

neurotransmitter biosynthetic process

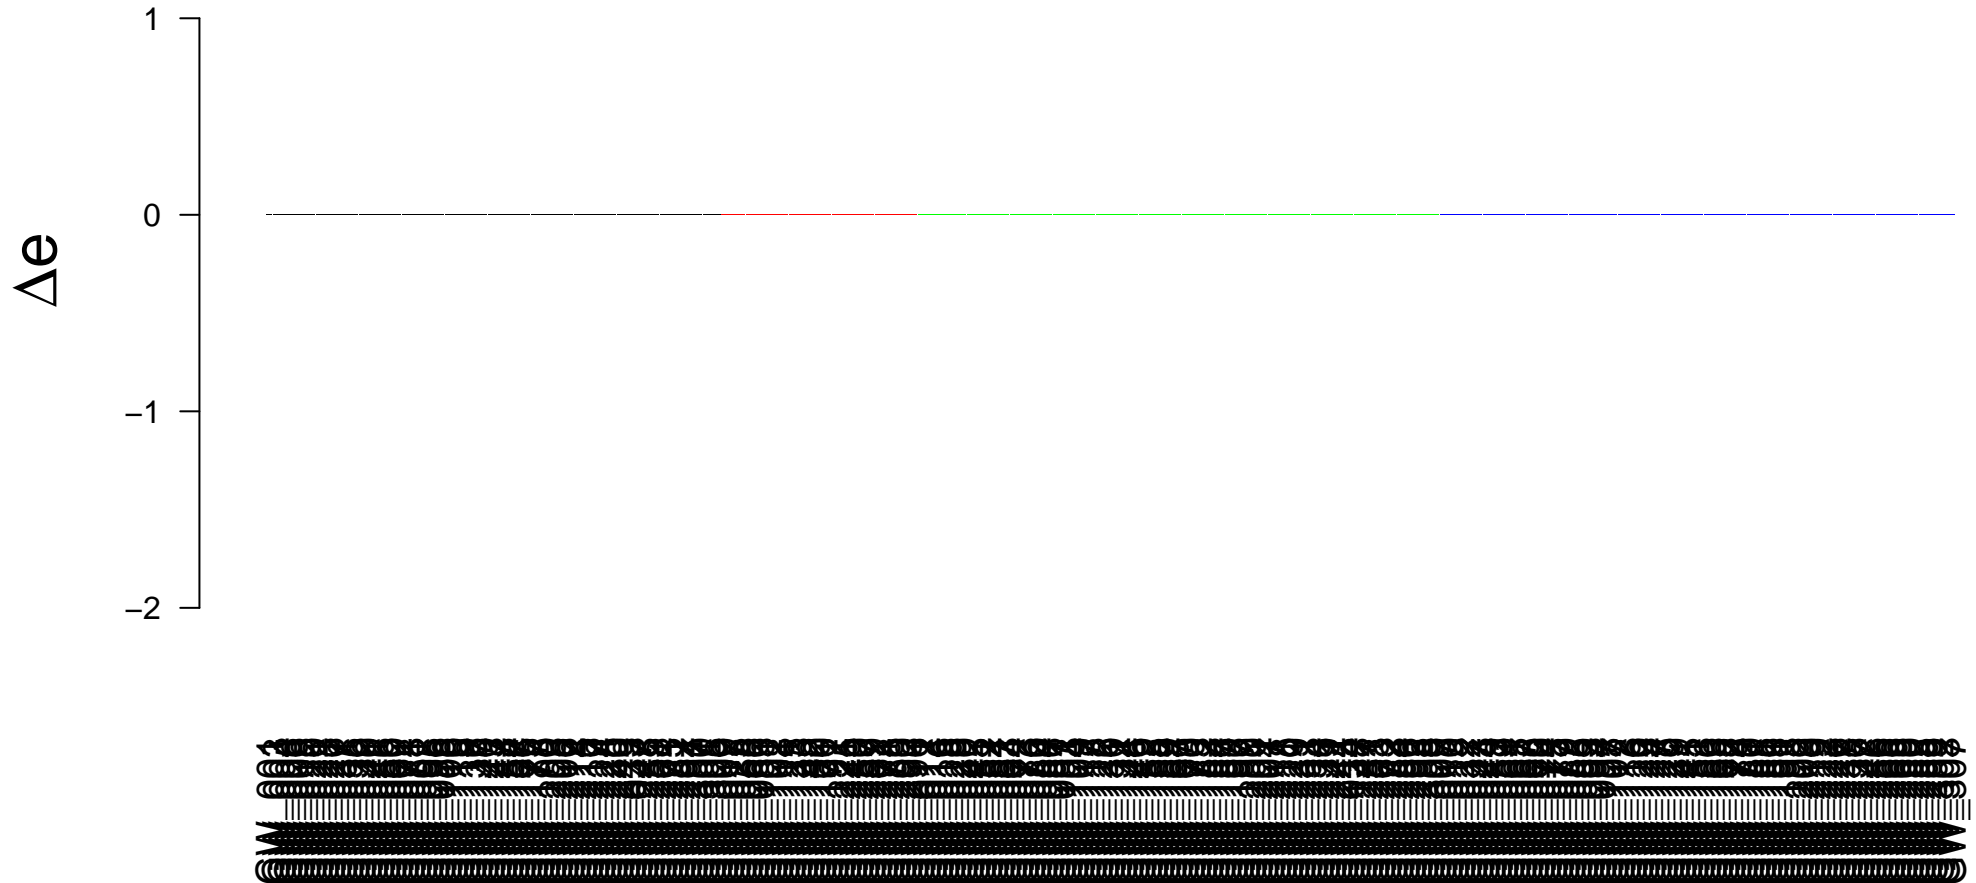

neurotransmitter biosynthetic process

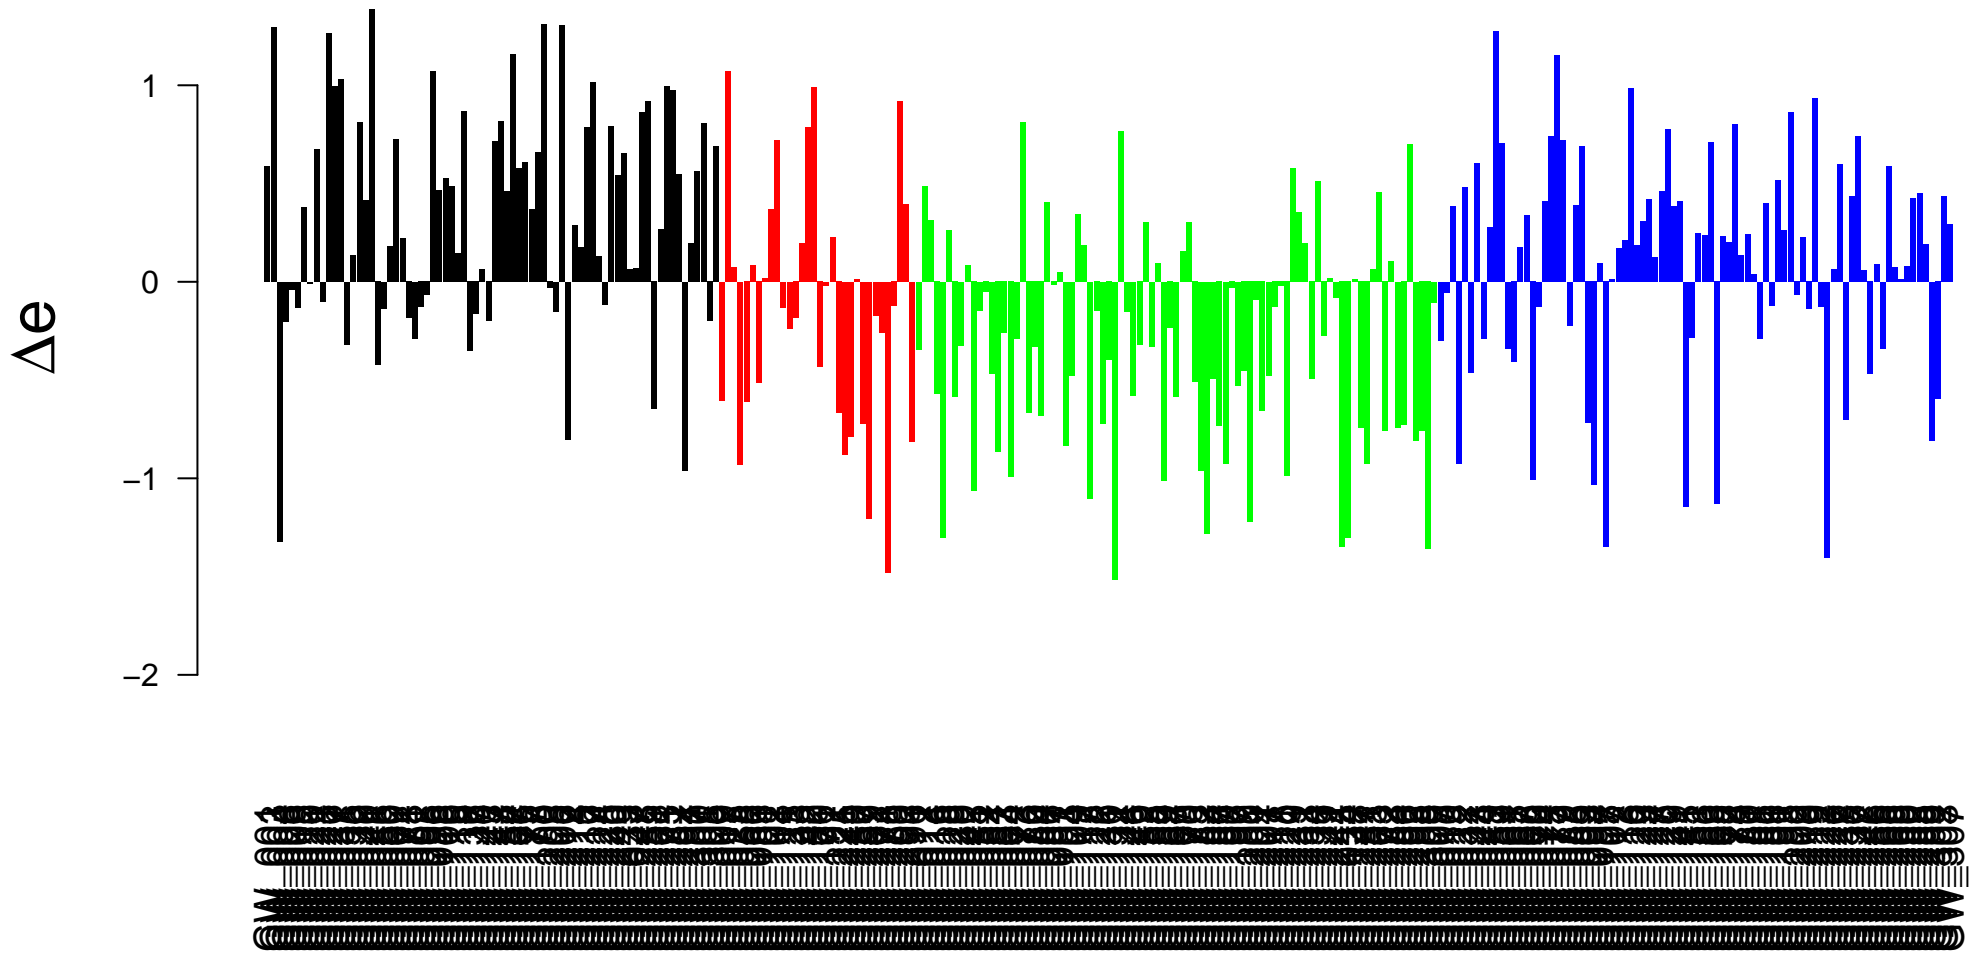

Enrichment in spots: neurotransmitter biosynthetic process

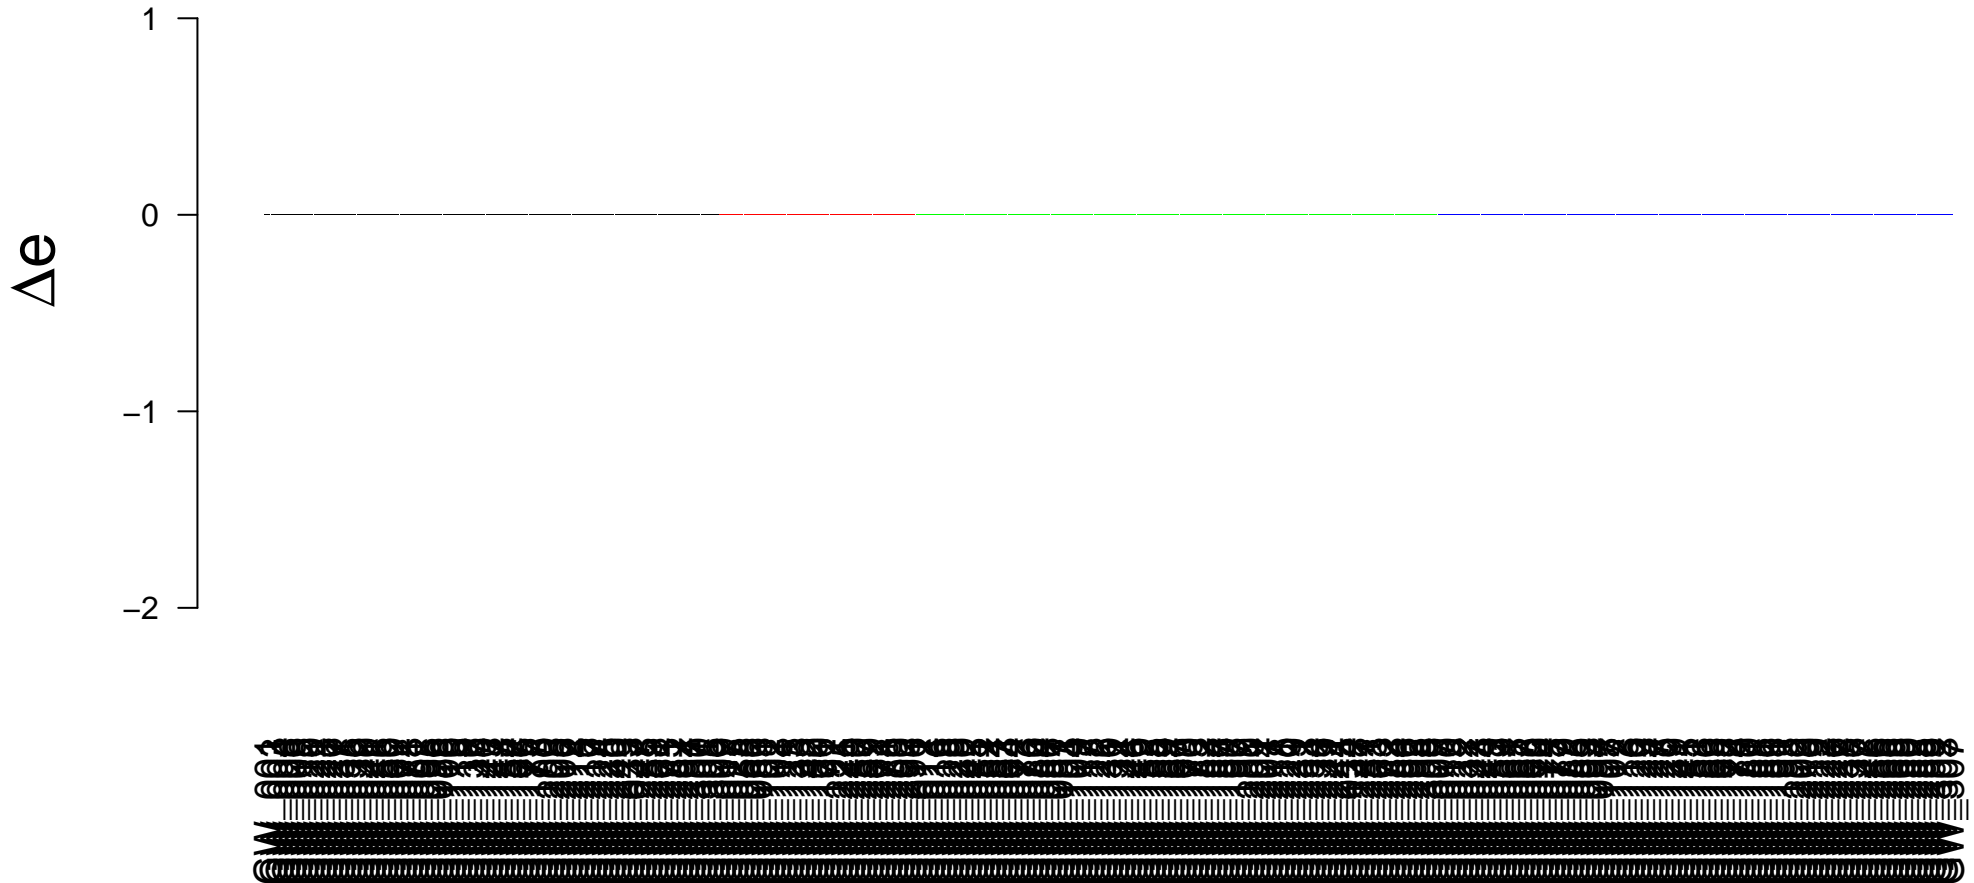

Expression of neurotransmitter biosynthetic process in Spot A

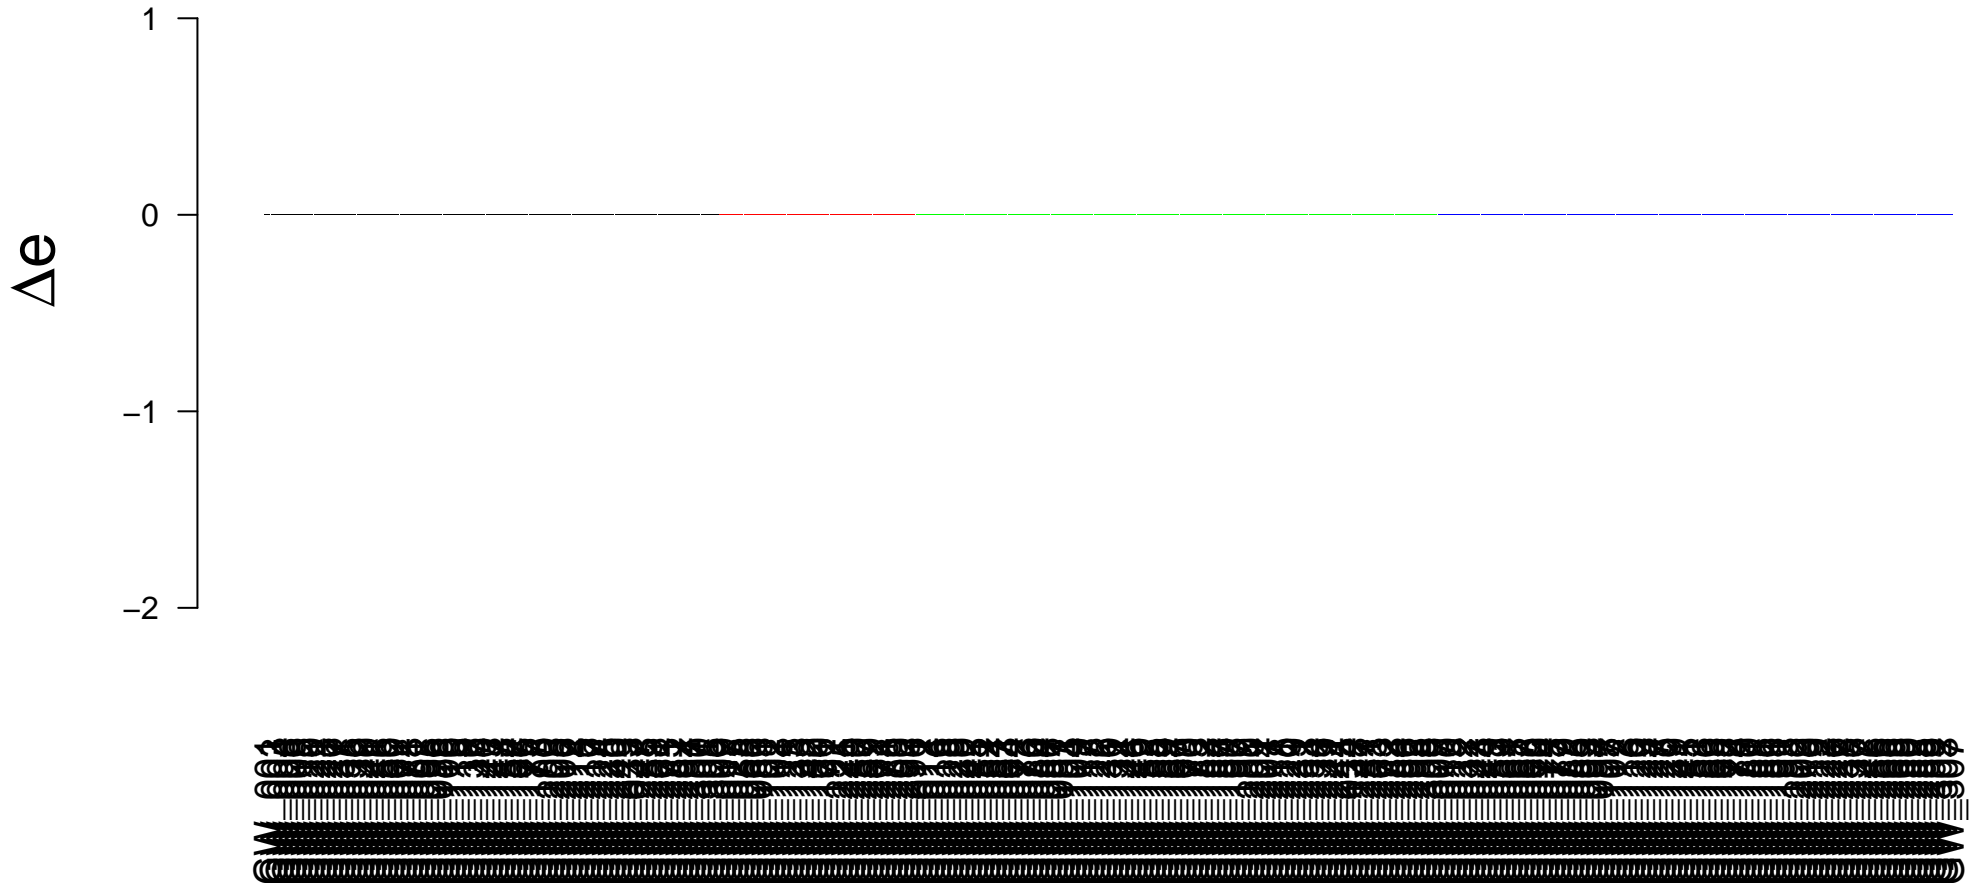

Expression of neurotransmitter biosynthetic process in Spot B

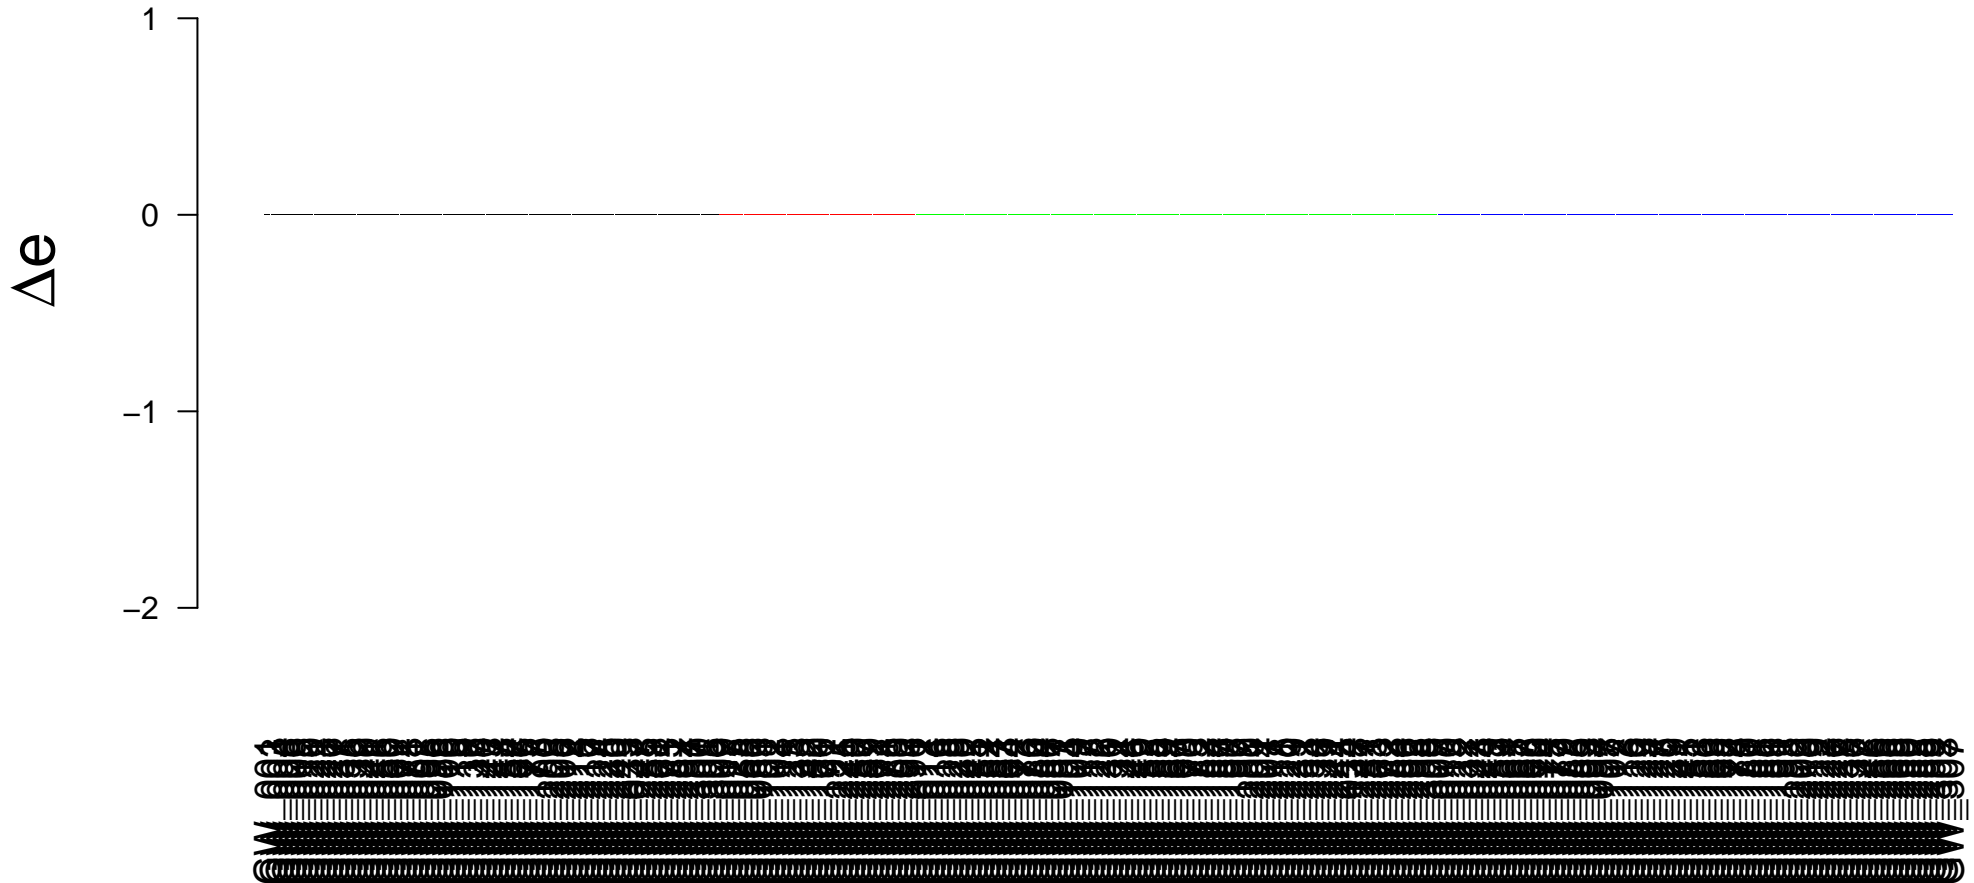

Expression of neurotransmitter biosynthetic process in Spot C

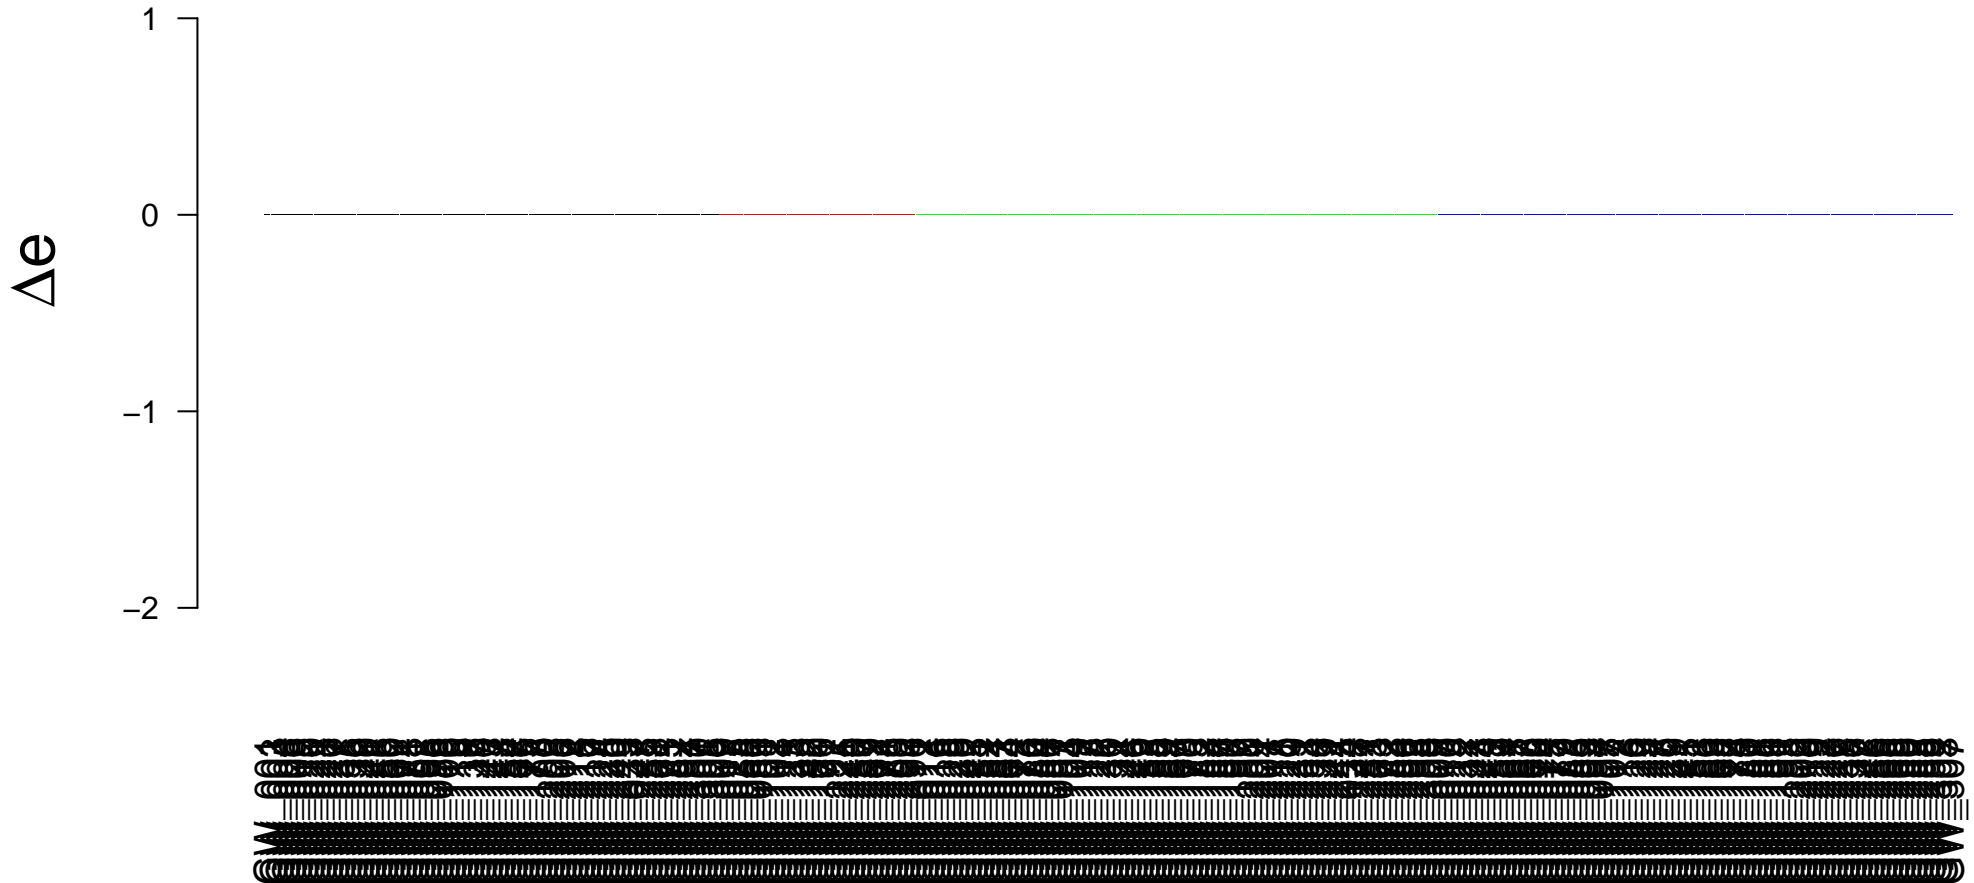

Expression of neurotransmitter biosynthetic process in Spot D

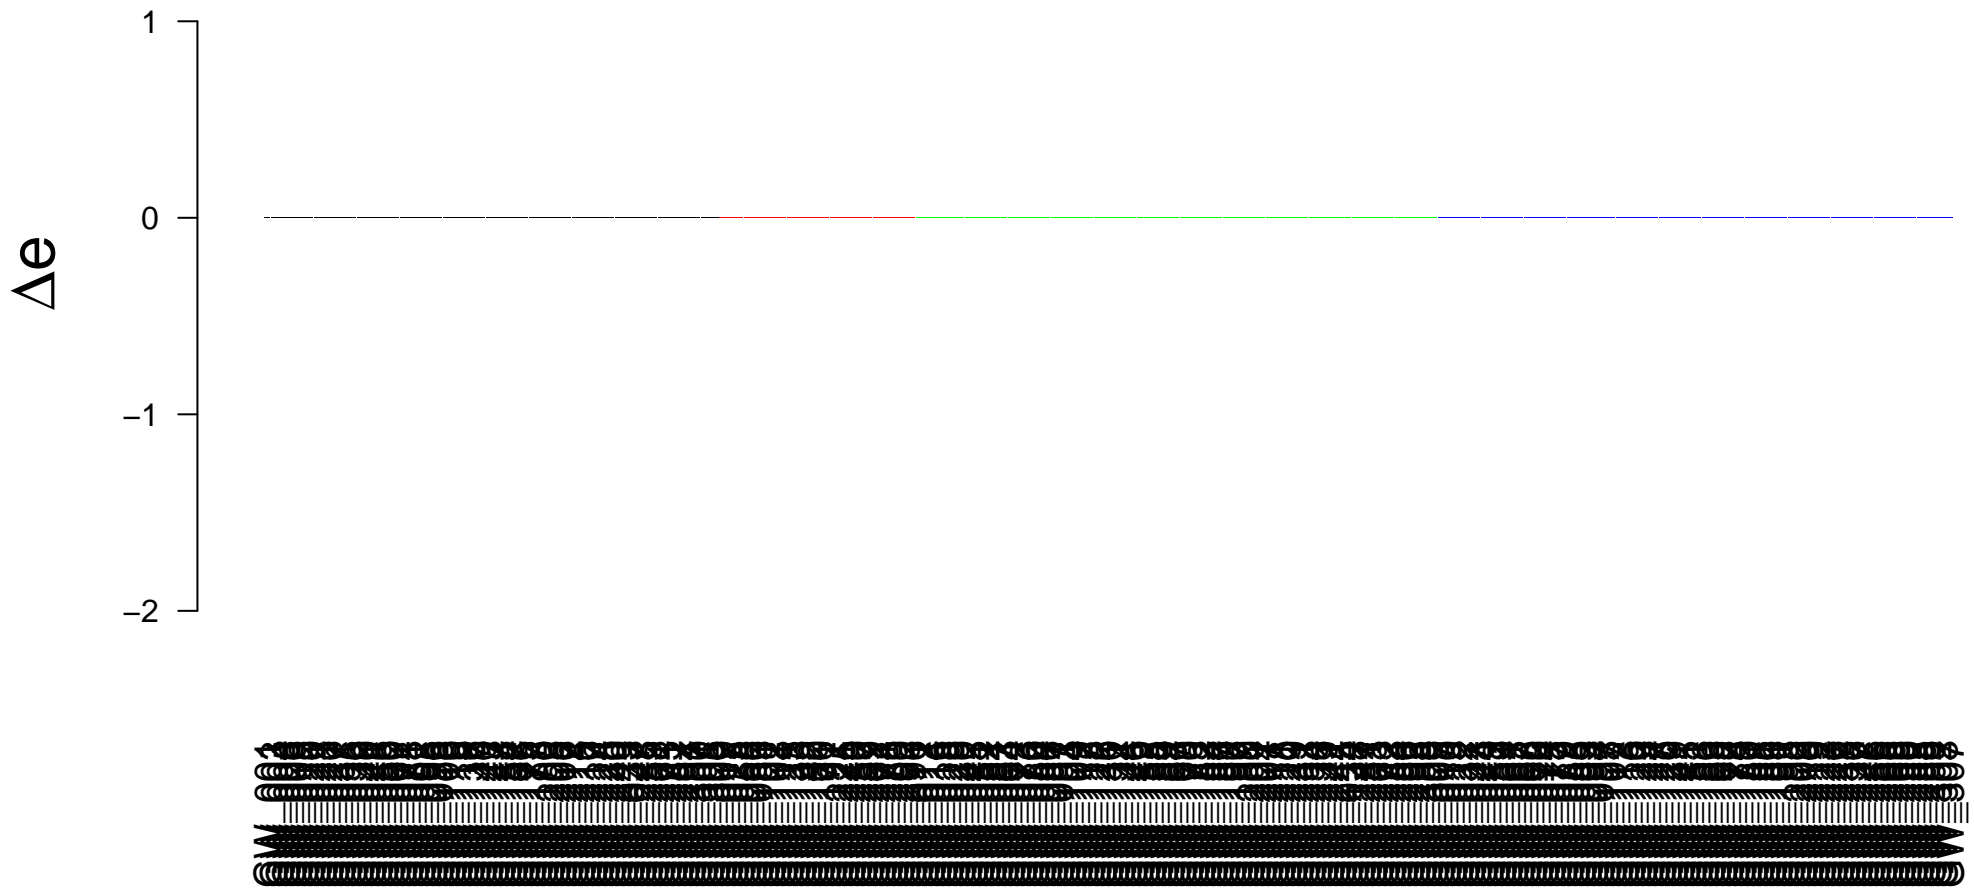

Expression of neurotransmitter biosynthetic process in Spot E

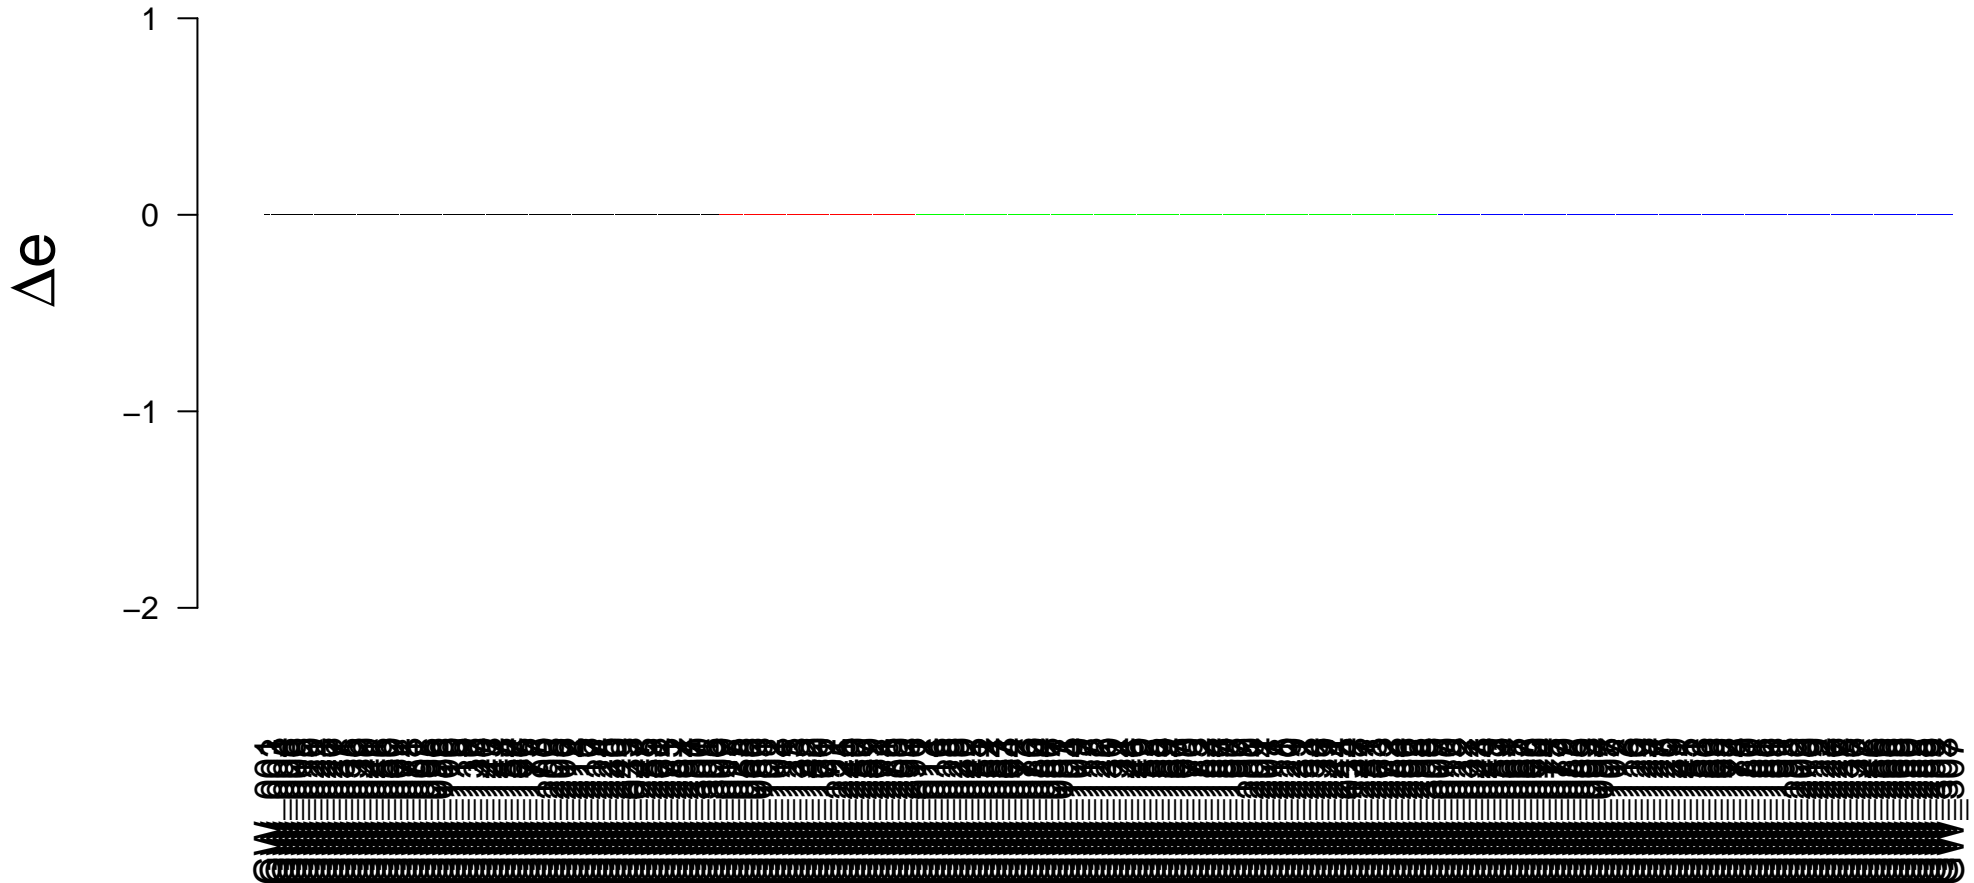

Expression of neurotransmitter biosynthetic process in Spot F

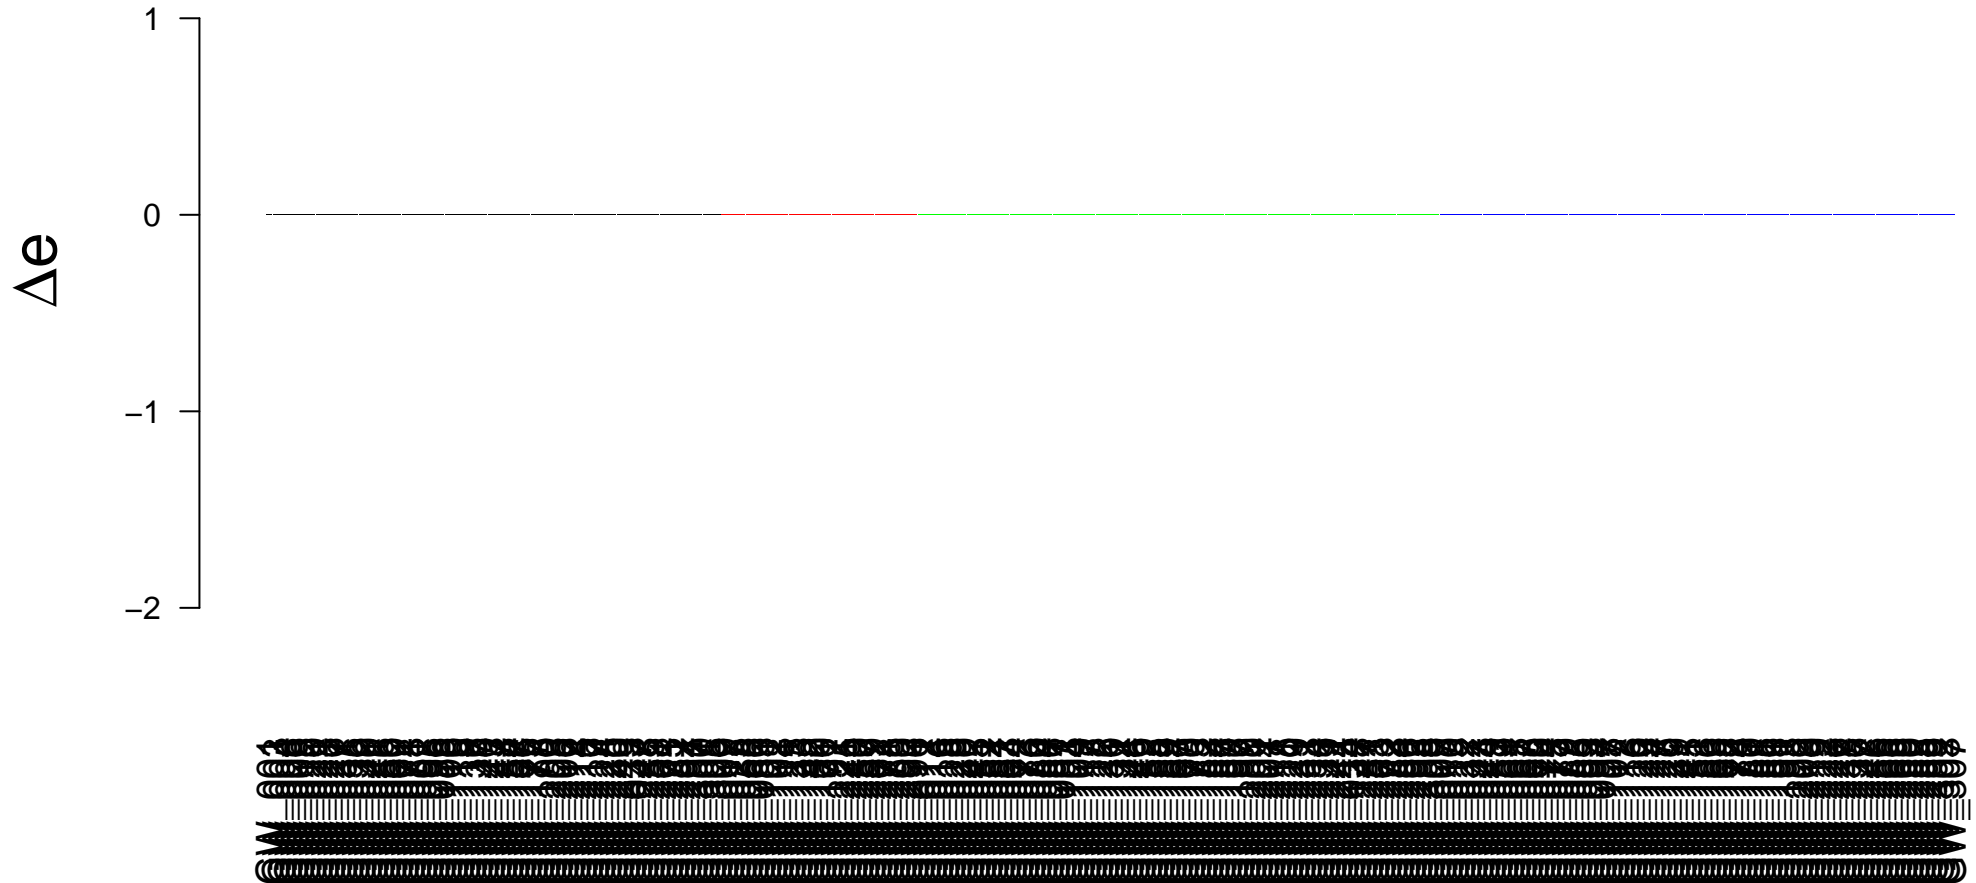

Expression of neurotransmitter biosynthetic process in Spot G

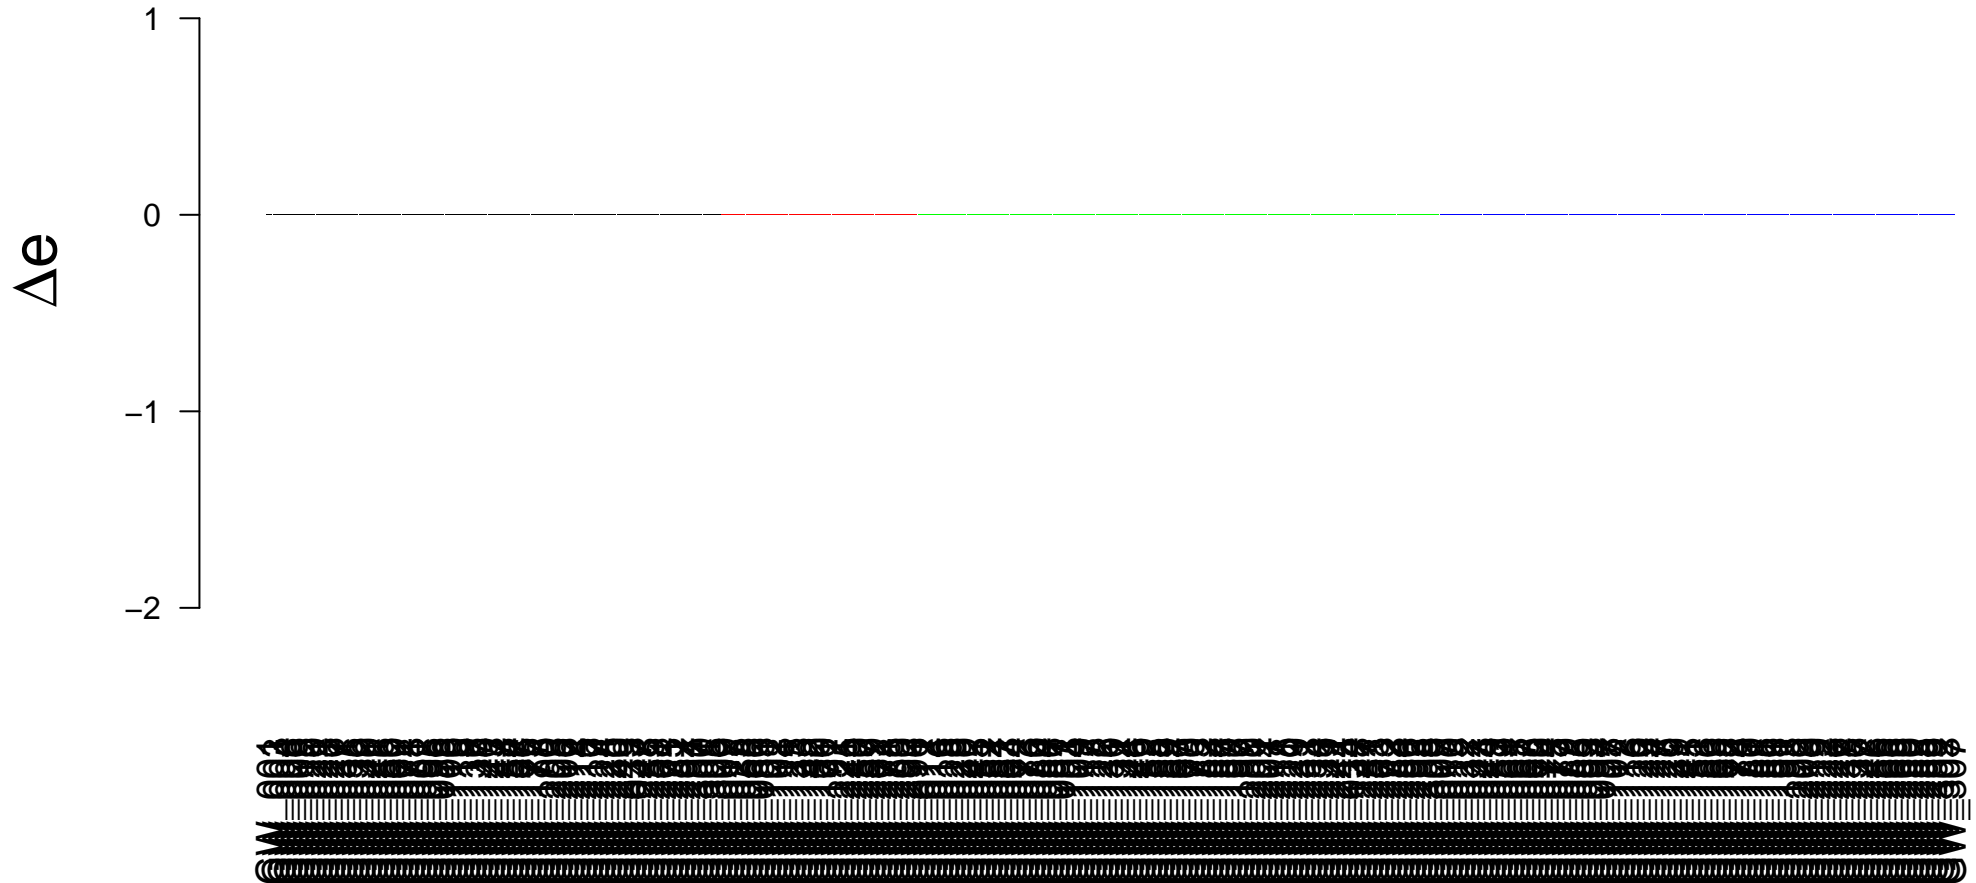

Expression of neurotransmitter biosynthetic process in Spot H

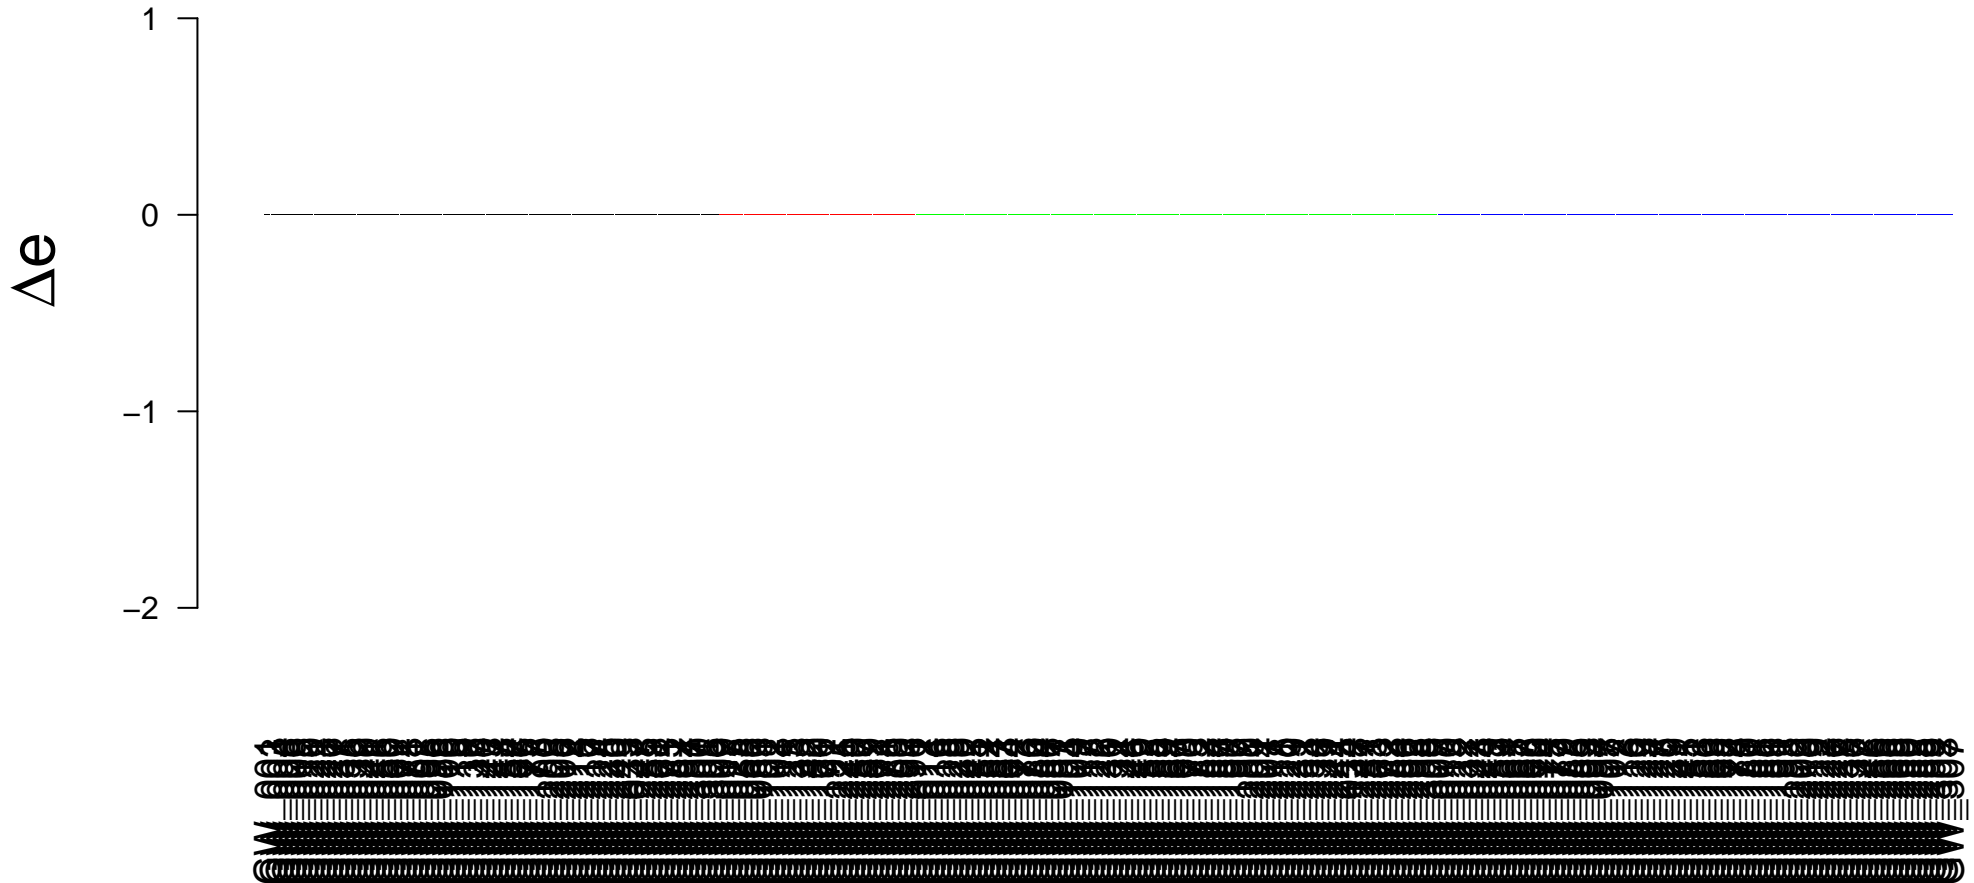

Expression of neurotransmitter biosynthetic process in Spot I

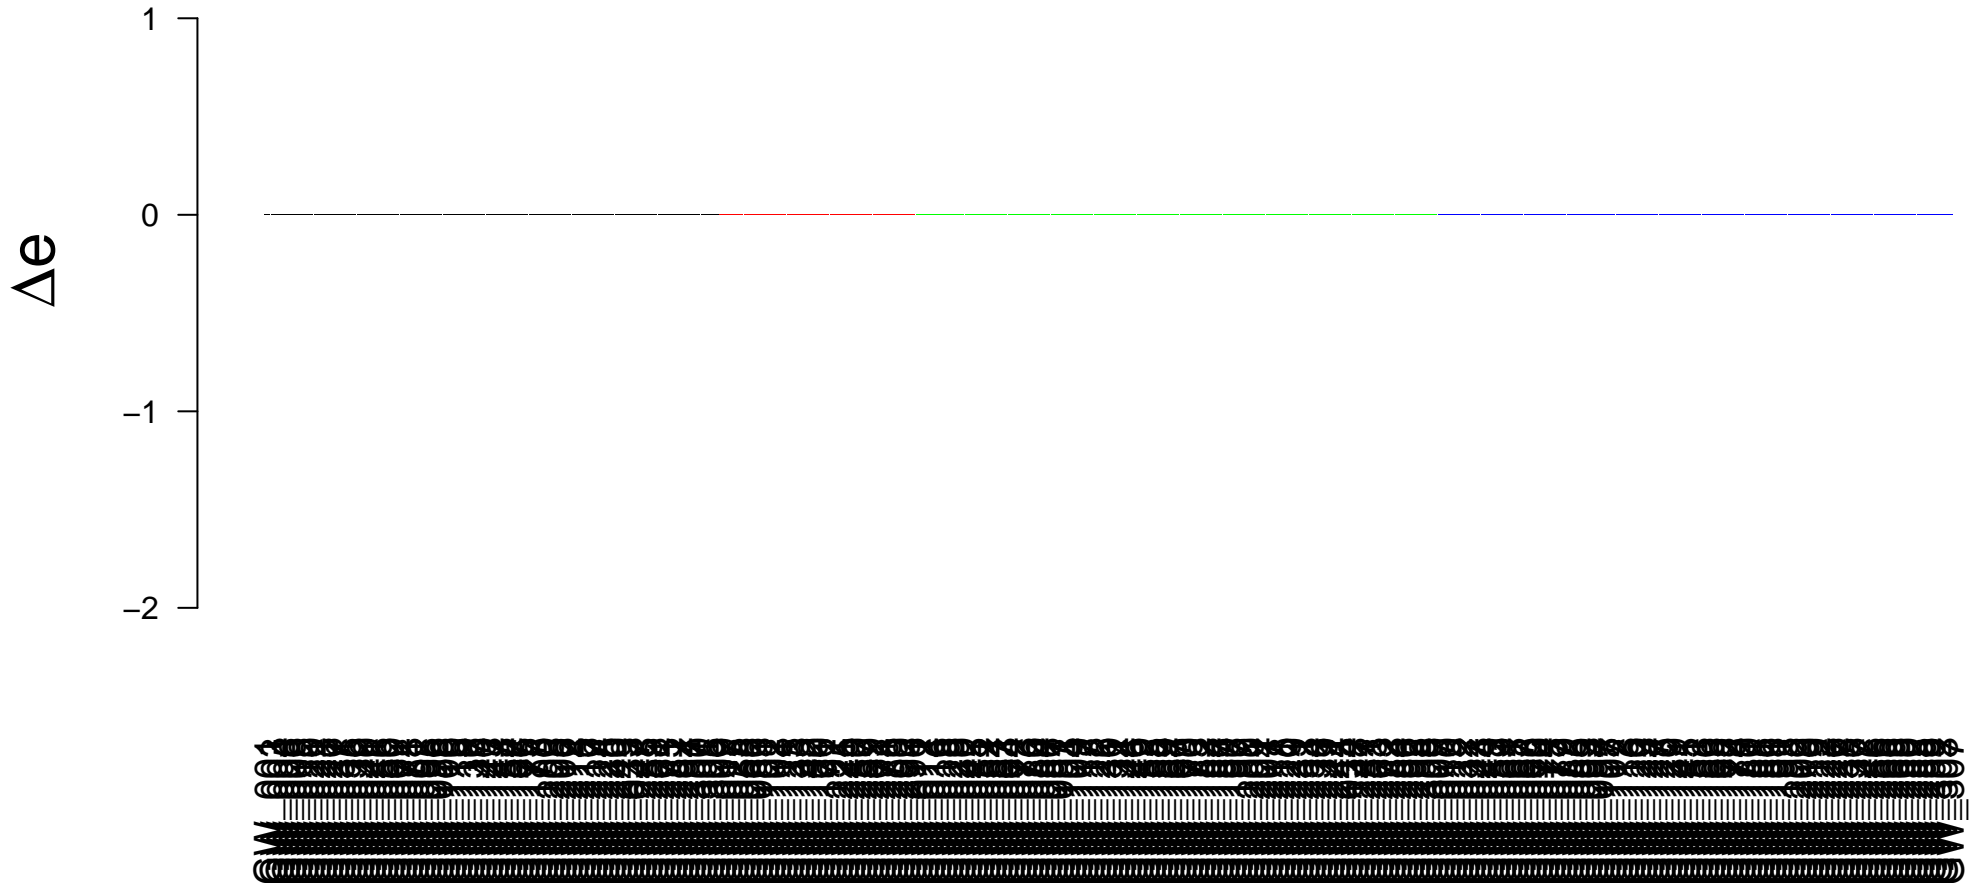

Expression of neurotransmitter biosynthetic process in Spot J

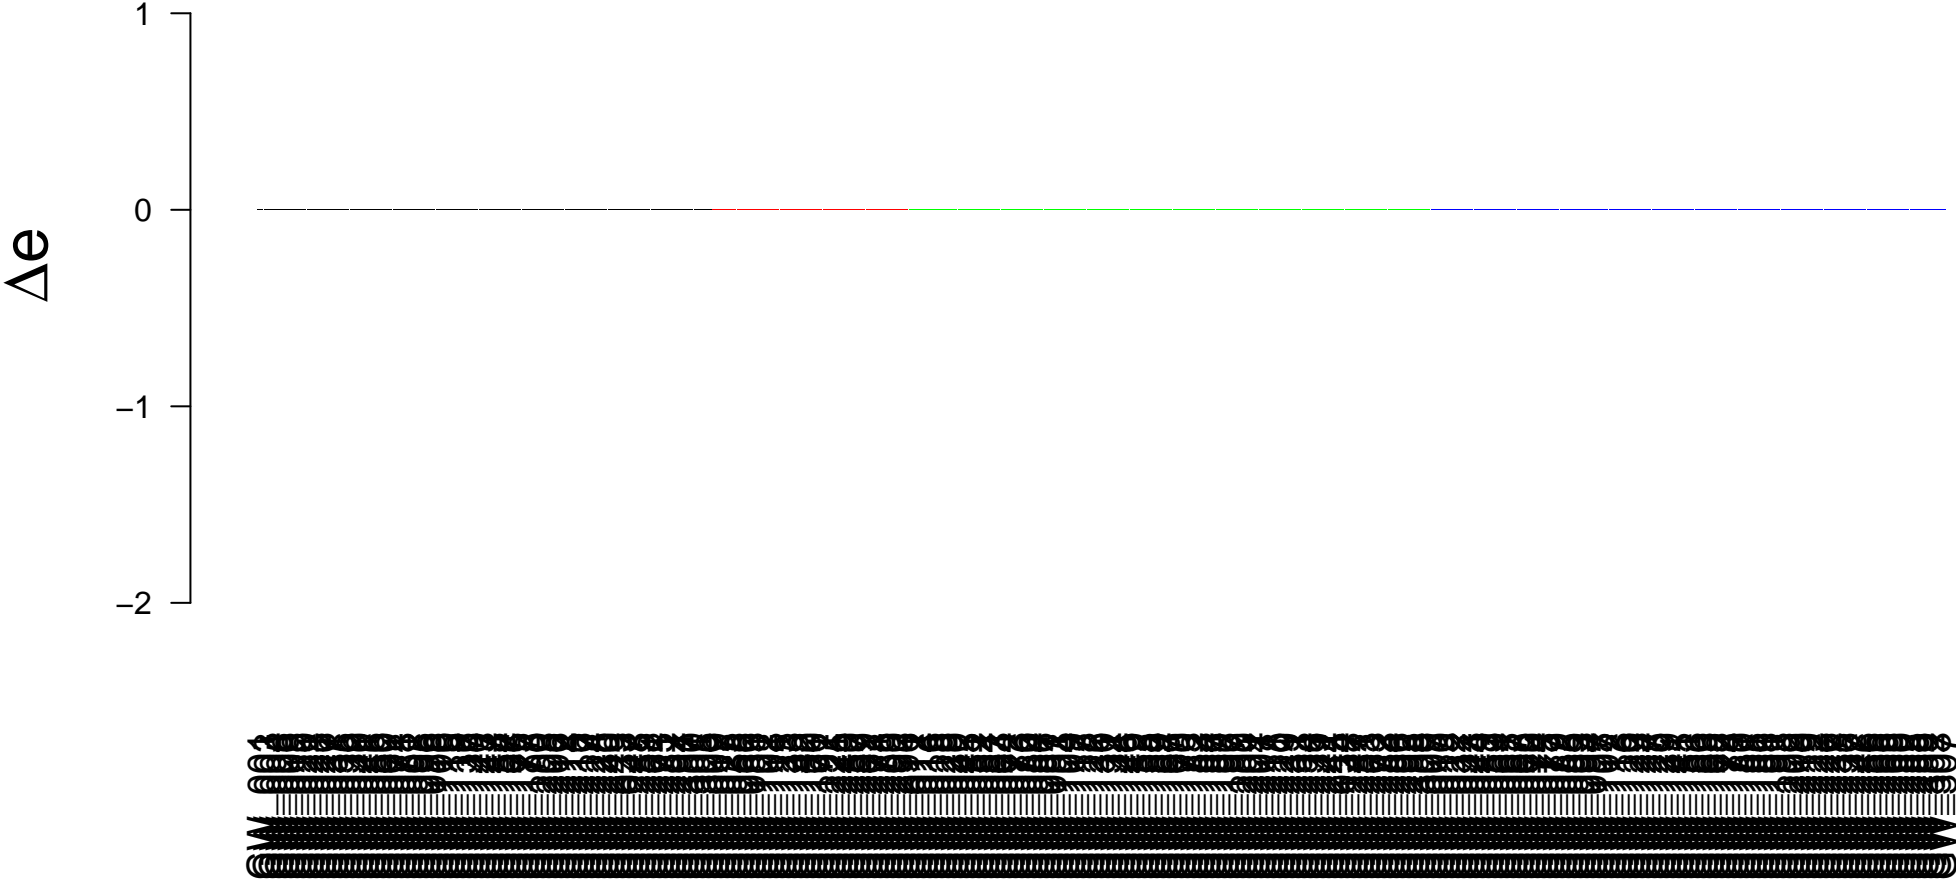

Expression of neurotransmitter biosynthetic process in Spot K

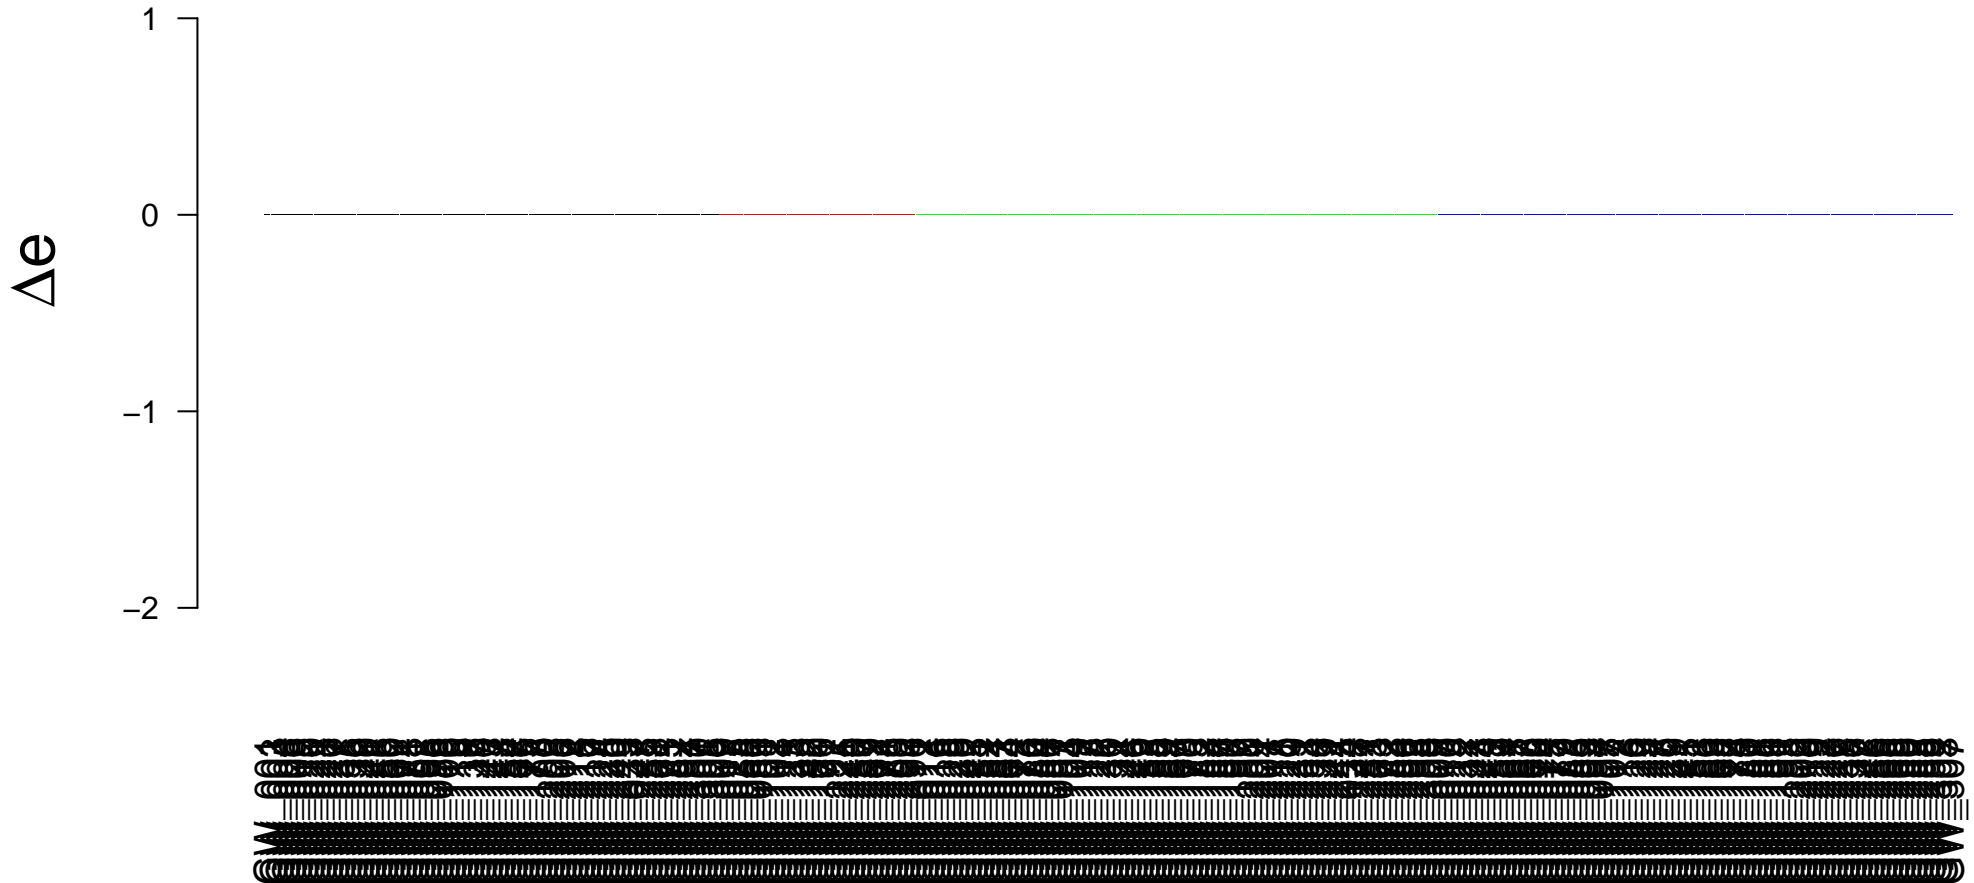

Expression of neurotransmitter biosynthetic process in Spot L

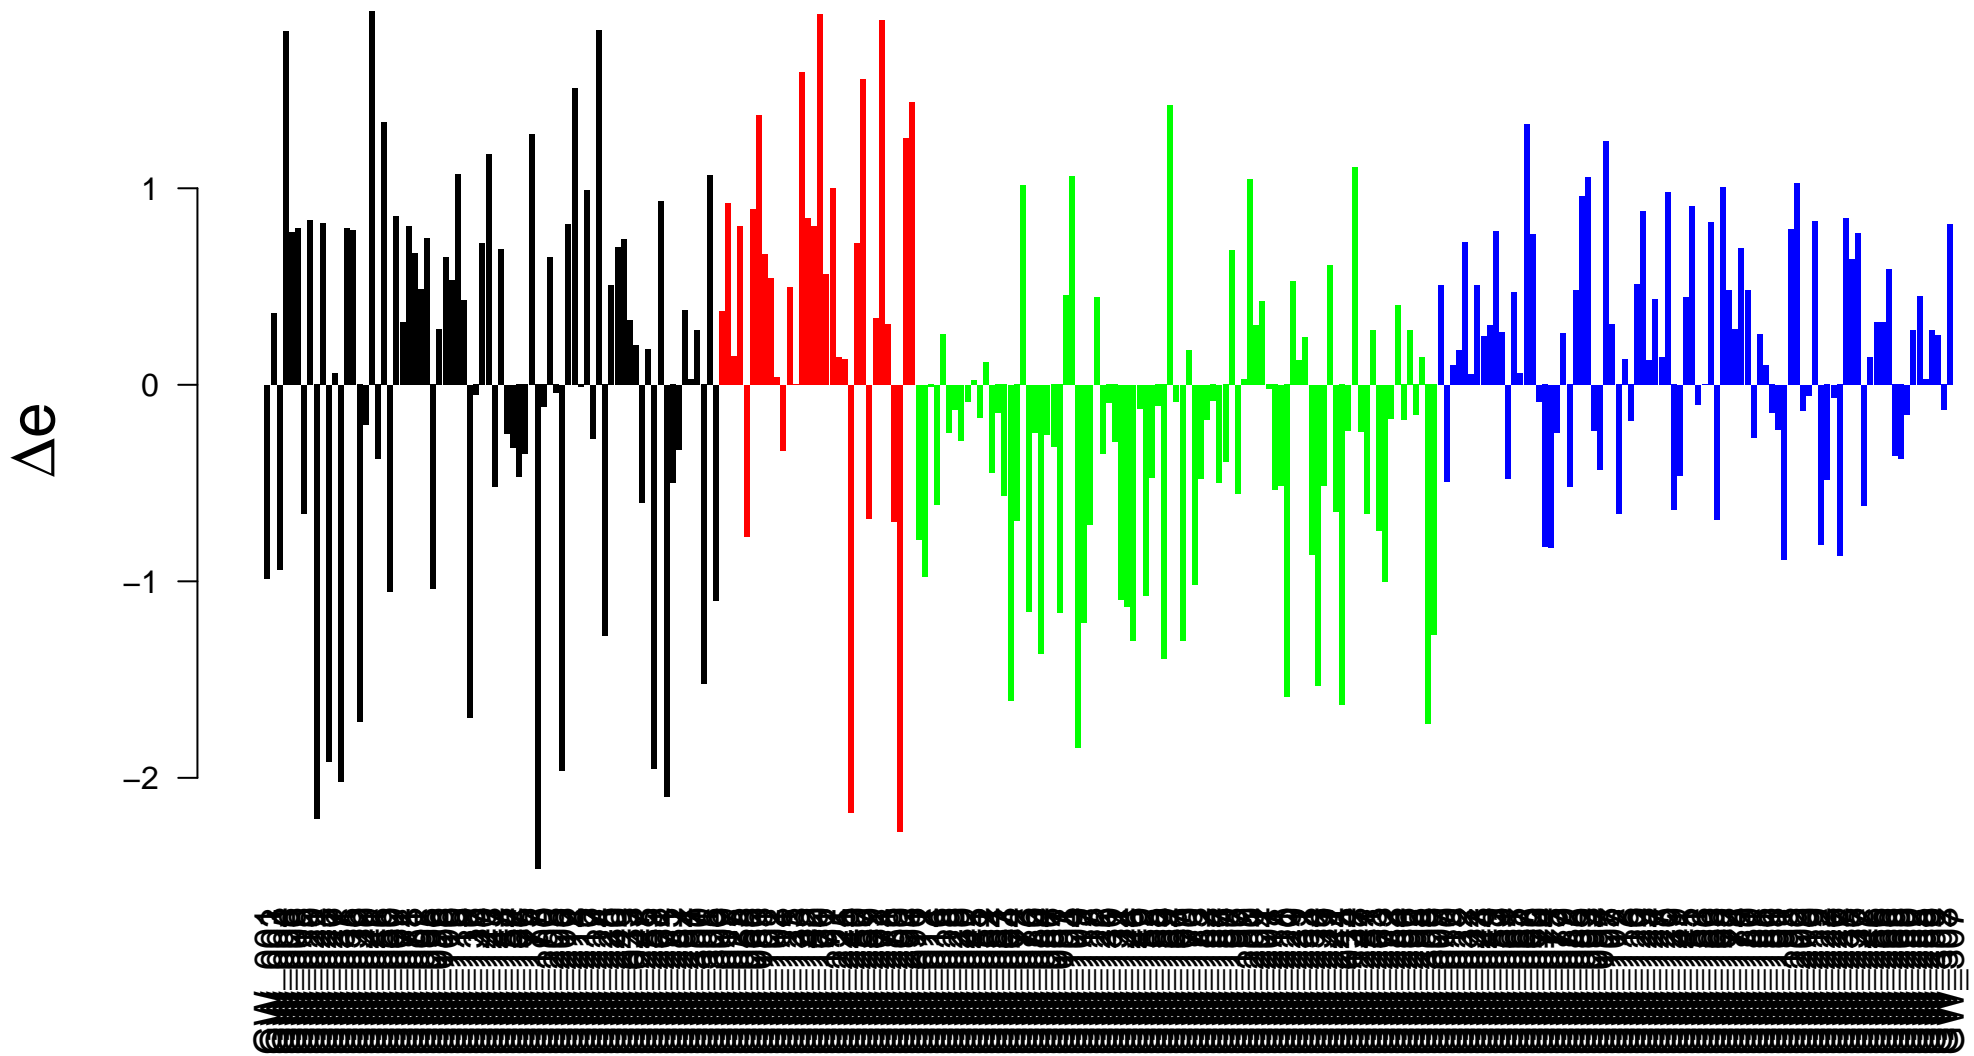

Expression of neurotransmitter biosynthetic process in Spot M

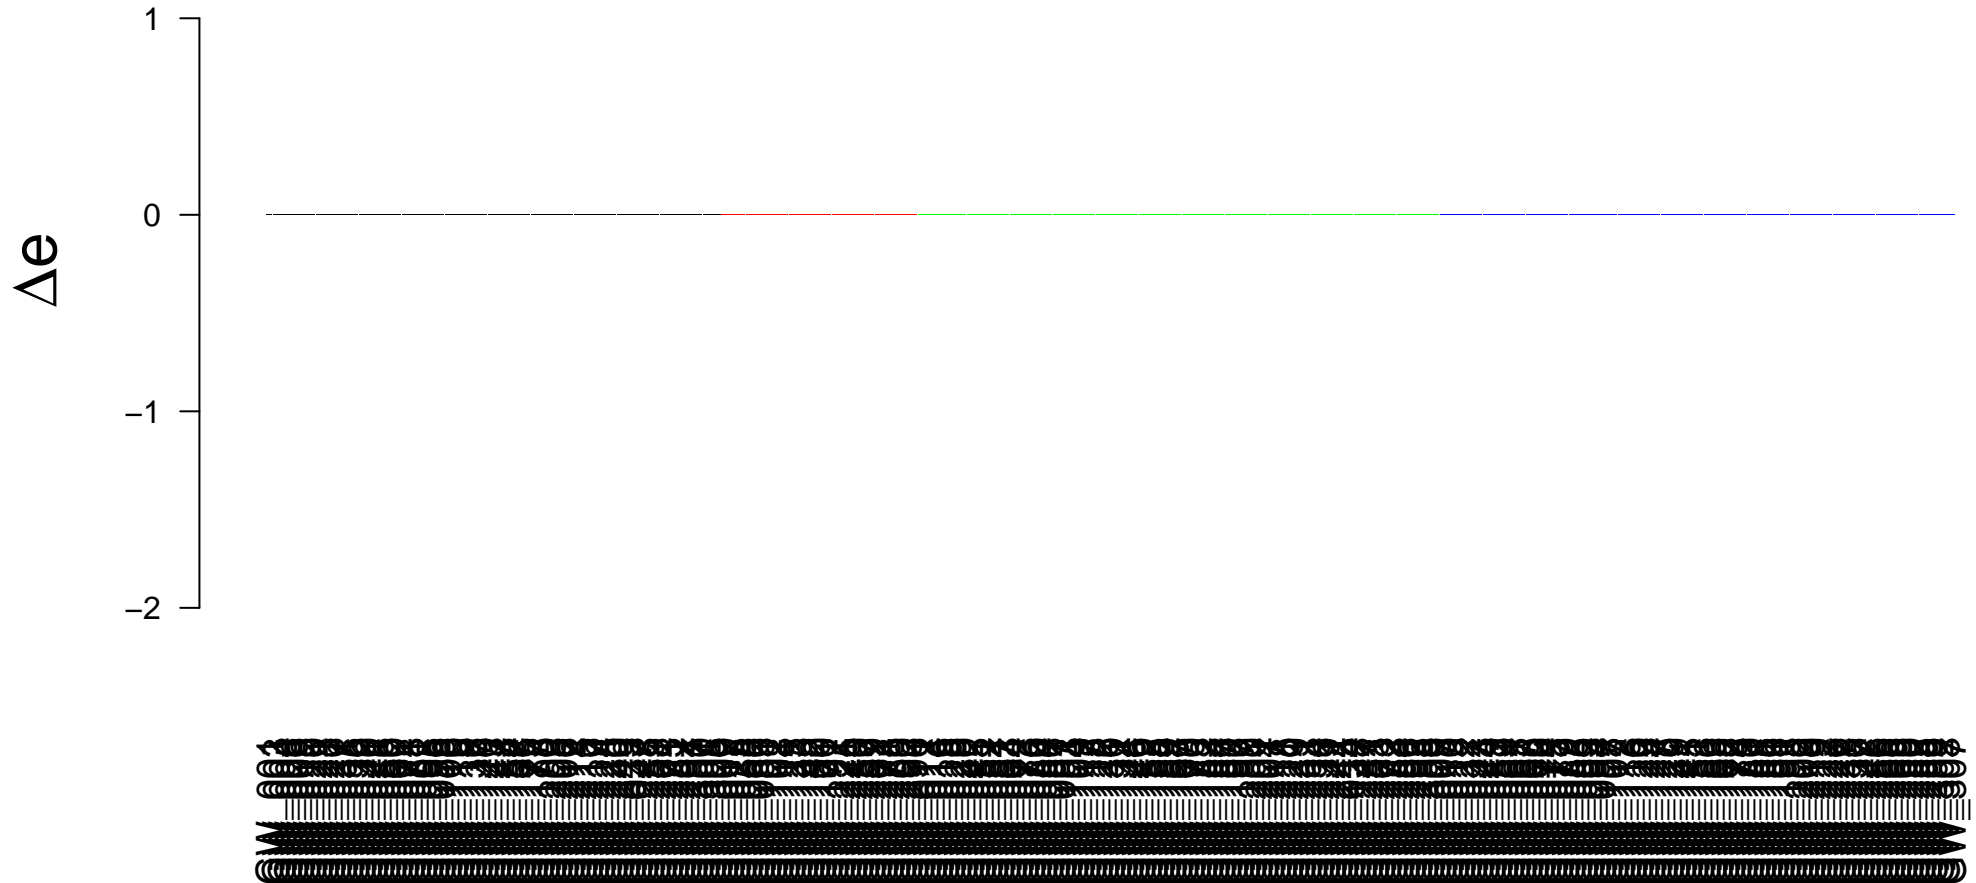

Expression of neurotransmitter biosynthetic process in Spot N

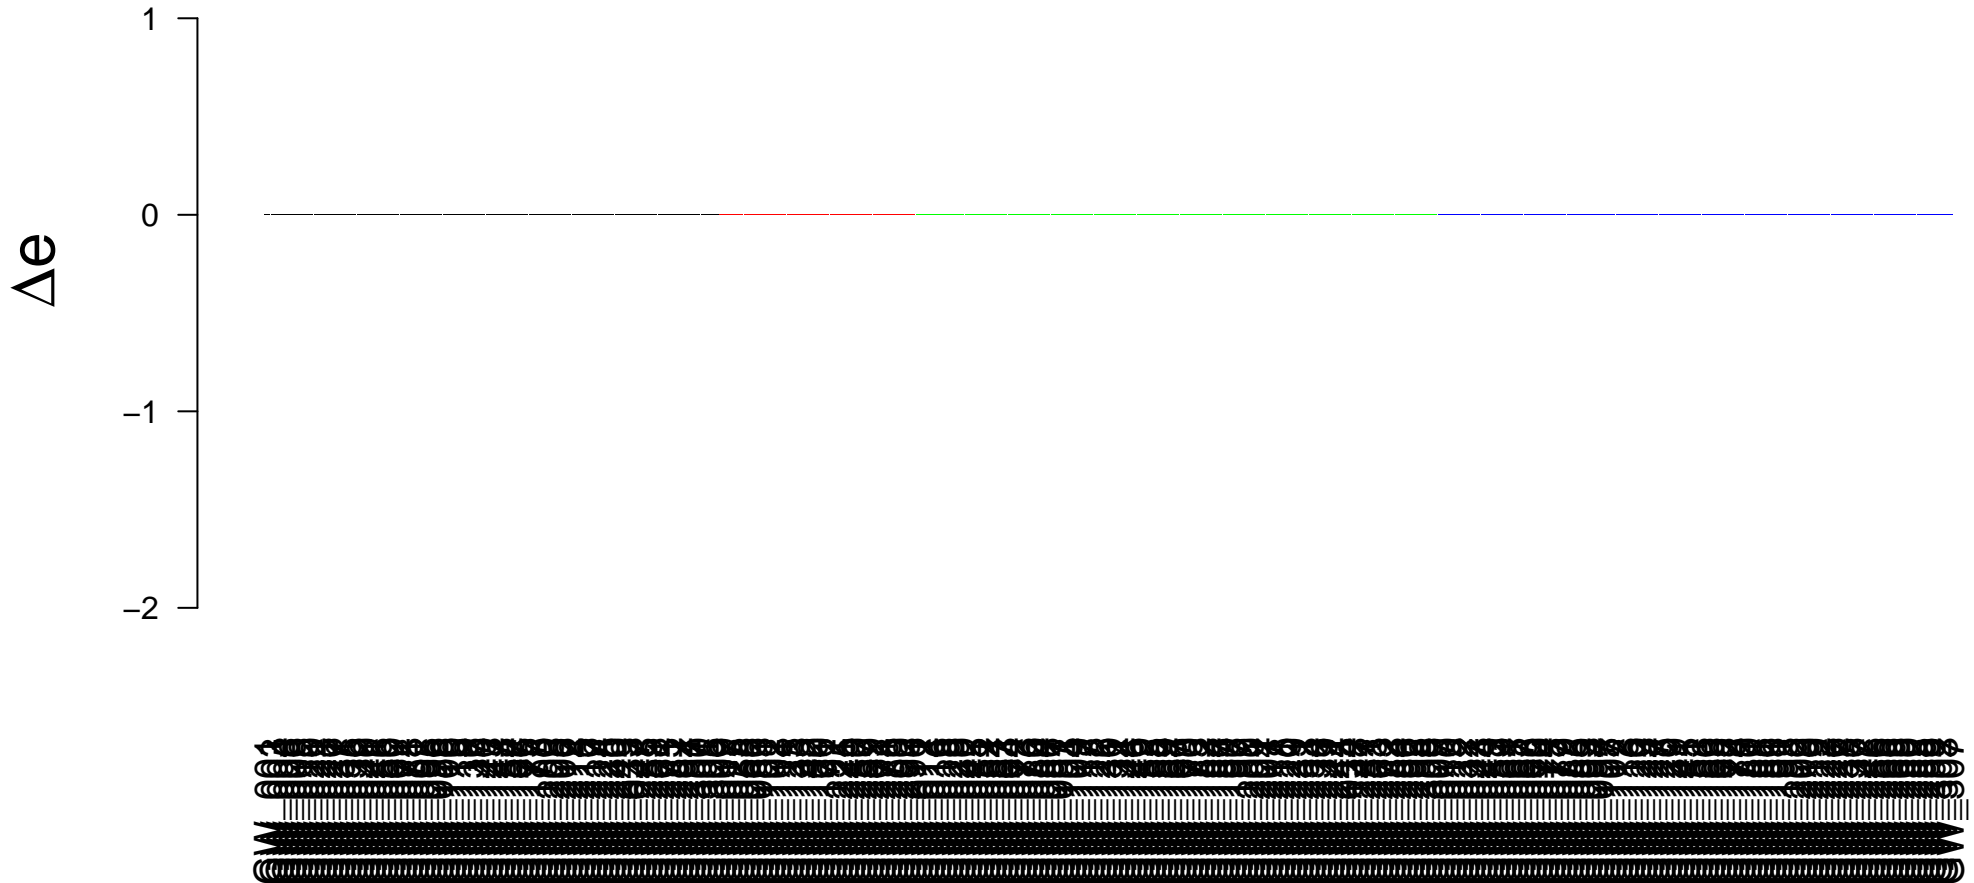

Expression of neurotransmitter biosynthetic process in Spot O

Expression of neurotransmitter biosynthetic process in Spot P

Expression of neurotransmitter biosynthetic process in Spot Q

Expression of neurotransmitter biosynthetic process in Spot R
