

negative regulation of protein complex assembly

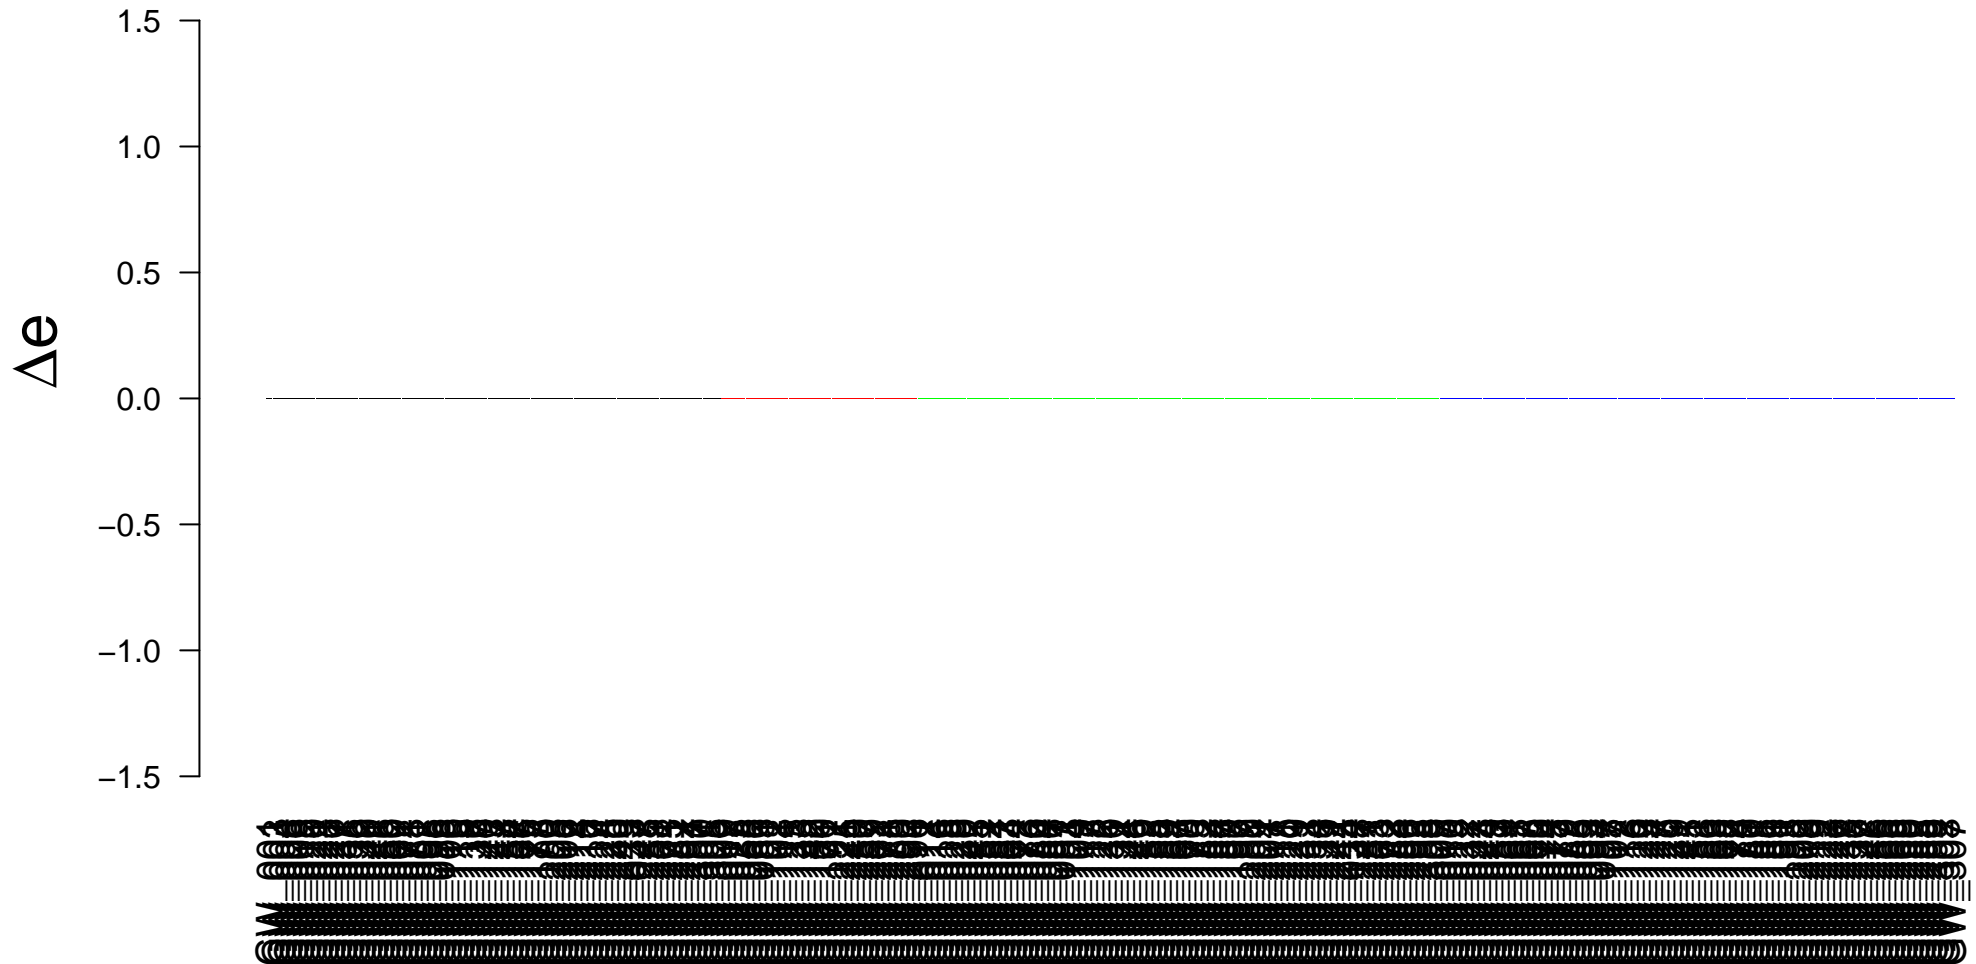

negative regulation of protein complex assembly

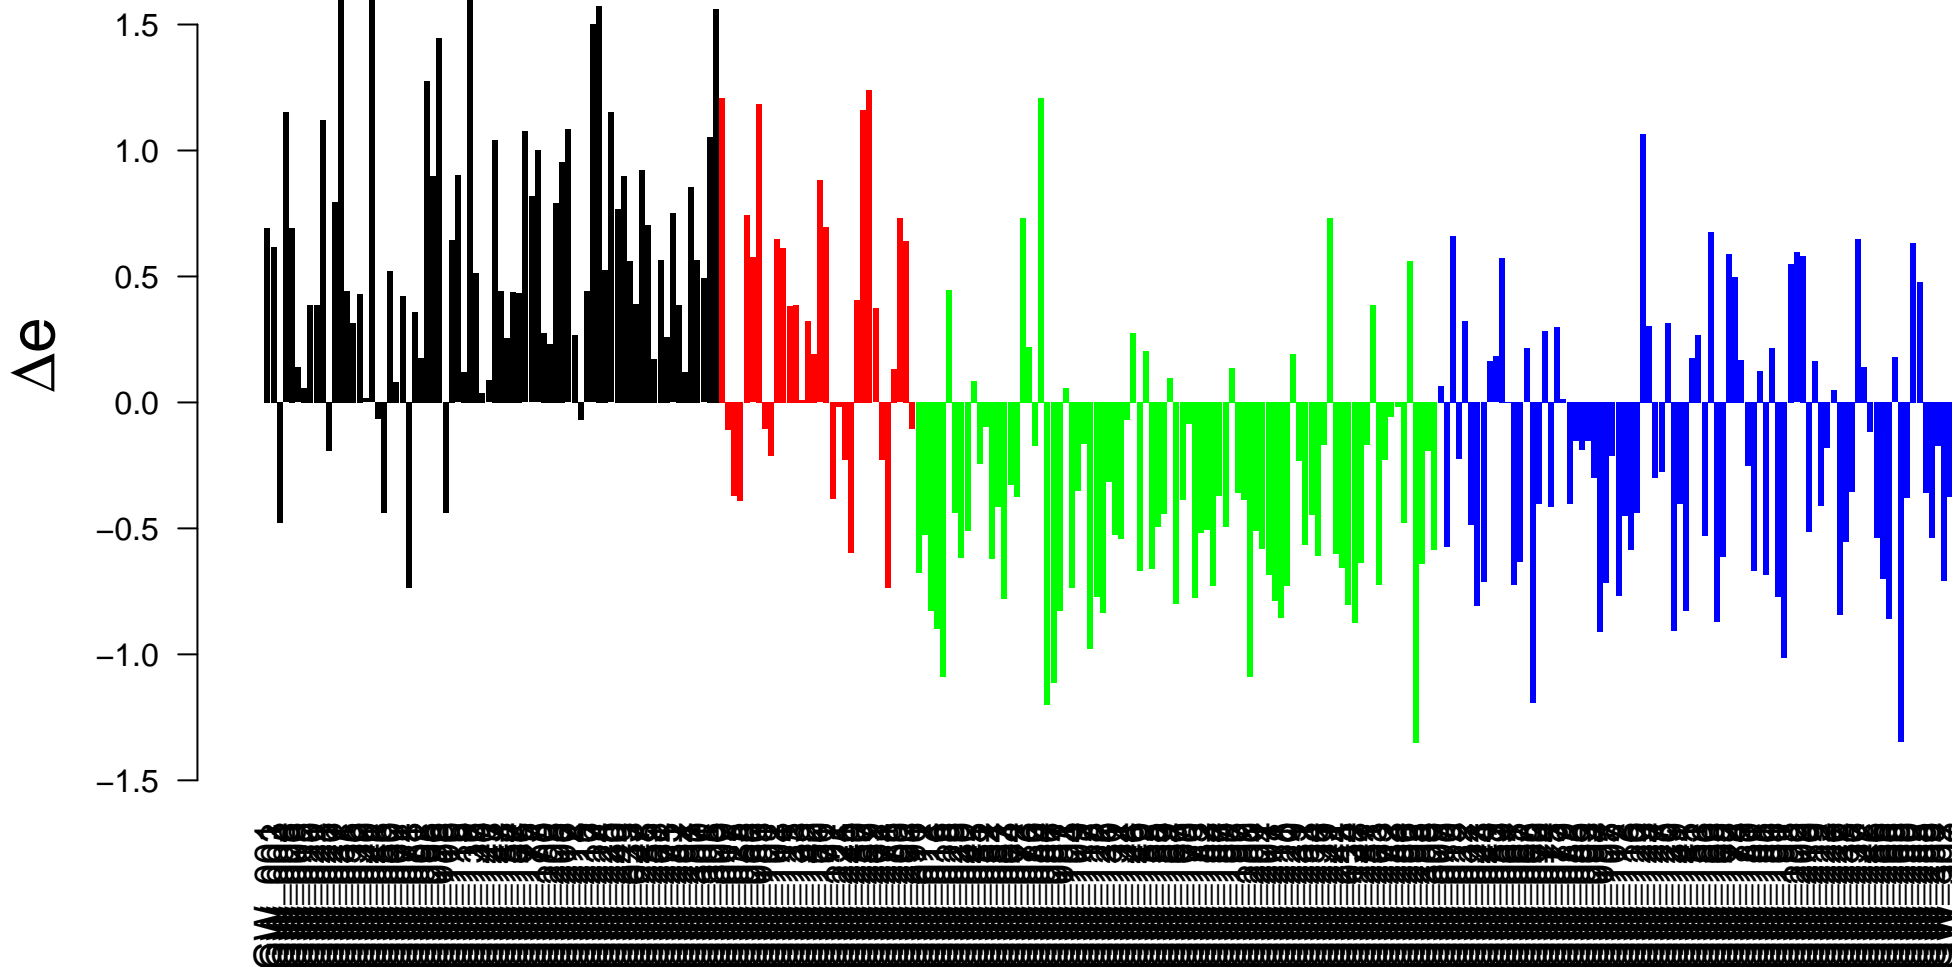

Enrichment in spots: negative regulation of protein complex assembly

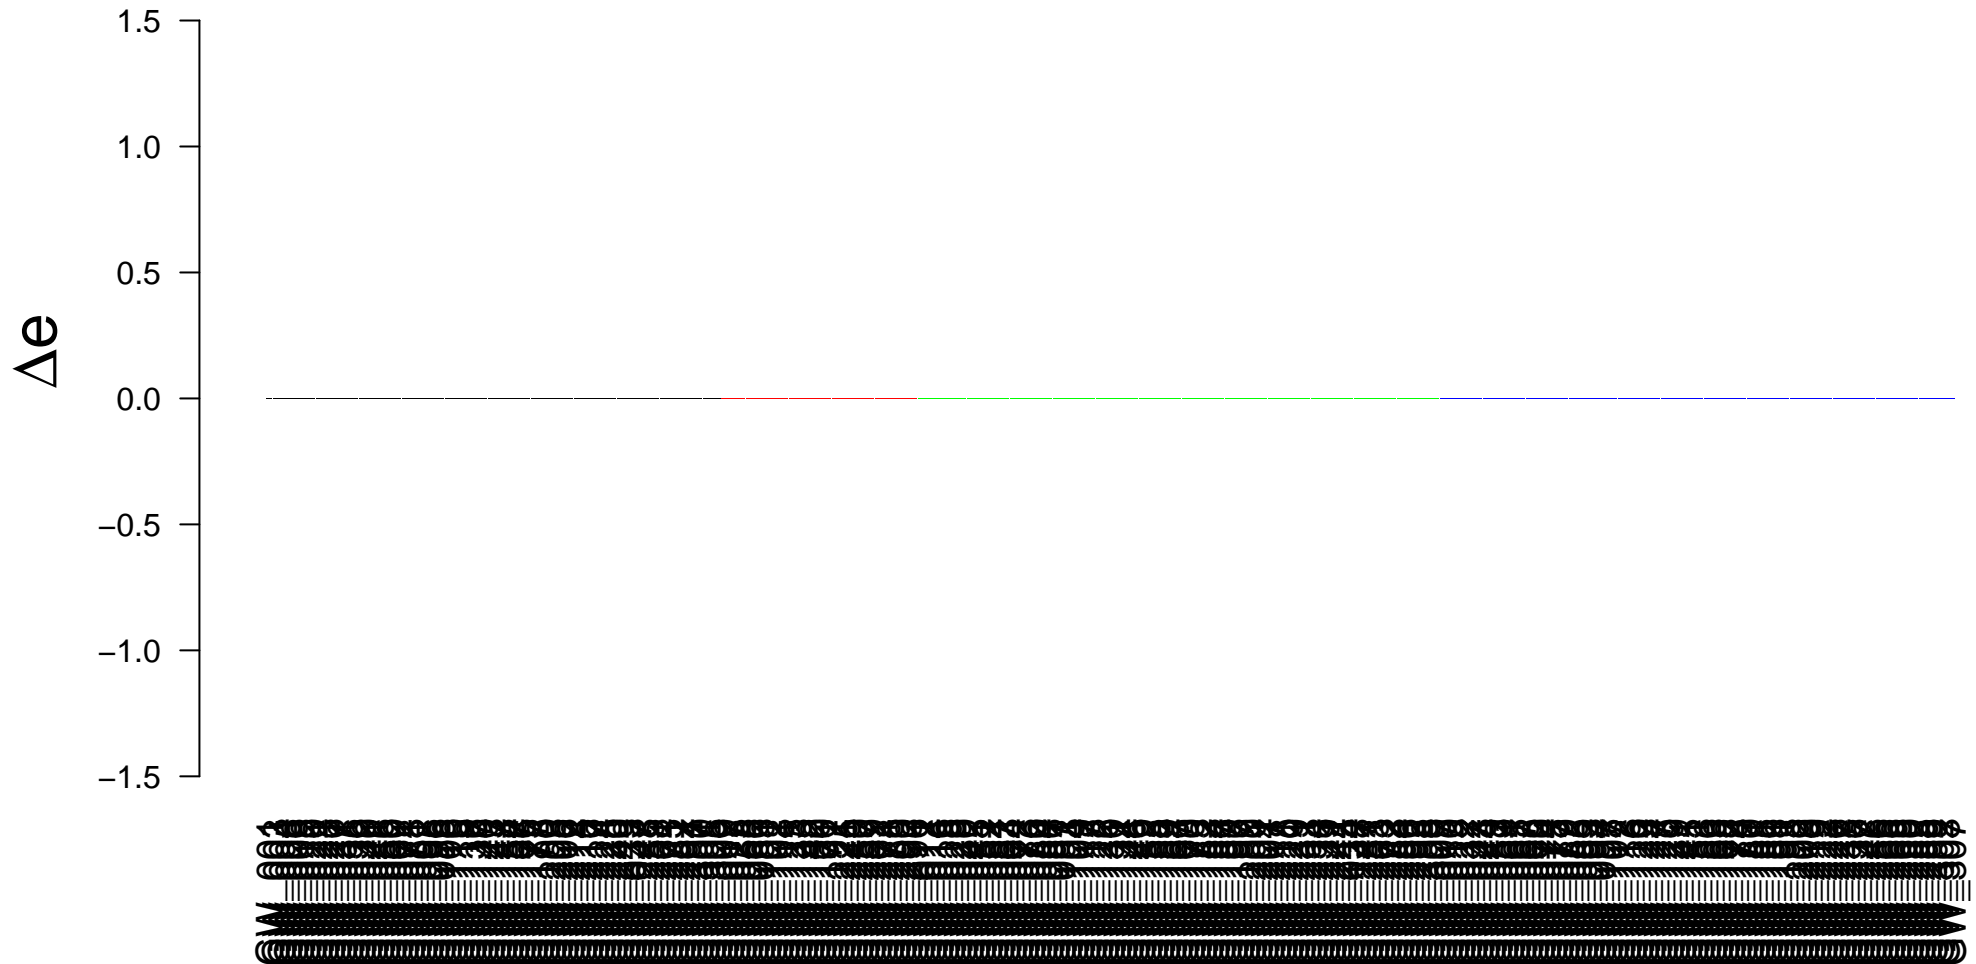

Expression of negative regulation of protein complex assembly in Spot A

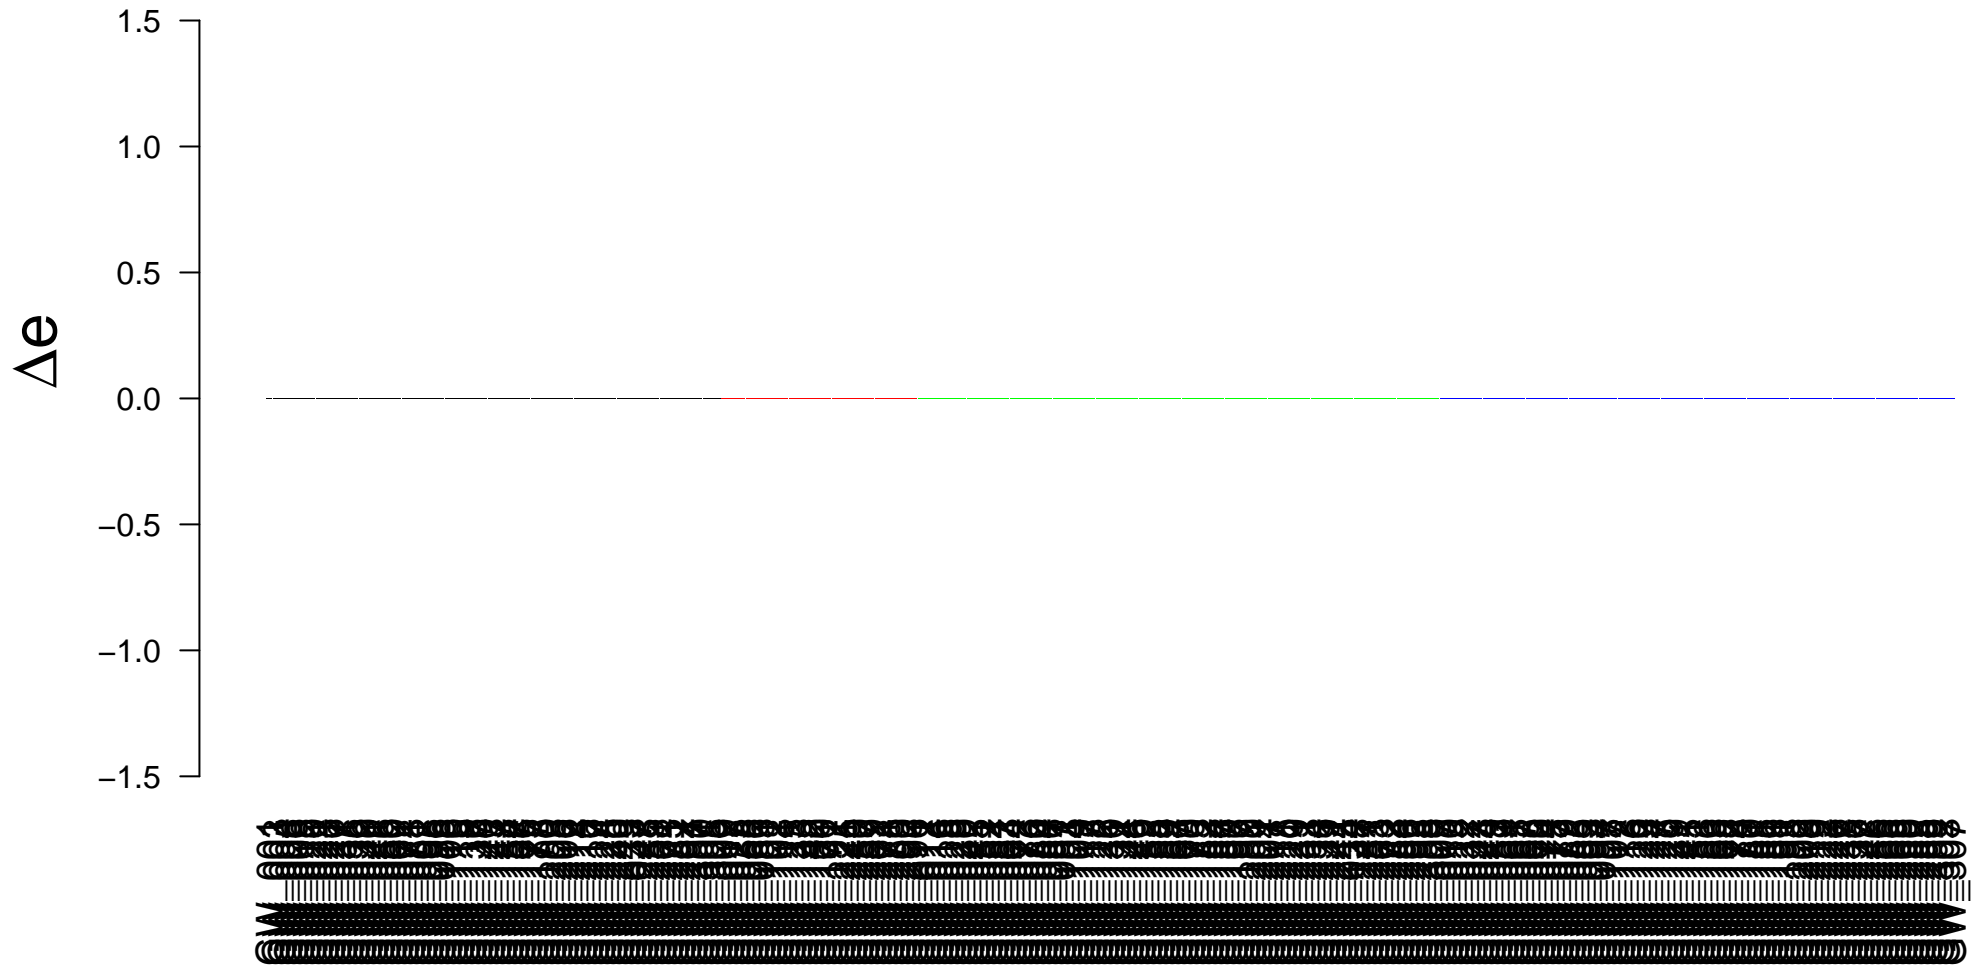

Expression of negative regulation of protein complex assembly in Spot B

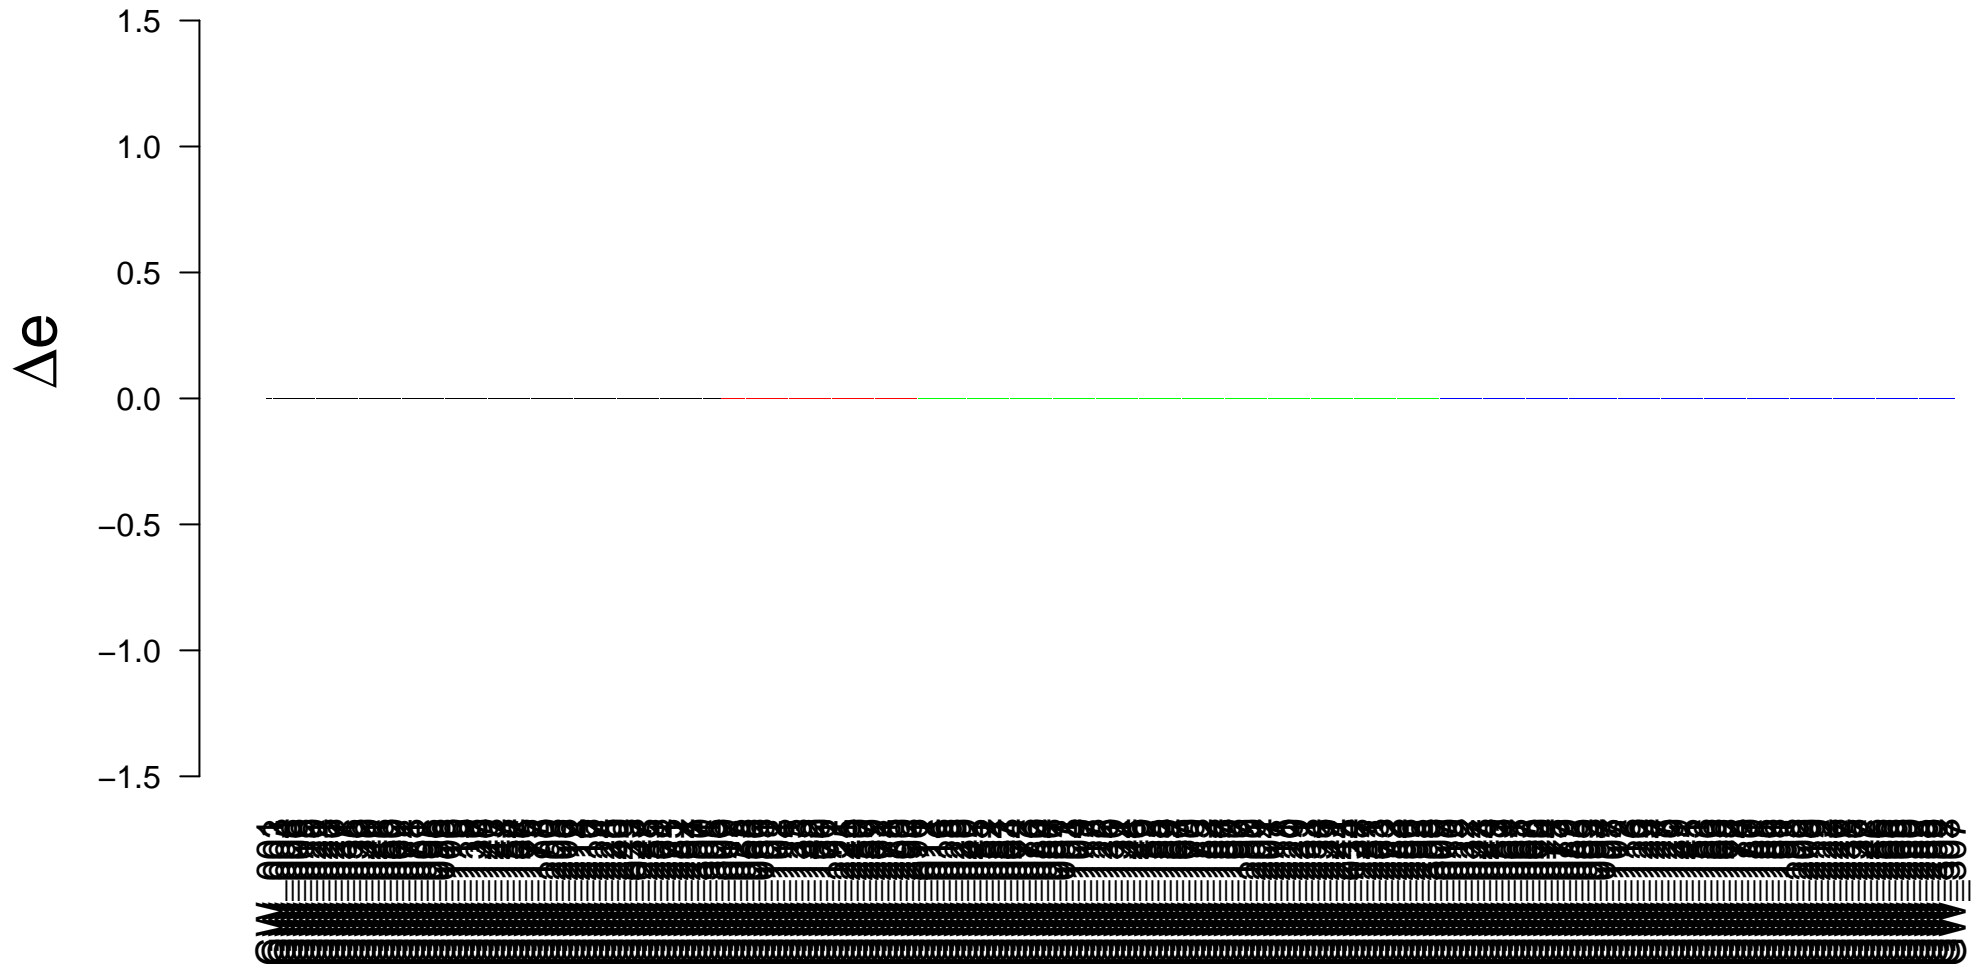

Expression of negative regulation of protein complex assembly in Spot C

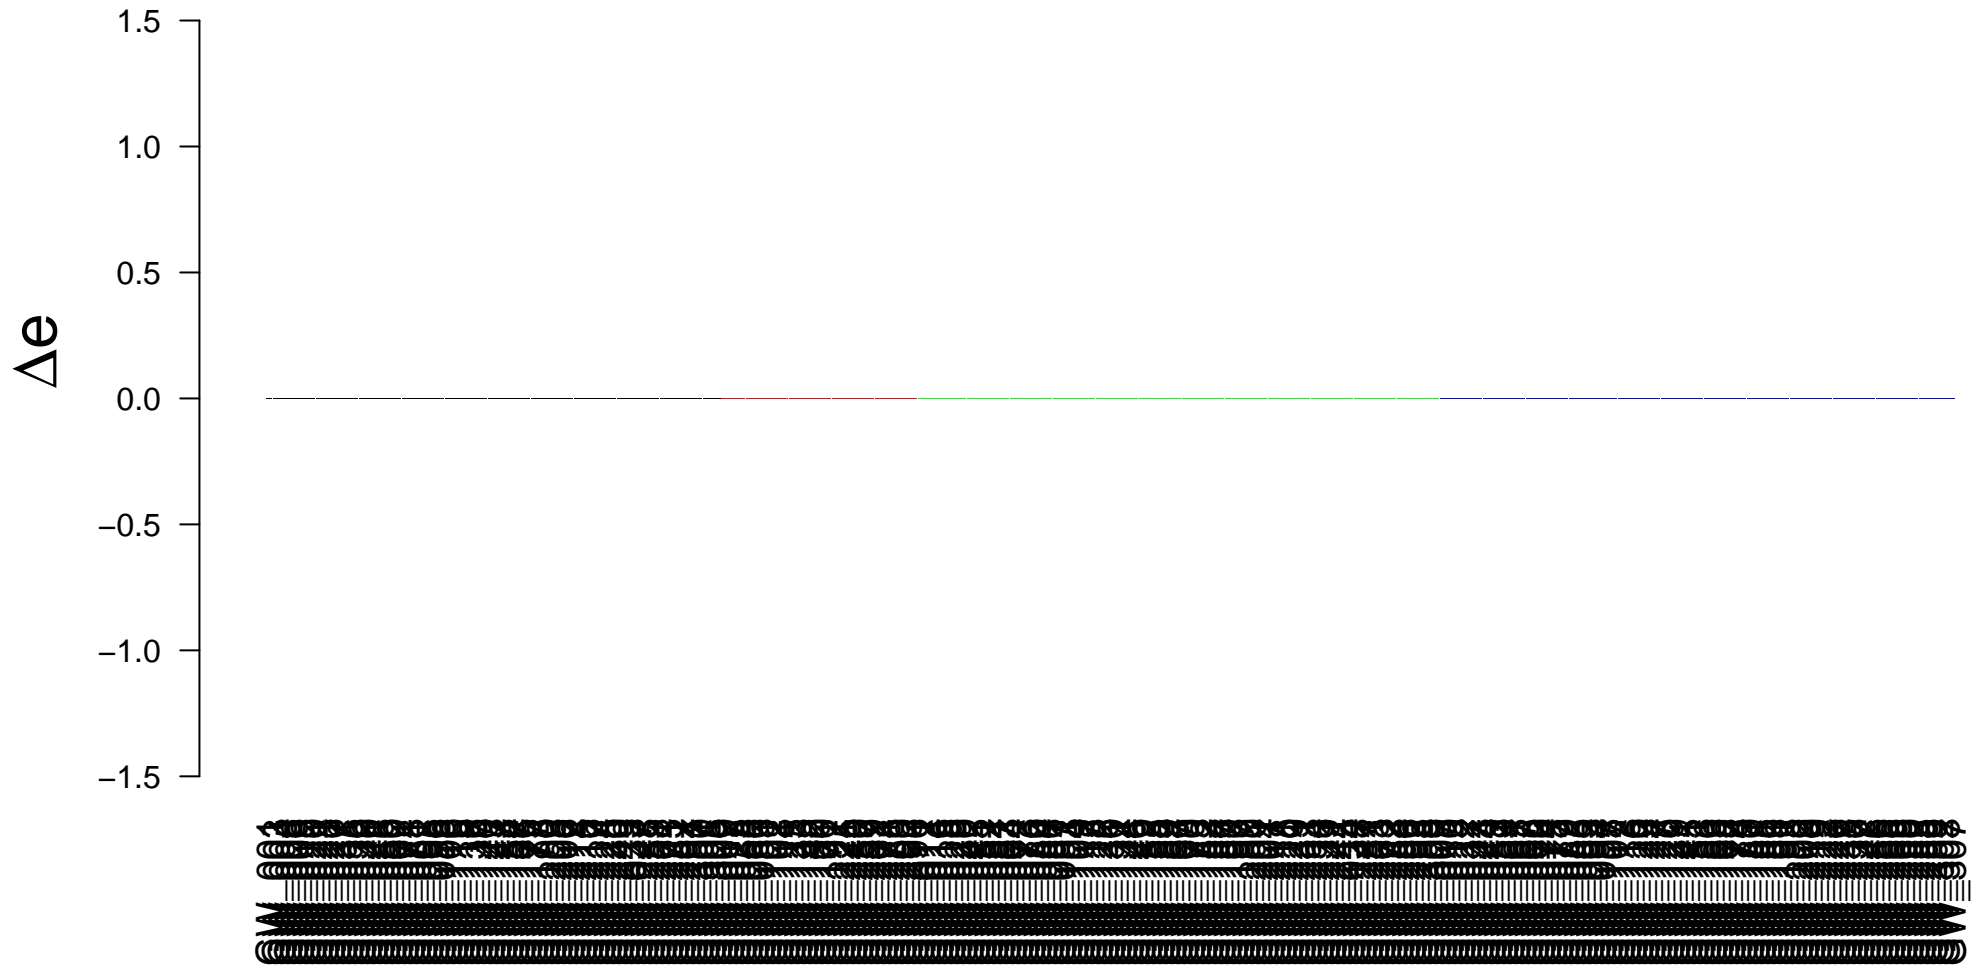

Expression of negative regulation of protein complex assembly in Spot D

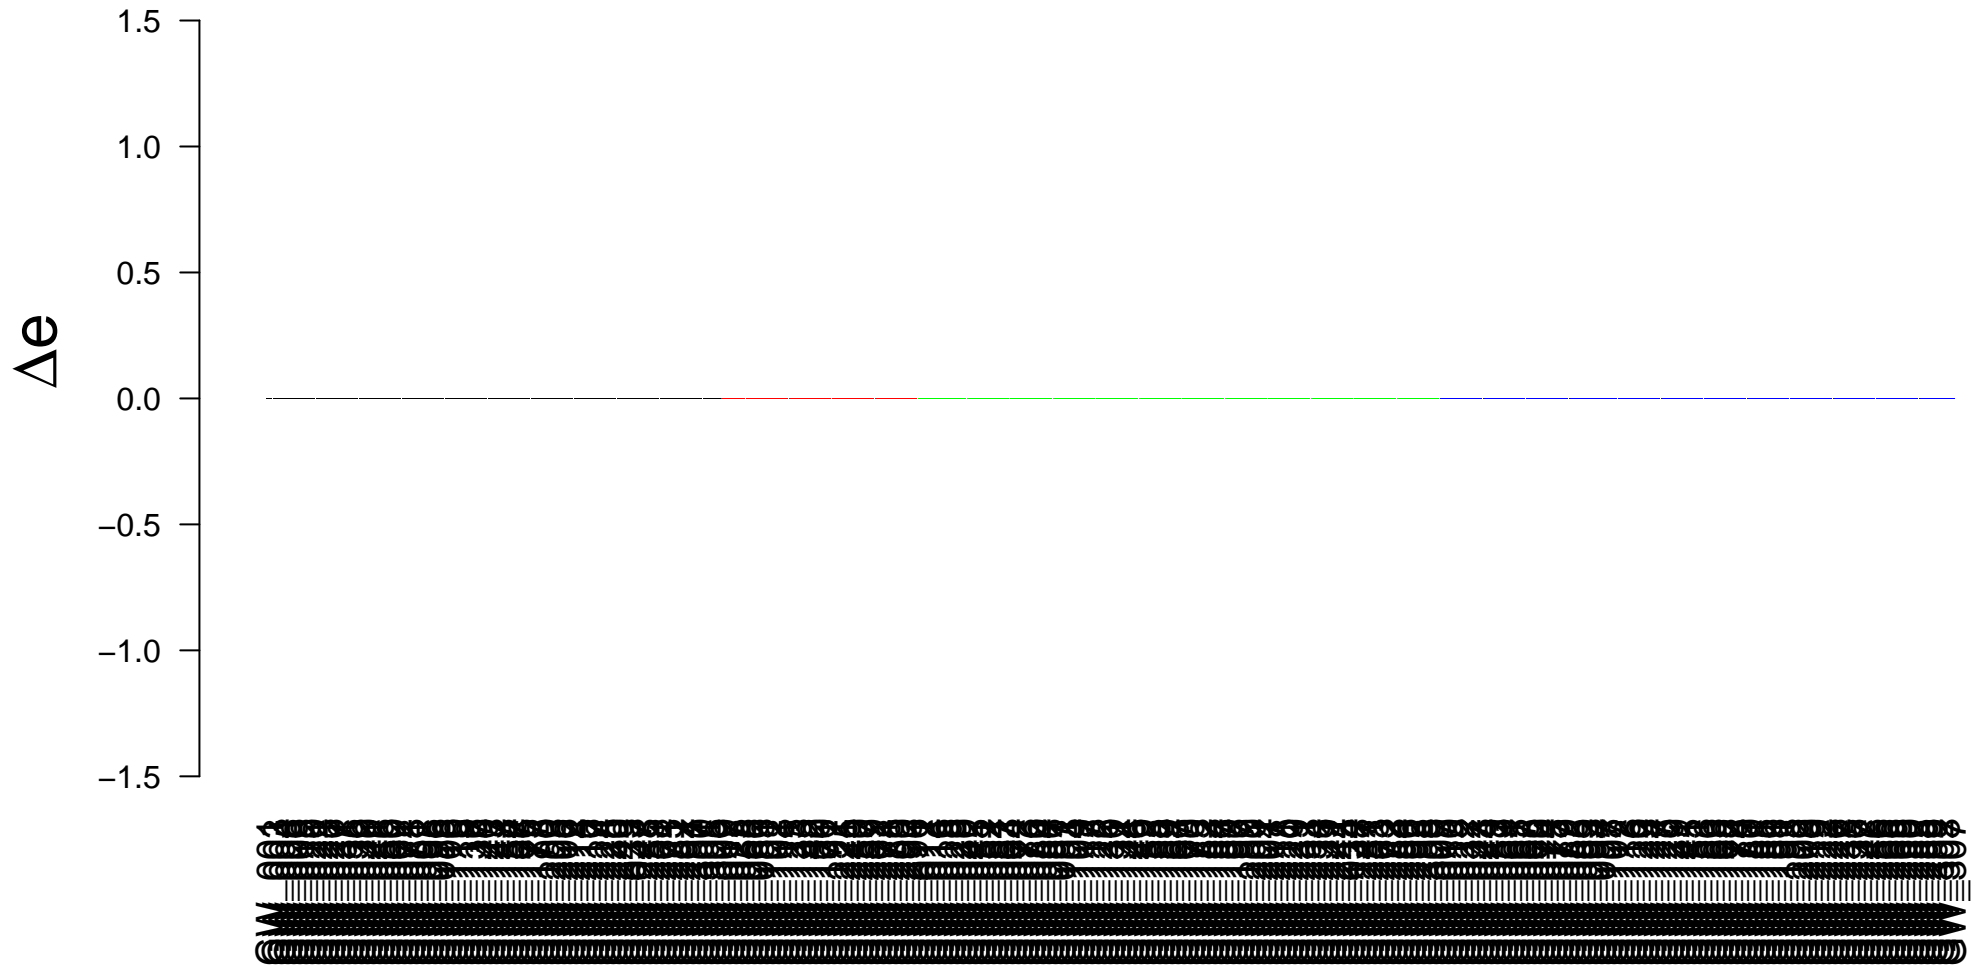

Expression of negative regulation of protein complex assembly in Spot E

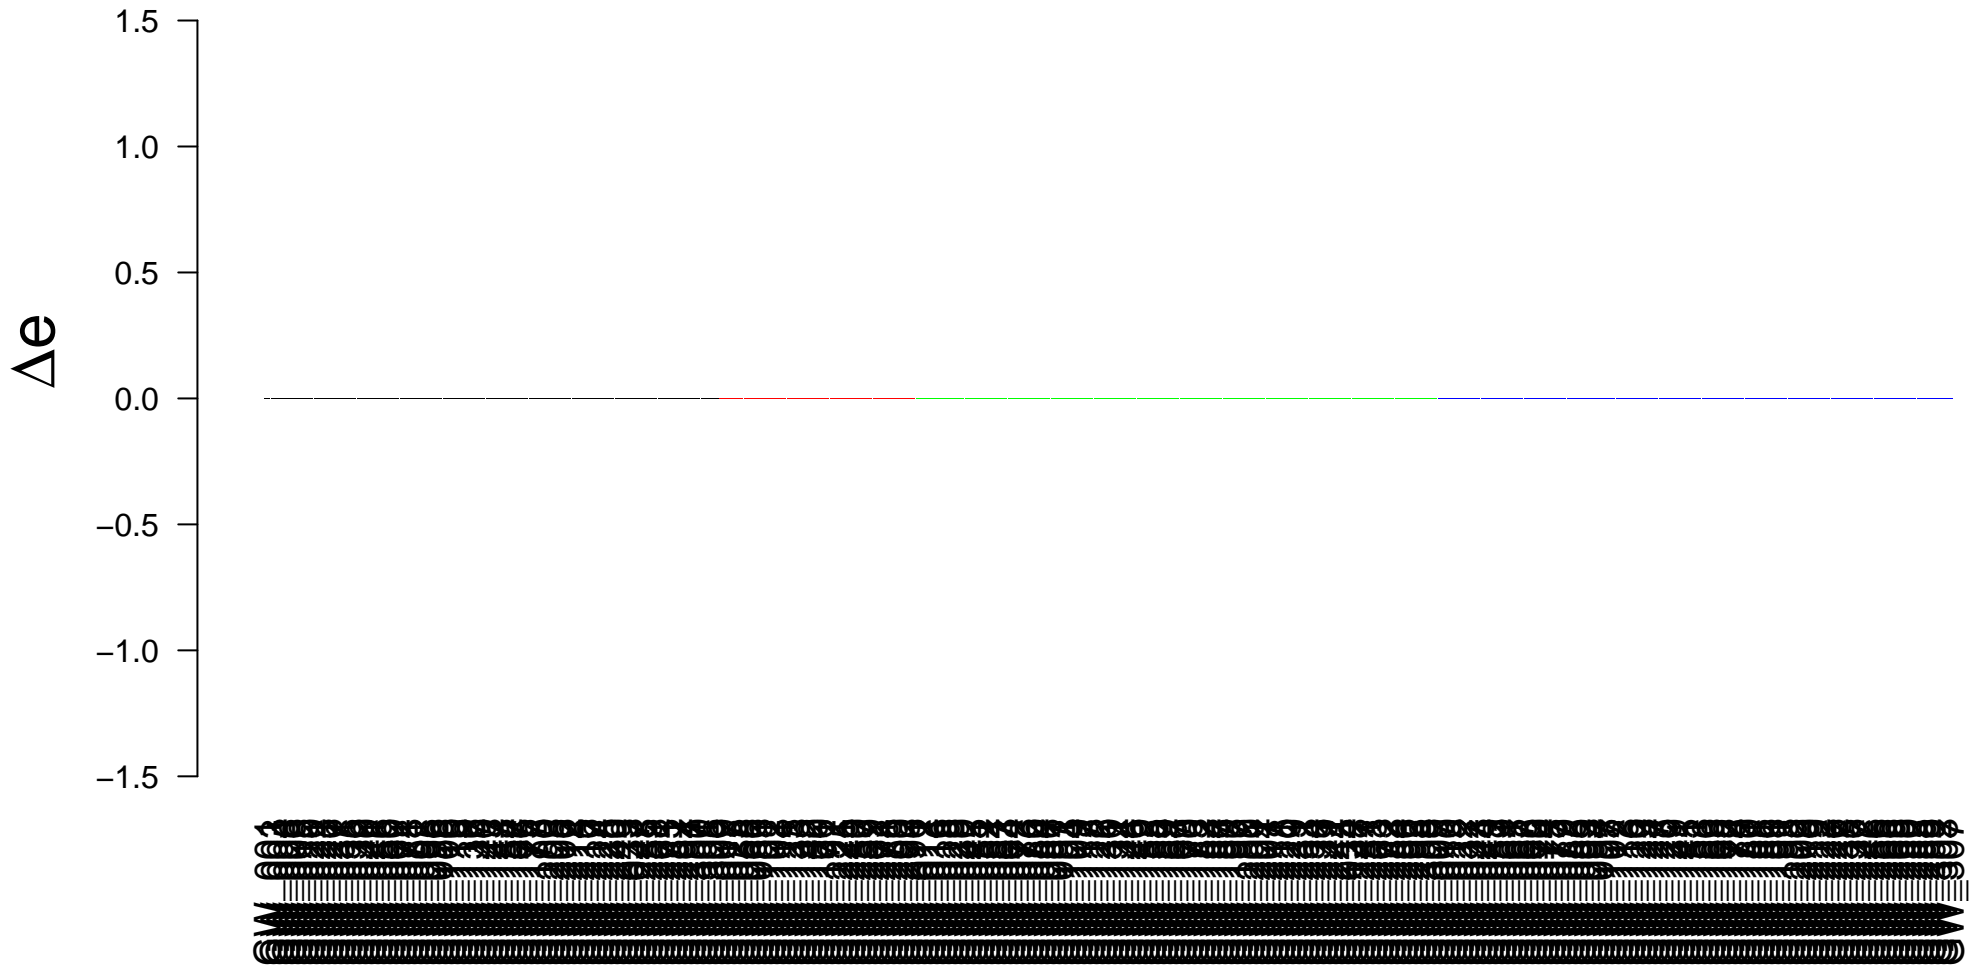

Expression of negative regulation of protein complex assembly in Spot G

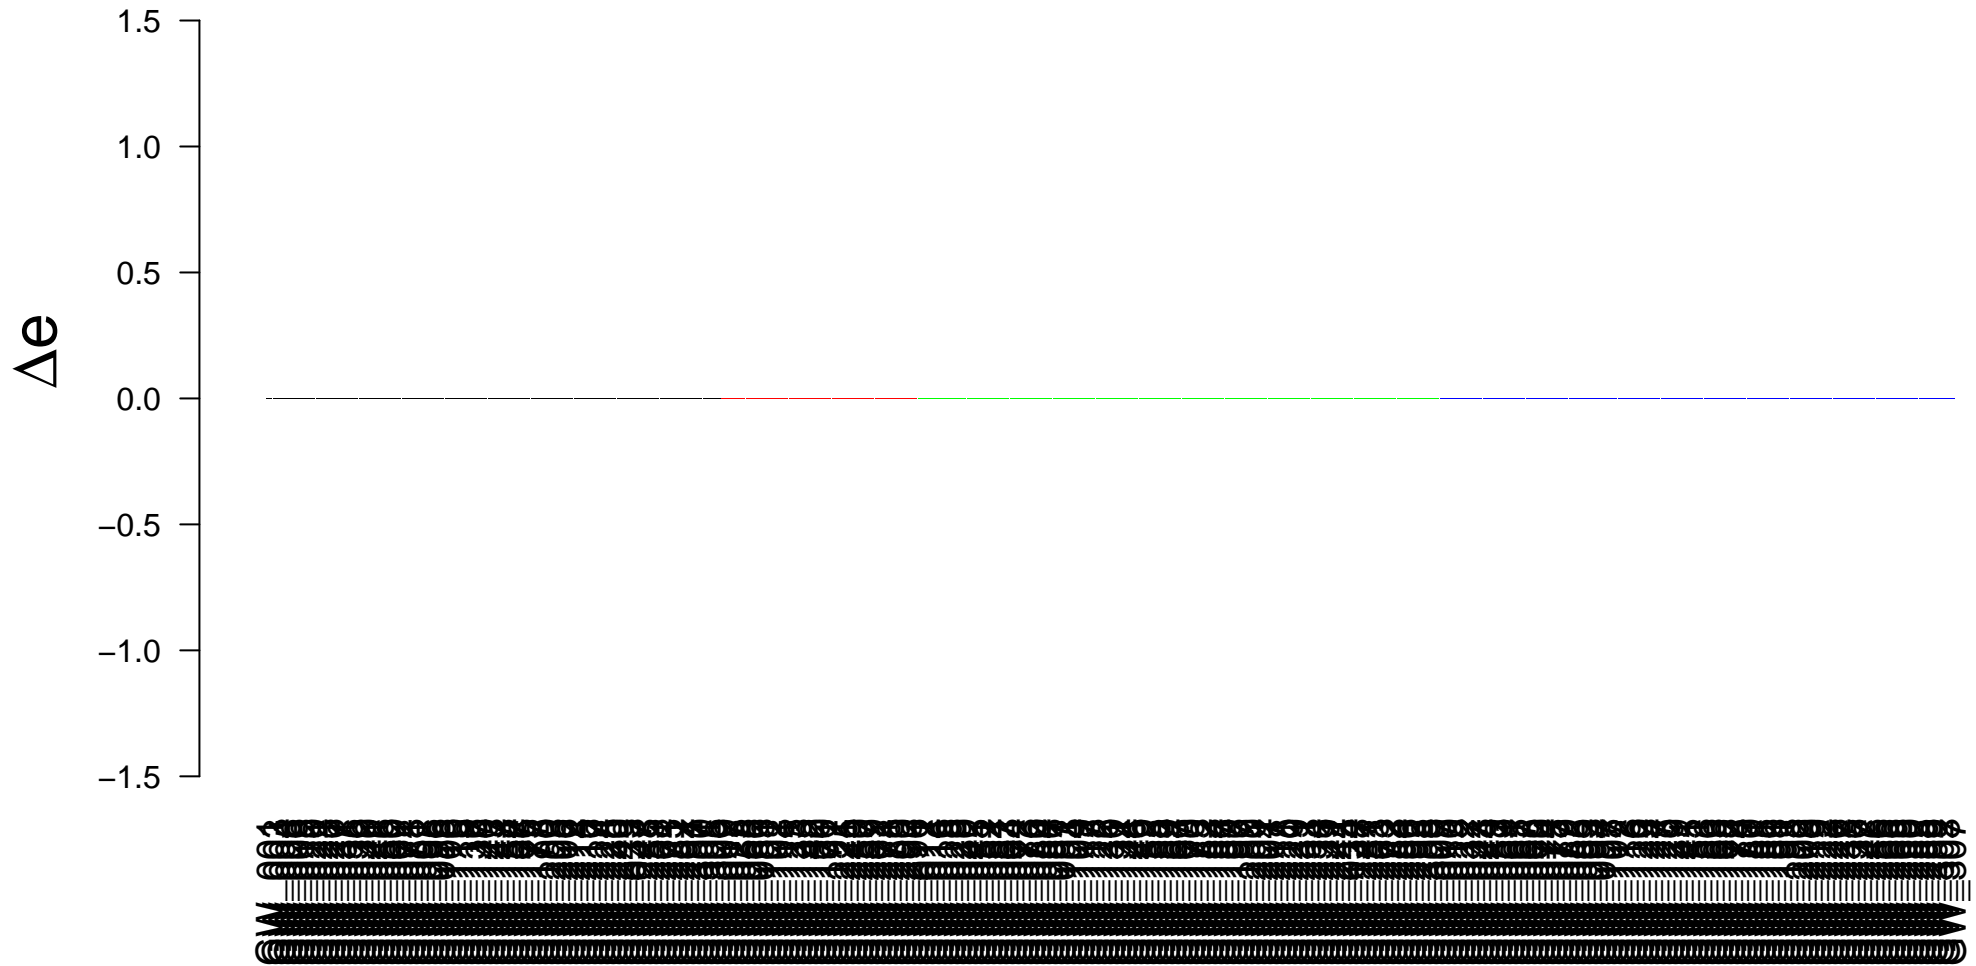

Expression of negative regulation of protein complex assembly in Spot H

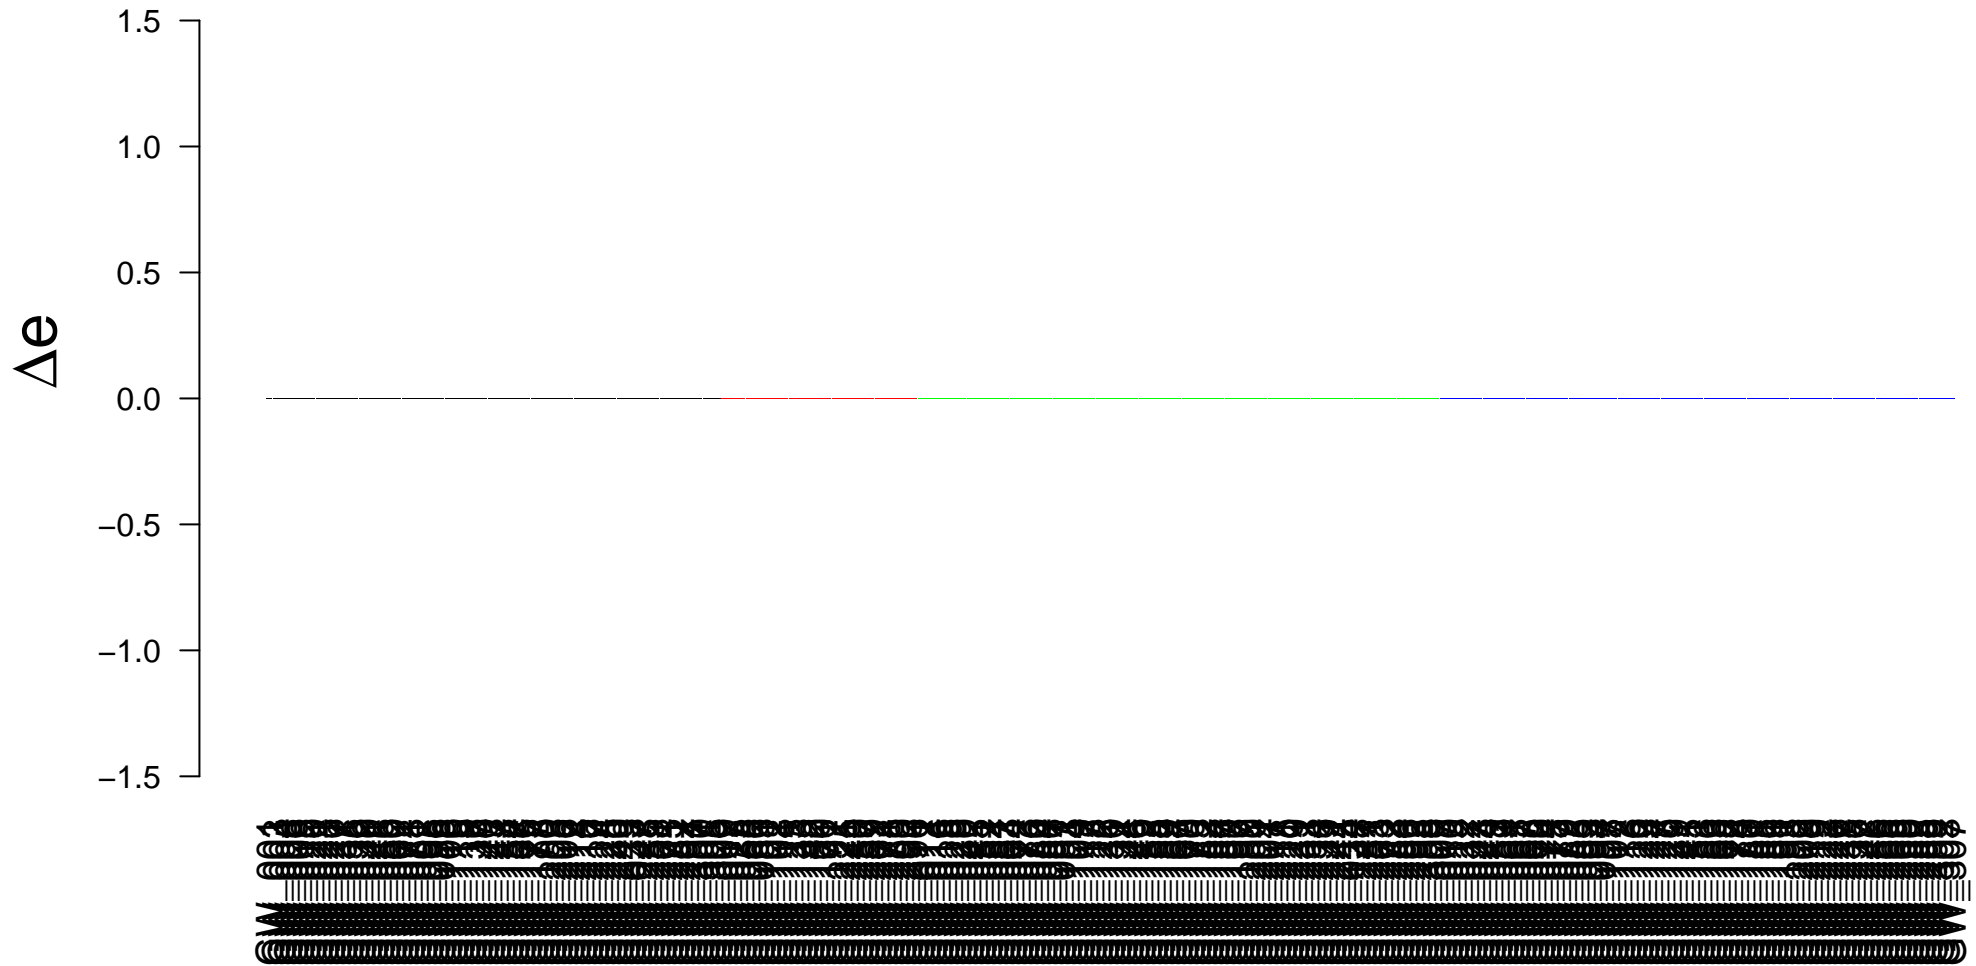

Expression of negative regulation of protein complex assembly in Spot I

Expression of negative regulation of protein complex assembly in Spot J

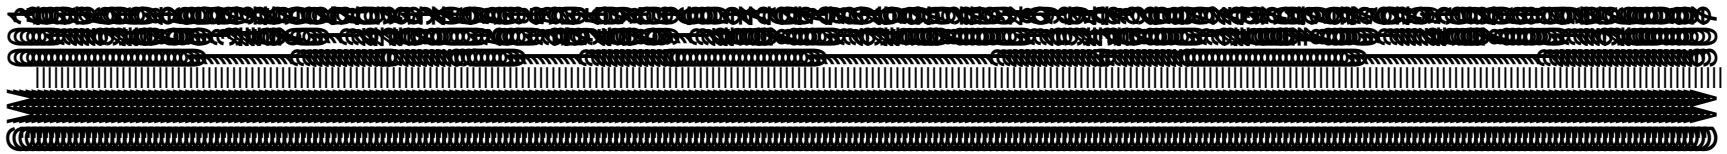

Expression of negative regulation of protein complex assembly in Spot K

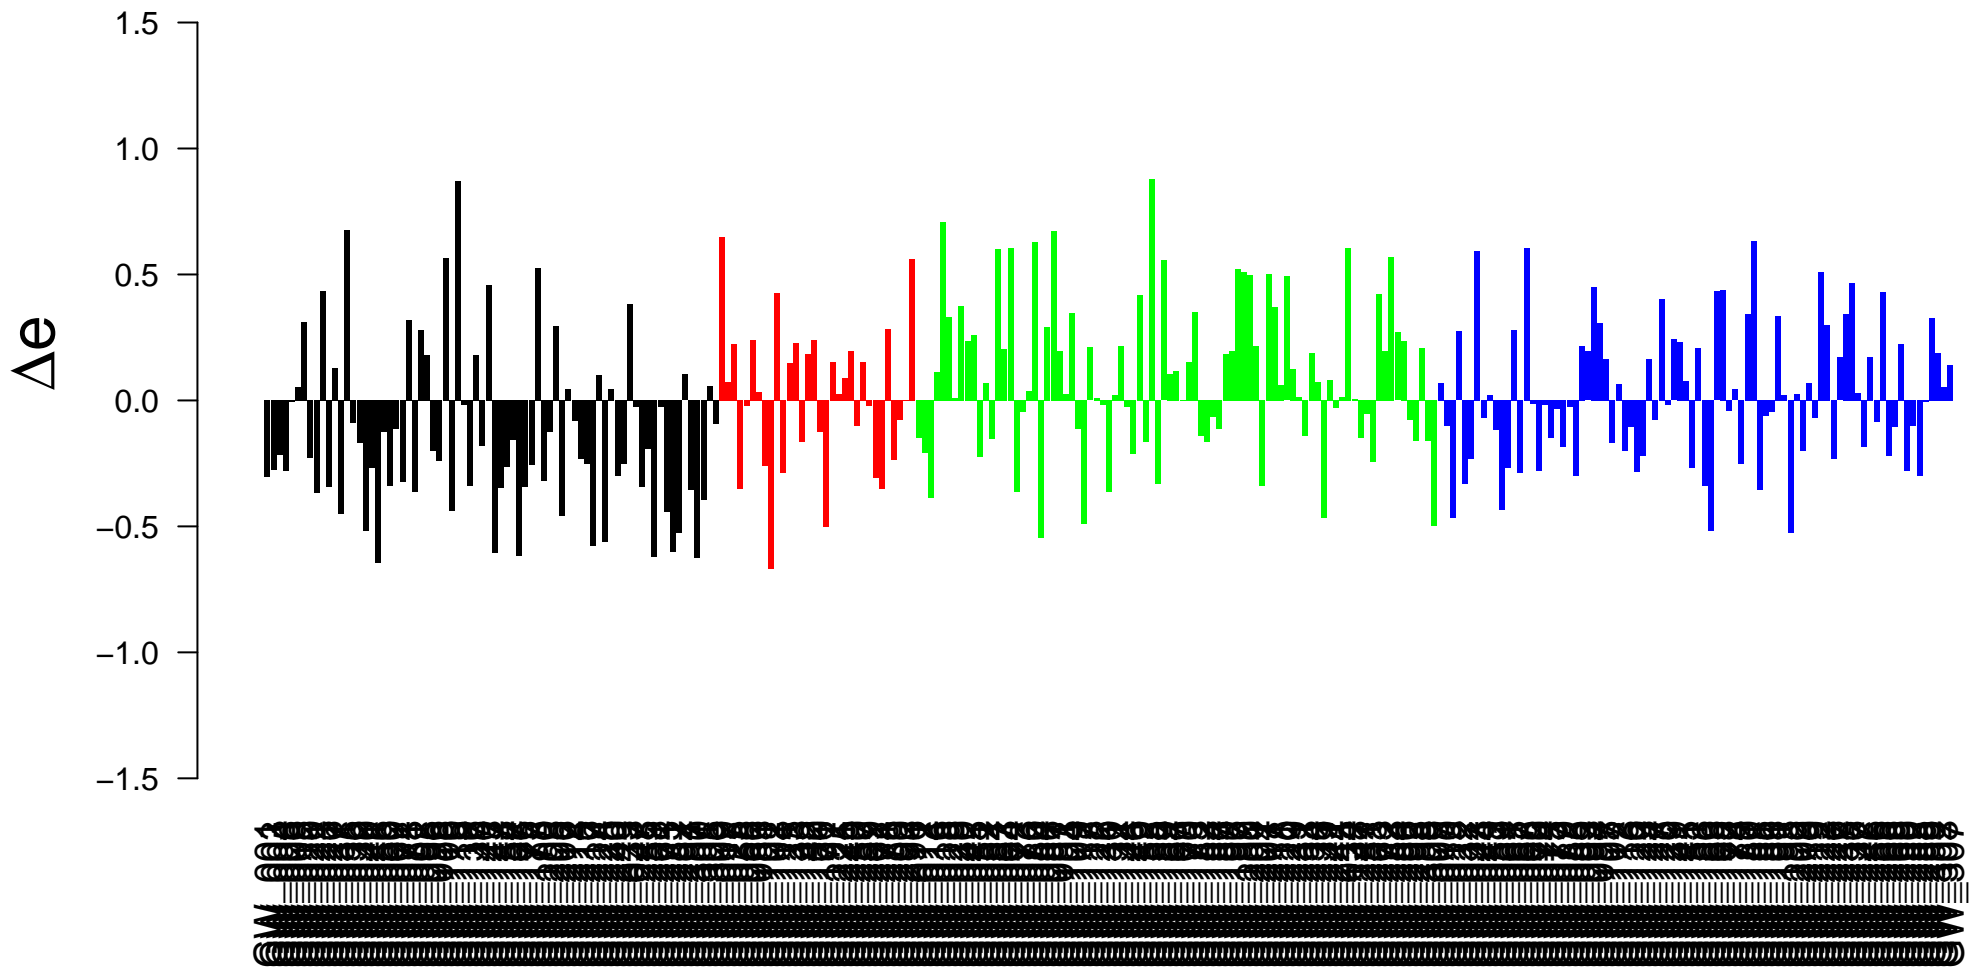

Expression of negative regulation of protein complex assembly in Spot L
