

negative regulation of tumor necrosis factor production

negative regulation of tumor necrosis factor production

Enrichment in spots: negative regulation of tumor necrosis factor production

Expression of negative regulation of tumor necrosis factor production in Spot A

Expression of negative regulation of tumor necrosis factor production in Spot B

Expression of negative regulation of tumor necrosis factor production in Spot C

Expression of negative regulation of tumor necrosis factor production in Spot D

Expression of negative regulation of tumor necrosis factor production in Spot E

Expression of negative regulation of tumor necrosis factor production in Spot F
