neural tube formation

Enrichment in spots: neural tube formation

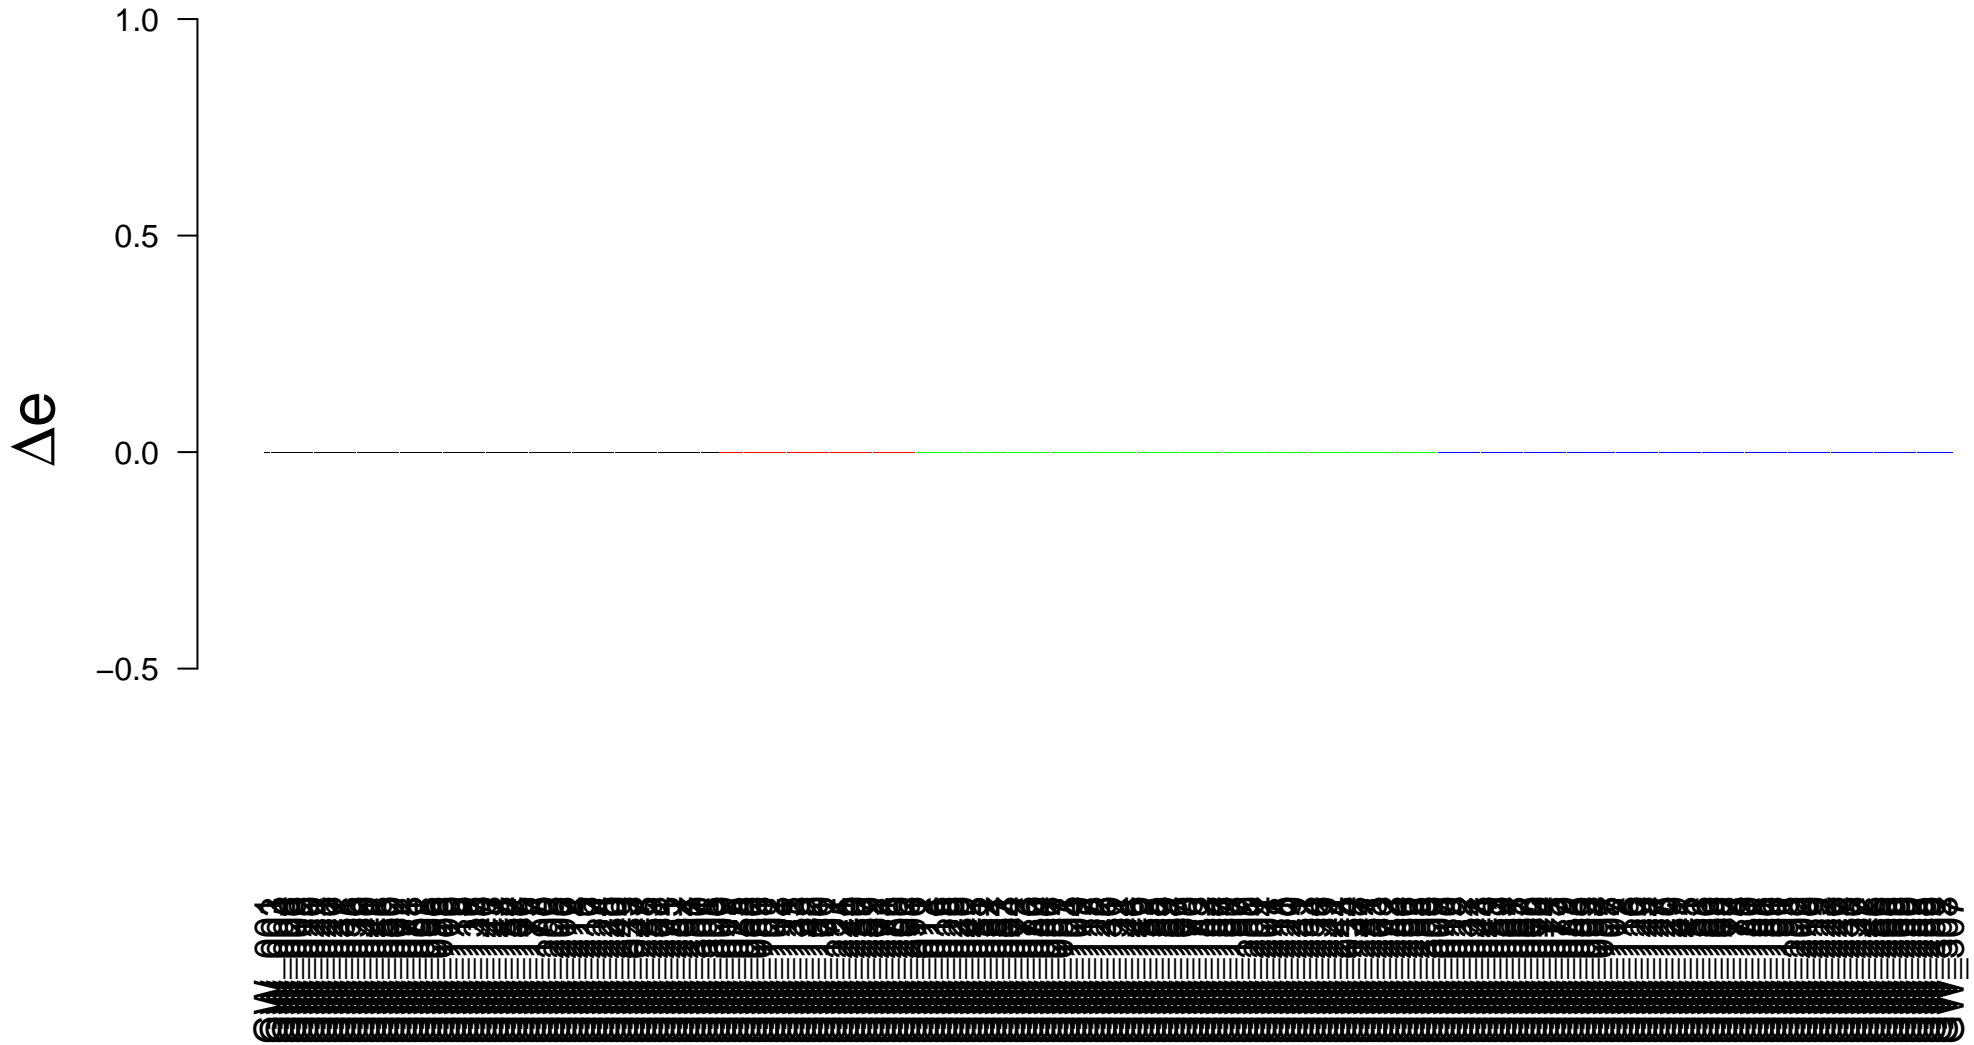

Expression of neural tube formation in Spot A

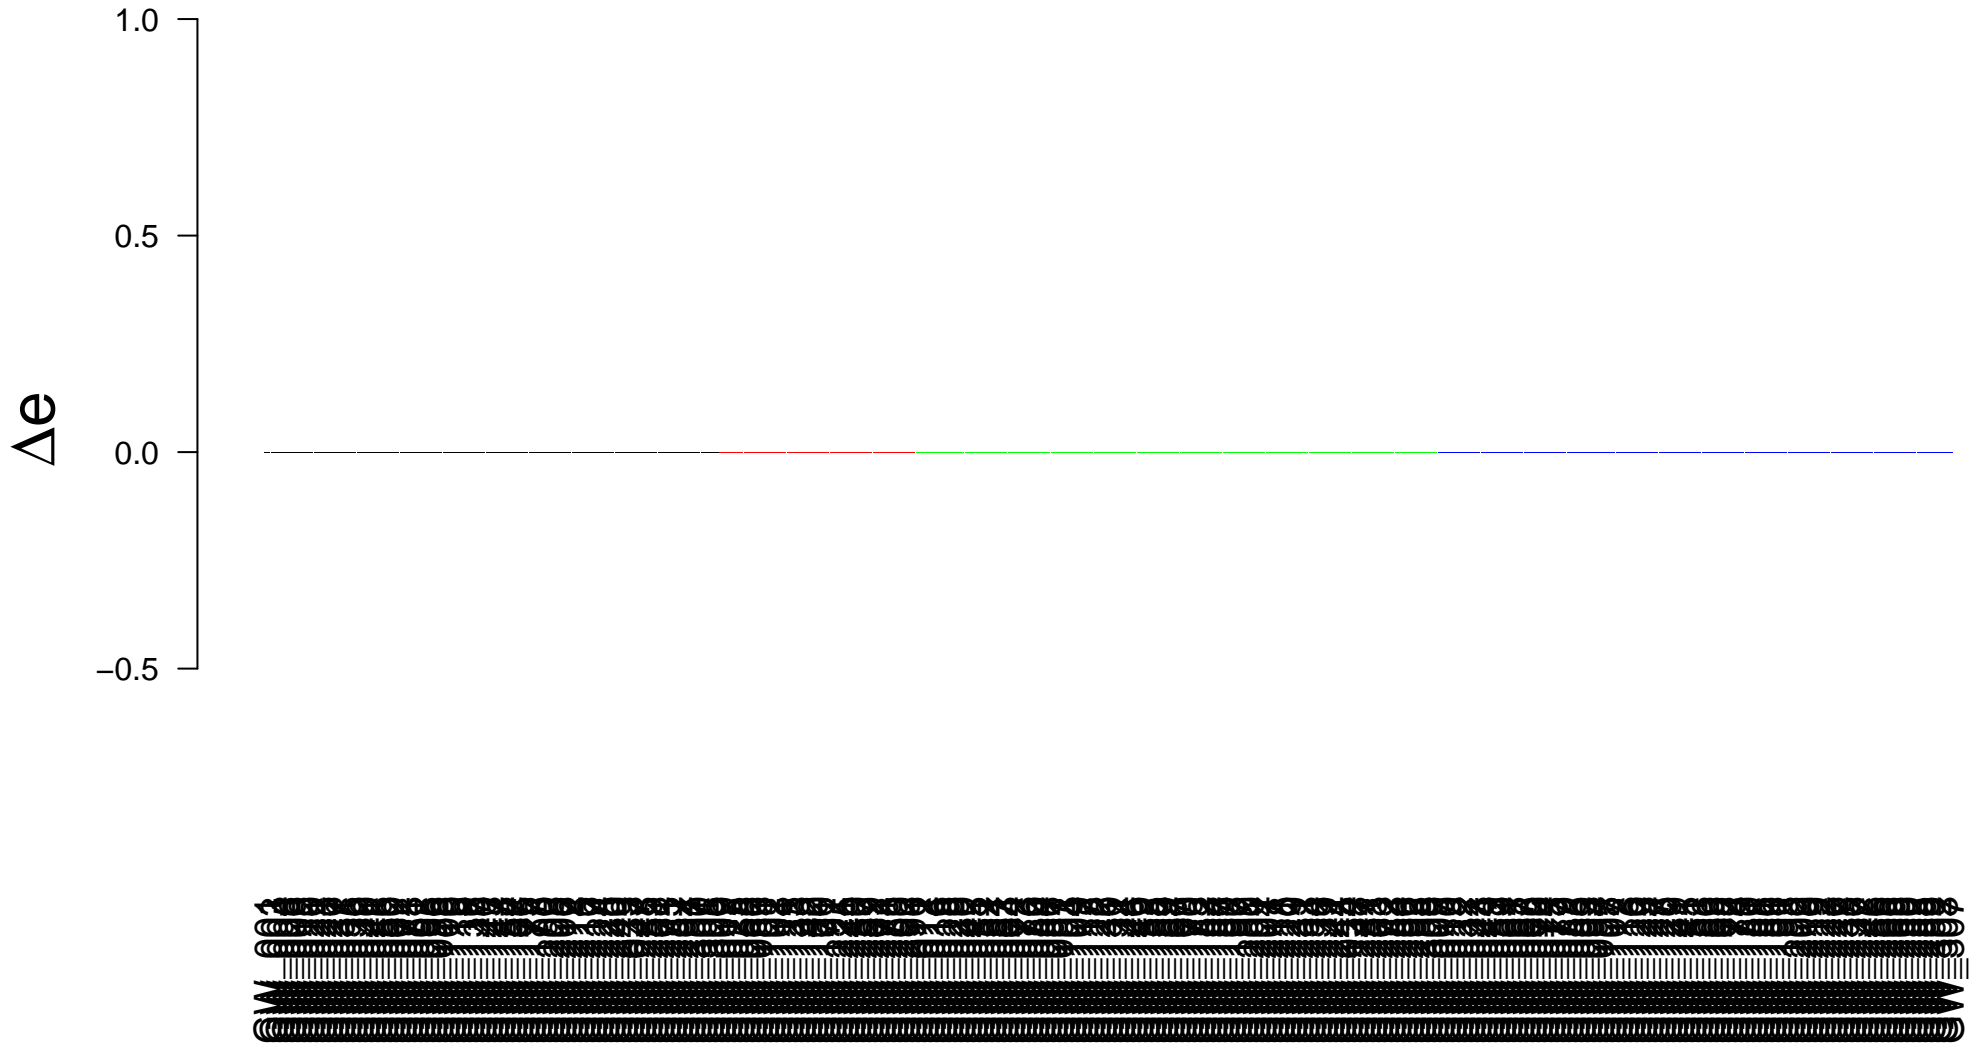

Expression of neural tube formation in Spot B

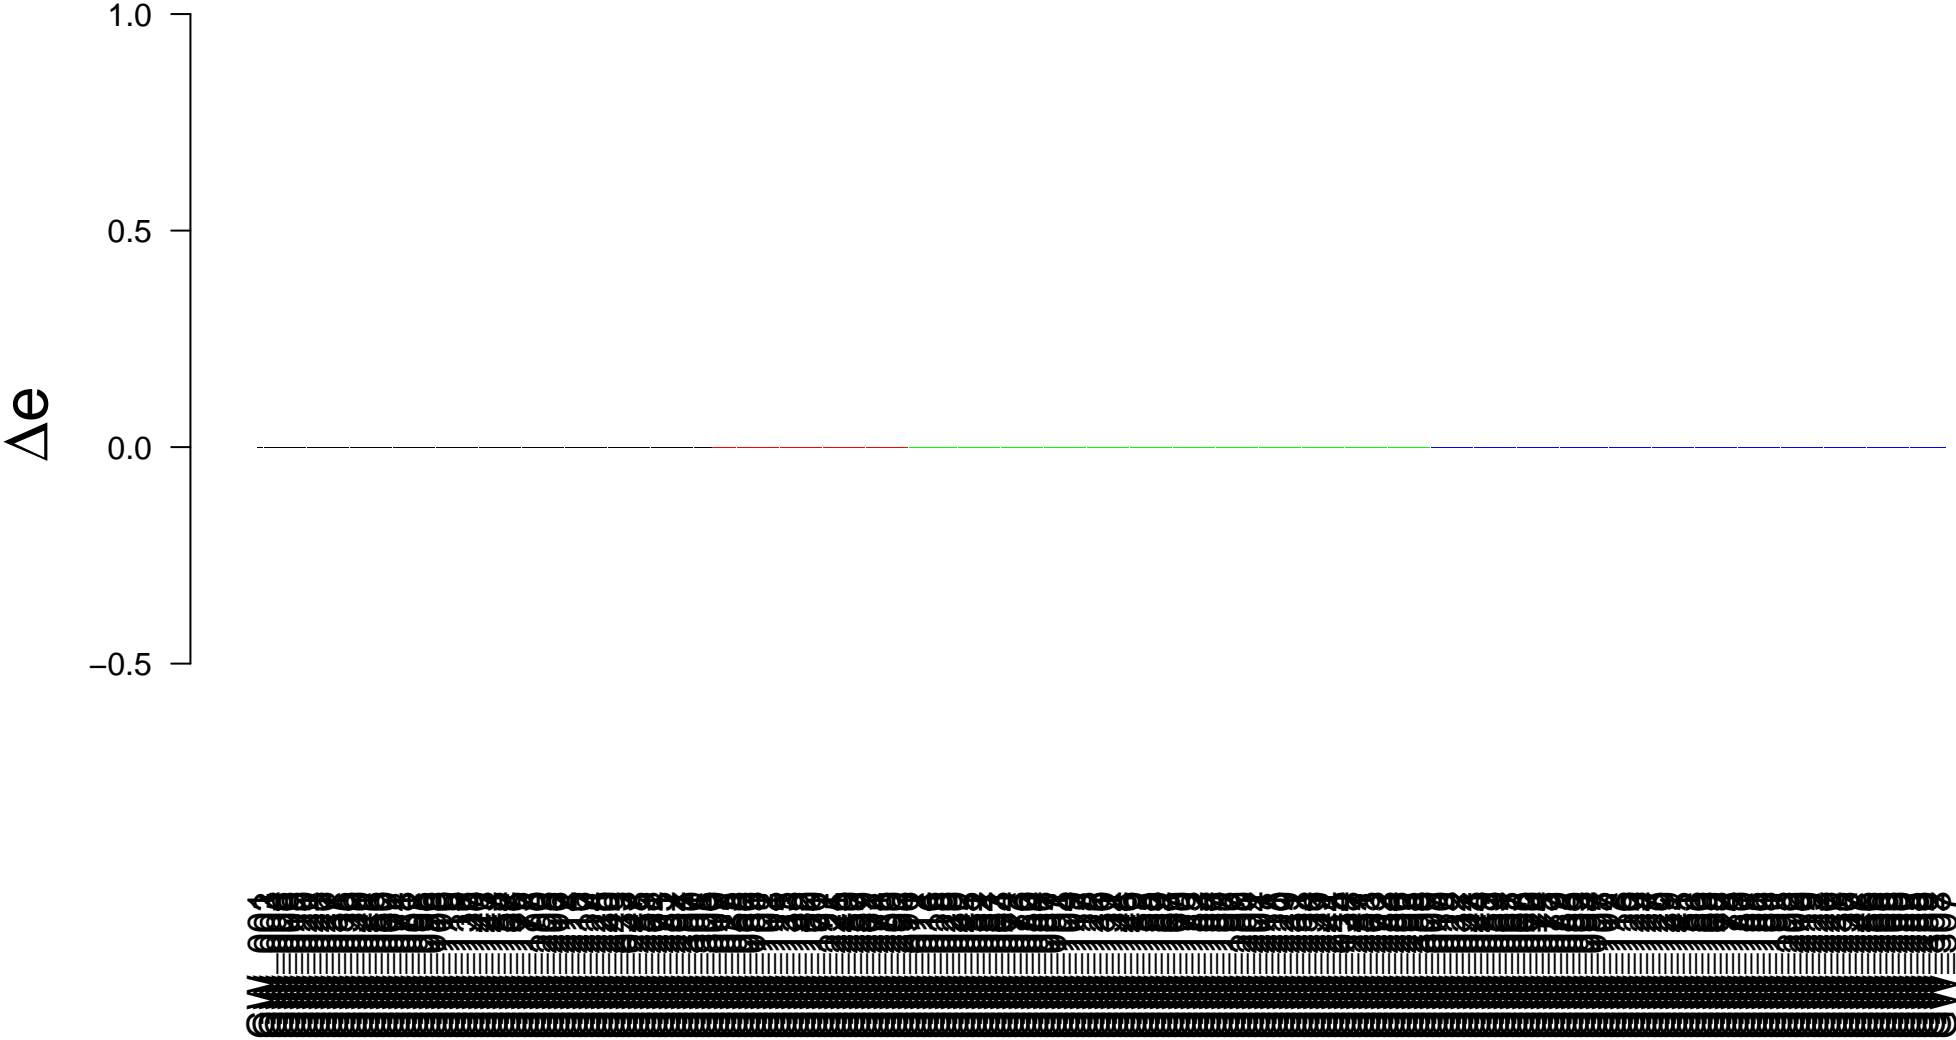

Expression of neural tube formation in Spot C

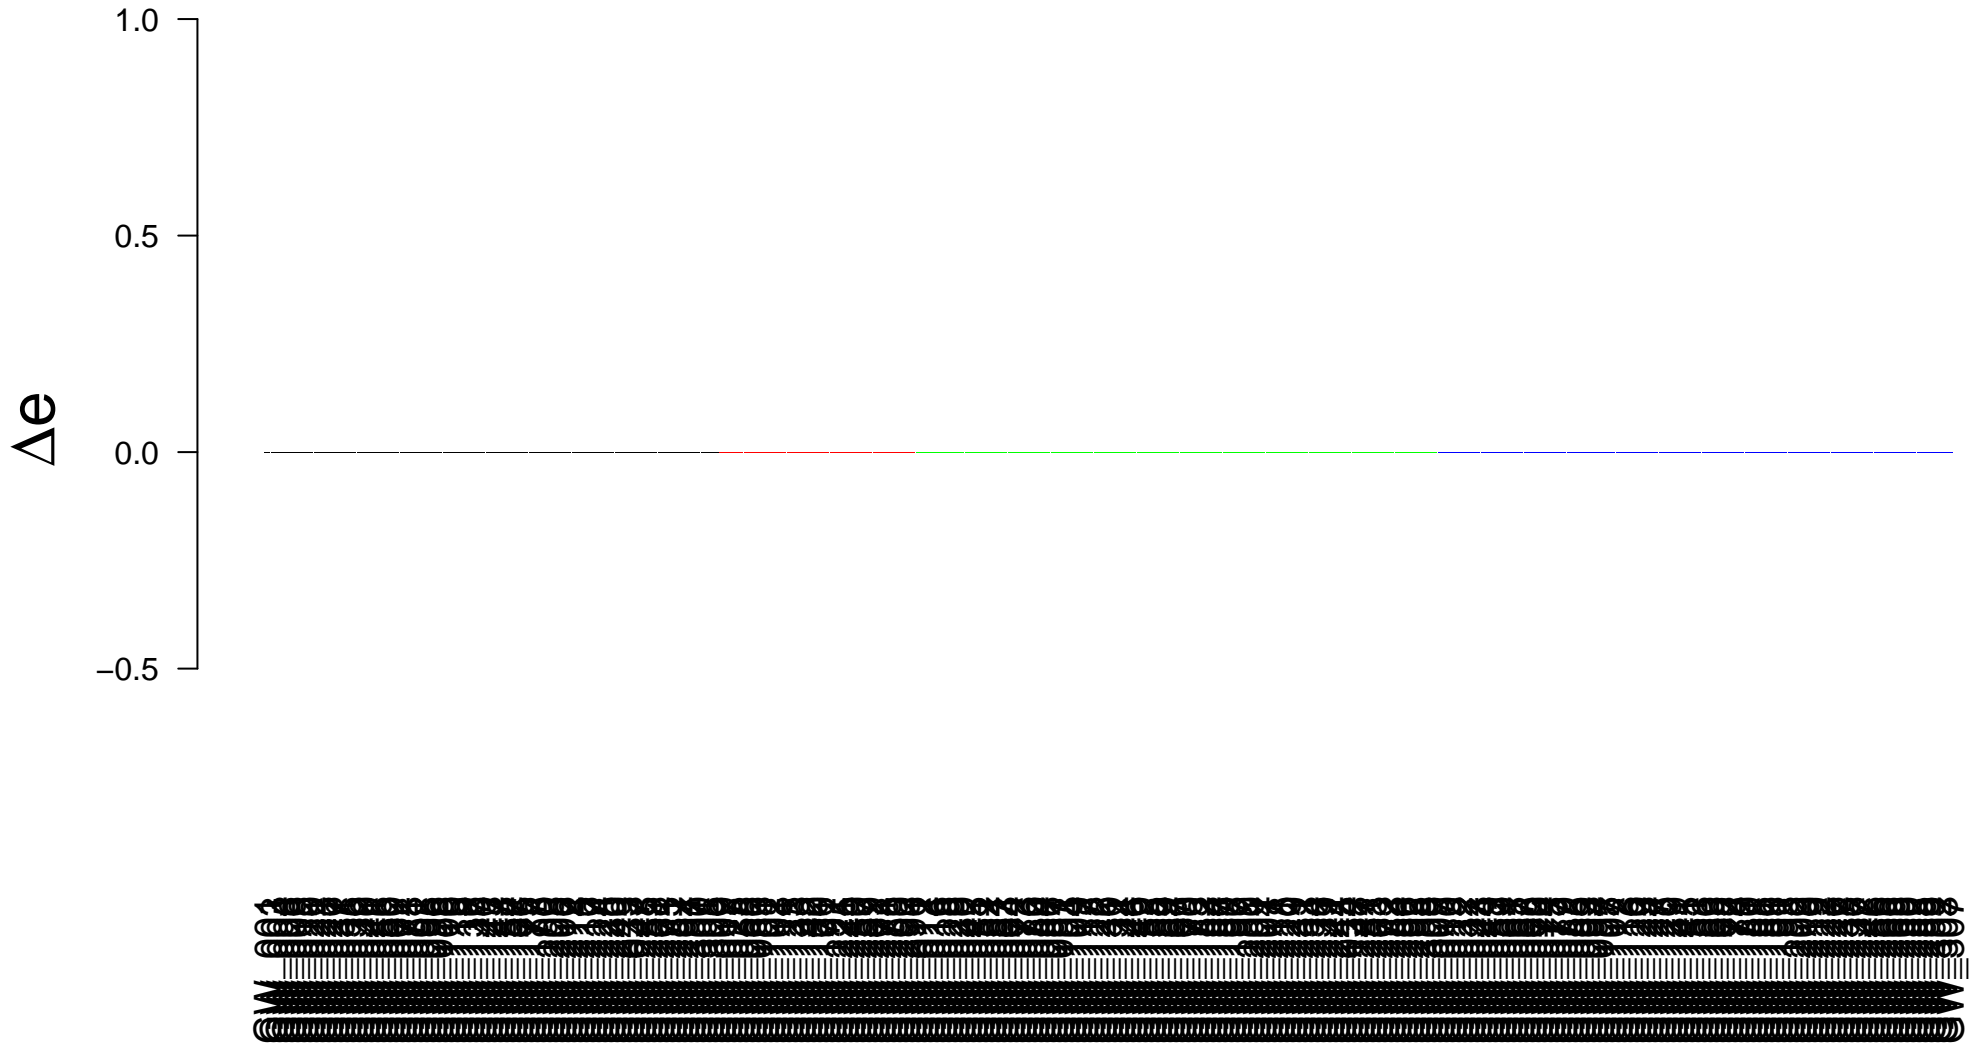

Expression of neural tube formation in Spot D

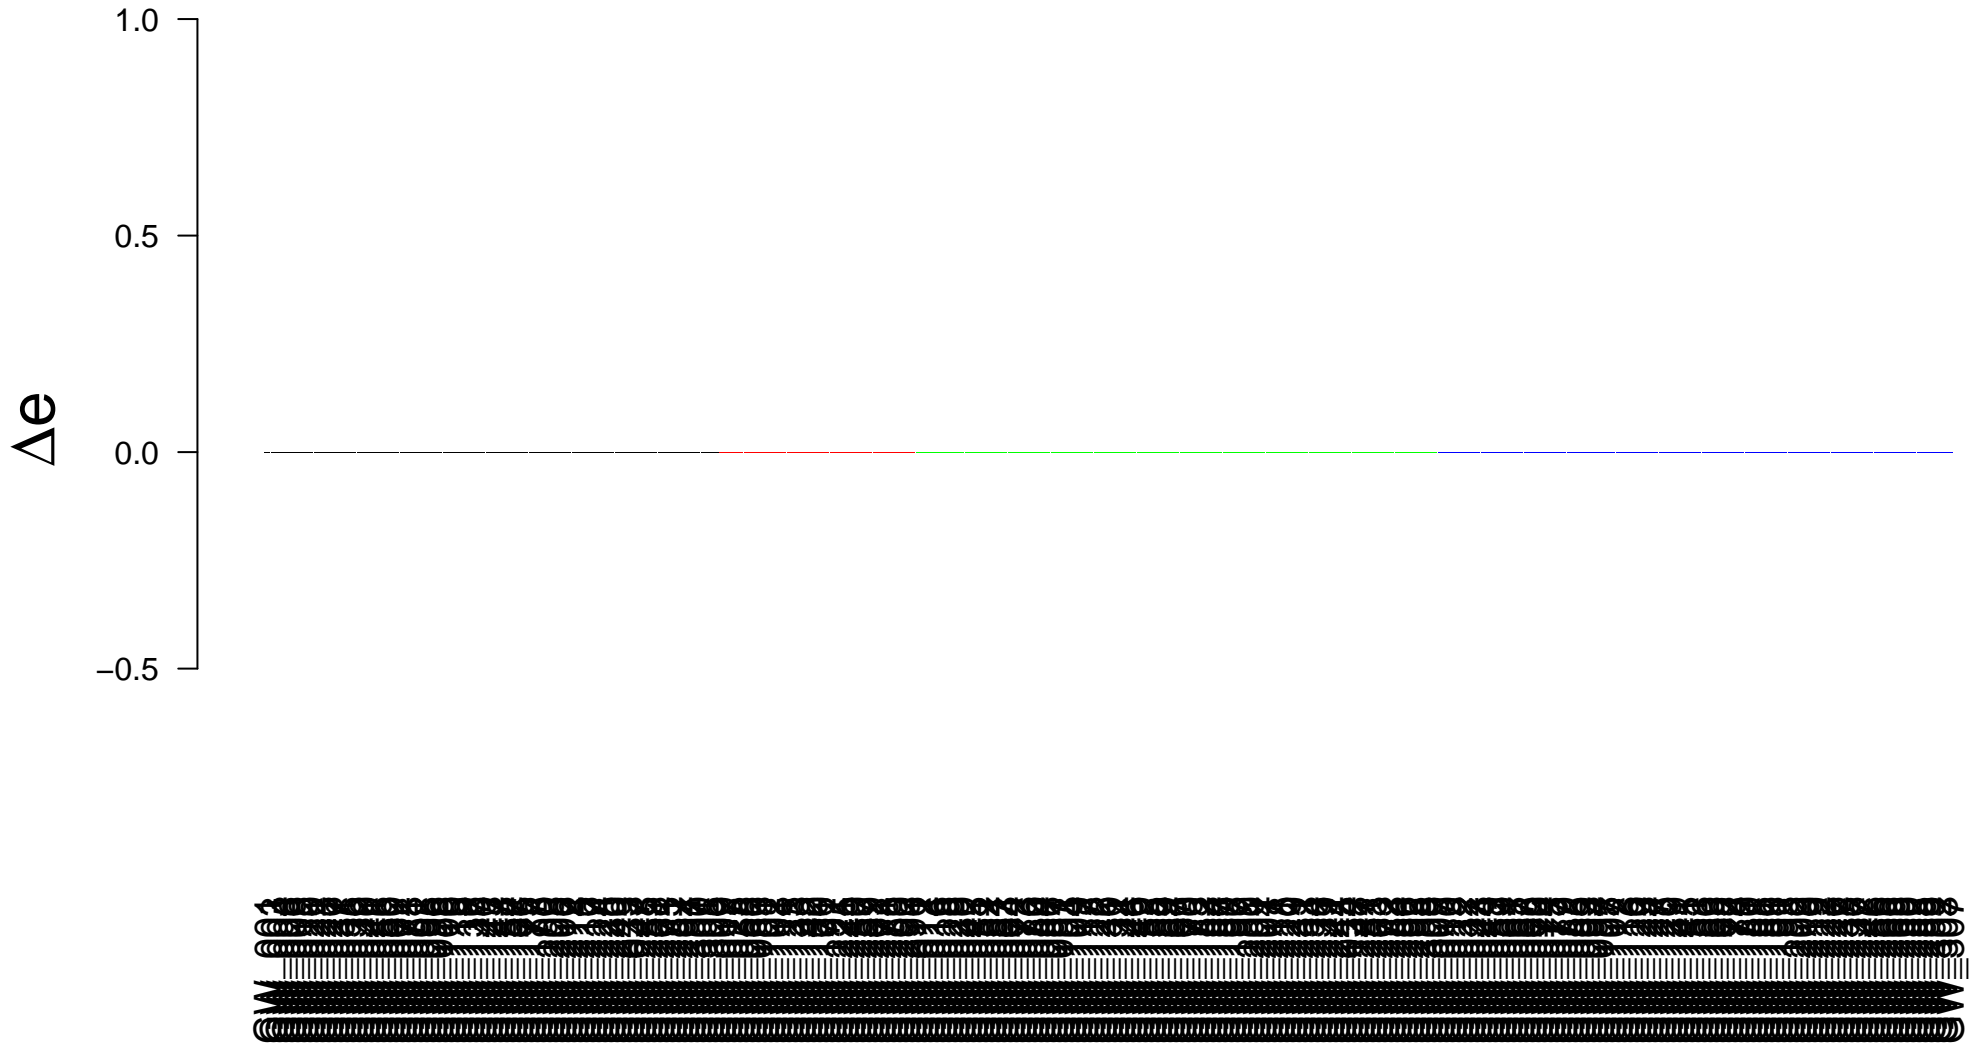

Expression of neural tube formation in Spot E

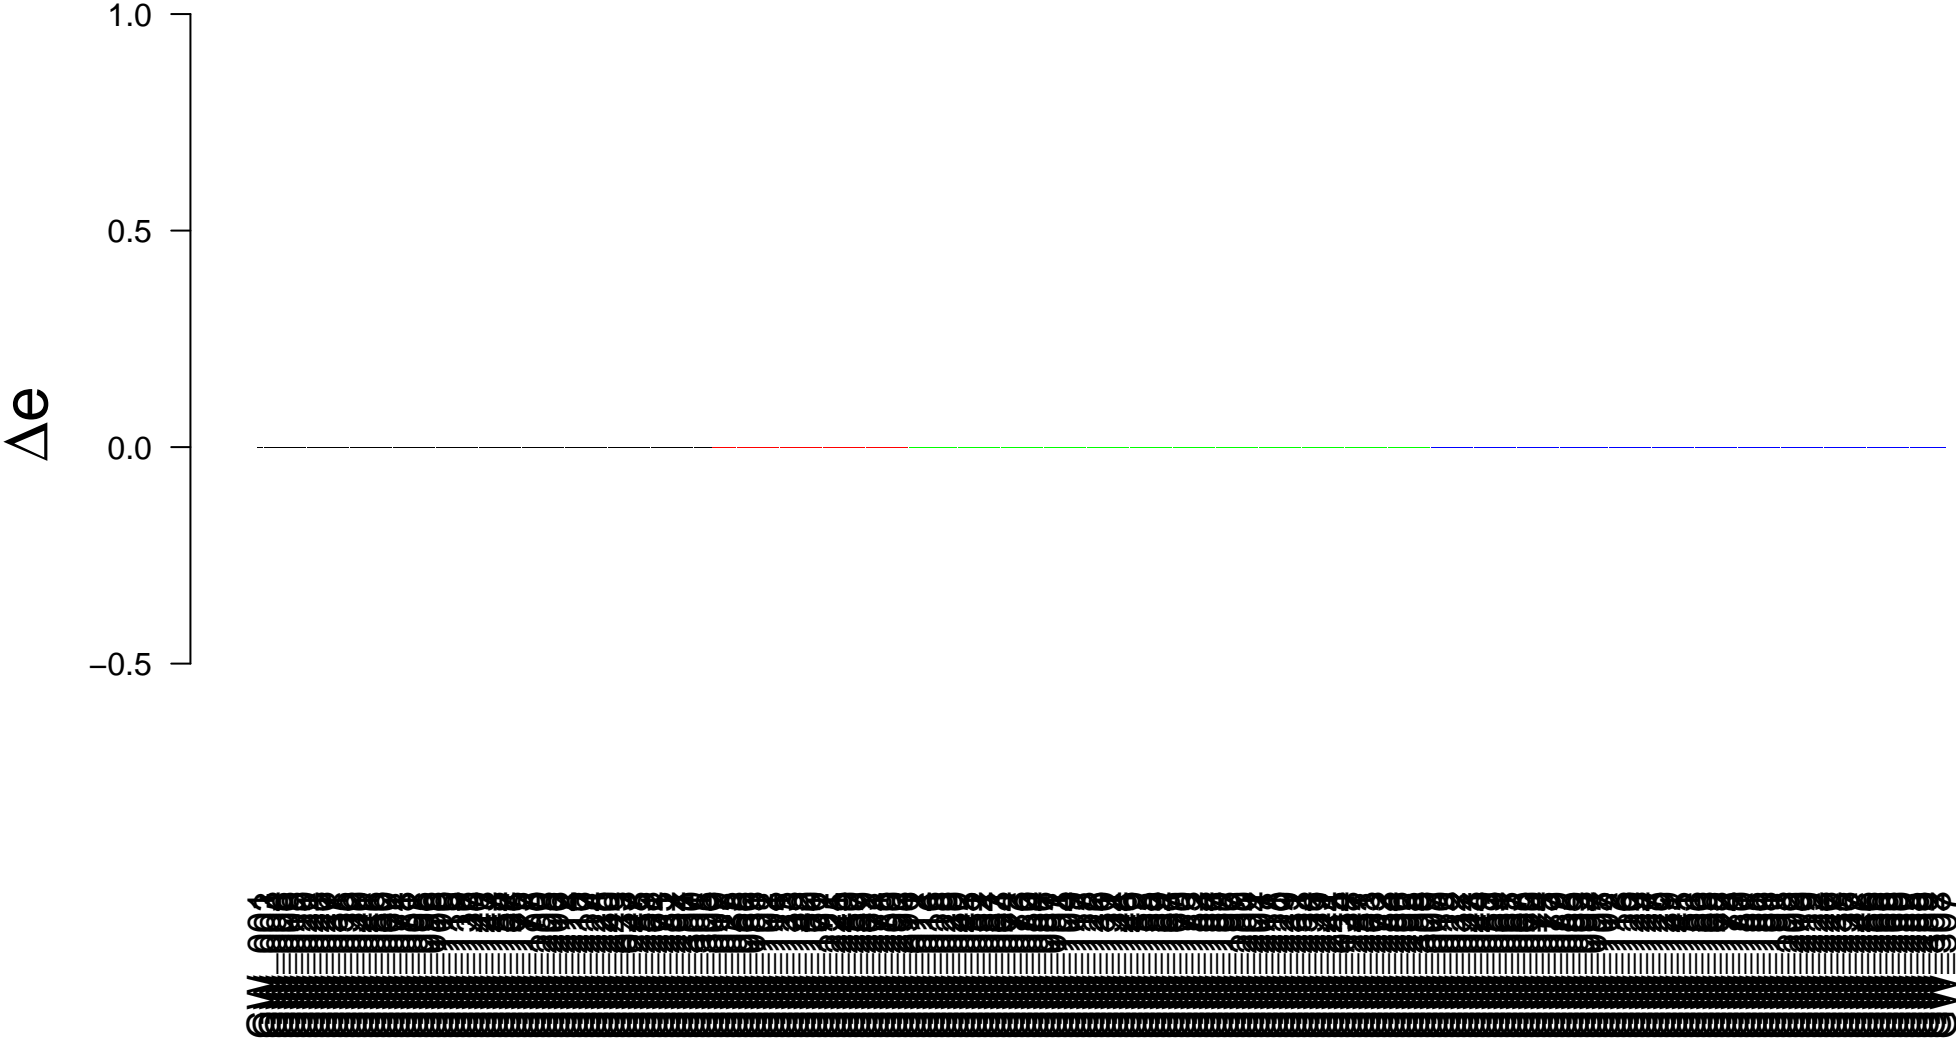

Expression of neural tube formation in Spot F

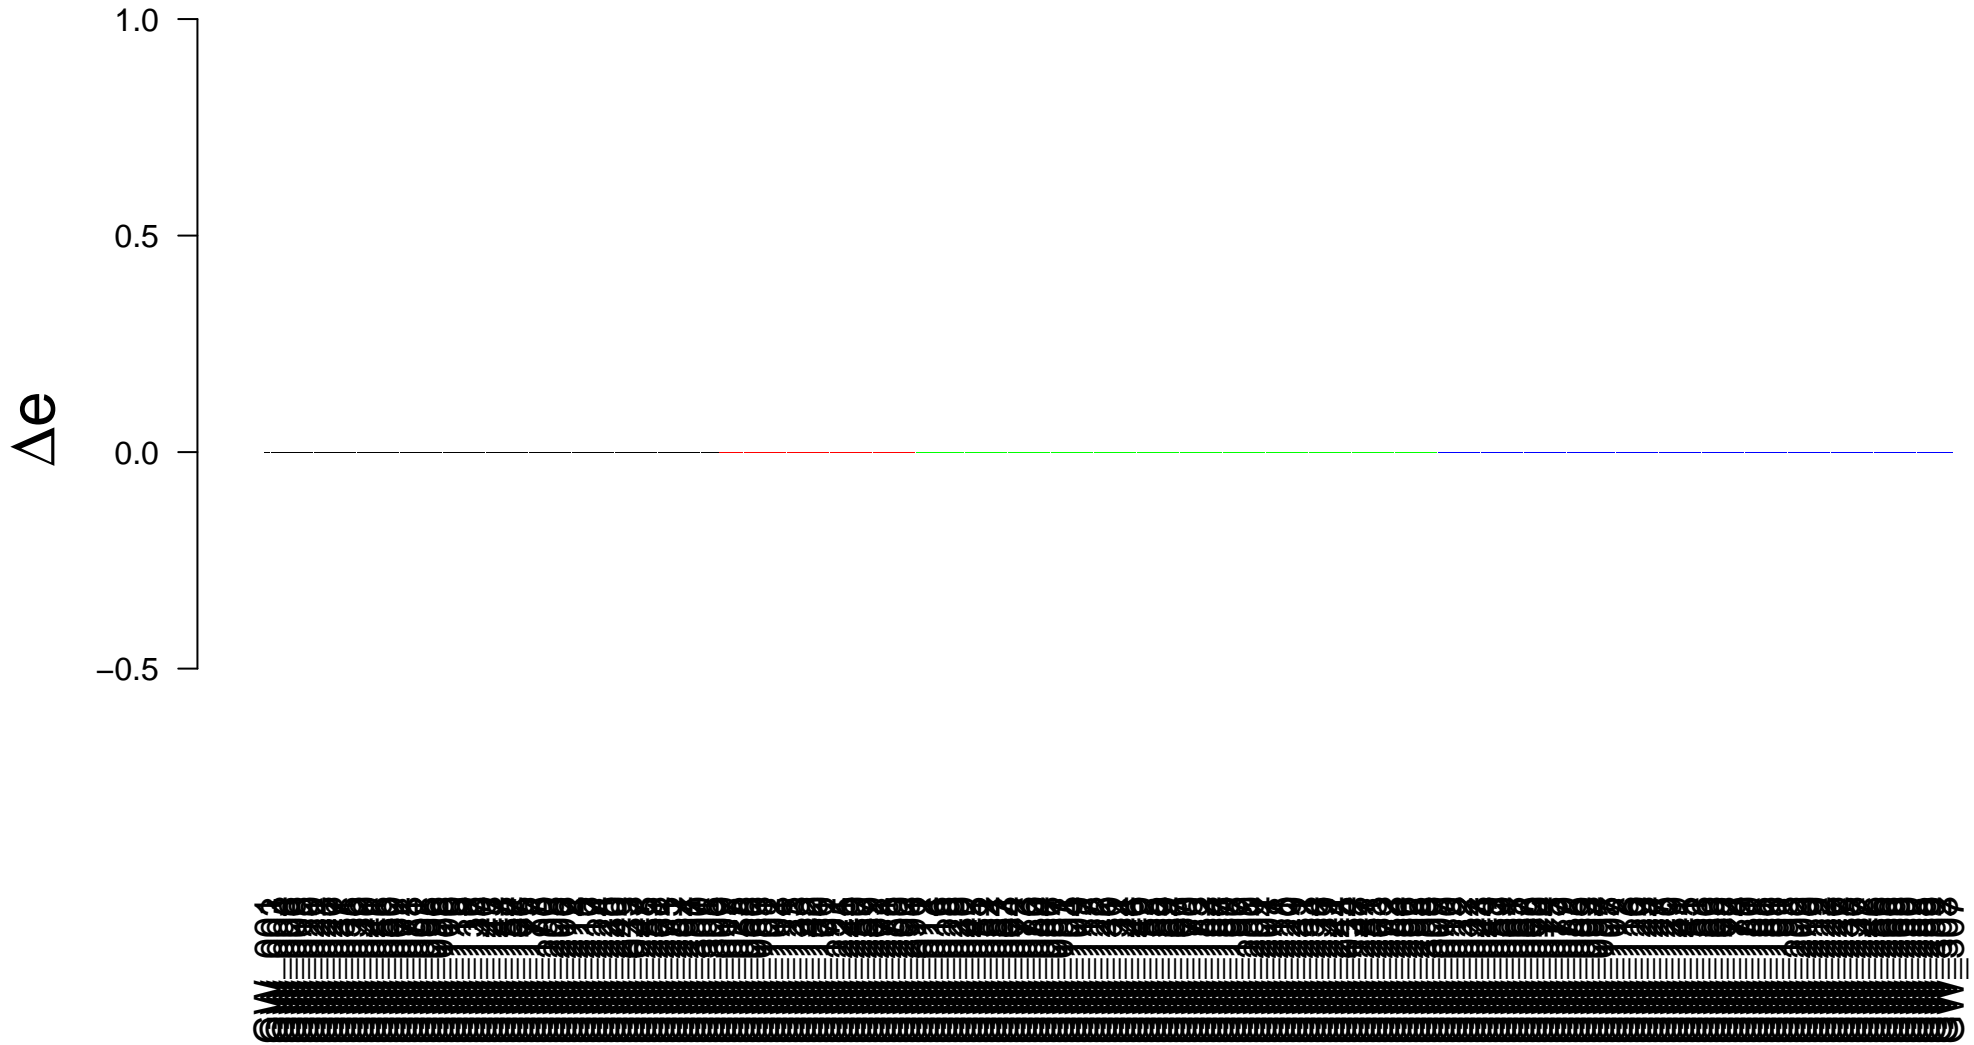

Expression of neural tube formation in Spot G

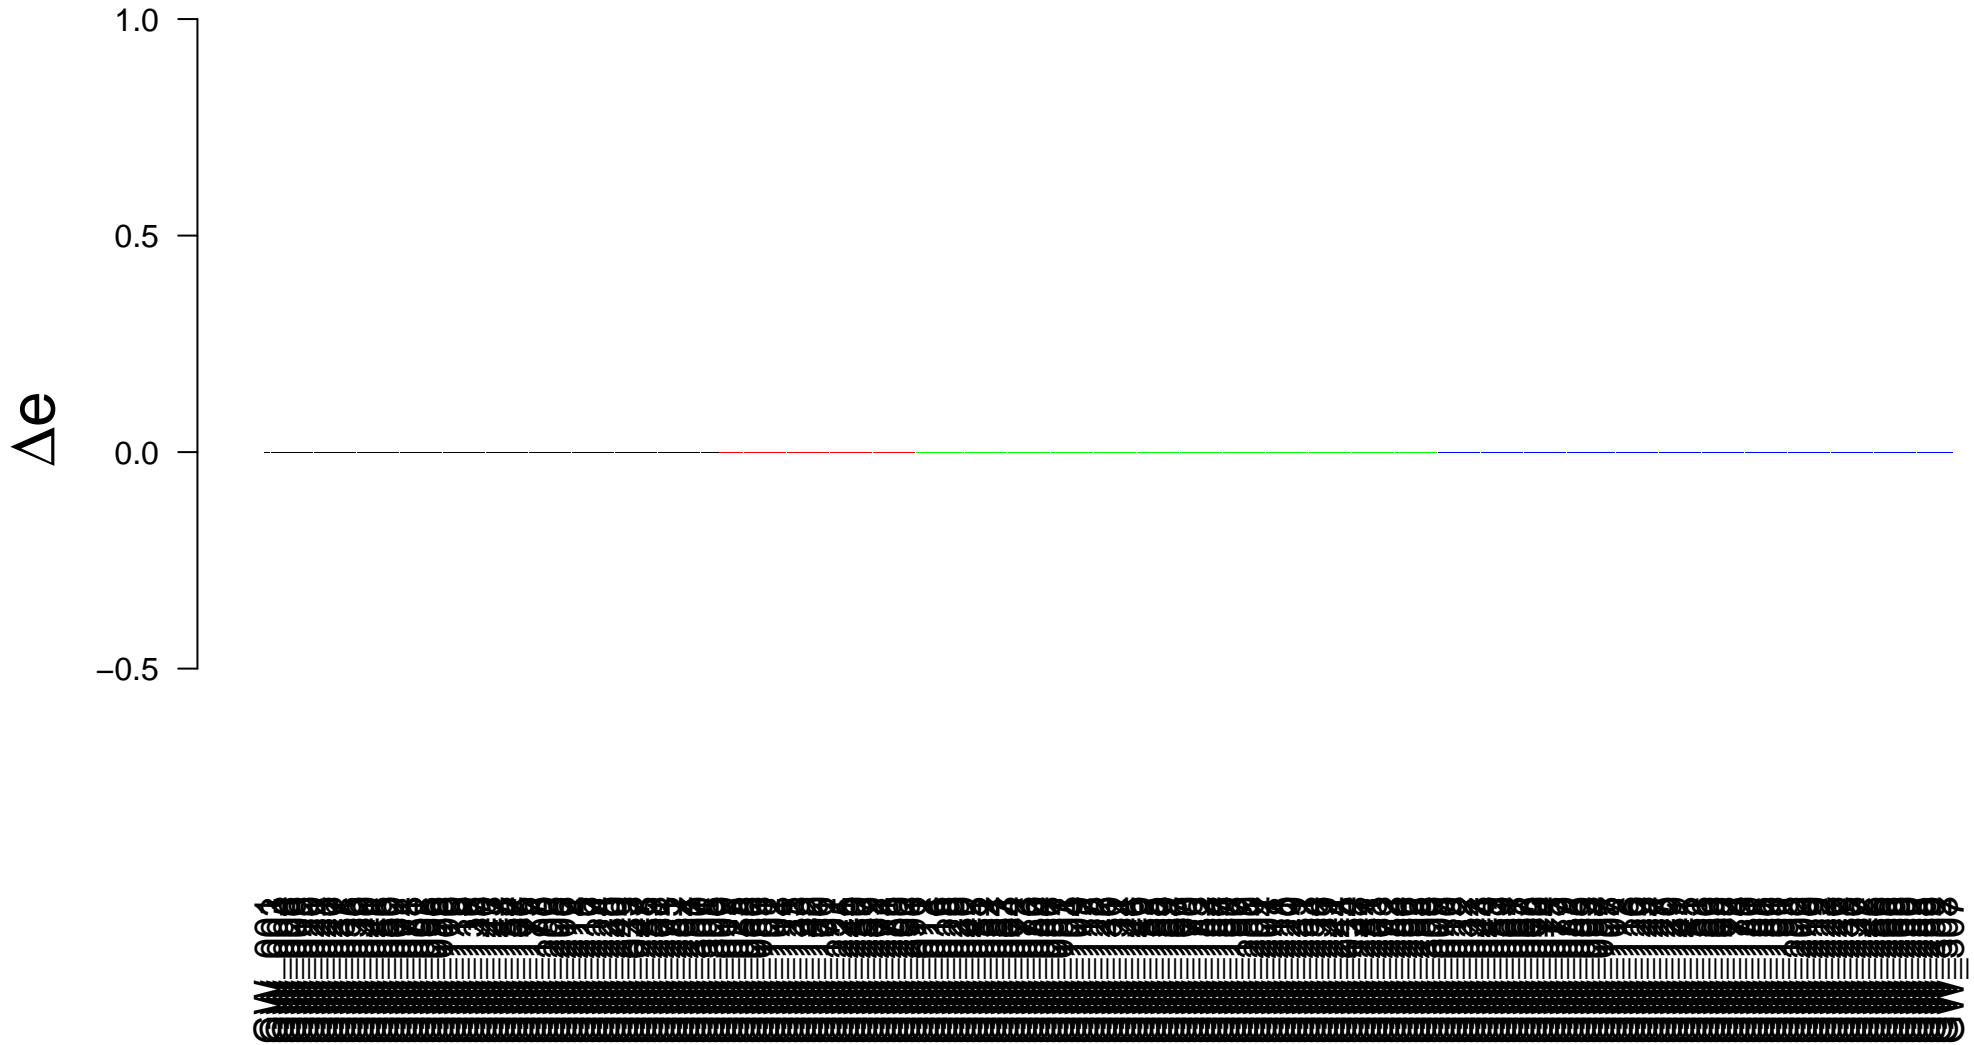

Expression of neural tube formation in Spot H

Expression of neural tube formation in Spot I

Expression of neural tube formation in Spot J

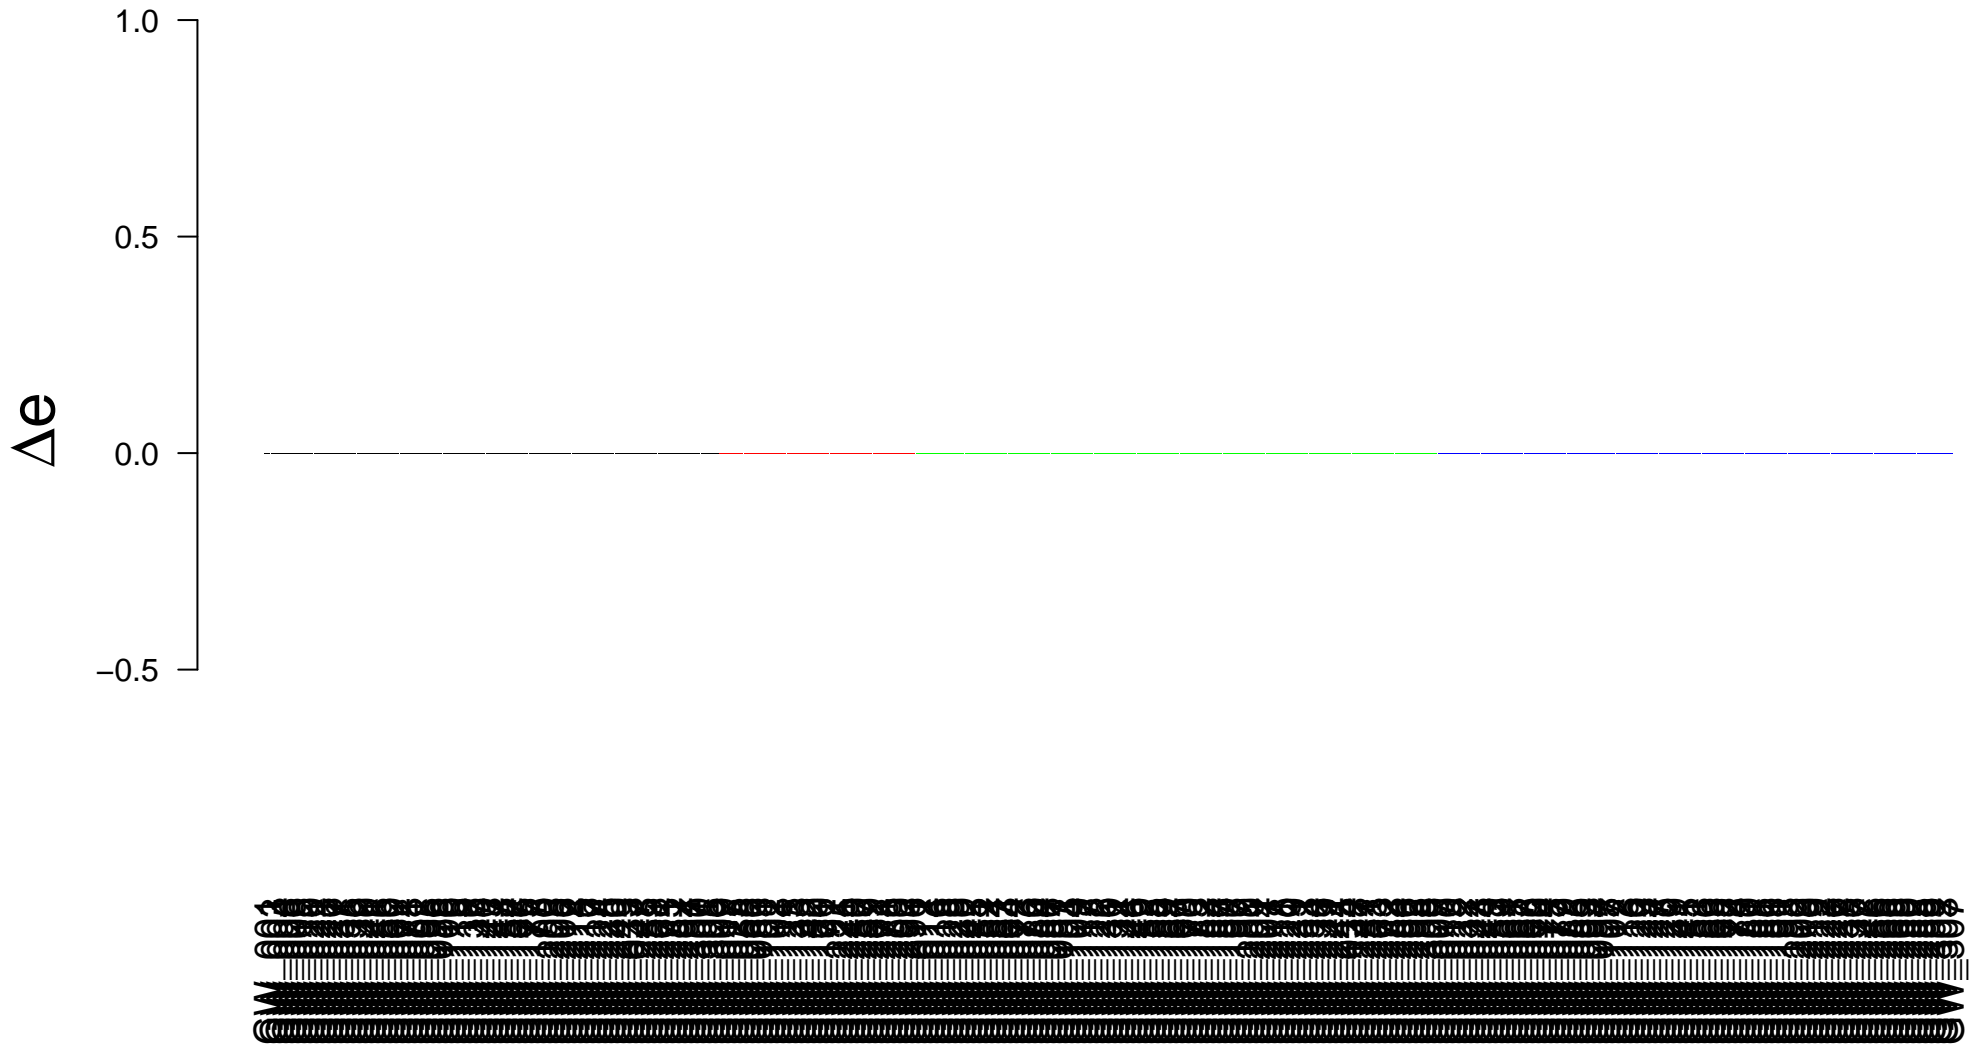

Expression of neural tube formation in Spot K
