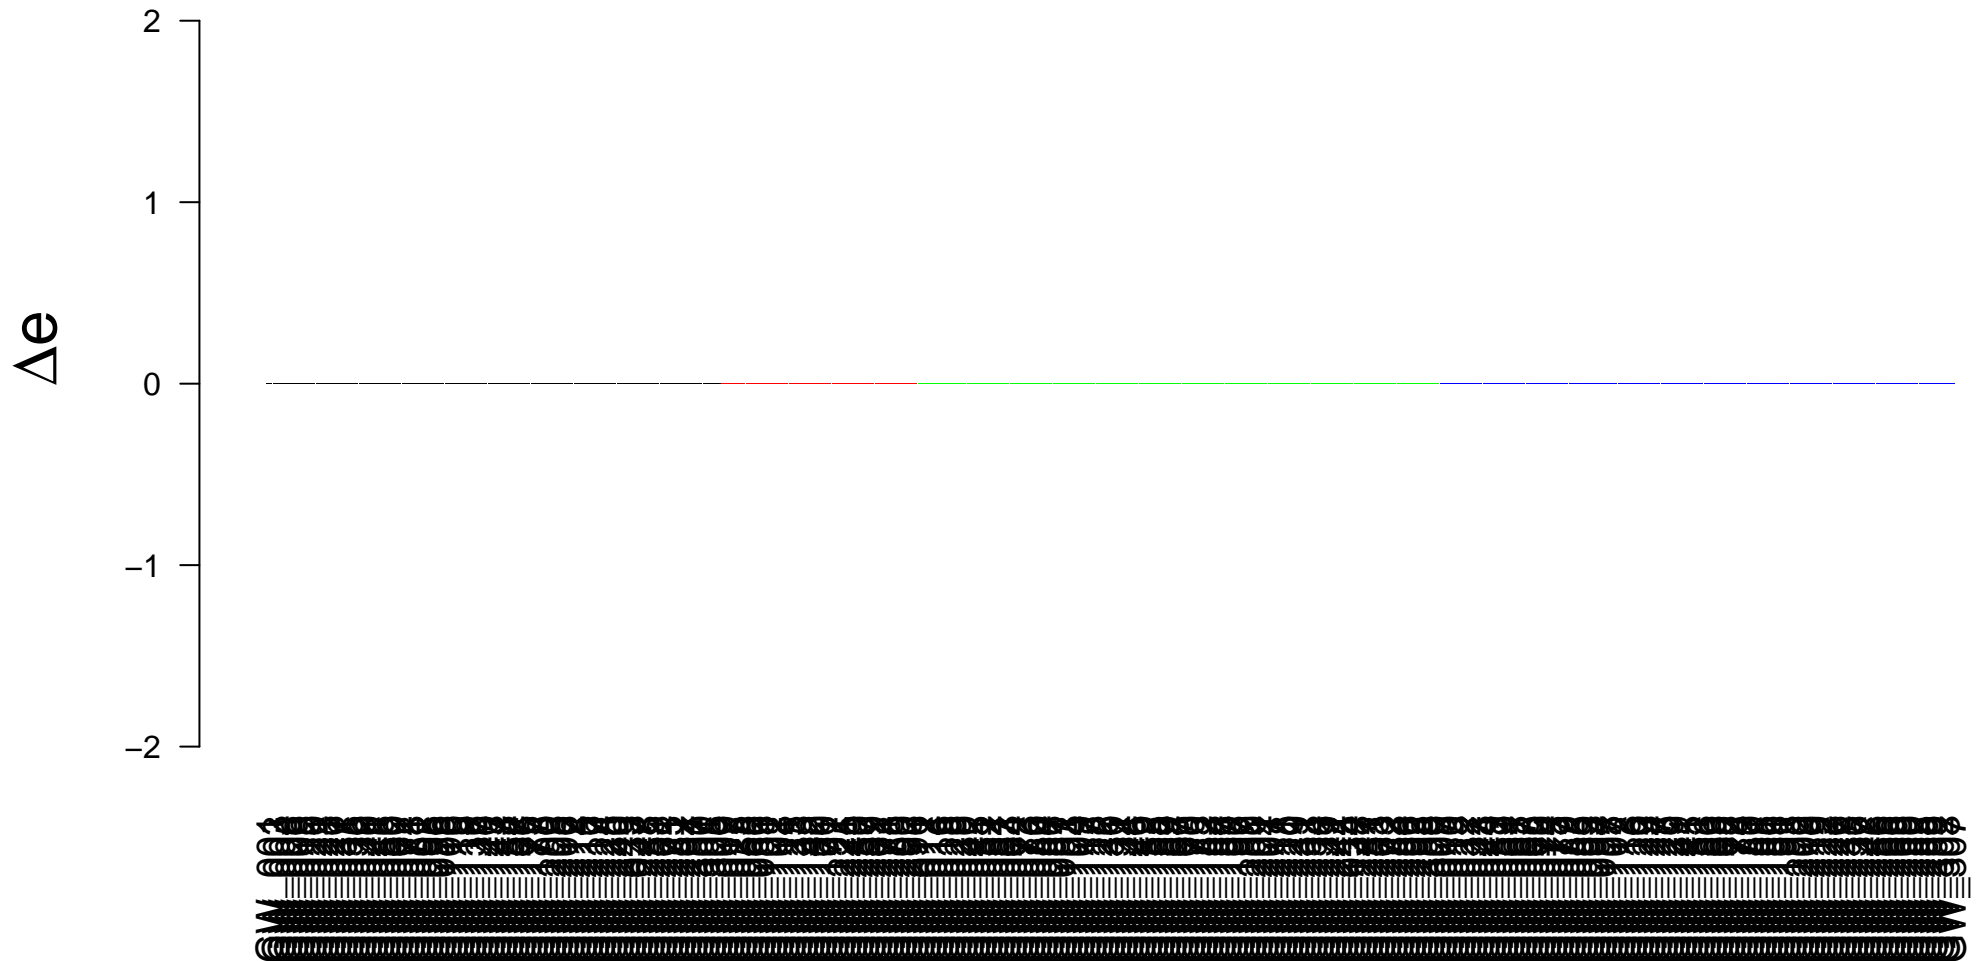

# Expression of negative regulation of peptidase activity in Spot B

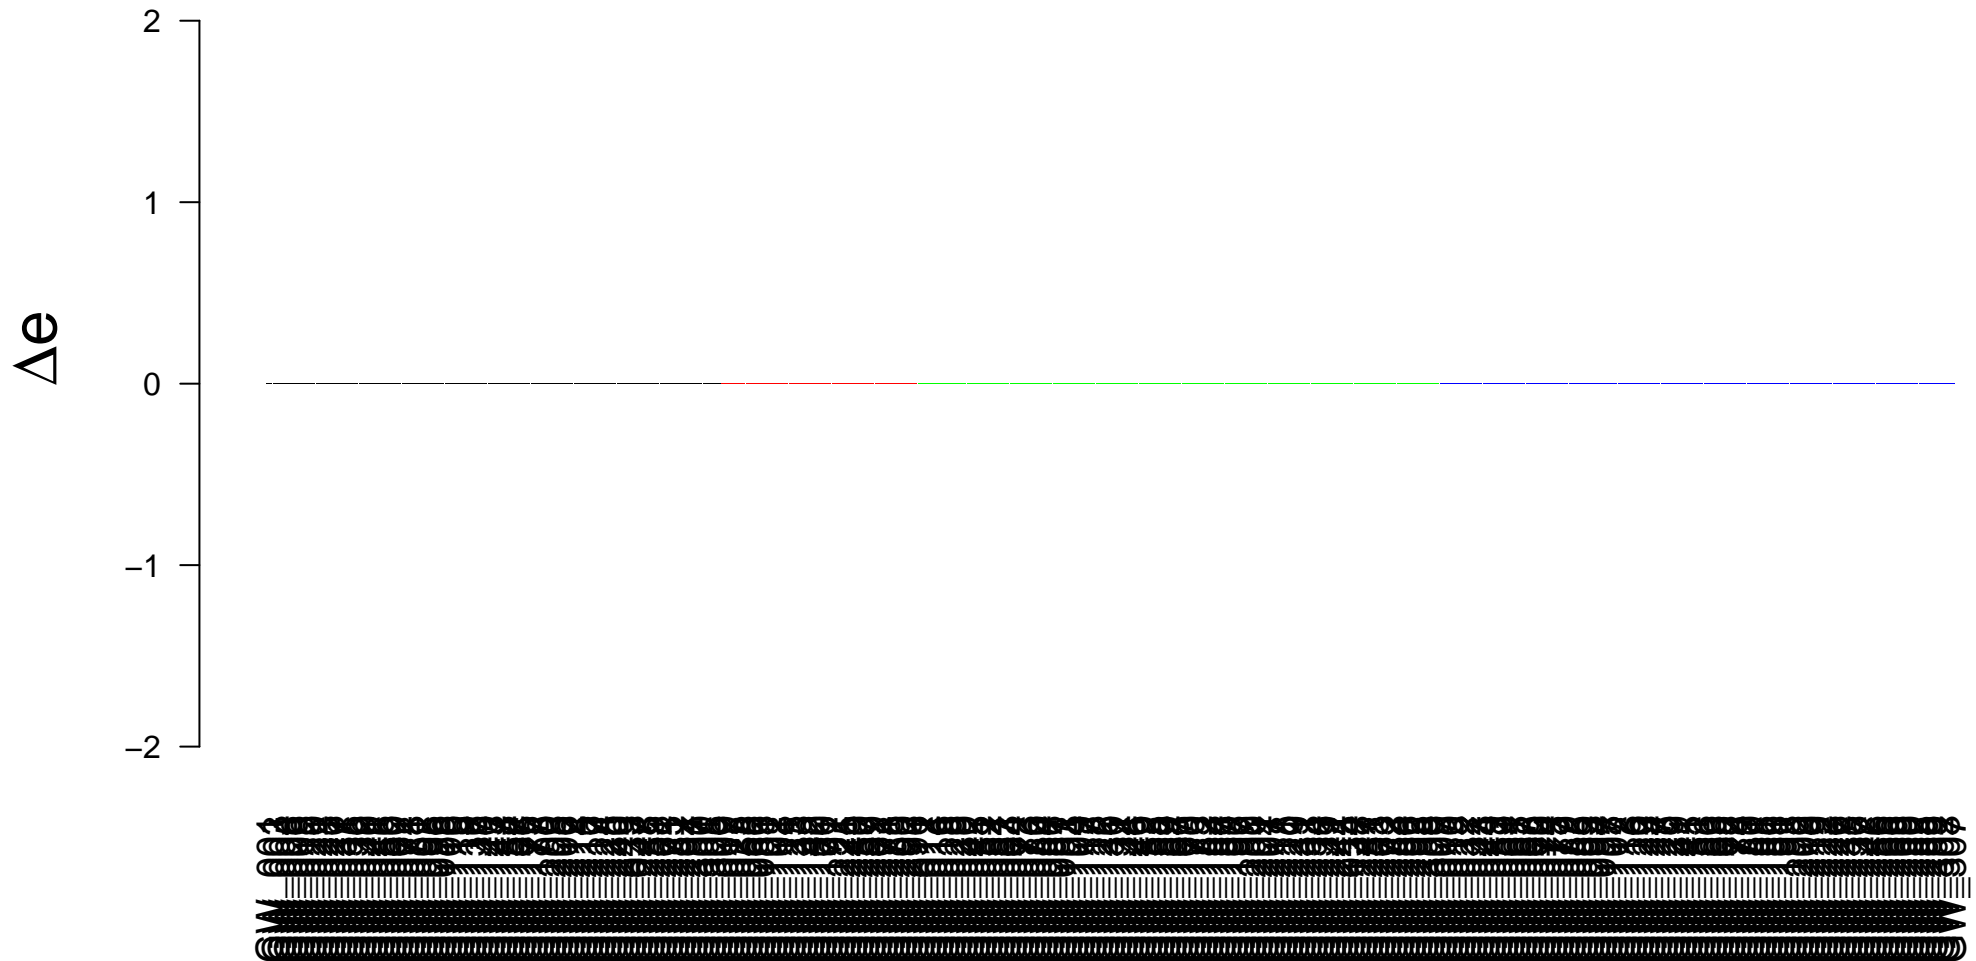

# Expression of negative regulation of peptidase activity in Spot C

# Expression of negative regulation of peptidase activity in Spot D

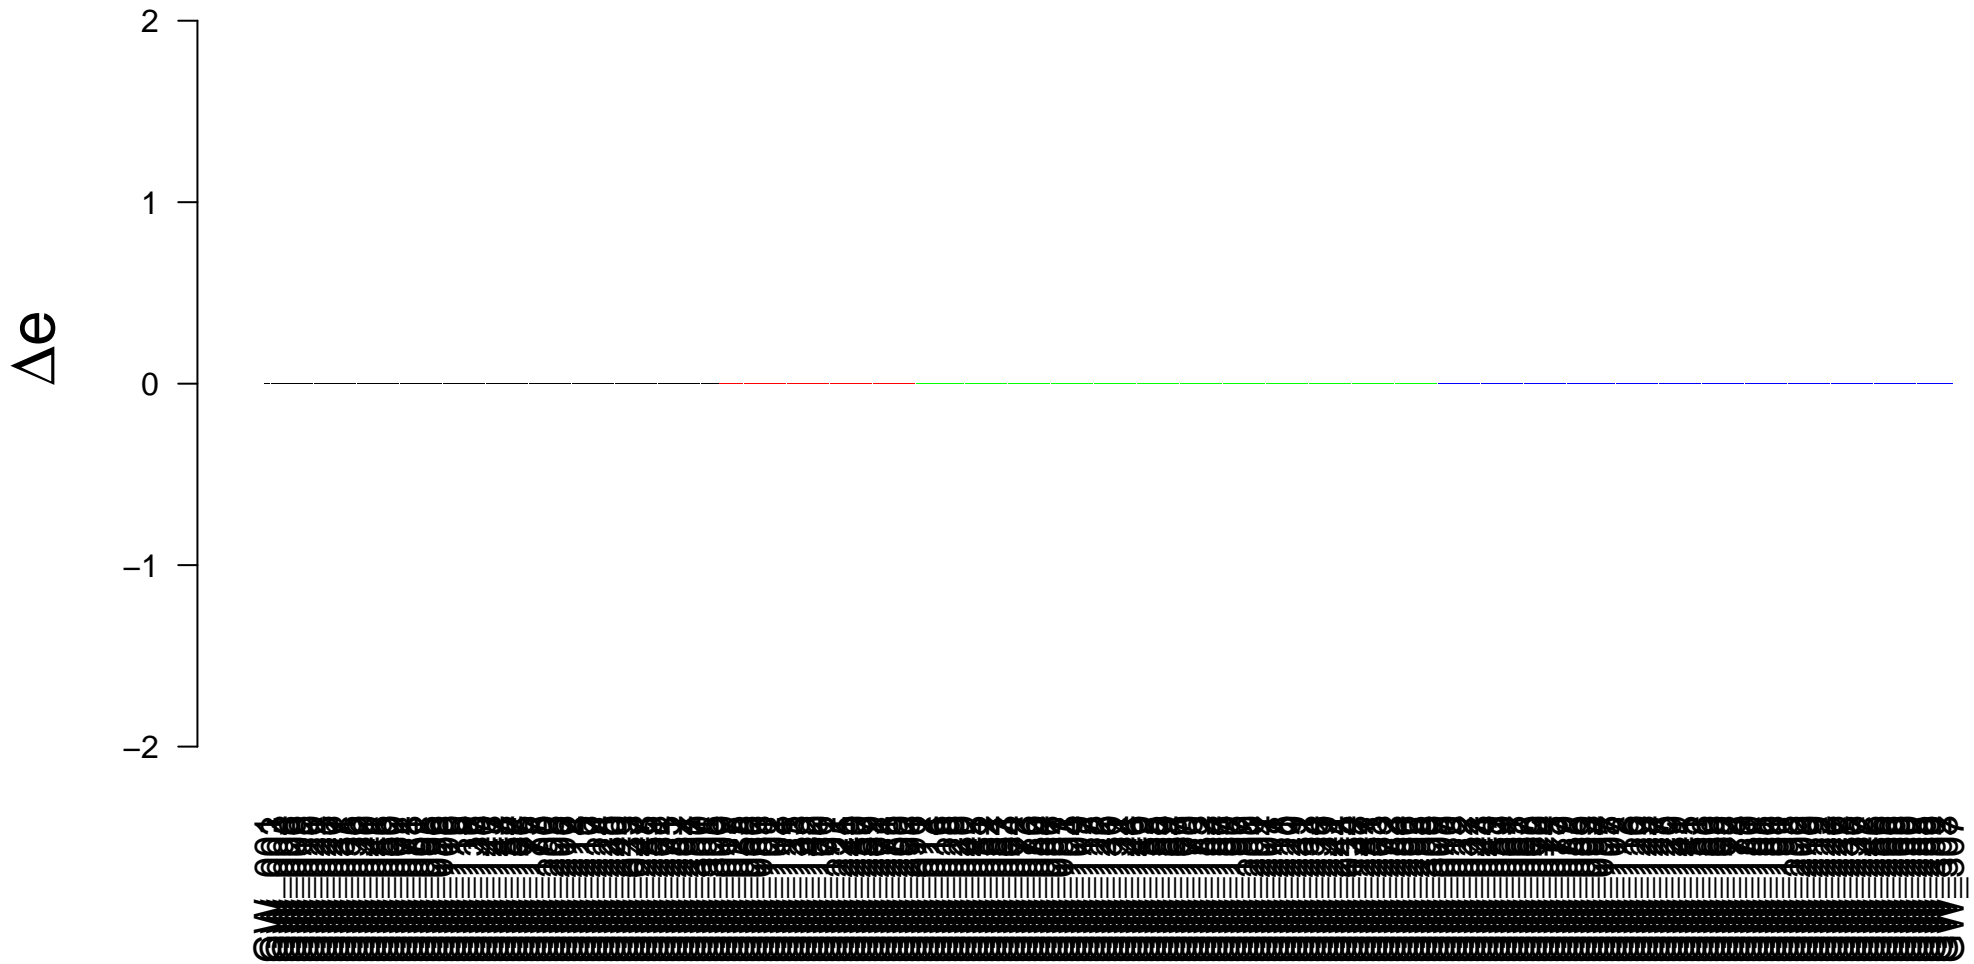

# Expression of negative regulation of peptidase activity in Spot E

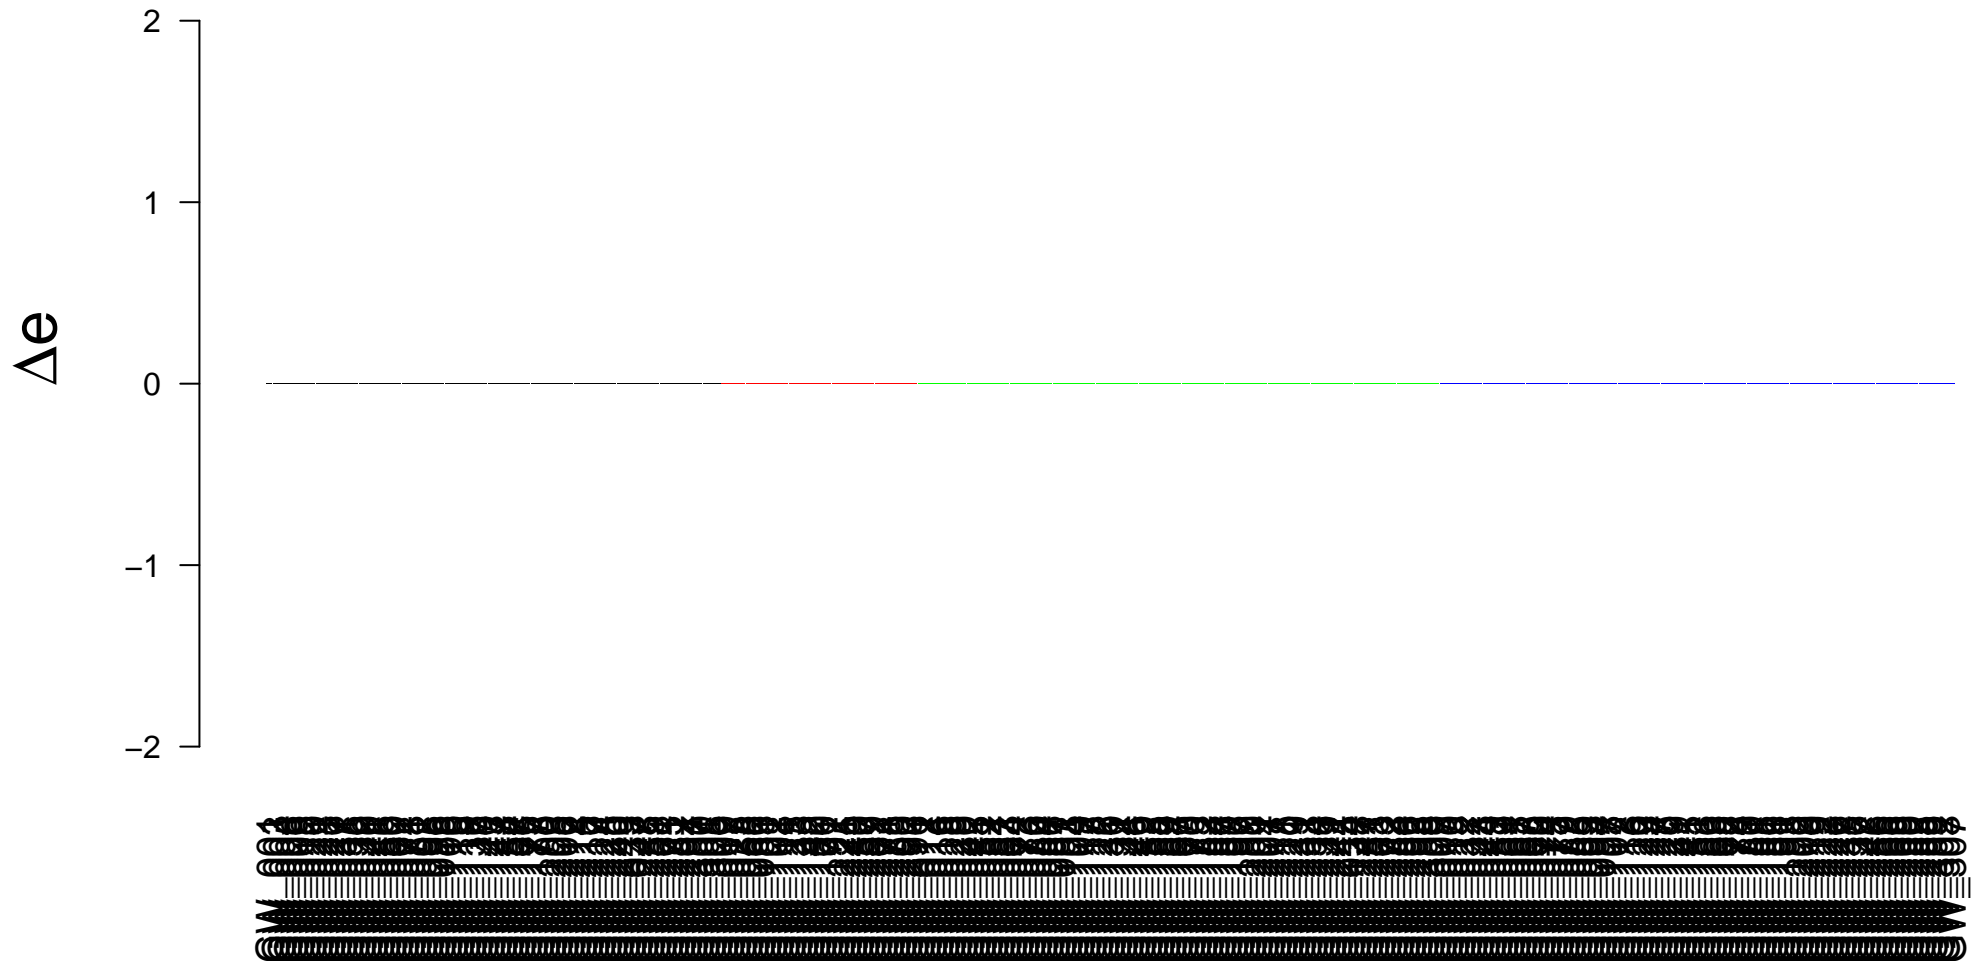

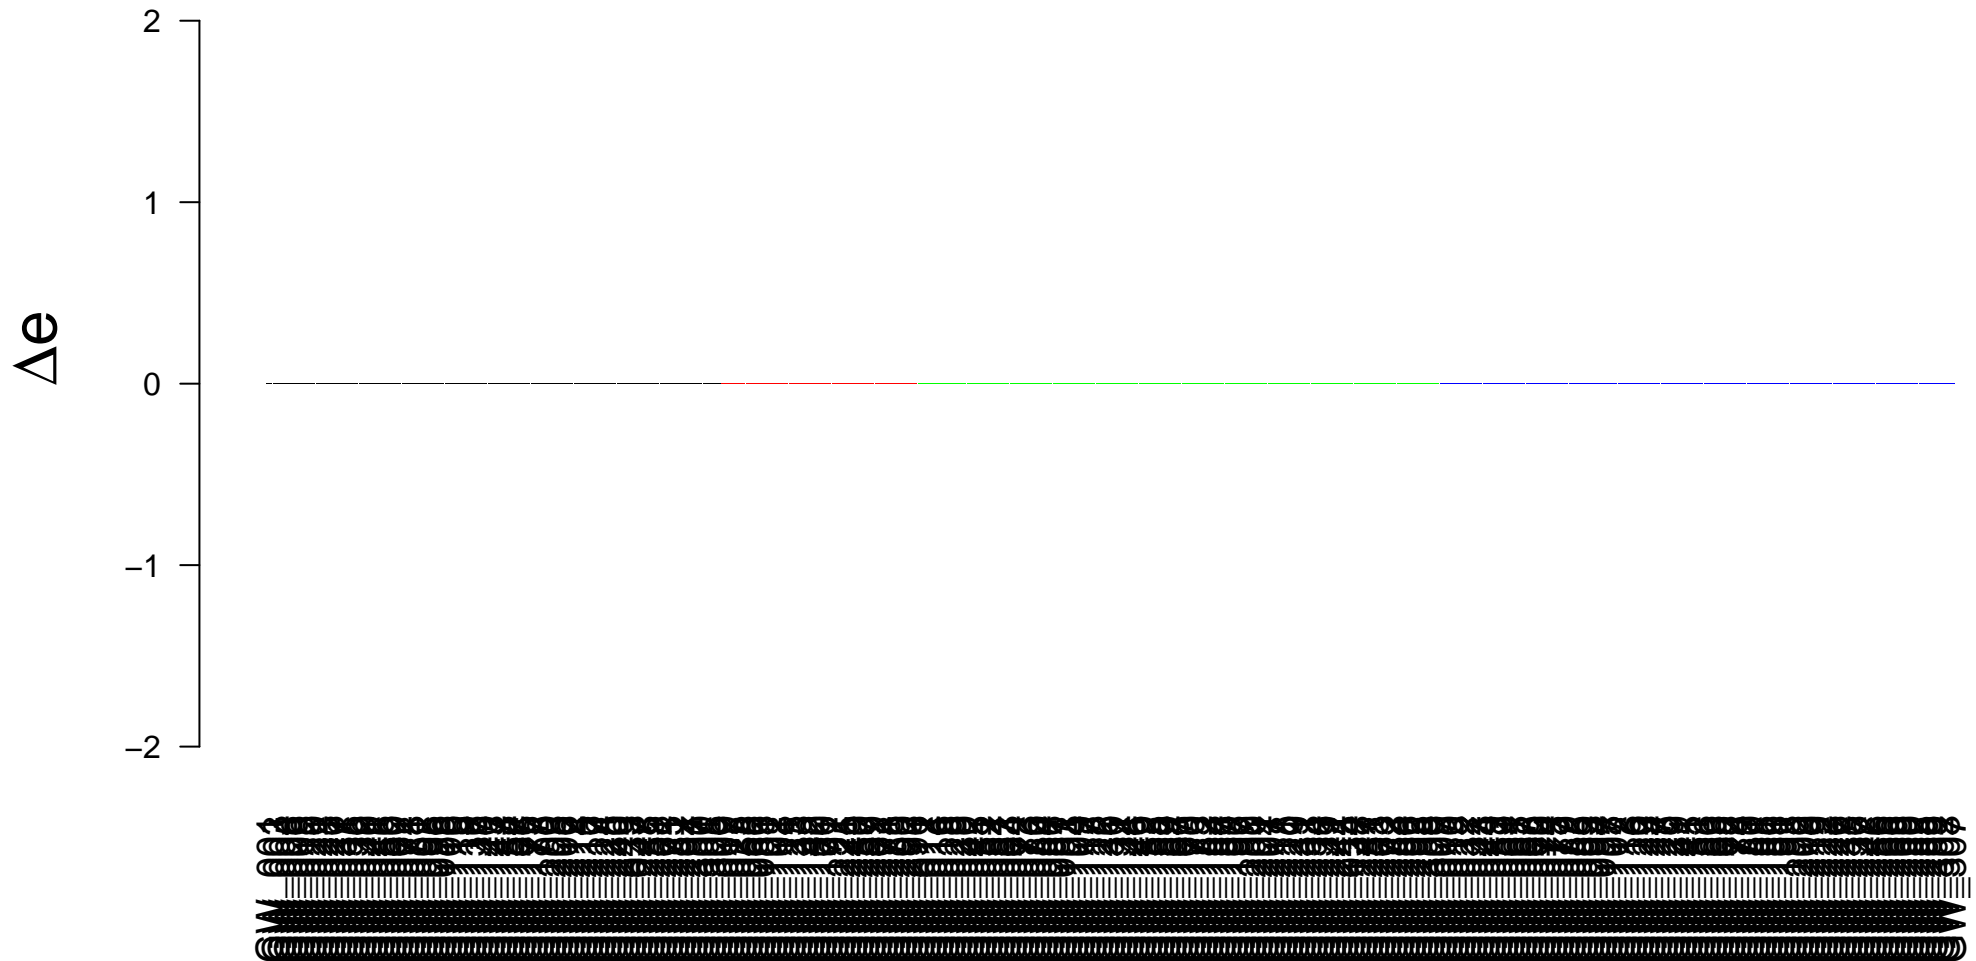

# Expression of negative regulation of peptidase activity in Spot F

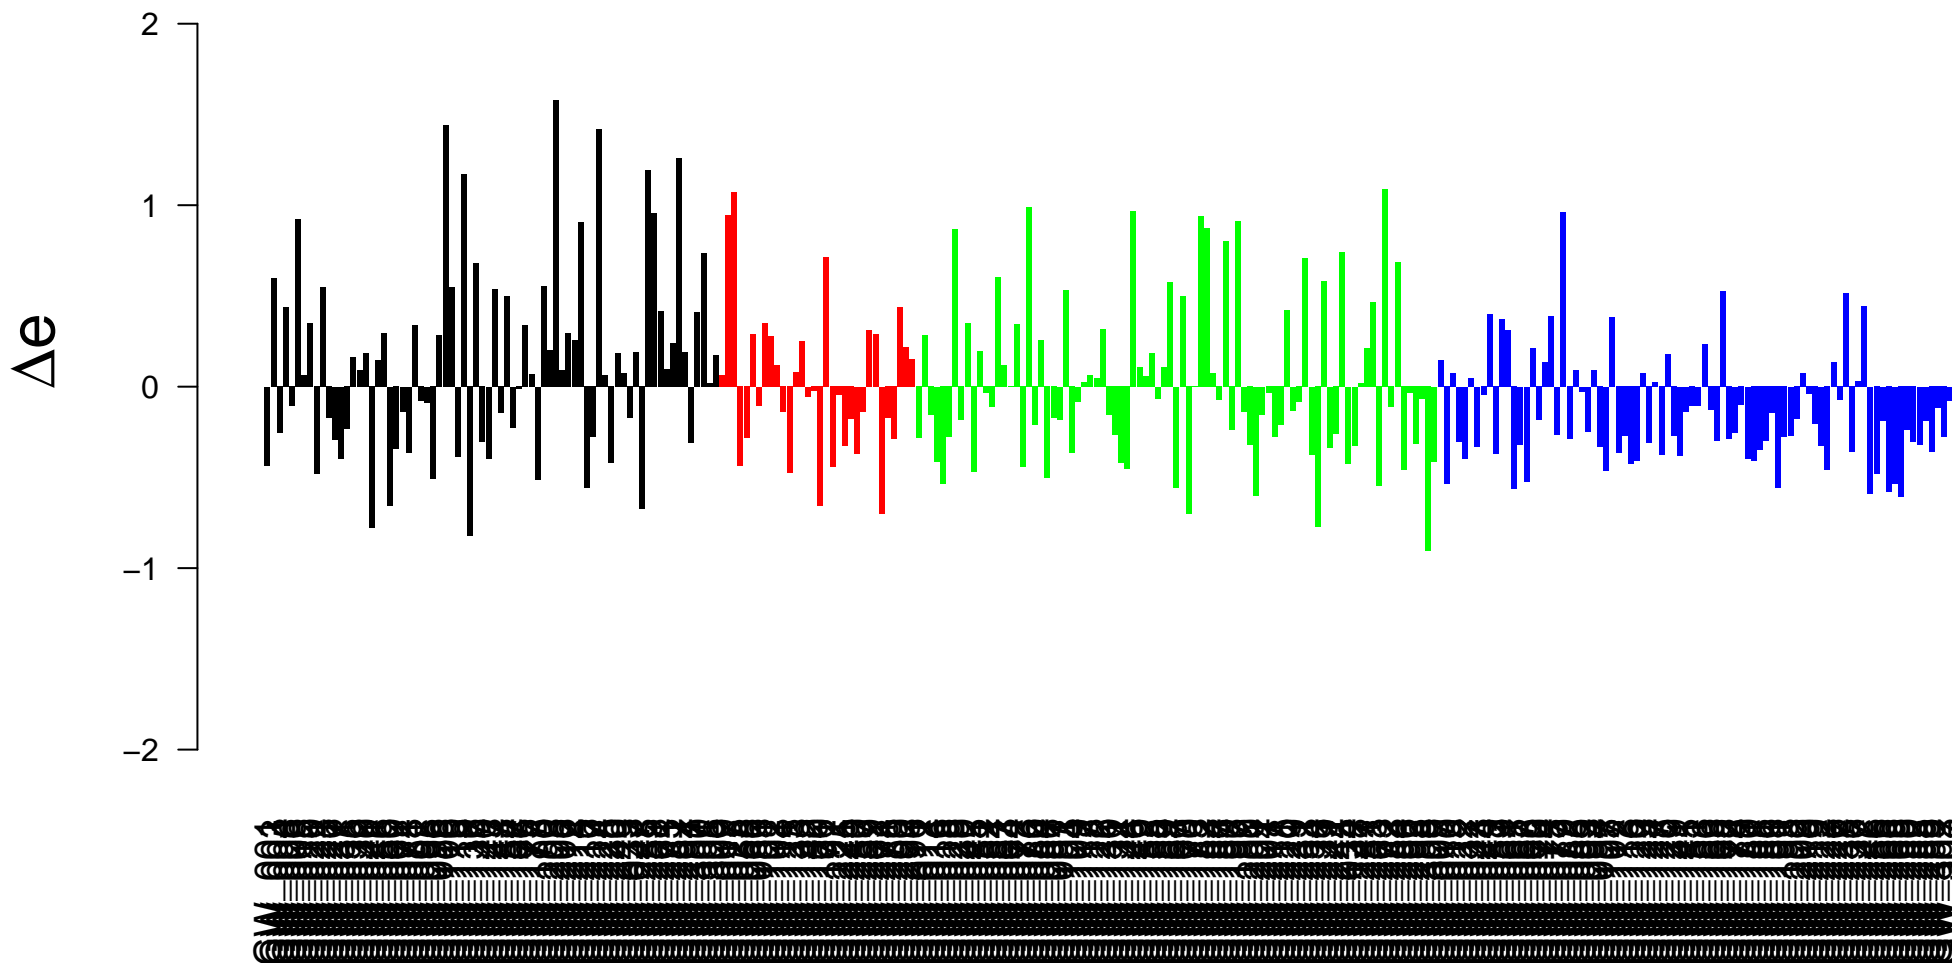

# Expression of negative regulation of peptidase activity in Spot G

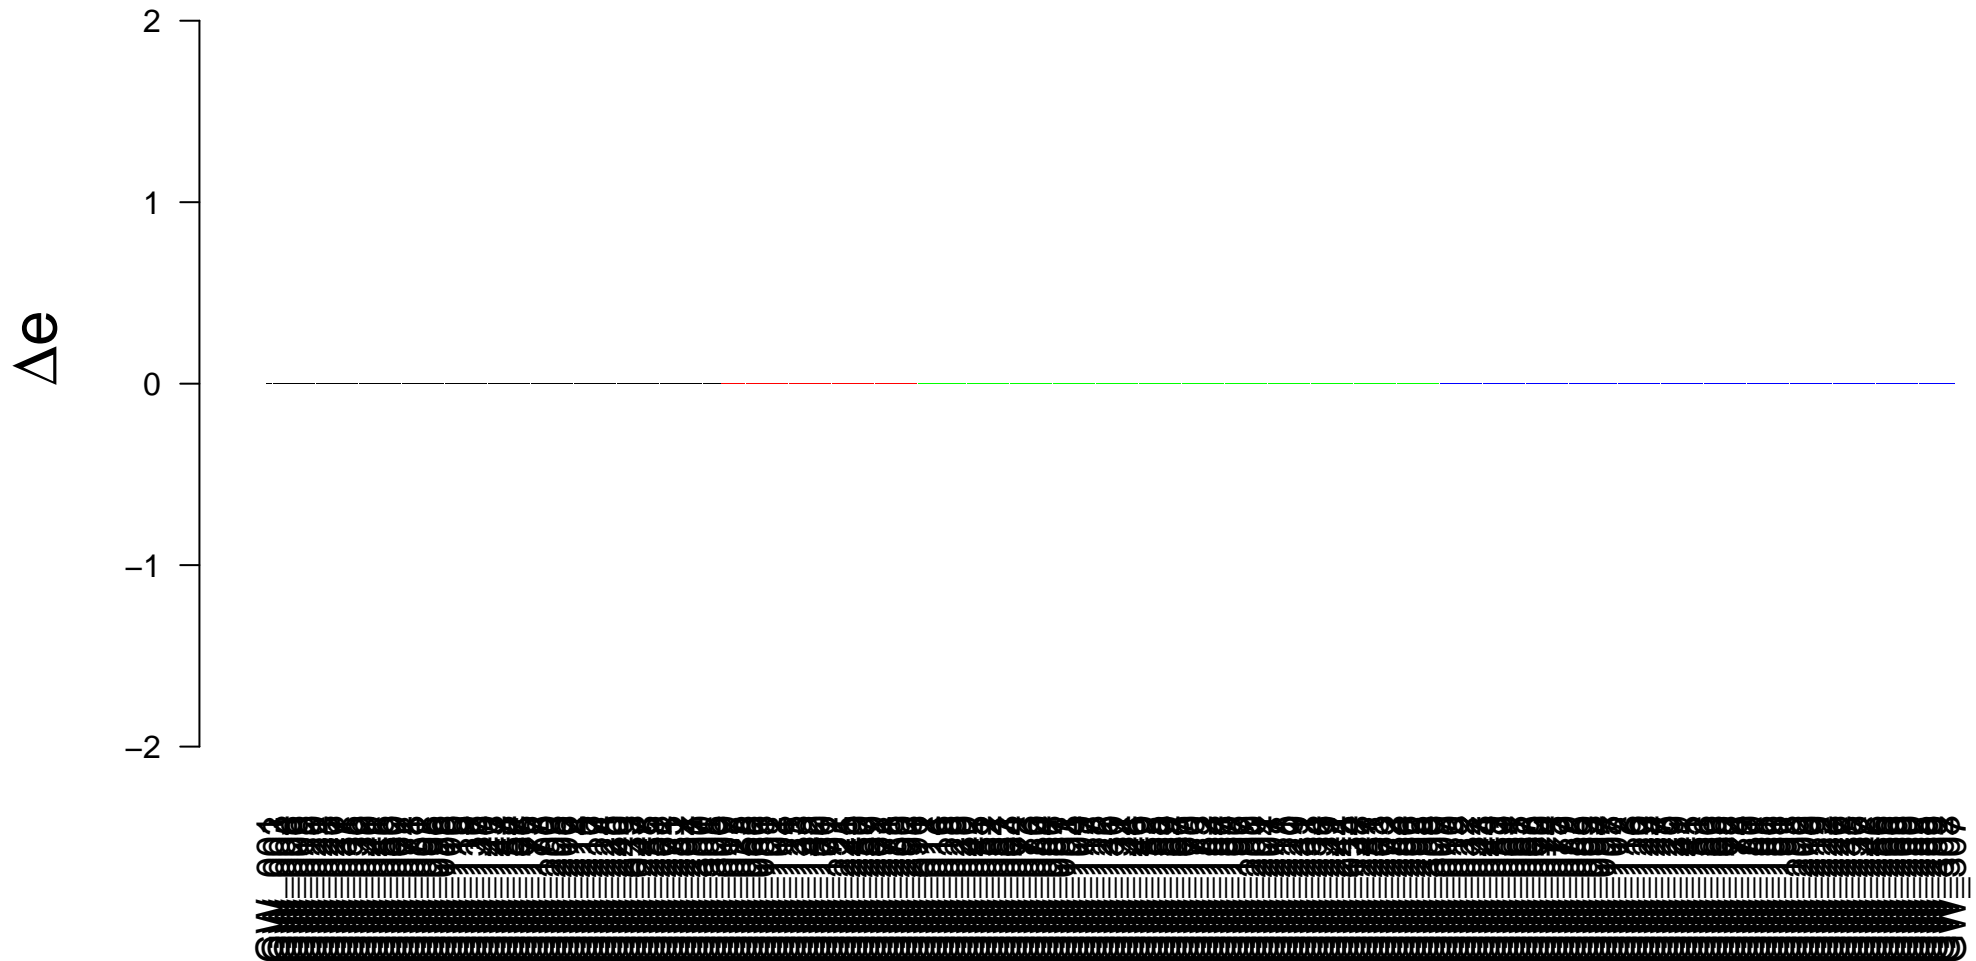

# Expression of negative regulation of peptidase activity in Spot H

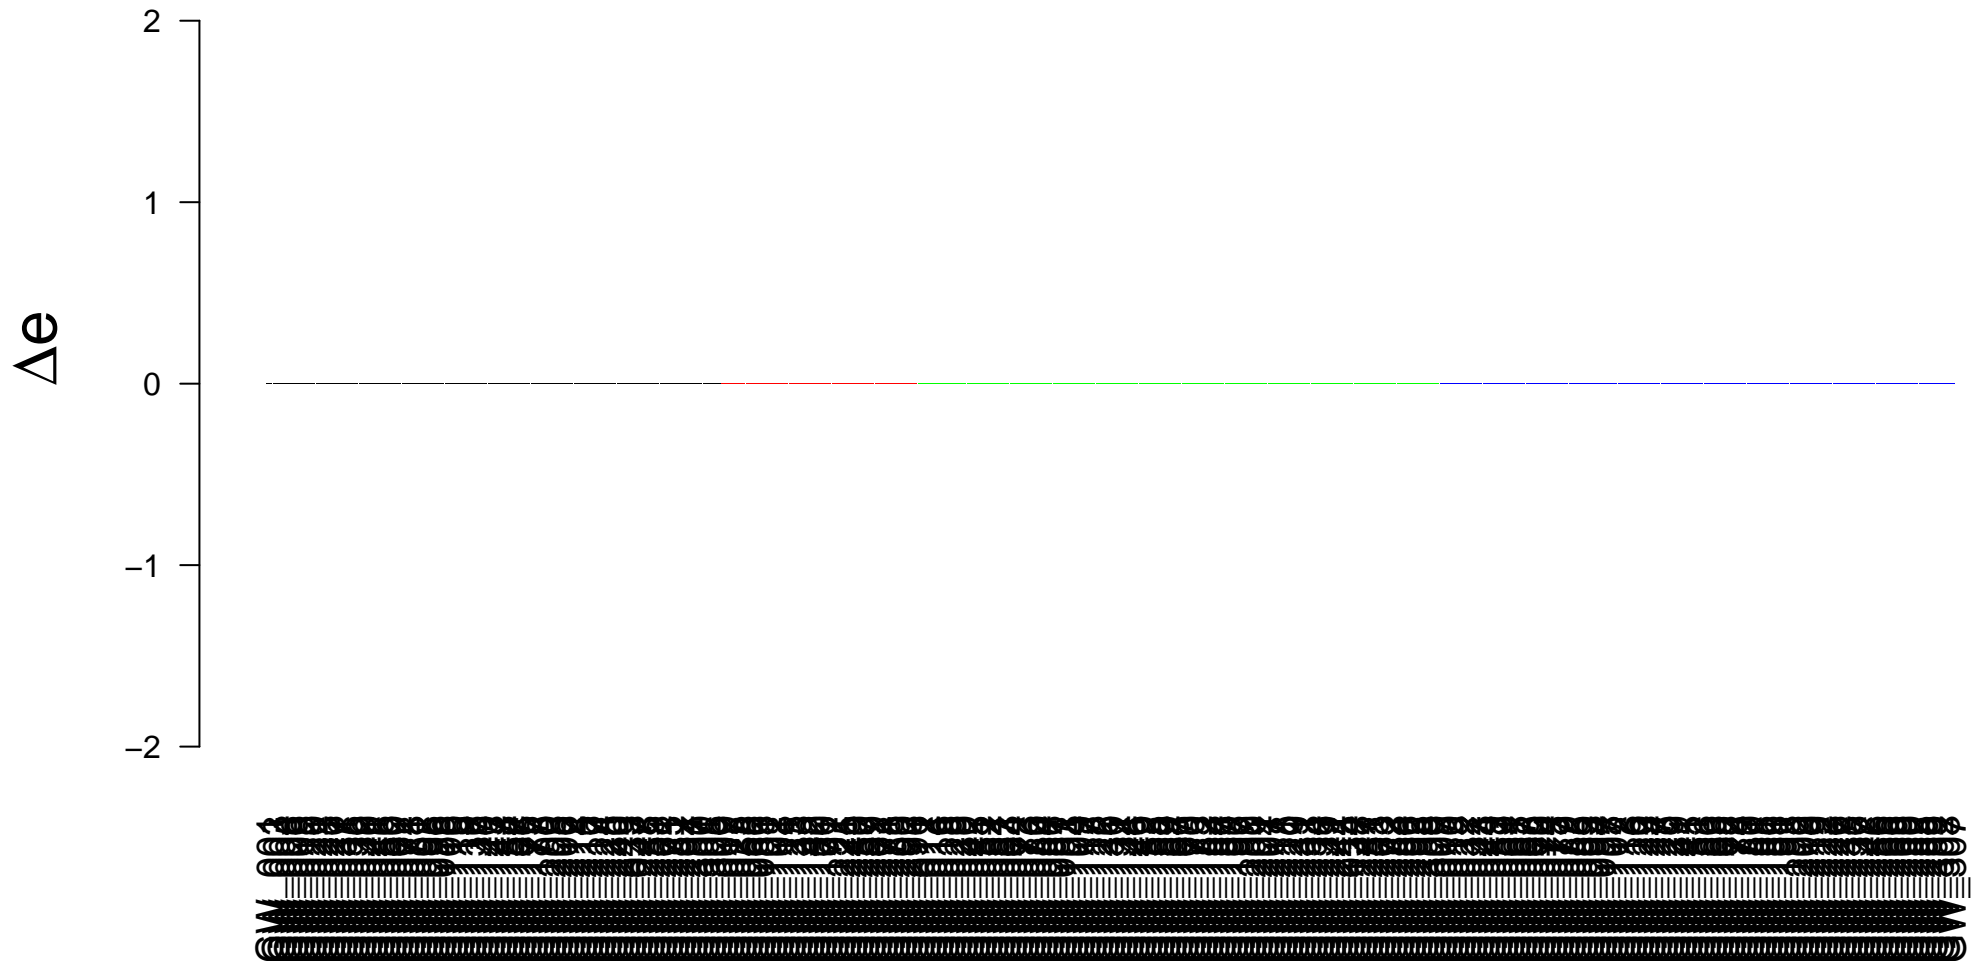

# Expression of negative regulation of peptidase activity in Spot I

# Expression of negative regulation of peptidase activity in Spot J

# Expression of negative regulation of peptidase activity in Spot K

# Expression of negative regulation of peptidase activity in Spot L
