

neuron differentiation

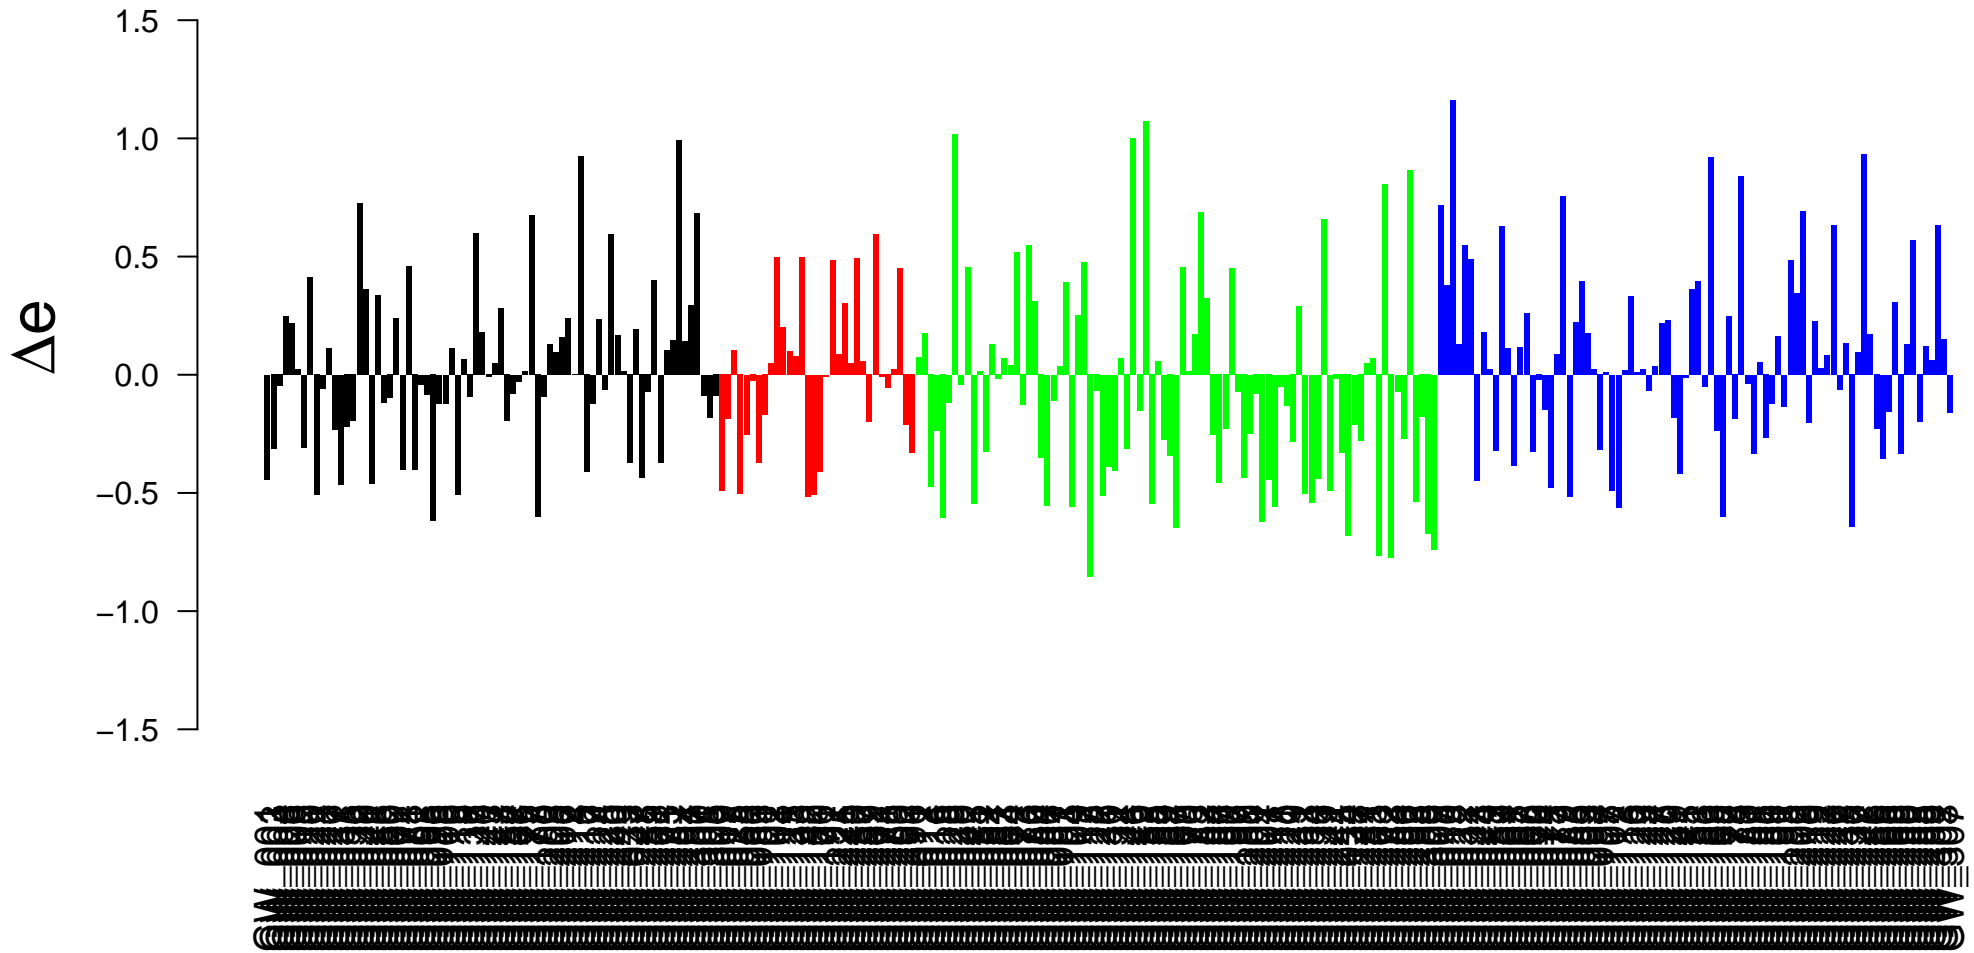

neuron differentiation

Enrichment in spots: neuron differentiation

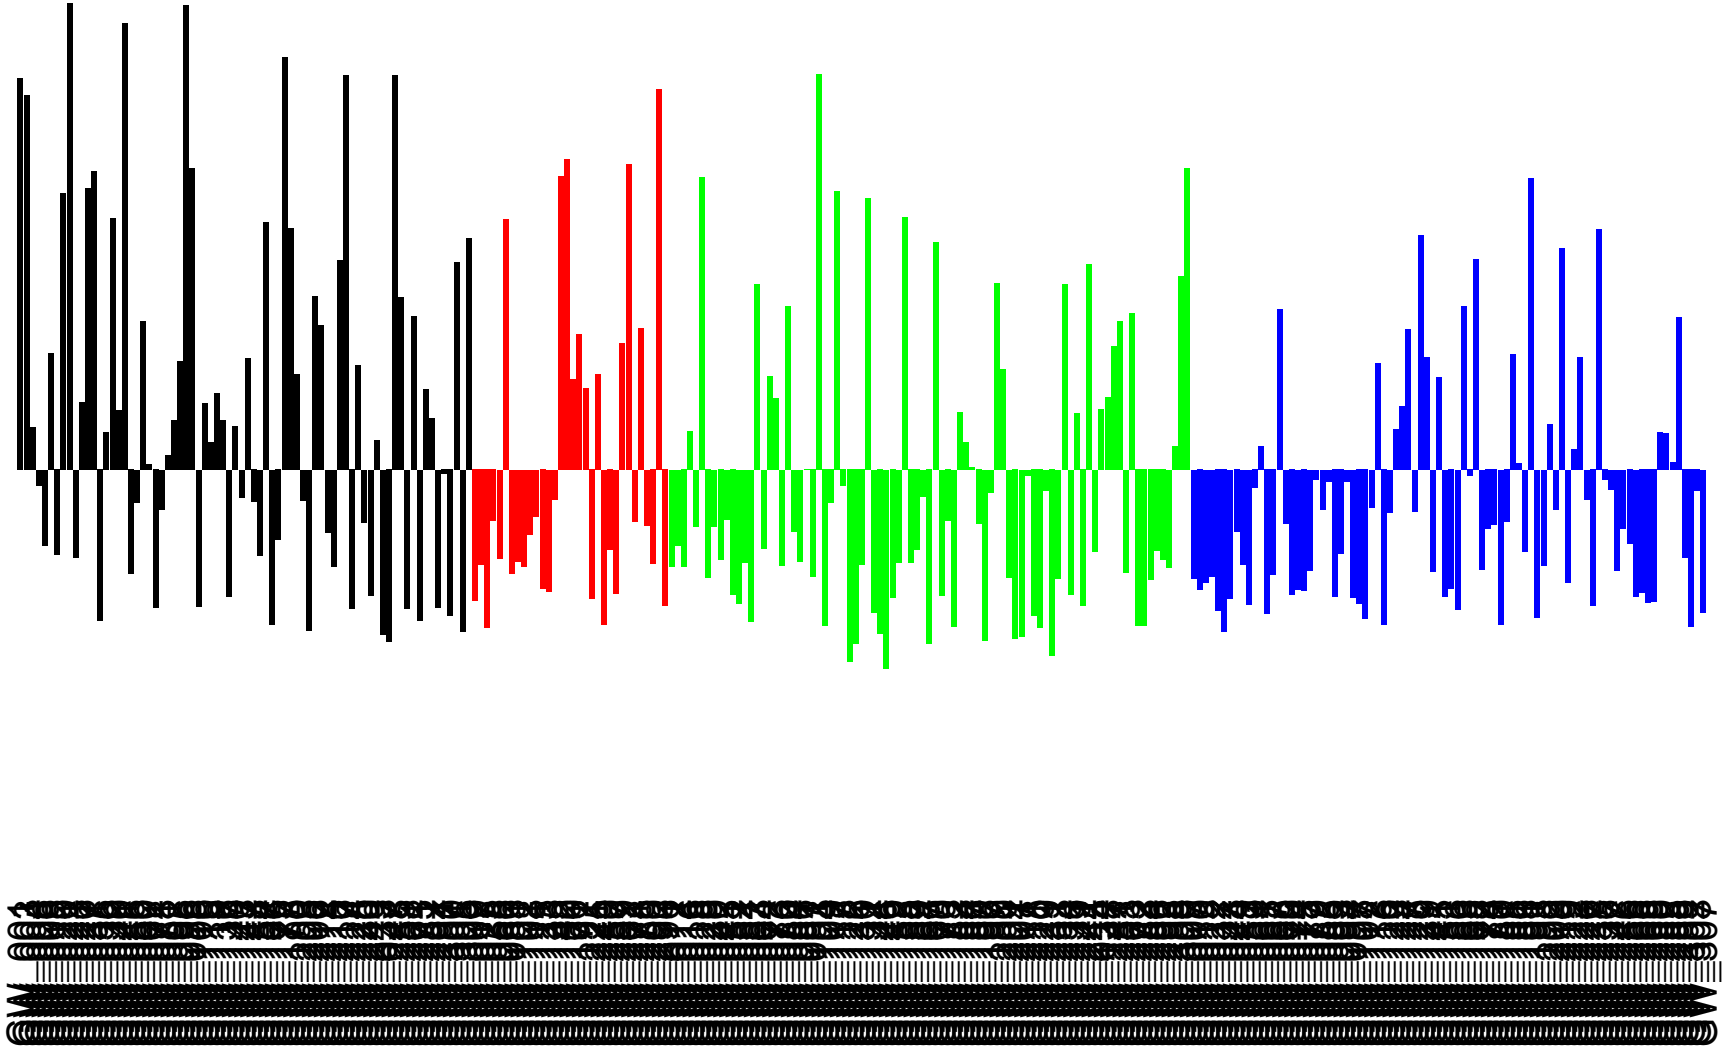

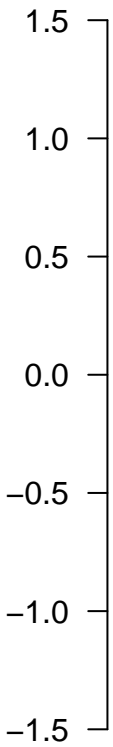

Expression of neuron differentiation in Spot A

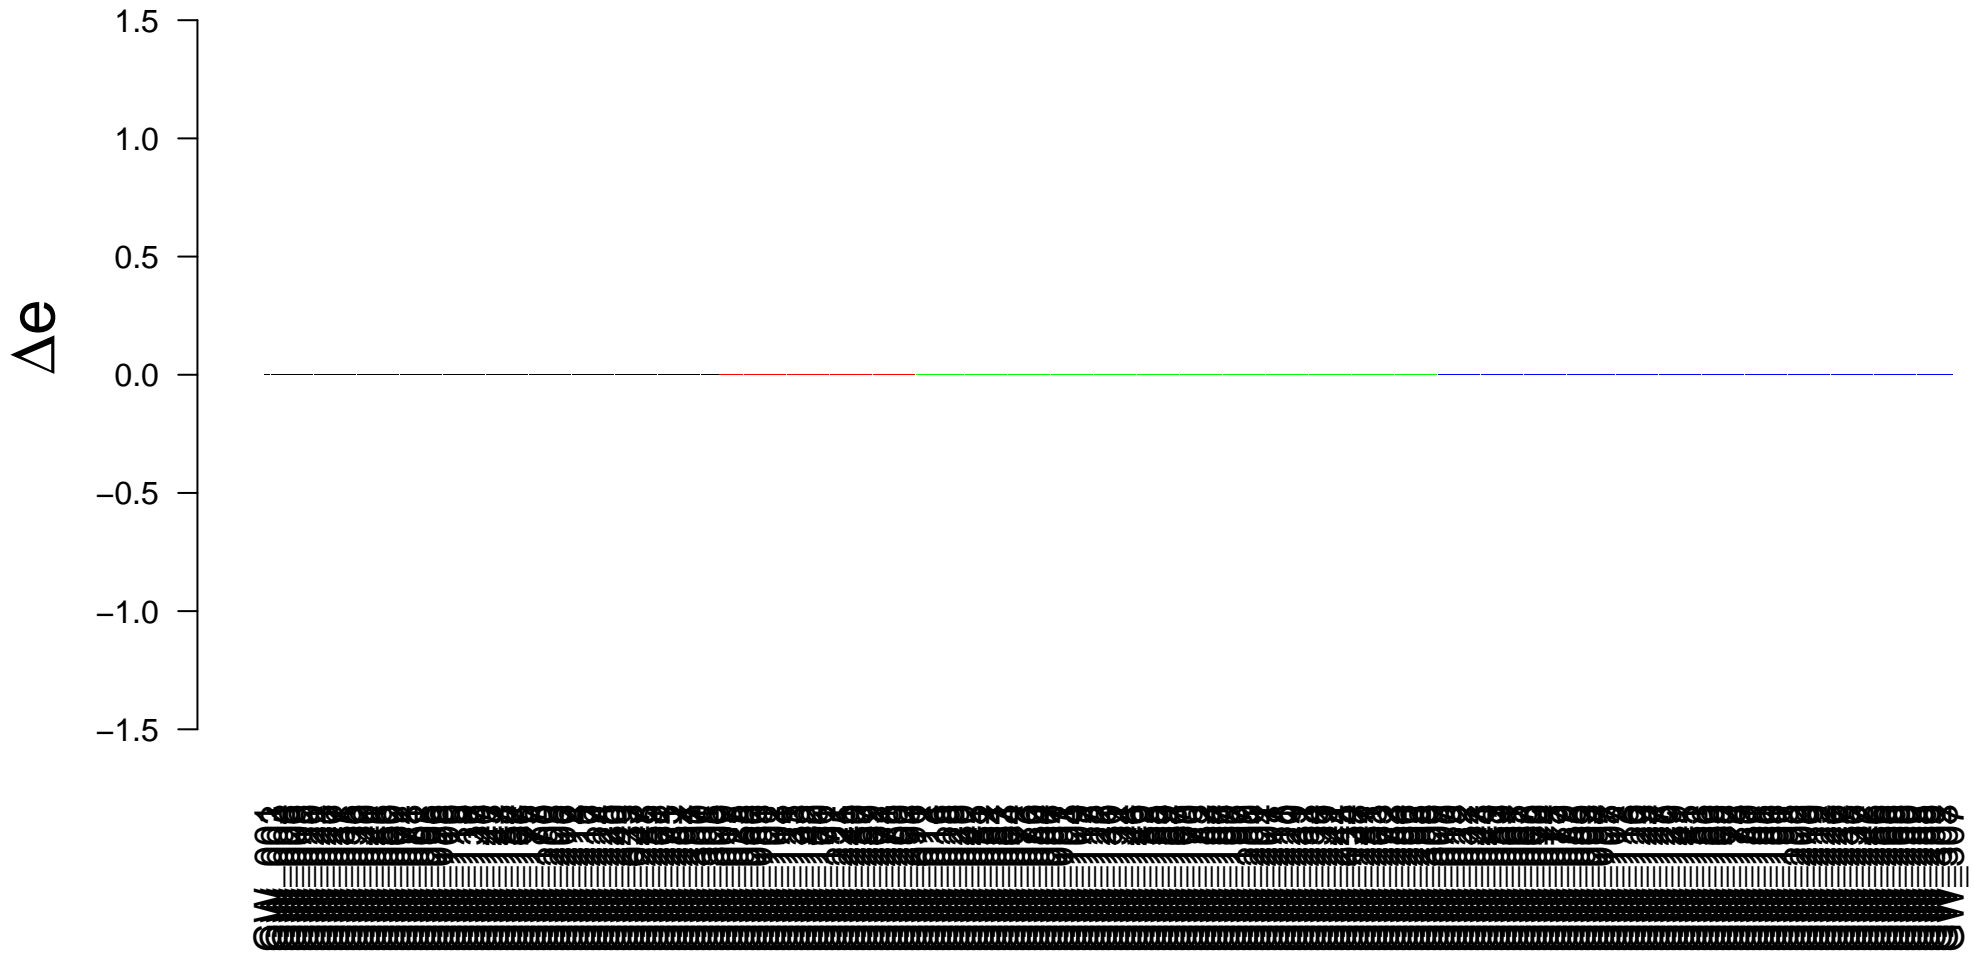

Expression of neuron differentiation in Spot B

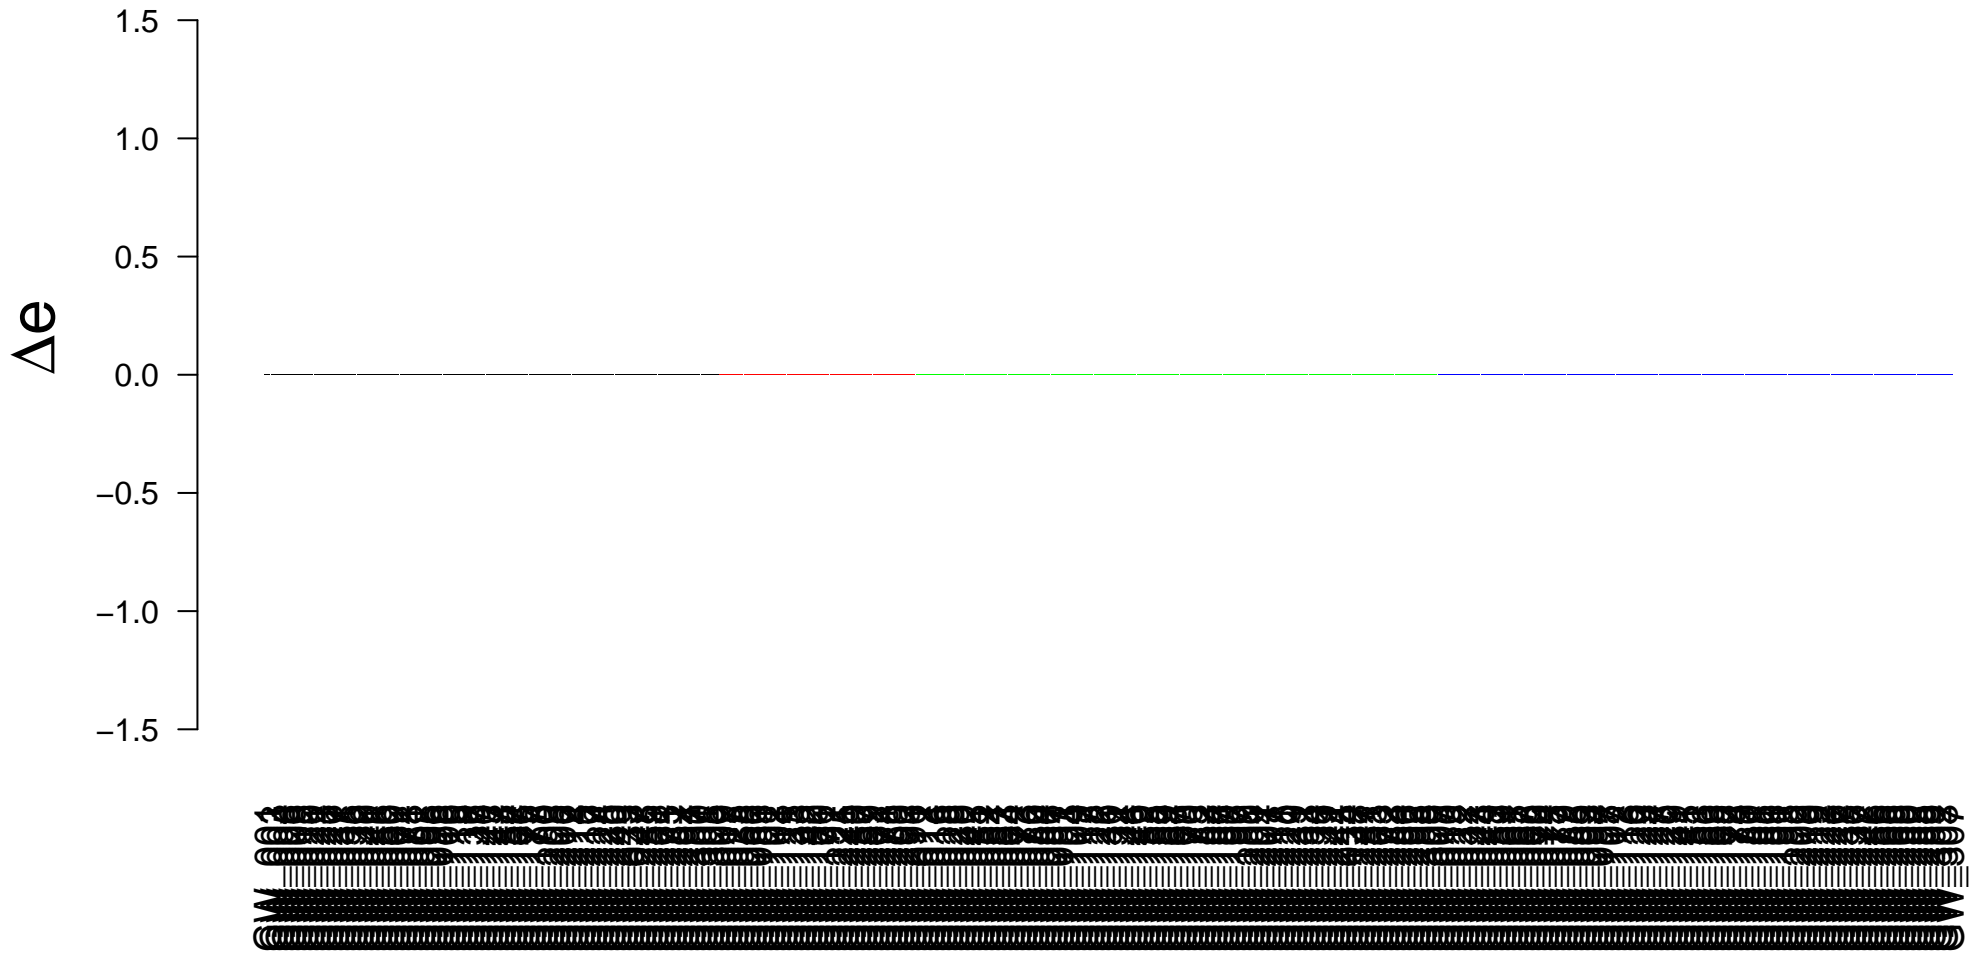

Δe

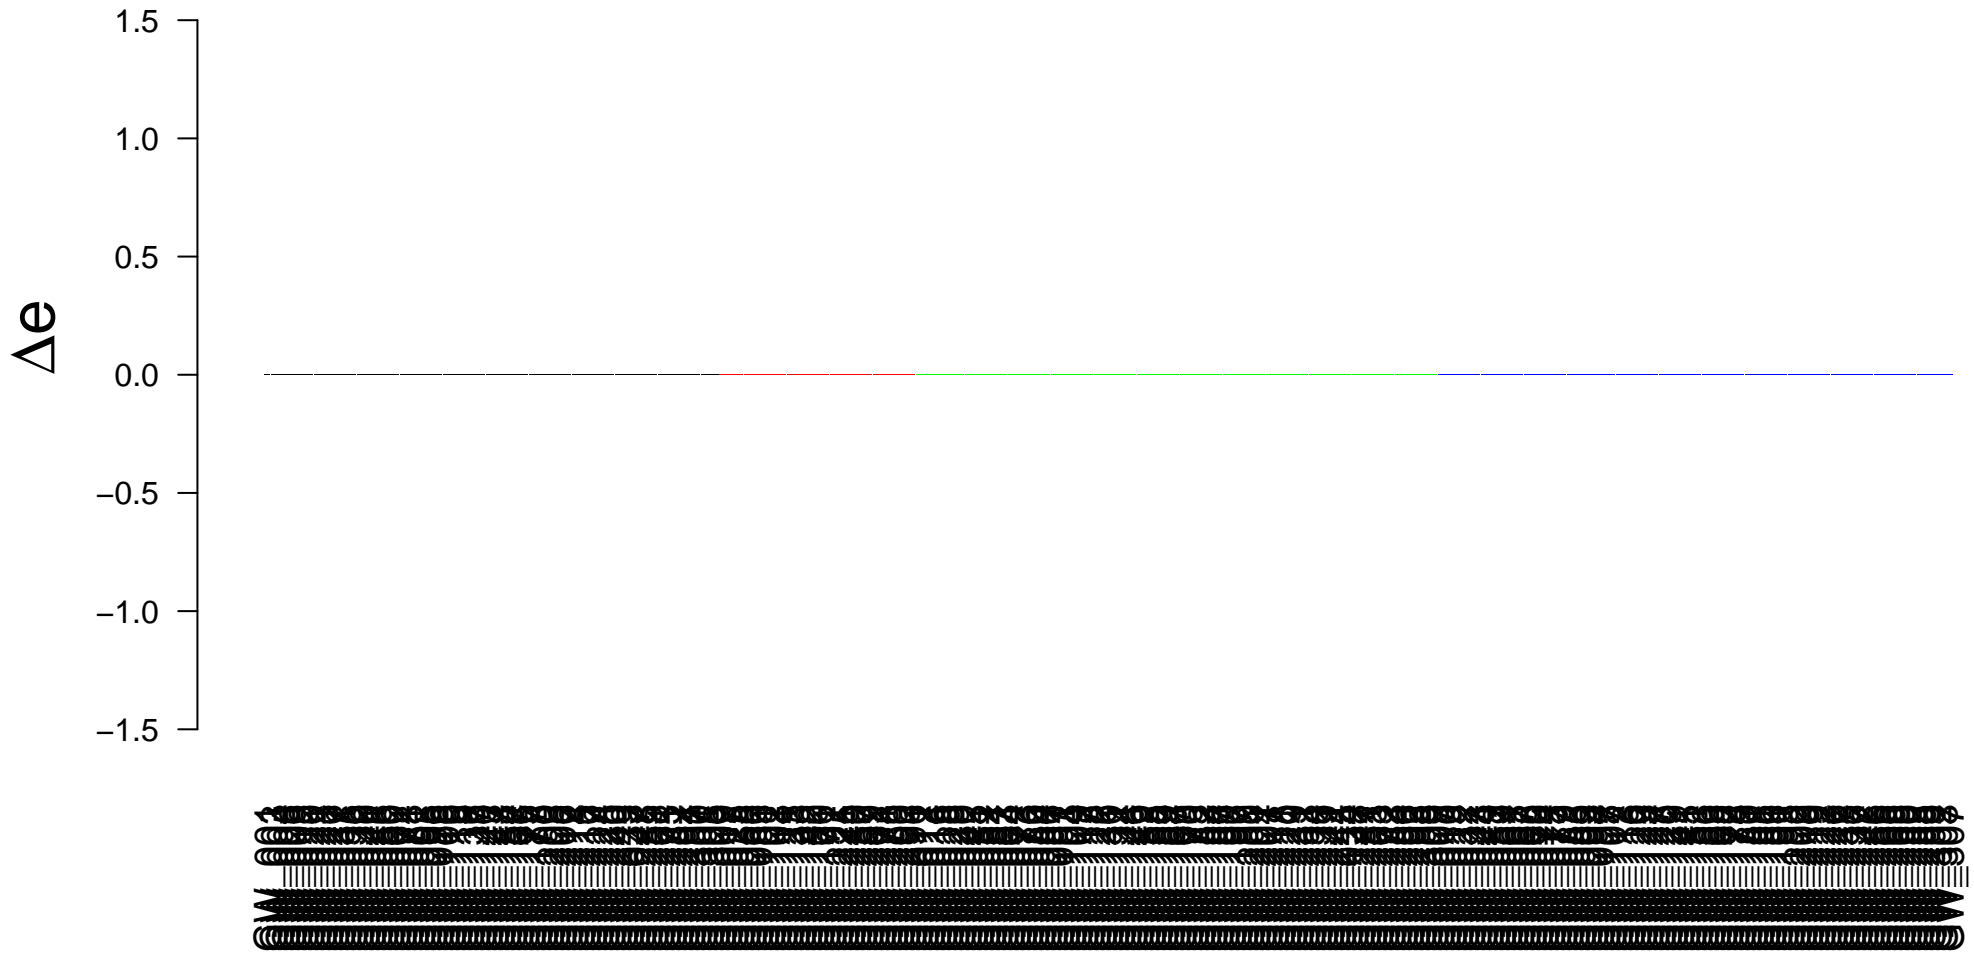

Expression of neuron differentiation in Spot C

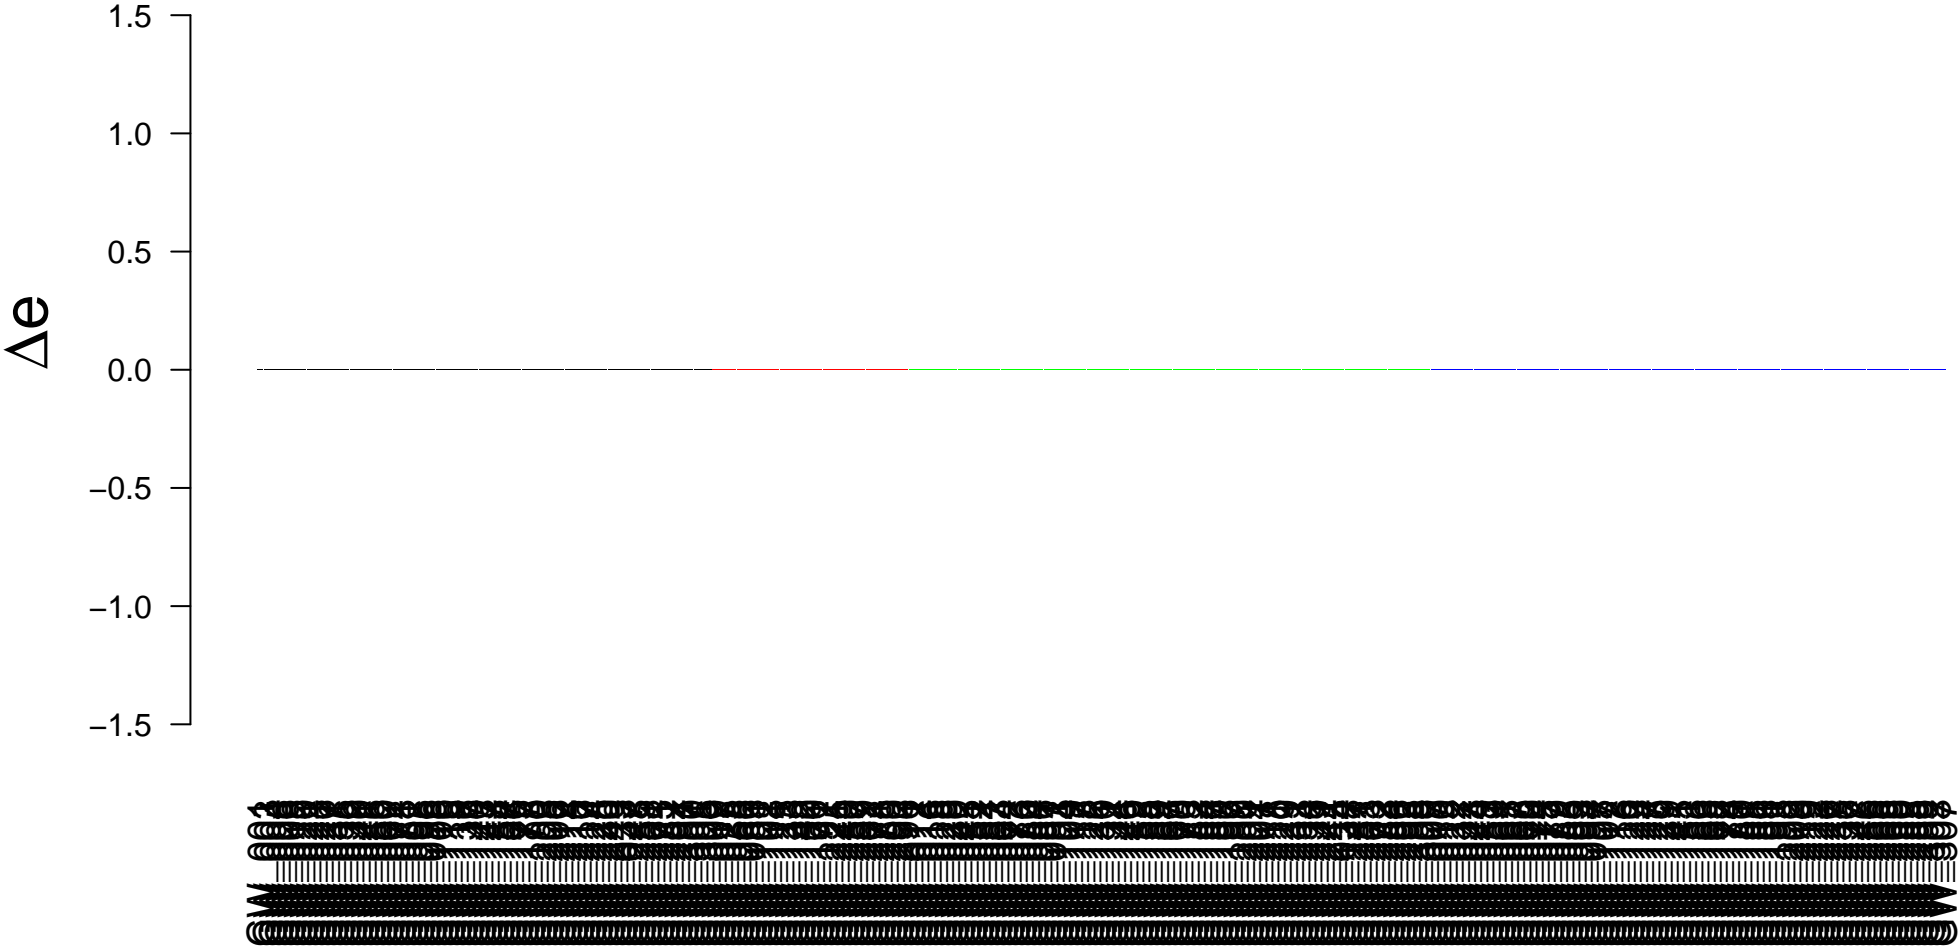

Expression of neuron differentiation in Spot D

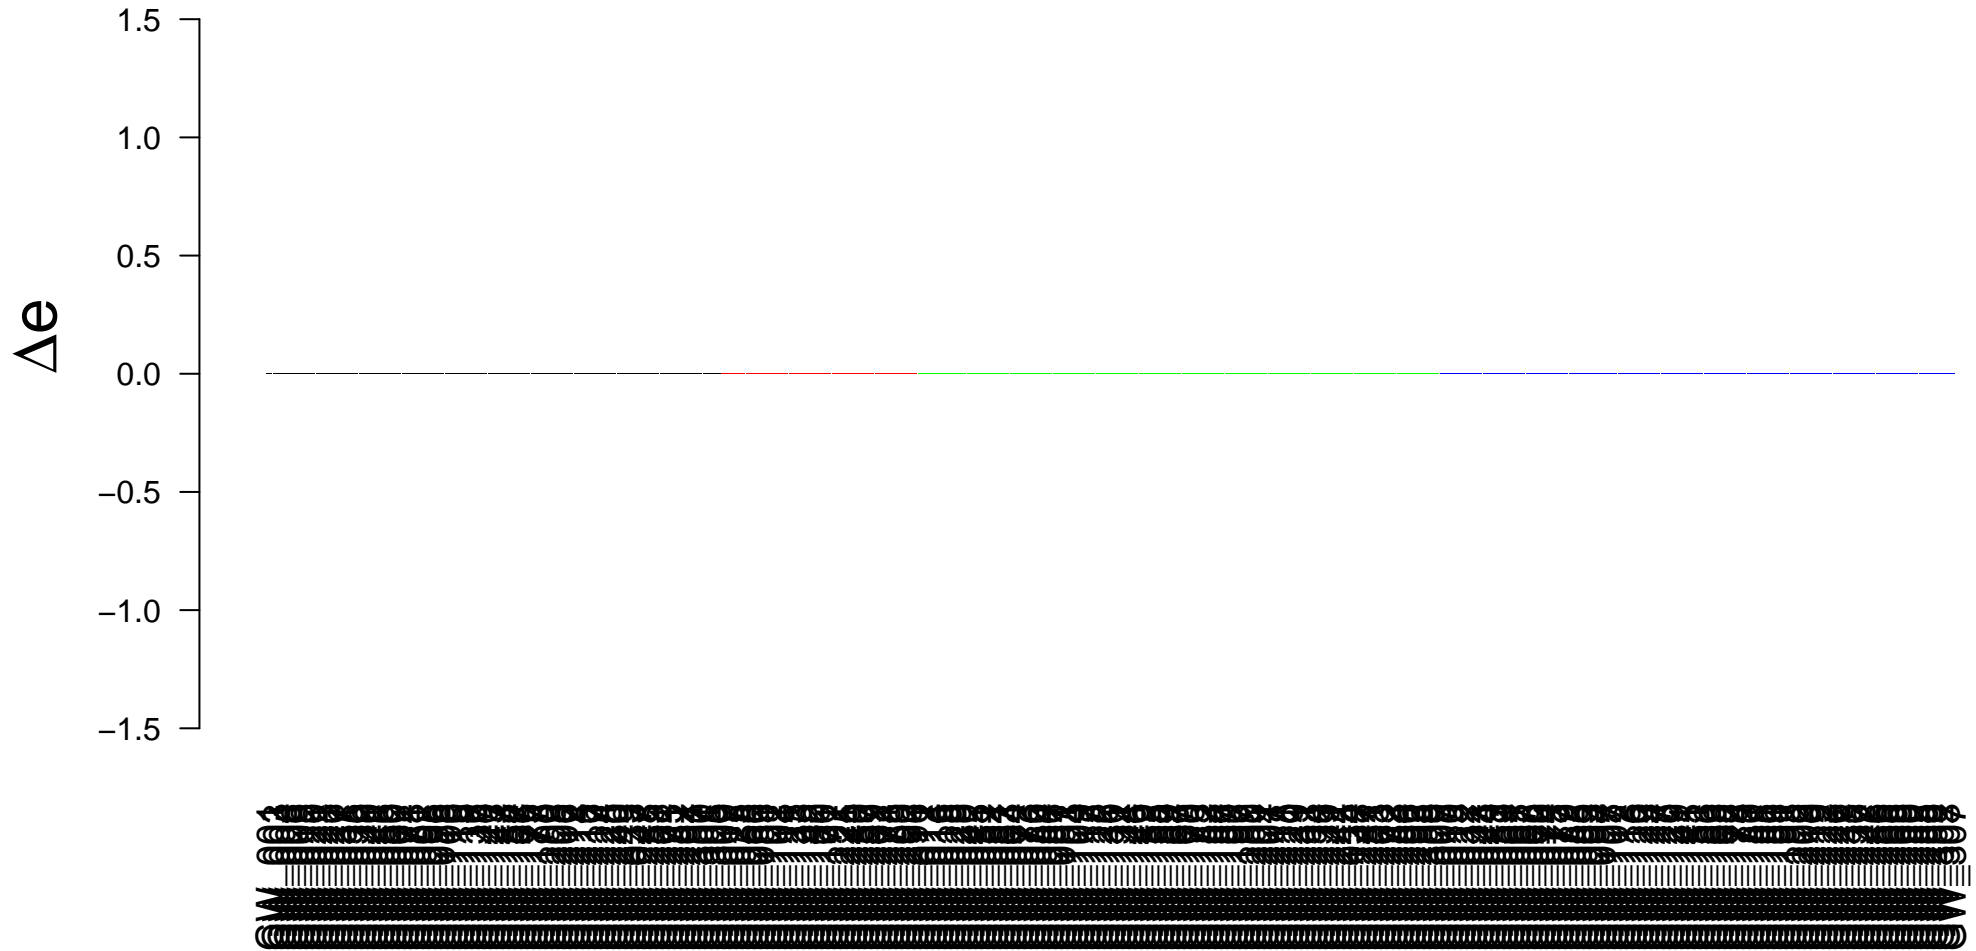

Expression of neuron differentiation in Spot E

Expression of neuron differentiation in Spot F

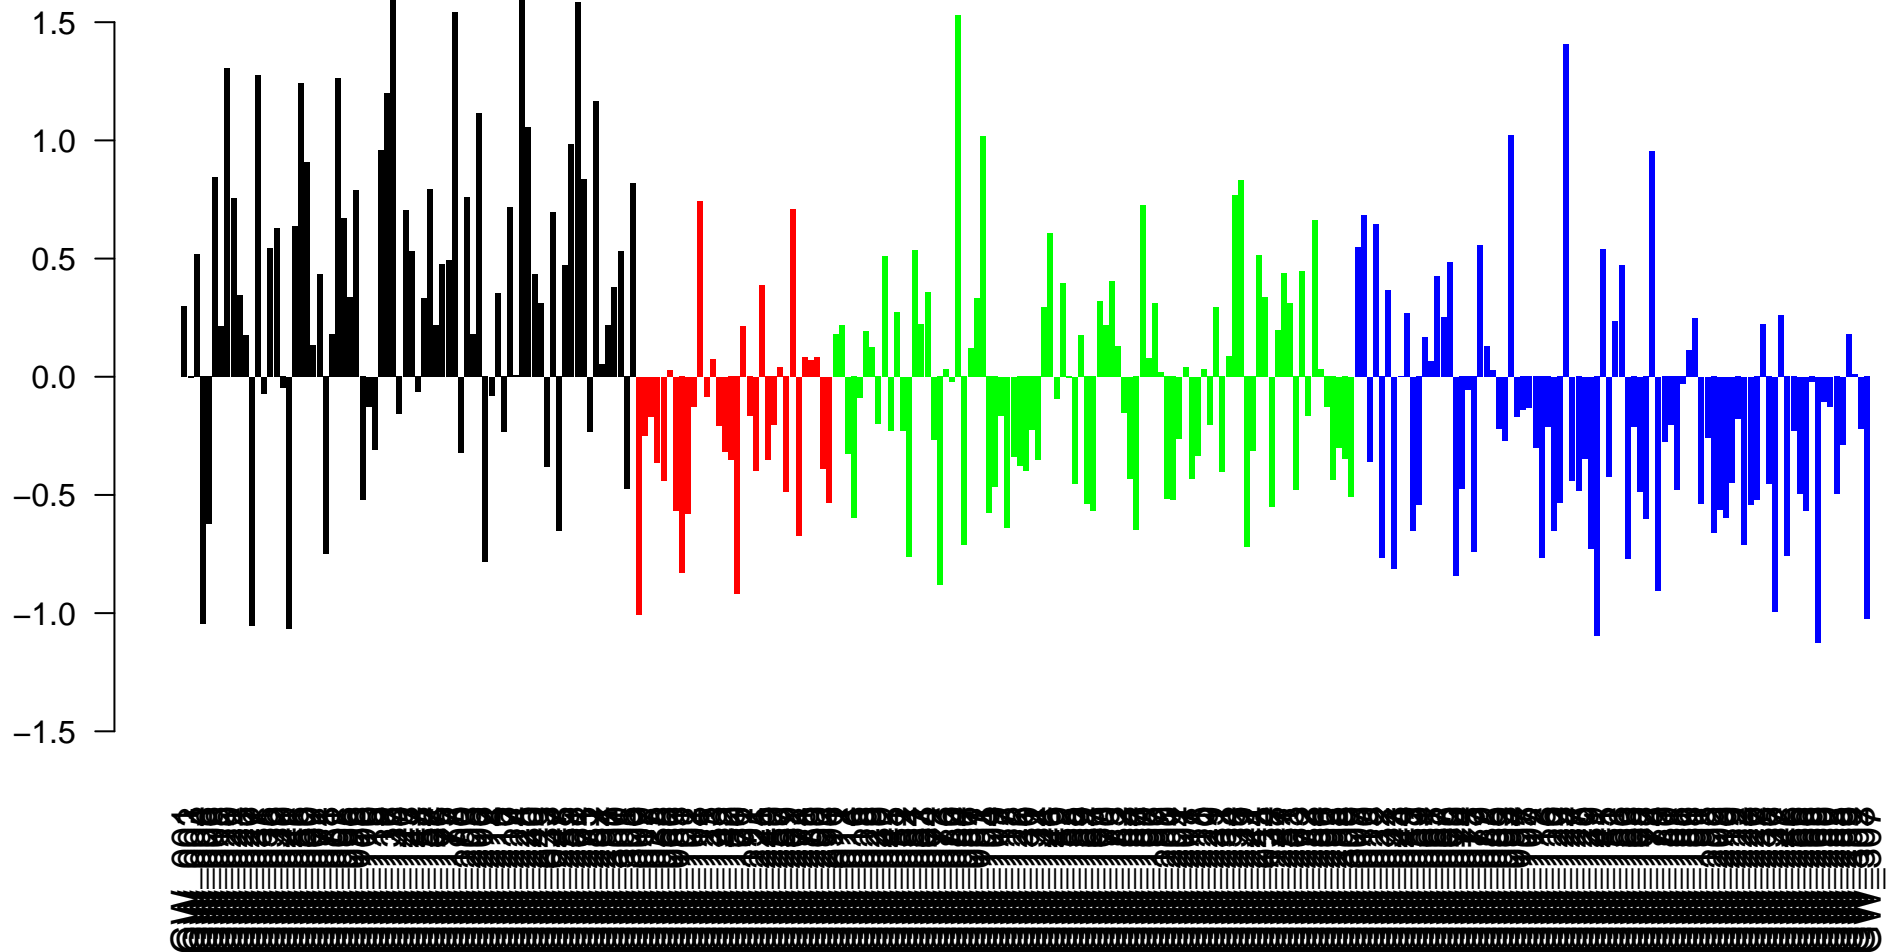

Expression of neuron differentiation in Spot G

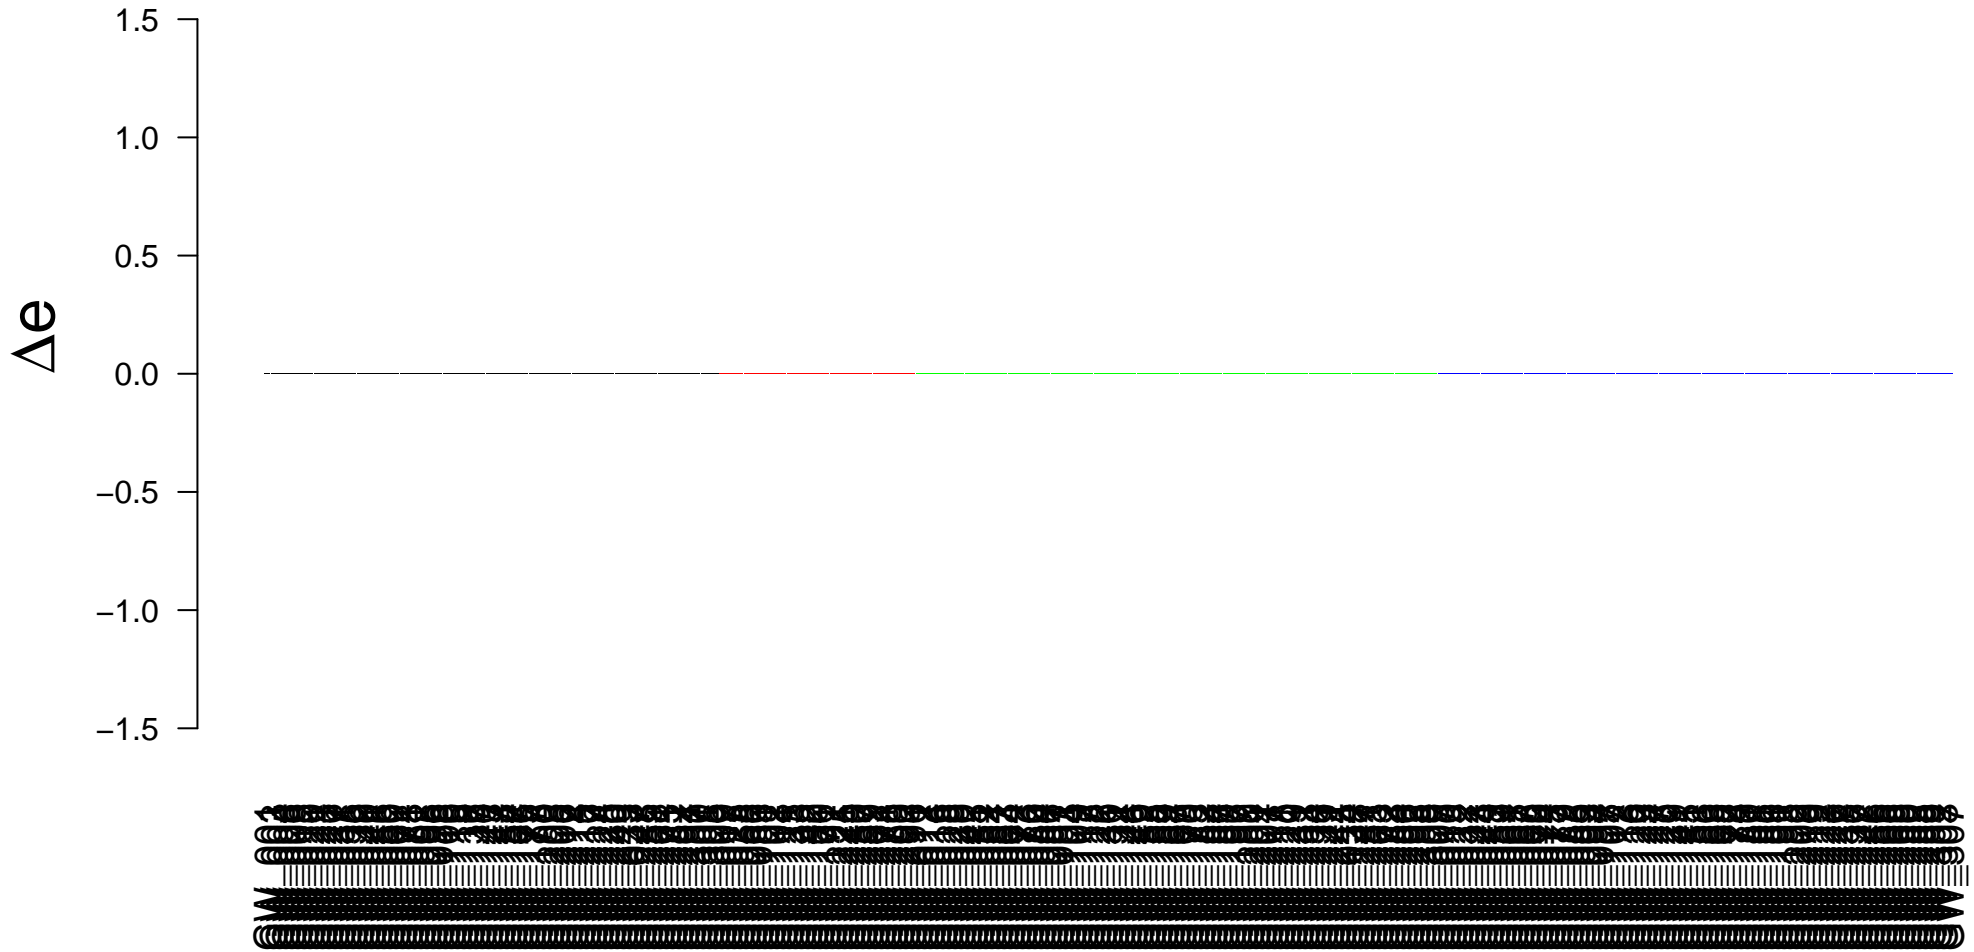

Expression of neuron differentiation in Spot H

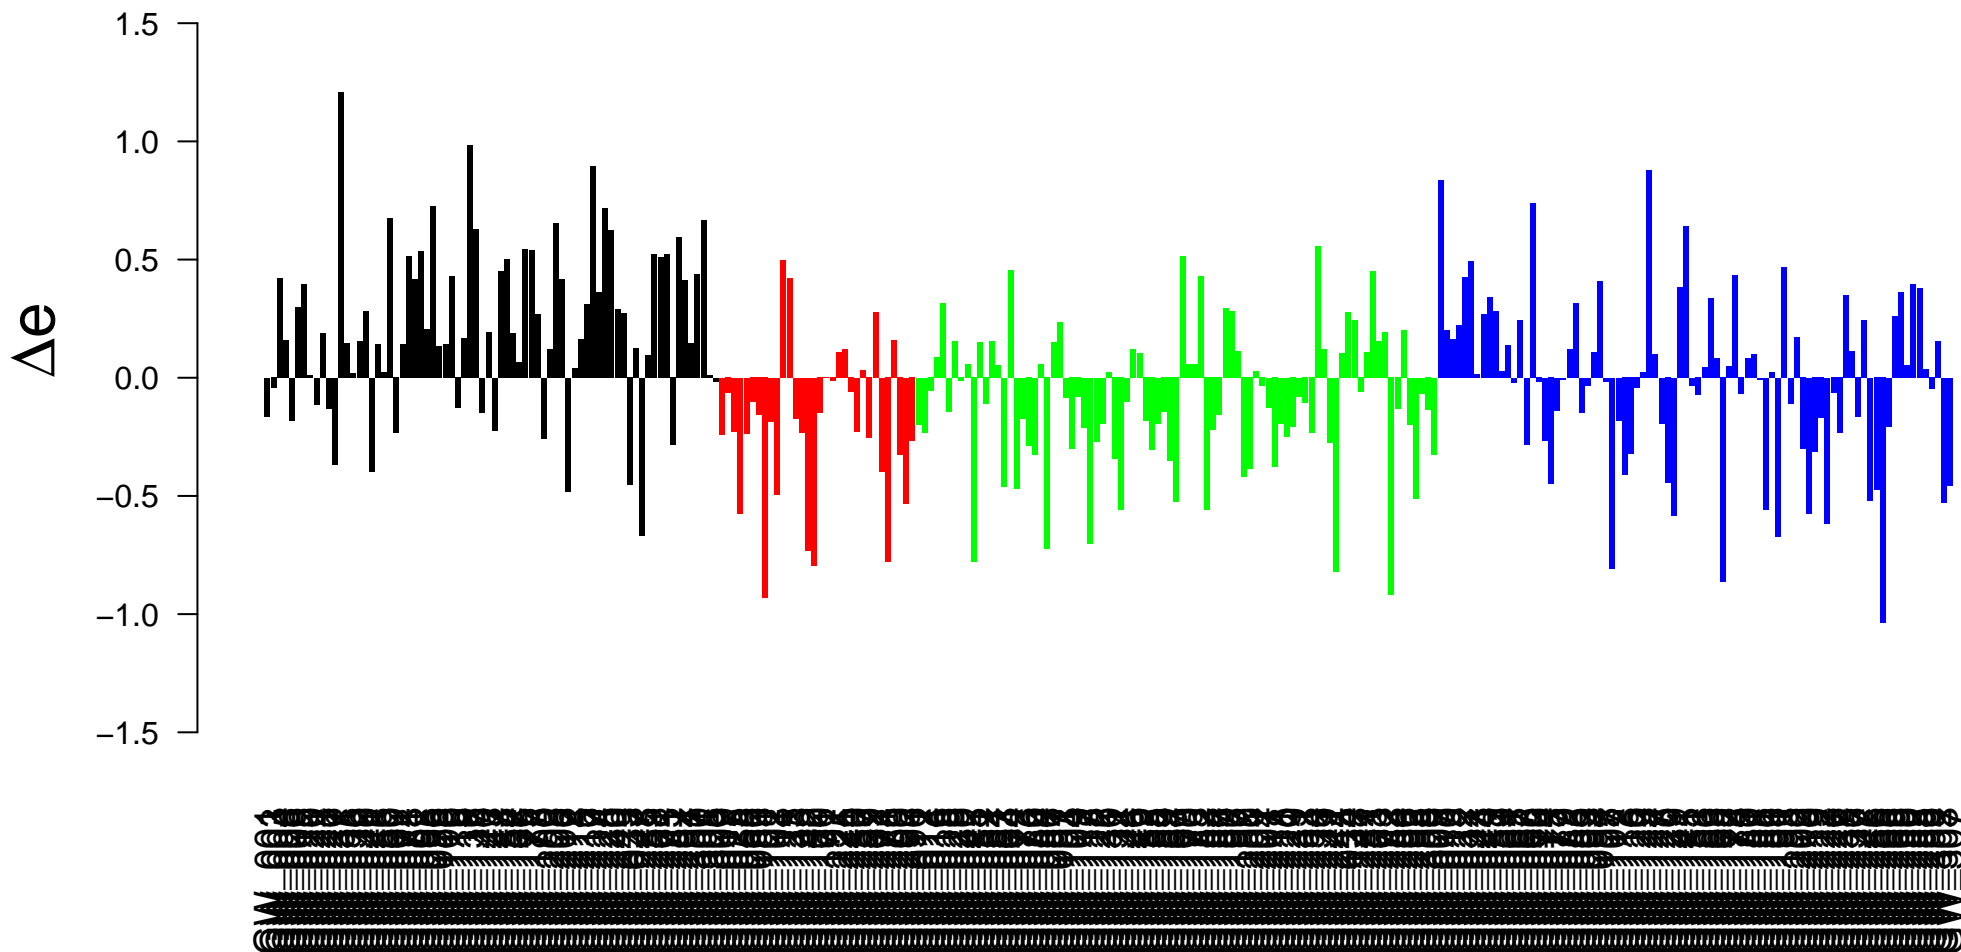

Δe

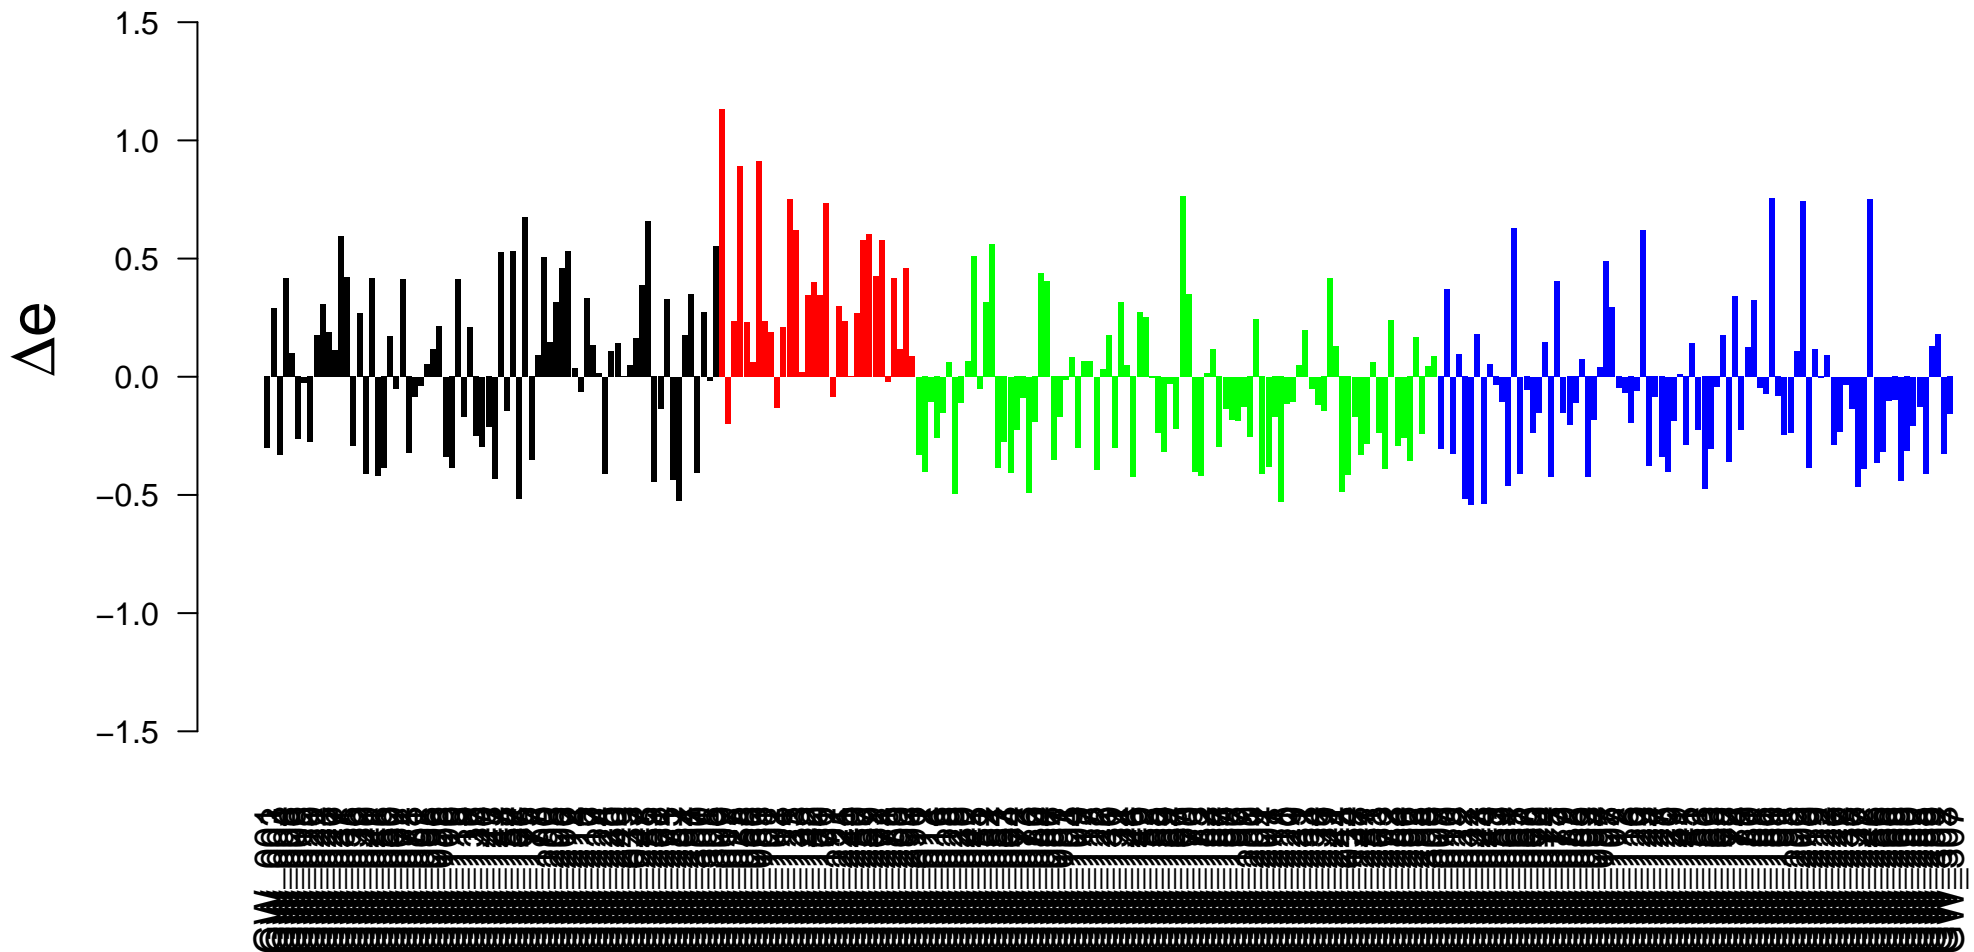

Expression of neuron differentiation in Spot I

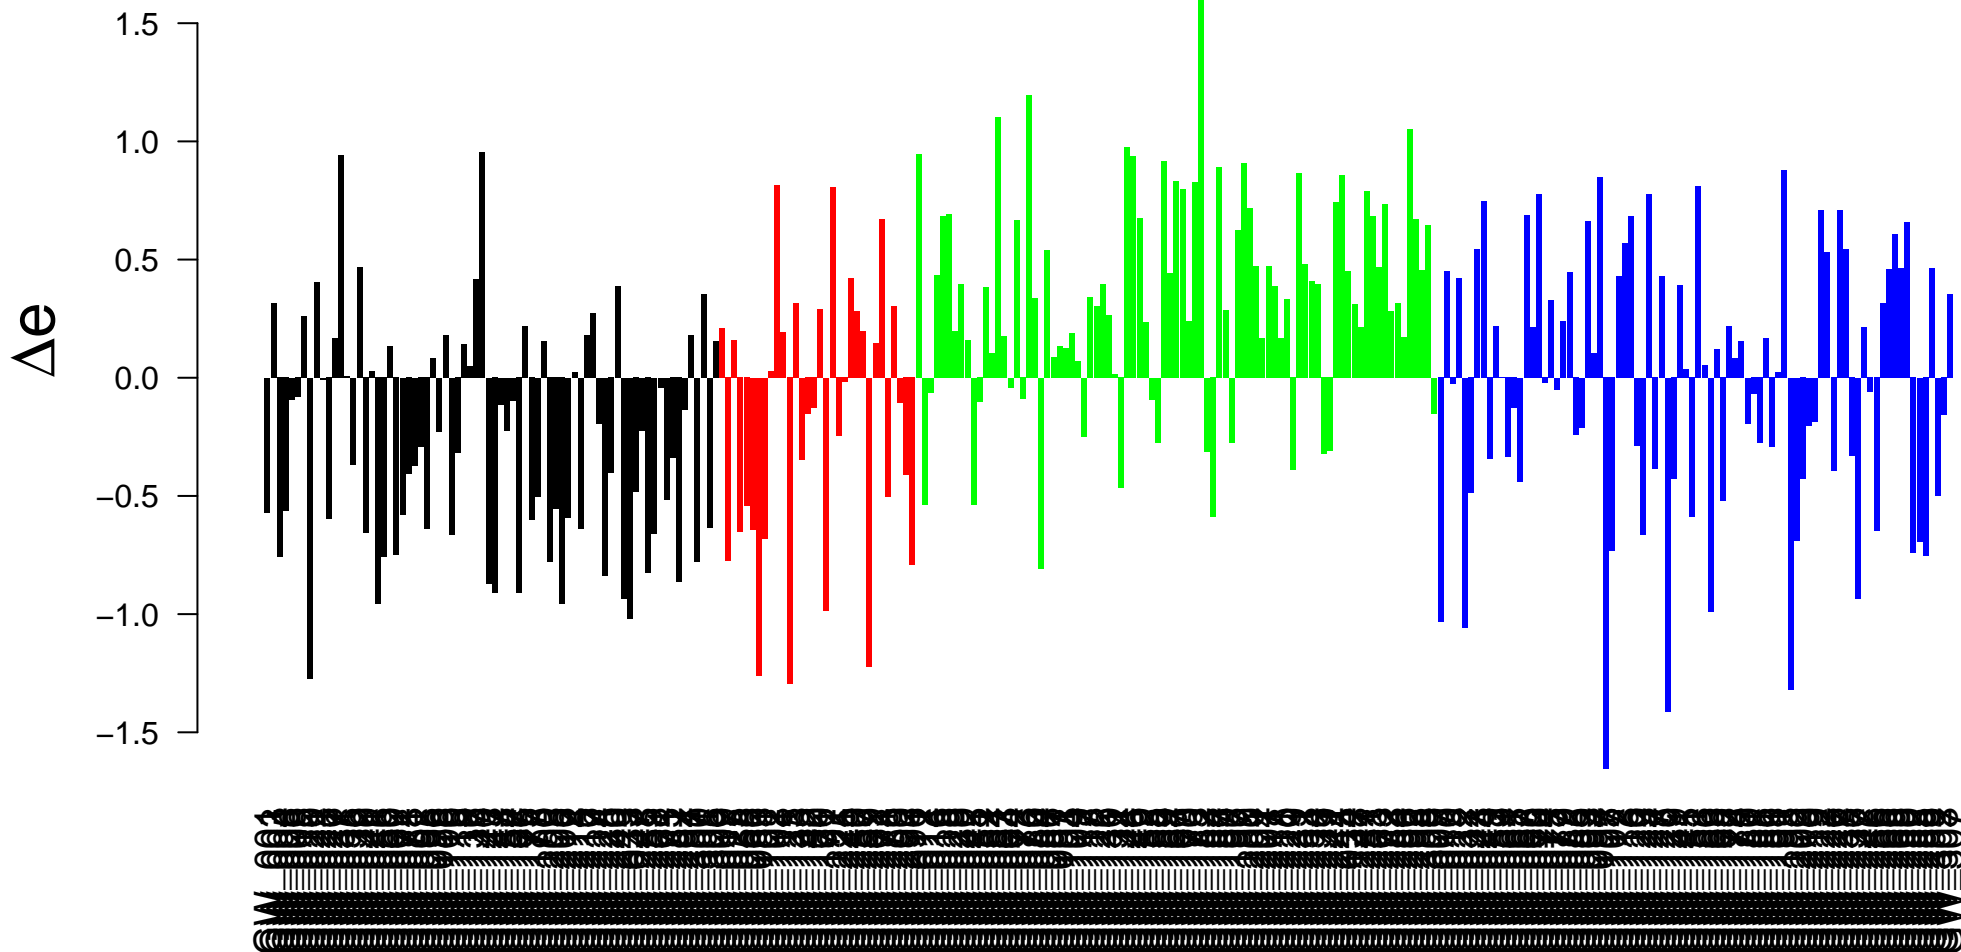

Expression of neuron differentiation in Spot J

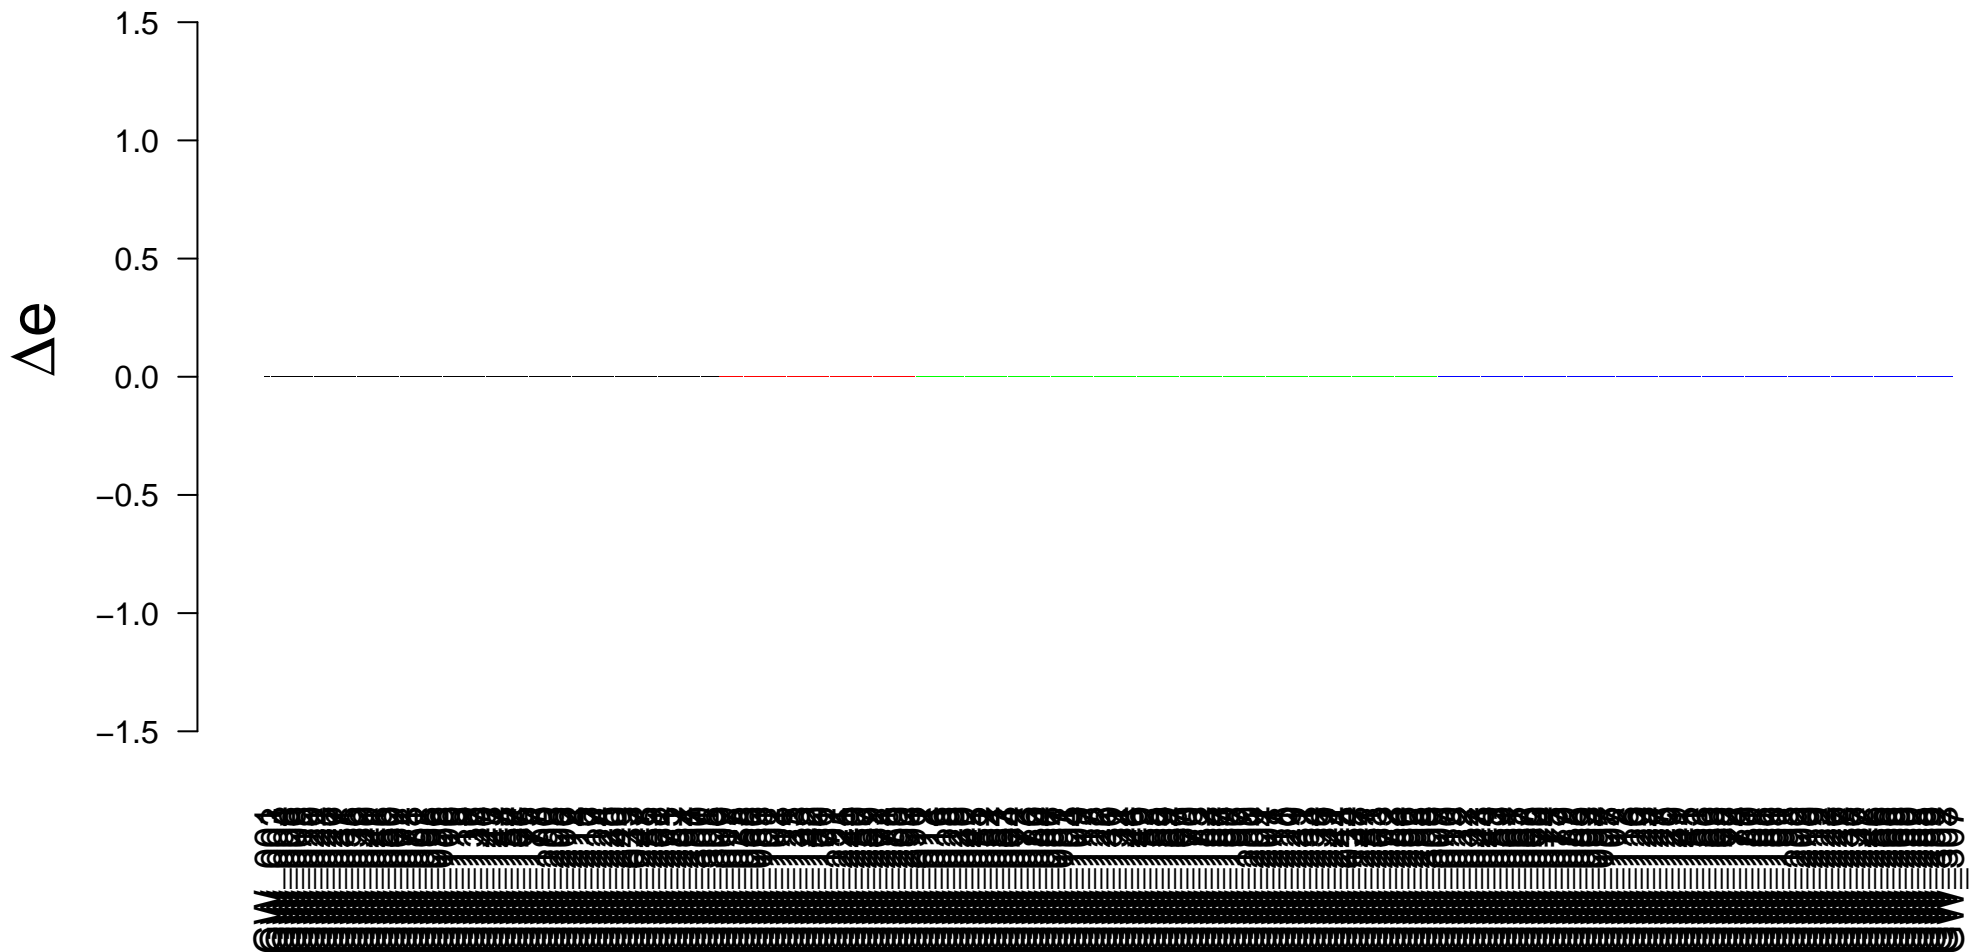

Expression of neuron differentiation in Spot K

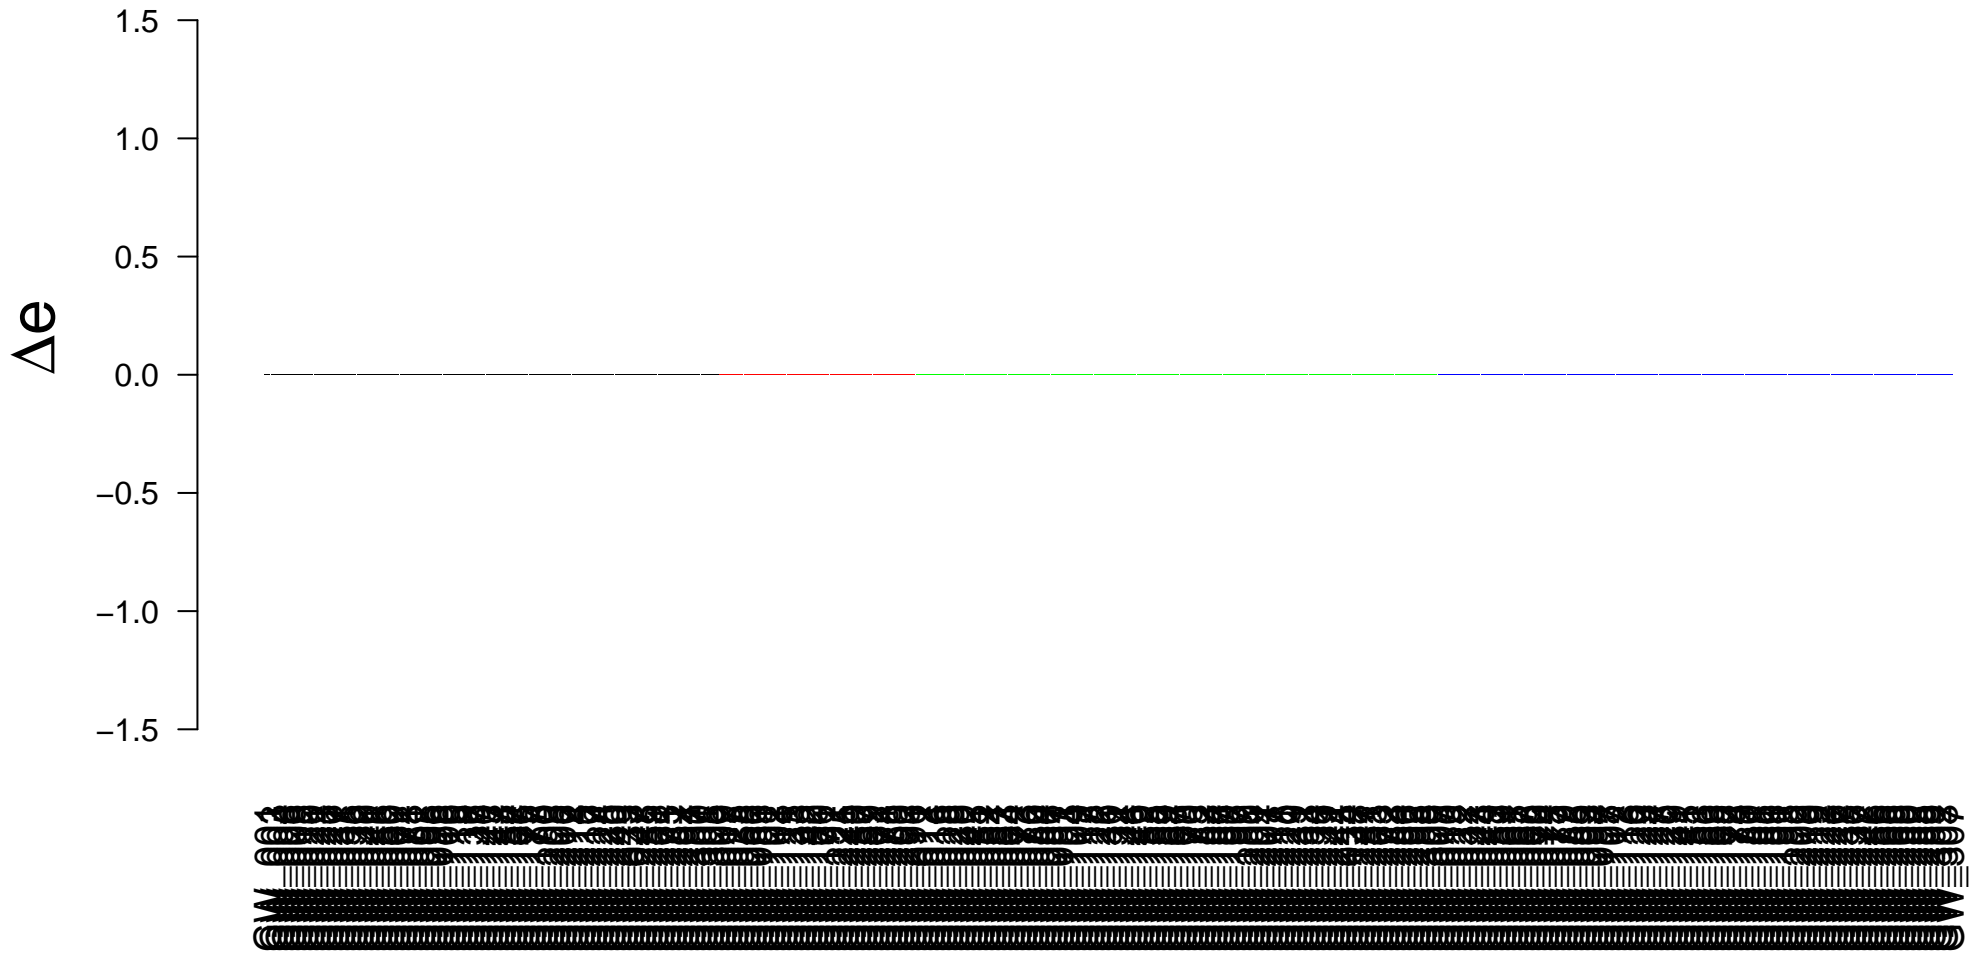

Expression of neuron differentiation in Spot L

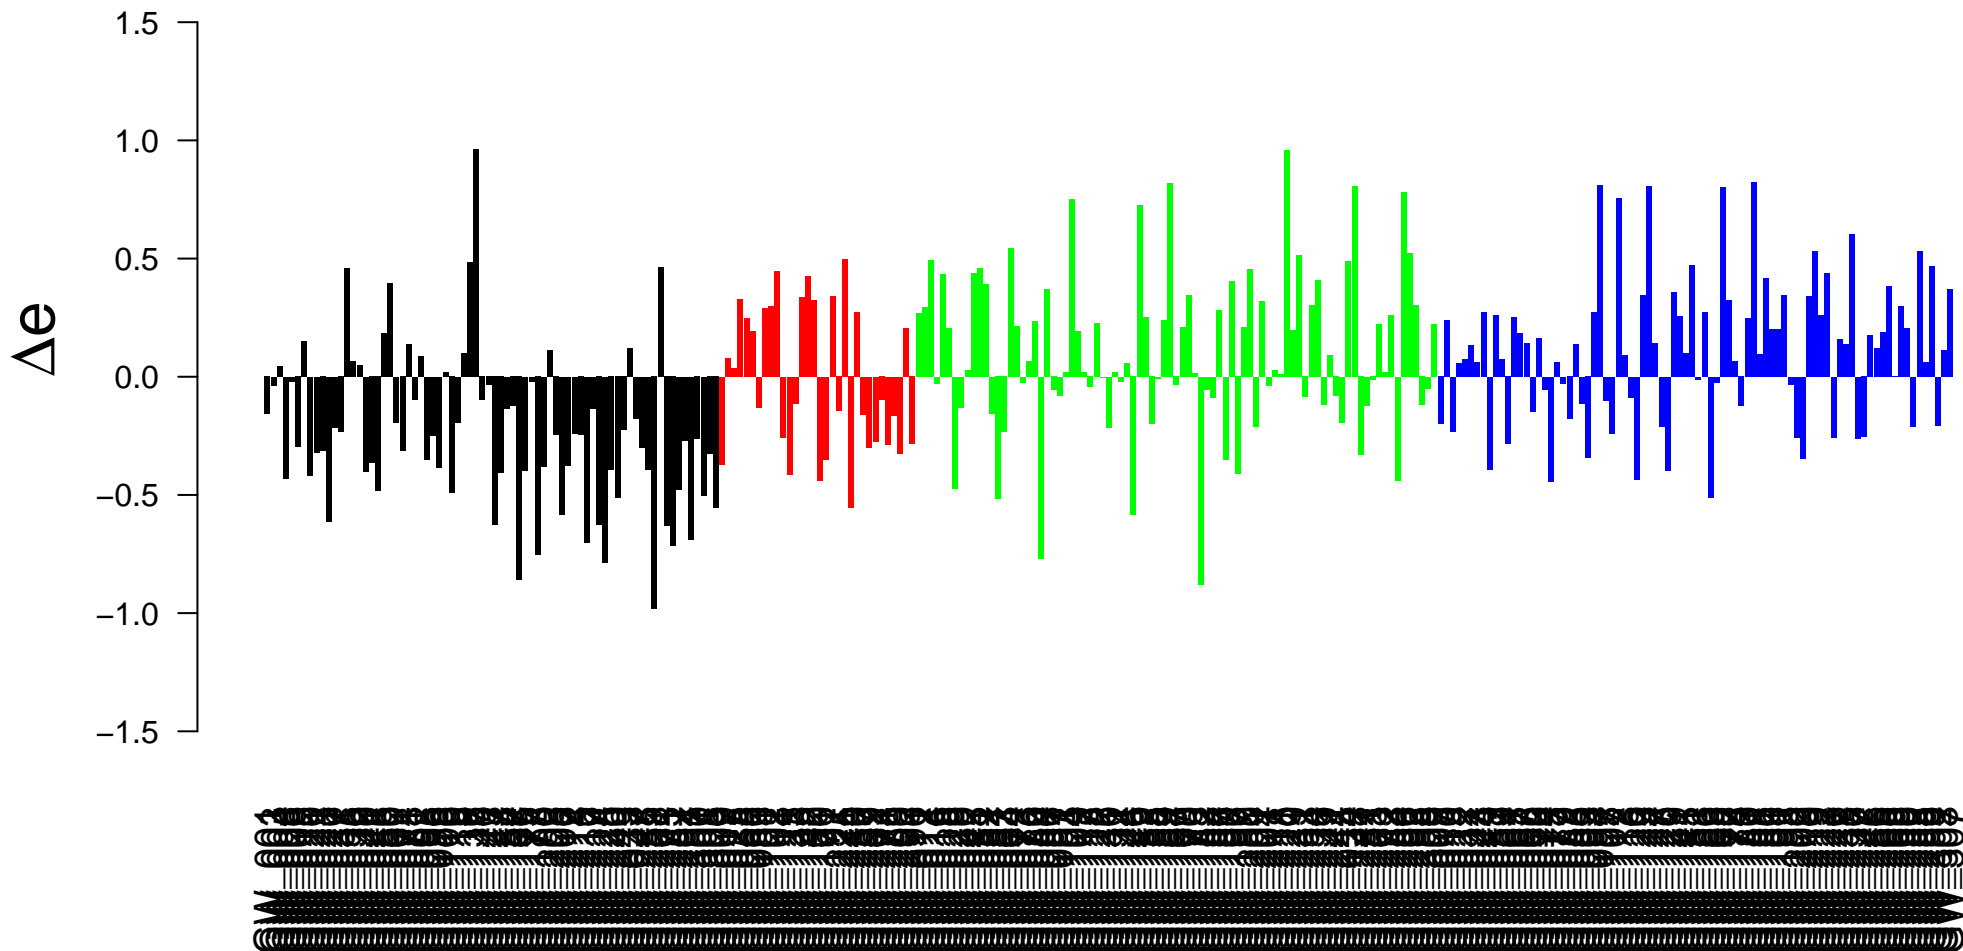

Expression of neuron differentiation in Spot M

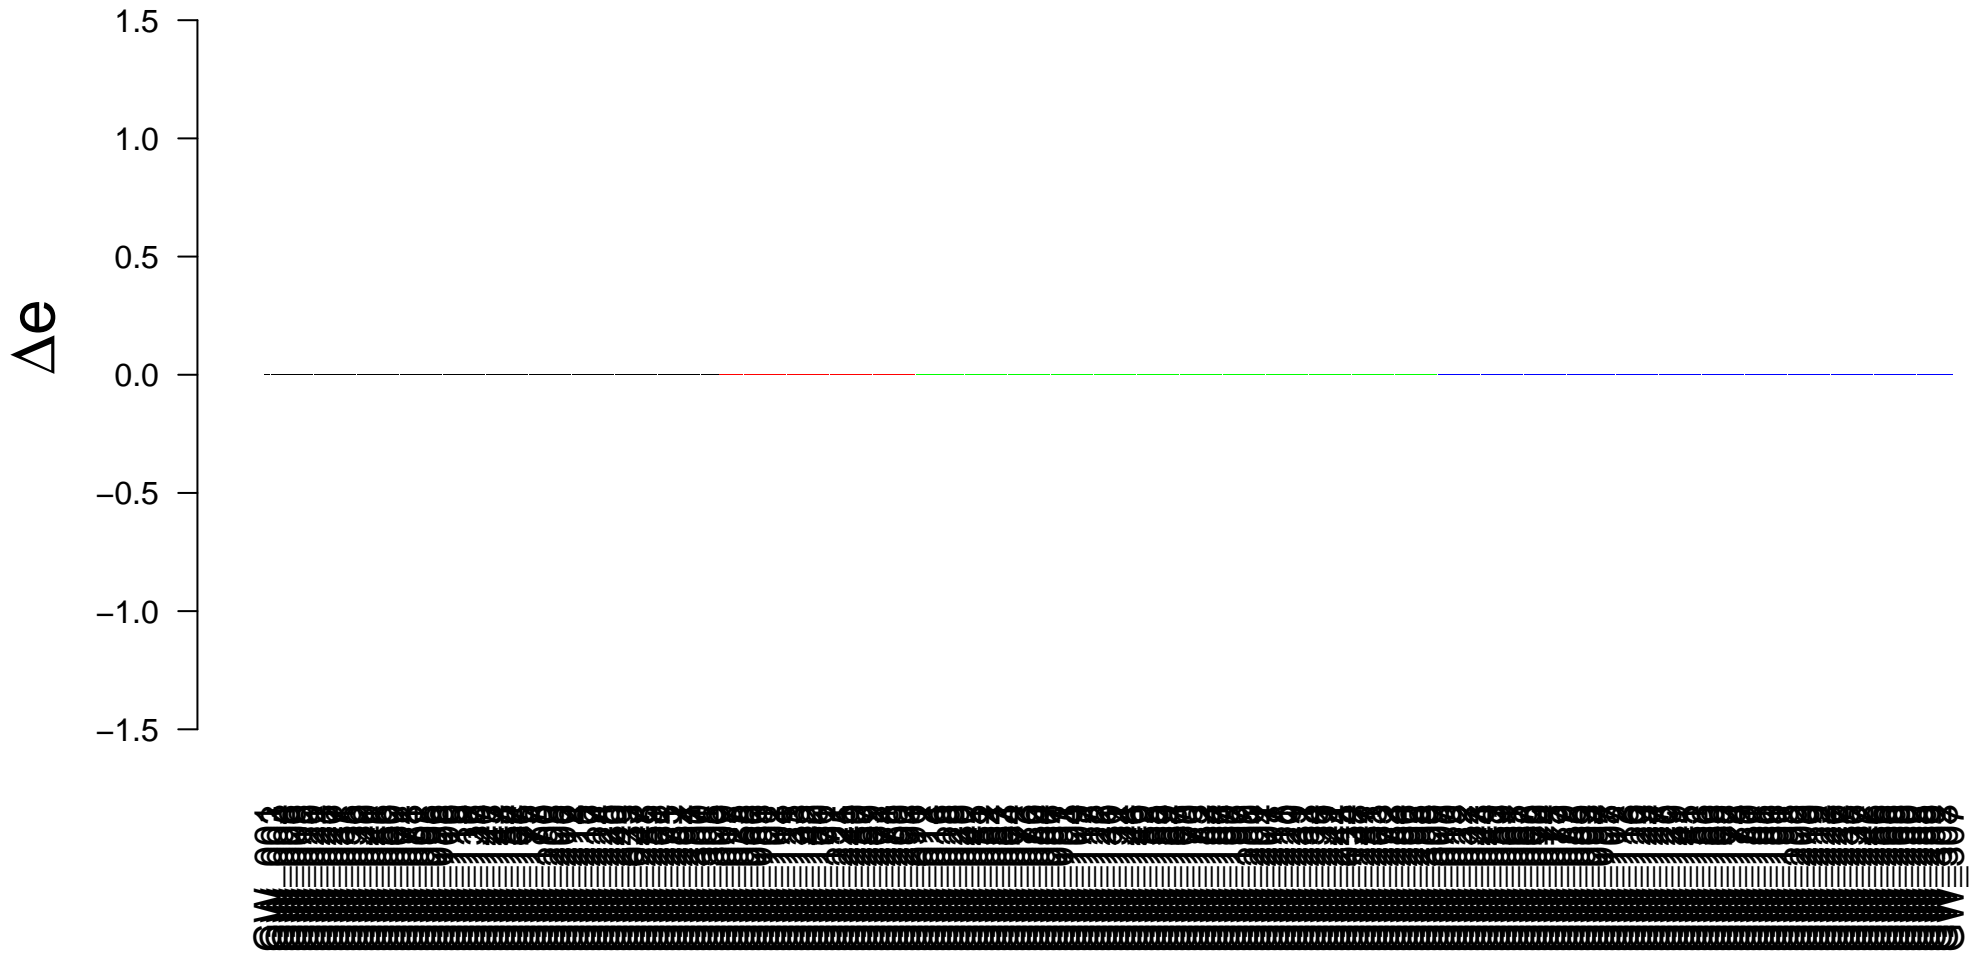

Expression of neuron differentiation in Spot N

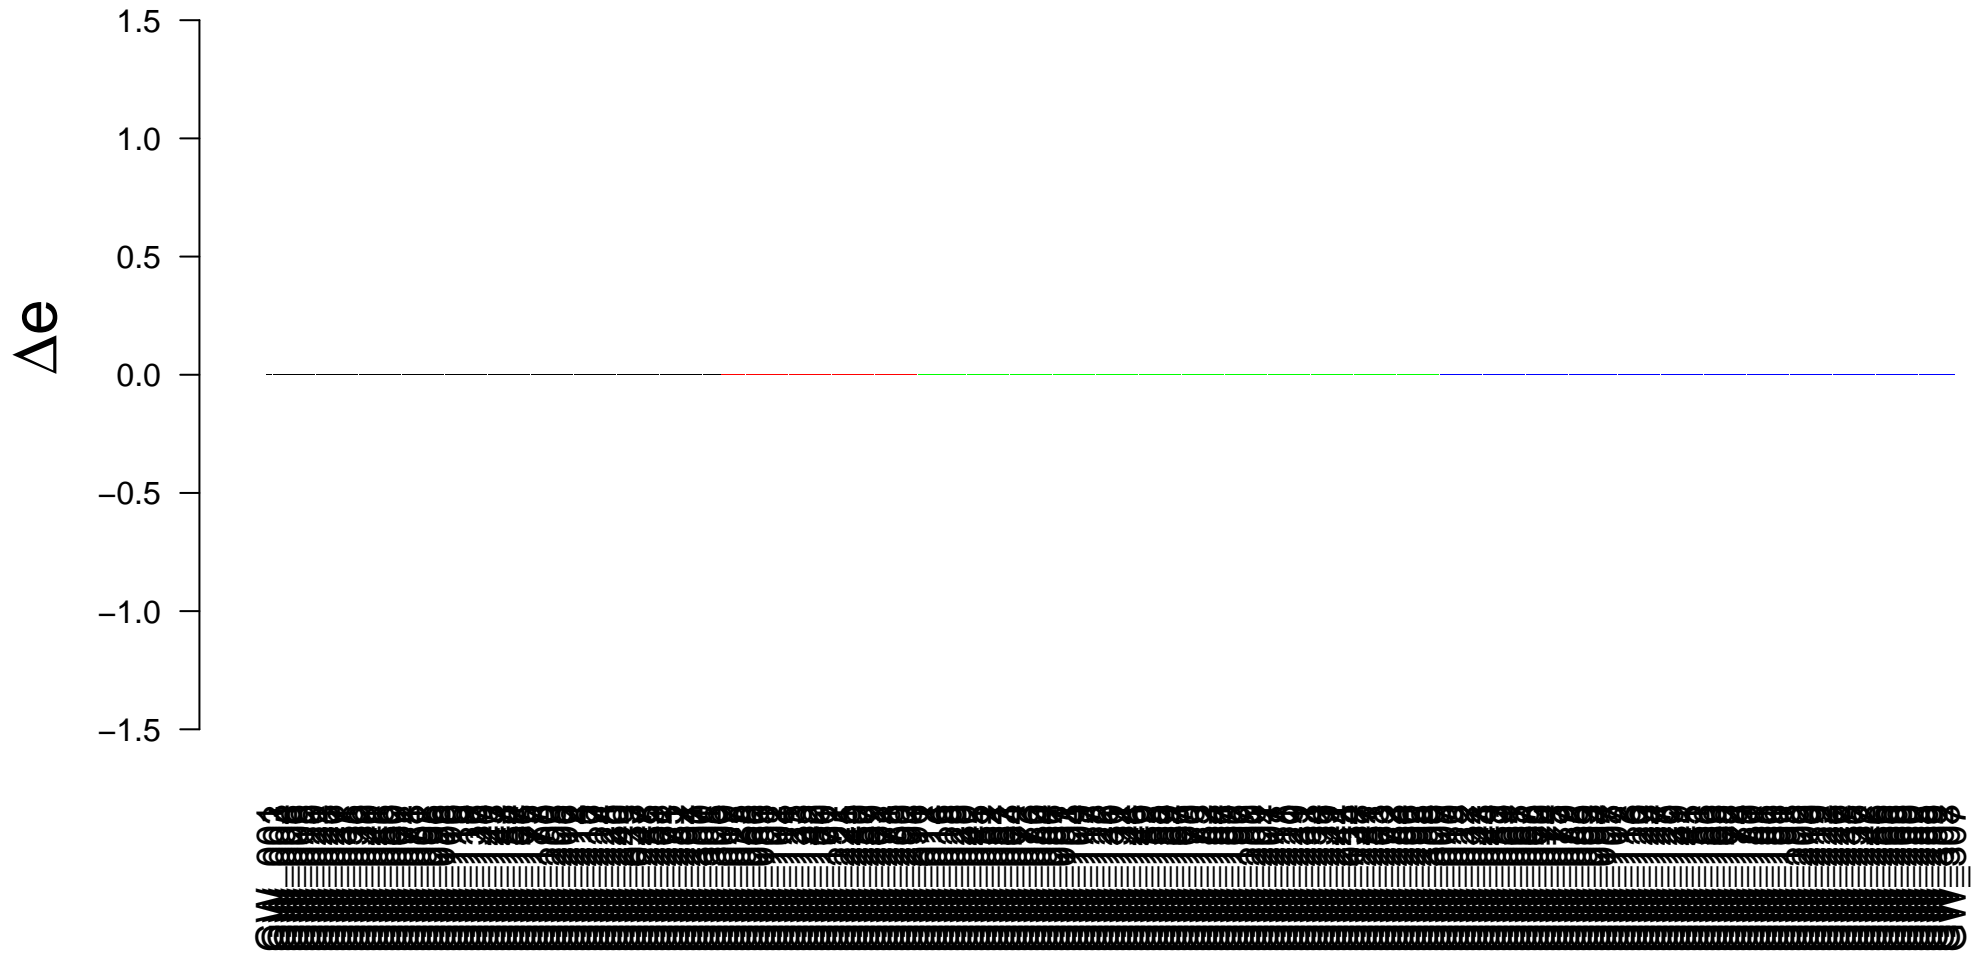

Expression of neuron differentiation in Spot O

Expression of neuron differentiation in Spot P

Expression of neuron differentiation in Spot Q

Expression of neuron differentiation in Spot R
