

nucleotidyltransferase activity

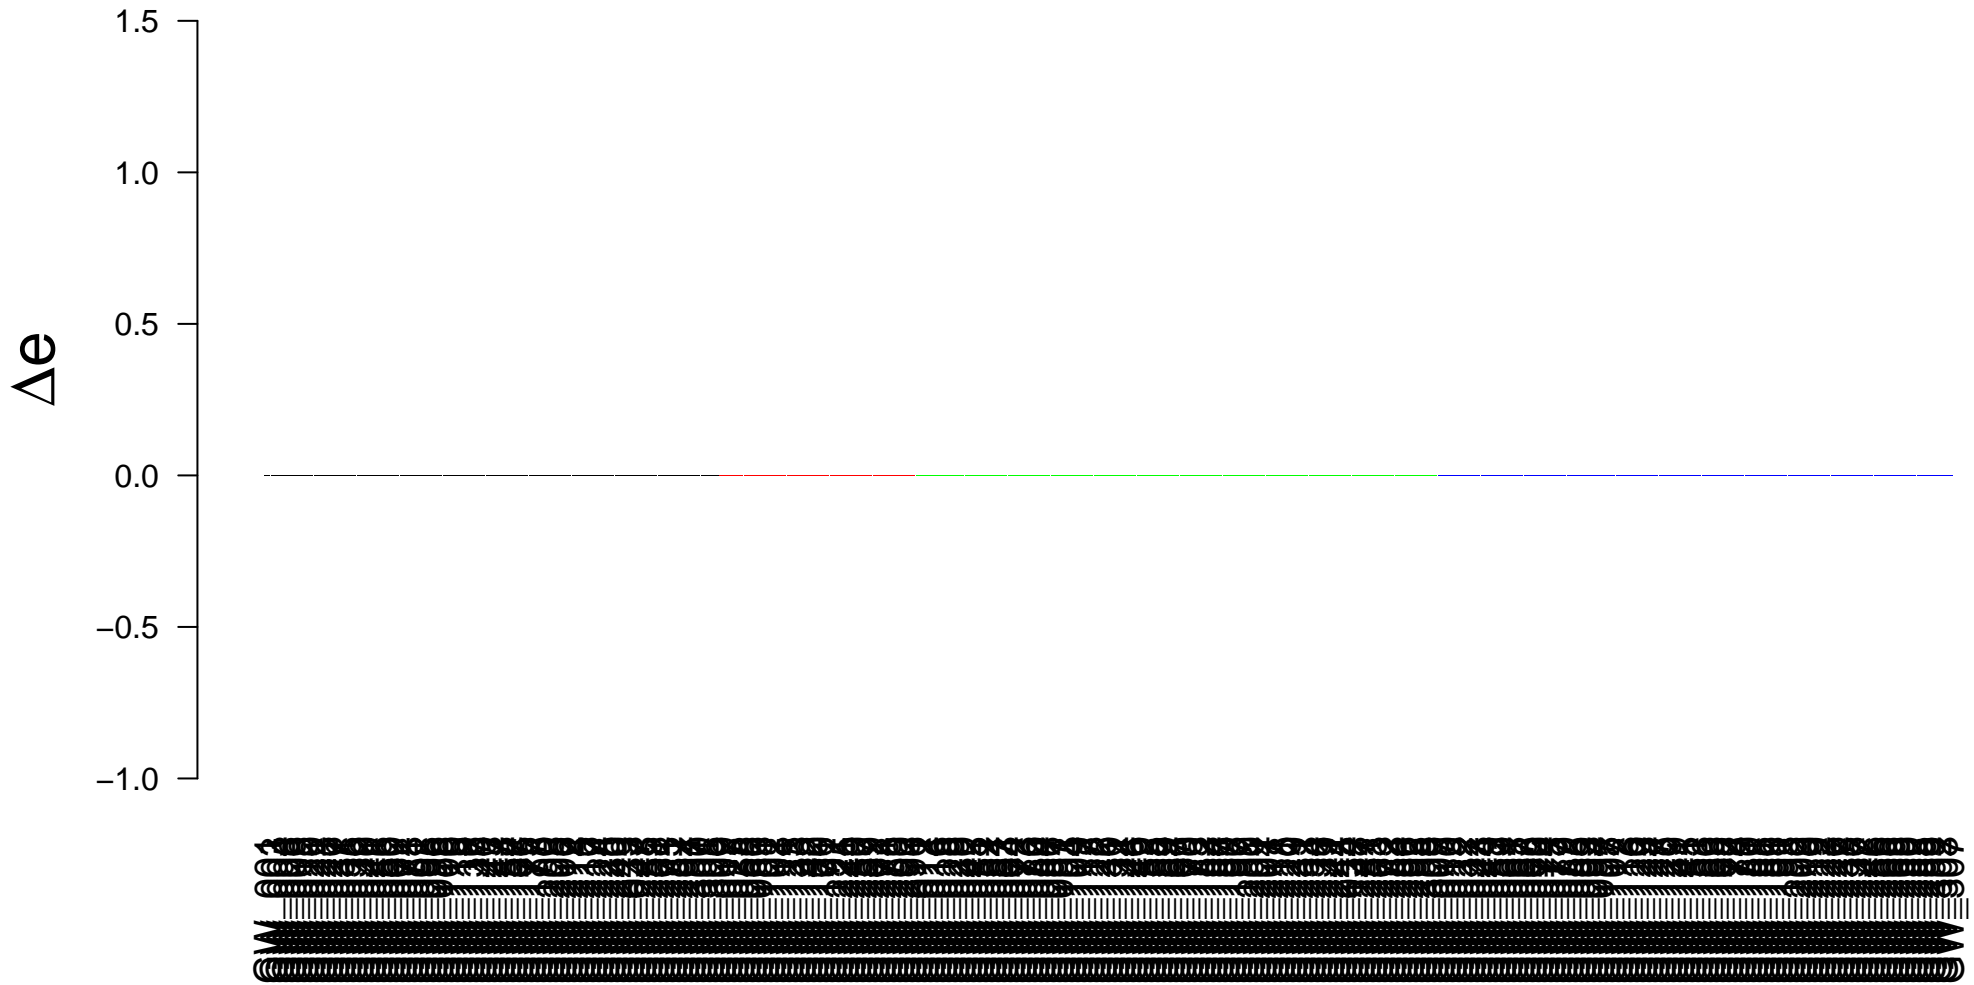

nucleotidyltransferase activity

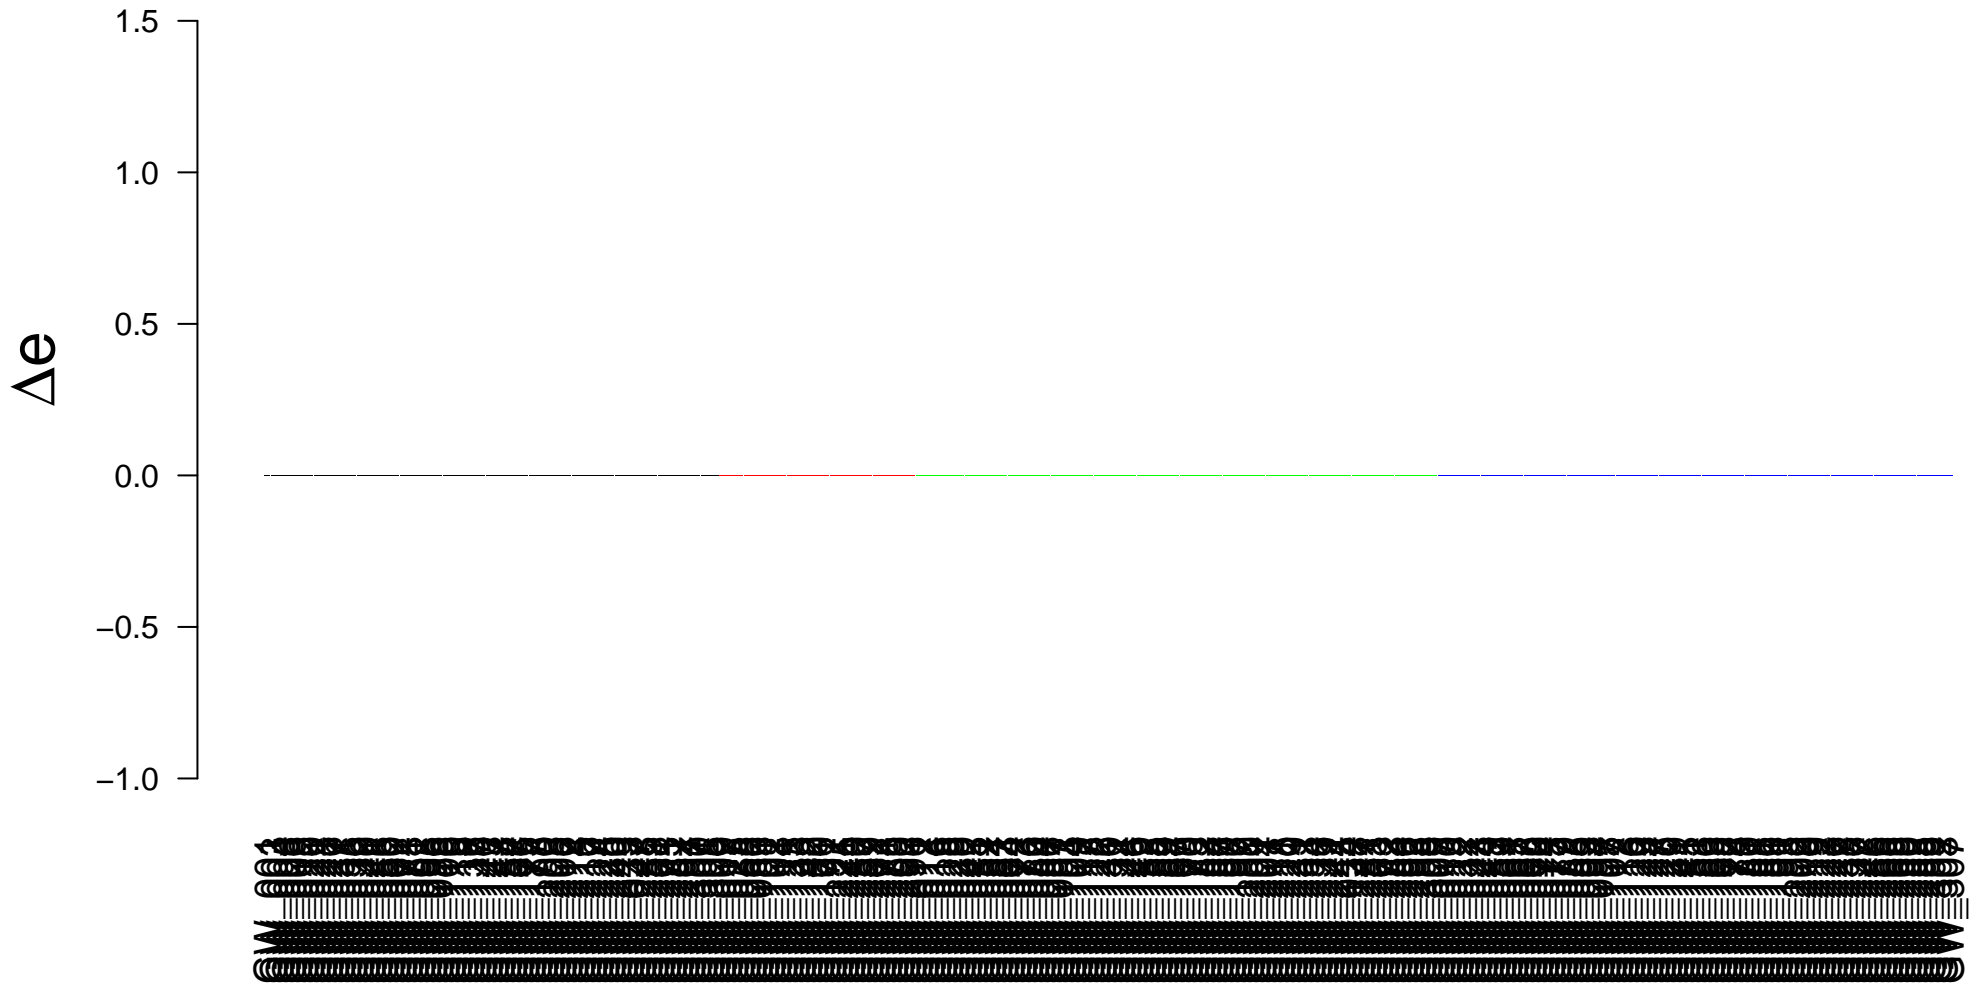

Enrichment in spots: nucleotidyltransferase activity

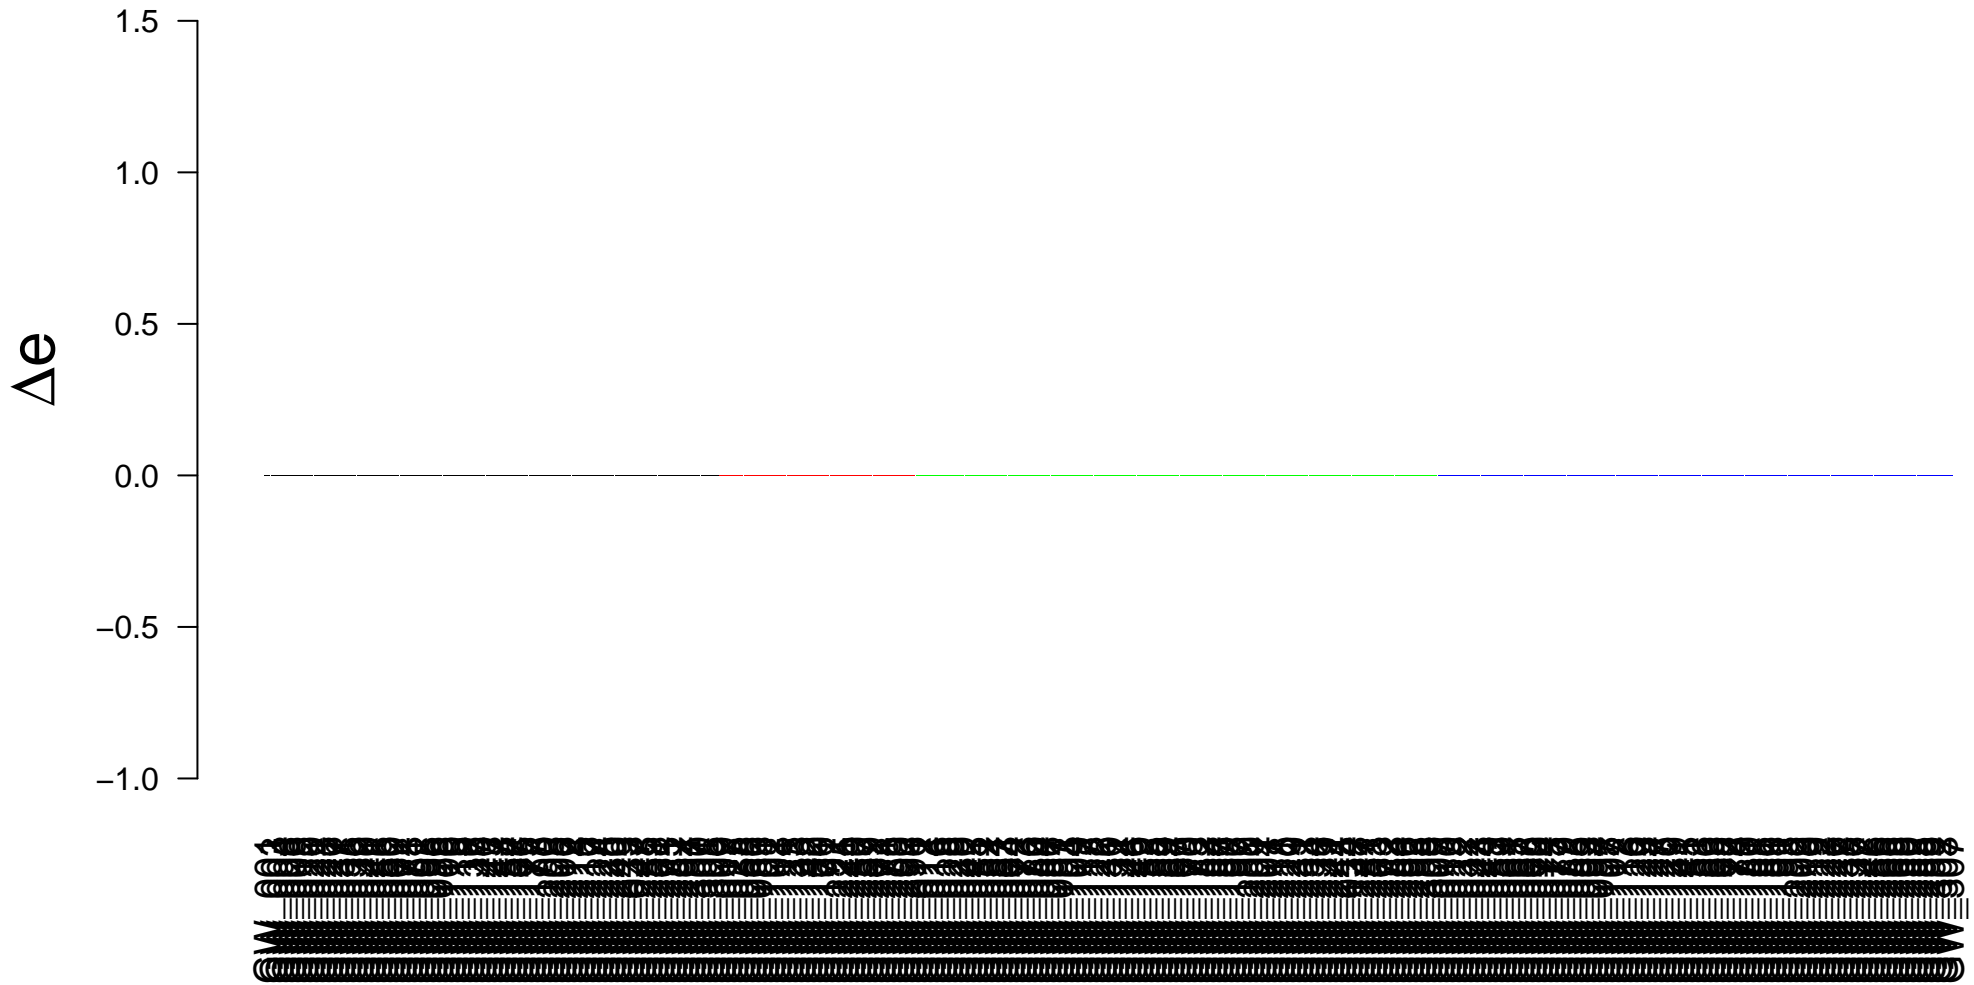

Expression of nucleotidyltransferase activity in Spot A

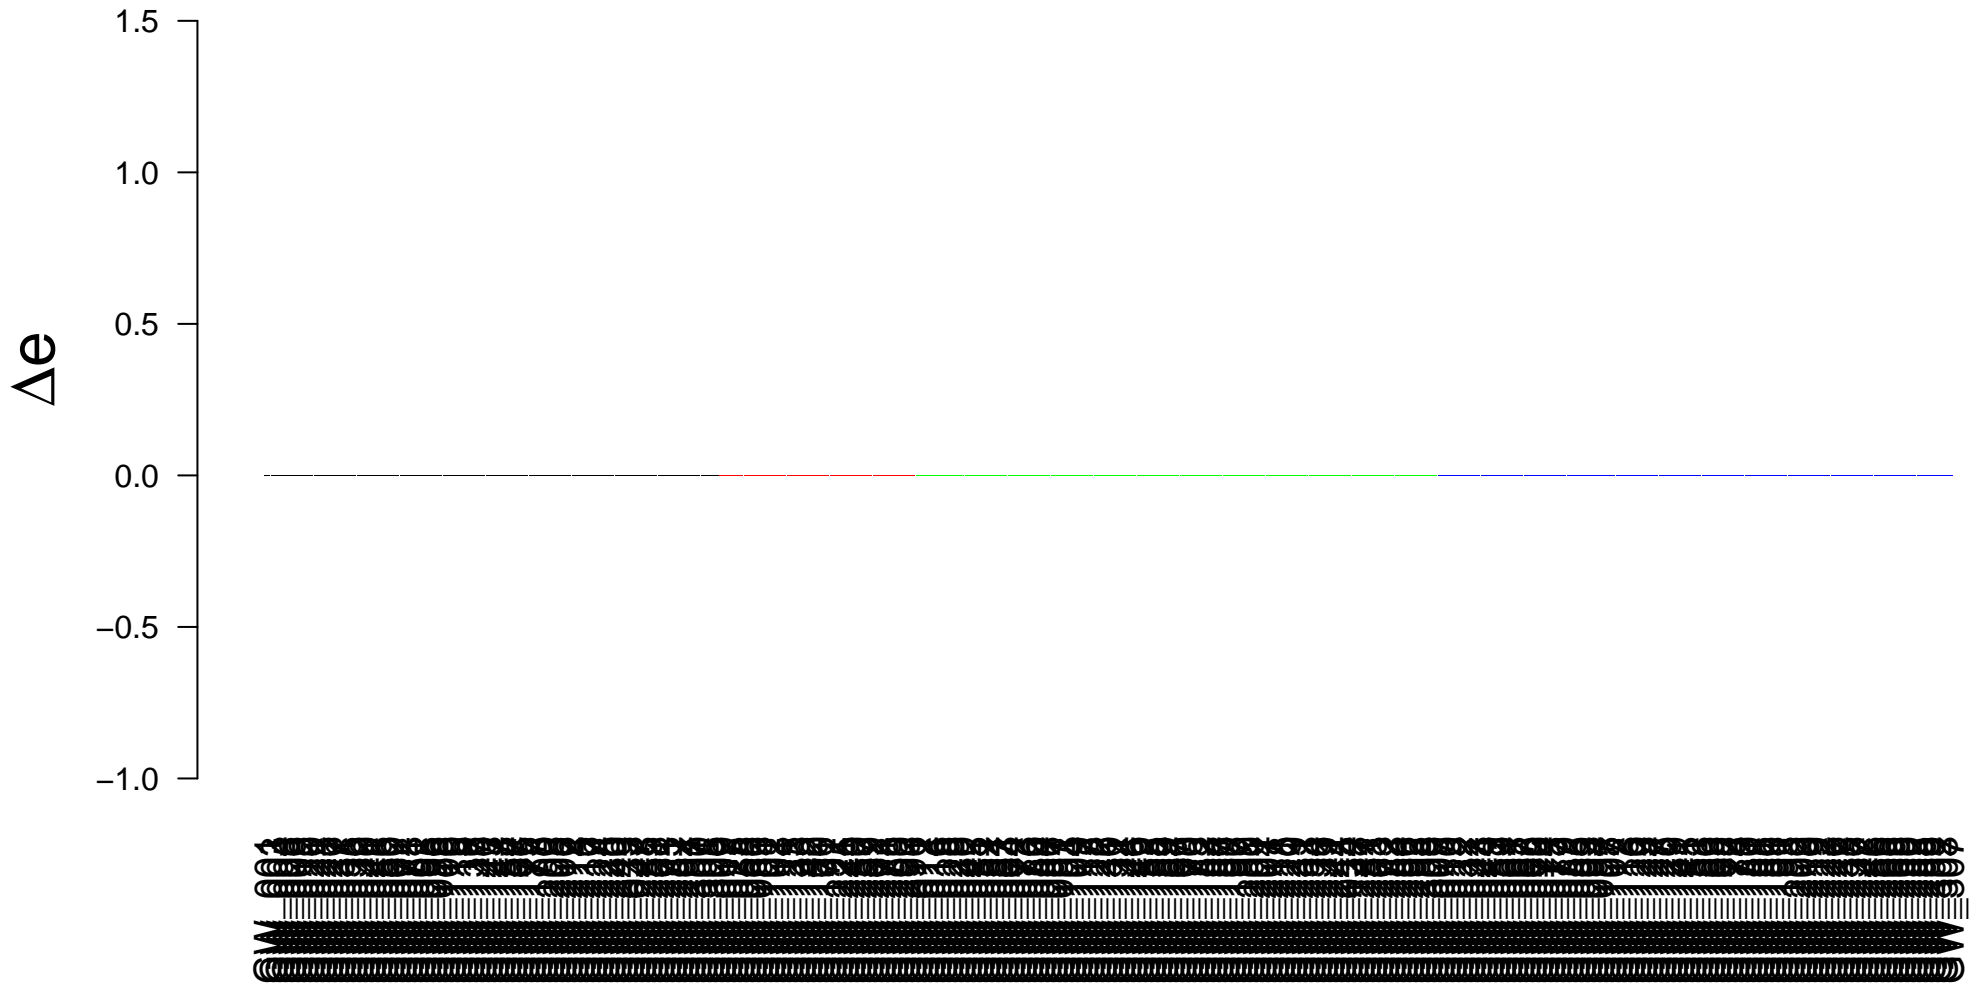

Expression of nucleotidyltransferase activity in Spot B

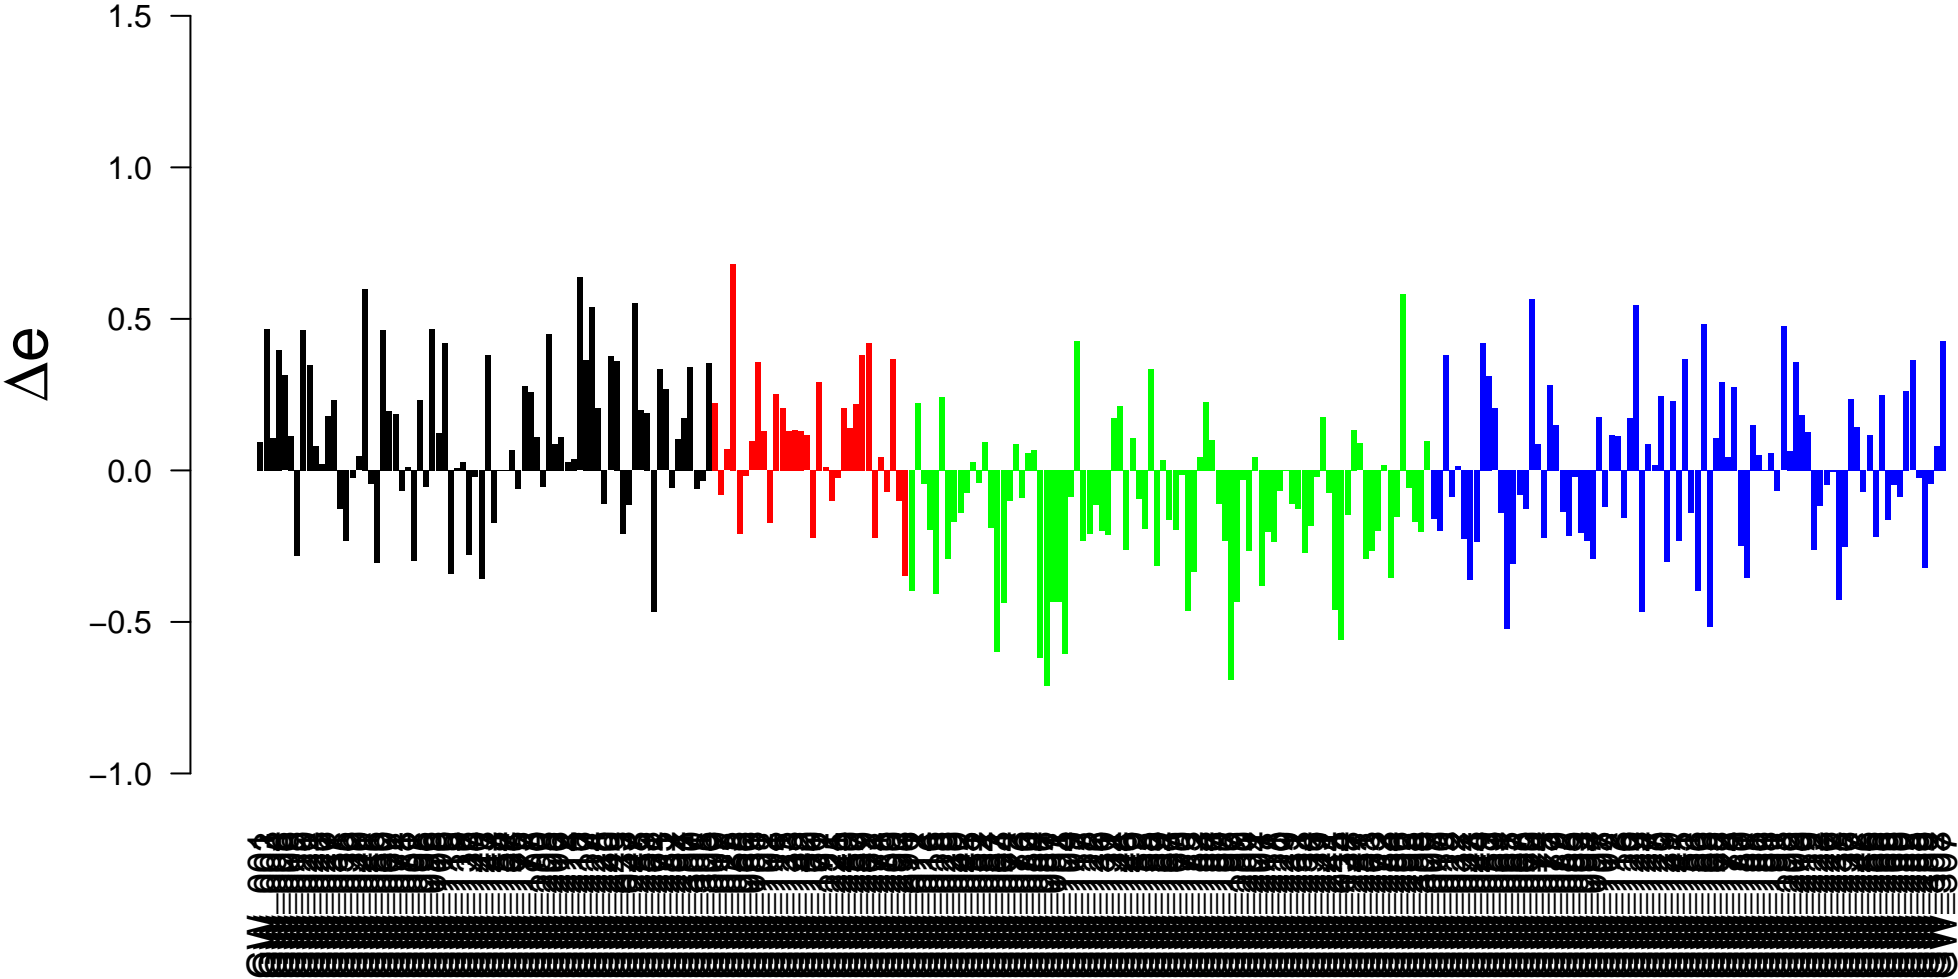

Expression of nucleotidyltransferase activity in Spot C

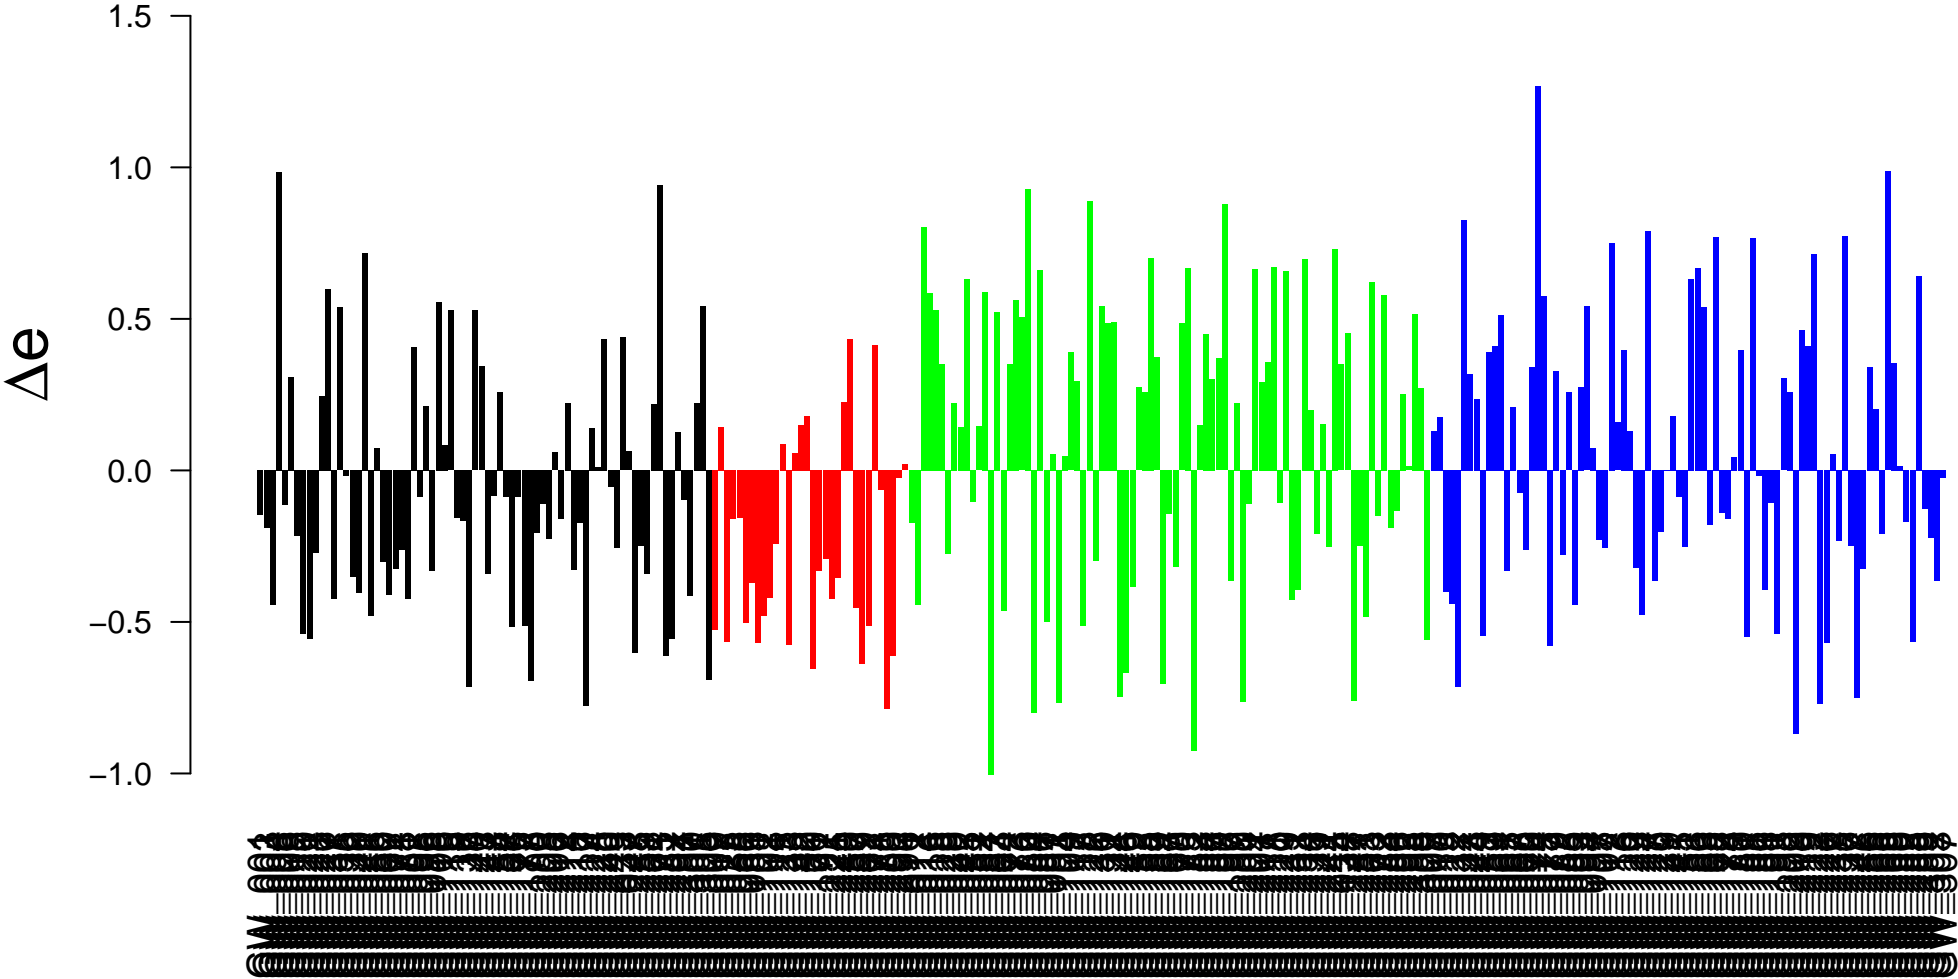

Expression of nucleotidyltransferase activity in Spot D

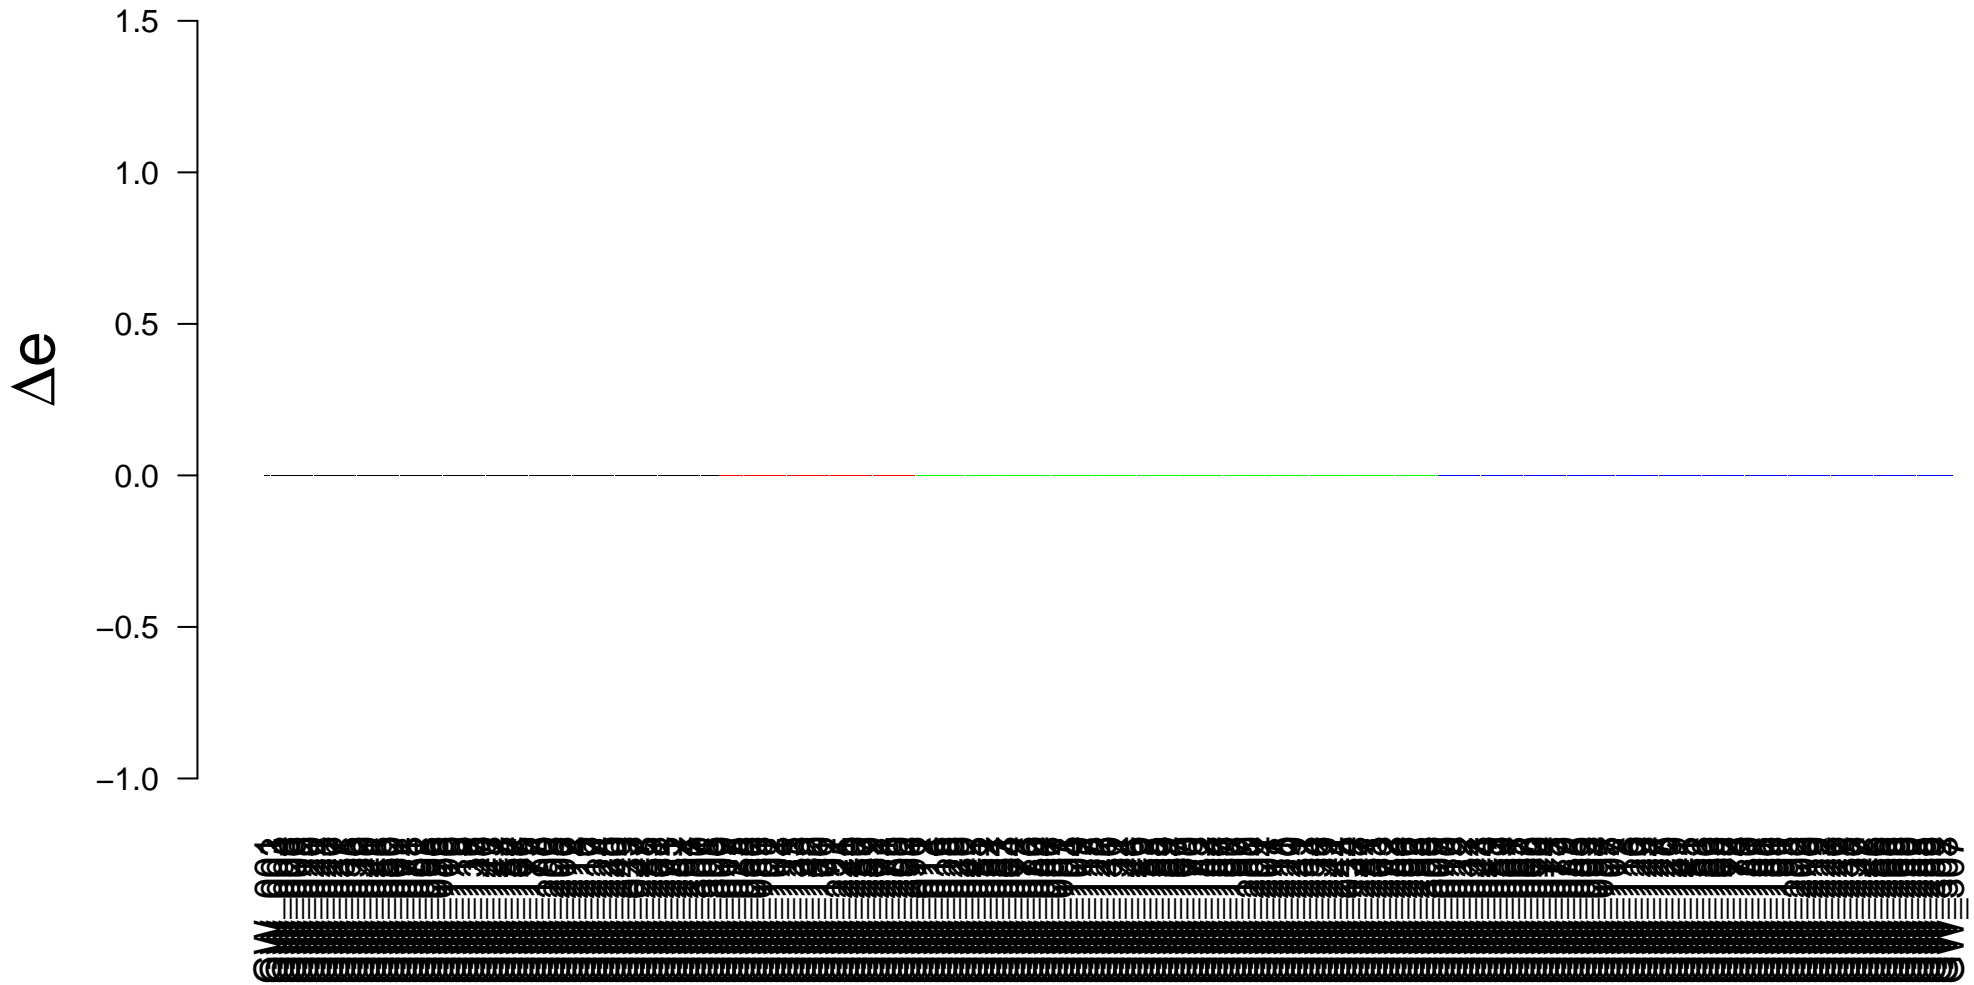

Expression of nucleotidyltransferase activity in Spot E

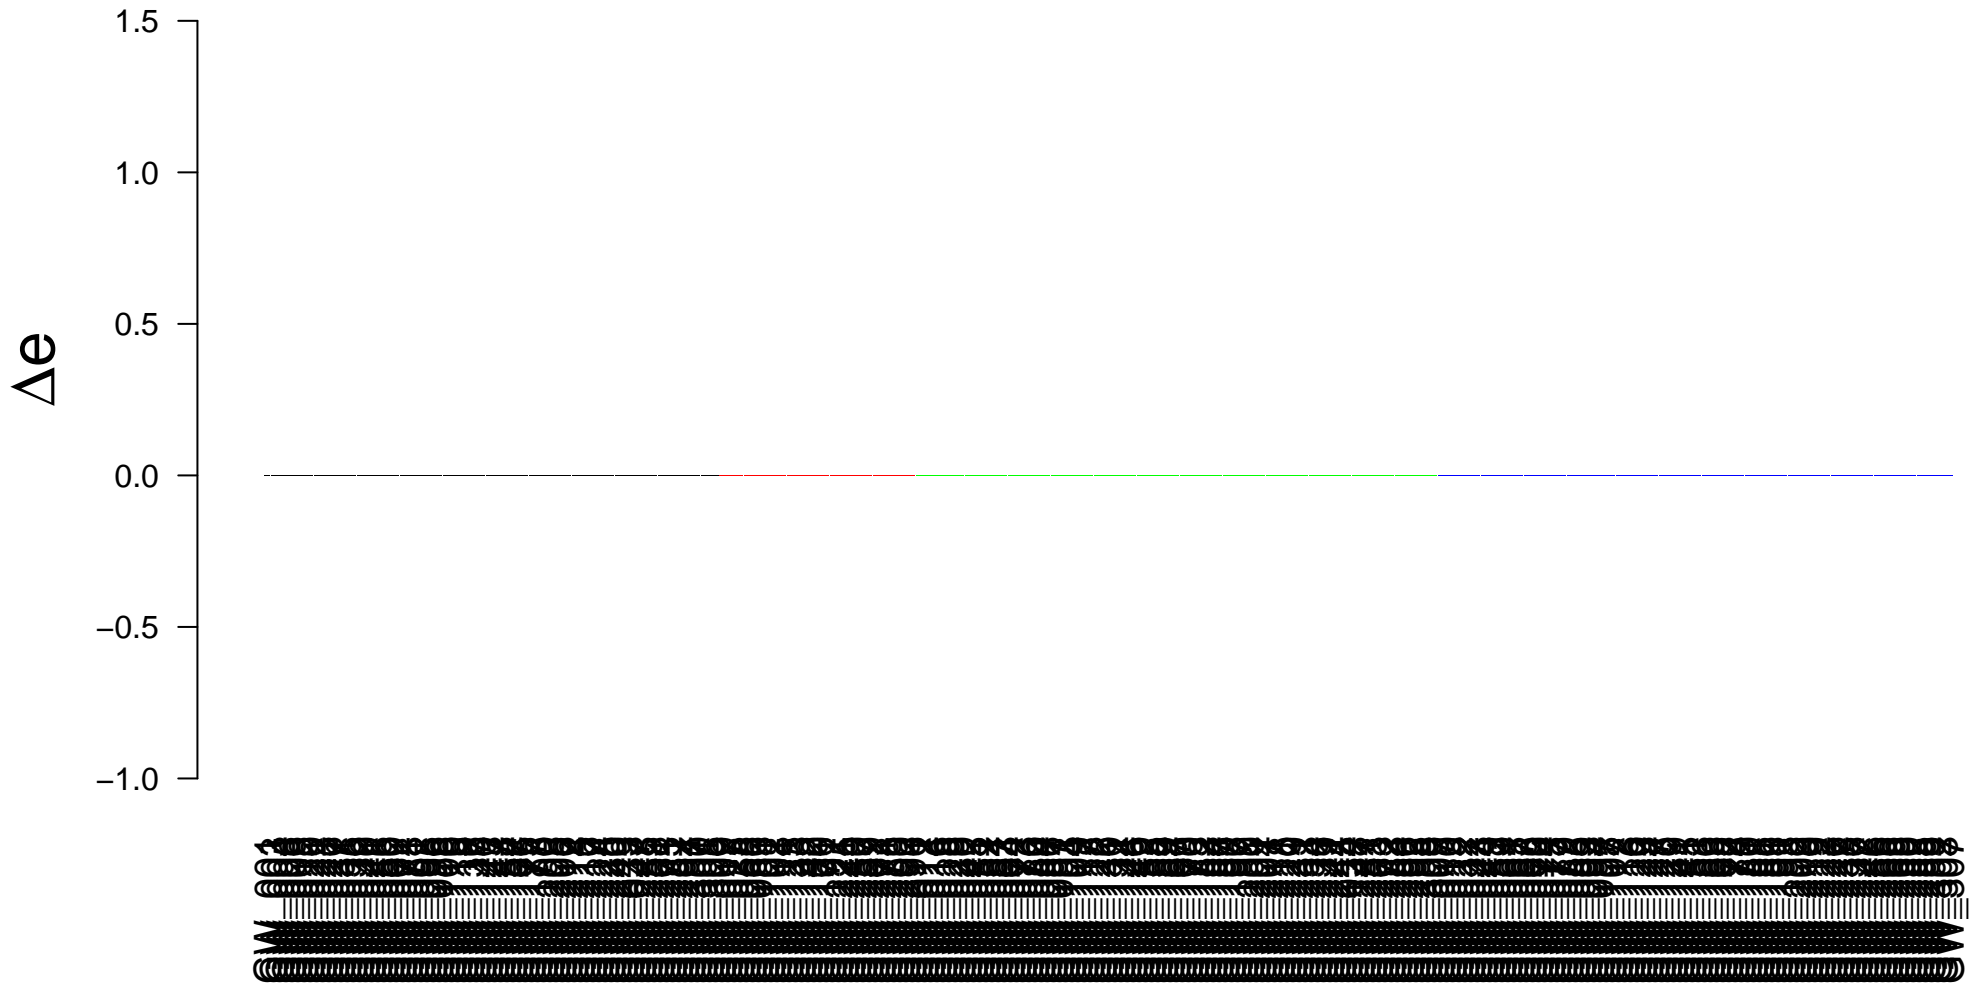

Expression of nucleotidyltransferase activity in Spot F

Expression of nucleotidyltransferase activity in Spot G

Expression of nucleotidyltransferase activity in Spot H

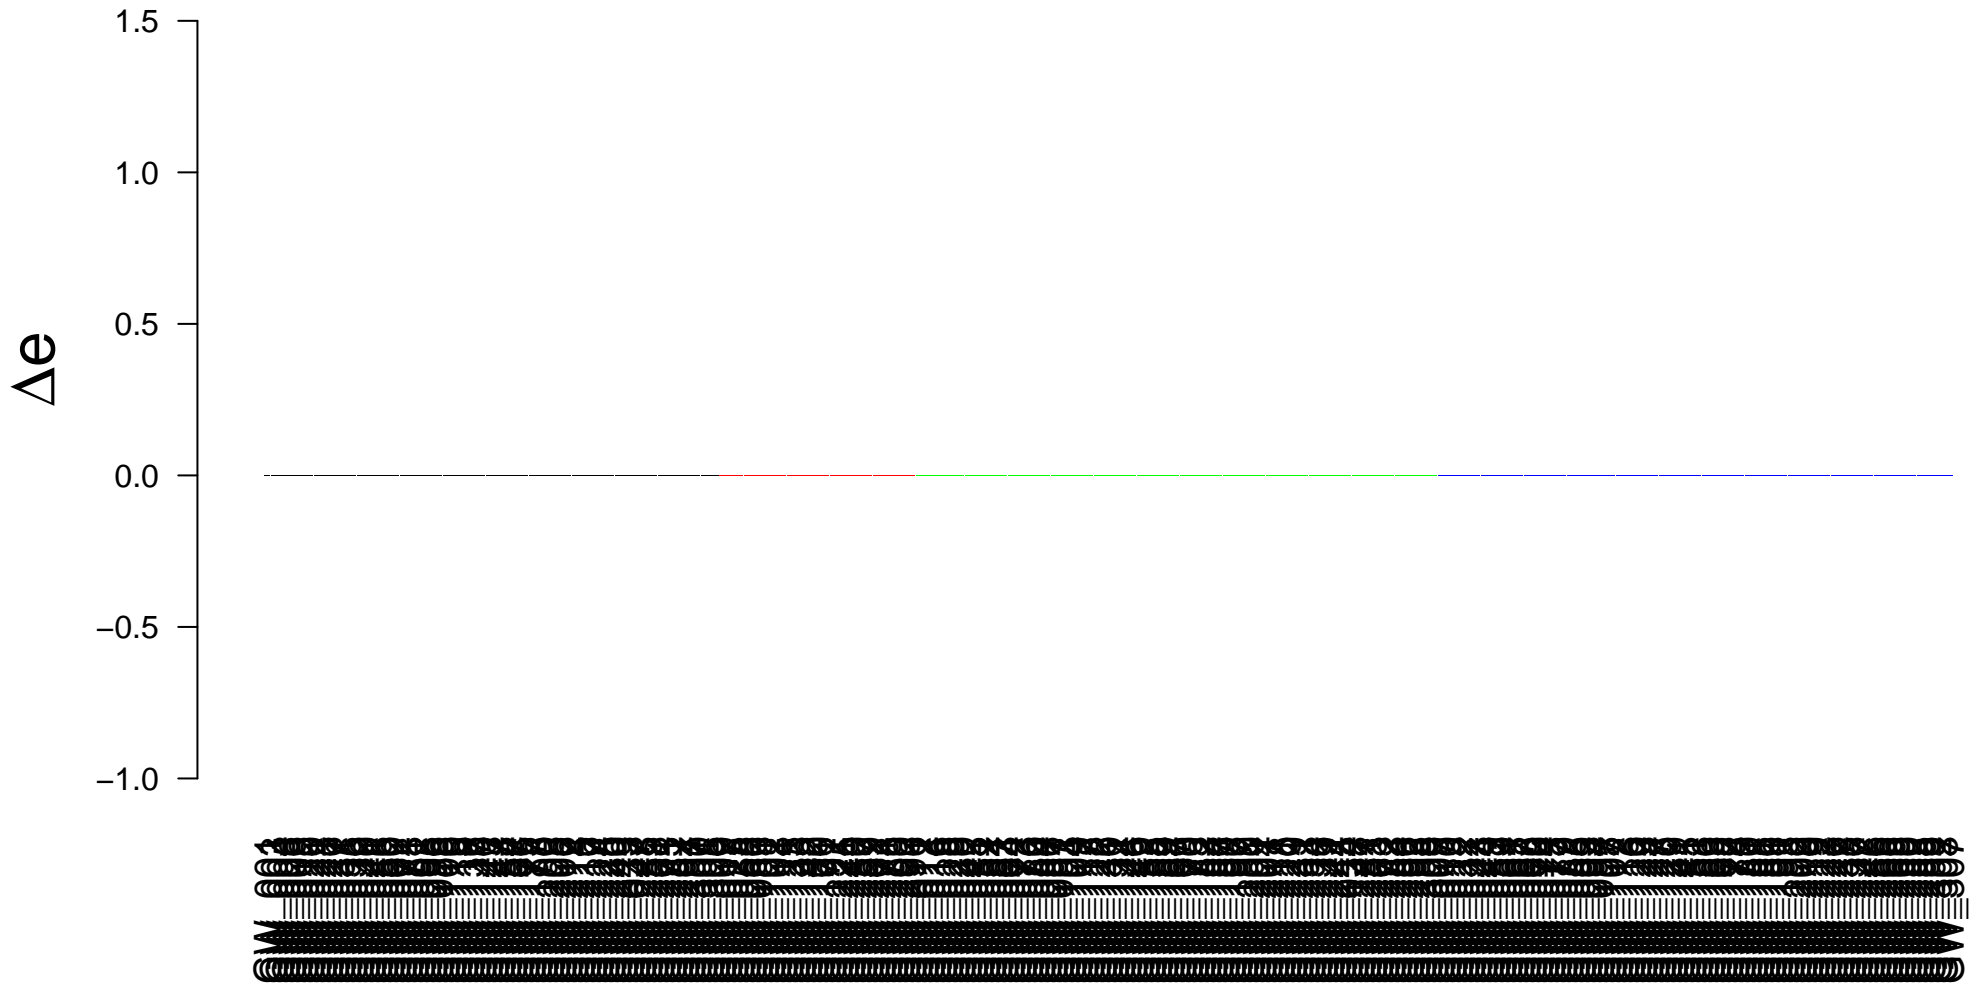

Expression of nucleotidyltransferase activity in Spot I

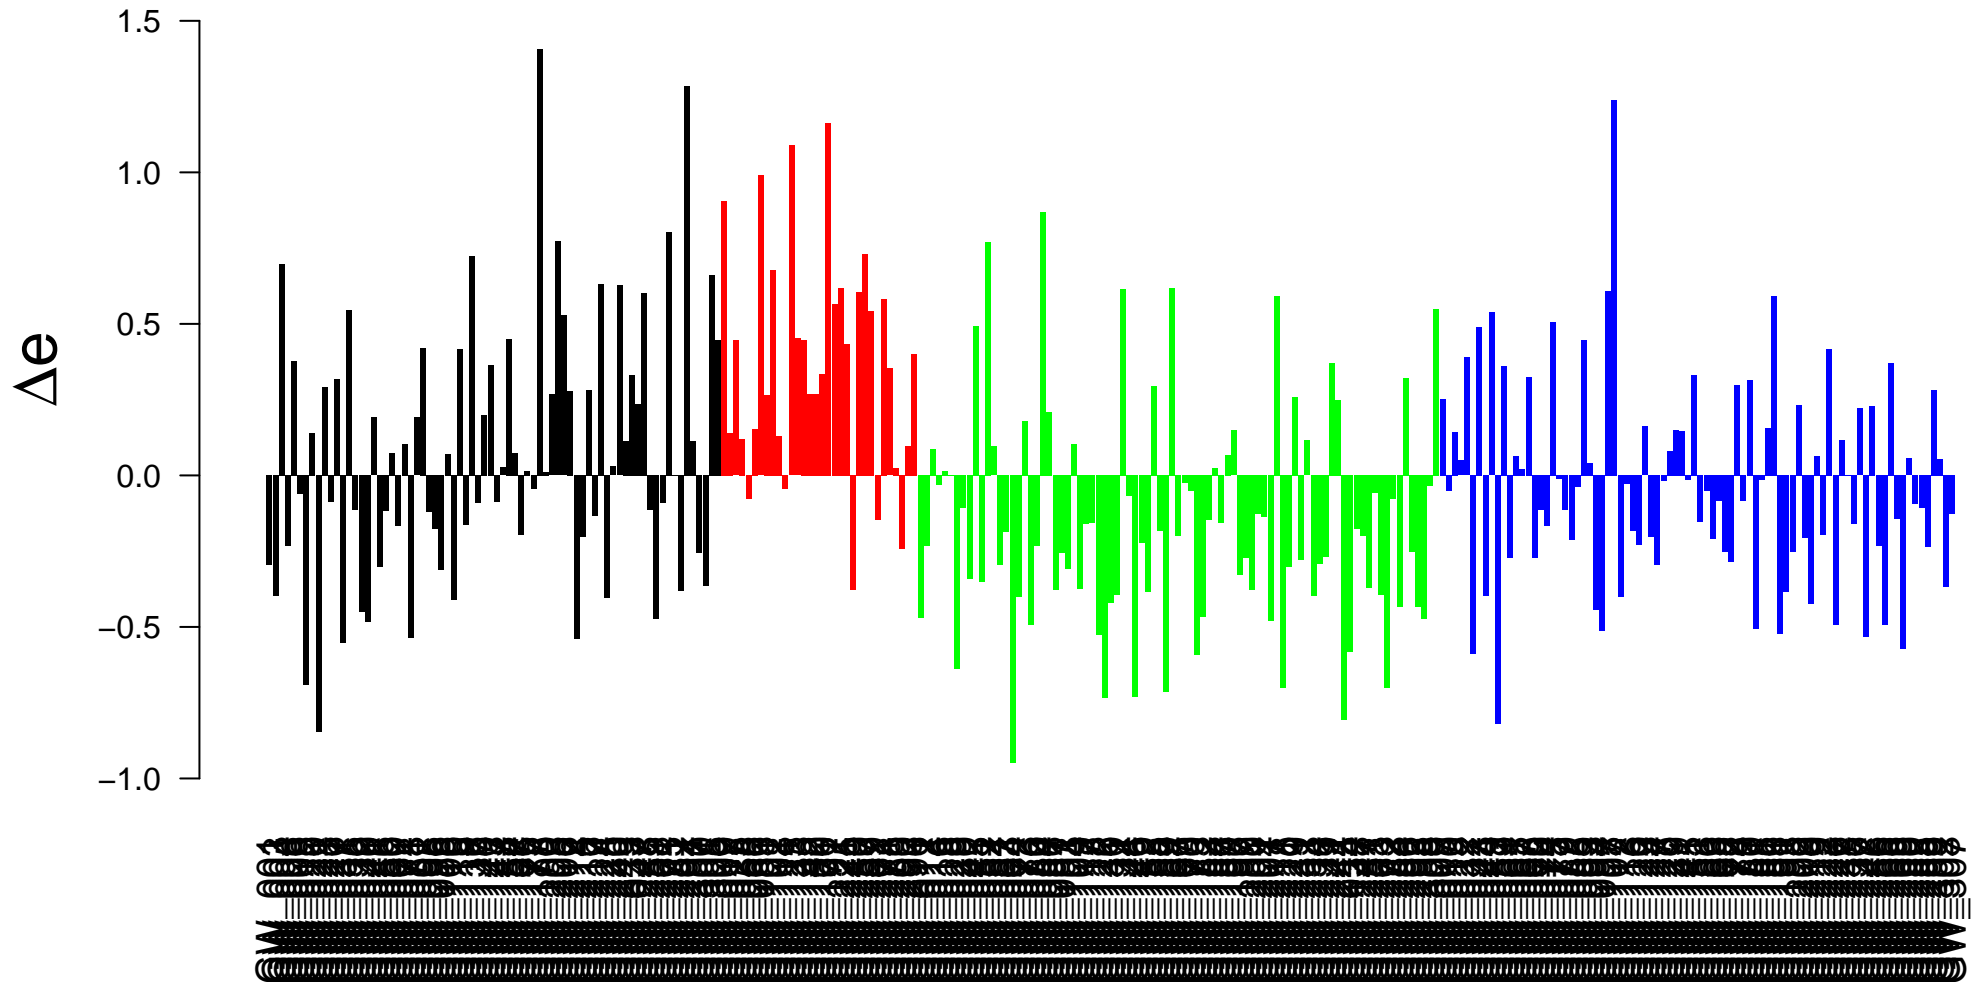

Δe

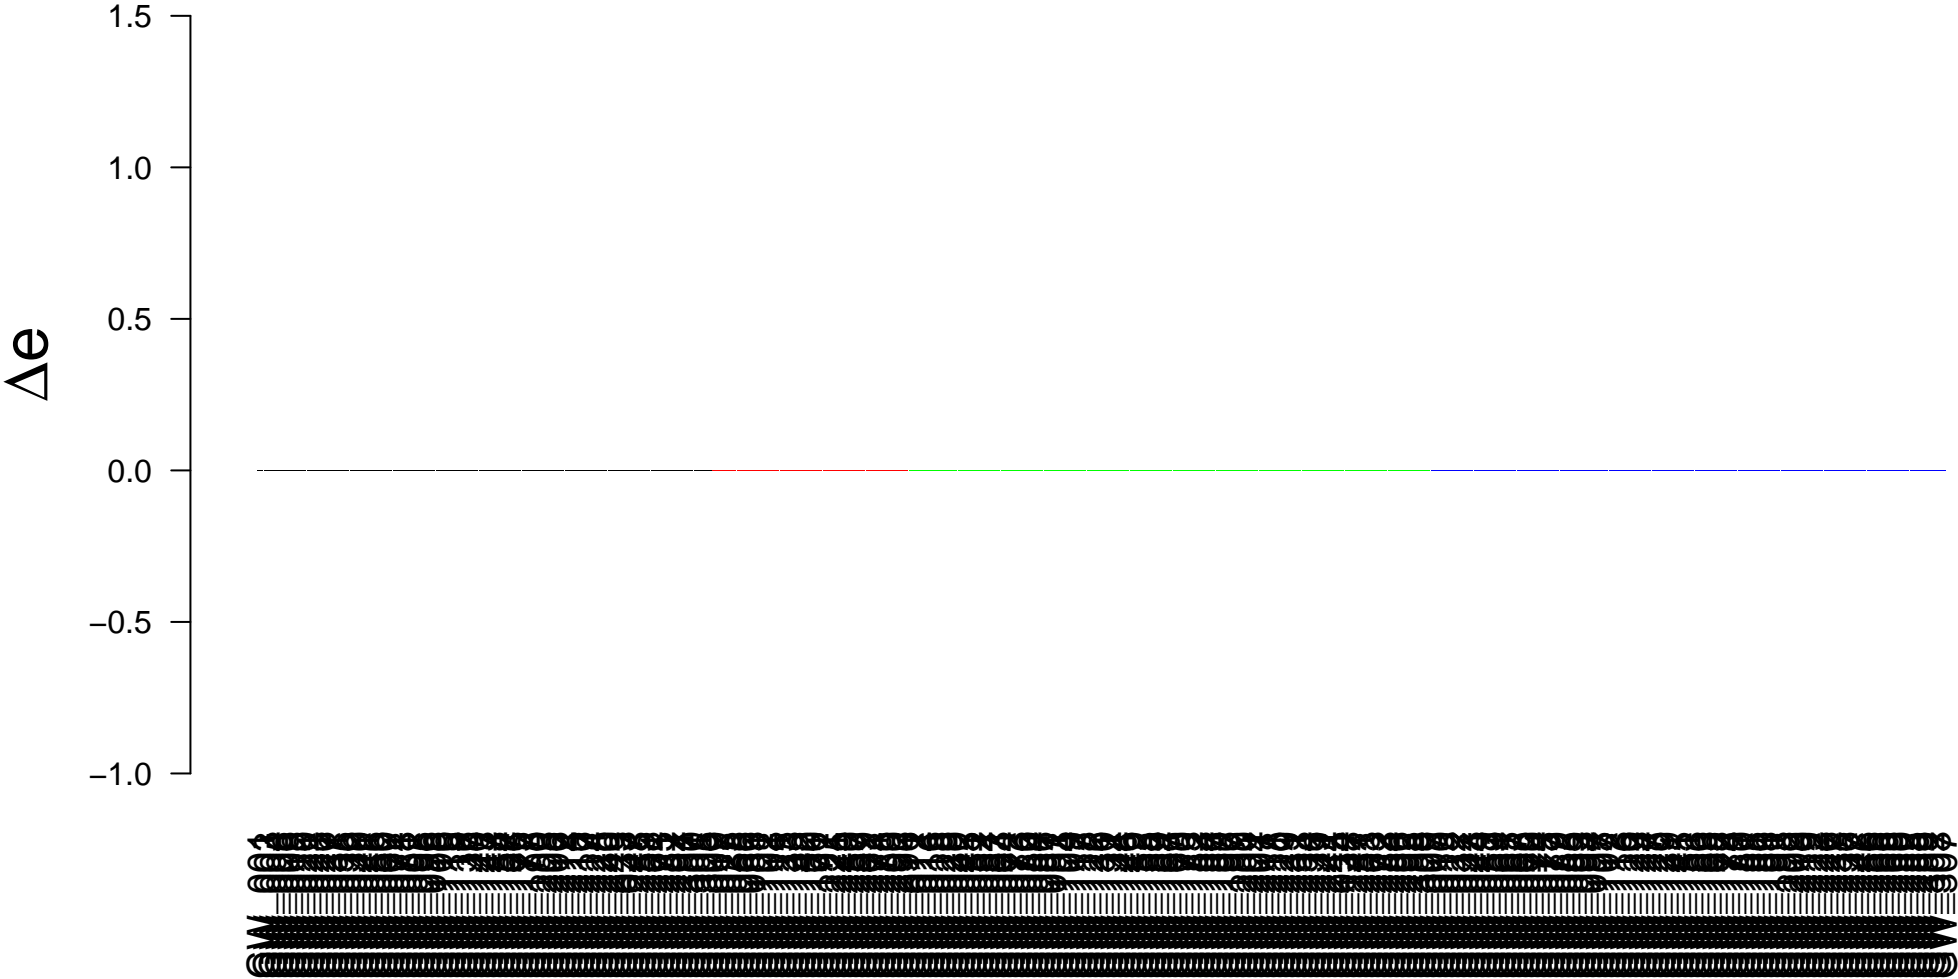

Expression of nucleotidyltransferase activity in Spot J

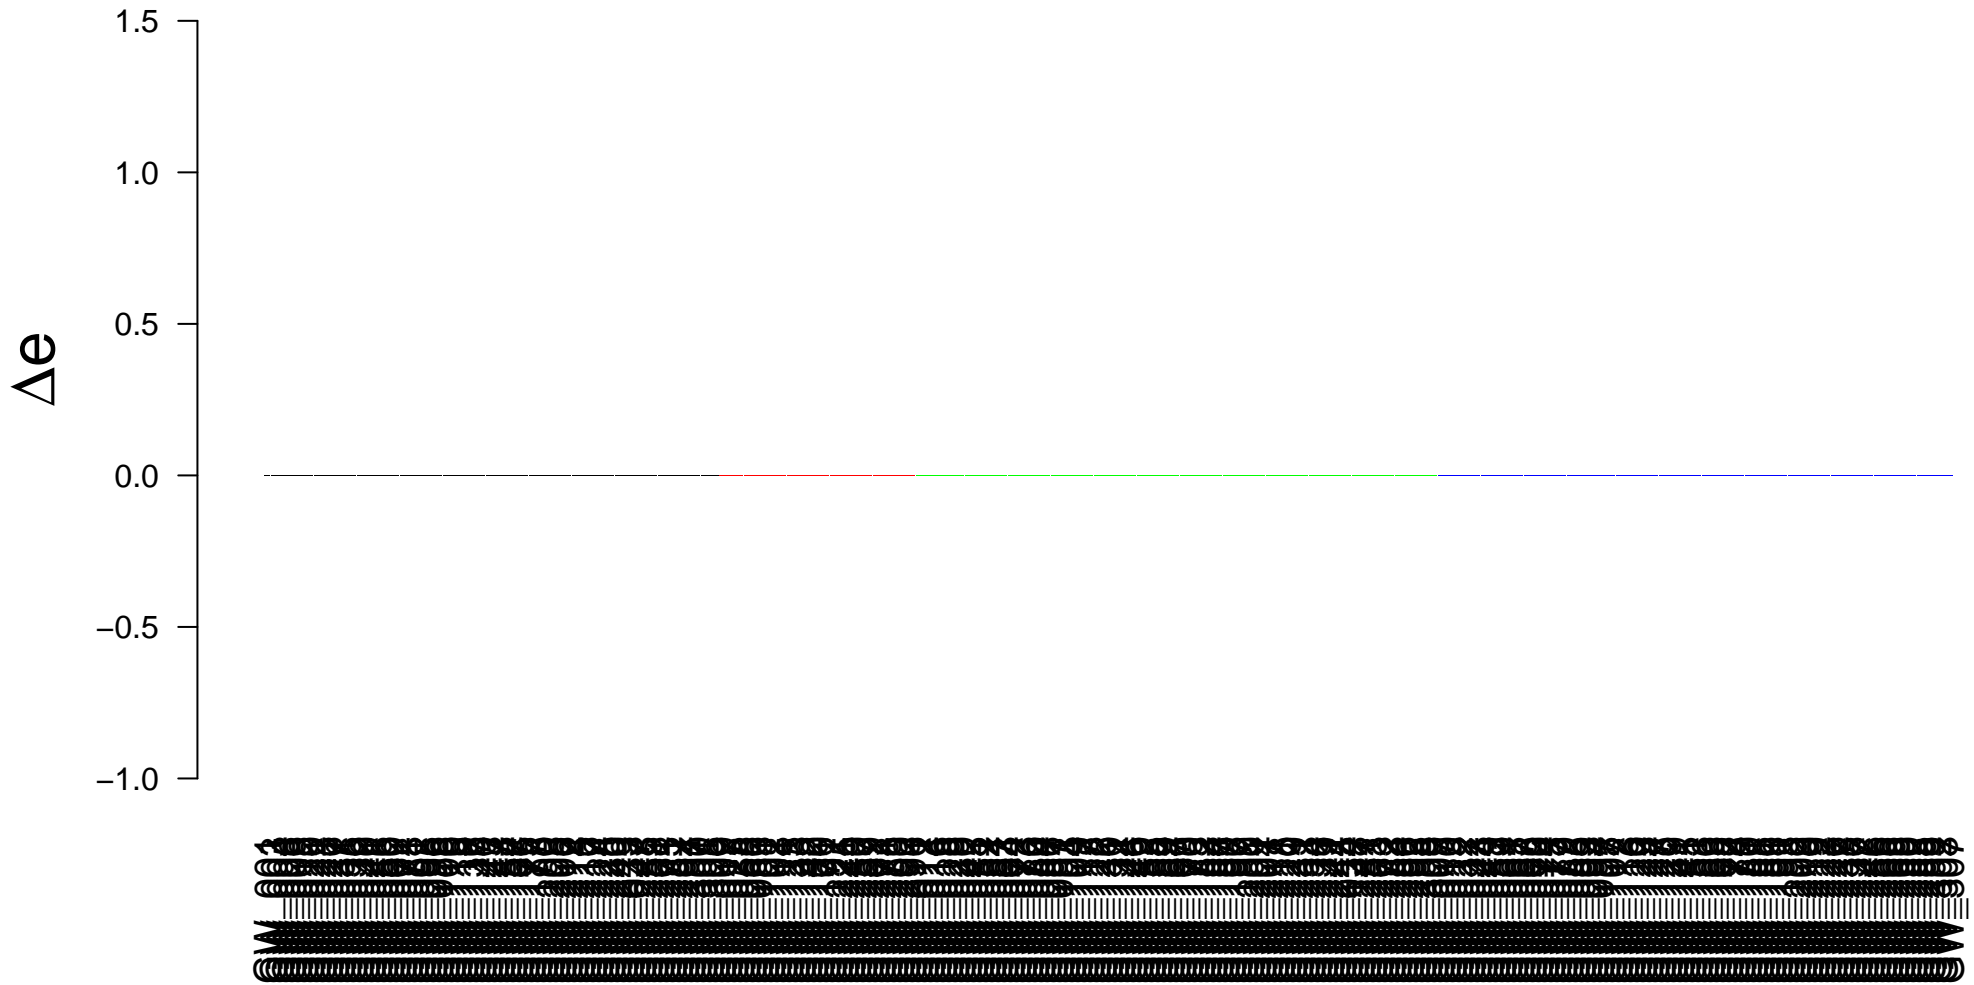

Expression of nucleotidyltransferase activity in Spot K

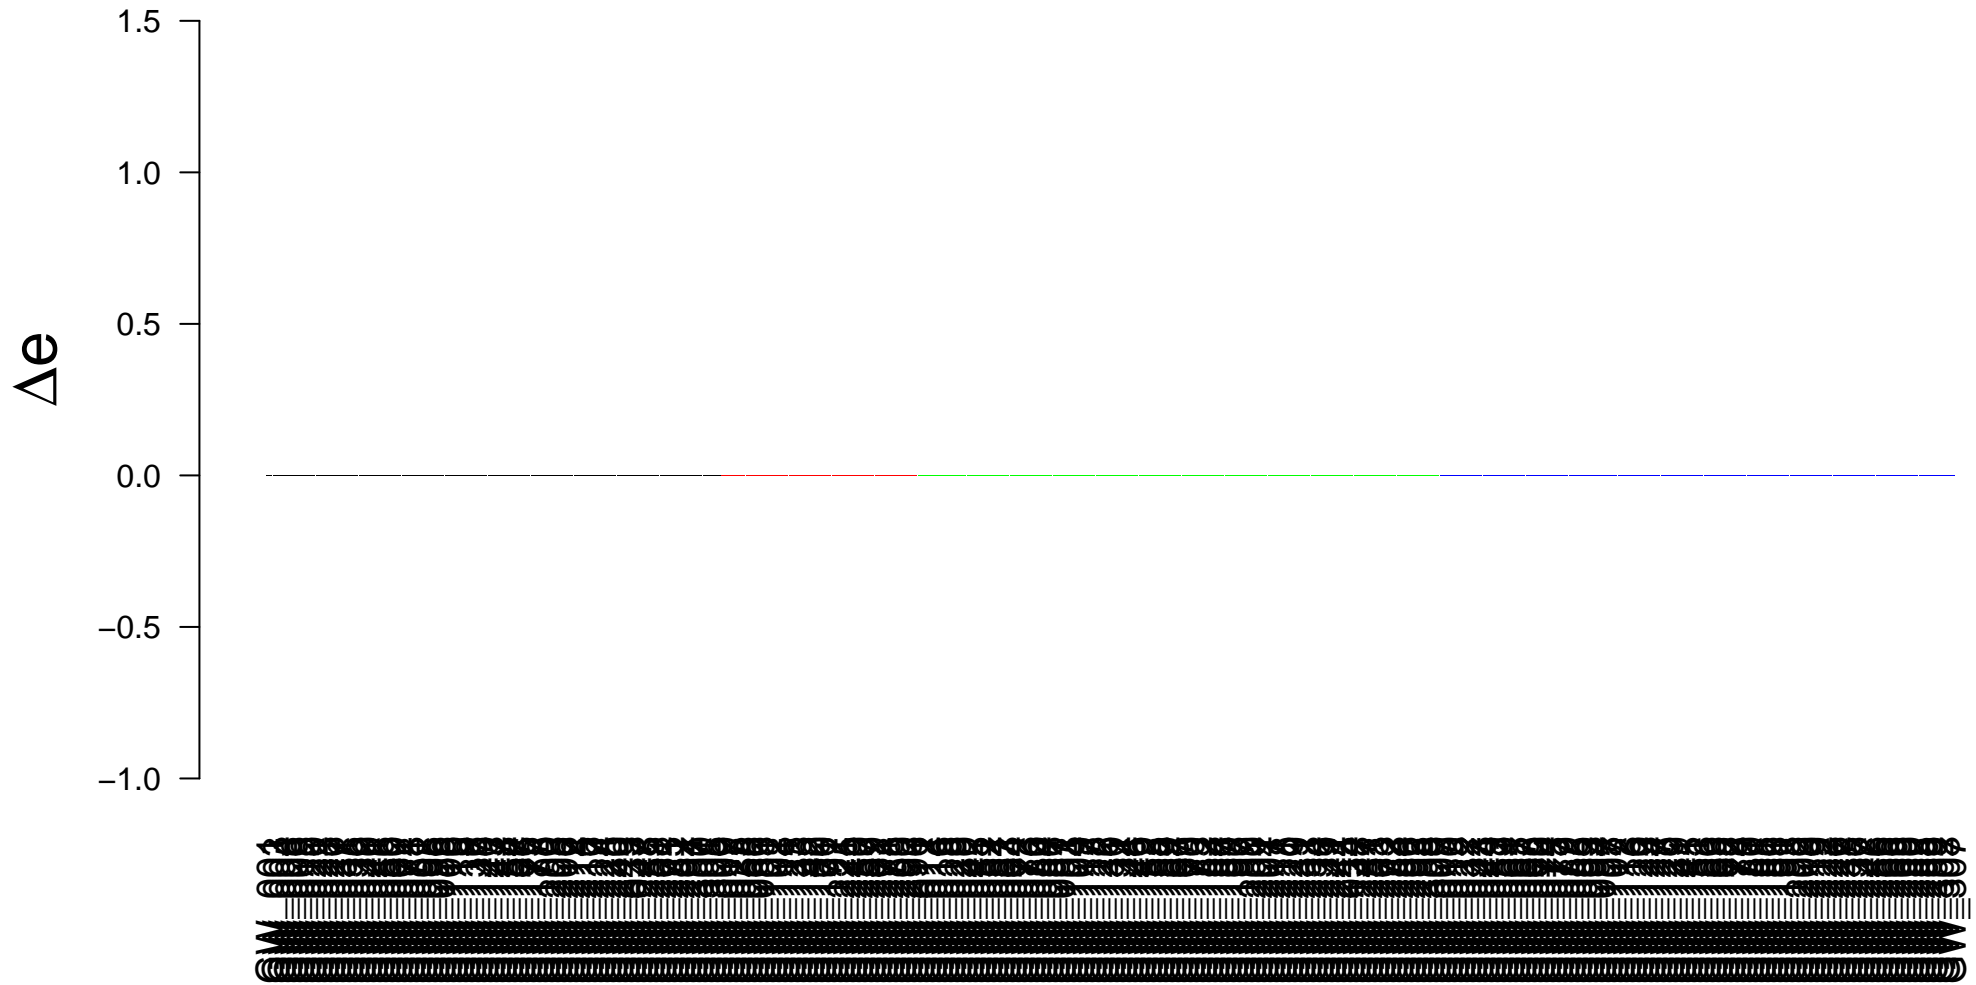

Expression of nucleotidyltransferase activity in Spot L

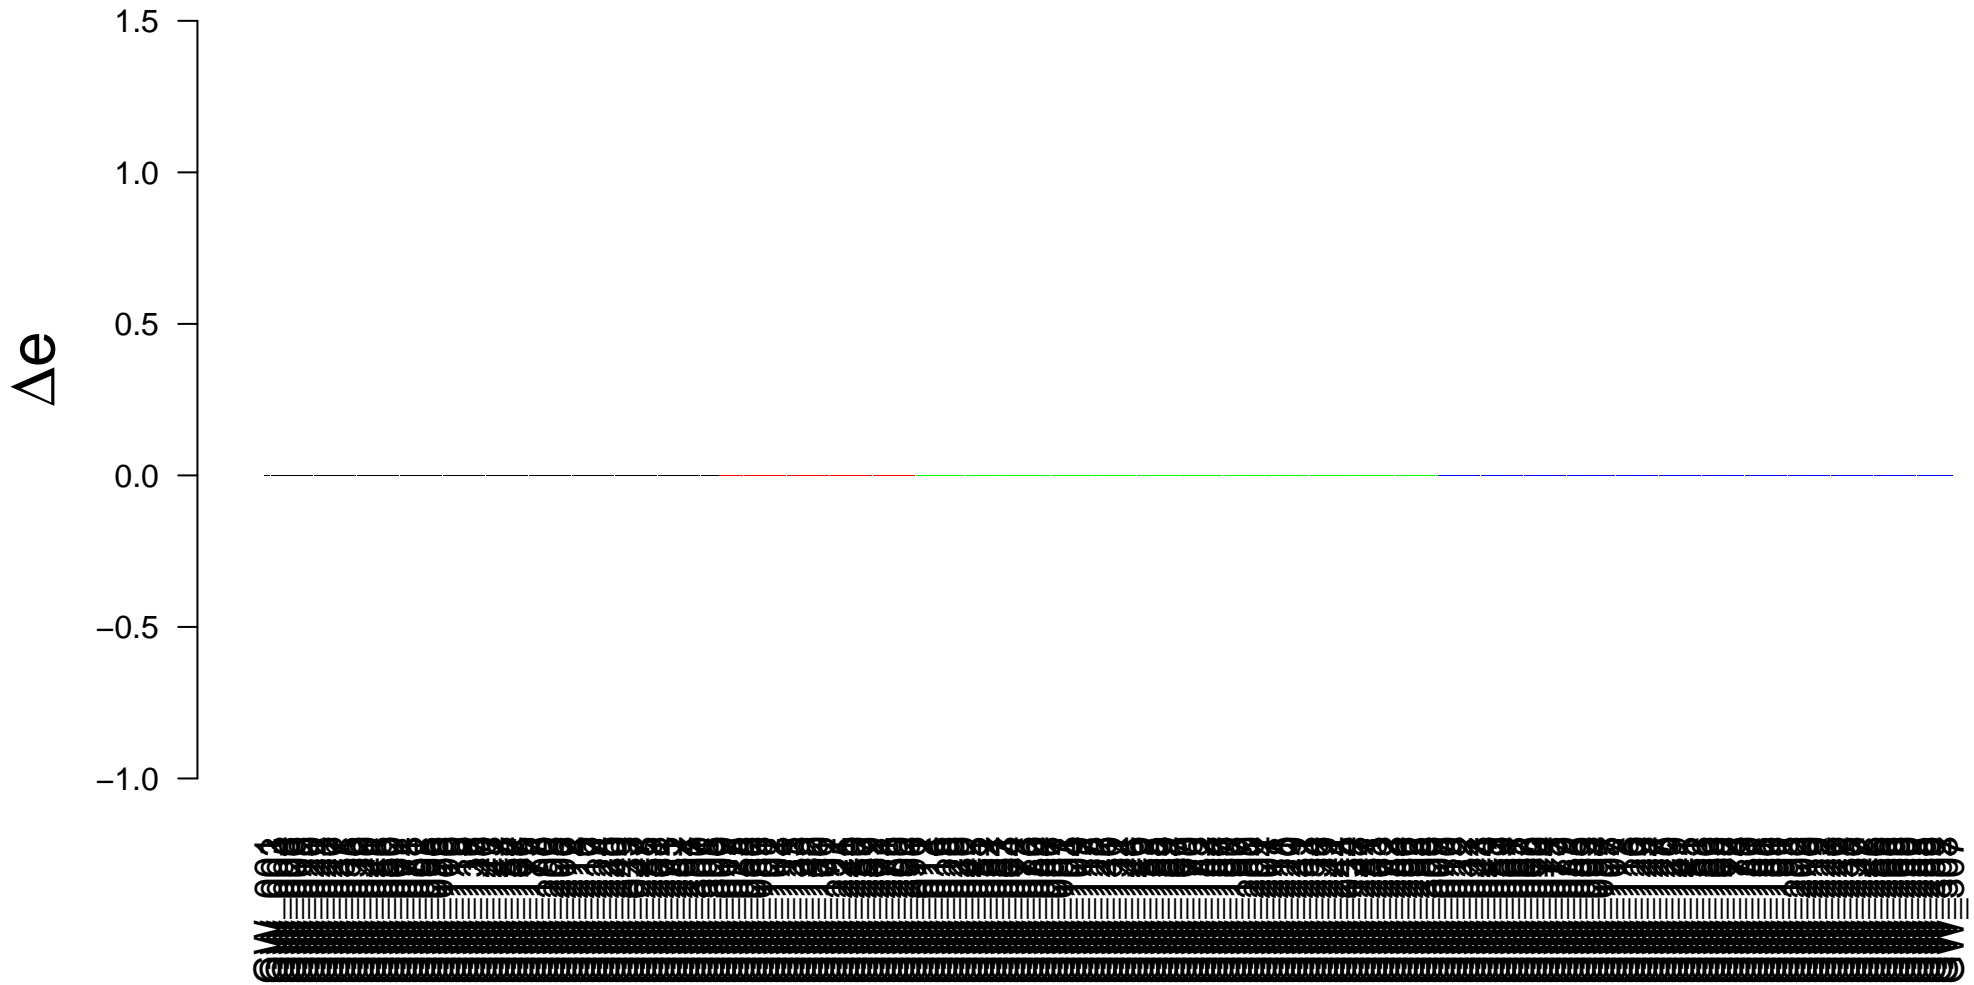

Expression of nucleotidyltransferase activity in Spot M

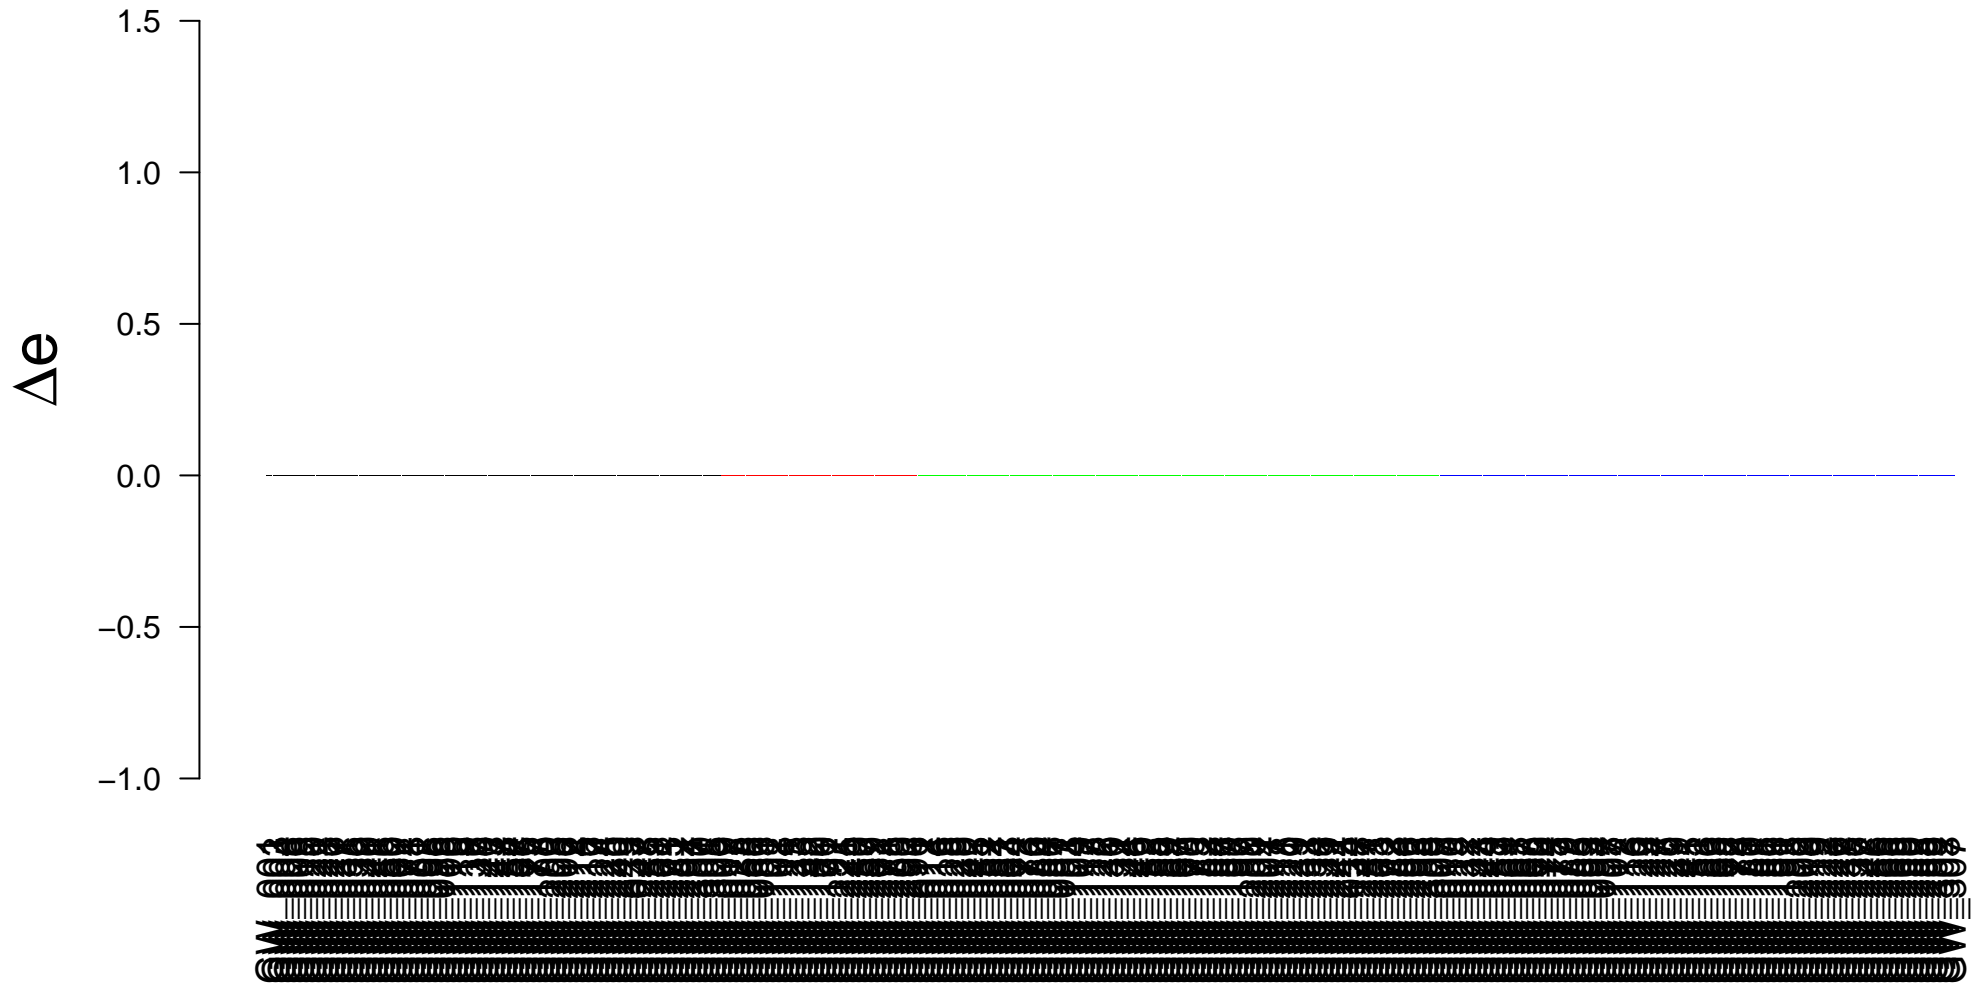

Expression of nucleotidyltransferase activity in Spot N

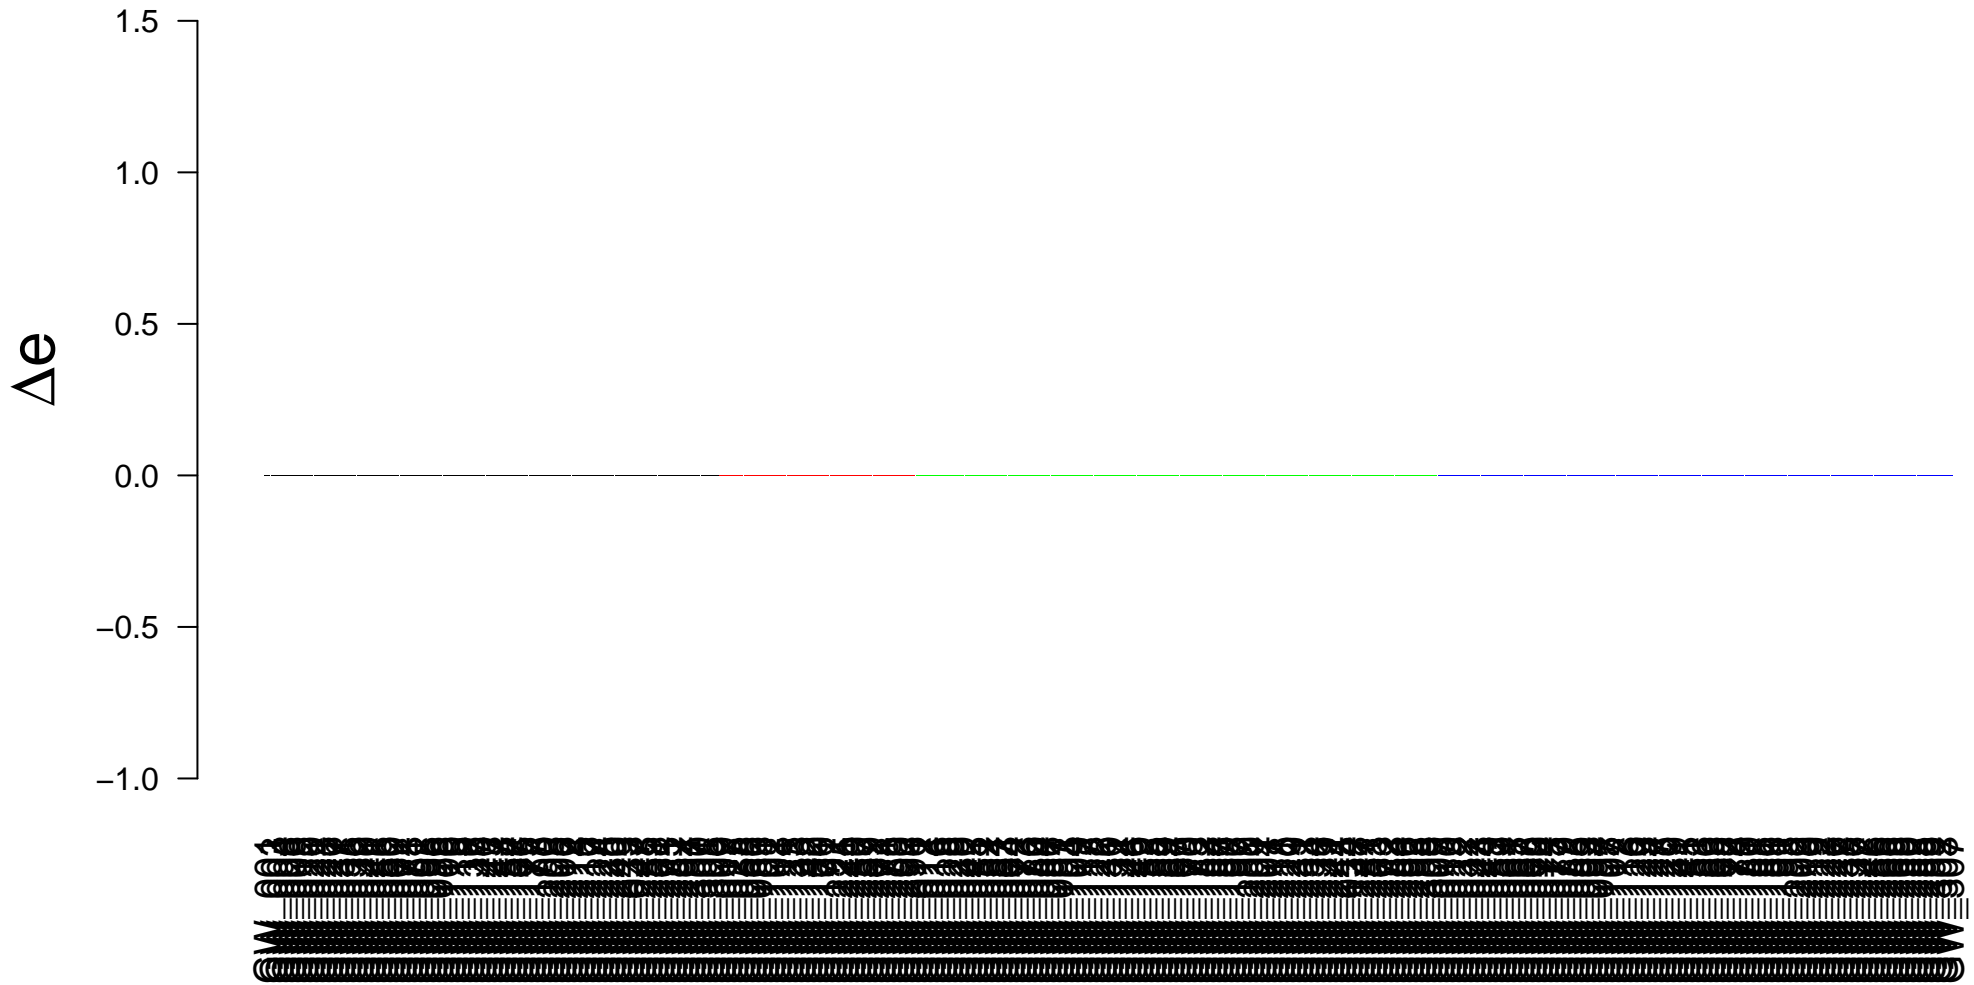

Expression of nucleotidyltransferase activity in Spot O

Expression of nucleotidyltransferase activity in Spot P

Expression of nucleotidyltransferase activity in Spot Q

Expression of nucleotidyltransferase activity in Spot R
