

neuronal postsynaptic density

neuronal postsynaptic density

Enrichment in spots: neuronal postsynaptic density

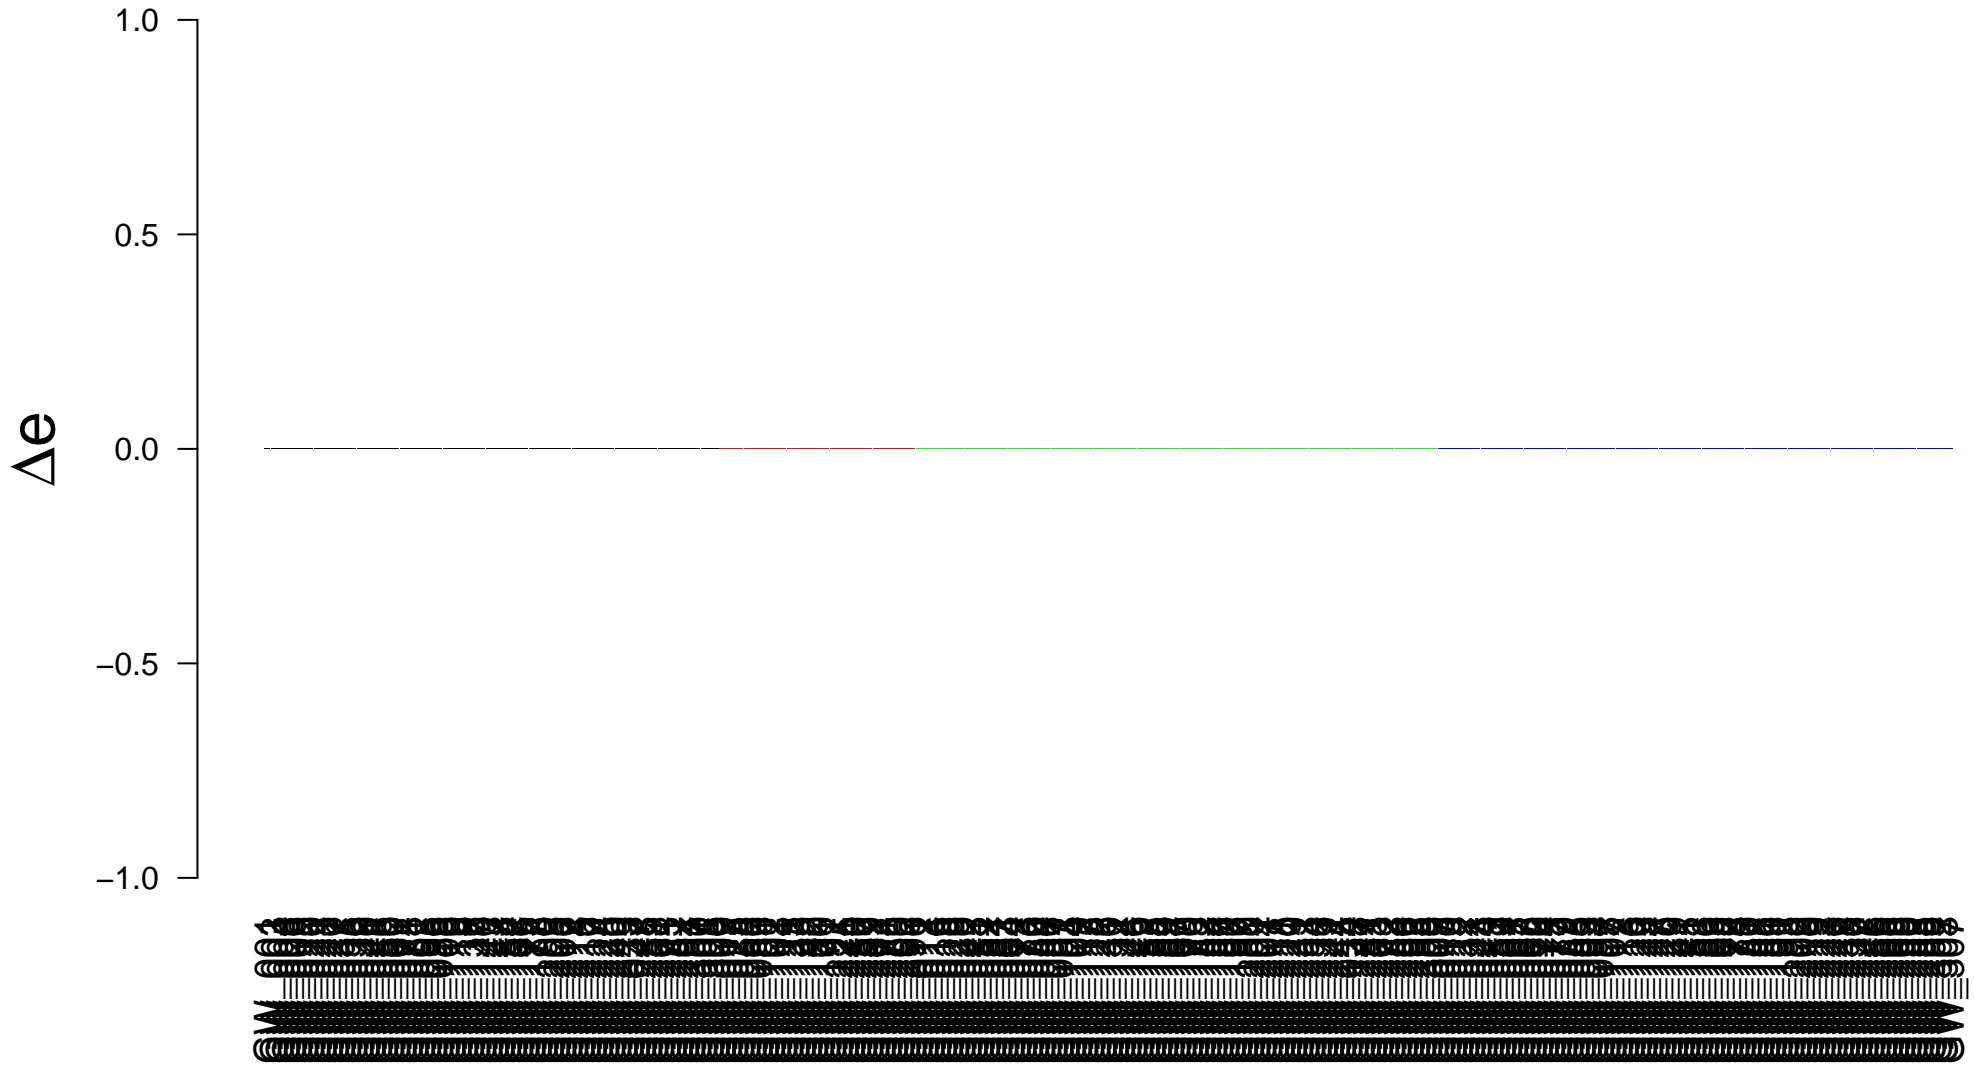

Expression of neuronal postsynaptic density in Spot A

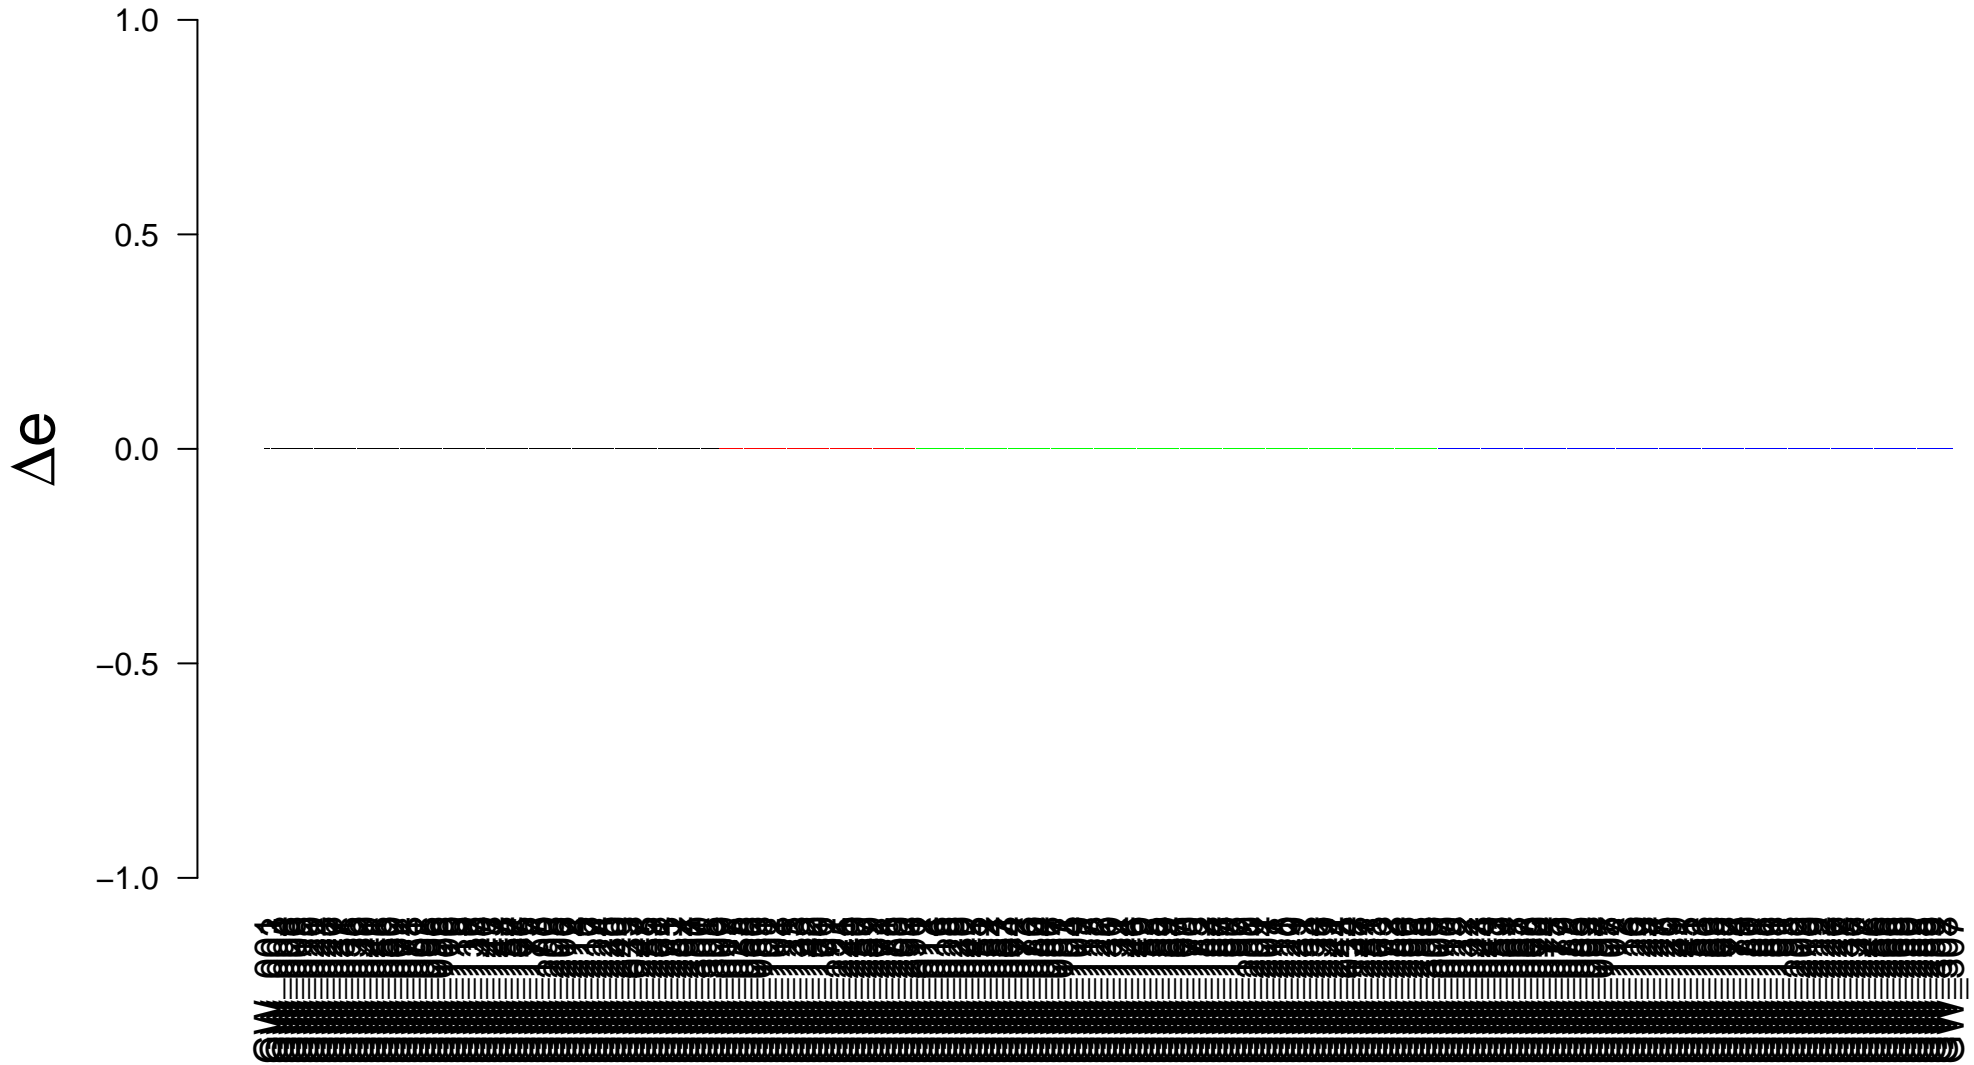

Expression of neuronal postsynaptic density in Spot B

Expression of neuronal postsynaptic density in Spot C

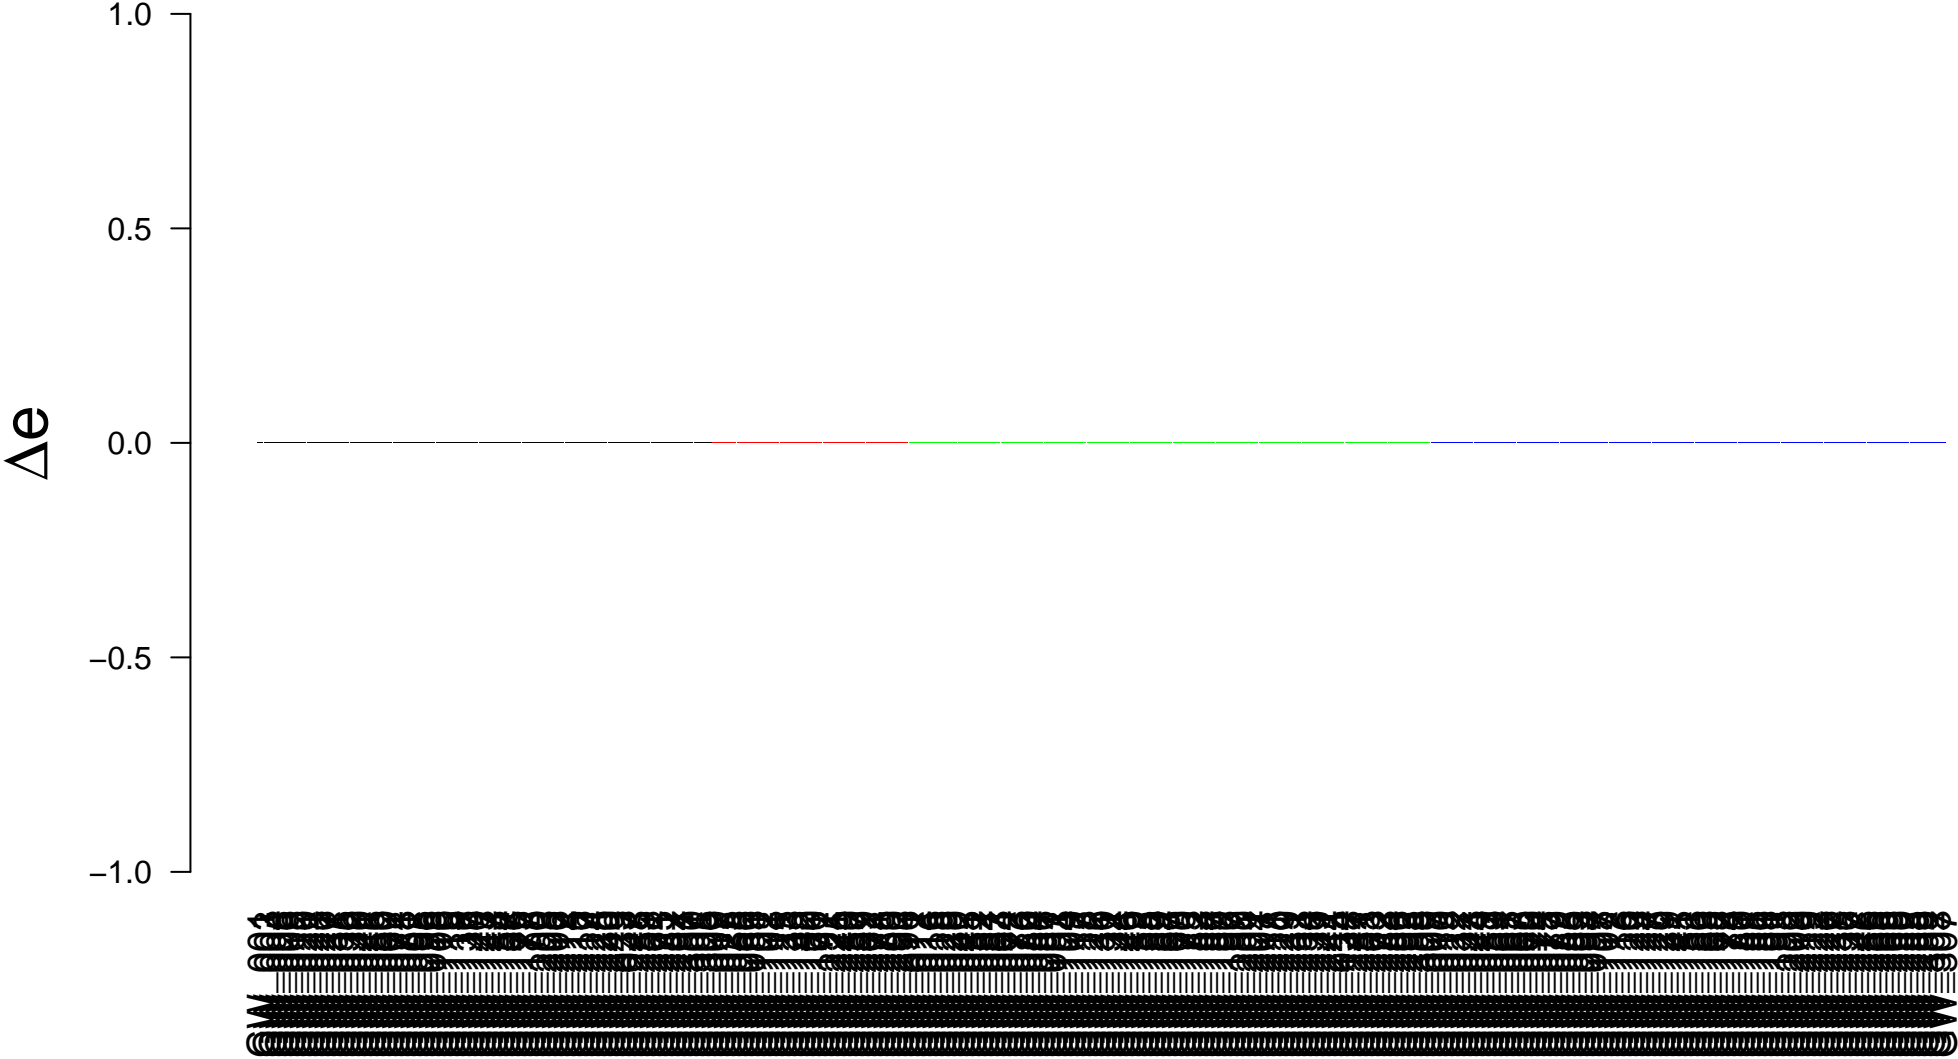

Expression of neuronal postsynaptic density in Spot D

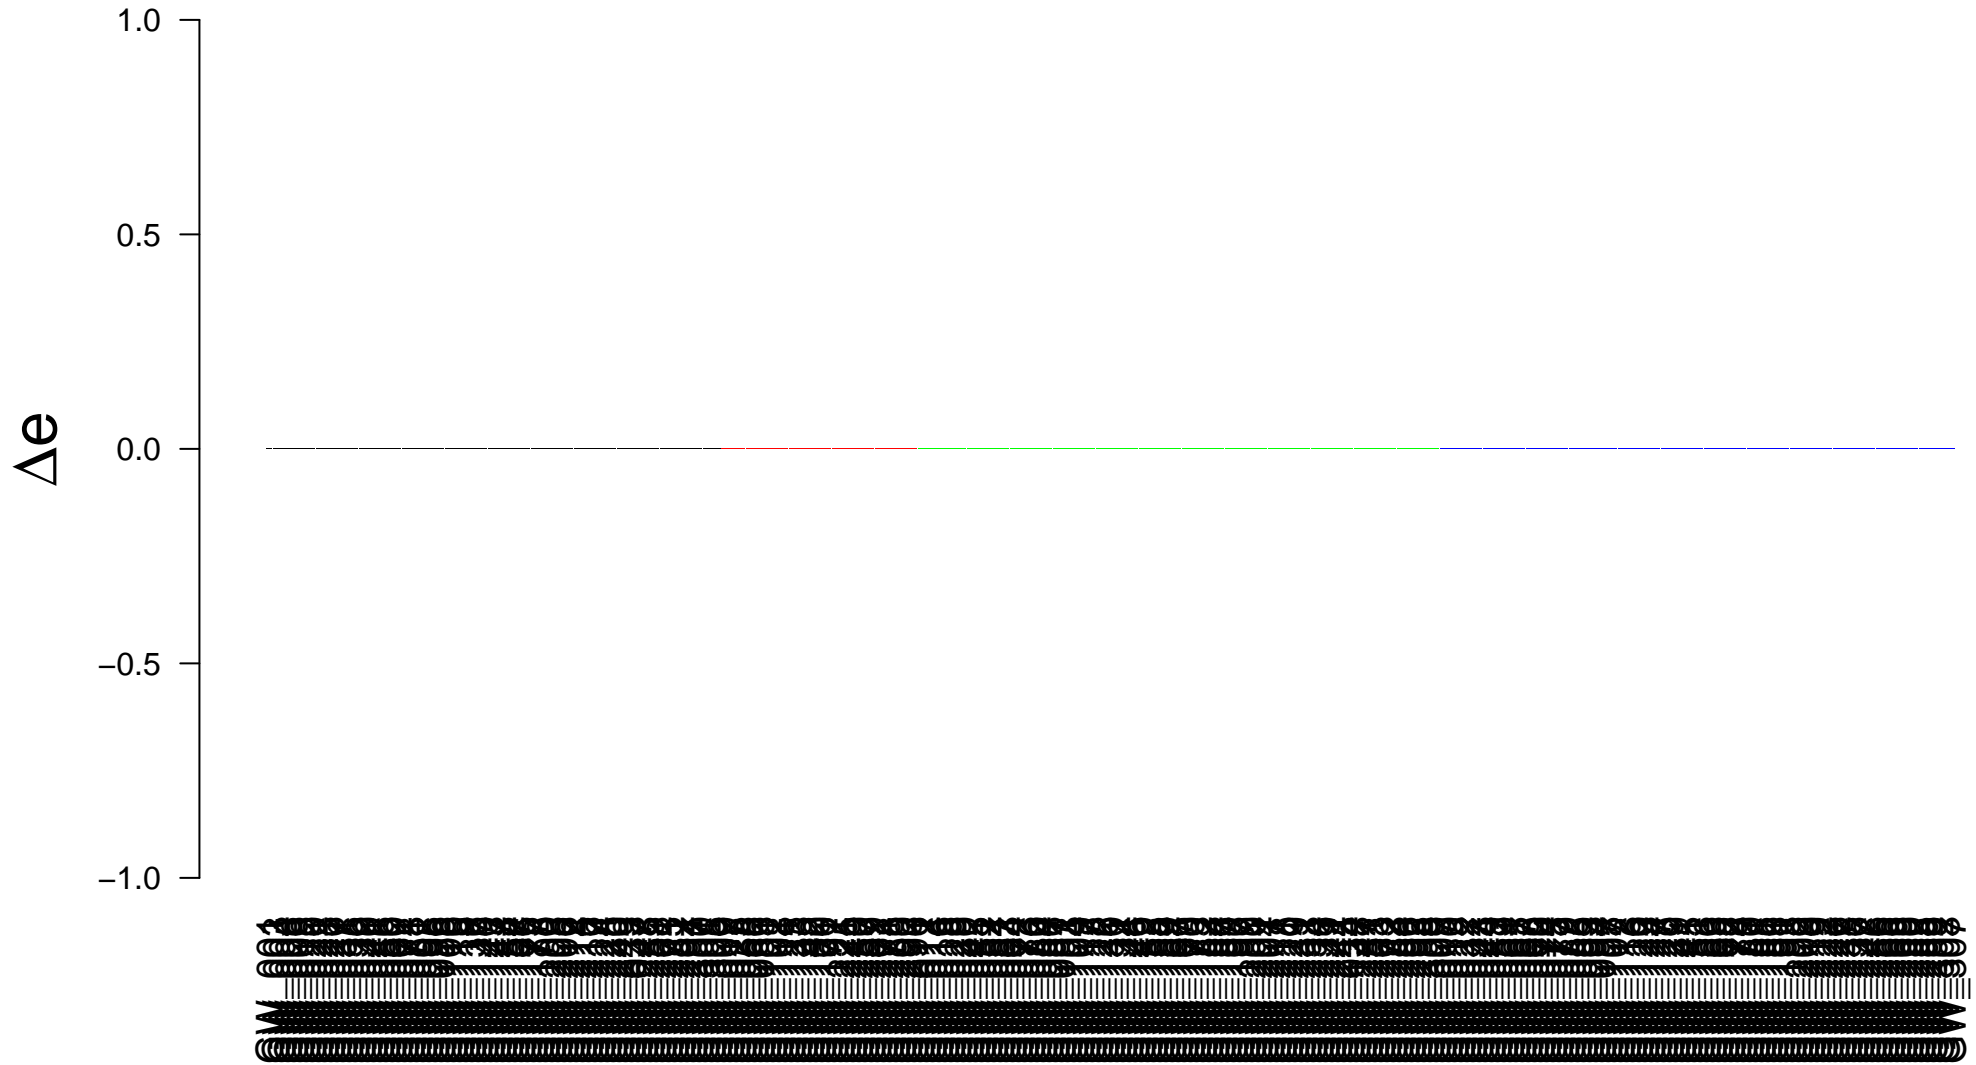

Expression of neuronal postsynaptic density in Spot E

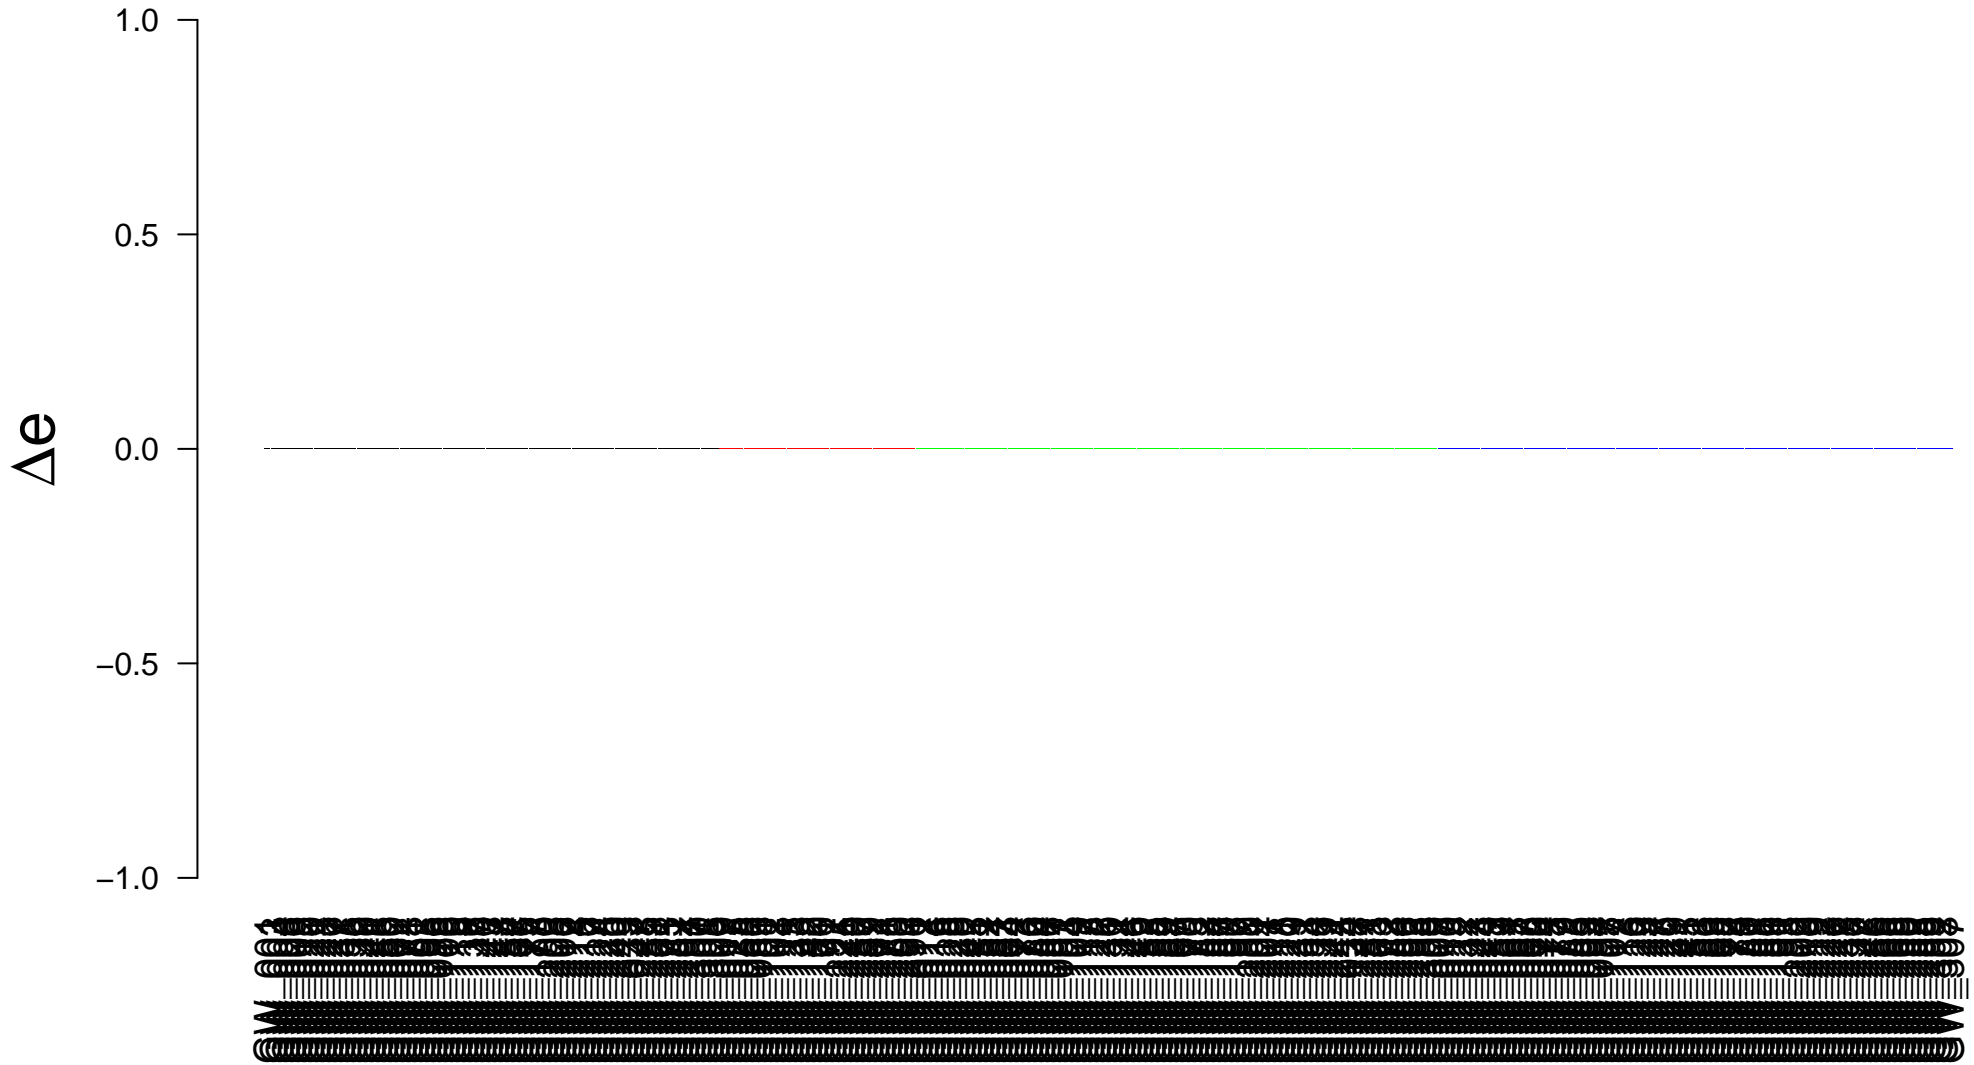

Expression of neuronal postsynaptic density in Spot F

Expression of neuronal postsynaptic density in Spot G

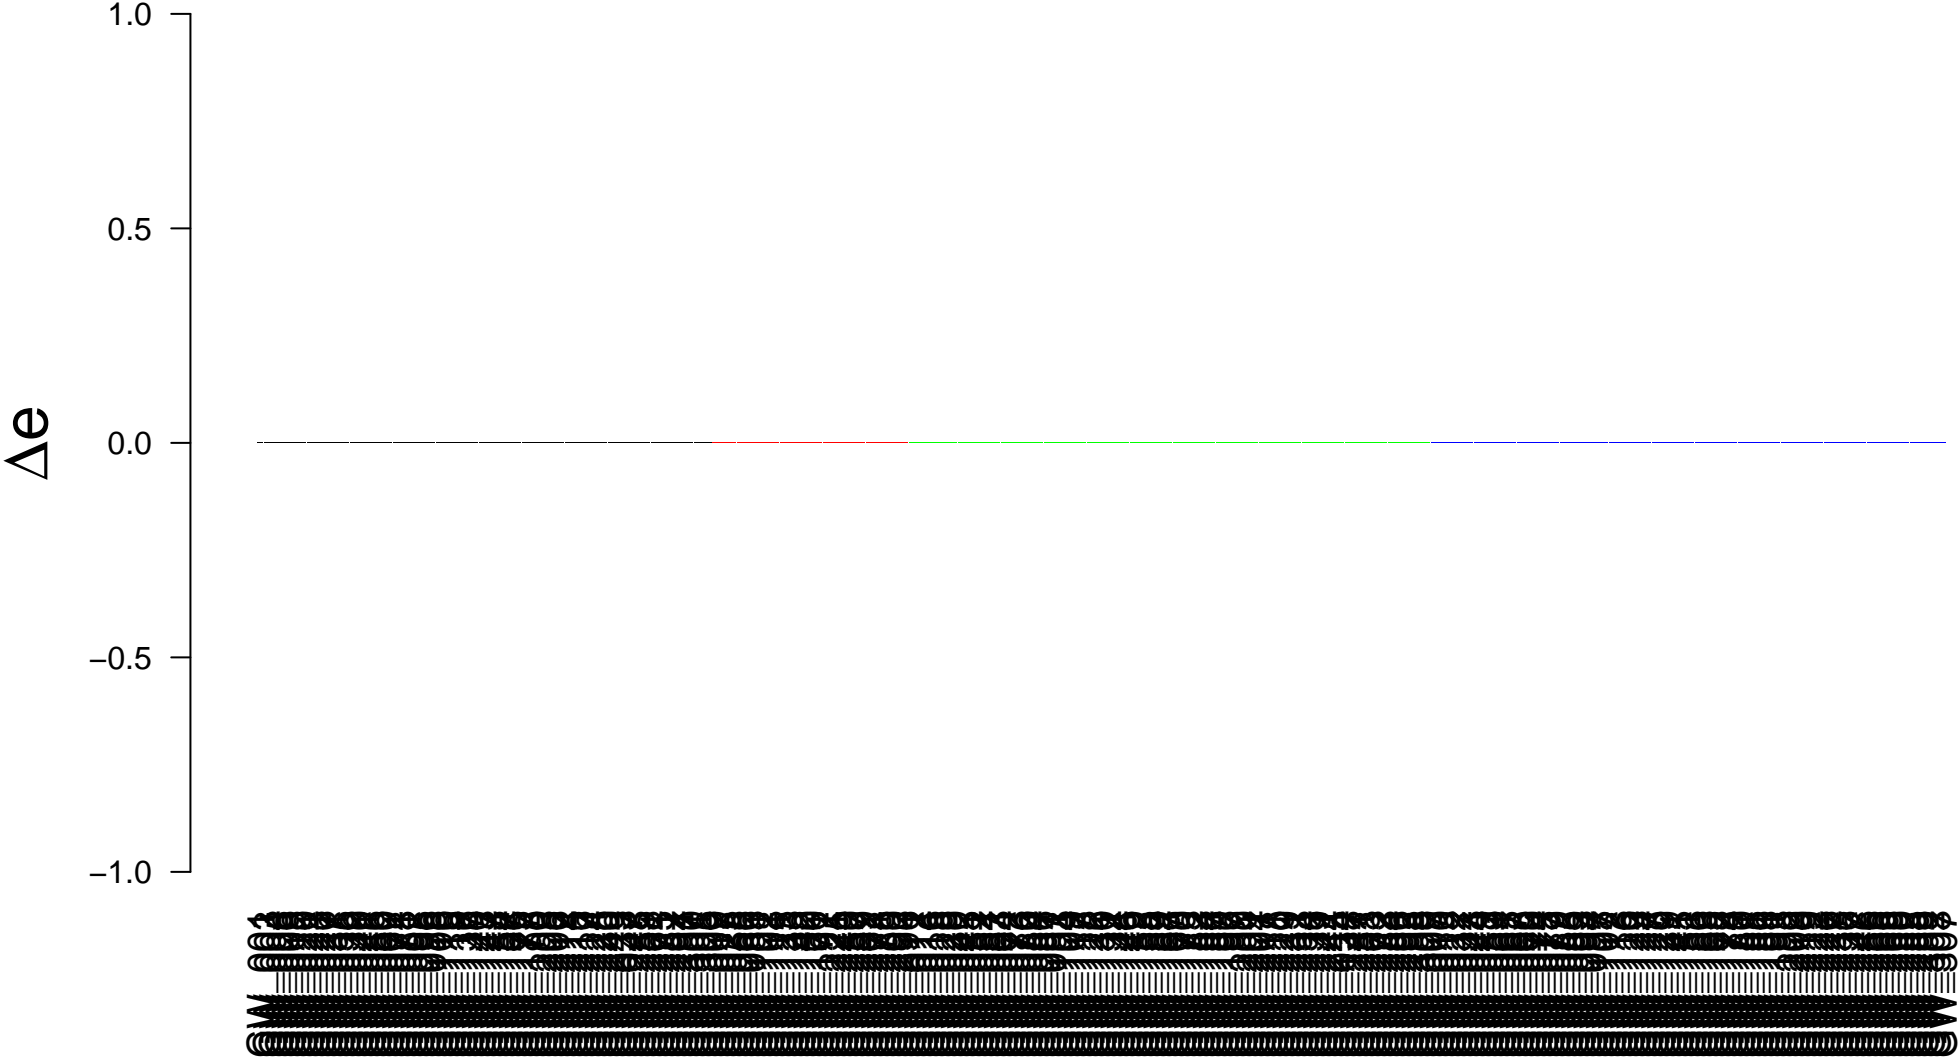

Expression of neuronal postsynaptic density in Spot H

Expression of neuronal postsynaptic density in Spot I

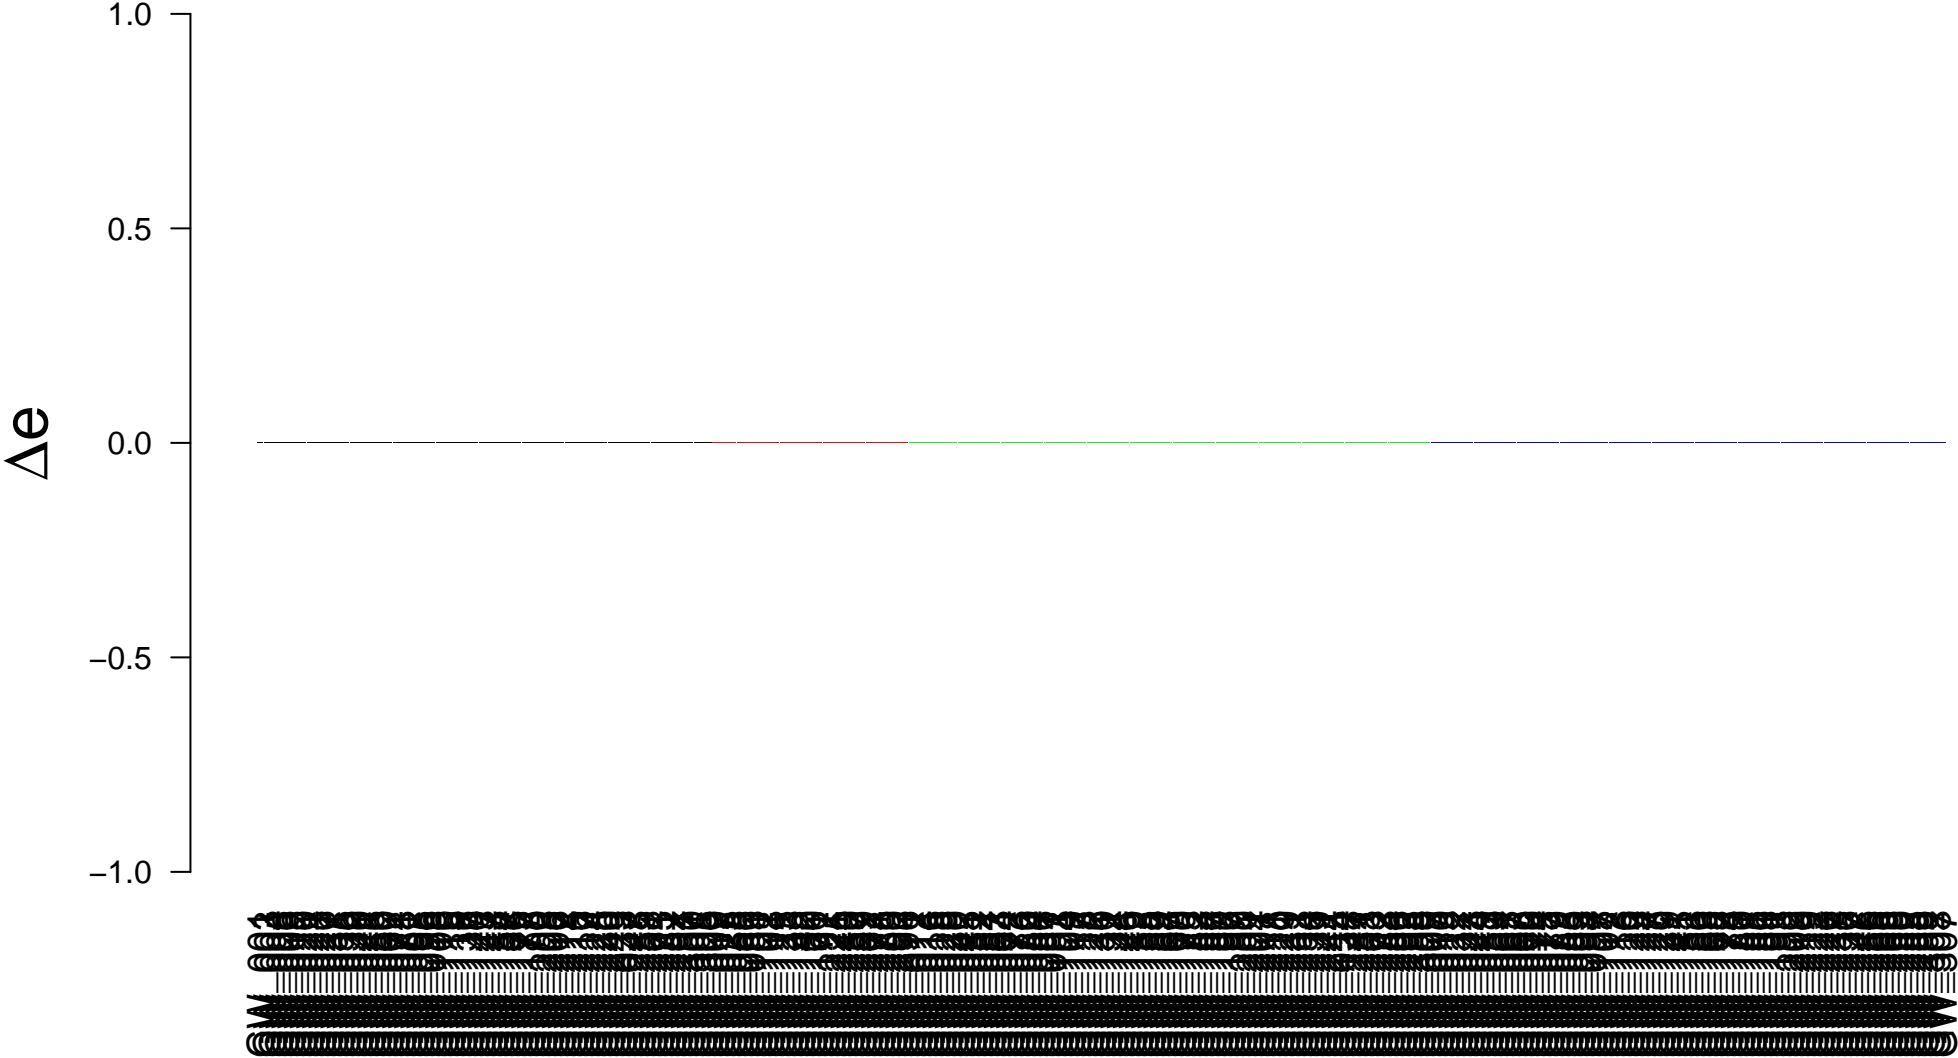

Expression of neuronal postsynaptic density in Spot J

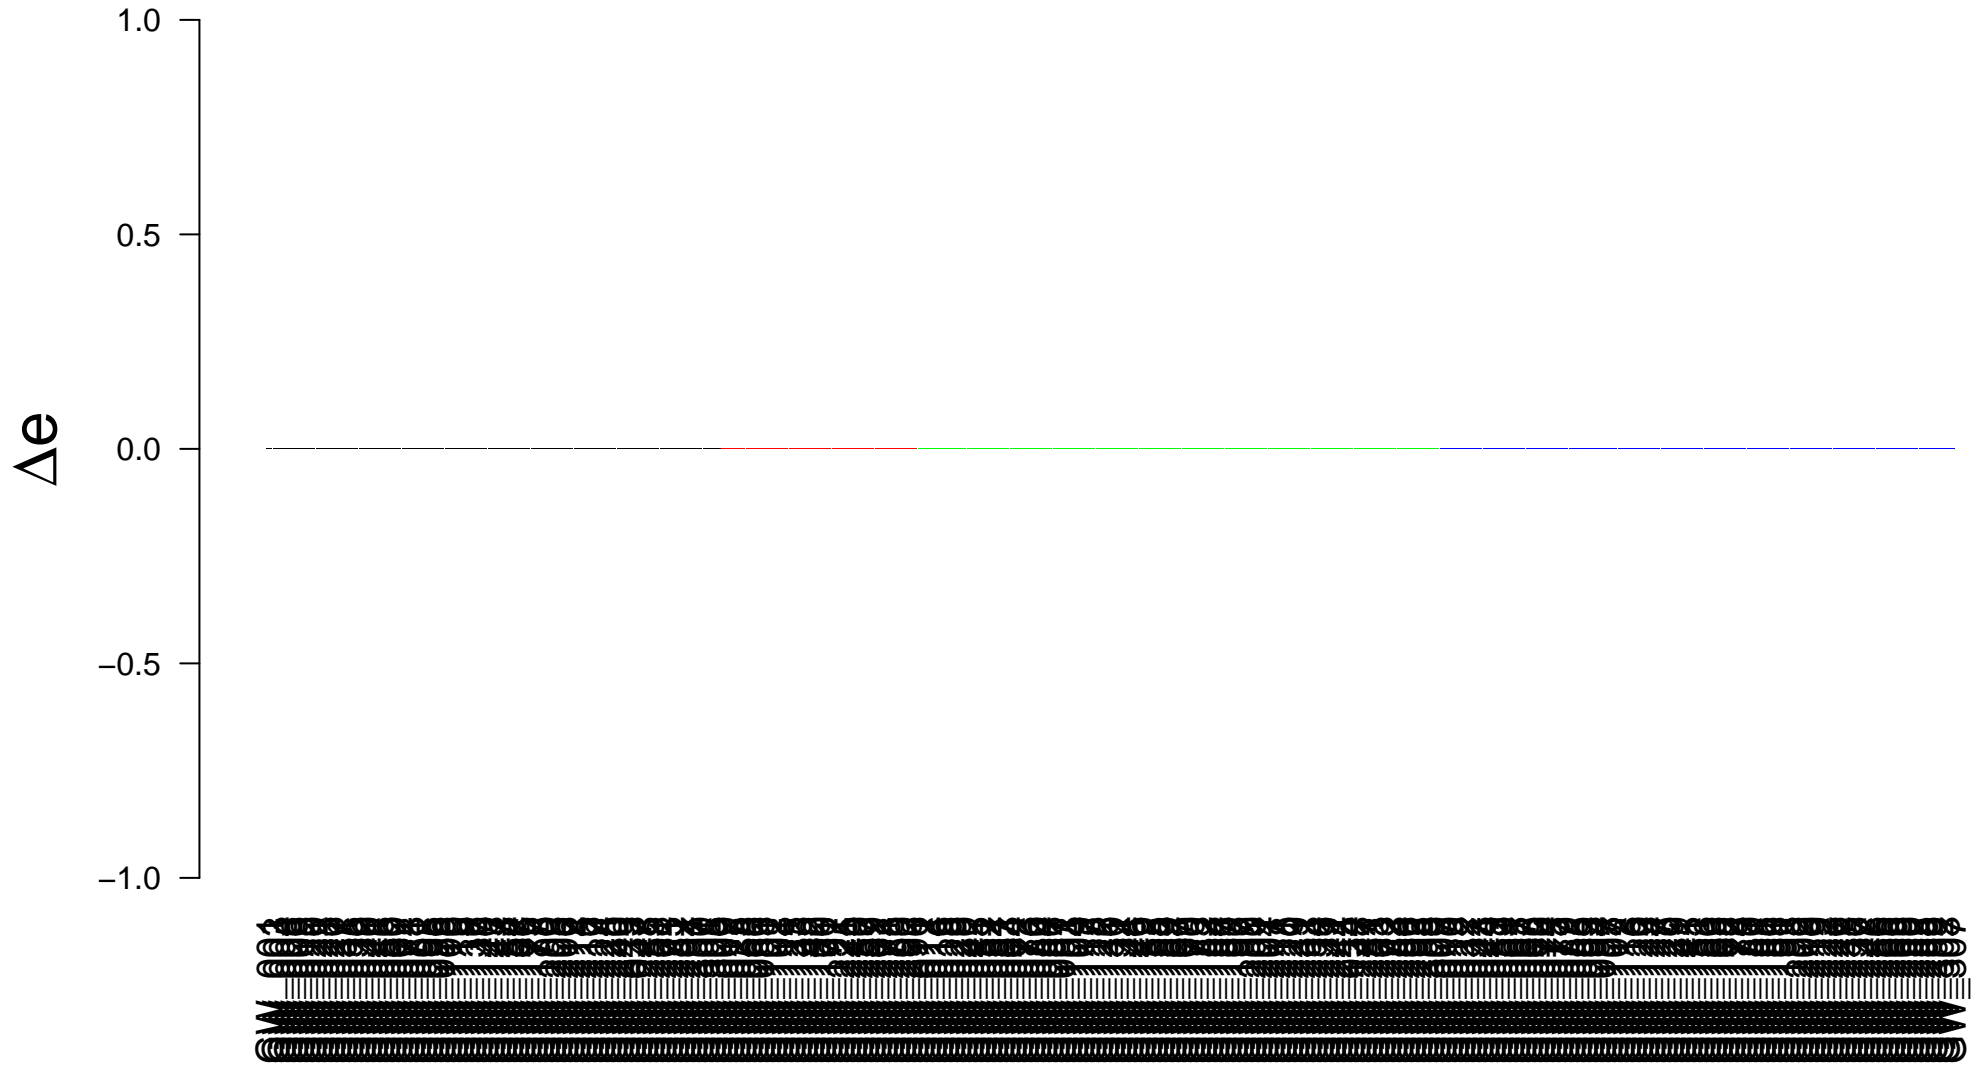

Expression of neuronal postsynaptic density in Spot K

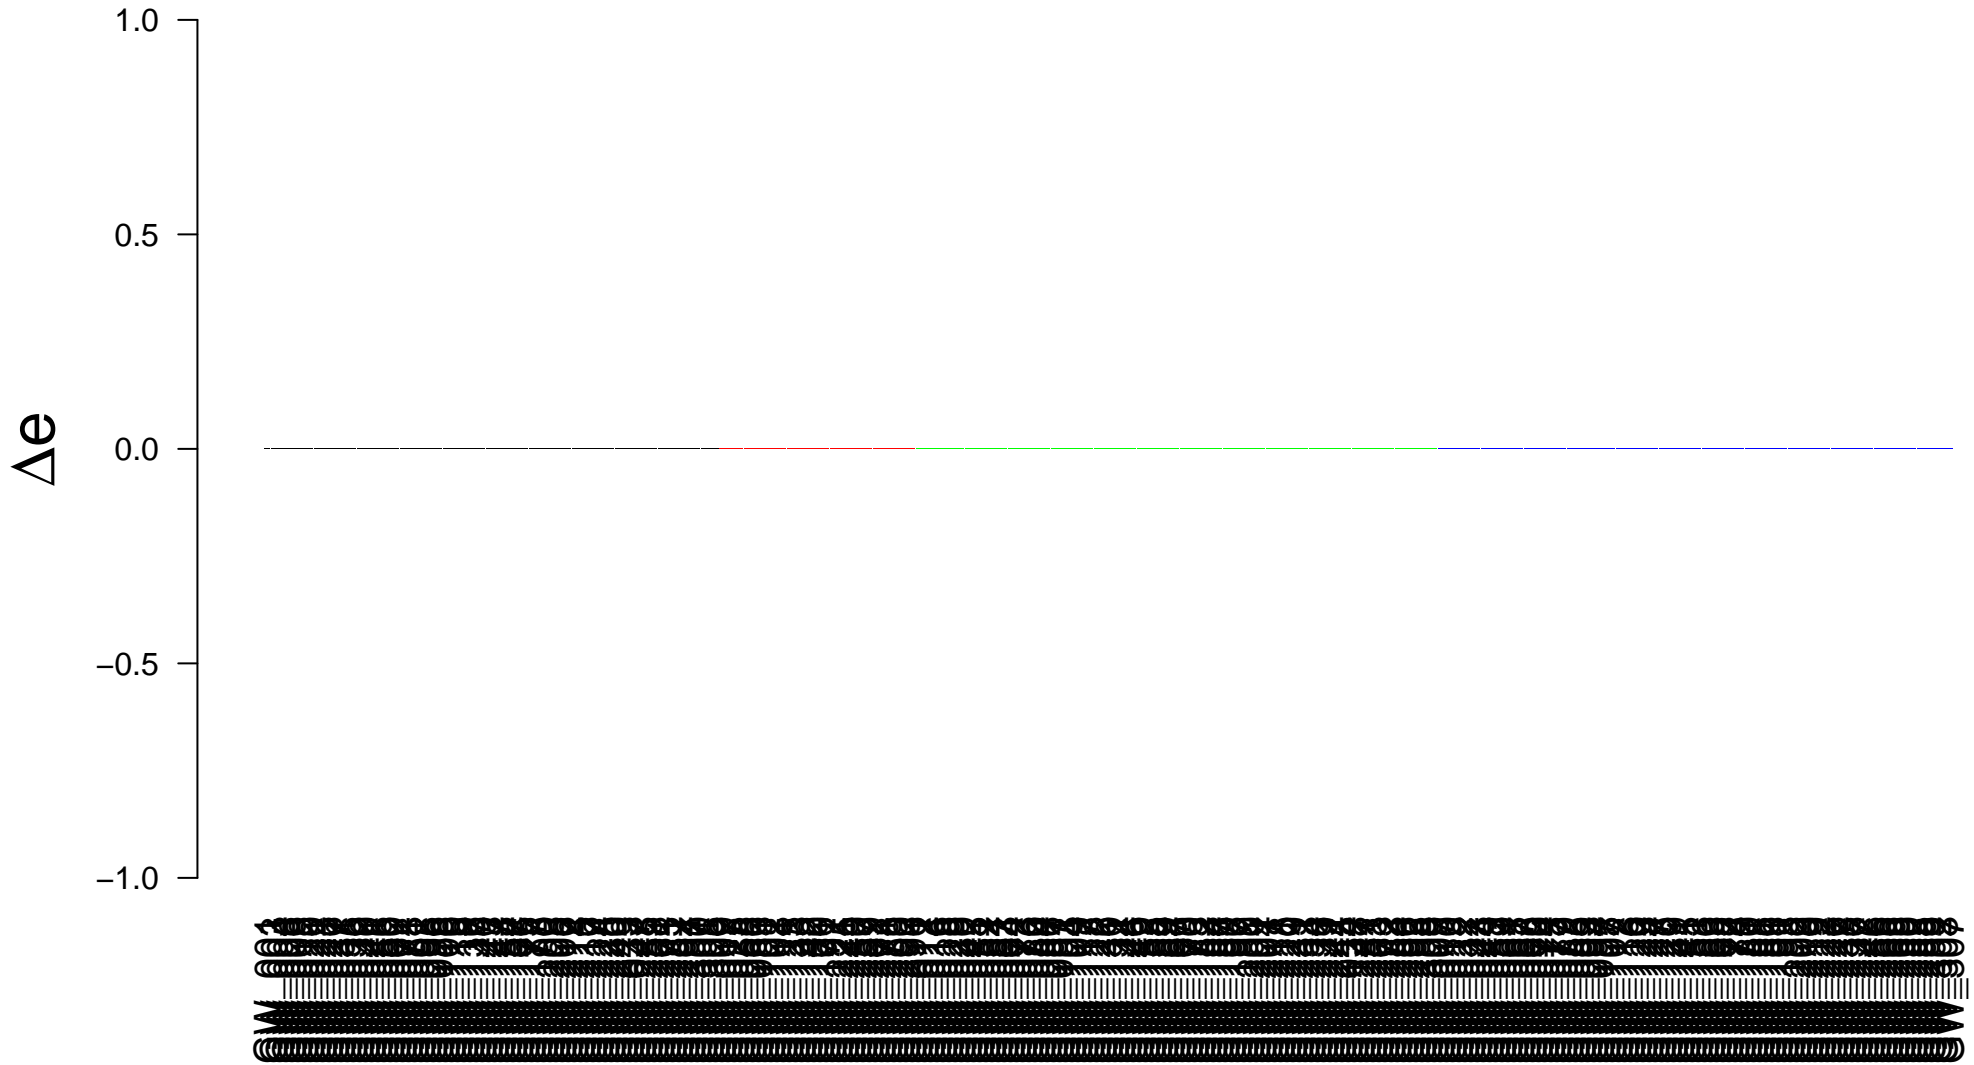

Expression of neuronal postsynaptic density in Spot L

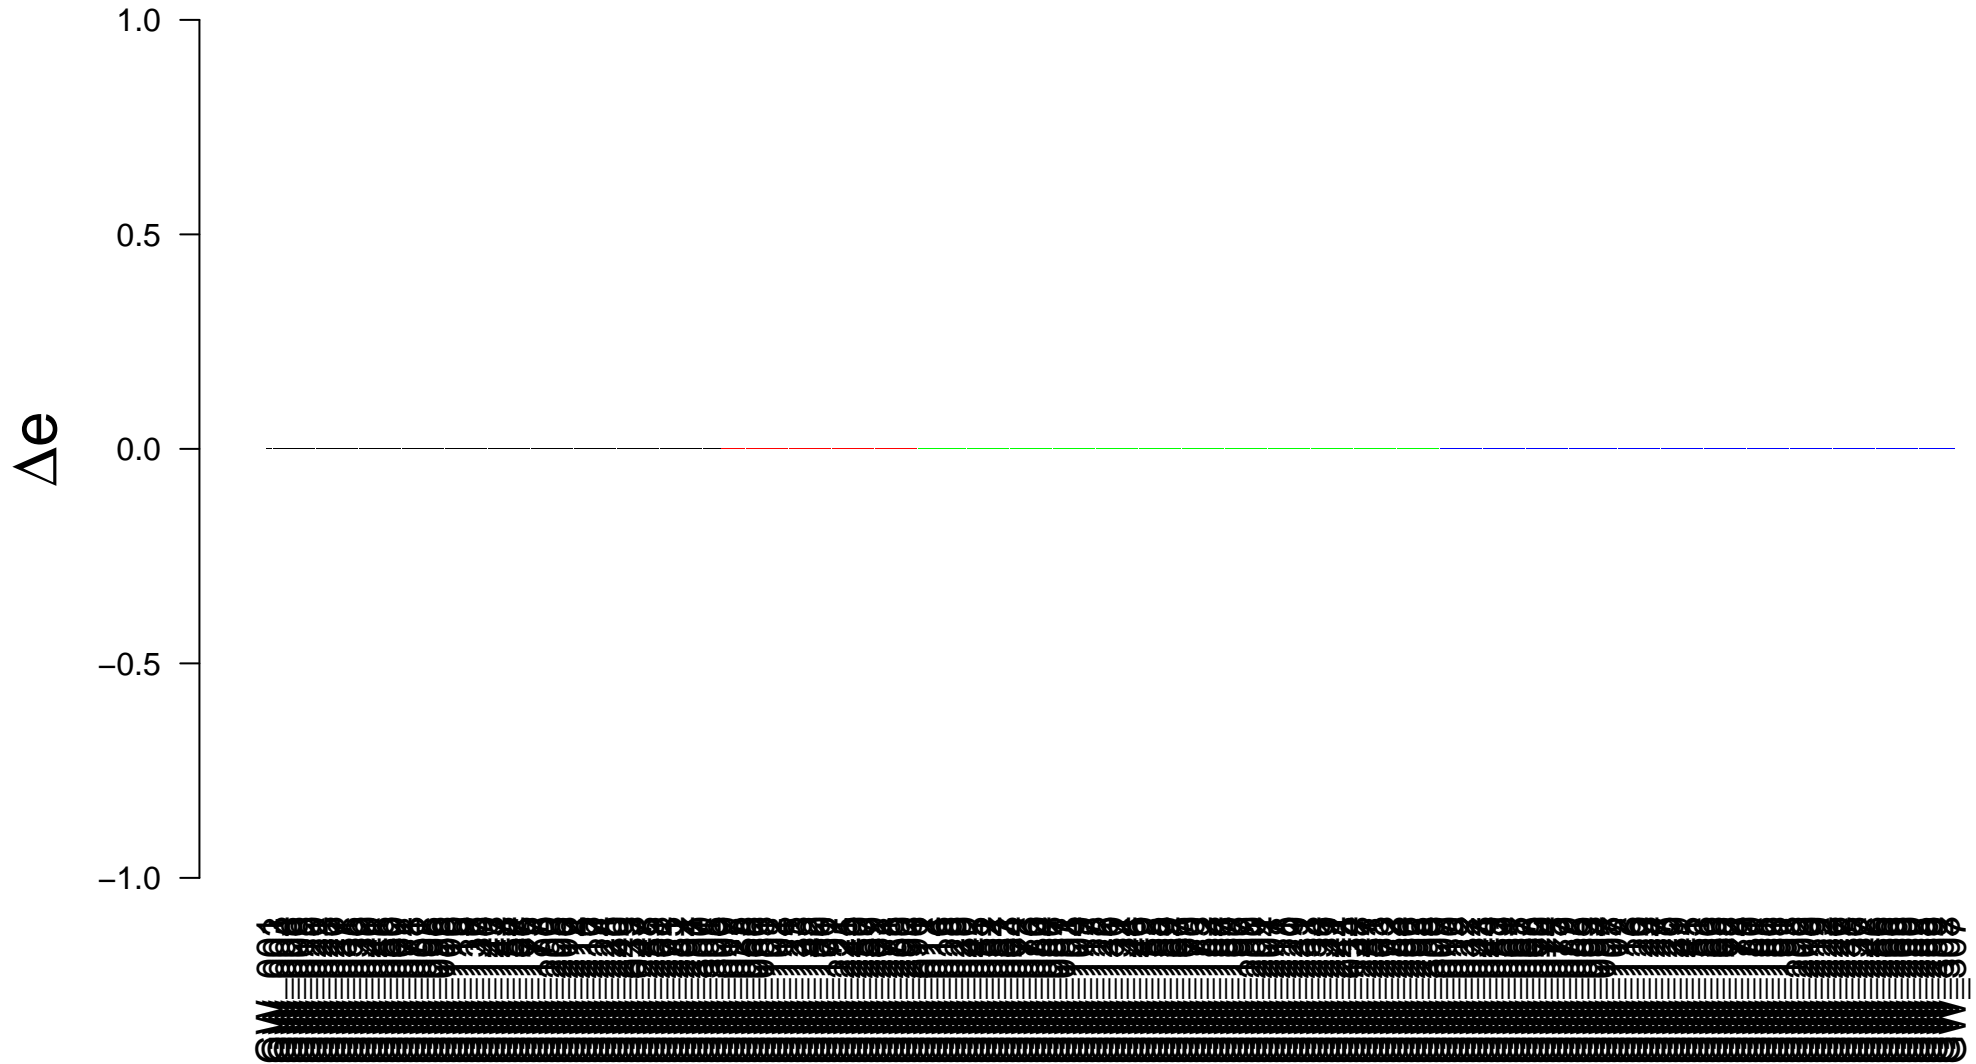

Expression of neuronal postsynaptic density in Spot M

Expression of neuronal postsynaptic density in Spot N

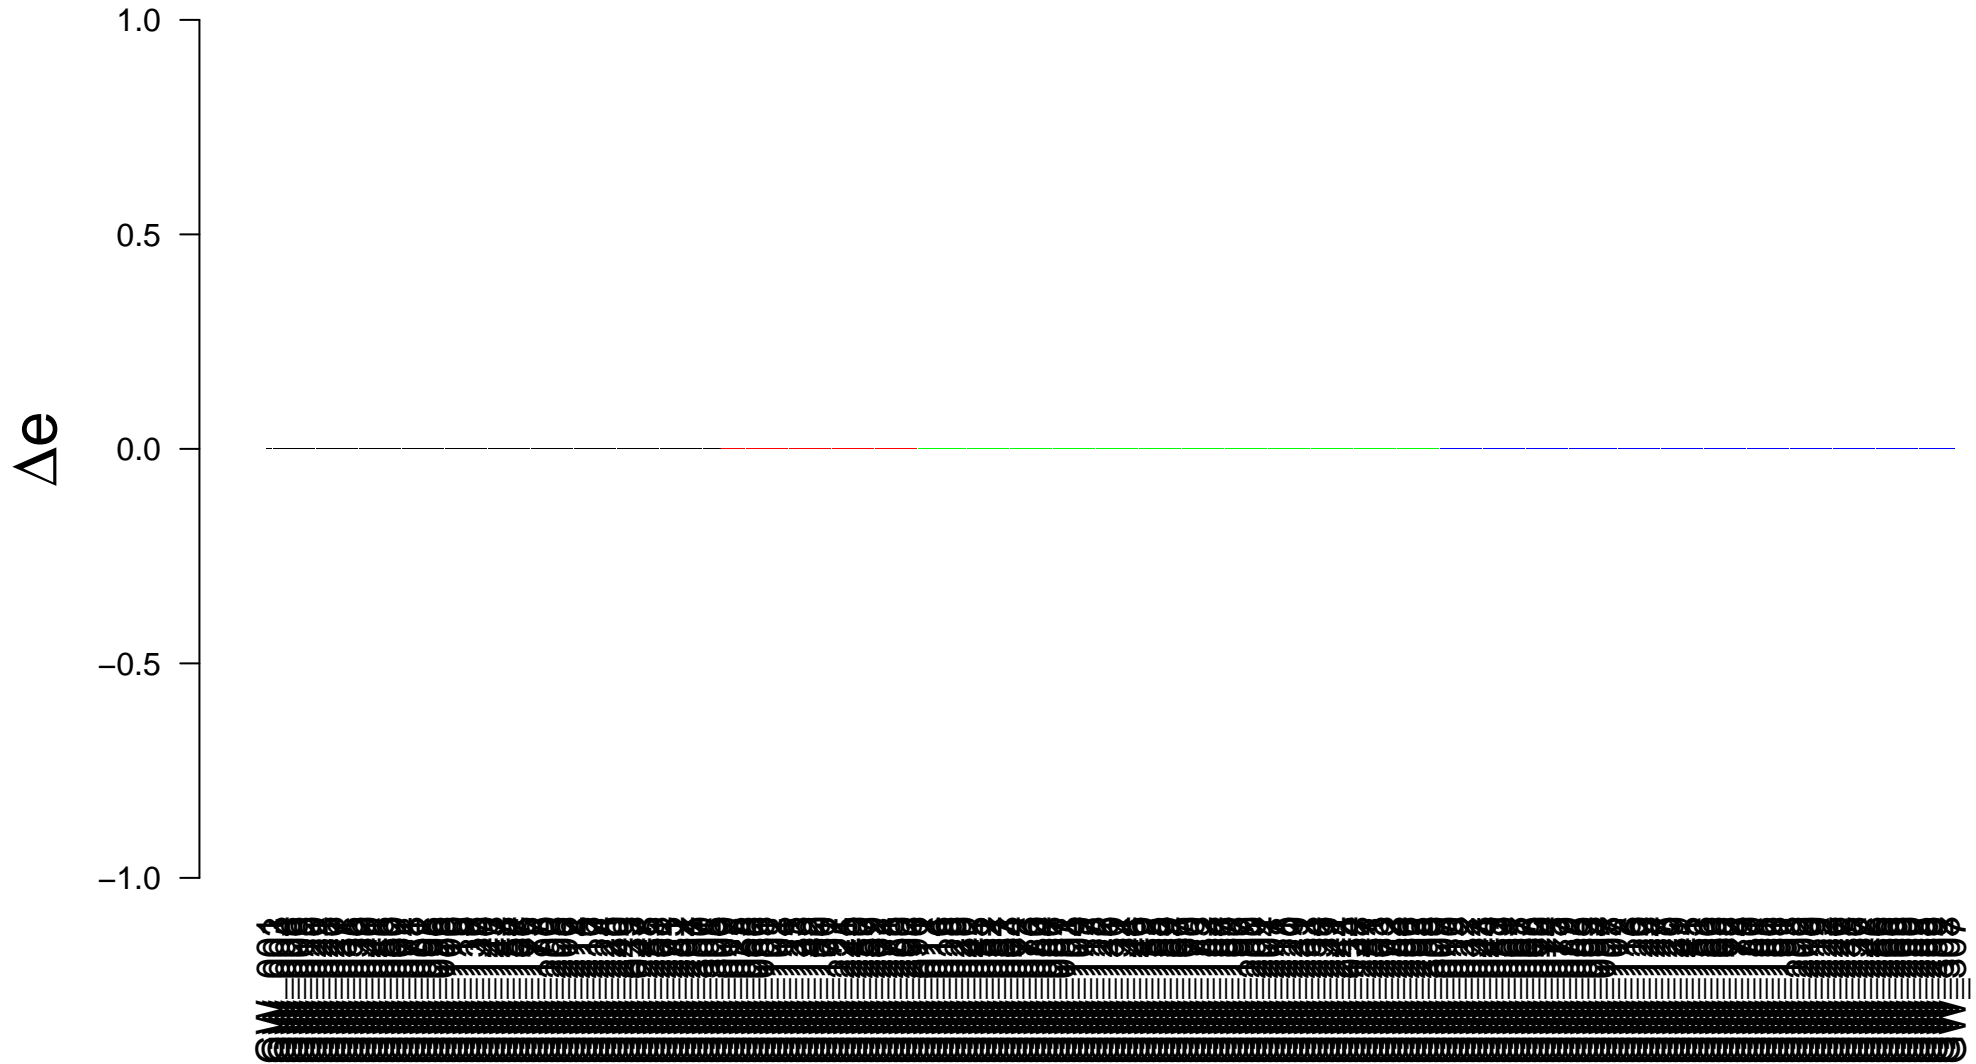

Expression of neuronal postsynaptic density in Spot O

Expression of neuronal postsynaptic density in Spot P

Expression of neuronal postsynaptic density in Spot Q

Expression of neuronal postsynaptic density in Spot R
