

neurotransmitter:sodium symporter activity

neurotransmitter:sodium symporter activity

Enrichment in spots: neurotransmitter:sodium symporter activity

Expression of neurotransmitter:sodium symporter activity in Spot A

Expression of neurotransmitter:sodium symporter activity in Spot B

Expression of neurotransmitter:sodium symporter activity in Spot C

Expression of neurotransmitter:sodium symporter activity in Spot D

Expression of neurotransmitter:sodium symporter activity in Spot E

Expression of neurotransmitter:sodium symporter activity in Spot F

Expression of neurotransmitter:sodium symporter activity in Spot G

Expression of neurotransmitter:sodium symporter activity in Spot H

Expression of neurotransmitter:sodium symporter activity in Spot I

Expression of neurotransmitter:sodium symporter activity in Spot J

Expression of neurotransmitter:sodium symporter activity in Spot K

Expression of neurotransmitter:sodium symporter activity in Spot L

Expression of neurotransmitter:sodium symporter activity in Spot M
