

# nucleoside diphosphate phosphorylation

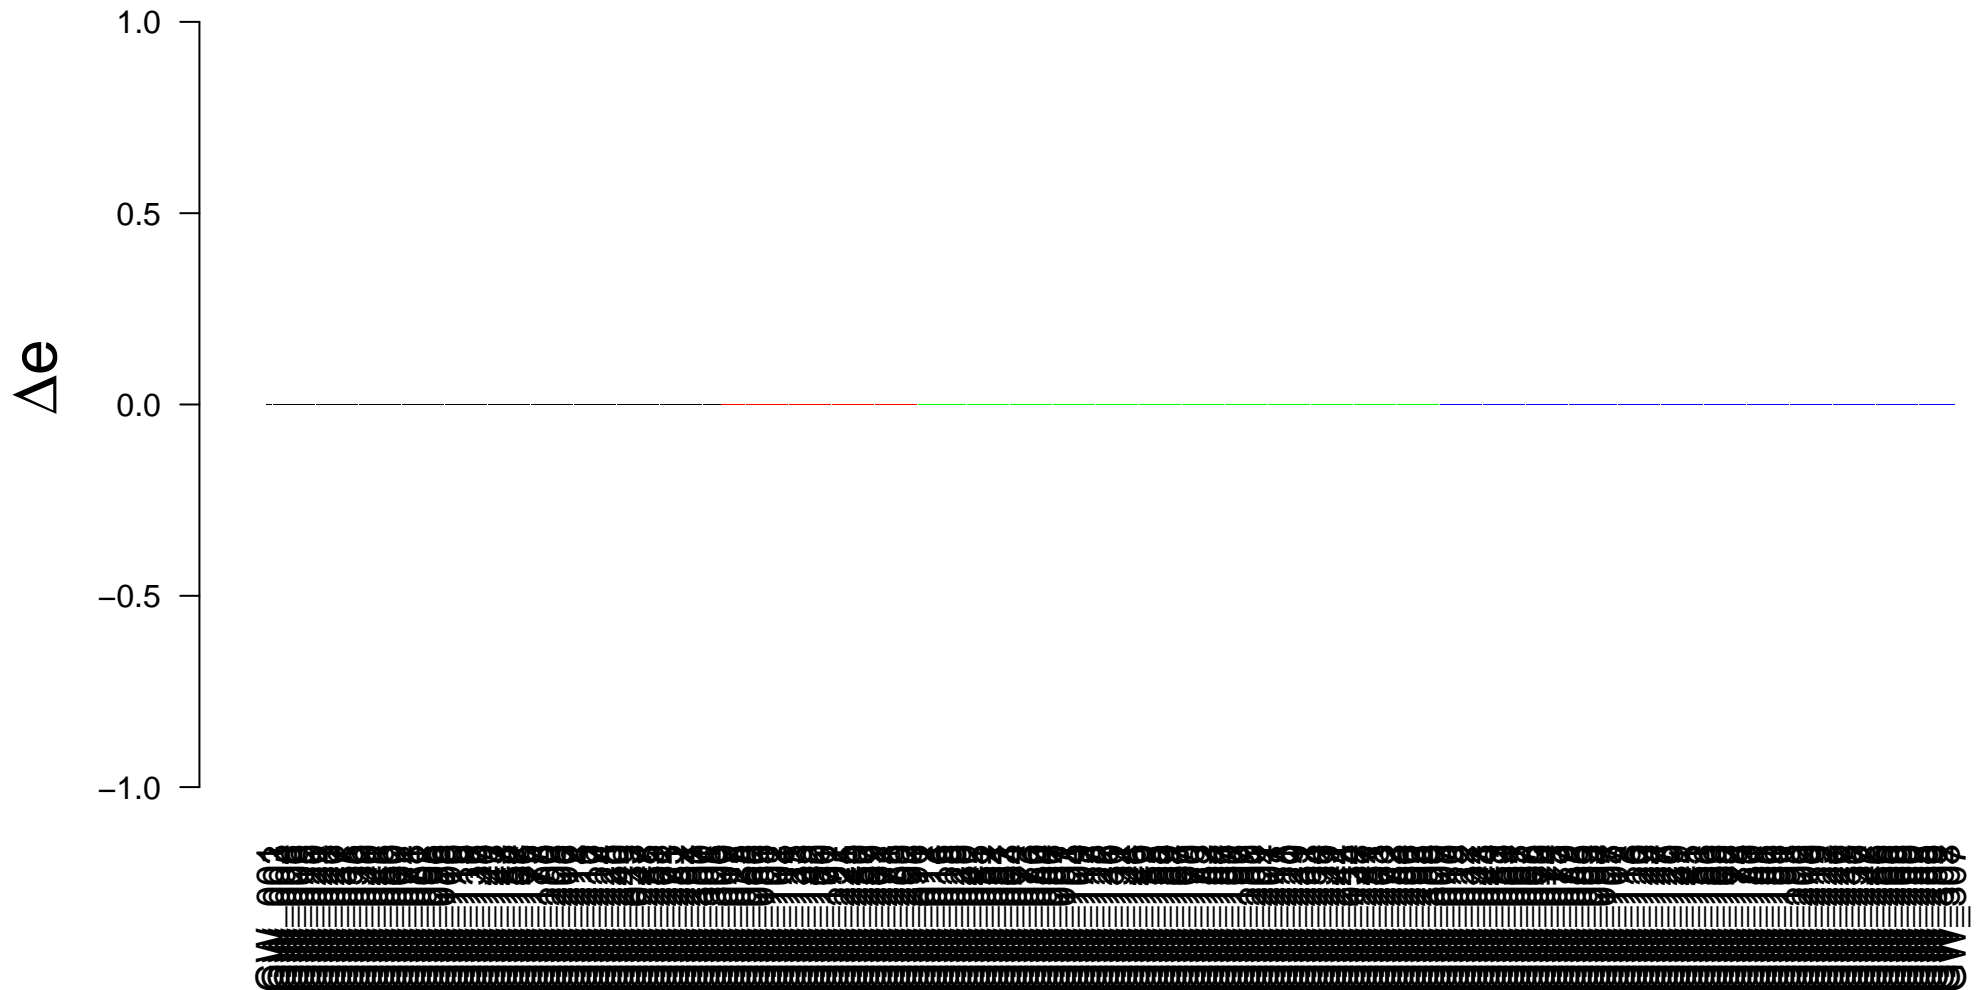

# nucleoside diphosphate phosphorylation

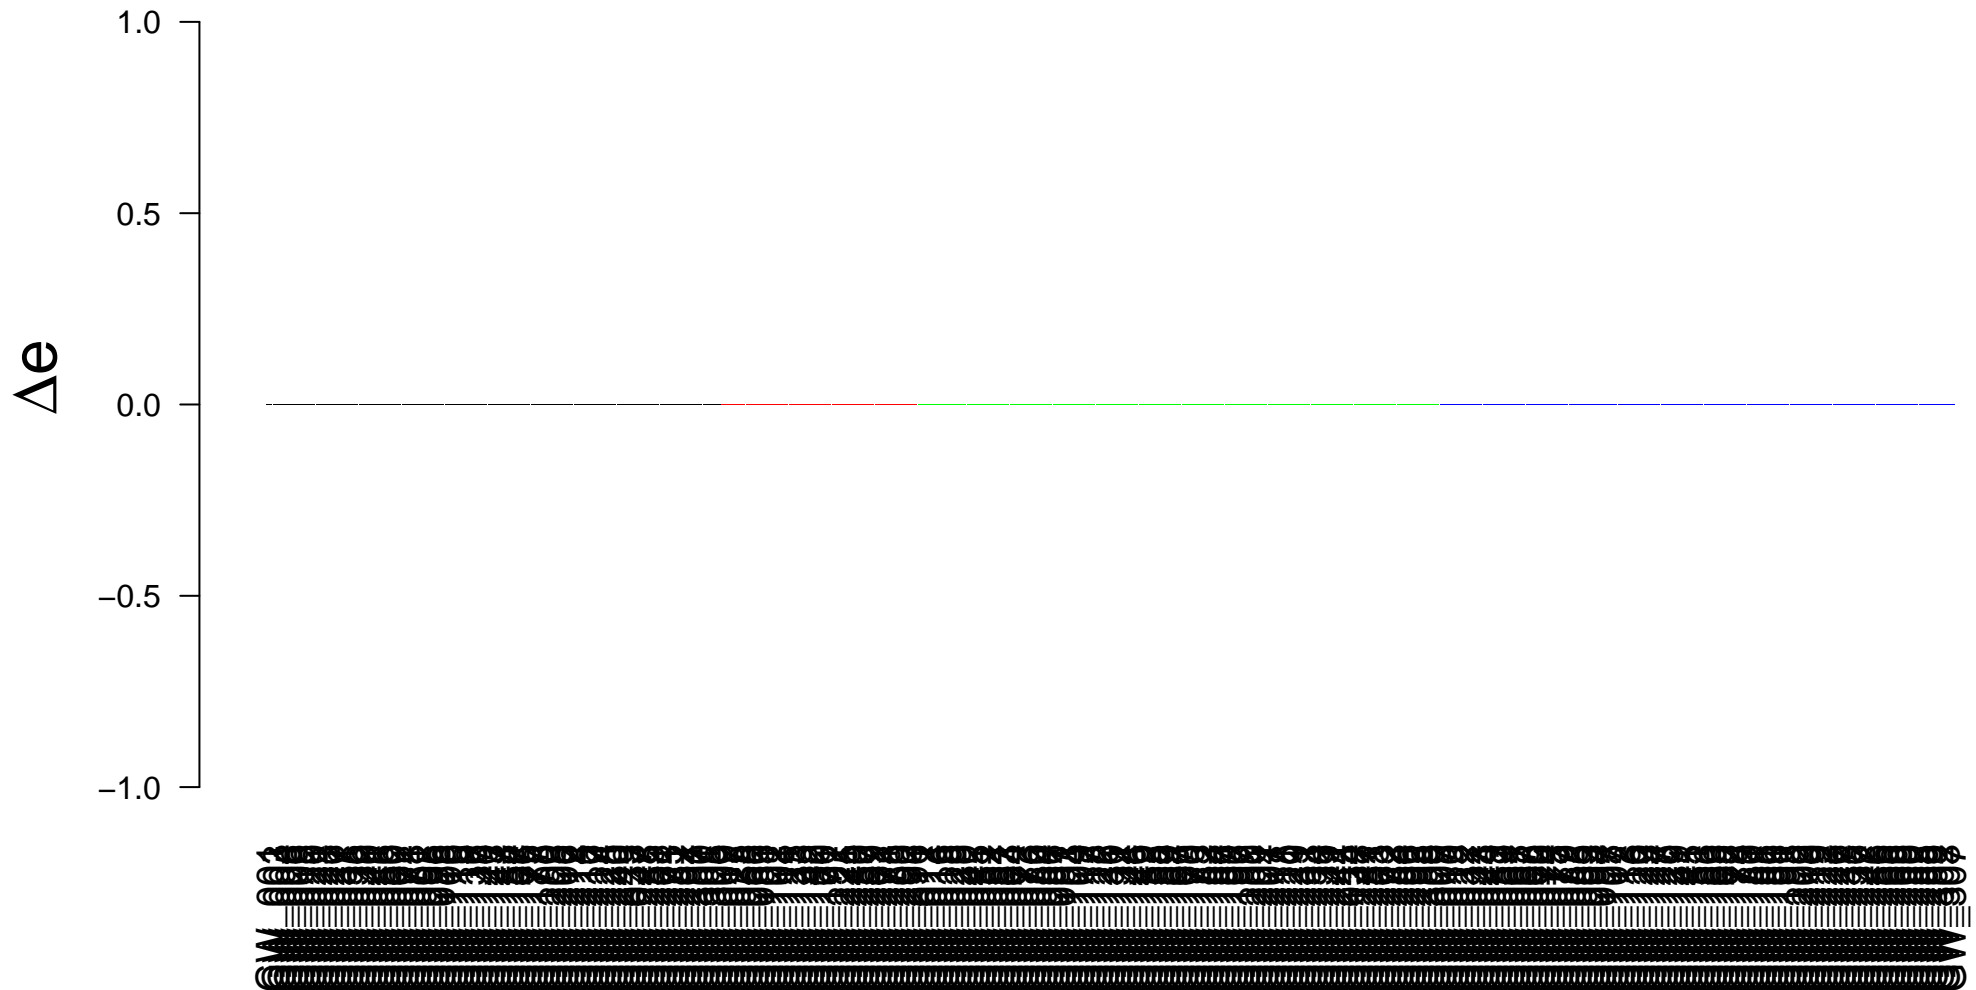

### Enrichment in spots: nucleoside diphosphate phosphorylation

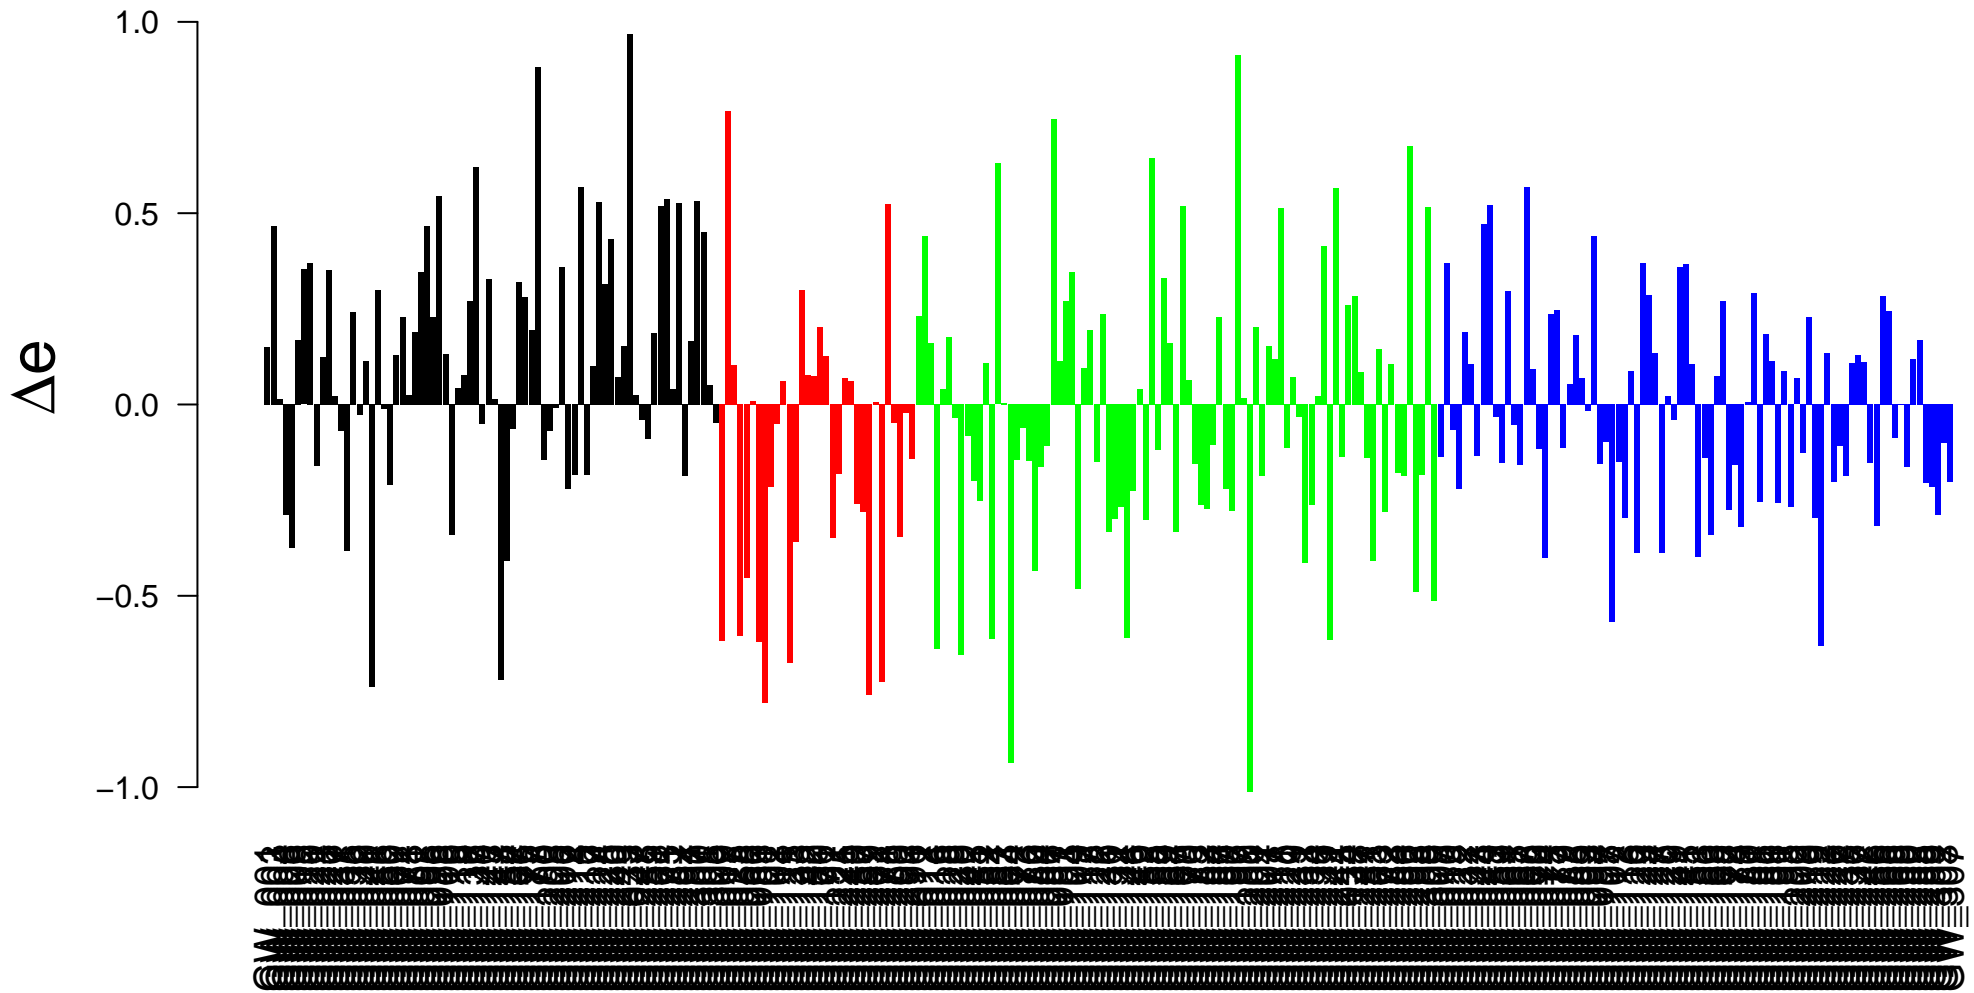

# Expression of nucleoside diphosphate phosphorylation in Spot A

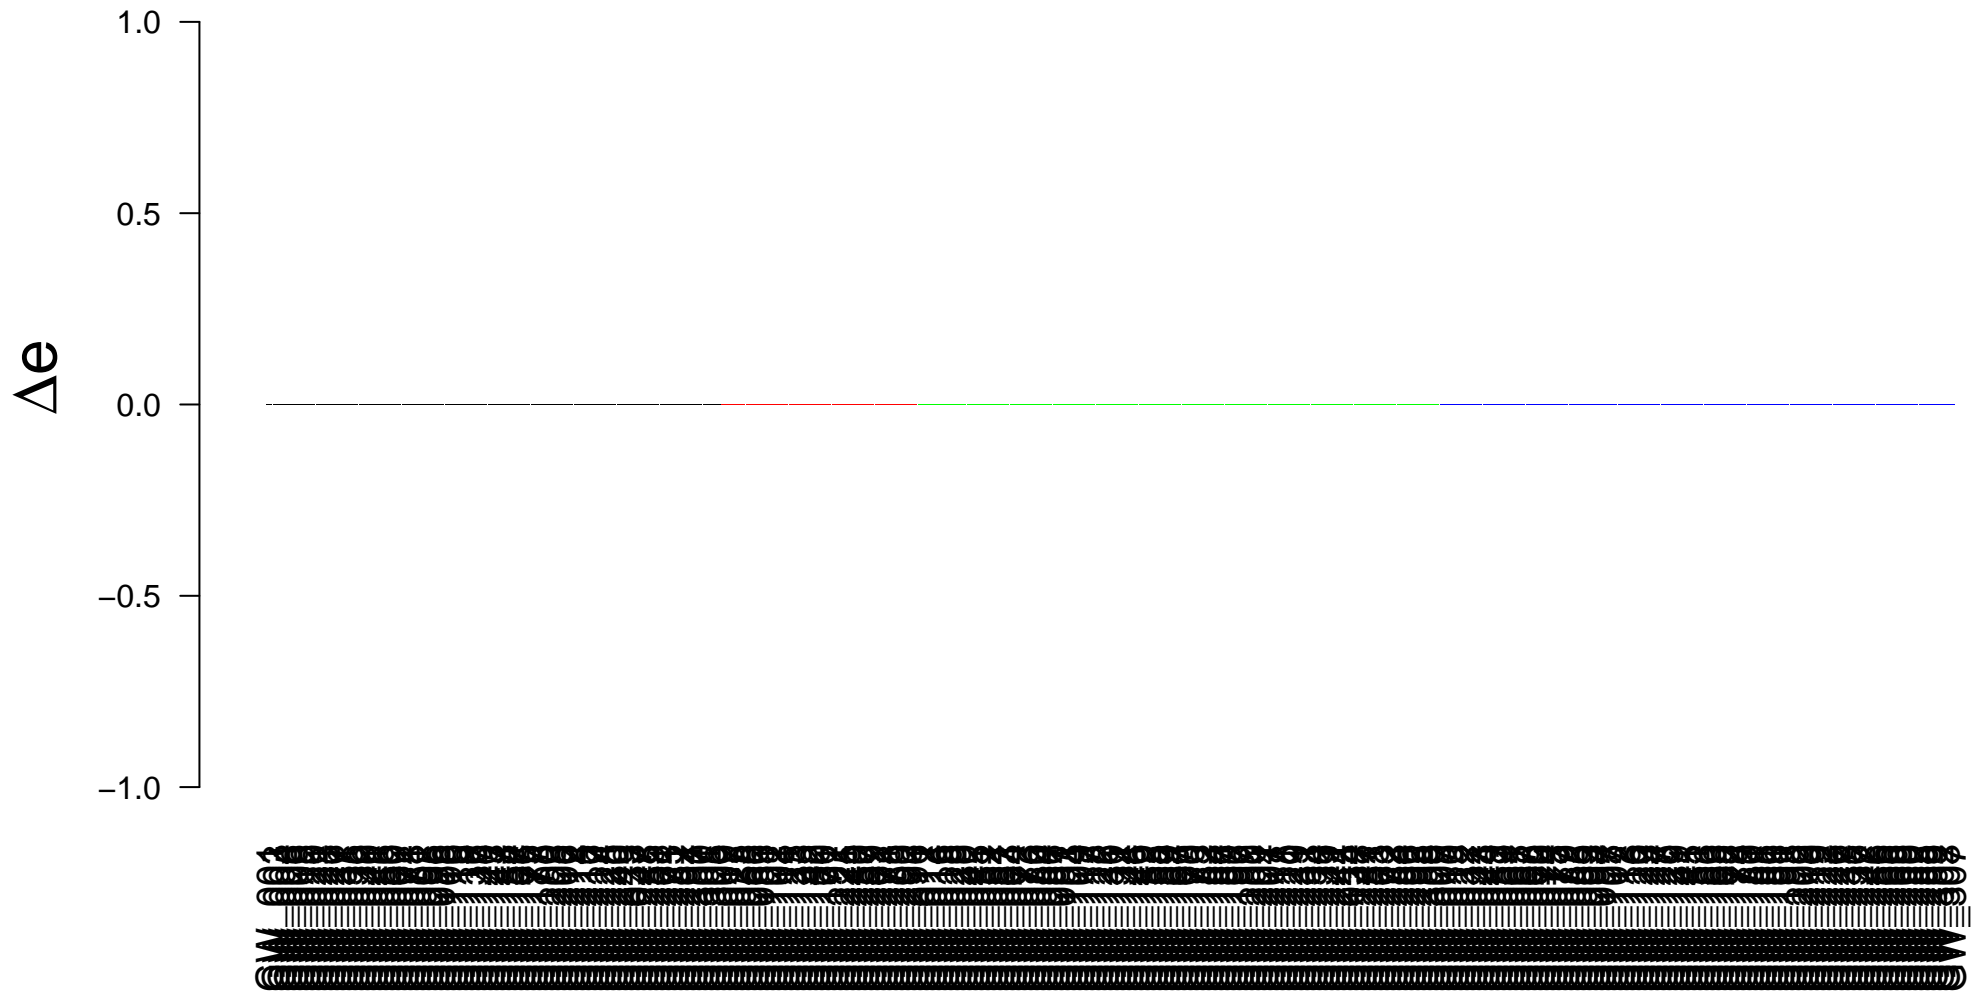

# Expression of nucleoside diphosphate phosphorylation in Spot B

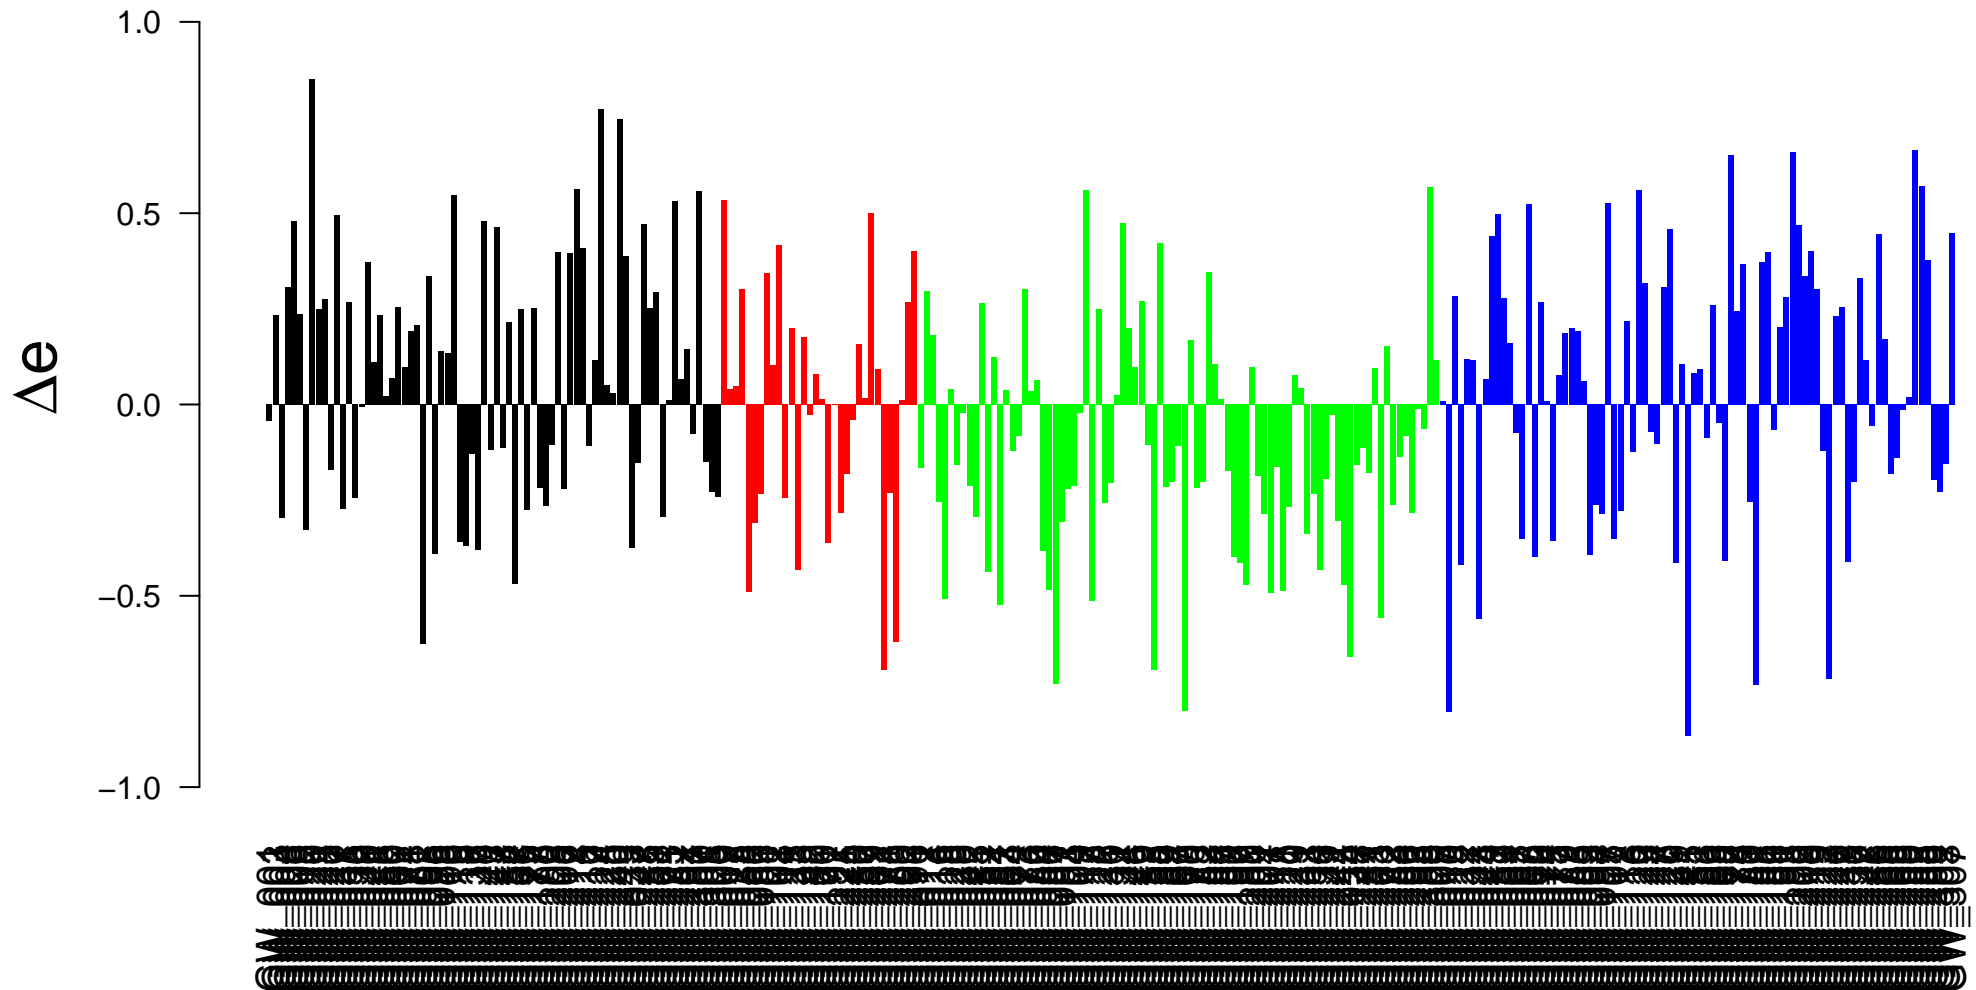

# Expression of nucleoside diphosphate phosphorylation in Spot C

# Expression of nucleoside diphosphate phosphorylation in Spot D

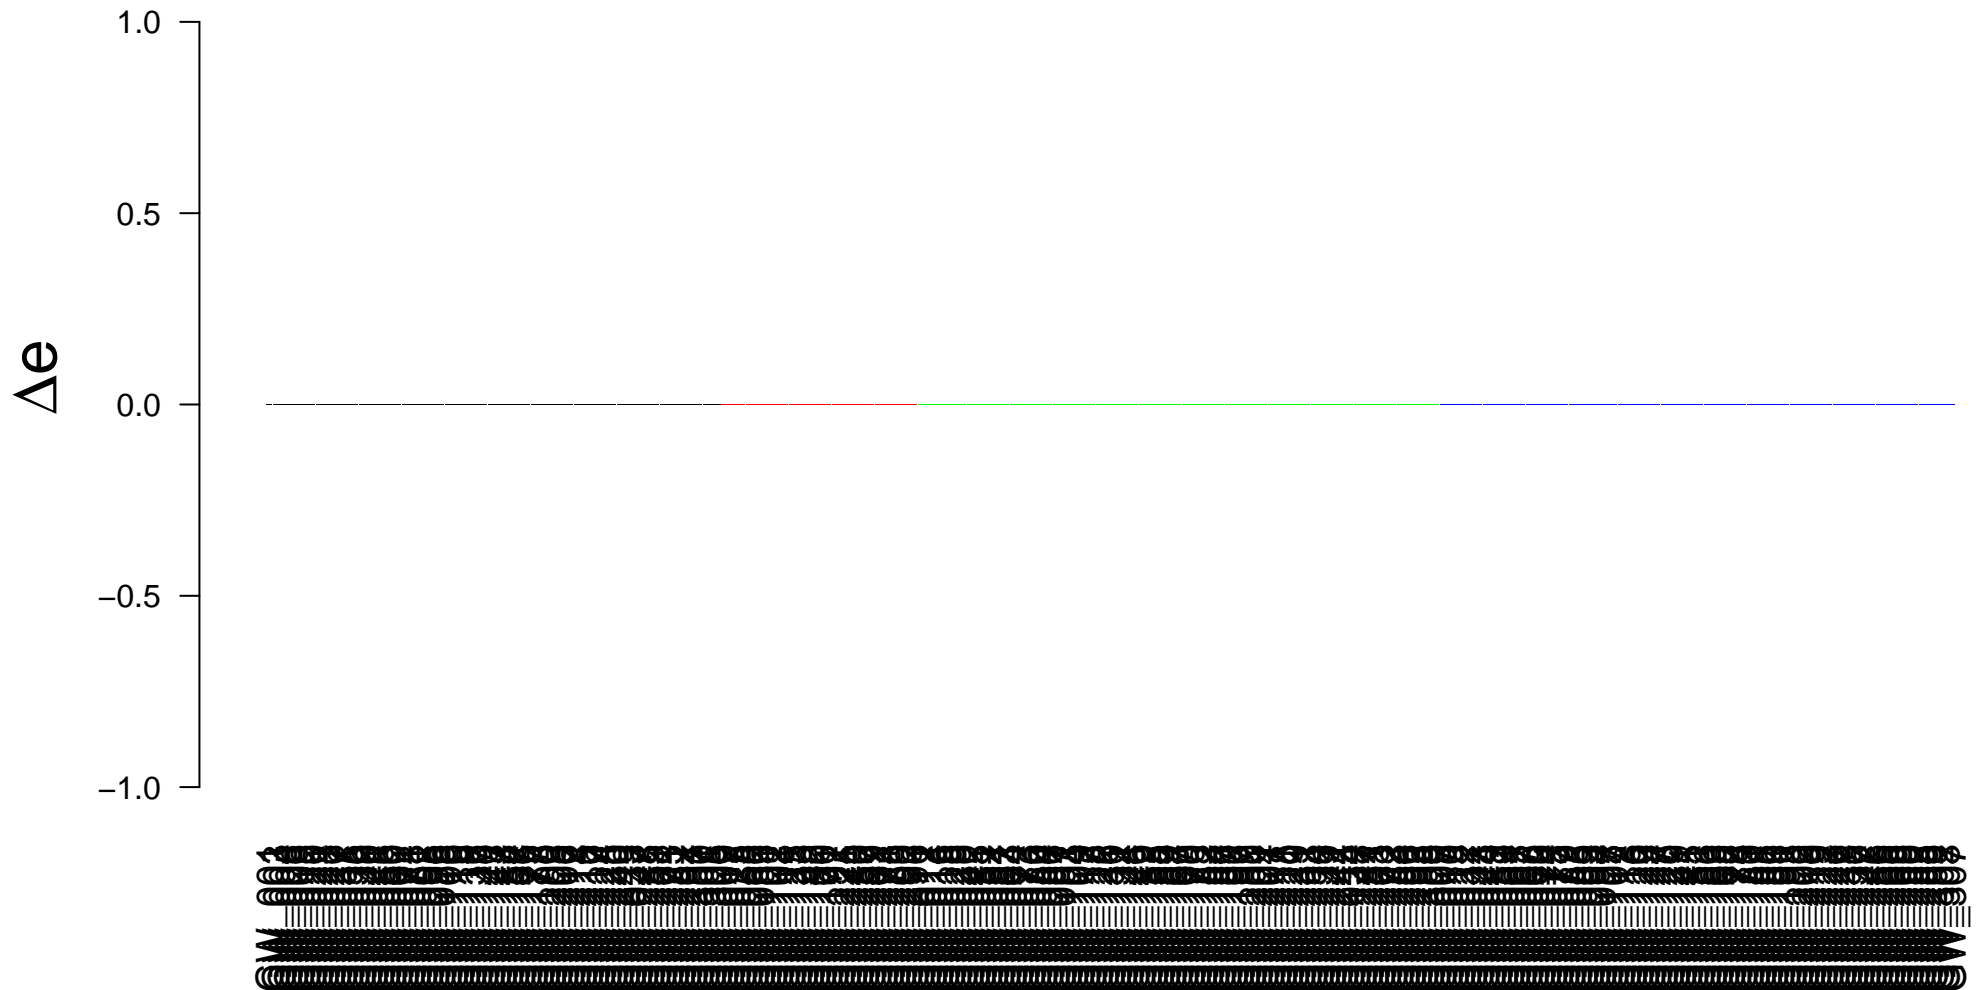

# Expression of nucleoside diphosphate phosphorylation in Spot E

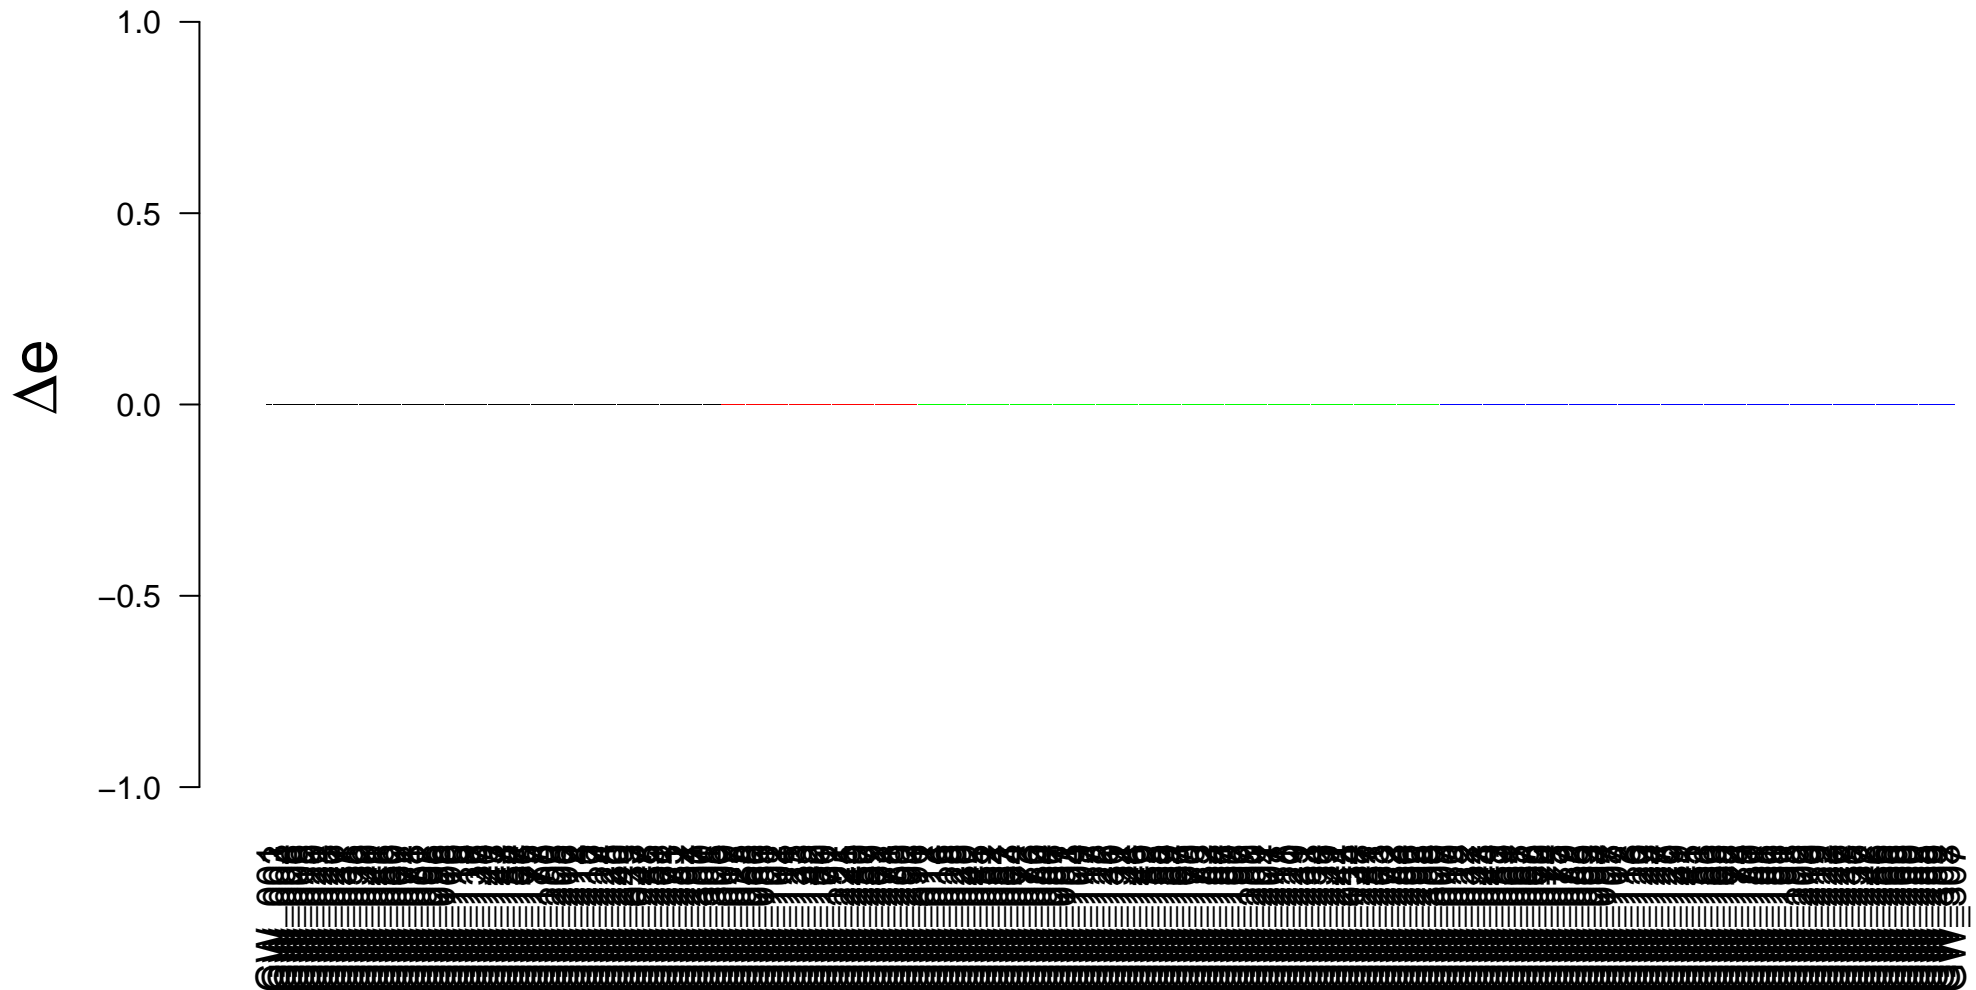

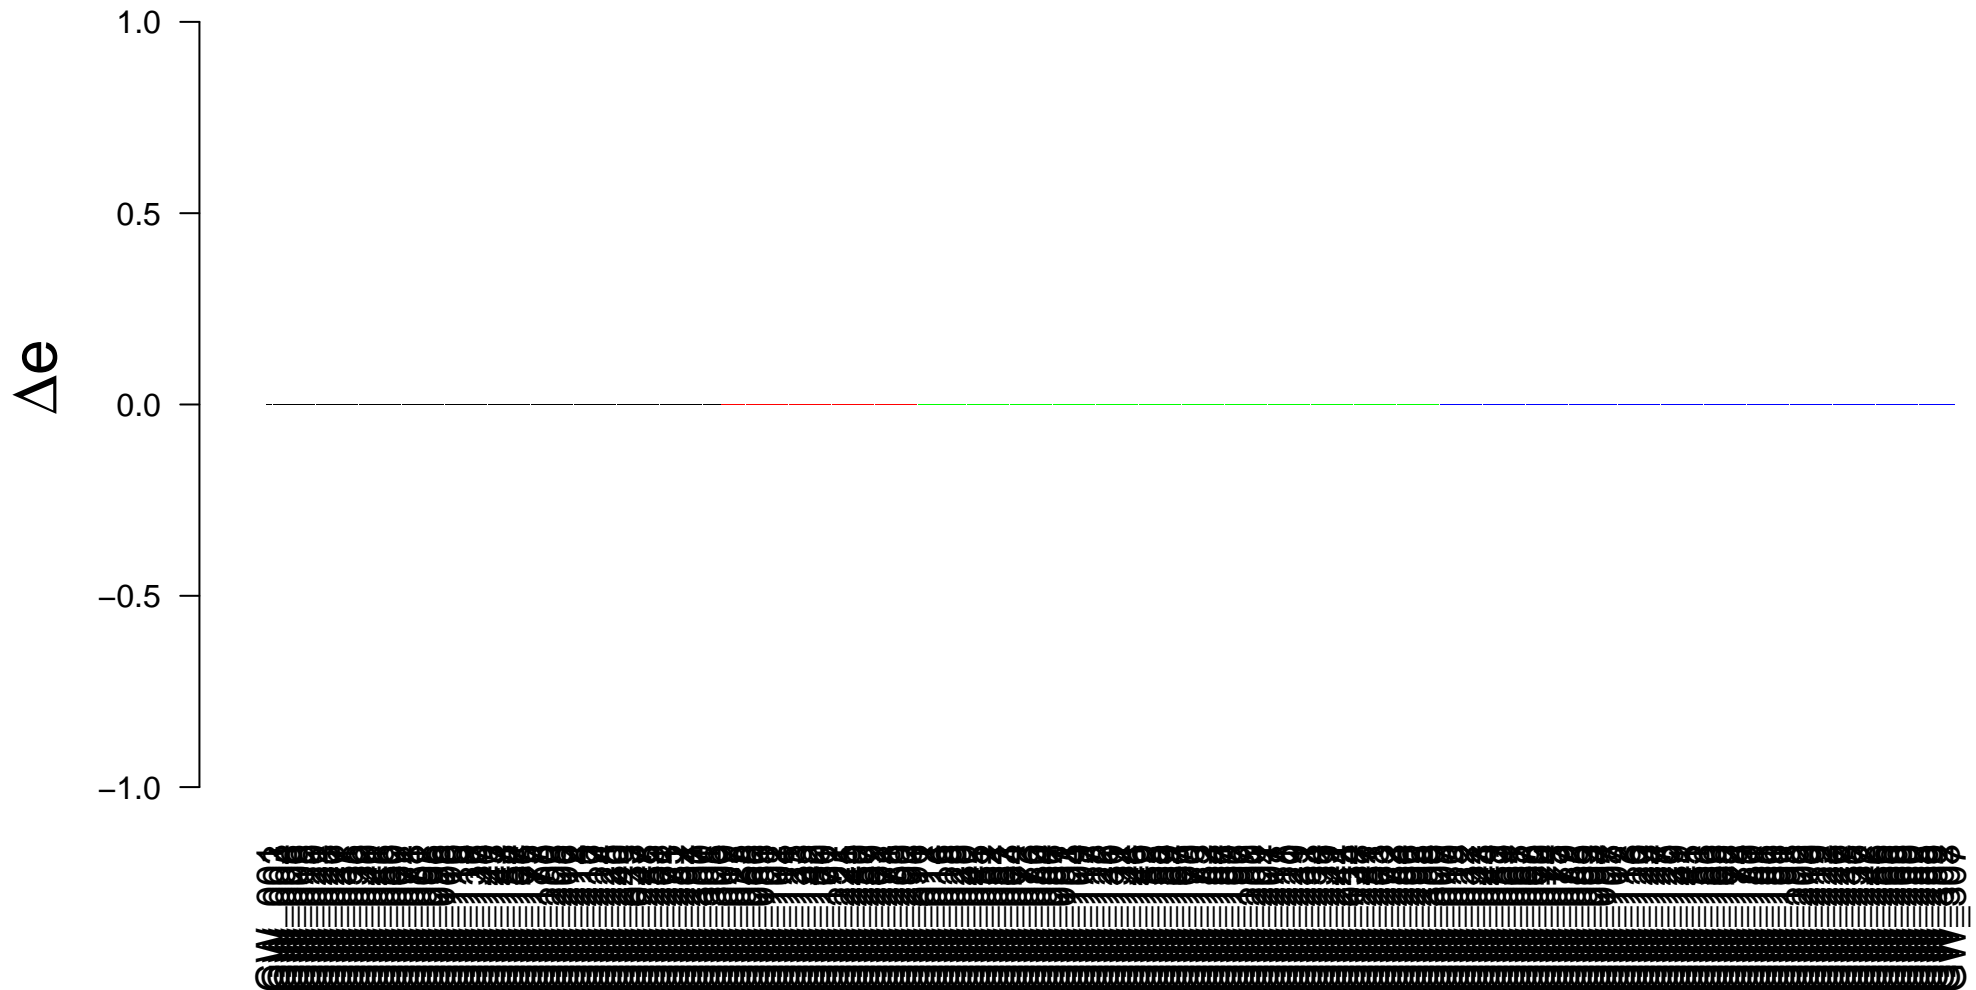

# Expression of nucleoside diphosphate phosphorylation in Spot F

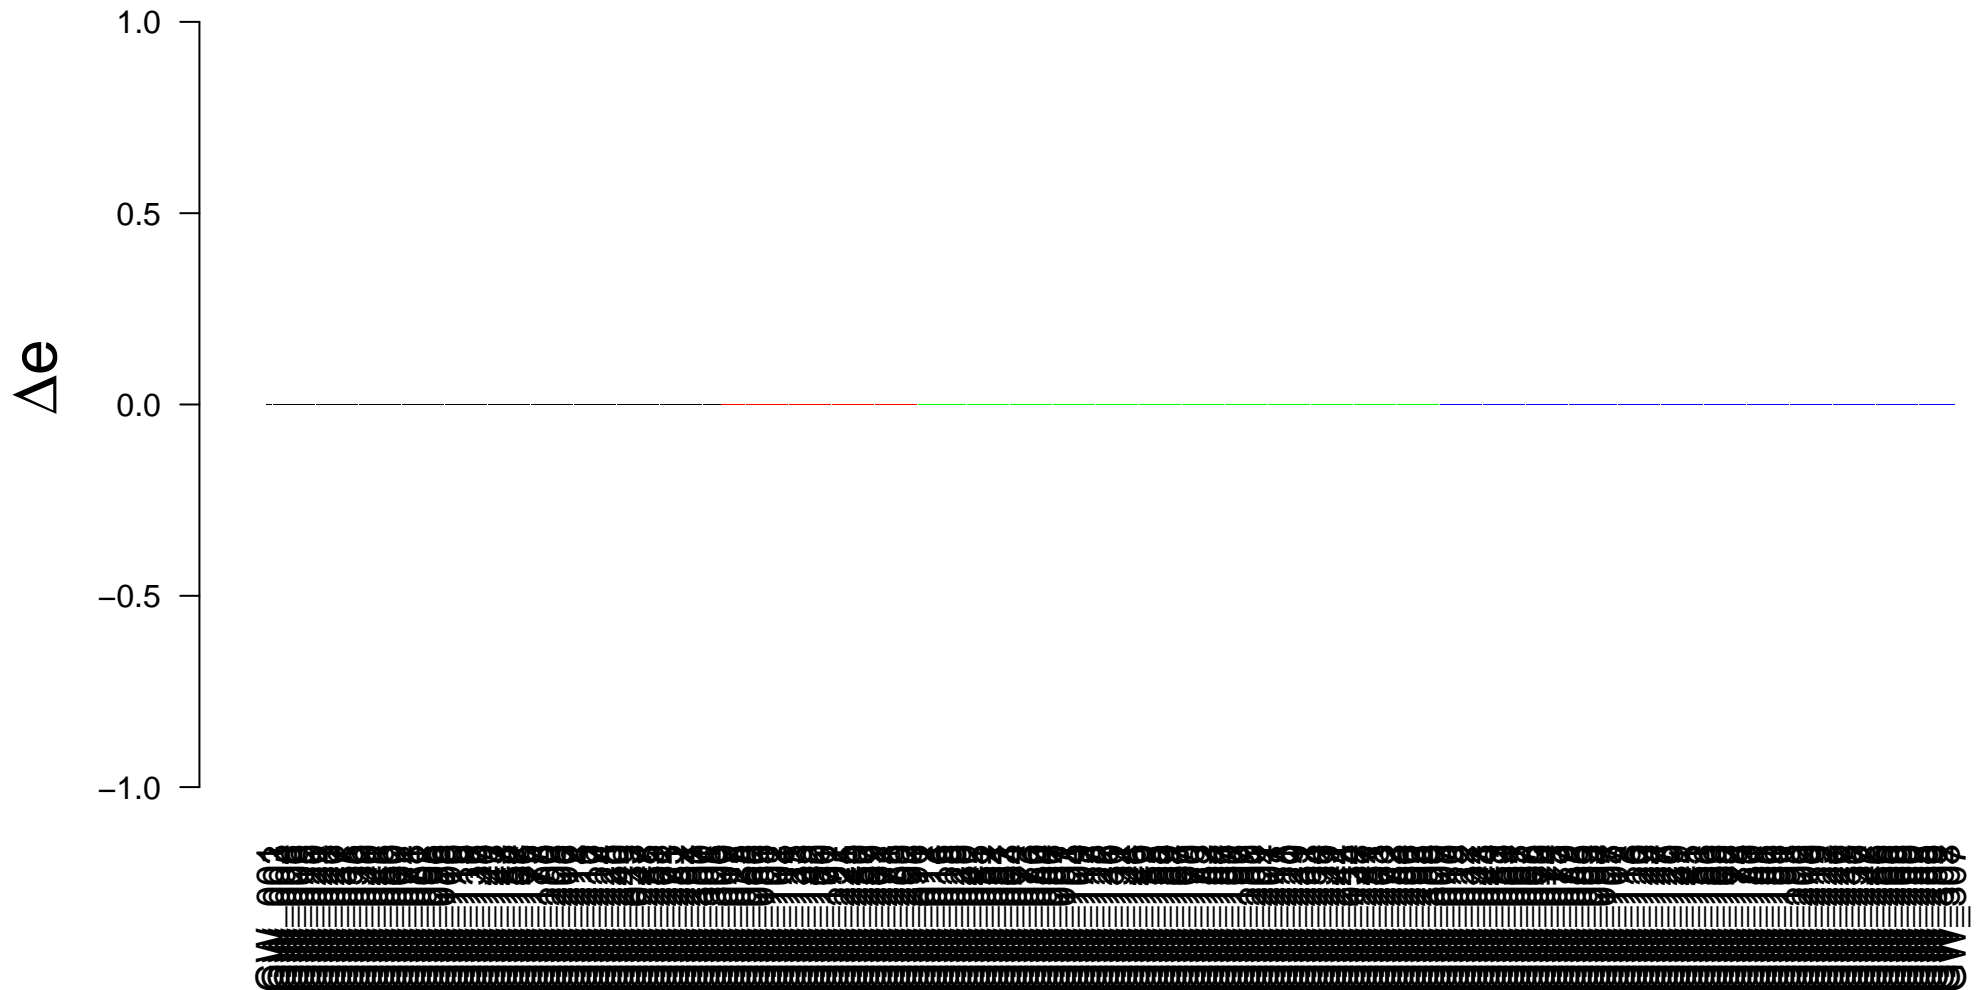

# Expression of nucleoside diphosphate phosphorylation in Spot G

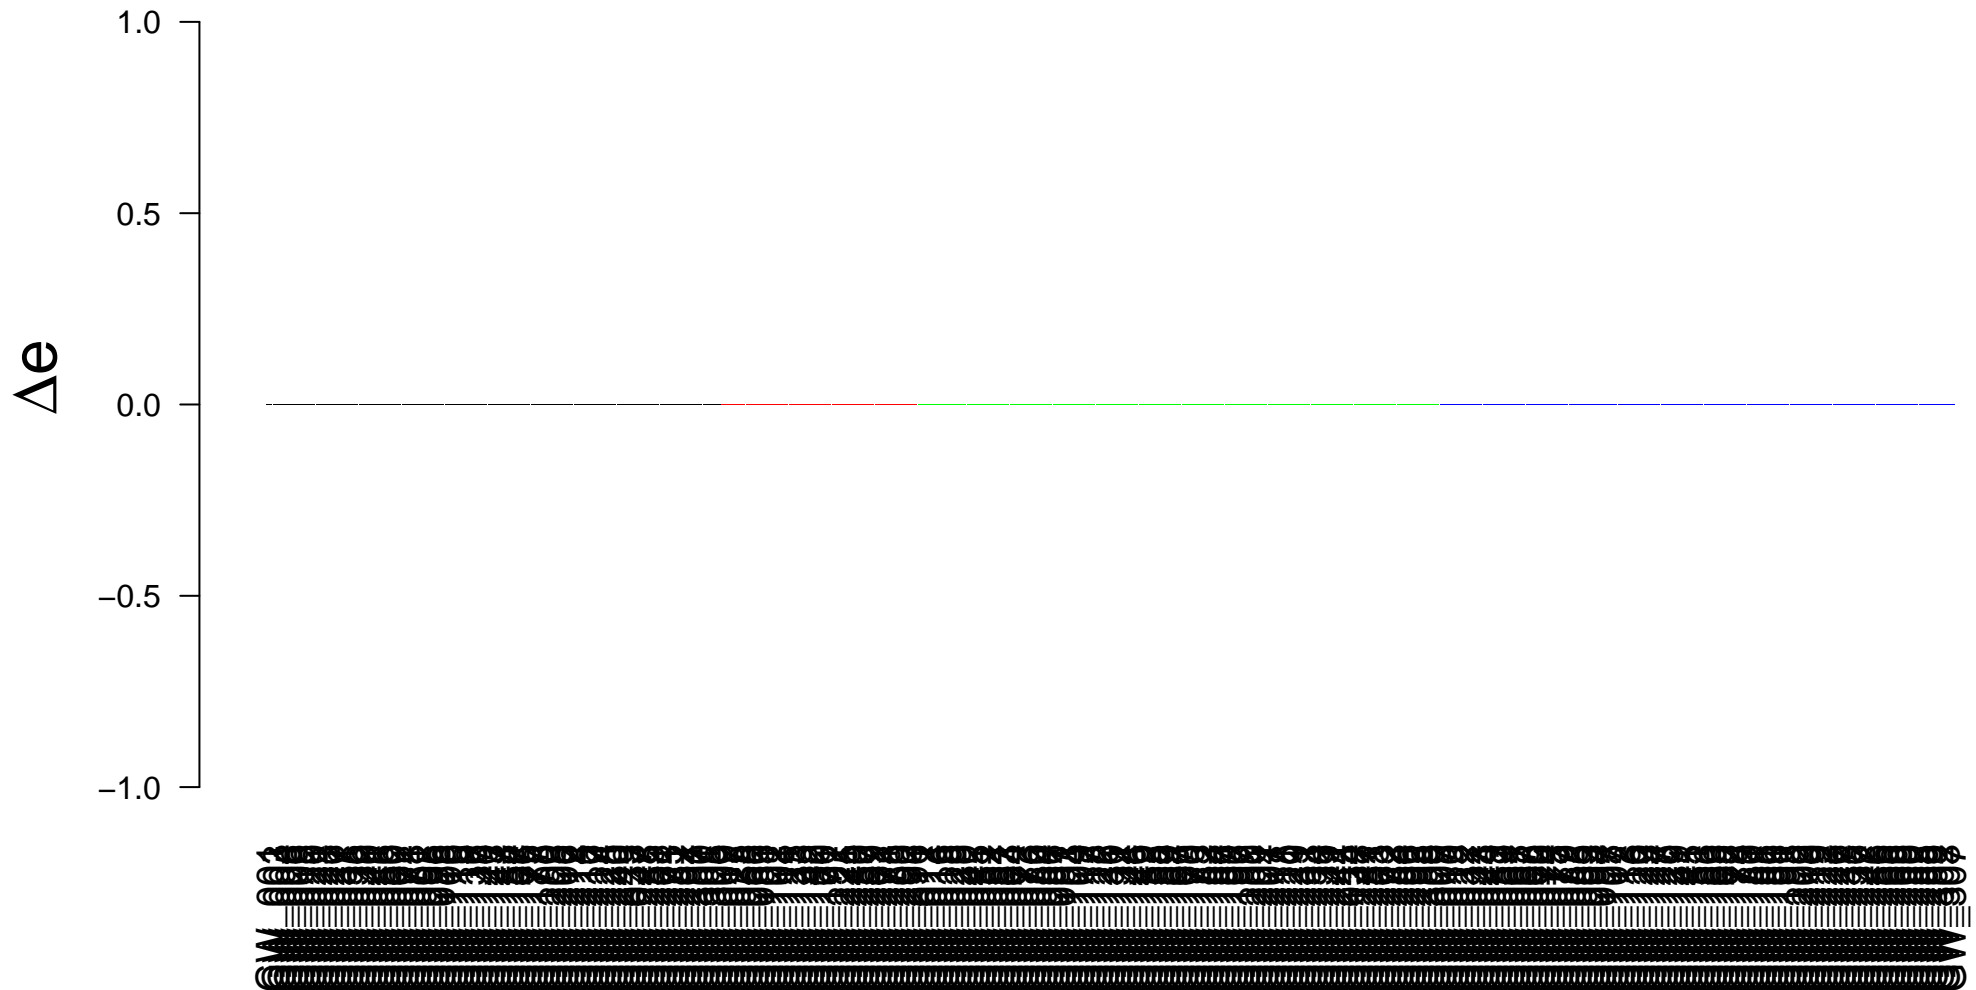

# Expression of nucleoside diphosphate phosphorylation in Spot H

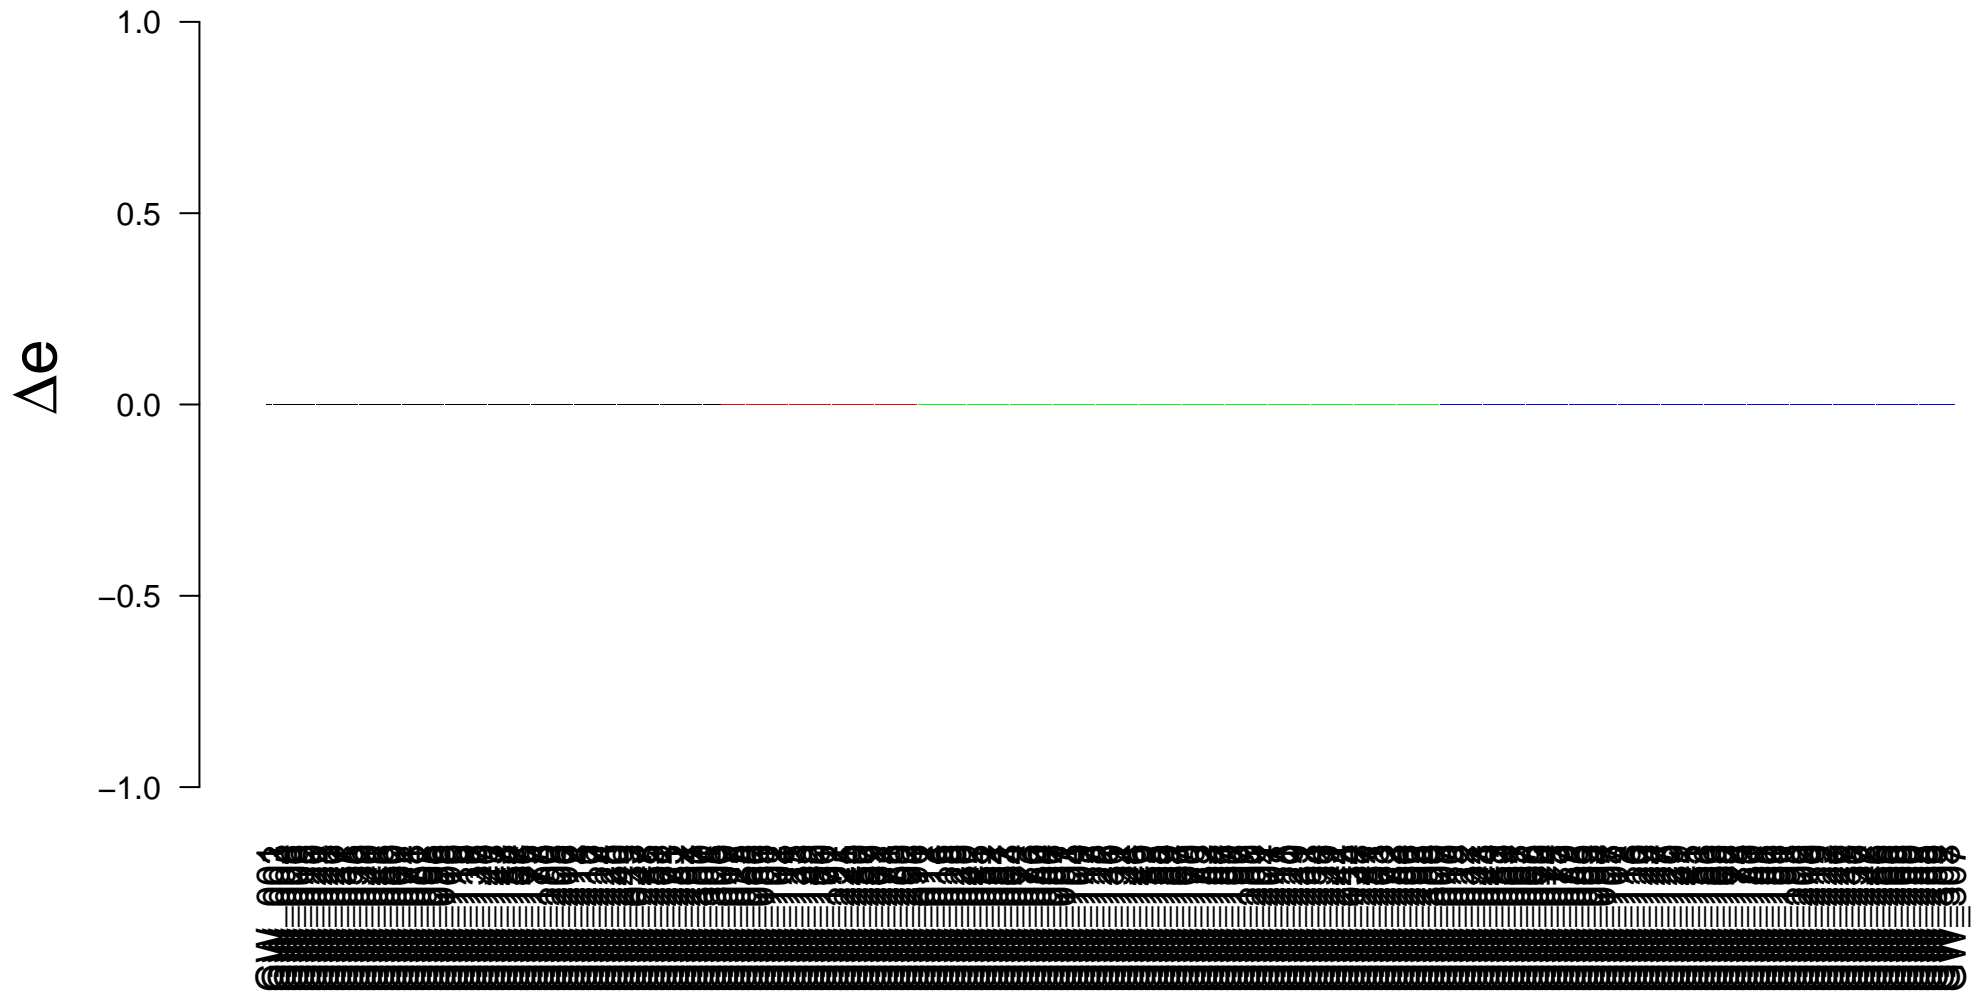

# Expression of nucleoside diphosphate phosphorylation in Spot I

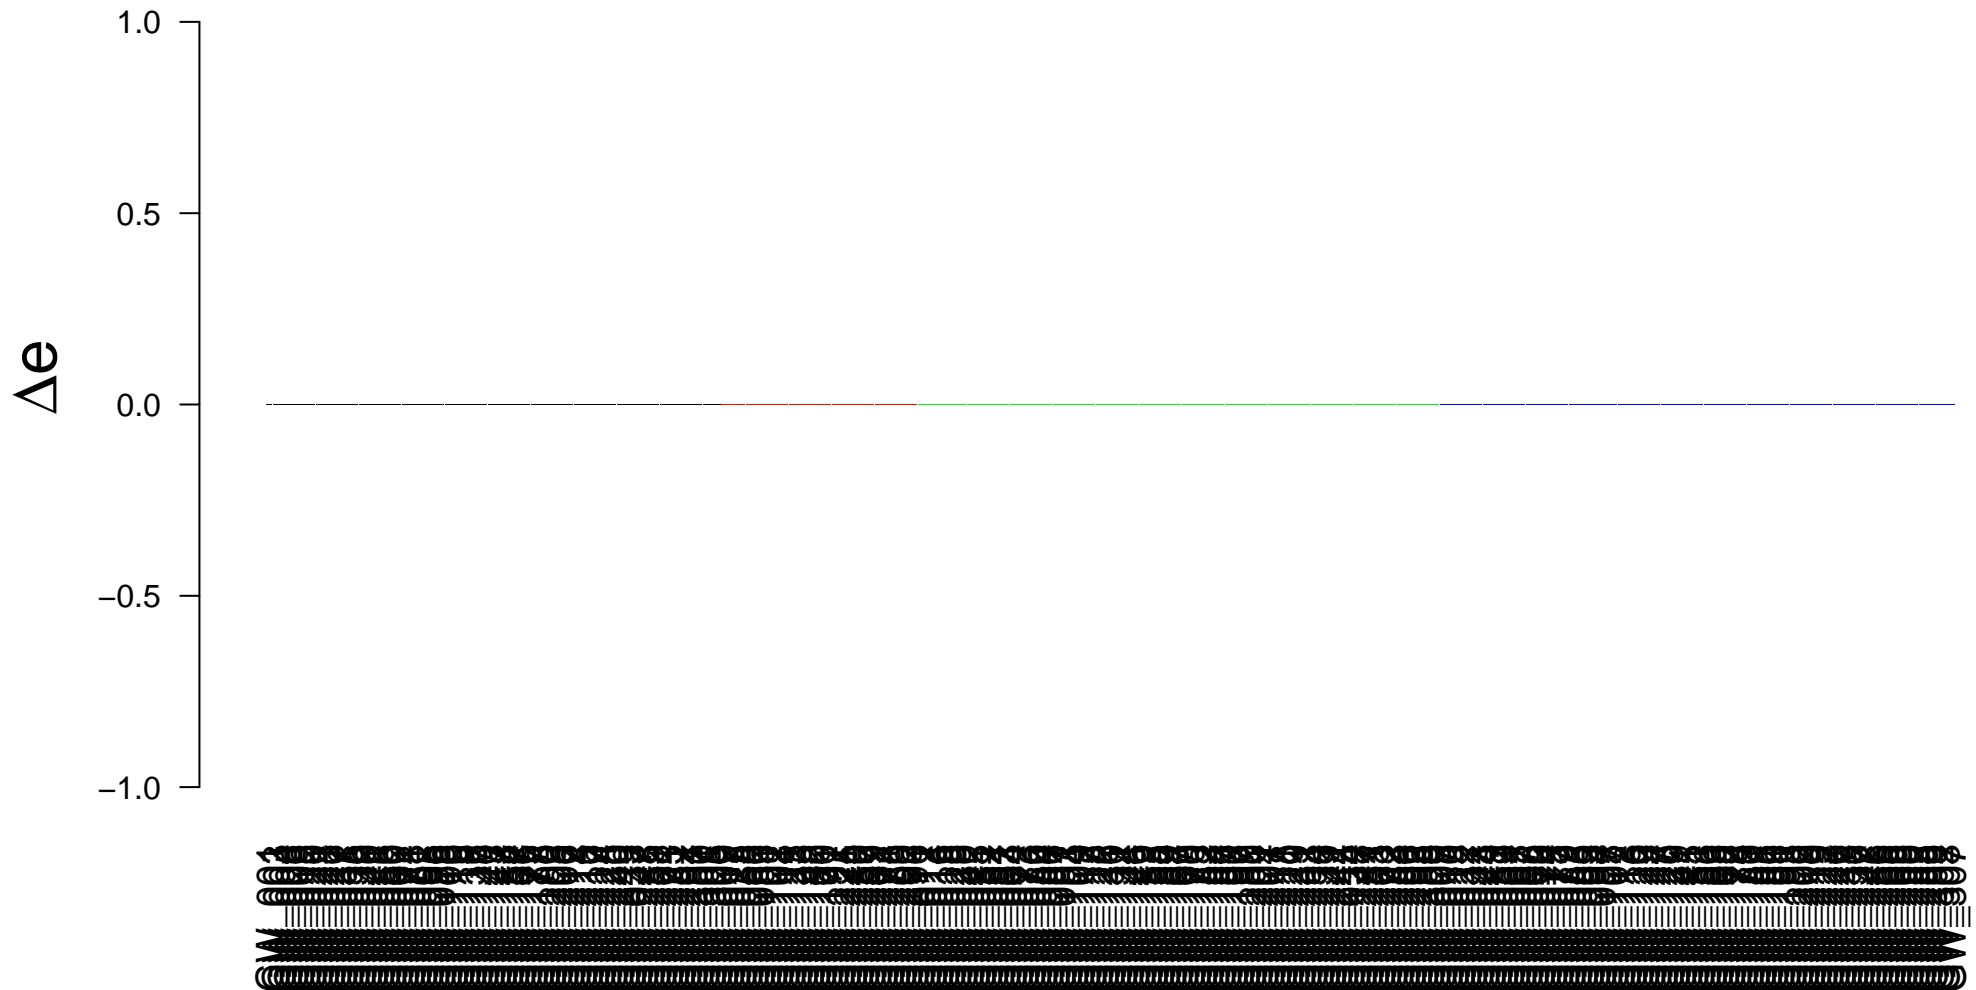

# Expression of nucleoside diphosphate phosphorylation in Spot J

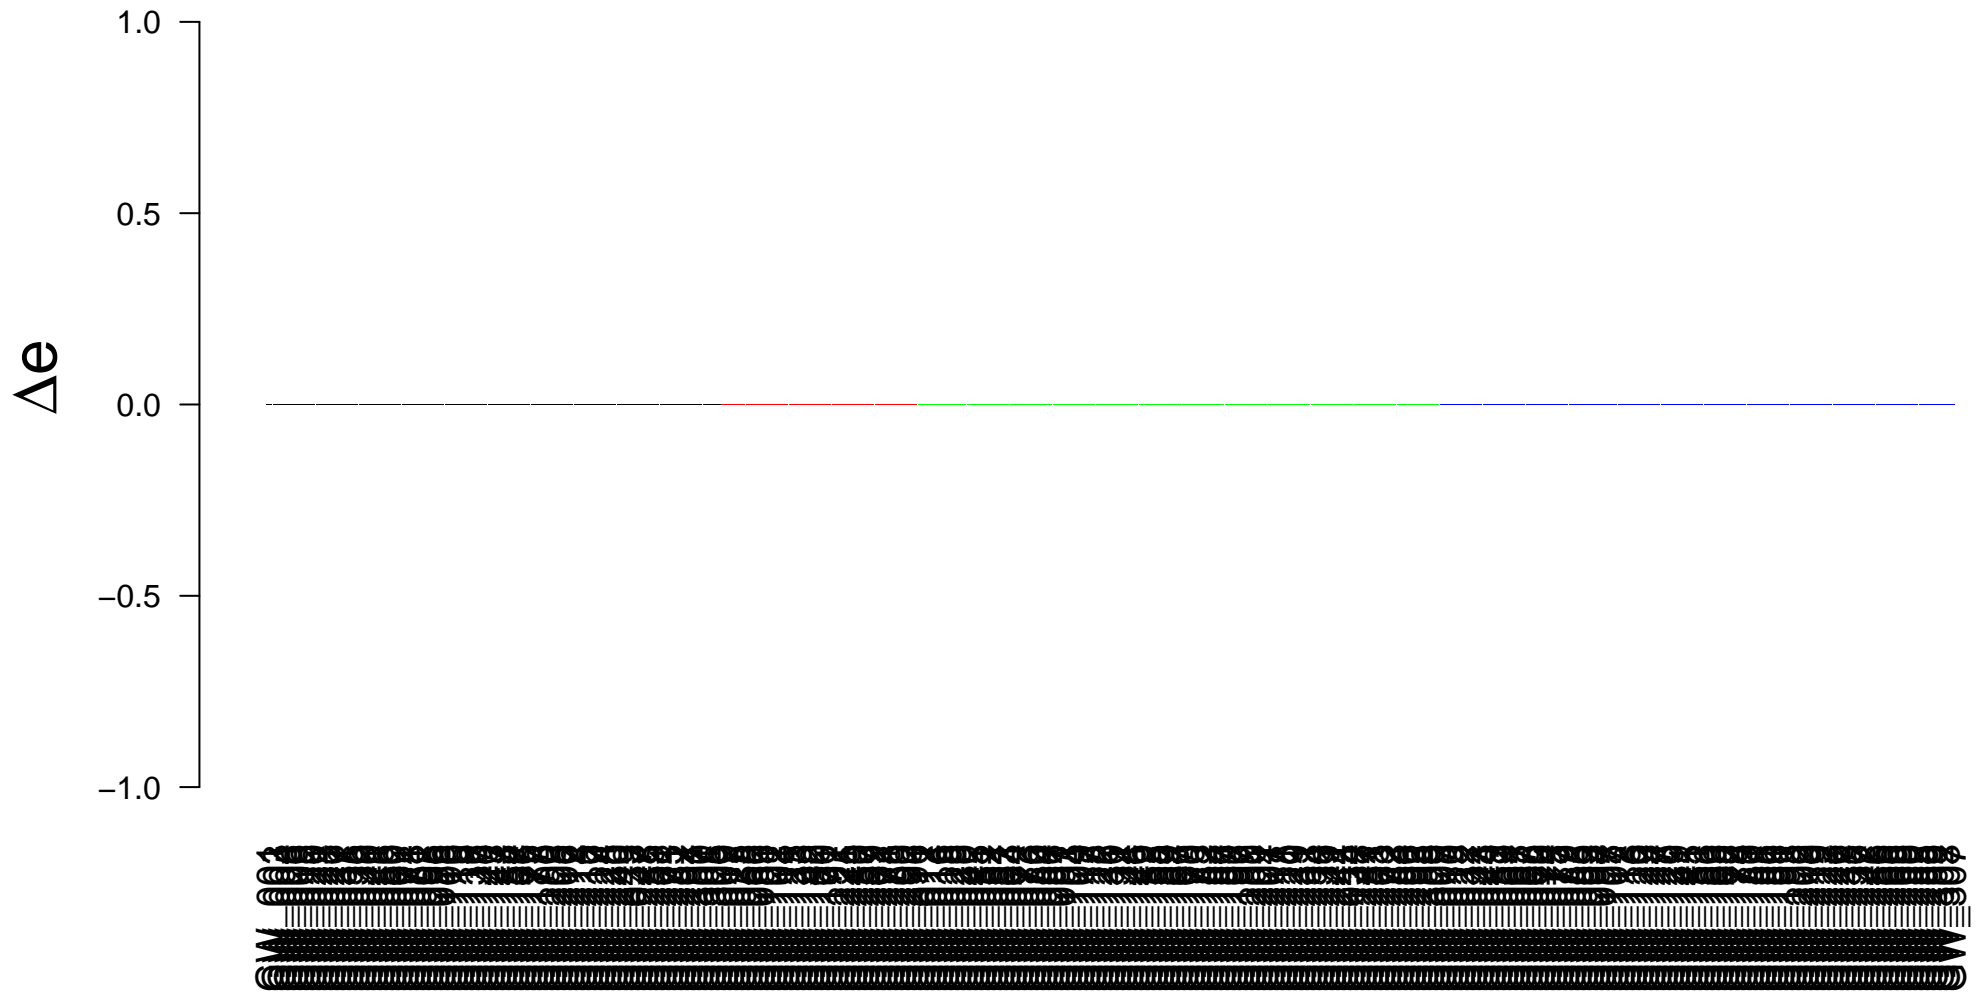

# Expression of nucleoside diphosphate phosphorylation in Spot K

# Expression of nucleoside diphosphate phosphorylation in Spot L

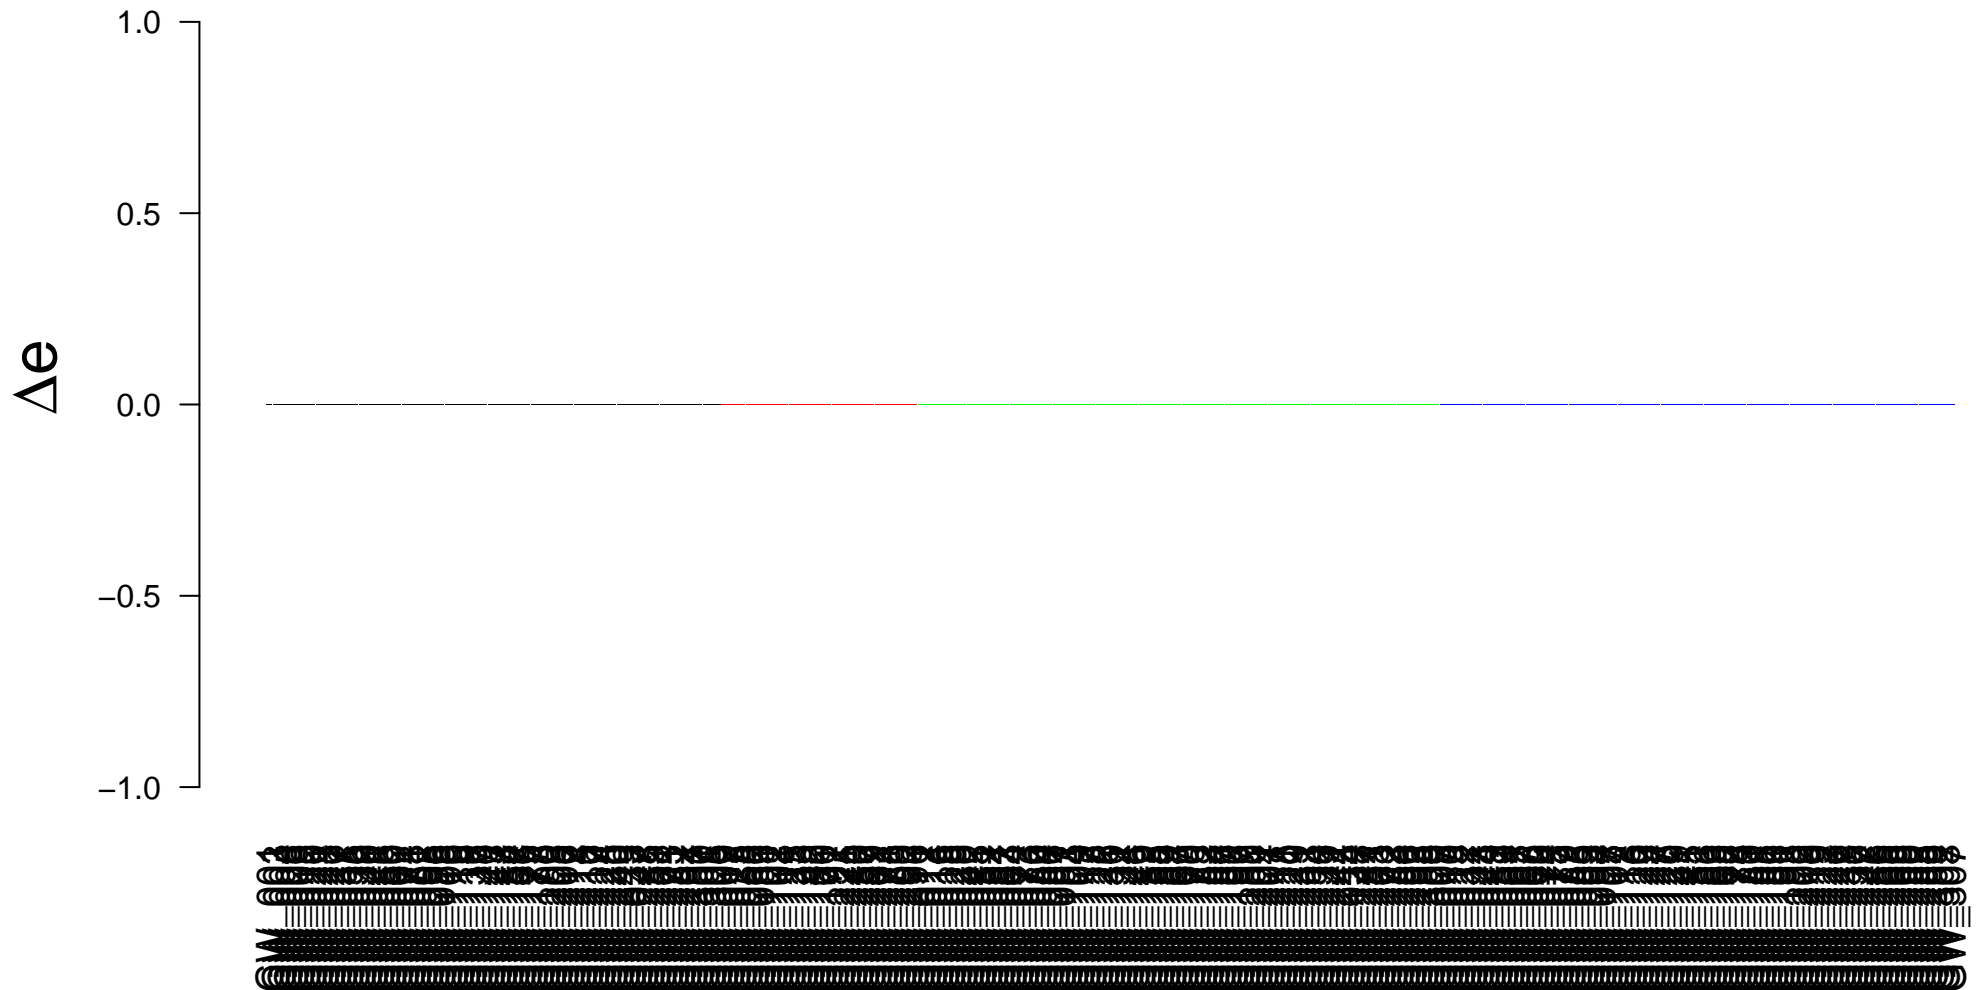

# Expression of nucleoside diphosphate phosphorylation in Spot M

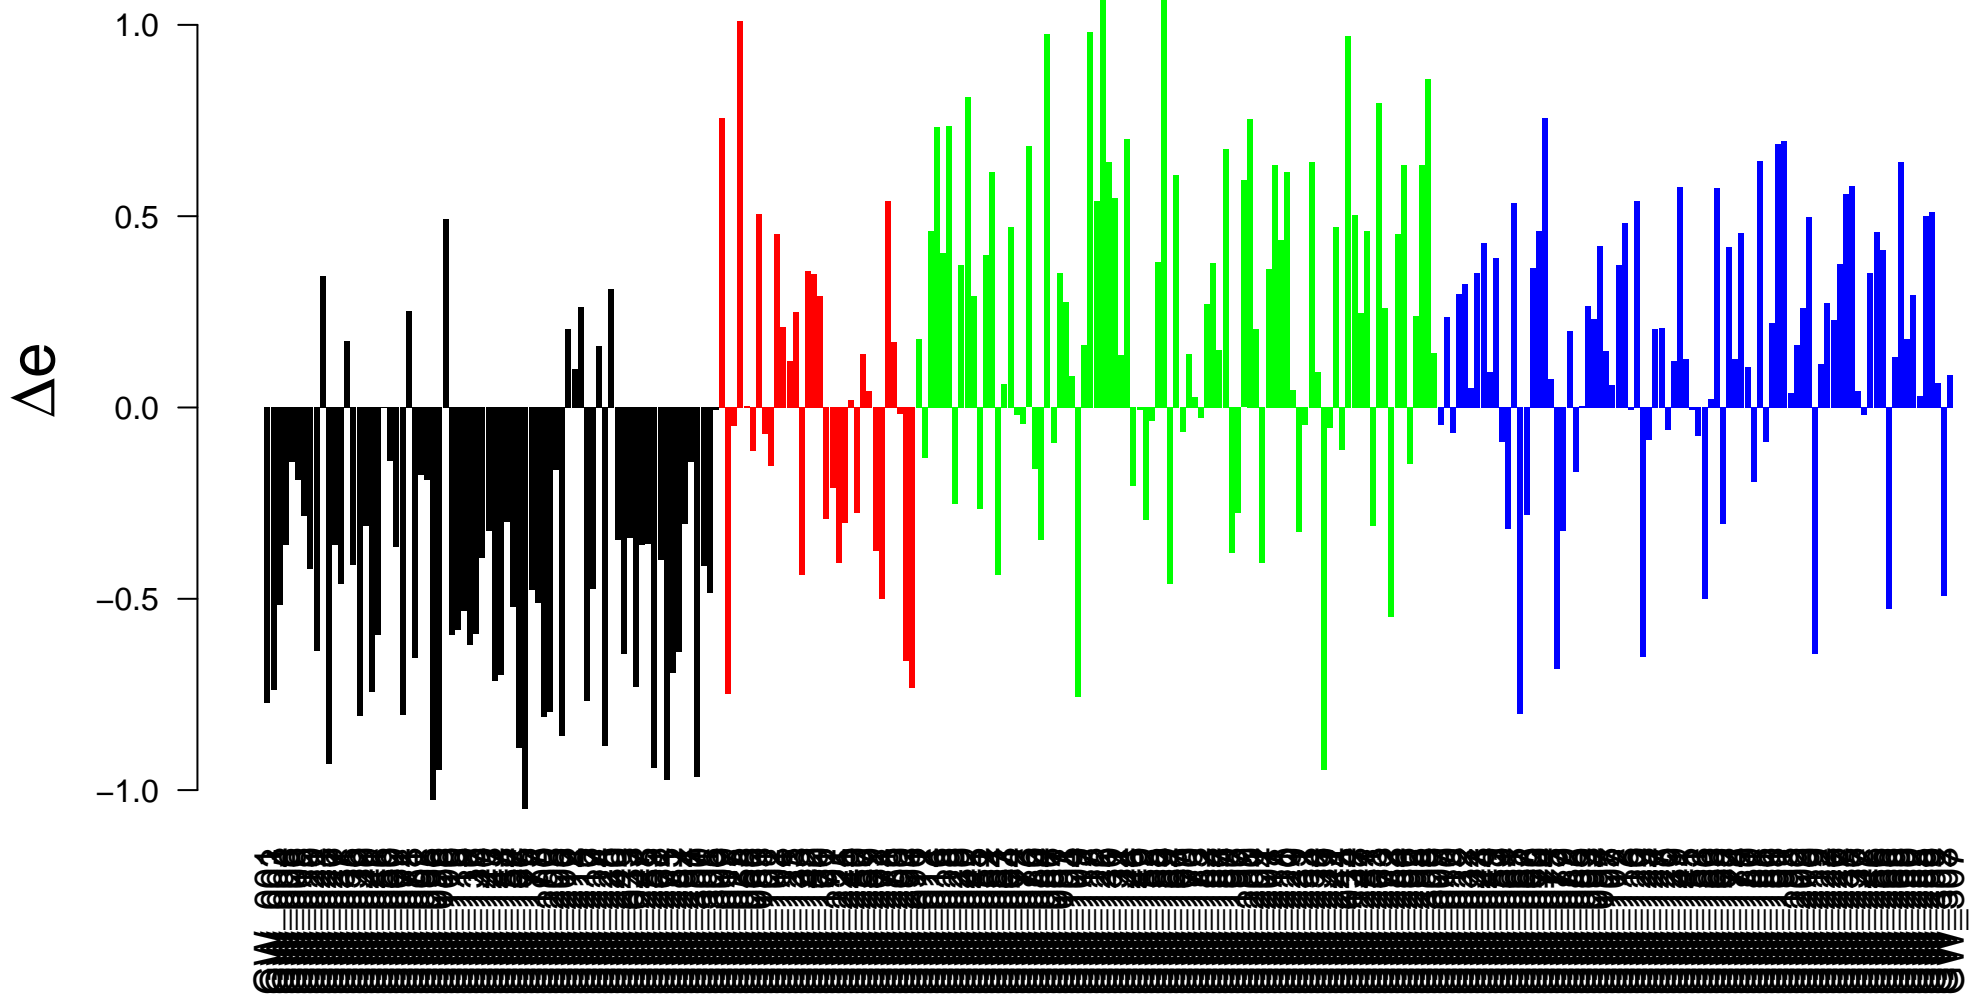

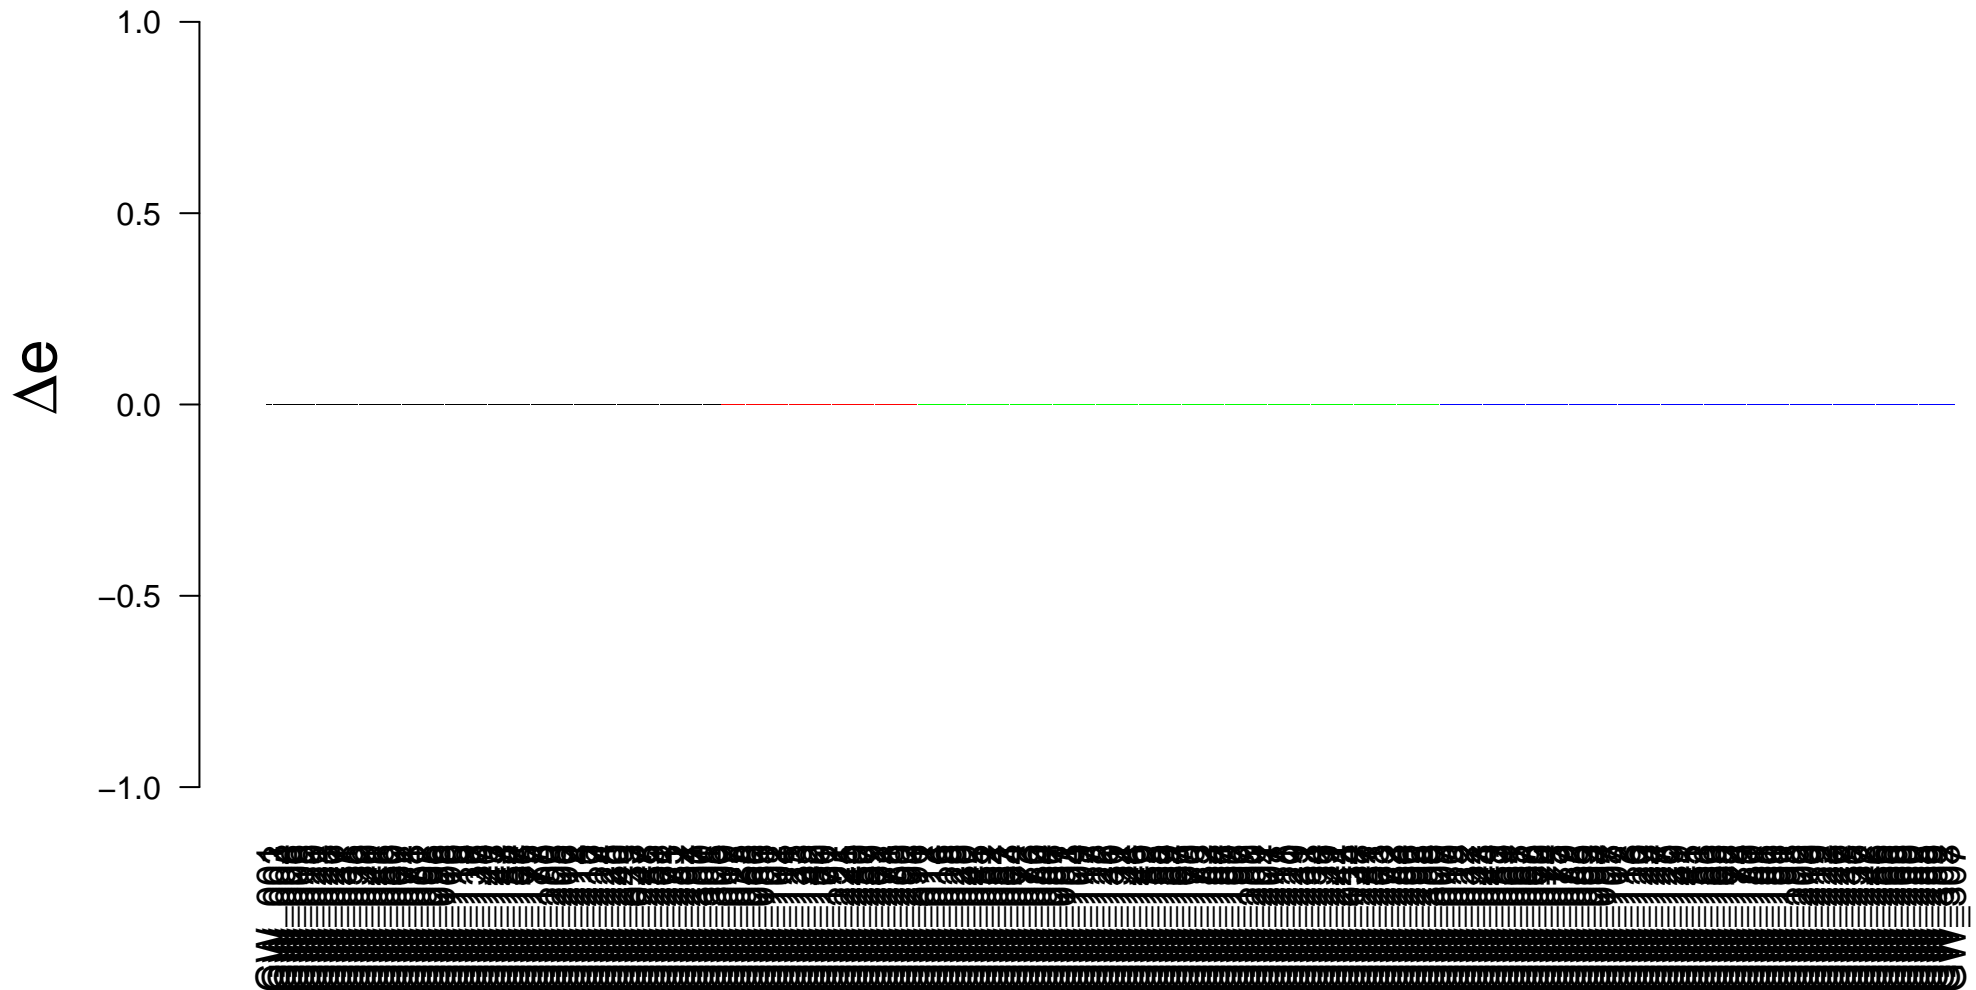

# Expression of nucleoside diphosphate phosphorylation in Spot N

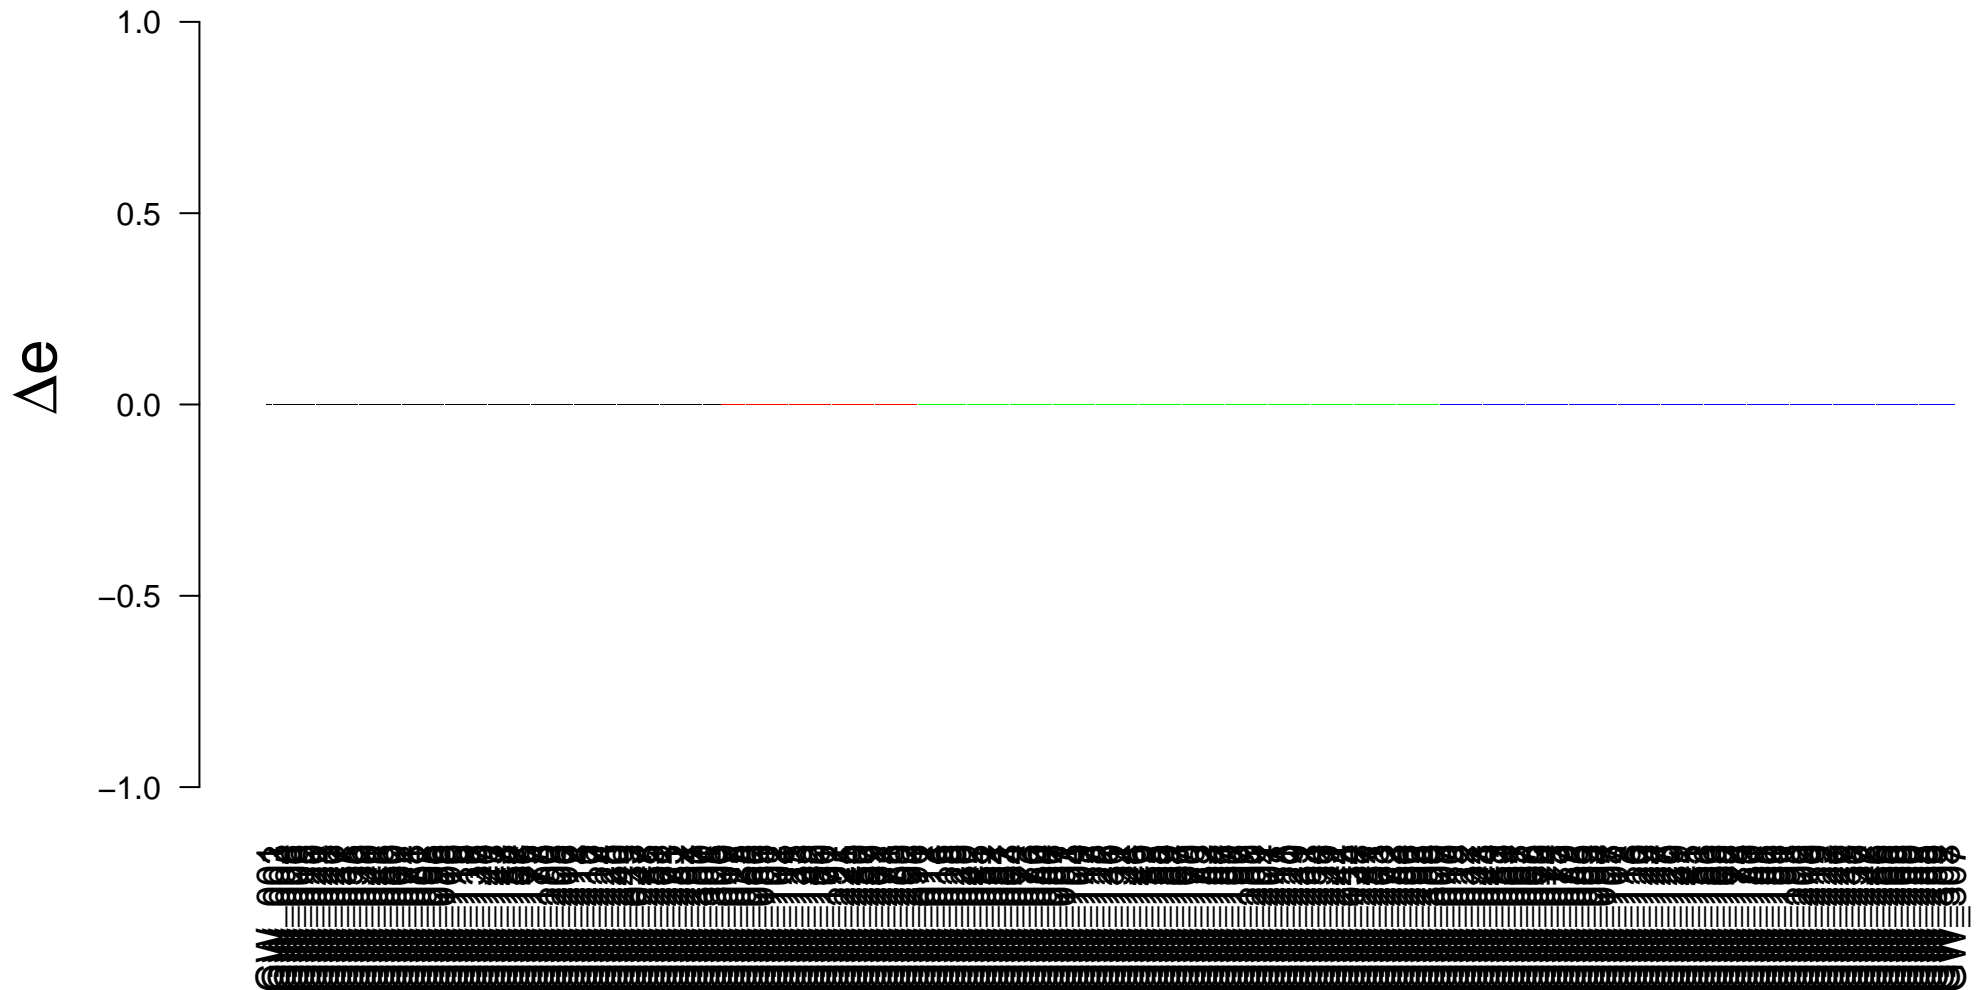

# Expression of nucleoside diphosphate phosphorylation in Spot O

# Expression of nucleoside diphosphate phosphorylation in Spot P

# Expression of nucleoside diphosphate phosphorylation in Spot Q

# Expression of nucleoside diphosphate phosphorylation in Spot R
