

# neuron apoptotic process

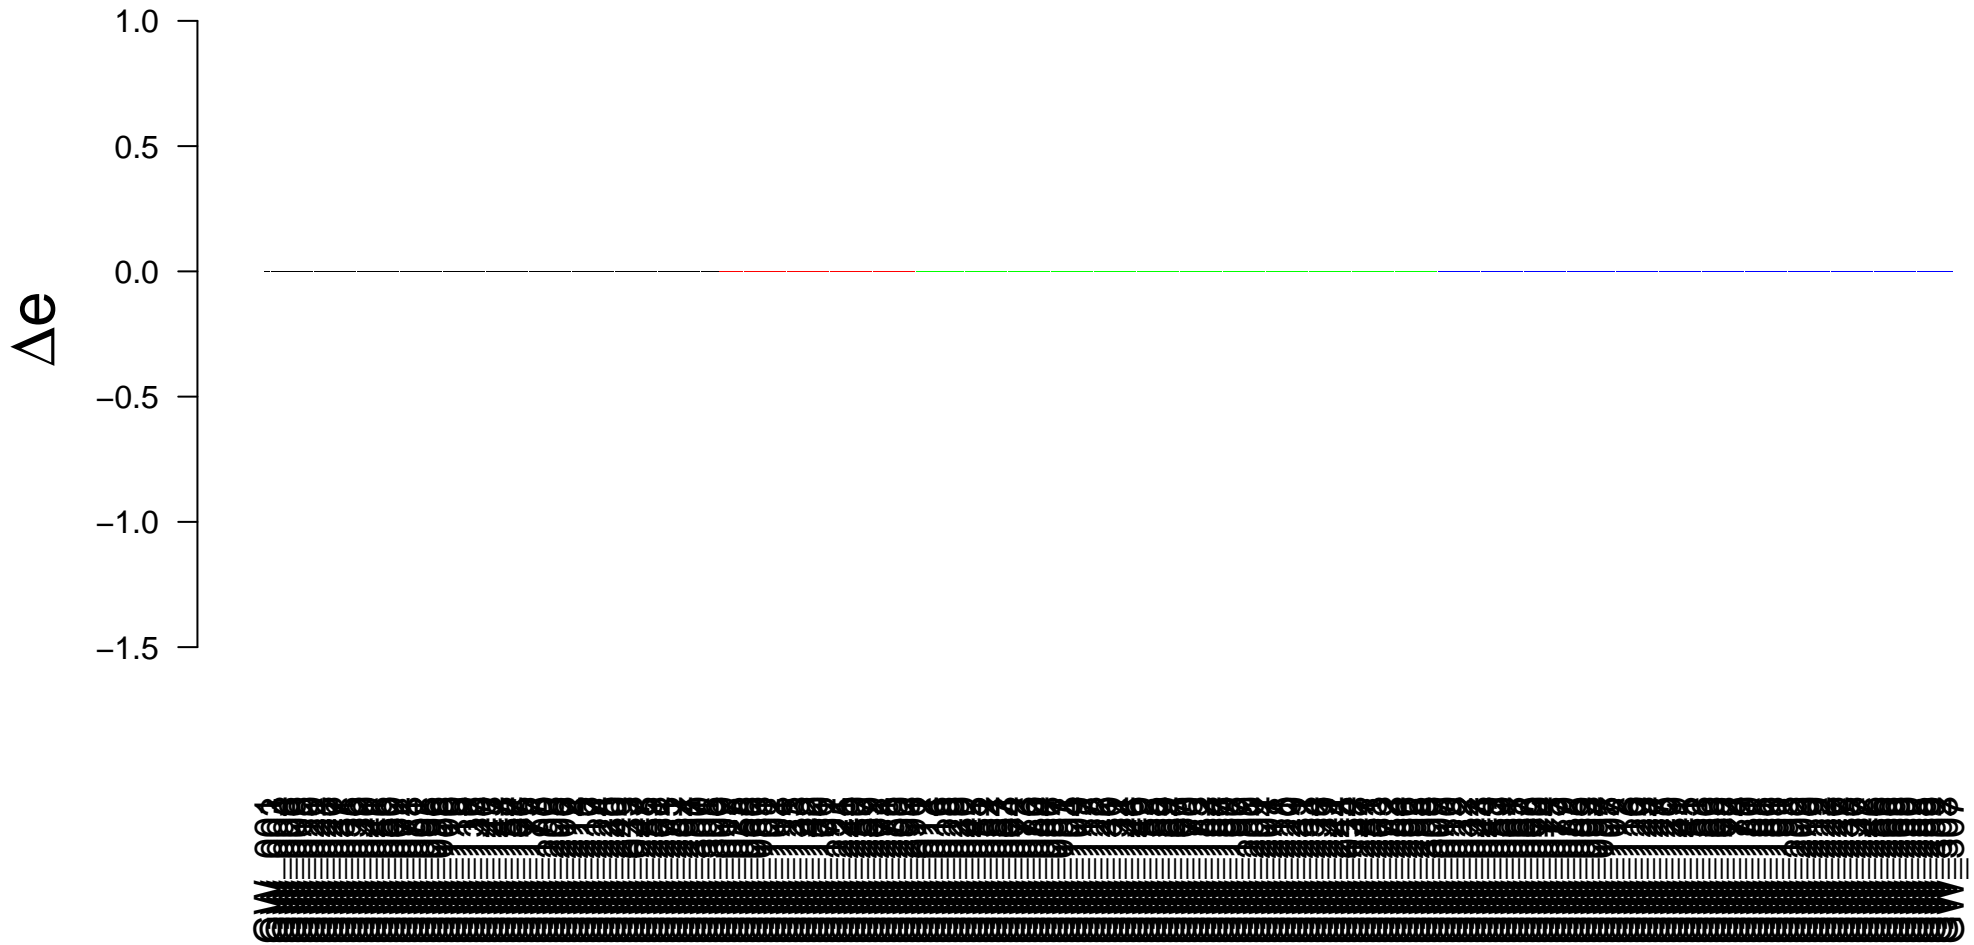

# neuron apoptotic process

### Enrichment in spots: neuron apoptotic process

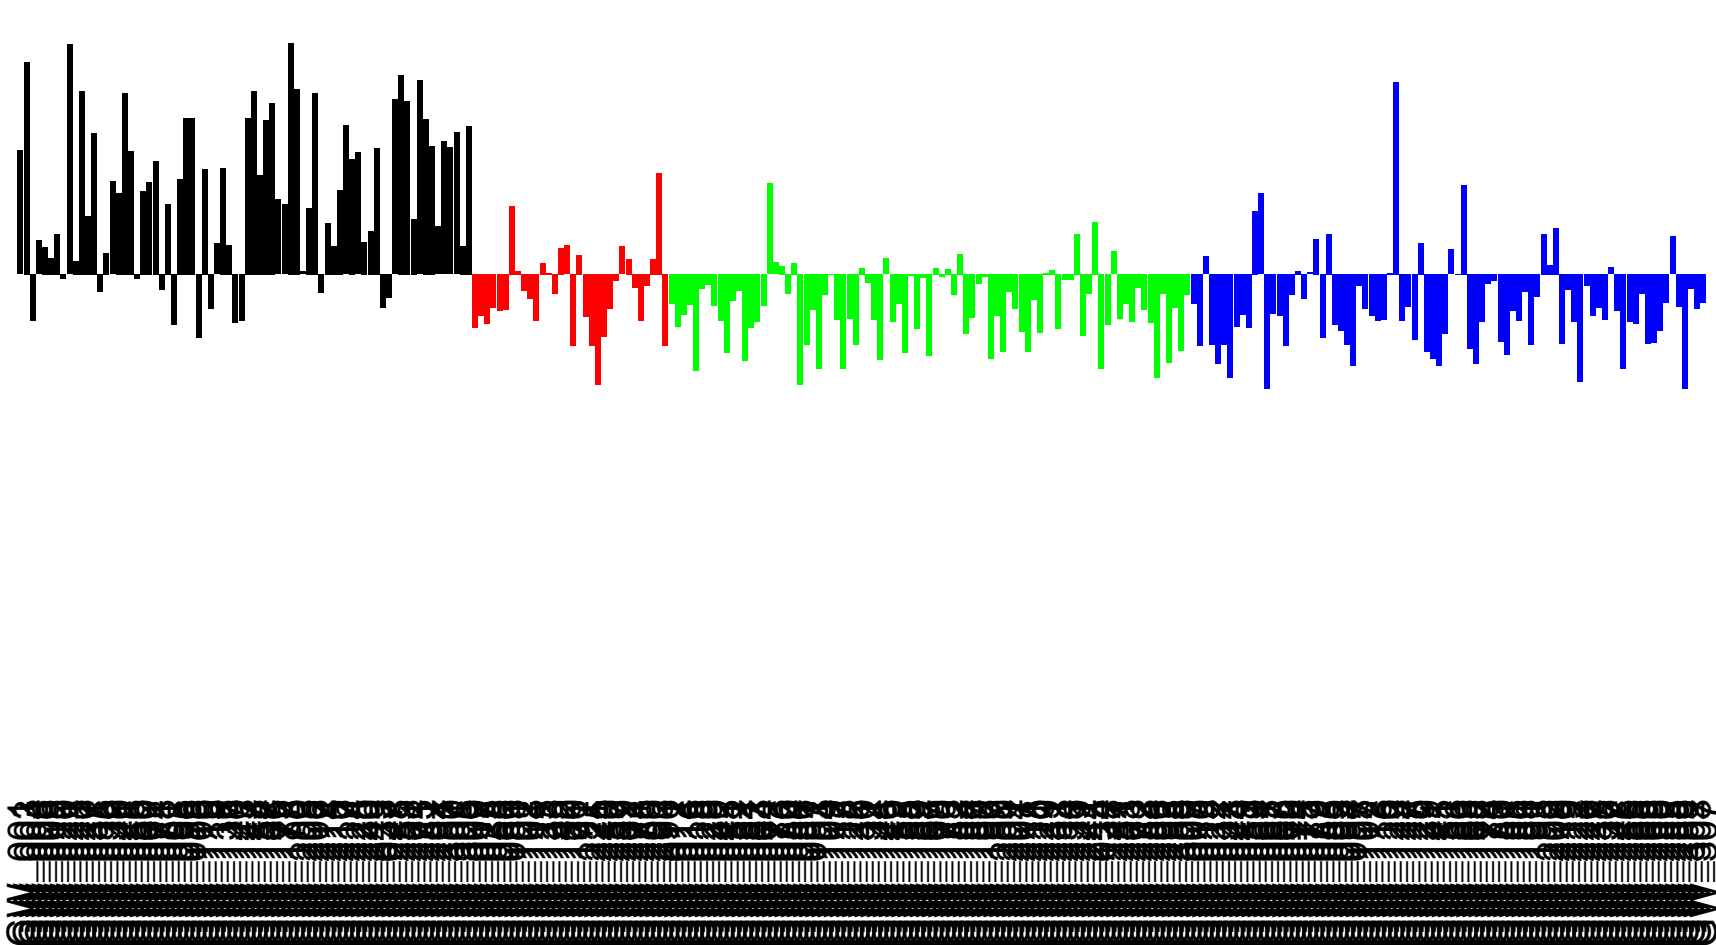

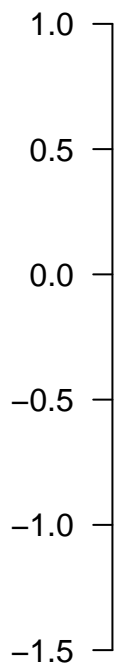

# Expression of neuron apoptotic process in Spot A

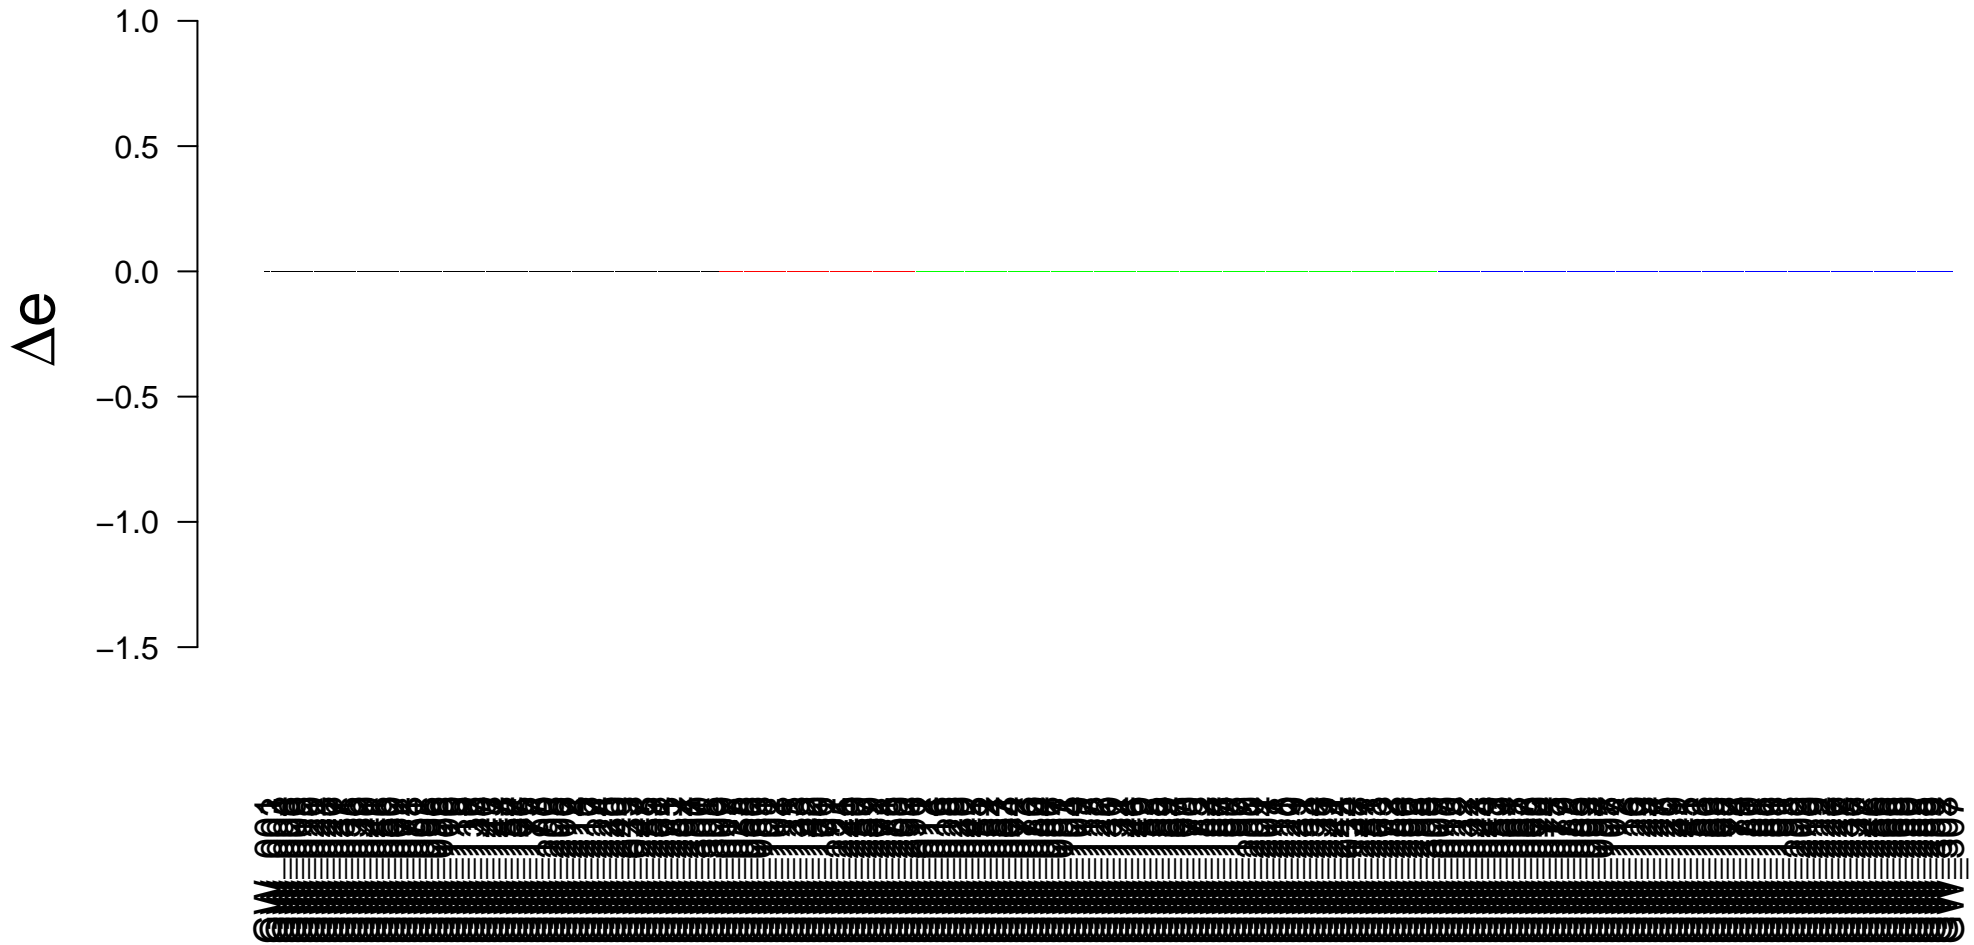

# Expression of neuron apoptotic process in Spot B

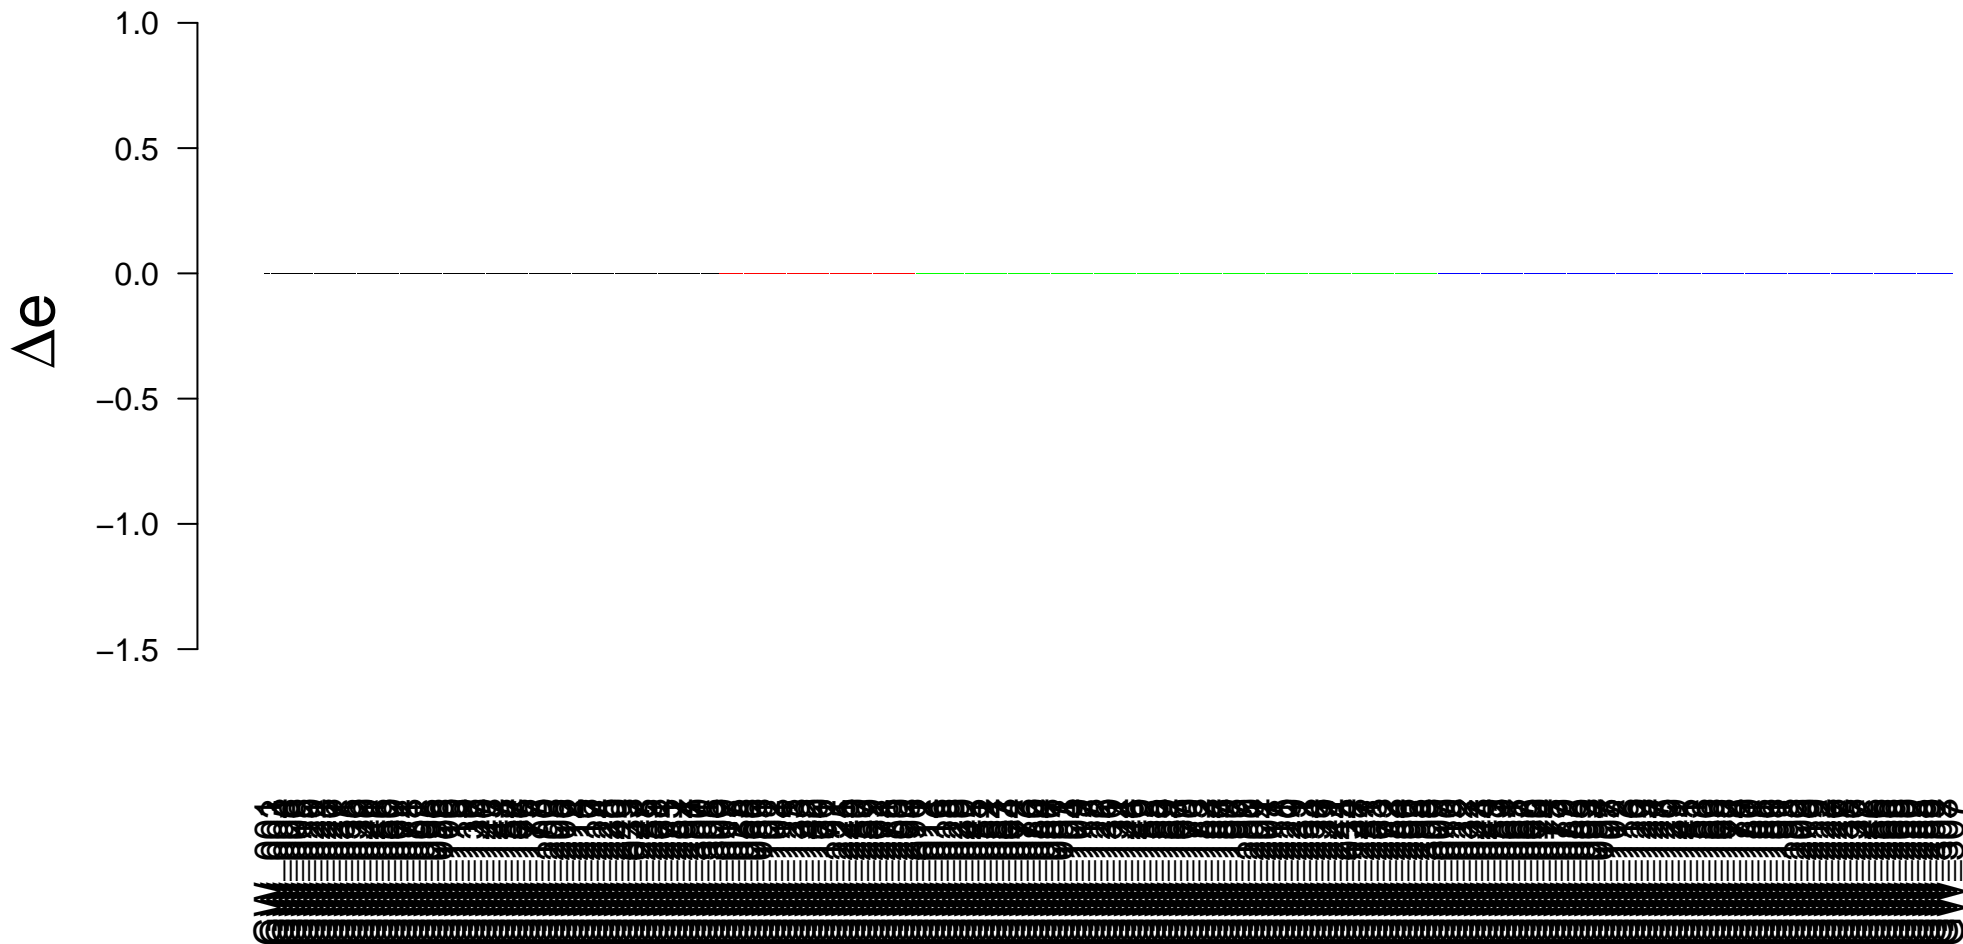

$\Delta e$

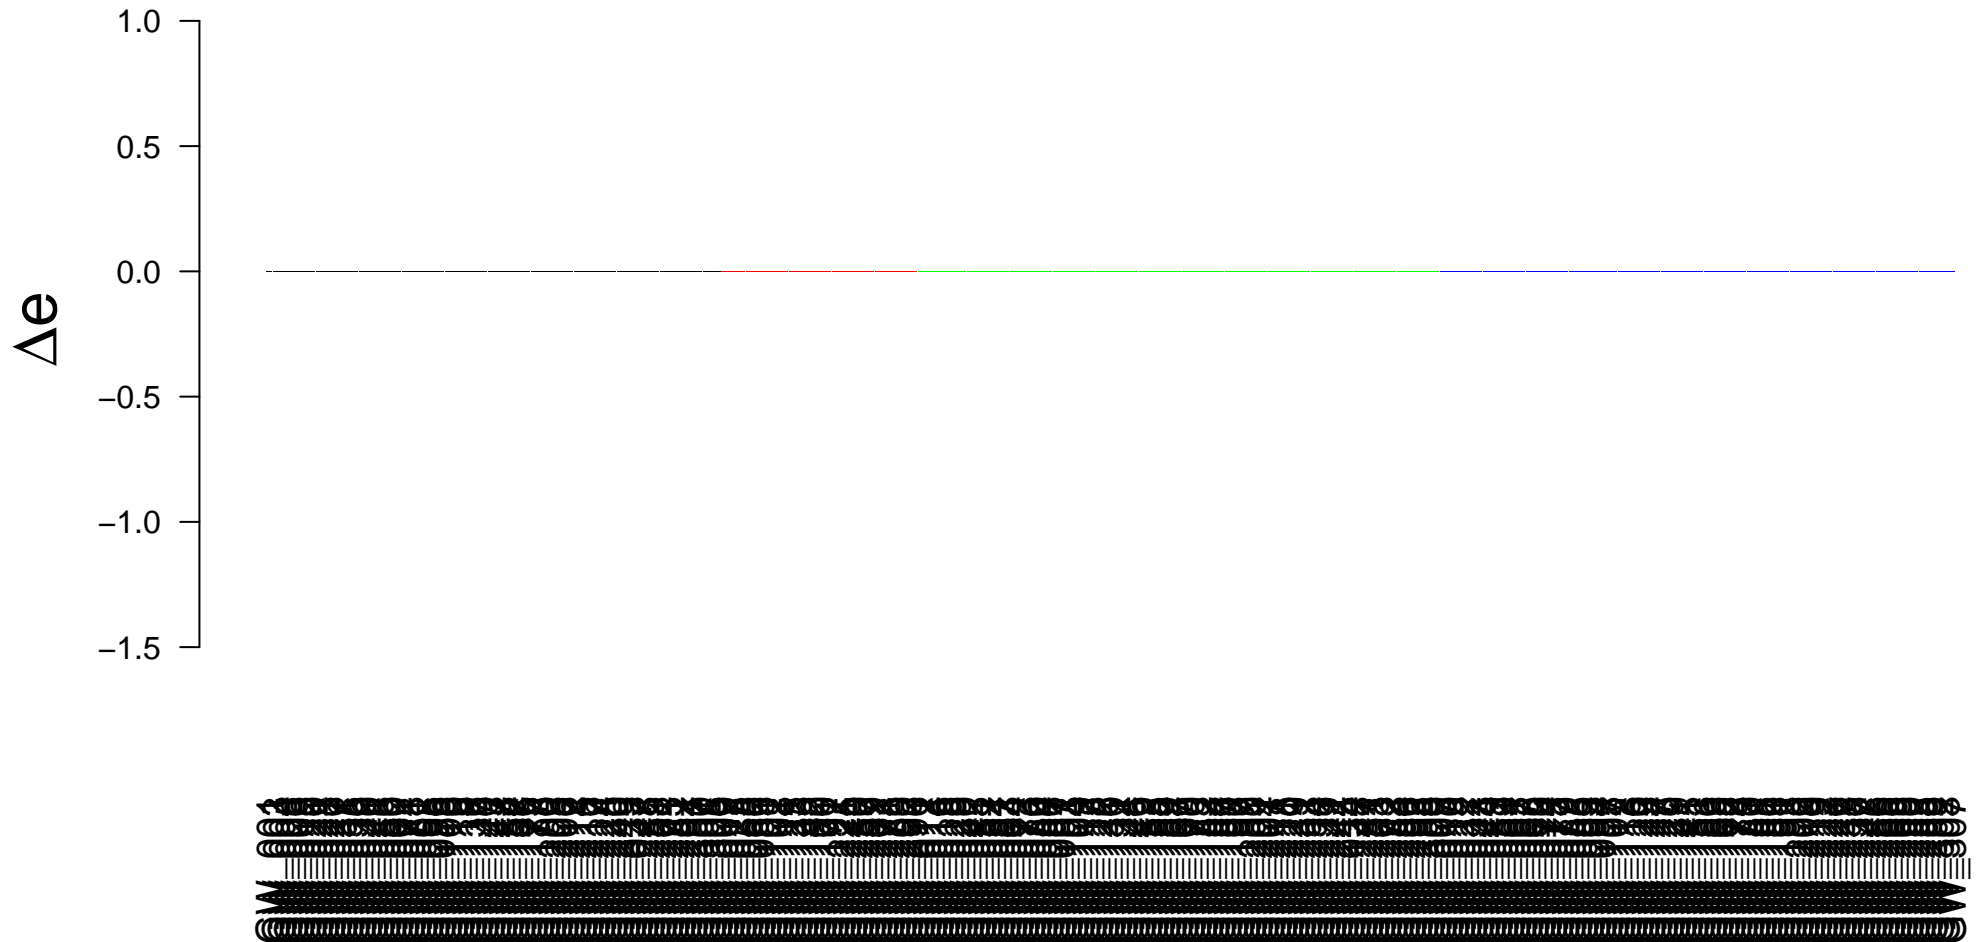

# Expression of neuron apoptotic process in Spot C

# Expression of neuron apoptotic process in Spot D

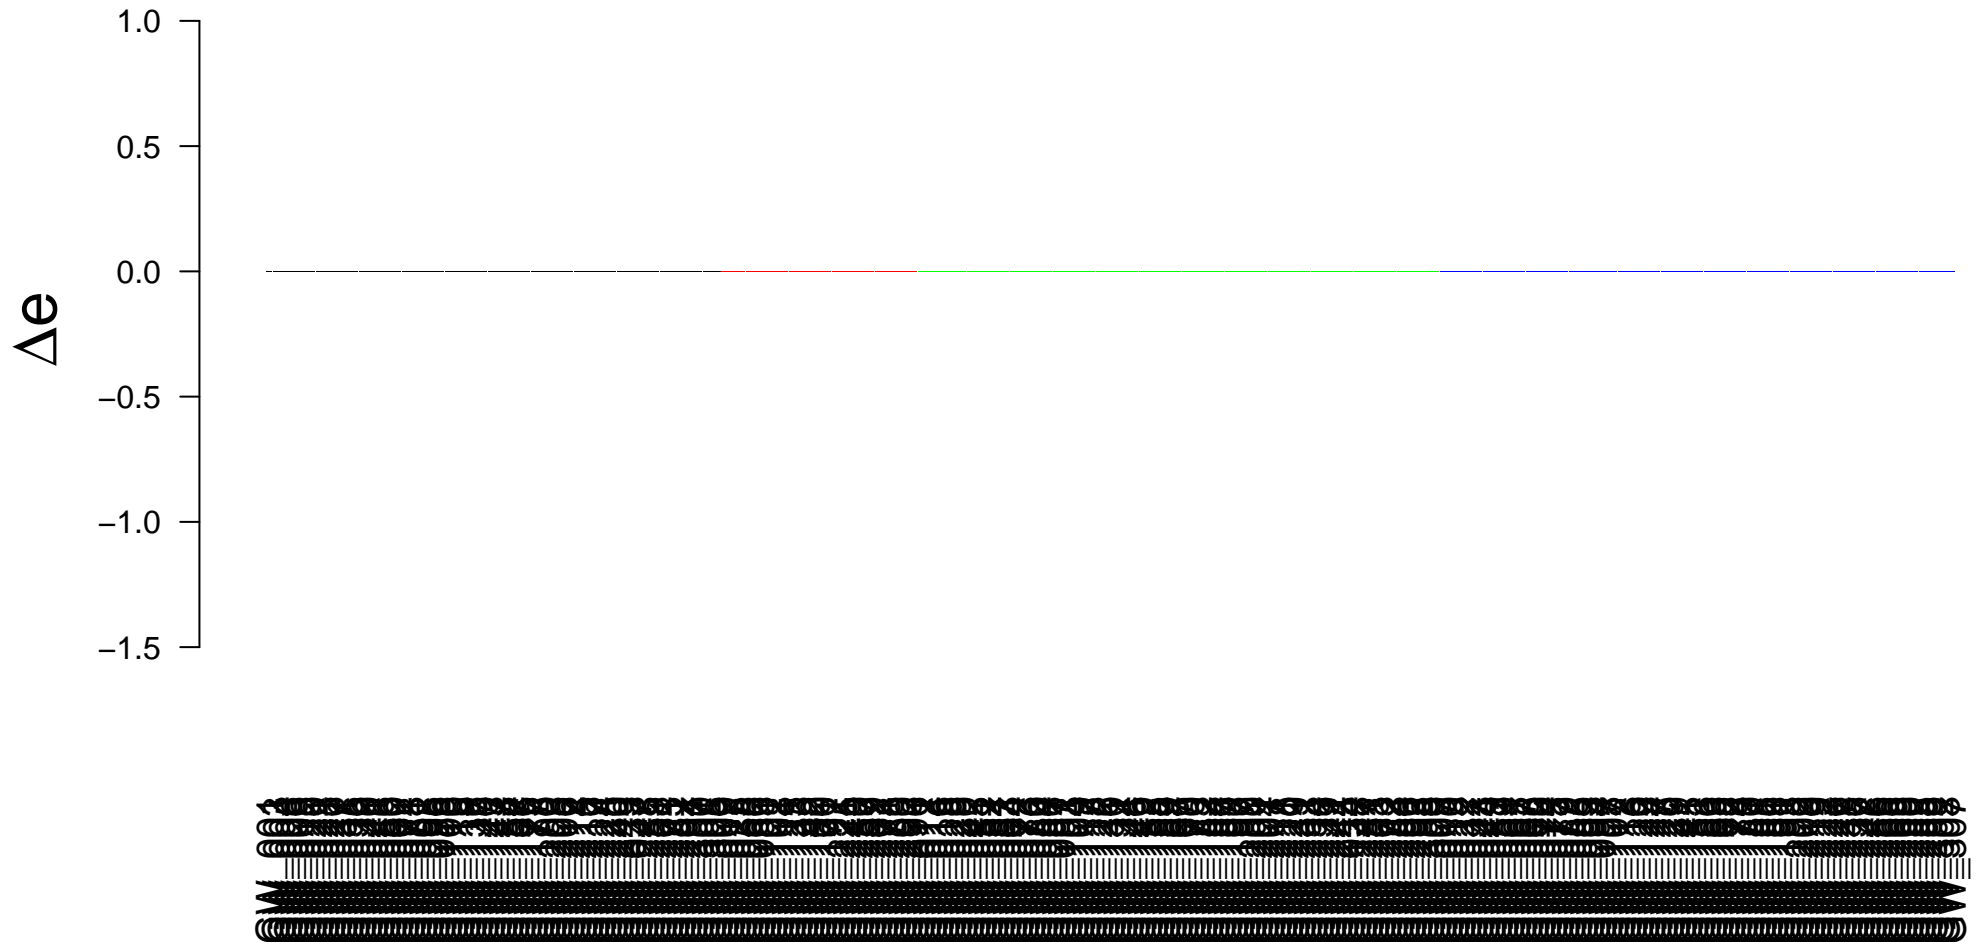

# Expression of neuron apoptotic process in Spot E

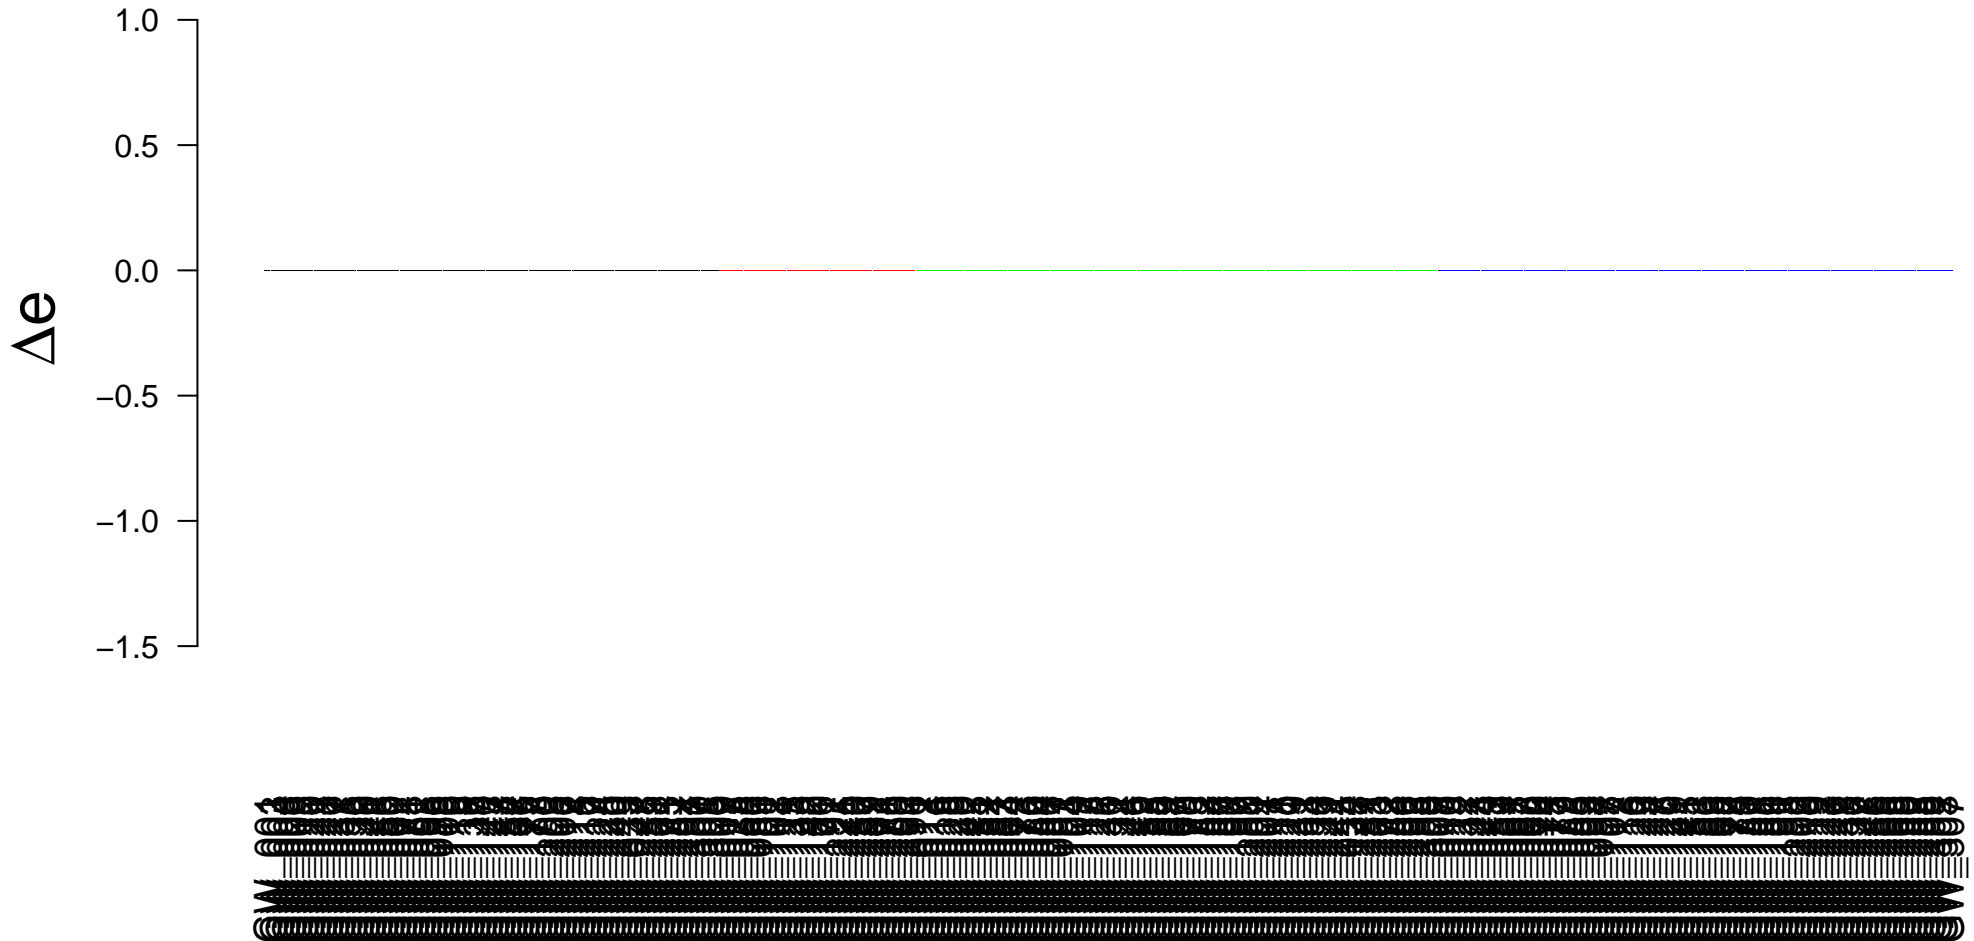

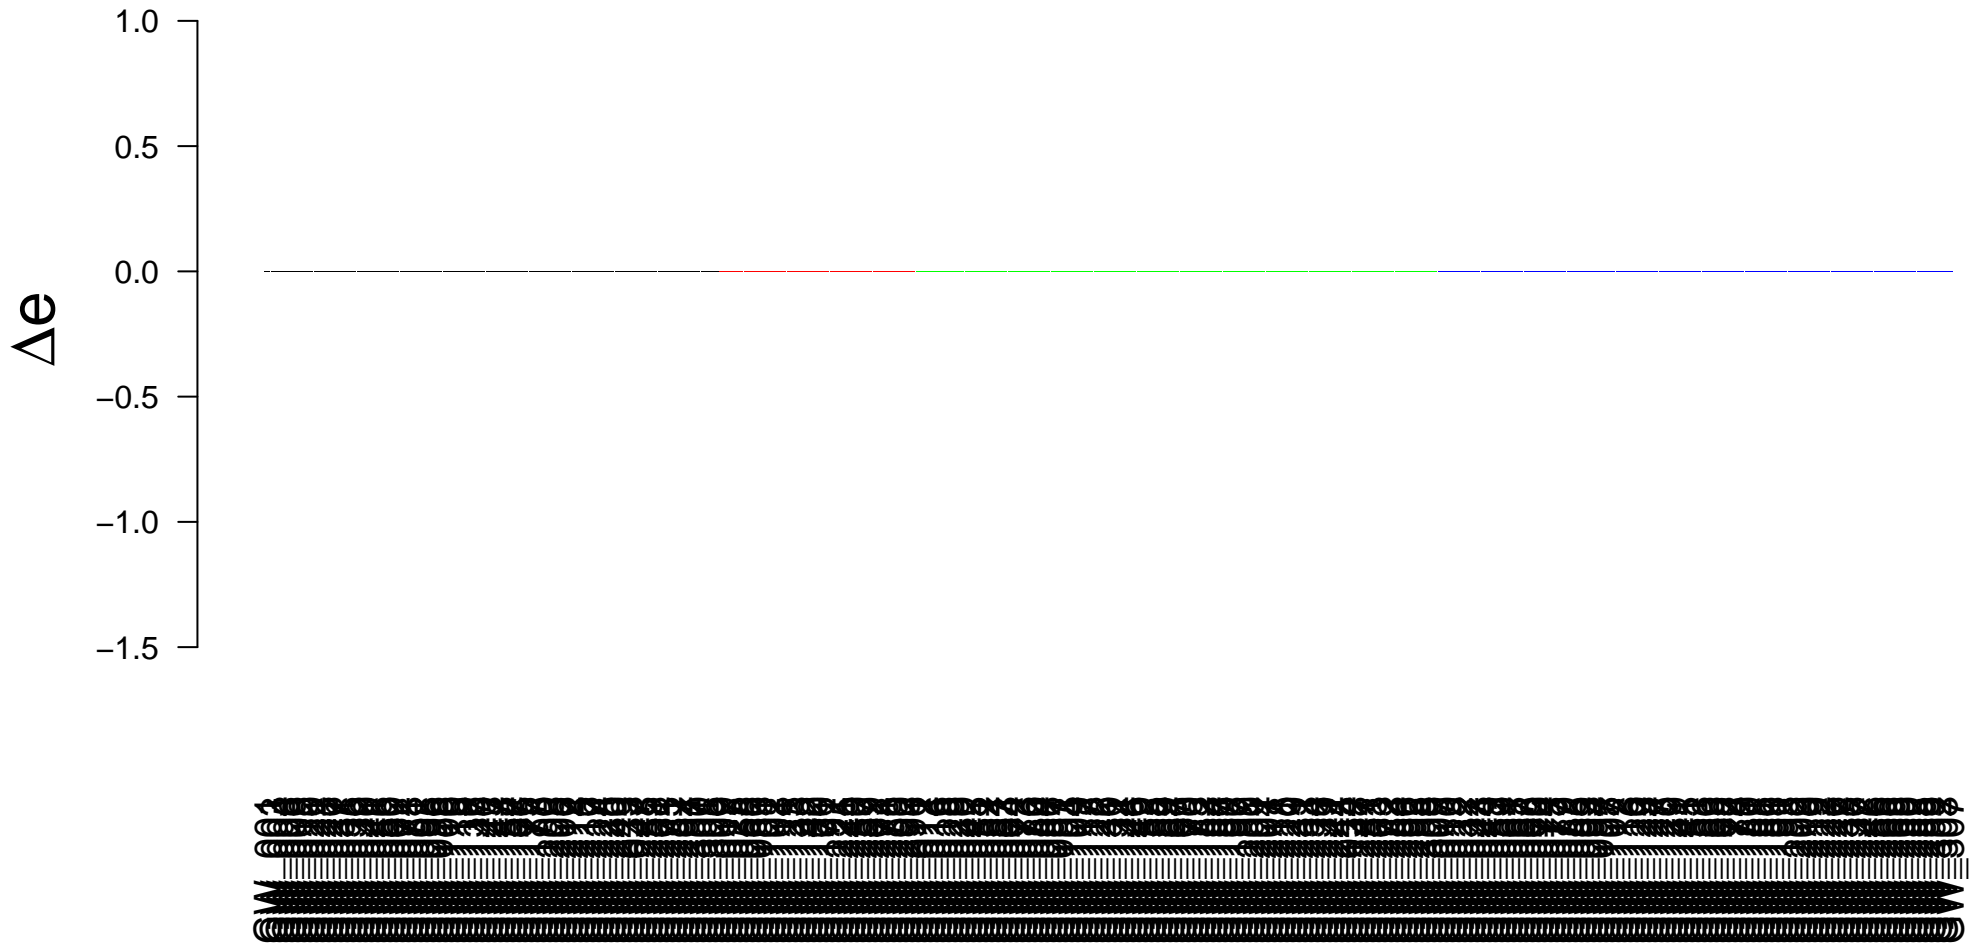

# Expression of neuron apoptotic process in Spot F

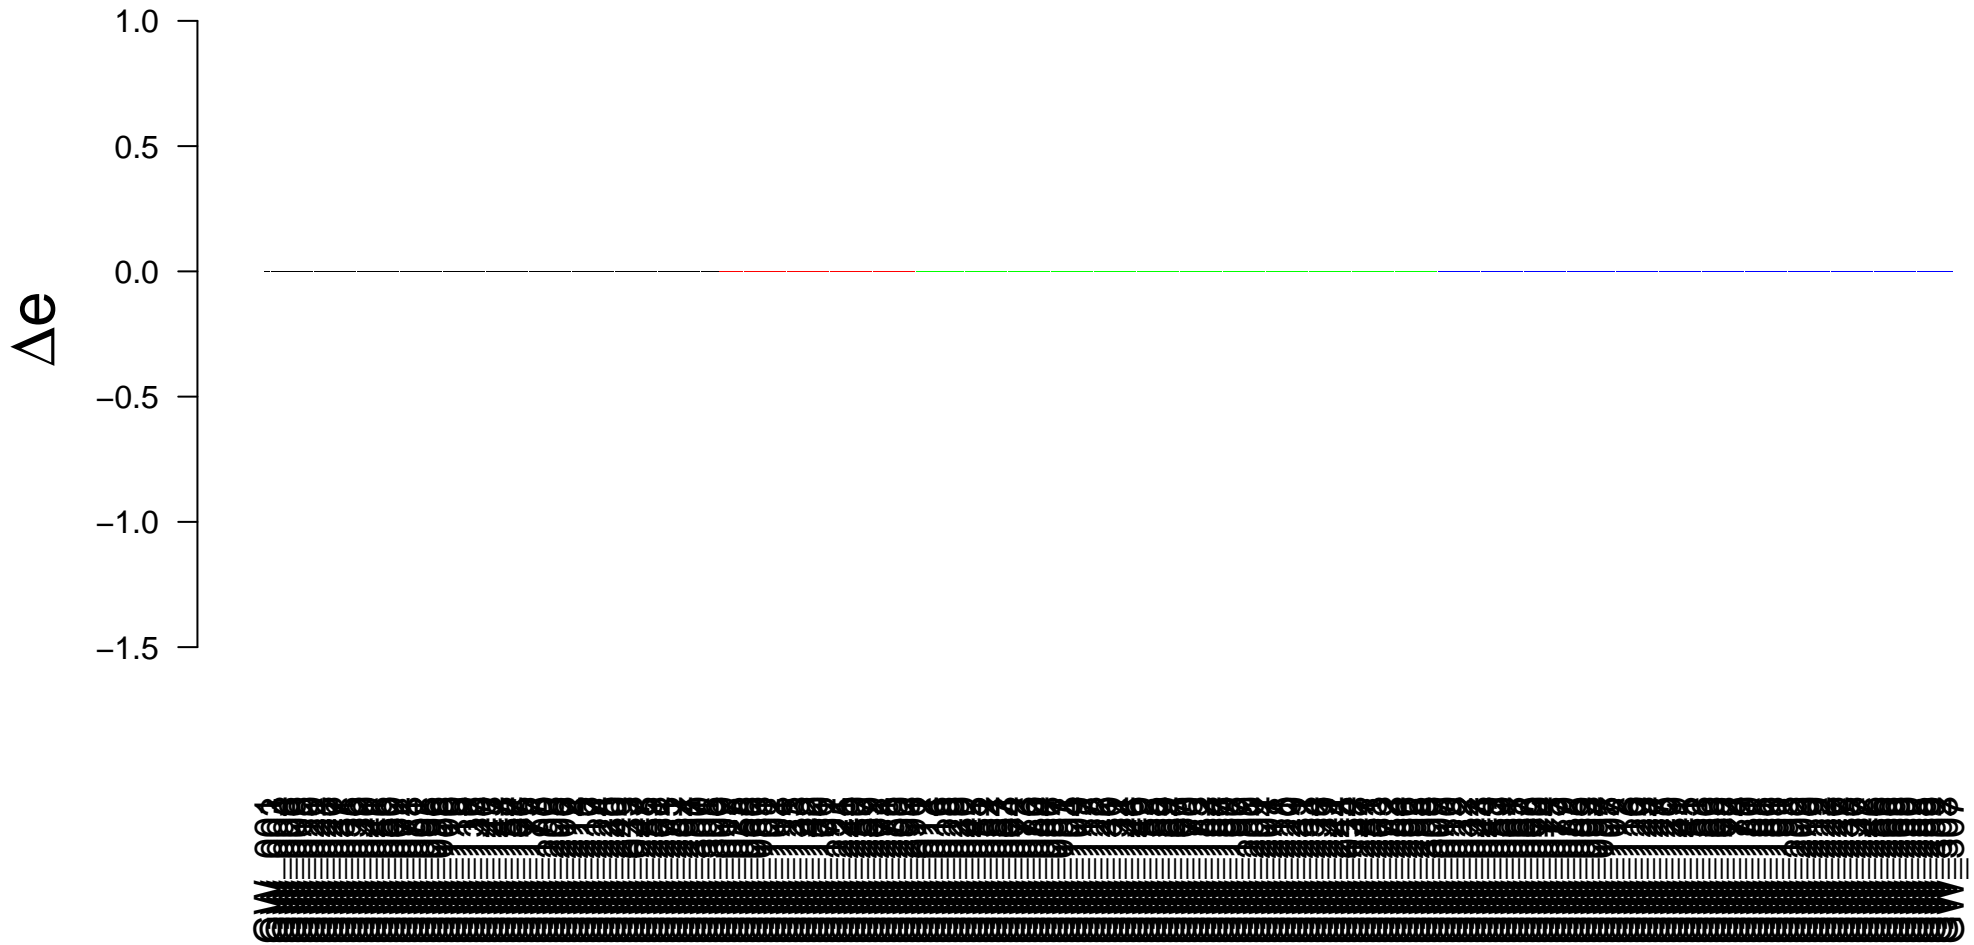

# Expression of neuron apoptotic process in Spot G

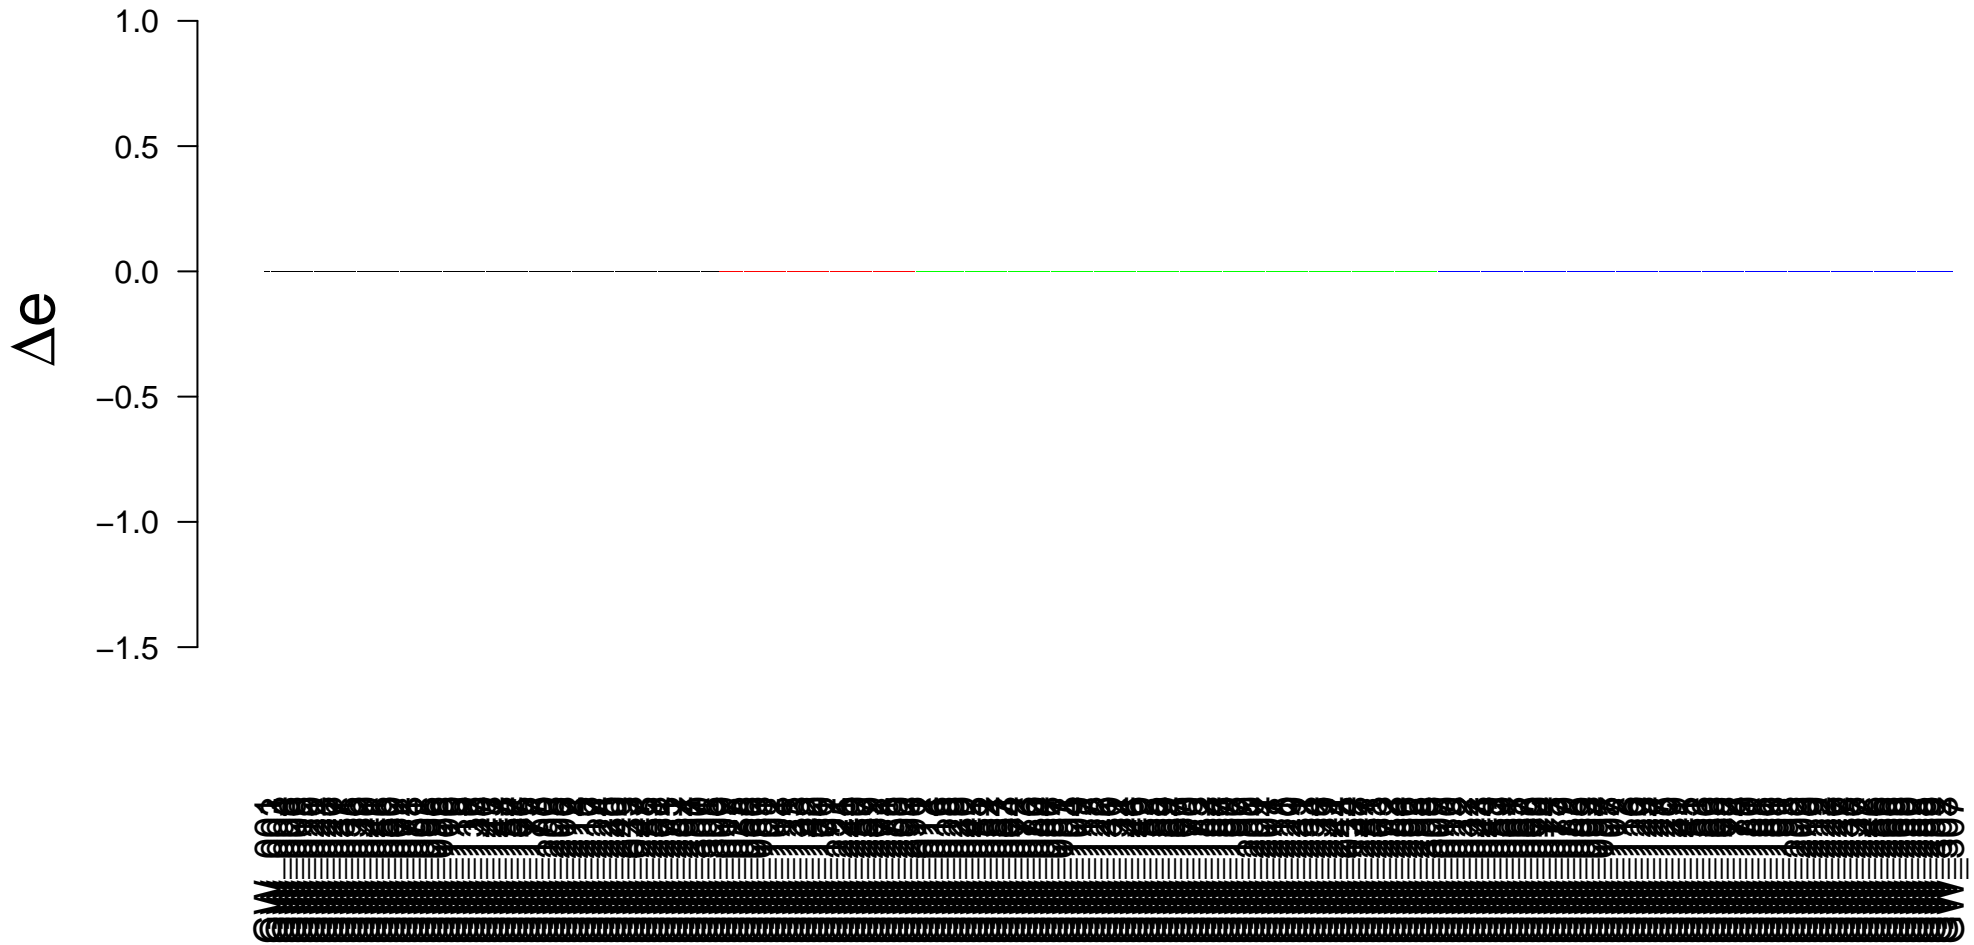

# Expression of neuron apoptotic process in Spot H

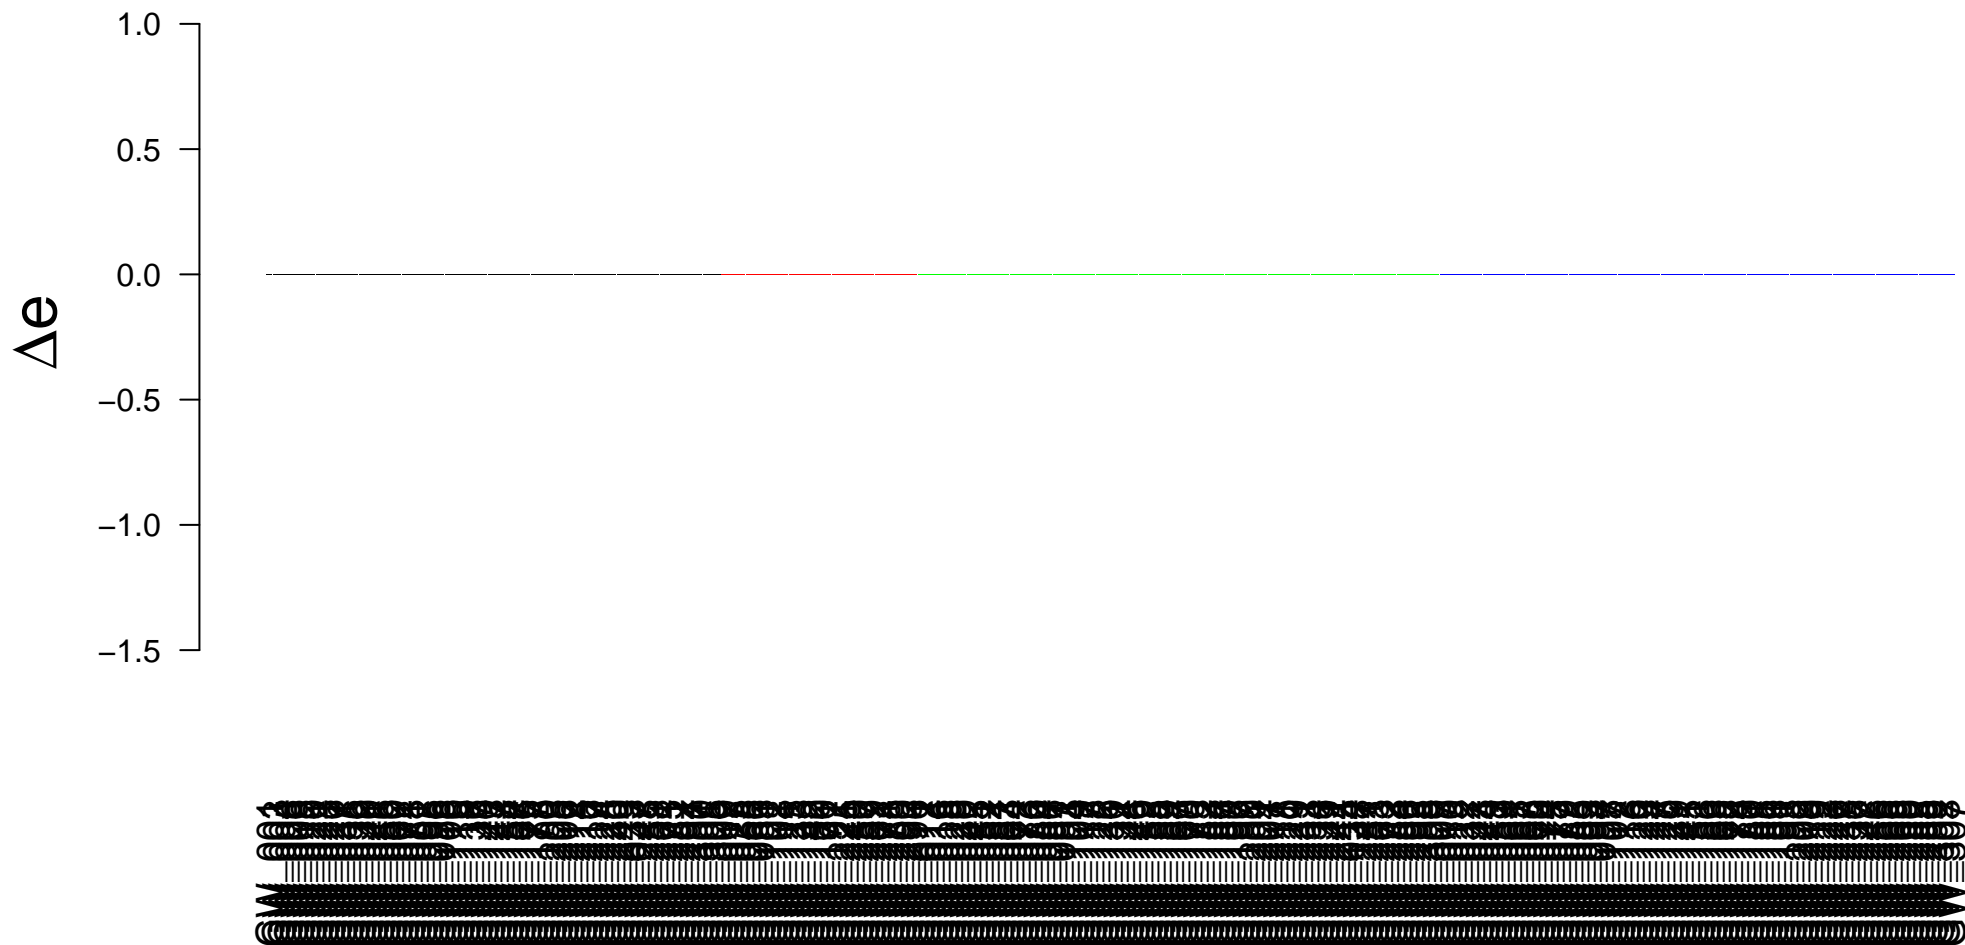

# Expression of neuron apoptotic process in Spot I

# Expression of neuron apoptotic process in Spot J

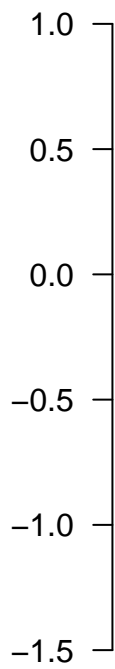

# Expression of neuron apoptotic process in Spot K

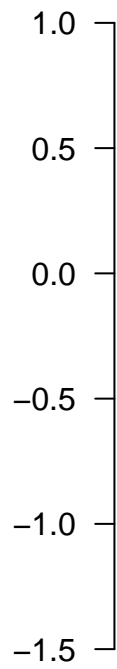

# Expression of neuron apoptotic process in Spot L

$\Delta e$

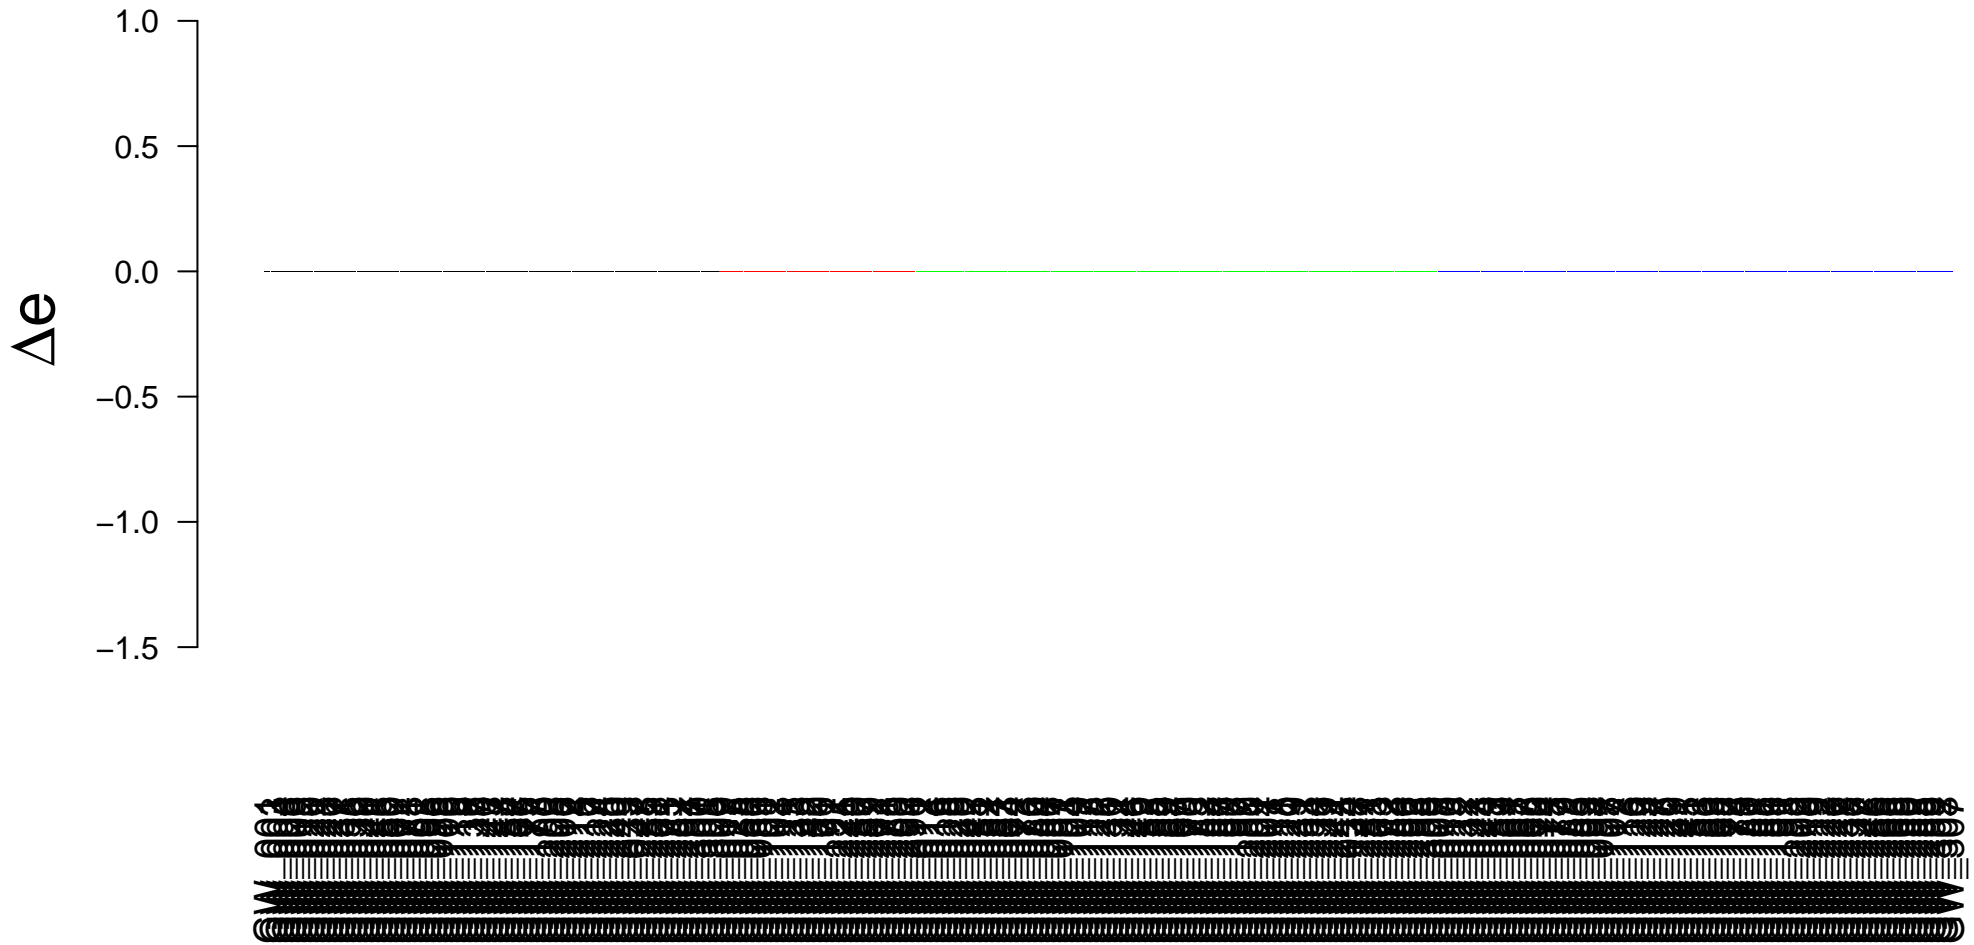

# Expression of neuron apoptotic process in Spot M

$\Delta e$

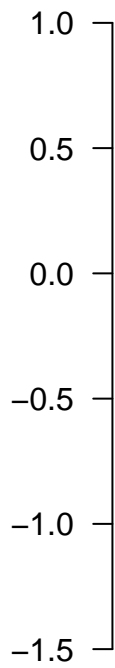

# Expression of neuron apoptotic process in Spot N

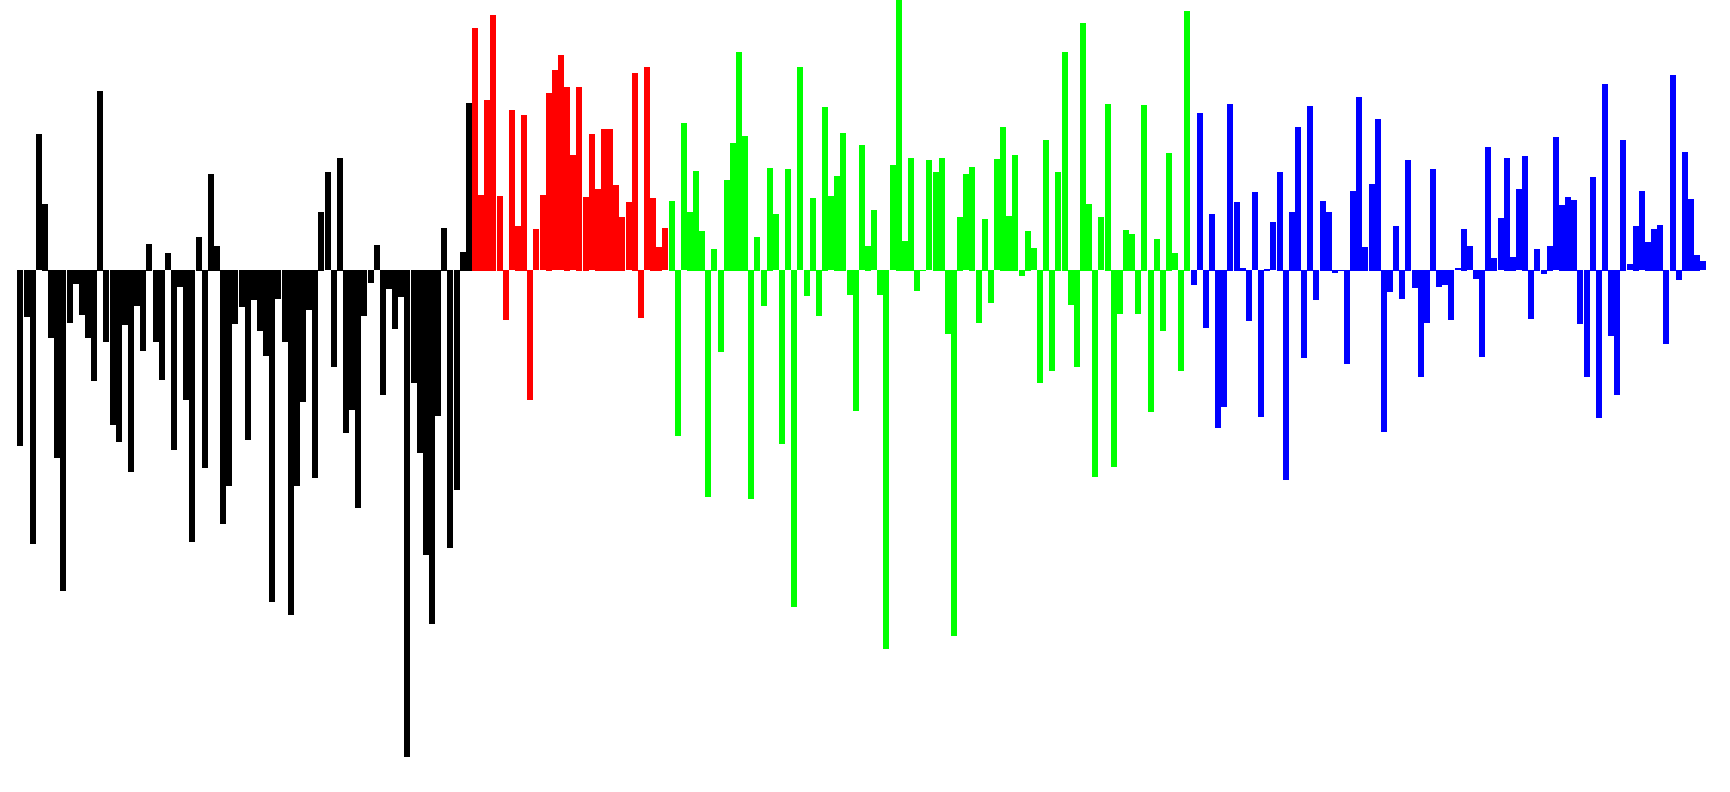

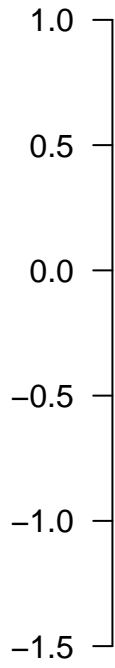

# Expression of neuron apoptotic process in Spot O

$\Delta e$

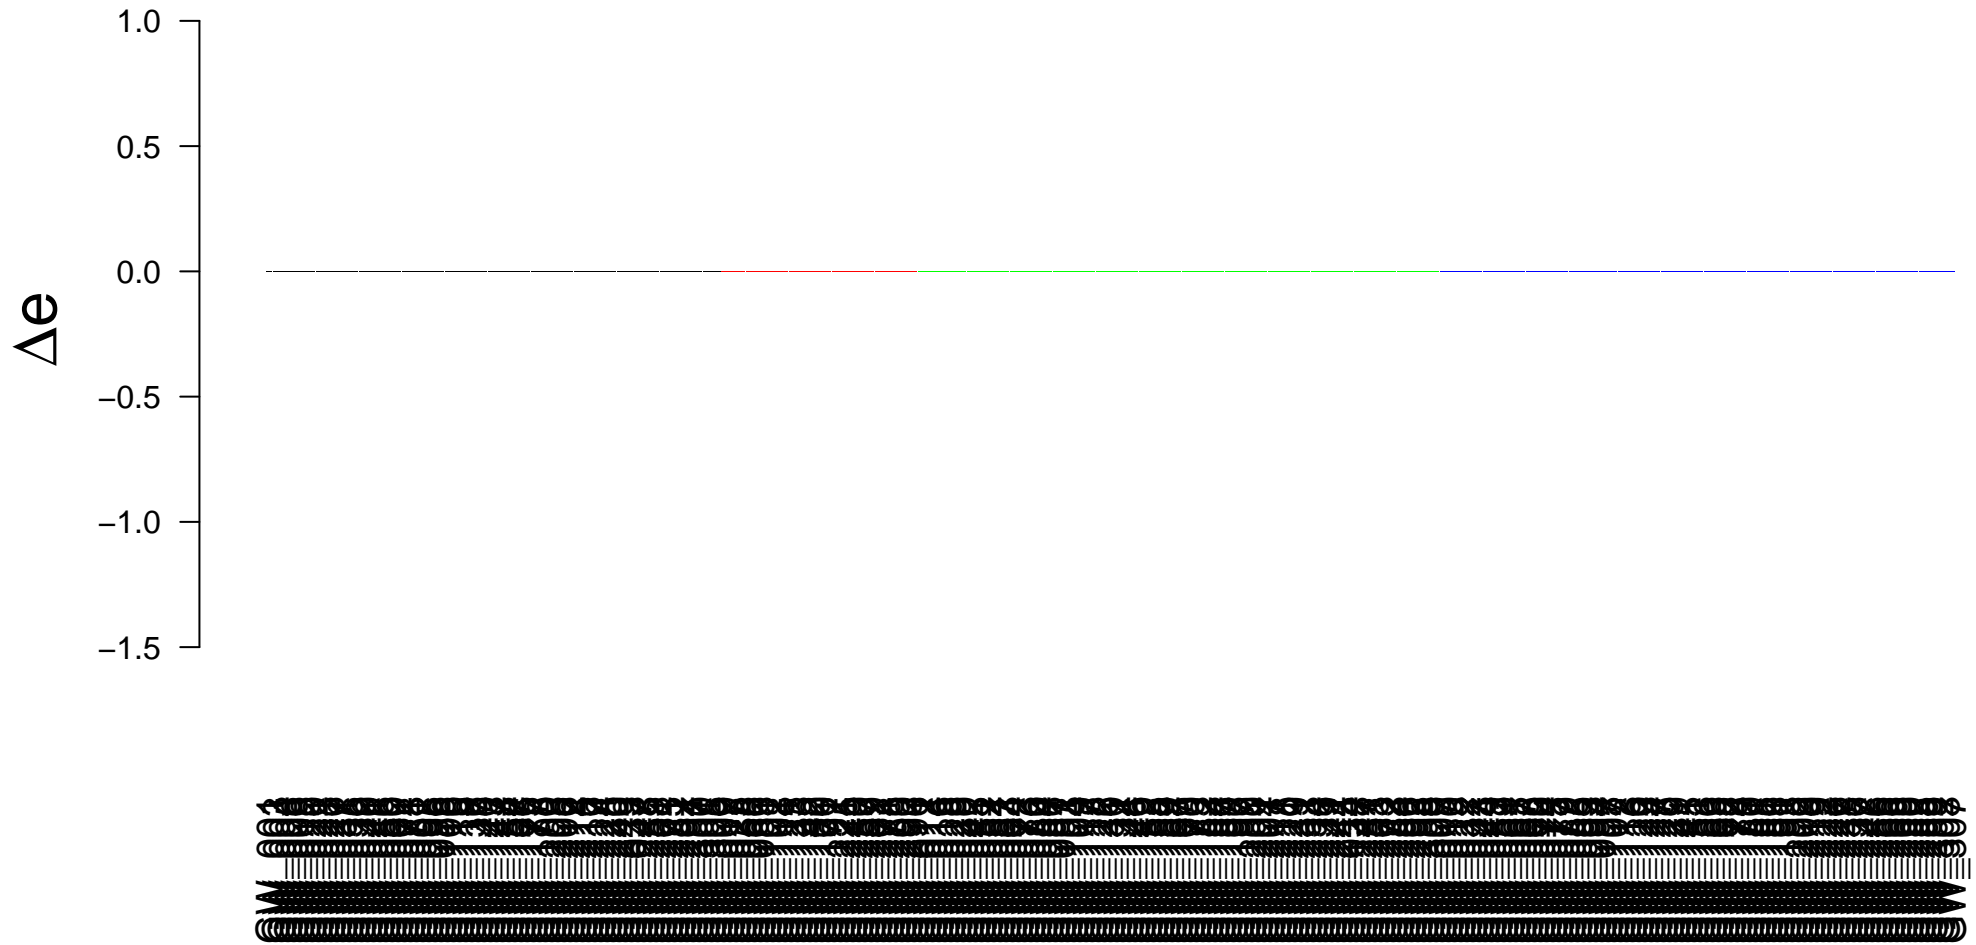

# Expression of neuron apoptotic process in Spot P

$\Delta e$

# Expression of neuron apoptotic process in Spot Q

# Expression of neuron apoptotic process in Spot R

$\Delta e$
