Enrichment in spots: neuromuscular synaptic transmission

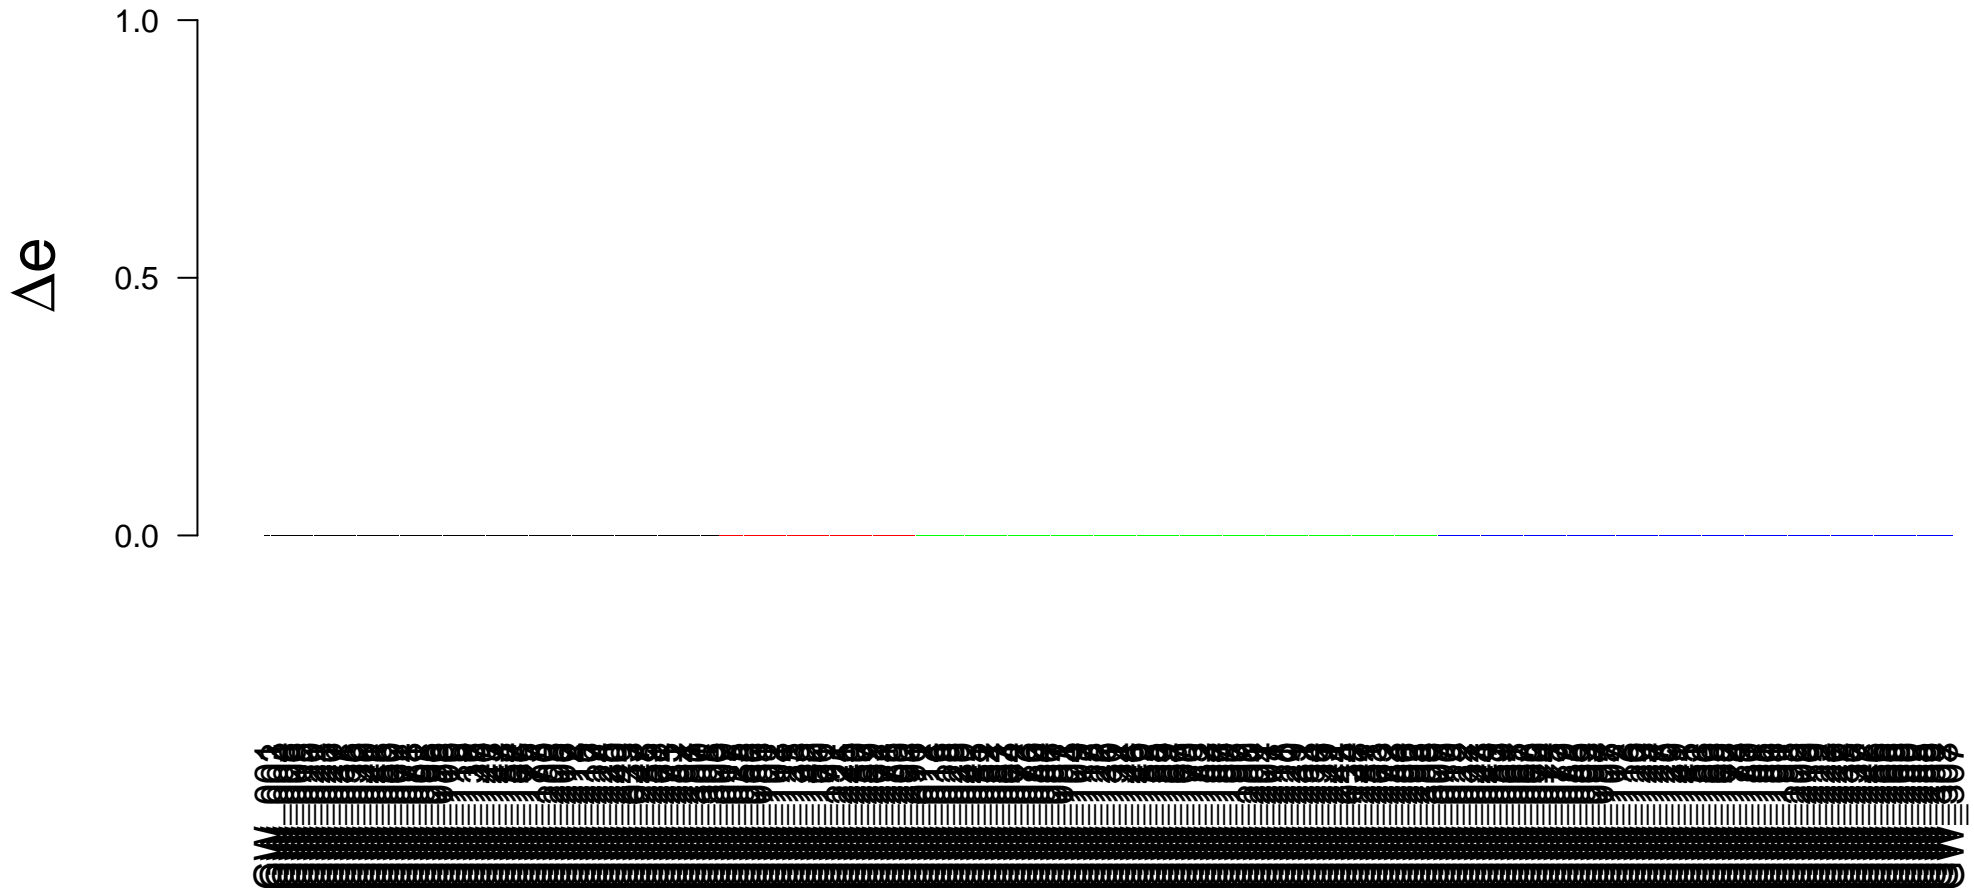

# Expression of neuromuscular synaptic transmission in Spot A

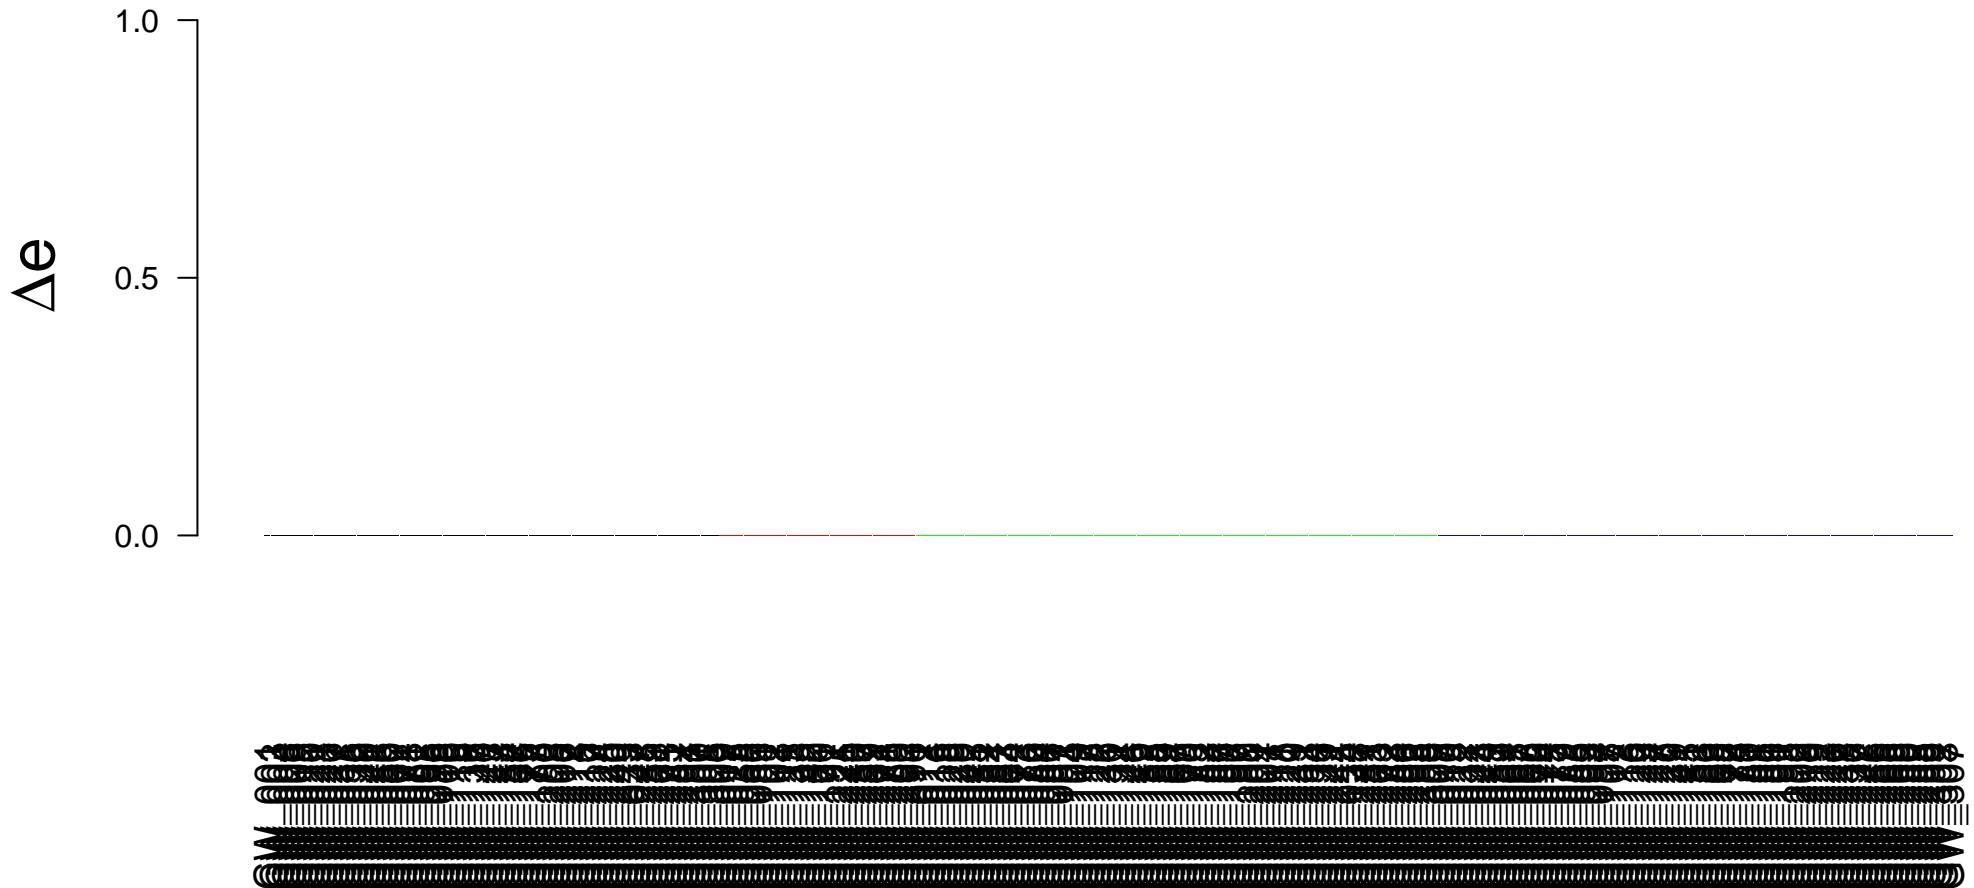

# Expression of neuromuscular synaptic transmission in Spot B

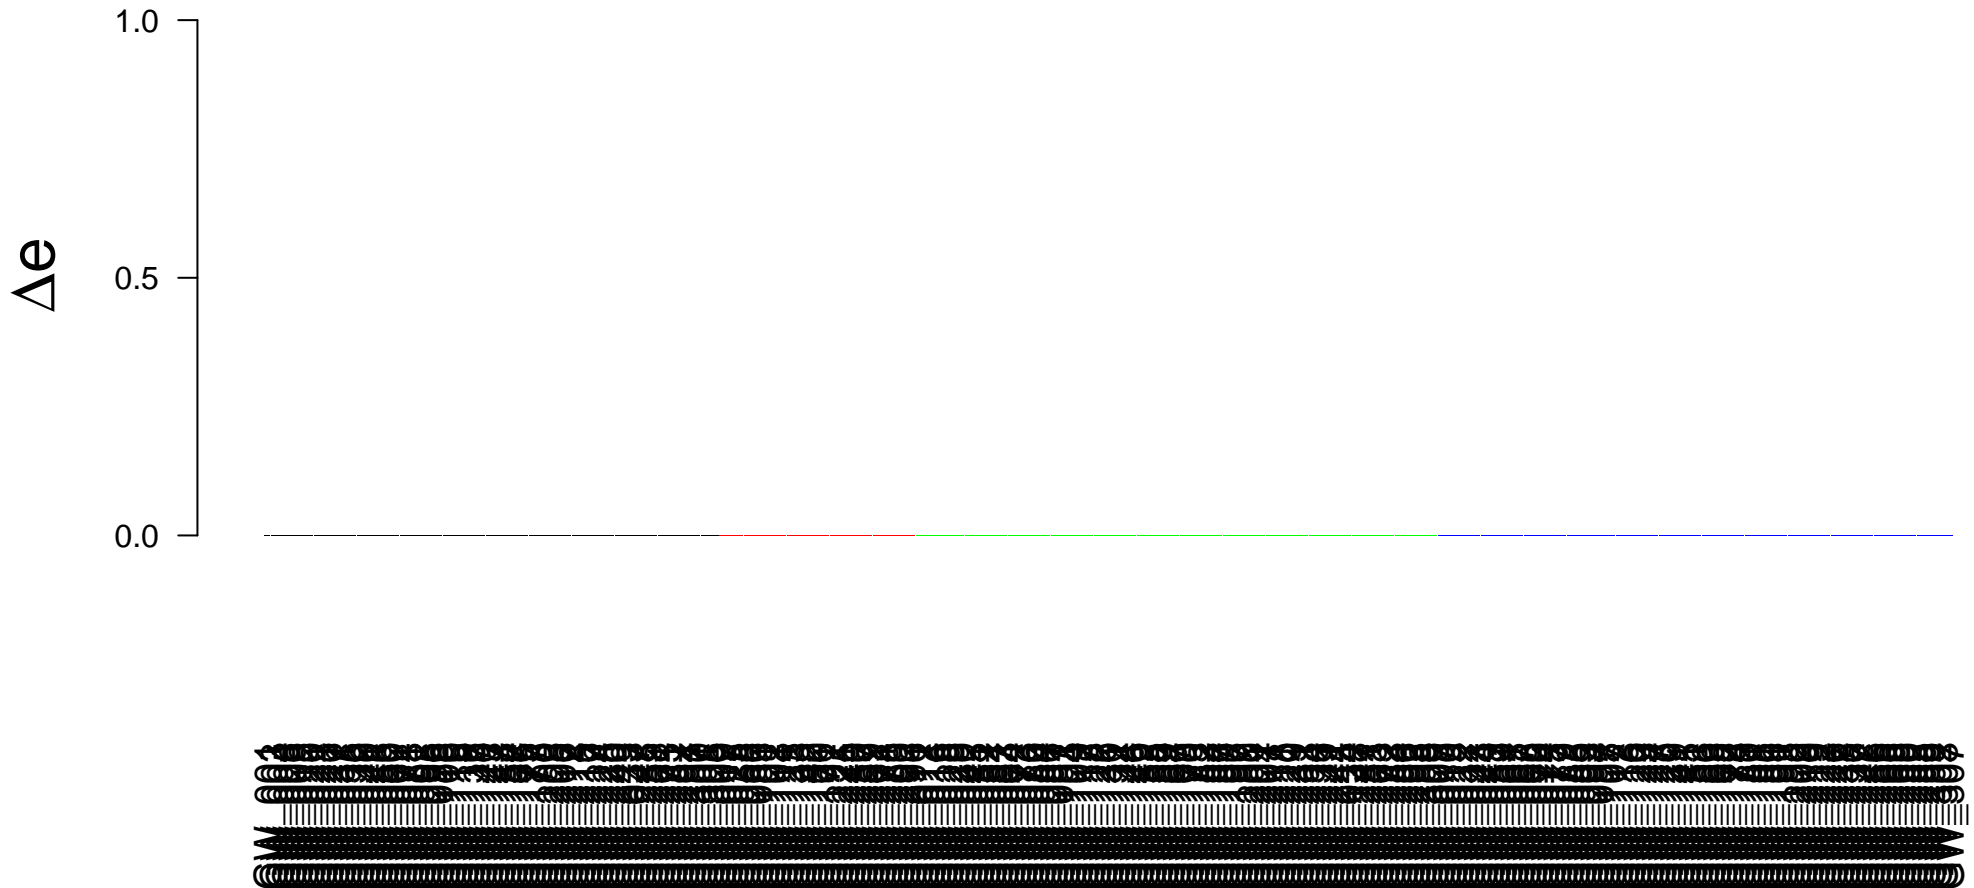

# Expression of neuromuscular synaptic transmission in Spot C

# Expression of neuromuscular synaptic transmission in Spot D

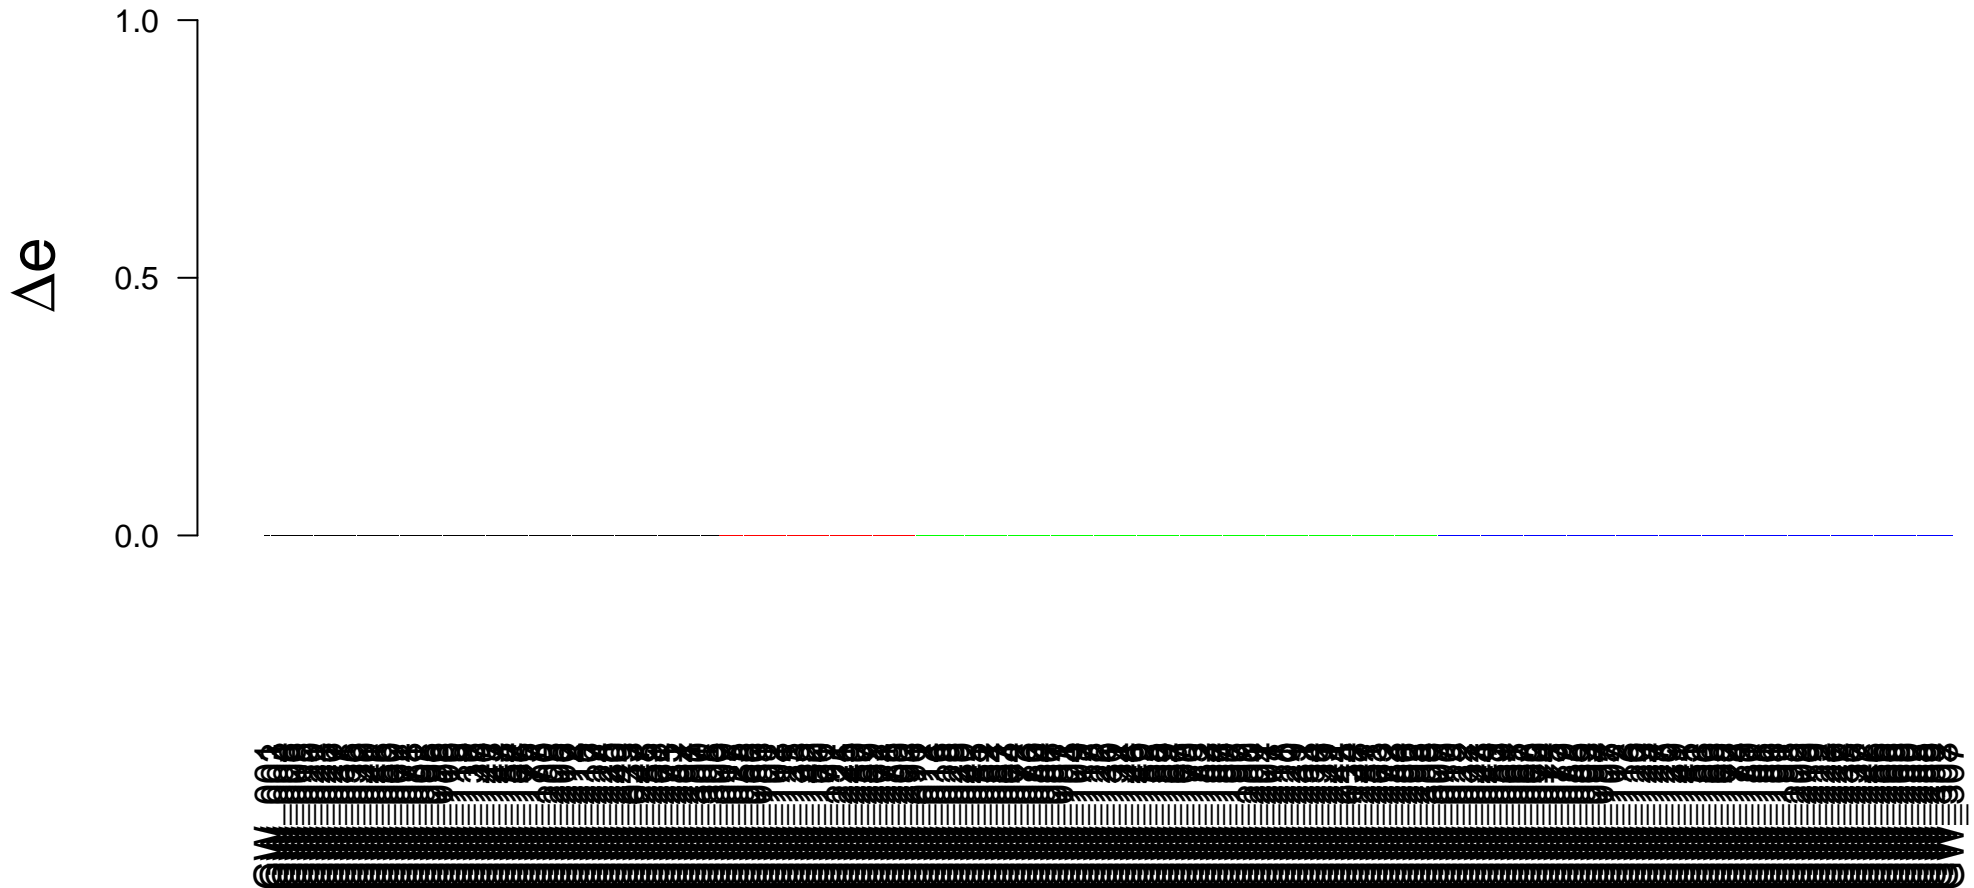

# Expression of neuromuscular synaptic transmission in Spot E

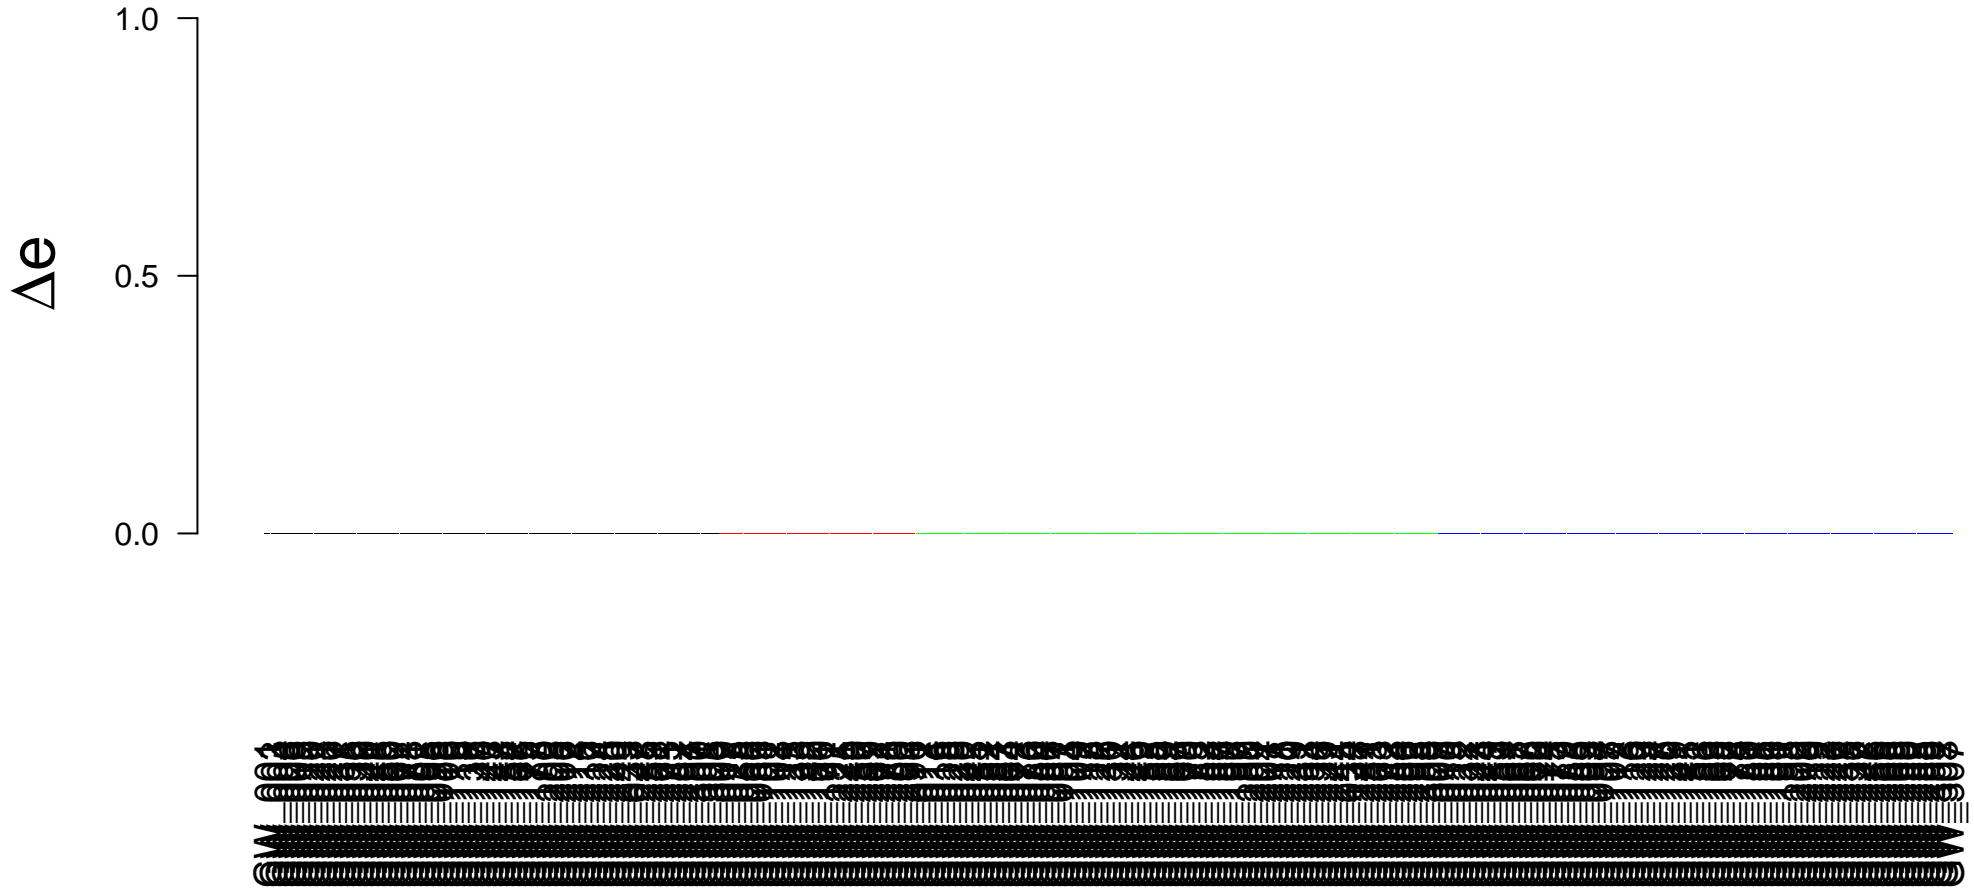

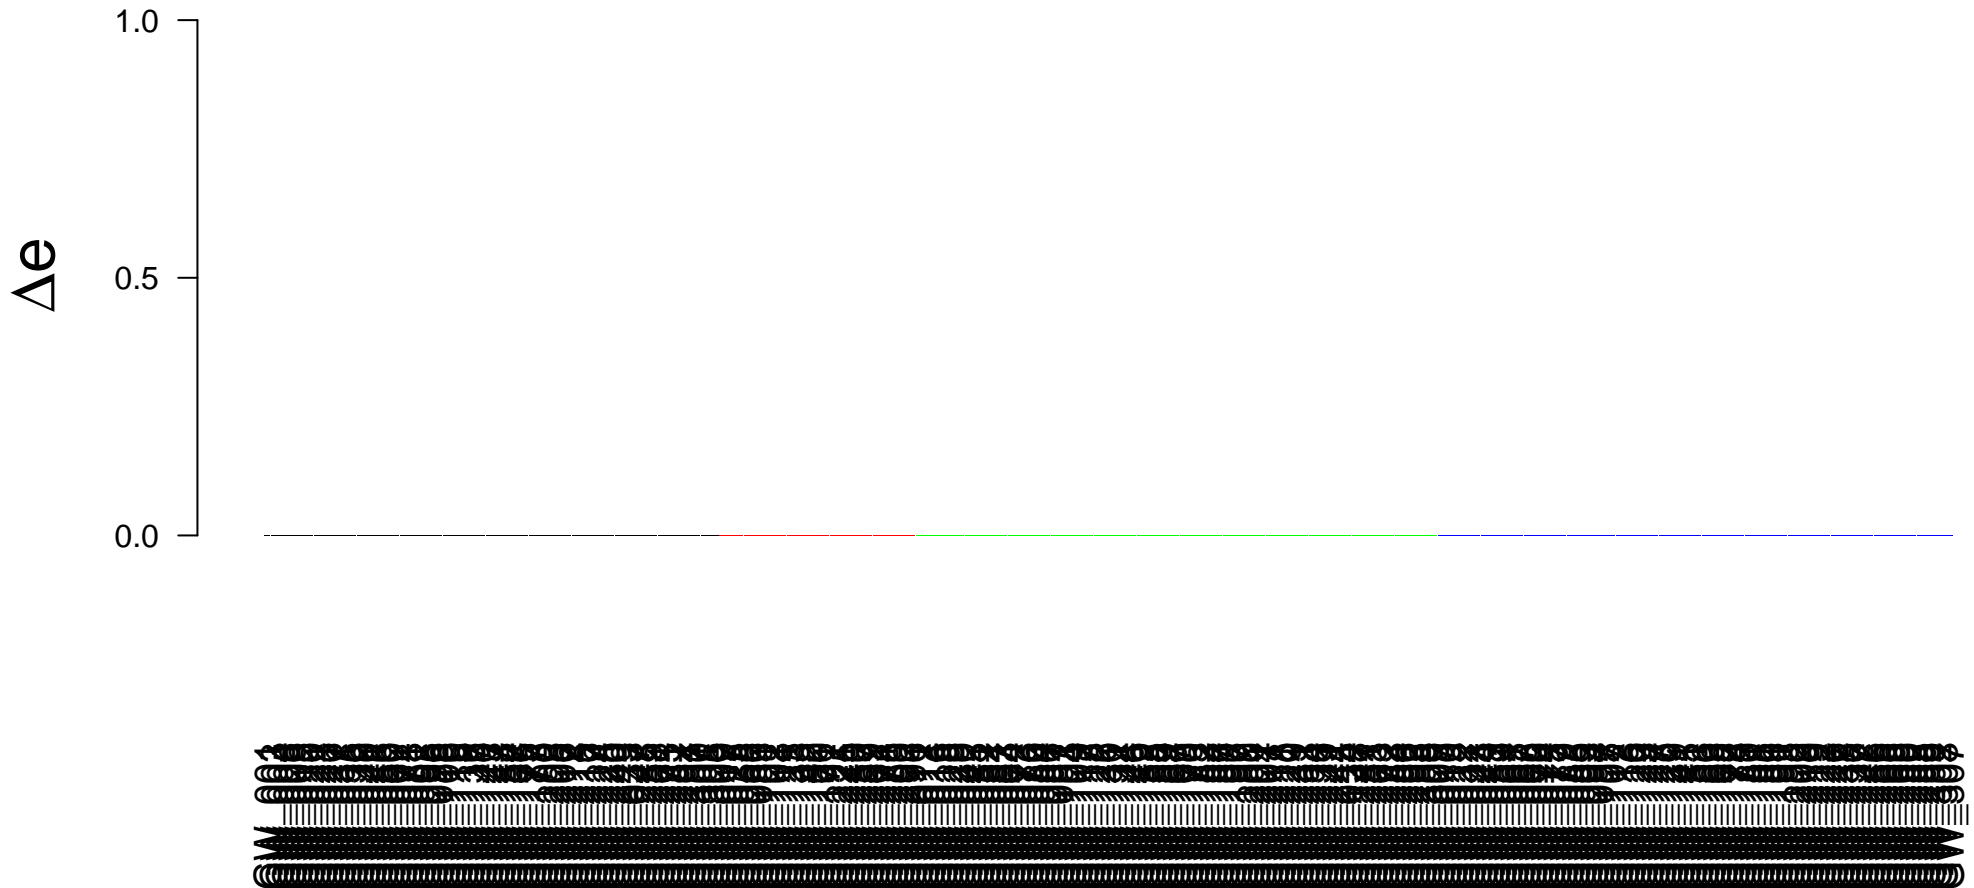

# Expression of neuromuscular synaptic transmission in Spot F

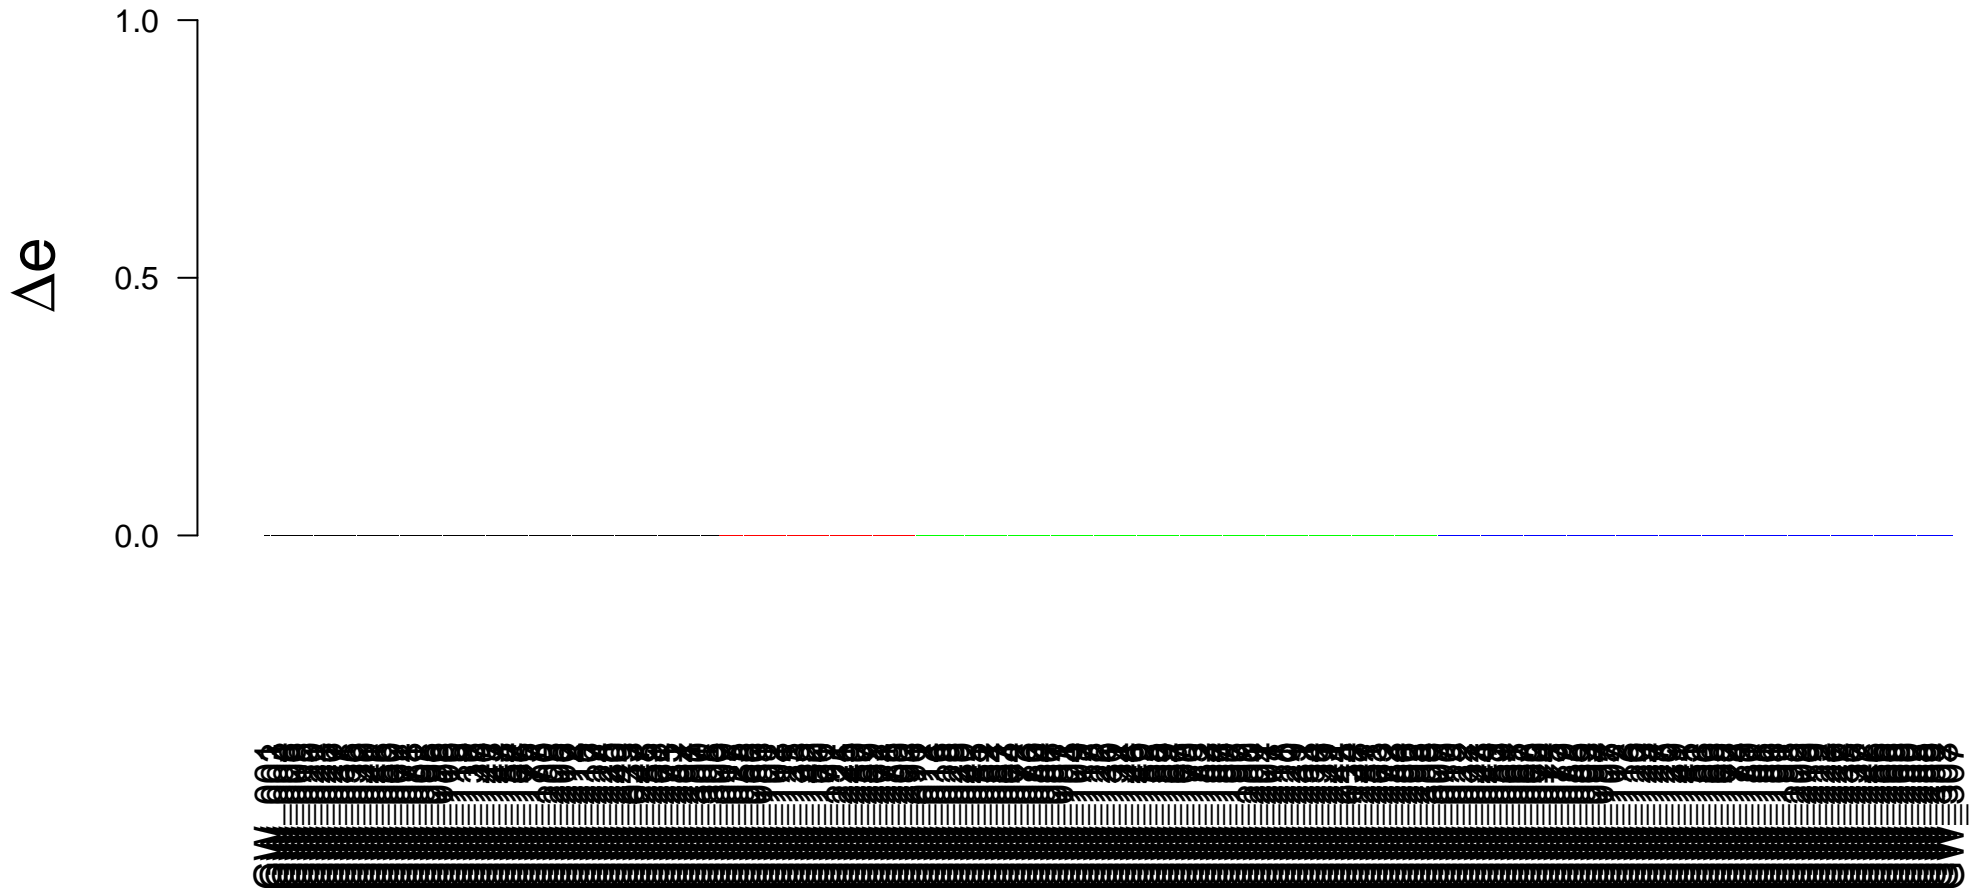

# Expression of neuromuscular synaptic transmission in Spot G

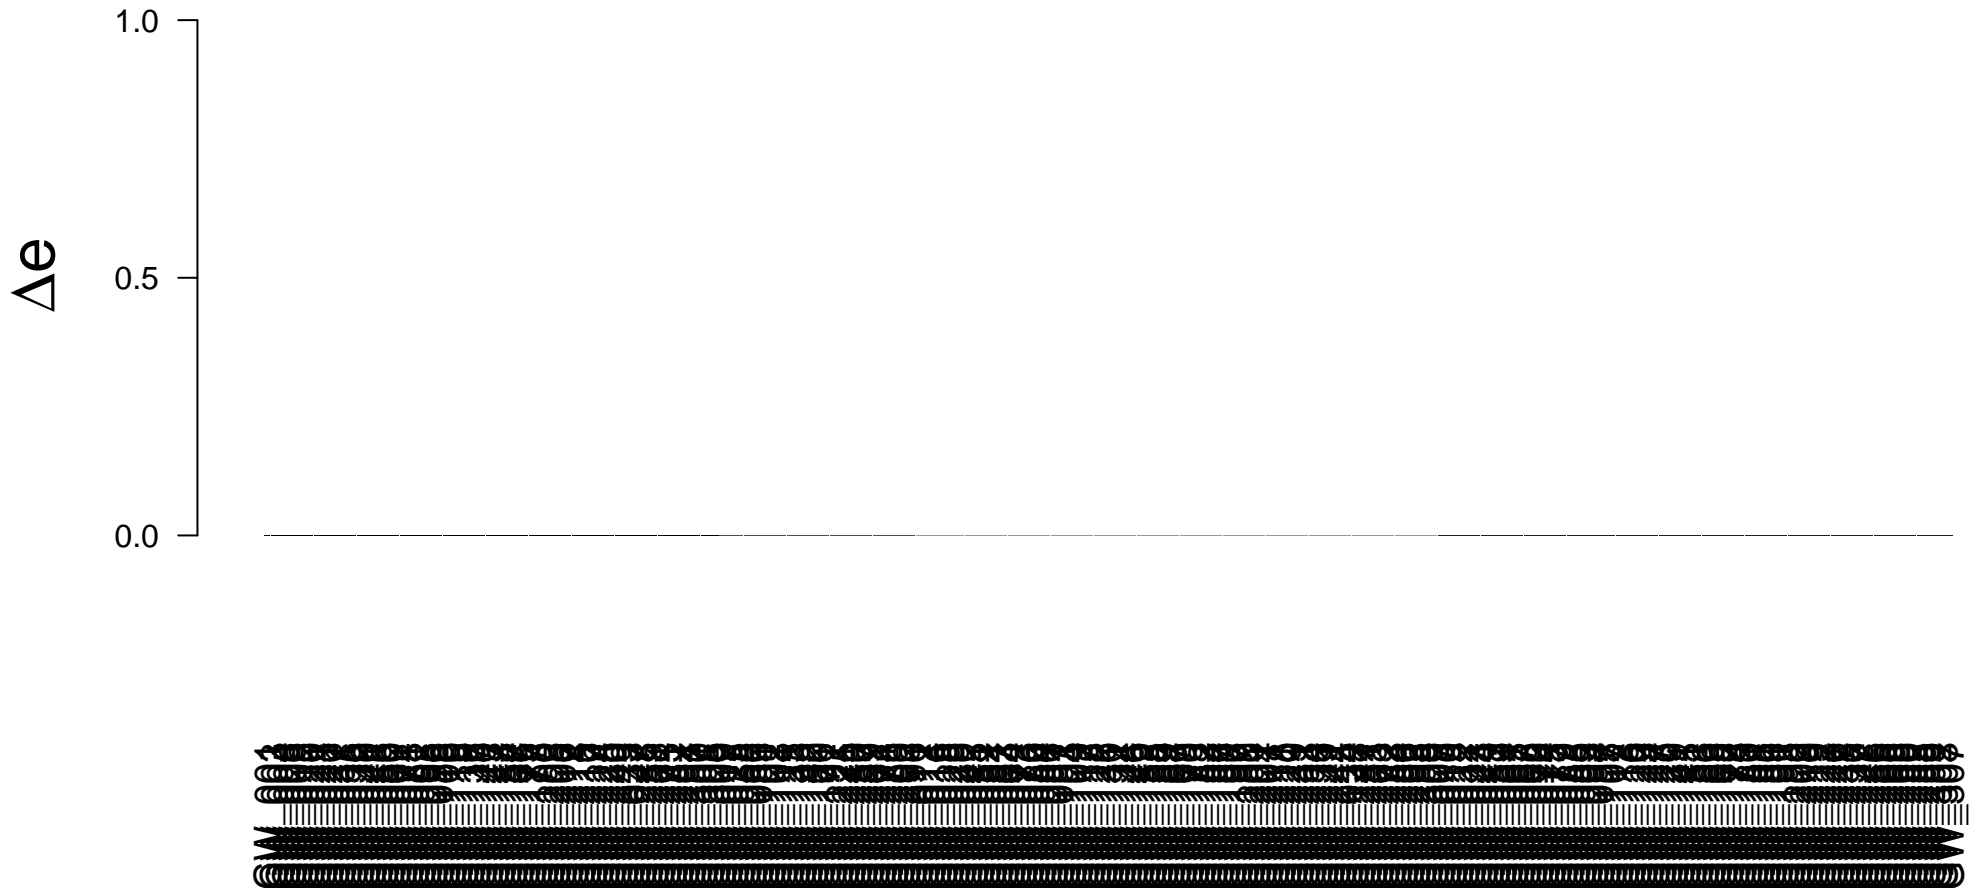

# Expression of neuromuscular synaptic transmission in Spot H

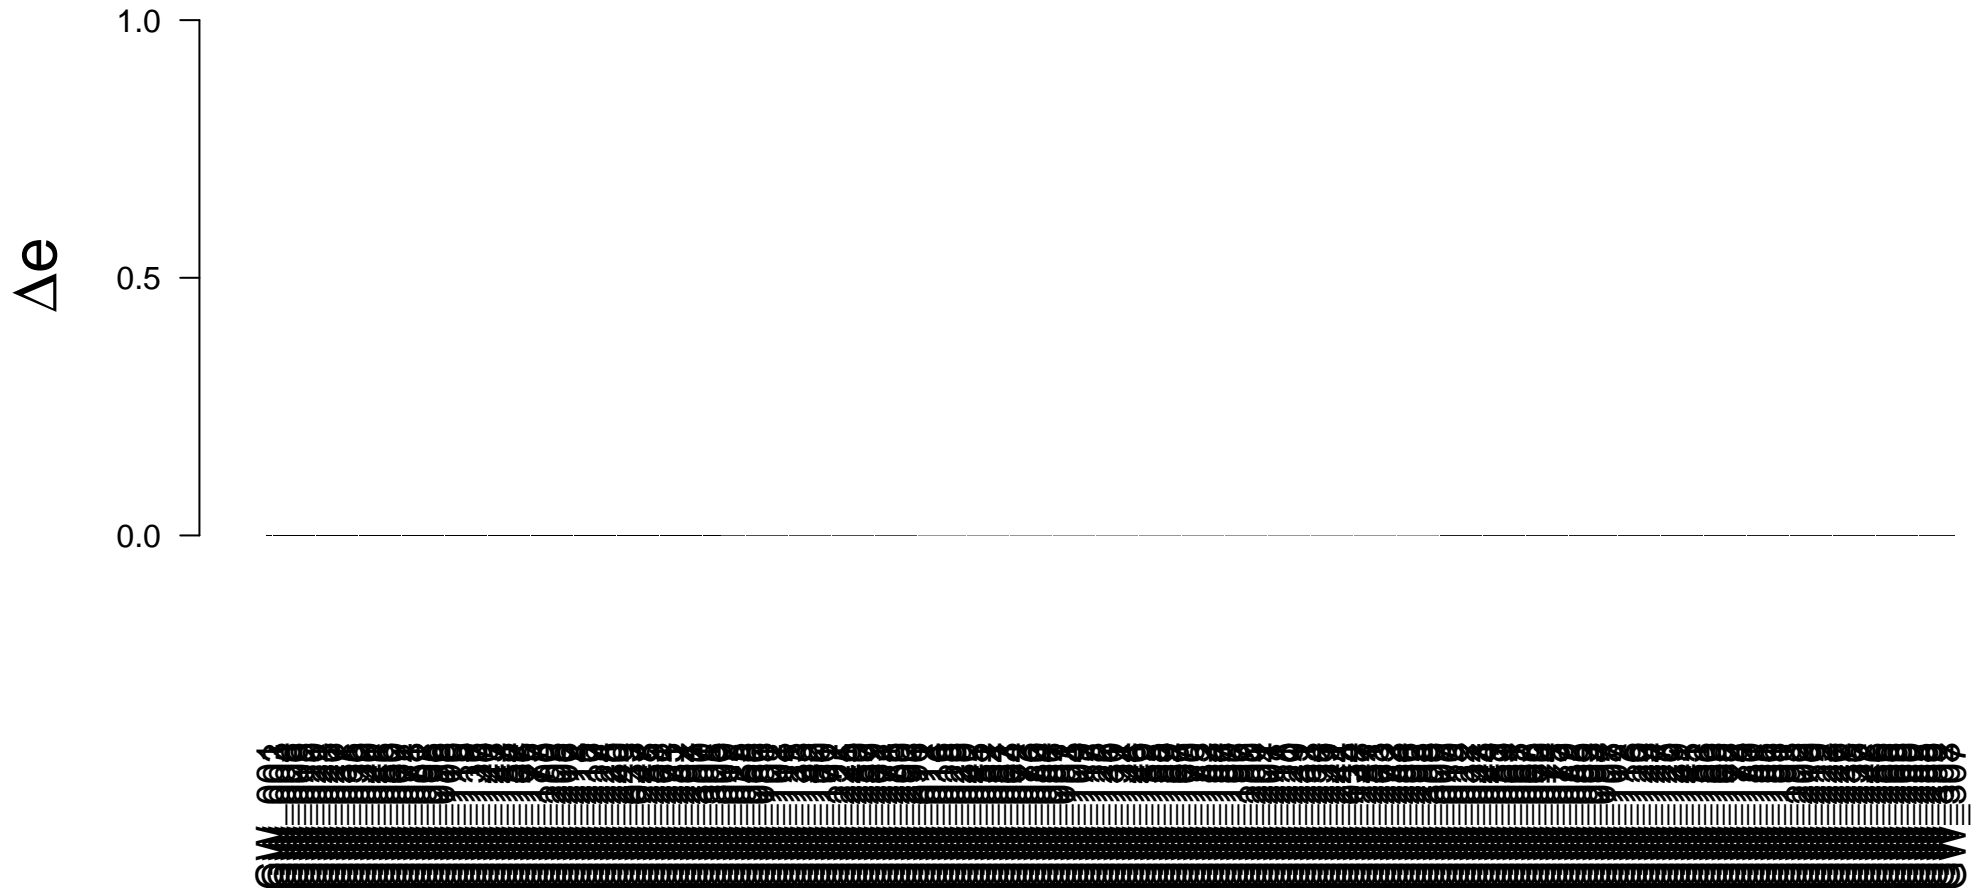

# Expression of neuromuscular synaptic transmission in Spot I

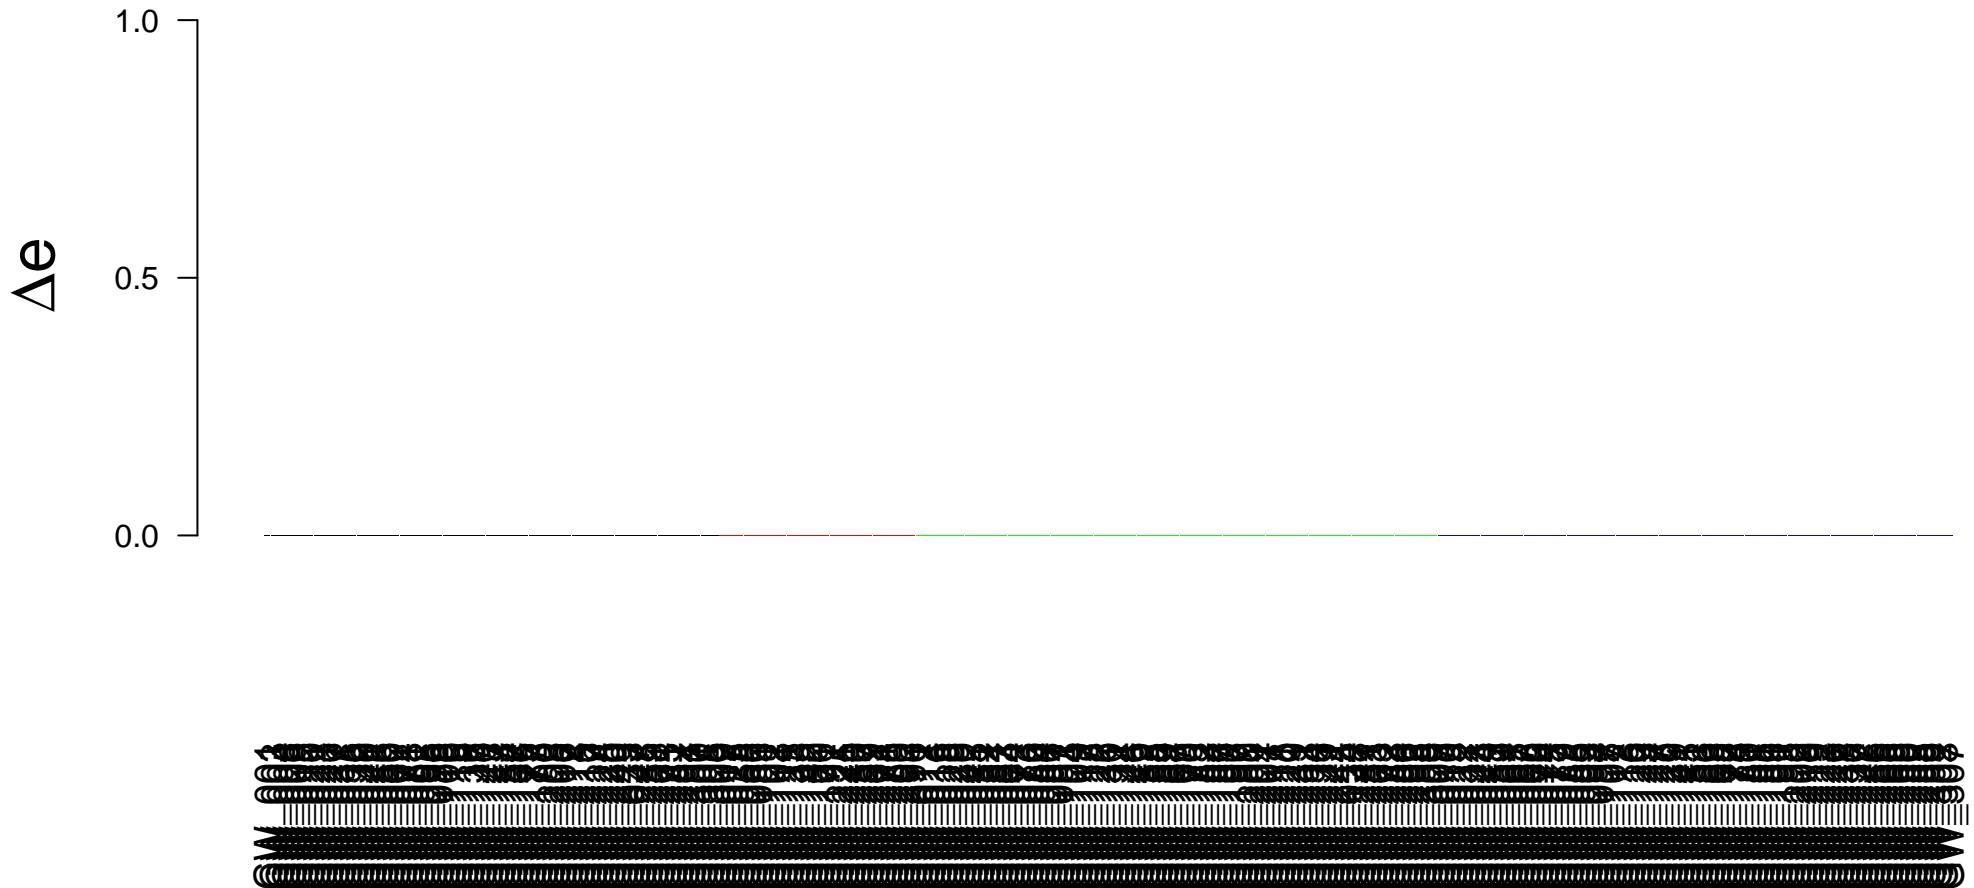

# Expression of neuromuscular synaptic transmission in Spot J

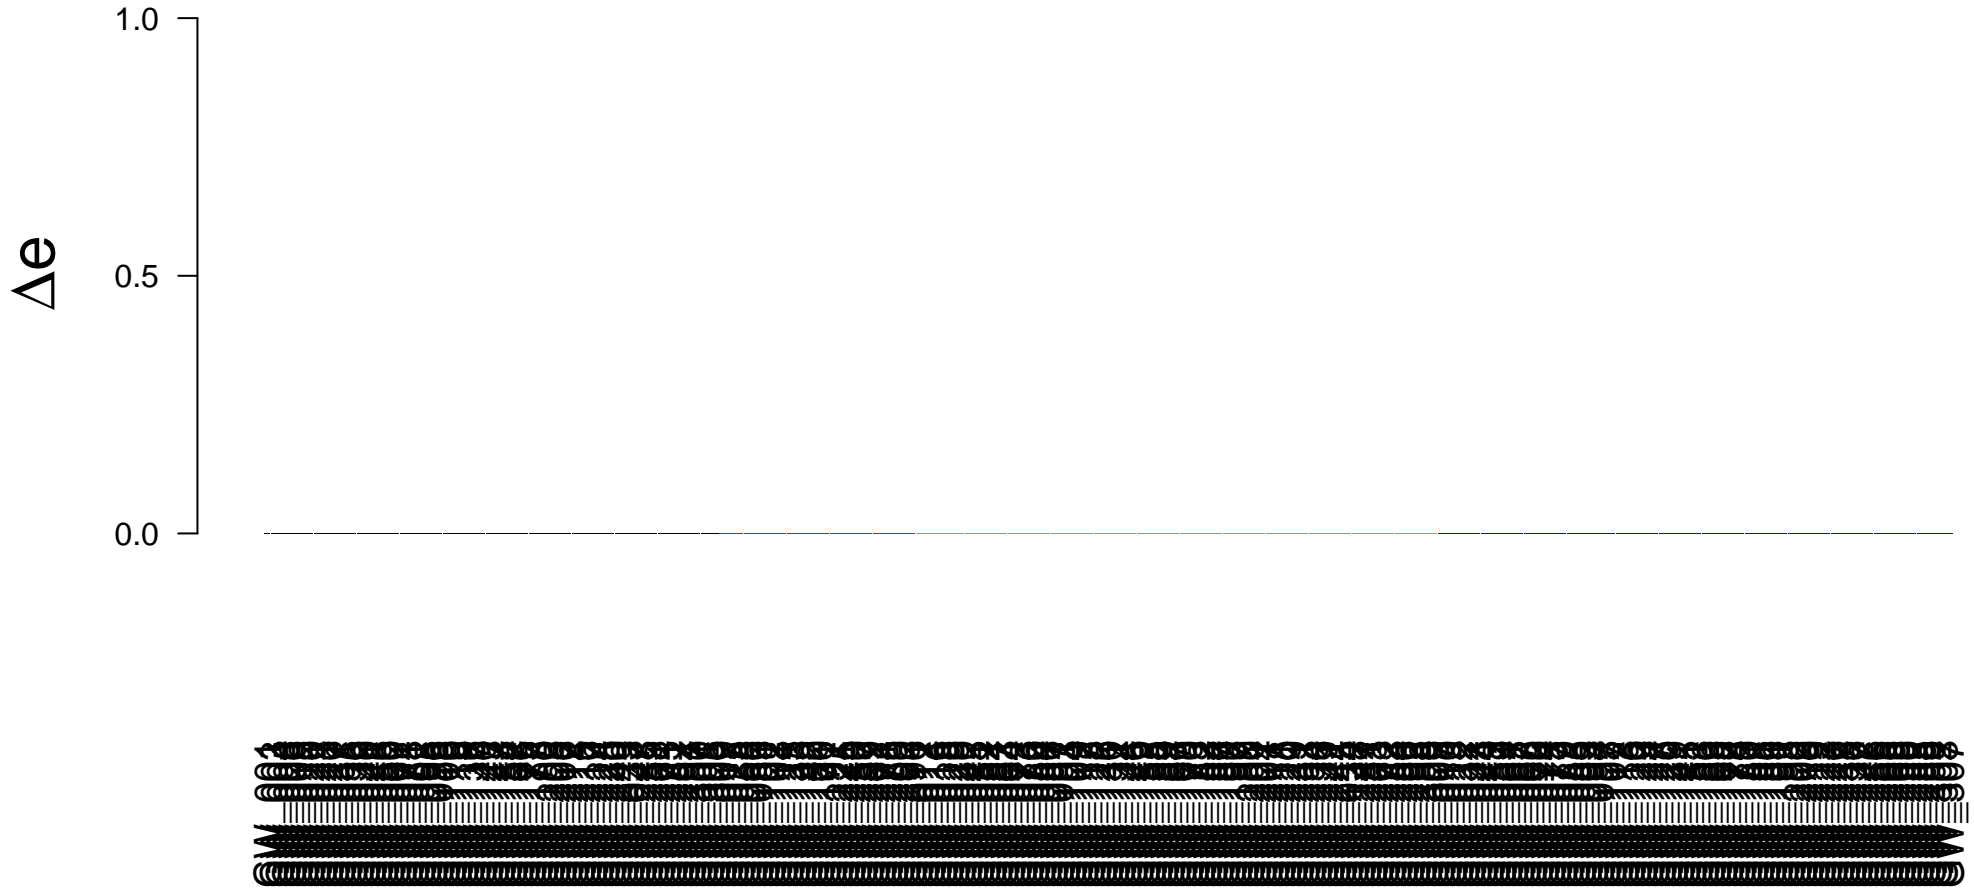

# Expression of neuromuscular synaptic transmission in Spot K

# Expression of neuromuscular synaptic transmission in Spot L

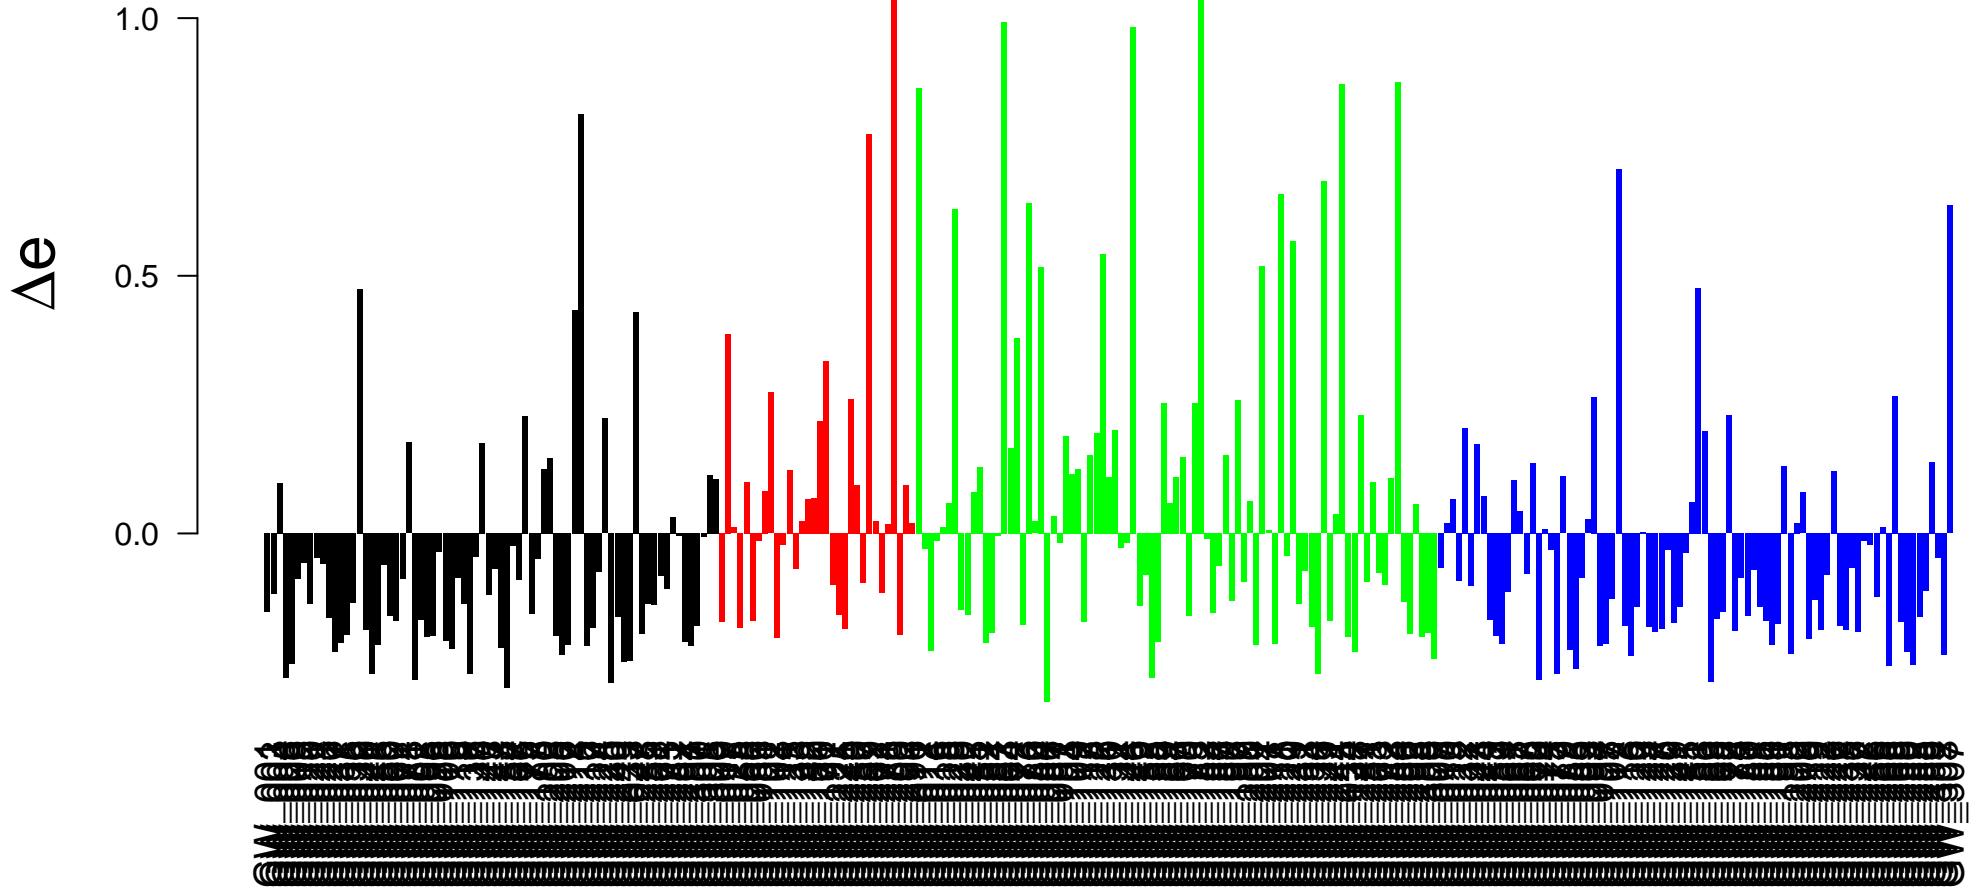

# Expression of neuromuscular synaptic transmission in Spot M

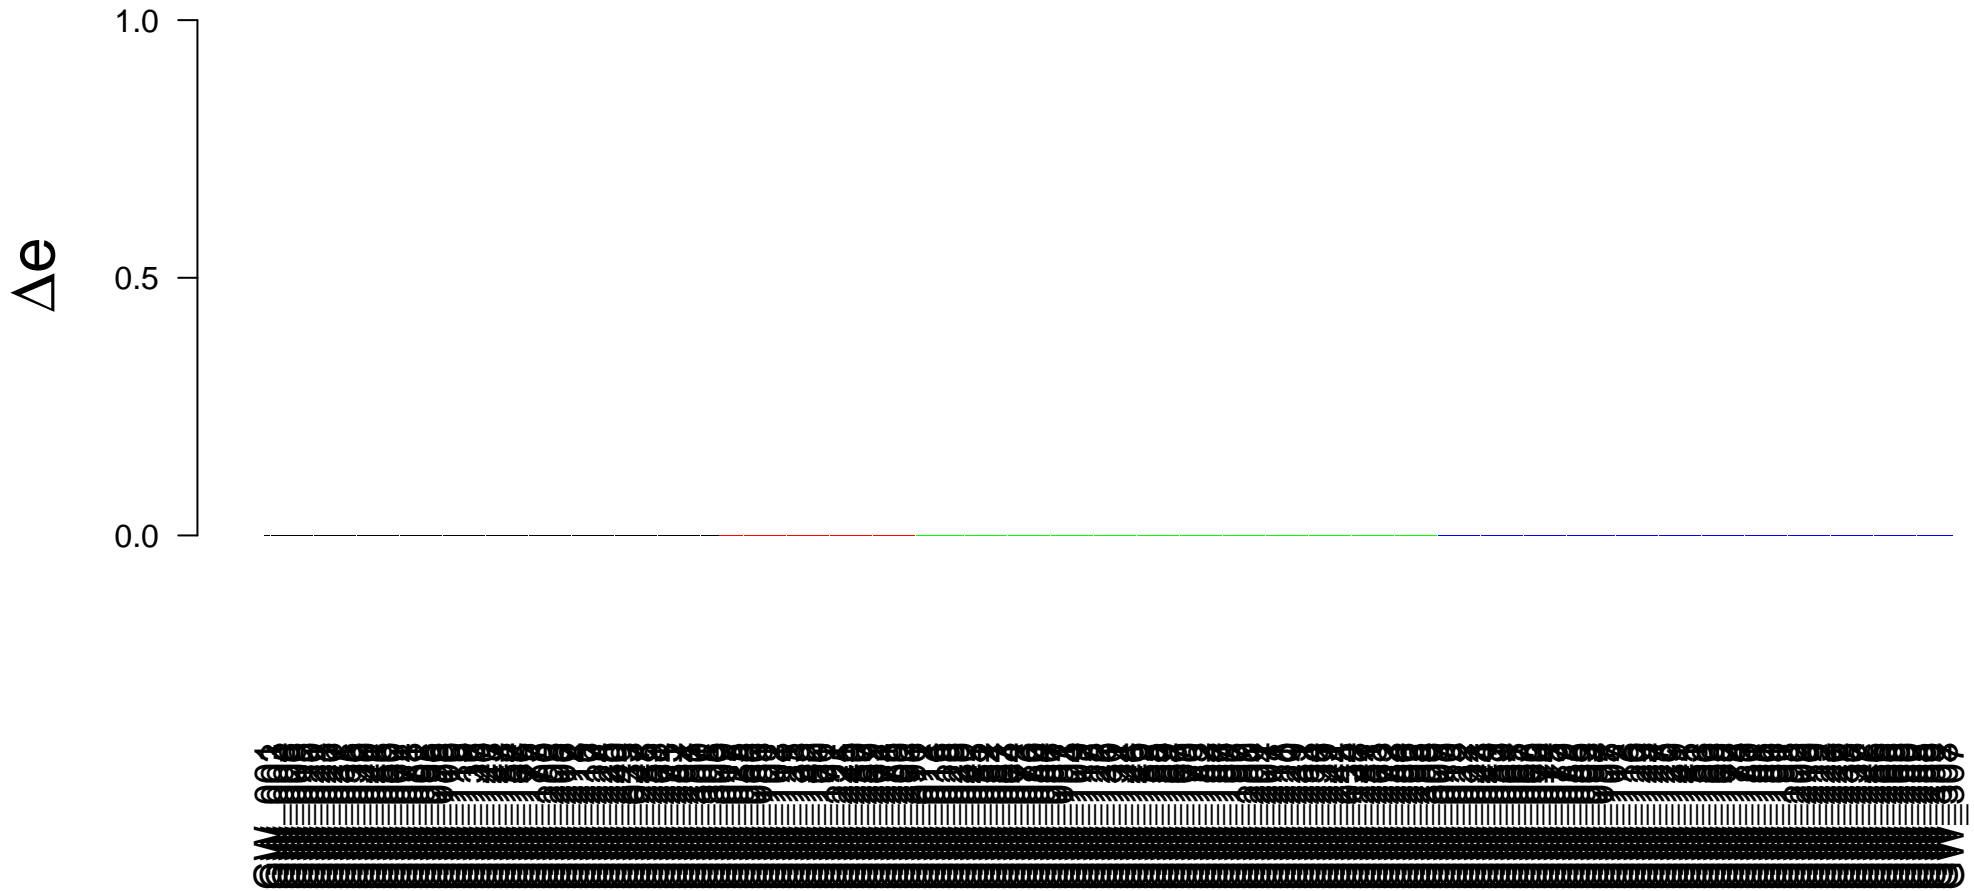

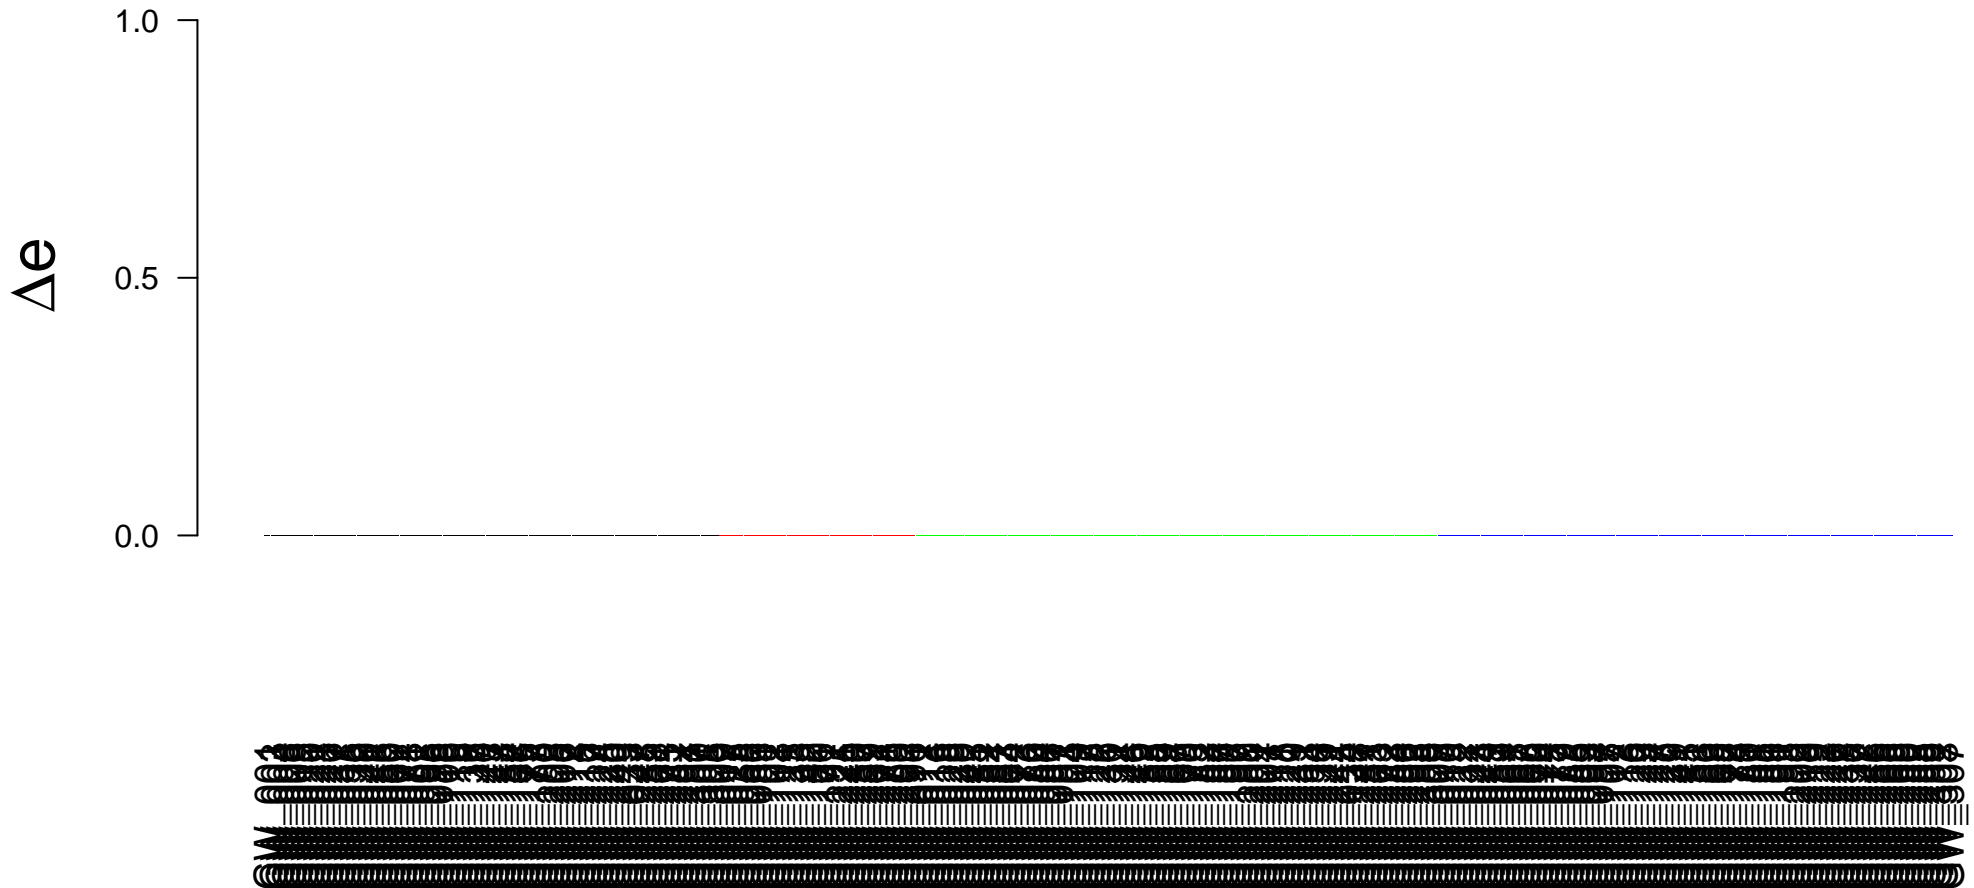

# Expression of neuromuscular synaptic transmission in Spot N

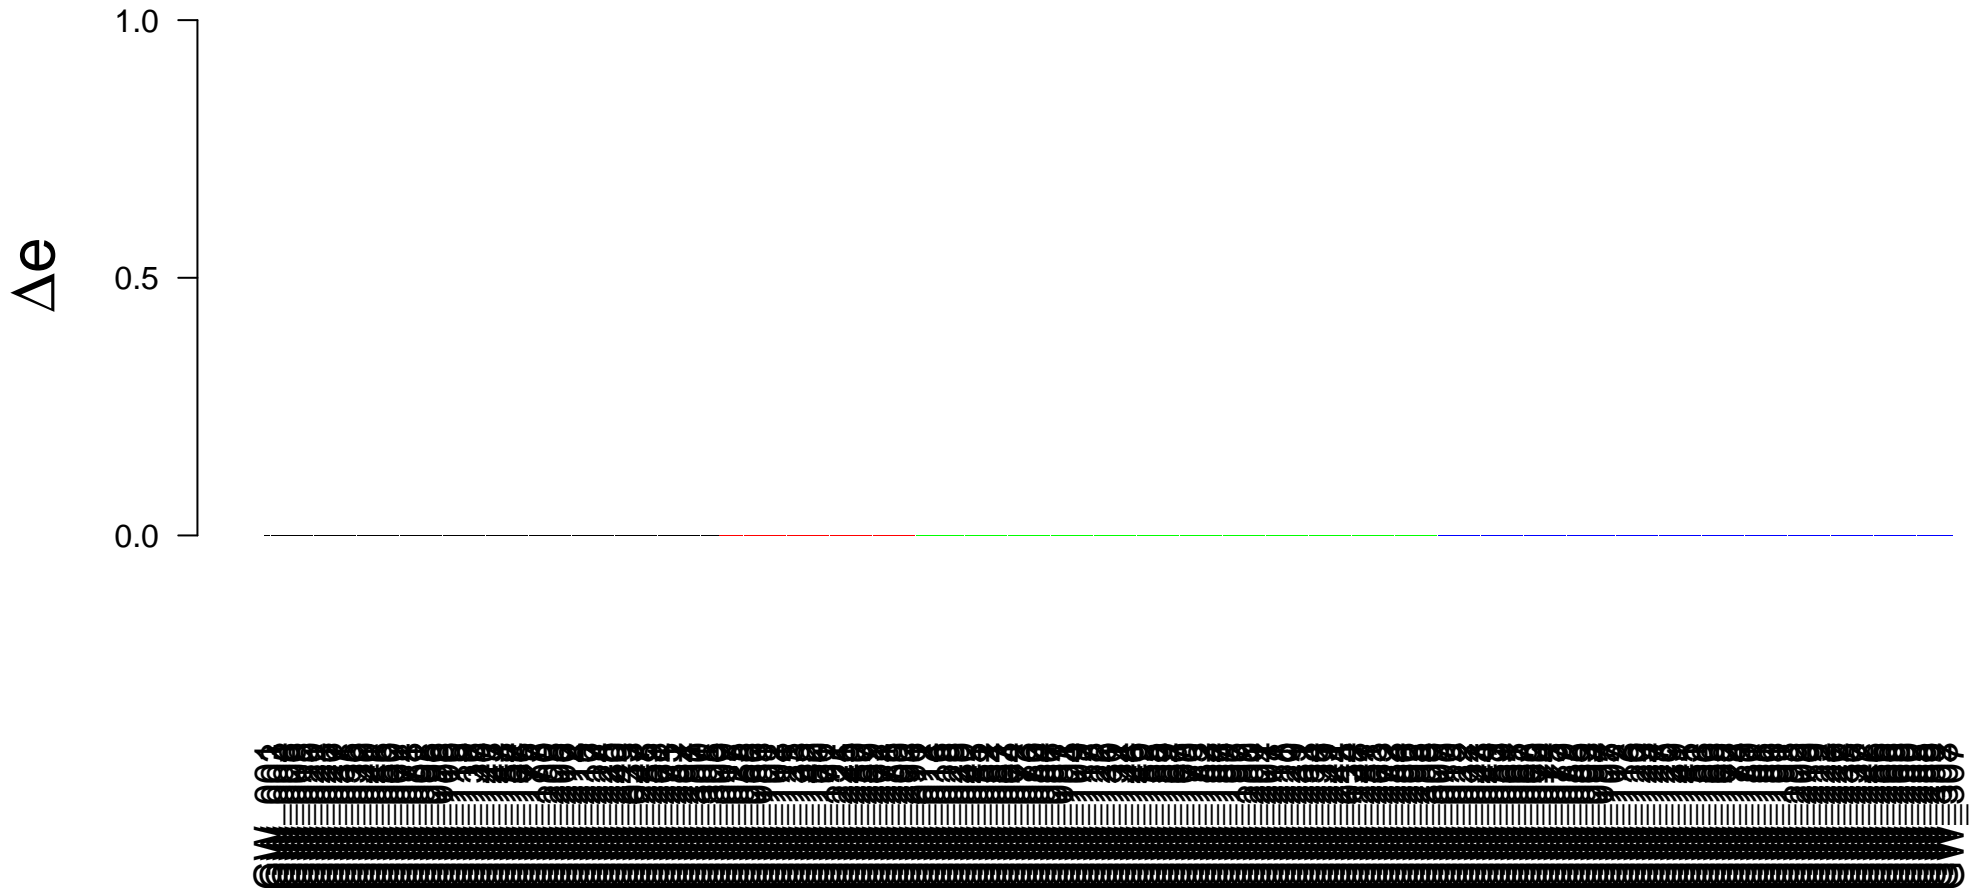

# Expression of neuromuscular synaptic transmission in Spot O

# Expression of neuromuscular synaptic transmission in Spot P

# Expression of neuromuscular synaptic transmission in Spot Q

# Expression of neuromuscular synaptic transmission in Spot R
