

nucleocytoplasmic transporter activity

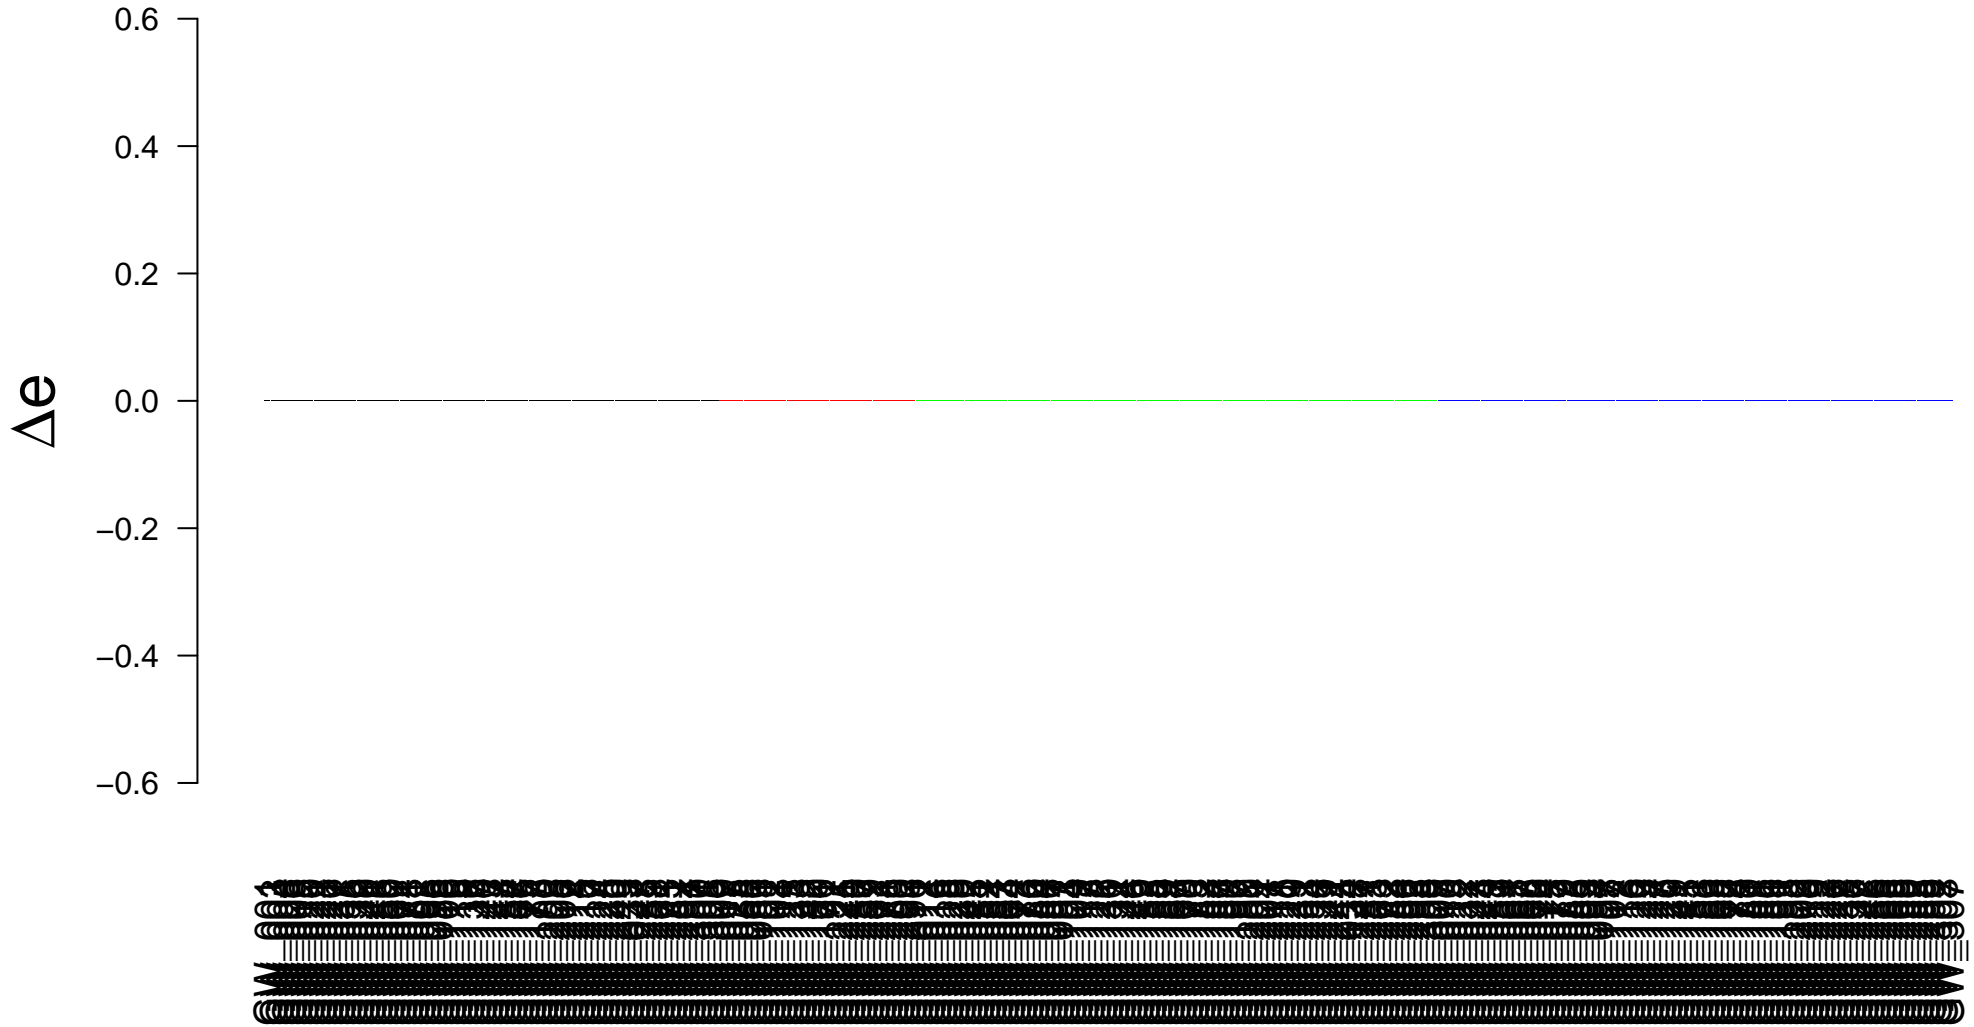

nucleocytoplasmic transporter activity

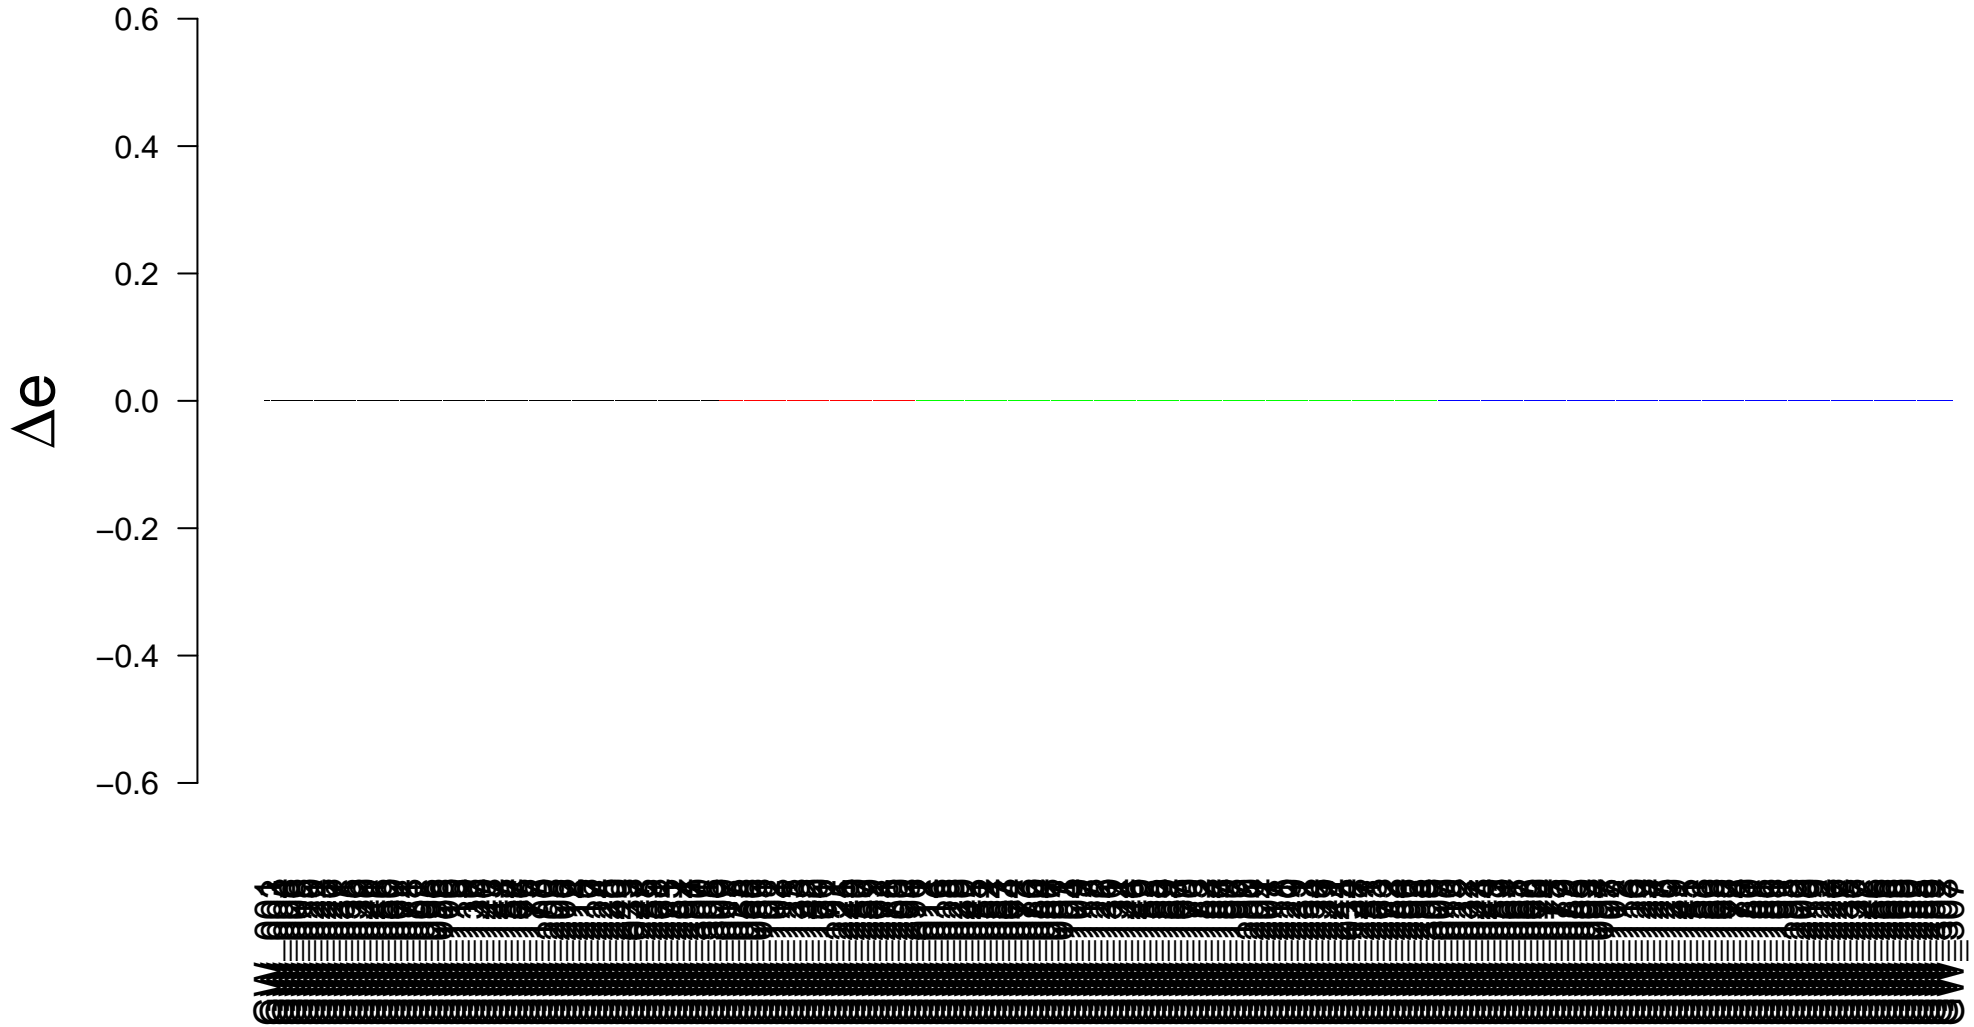

Enrichment in spots: nucleocytoplasmic transporter activity

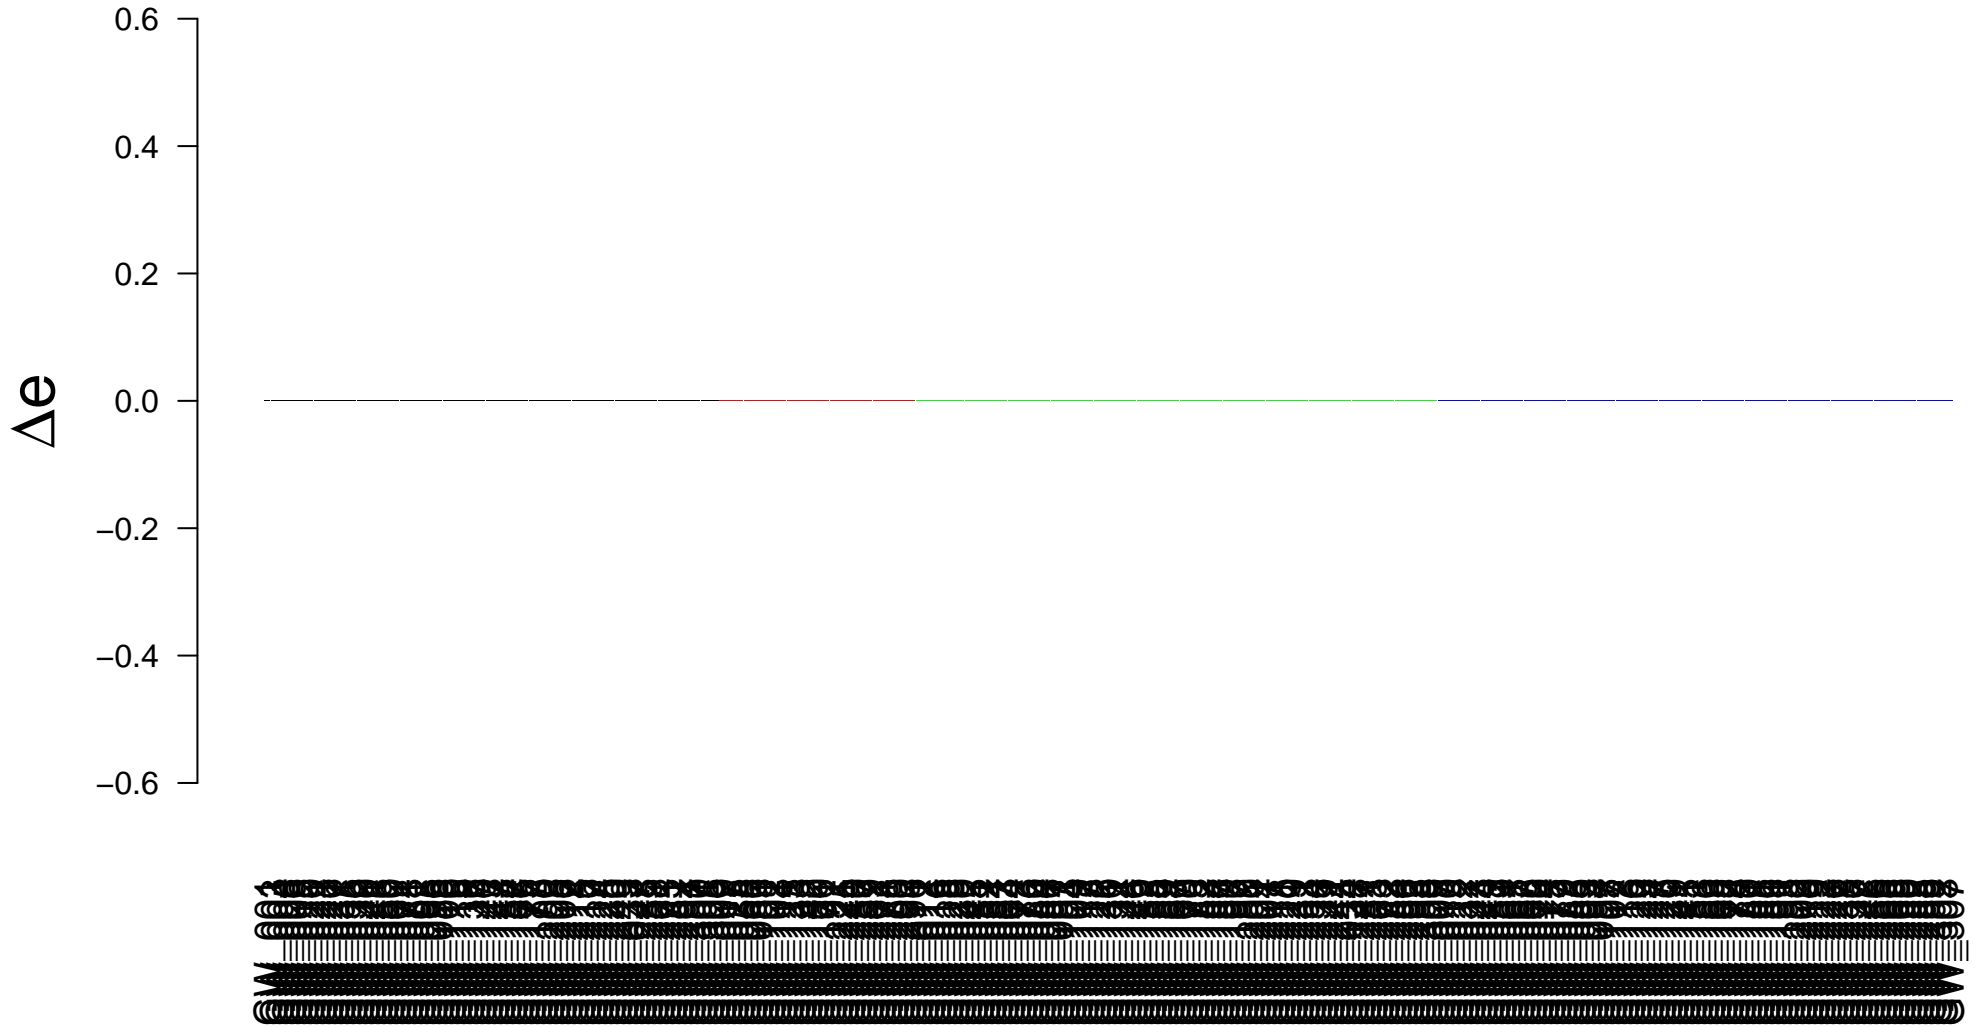

Expression of nucleocytoplasmic transporter activity in Spot A

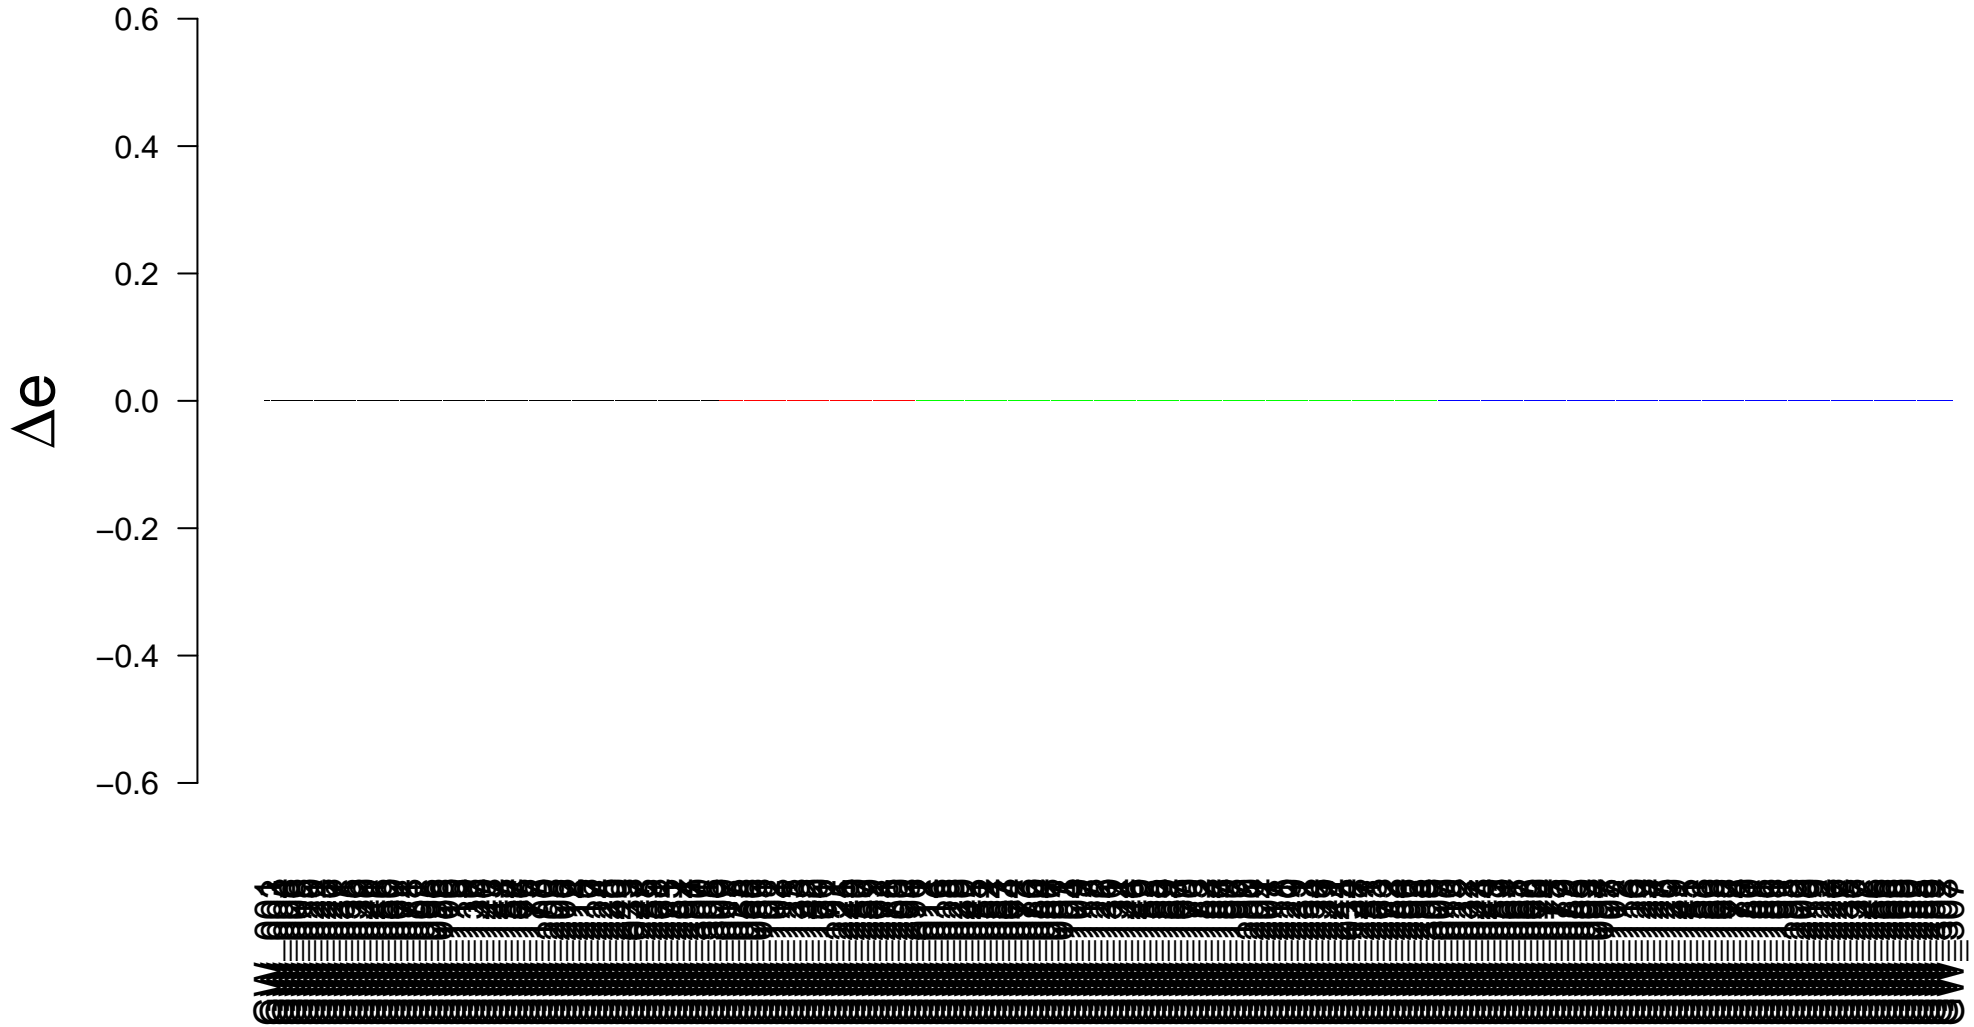

Expression of nucleocytoplasmic transporter activity in Spot B

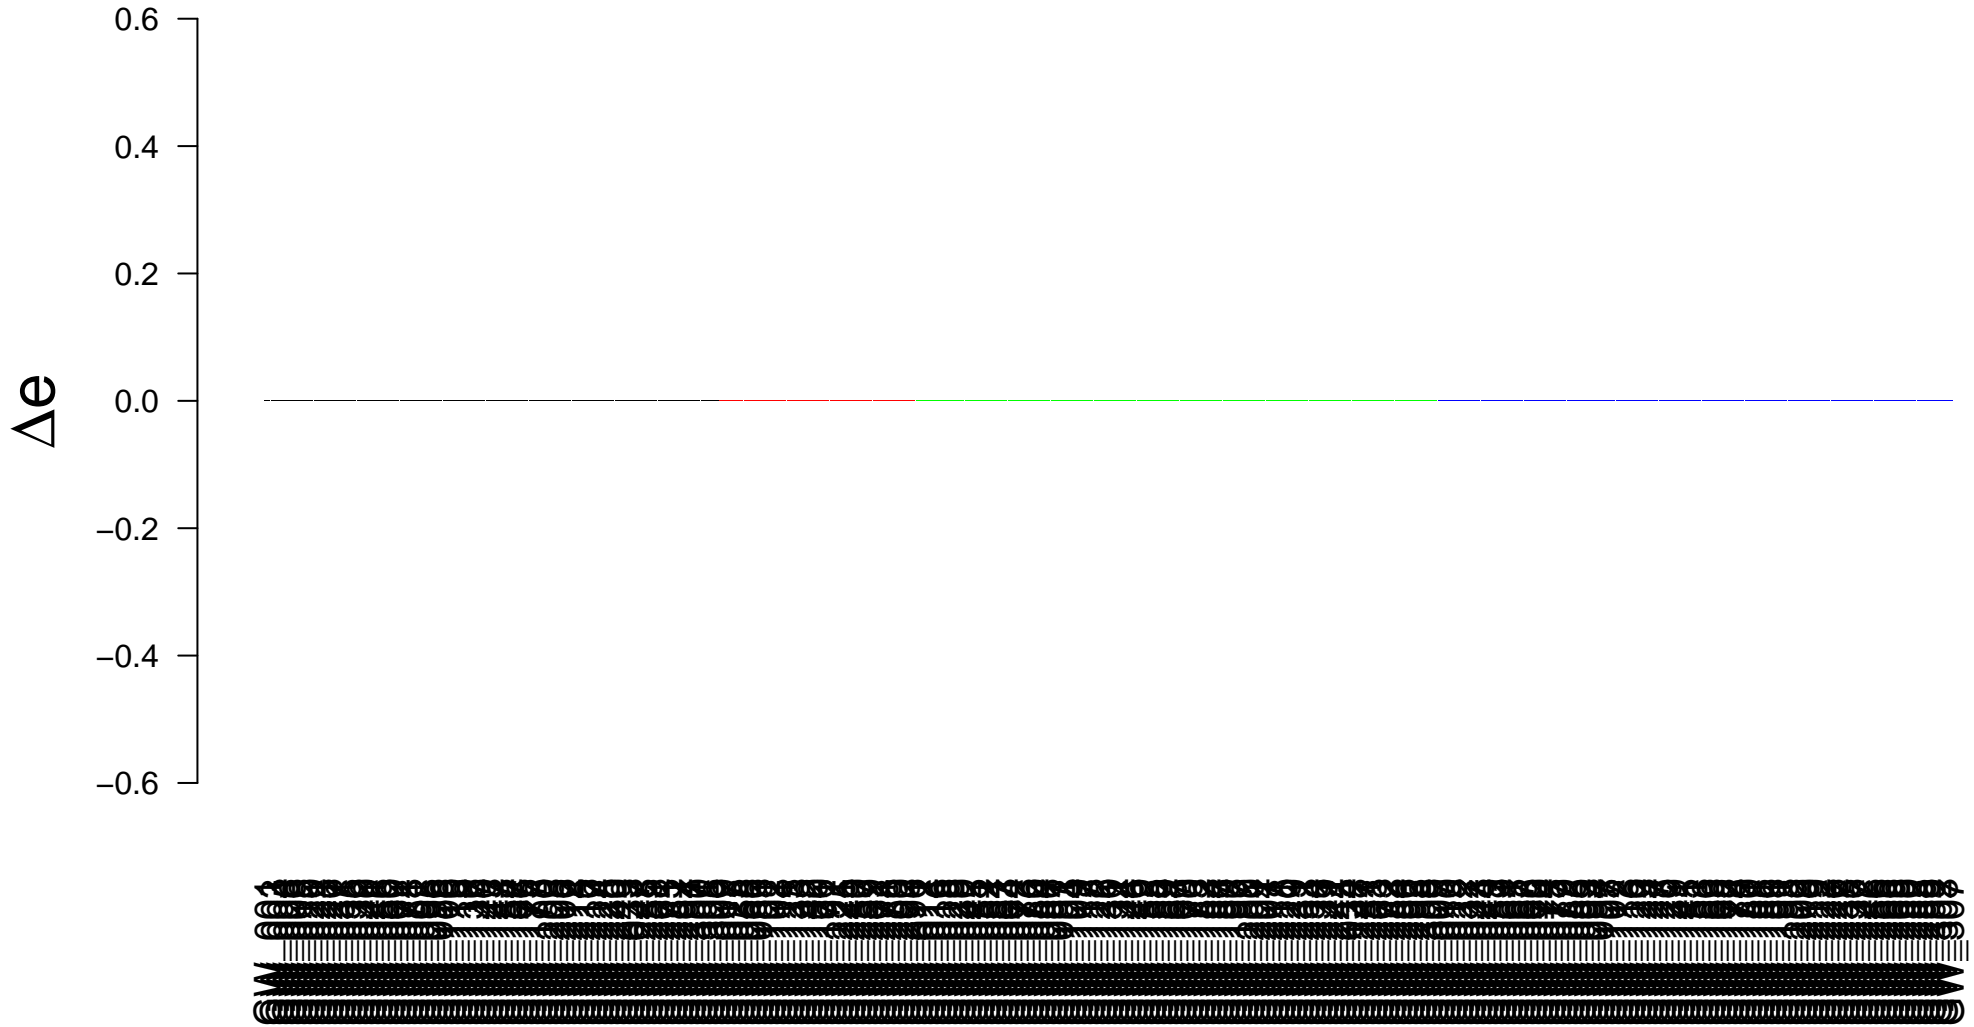

Expression of nucleocytoplasmic transporter activity in Spot C

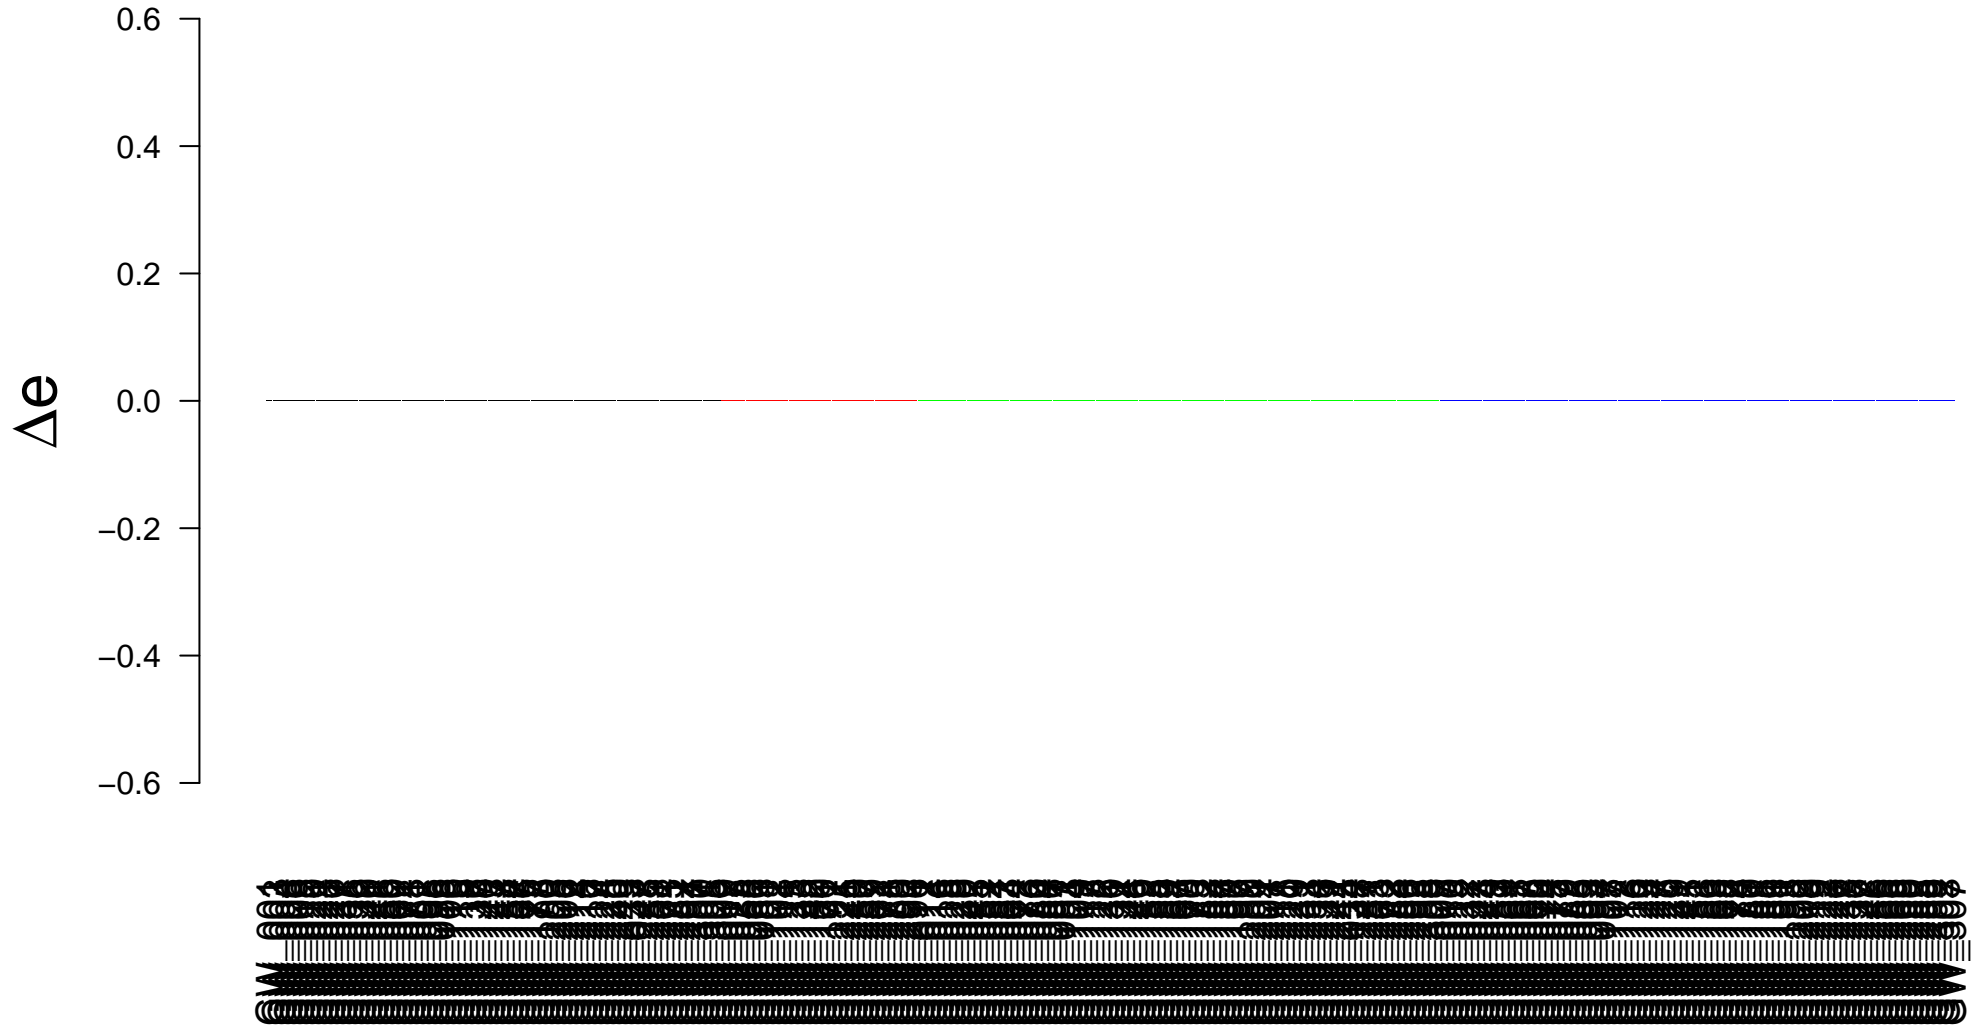

Expression of nucleocytoplasmic transporter activity in Spot D

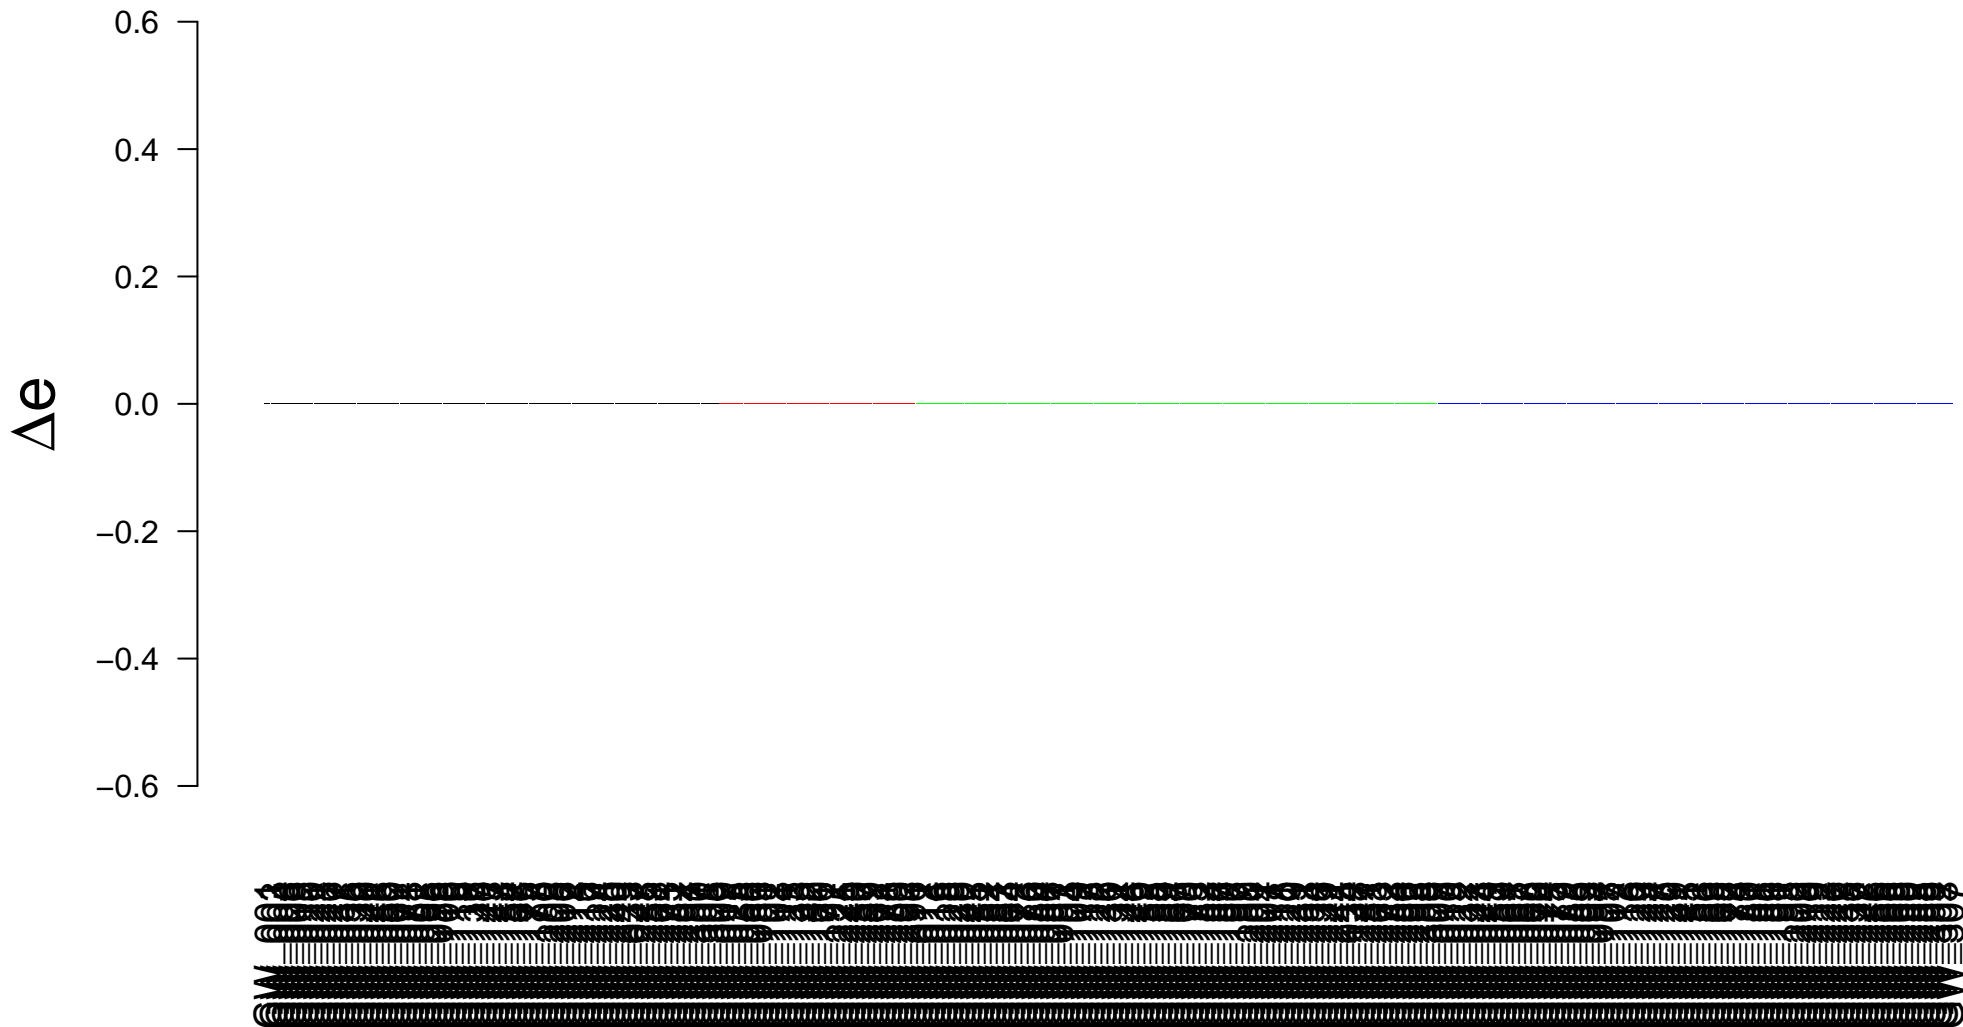

Expression of nucleocytoplasmic transporter activity in Spot E

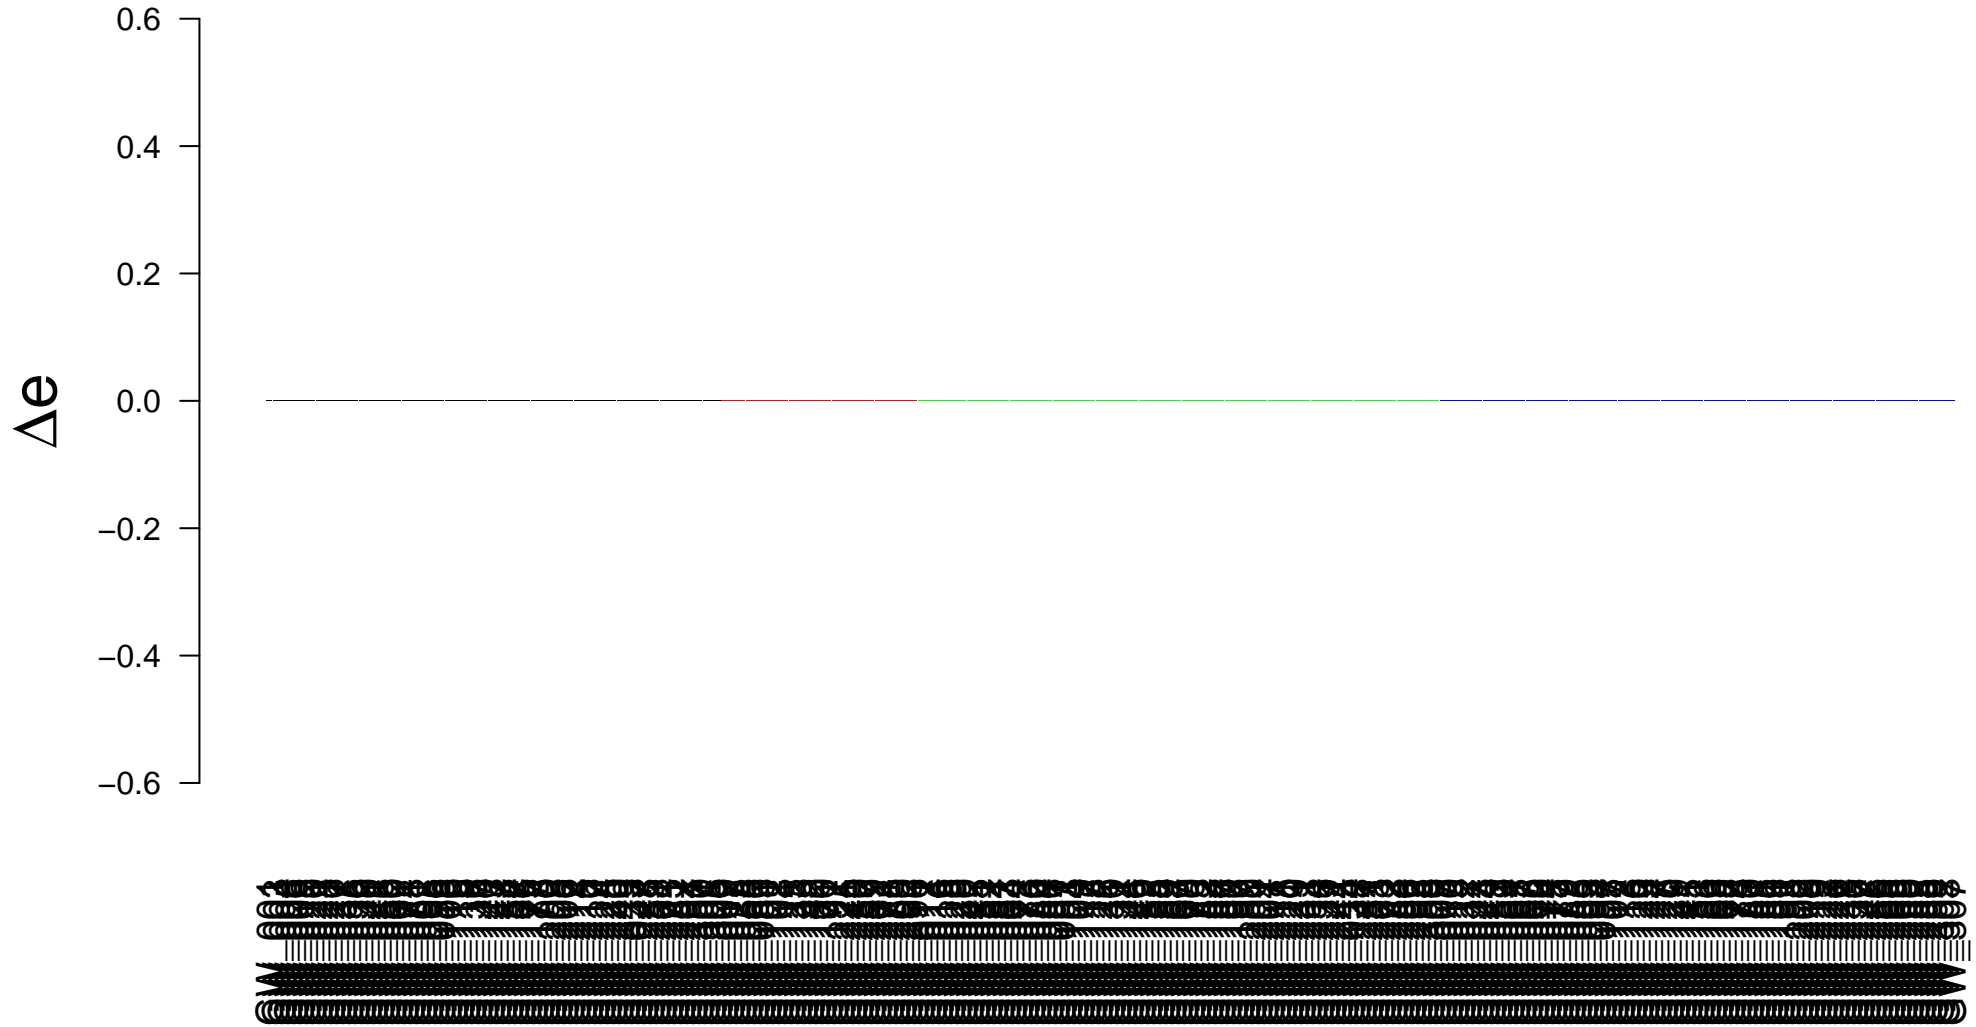

Expression of nucleocytoplasmic transporter activity in Spot F

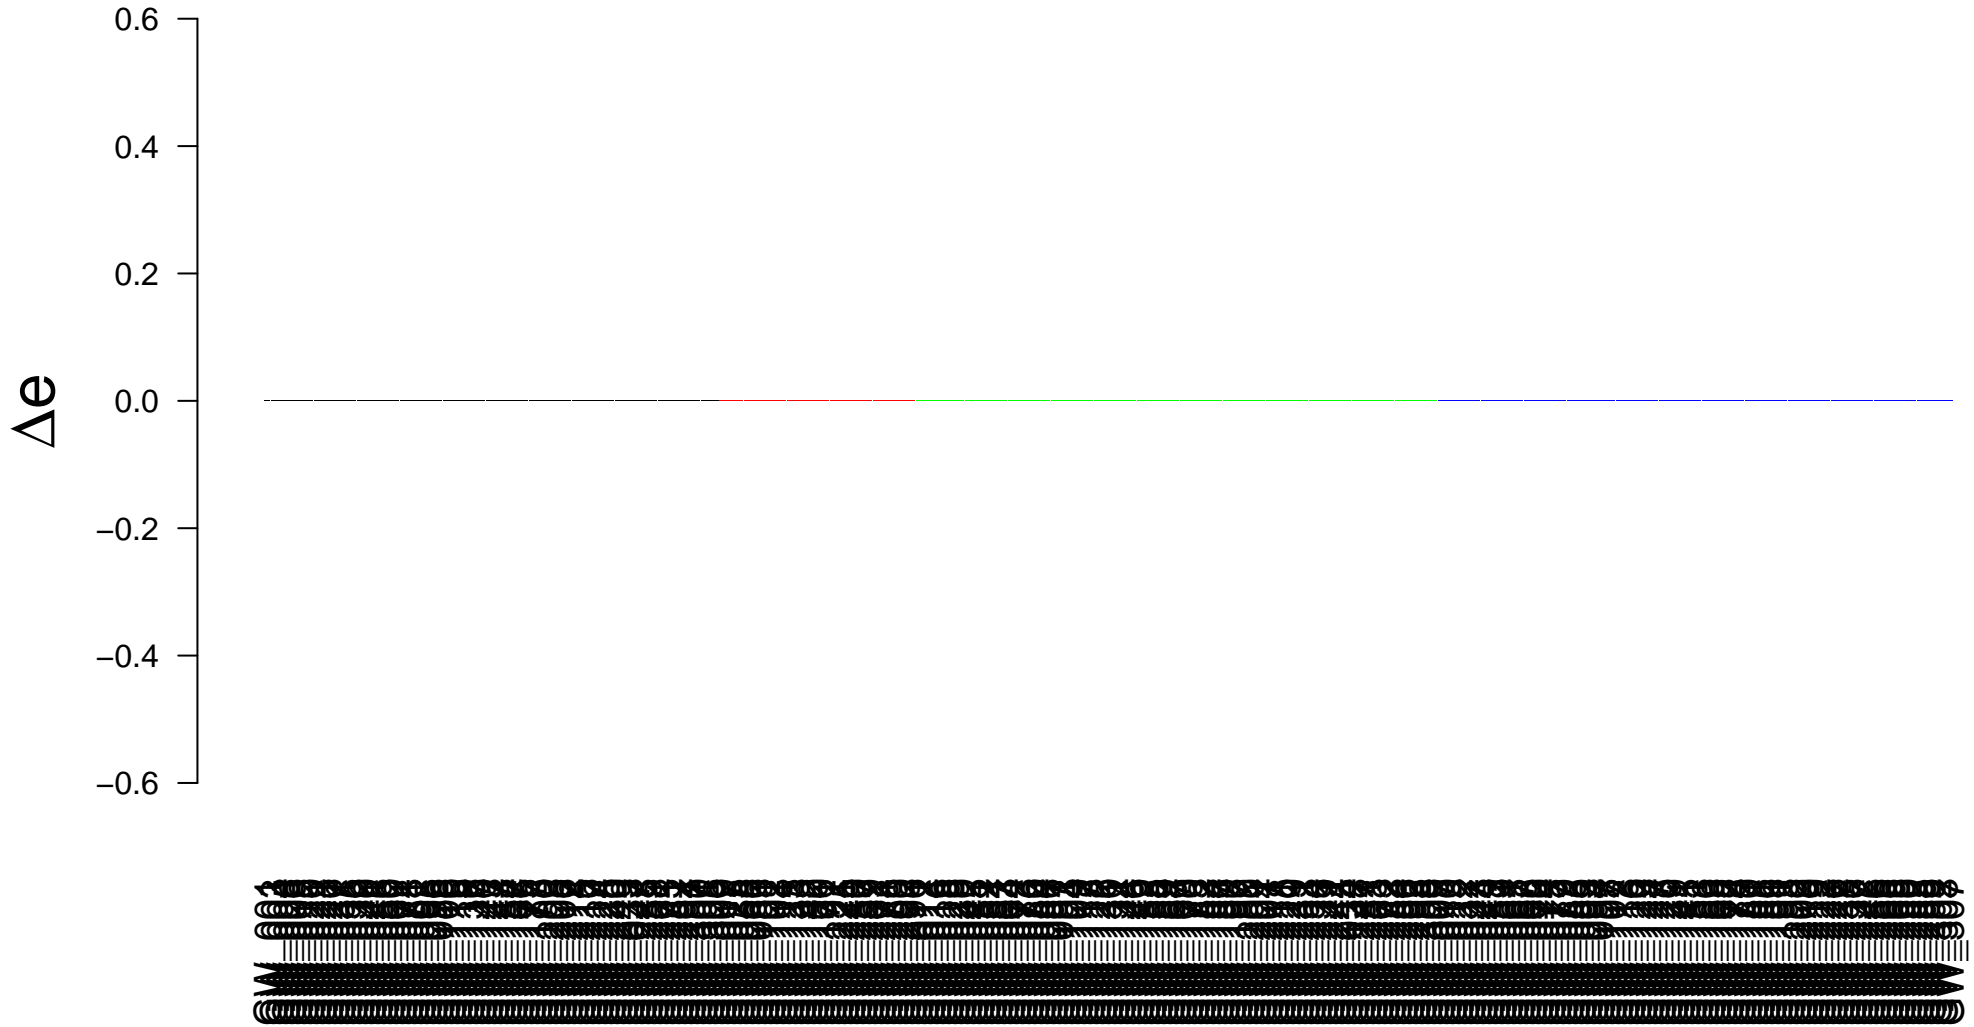

Expression of nucleocytoplasmic transporter activity in Spot G

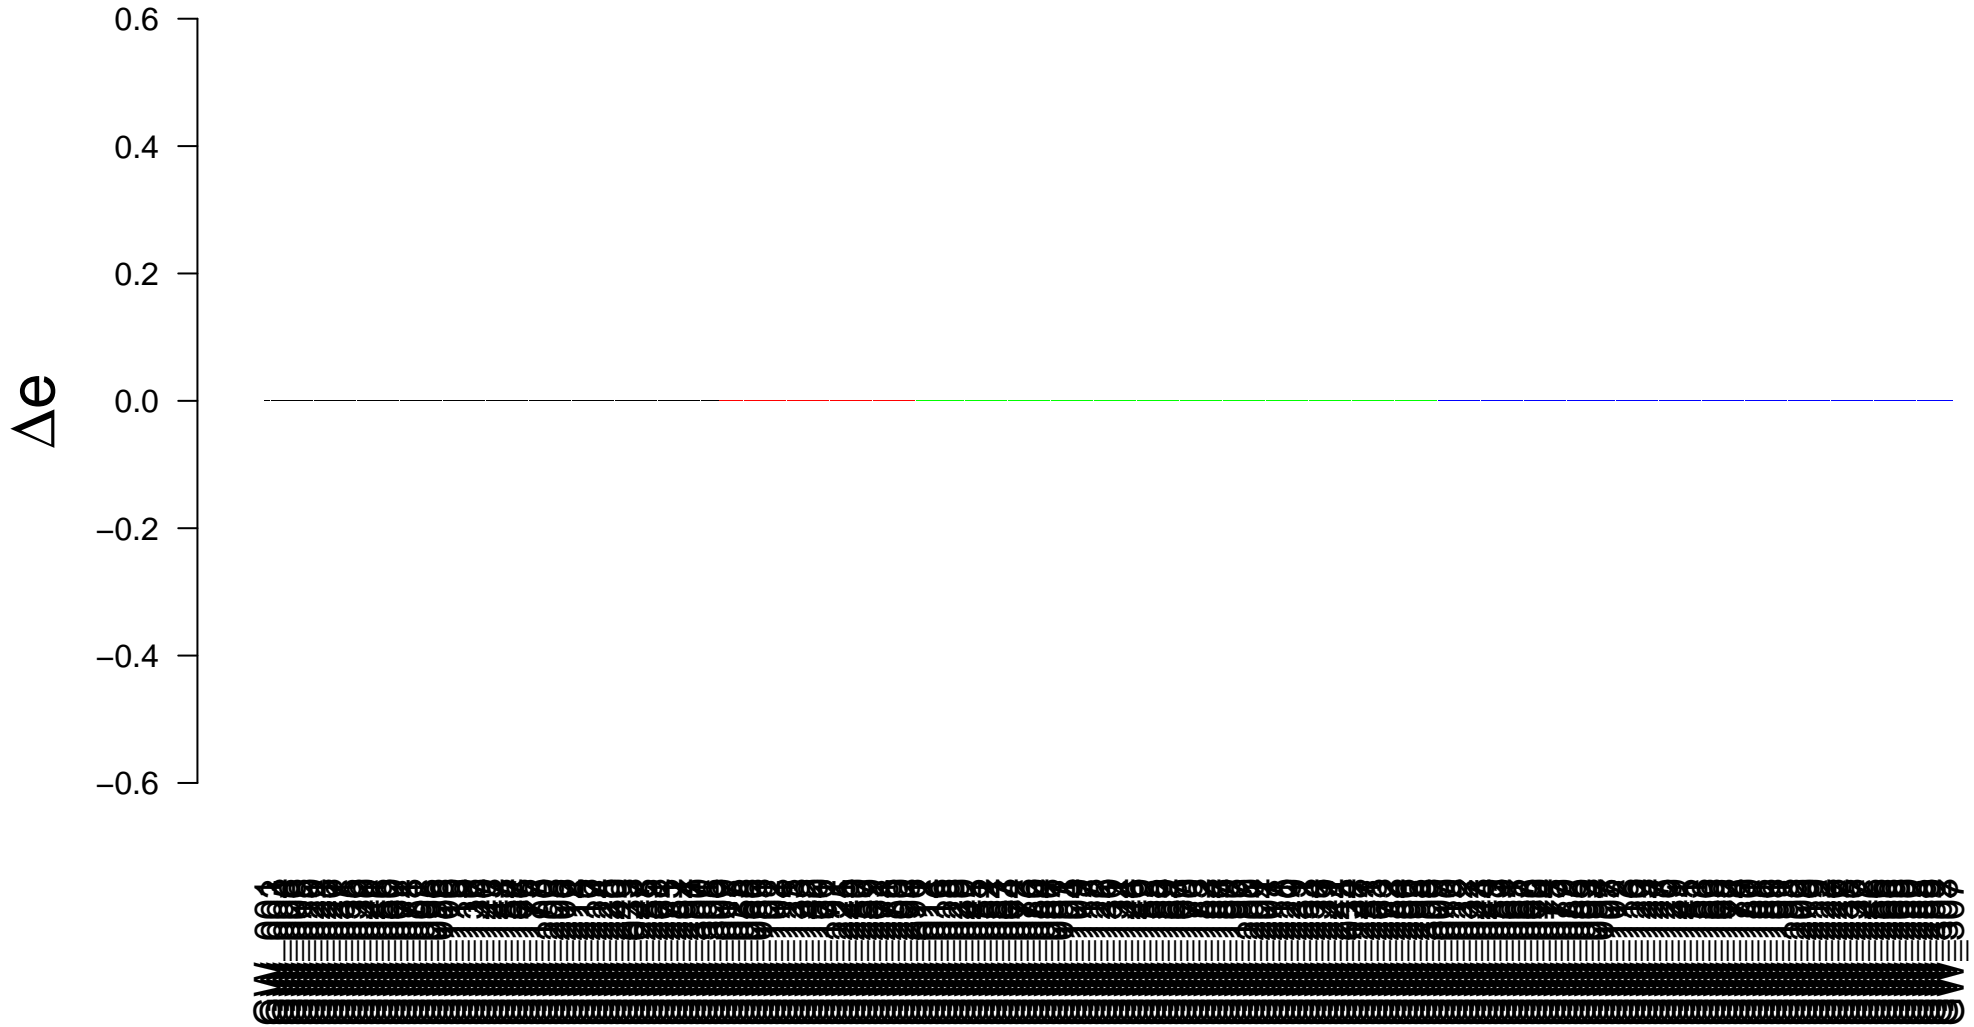

Expression of nucleocytoplasmic transporter activity in Spot H

Expression of nucleocytoplasmic transporter activity in Spot I

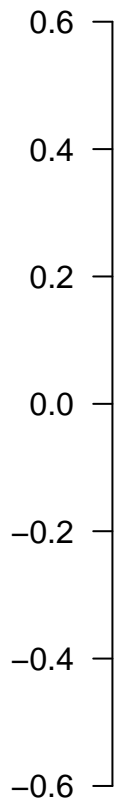

Expression of nucleocytoplasmic transporter activity in Spot J

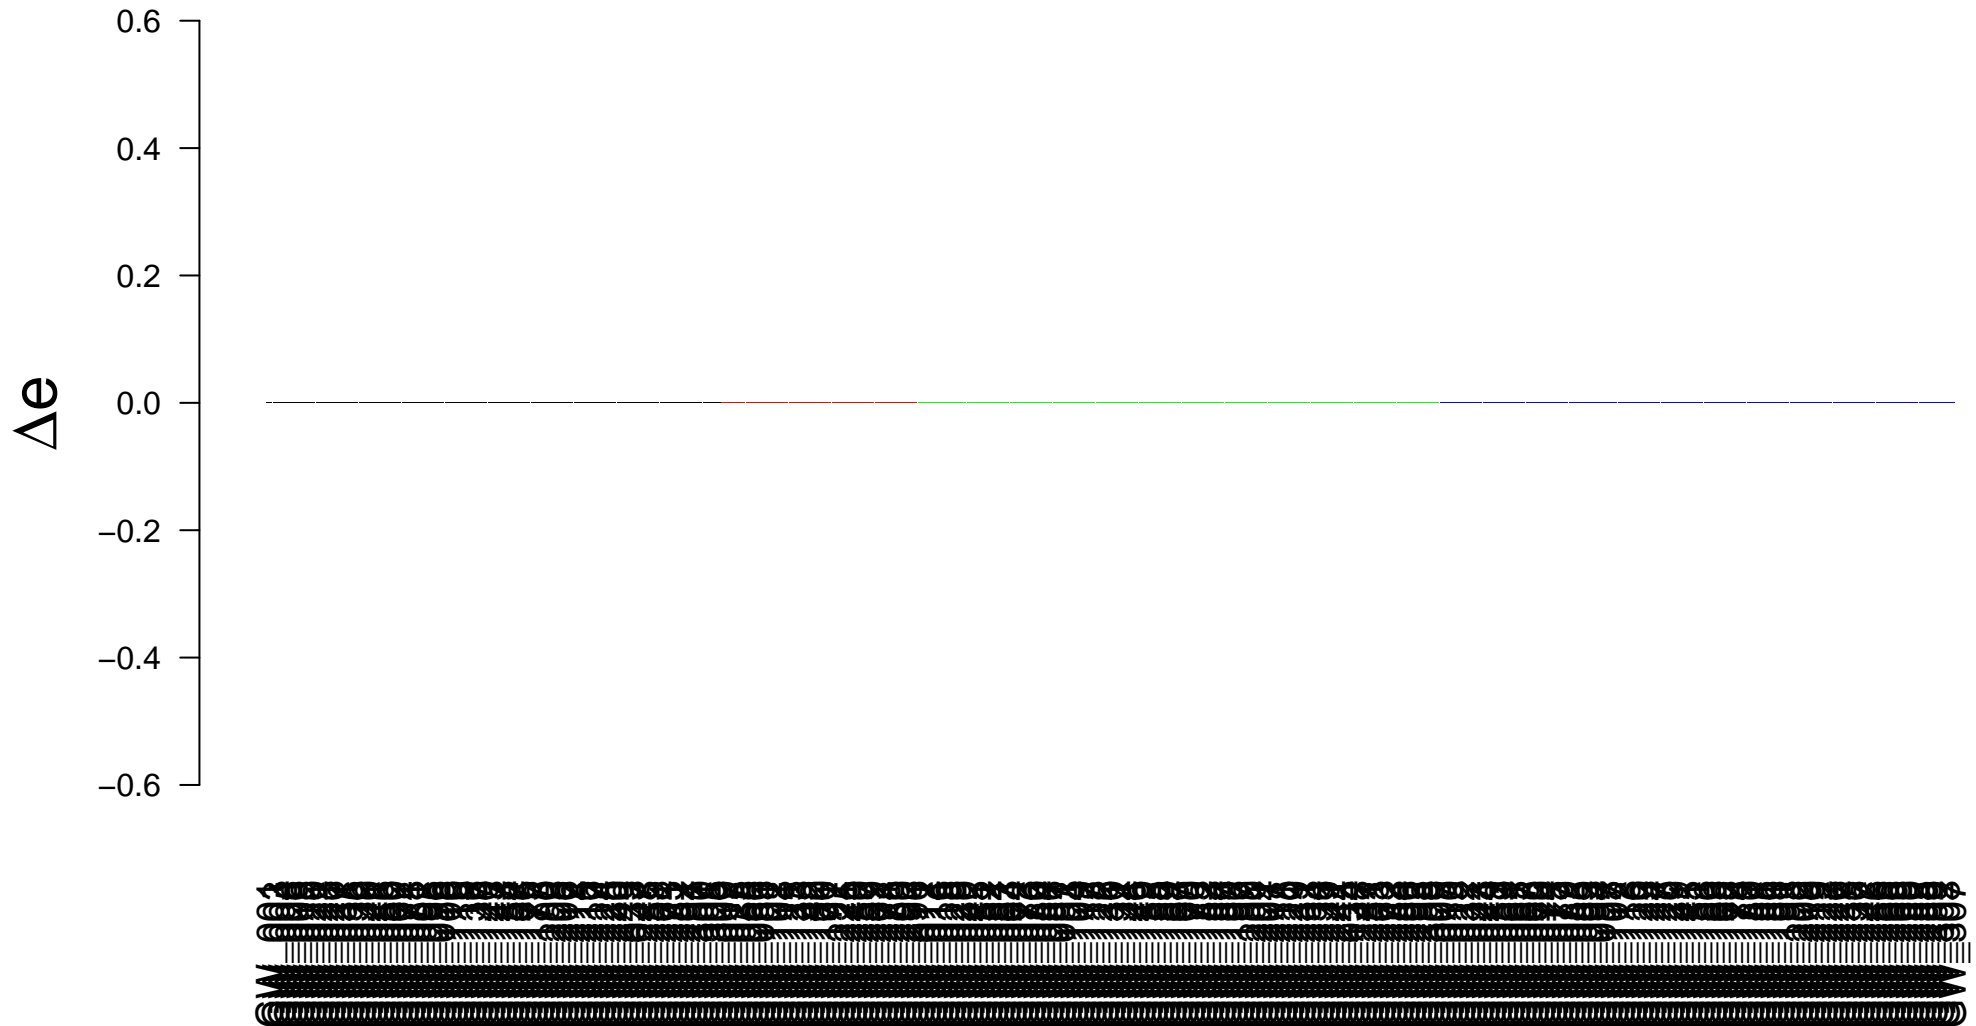

Expression of nucleocytoplasmic transporter activity in Spot K

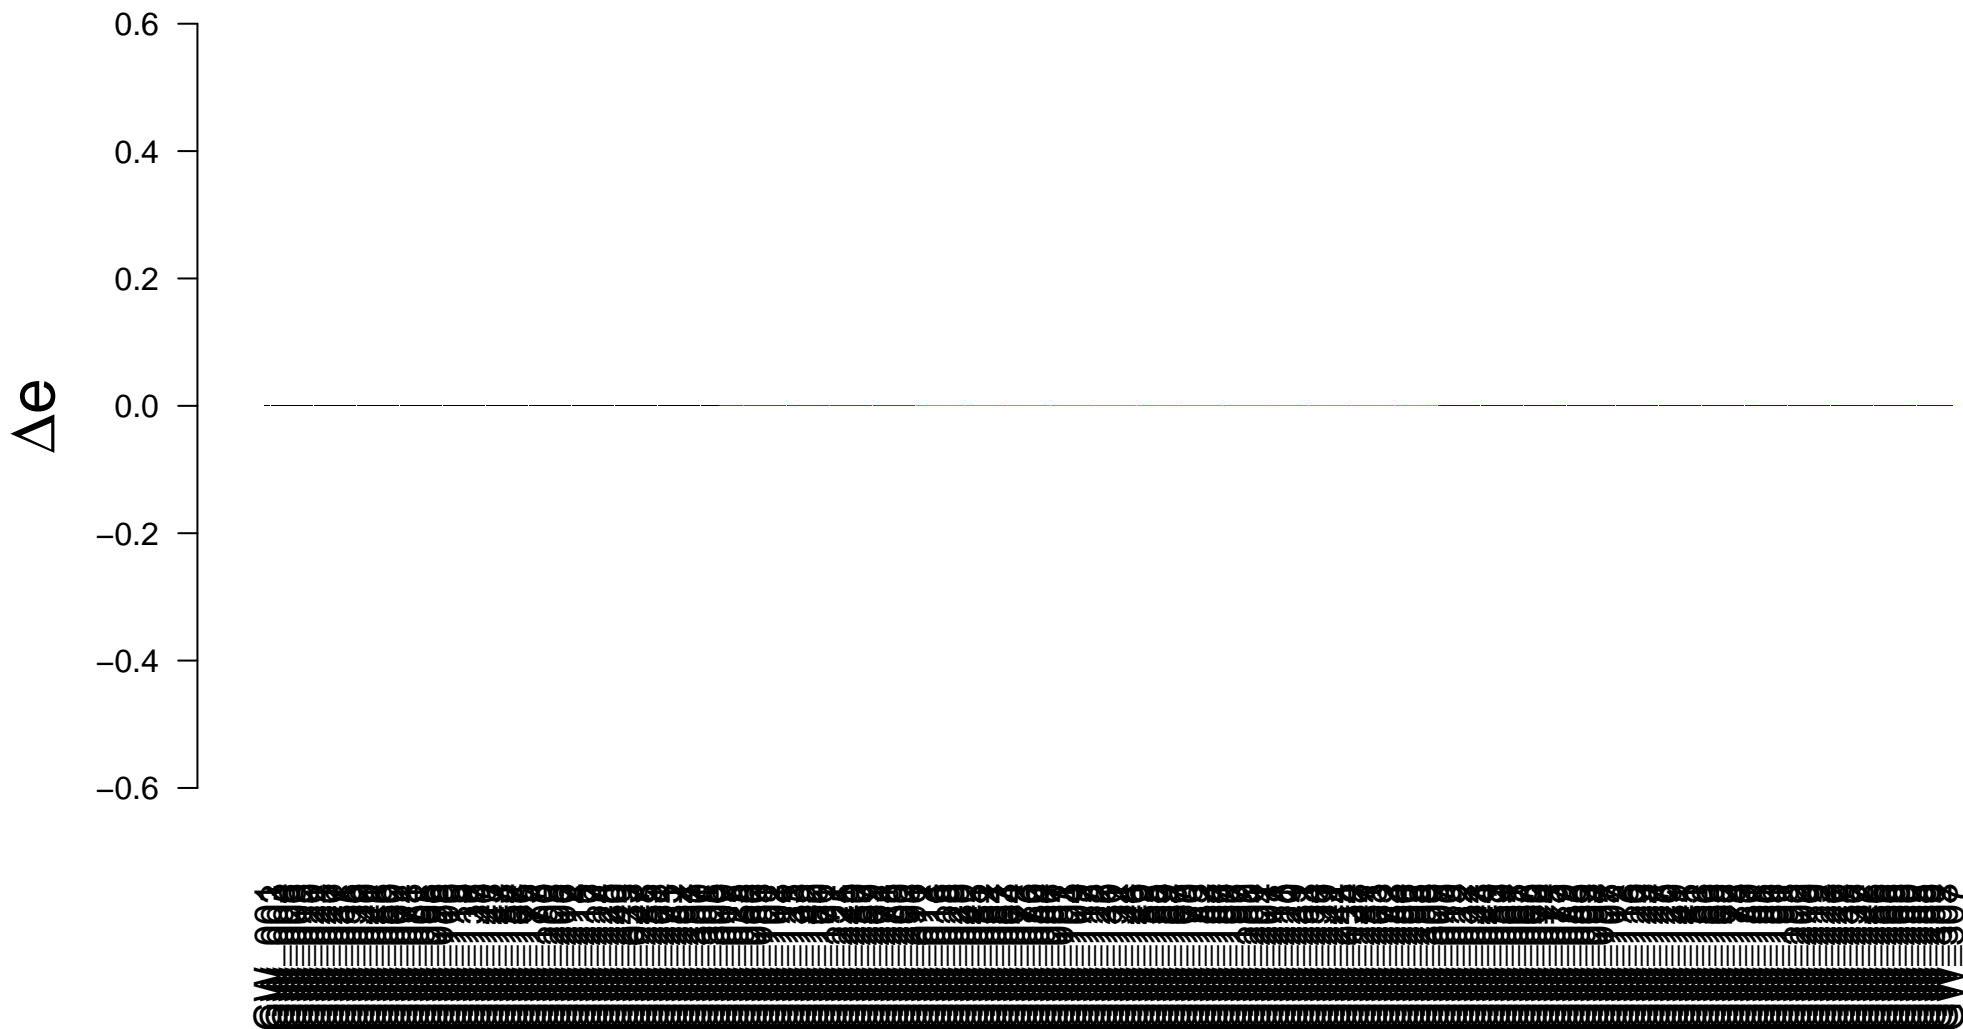

Δe

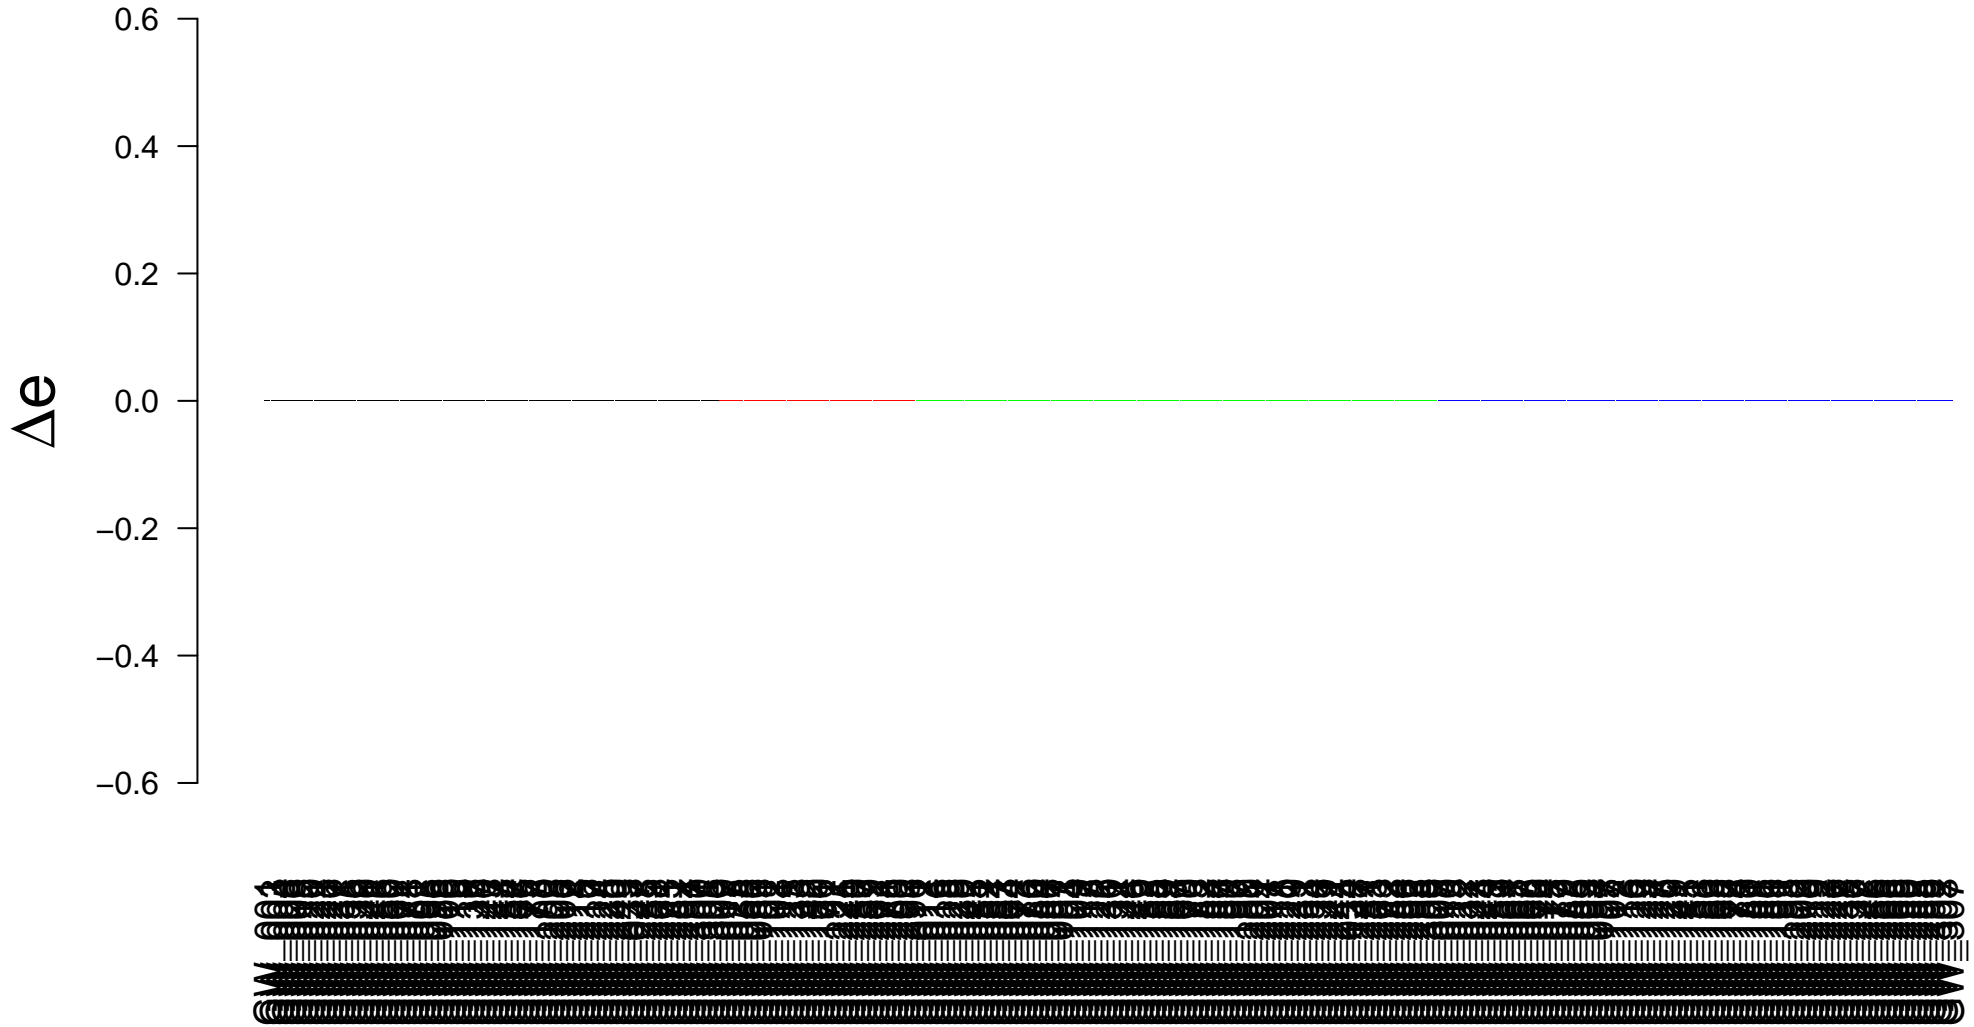

Expression of nucleocytoplasmic transporter activity in Spot L

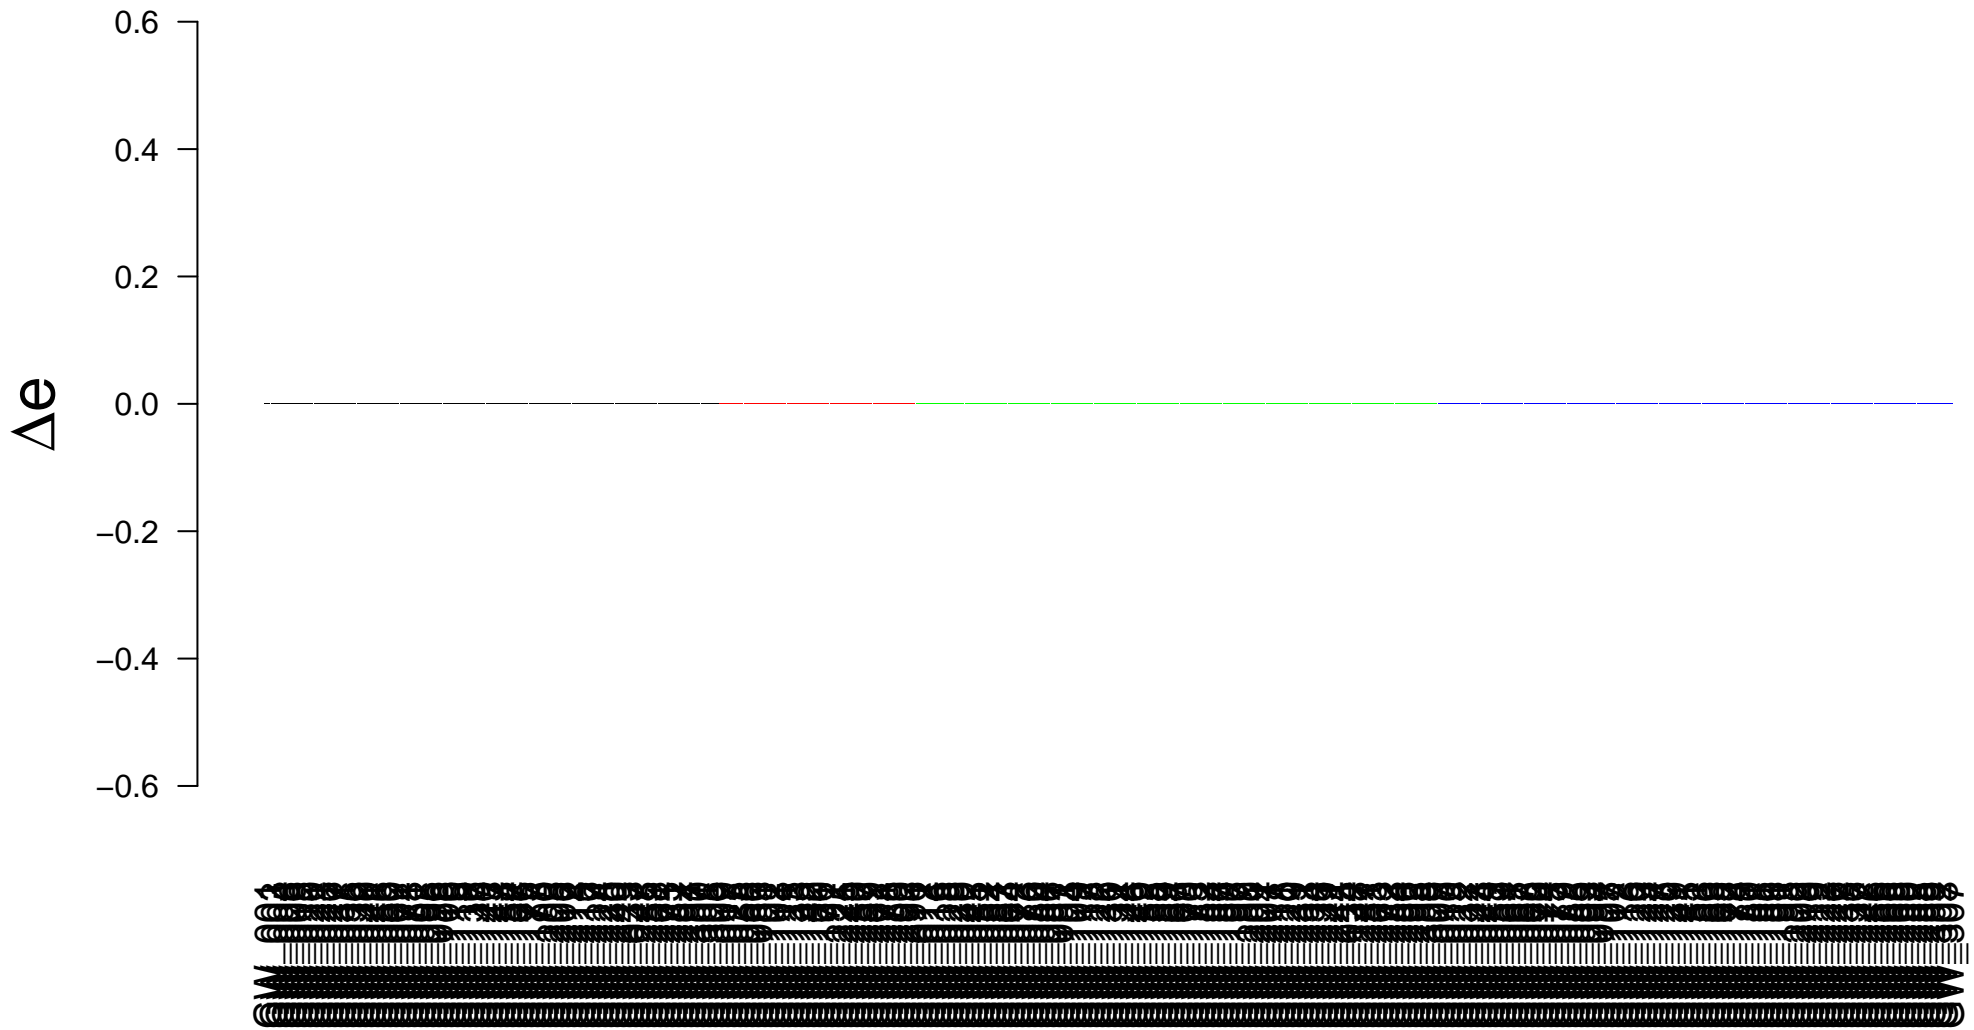

Expression of nucleocytoplasmic transporter activity in Spot M

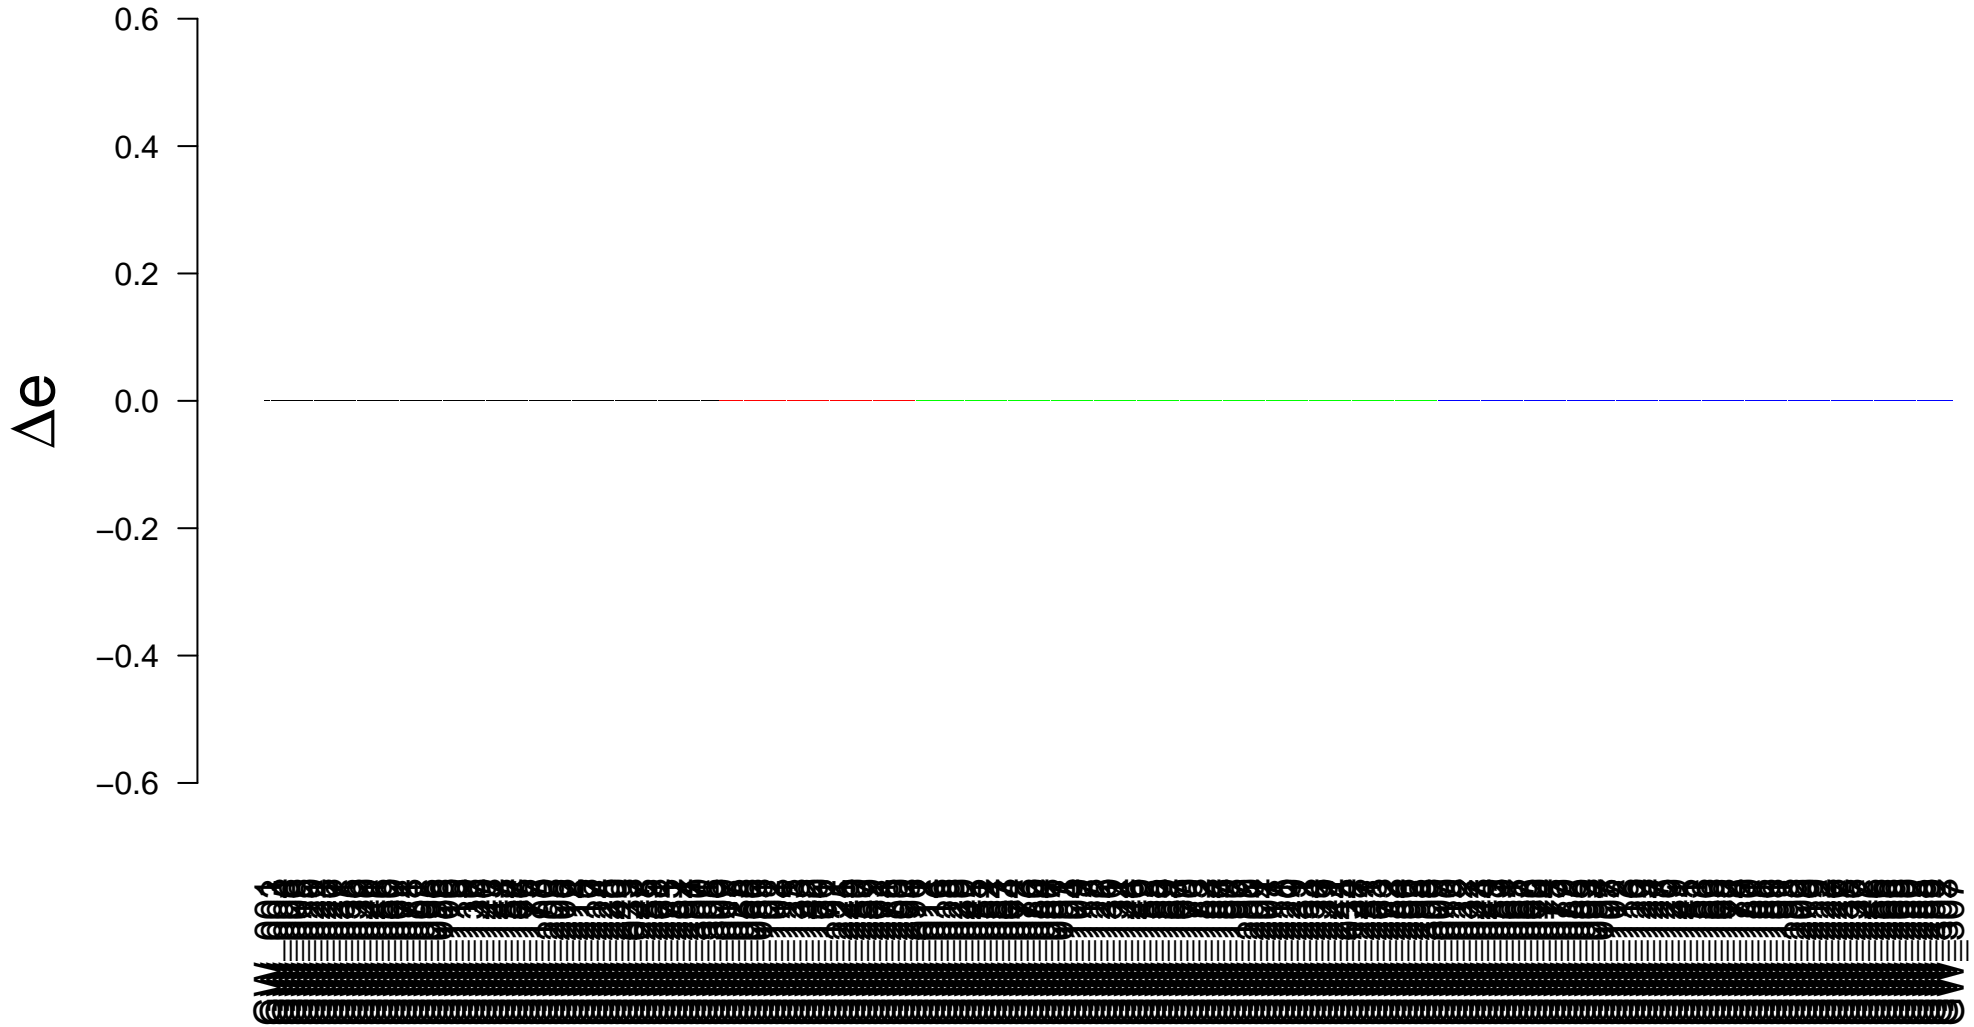

Expression of nucleocytoplasmic transporter activity in Spot N

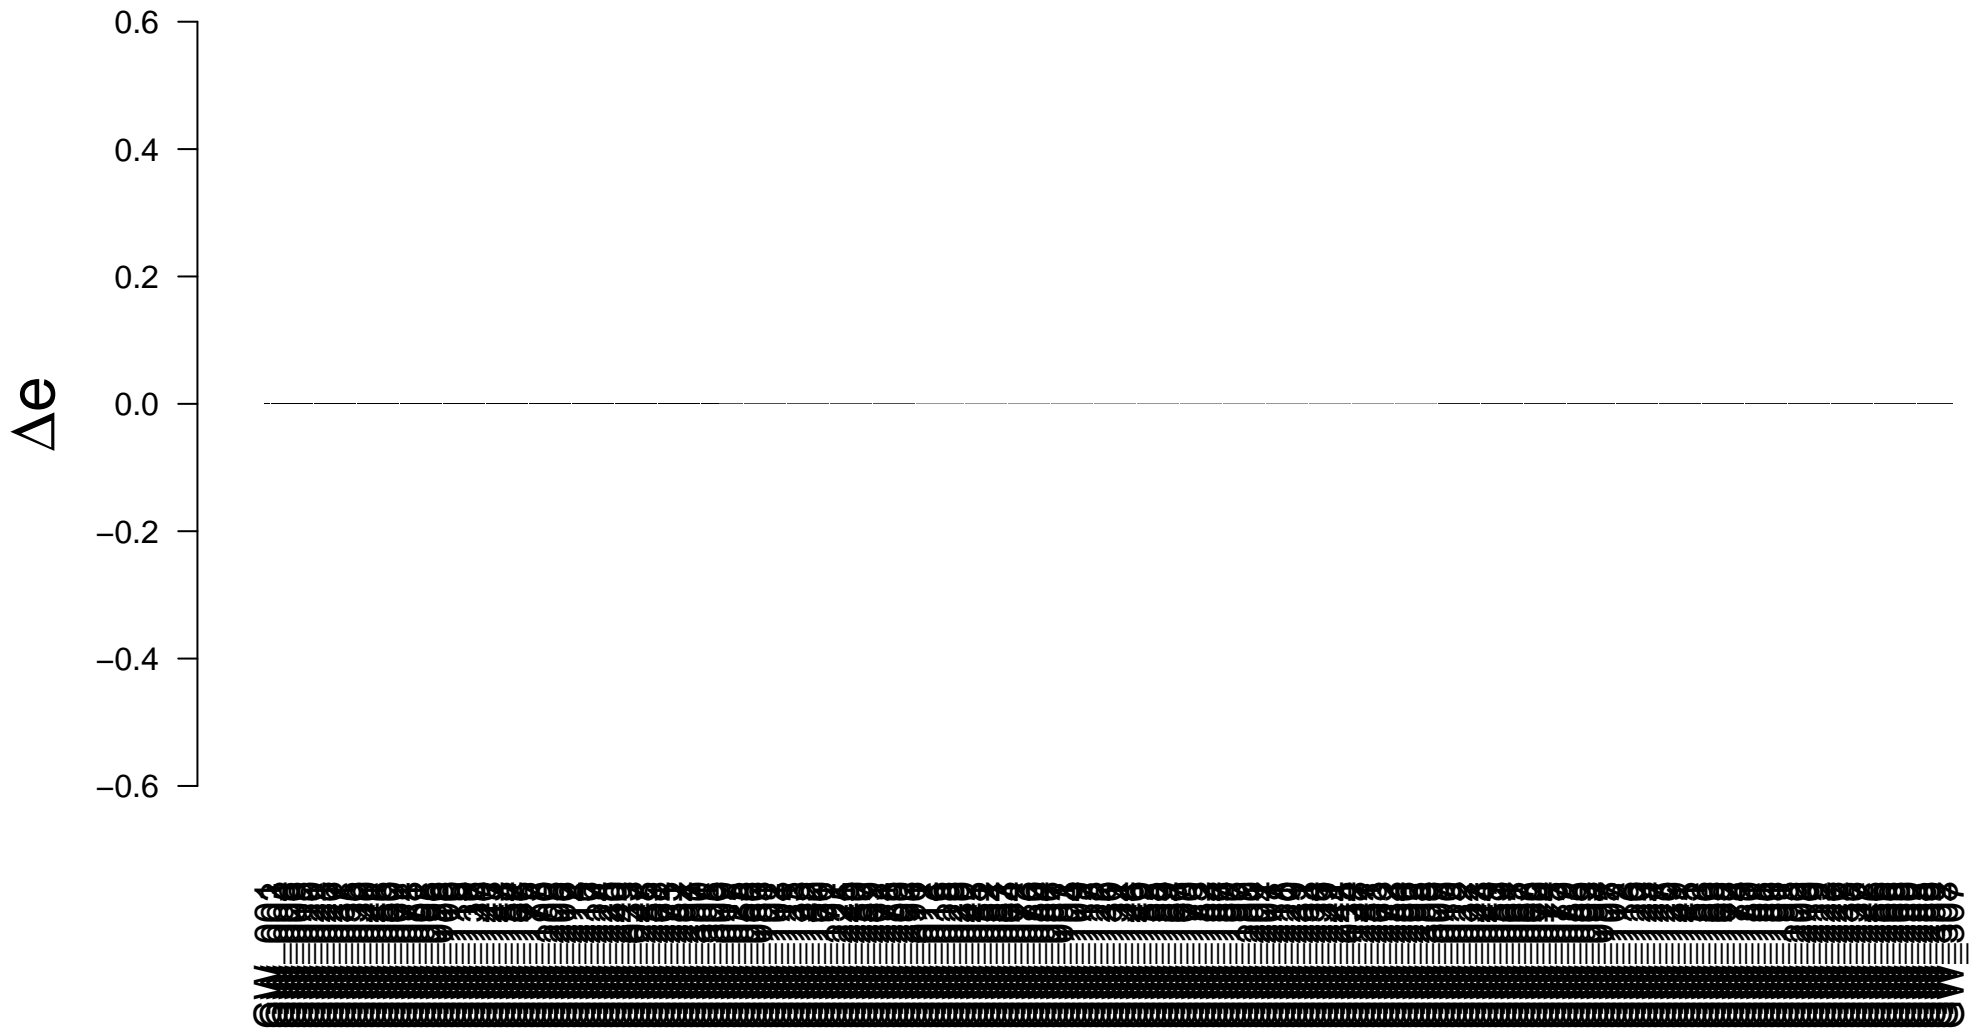

Expression of nucleocytoplasmic transporter activity in Spot O

Expression of nucleocytoplasmic transporter activity in Spot P

Expression of nucleocytoplasmic transporter activity in Spot Q

Expression of nucleocytoplasmic transporter activity in Spot R
