

neuron development

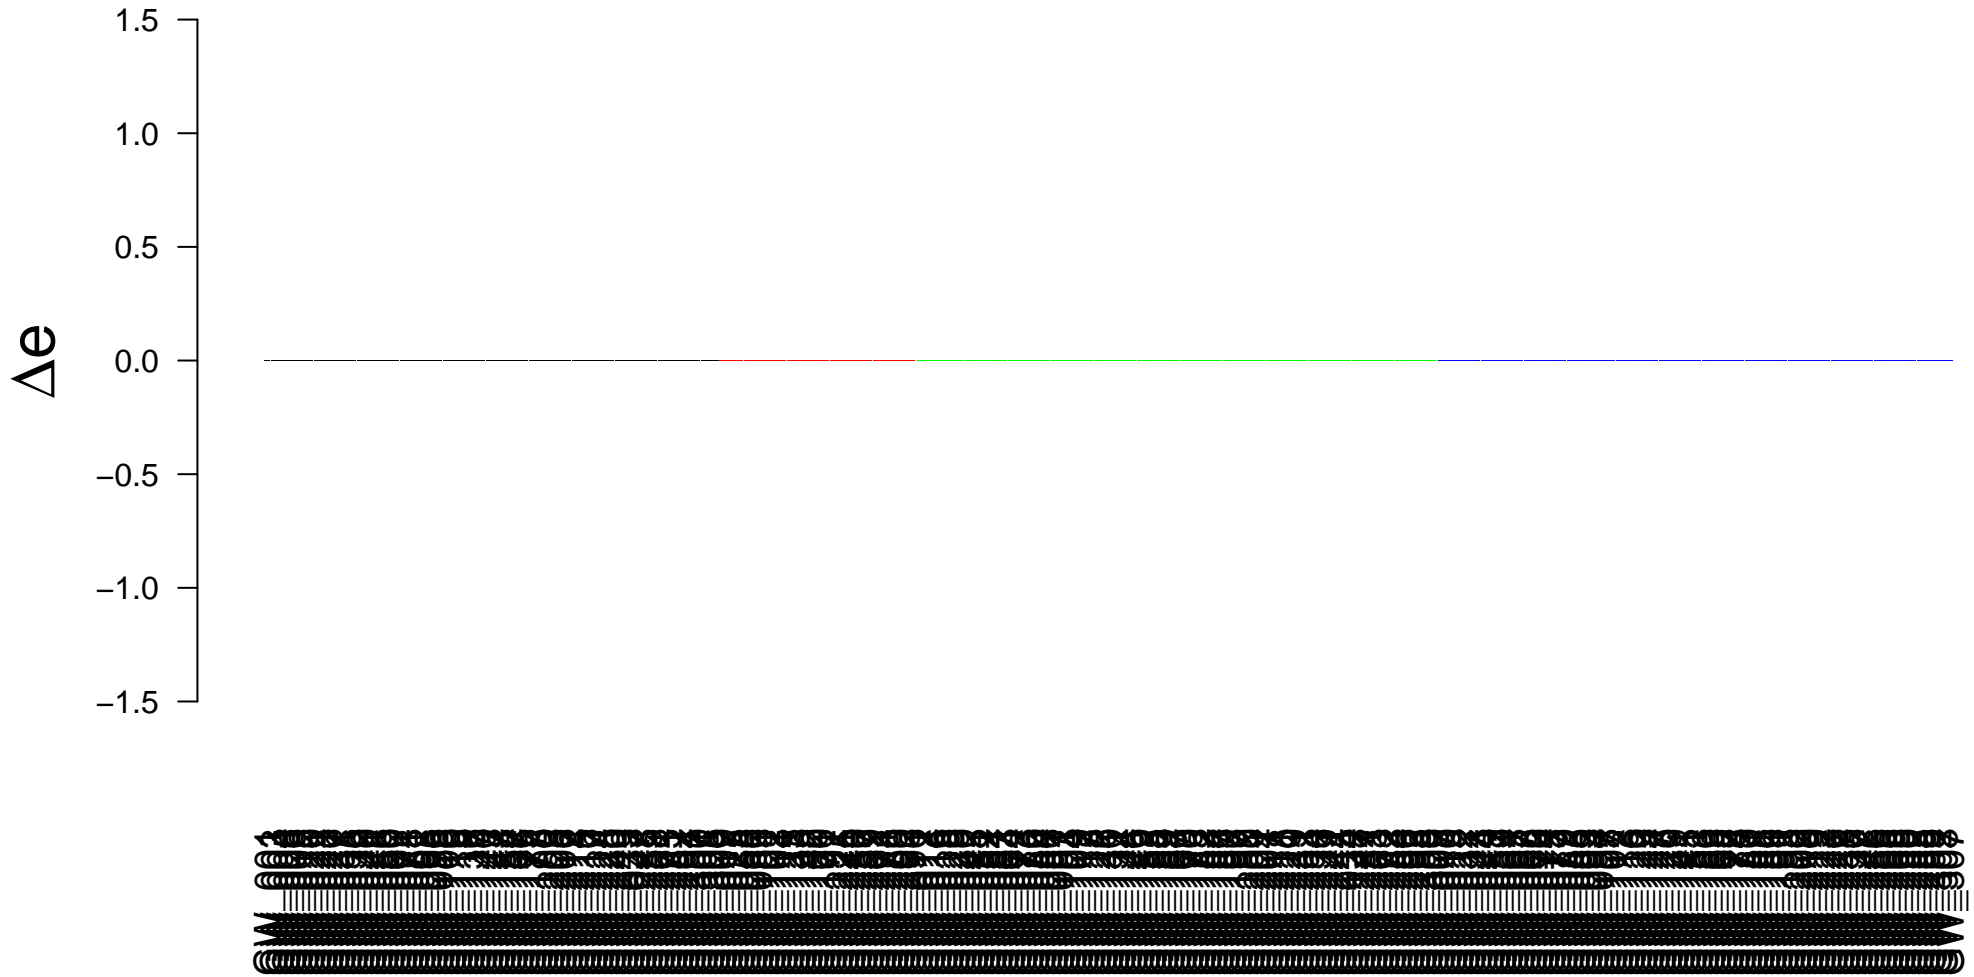

neuron development

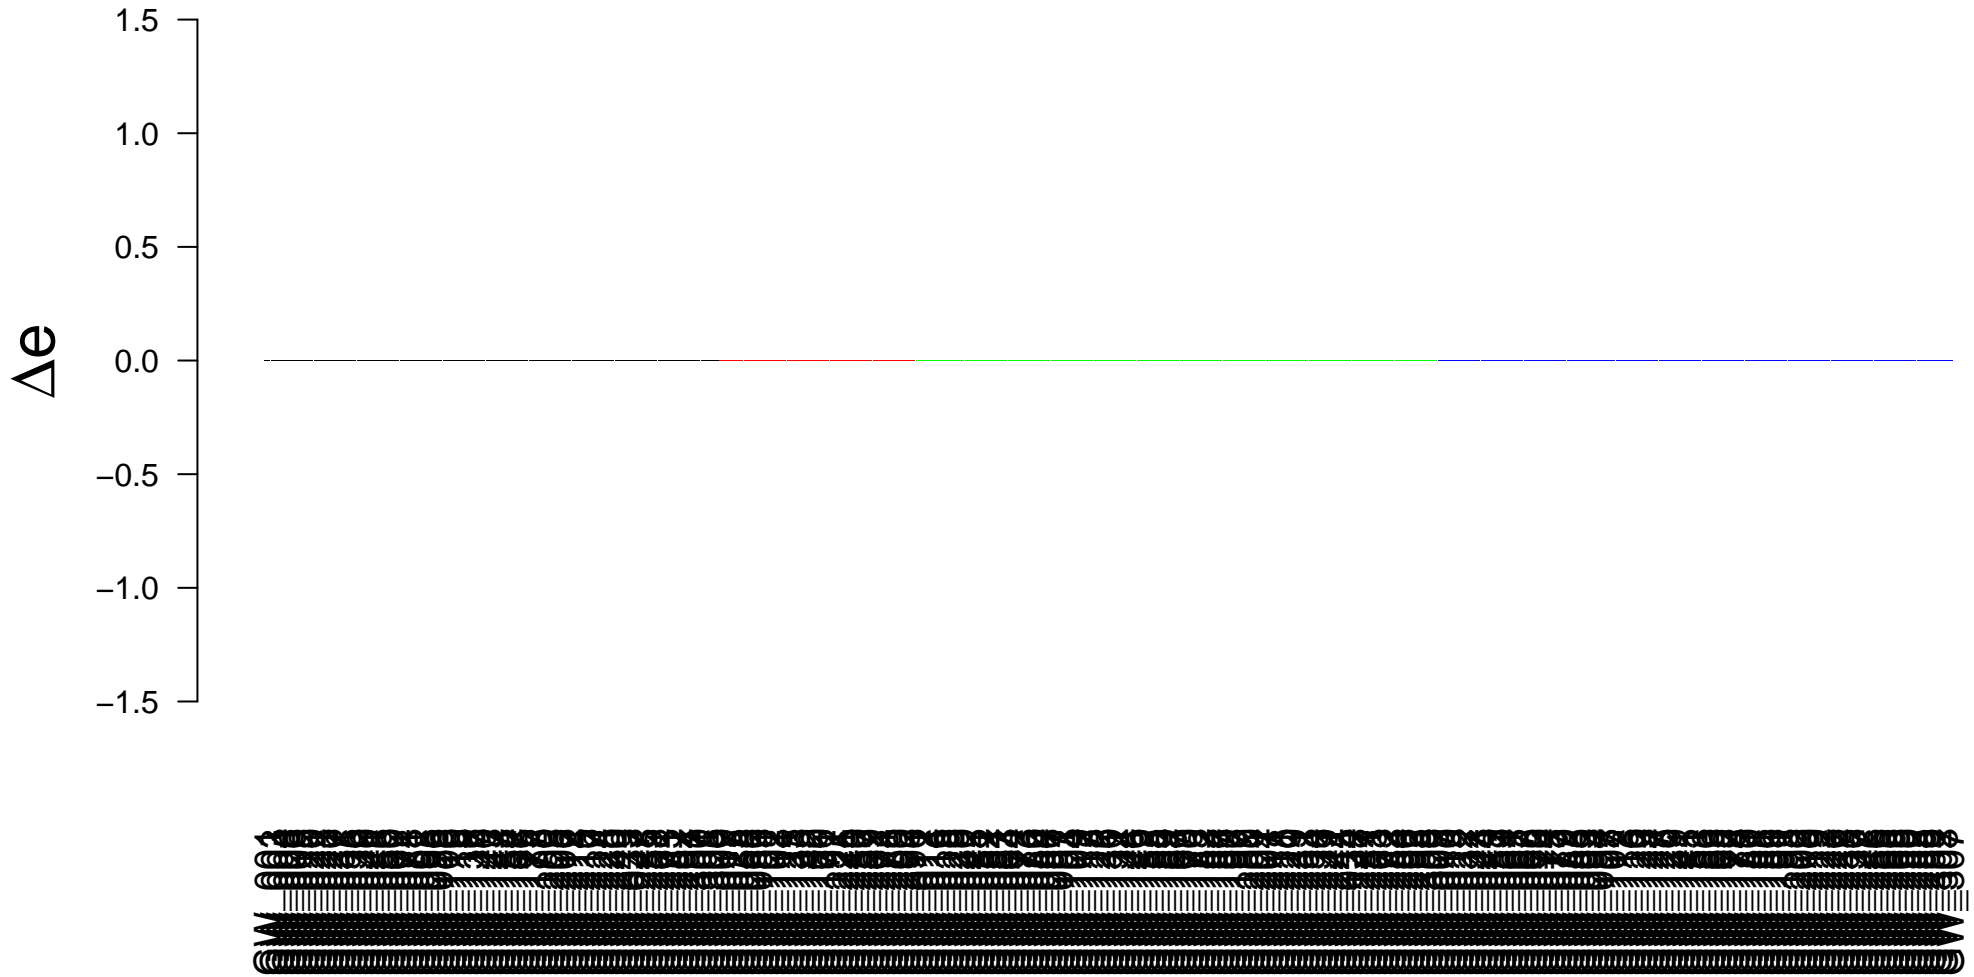

Enrichment in spots: neuron development

Expression of neuron development in Spot A

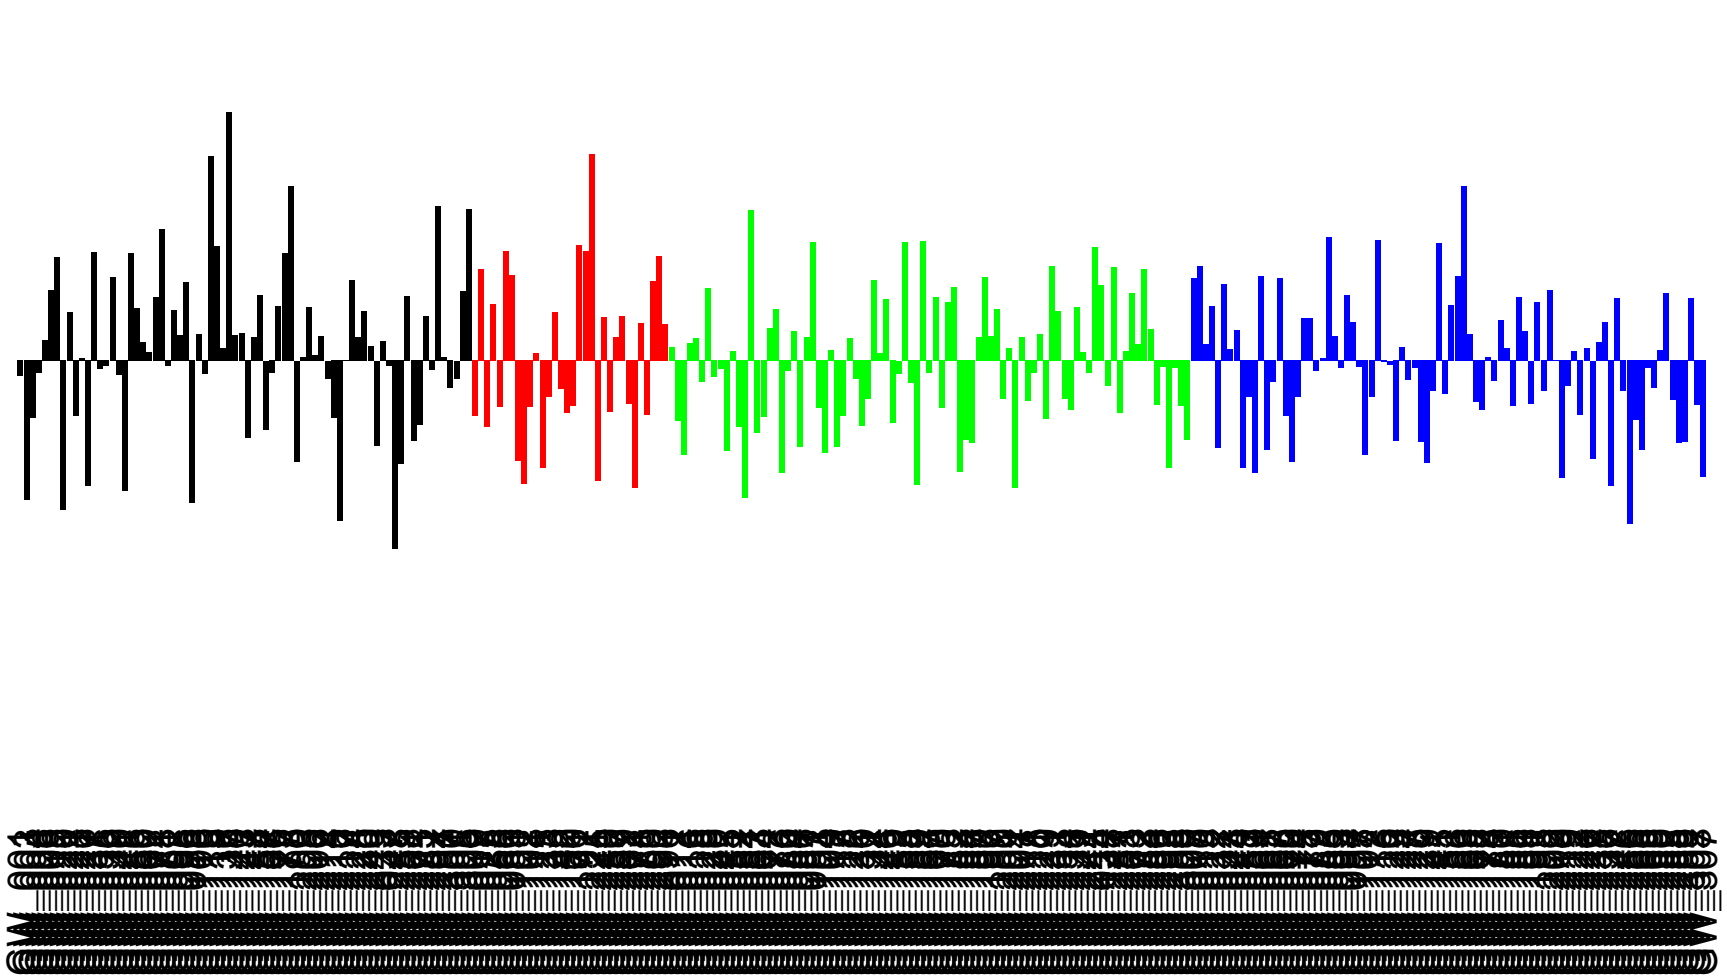

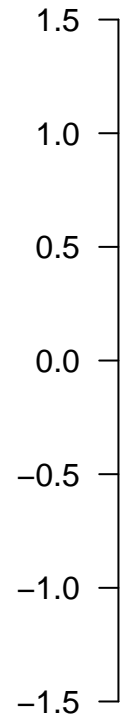

Expression of neuron development in Spot B

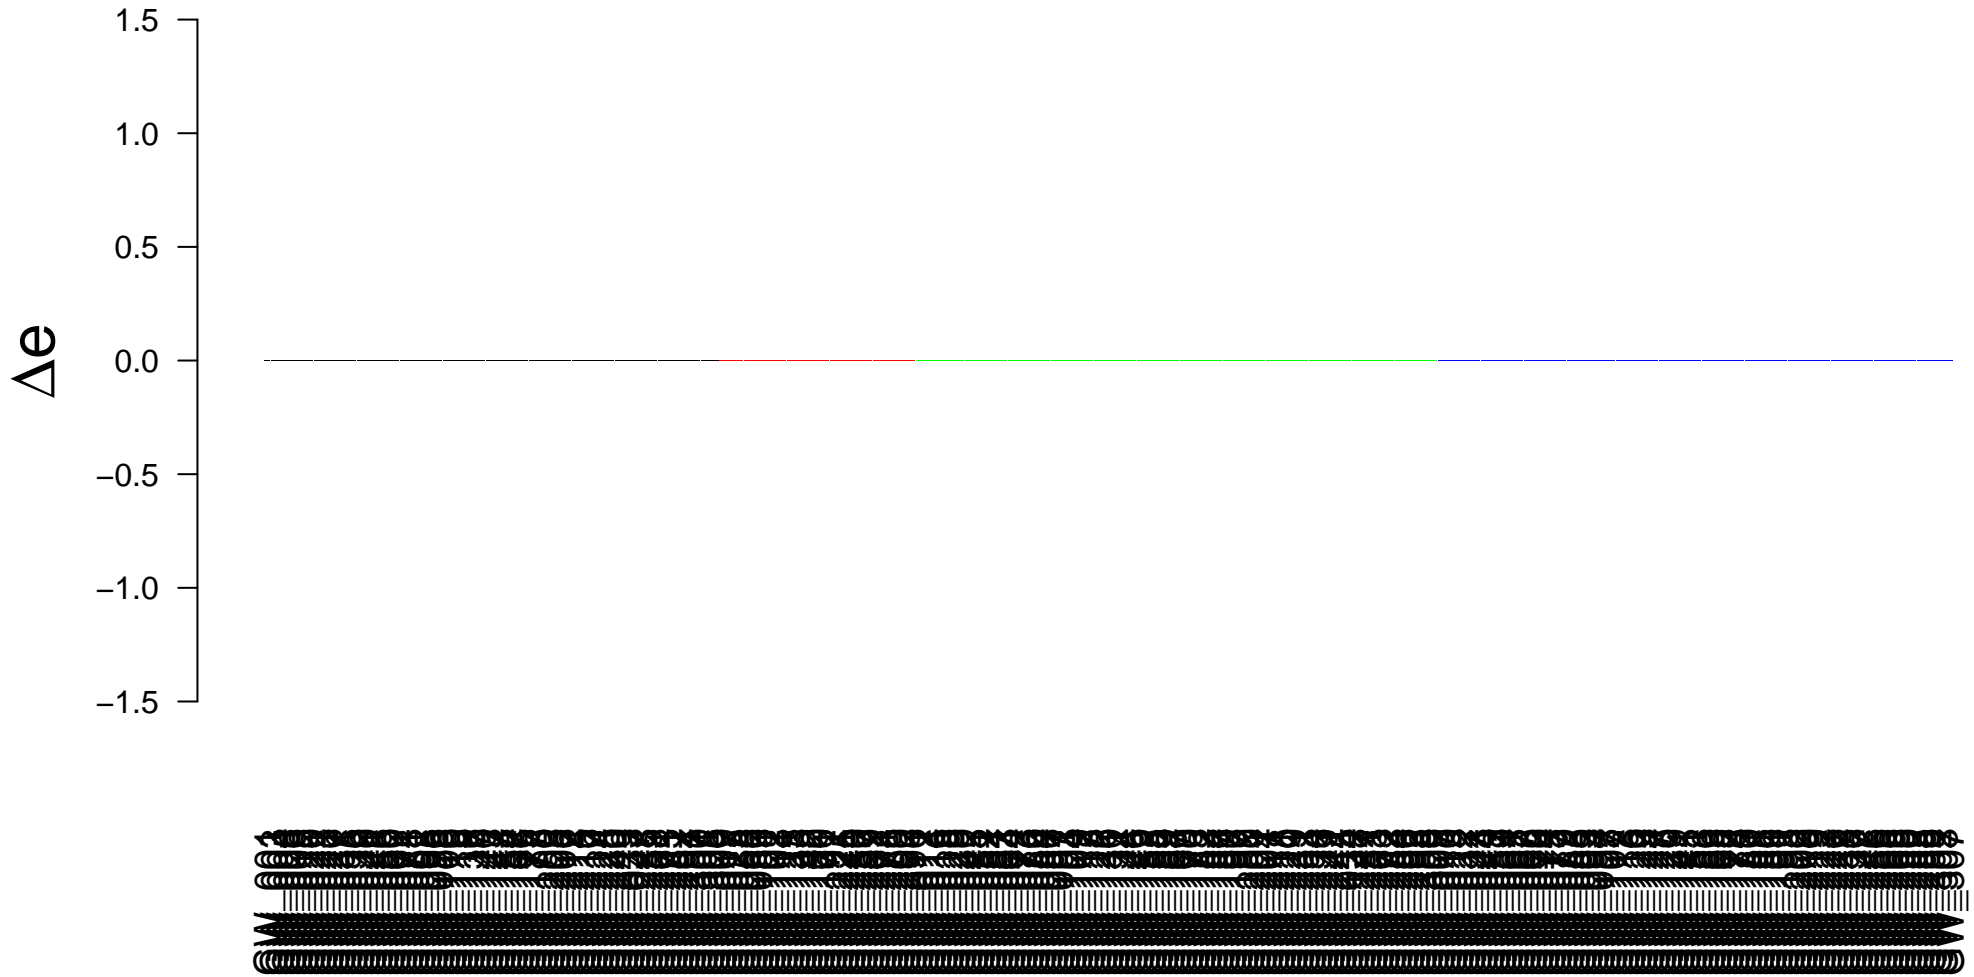

Expression of neuron development in Spot C

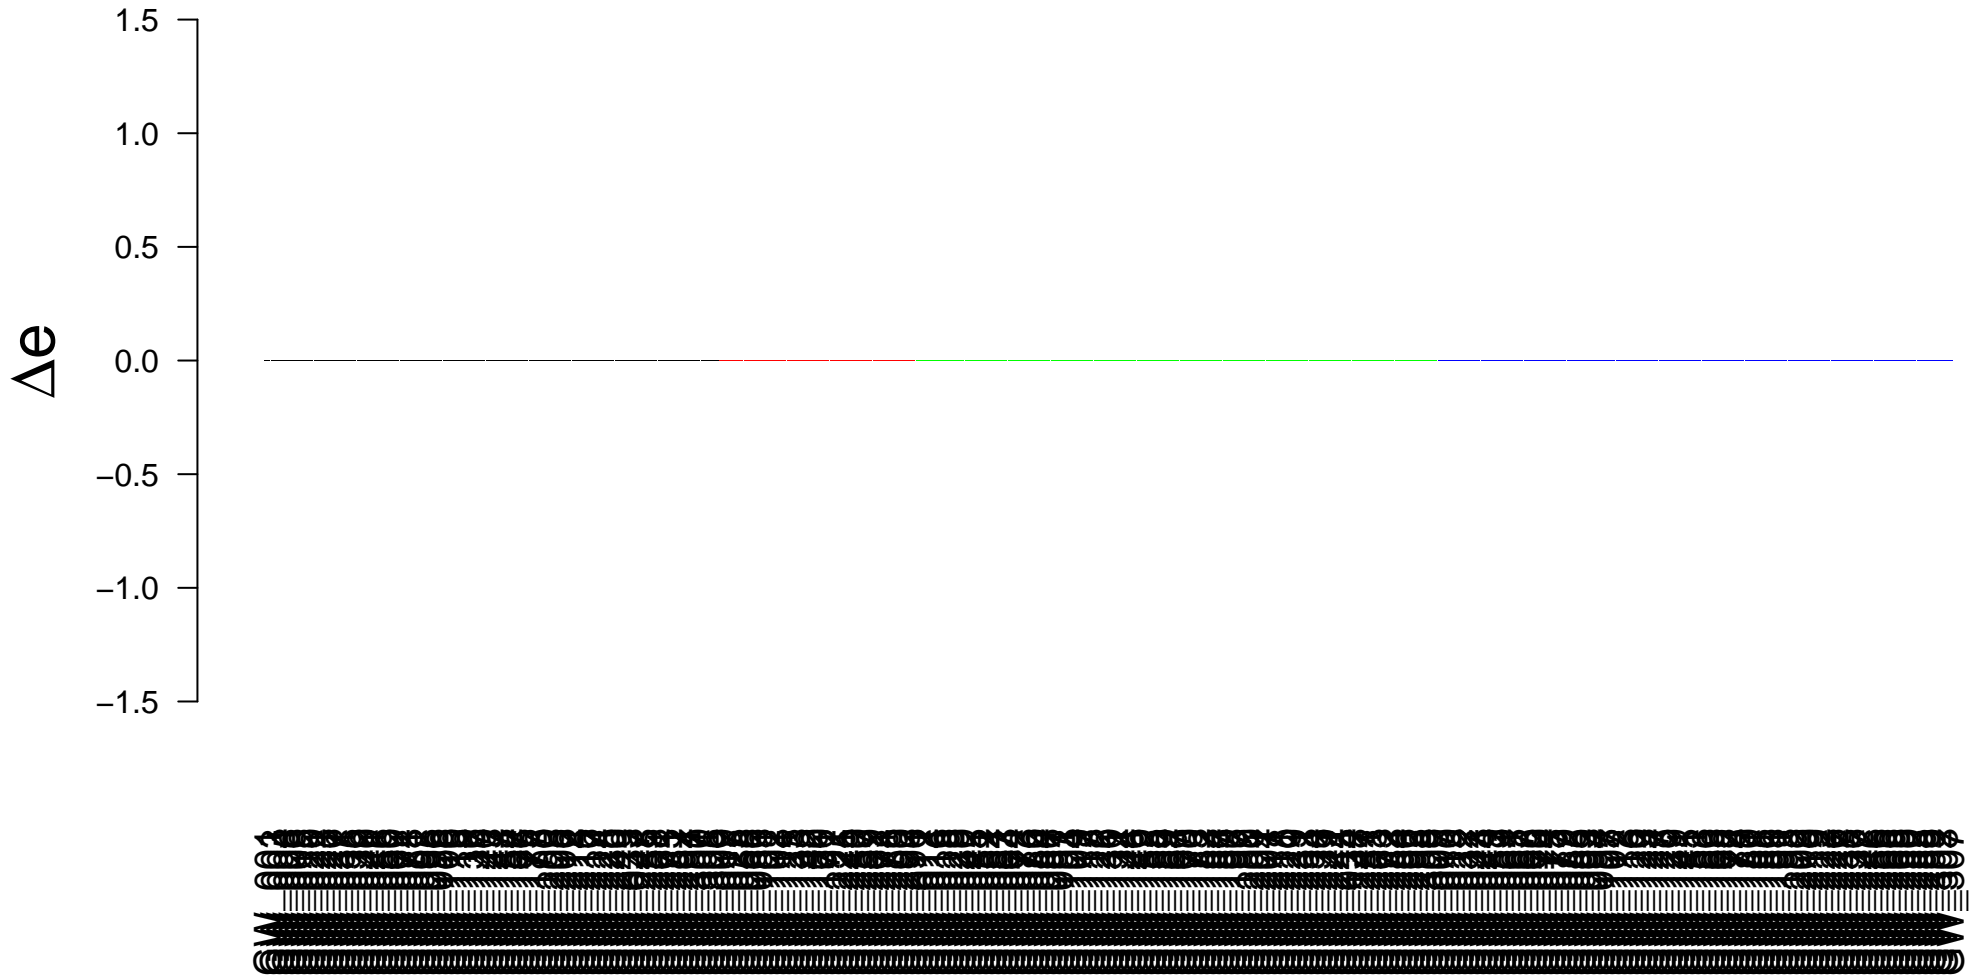

Δe

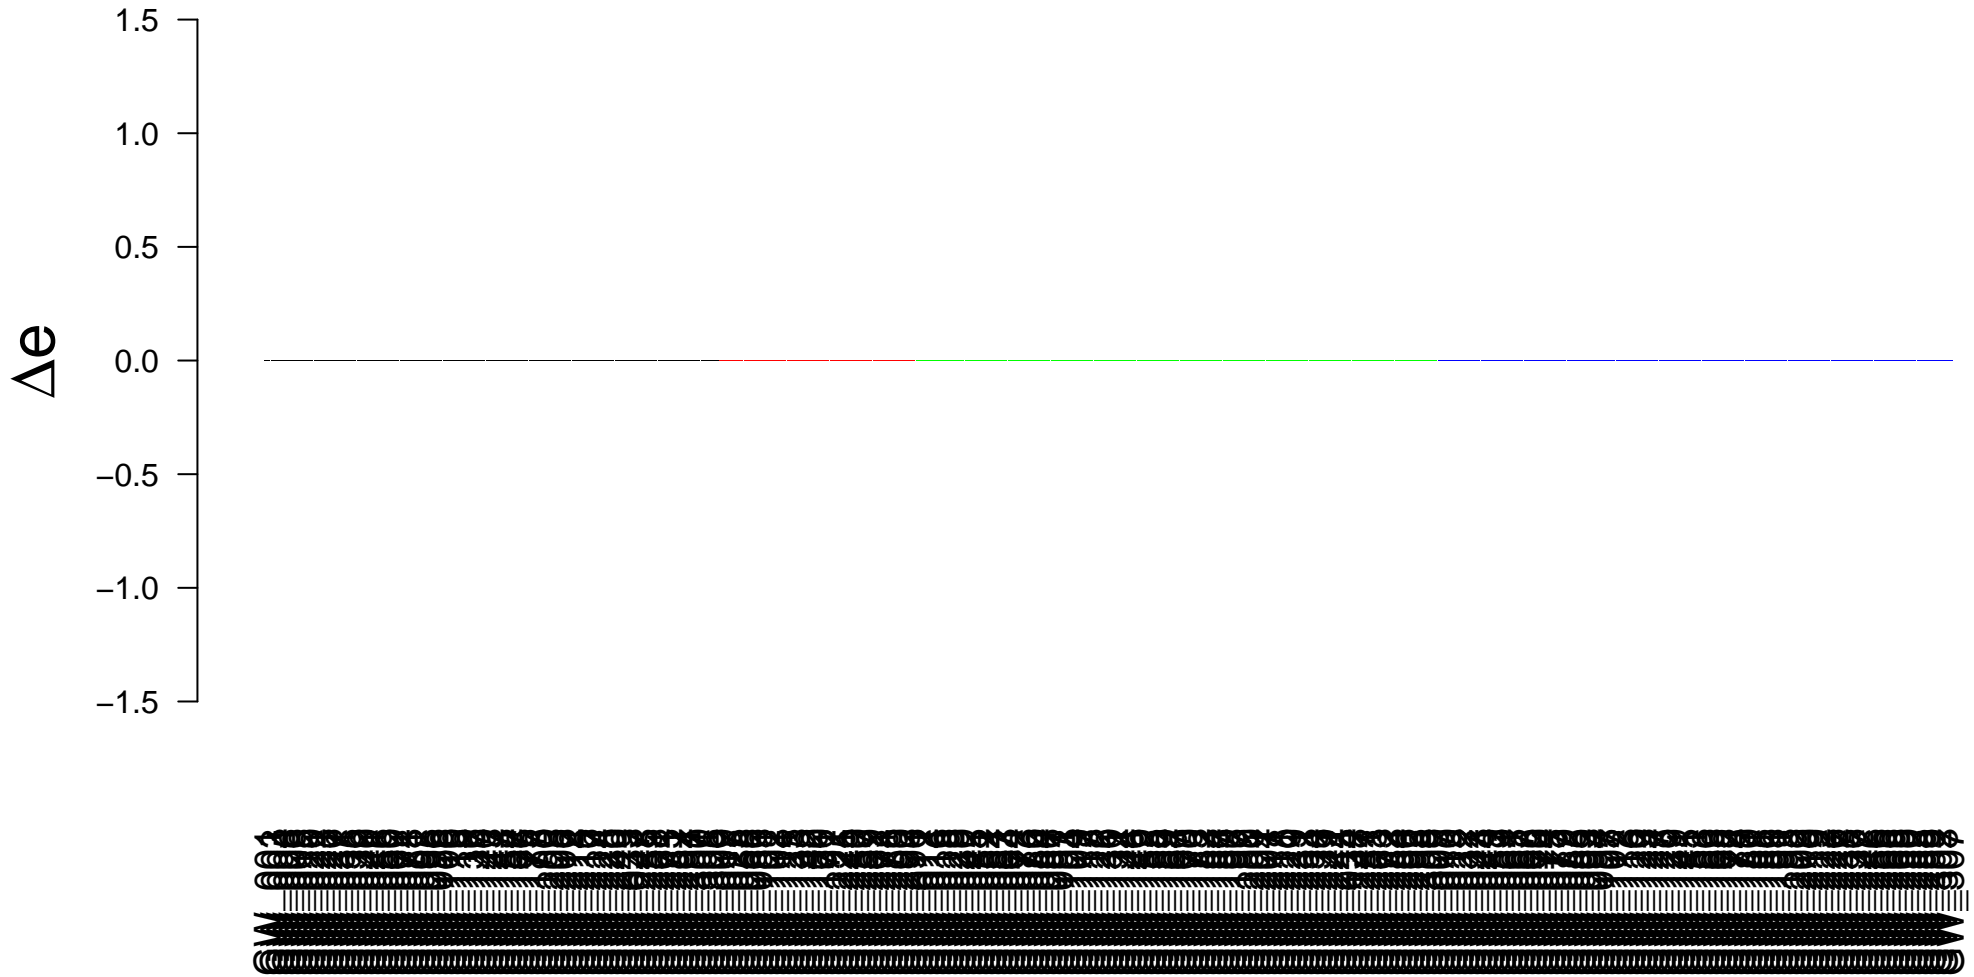

Expression of neuron development in Spot D

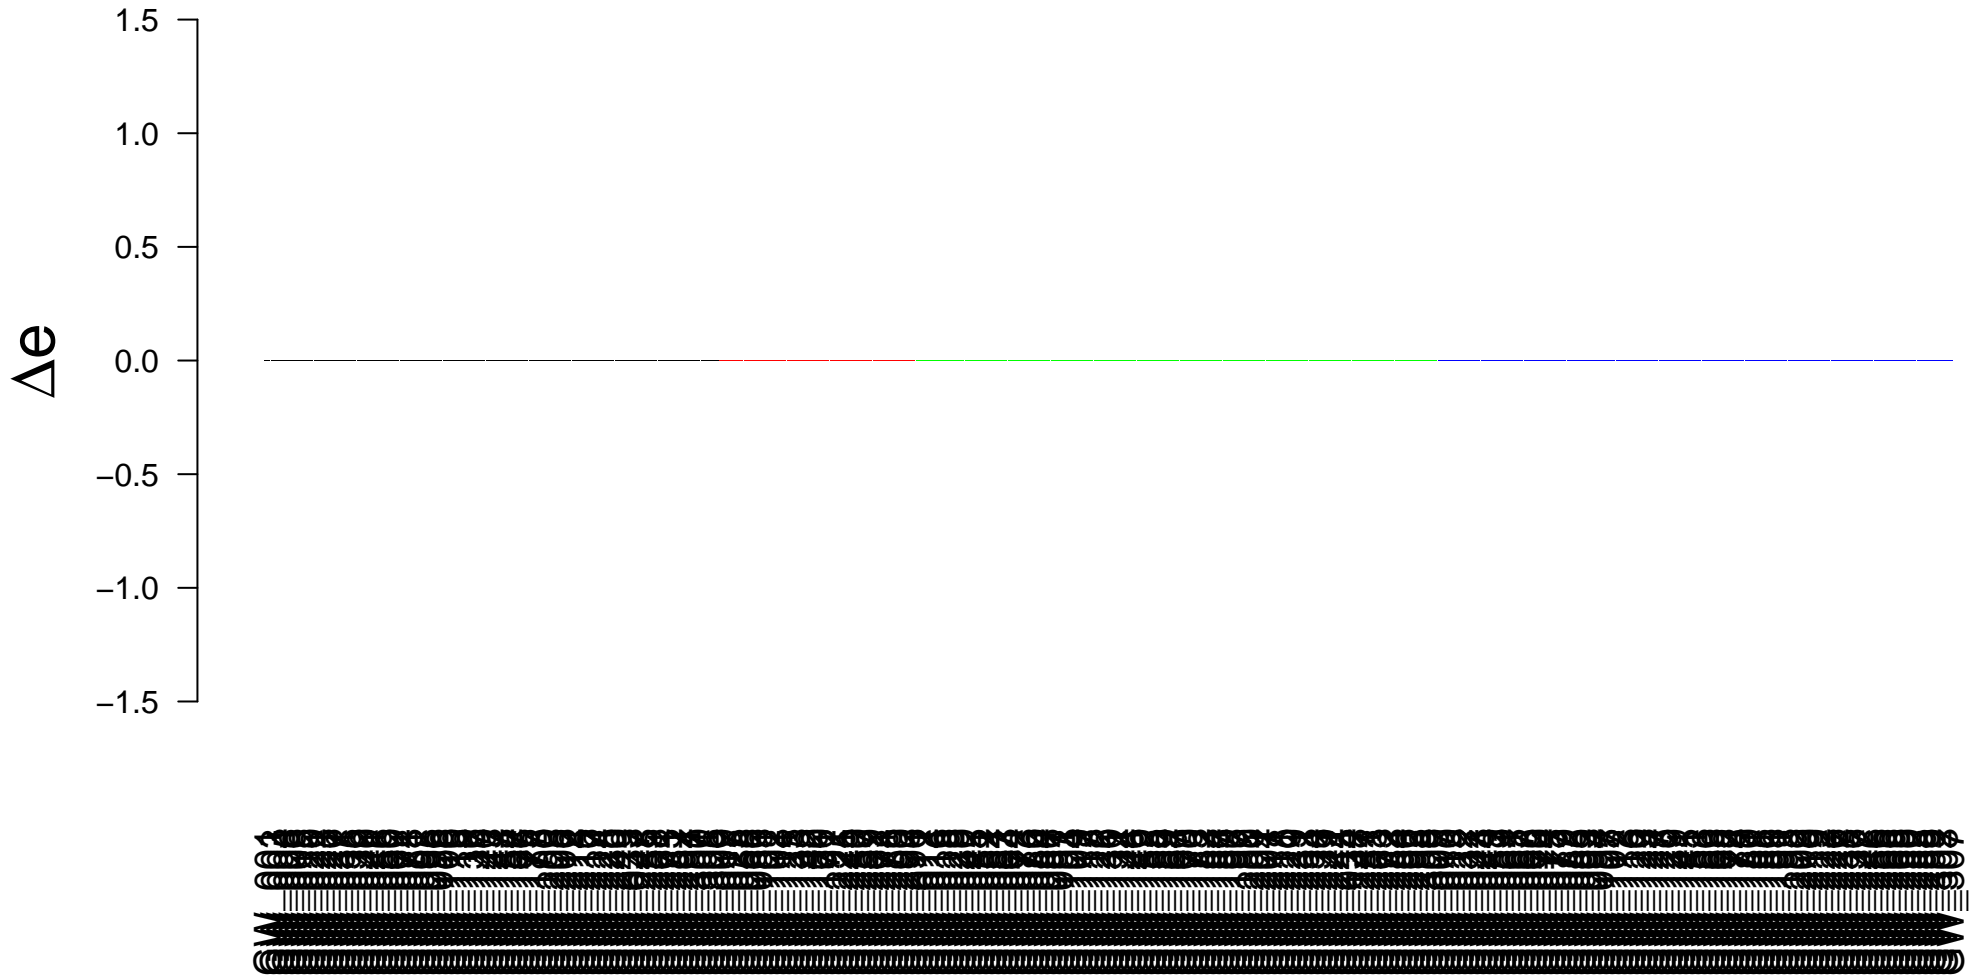

Expression of neuron development in Spot E

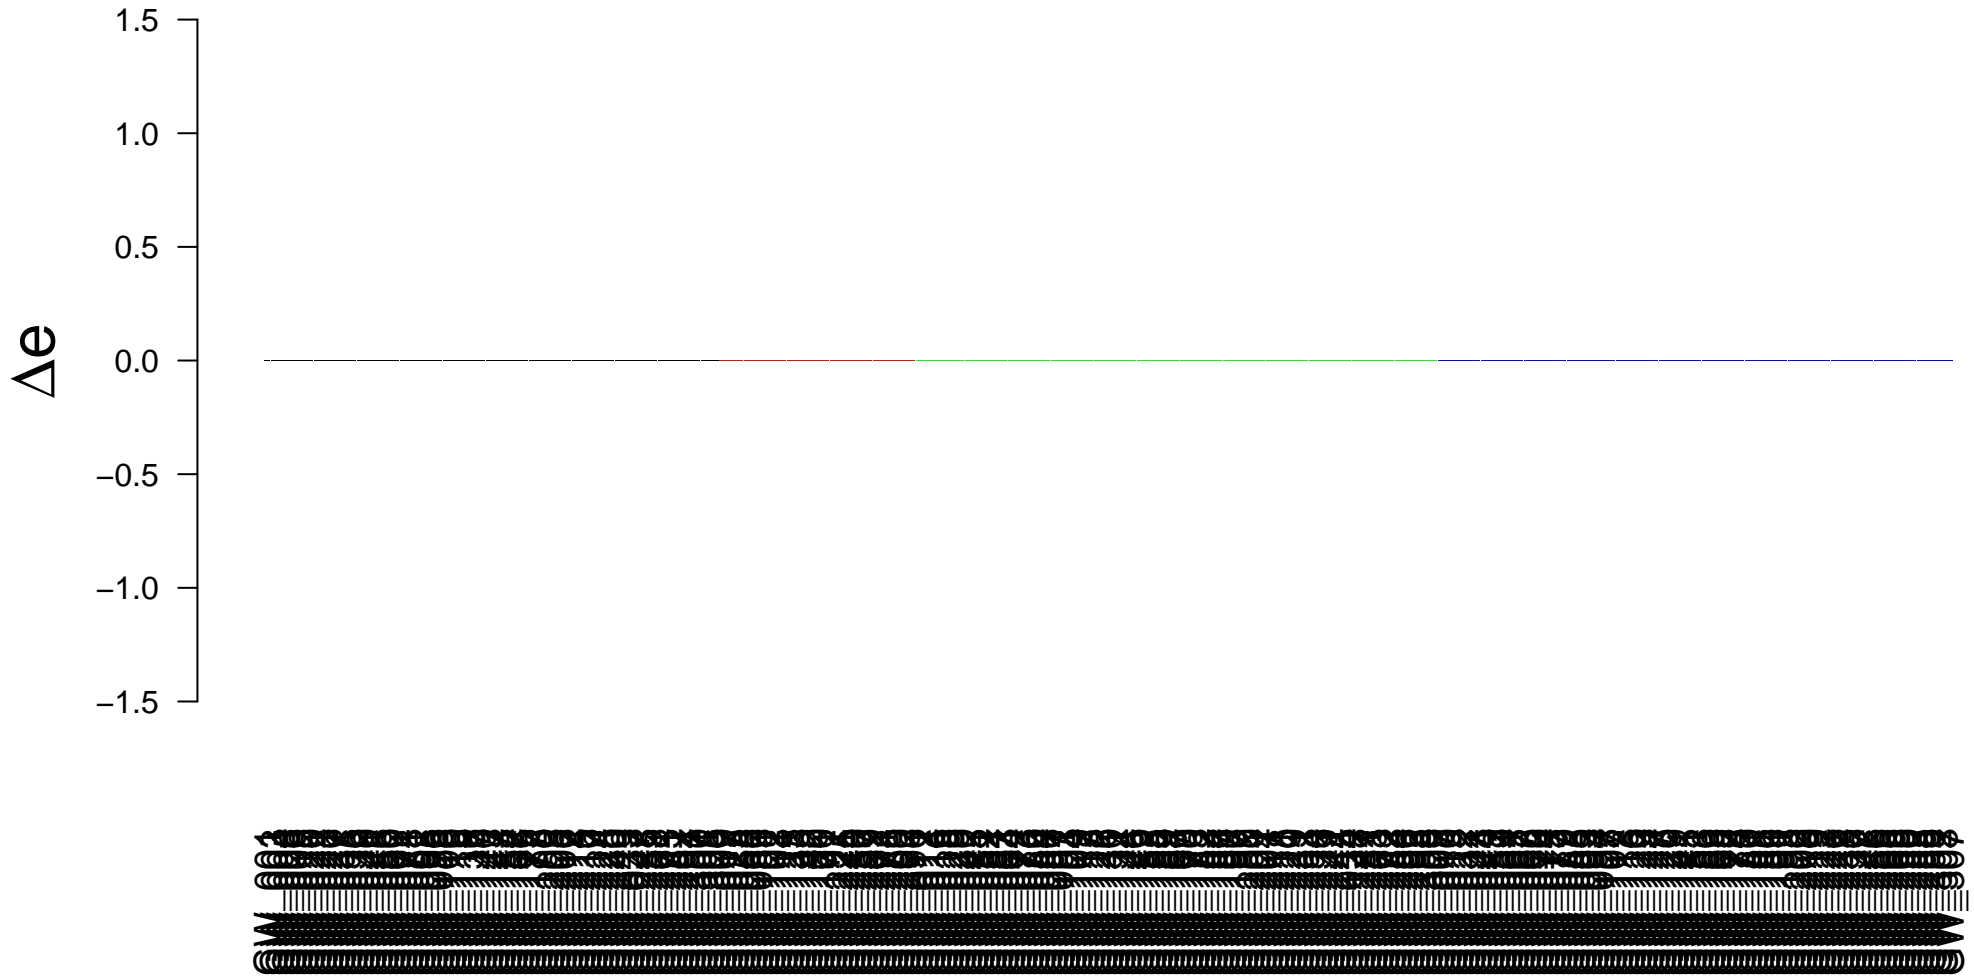

Expression of neuron development in Spot F

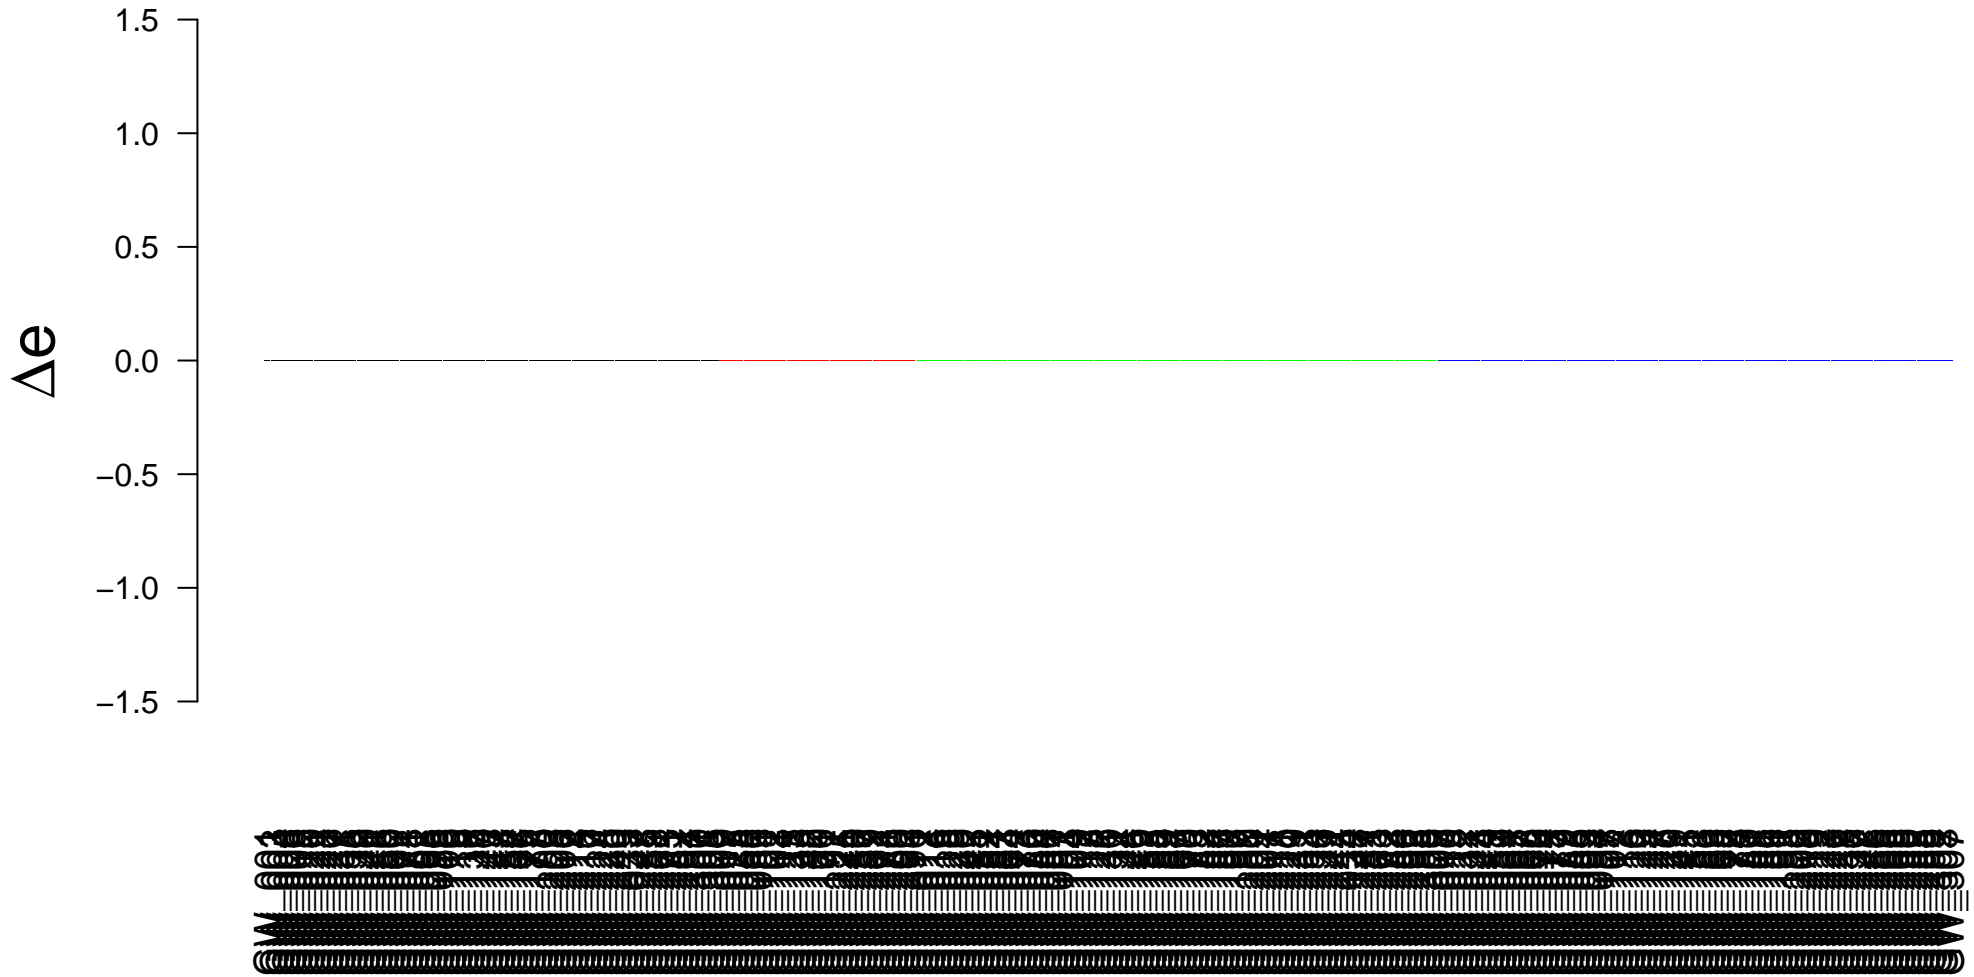

Expression of neuron development in Spot G

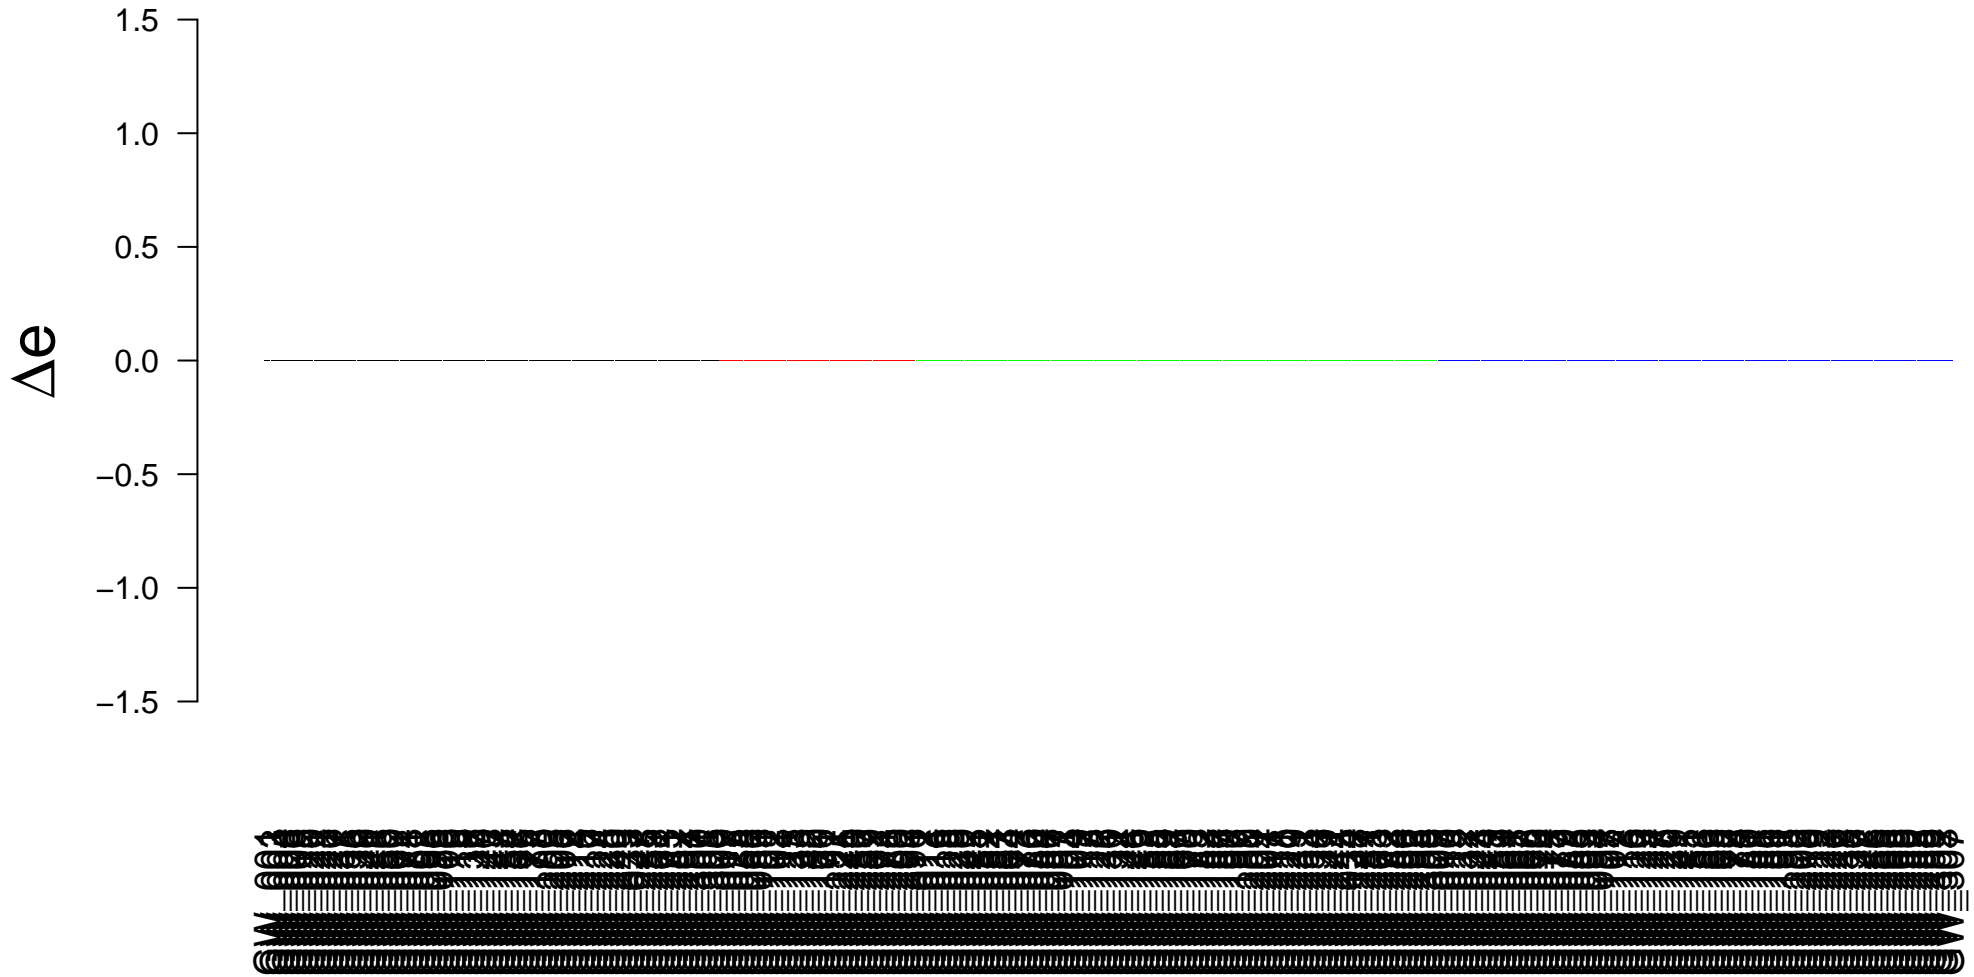

Expression of neuron development in Spot H

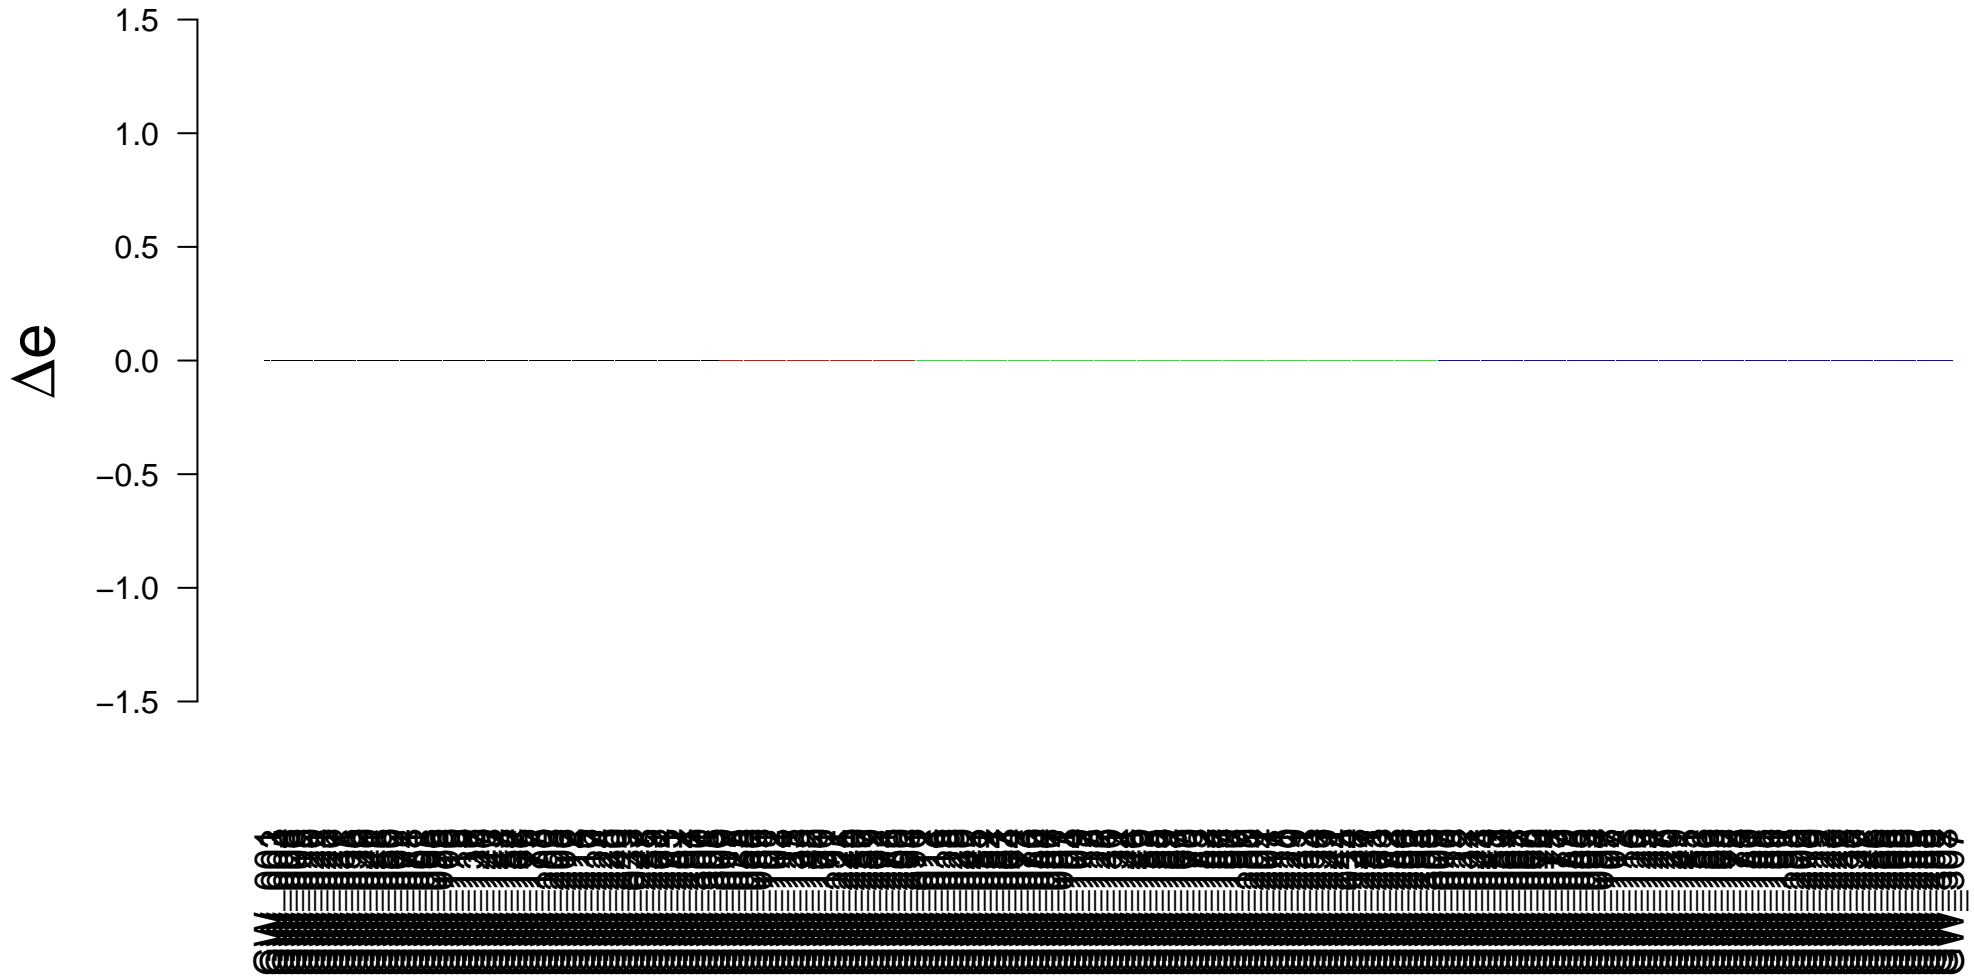

Expression of neuron development in Spot I

Expression of neuron development in Spot J

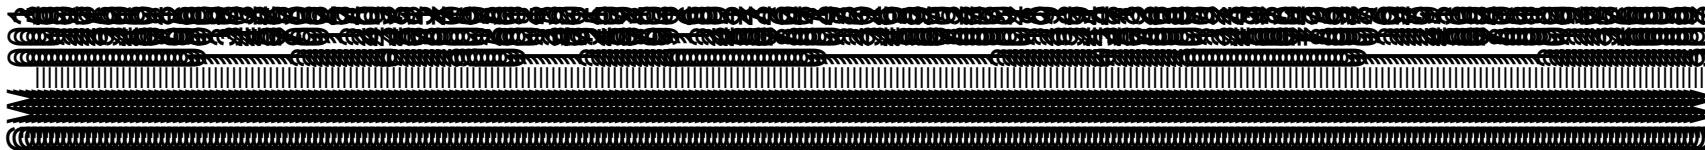

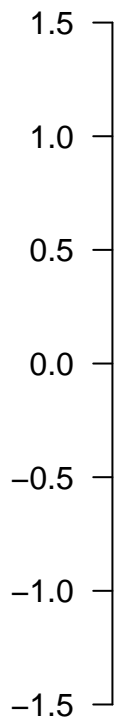

Expression of neuron development in Spot K

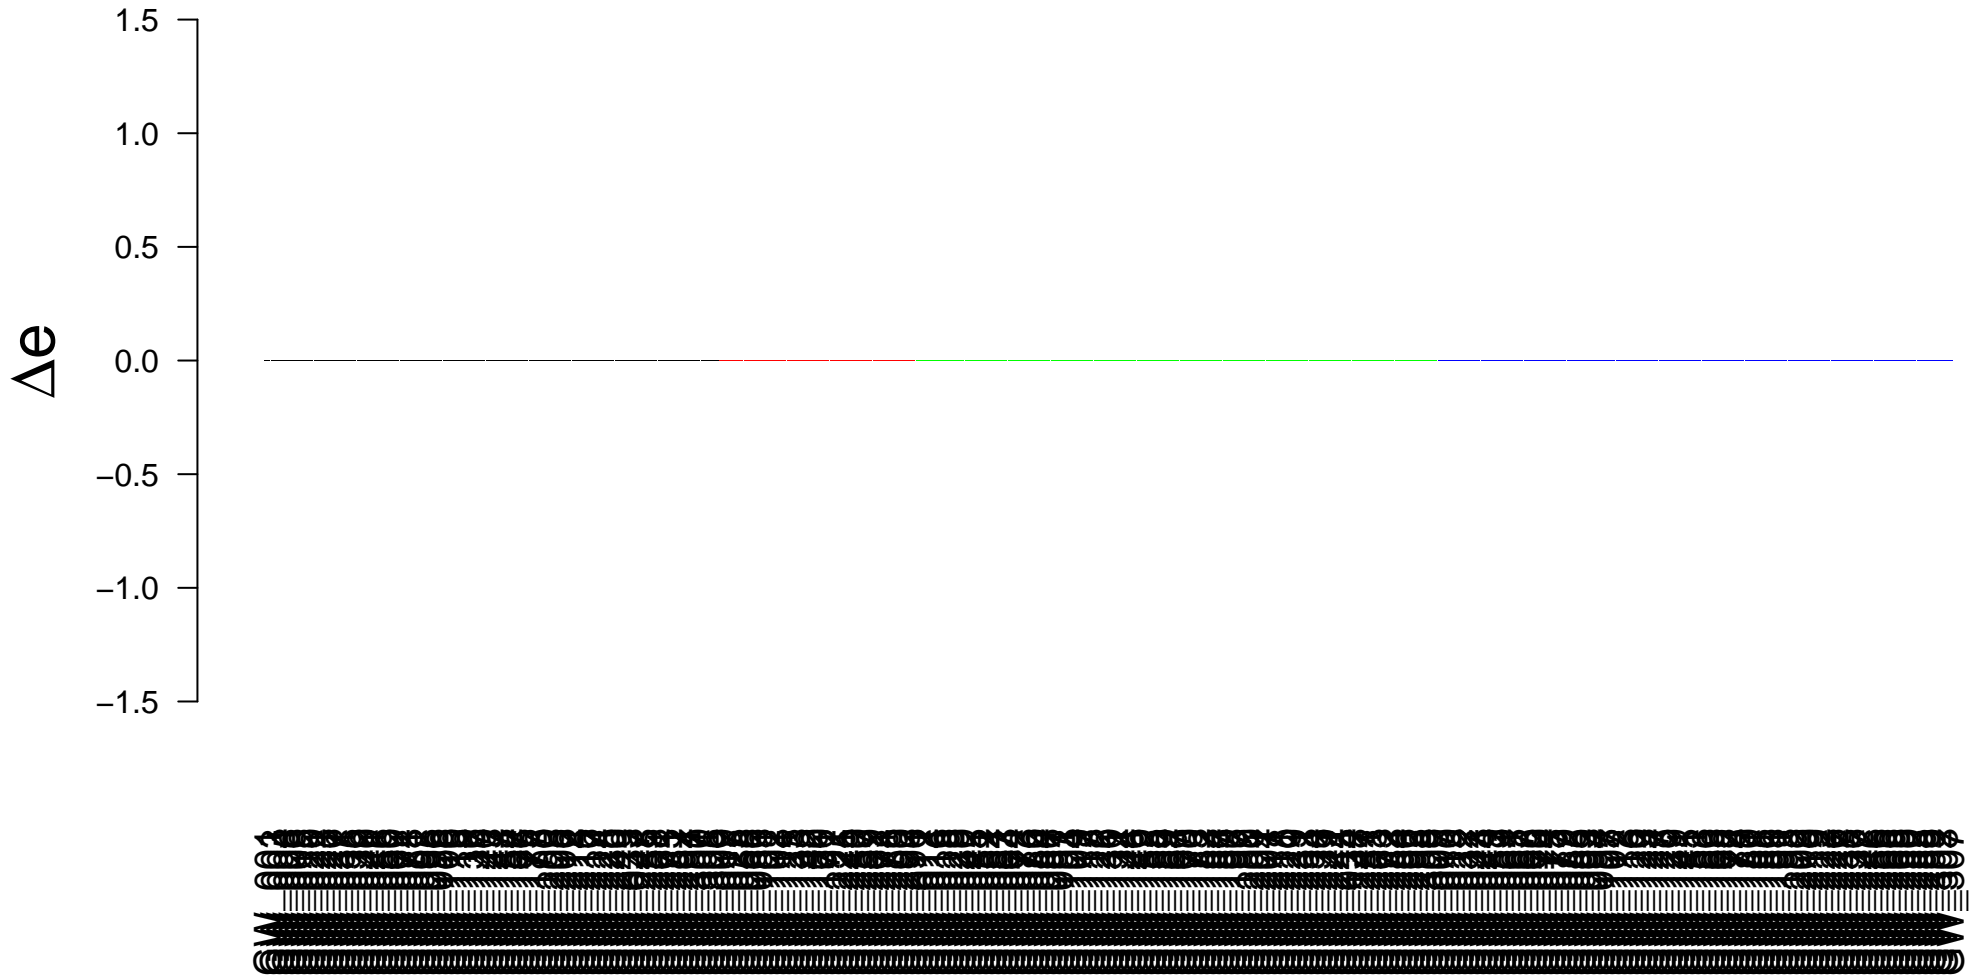

Expression of neuron development in Spot L

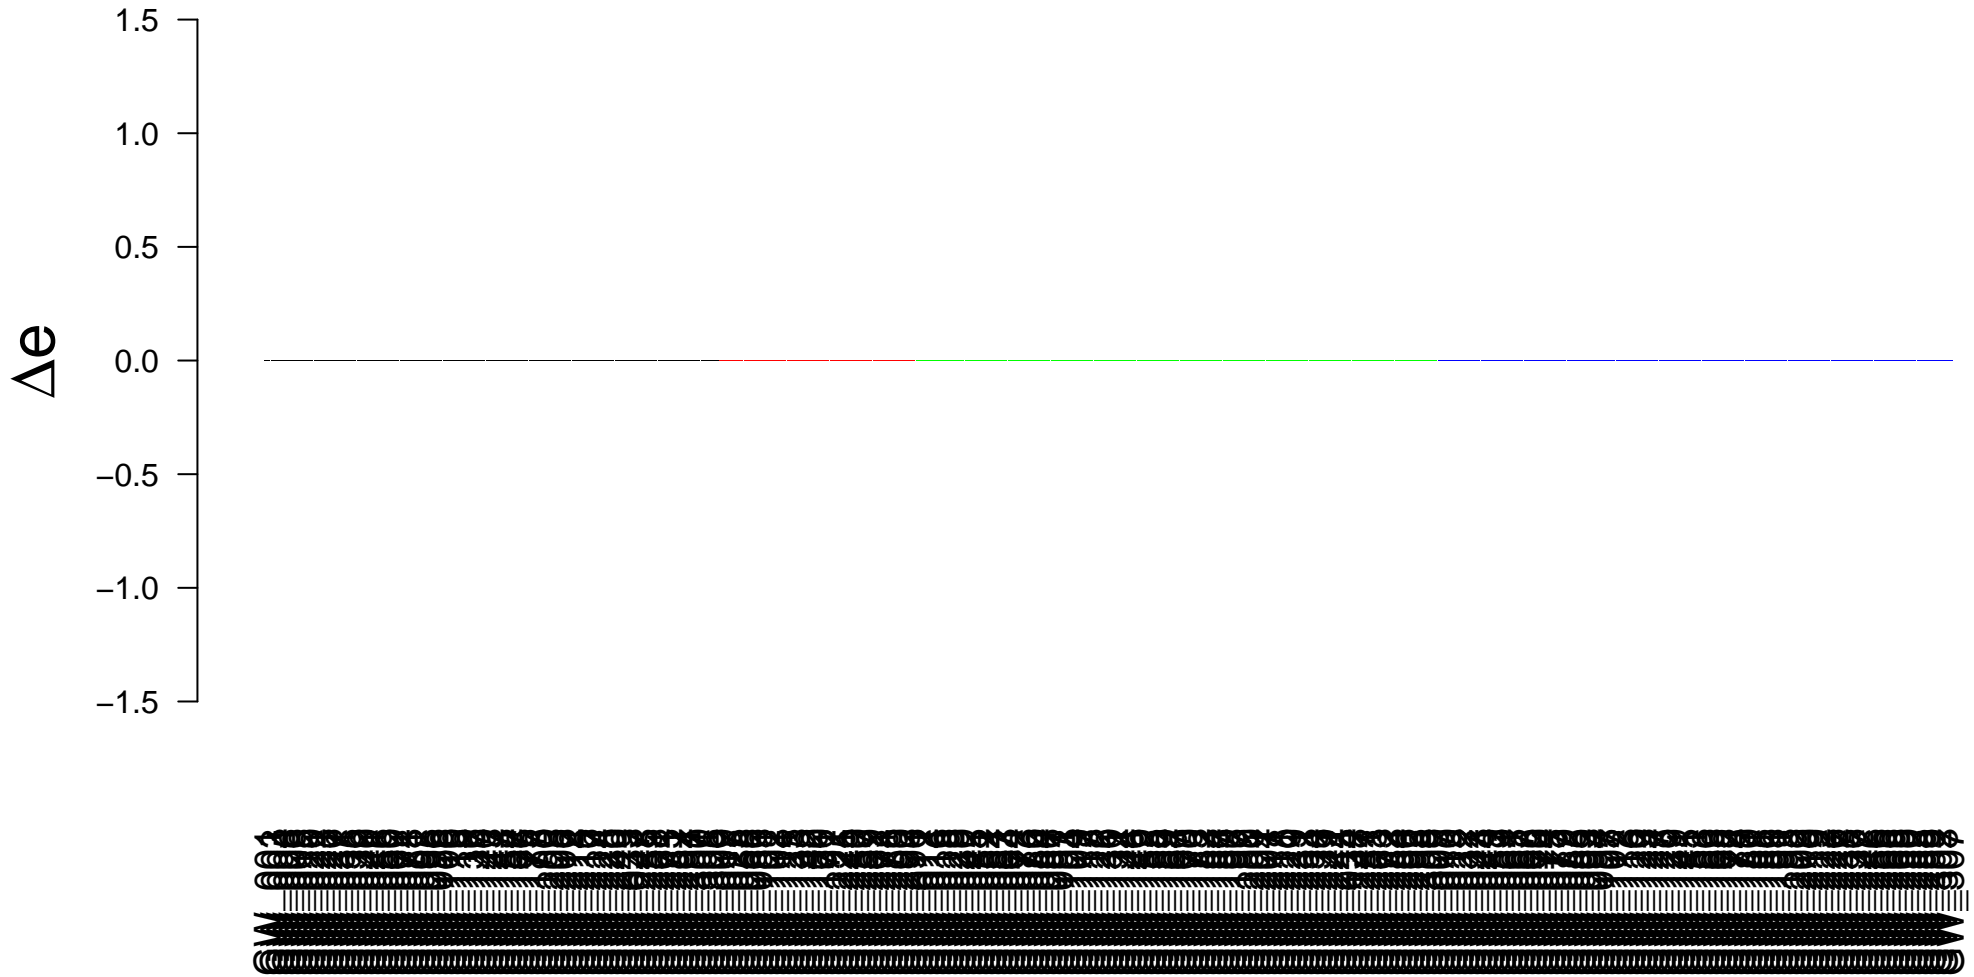

Δe

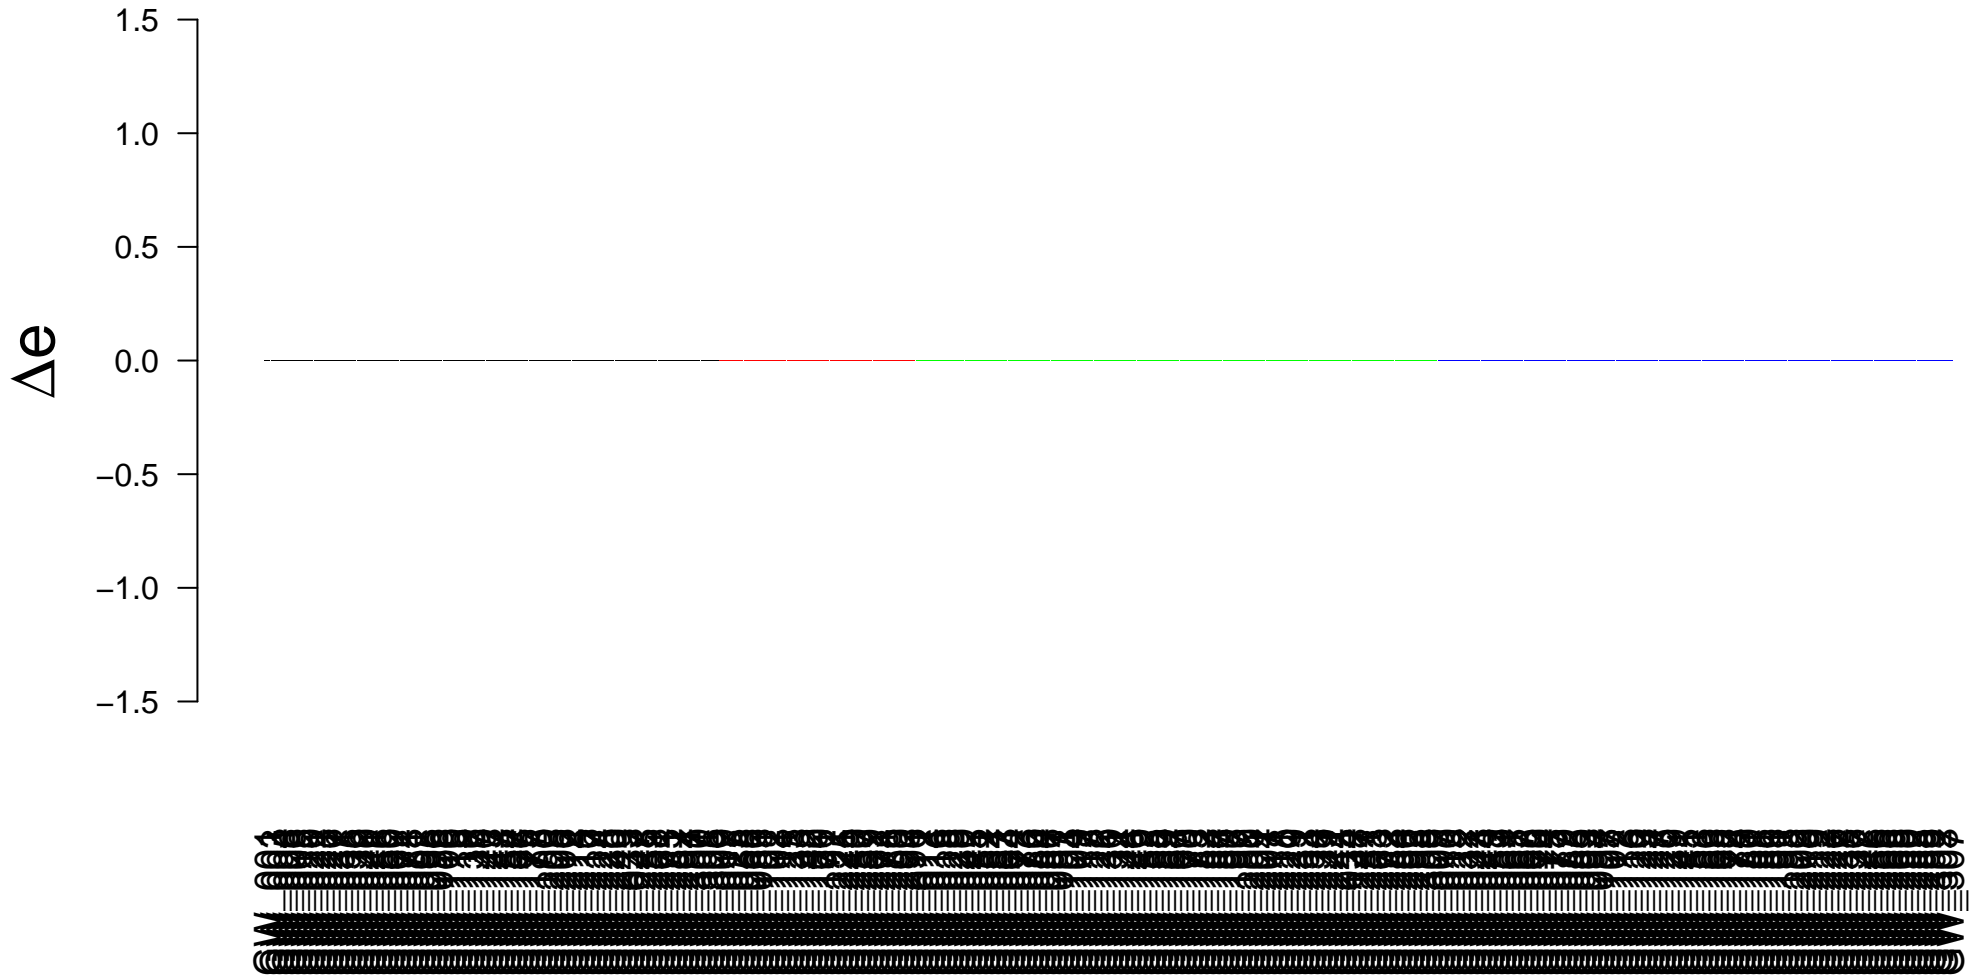

Expression of neuron development in Spot M

Expression of neuron development in Spot N

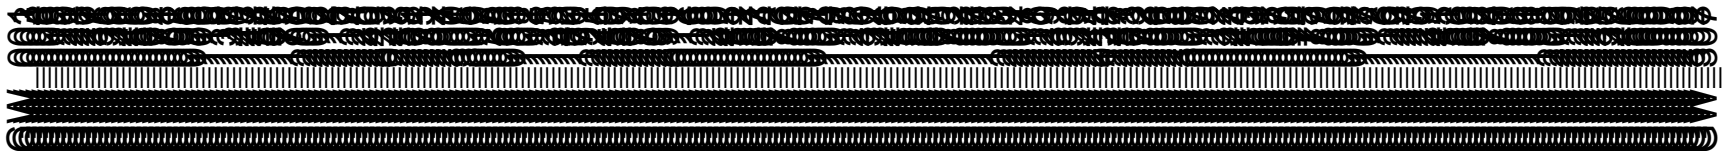

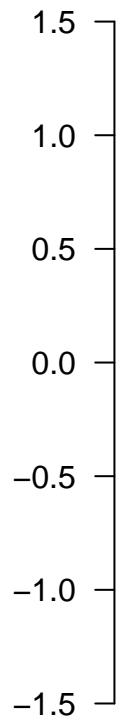

Expression of neuron development in Spot O

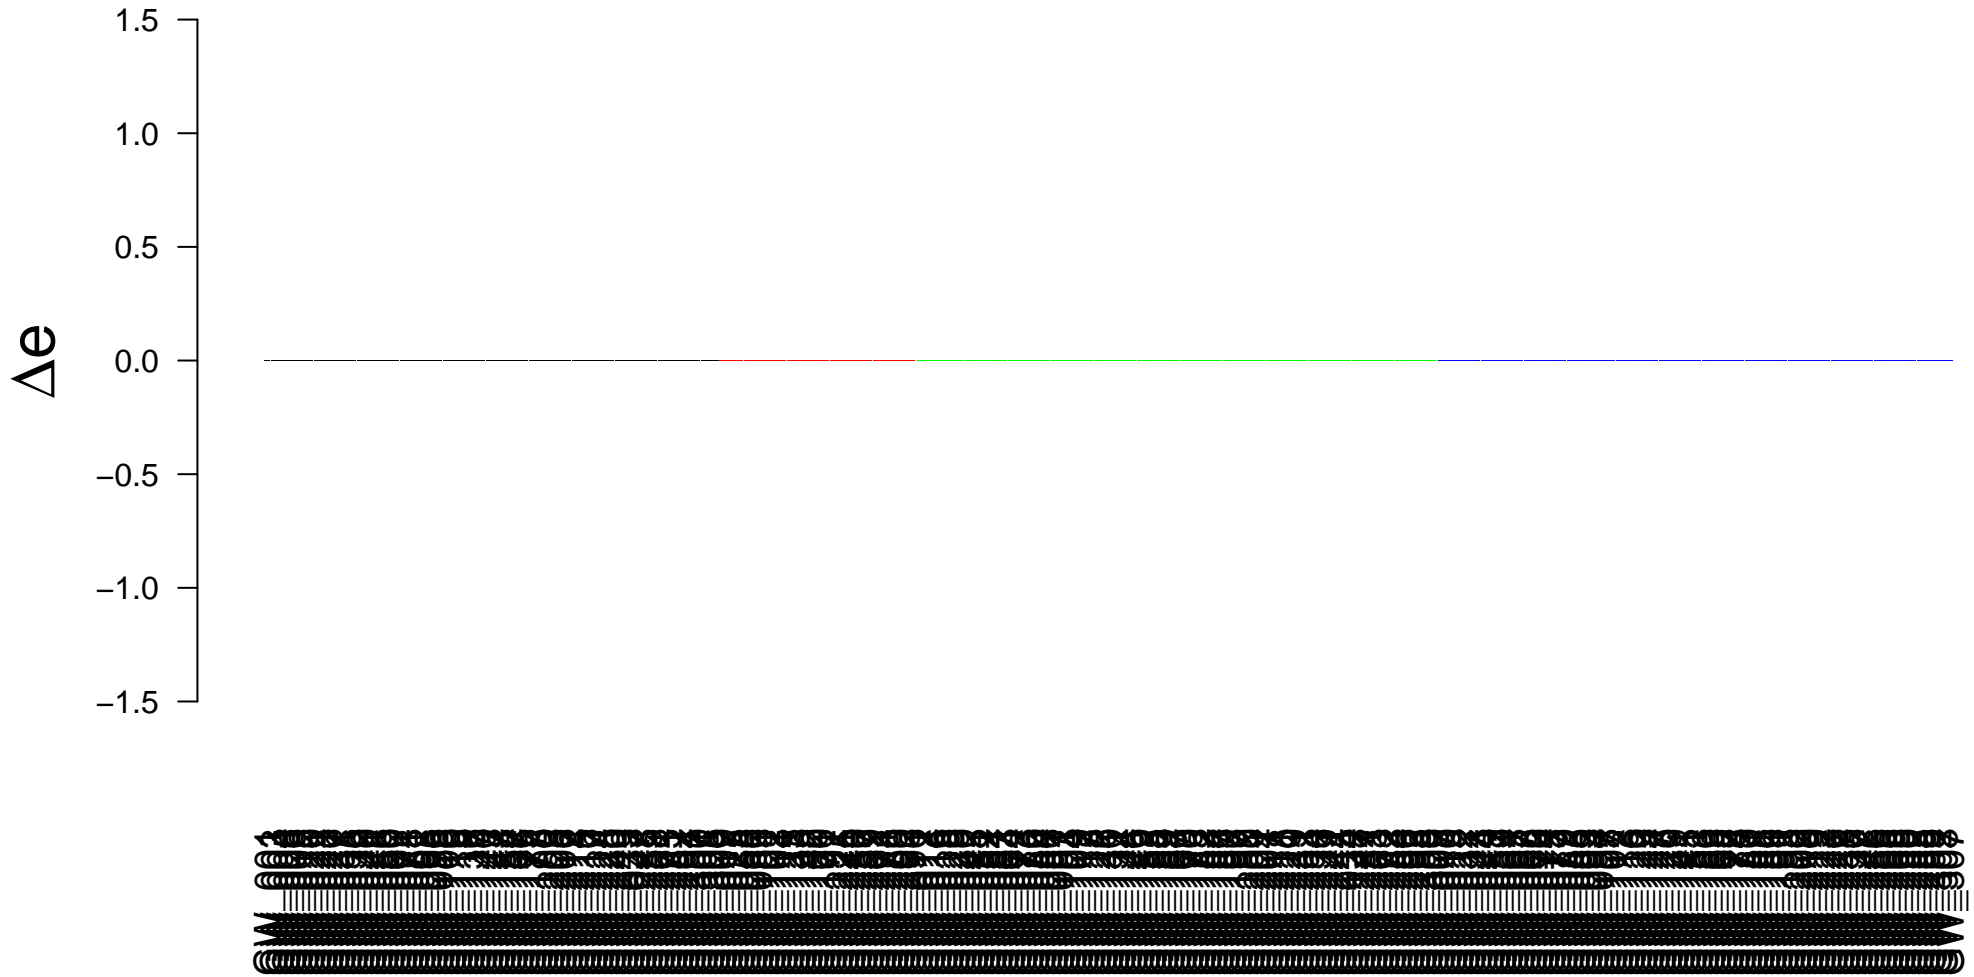

Expression of neuron development in Spot P

Δe

Expression of neuron development in Spot Q

Expression of neuron development in Spot R
