nuclear hormone receptor binding

Enrichment in spots: nuclear hormone receptor binding

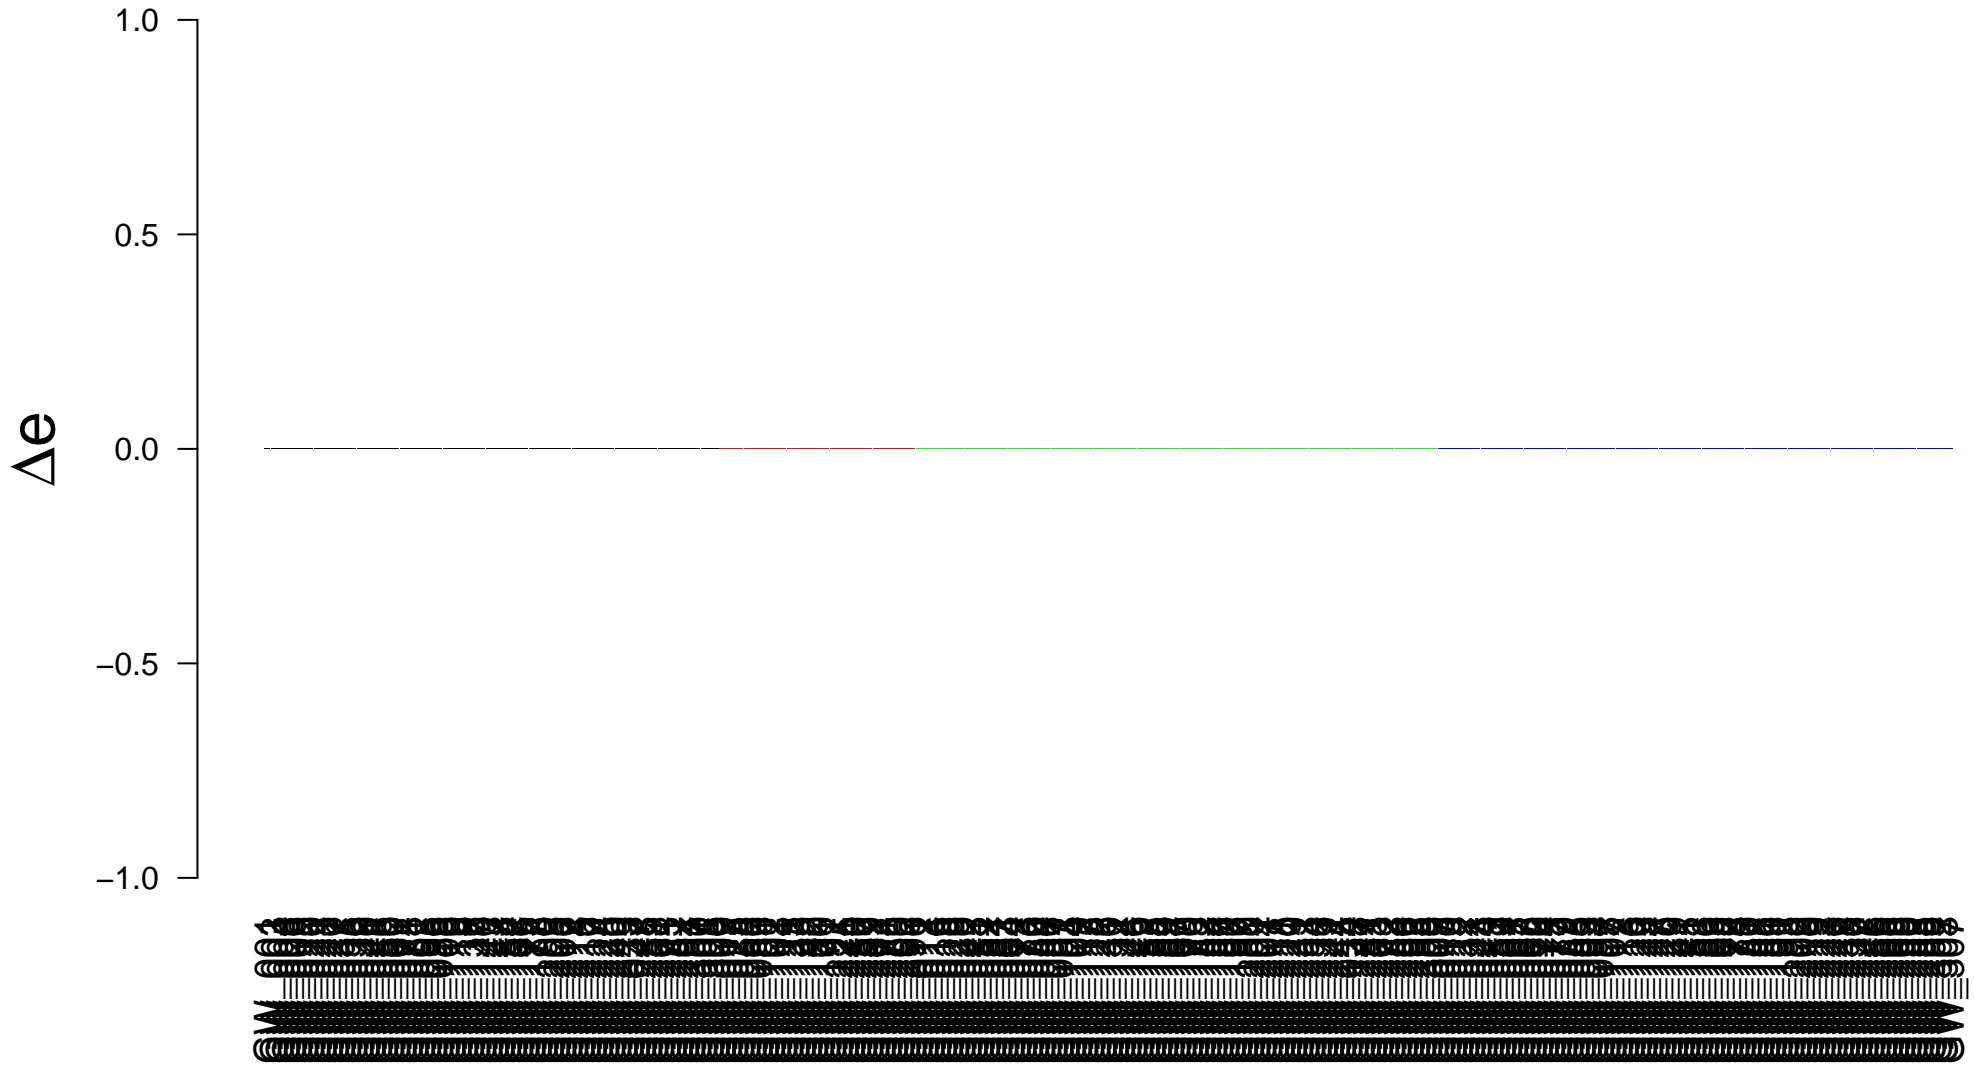

Expression of nuclear hormone receptor binding in Spot A

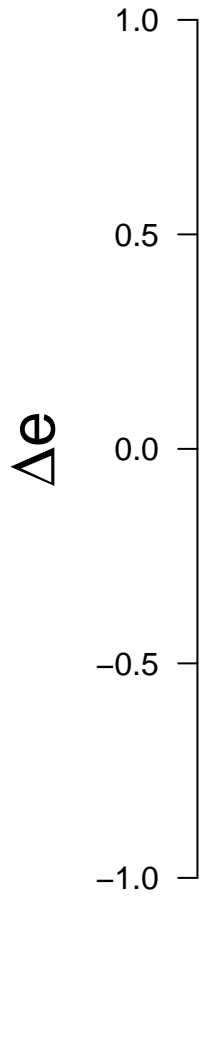

Expression of nuclear hormone receptor binding in Spot B

Expression of nuclear hormone receptor binding in Spot C

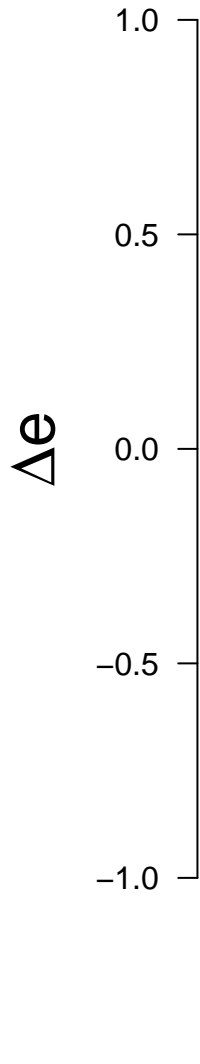

Expression of nuclear hormone receptor binding in Spot D

Expression of nuclear hormone receptor binding in Spot E

Expression of nuclear hormone receptor binding in Spot F

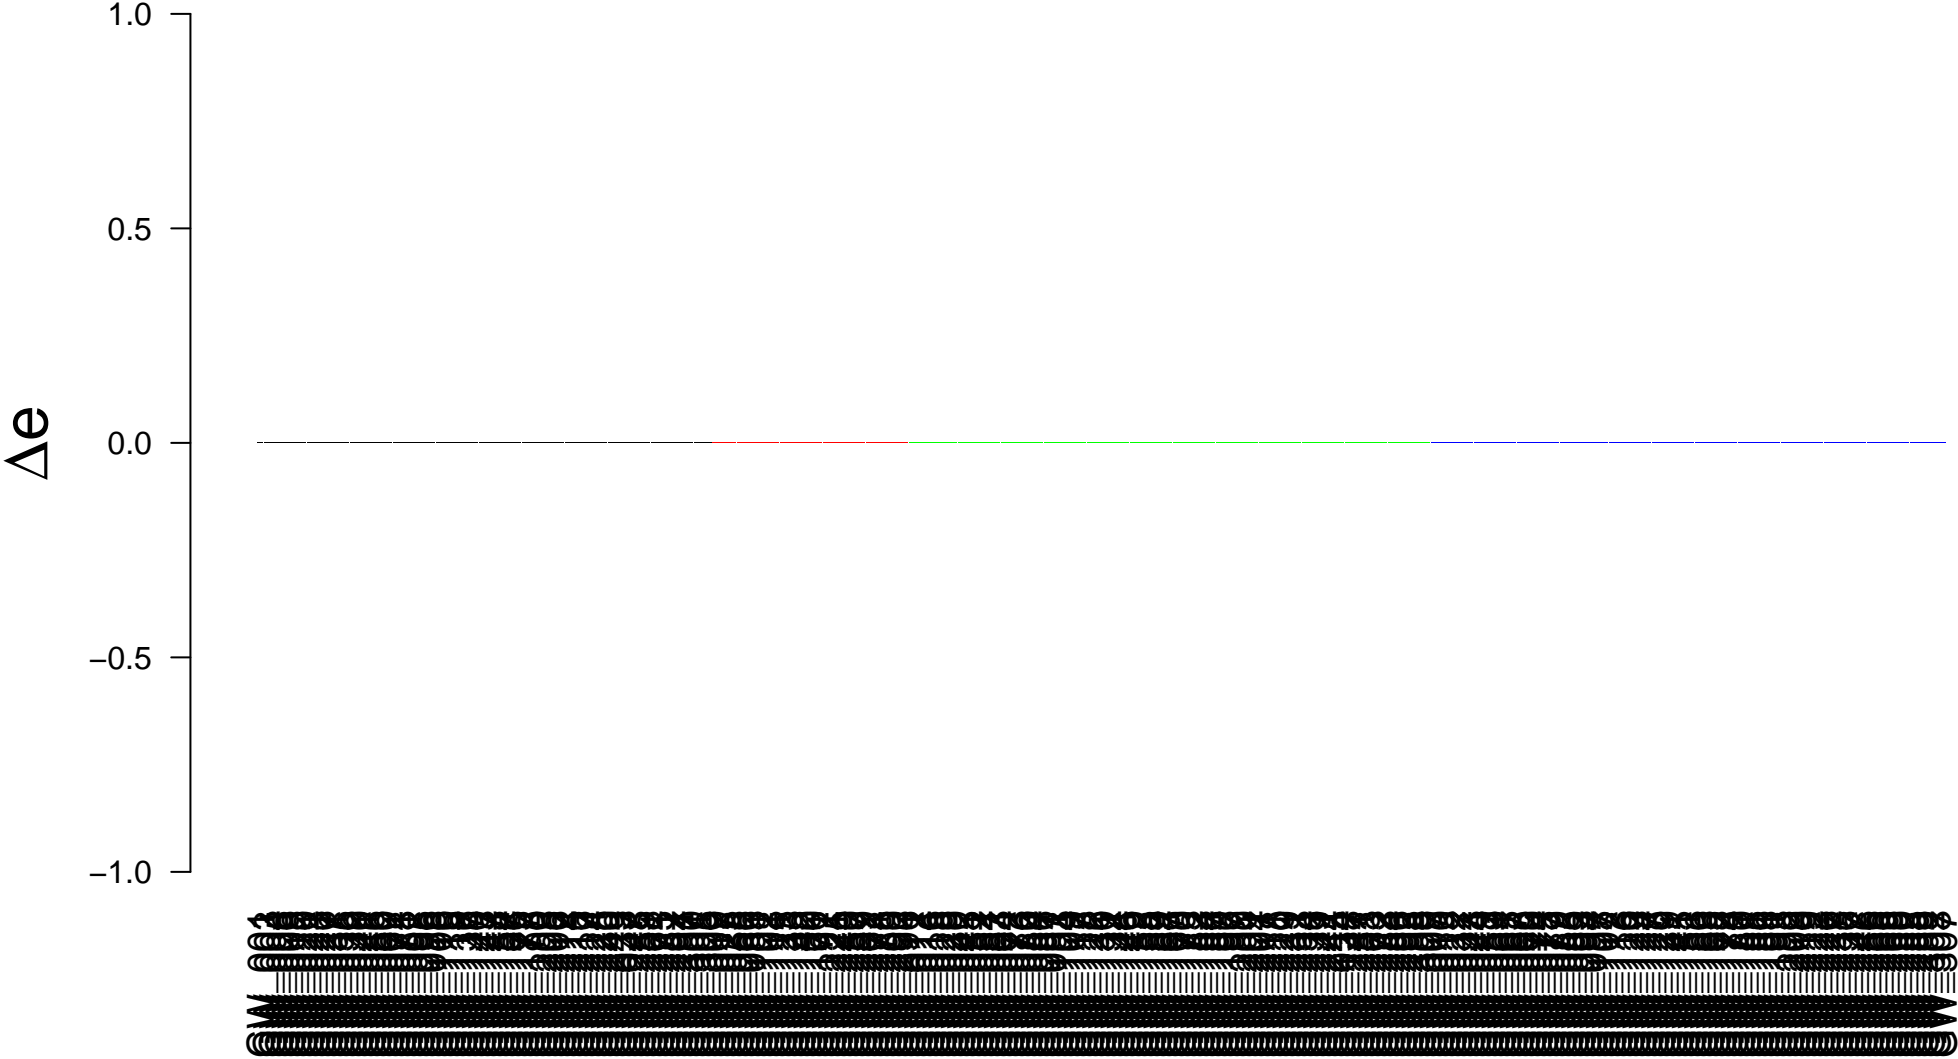

Expression of nuclear hormone receptor binding in Spot G

Expression of nuclear hormone receptor binding in Spot H

Expression of nuclear hormone receptor binding in Spot I

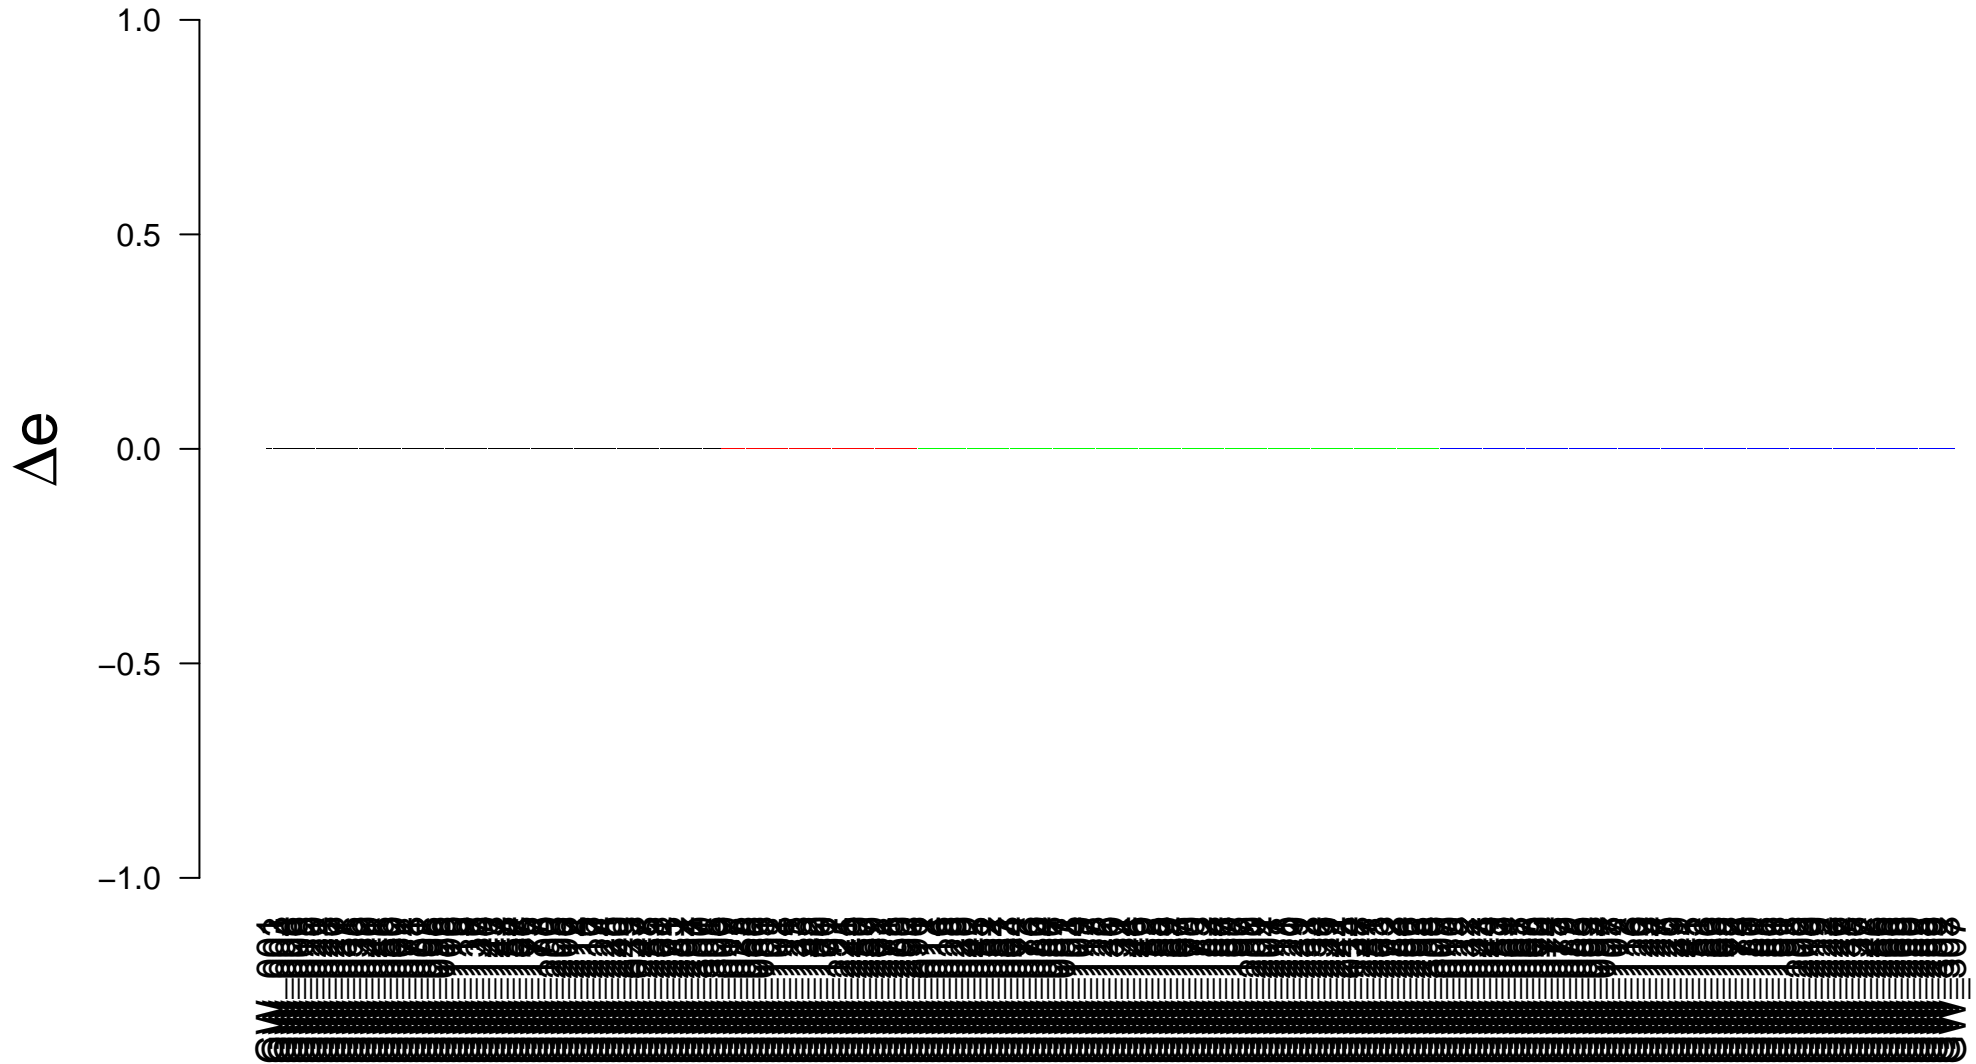

Expression of nuclear hormone receptor binding in Spot J

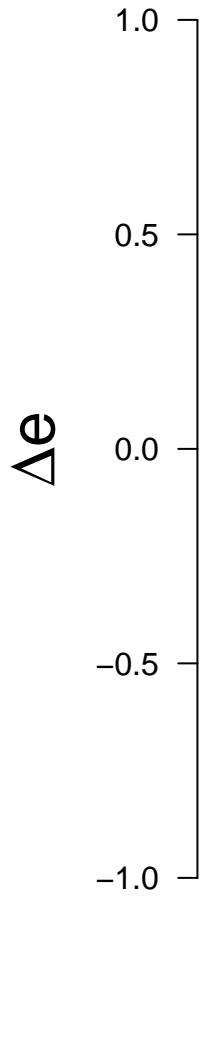

Expression of nuclear hormone receptor binding in Spot K

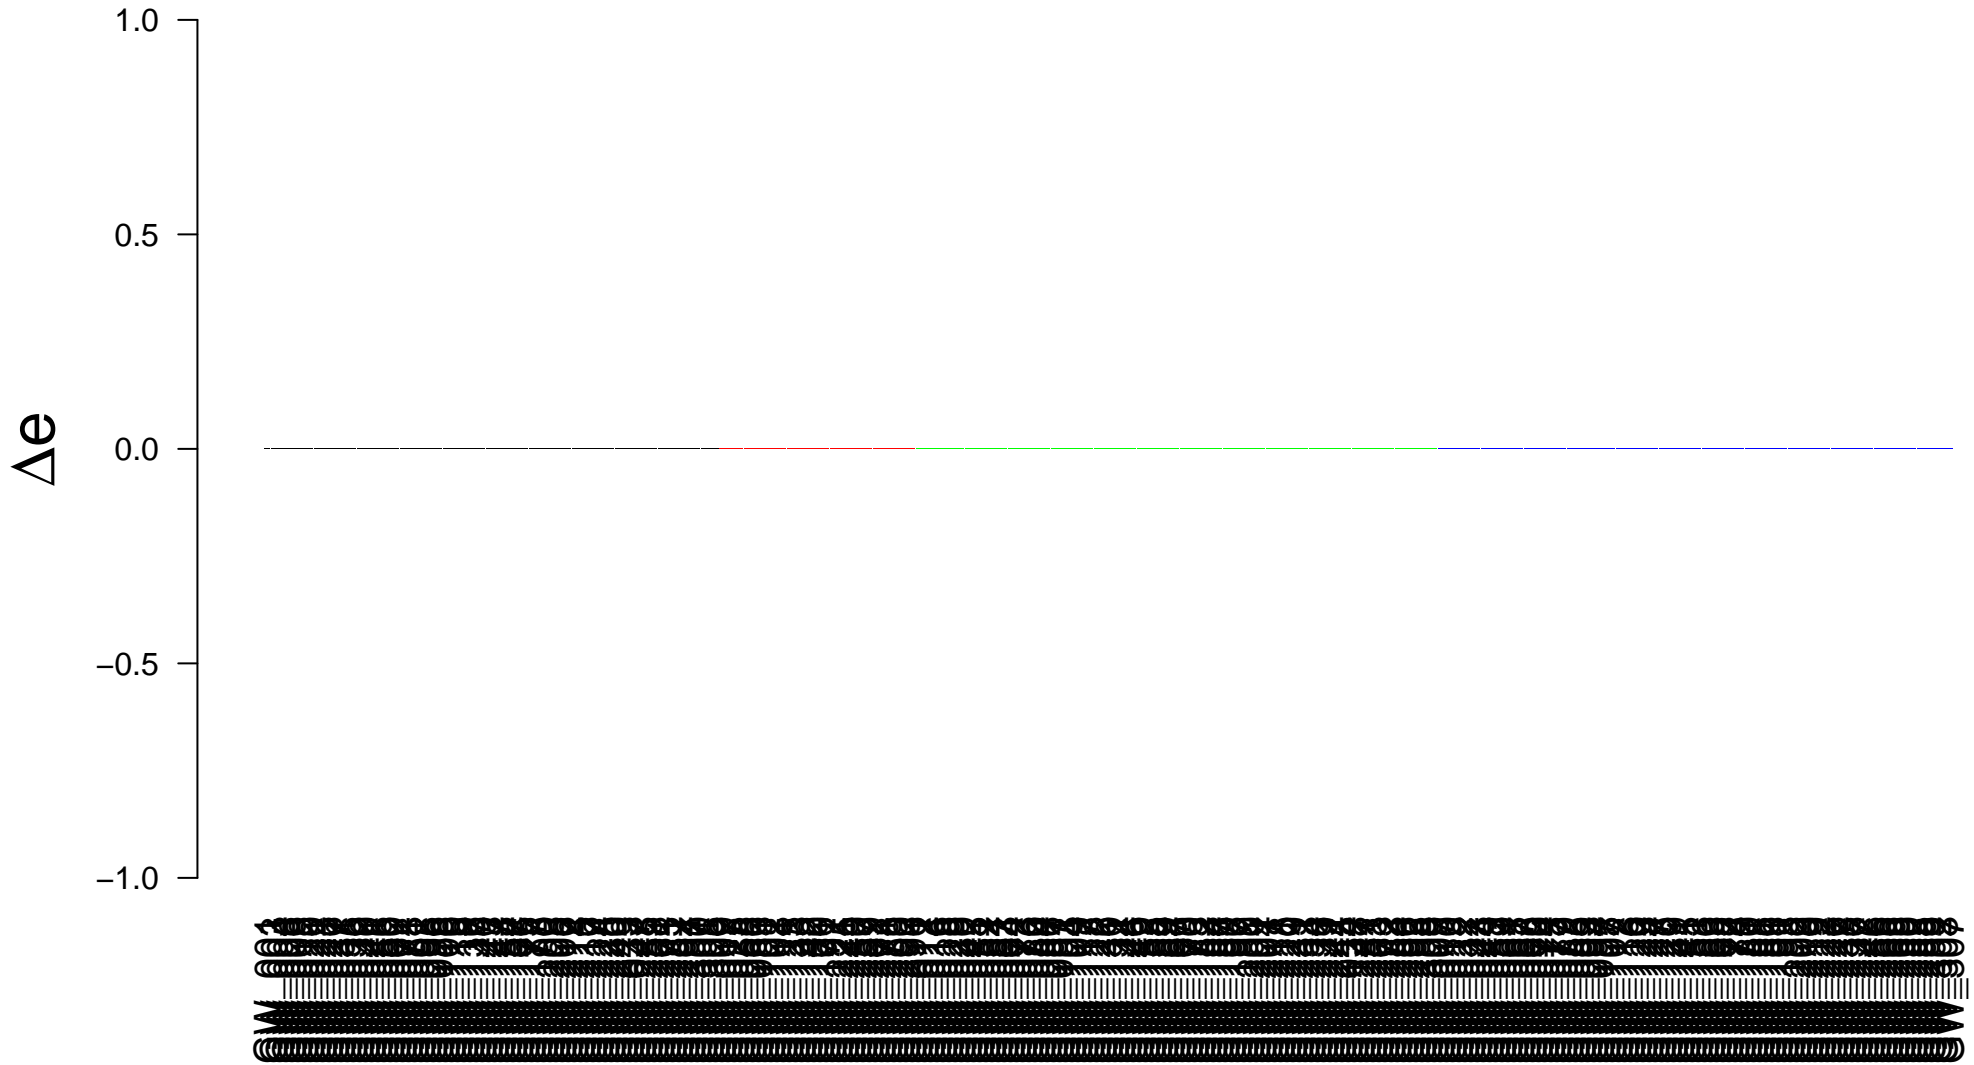

Expression of nuclear hormone receptor binding in Spot L

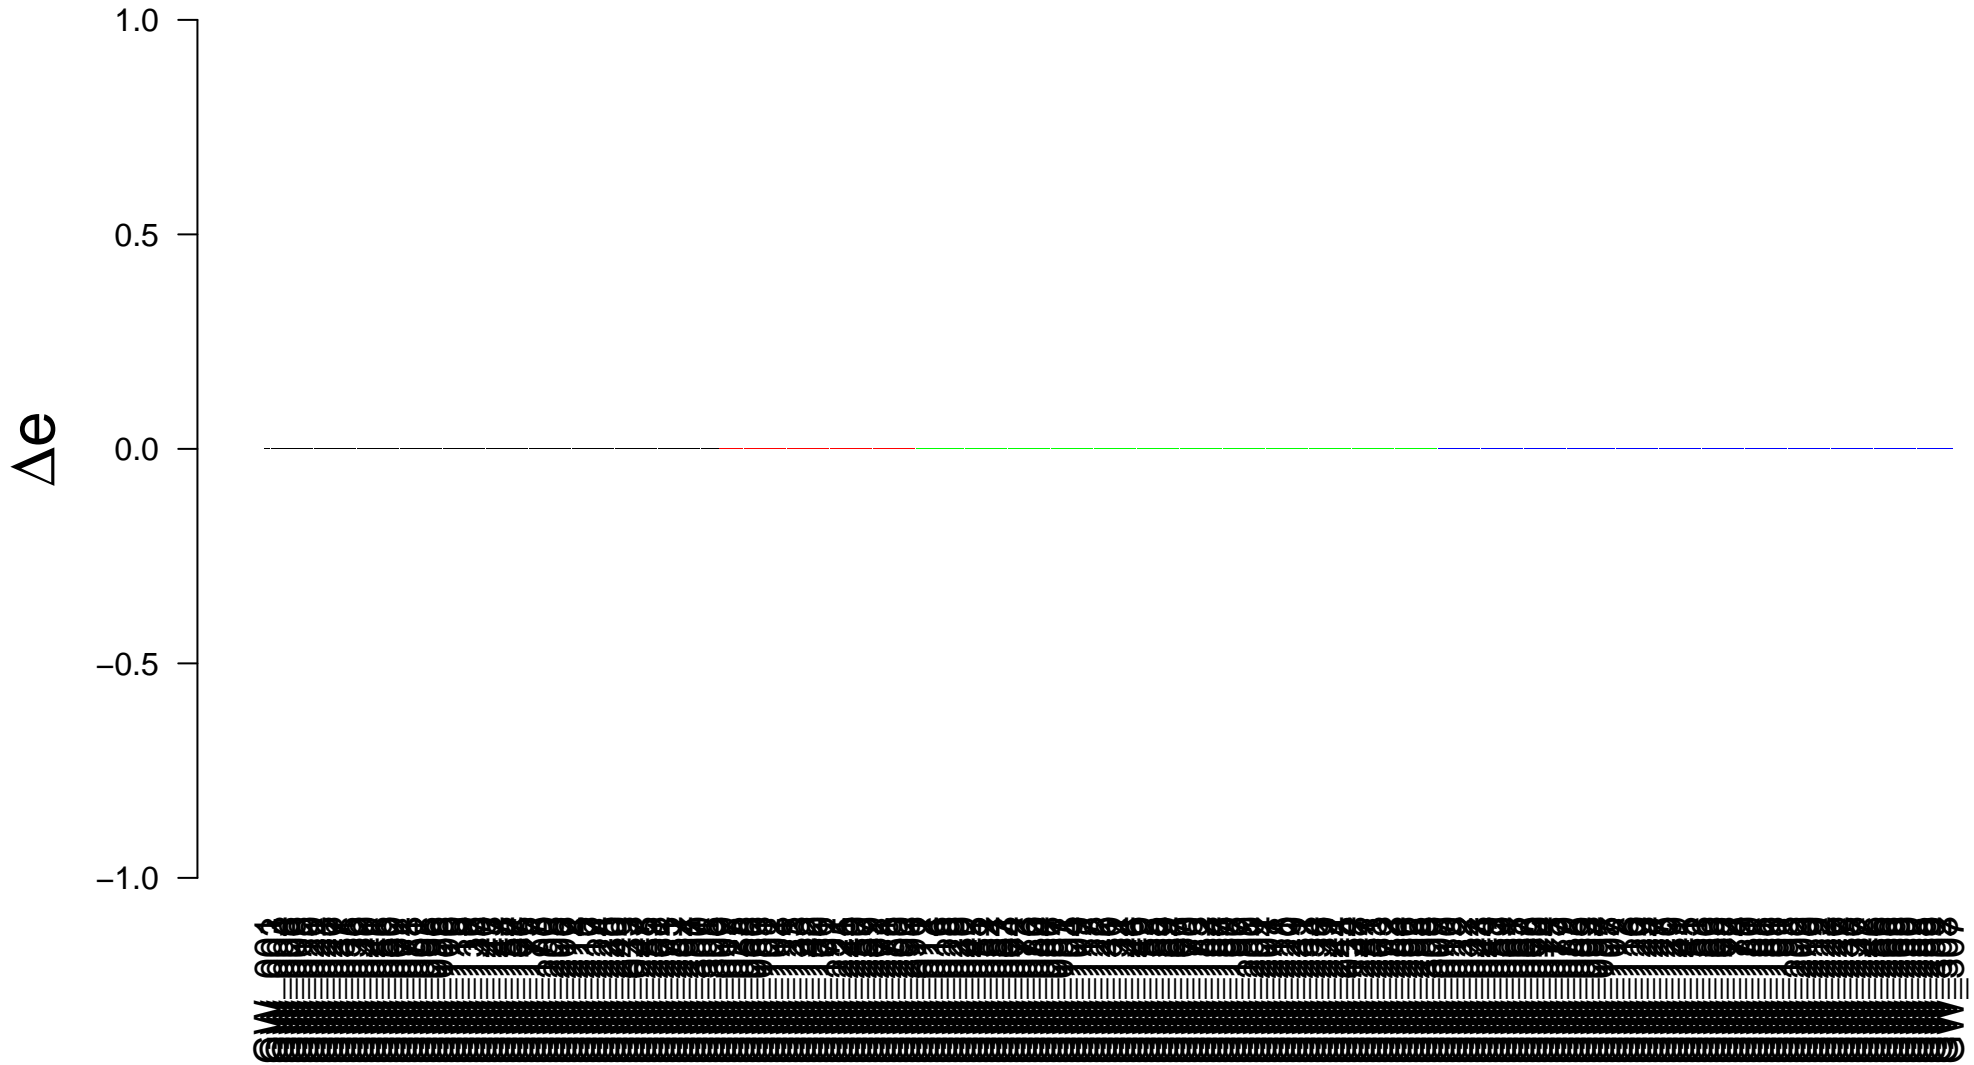

Expression of nuclear hormone receptor binding in Spot M

Expression of nuclear hormone receptor binding in Spot N

Expression of nuclear hormone receptor binding in Spot O

Expression of nuclear hormone receptor binding in Spot P

Expression of nuclear hormone receptor binding in Spot Q

Expression of nuclear hormone receptor binding in Spot R
