Expression of neural tube development in Spot B

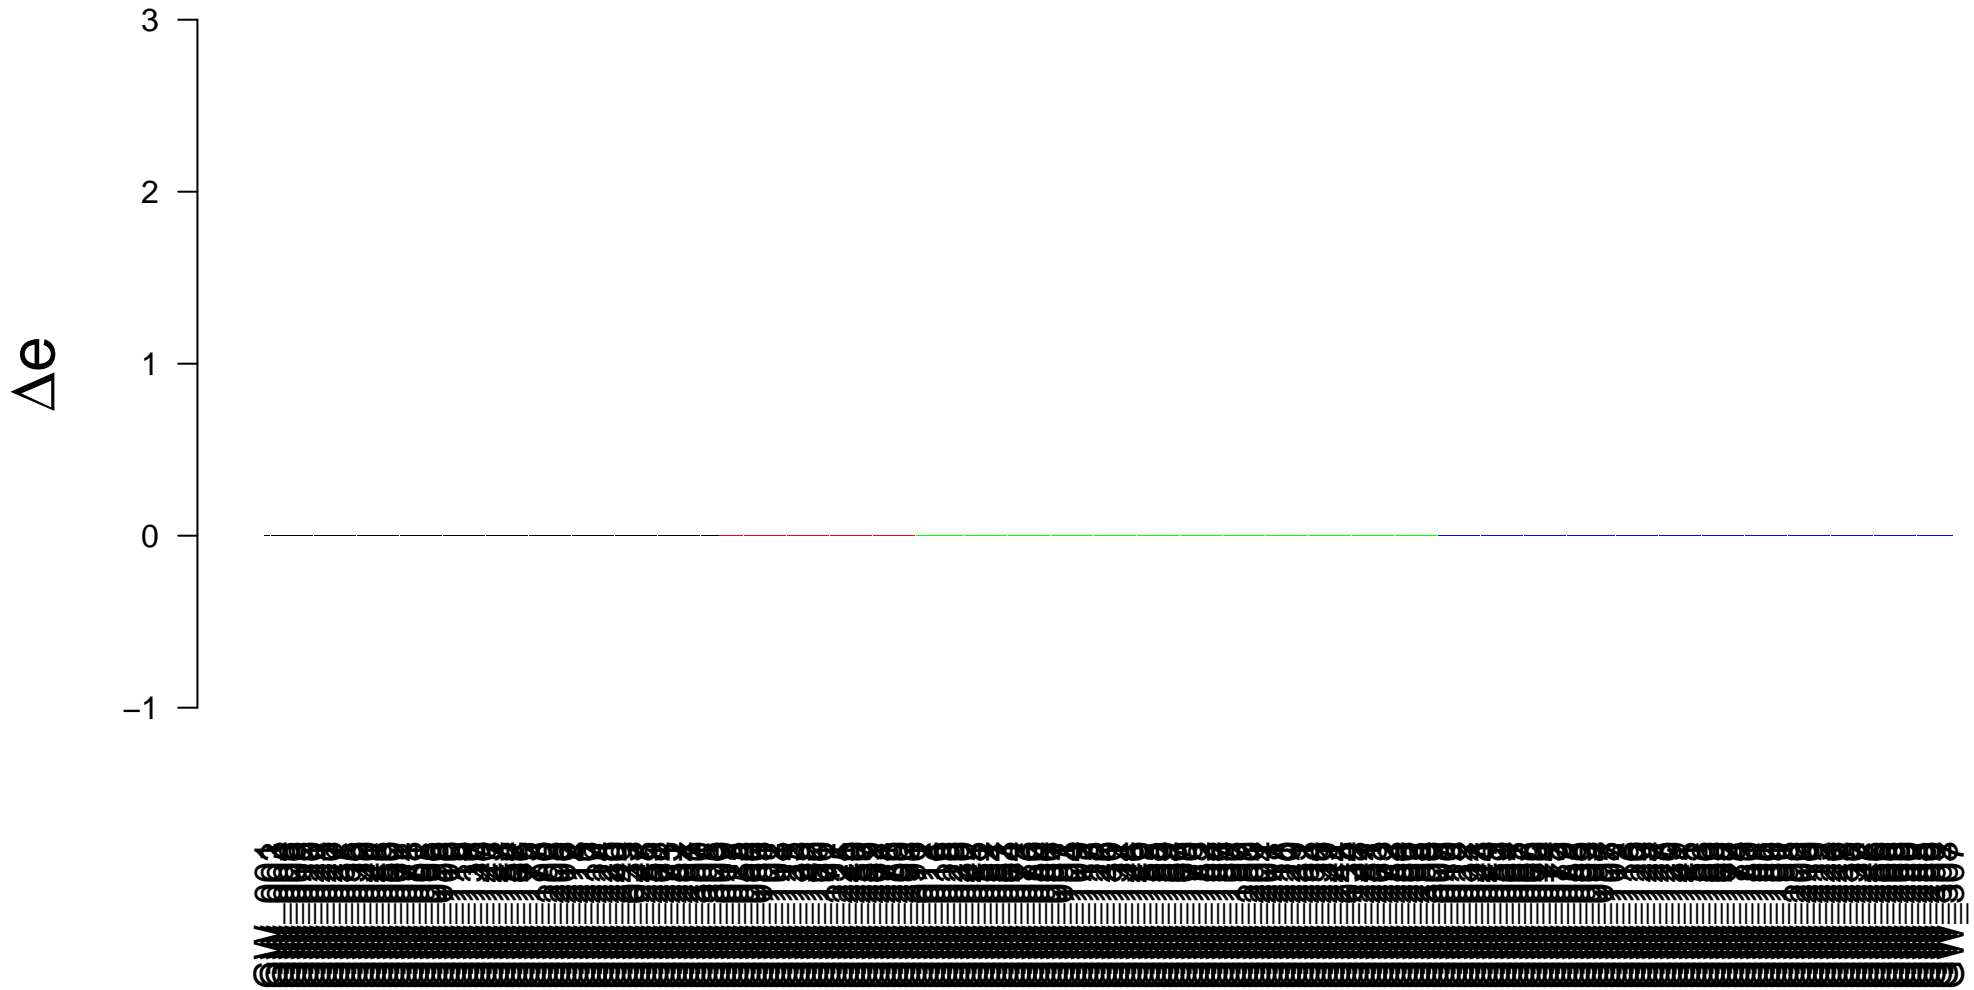

Expression of neural tube development in Spot C

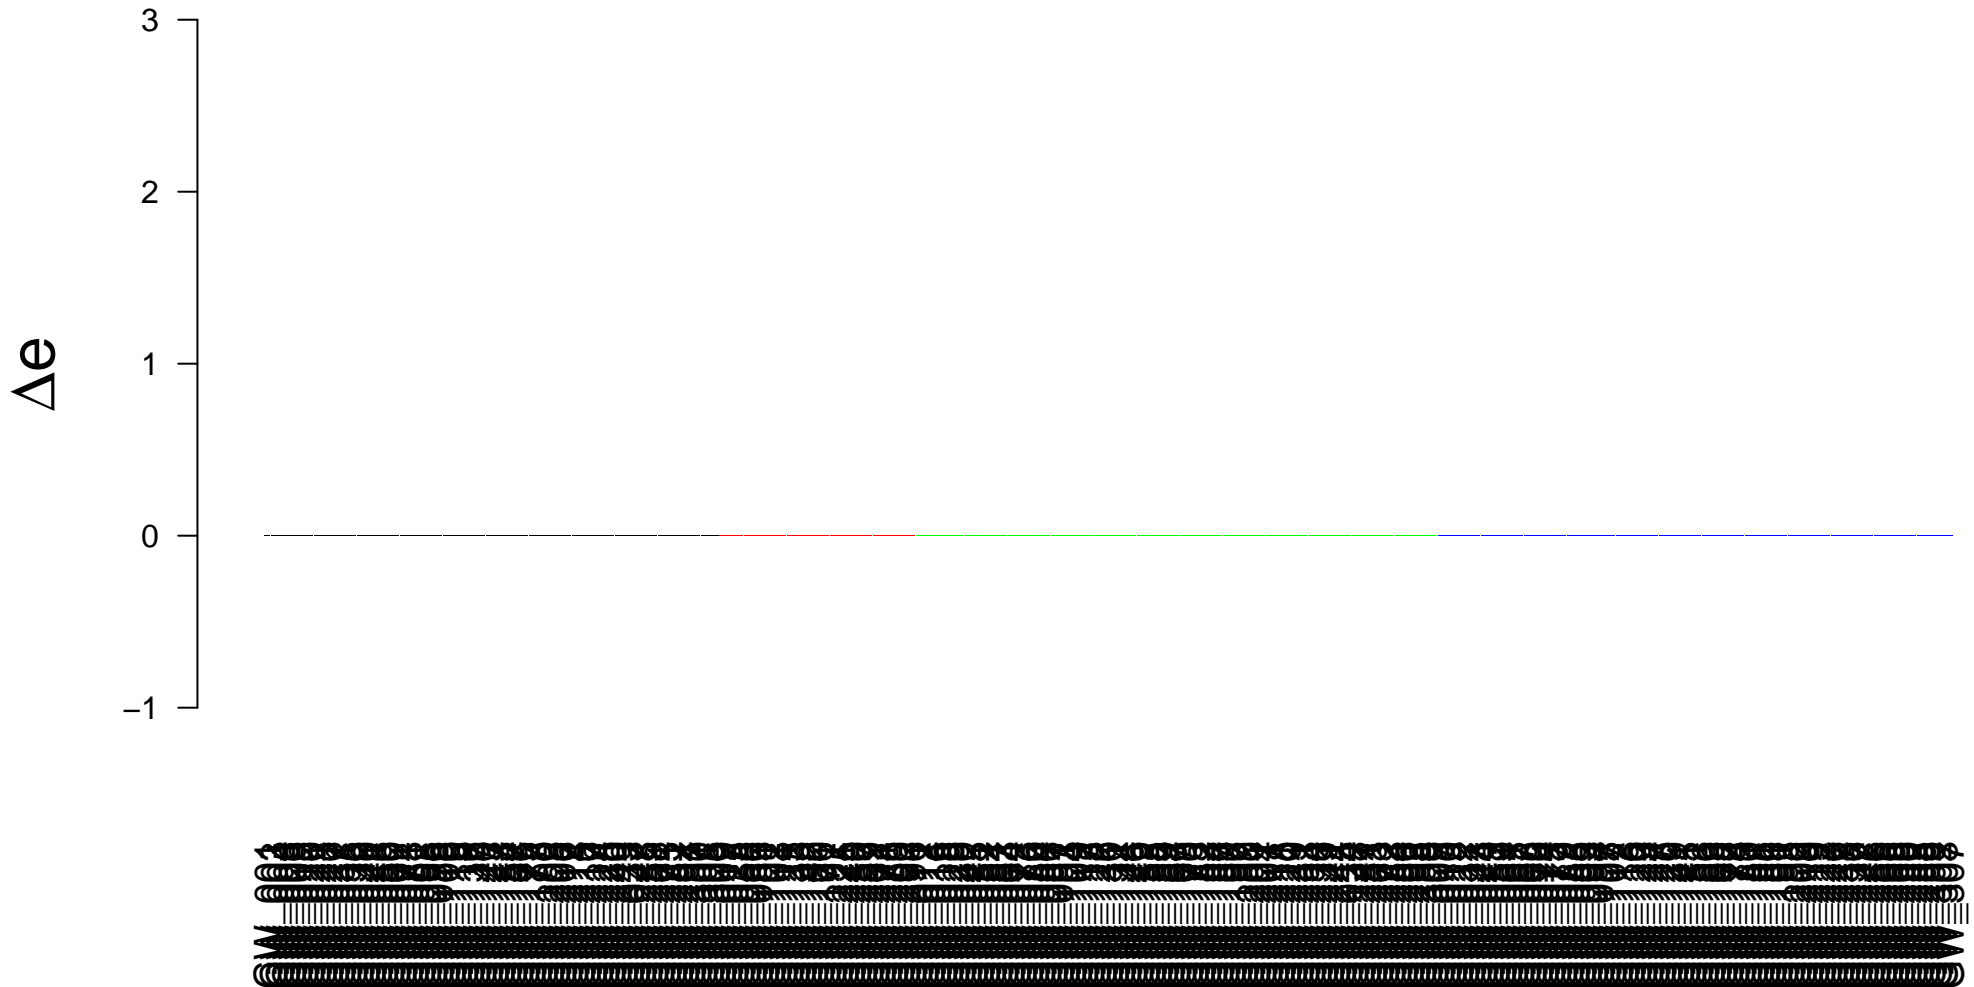

Expression of neural tube development in Spot D

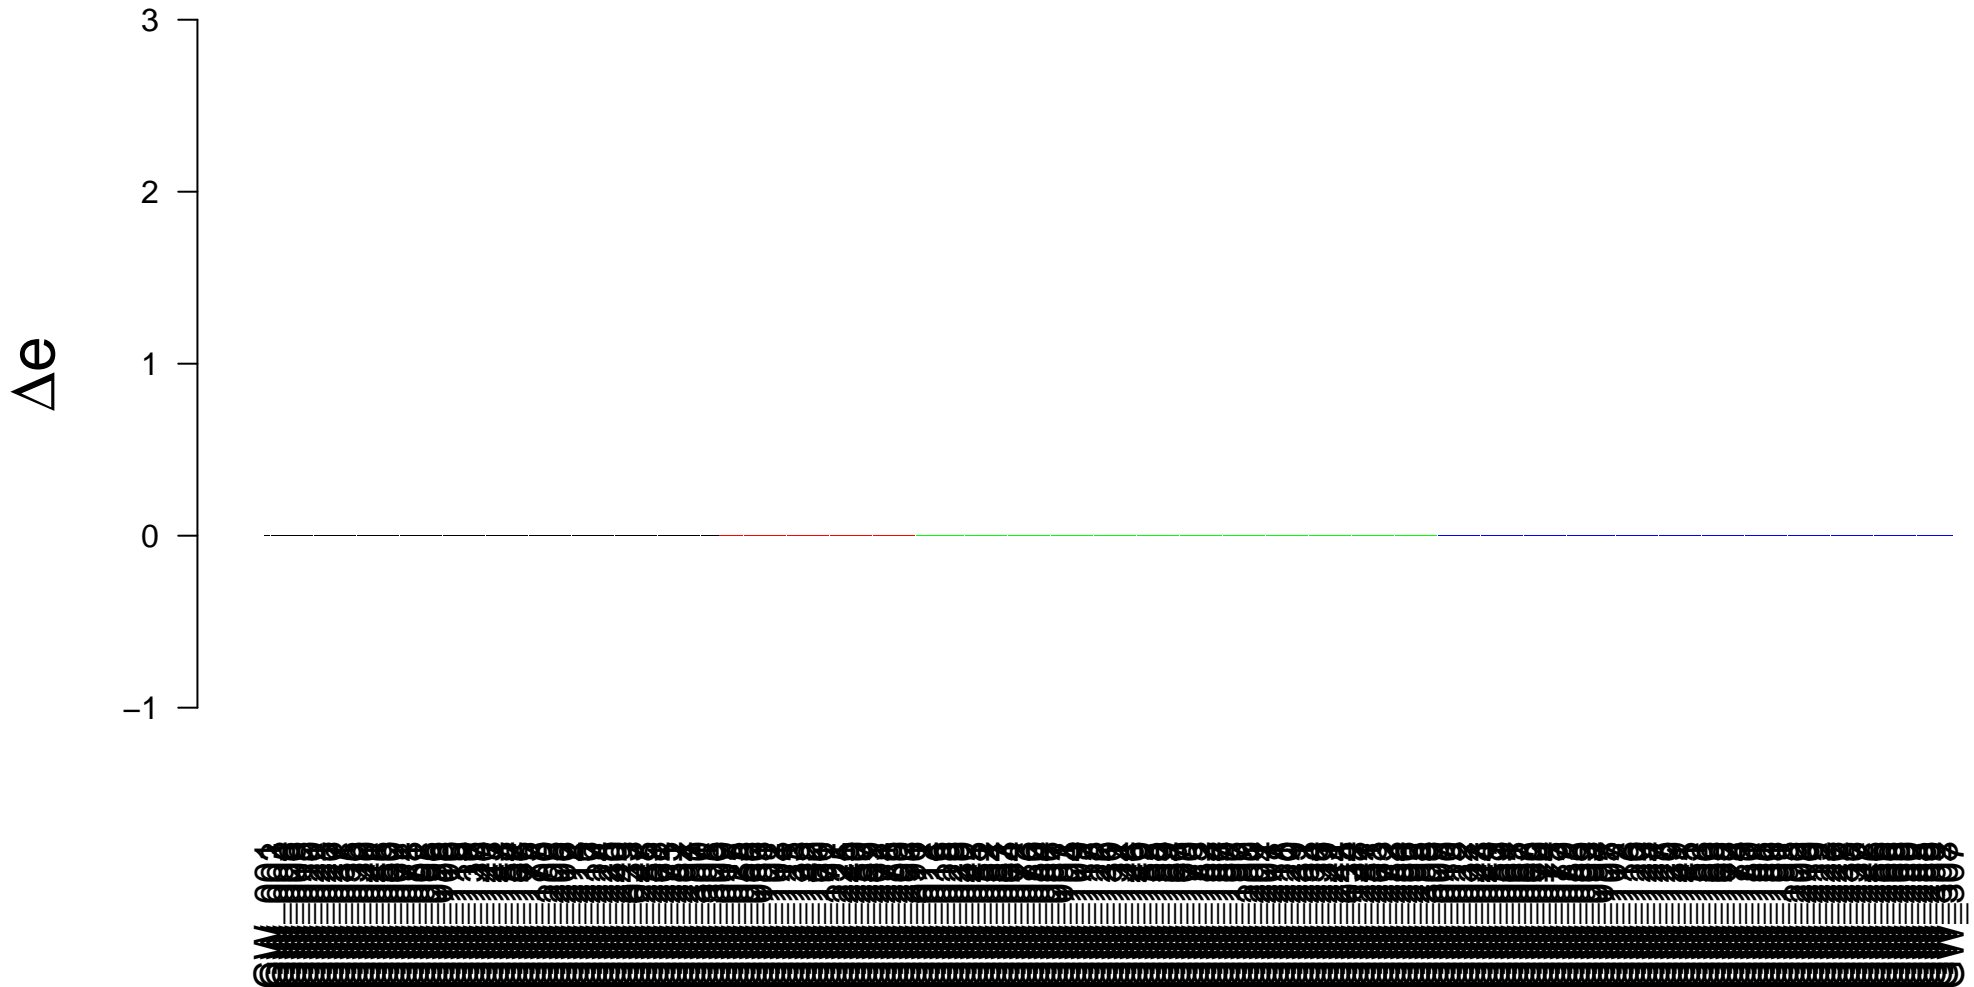

Expression of neural tube development in Spot E

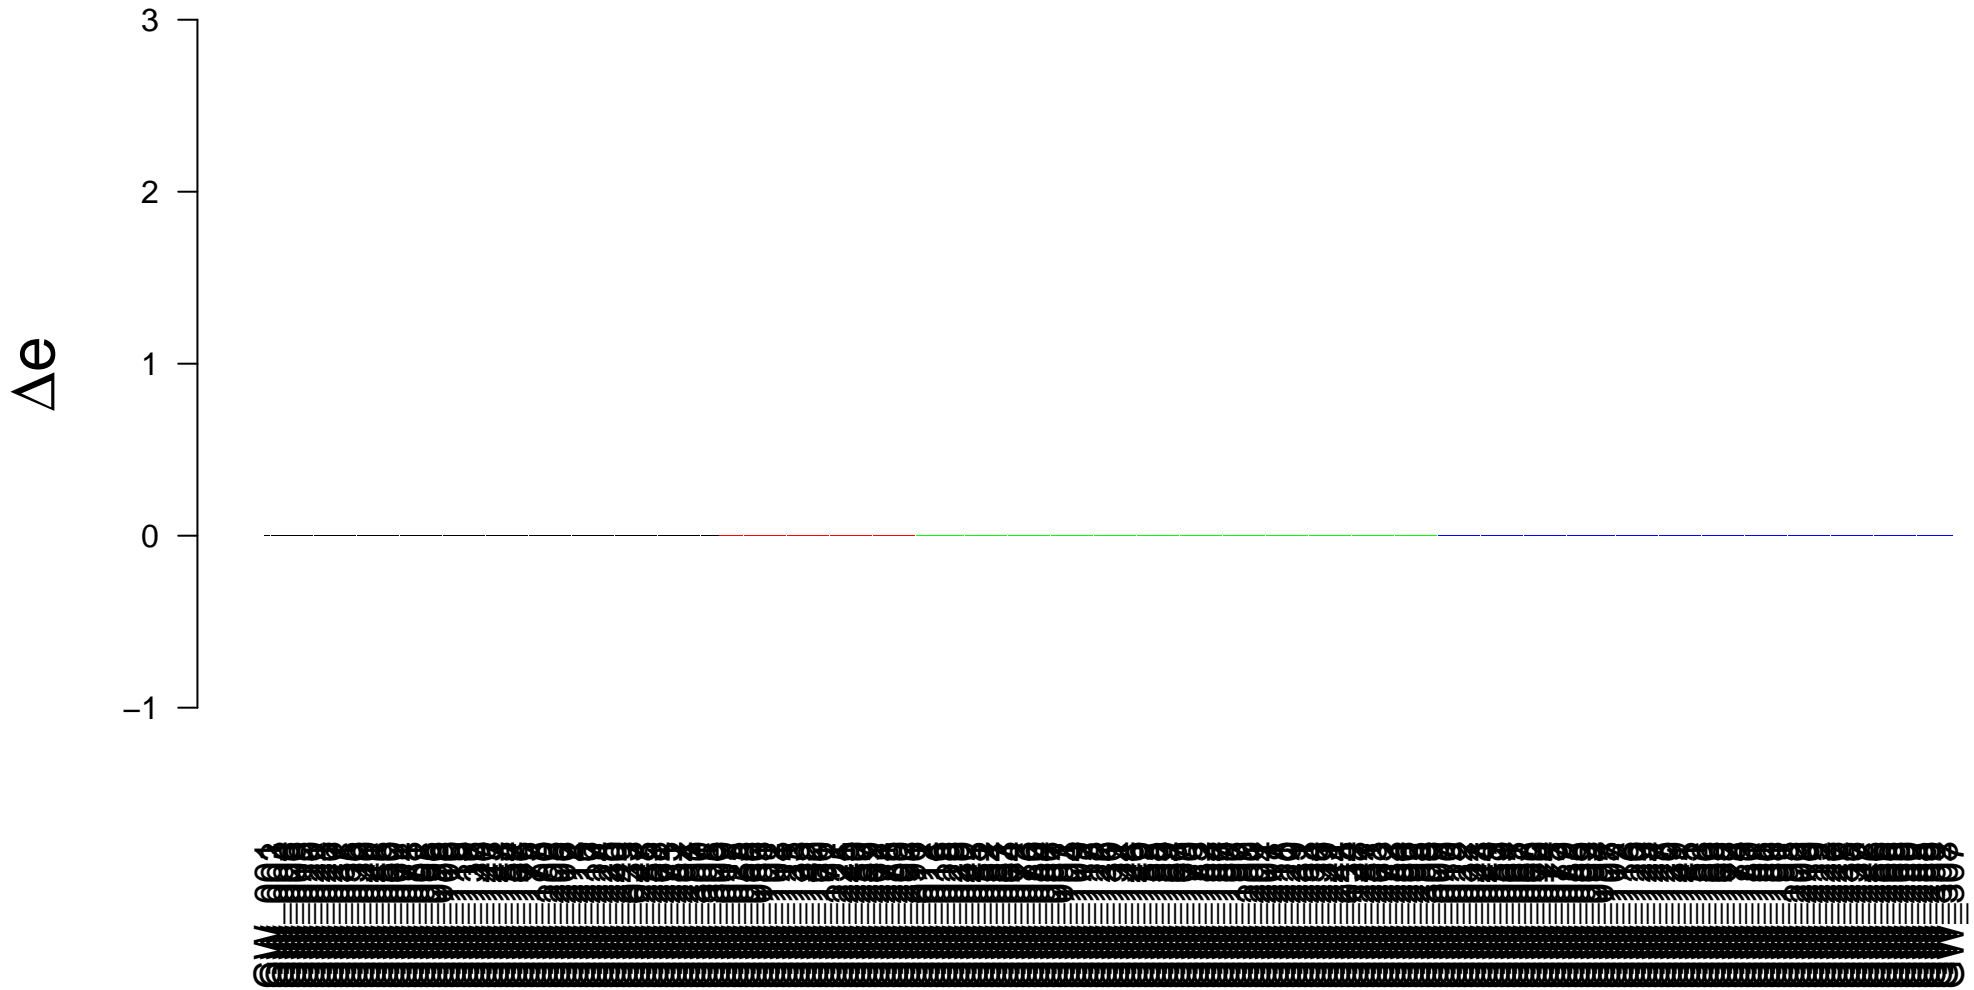

Expression of neural tube development in Spot F

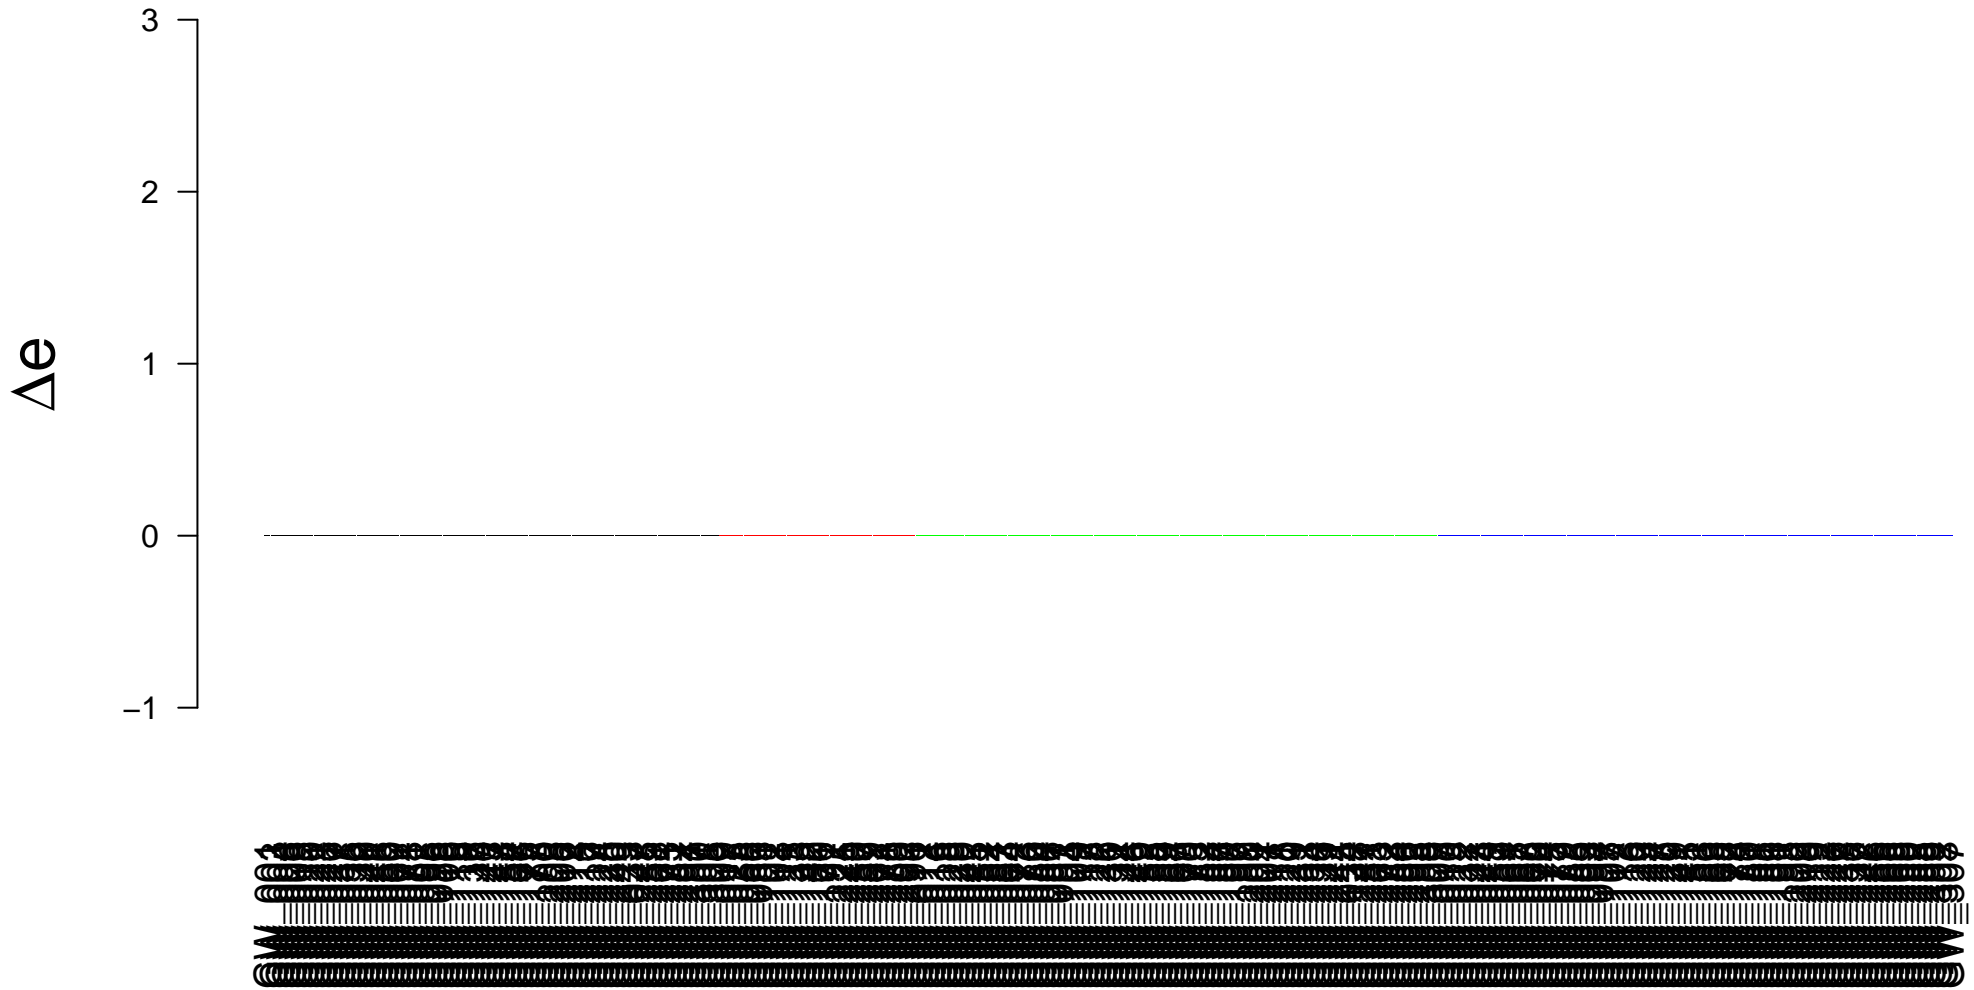

Expression of neural tube development in Spot G

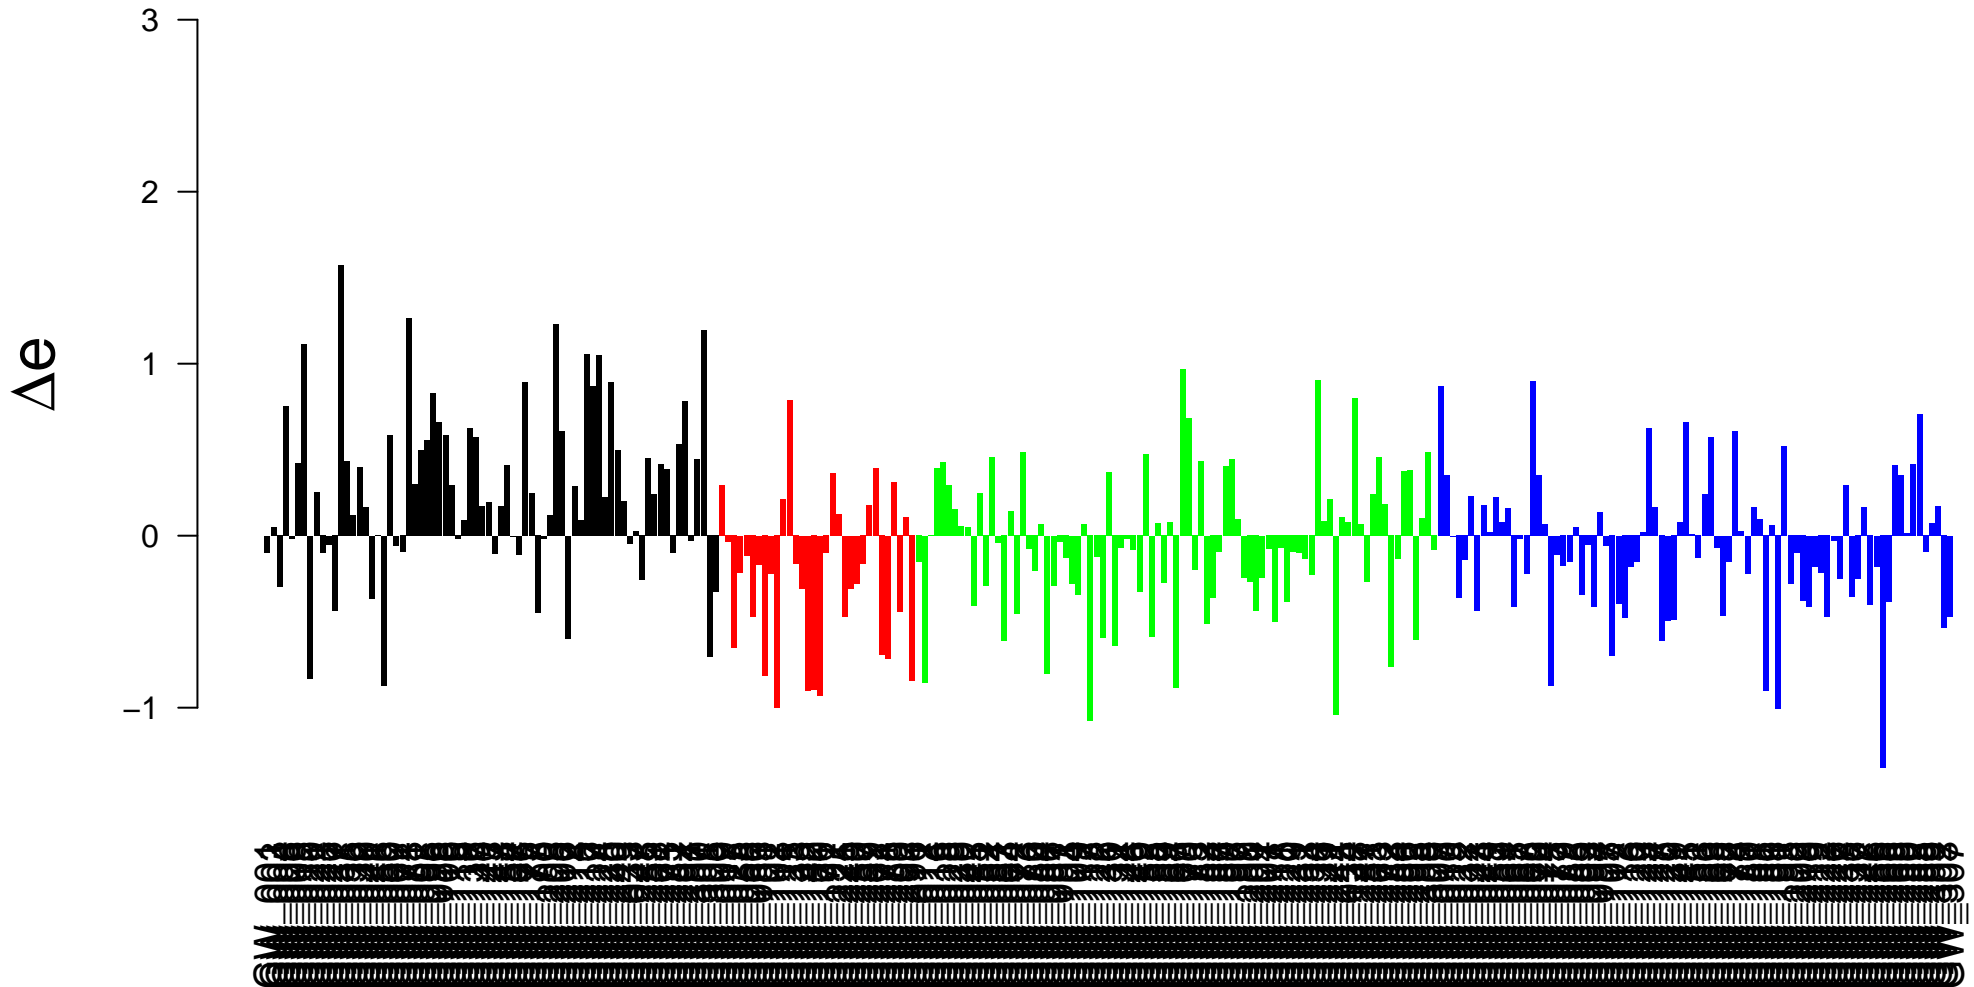

Expression of neural tube development in Spot H

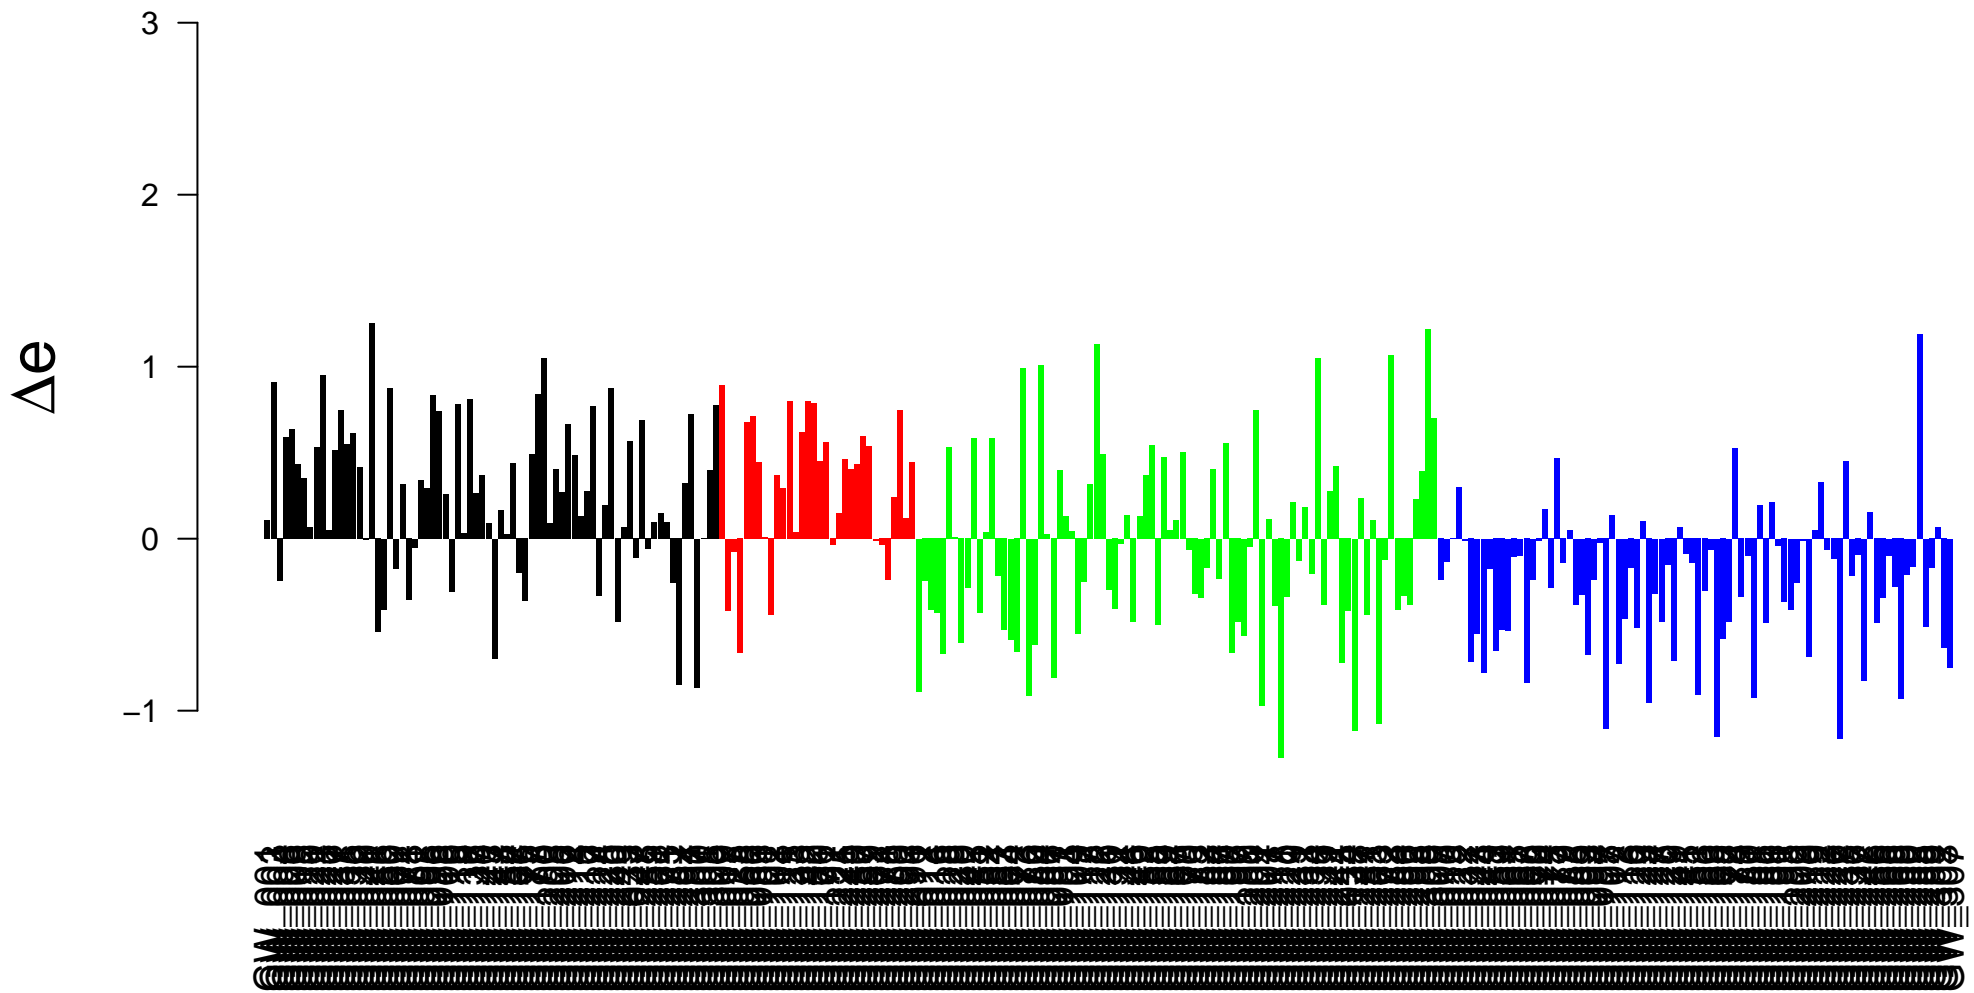

Expression of neural tube development in Spot I

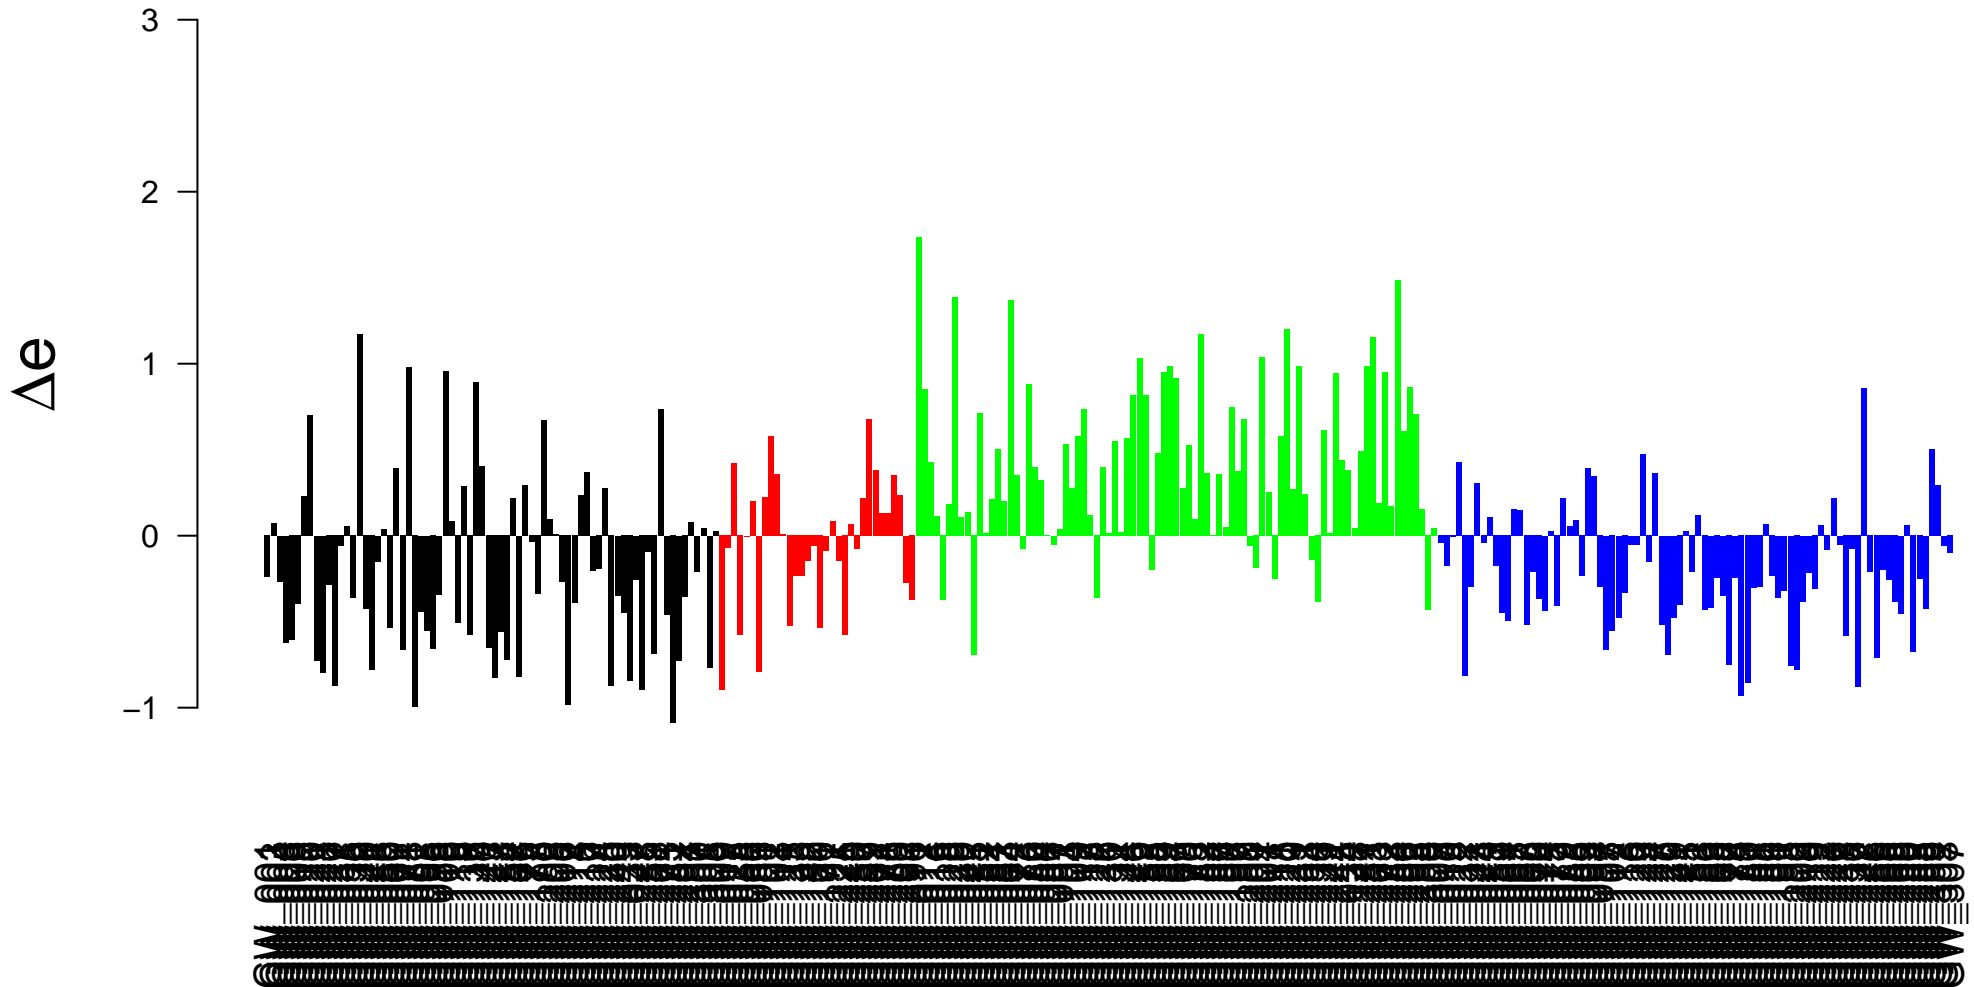

Expression of neural tube development in Spot J

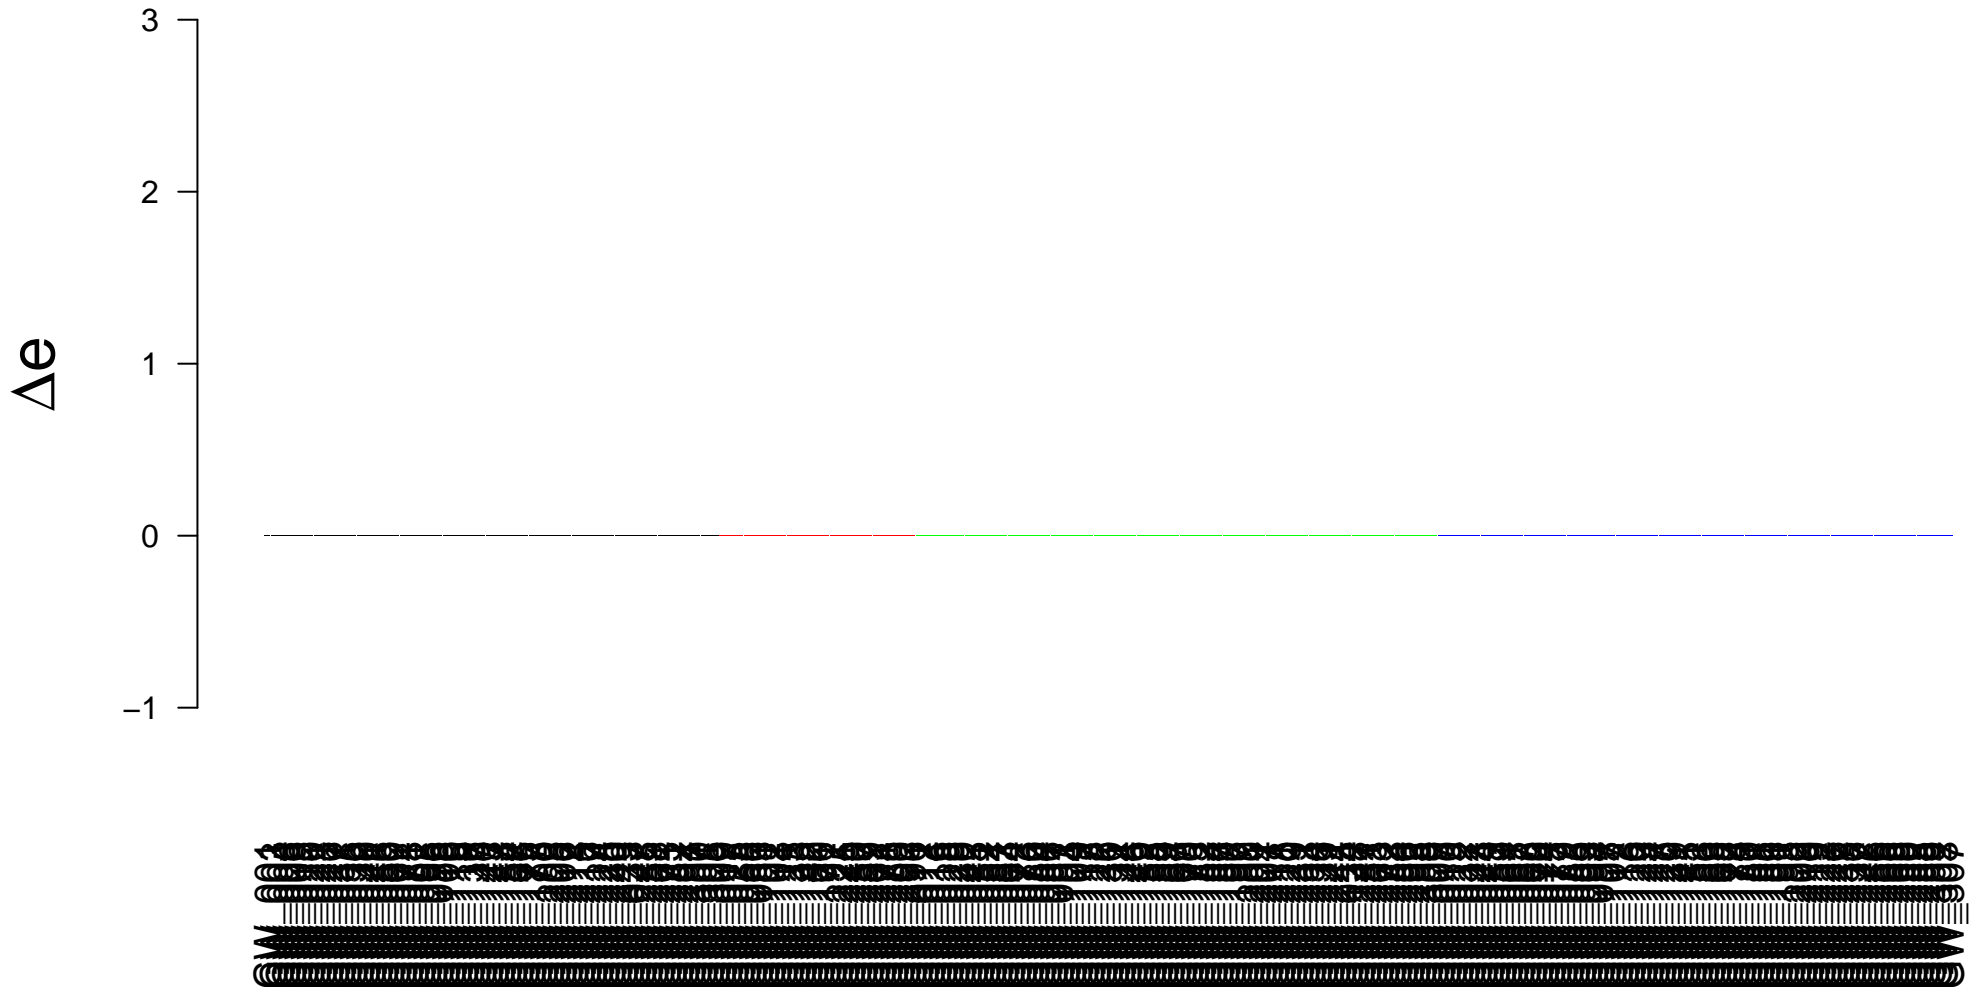

Expression of neural tube development in Spot K

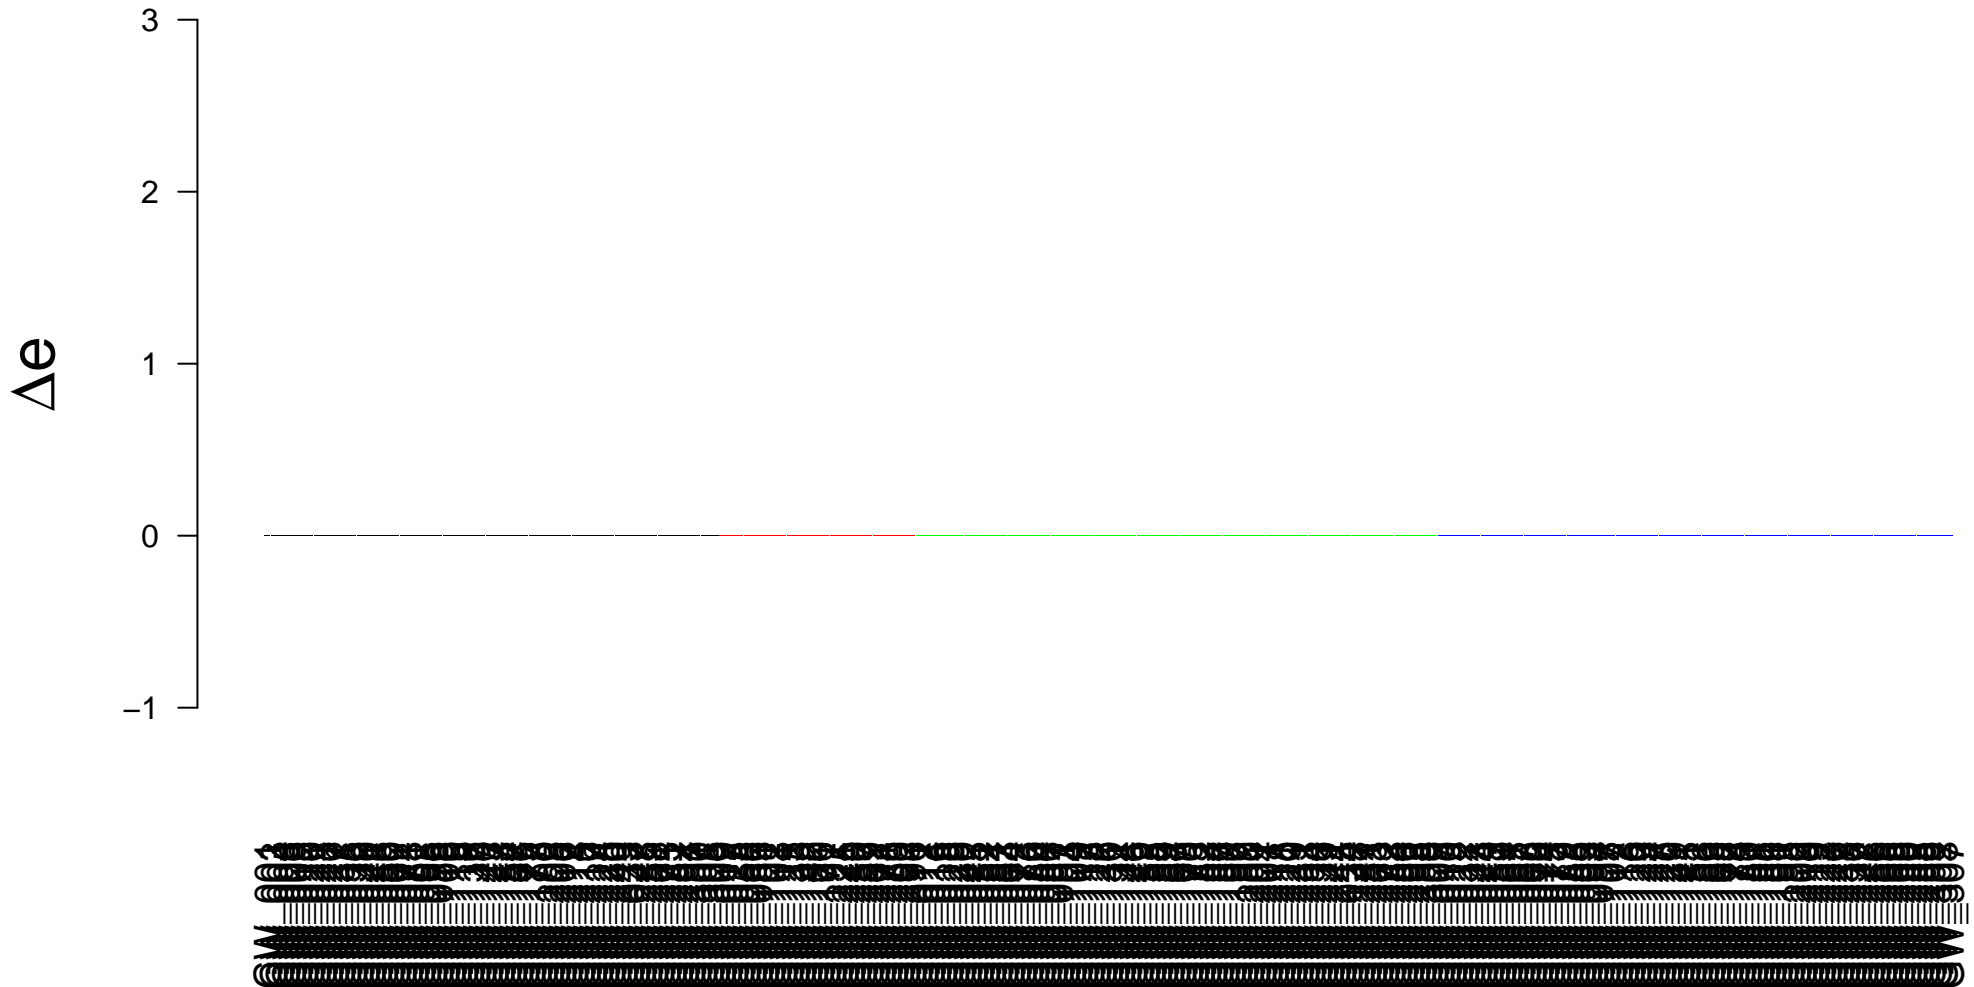

Expression of neural tube development in Spot L

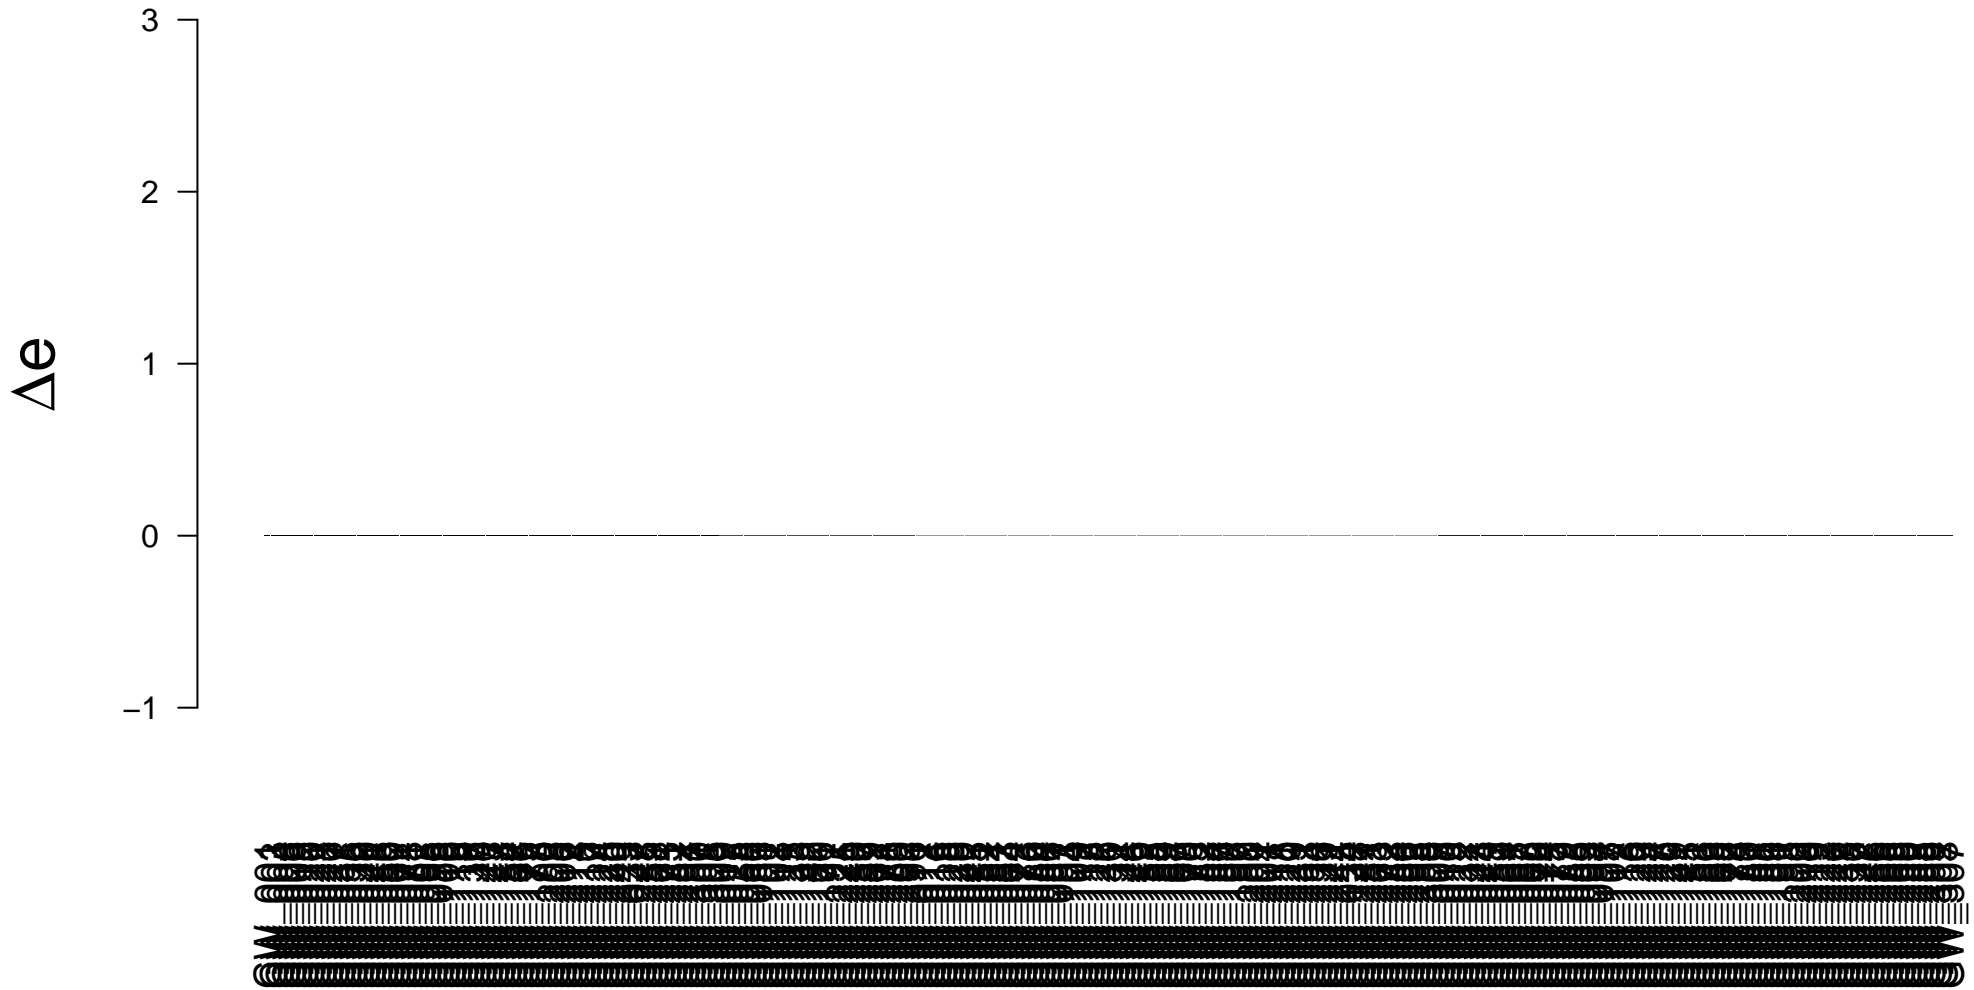

Expression of neural tube development in Spot M

Expression of neural tube development in Spot N

Expression of neural tube development in Spot O

Expression of neural tube development in Spot P
