

neuron fate commitment

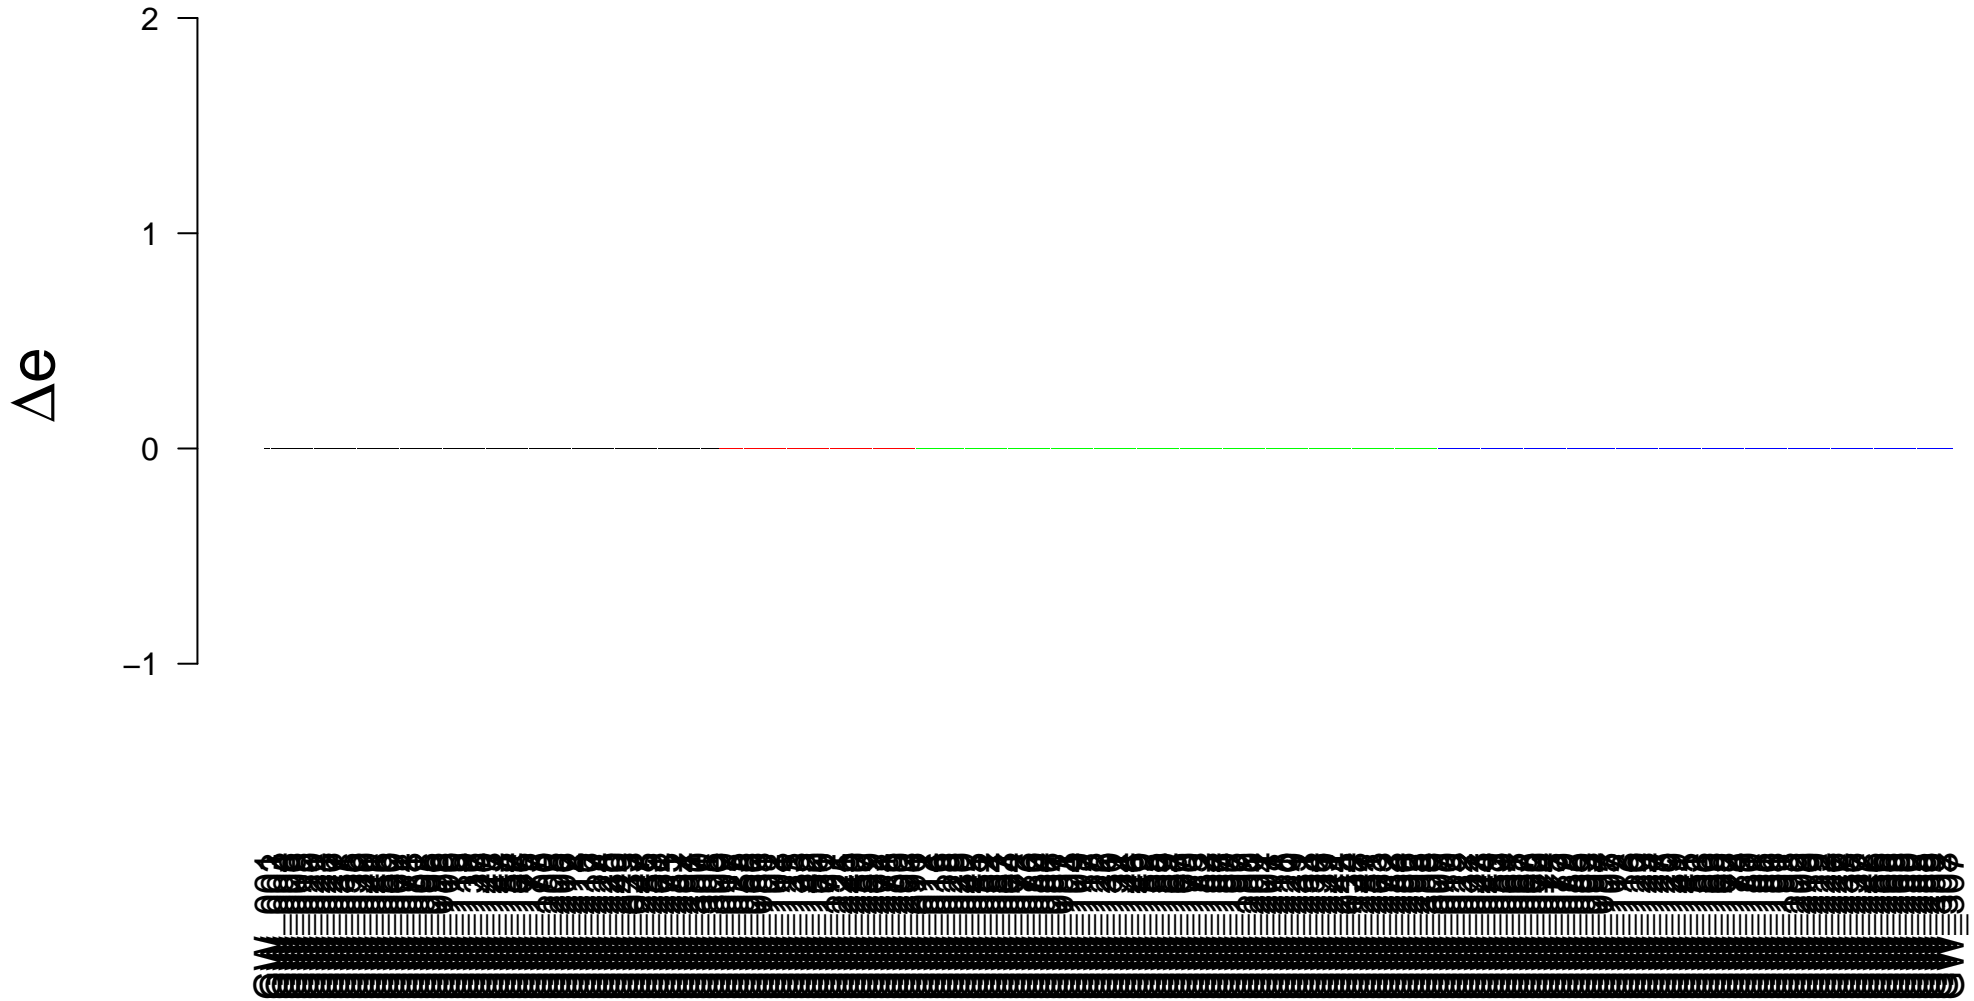

neuron fate commitment

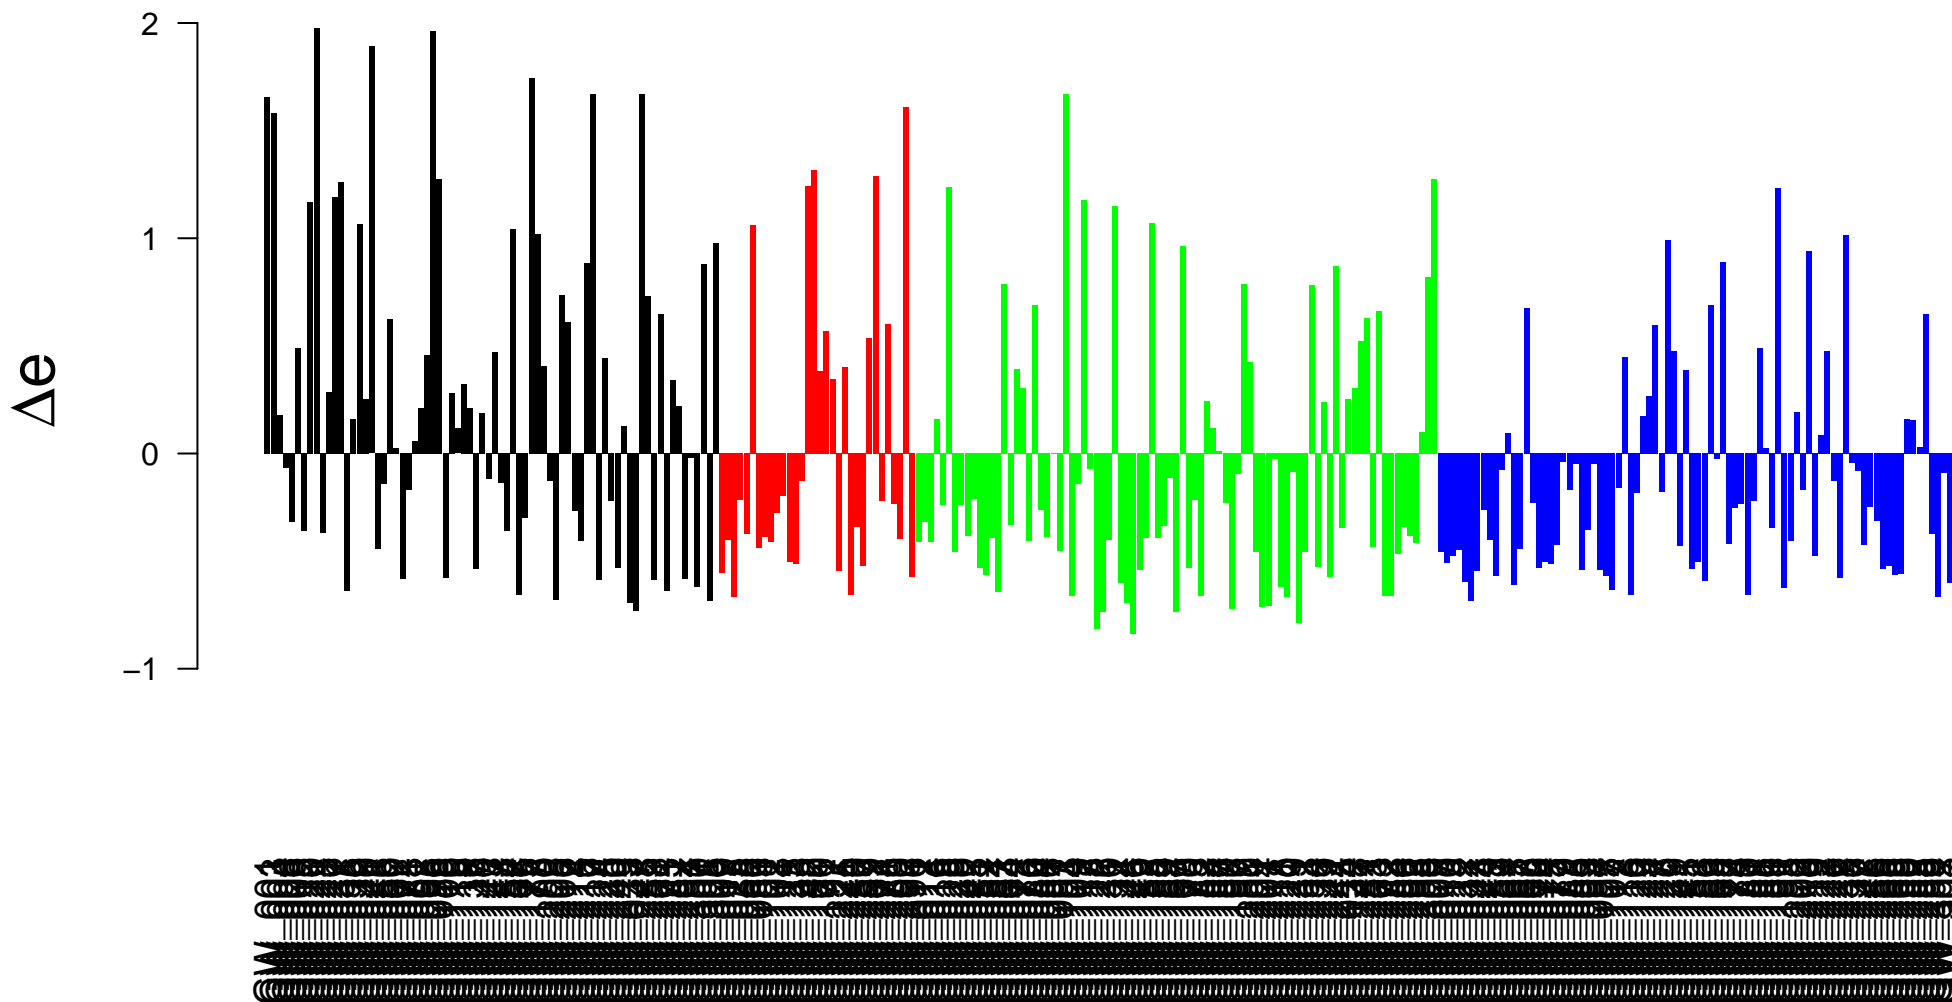

Enrichment in spots: neuron fate commitment

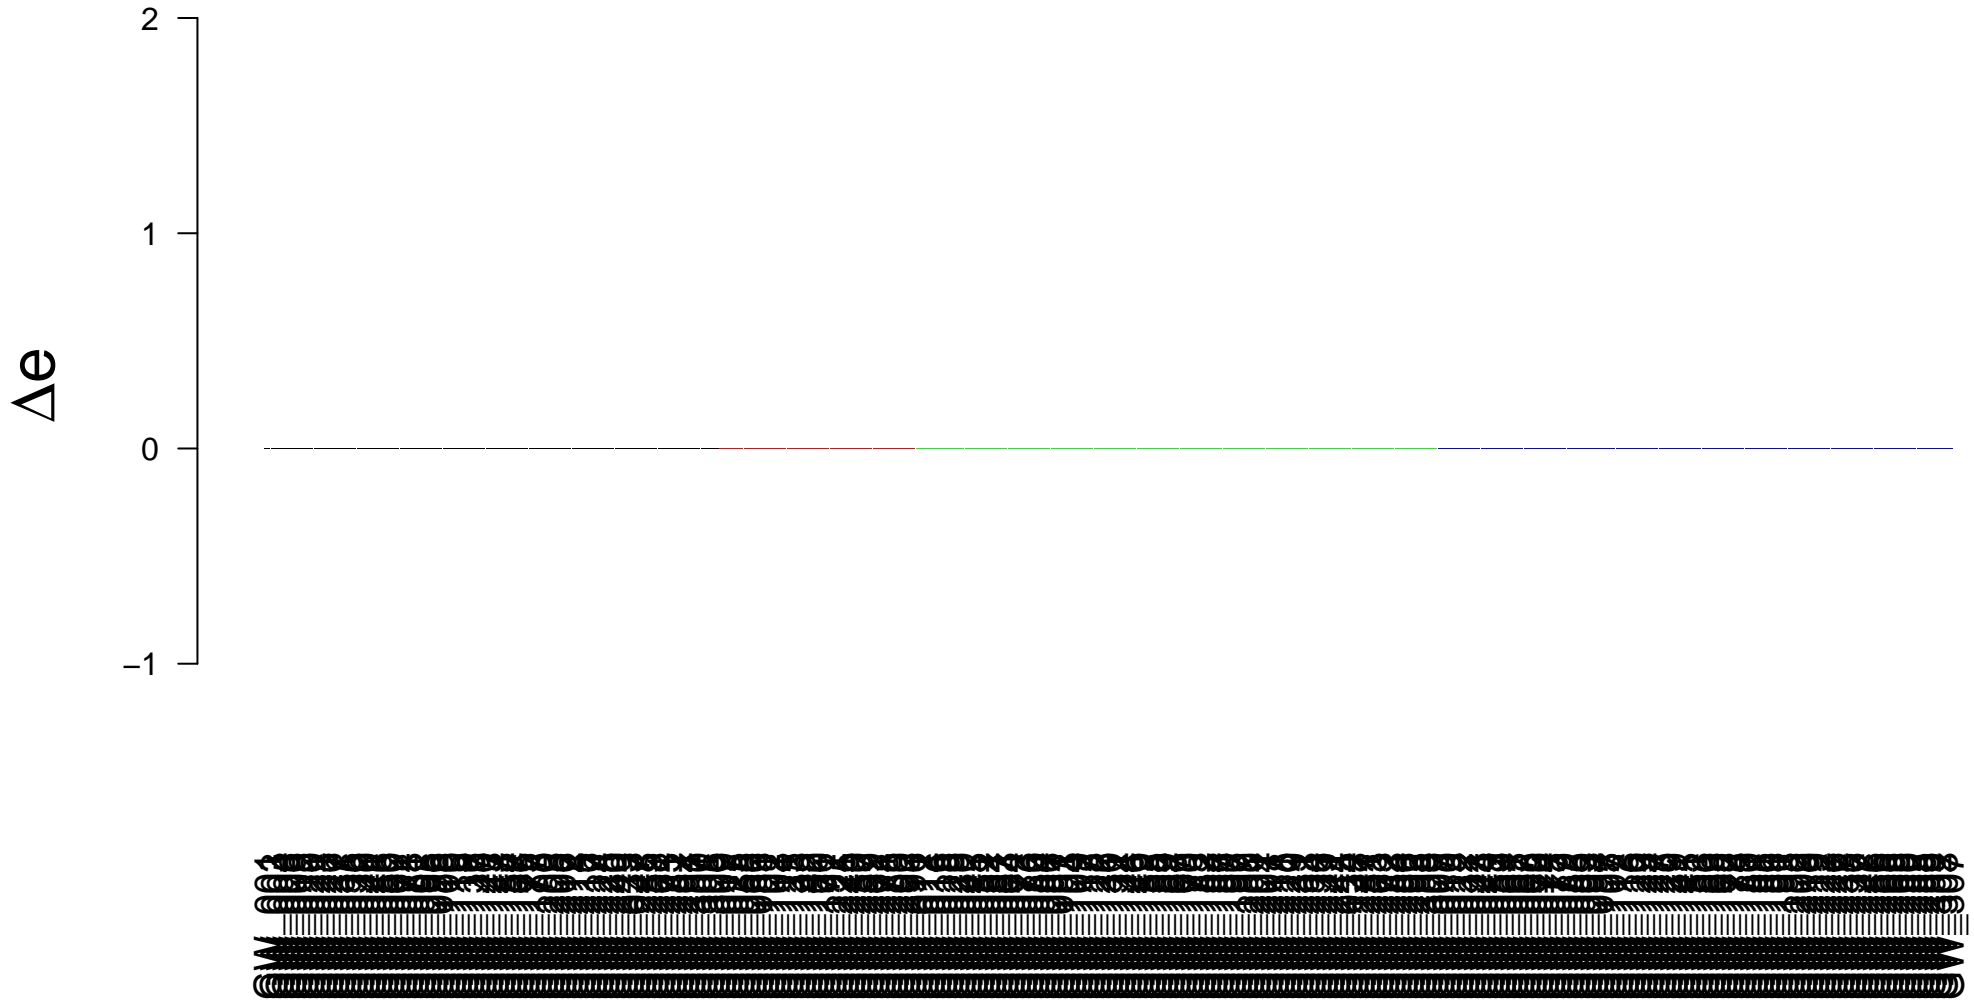

Expression of neuron fate commitment in Spot A

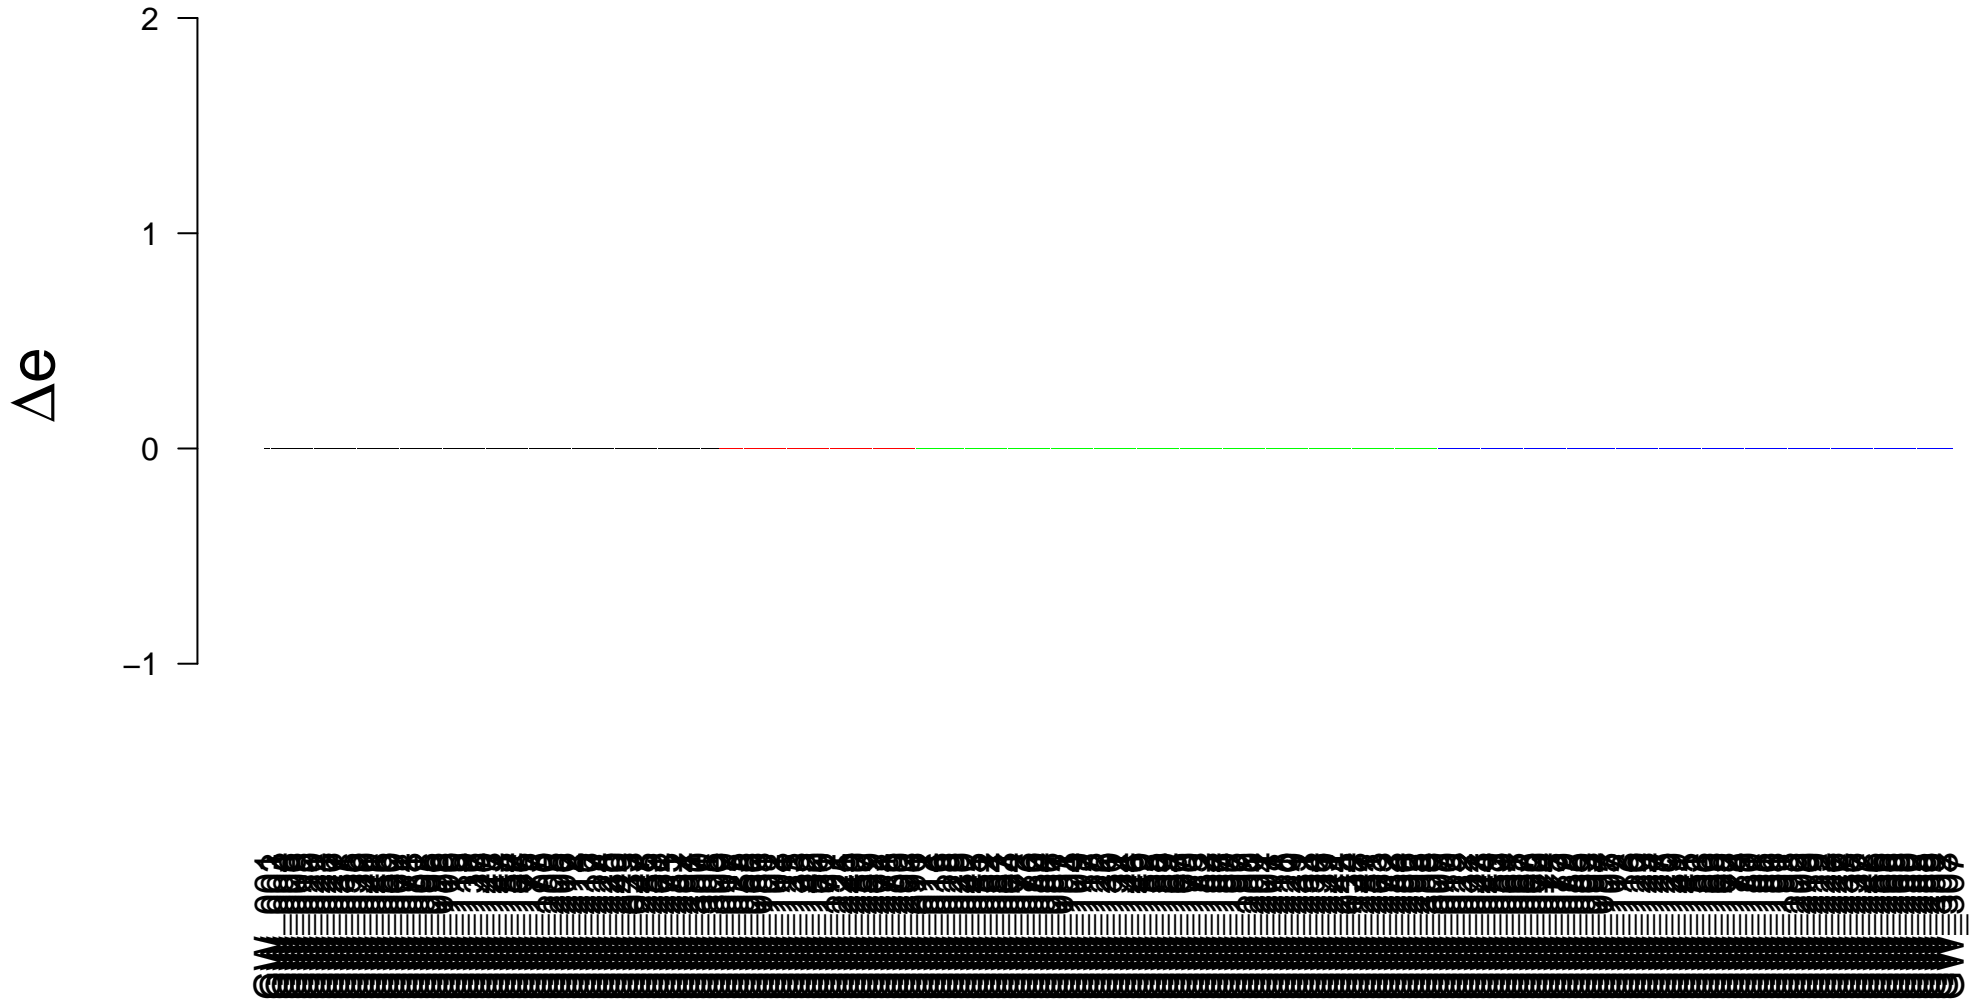

Expression of neuron fate commitment in Spot B

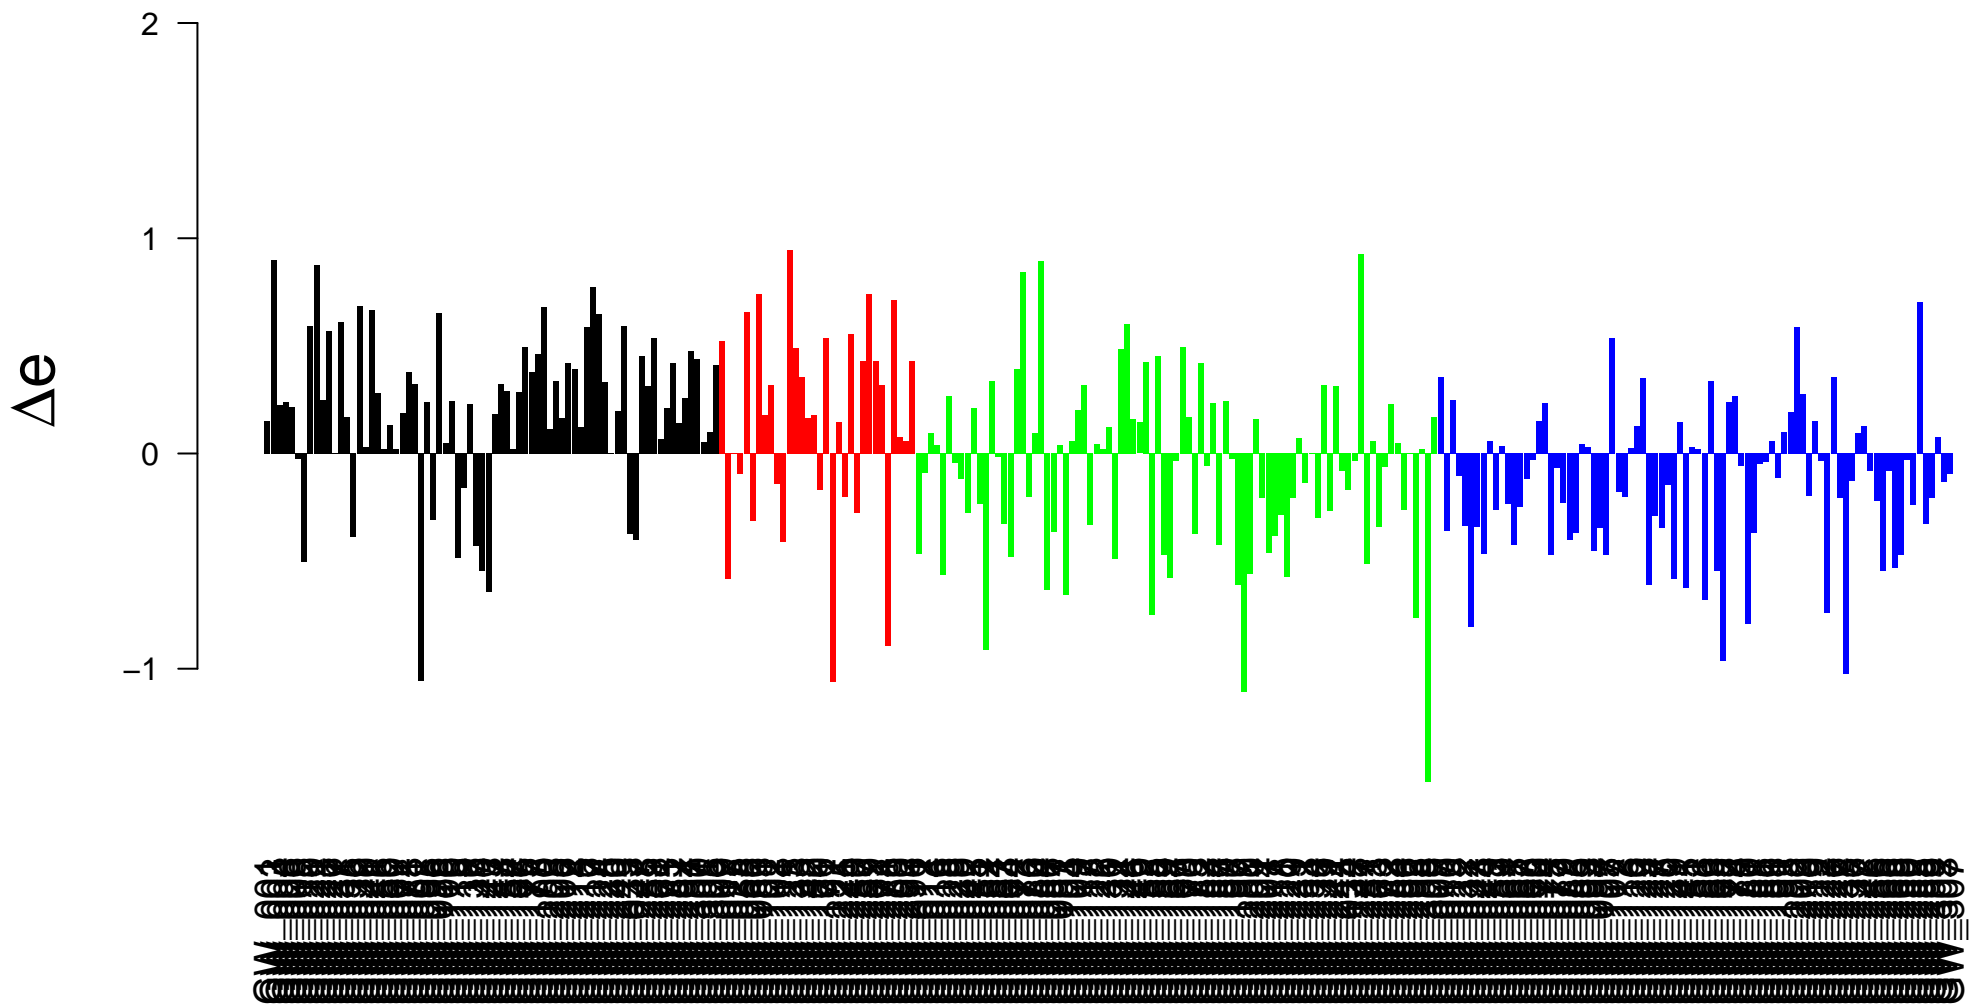

Expression of neuron fate commitment in Spot C

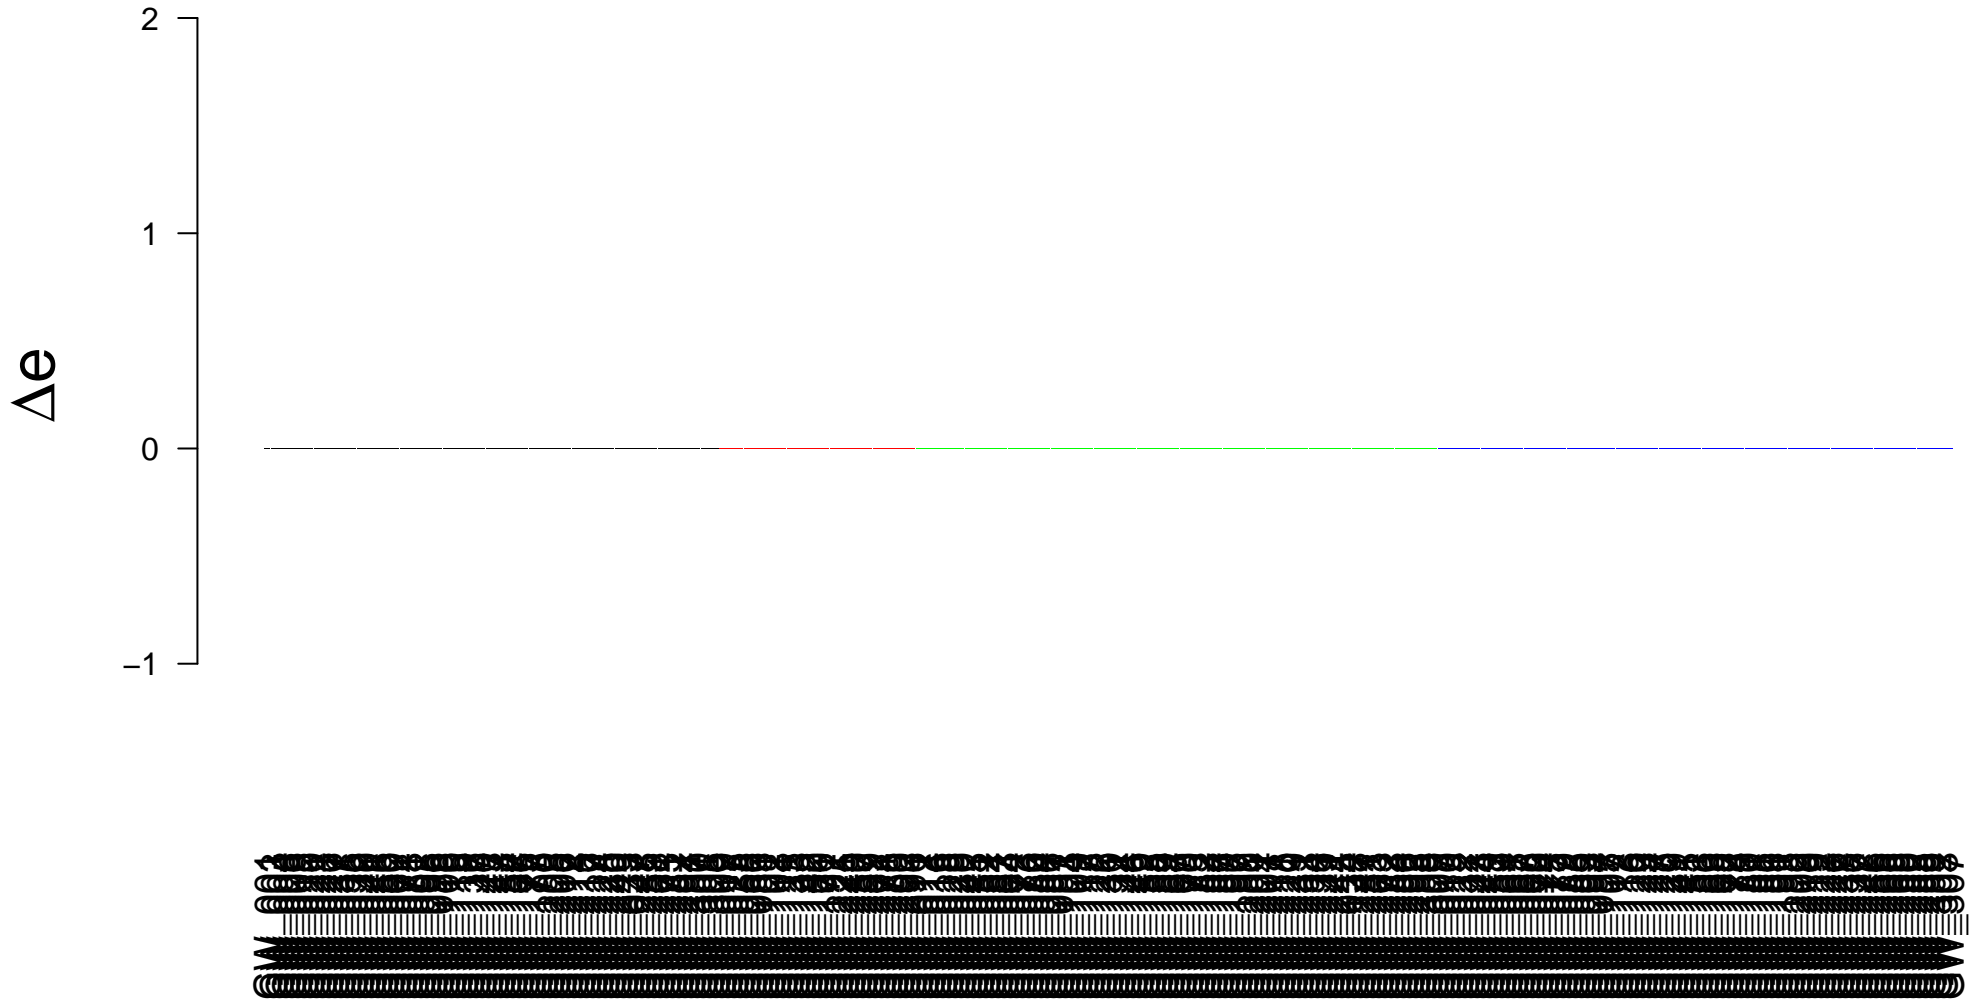

Expression of neuron fate commitment in Spot D

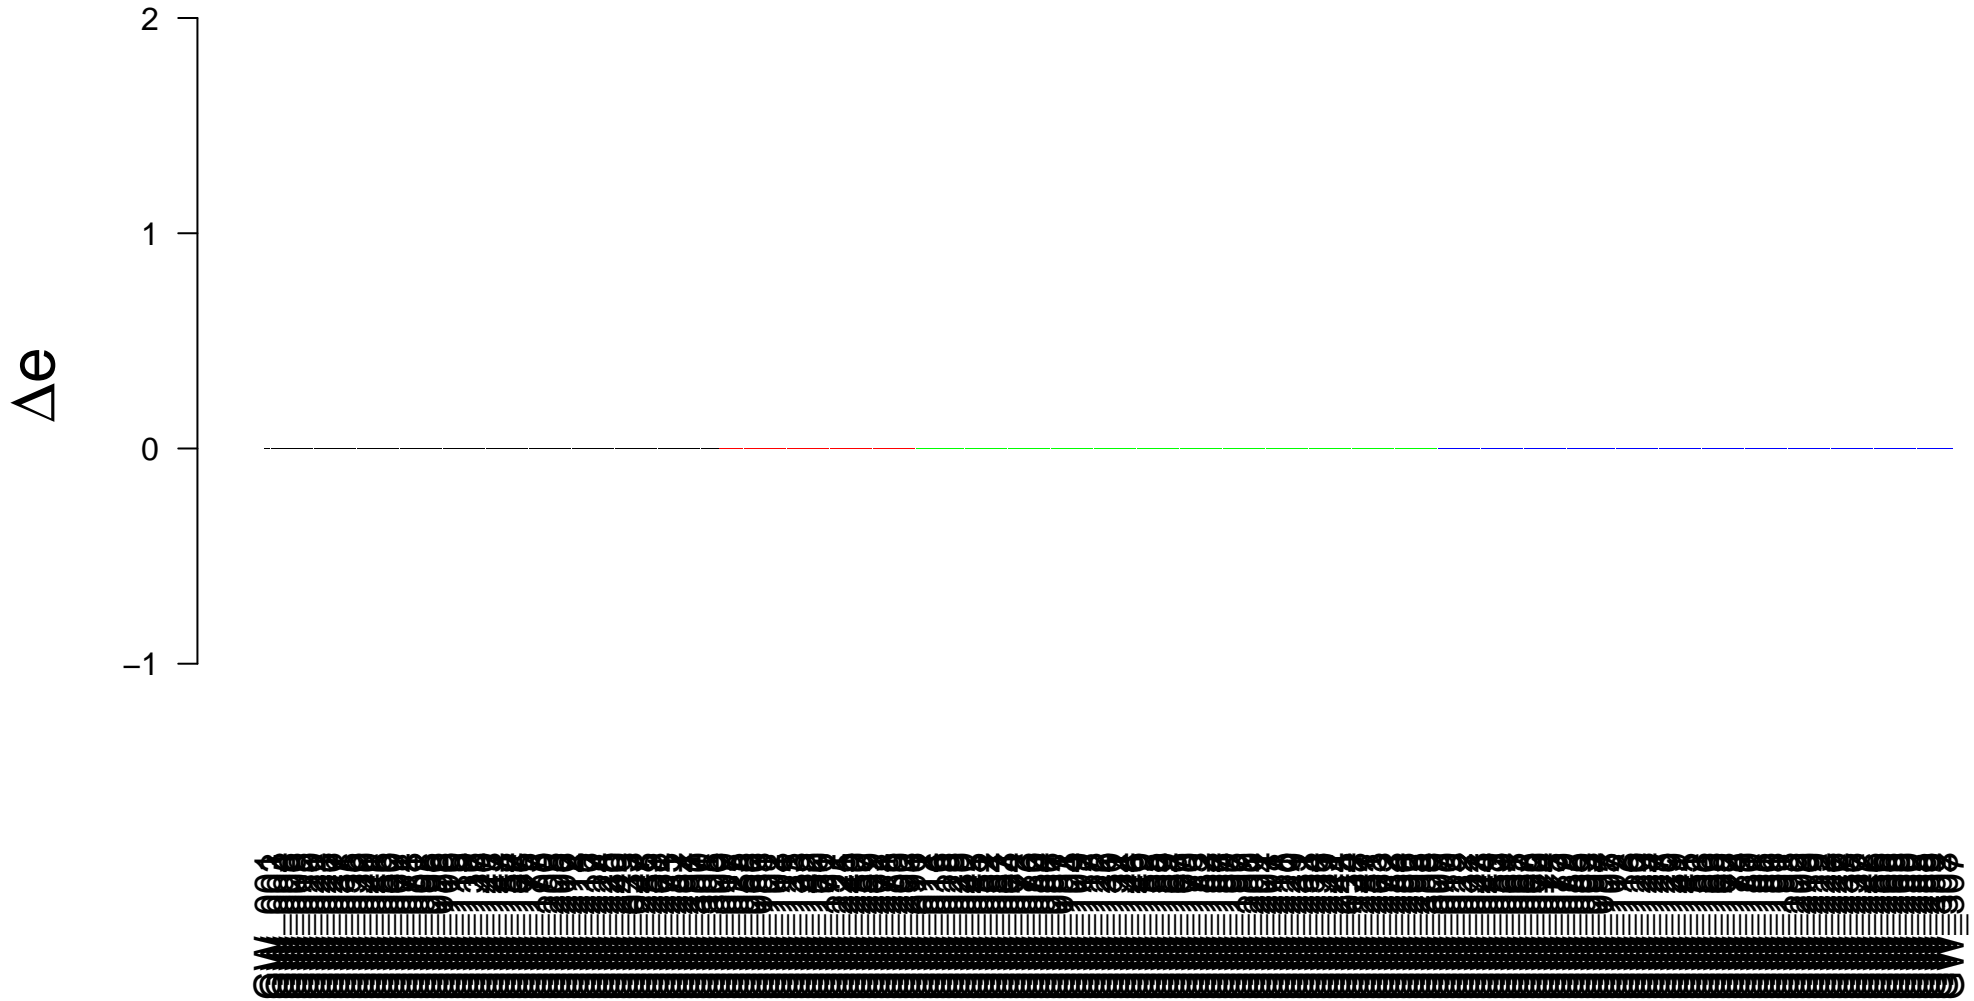

Expression of neuron fate commitment in Spot E

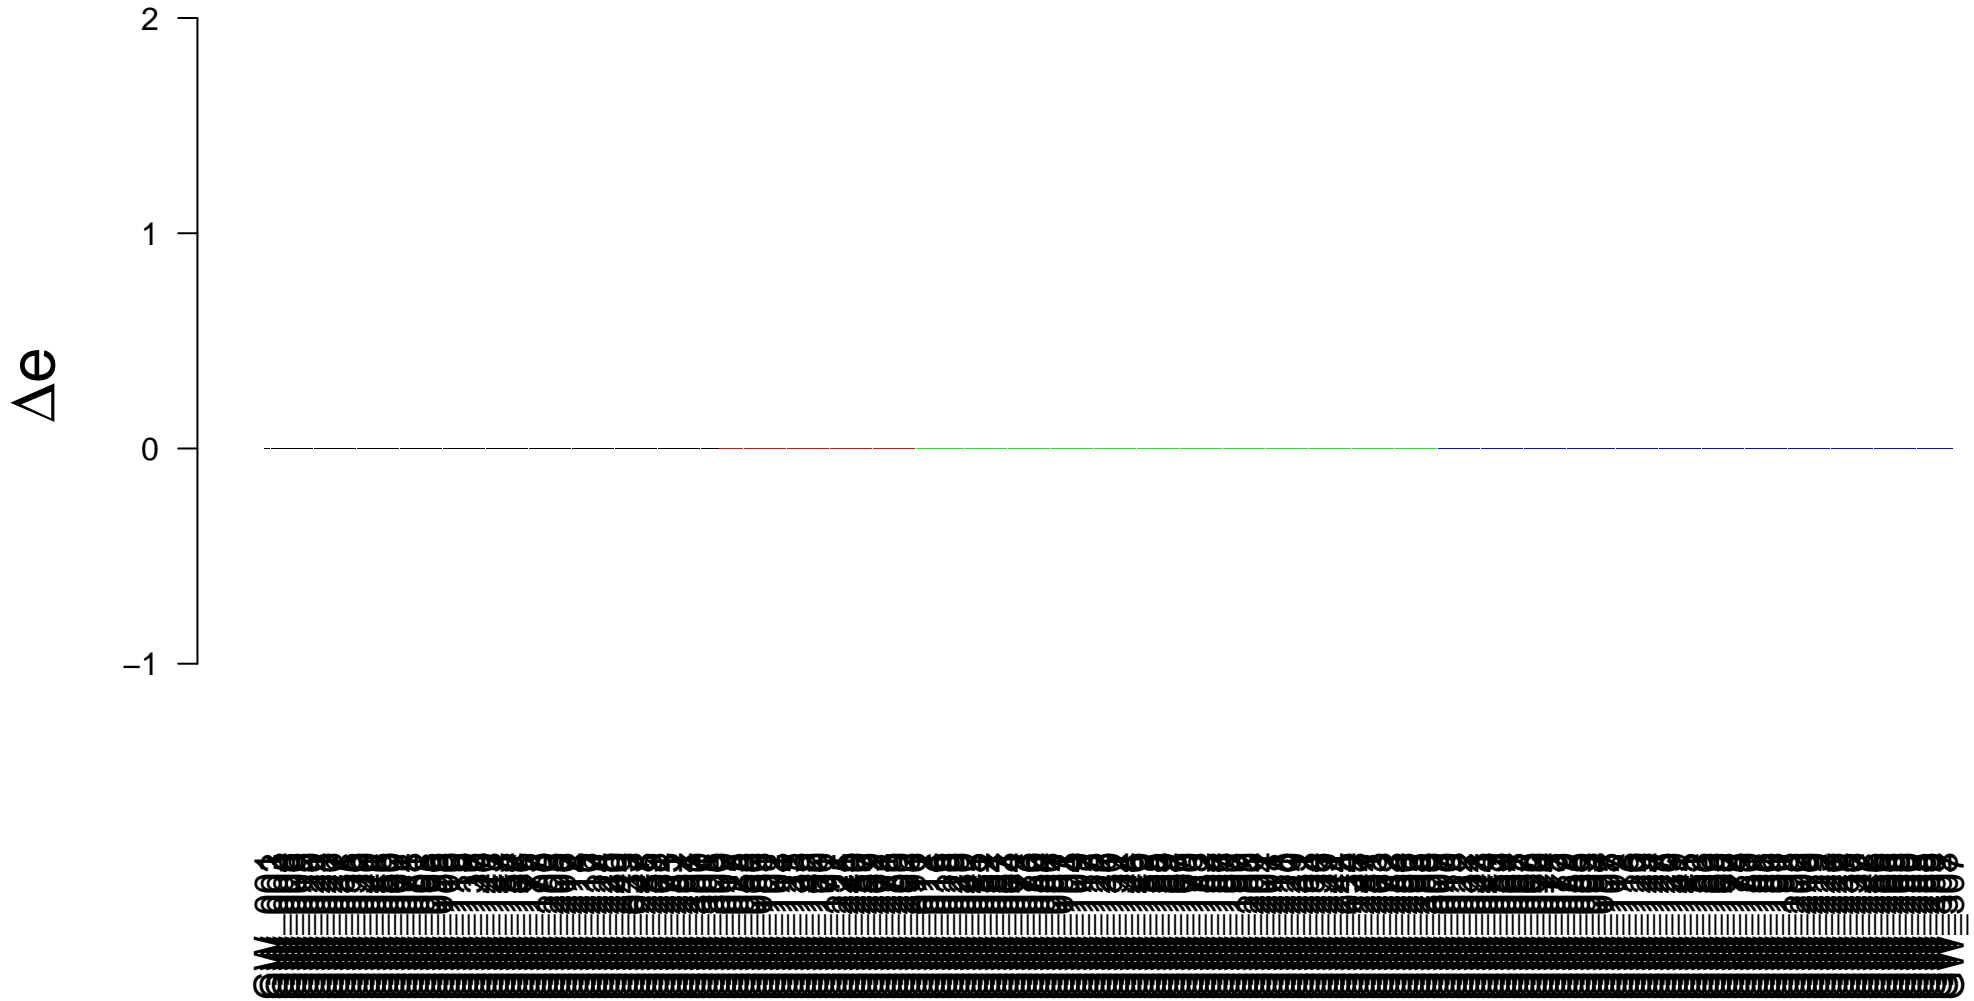

Expression of neuron fate commitment in Spot F

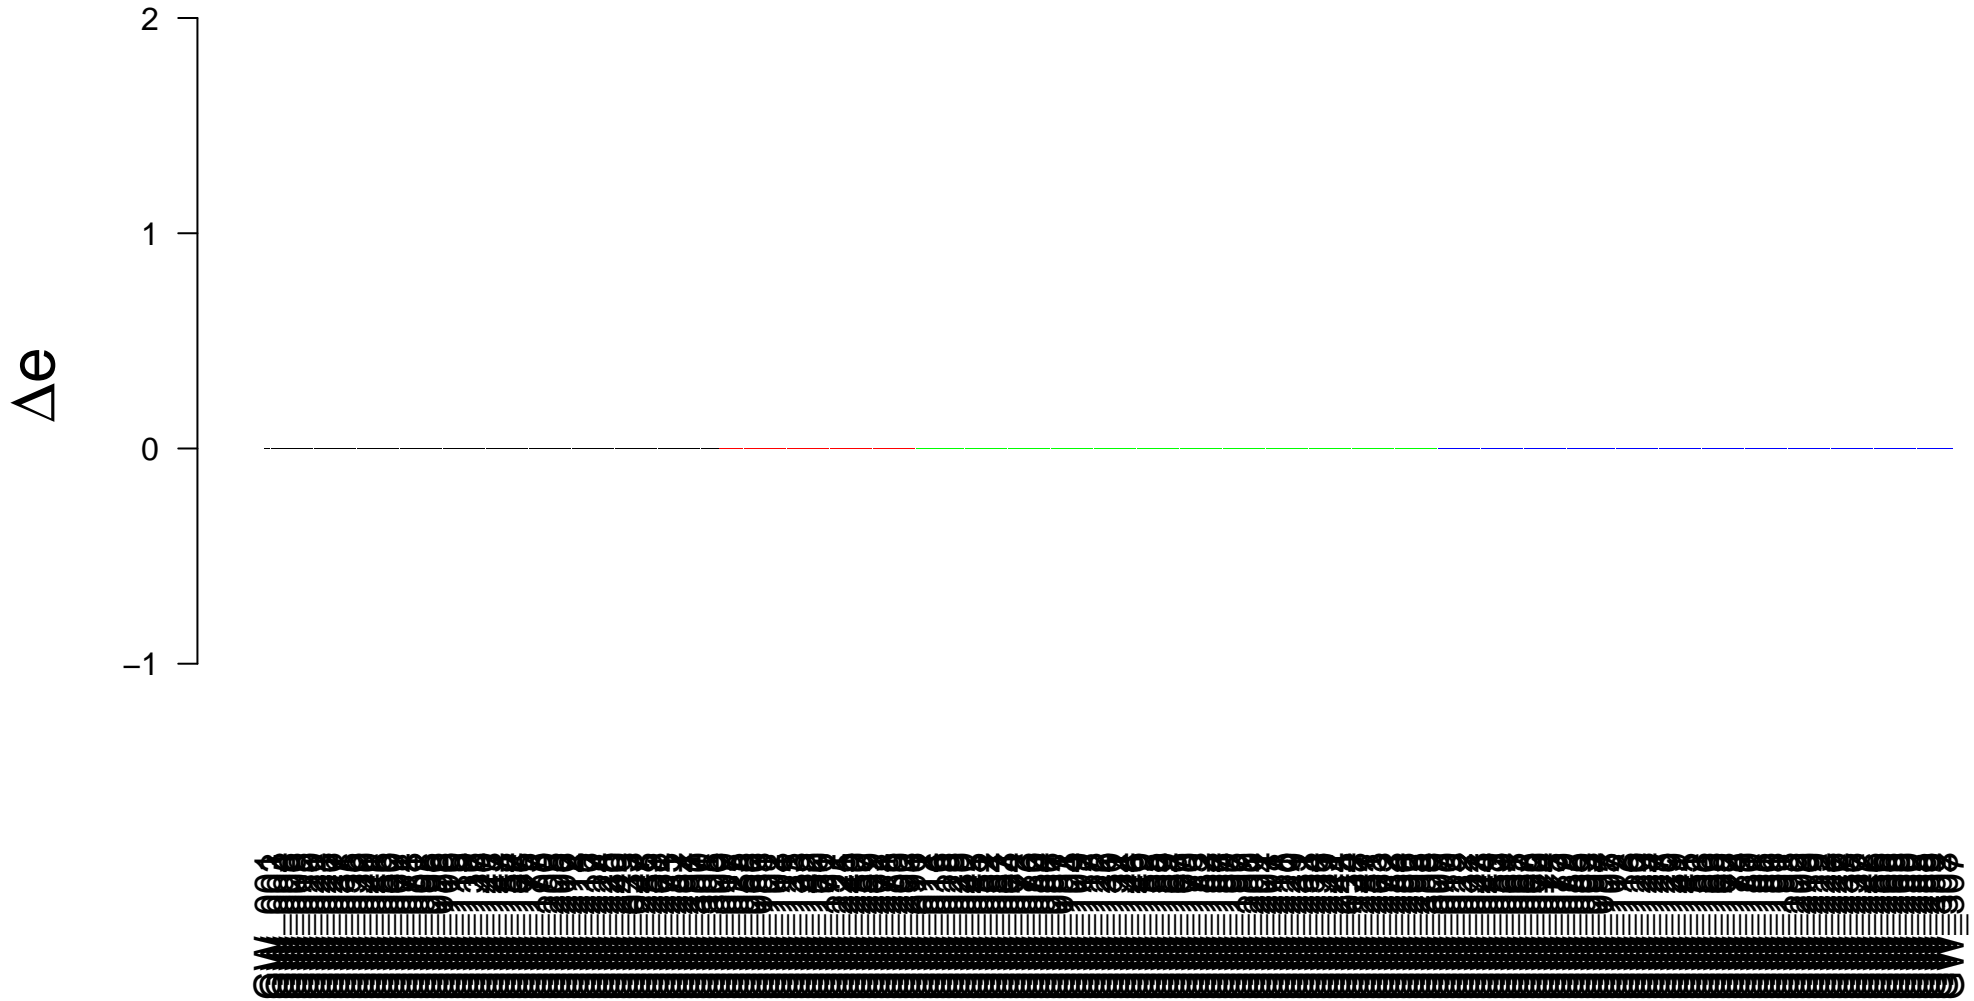

Expression of neuron fate commitment in Spot G

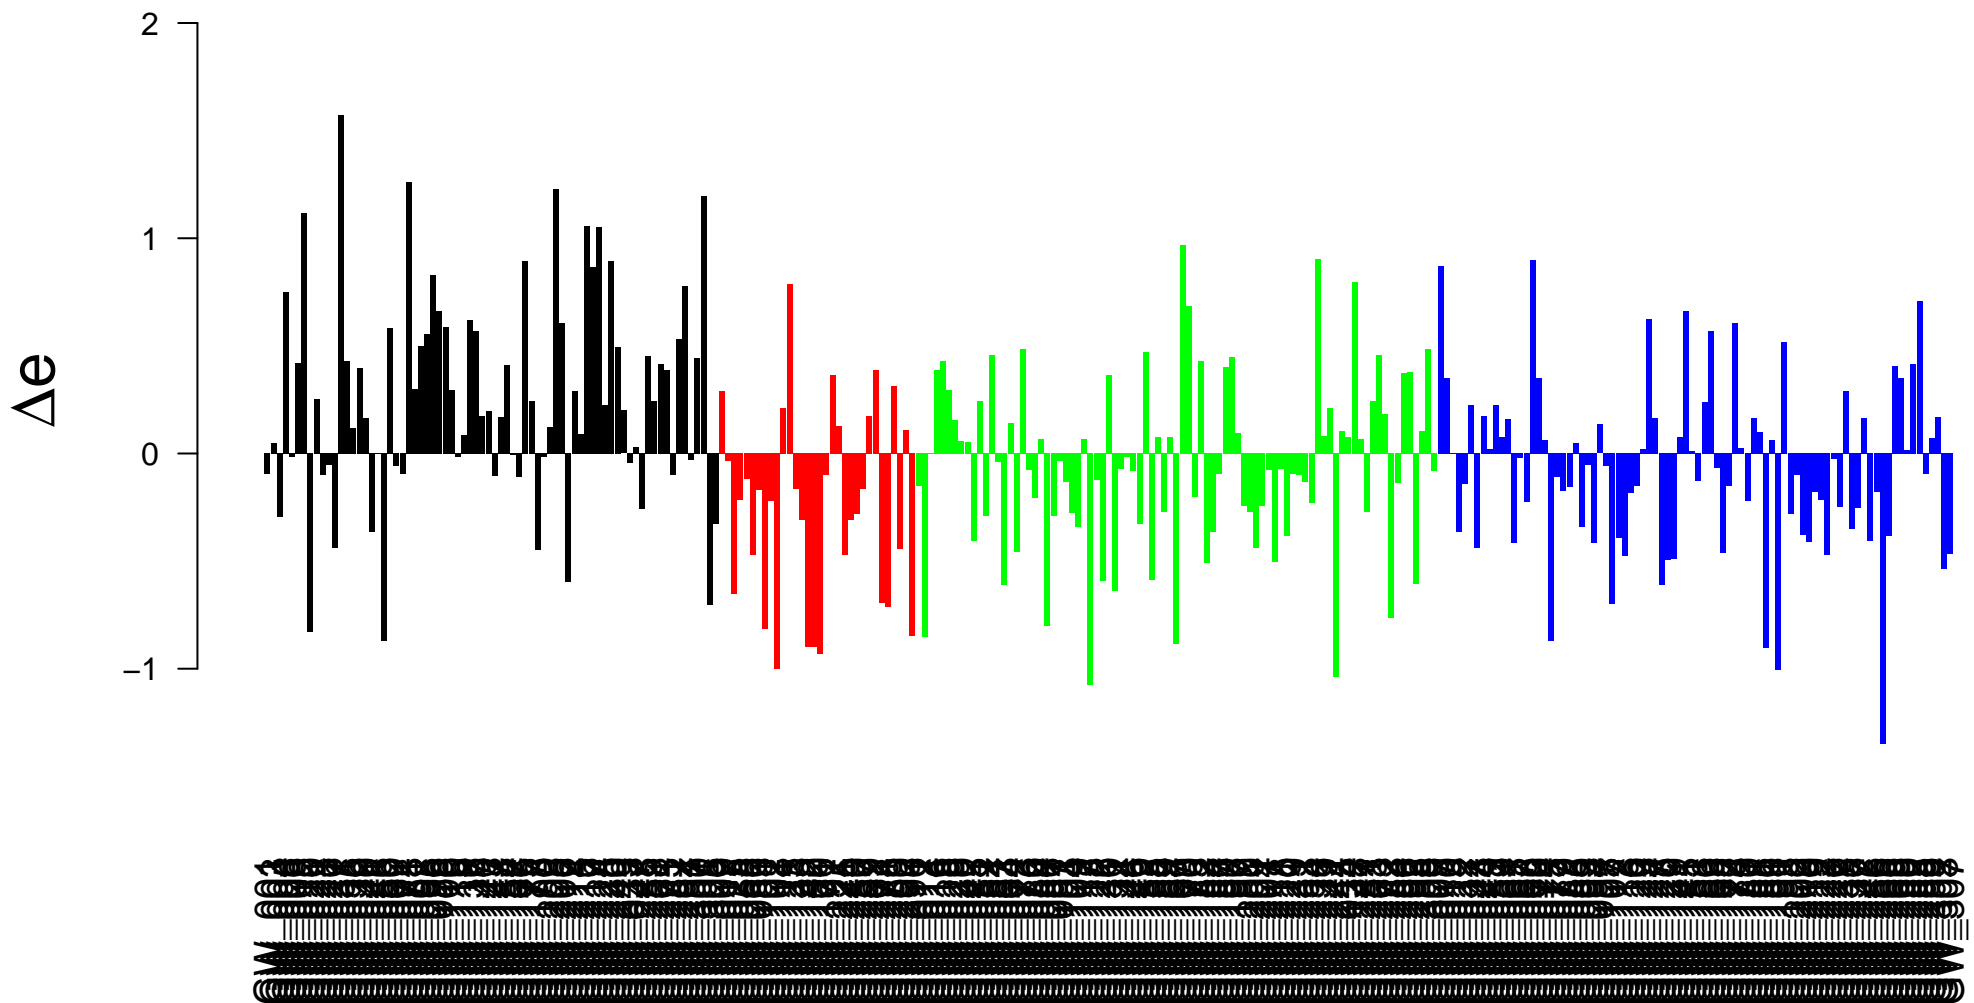

Expression of neuron fate commitment in Spot H

Expression of neuron fate commitment in Spot I

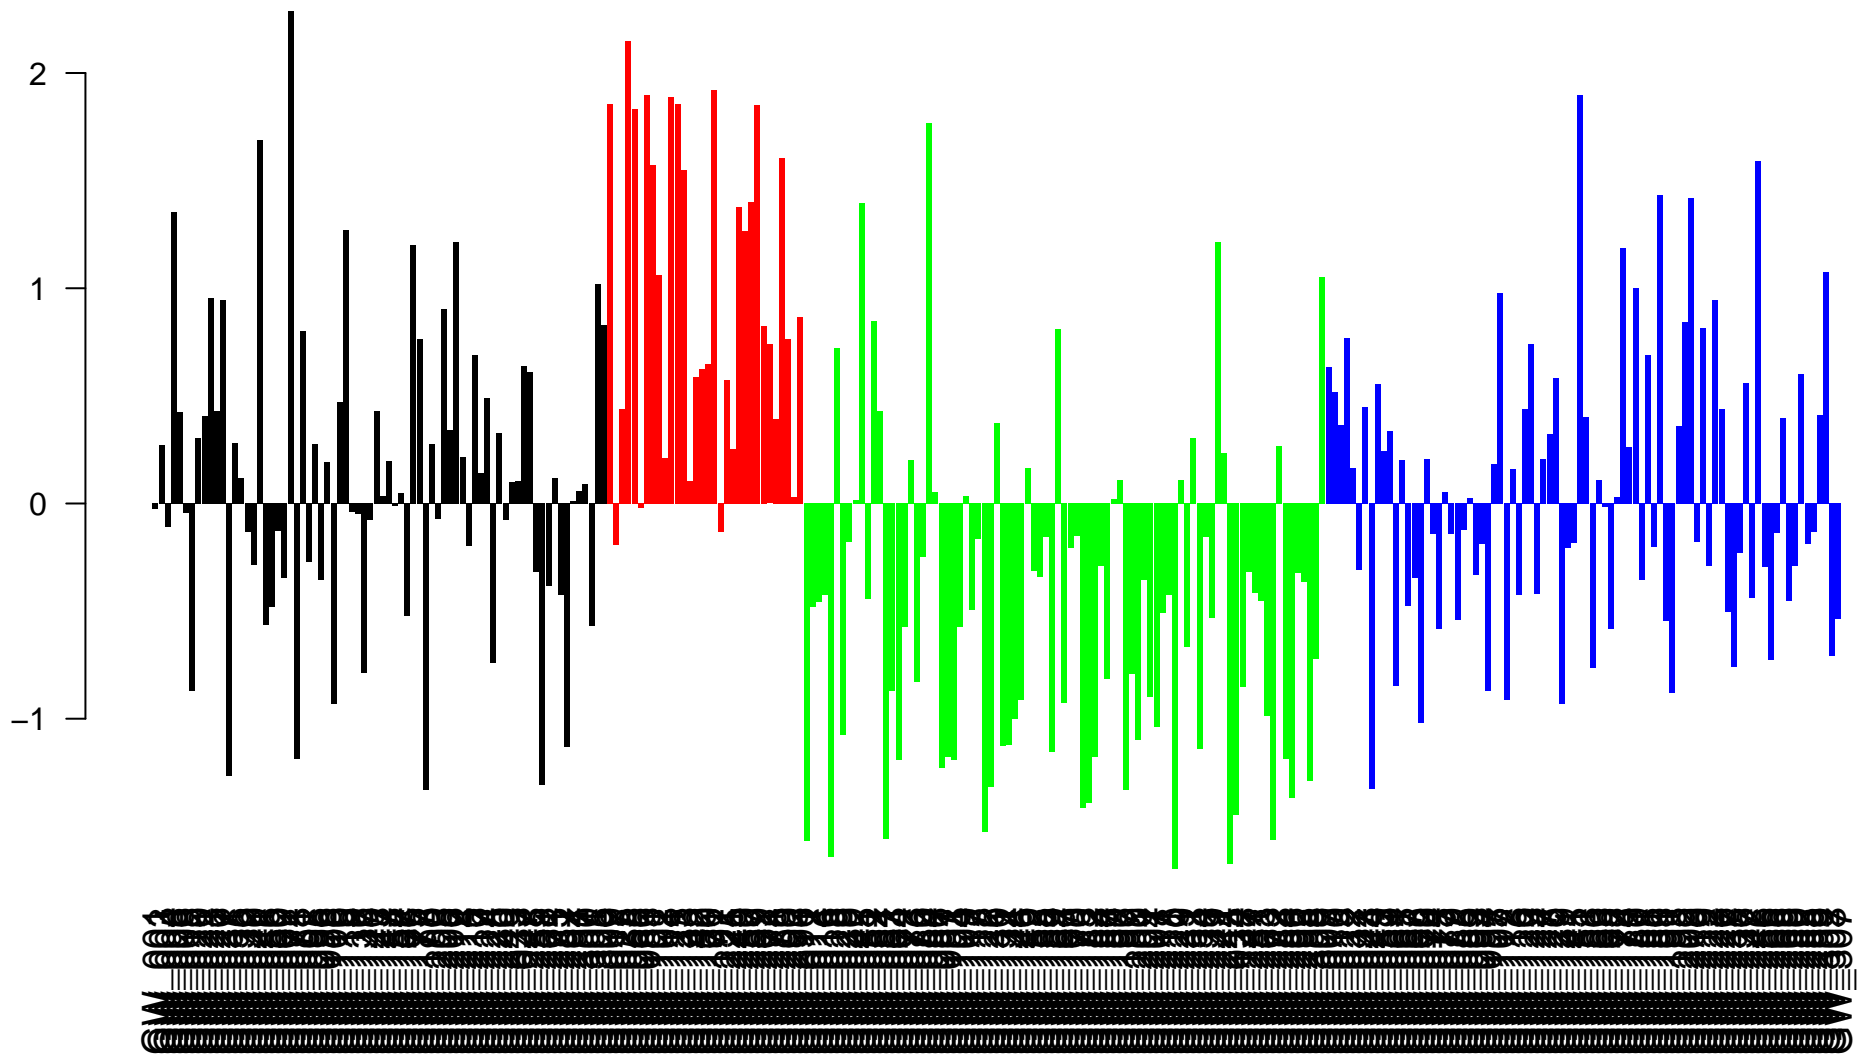

Expression of neuron fate commitment in Spot J

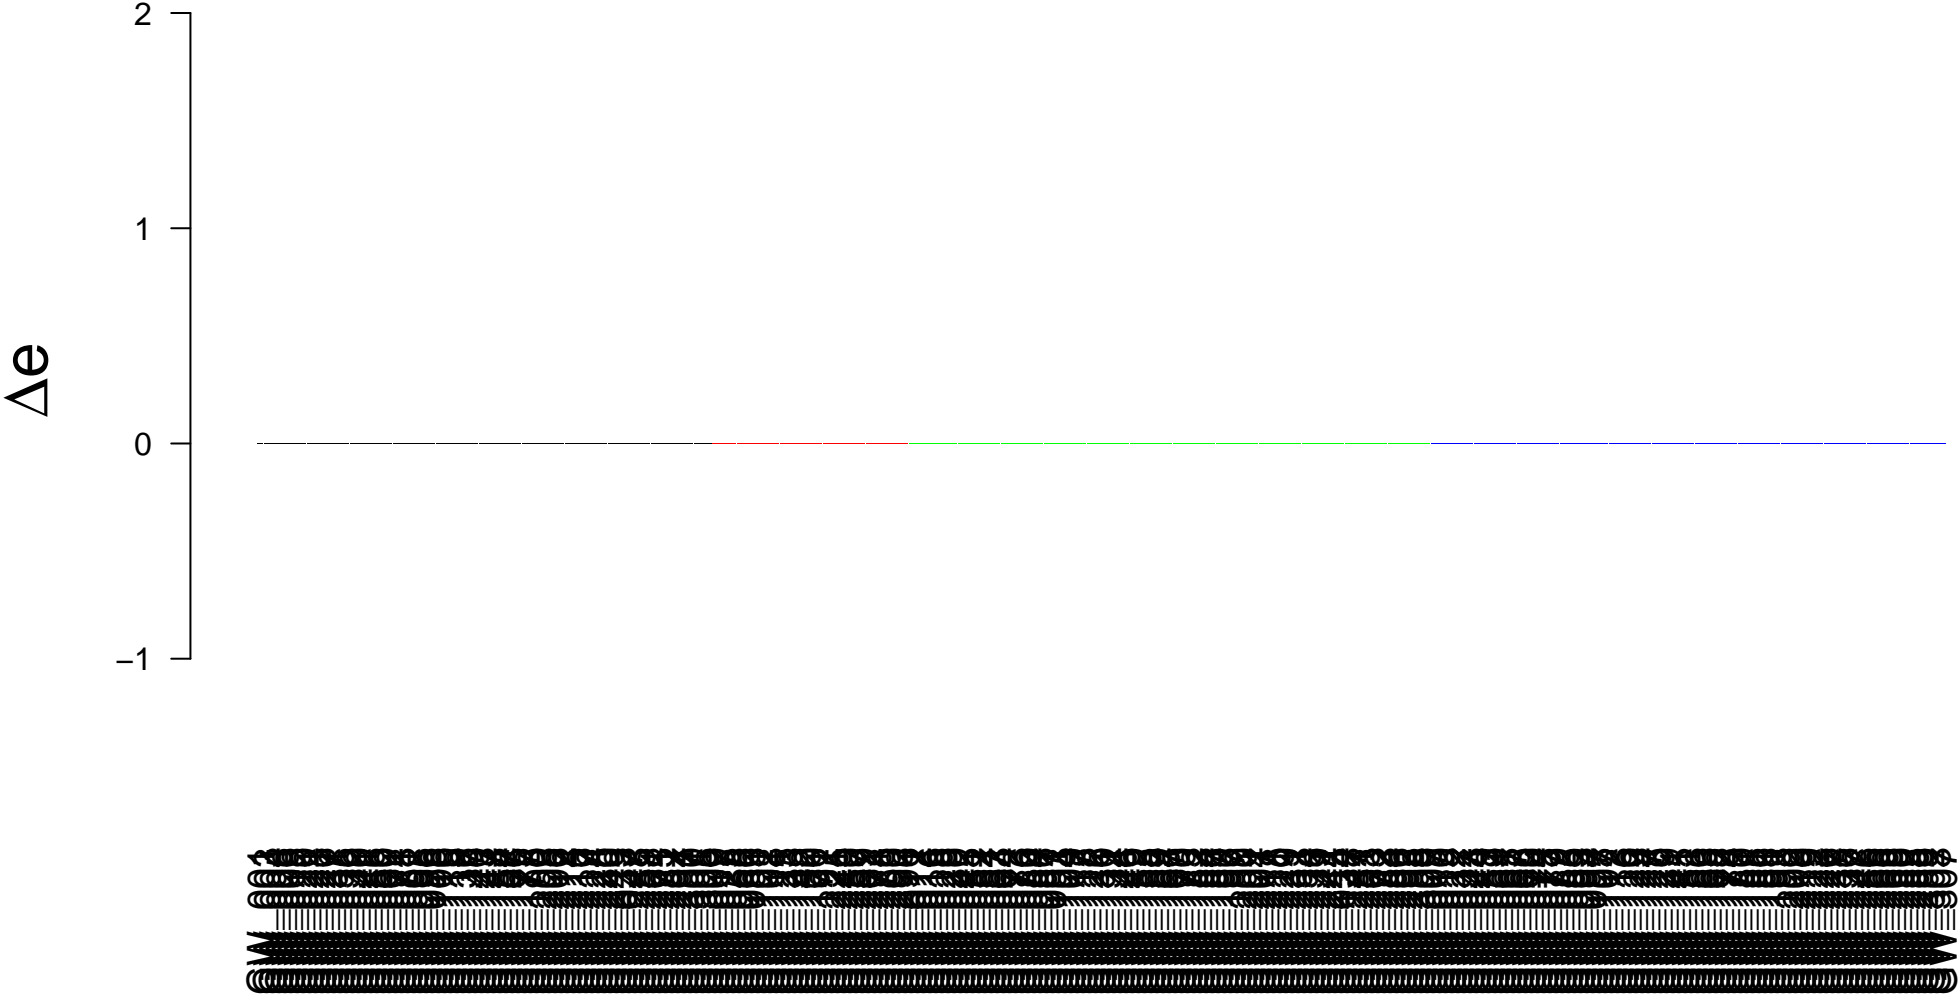

Expression of neuron fate commitment in Spot K

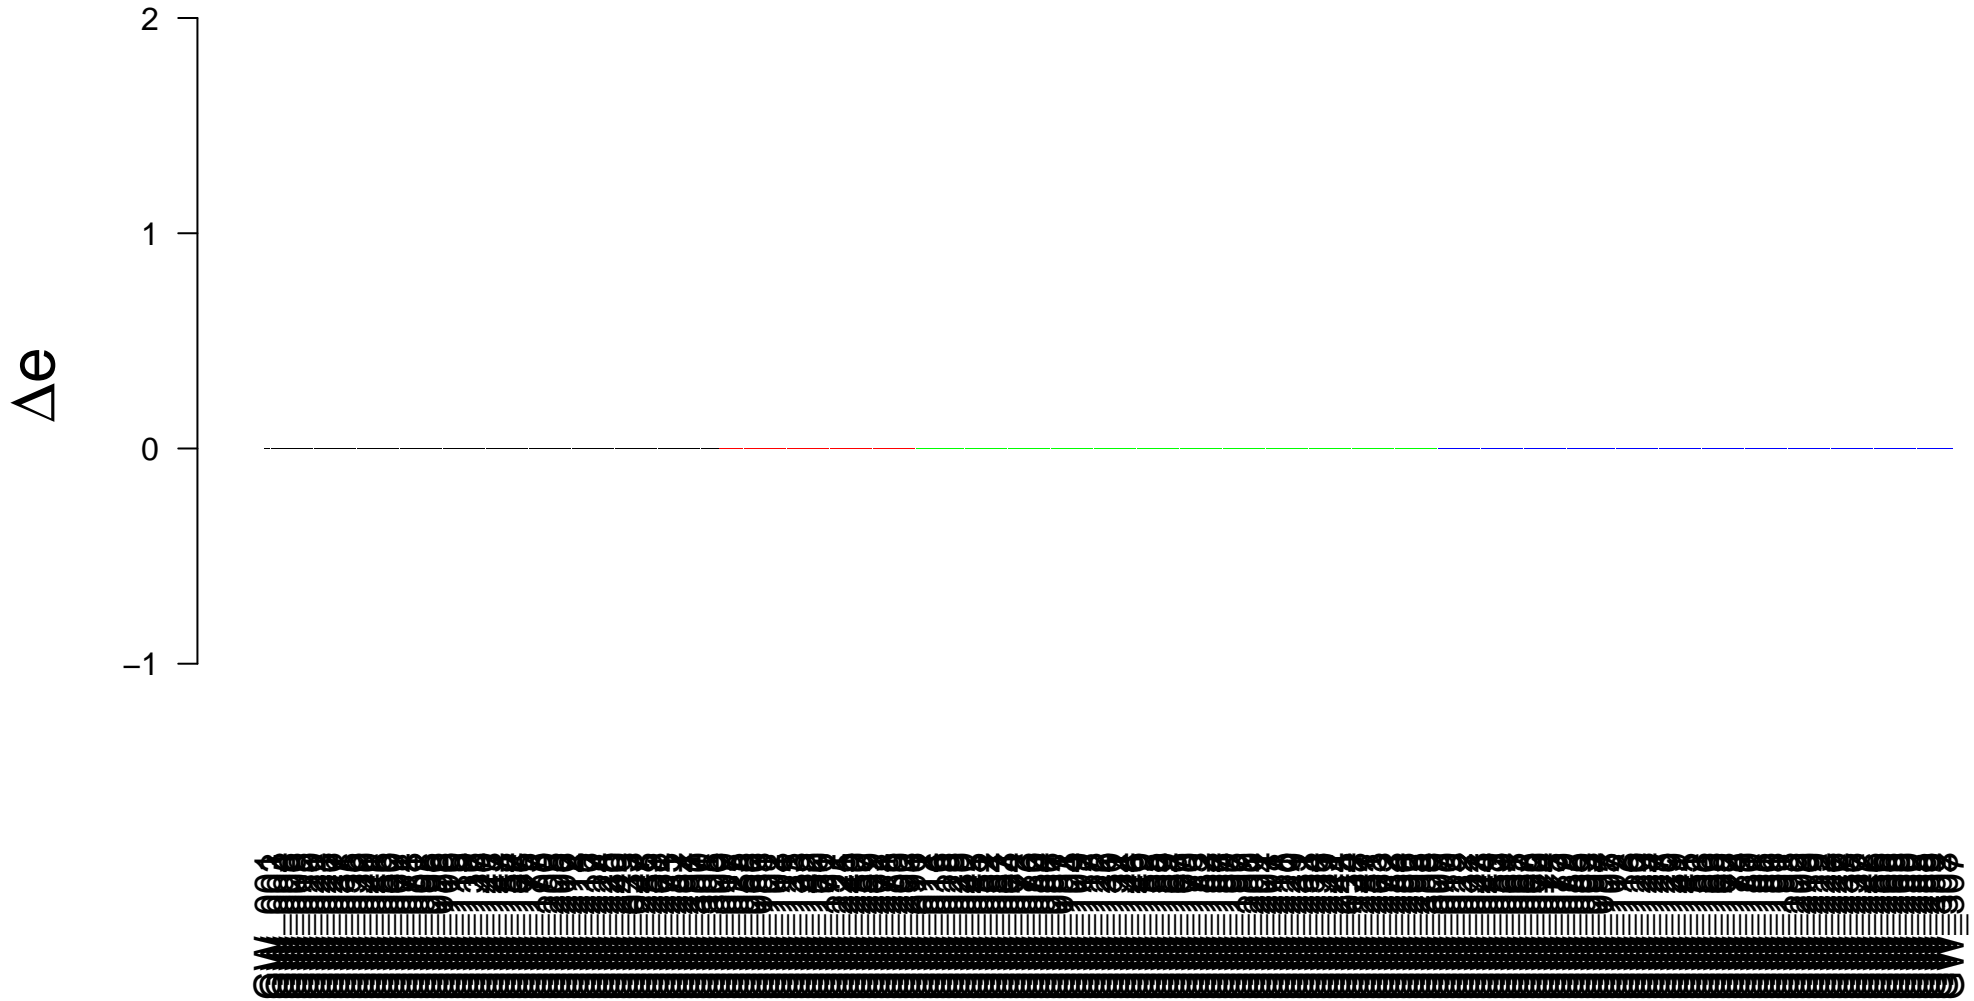

Δe

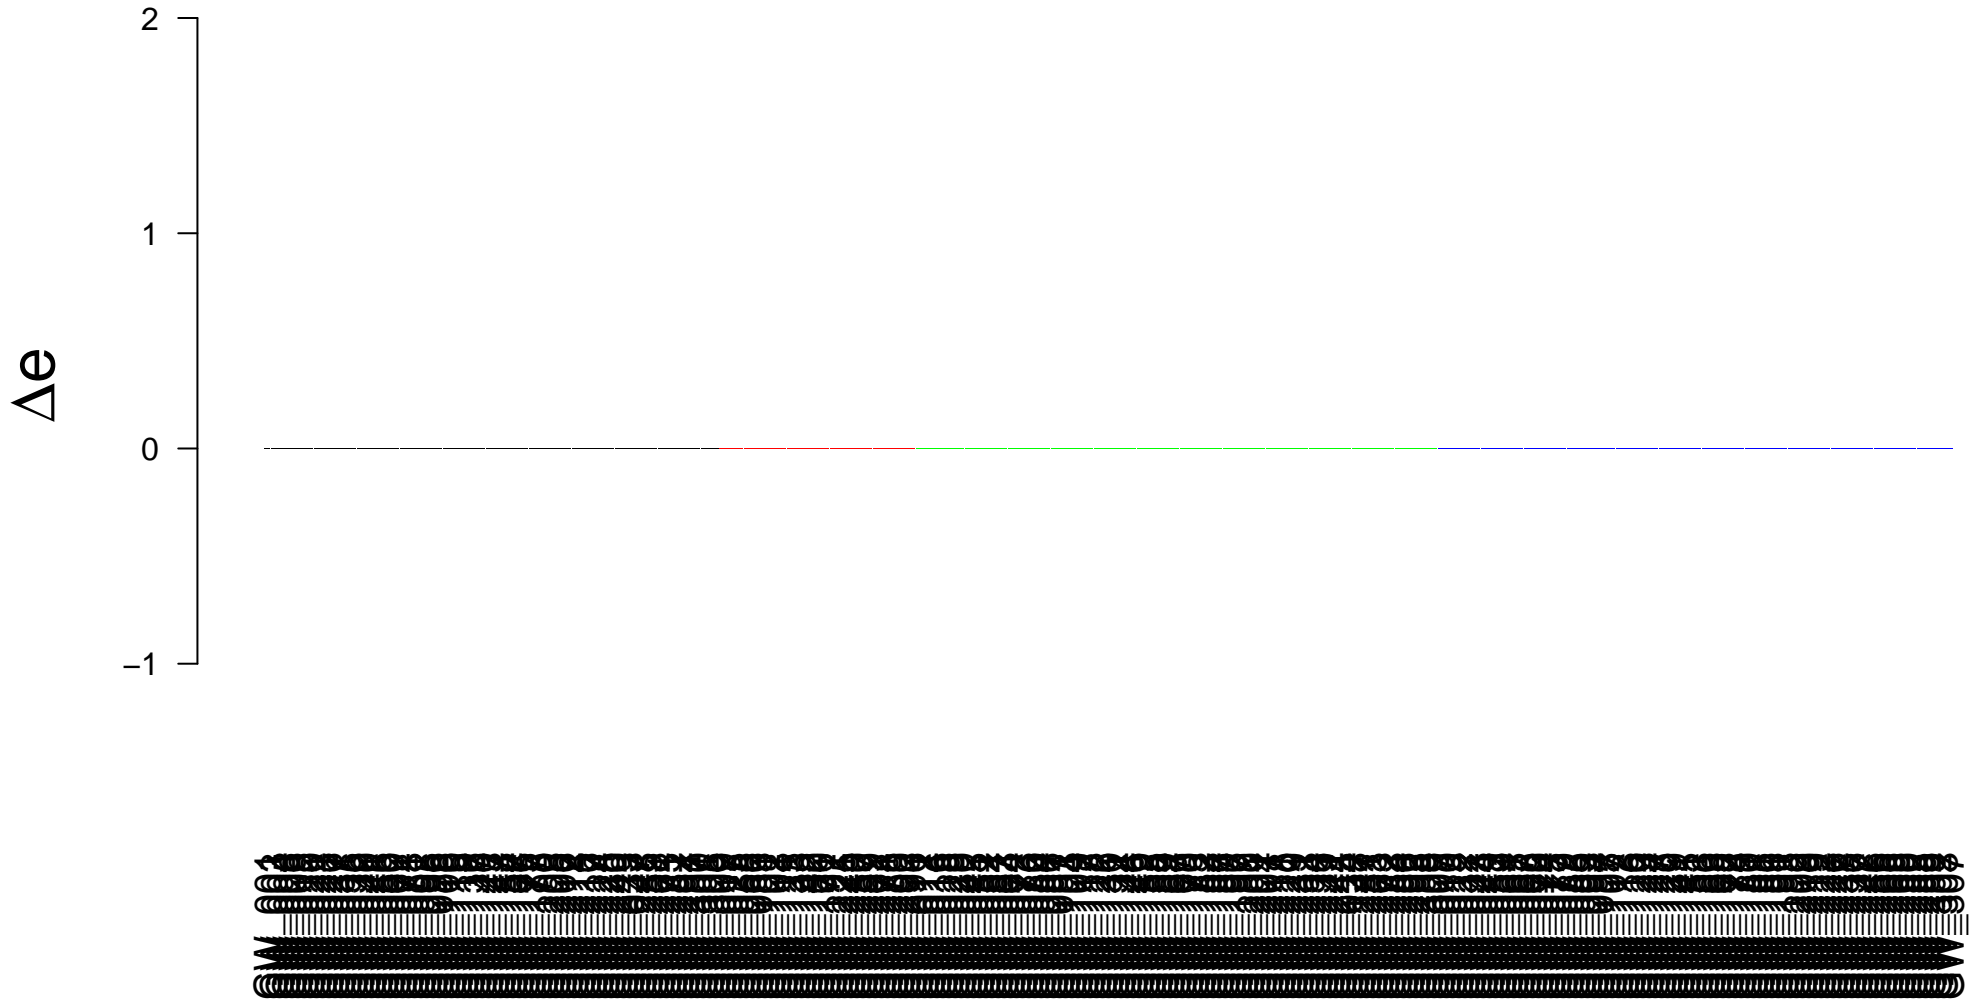

Expression of neuron fate commitment in Spot L

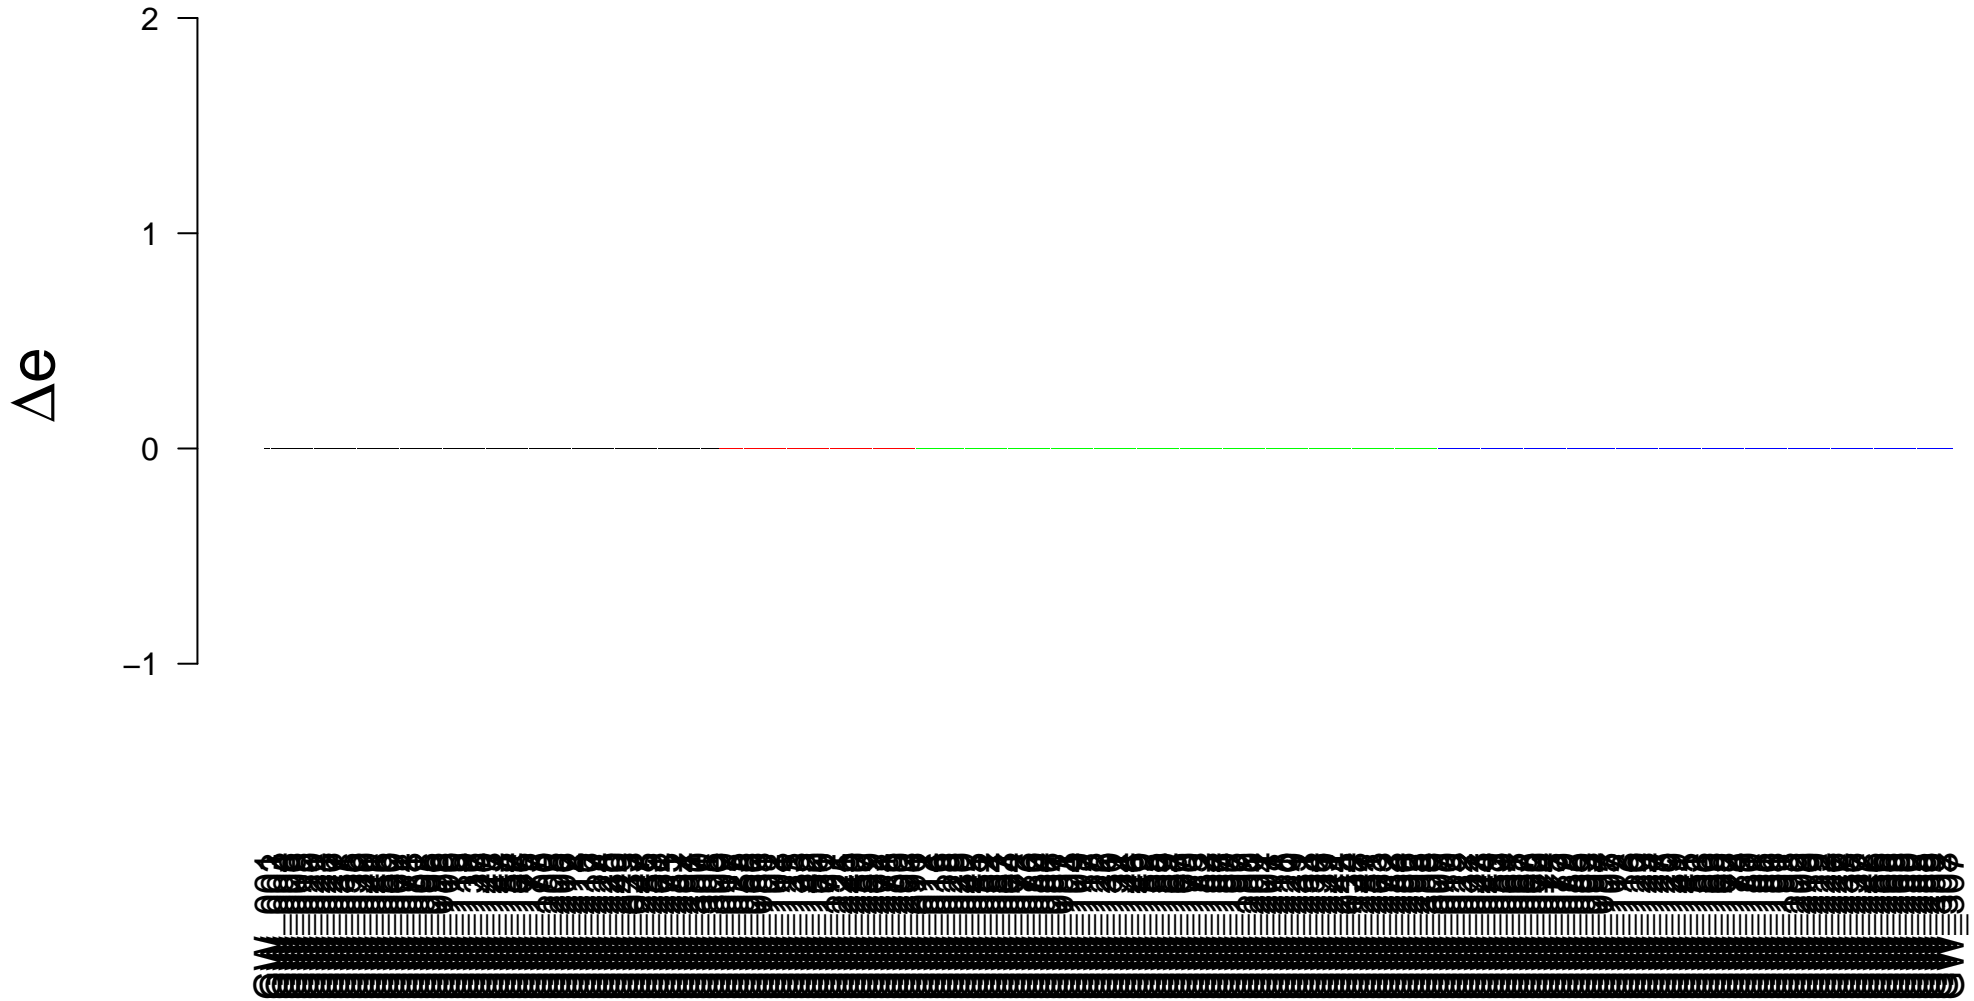

Expression of neuron fate commitment in Spot M

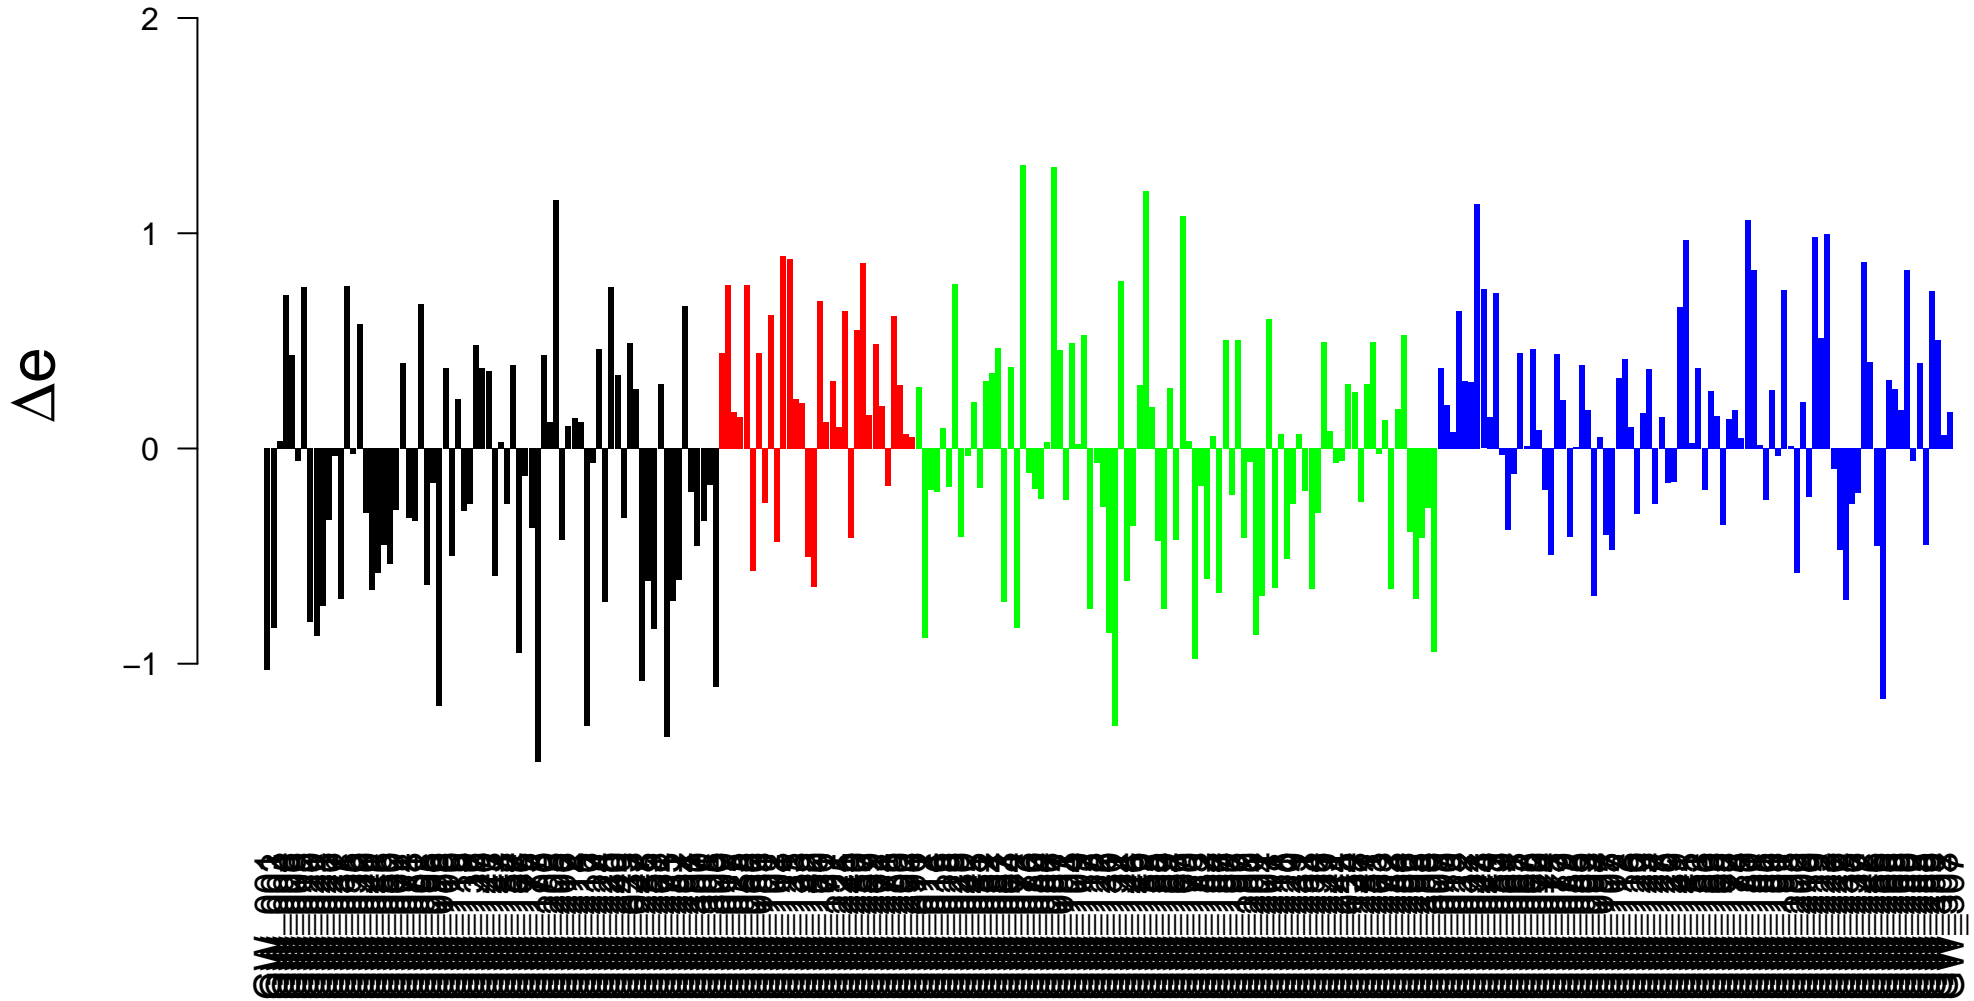

Expression of neuron fate commitment in Spot N

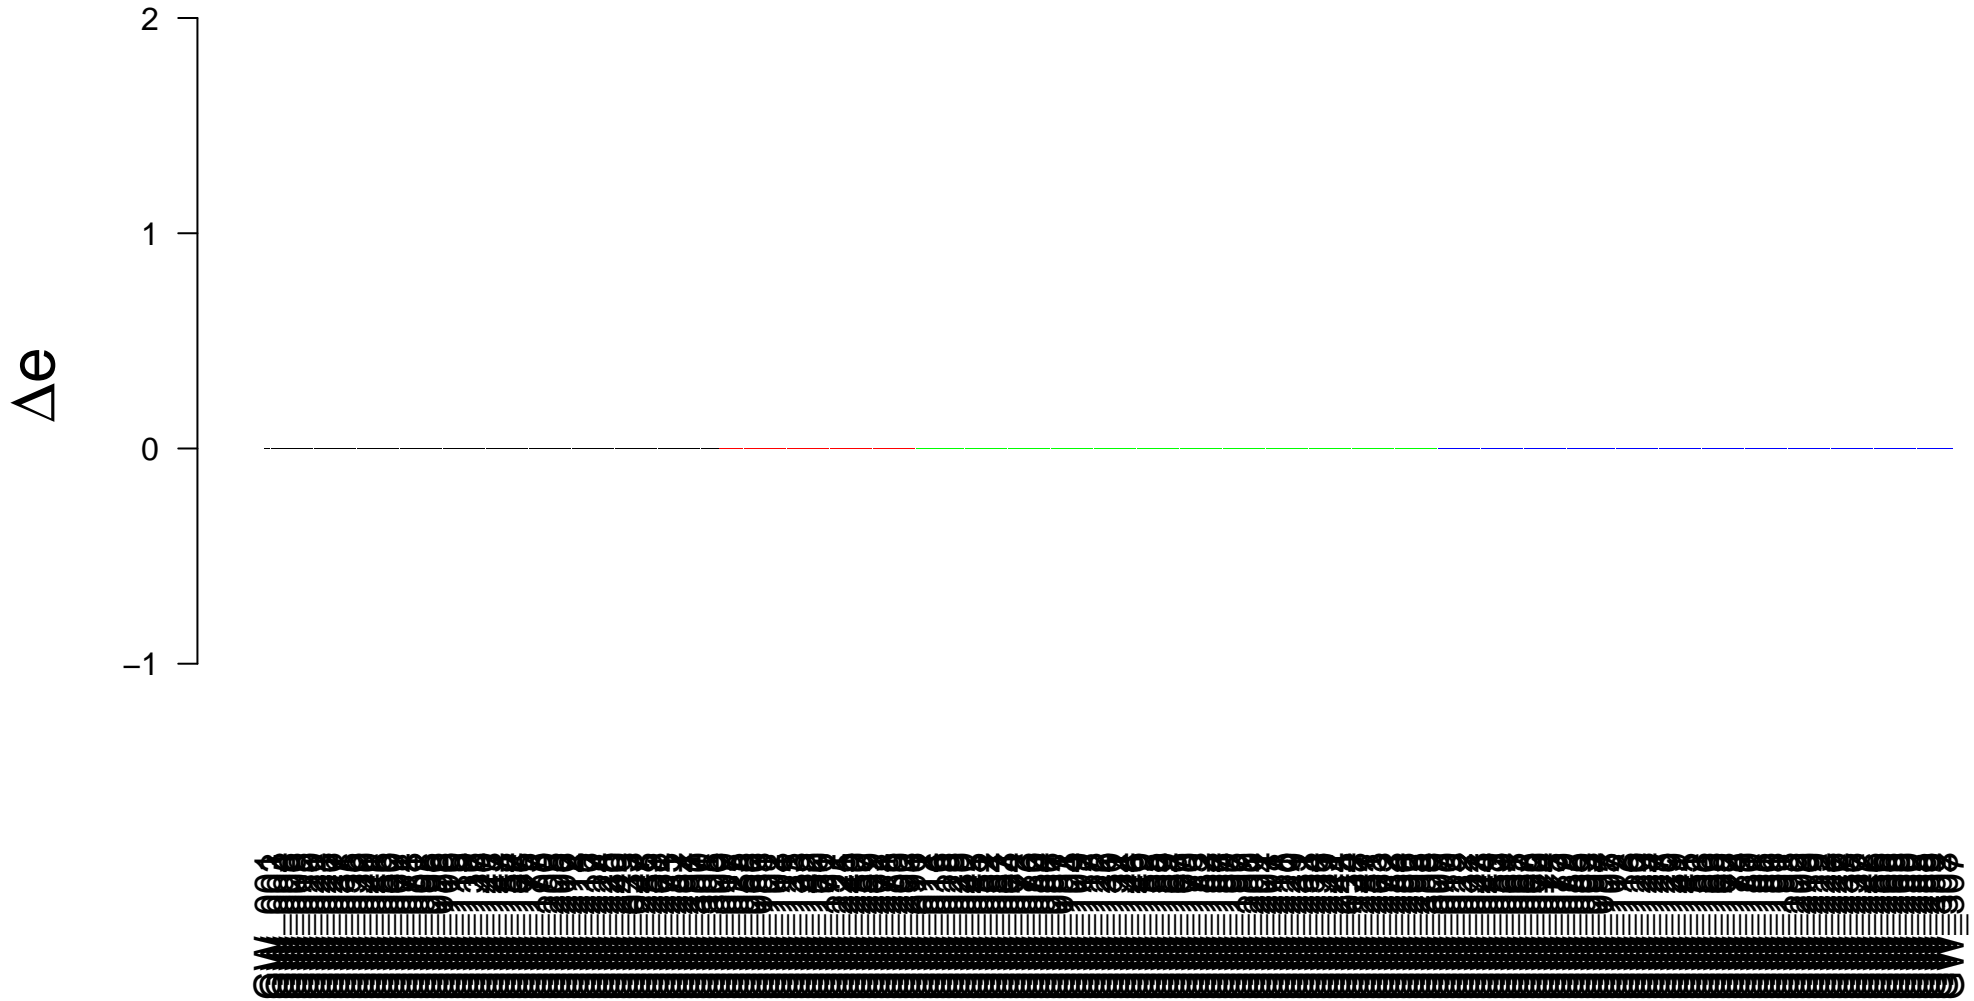

Expression of neuron fate commitment in Spot O

Expression of neuron fate commitment in Spot P

Expression of neuron fate commitment in Spot Q

Expression of neuron fate commitment in Spot R
