

nucleotide-excision repair, DNA damage removal

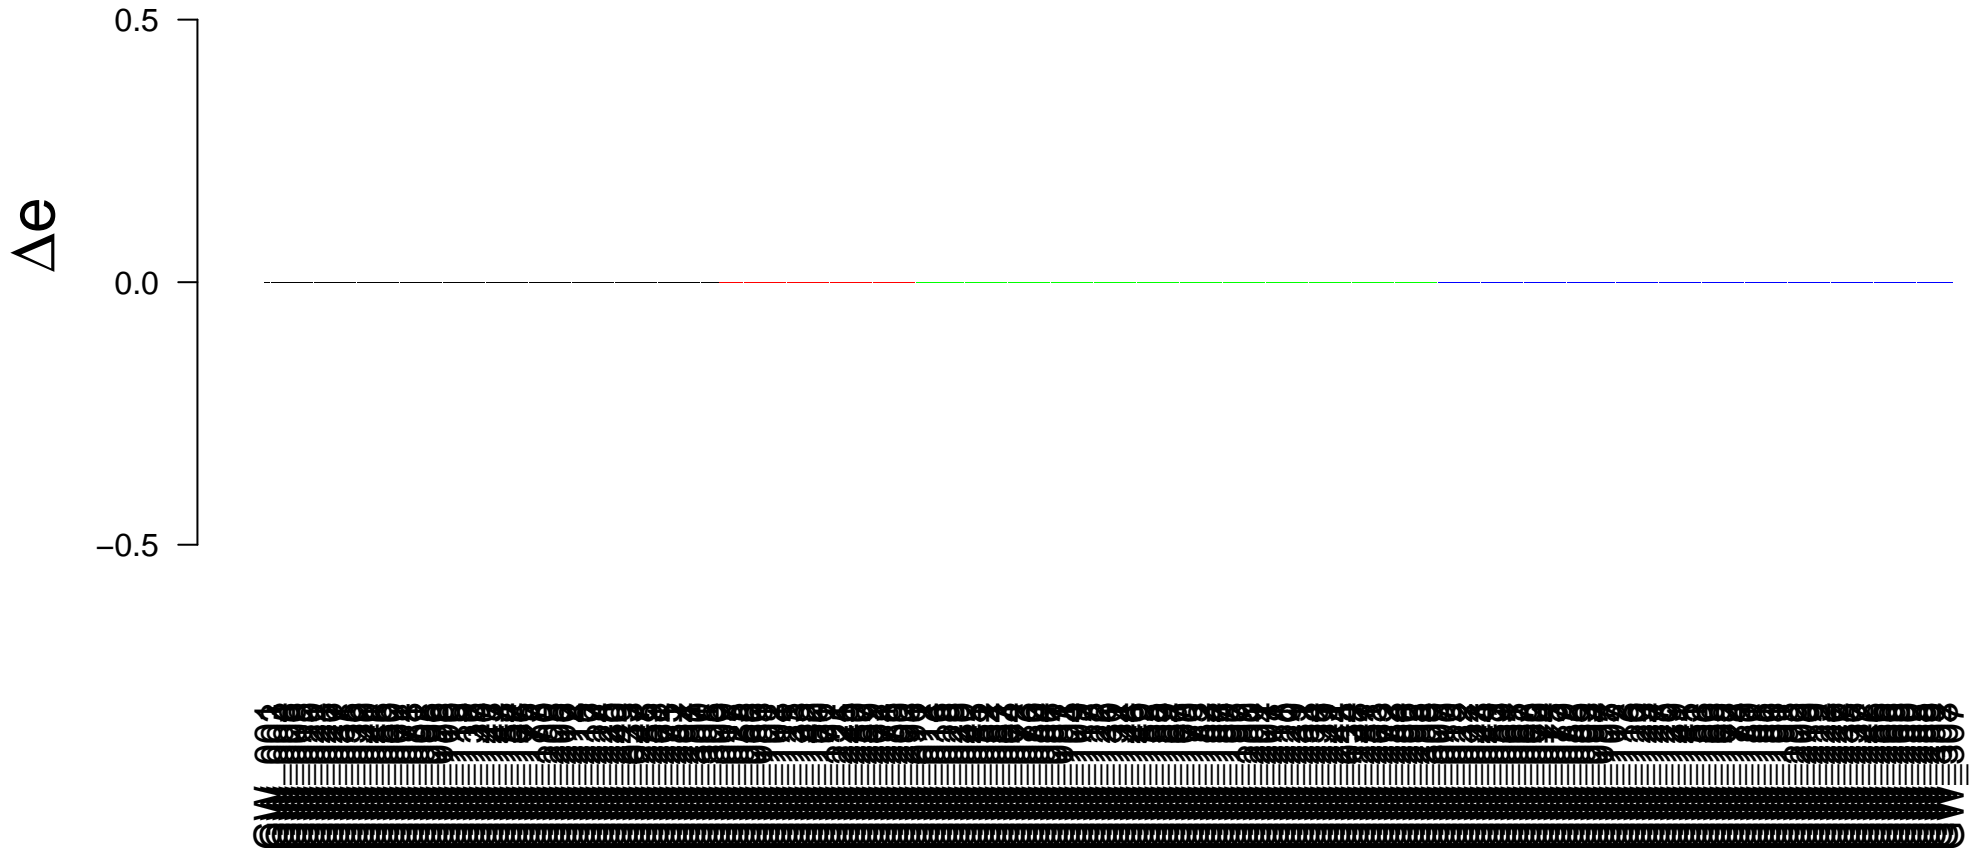

nucleotide–excision repair, DNA damage removal

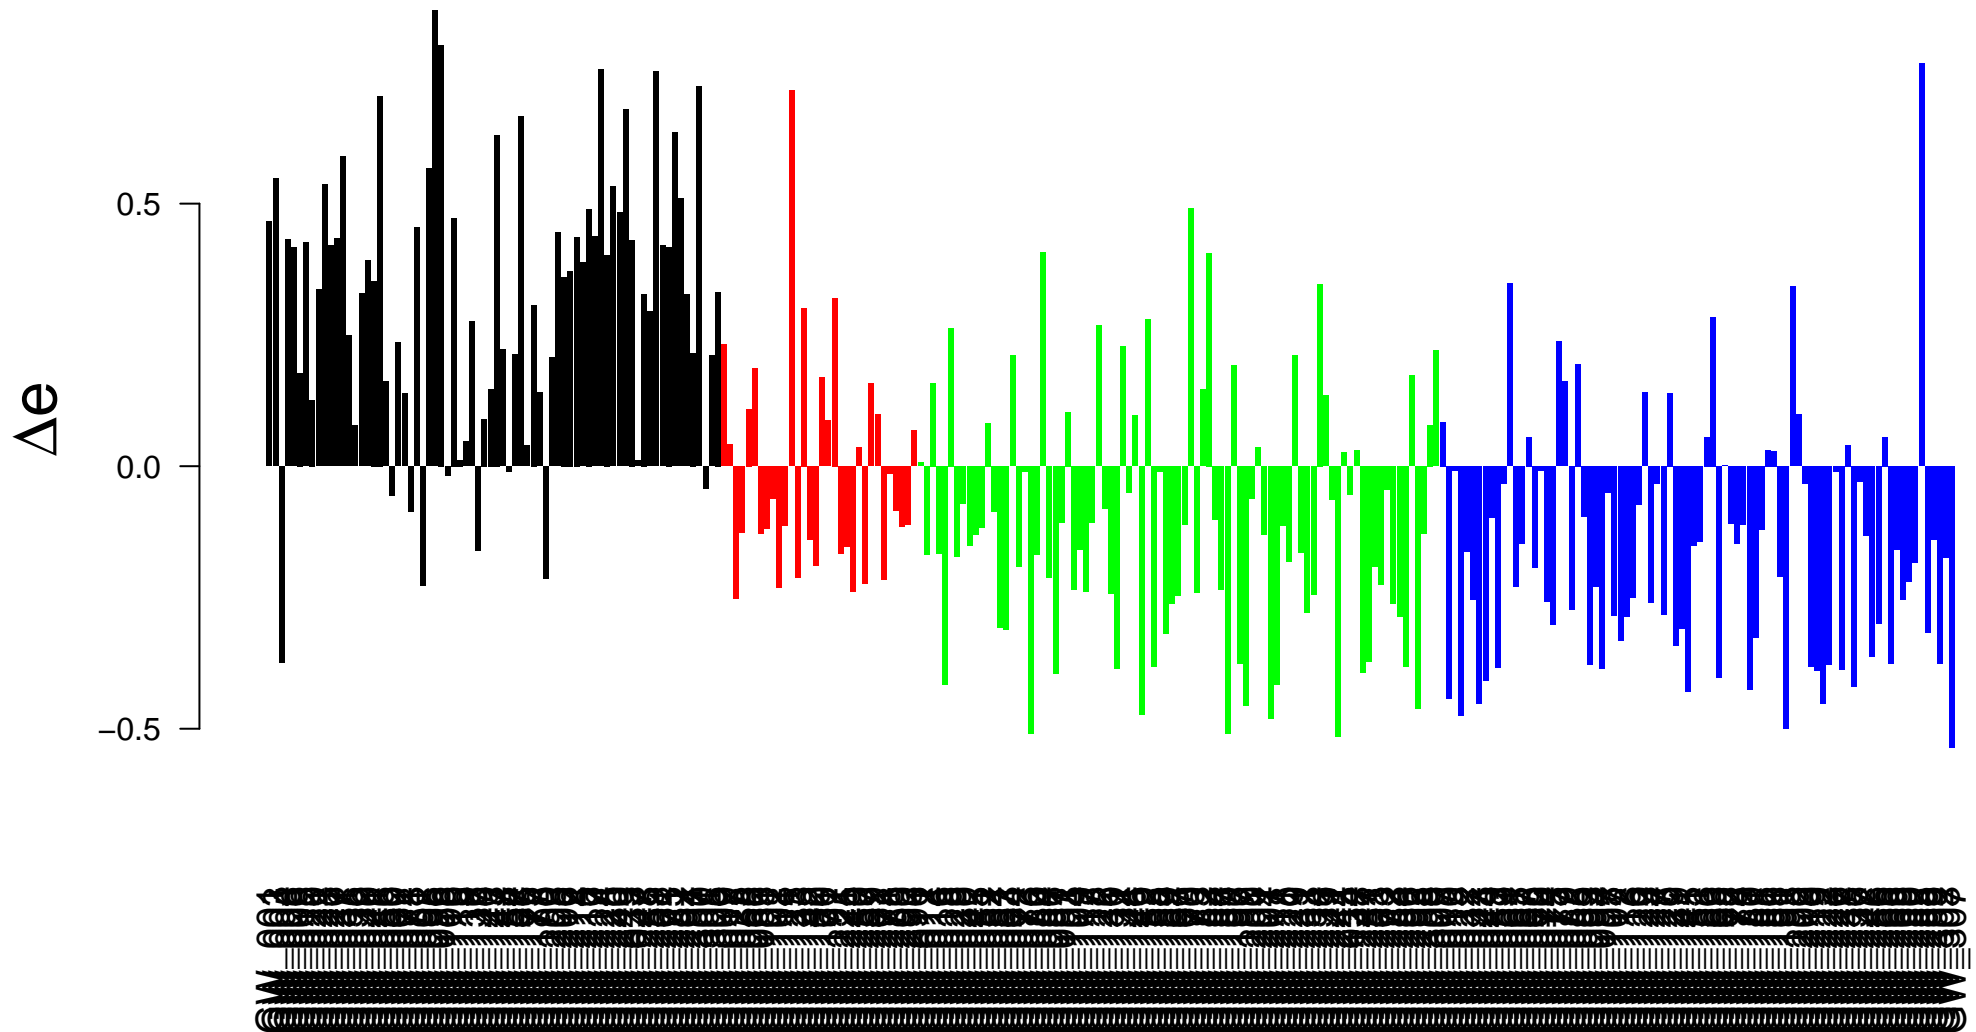

Enrichment in spots: nucleotide-excision repair, DNA damage removal

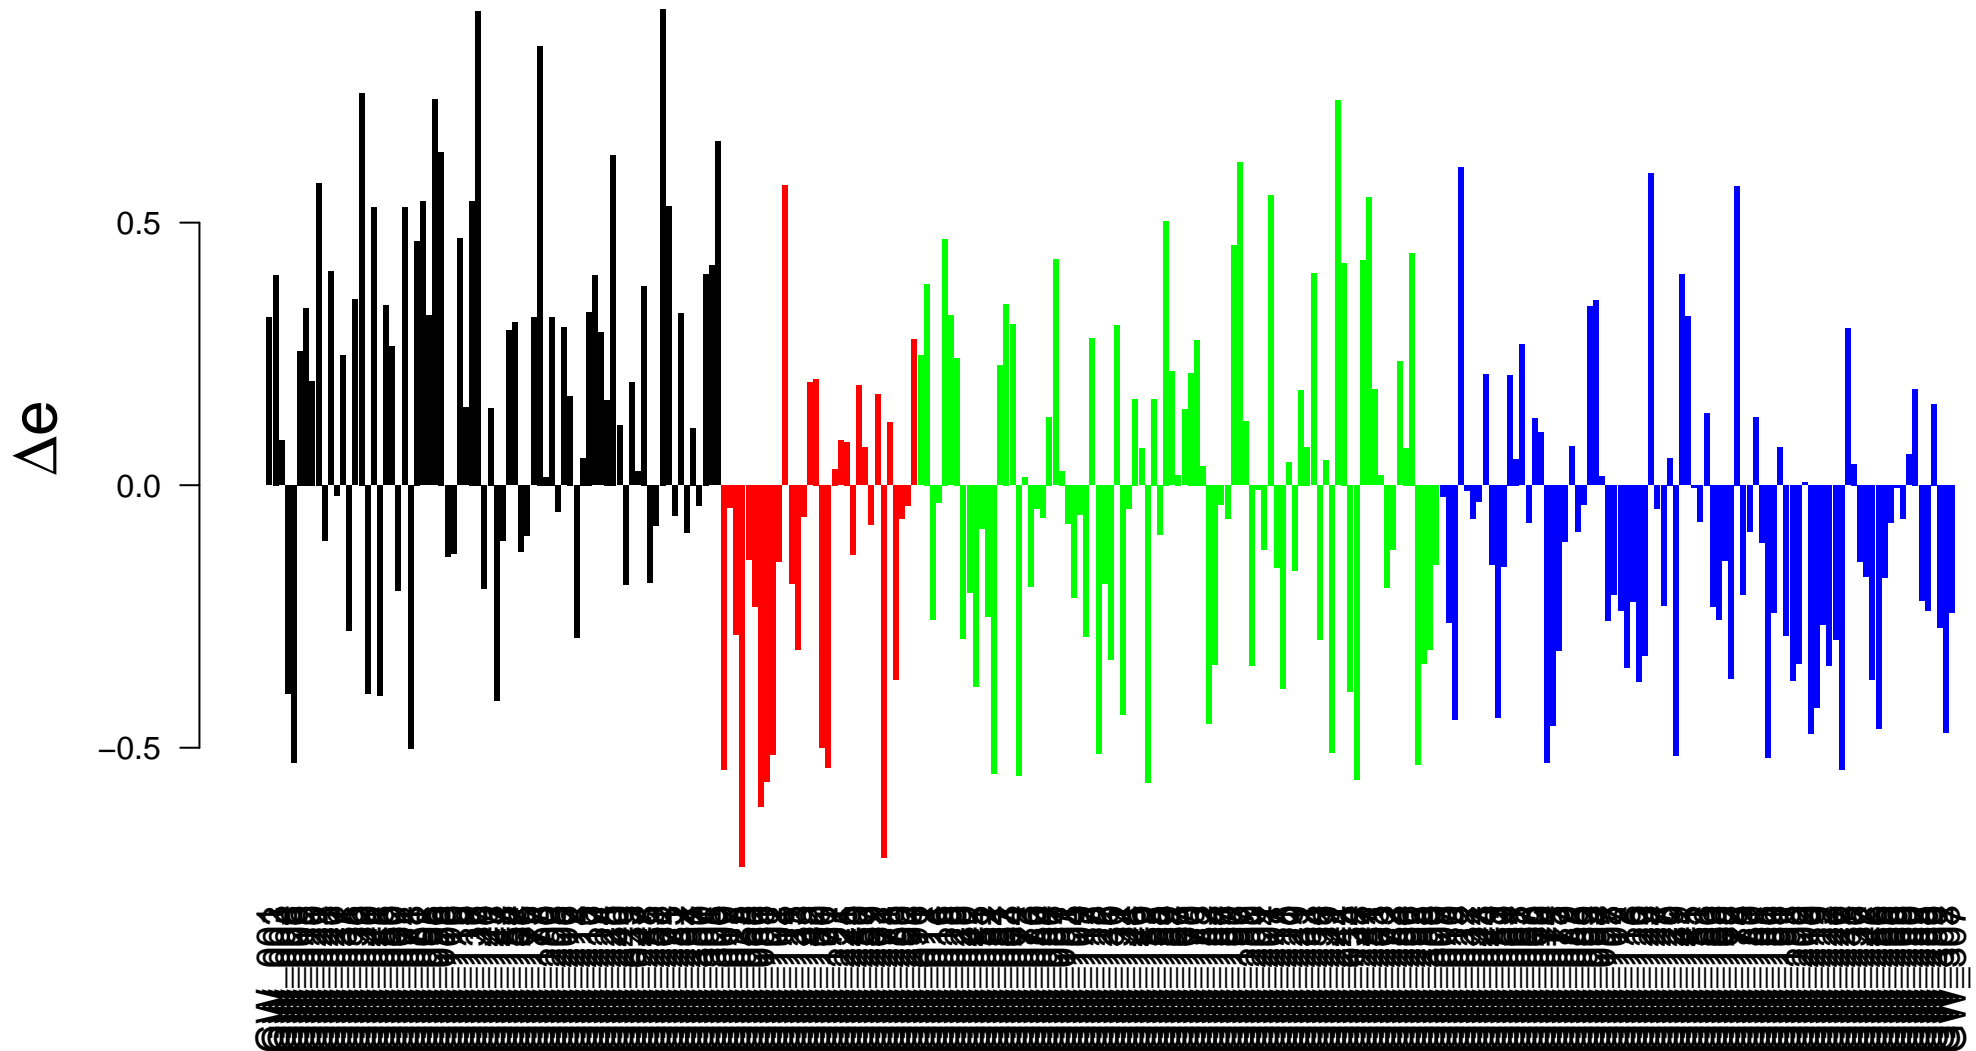

Expression of nucleotide–excision repair, DNA damage removal in Spot A

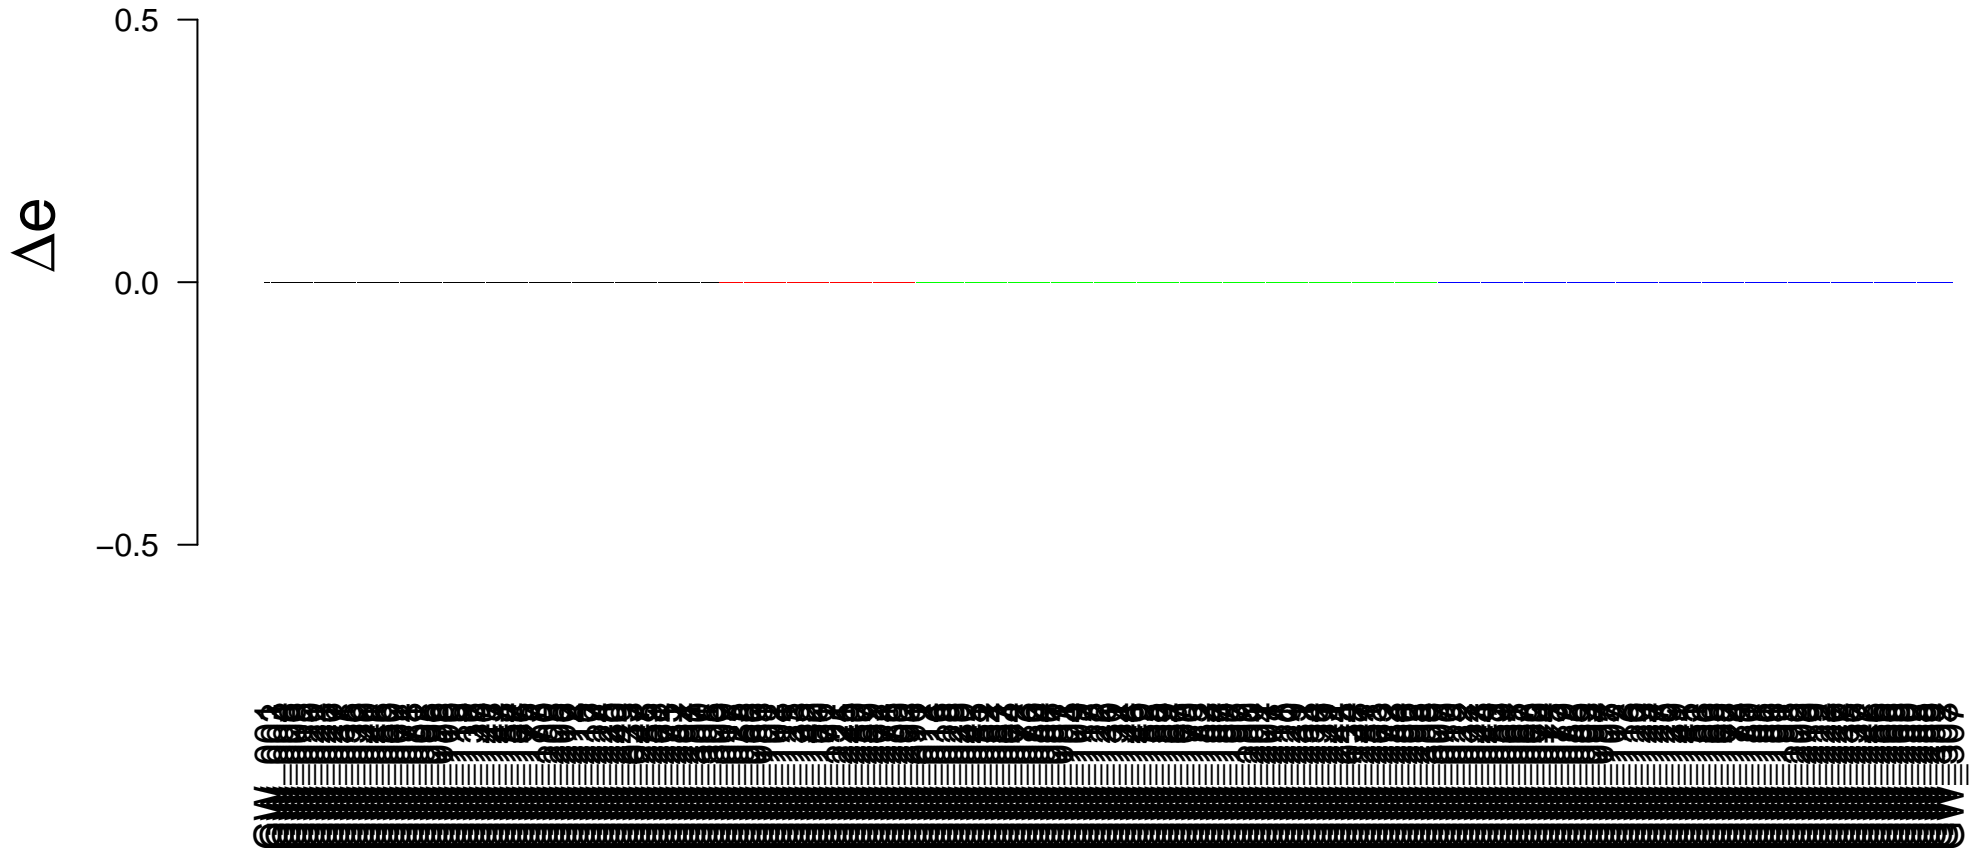

Expression of nucleotide–excision repair, DNA damage removal in Spot B

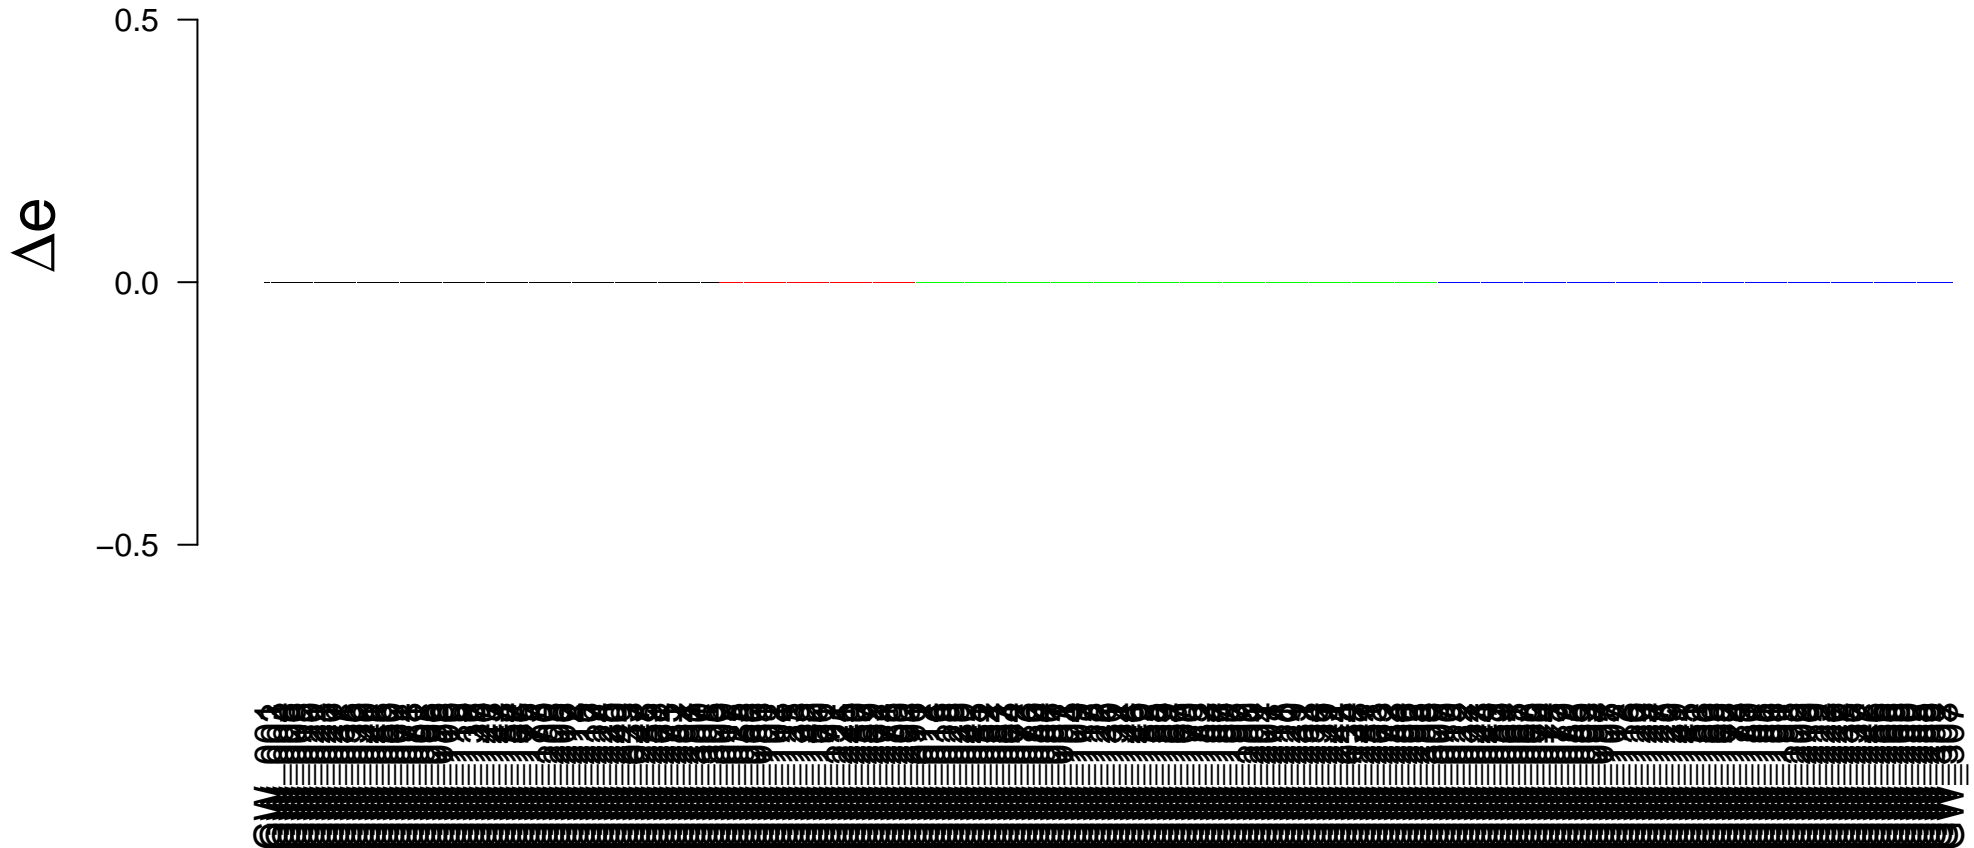

Expression of nucleotide–excision repair, DNA damage removal in Spot C

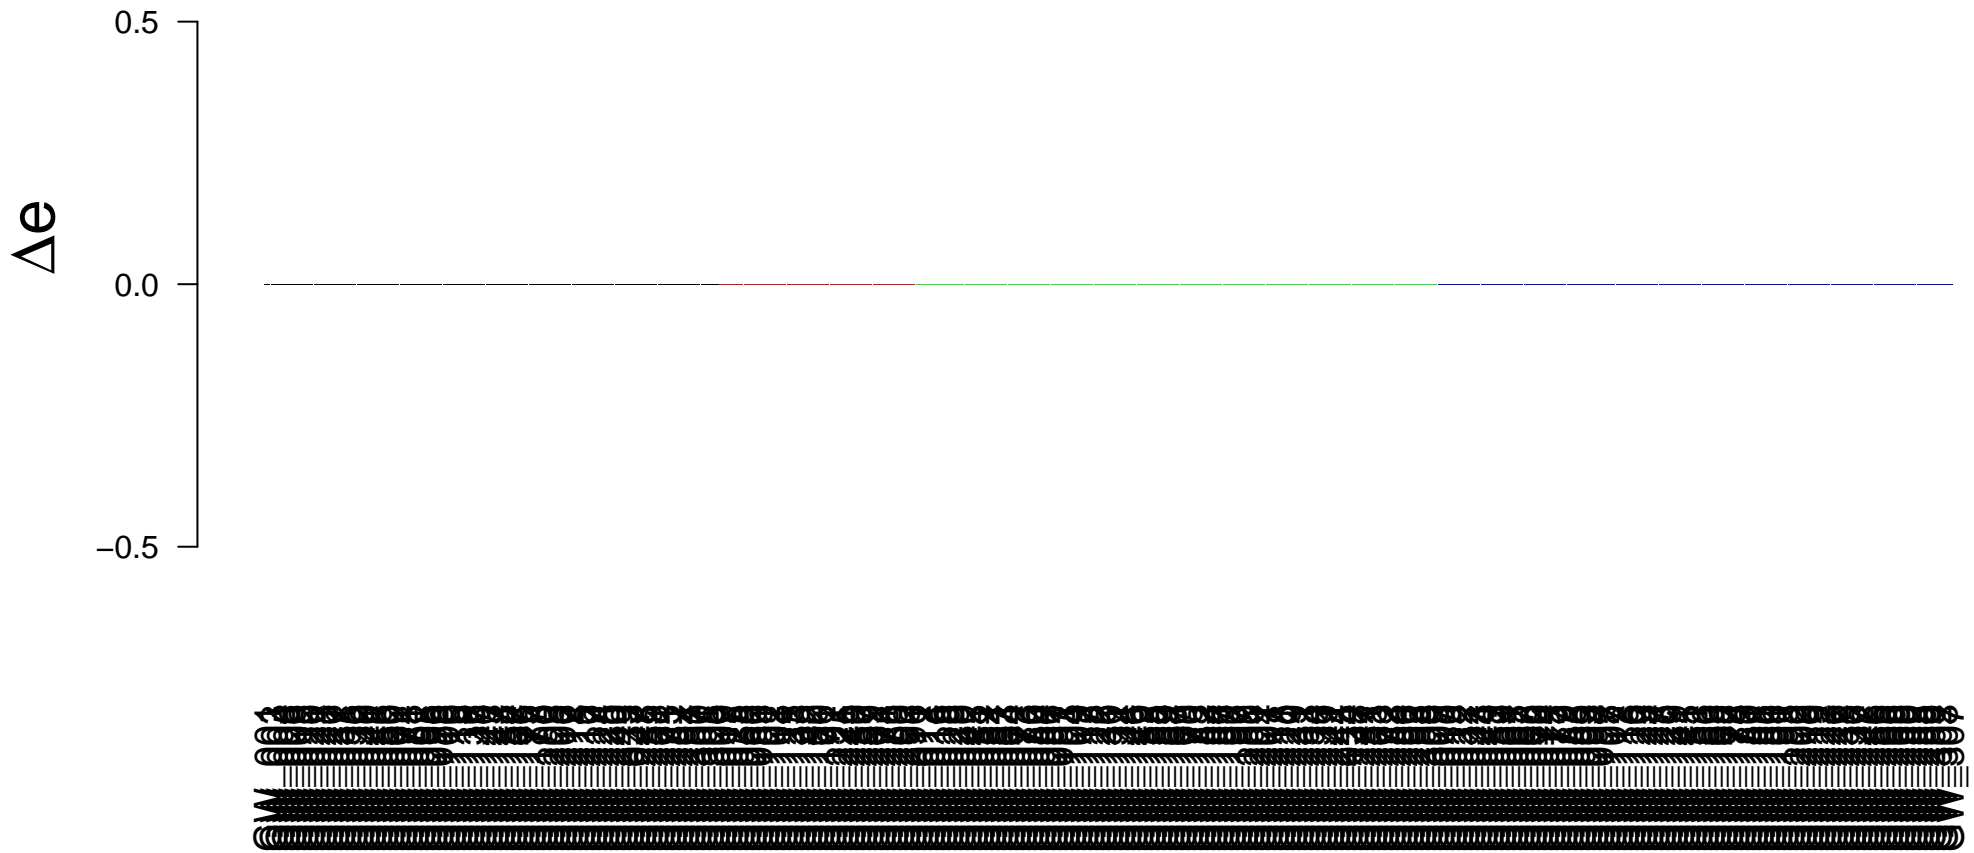

Expression of nucleotide–excision repair, DNA damage removal in Spot D

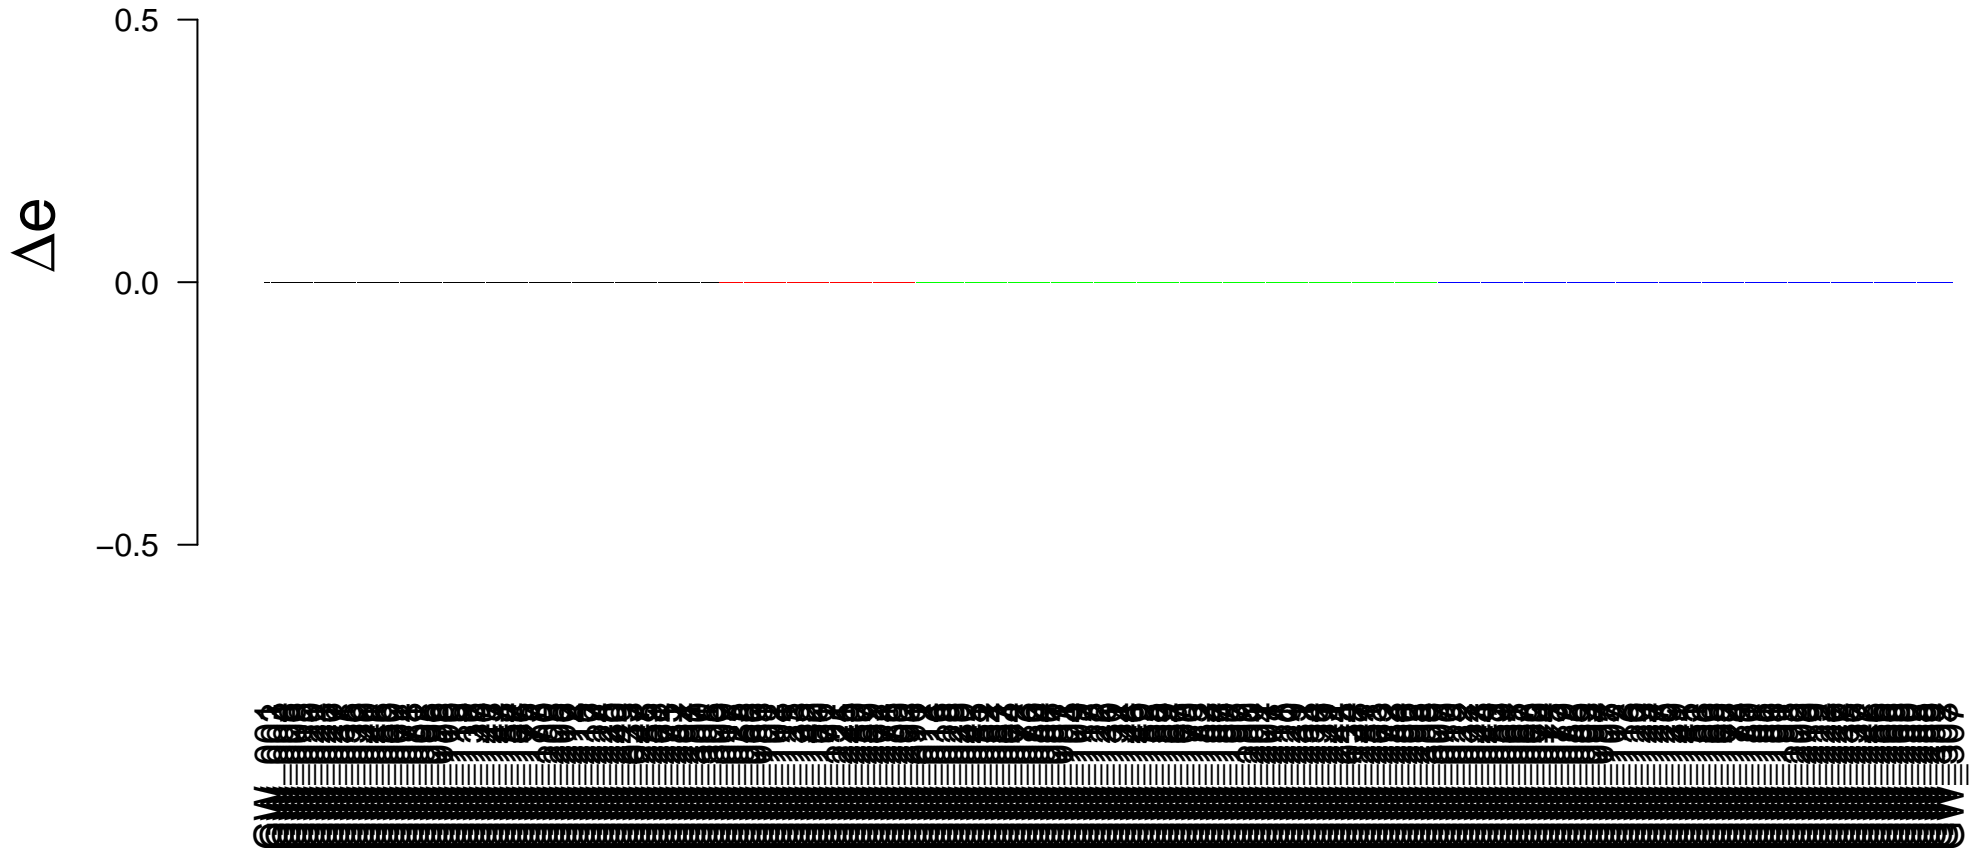

Expression of nucleotide–excision repair, DNA damage removal in Spot E

Expression of nucleotide-excision repair, DNA damage removal in Spot G

Expression of nucleotide–excision repair, DNA damage removal in Spot J

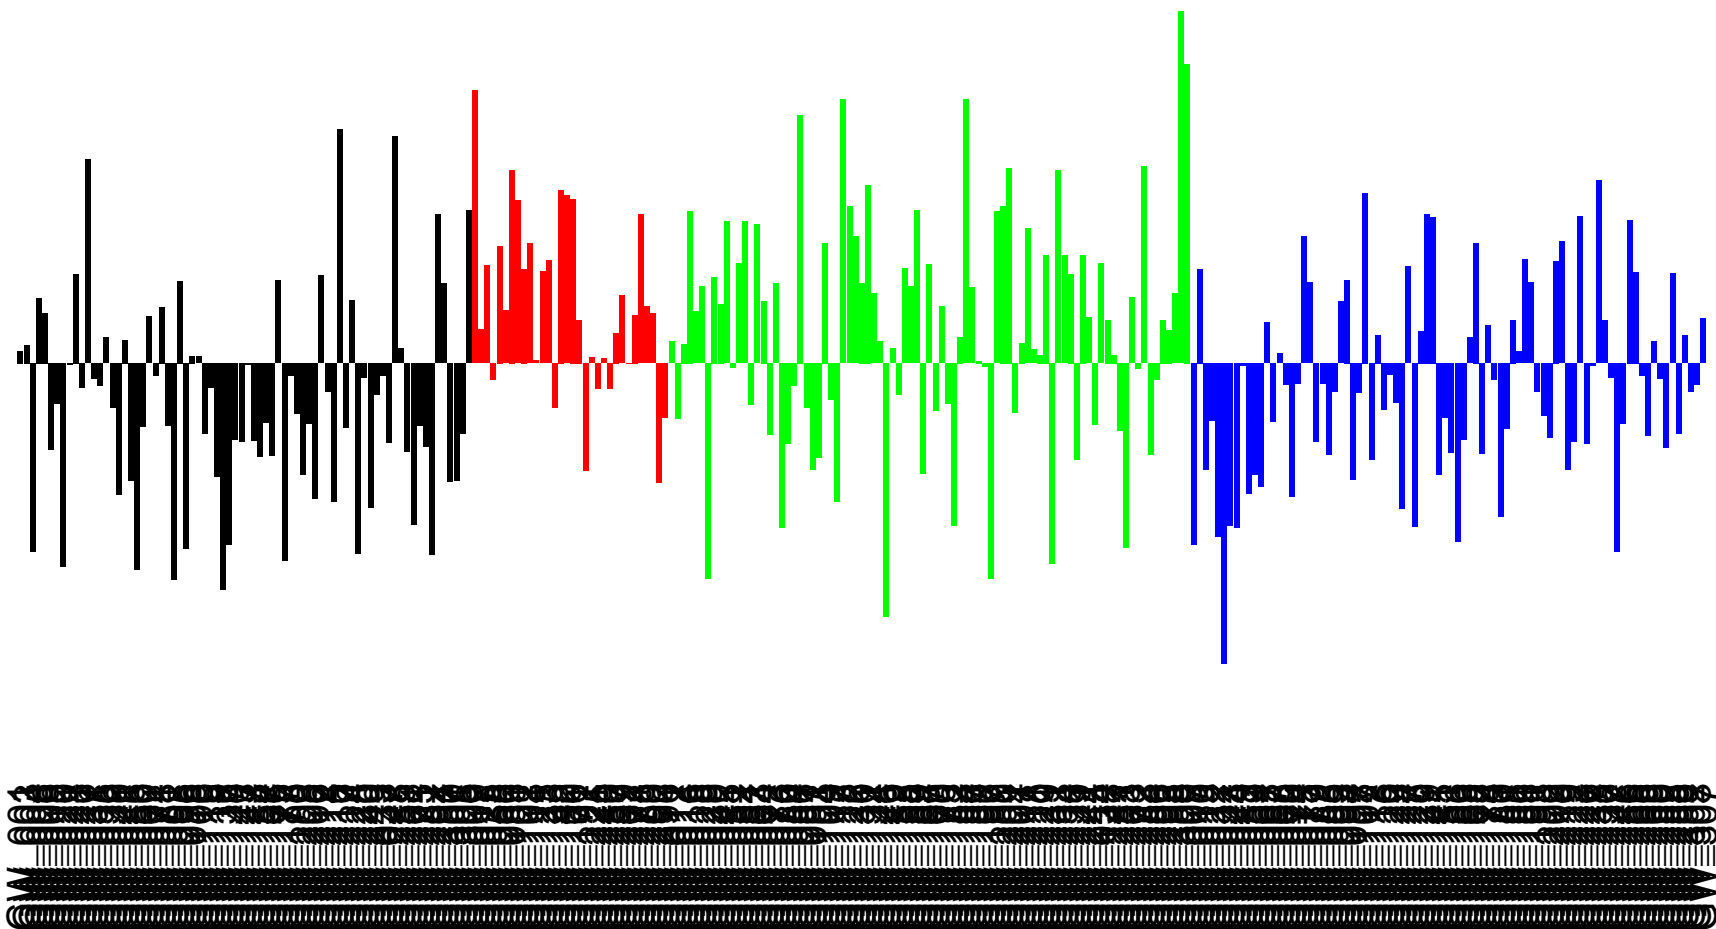

Expression of nucleotide–excision repair, DNA damage removal in Spot K
