

nucleotide metabolic process

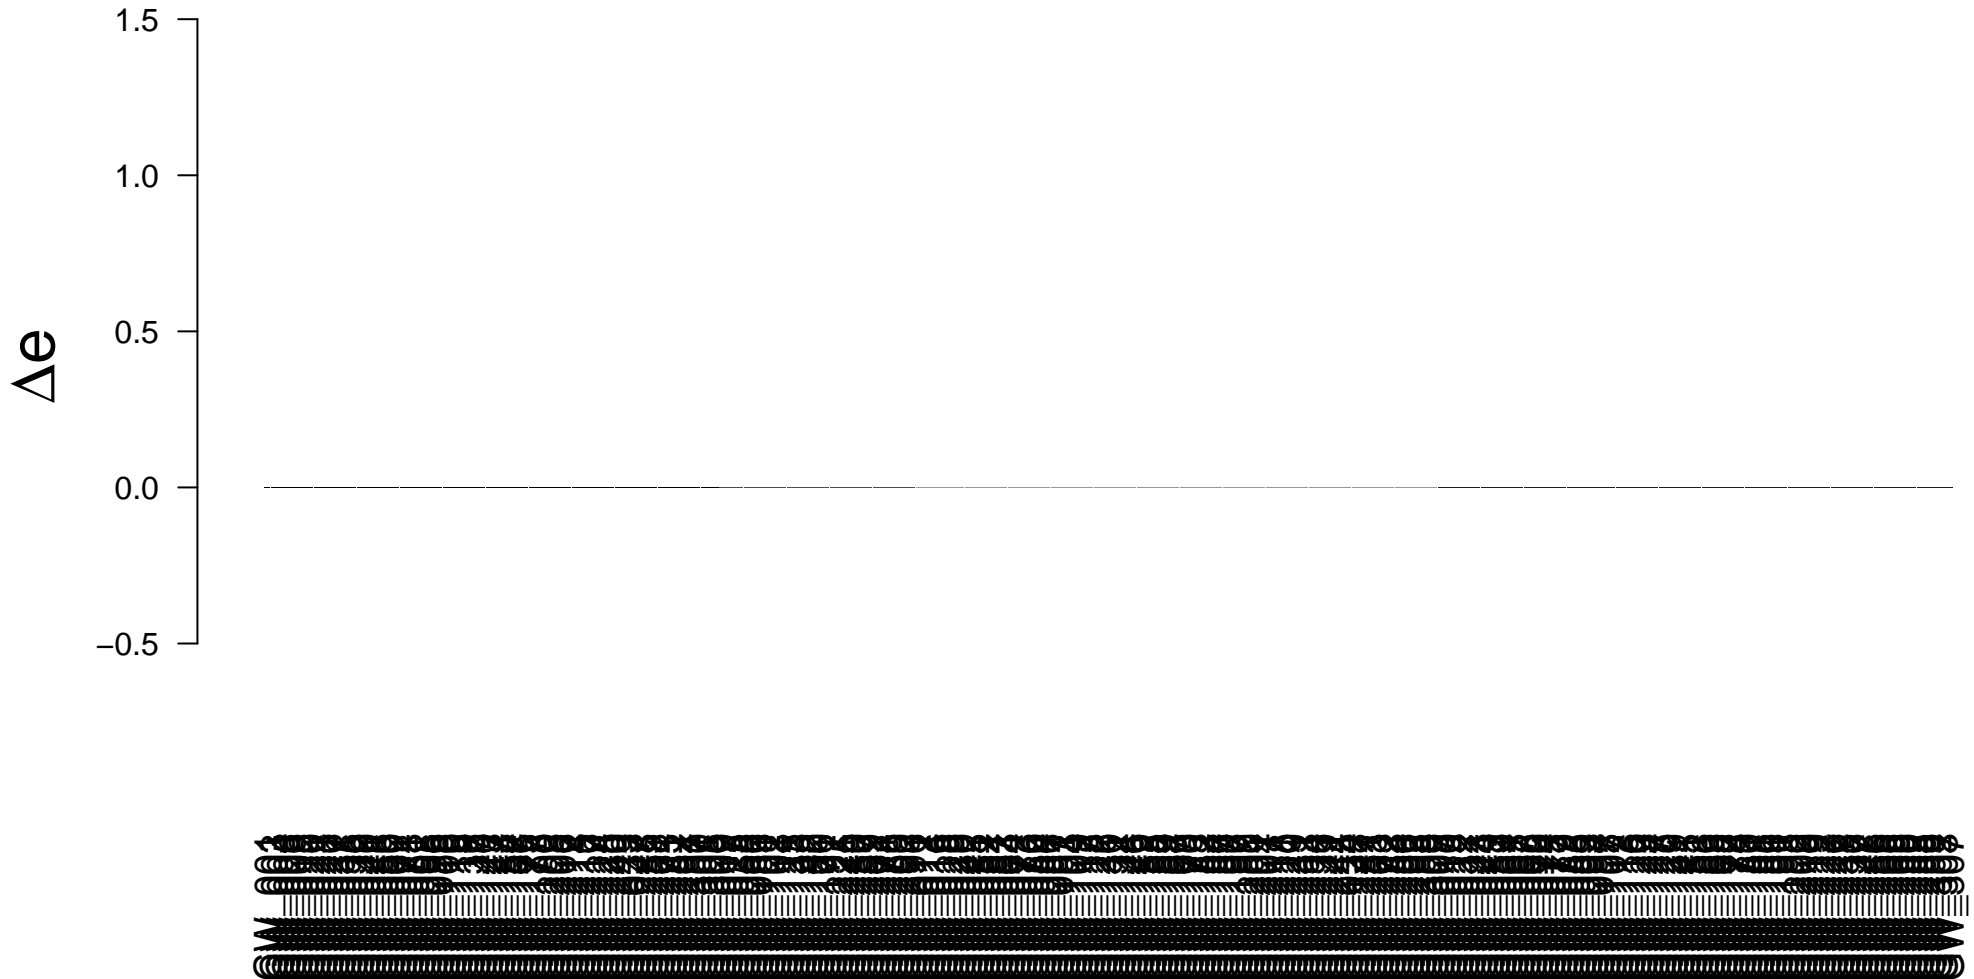

nucleotide metabolic process

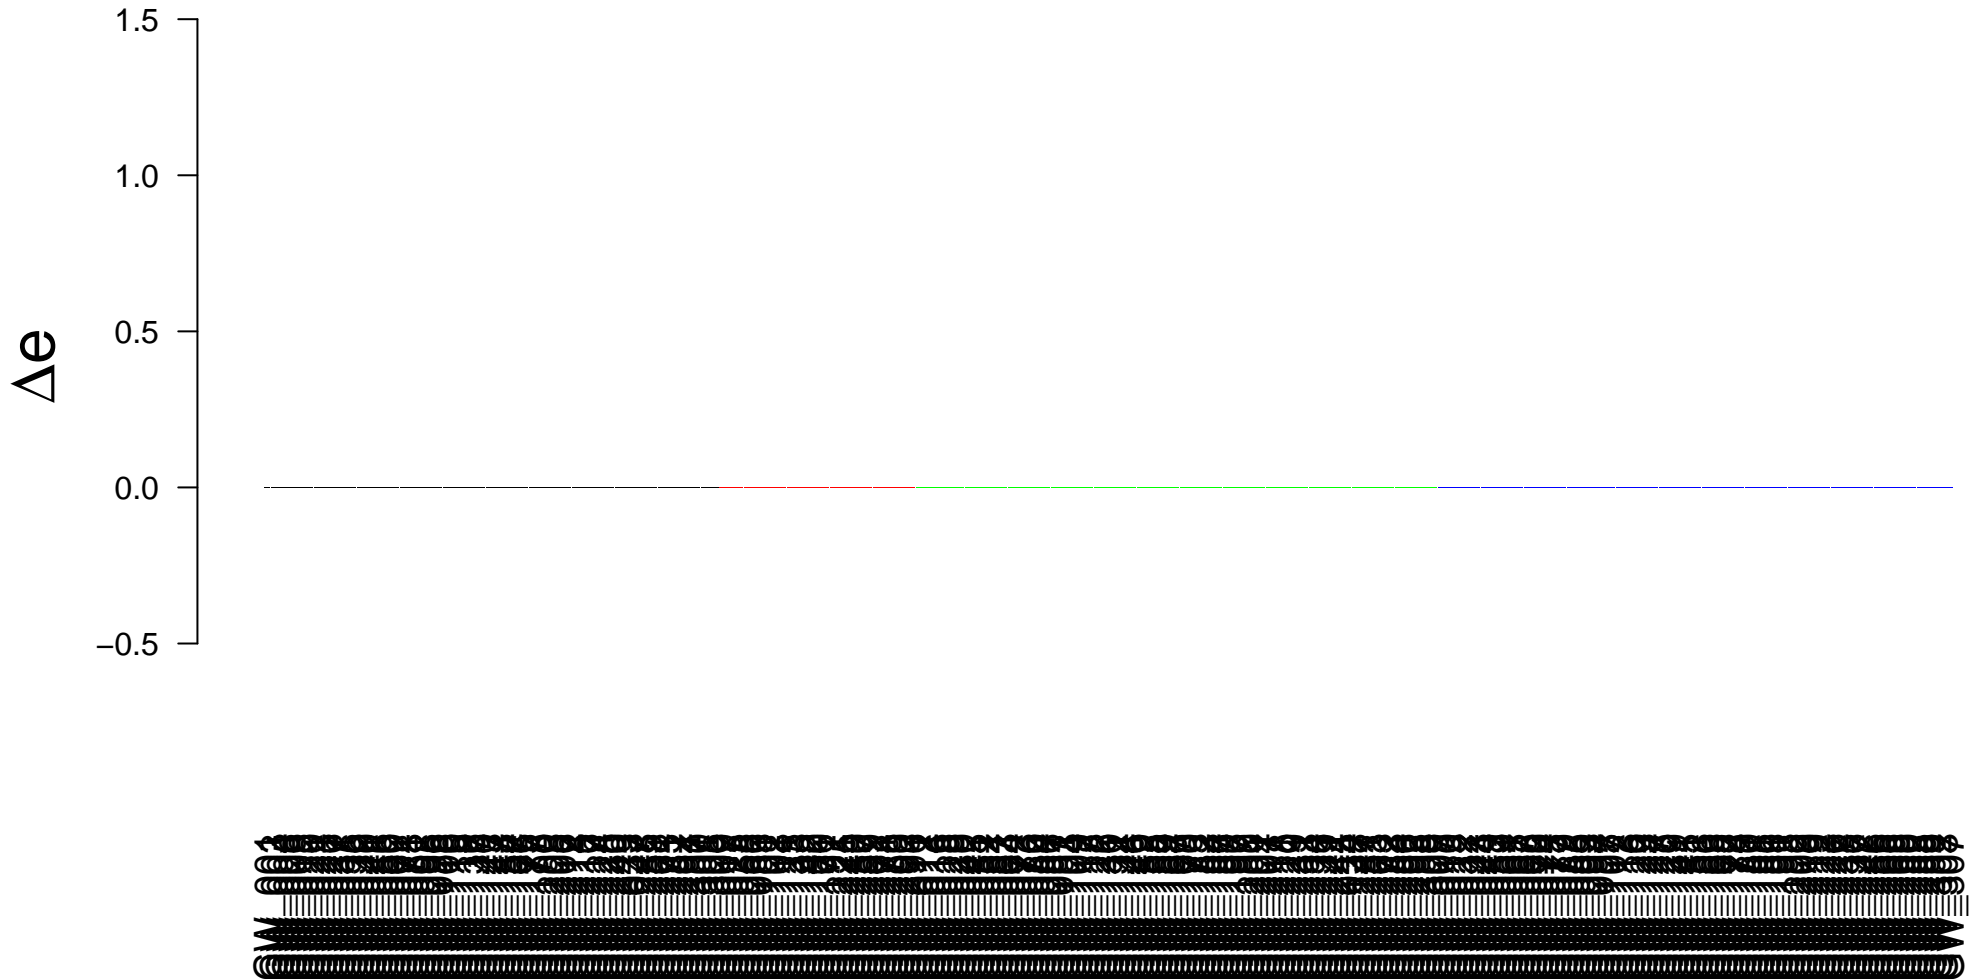

Enrichment in spots: nucleotide metabolic process

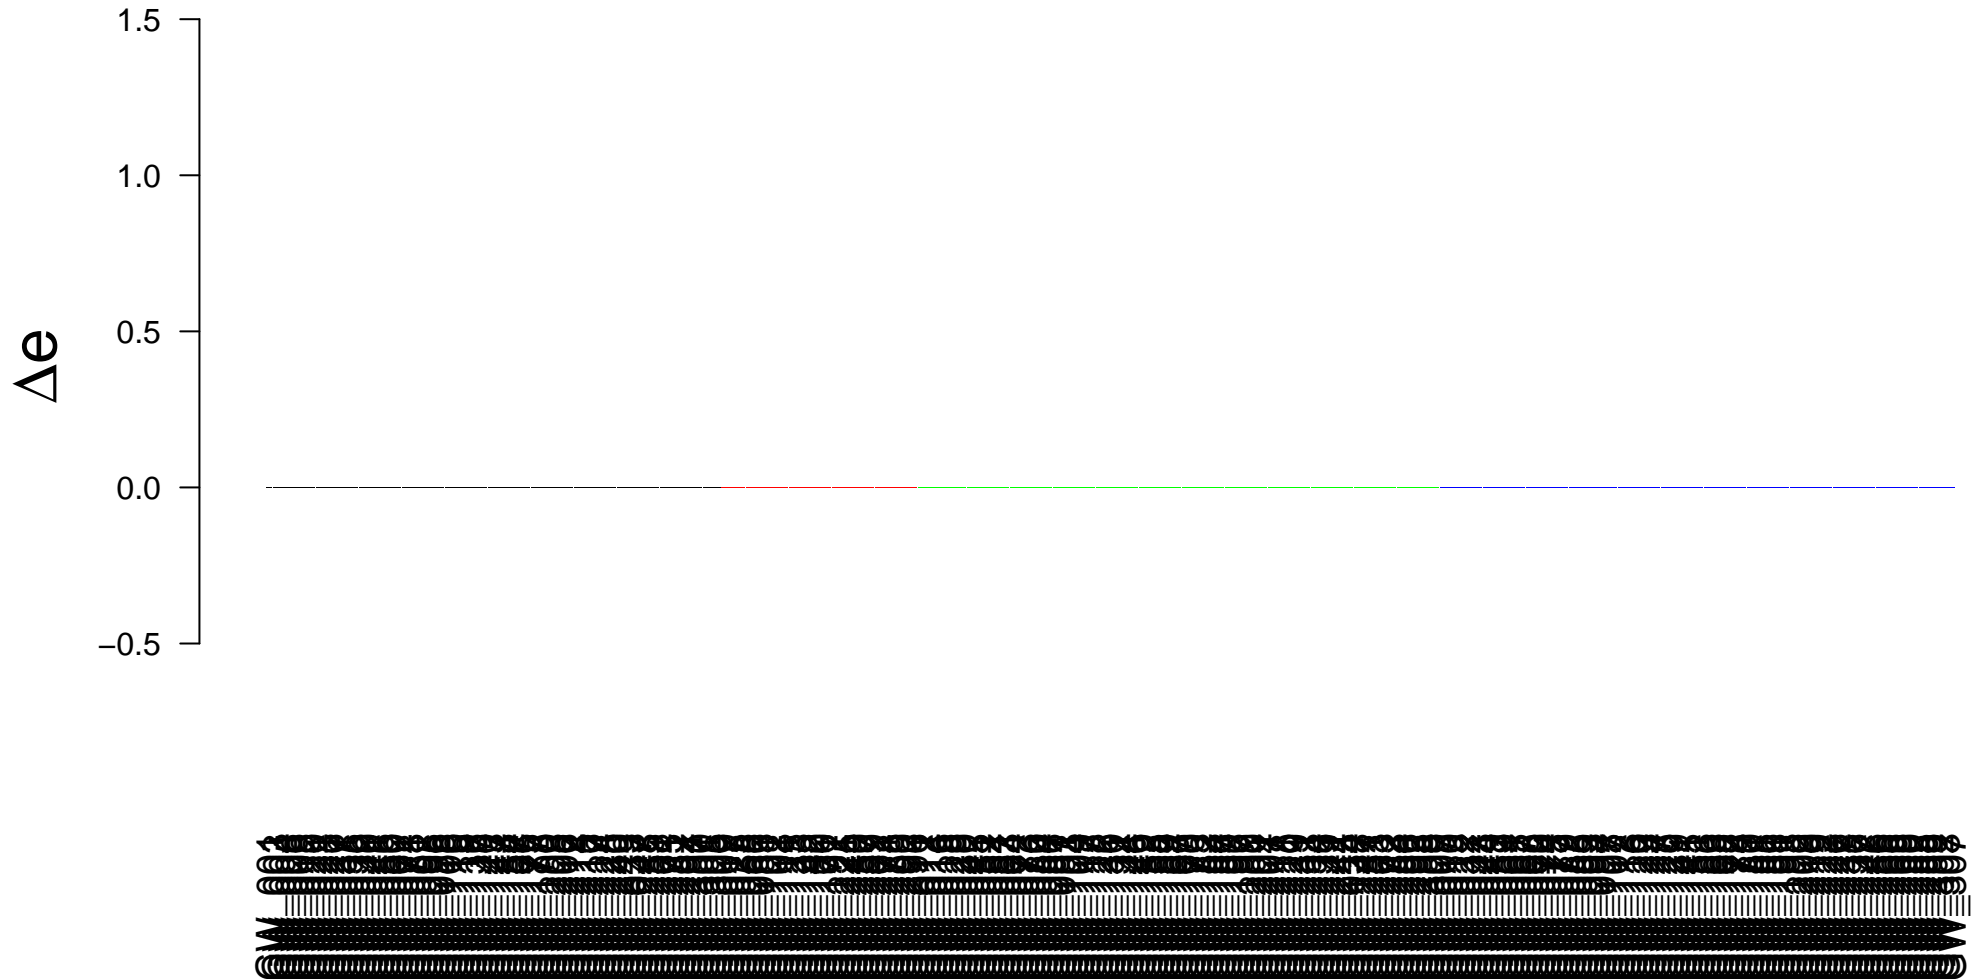

Expression of nucleotide metabolic process in Spot A

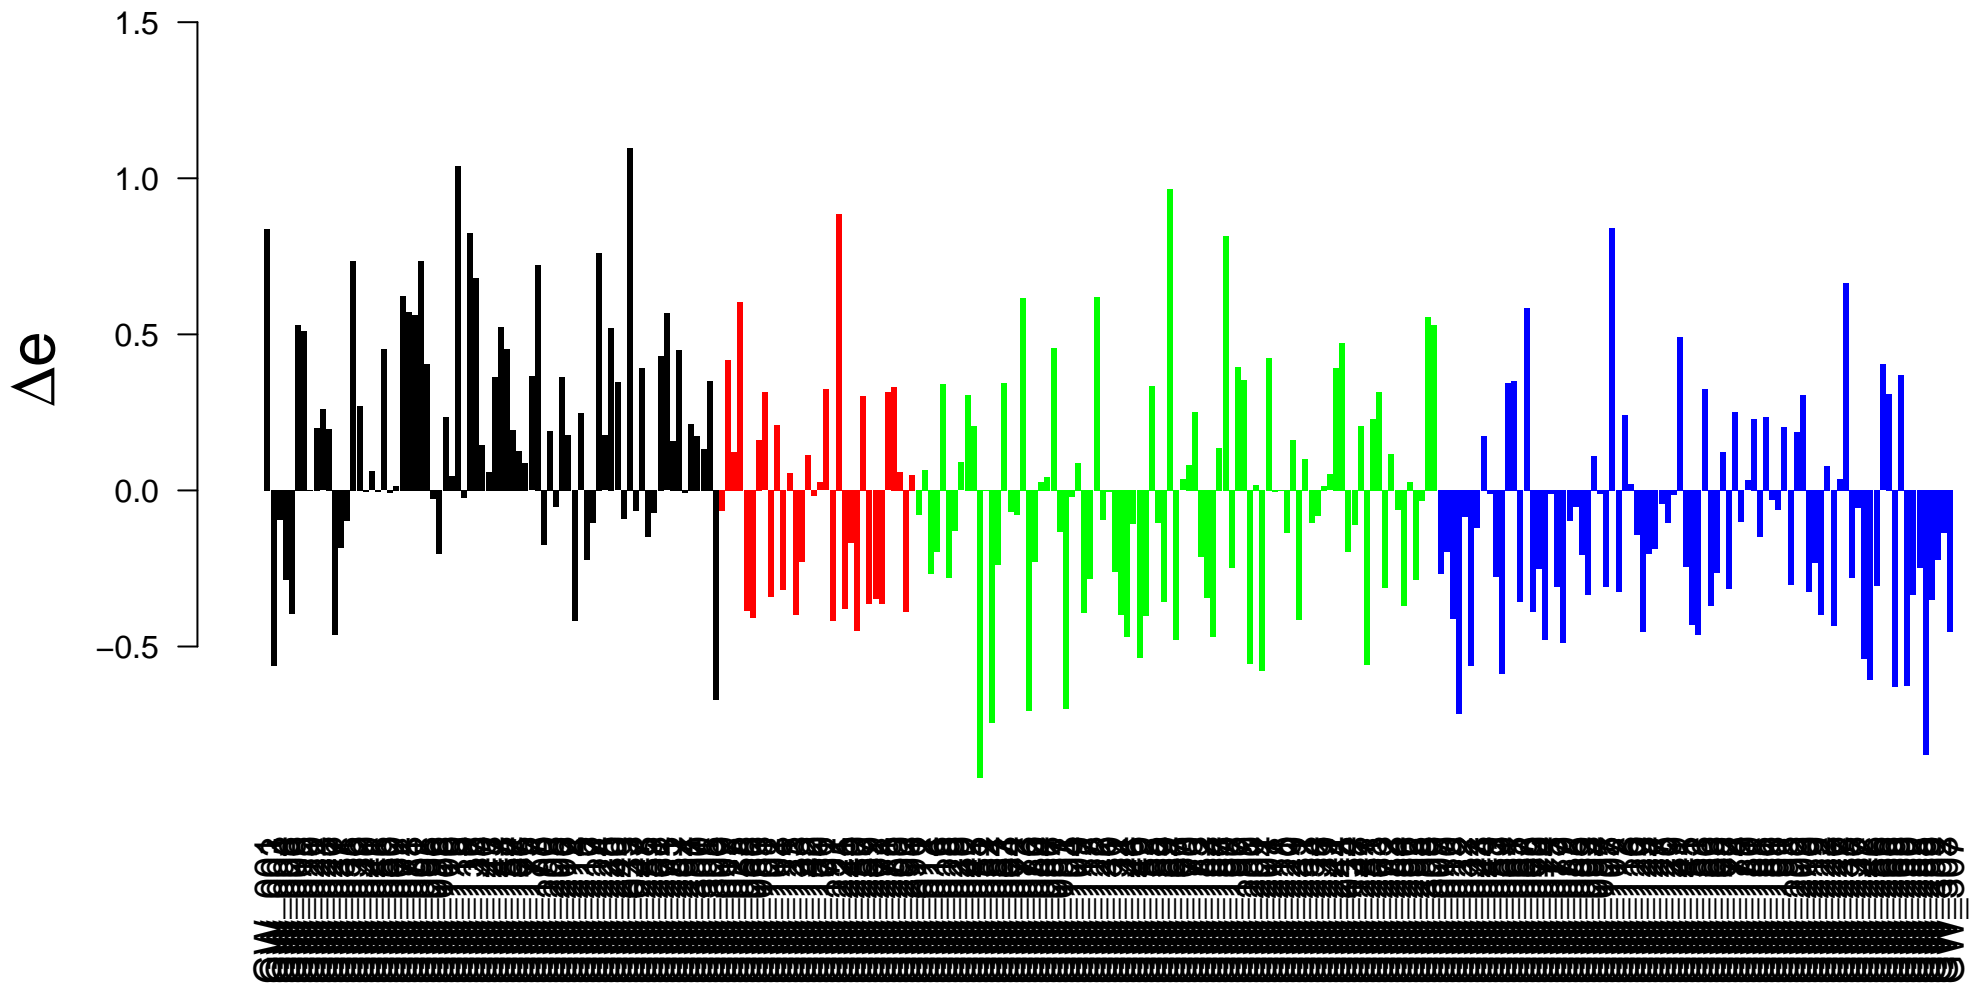

Expression of nucleotide metabolic process in Spot B

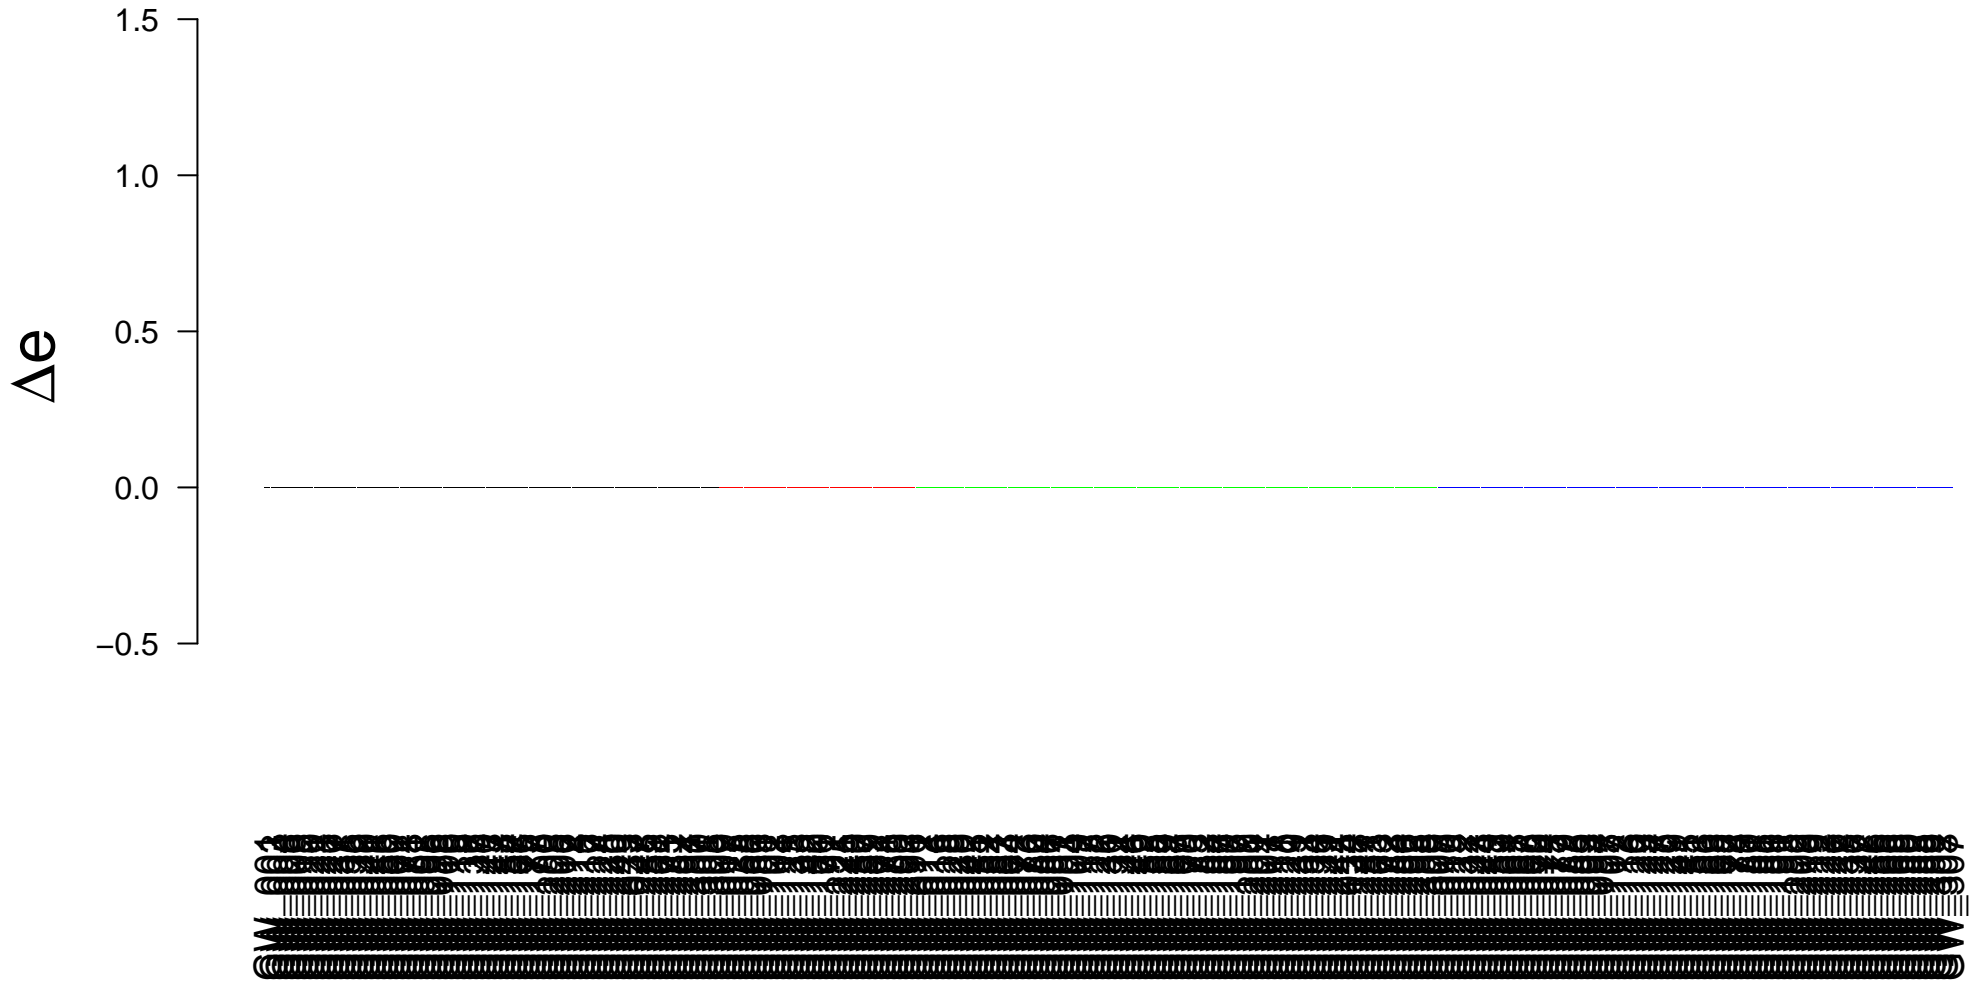

Expression of nucleotide metabolic process in Spot C

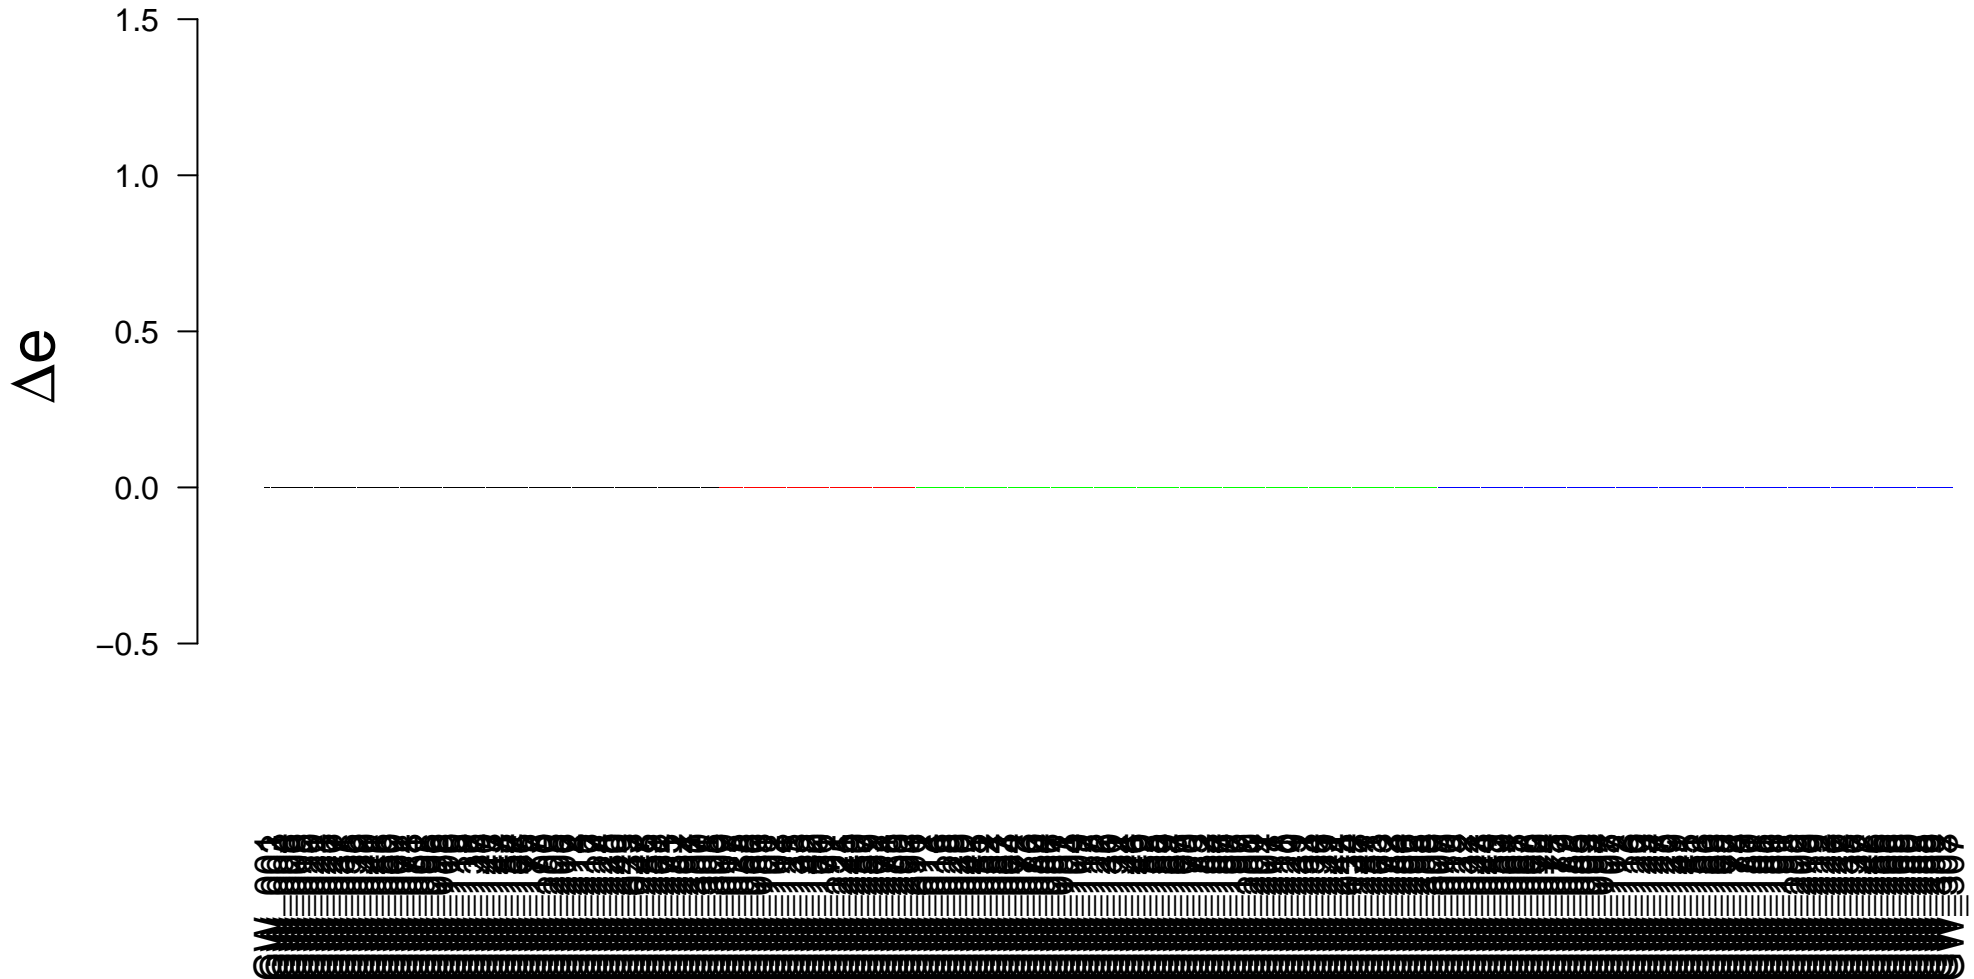

Expression of nucleotide metabolic process in Spot D

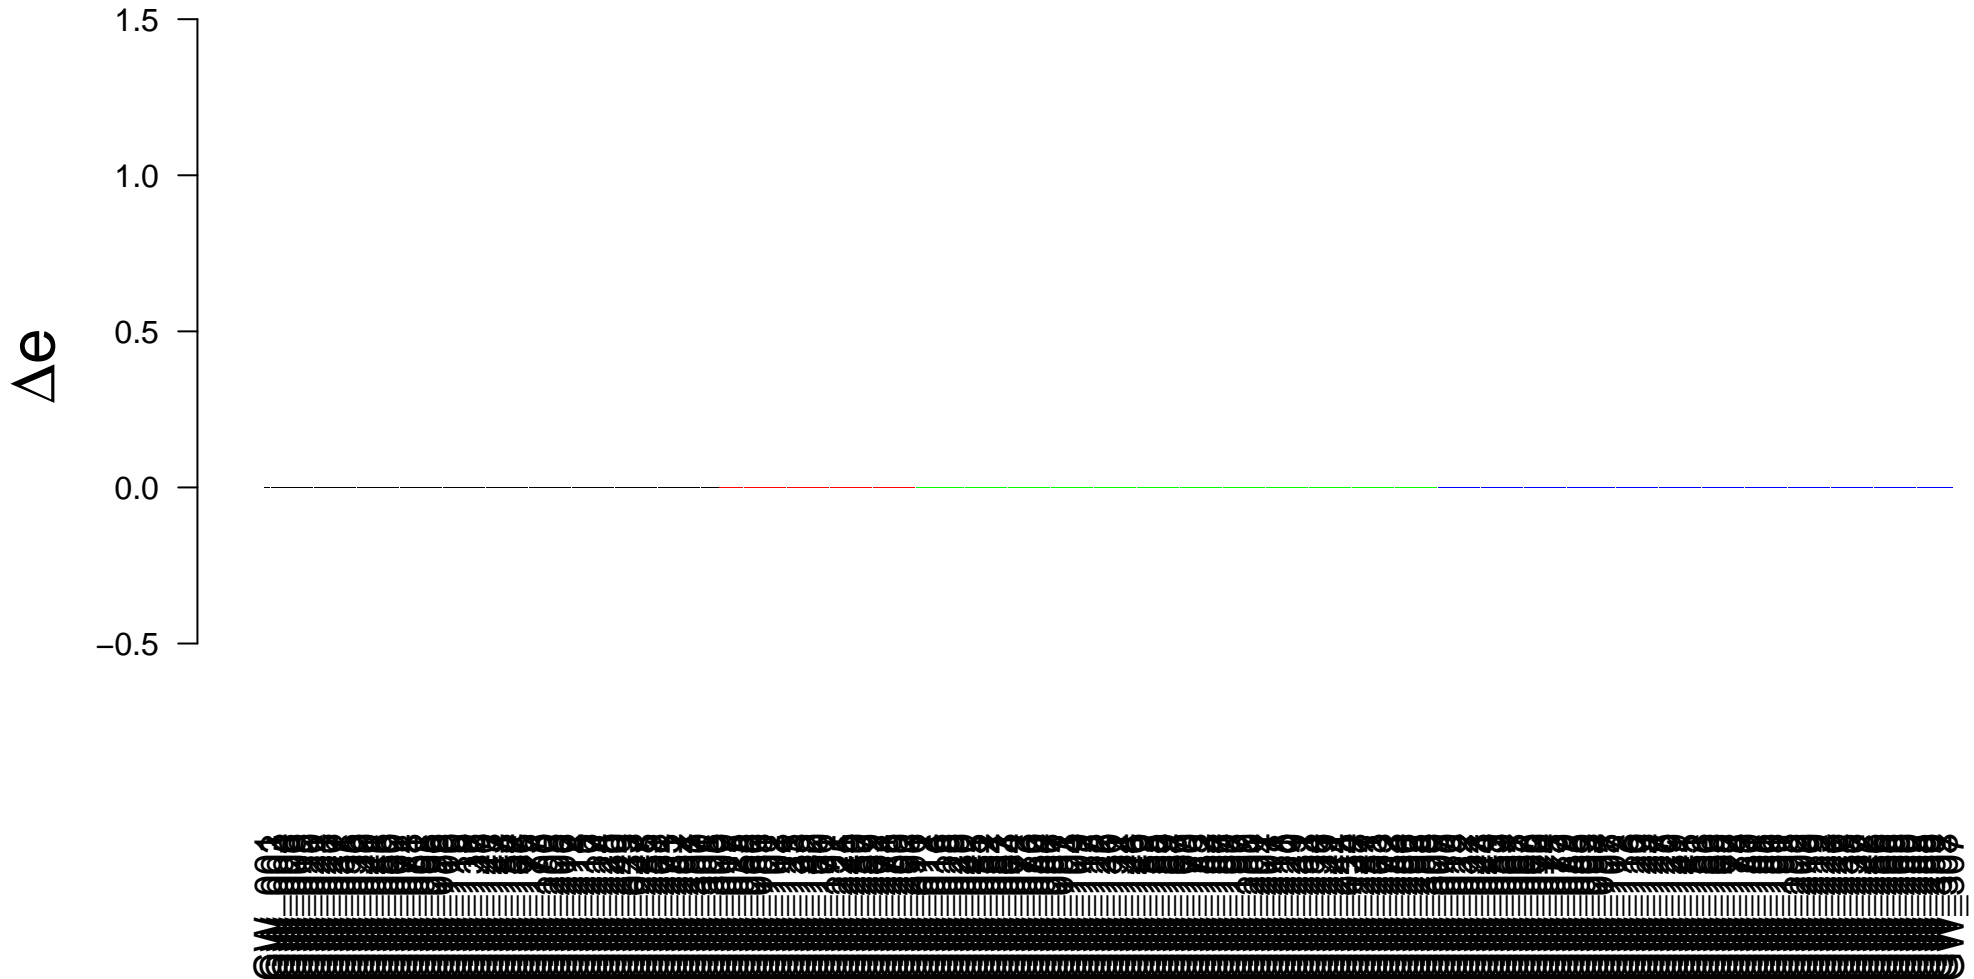

Expression of nucleotide metabolic process in Spot E

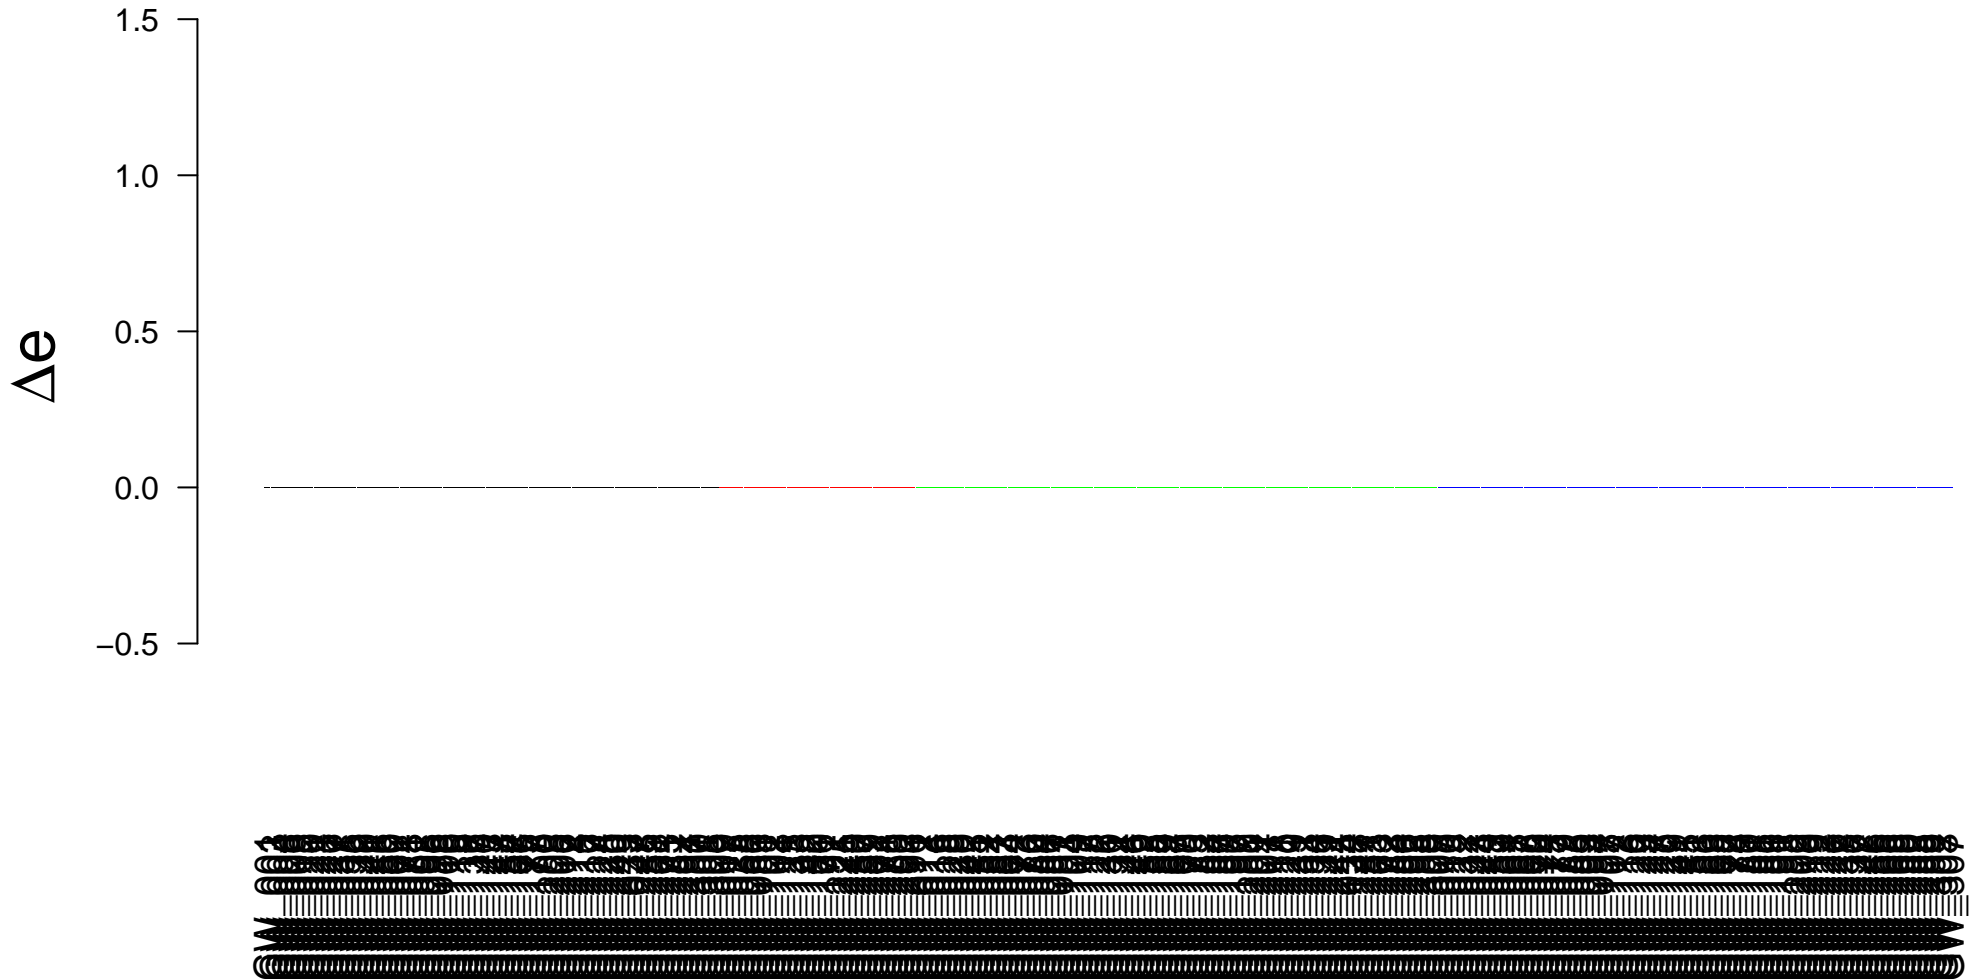

Expression of nucleotide metabolic process in Spot F

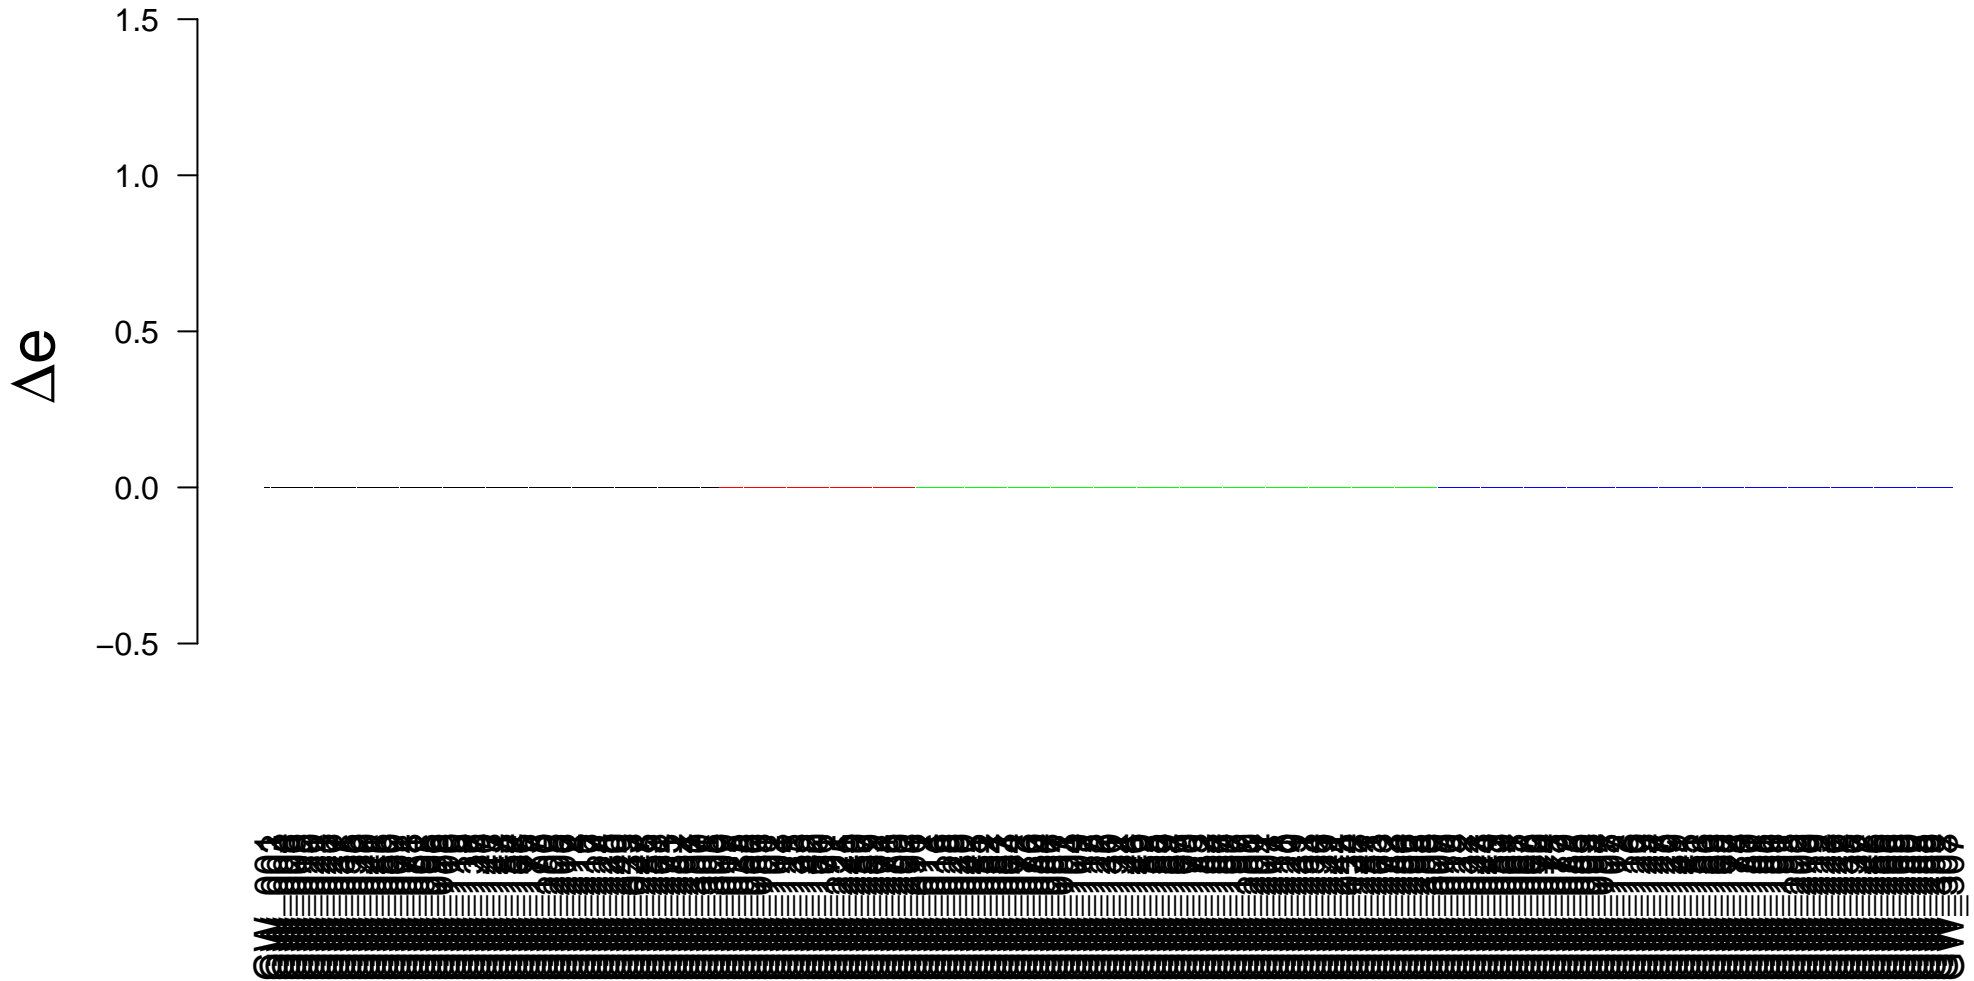

Expression of nucleotide metabolic process in Spot G

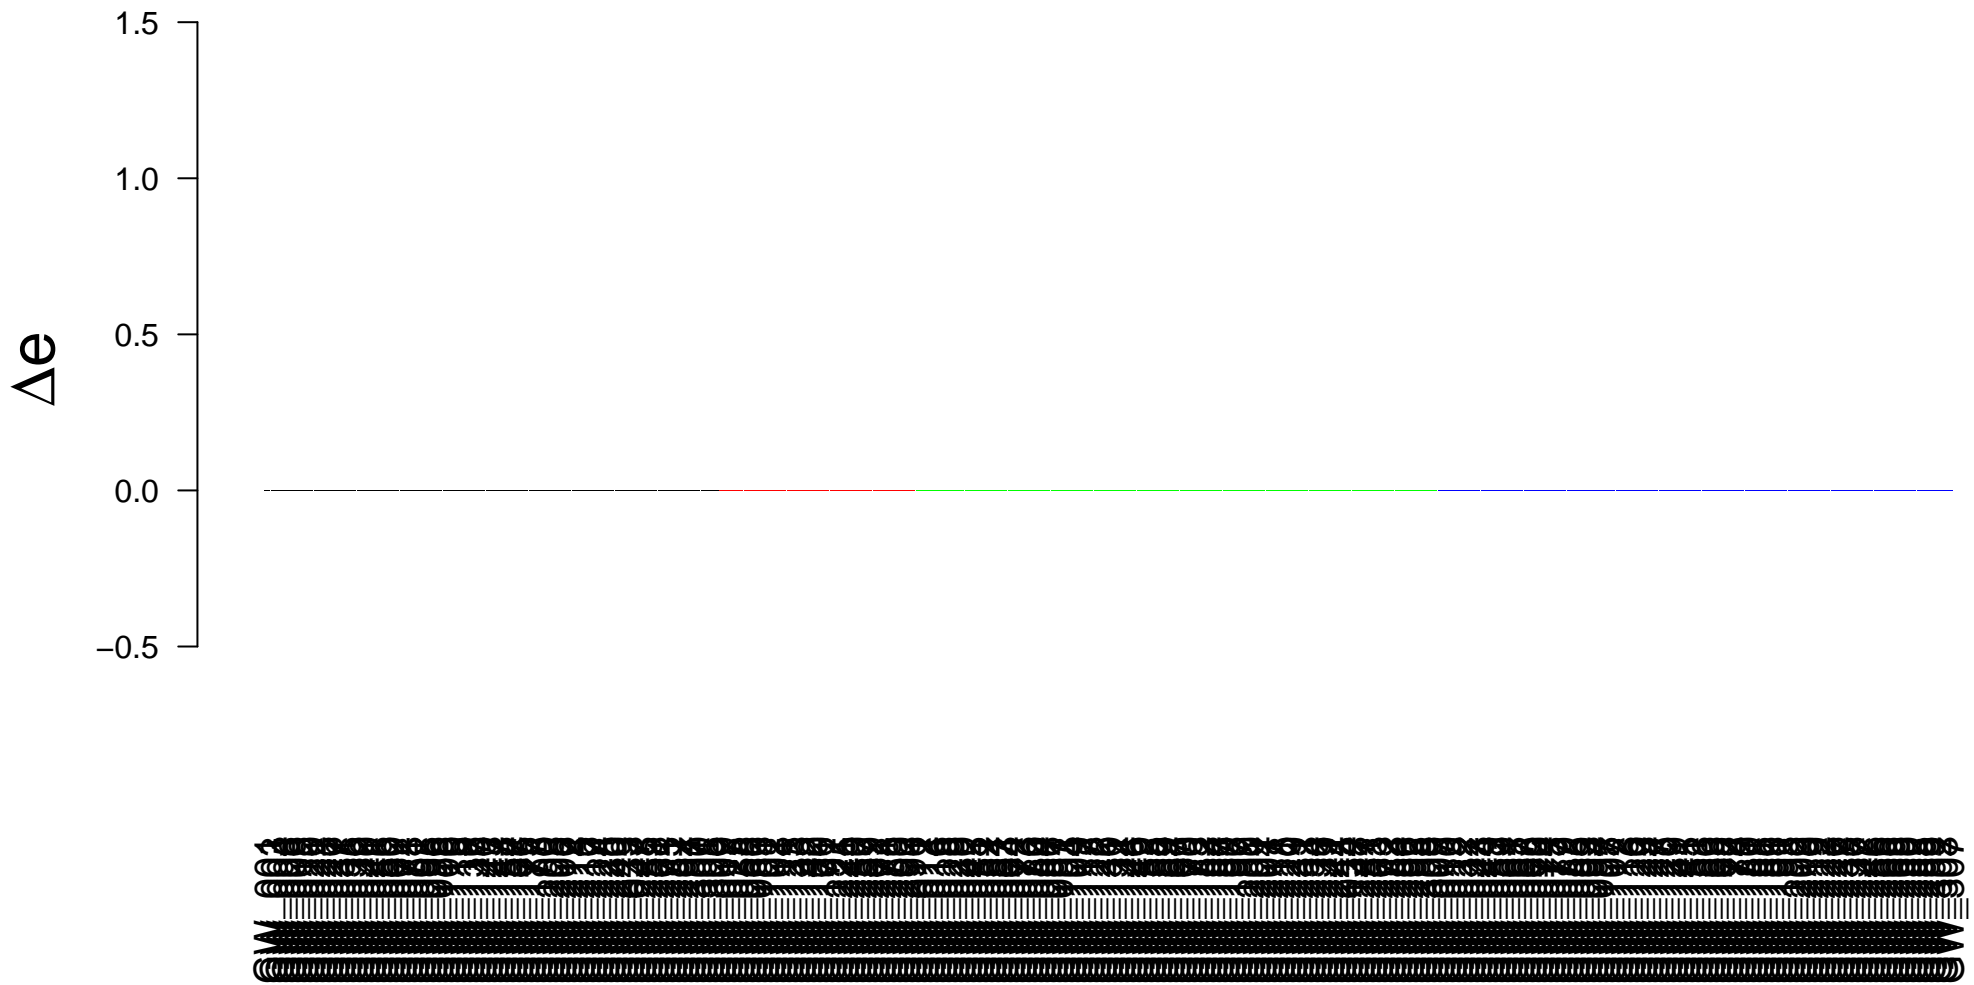

Expression of nucleotide metabolic process in Spot H

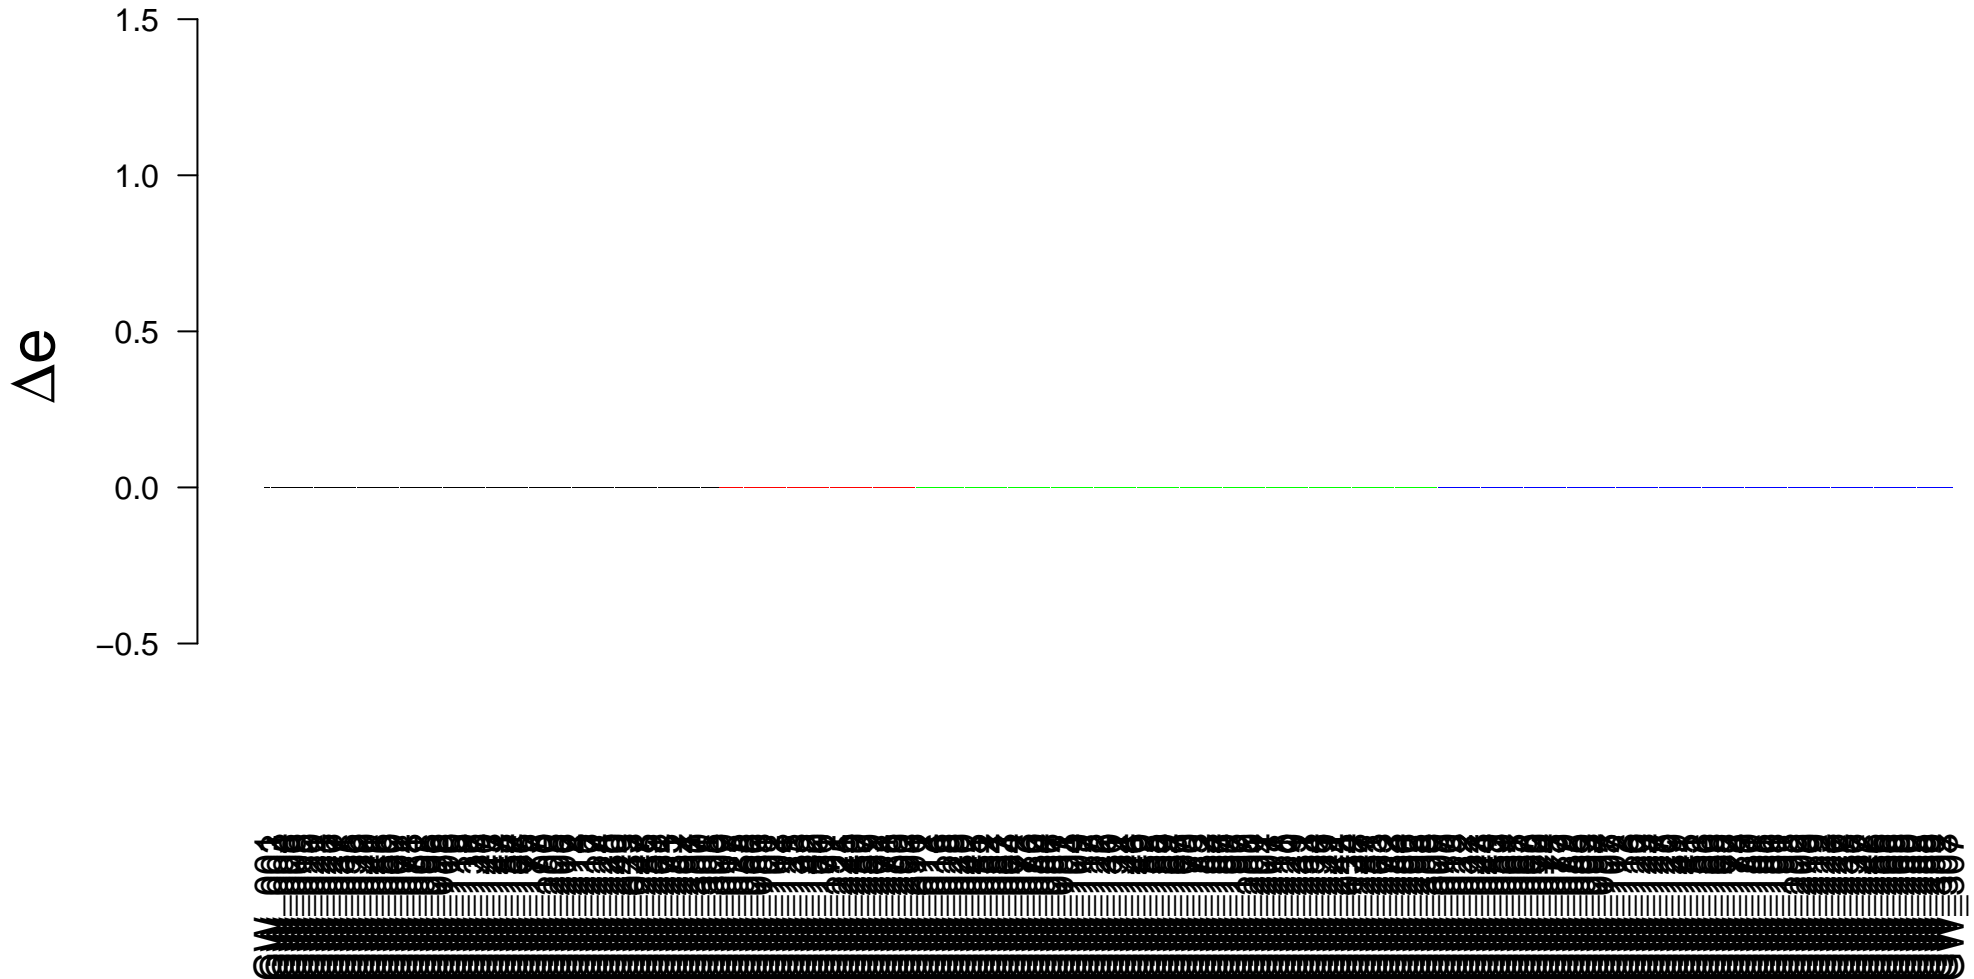

Expression of nucleotide metabolic process in Spot I

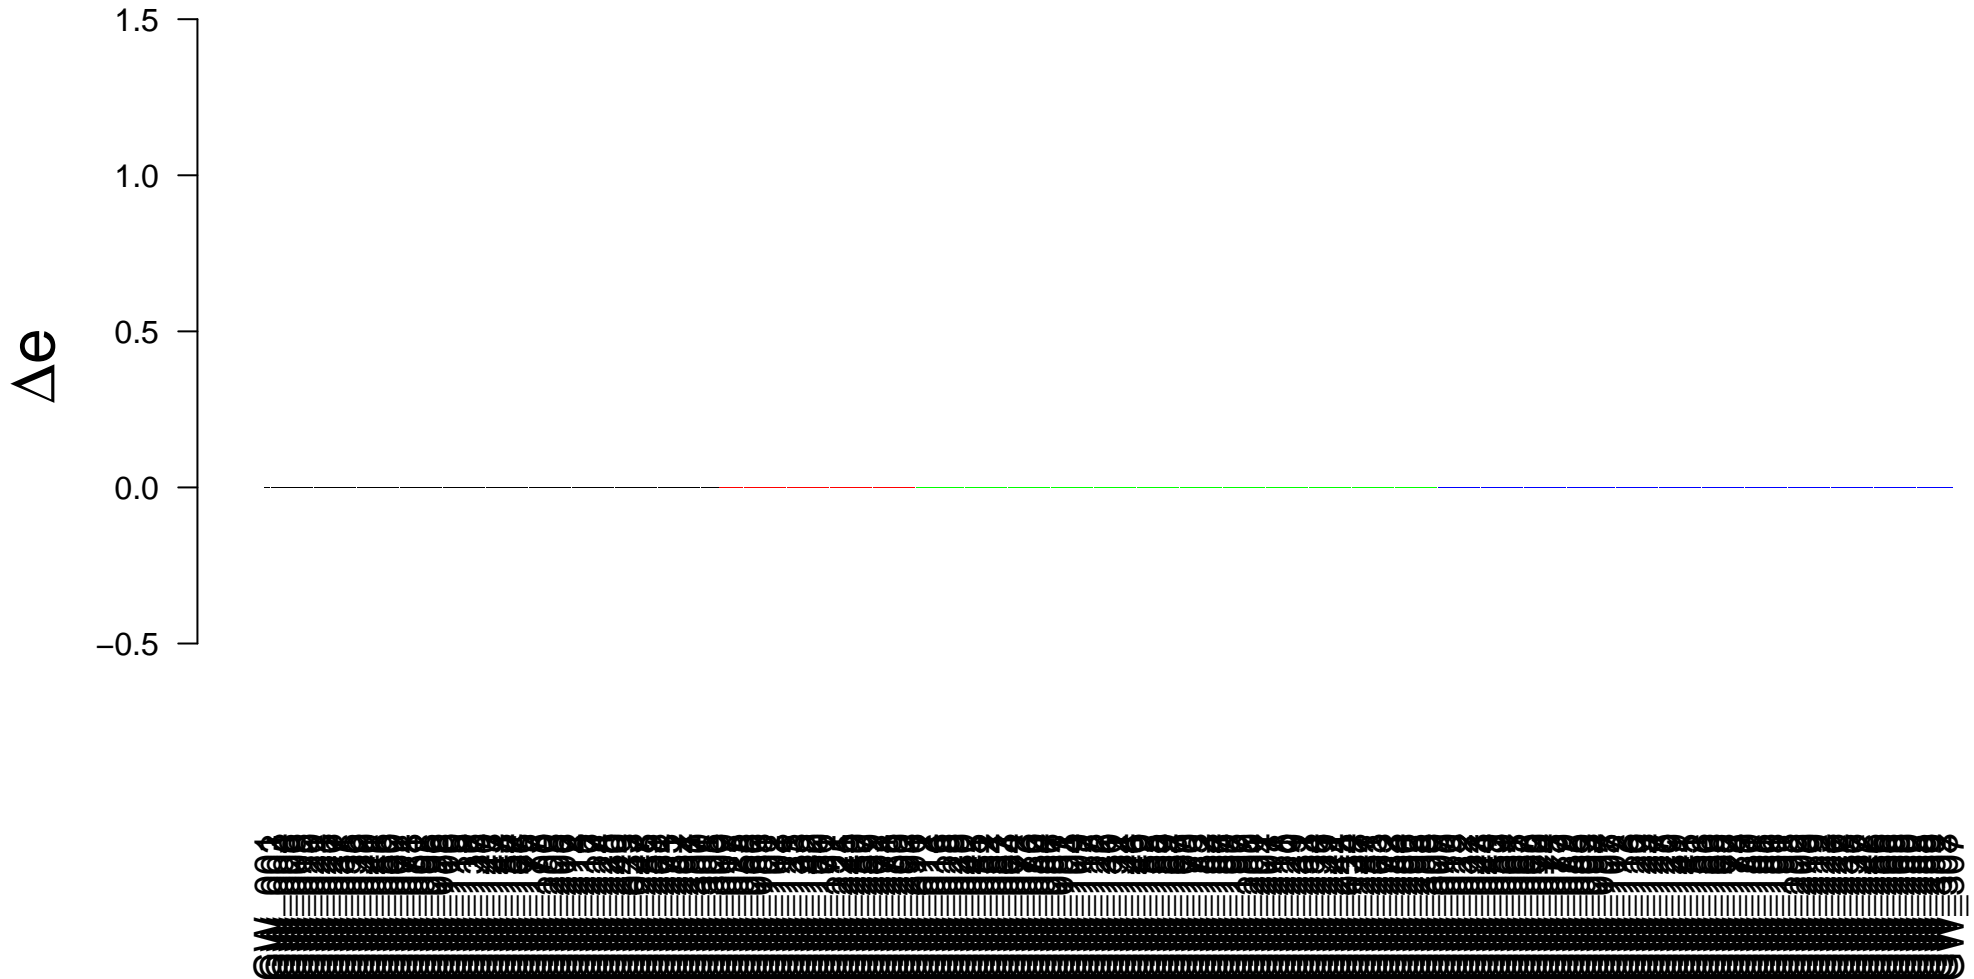

Expression of nucleotide metabolic process in Spot J

Expression of nucleotide metabolic process in Spot K

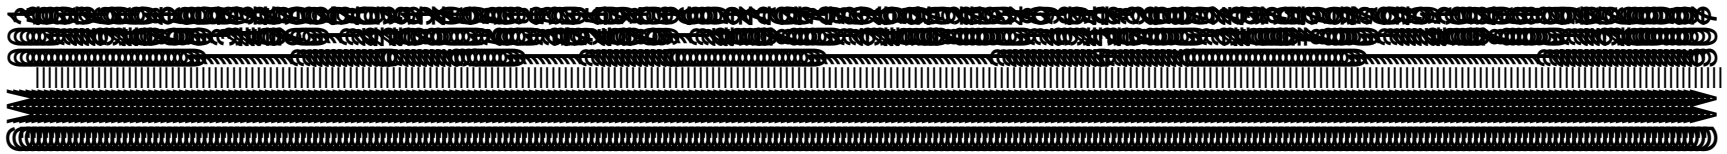

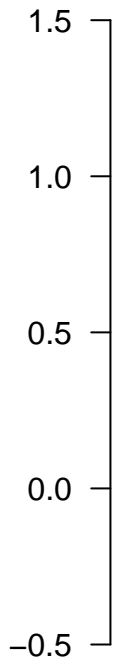

Expression of nucleotide metabolic process in Spot L

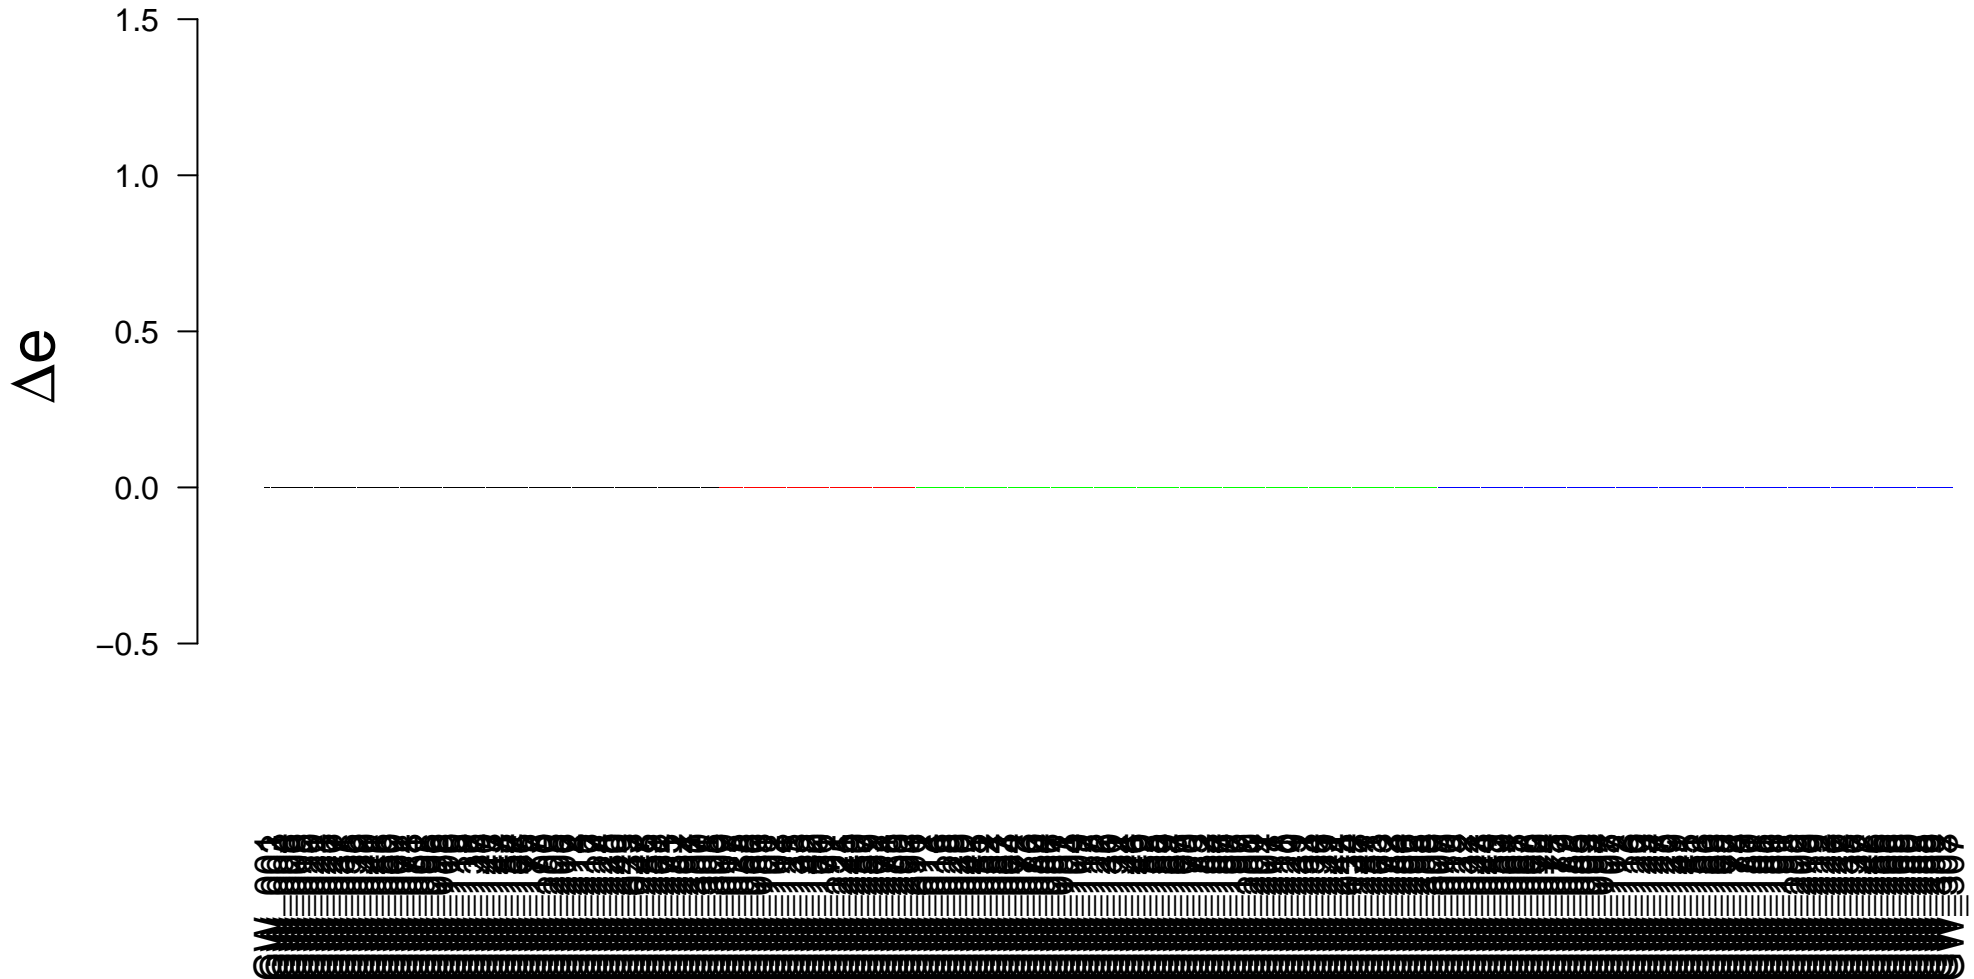

Expression of nucleotide metabolic process in Spot M

Δe

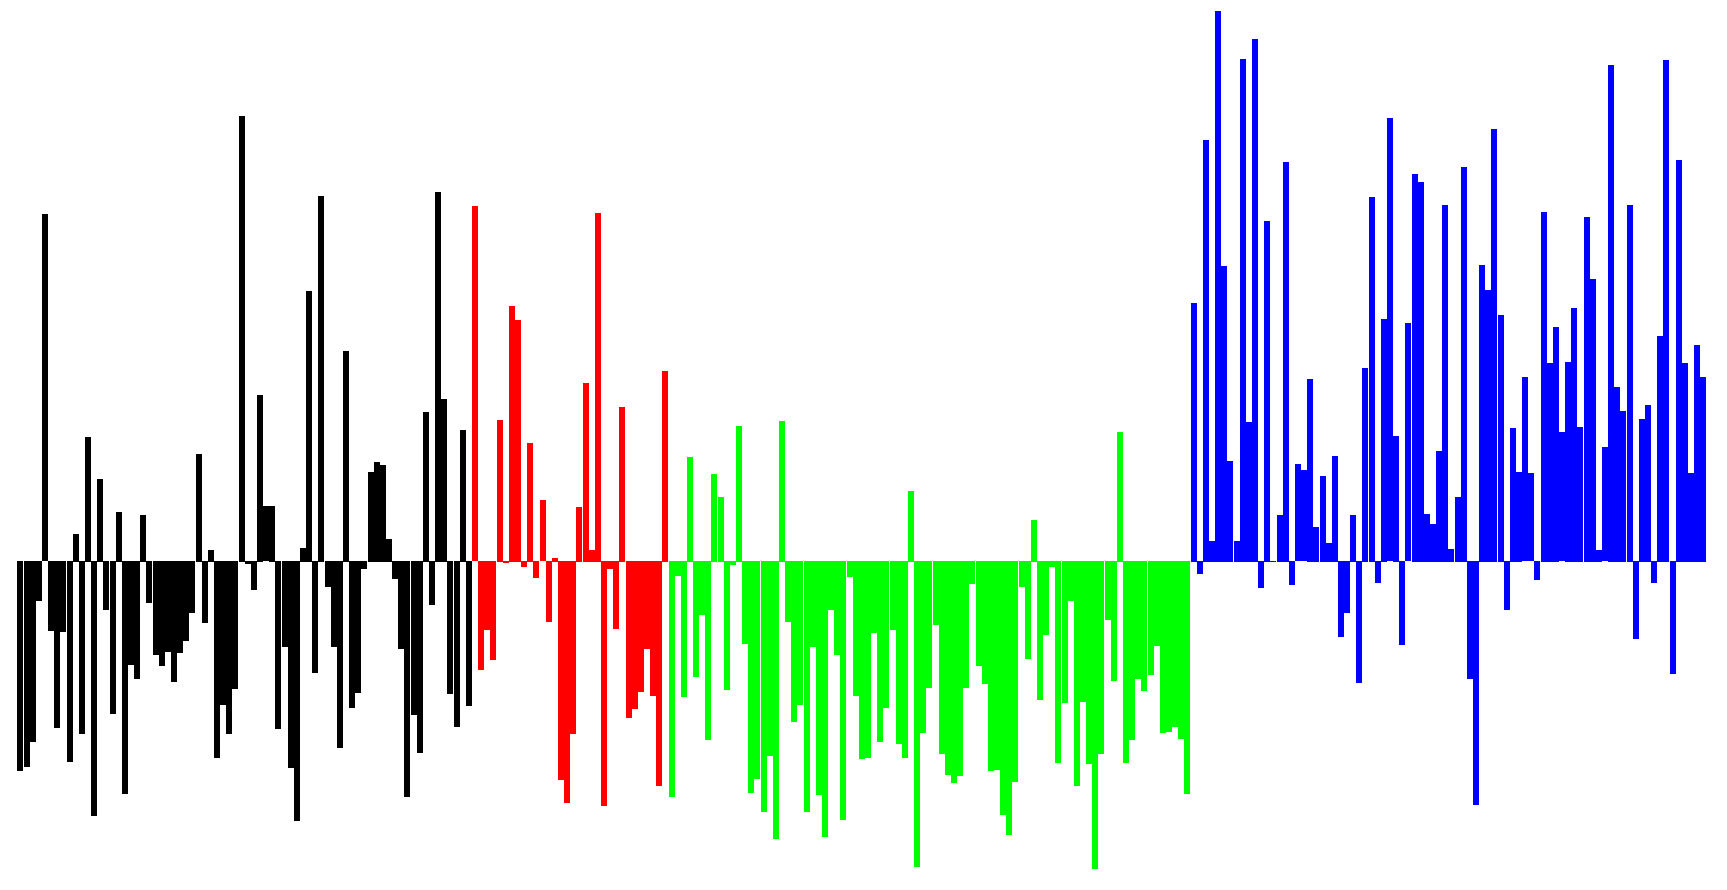

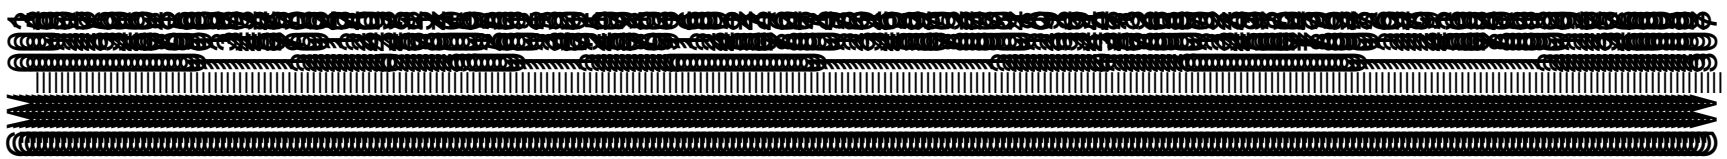

Expression of nucleotide metabolic process in Spot N

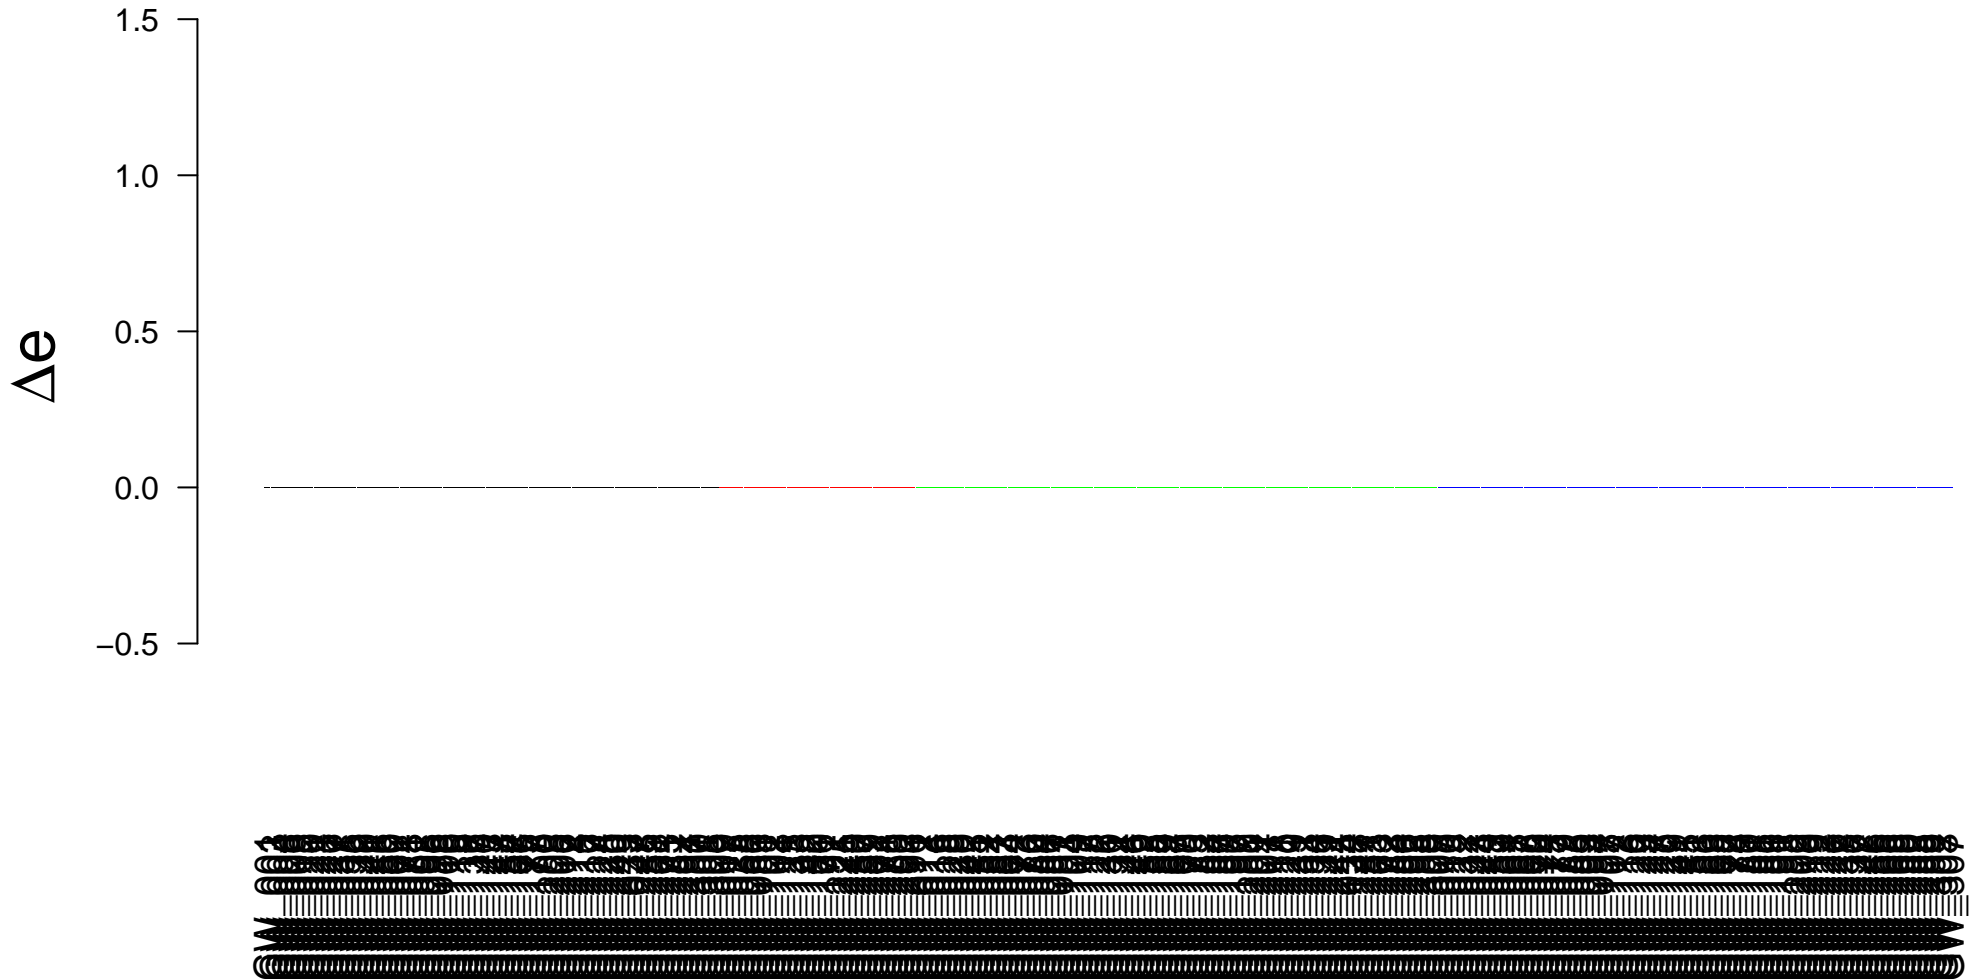

Expression of nucleotide metabolic process in Spot O
