

nucleobase-containing small molecule metabolic process

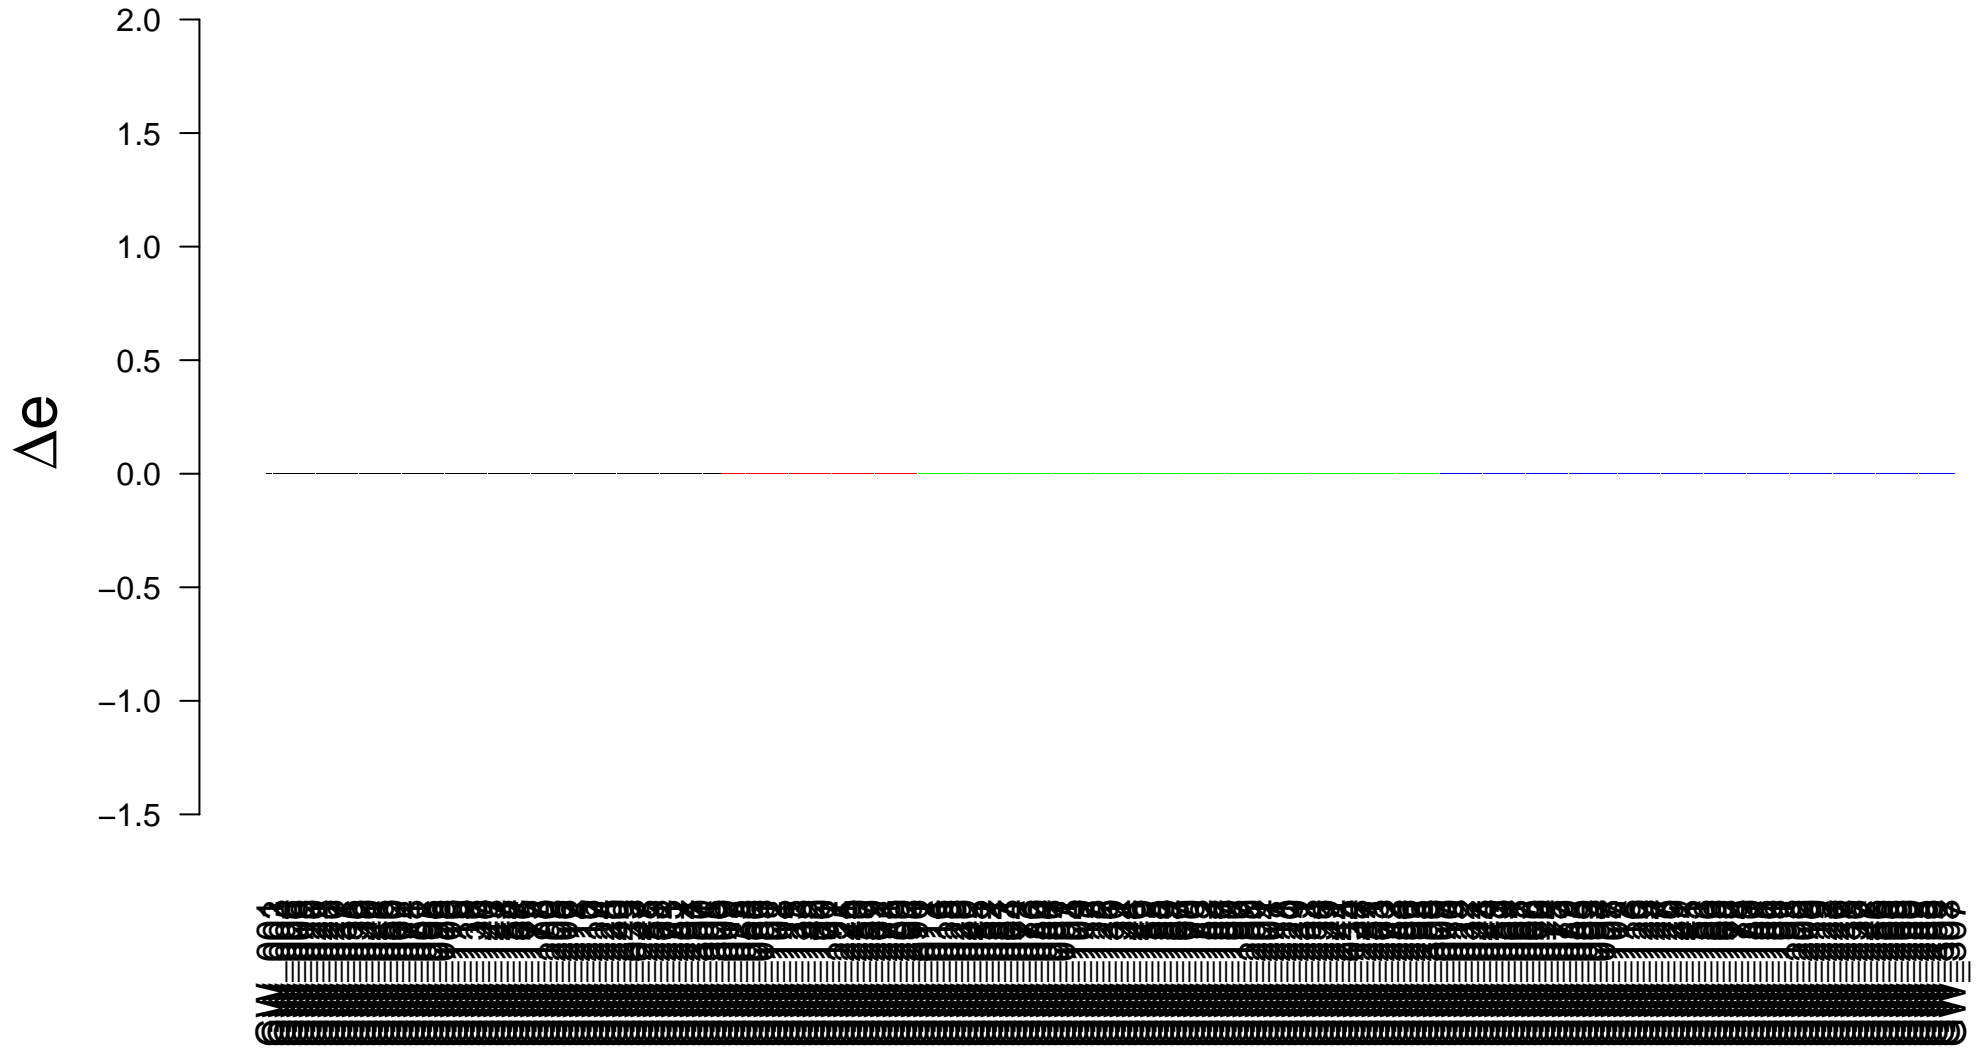

# nucleobase-containing small molecule metabolic process

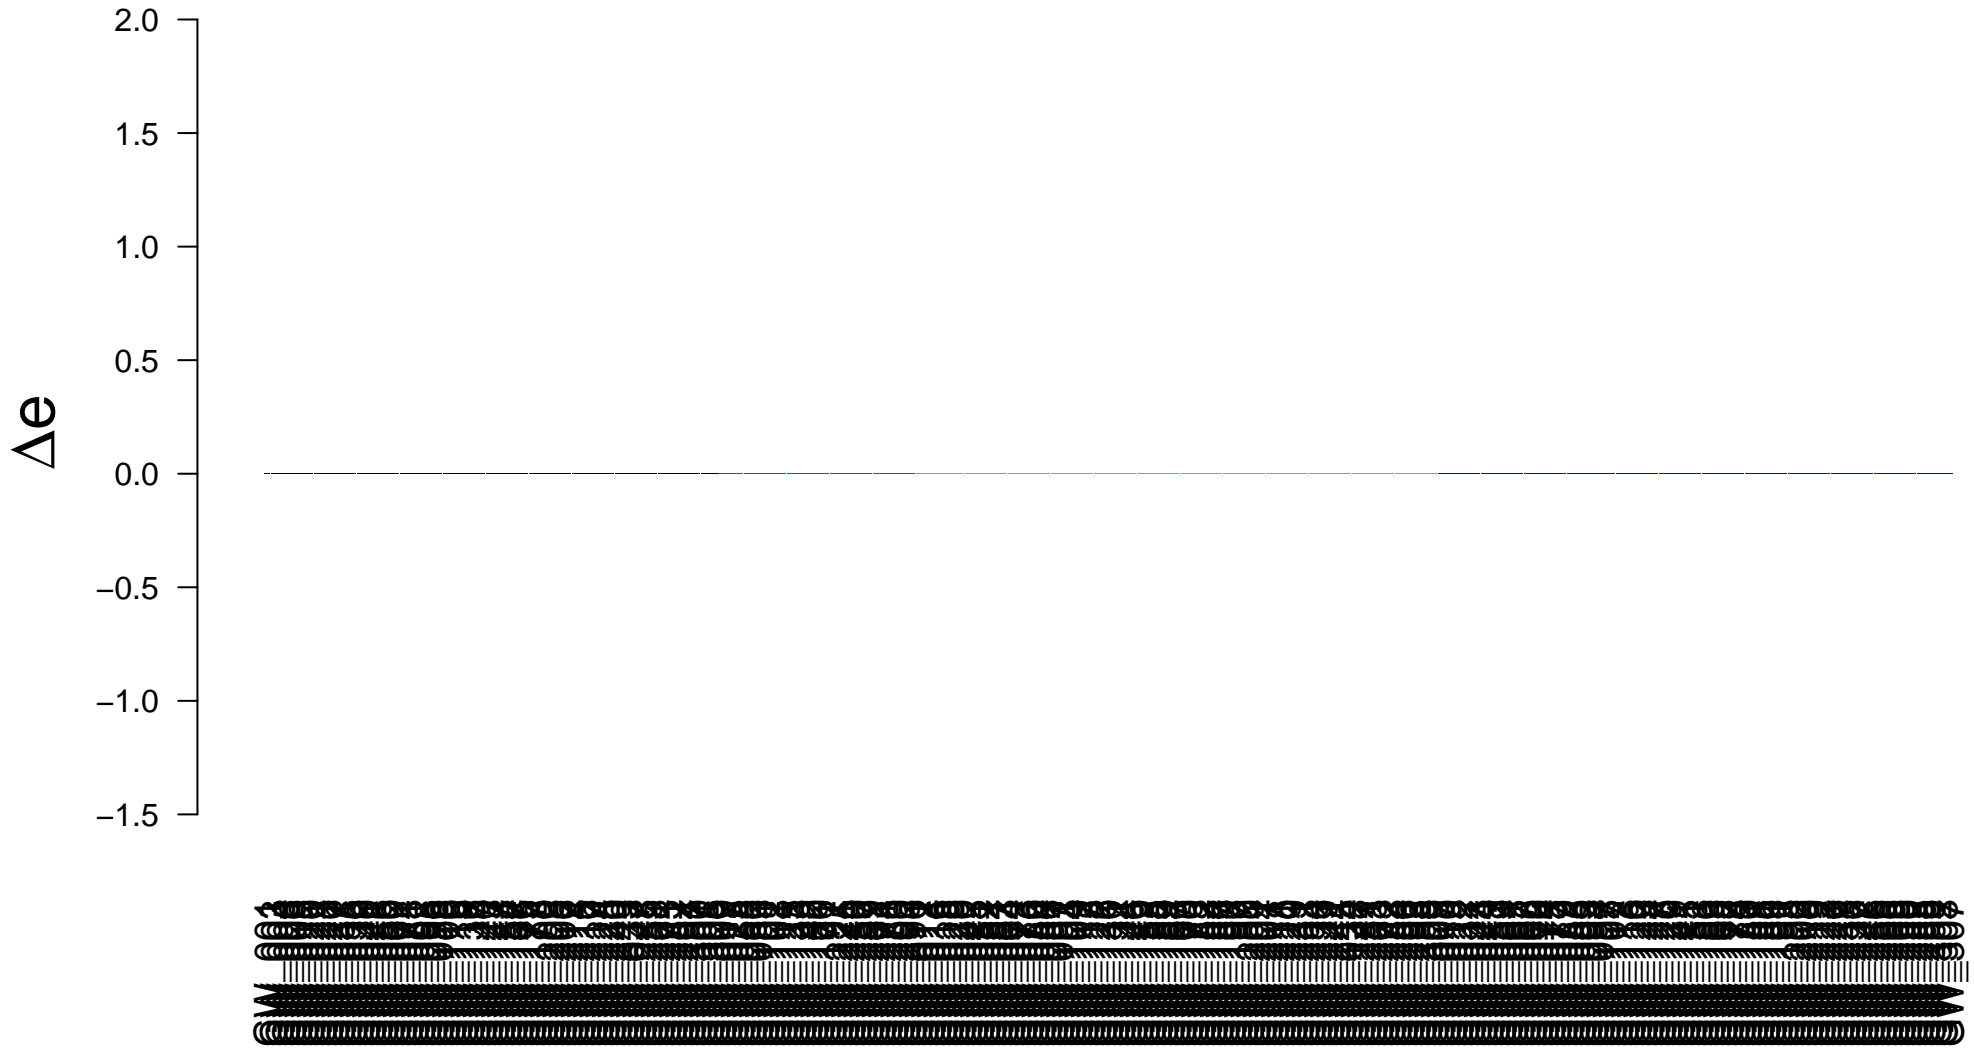

# Enrichment in spots: nucleobase-containing small molecule metabolic process

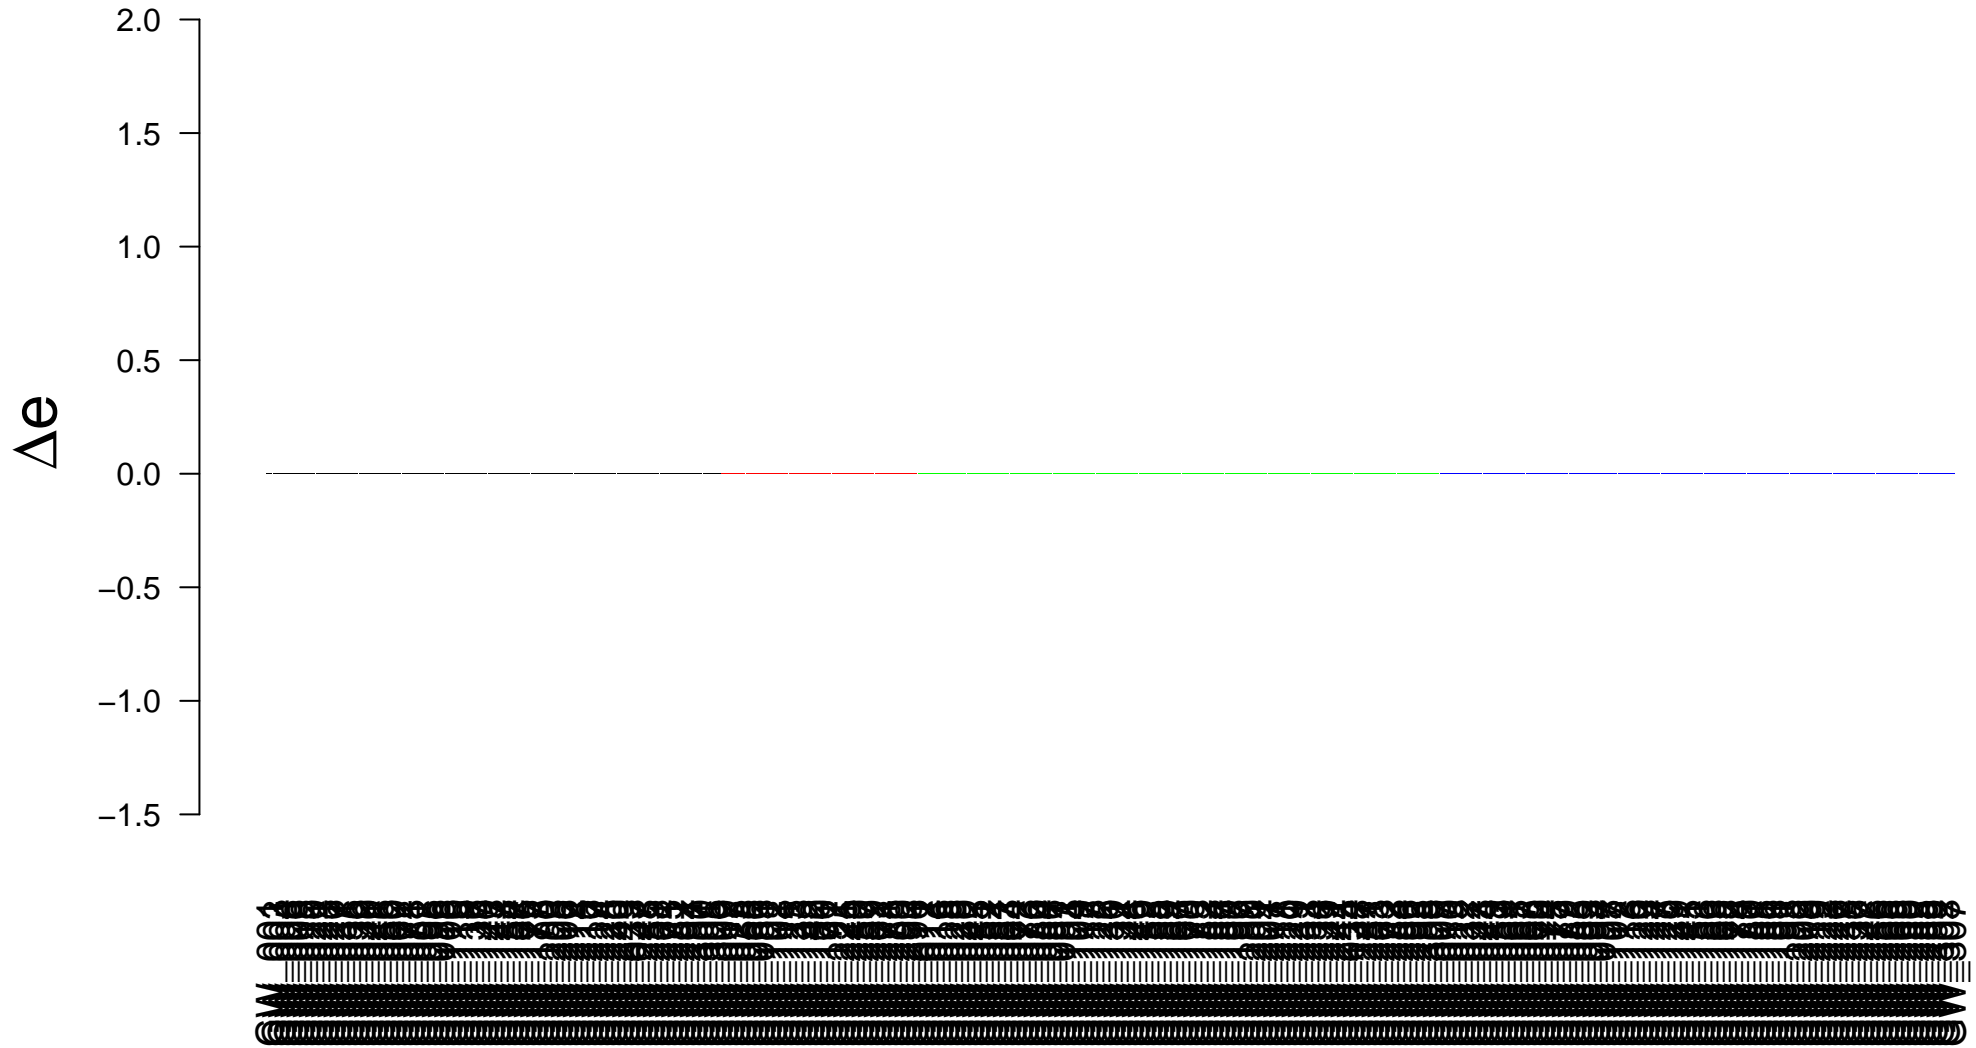

# Expression of nucleobase-containing small molecule metabolic process in Spot A

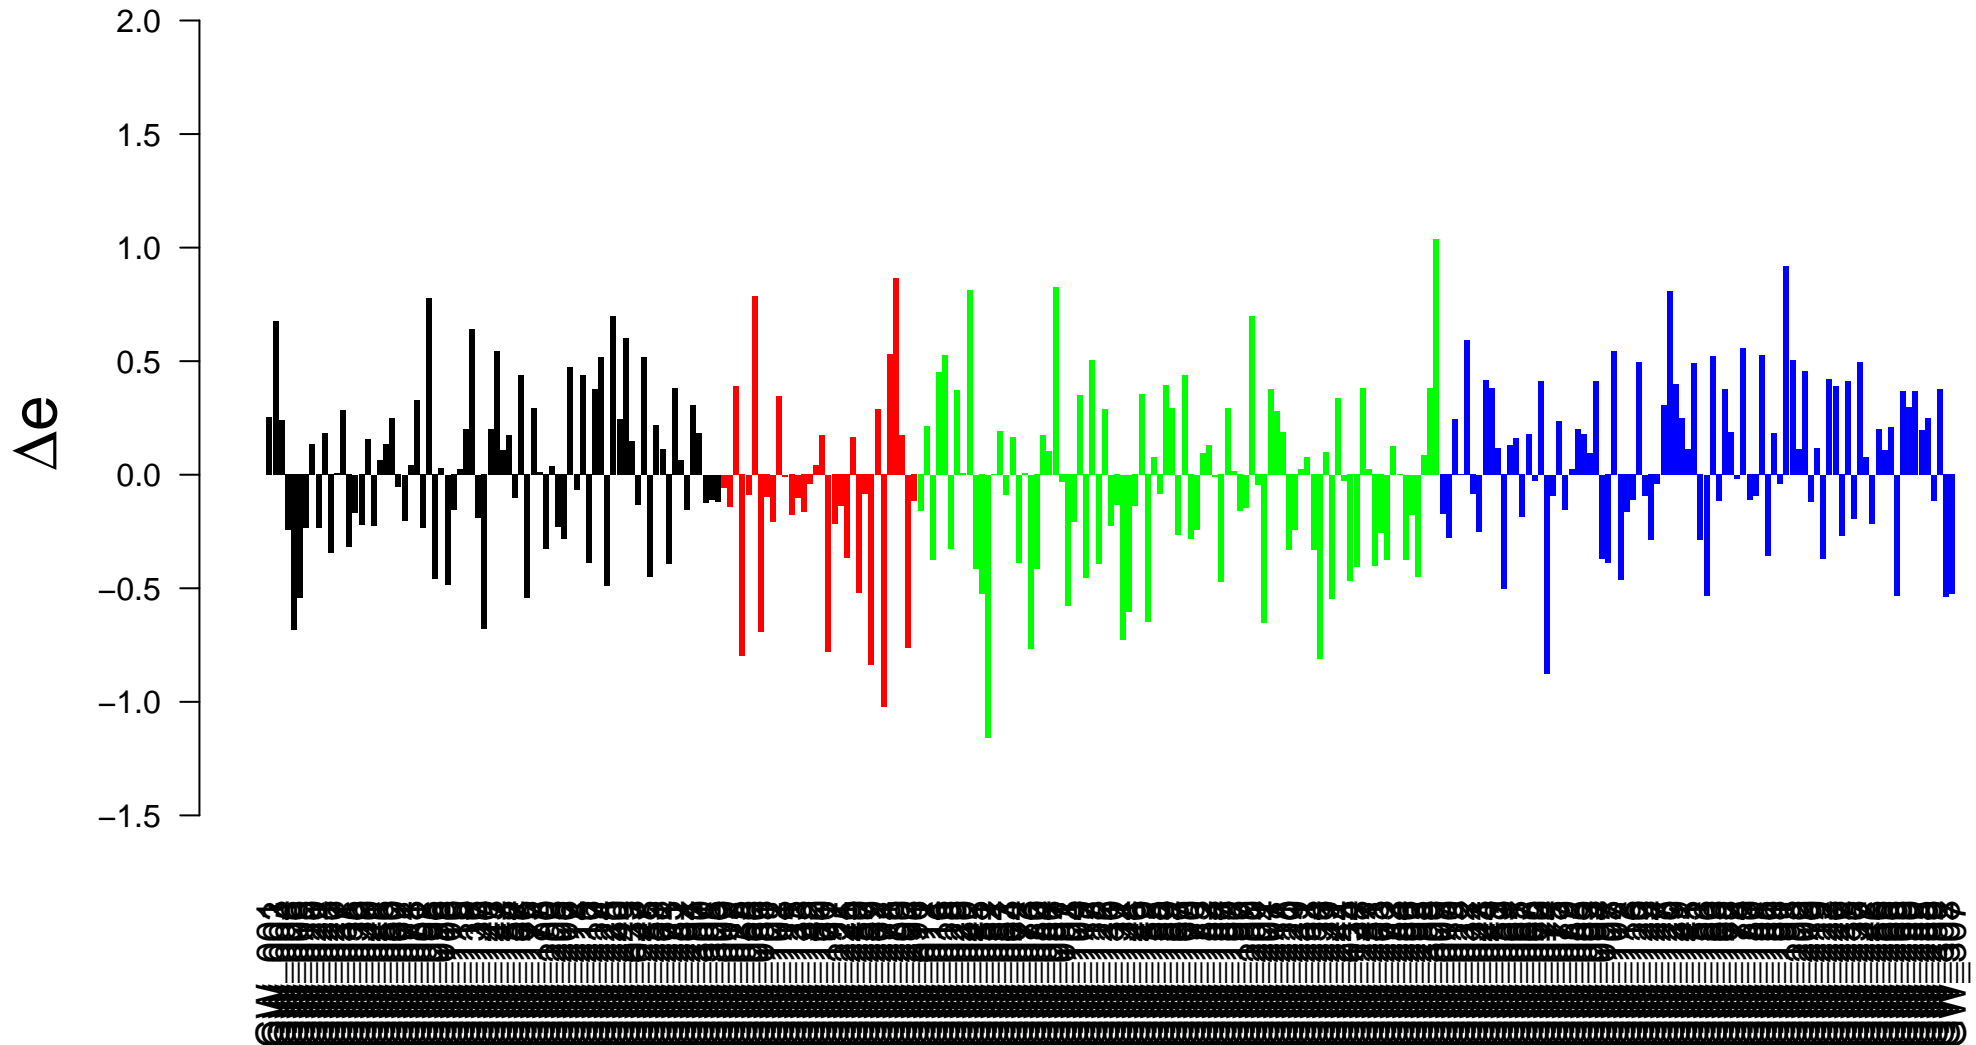

# Expression of nucleobase-containing small molecule metabolic process in Spot B

# Expression of nucleobase-containing small molecule metabolic process in Spot C

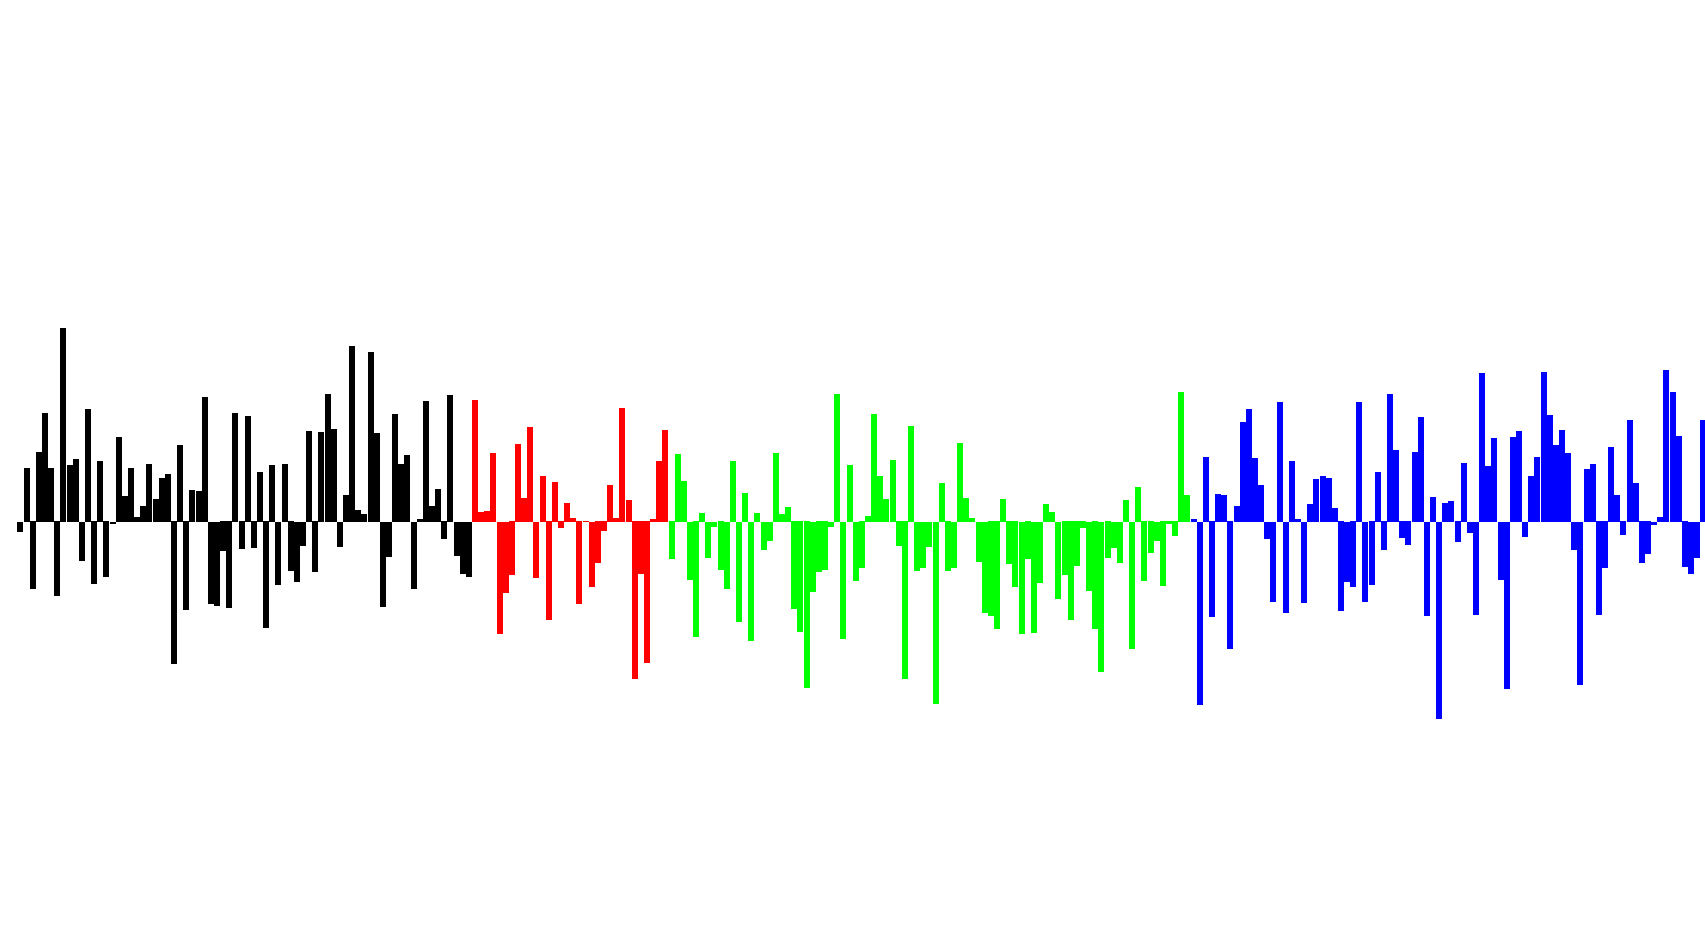

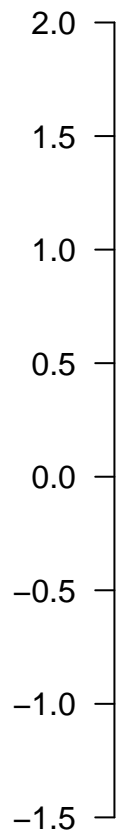

# Expression of nucleobase-containing small molecule metabolic process in Spot D

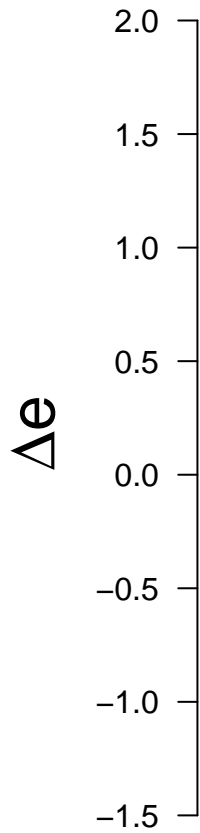

# Expression of nucleobase-containing small molecule metabolic process in Spot E

$\Delta e$

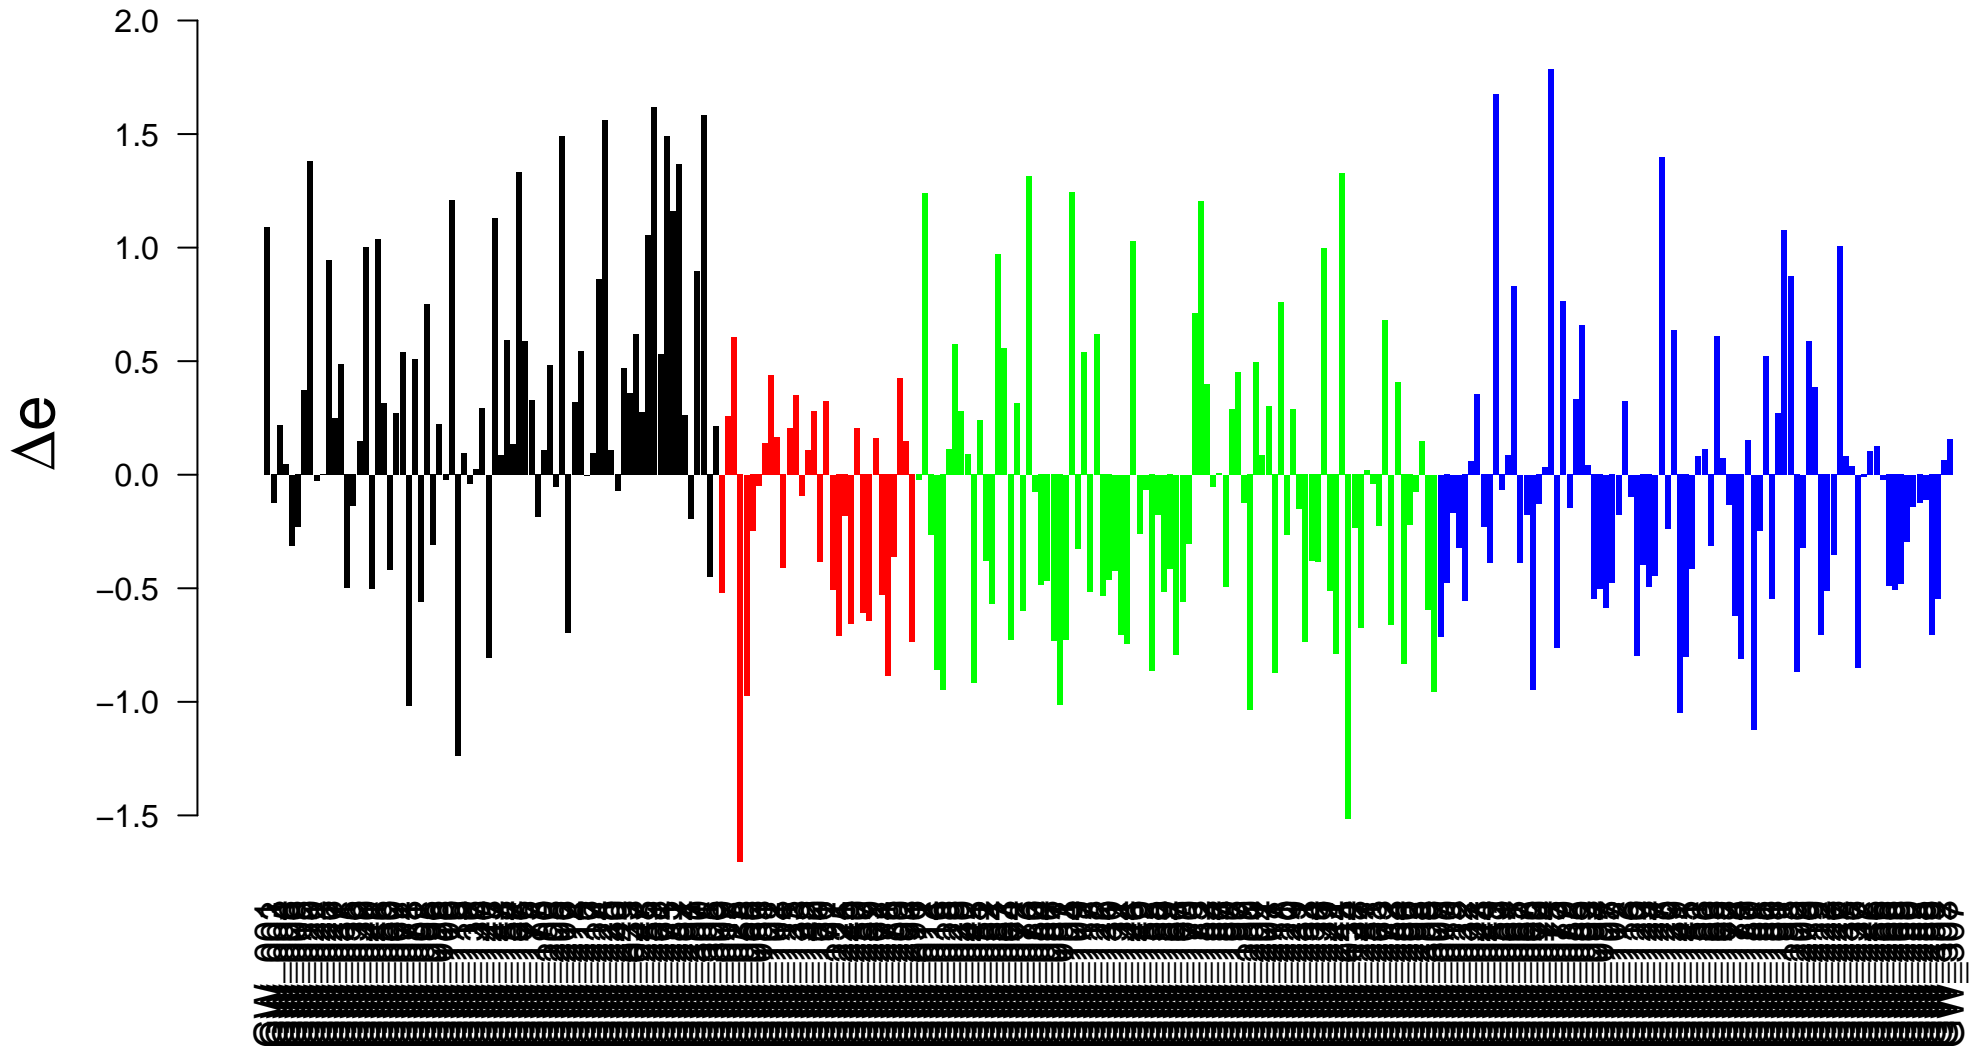

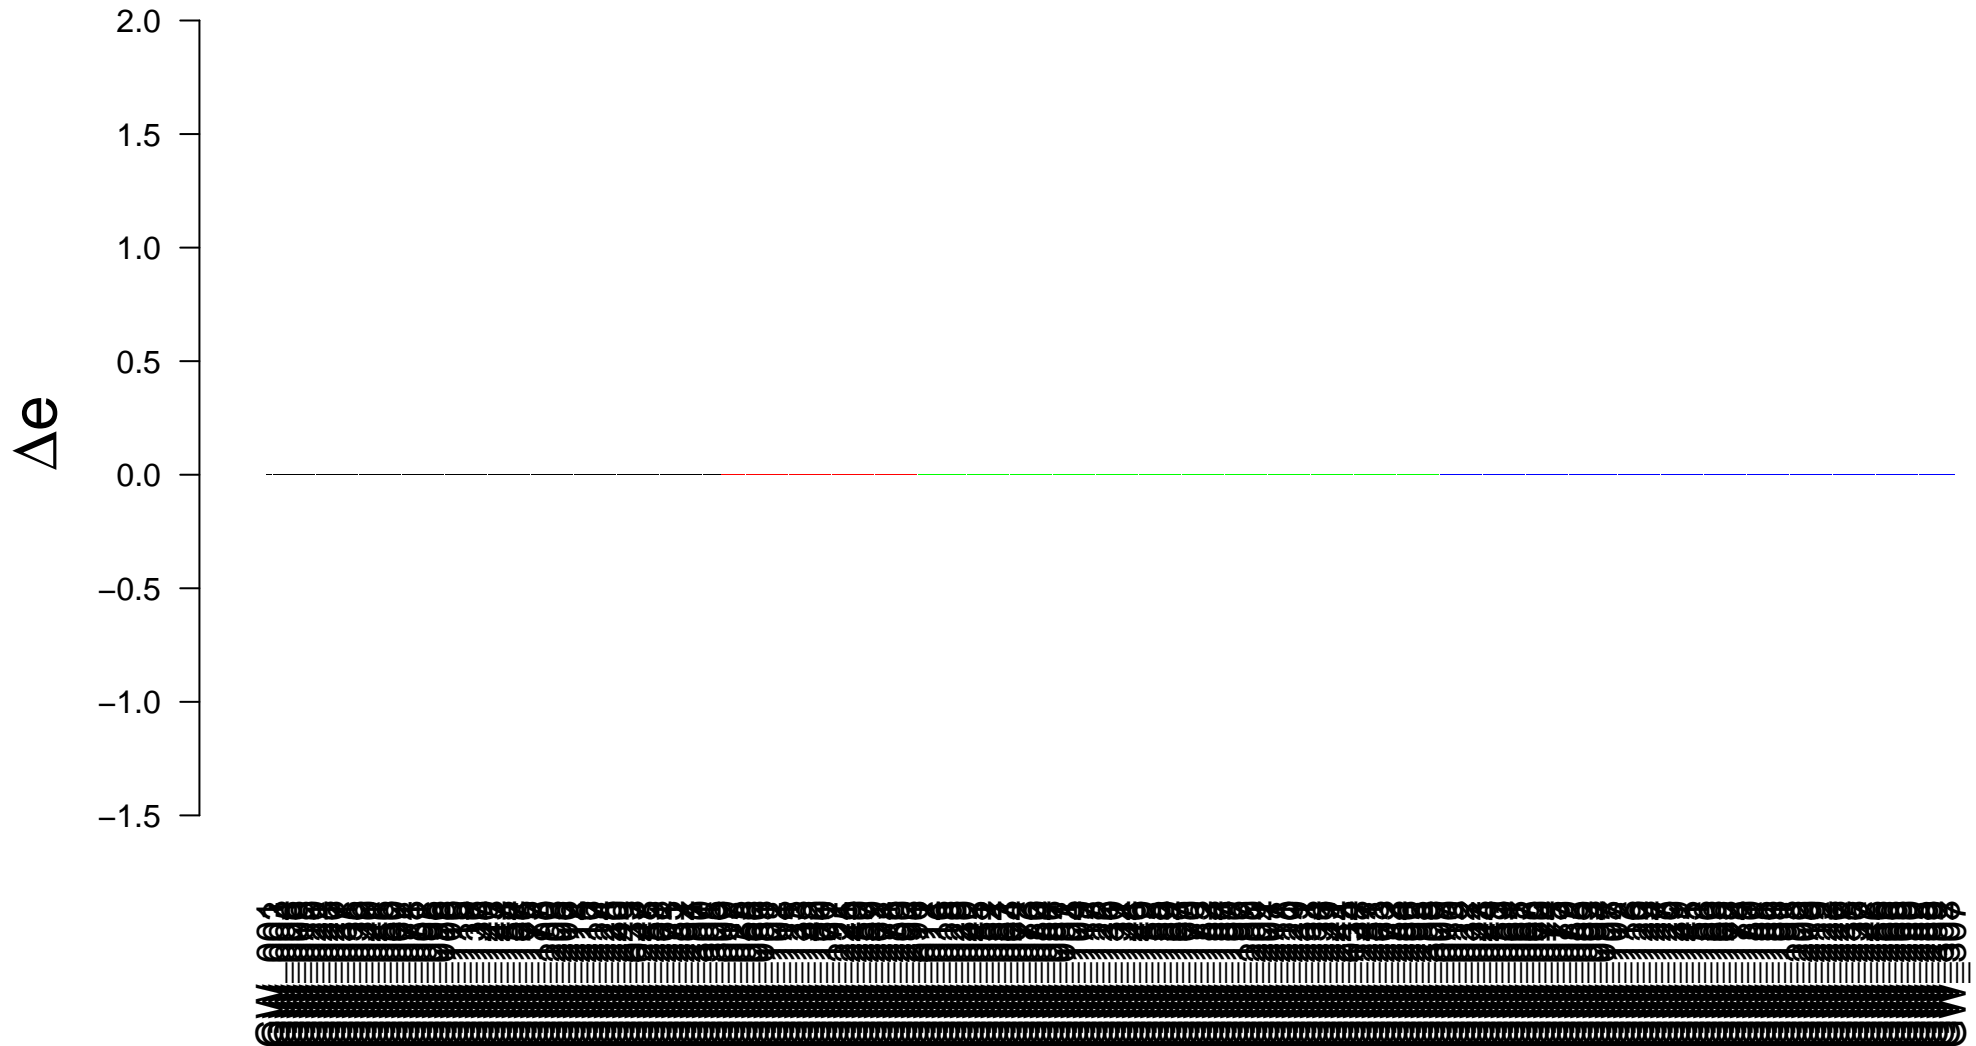

# Expression of nucleobase-containing small molecule metabolic process in Spot F

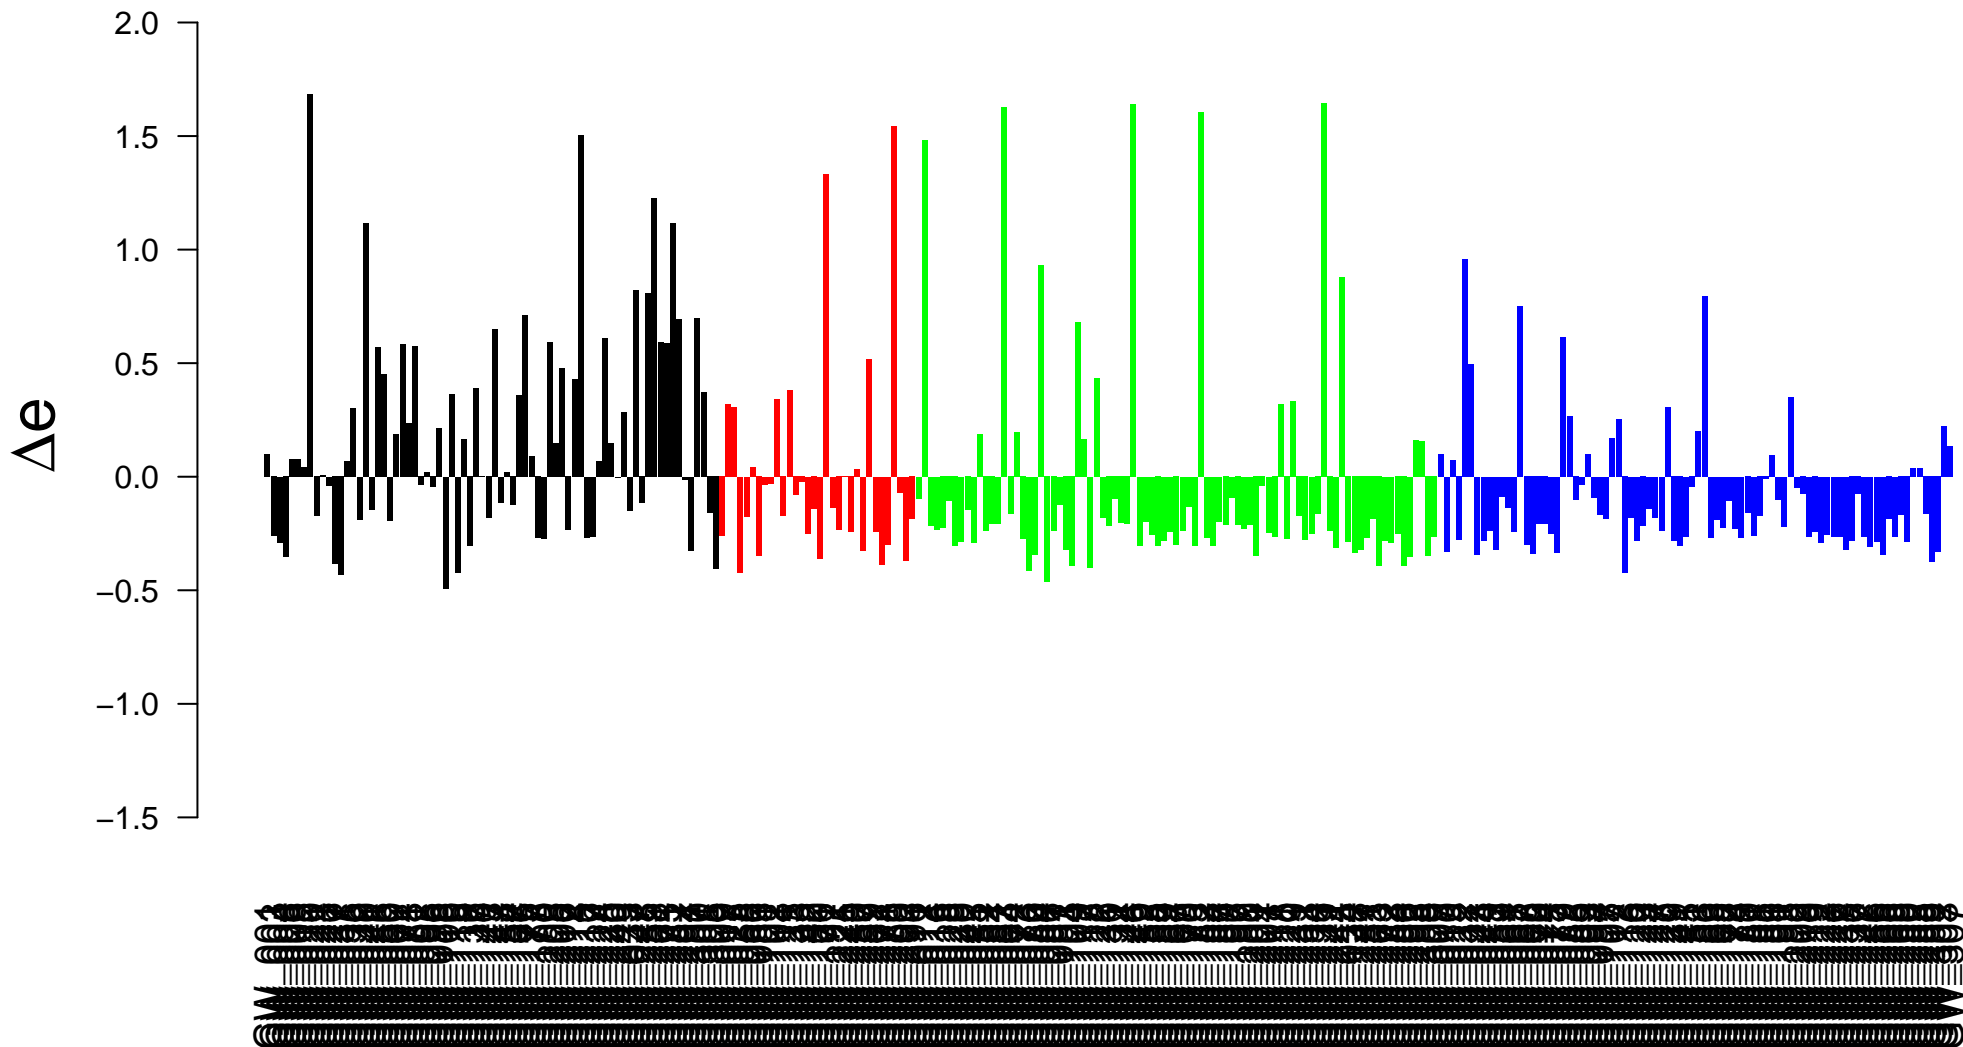

# Expression of nucleobase-containing small molecule metabolic process in Spot G

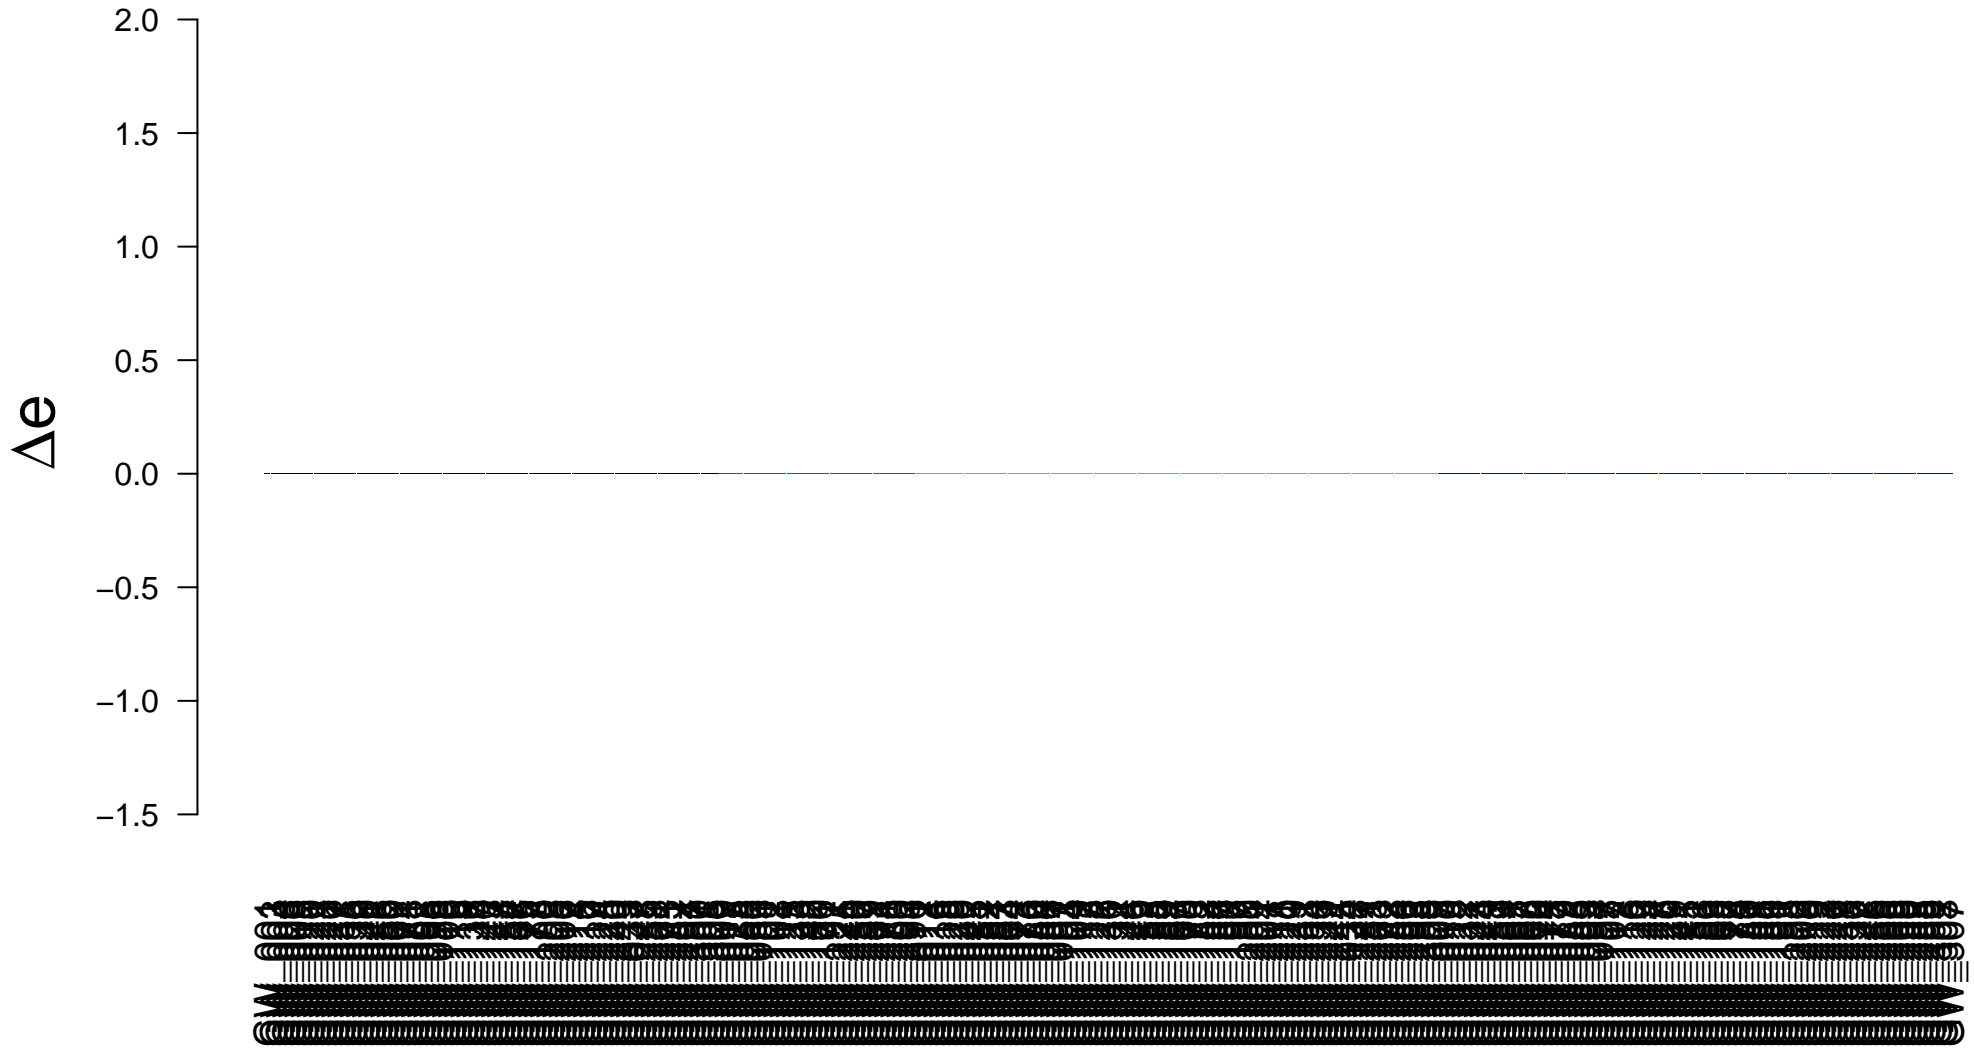

# Expression of nucleobase-containing small molecule metabolic process in Spot H

# Expression of nucleobase-containing small molecule metabolic process in Spot I

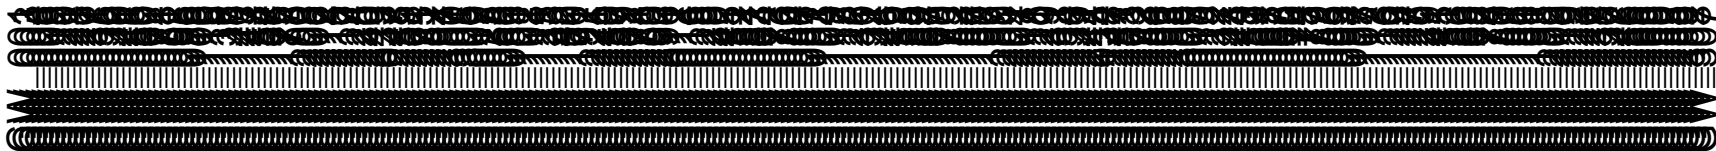

# Expression of nucleobase-containing small molecule metabolic process in Spot J

# Expression of nucleobase-containing small molecule metabolic process in Spot K
