

neuropeptide hormone activity

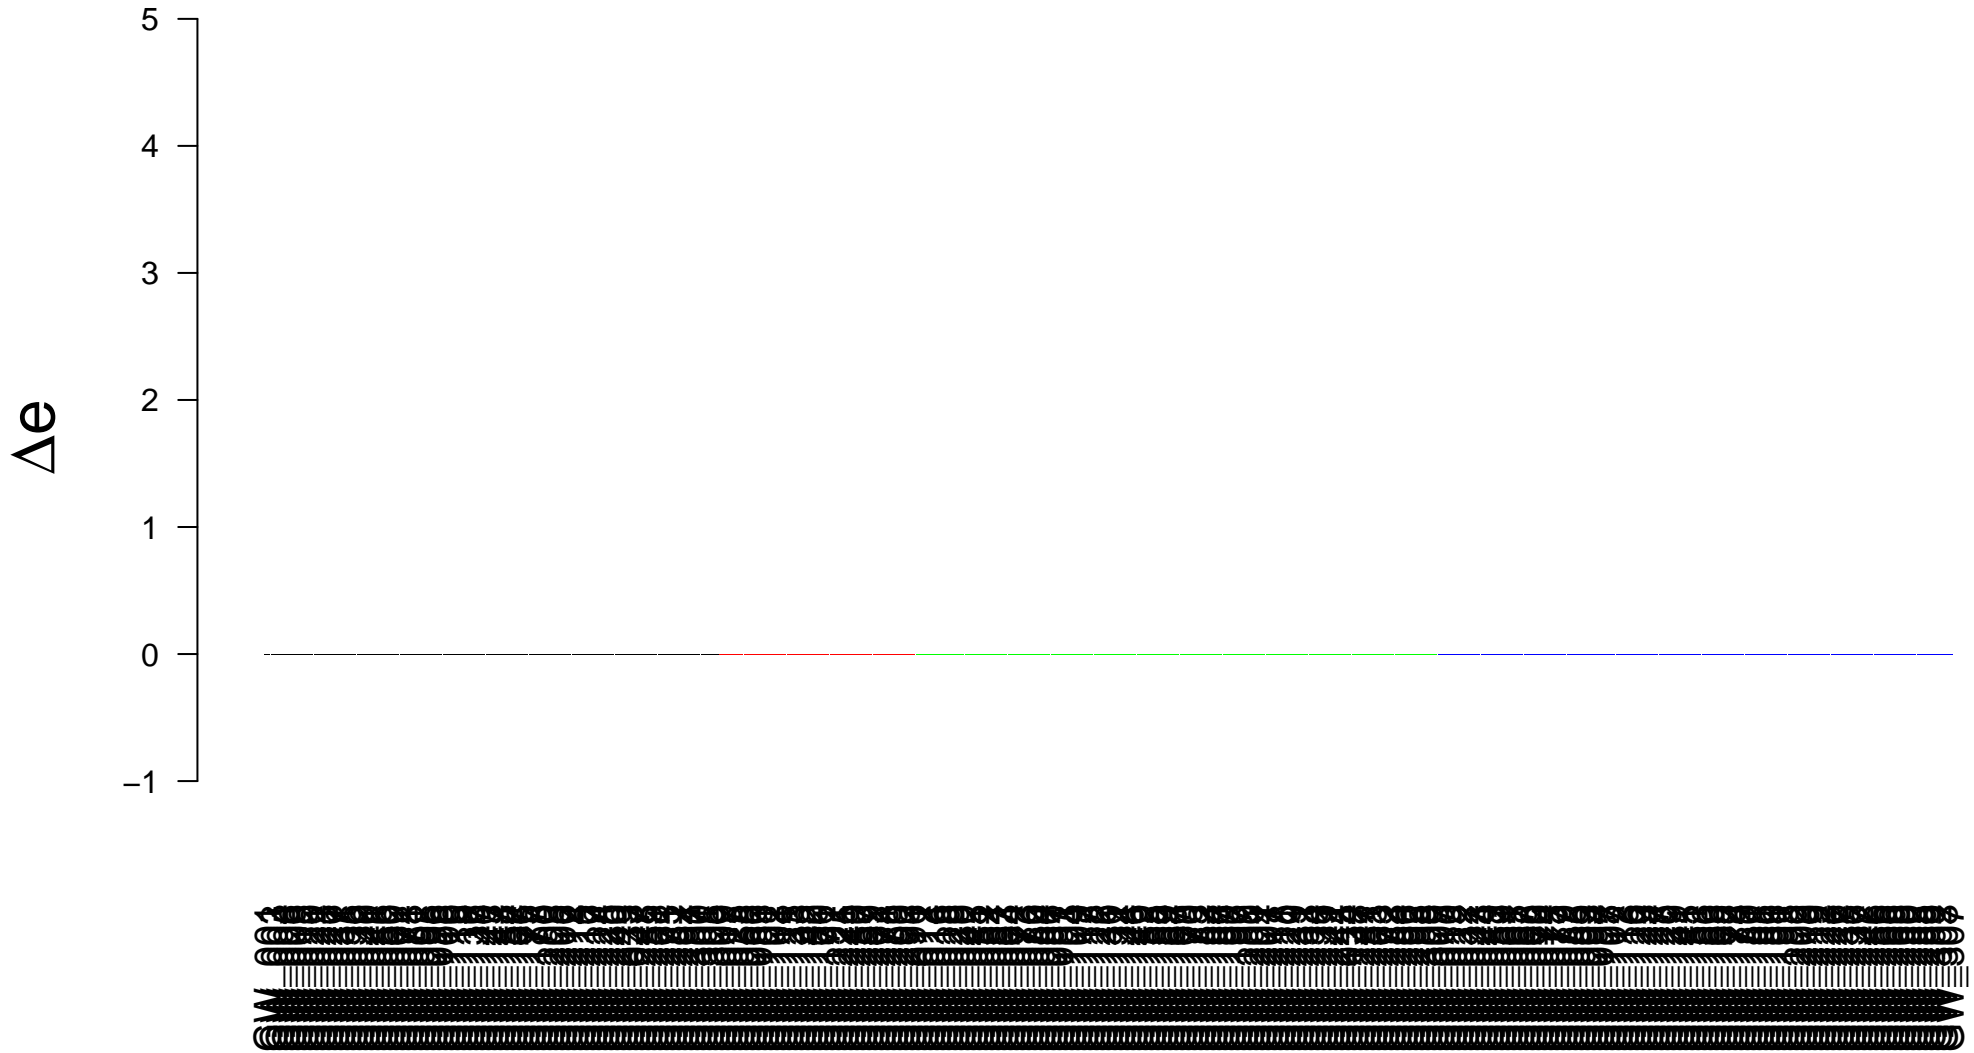

neuropeptide hormone activity

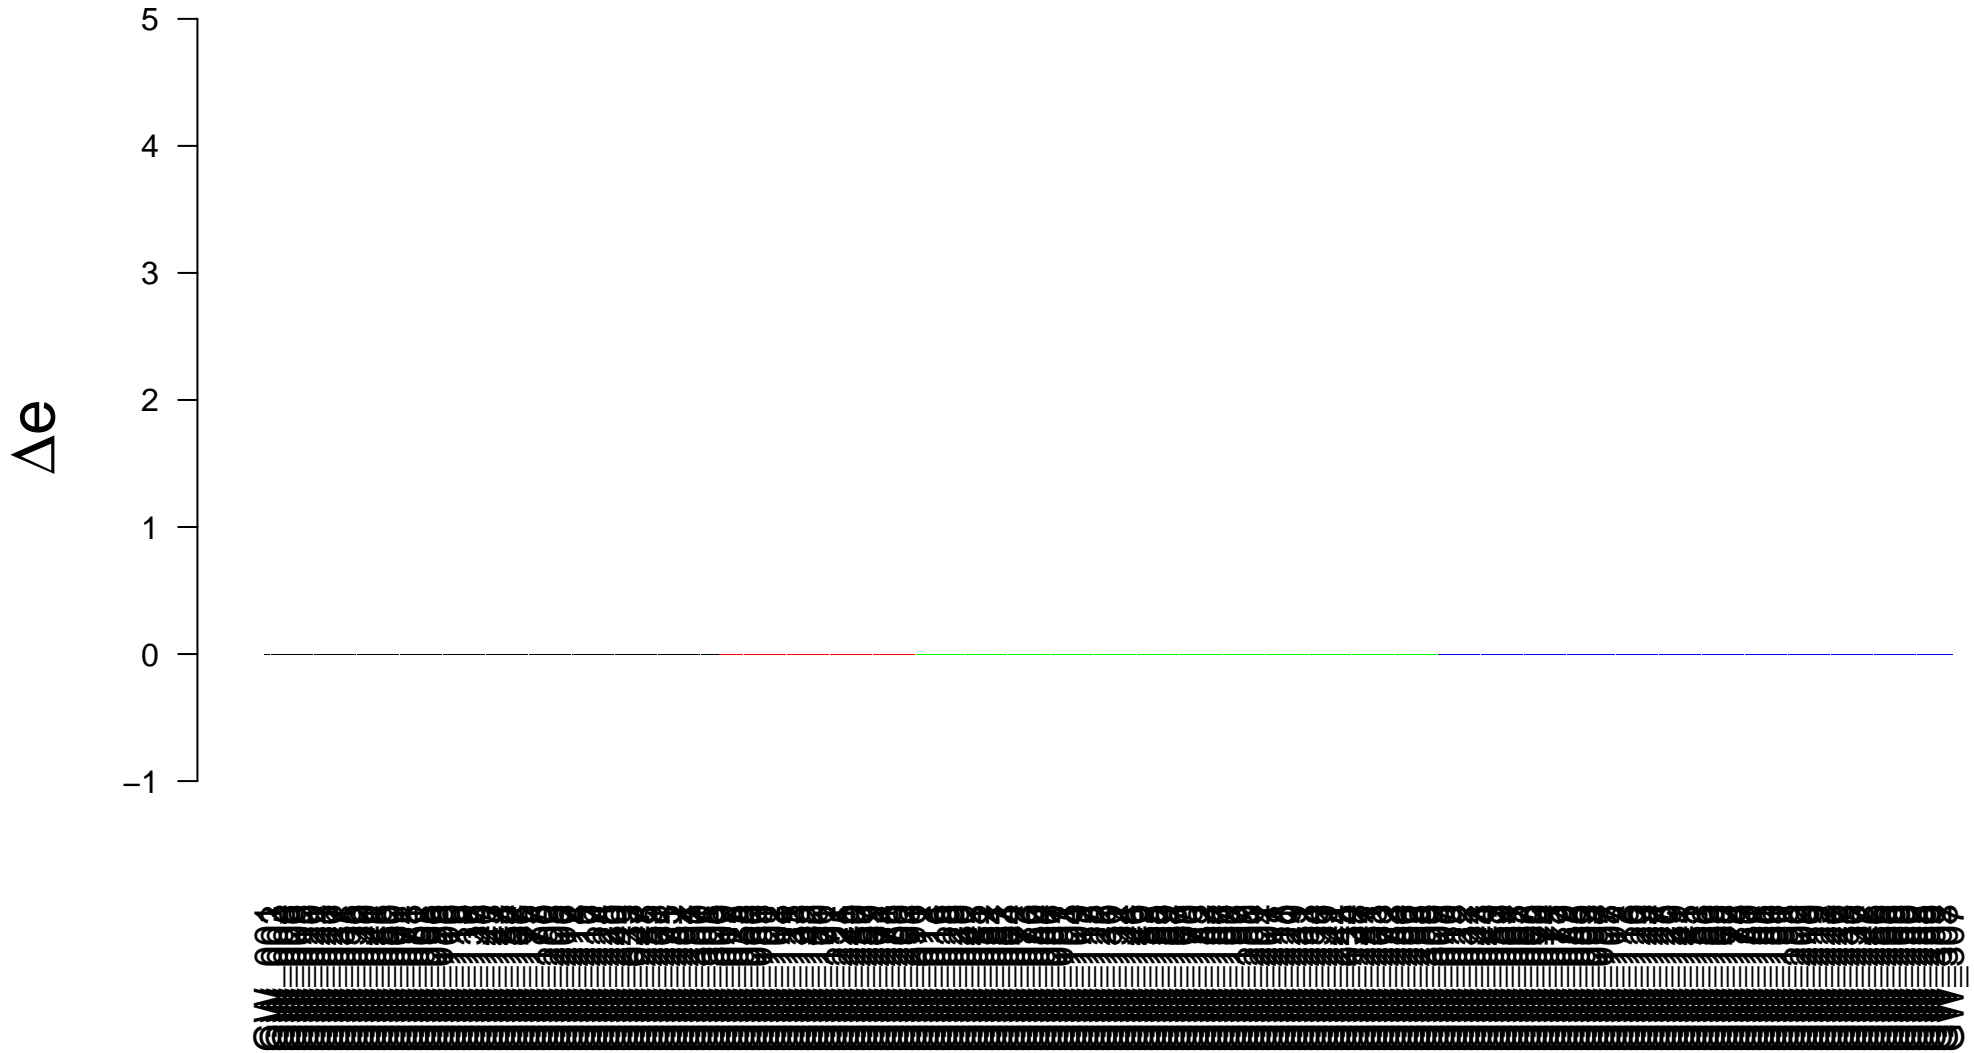

Enrichment in spots: neuropeptide hormone activity

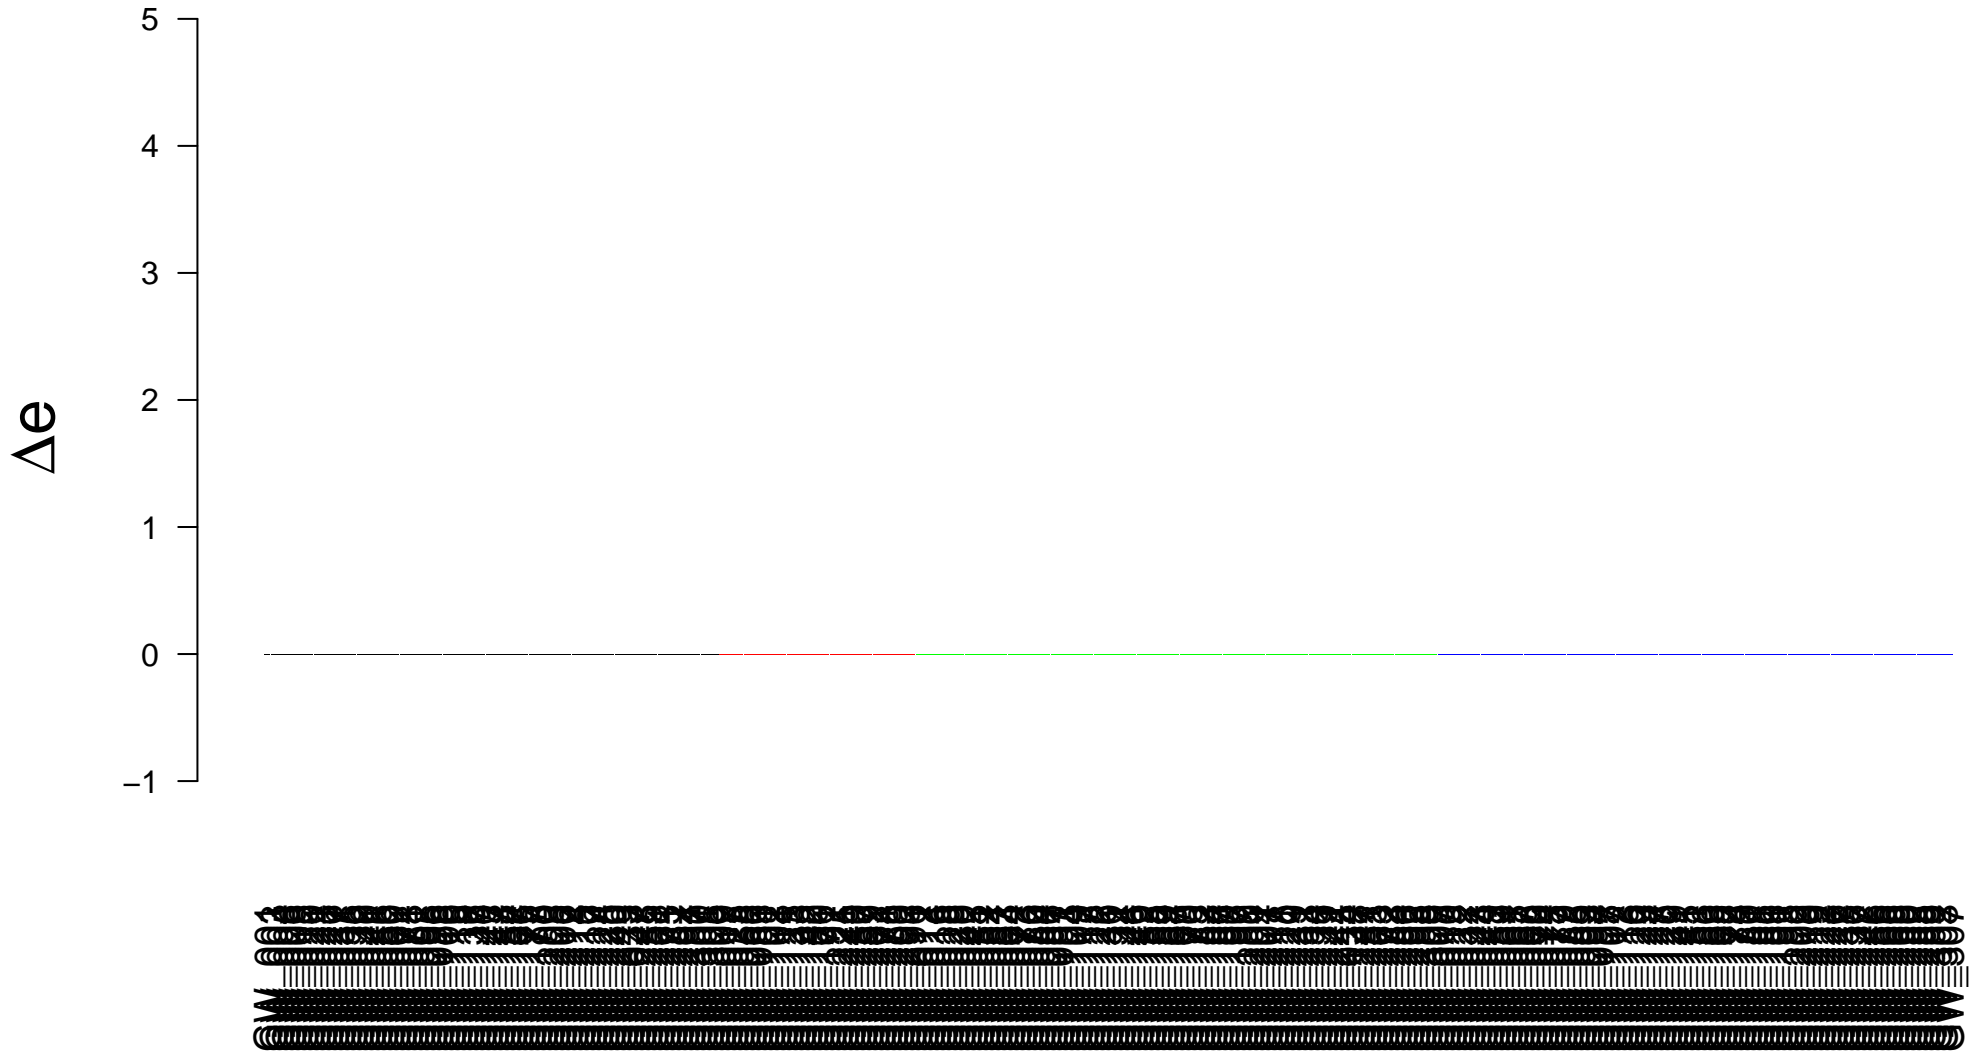

Expression of neuropeptide hormone activity in Spot A

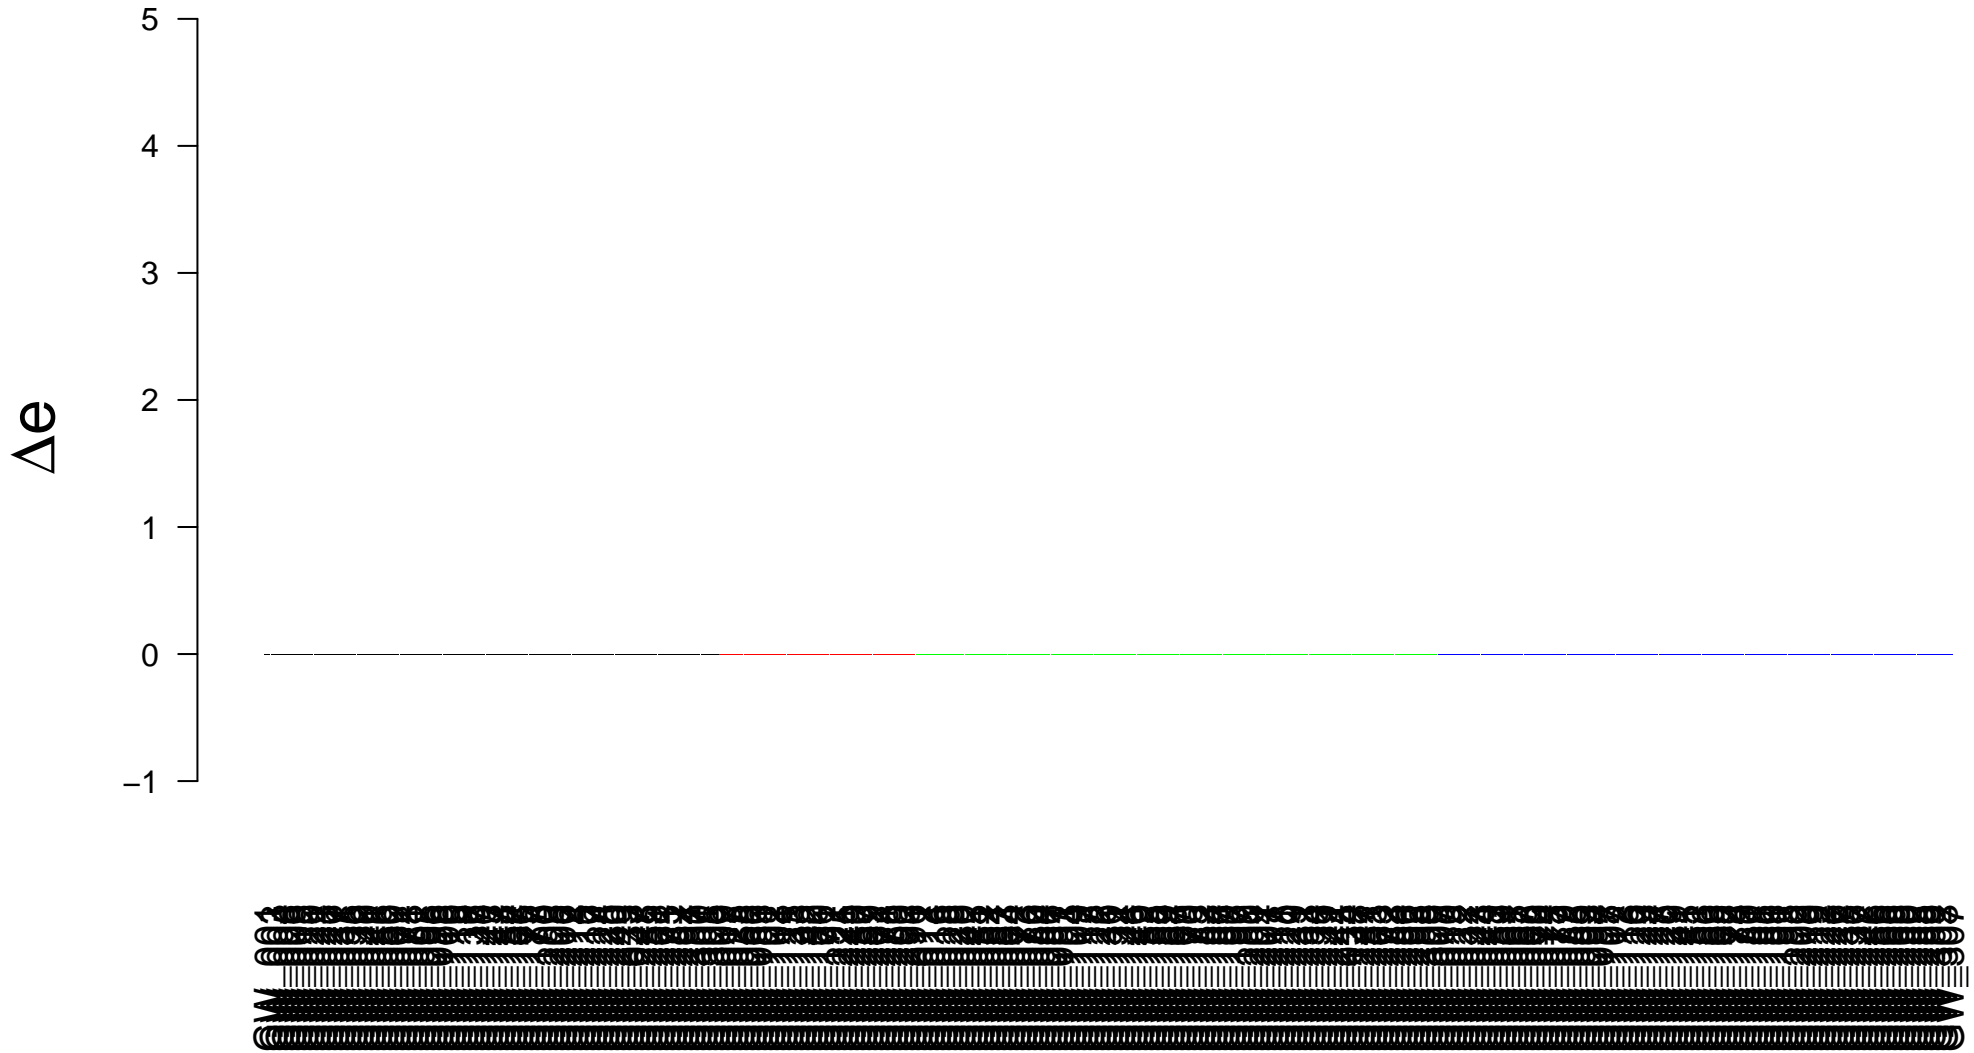

Expression of neuropeptide hormone activity in Spot B

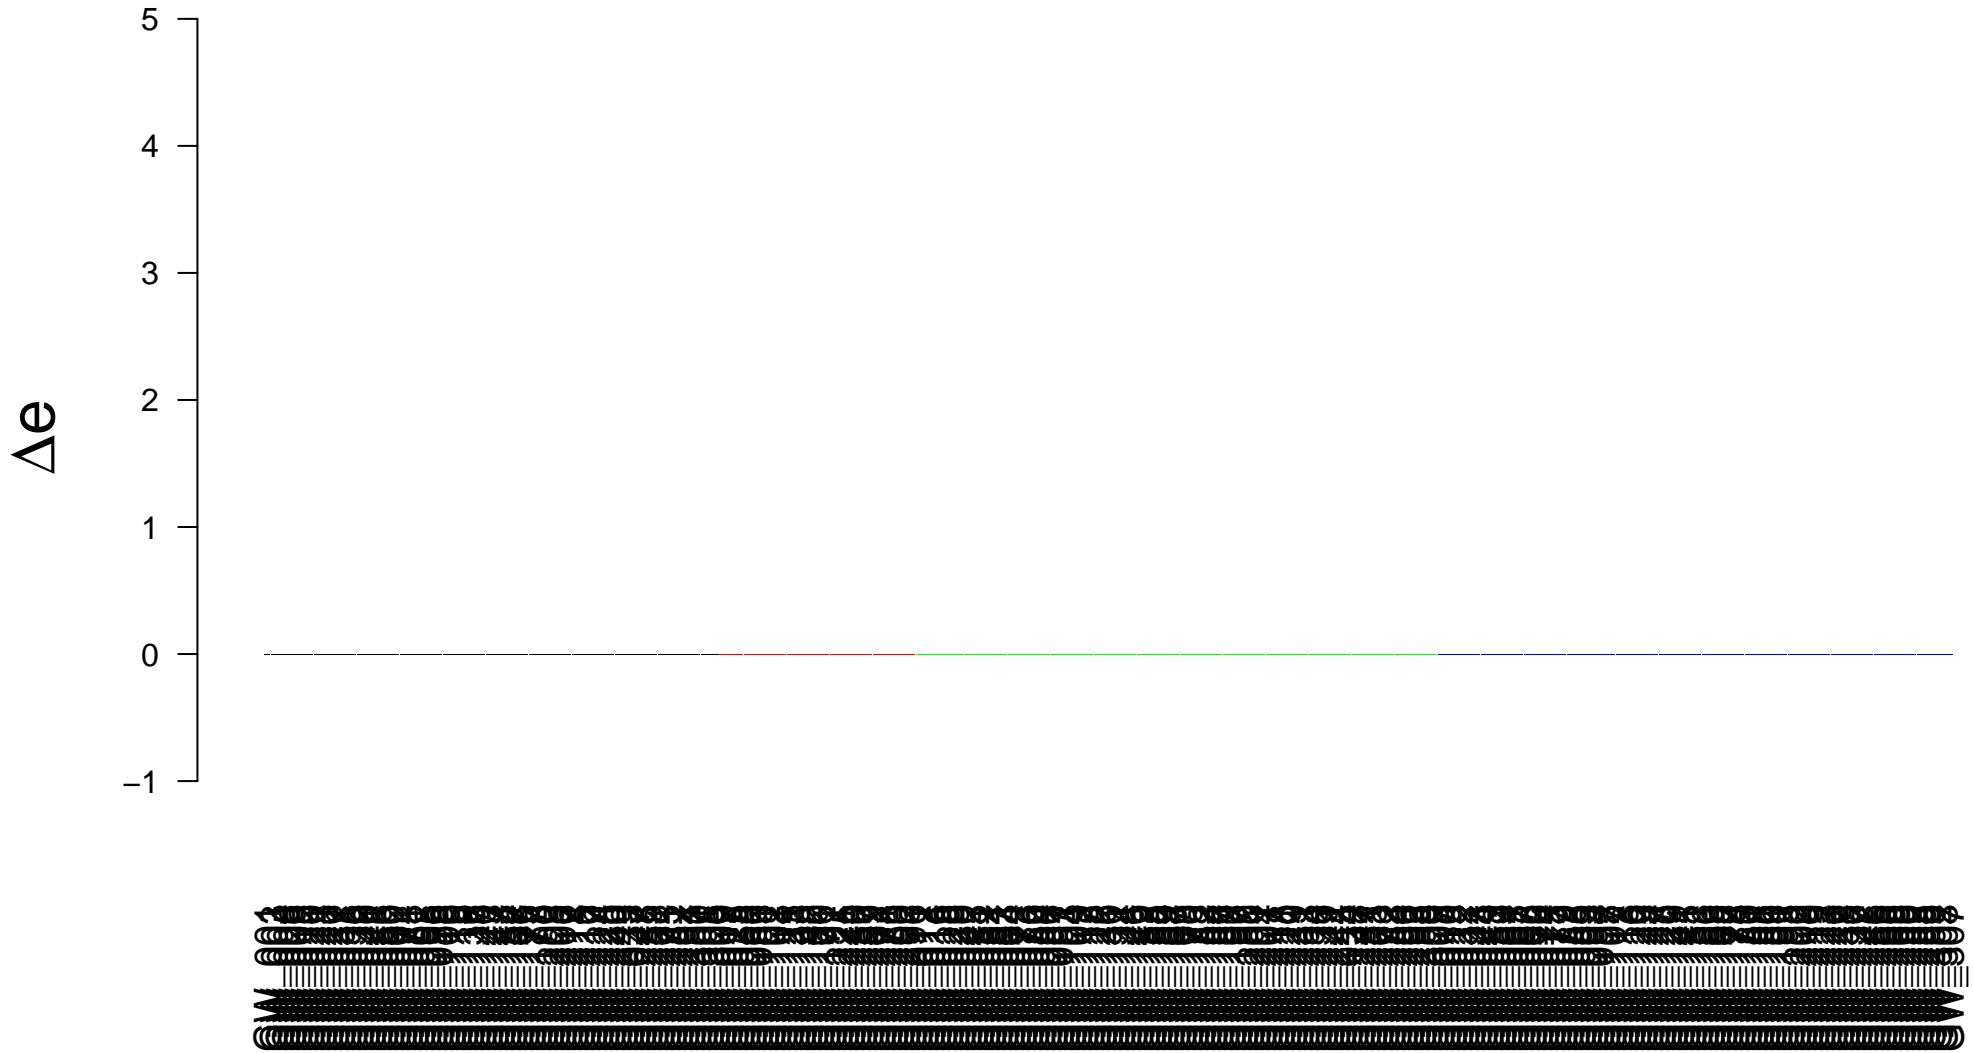

Expression of neuropeptide hormone activity in Spot C

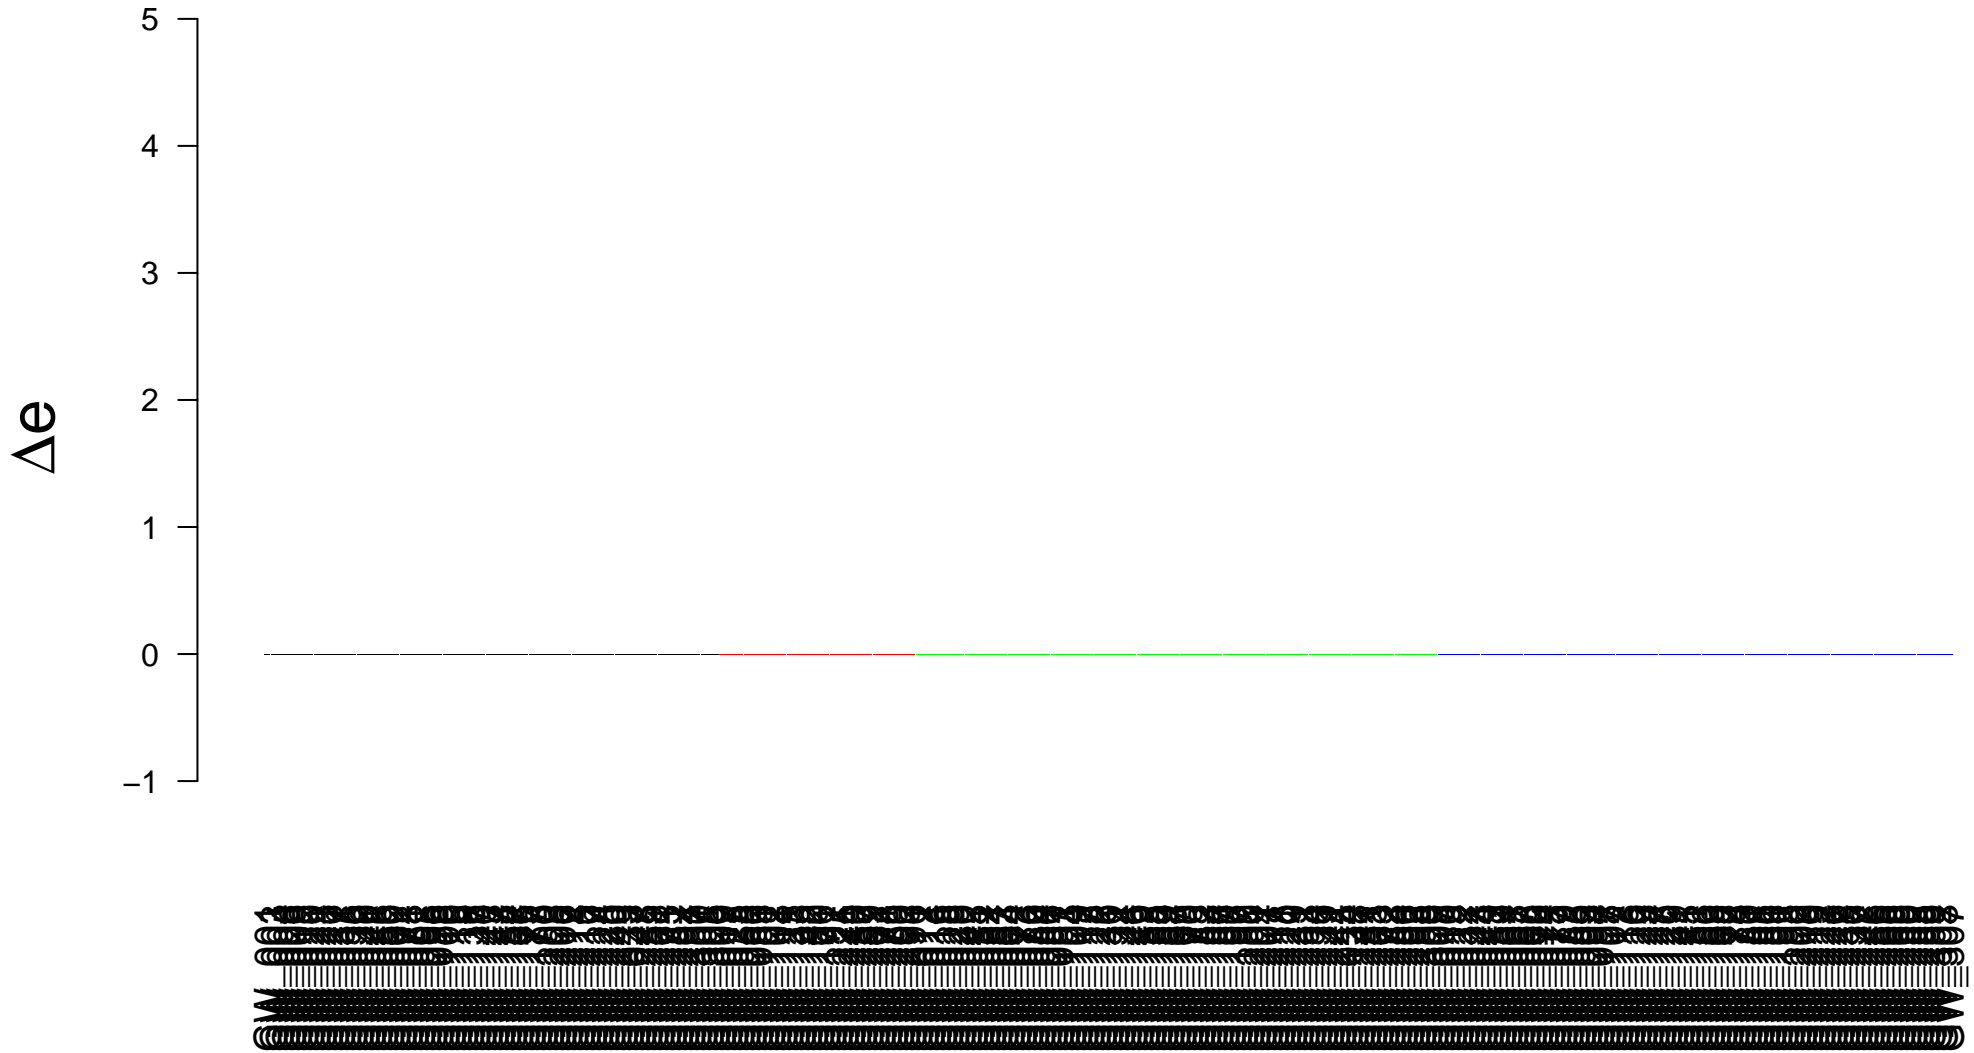

Expression of neuropeptide hormone activity in Spot D

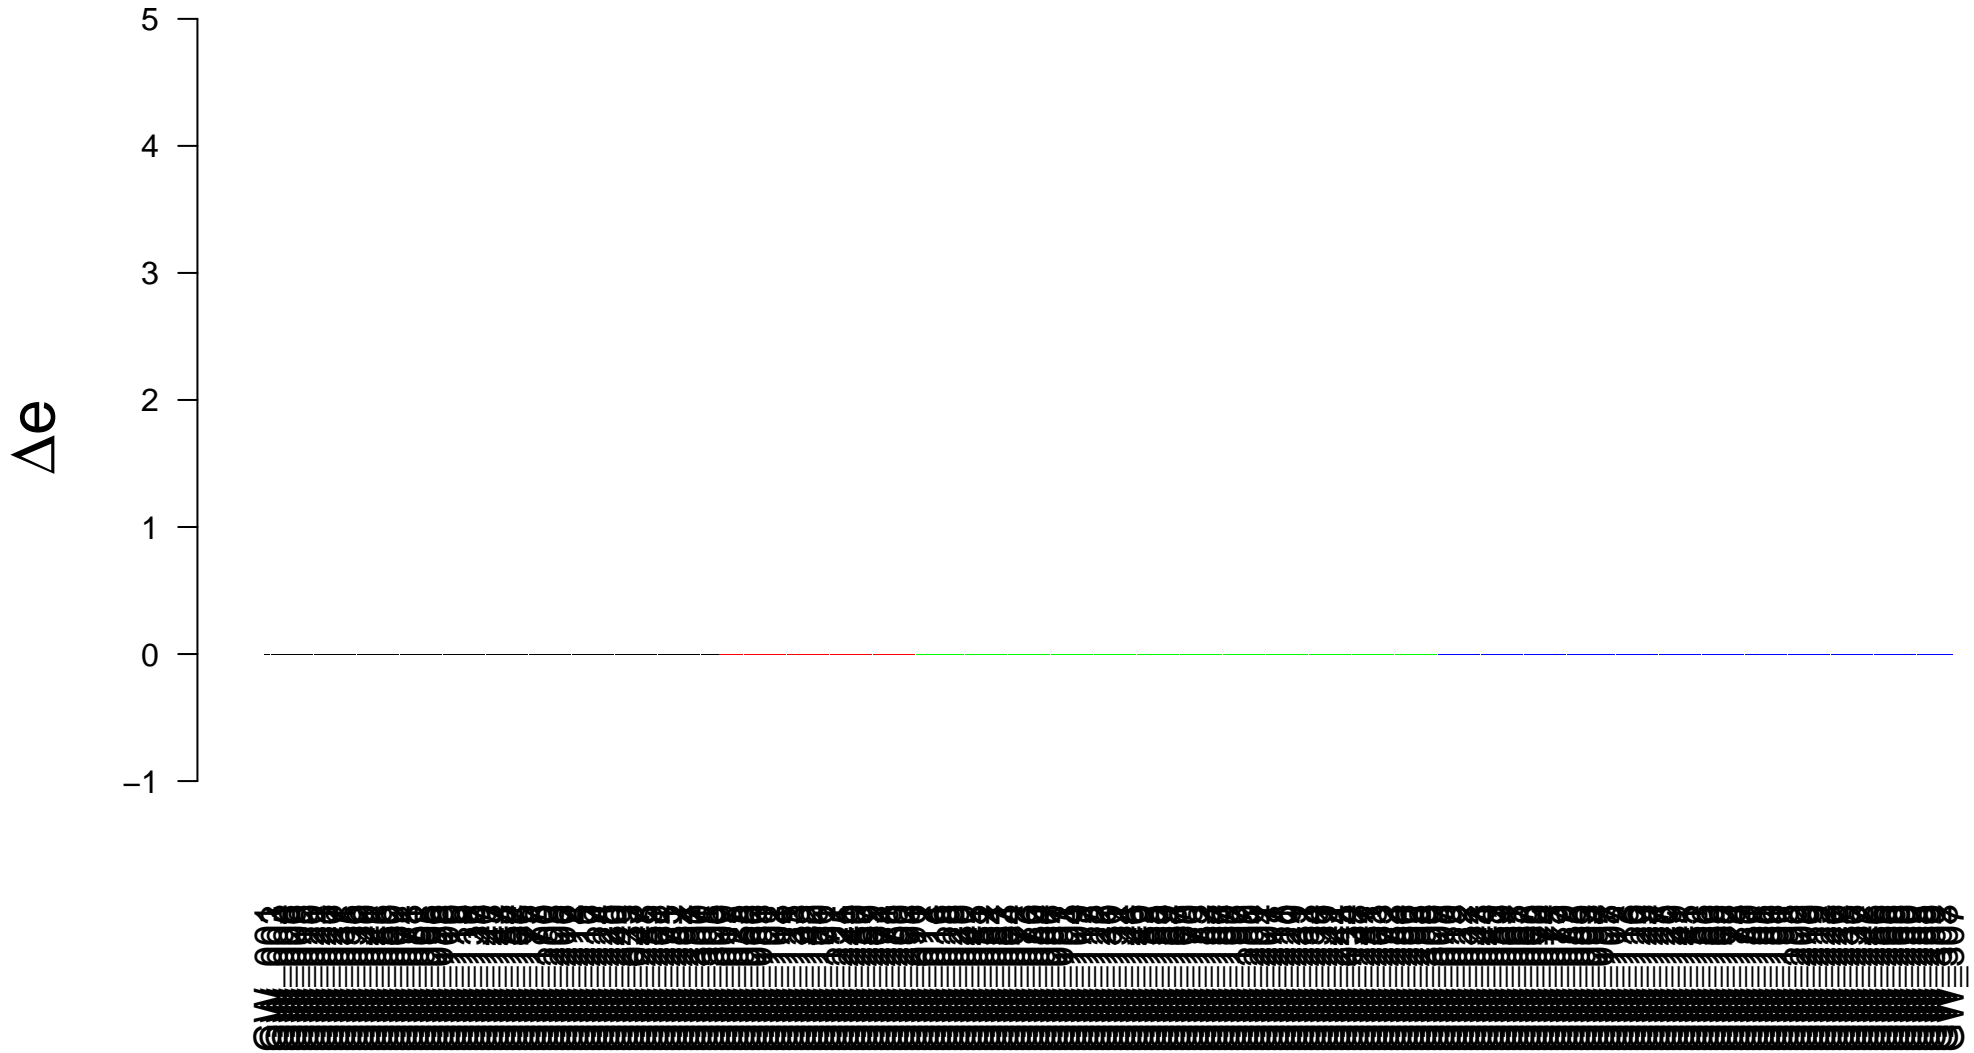

Expression of neuropeptide hormone activity in Spot E

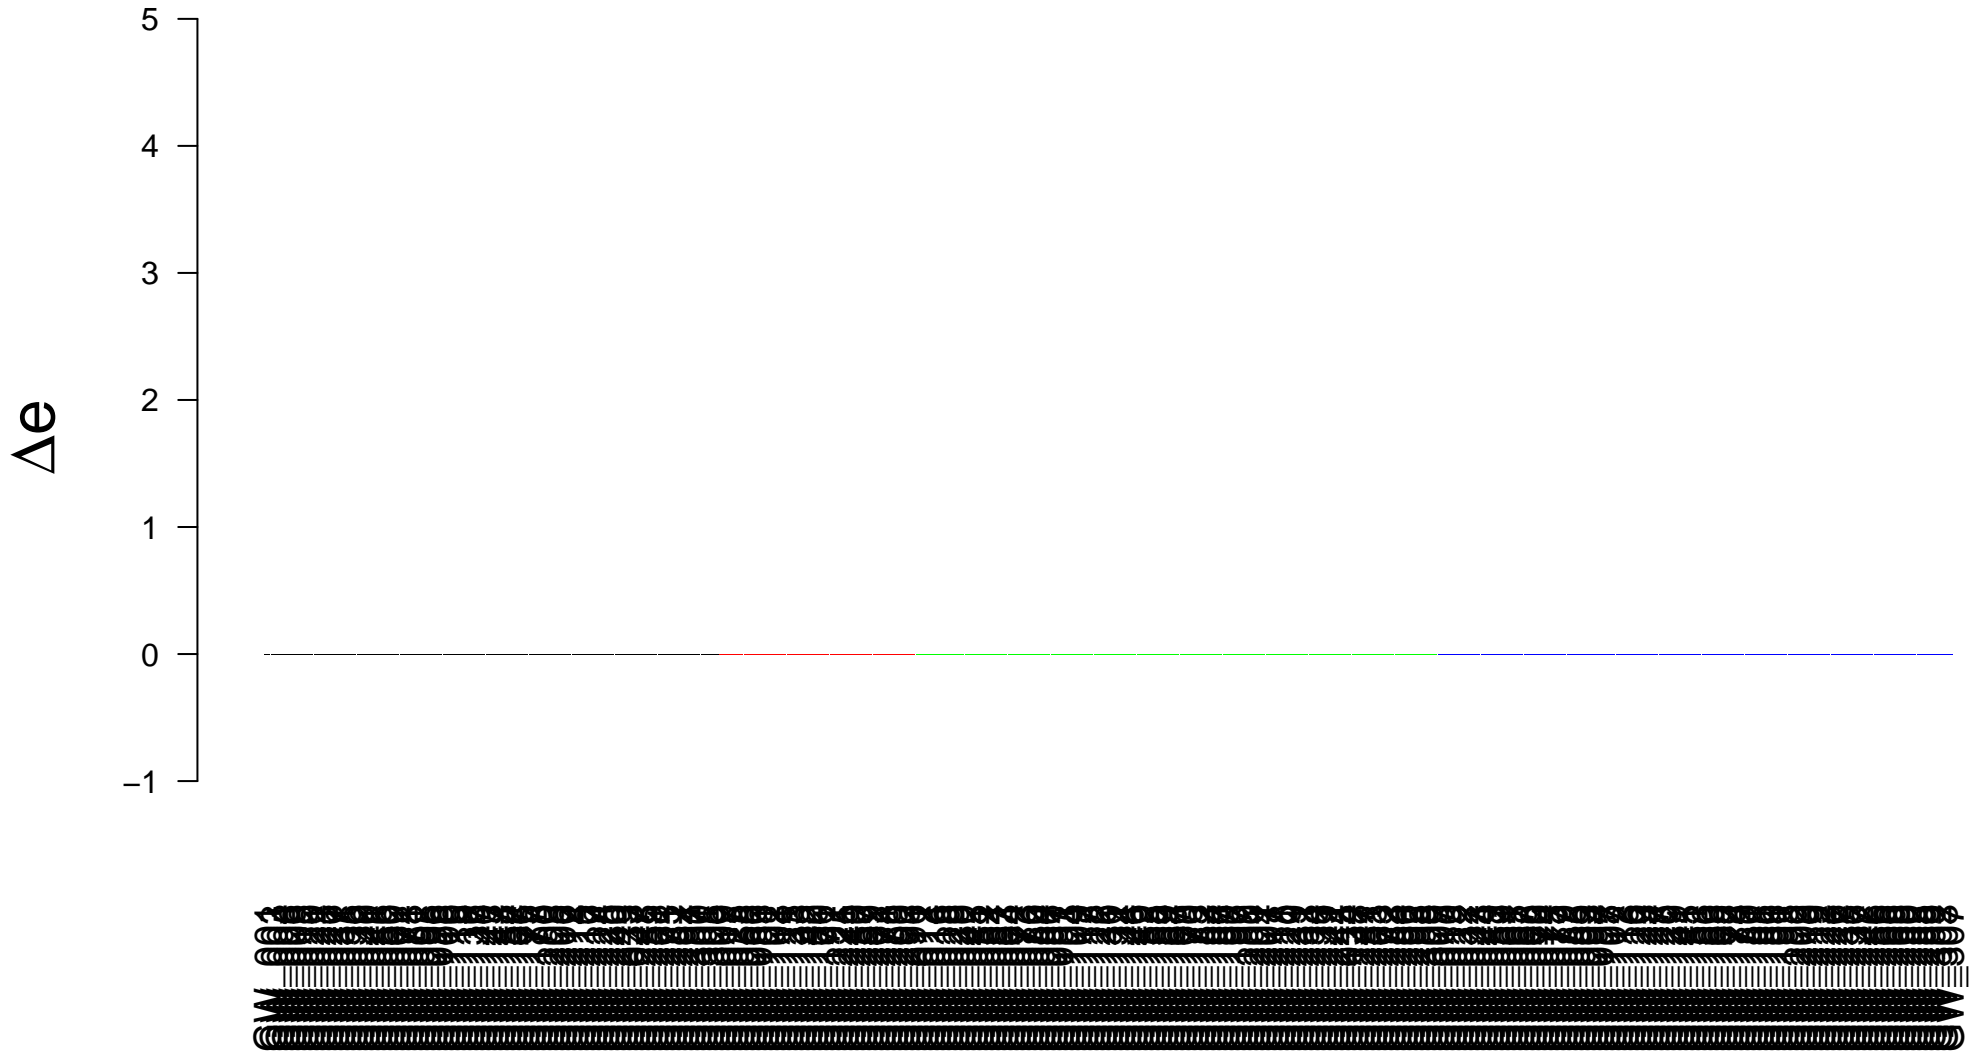

Expression of neuropeptide hormone activity in Spot F

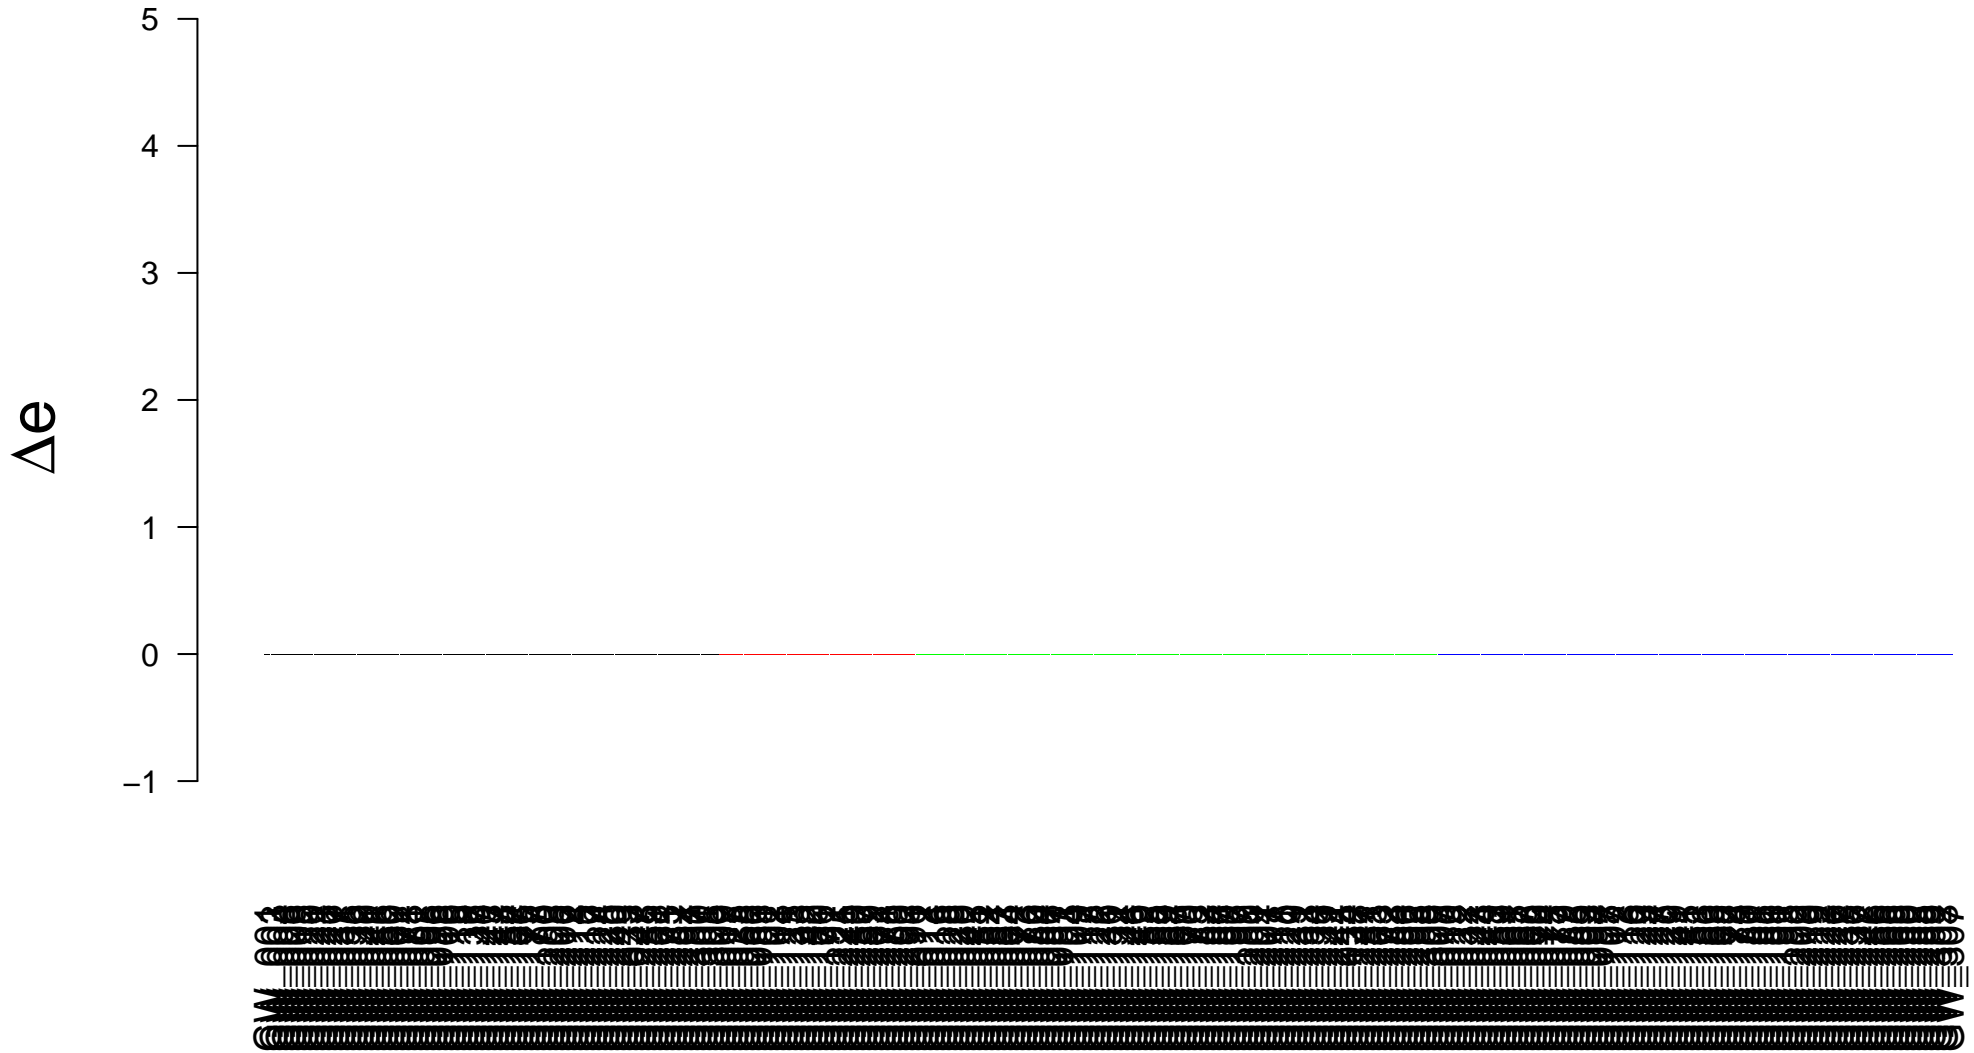

Expression of neuropeptide hormone activity in Spot G

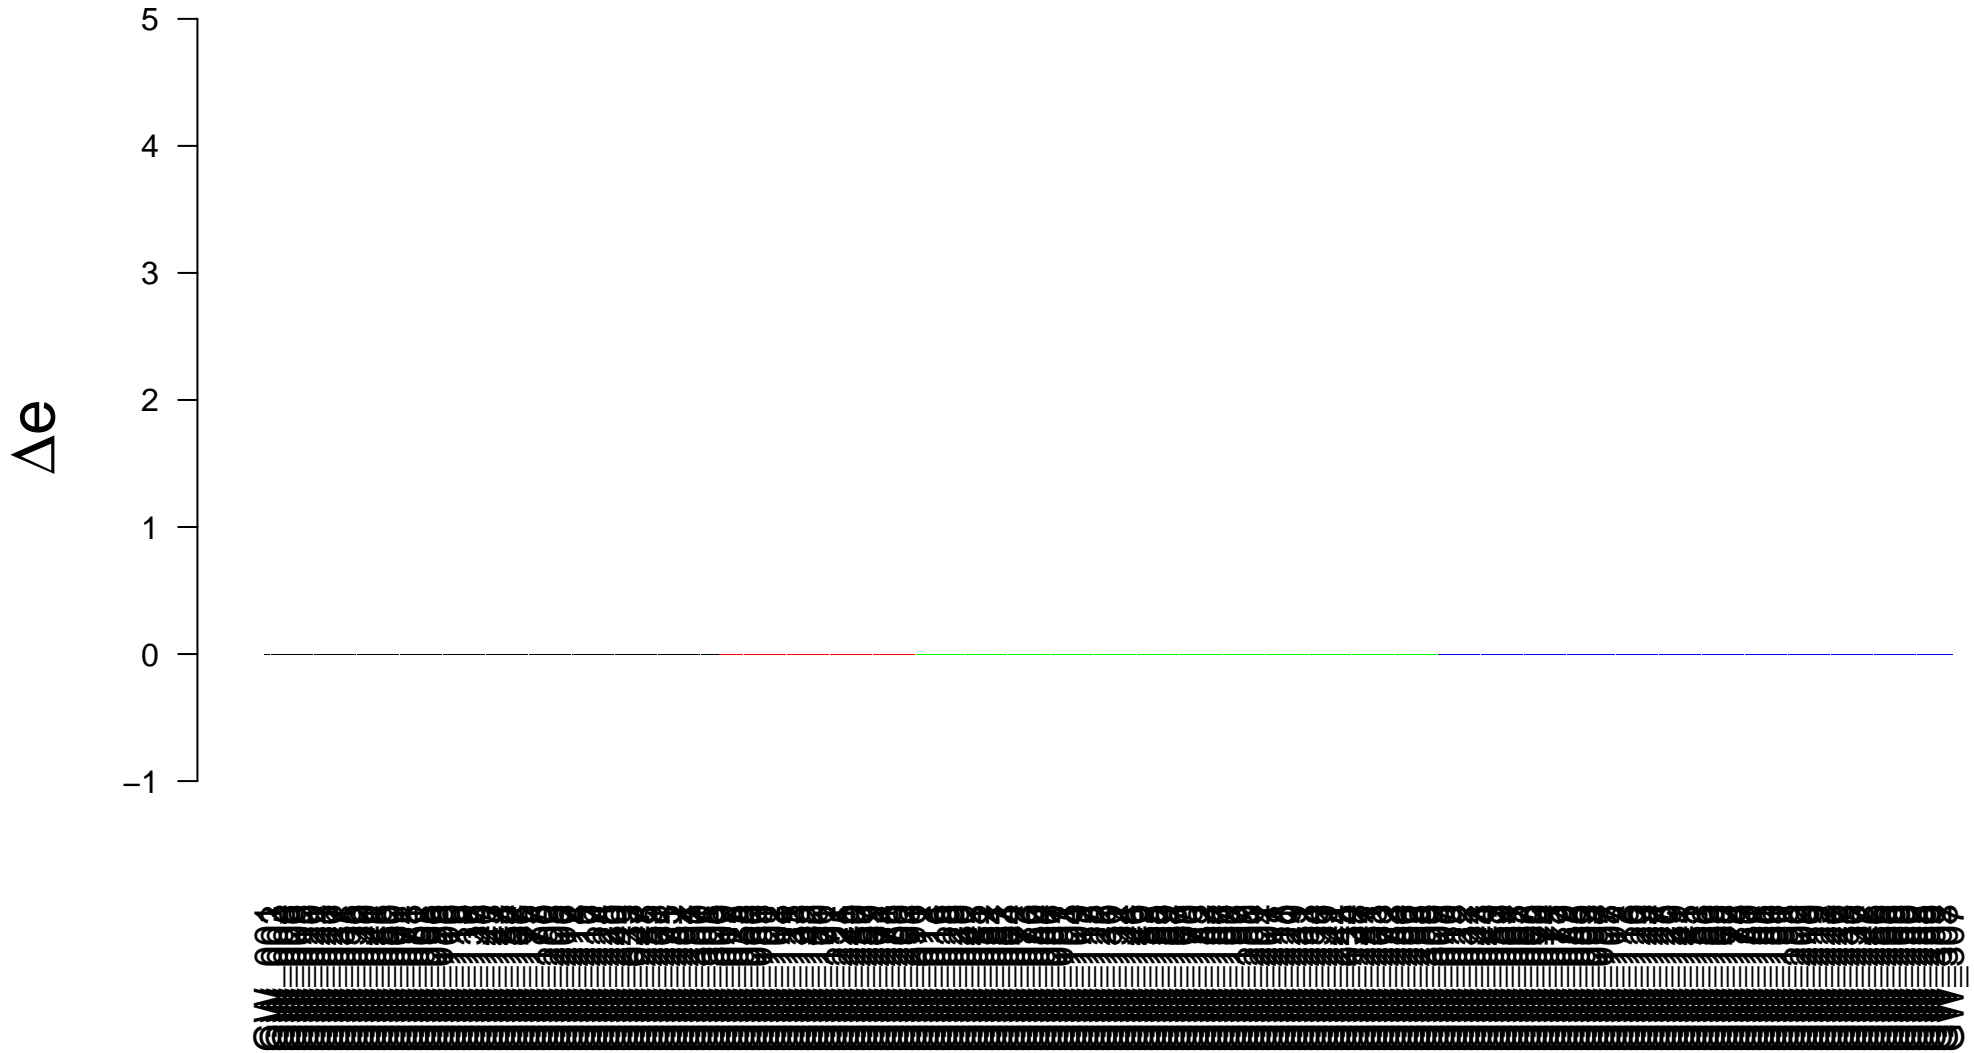

Expression of neuropeptide hormone activity in Spot H

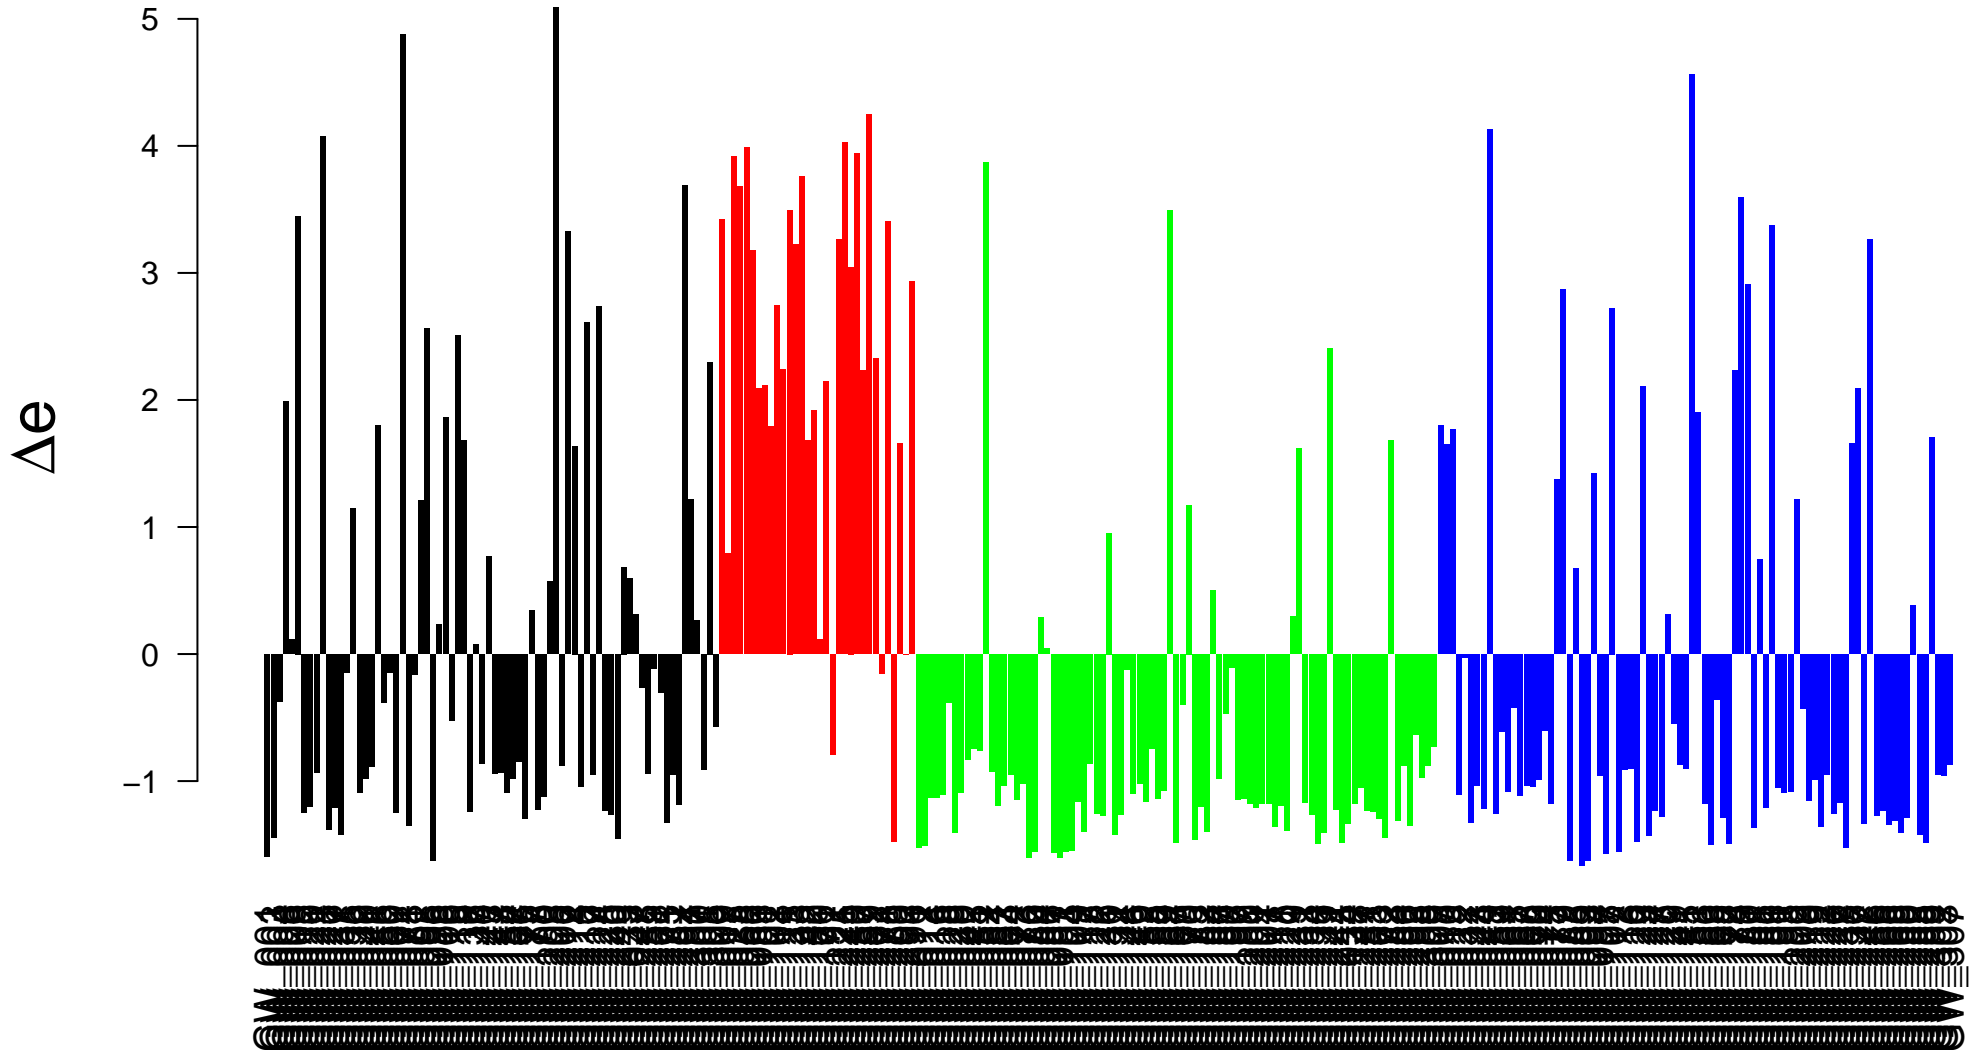

Expression of neuropeptide hormone activity in Spot I

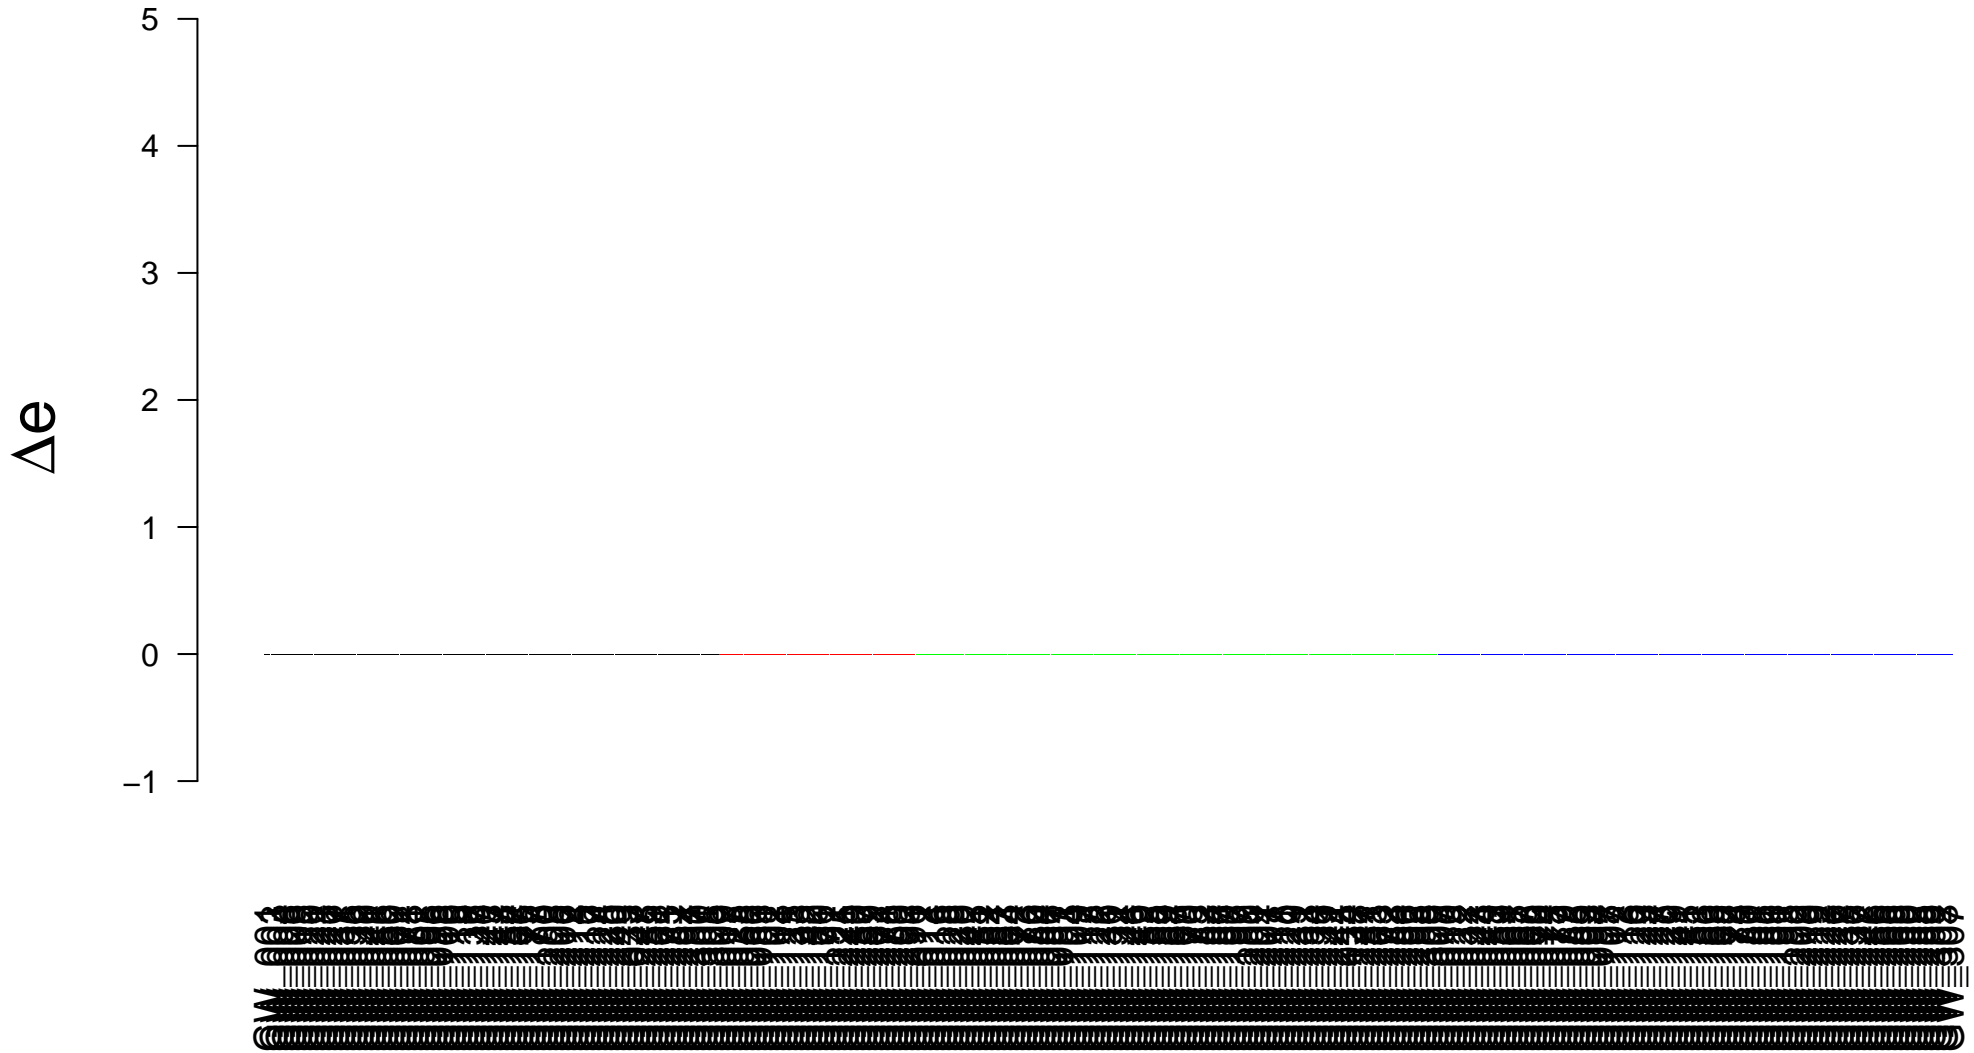

Expression of neuropeptide hormone activity in Spot J

Expression of neuropeptide hormone activity in Spot K

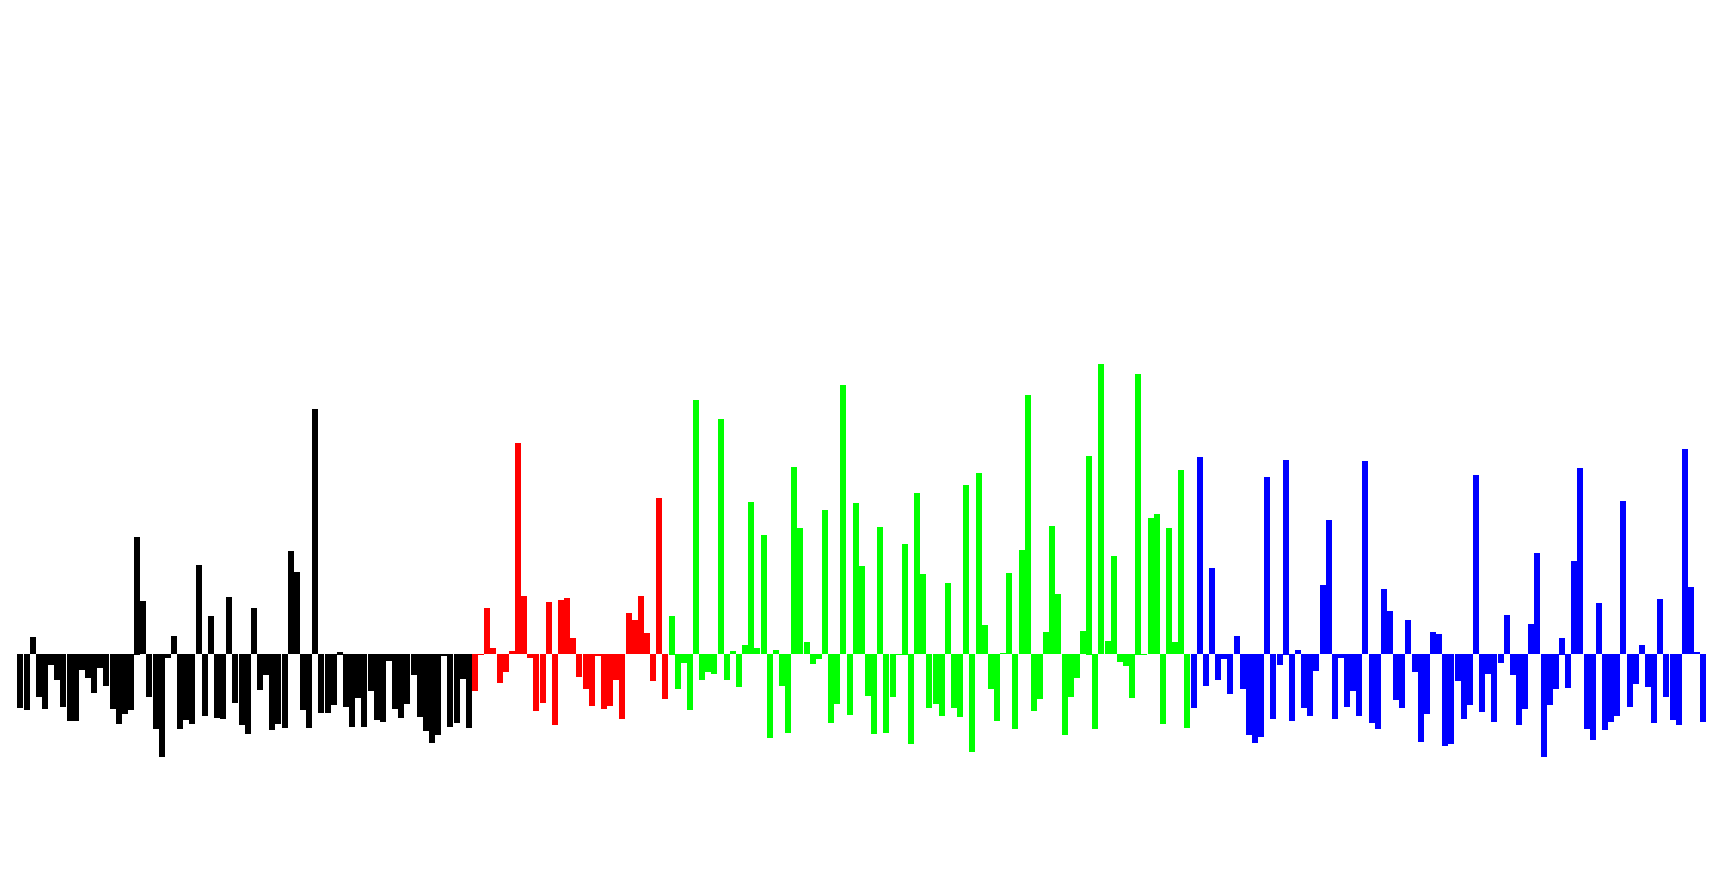

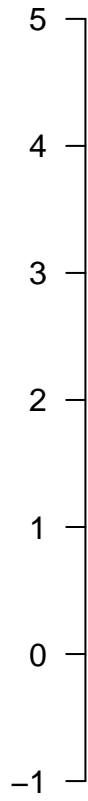

Expression of neuropeptide hormone activity in Spot L

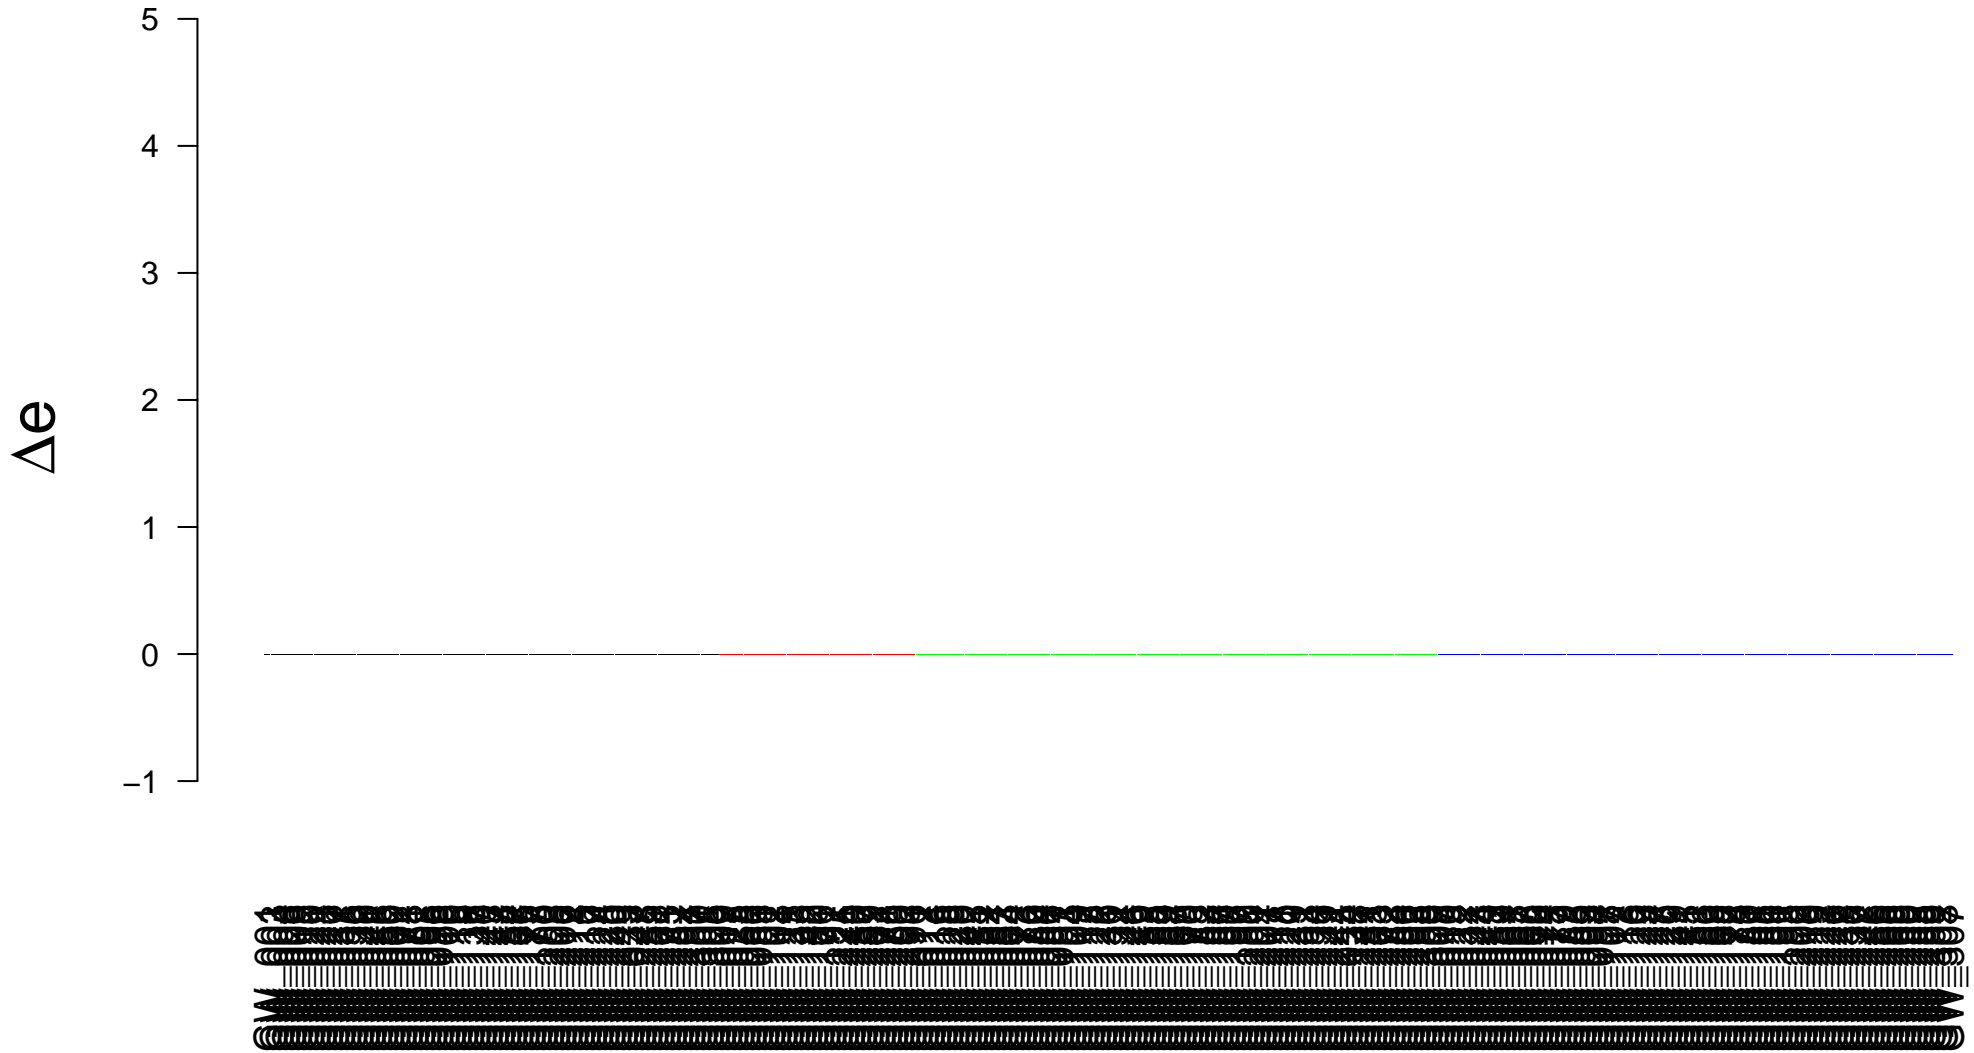

Expression of neuropeptide hormone activity in Spot M

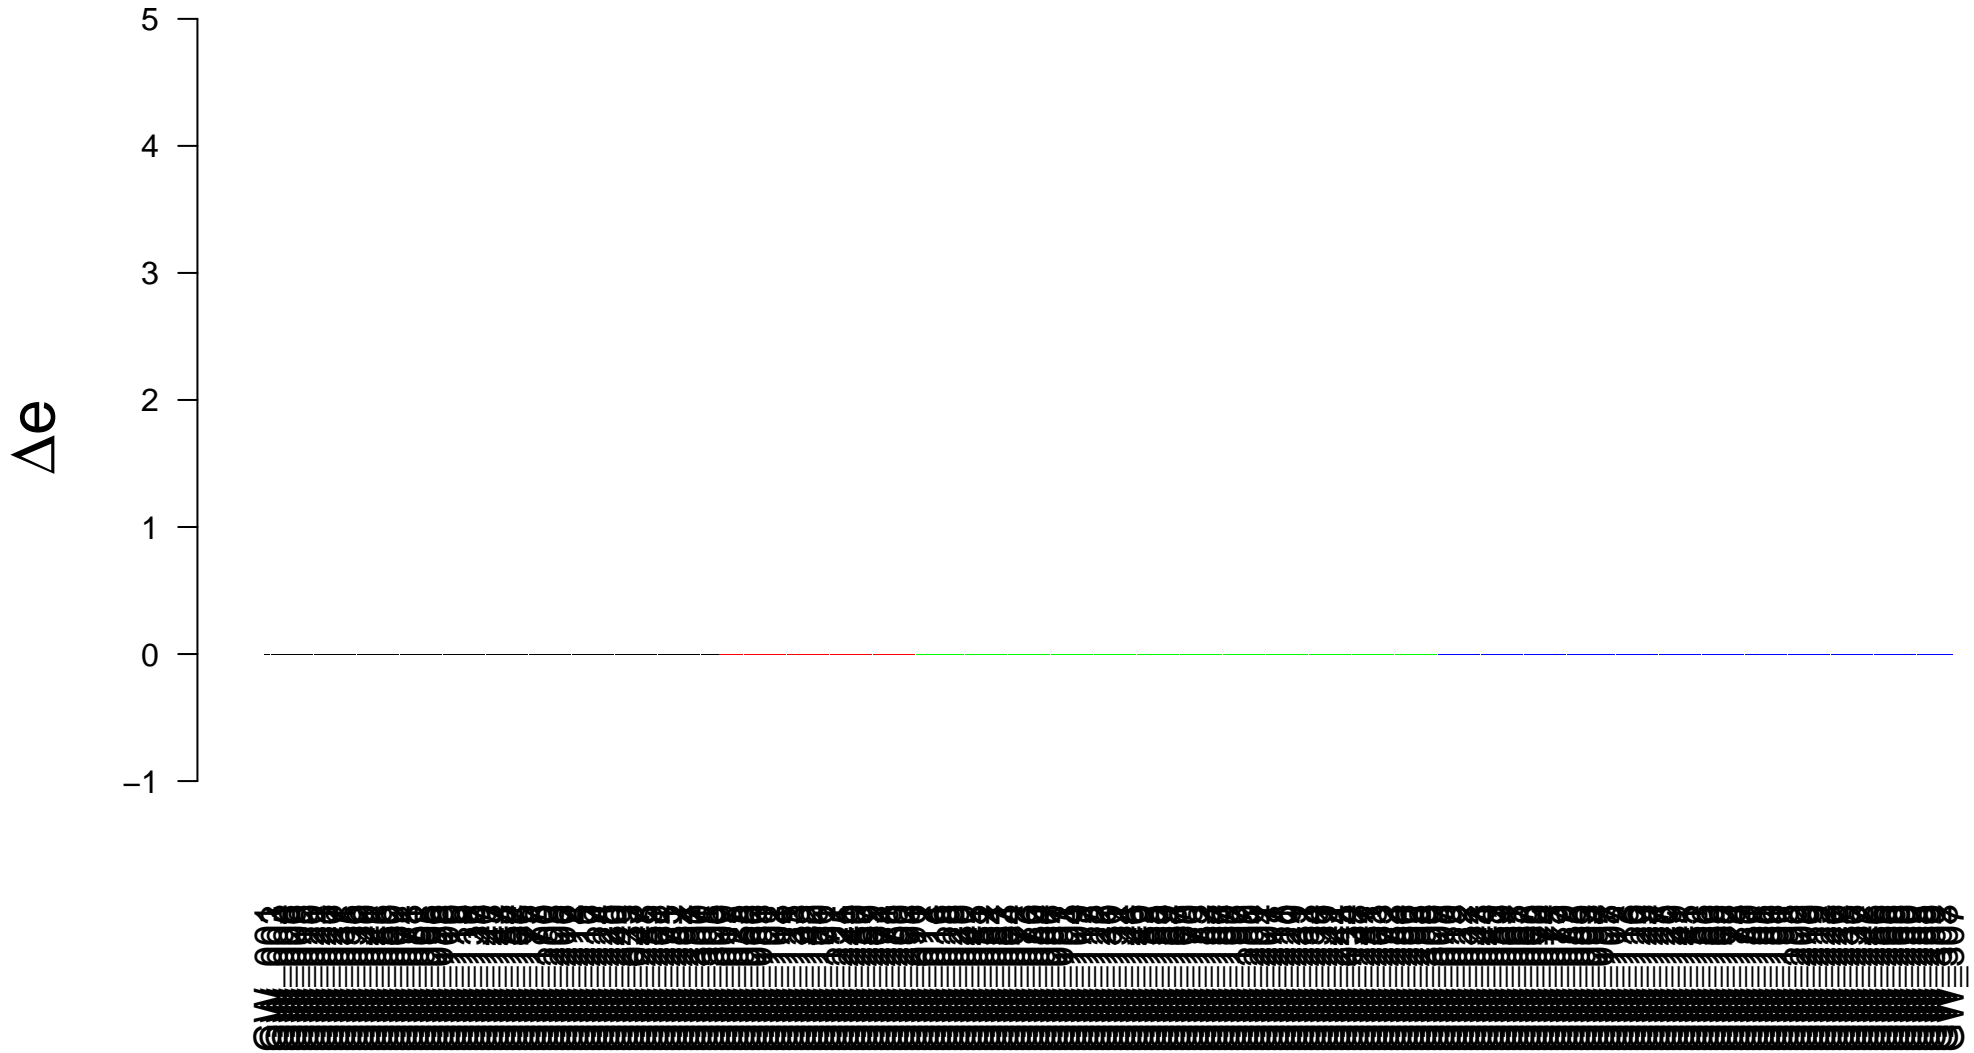

Δe

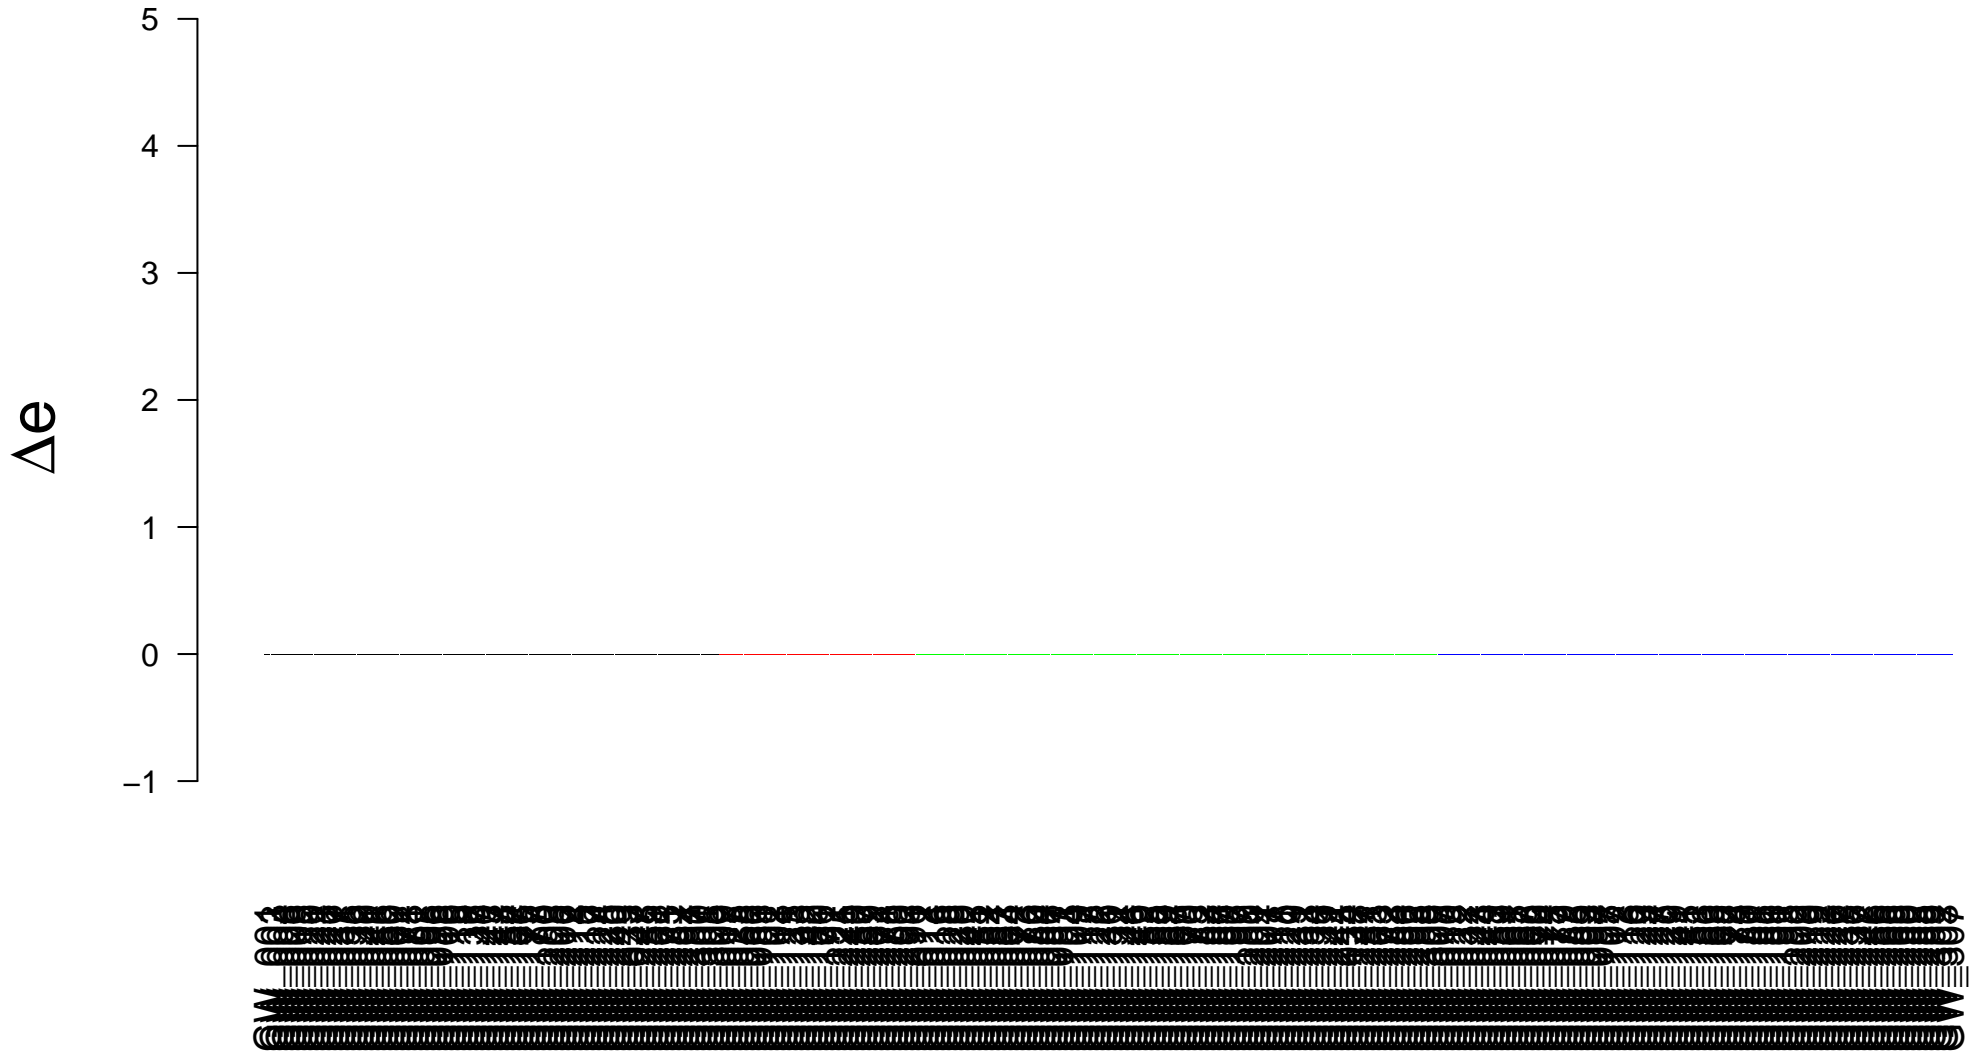

Expression of neuropeptide hormone activity in Spot N

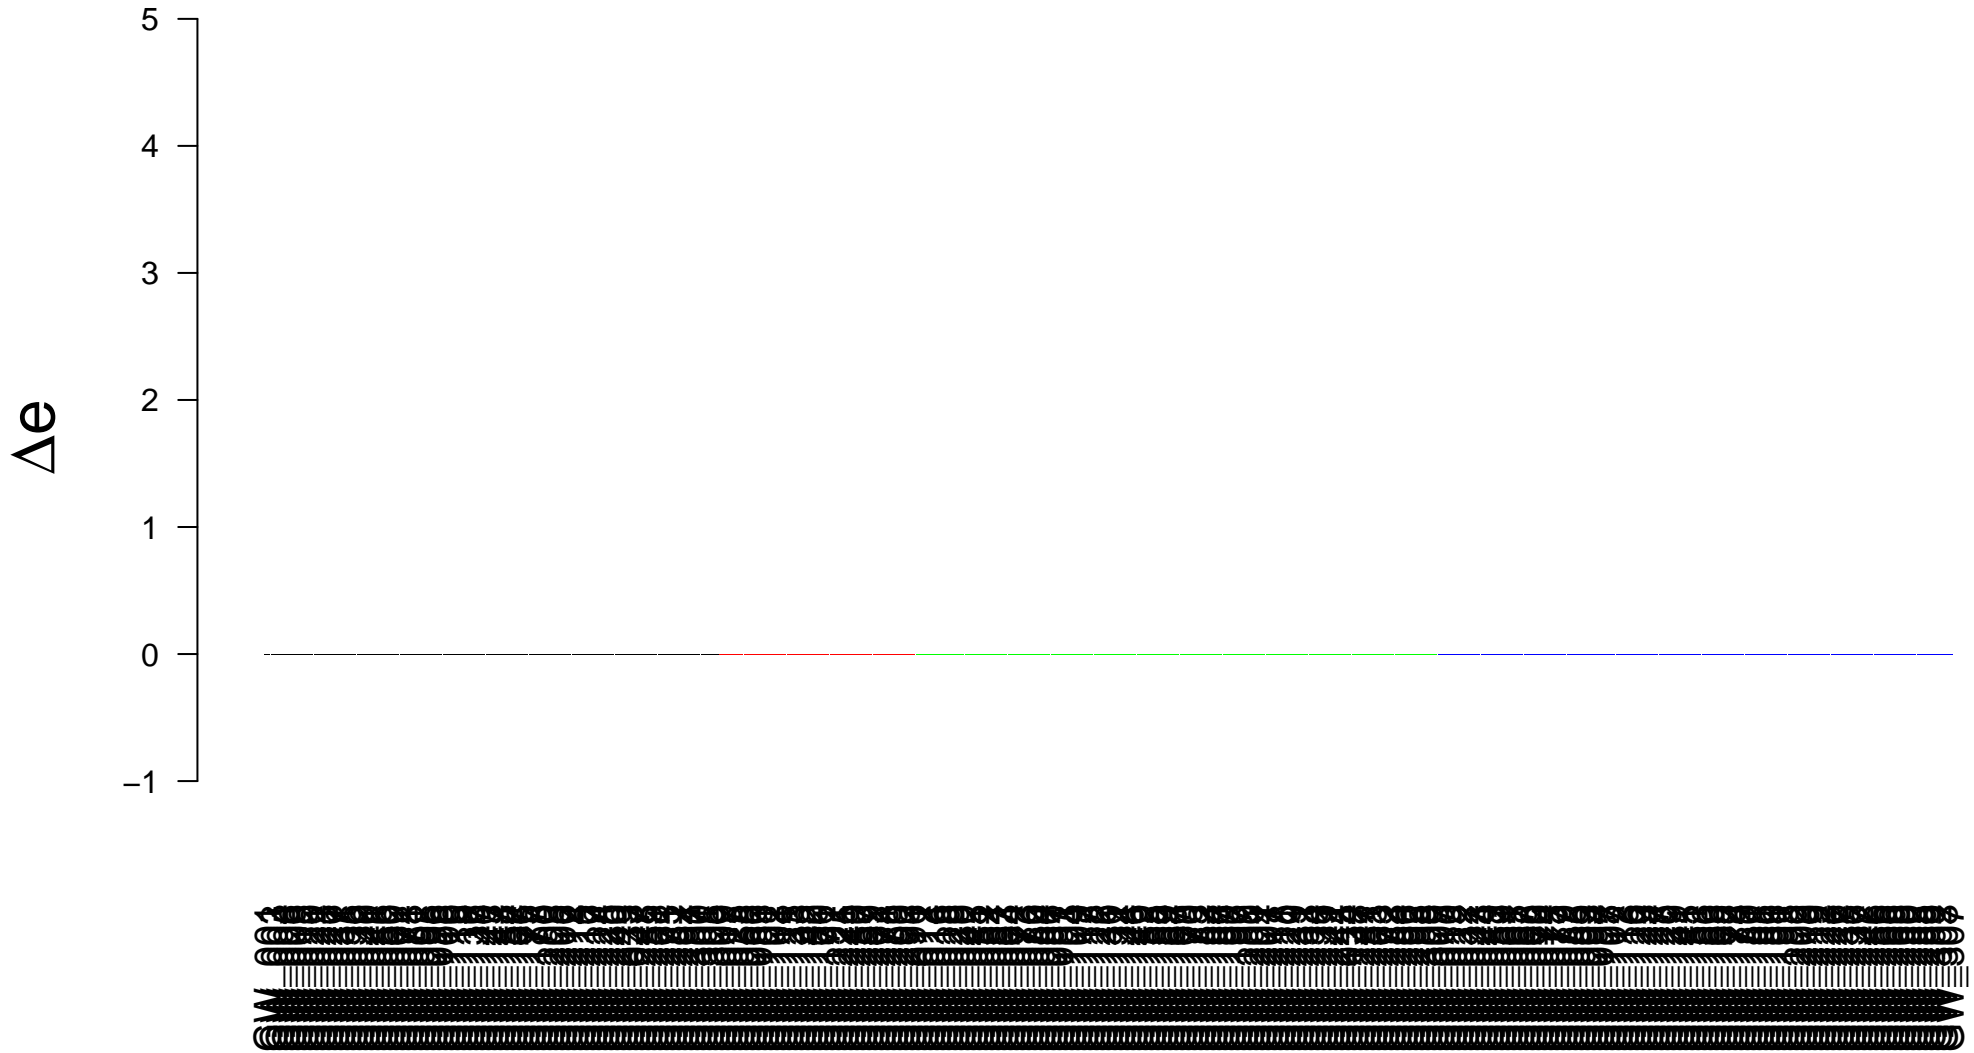

Expression of neuropeptide hormone activity in Spot O

Expression of neuropeptide hormone activity in Spot P

Expression of neuropeptide hormone activity in Spot Q

Expression of neuropeptide hormone activity in Spot R
