

neuromuscular junction development

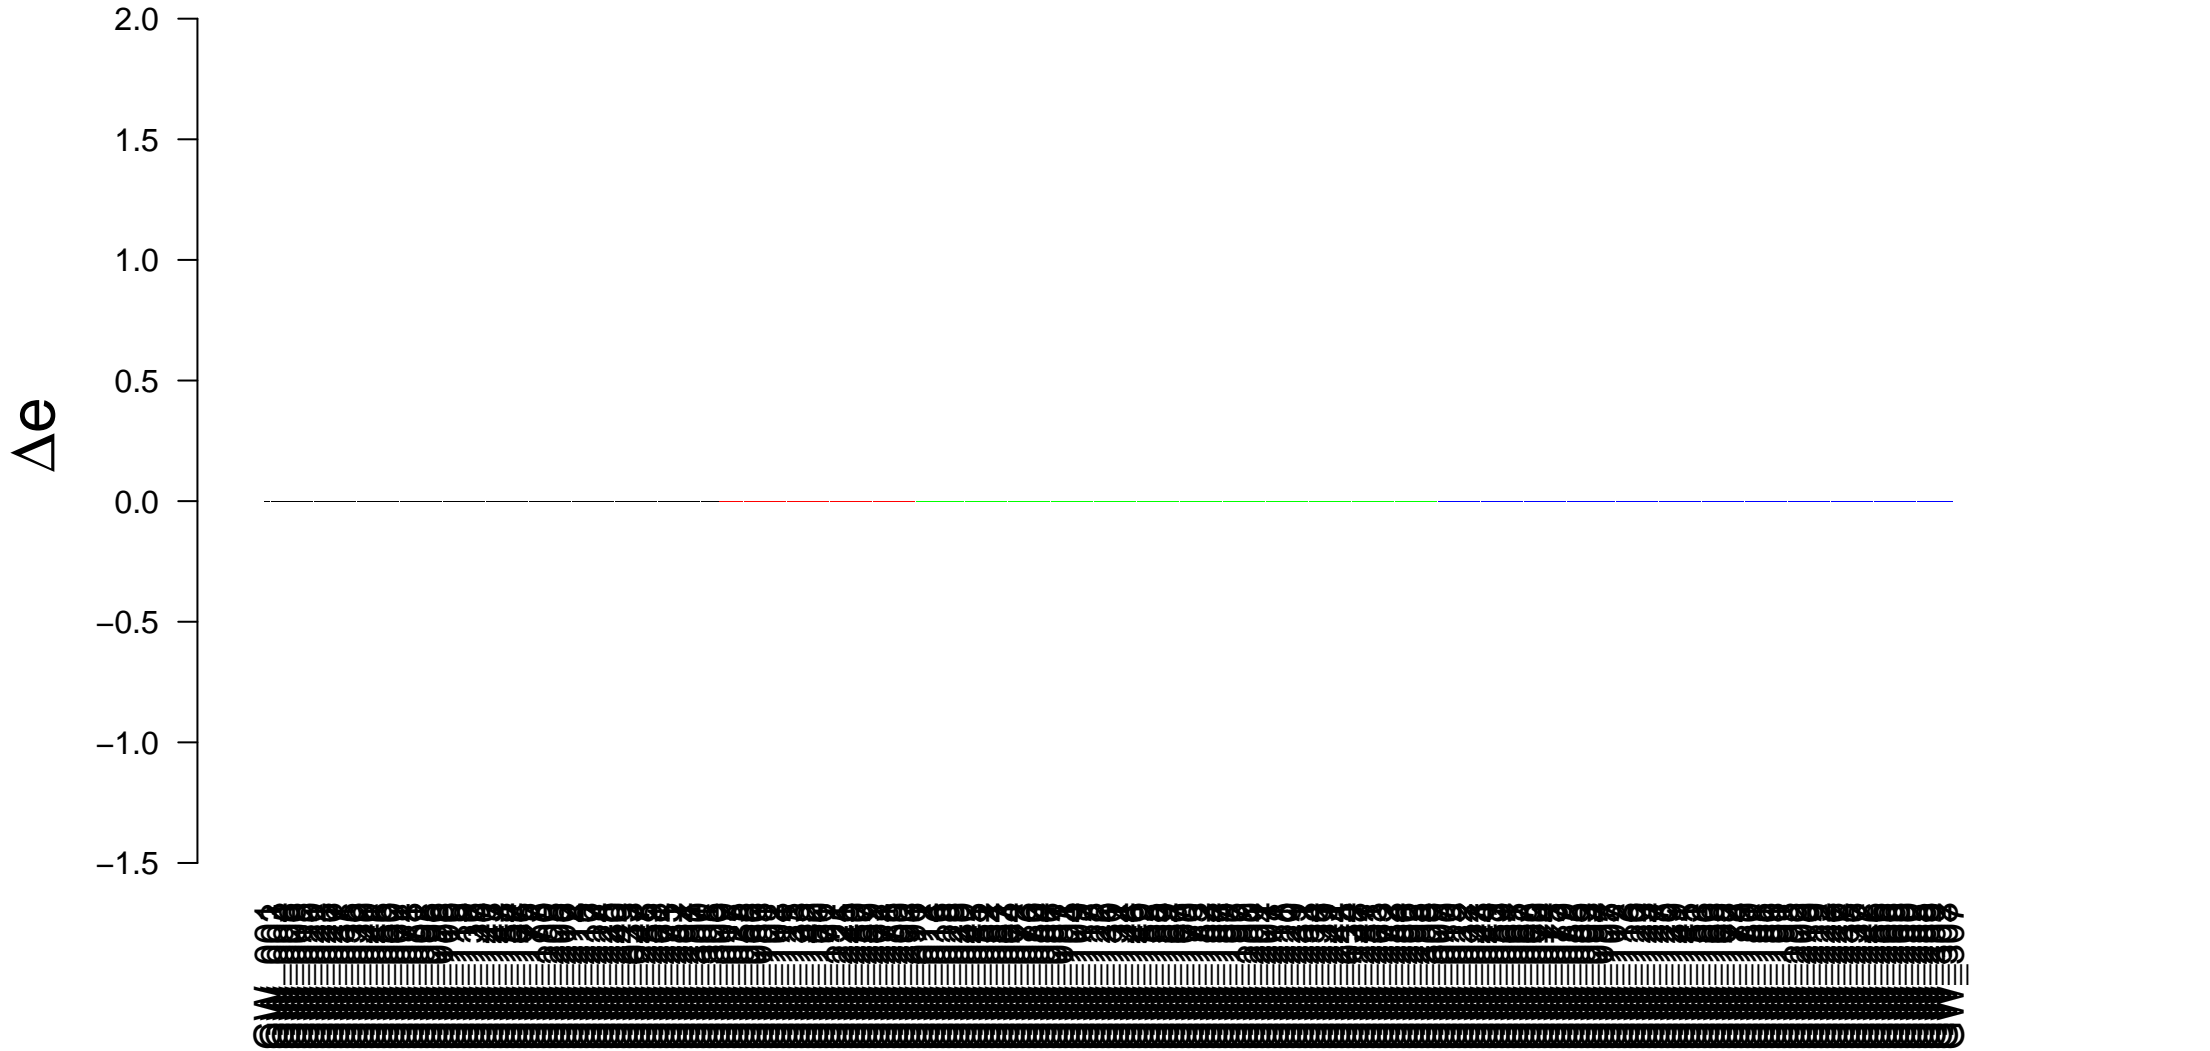

neuromuscular junction development

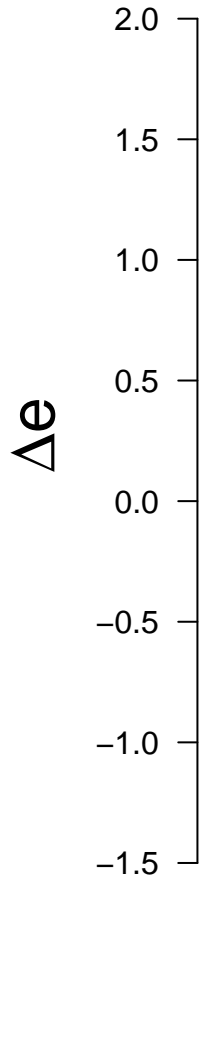

Enrichment in spots: neuromuscular junction development

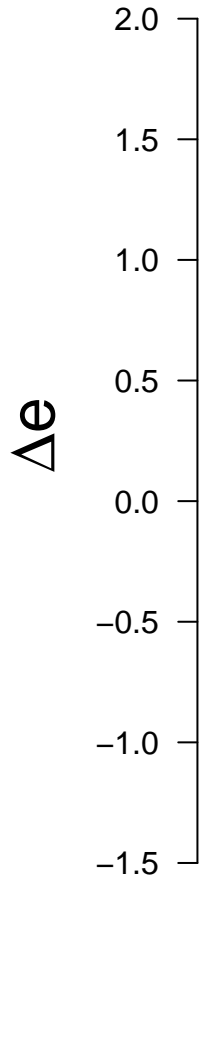

Expression of neuromuscular junction development in Spot A

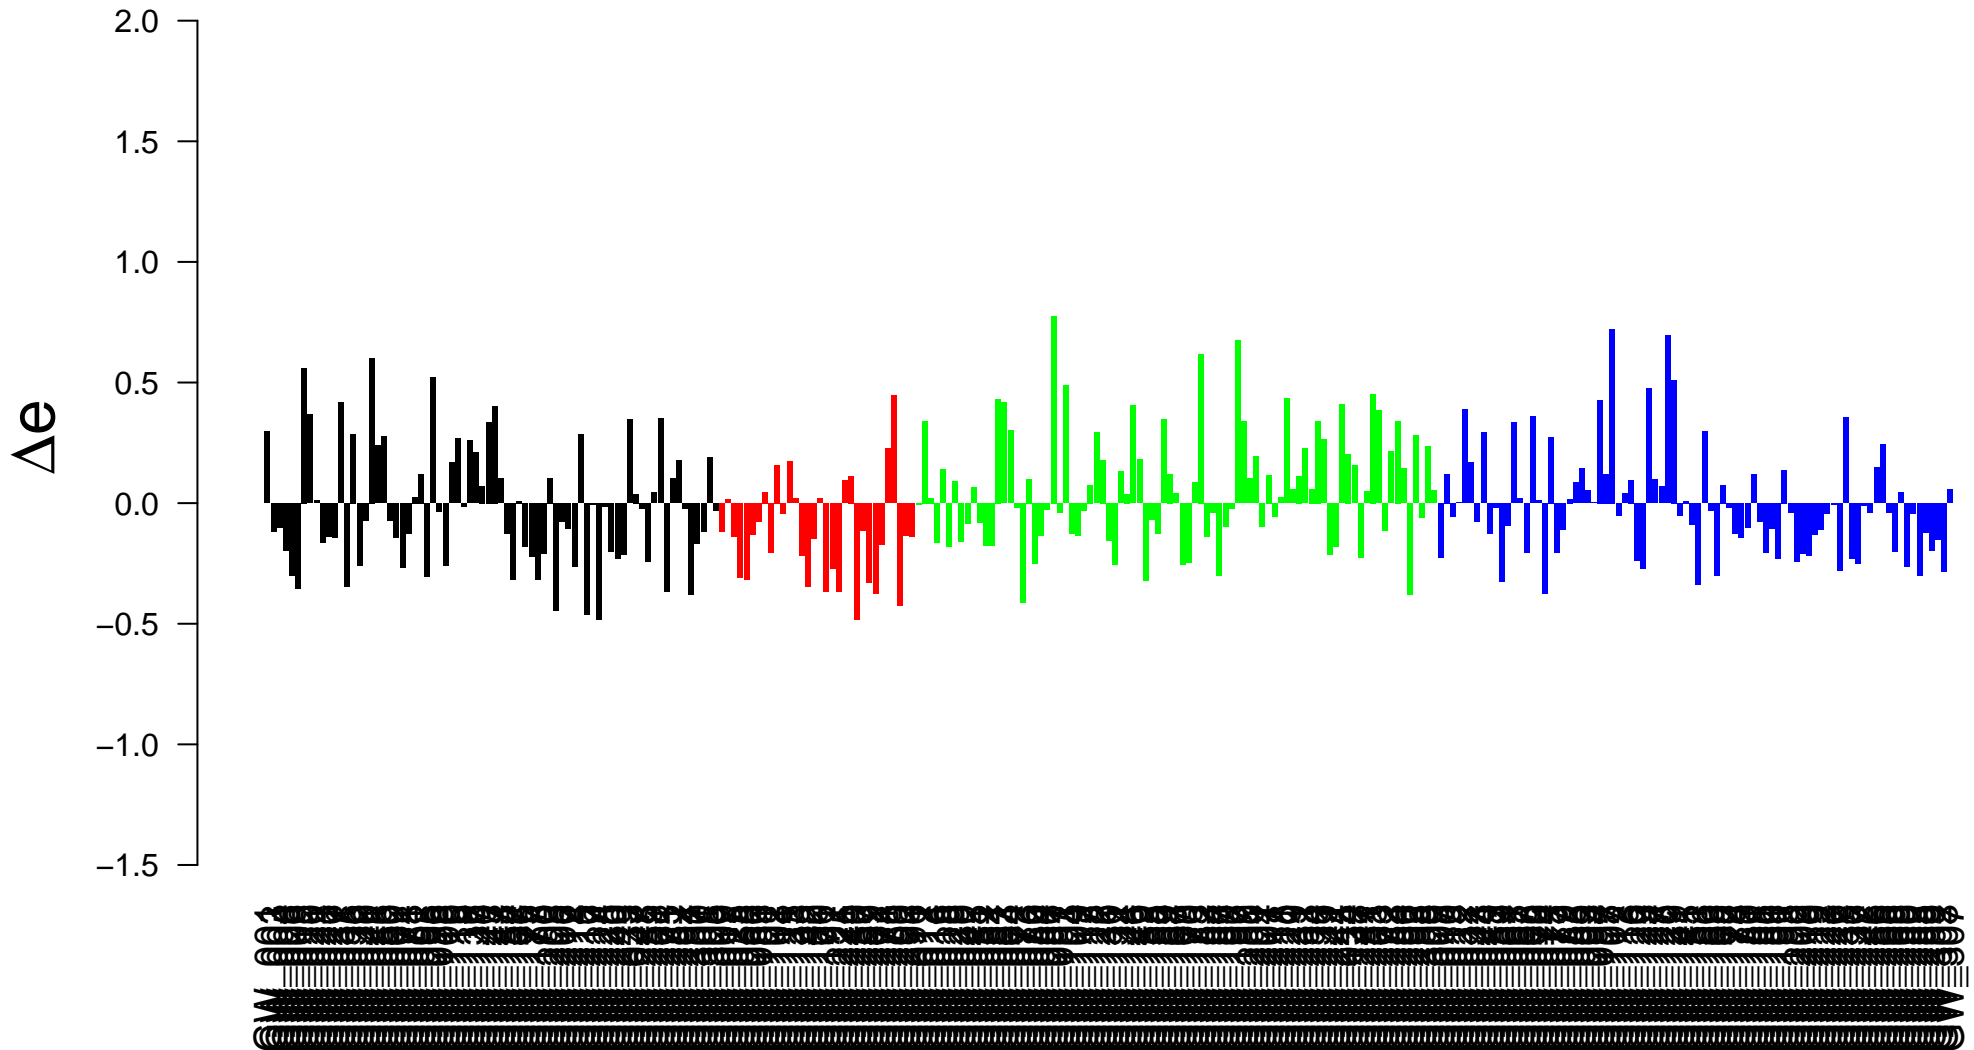

Expression of neuromuscular junction development in Spot B

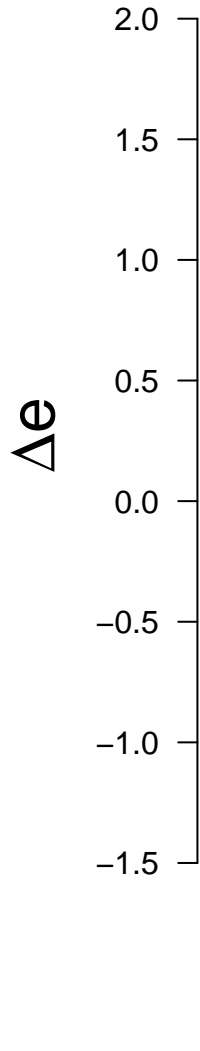

Expression of neuromuscular junction development in Spot C

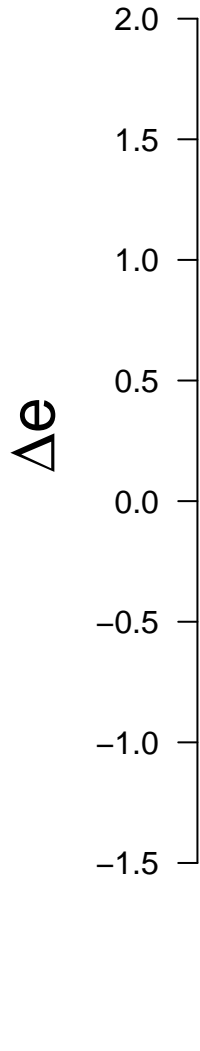

Expression of neuromuscular junction development in Spot D

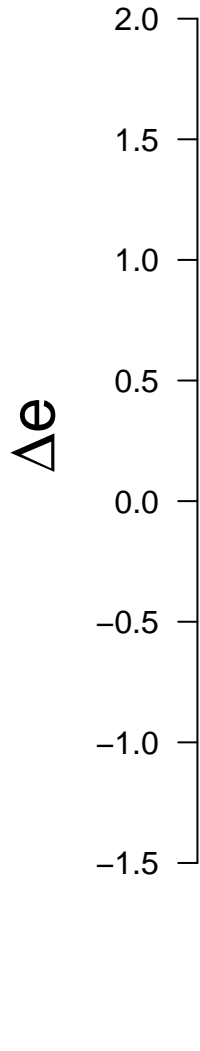

Expression of neuromuscular junction development in Spot E

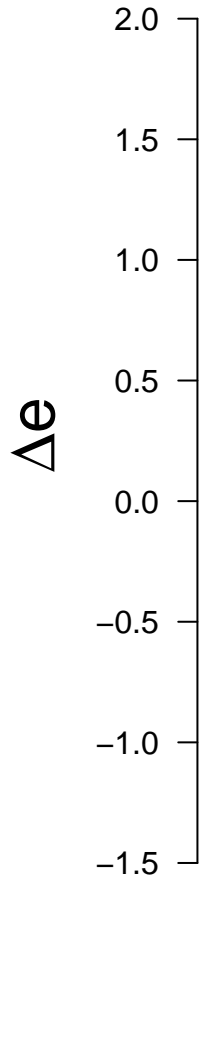

Expression of neuromuscular junction development in Spot F

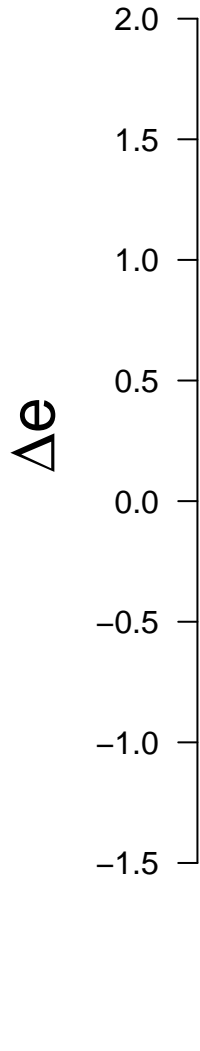

Expression of neuromuscular junction development in Spot G

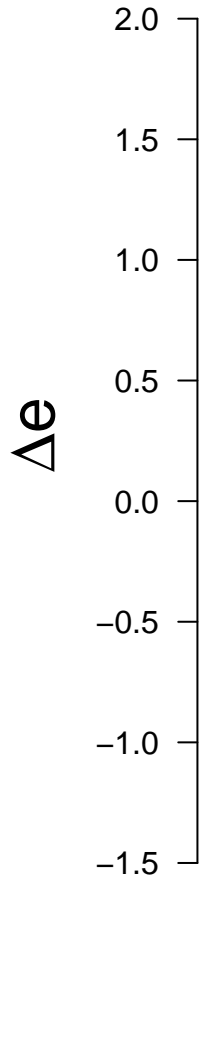

Expression of neuromuscular junction development in Spot H

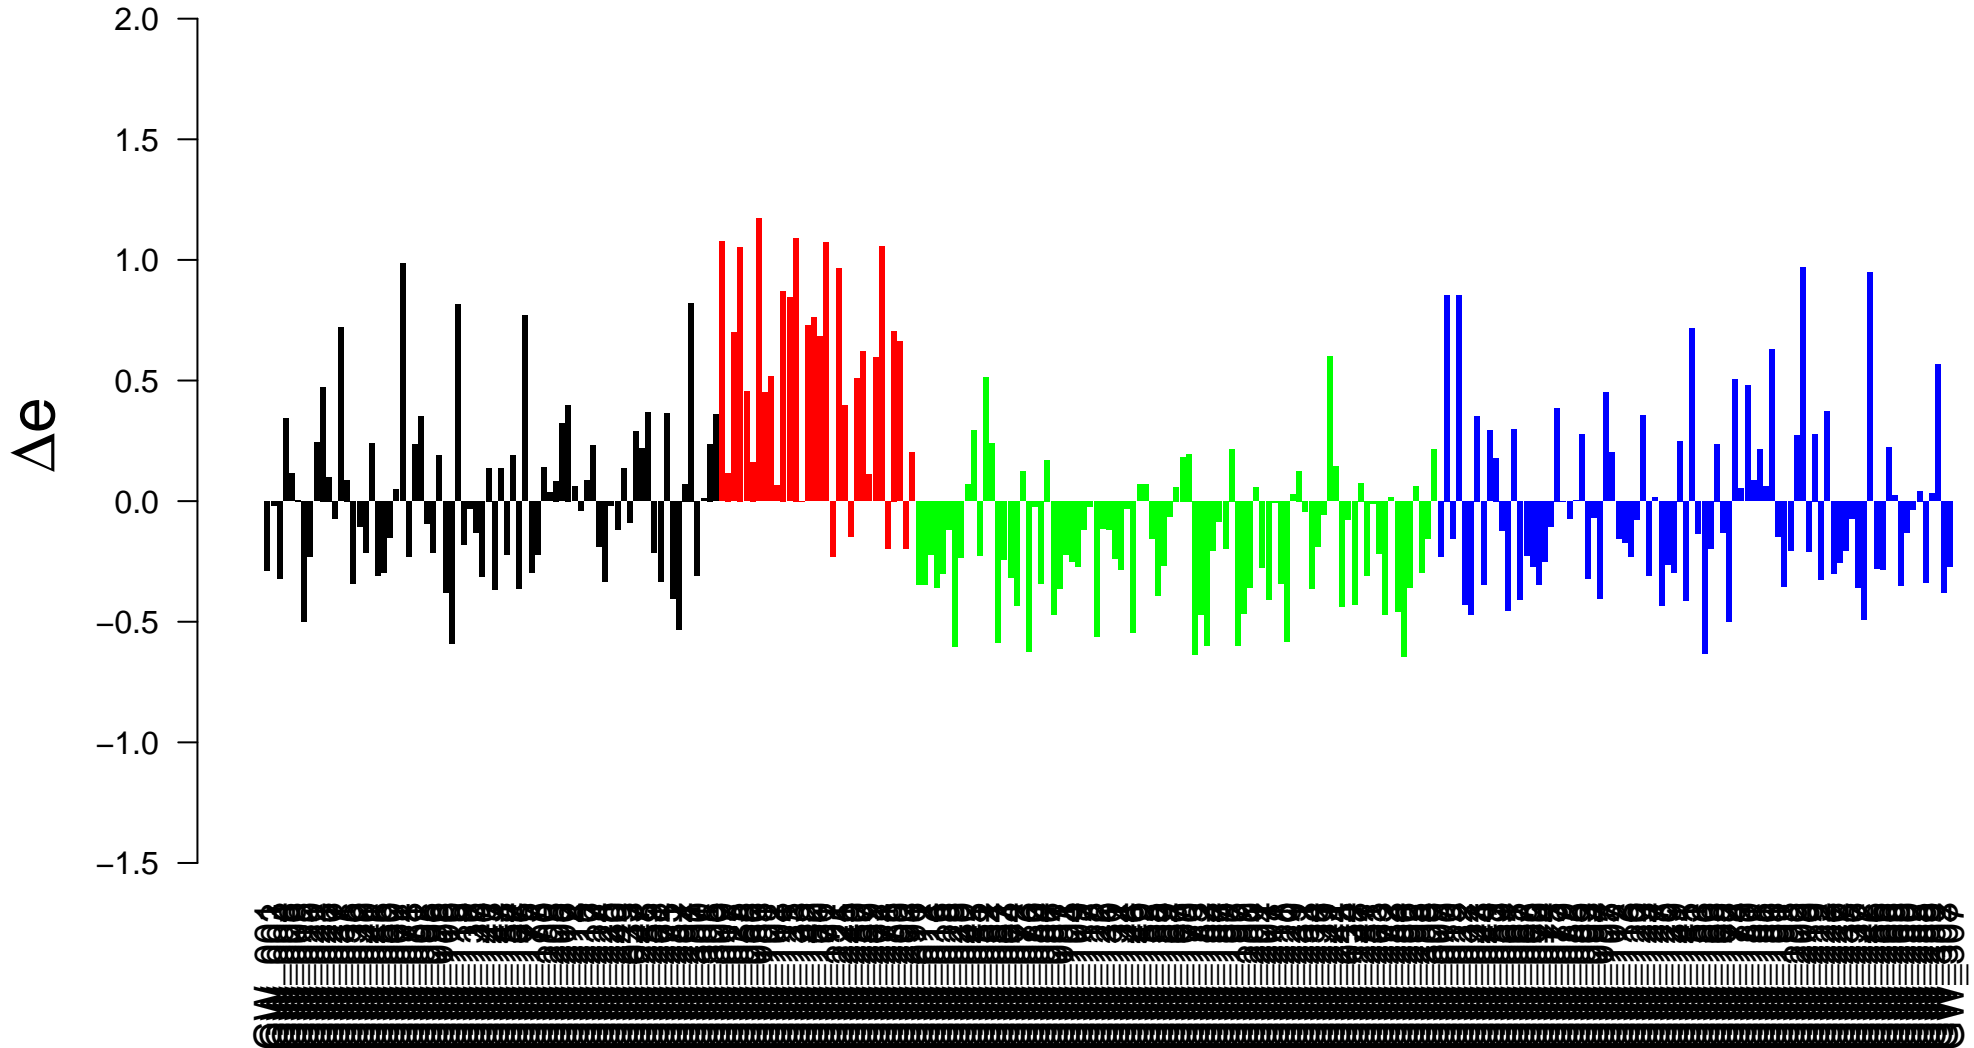

Expression of neuromuscular junction development in Spot I

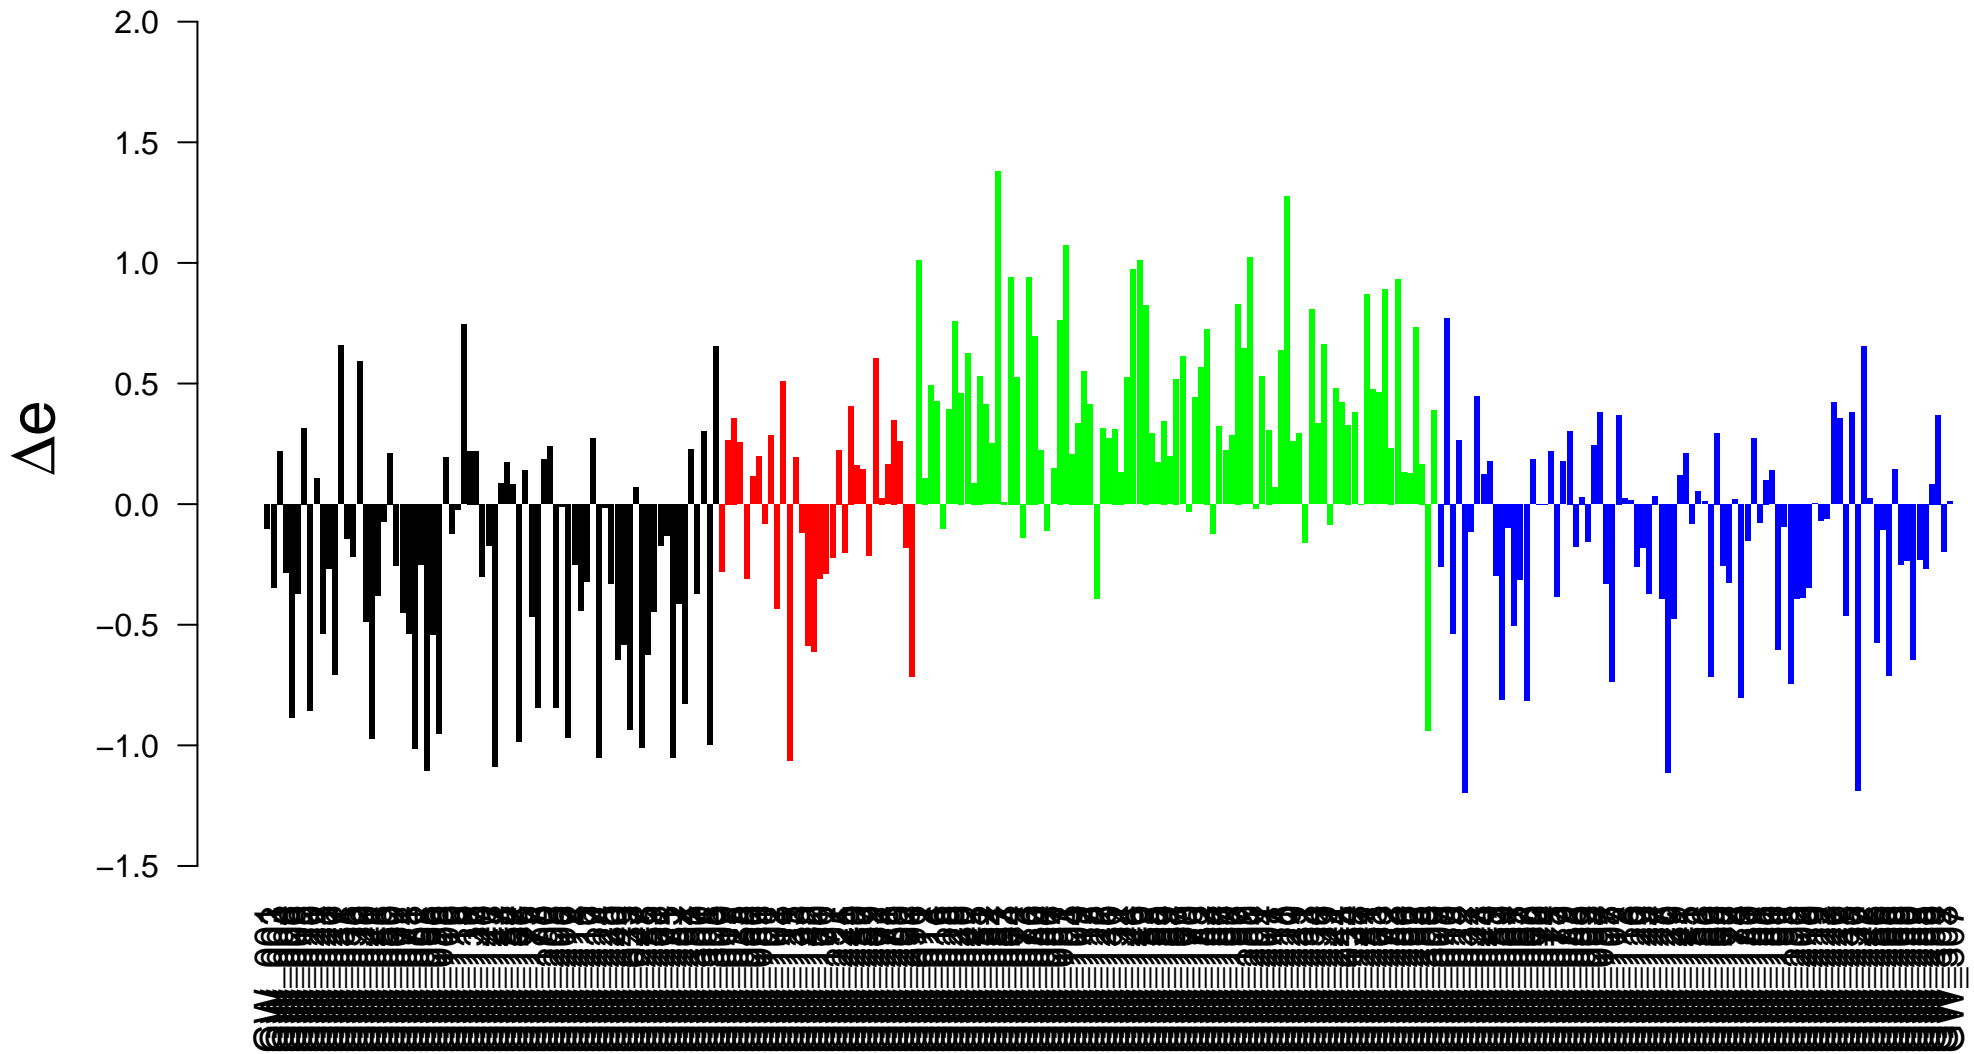

Expression of neuromuscular junction development in Spot J

Expression of neuromuscular junction development in Spot K

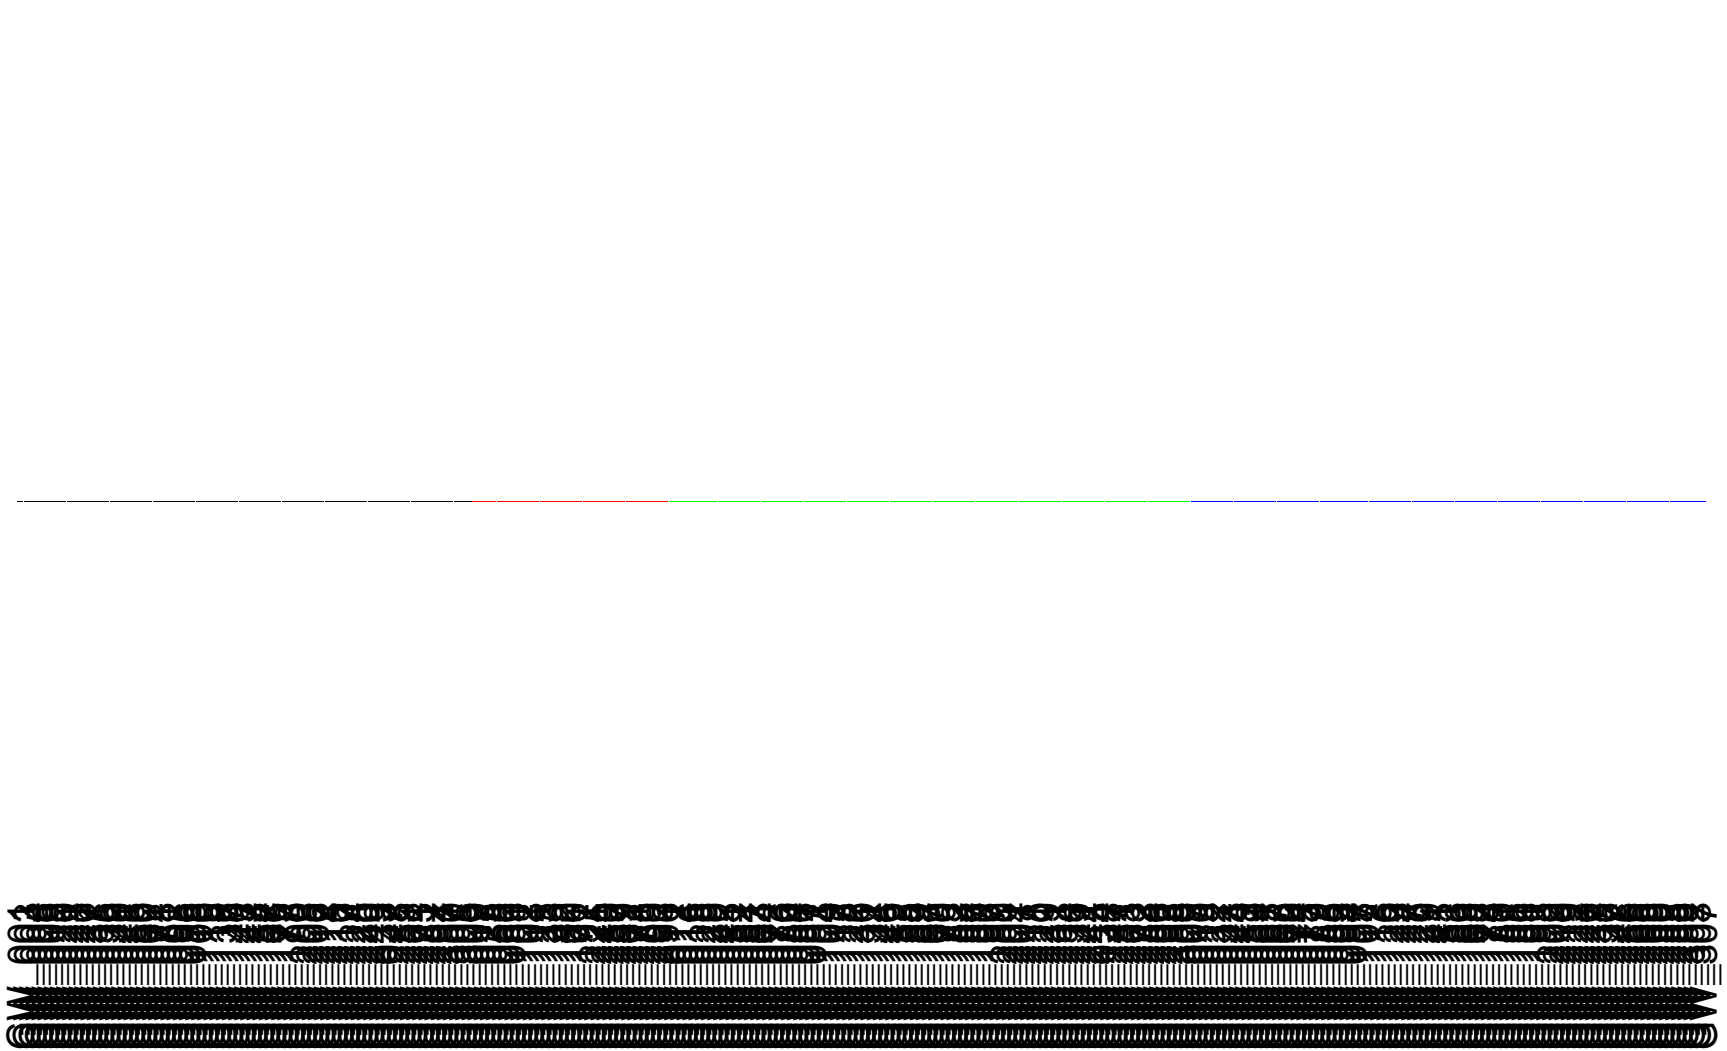

Expression of neuromuscular junction development in Spot L

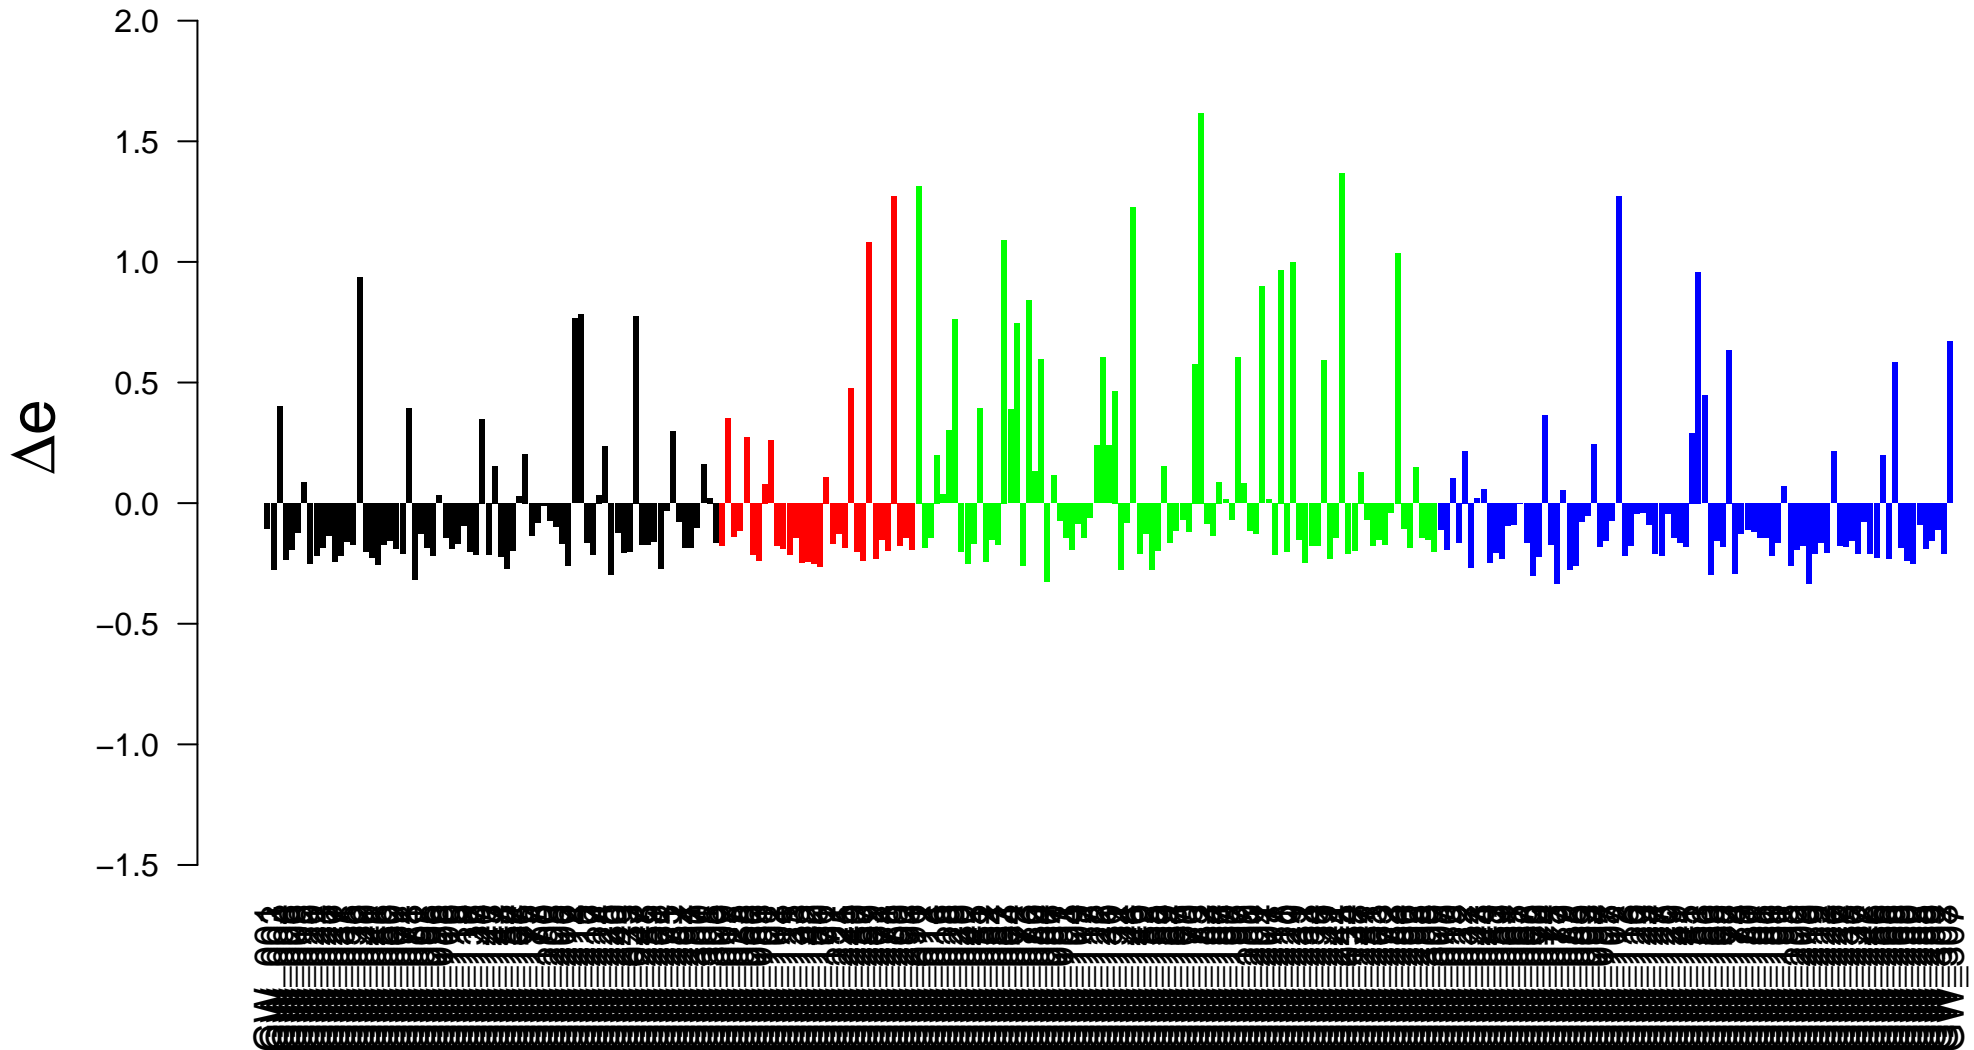

Expression of neuromuscular junction development in Spot M
