

nuclear chromosome, telomeric region

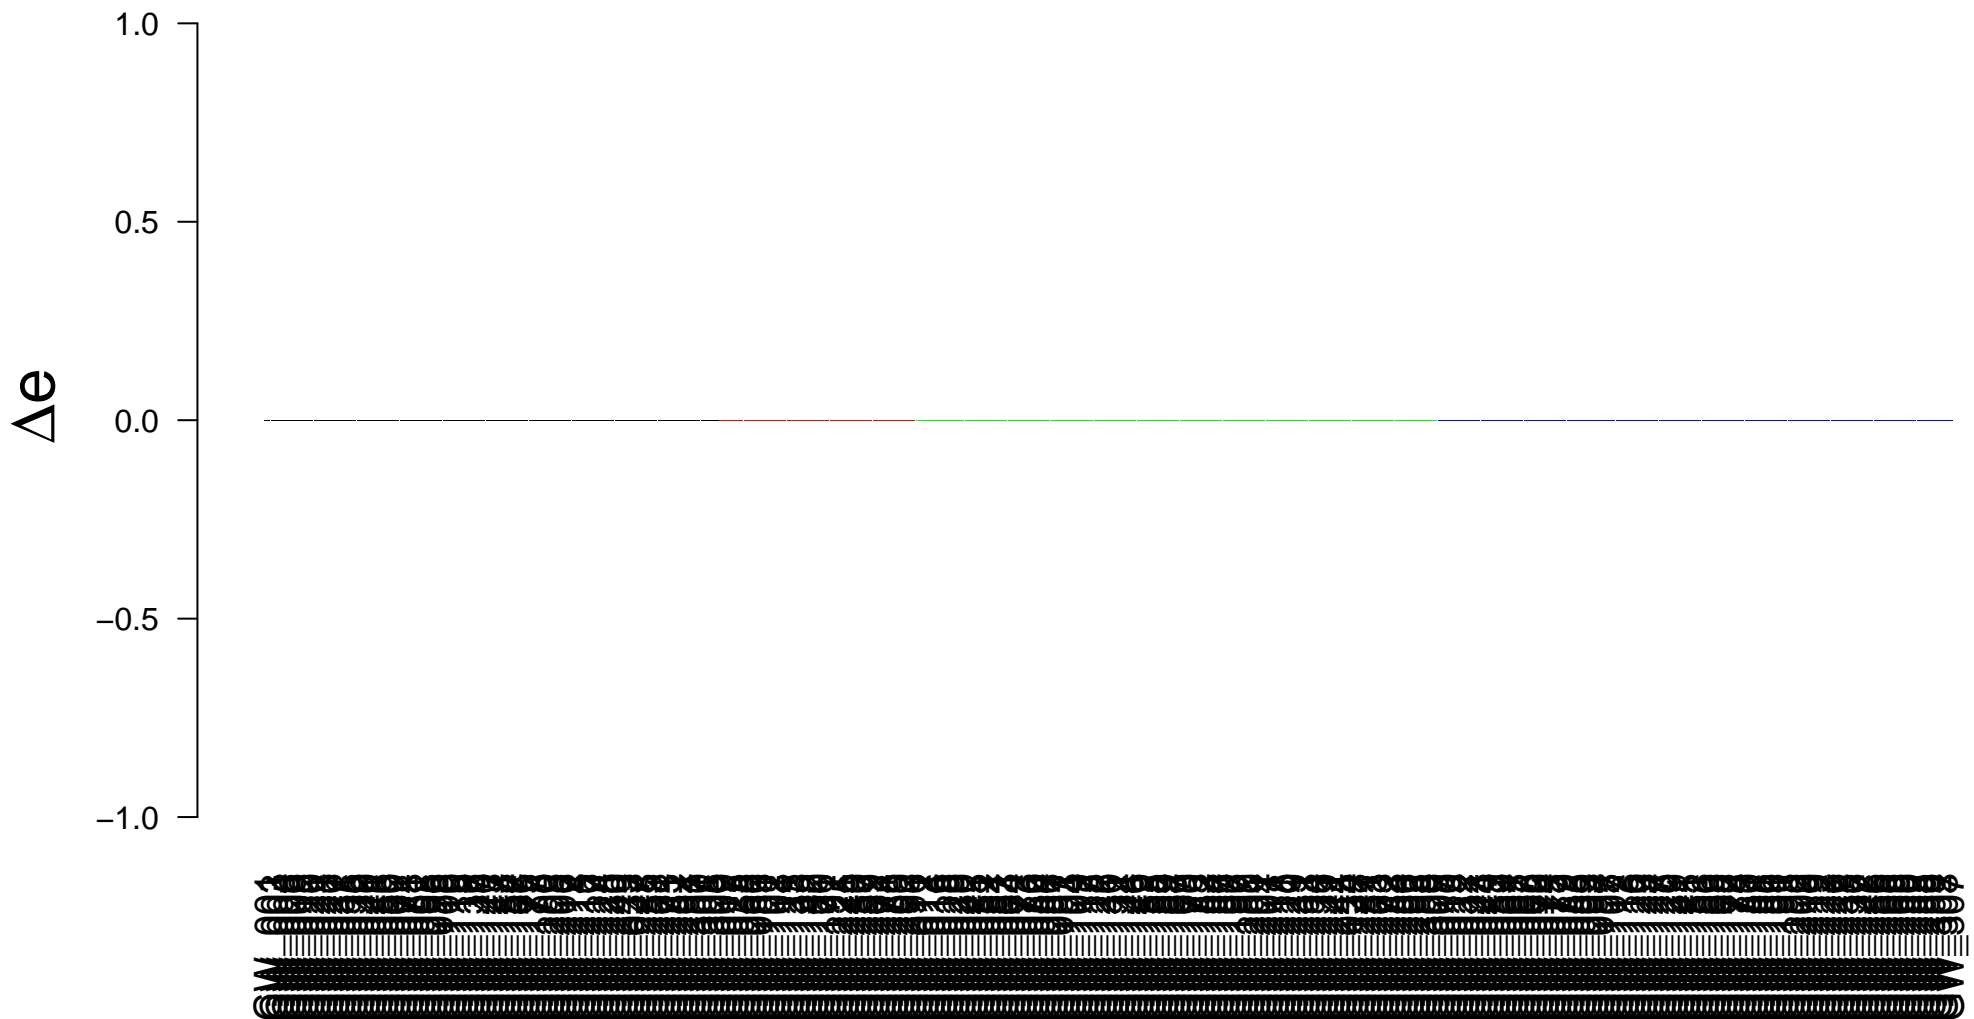

nuclear chromosome, telomeric region

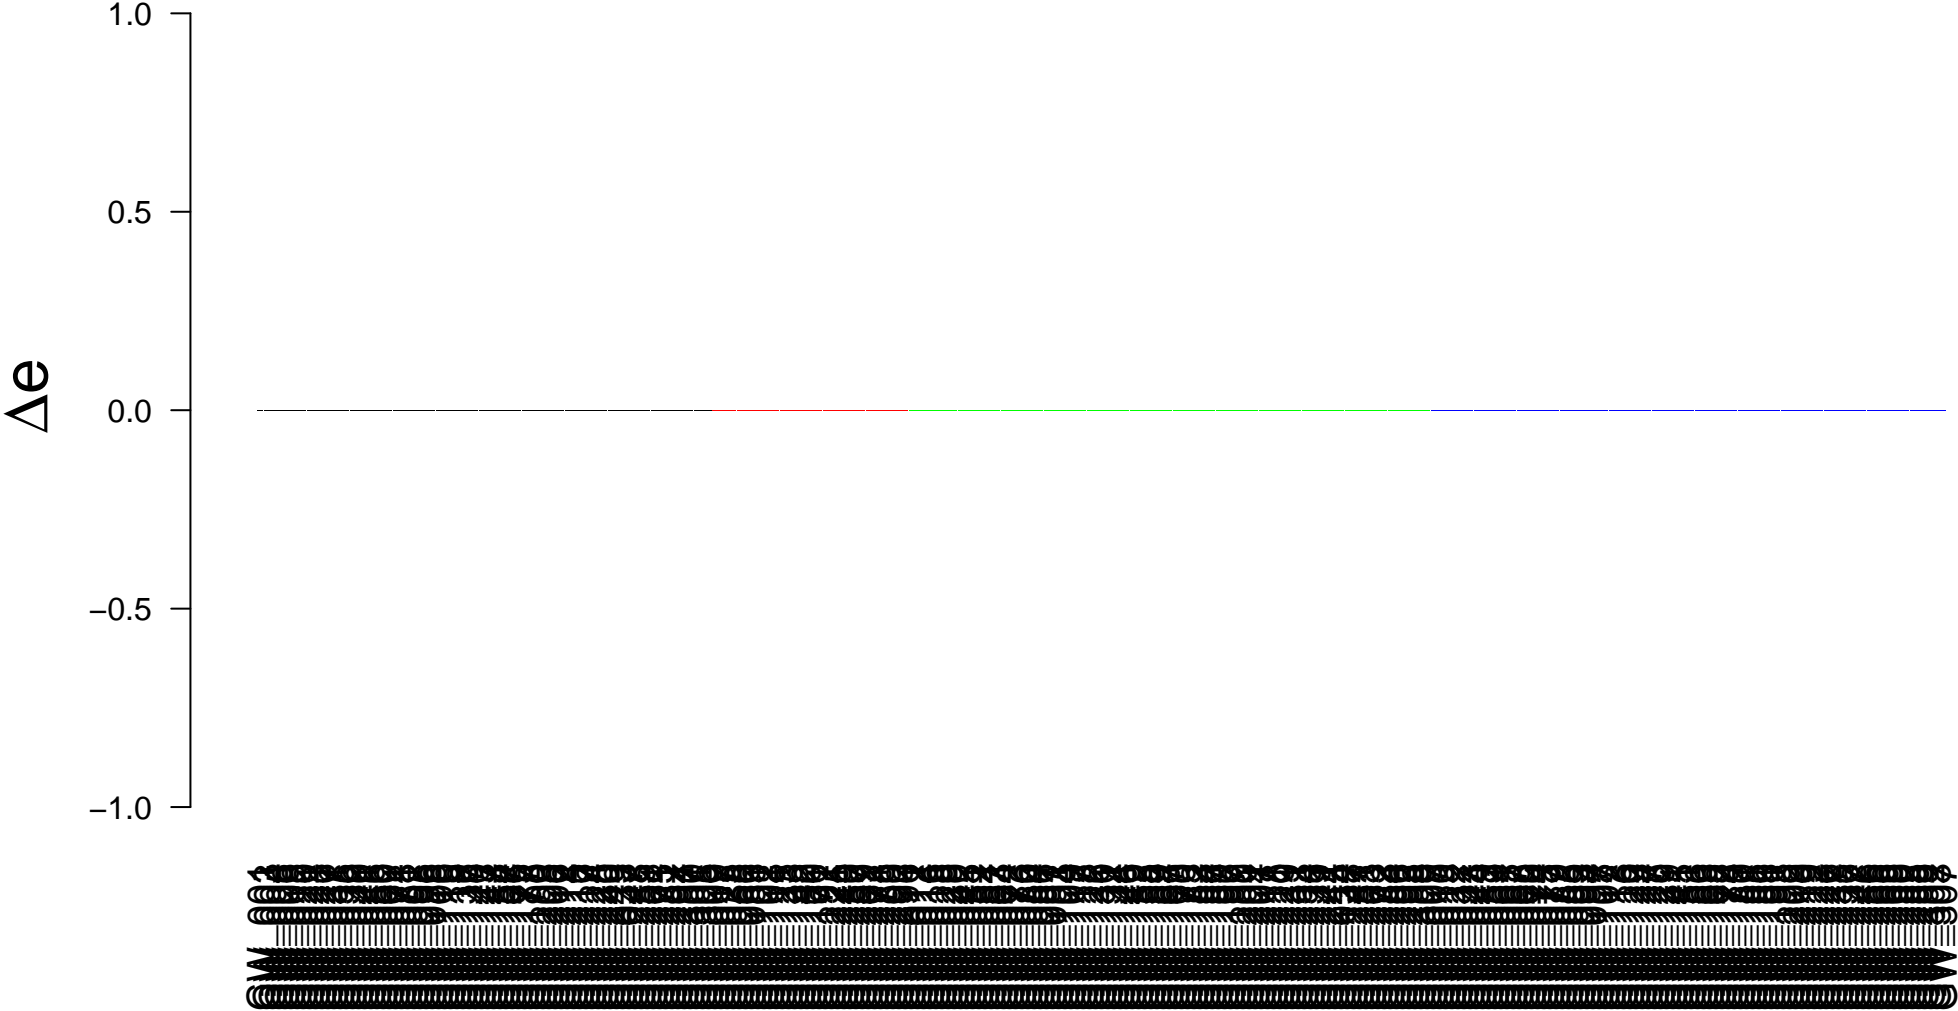

Enrichment in spots: nuclear chromosome, telomeric region

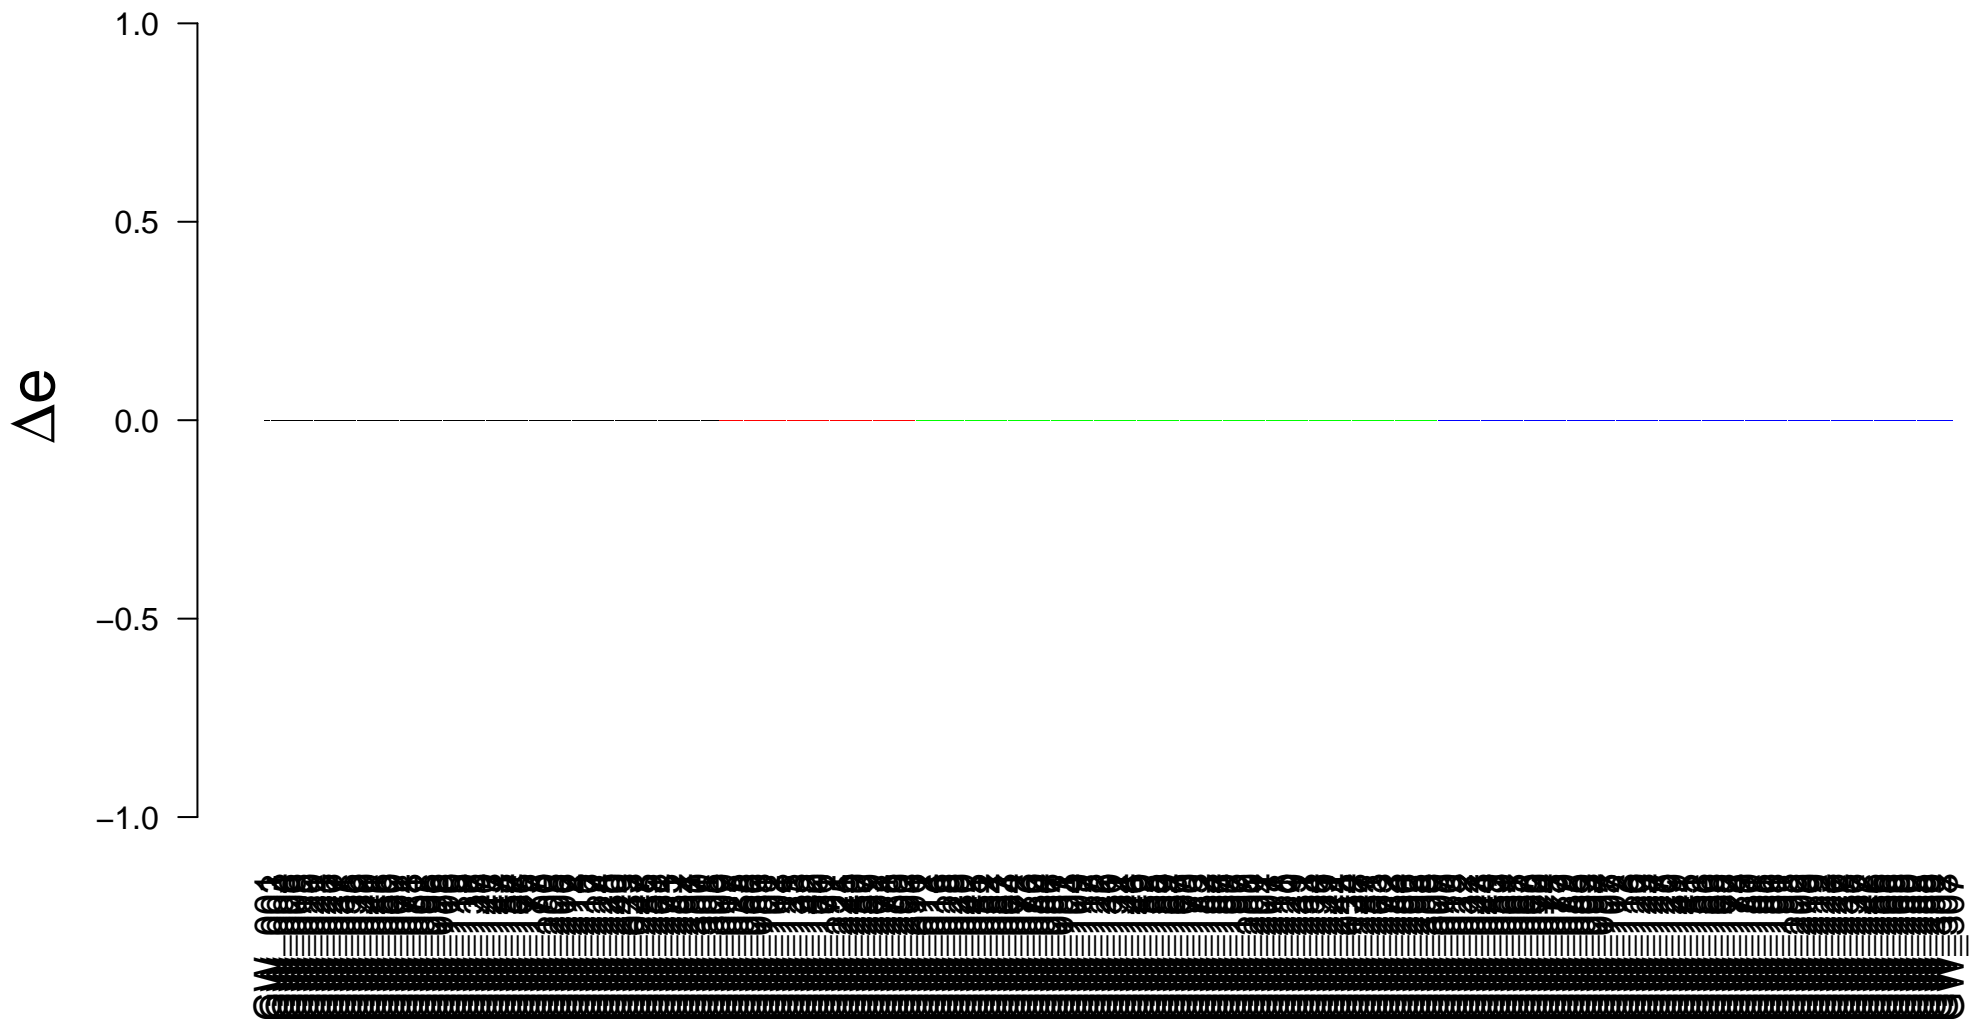

Expression of nuclear chromosome, telomeric region in Spot A

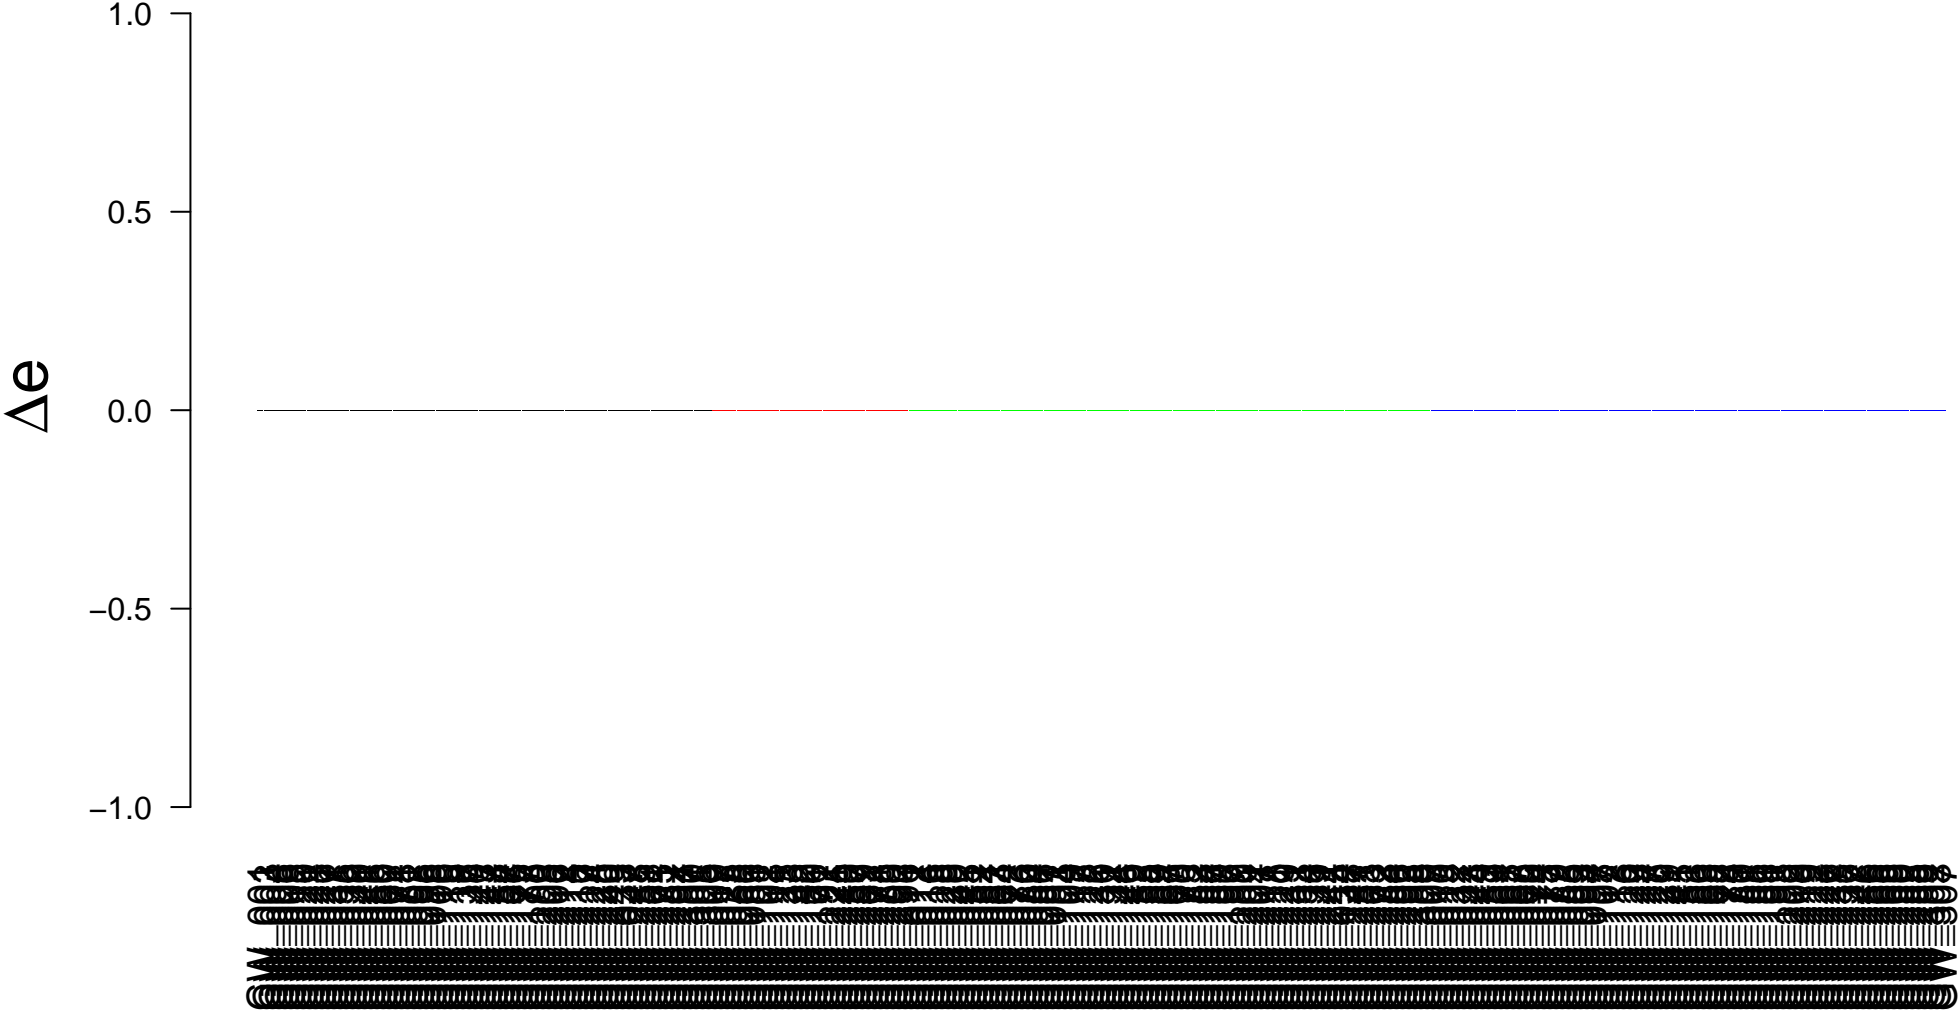

Expression of nuclear chromosome, telomeric region in Spot B

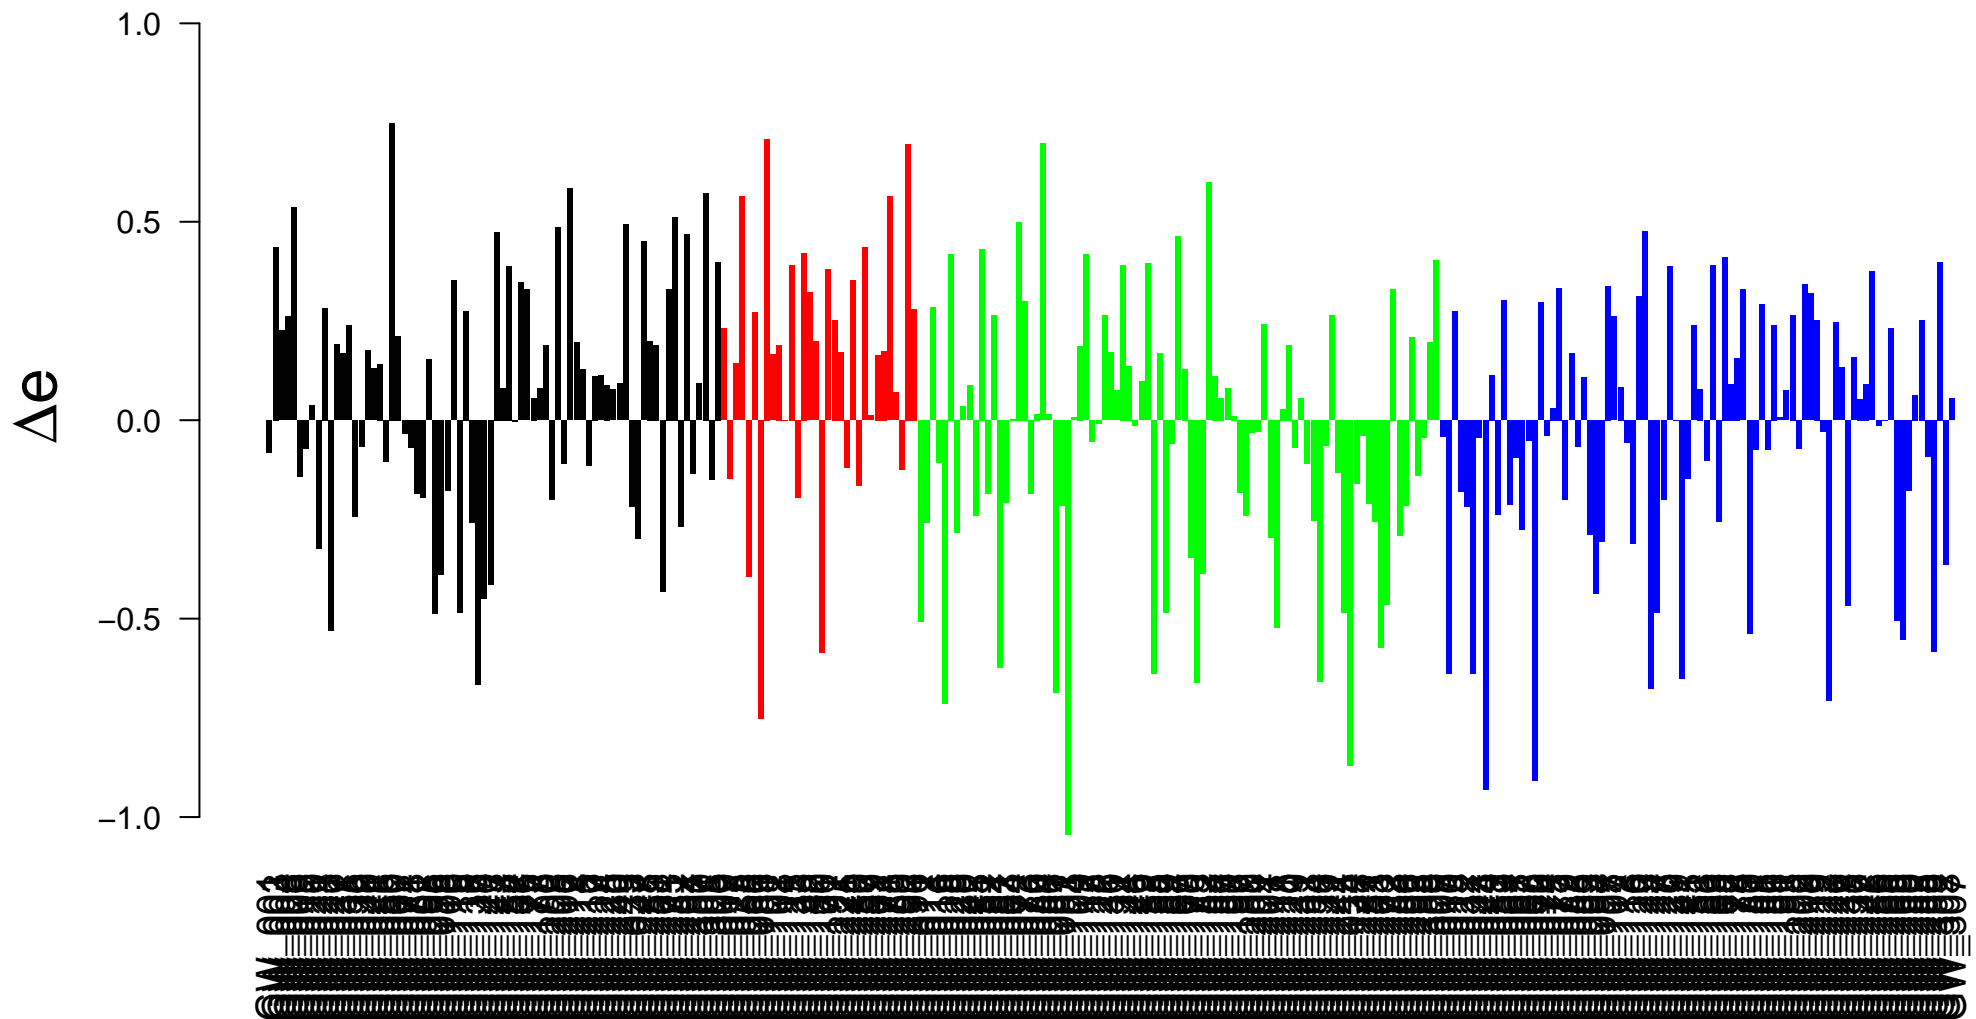

Expression of nuclear chromosome, telomeric region in Spot C

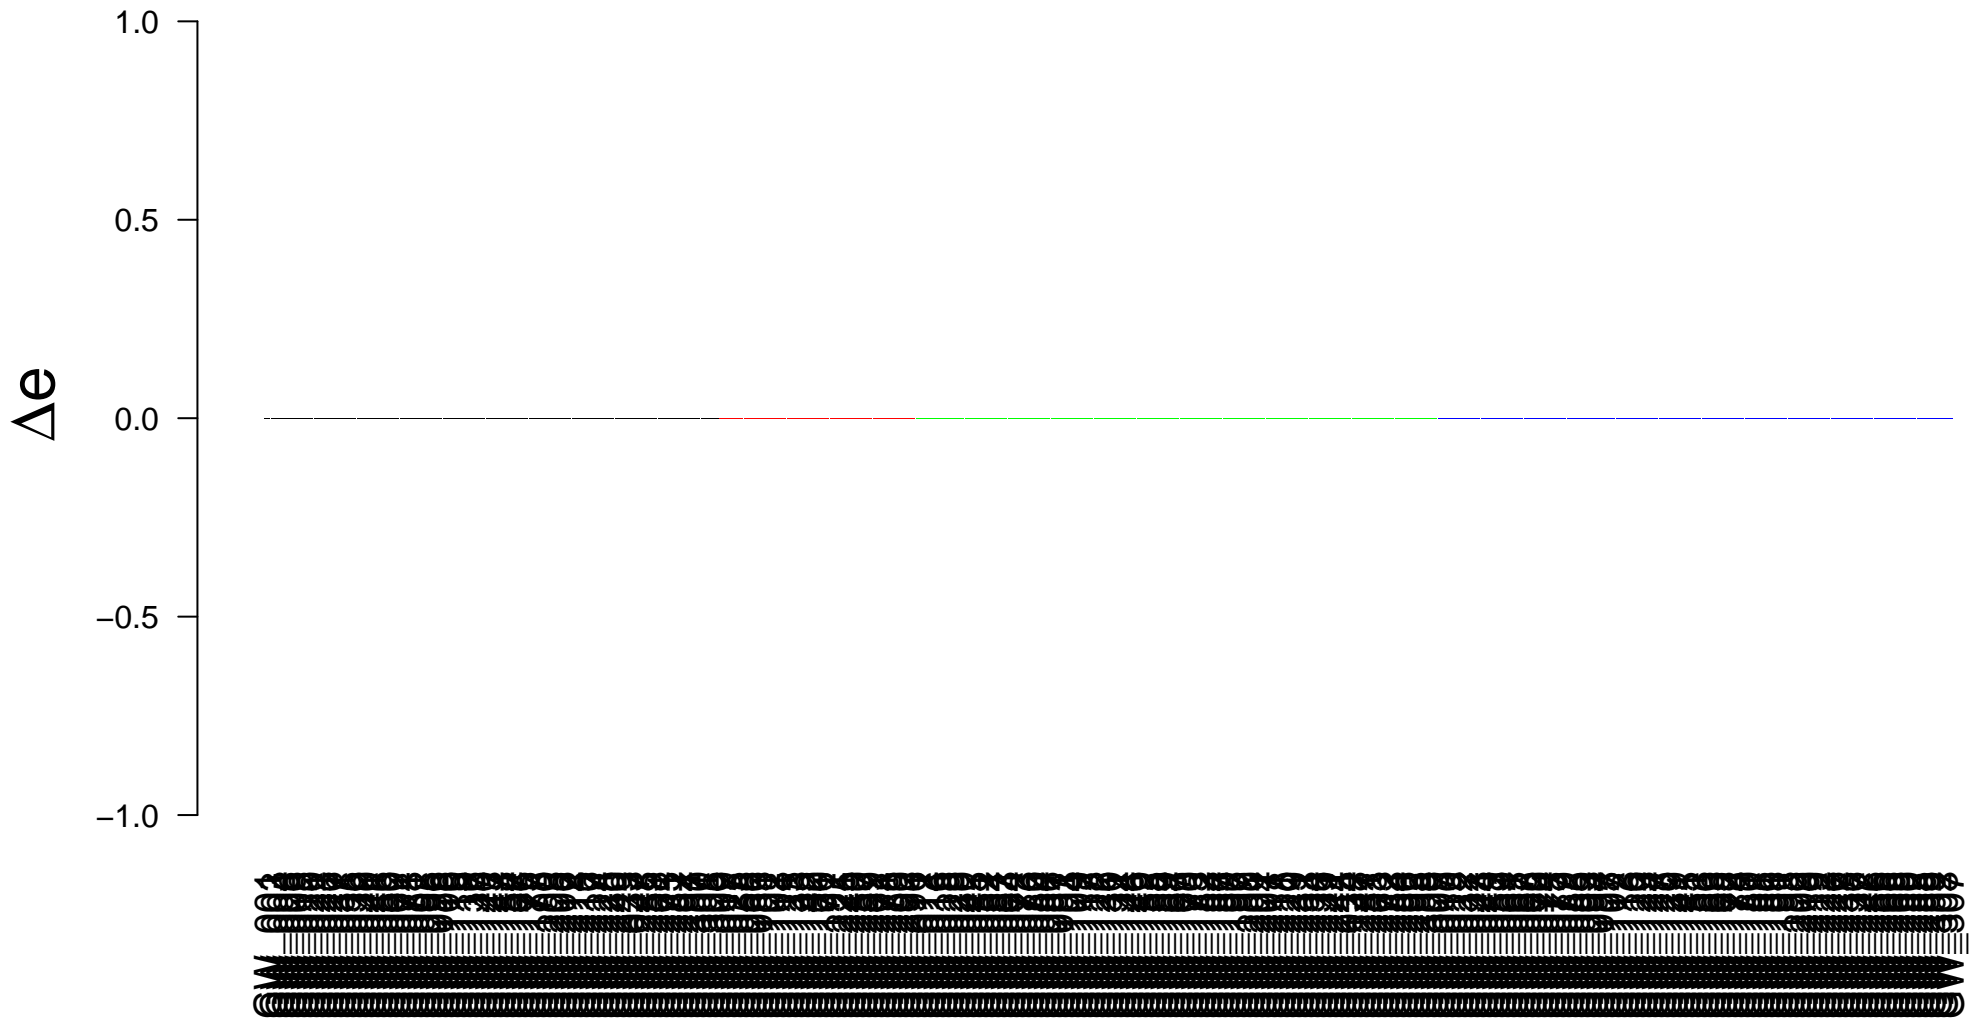

Expression of nuclear chromosome, telomeric region in Spot D

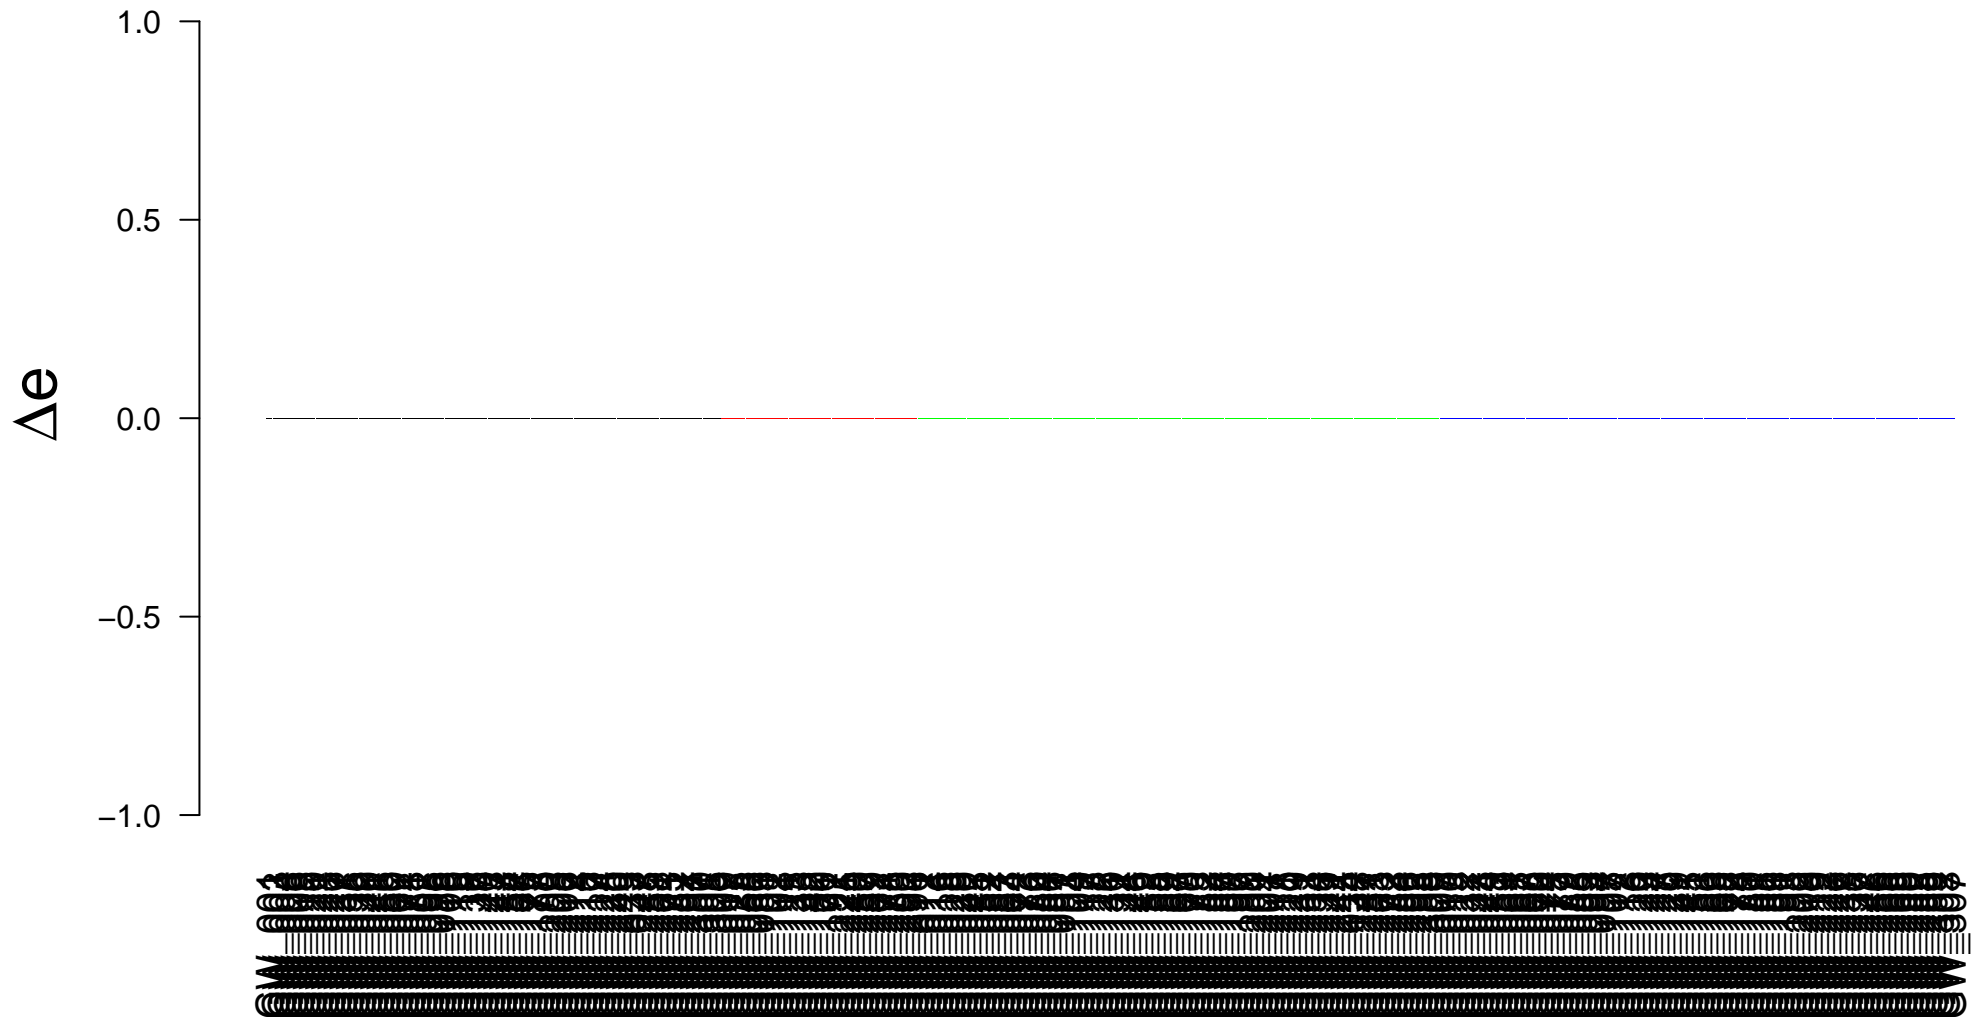

Expression of nuclear chromosome, telomeric region in Spot E

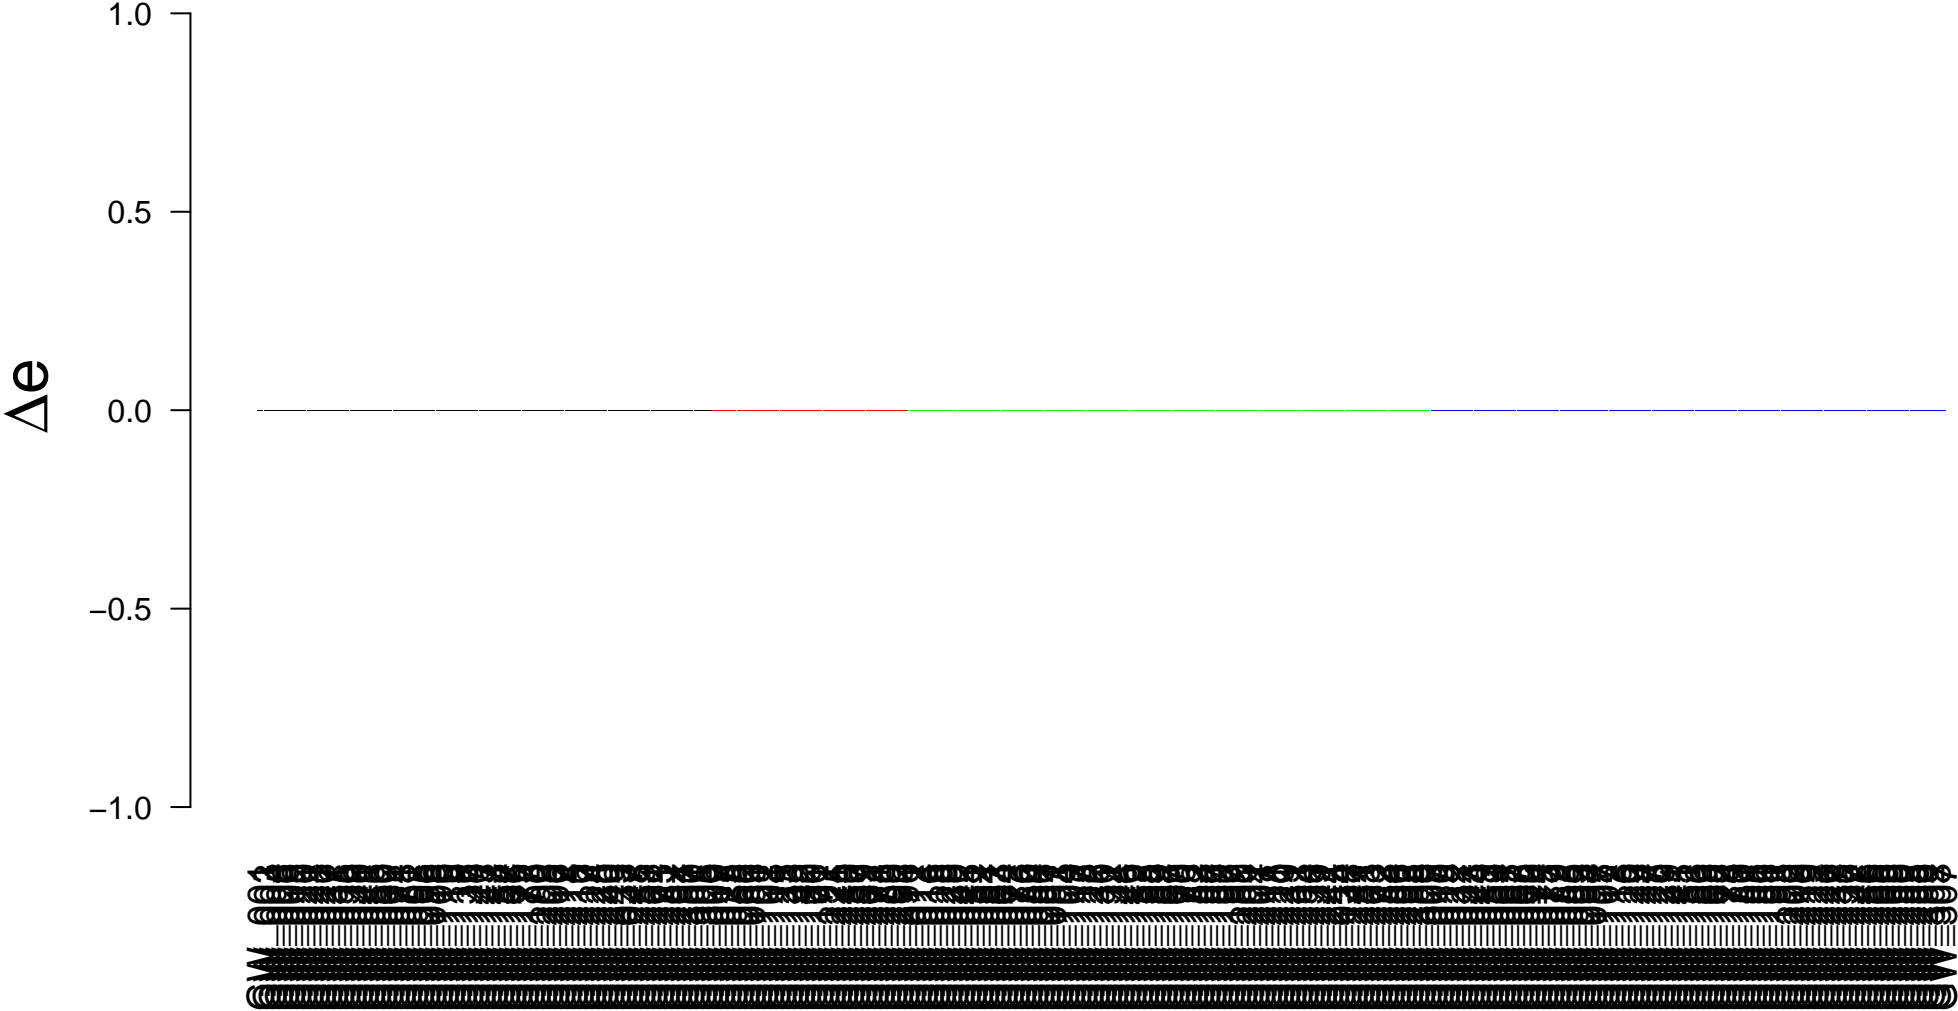

Expression of nuclear chromosome, telomeric region in Spot F

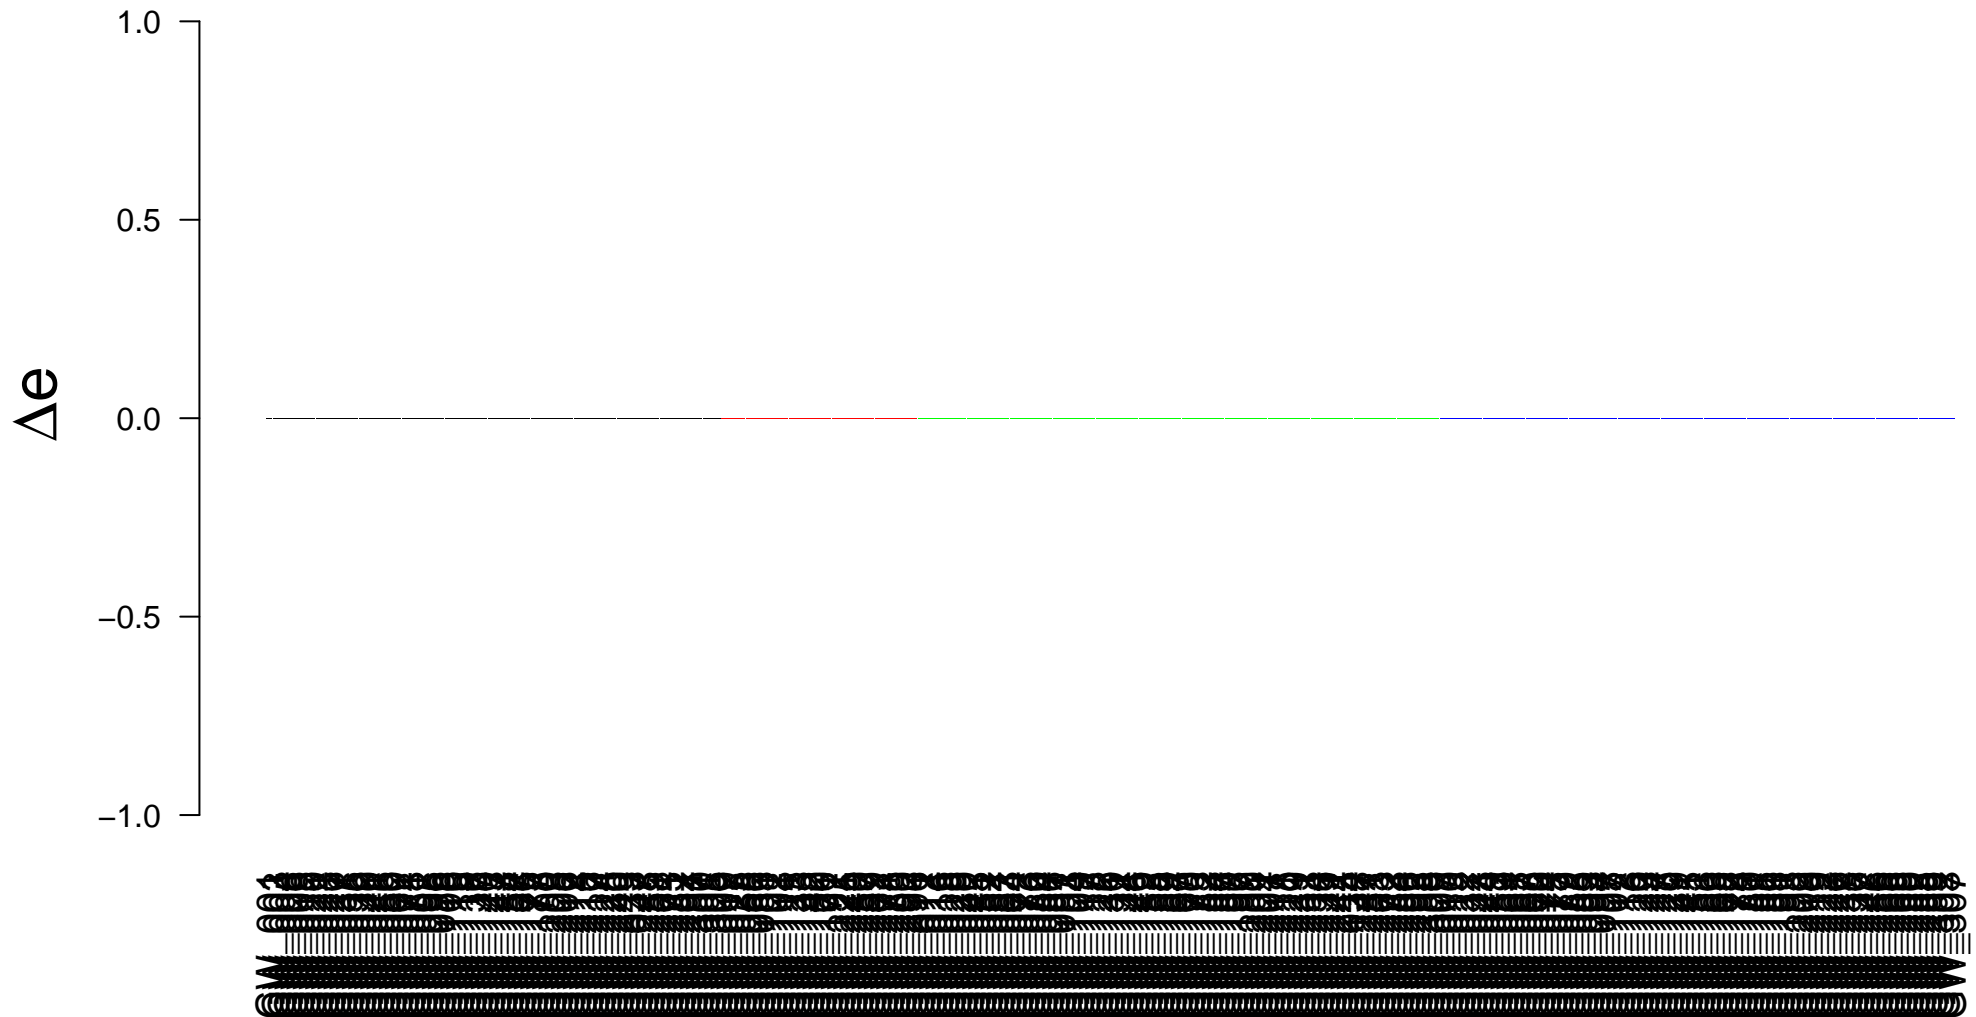

Expression of nuclear chromosome, telomeric region in Spot G

Expression of nuclear chromosome, telomeric region in Spot H

Expression of nuclear chromosome, telomeric region in Spot I

Expression of nuclear chromosome, telomeric region in Spot J
