

nuclease activity

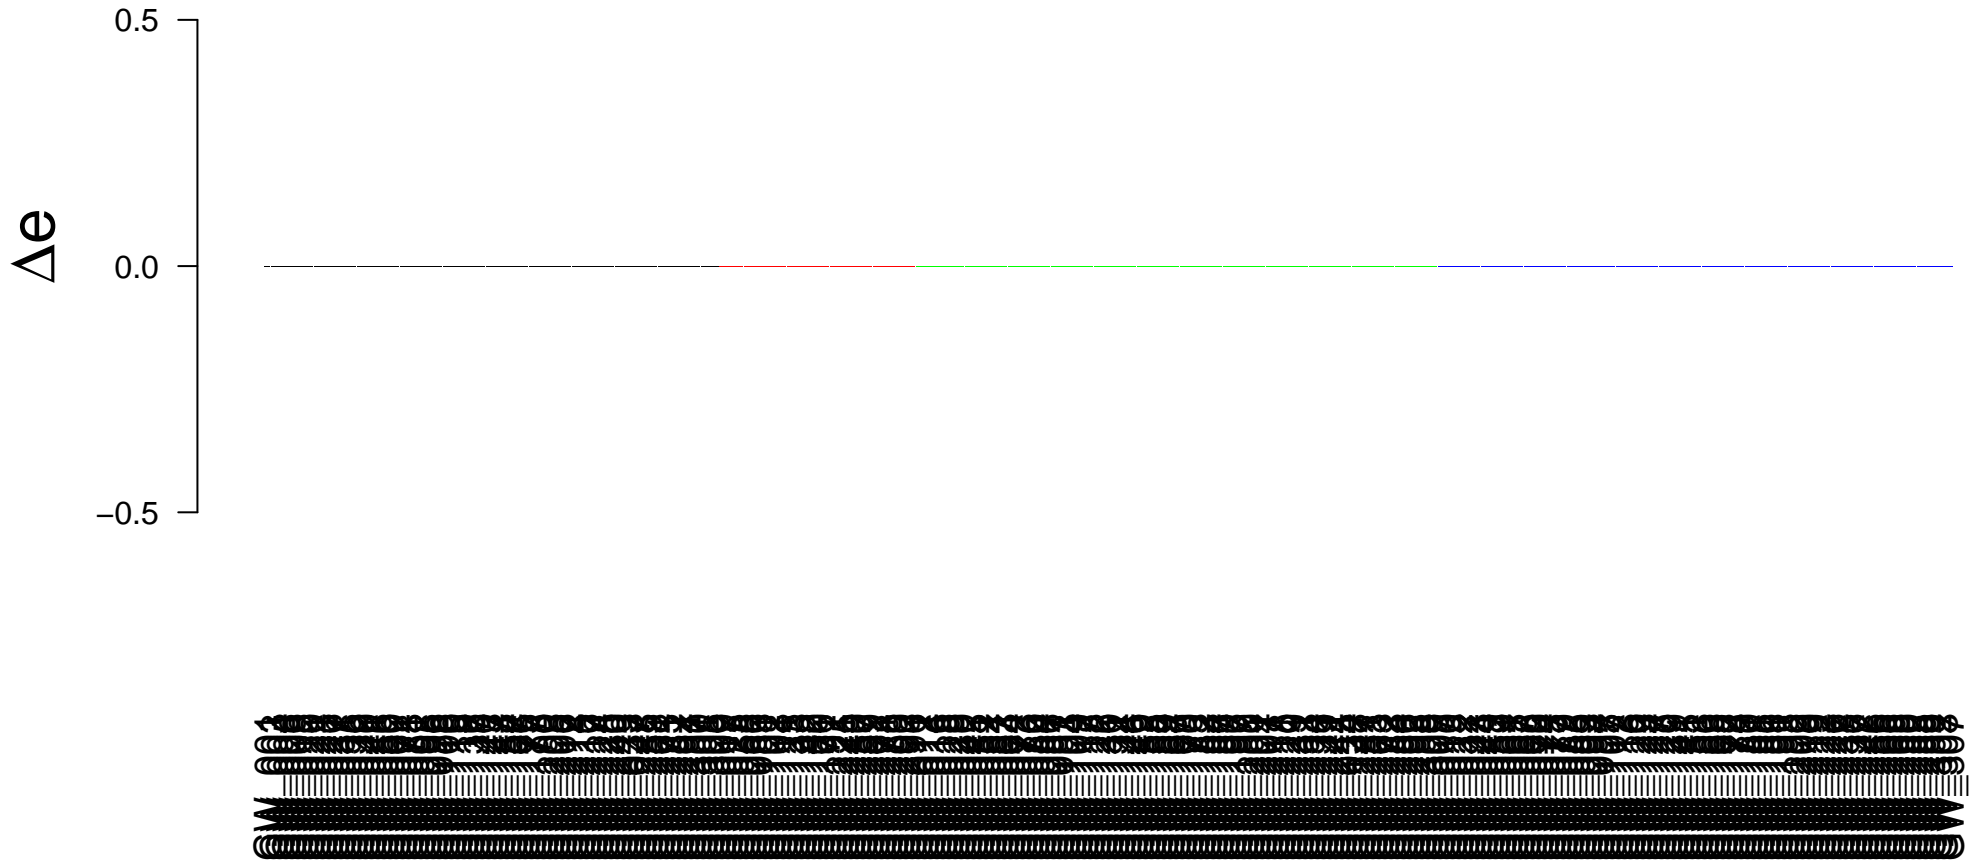

nuclease activity

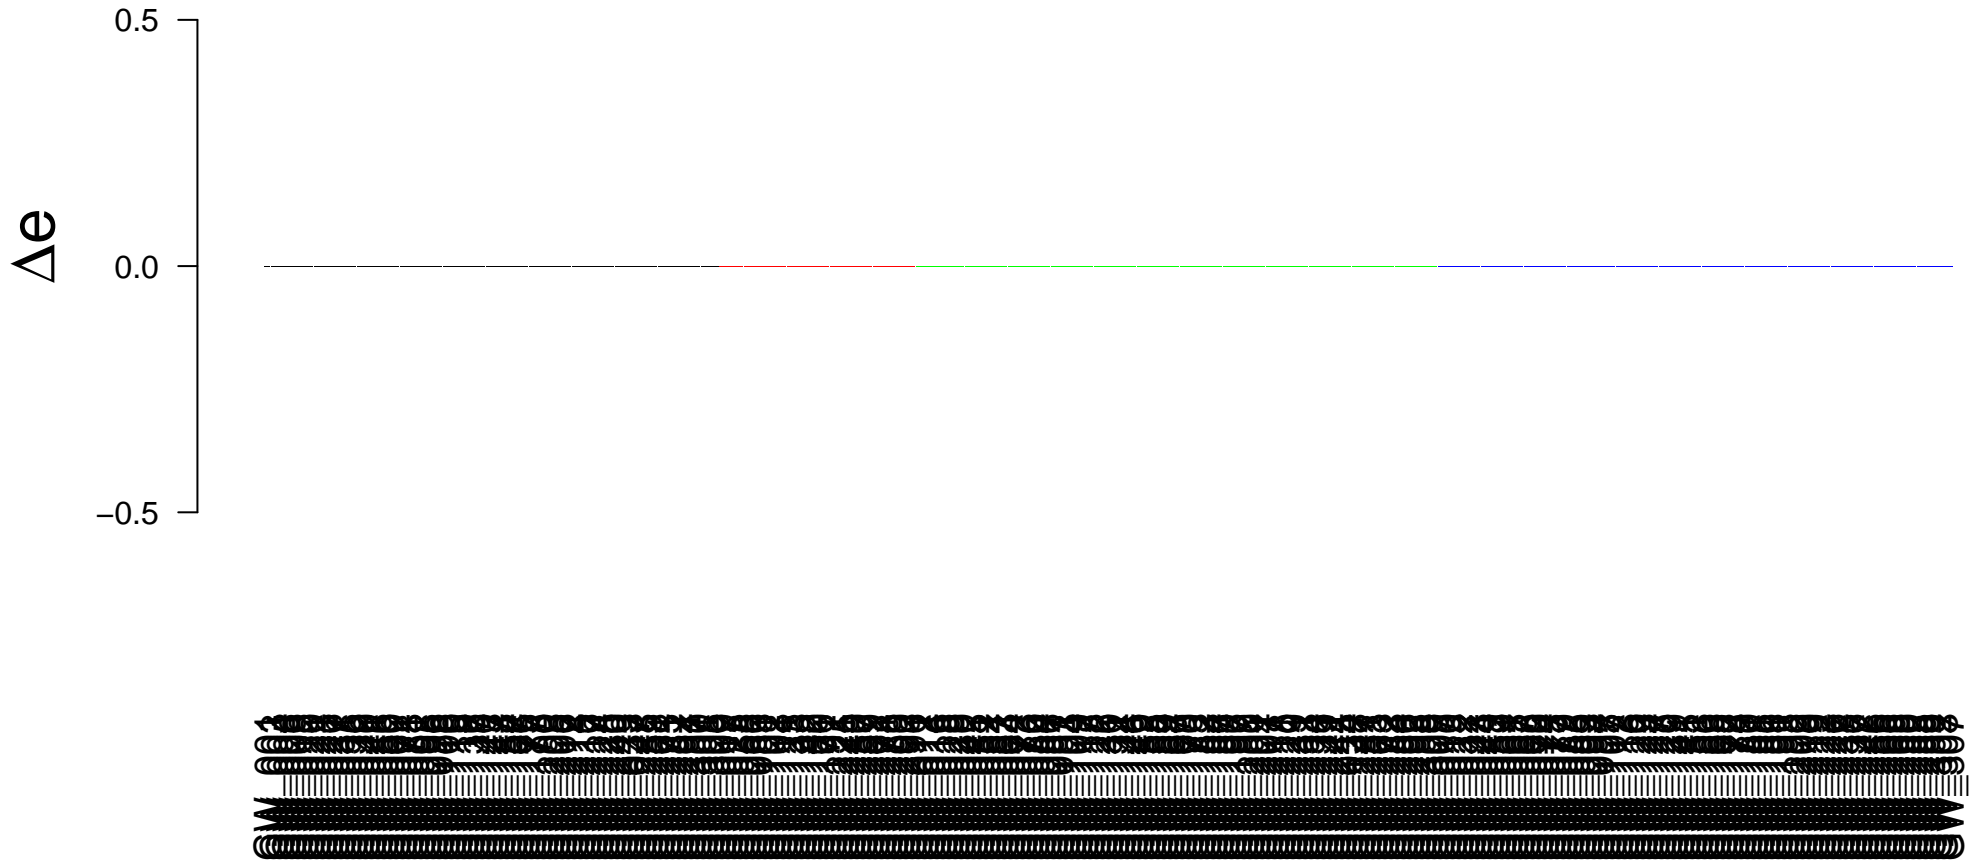

Enrichment in spots: nuclease activity

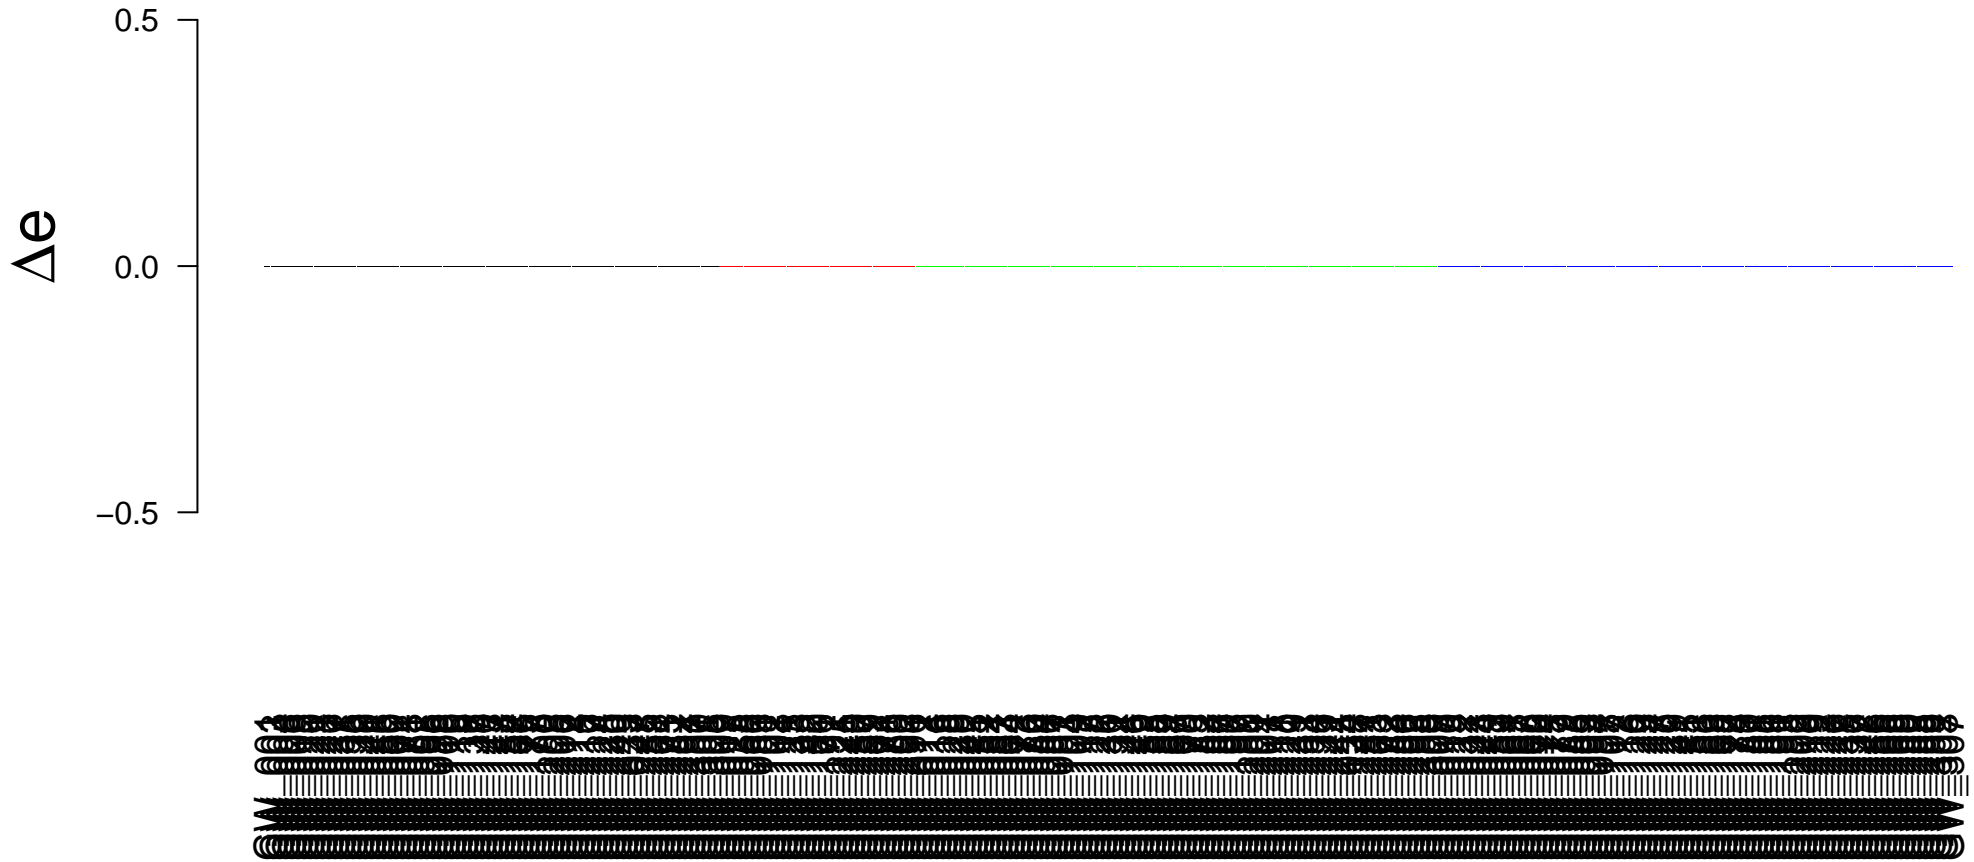

Expression of nuclease activity in Spot A

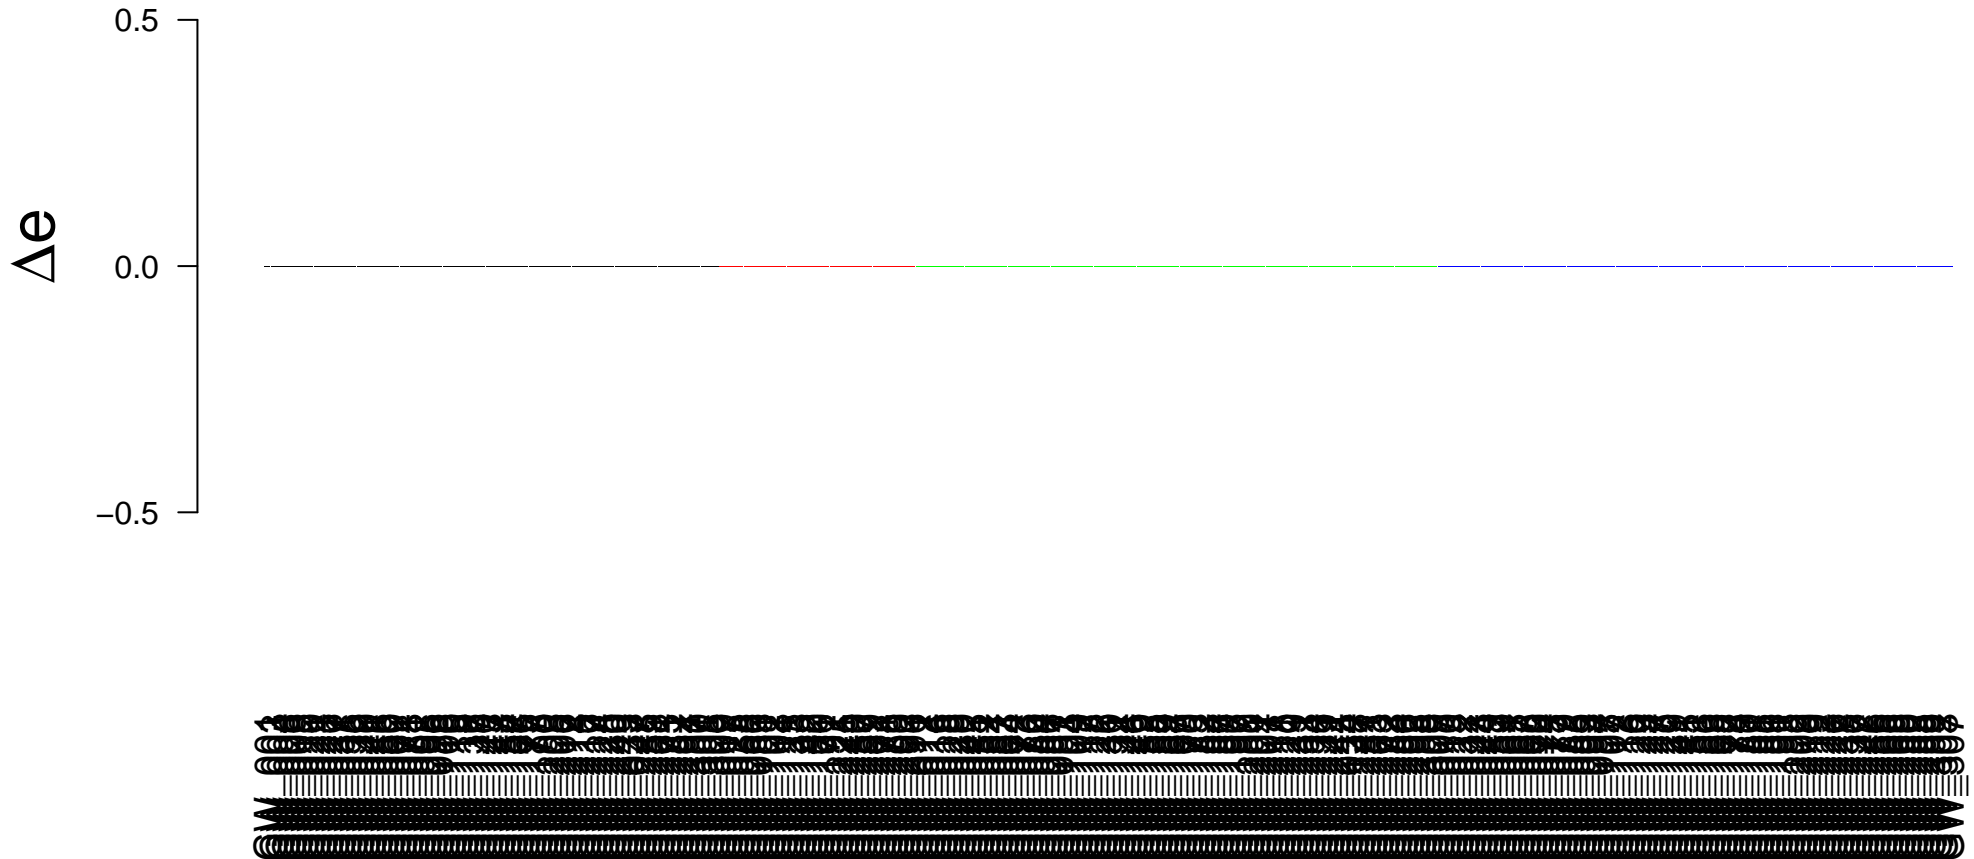

Expression of nuclease activity in Spot B

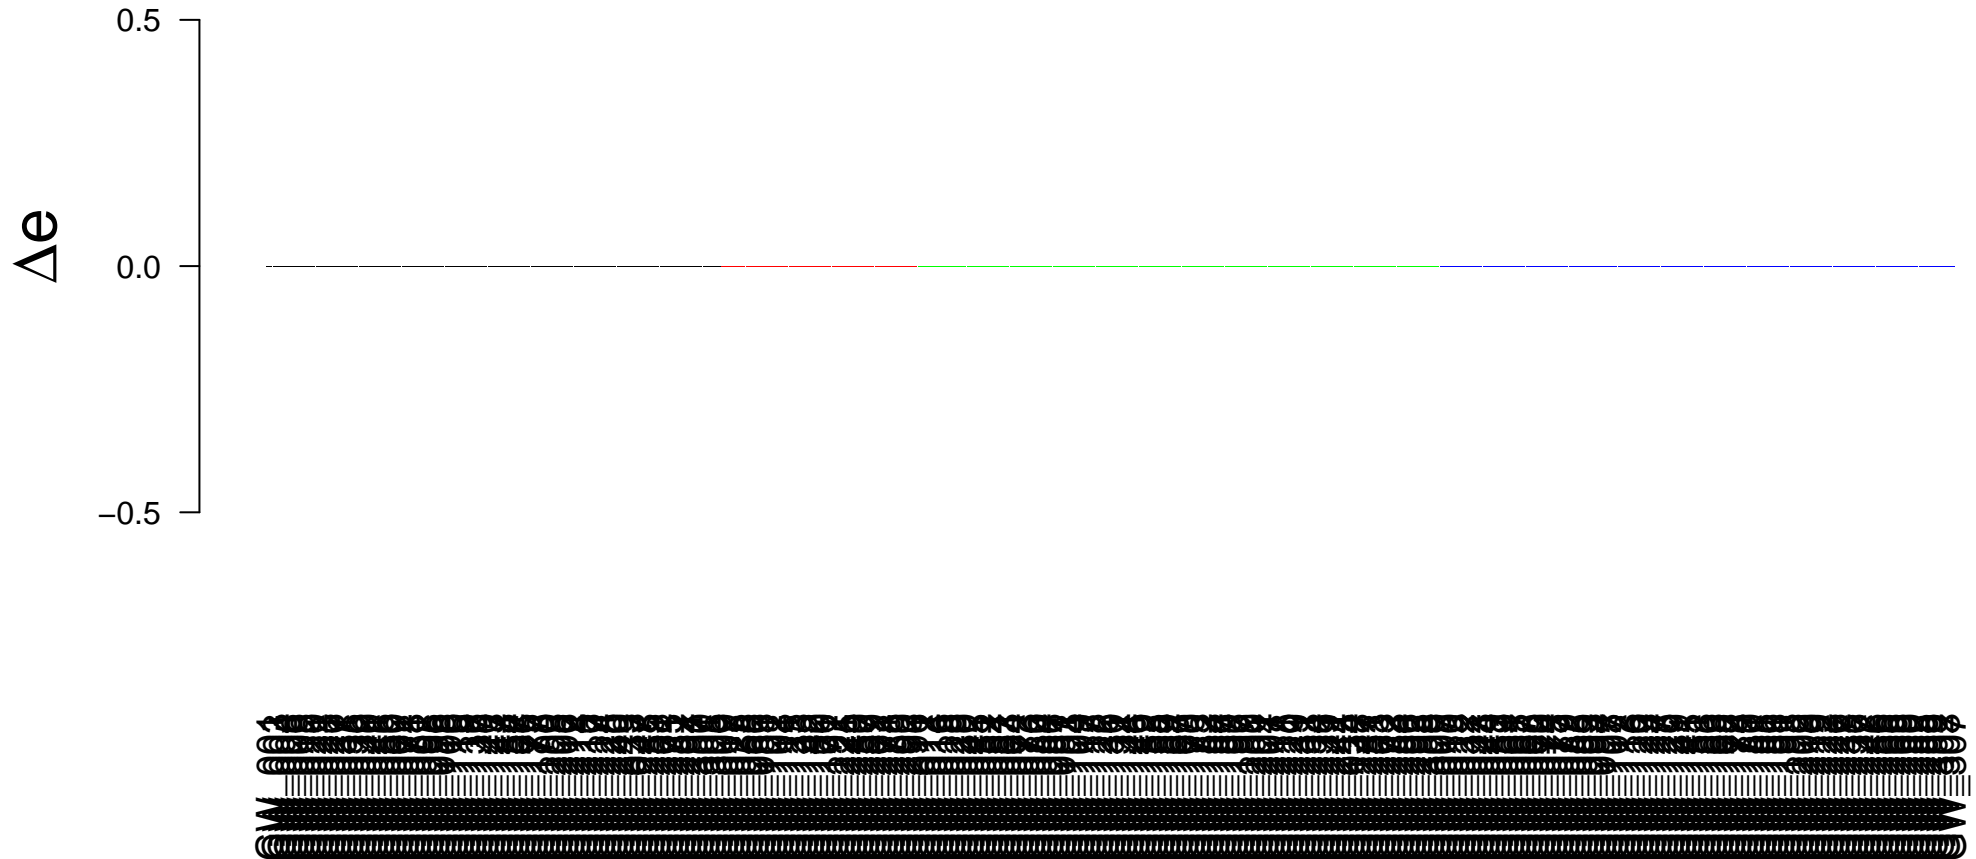

Expression of nuclease activity in Spot C

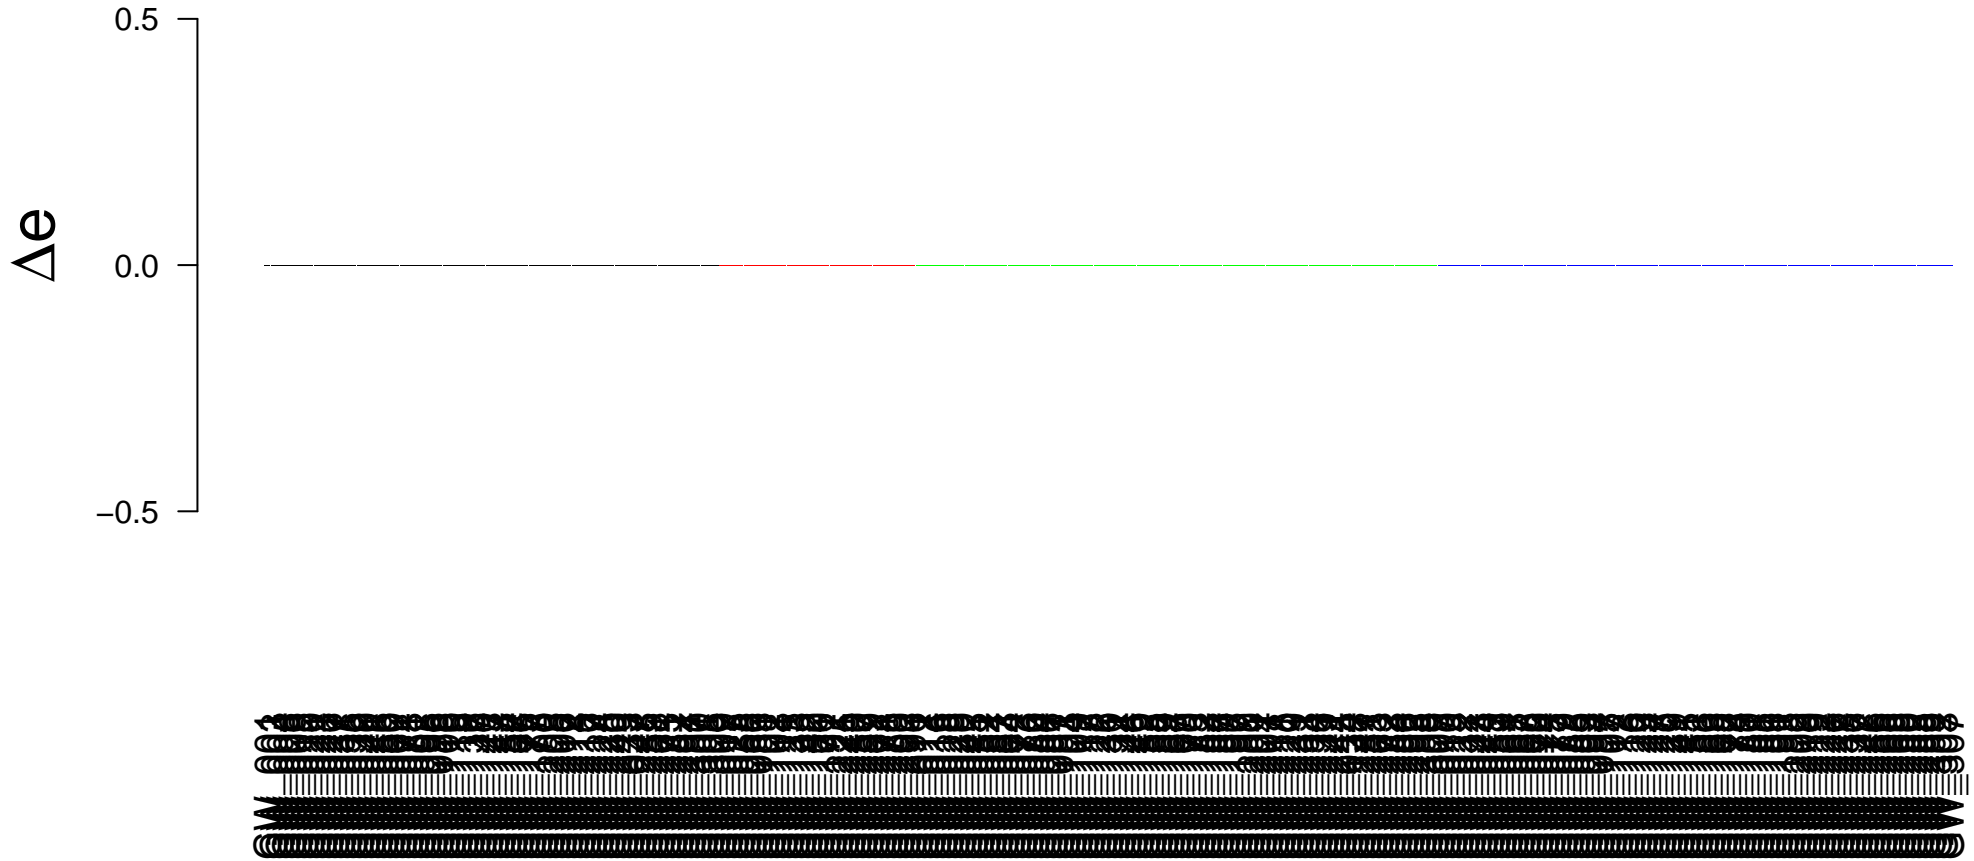

Expression of nuclease activity in Spot D

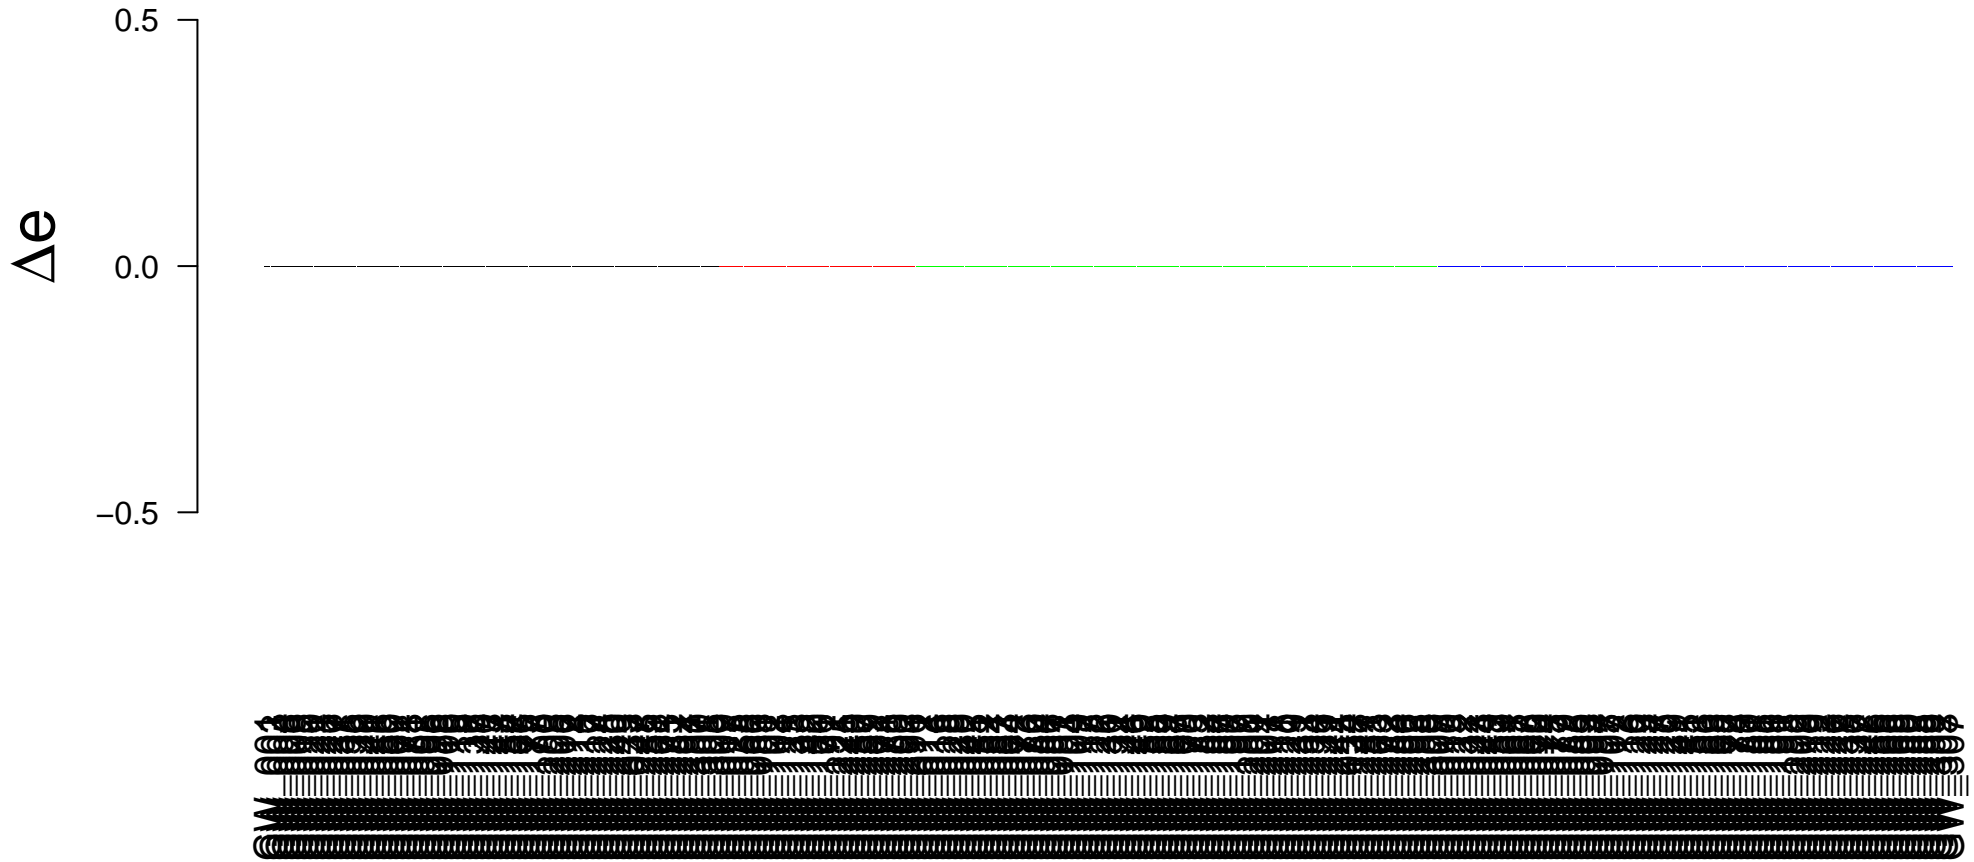

Expression of nuclease activity in Spot E

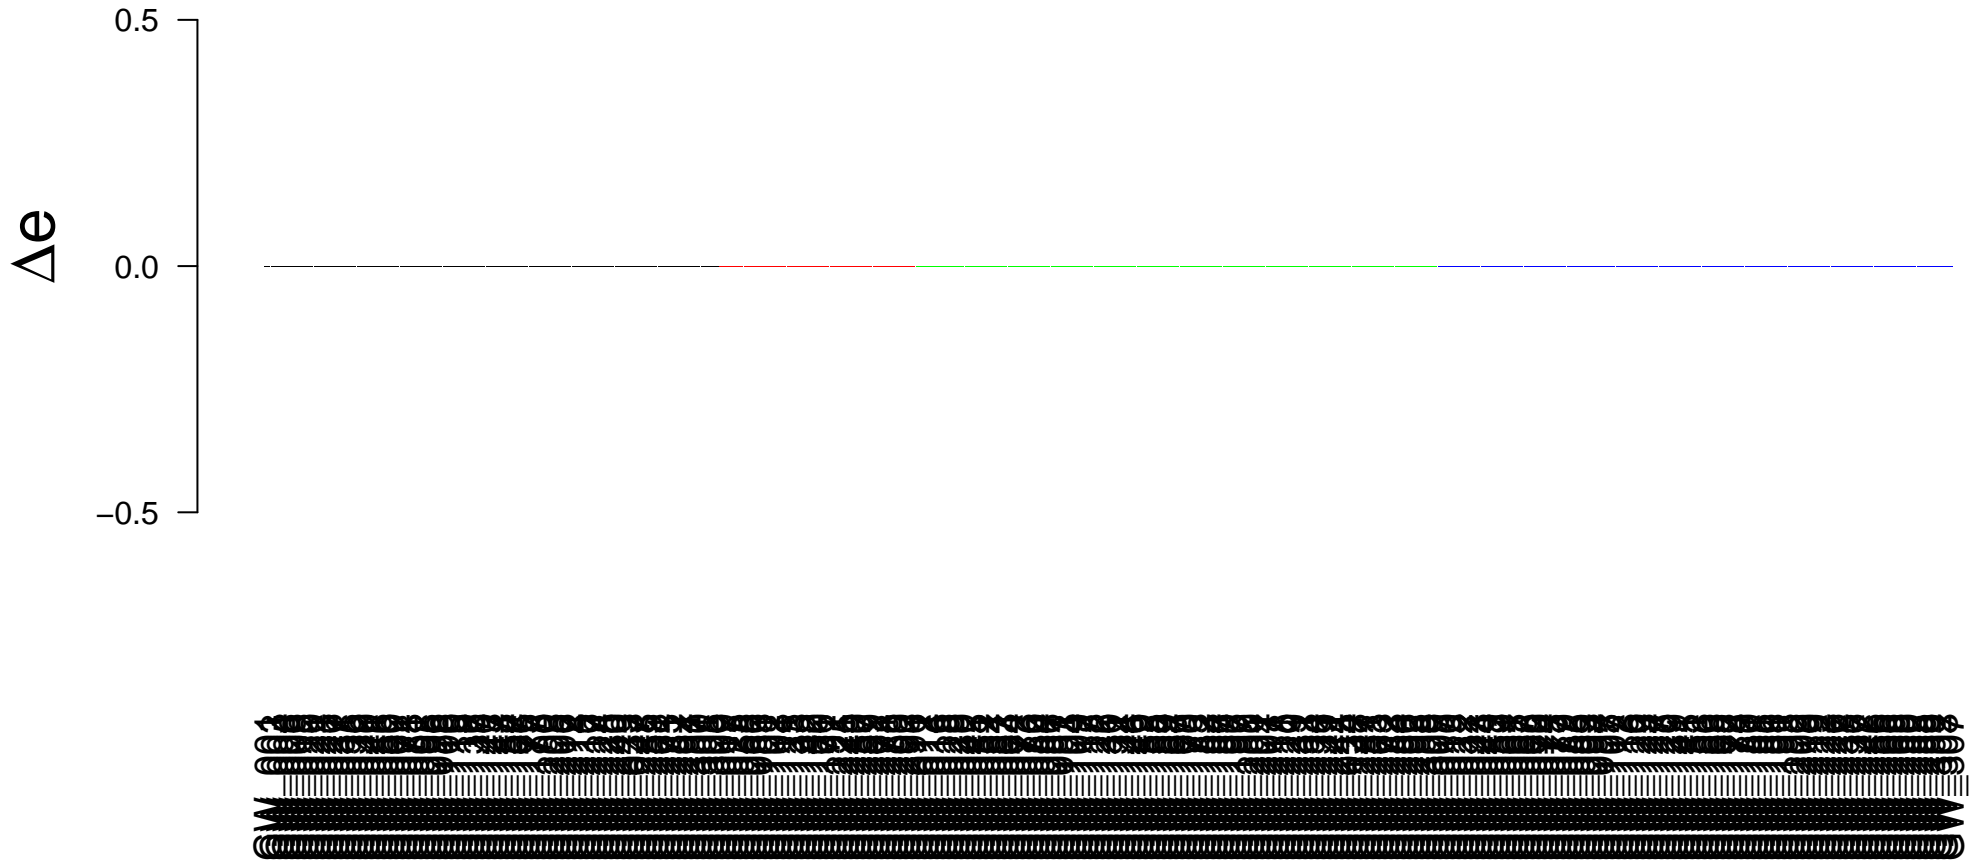

Expression of nuclease activity in Spot F

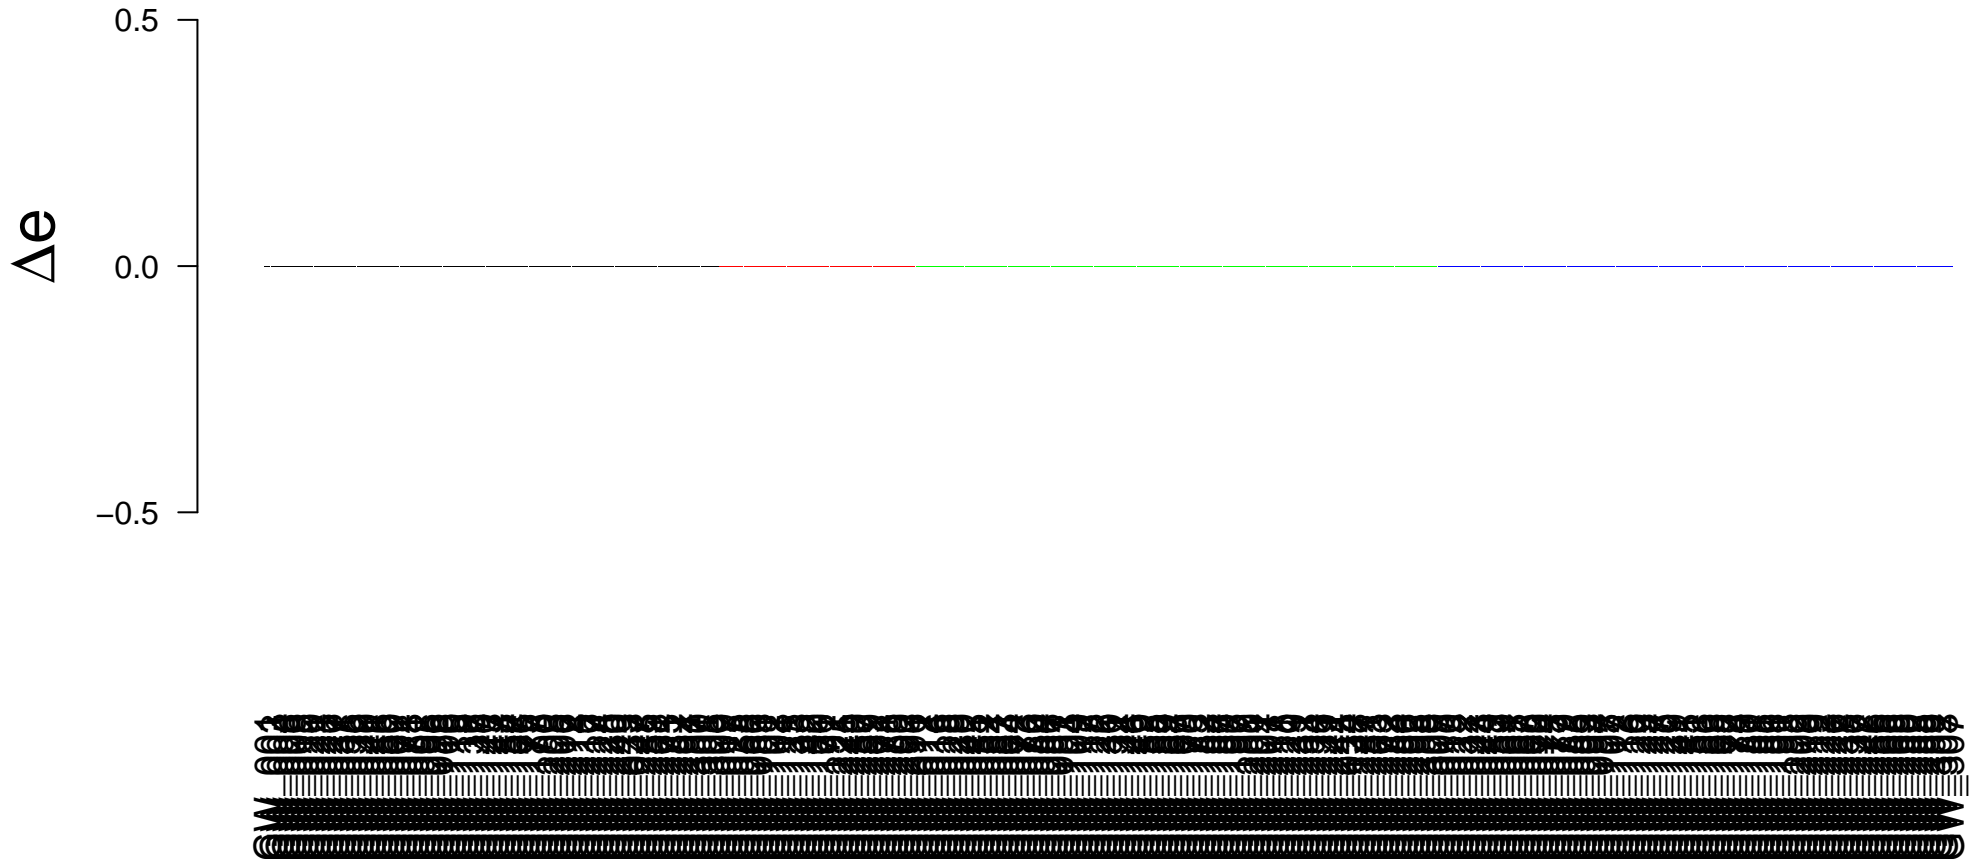

Expression of nuclease activity in Spot G

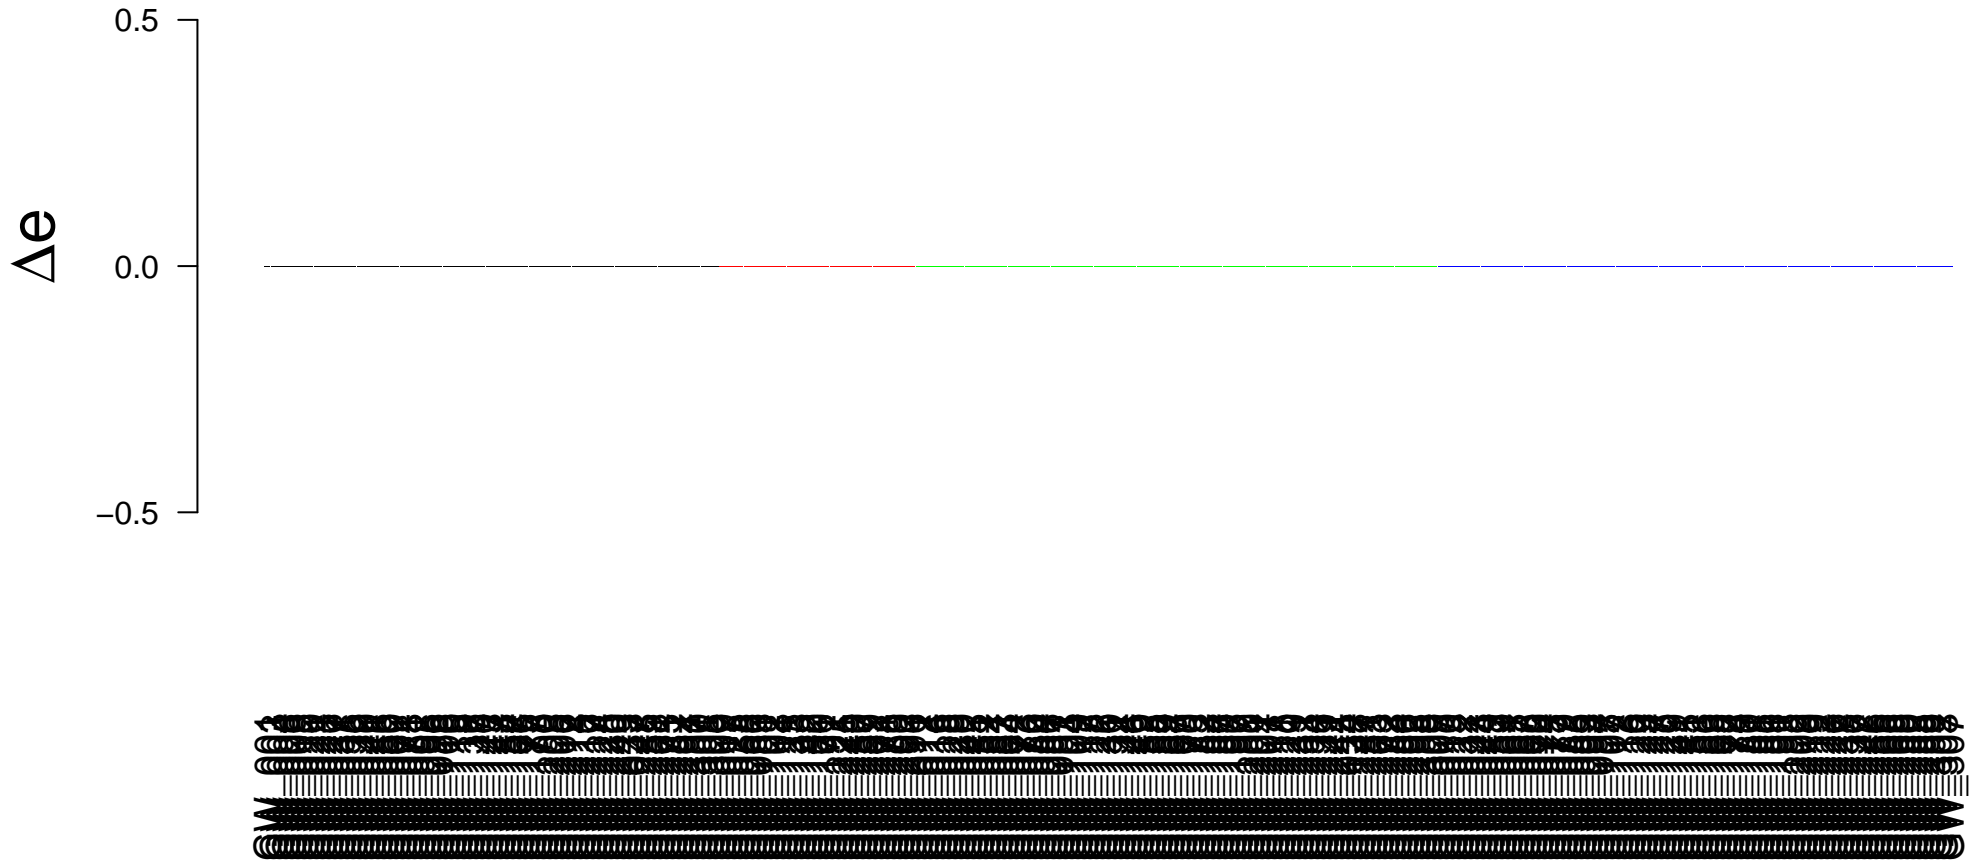

Expression of nuclease activity in Spot H

Expression of nuclease activity in Spot I

Expression of nuclease activity in Spot J

Expression of nuclease activity in Spot K
