

negative regulation of protein kinase B signaling

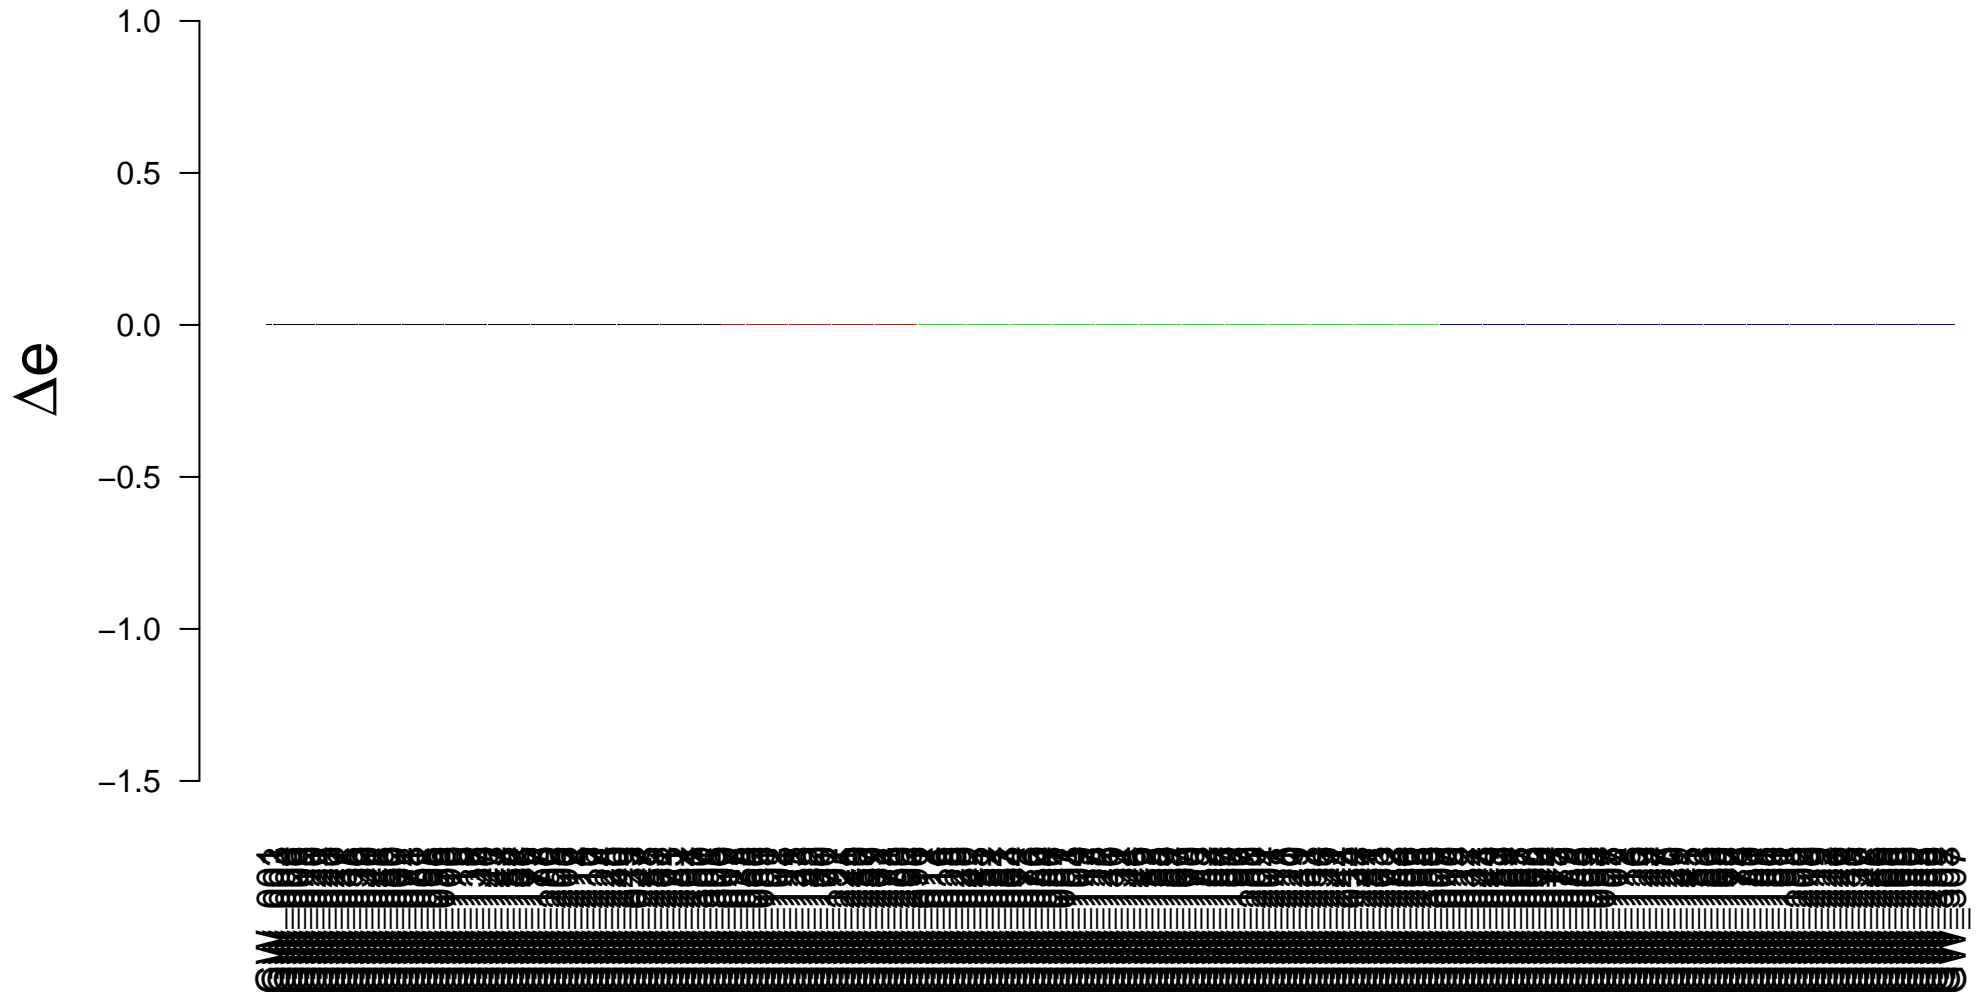

negative regulation of protein kinase B signaling

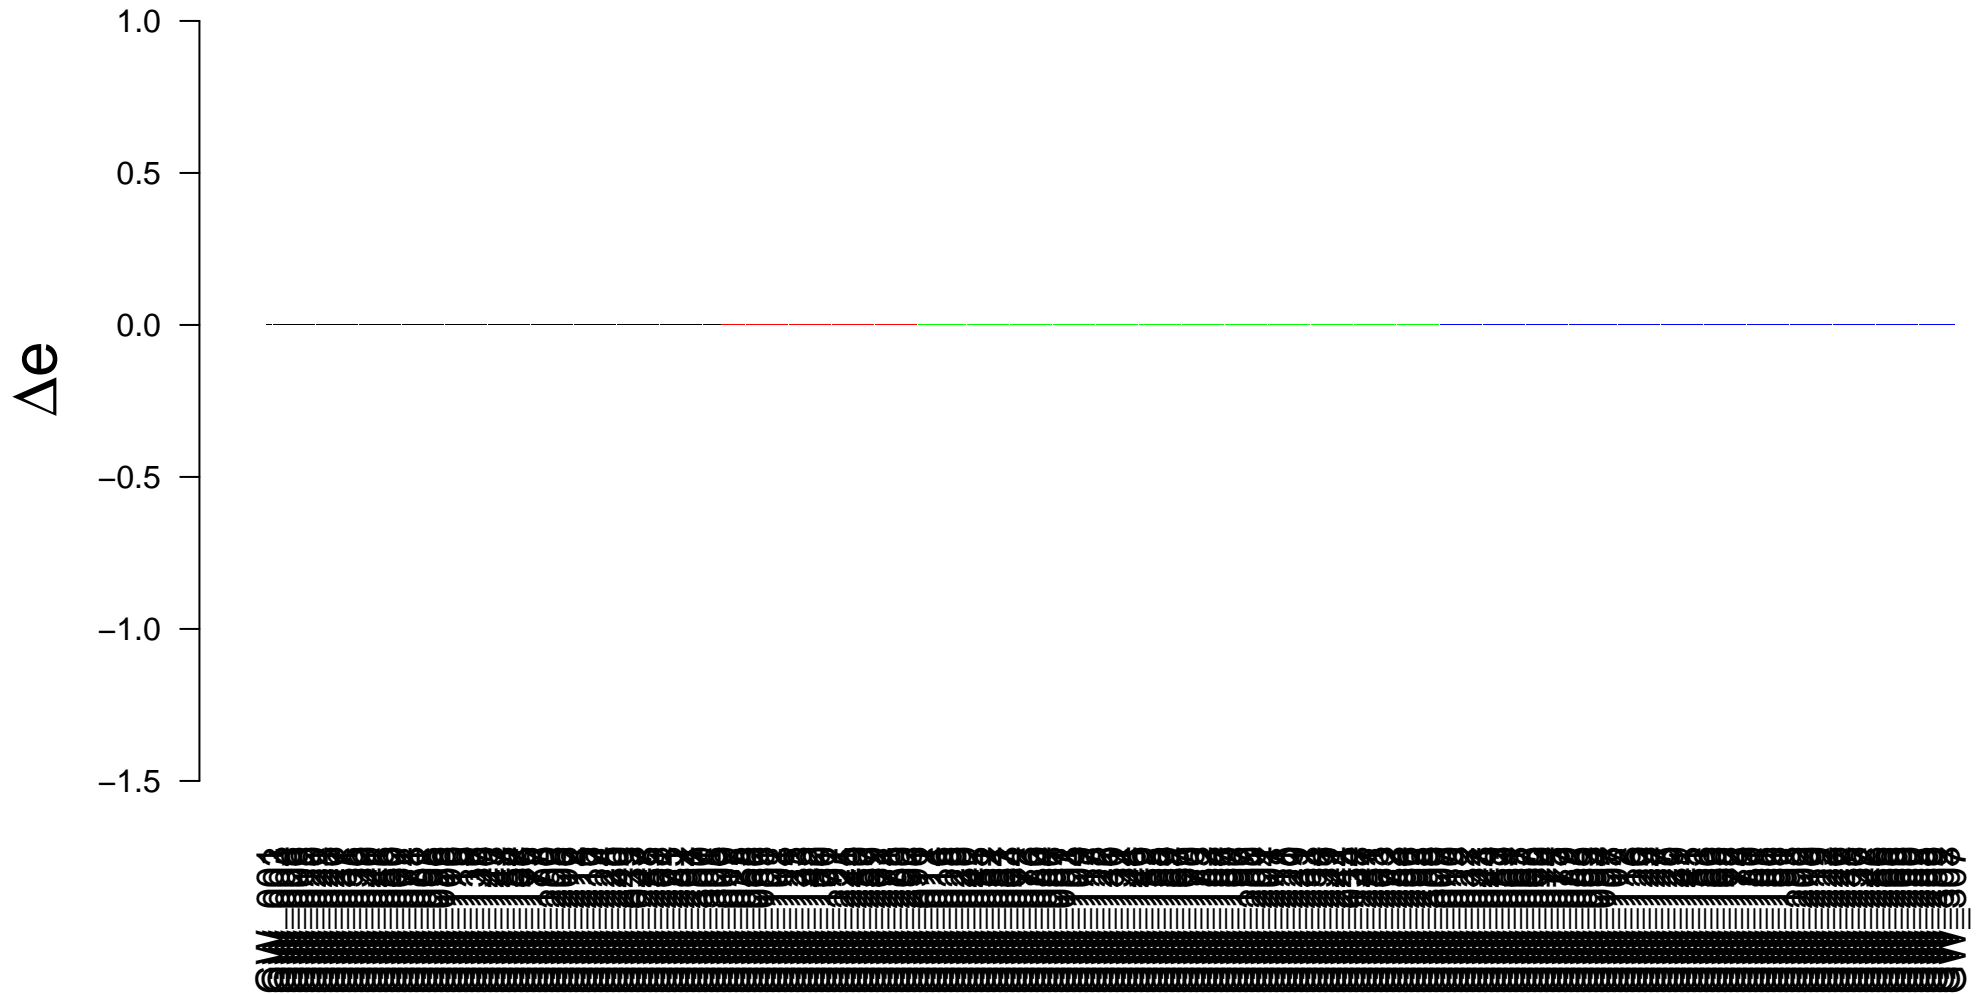

# Enrichment in spots: negative regulation of protein kinase B signaling

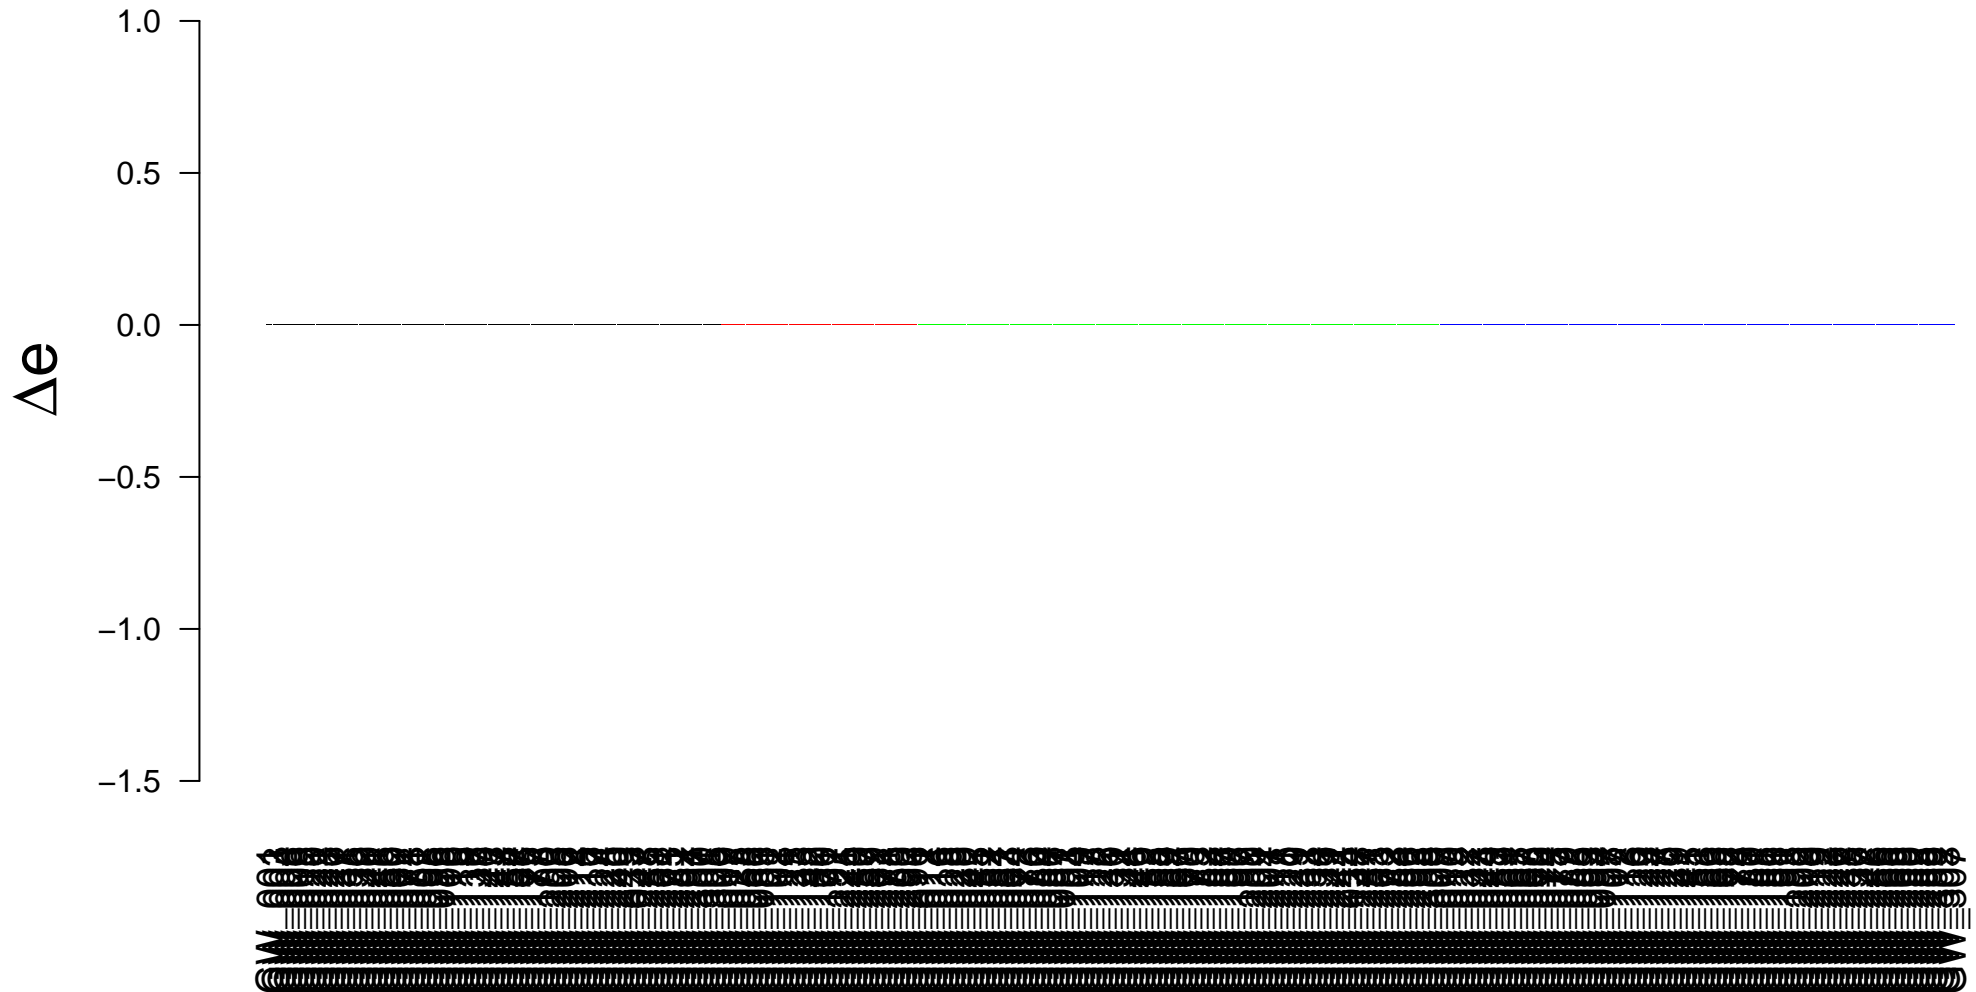

# Expression of negative regulation of protein kinase B signaling in Spot A

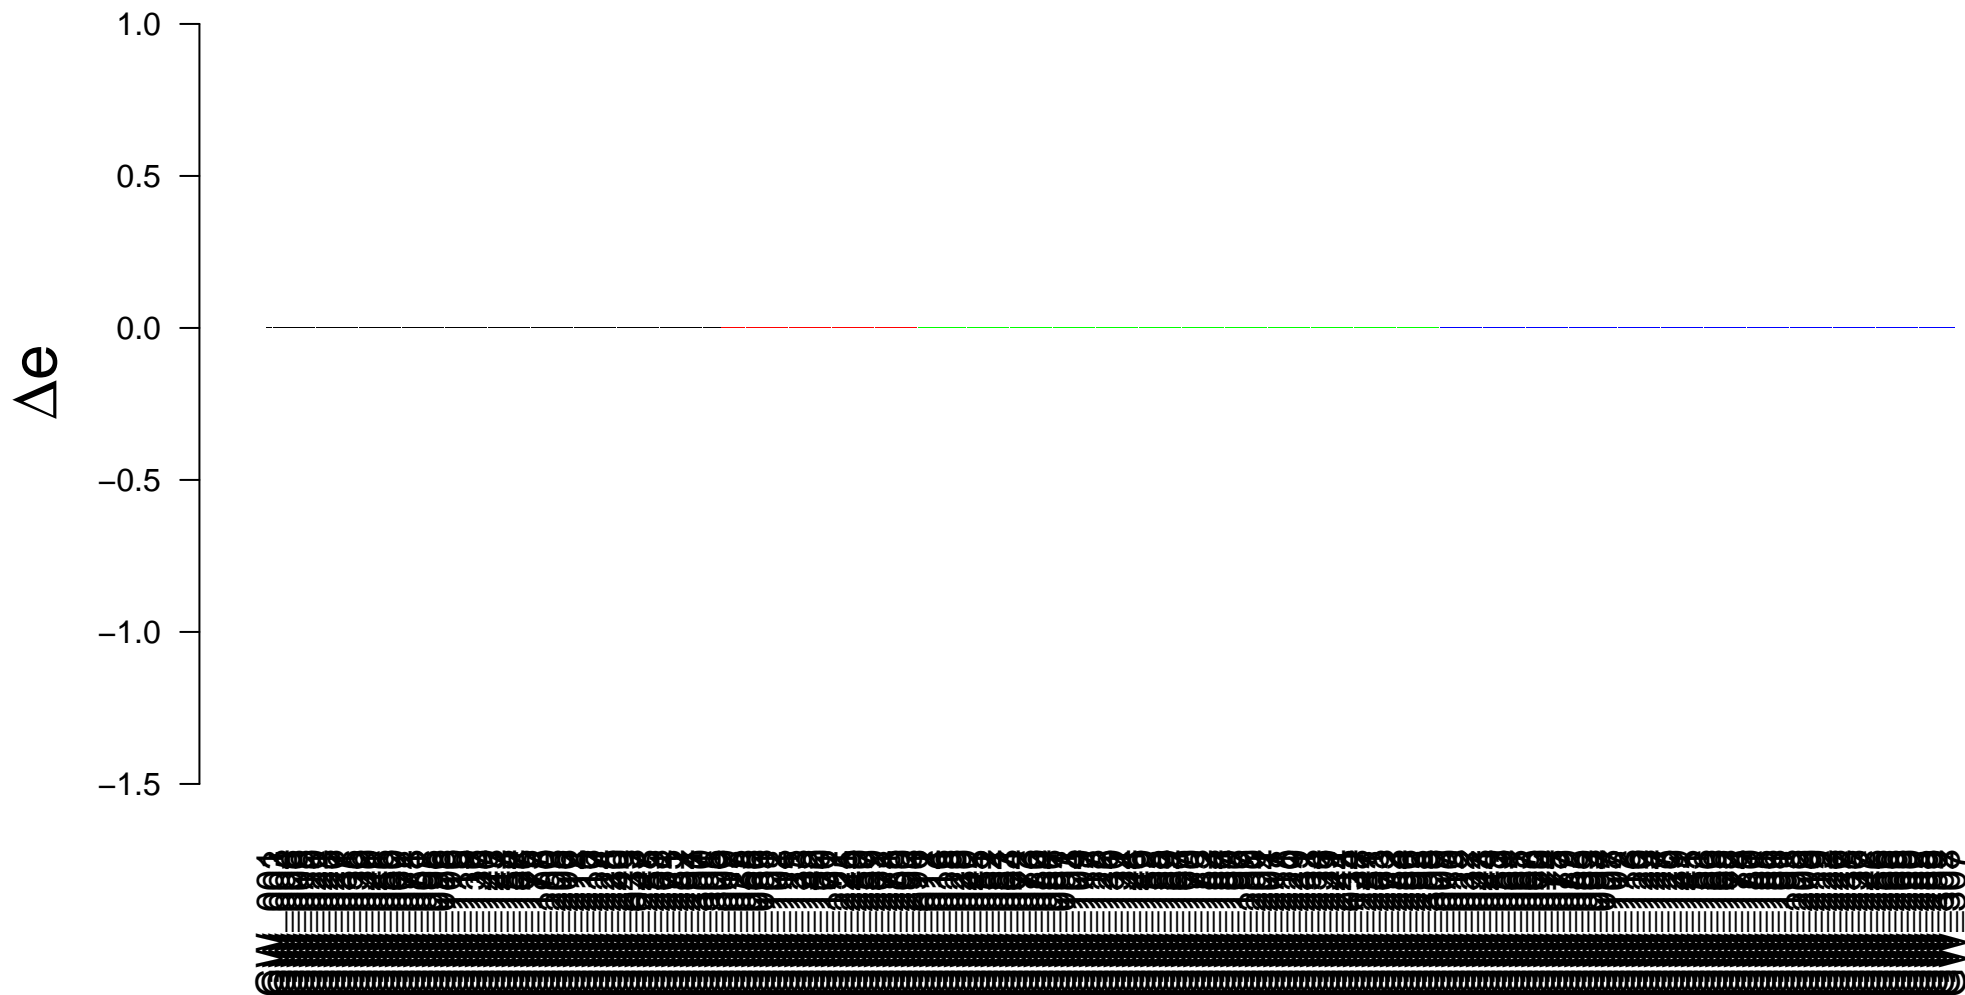

# Expression of negative regulation of protein kinase B signaling in Spot B

# Expression of negative regulation of protein kinase B signaling in Spot C

# Expression of negative regulation of protein kinase B signaling in Spot D

# Expression of negative regulation of protein kinase B signaling in Spot E
