Expression of oligodendrocyte development in Spot D

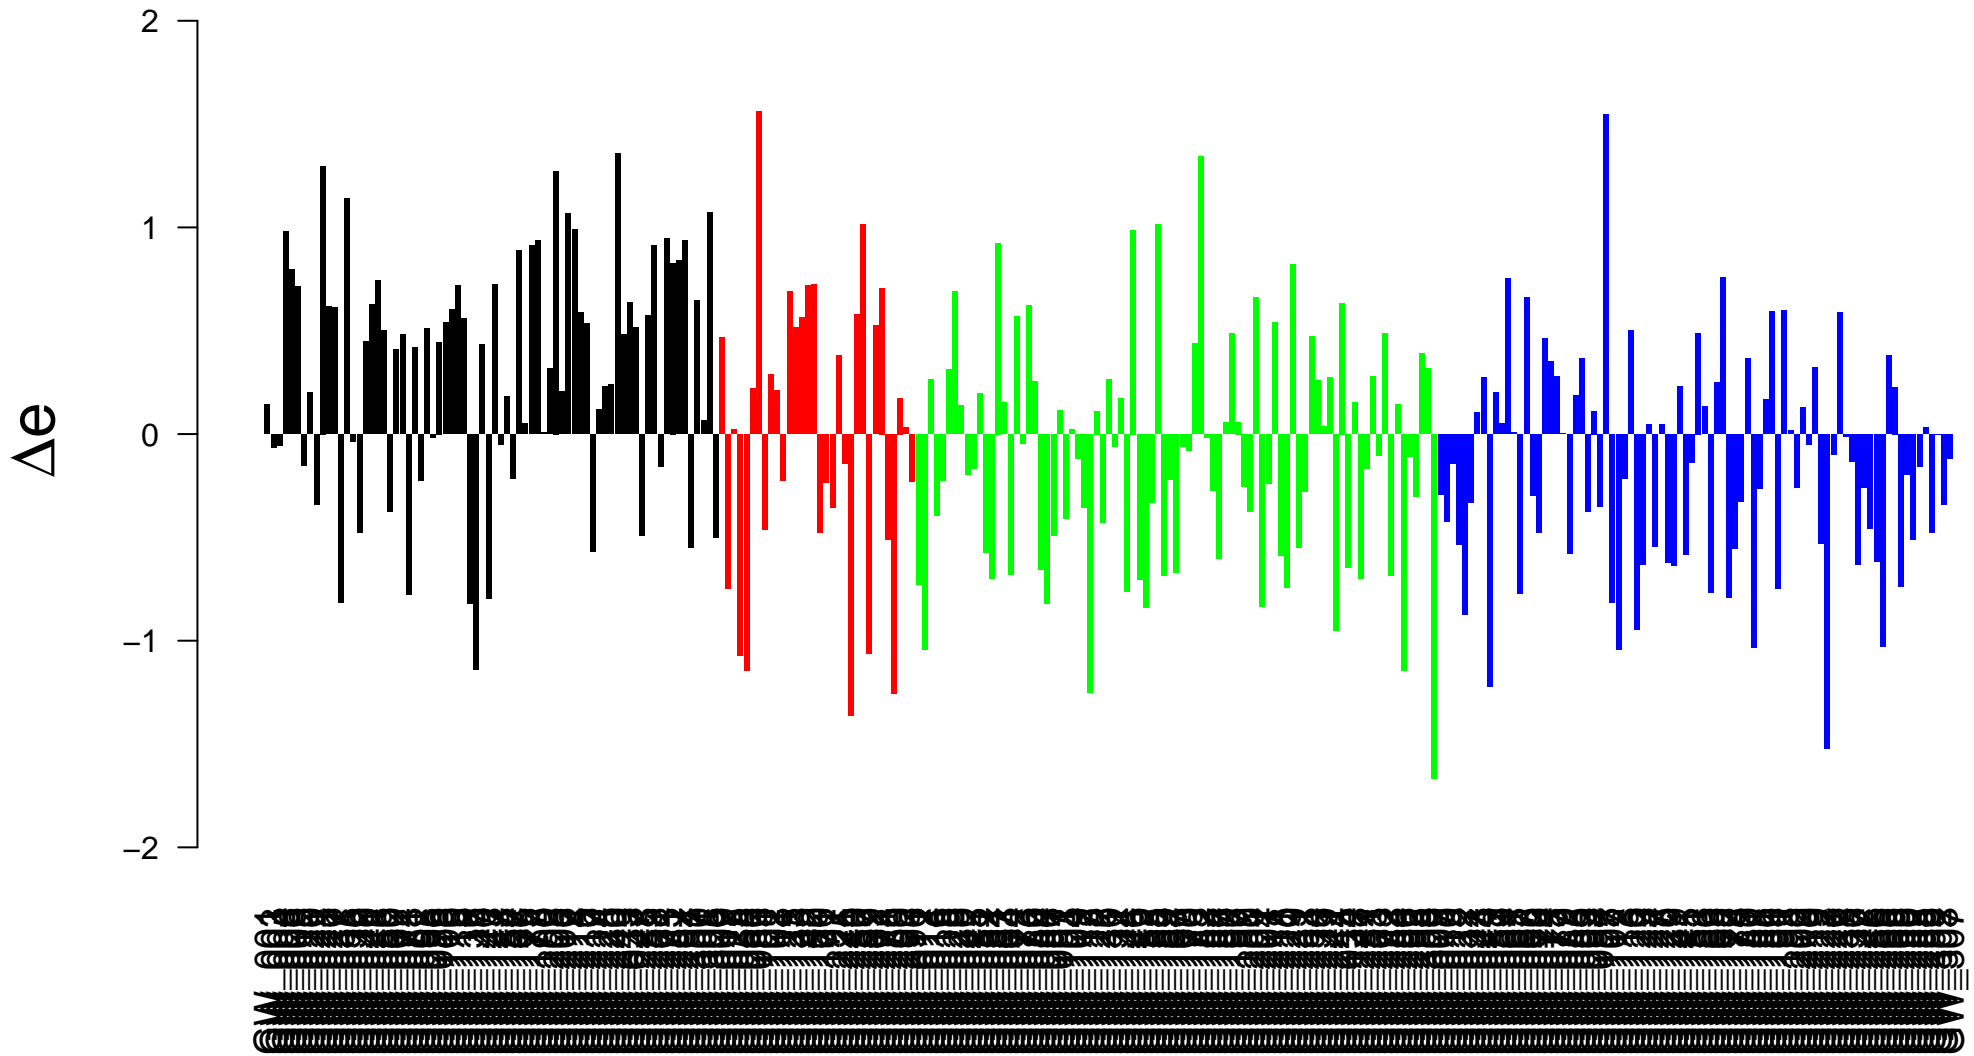

Expression of oligodendrocyte development in Spot E

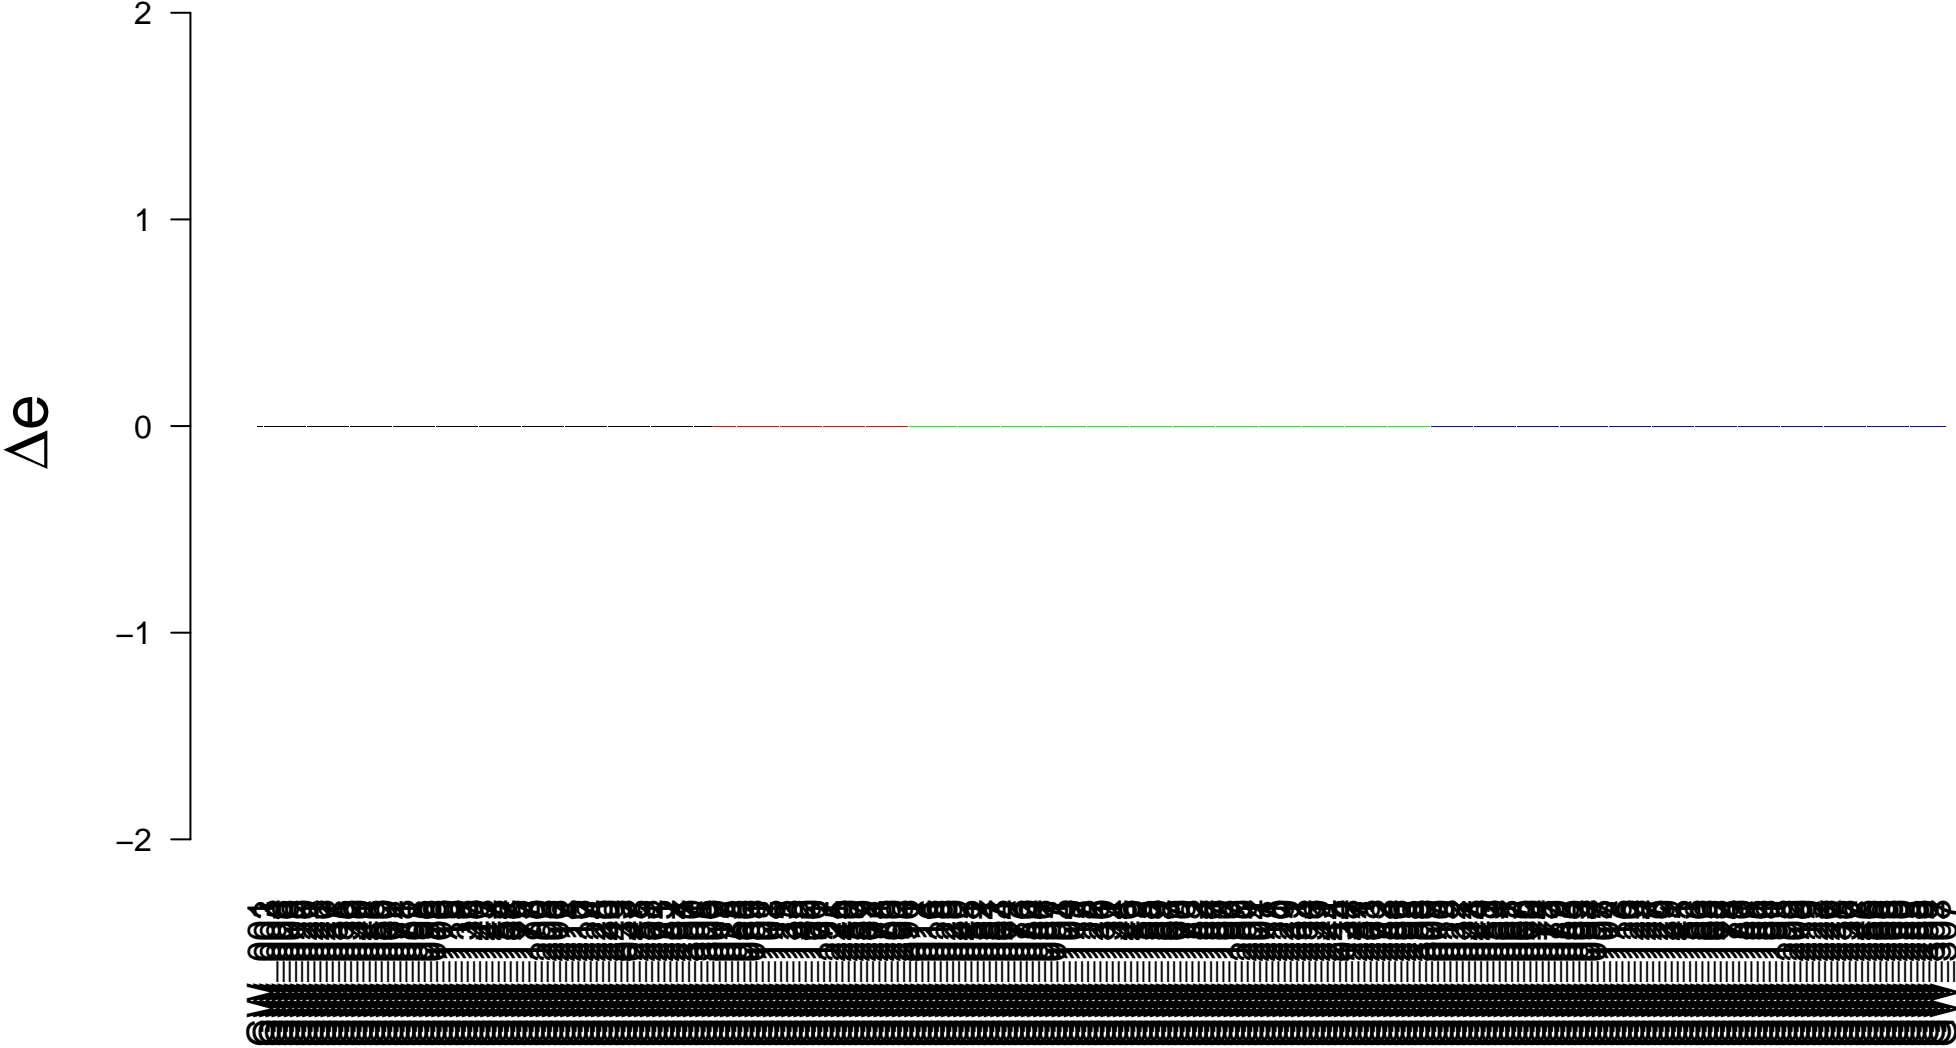

Expression of oligodendrocyte development in Spot F

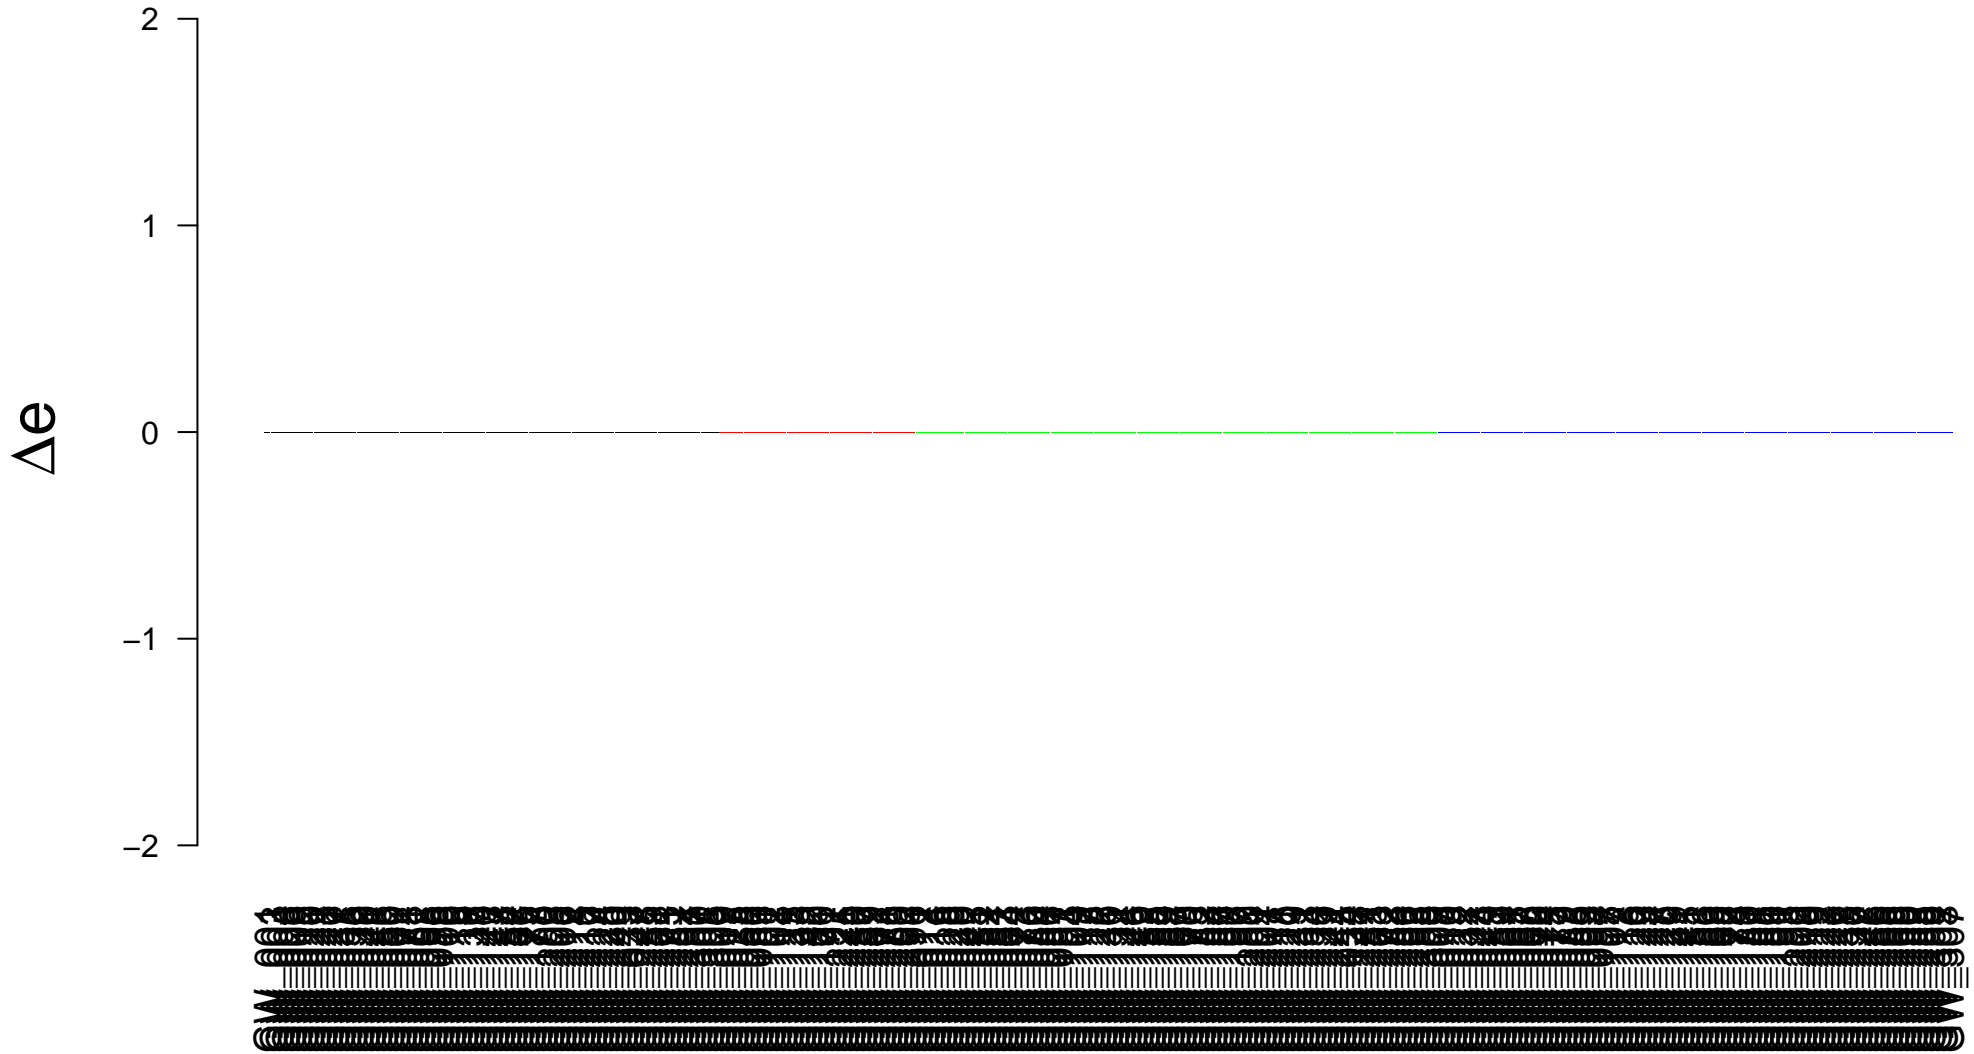

Expression of oligodendrocyte development in Spot G

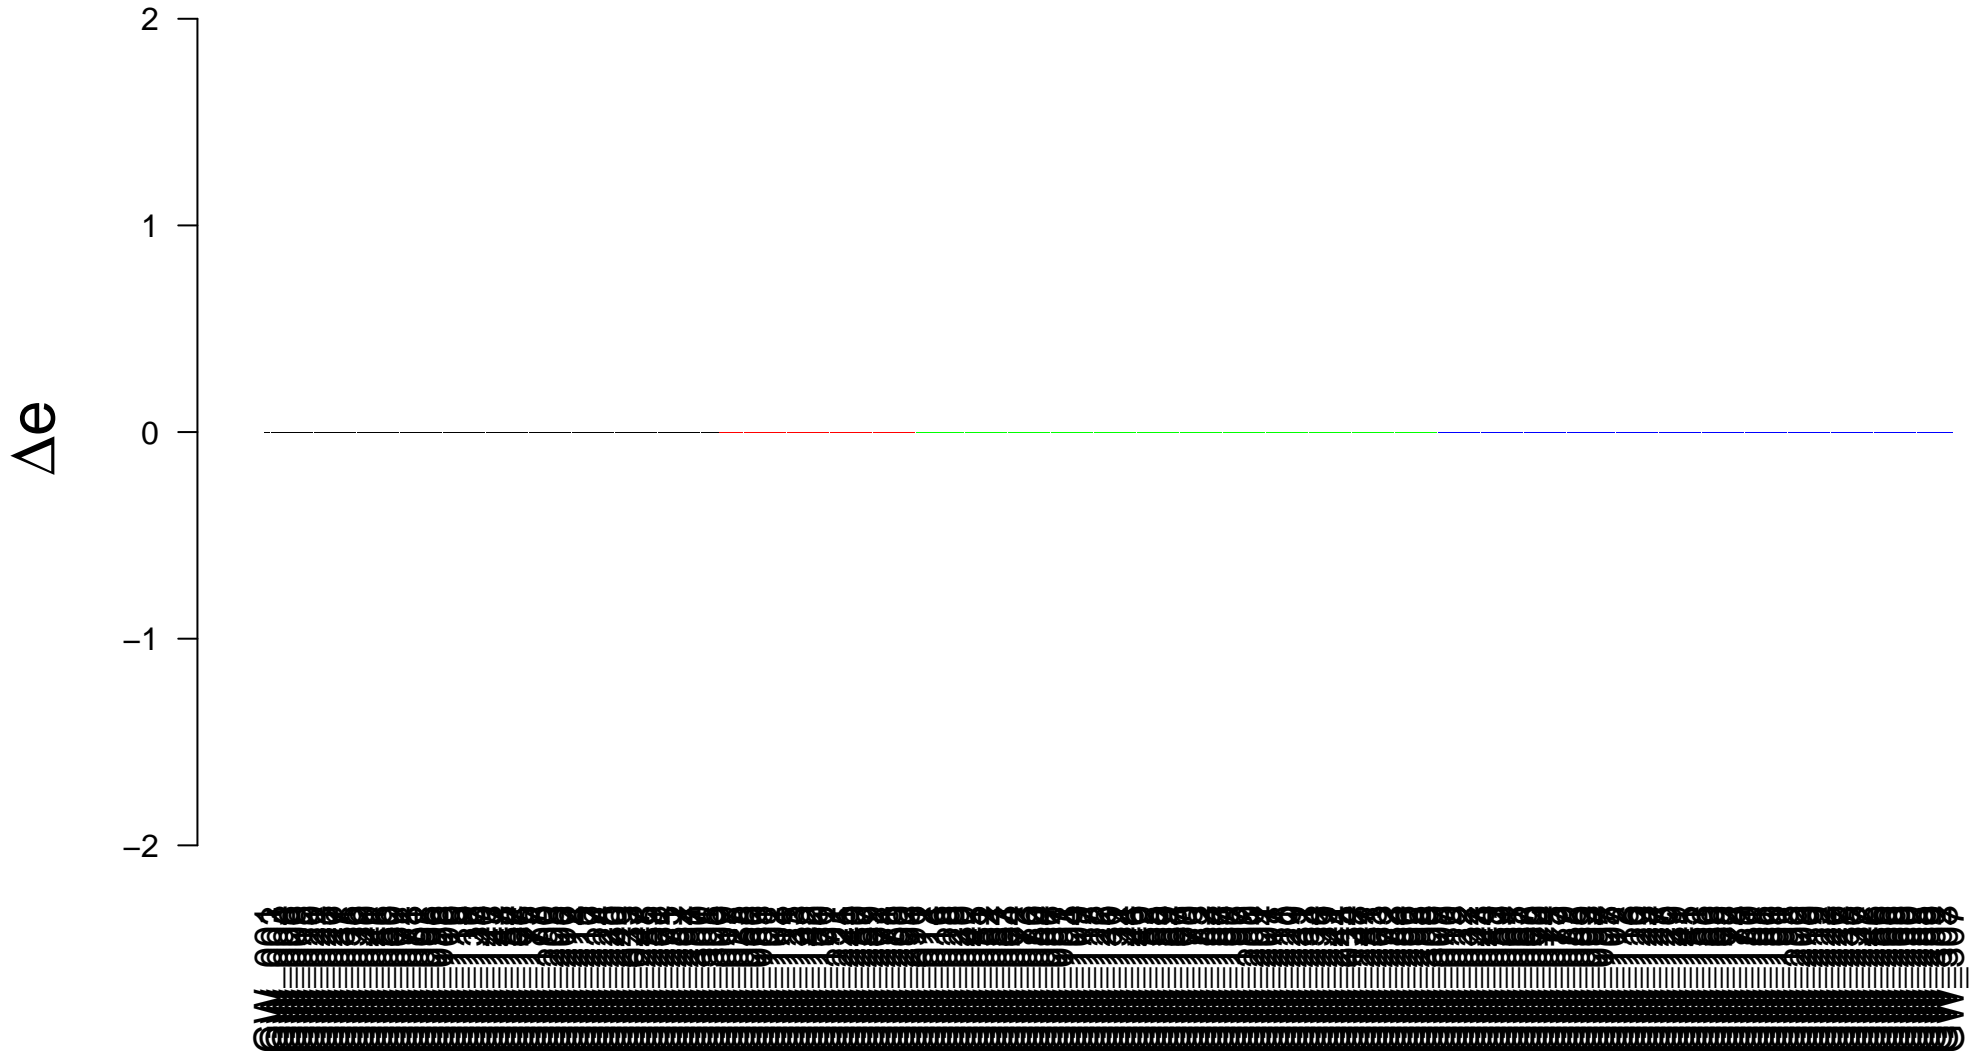

Expression of oligodendrocyte development in Spot H

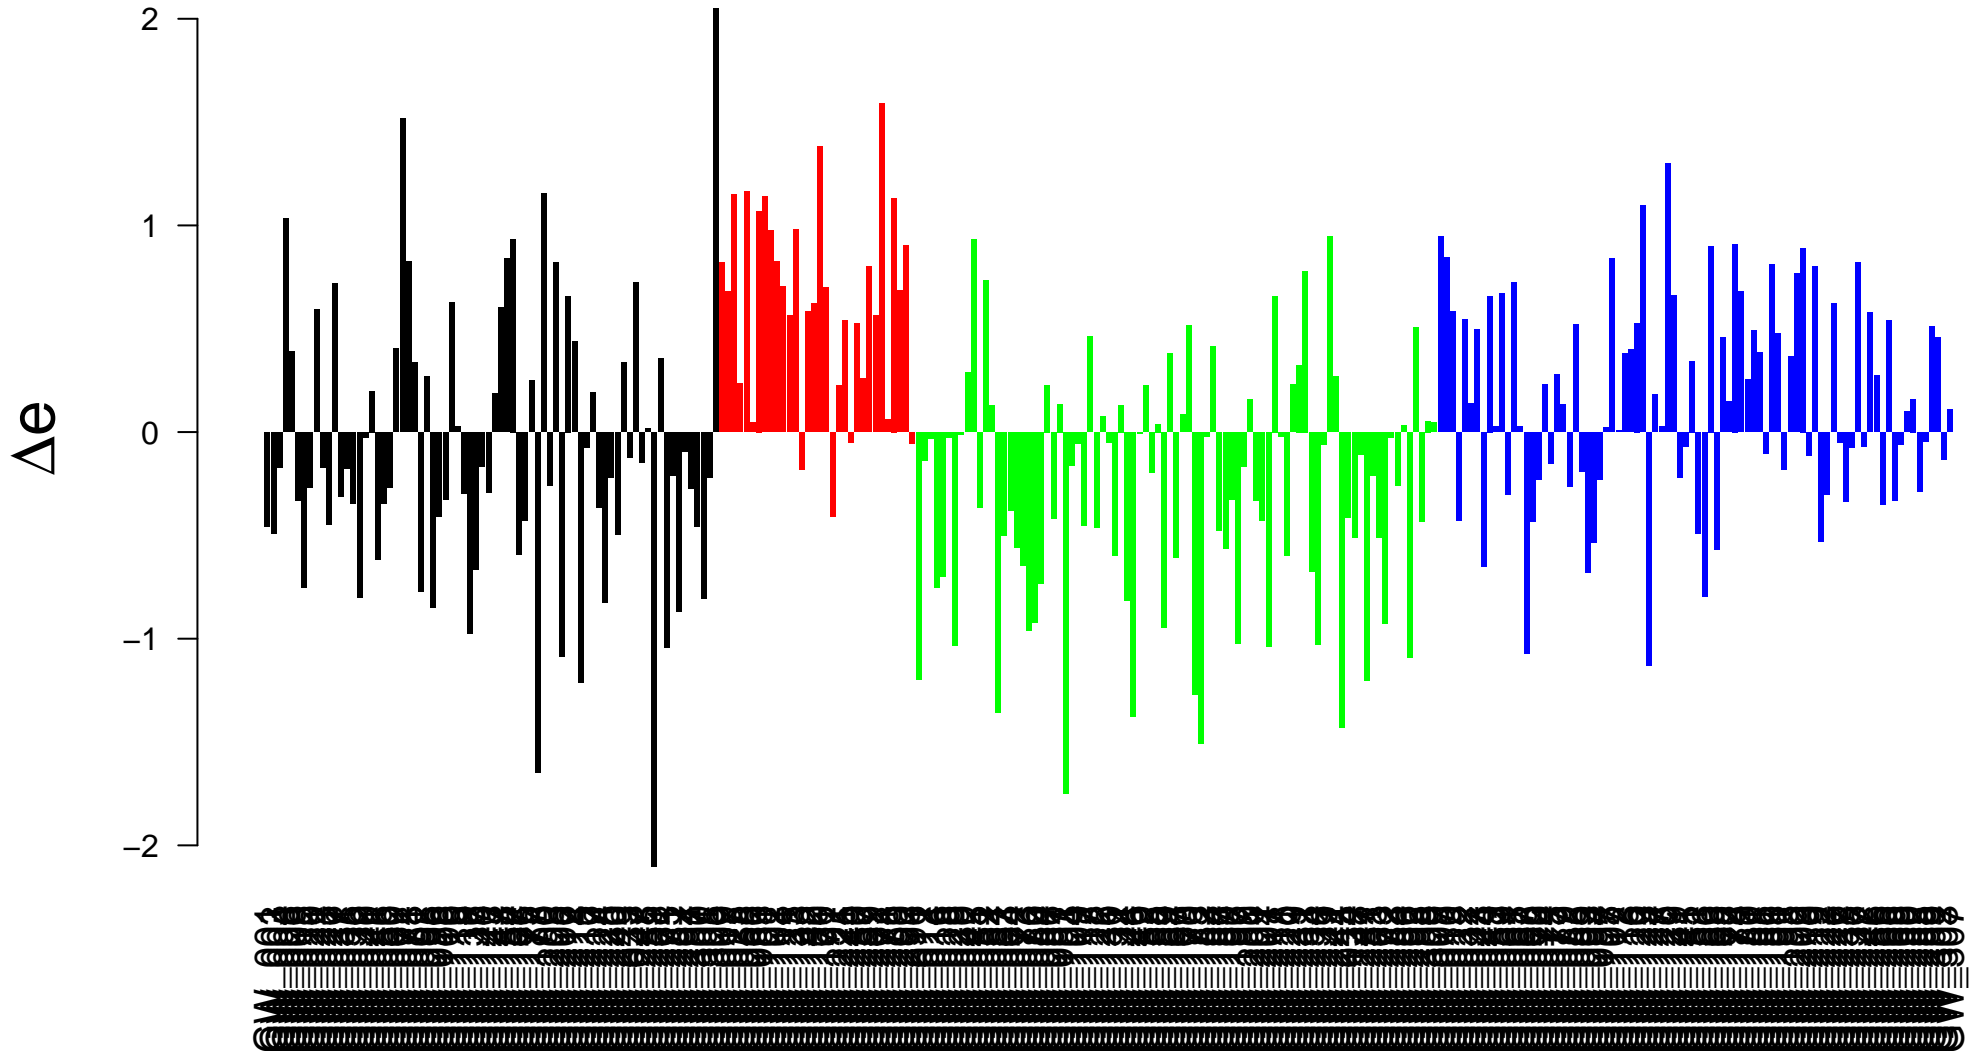

Expression of oligodendrocyte development in Spot I

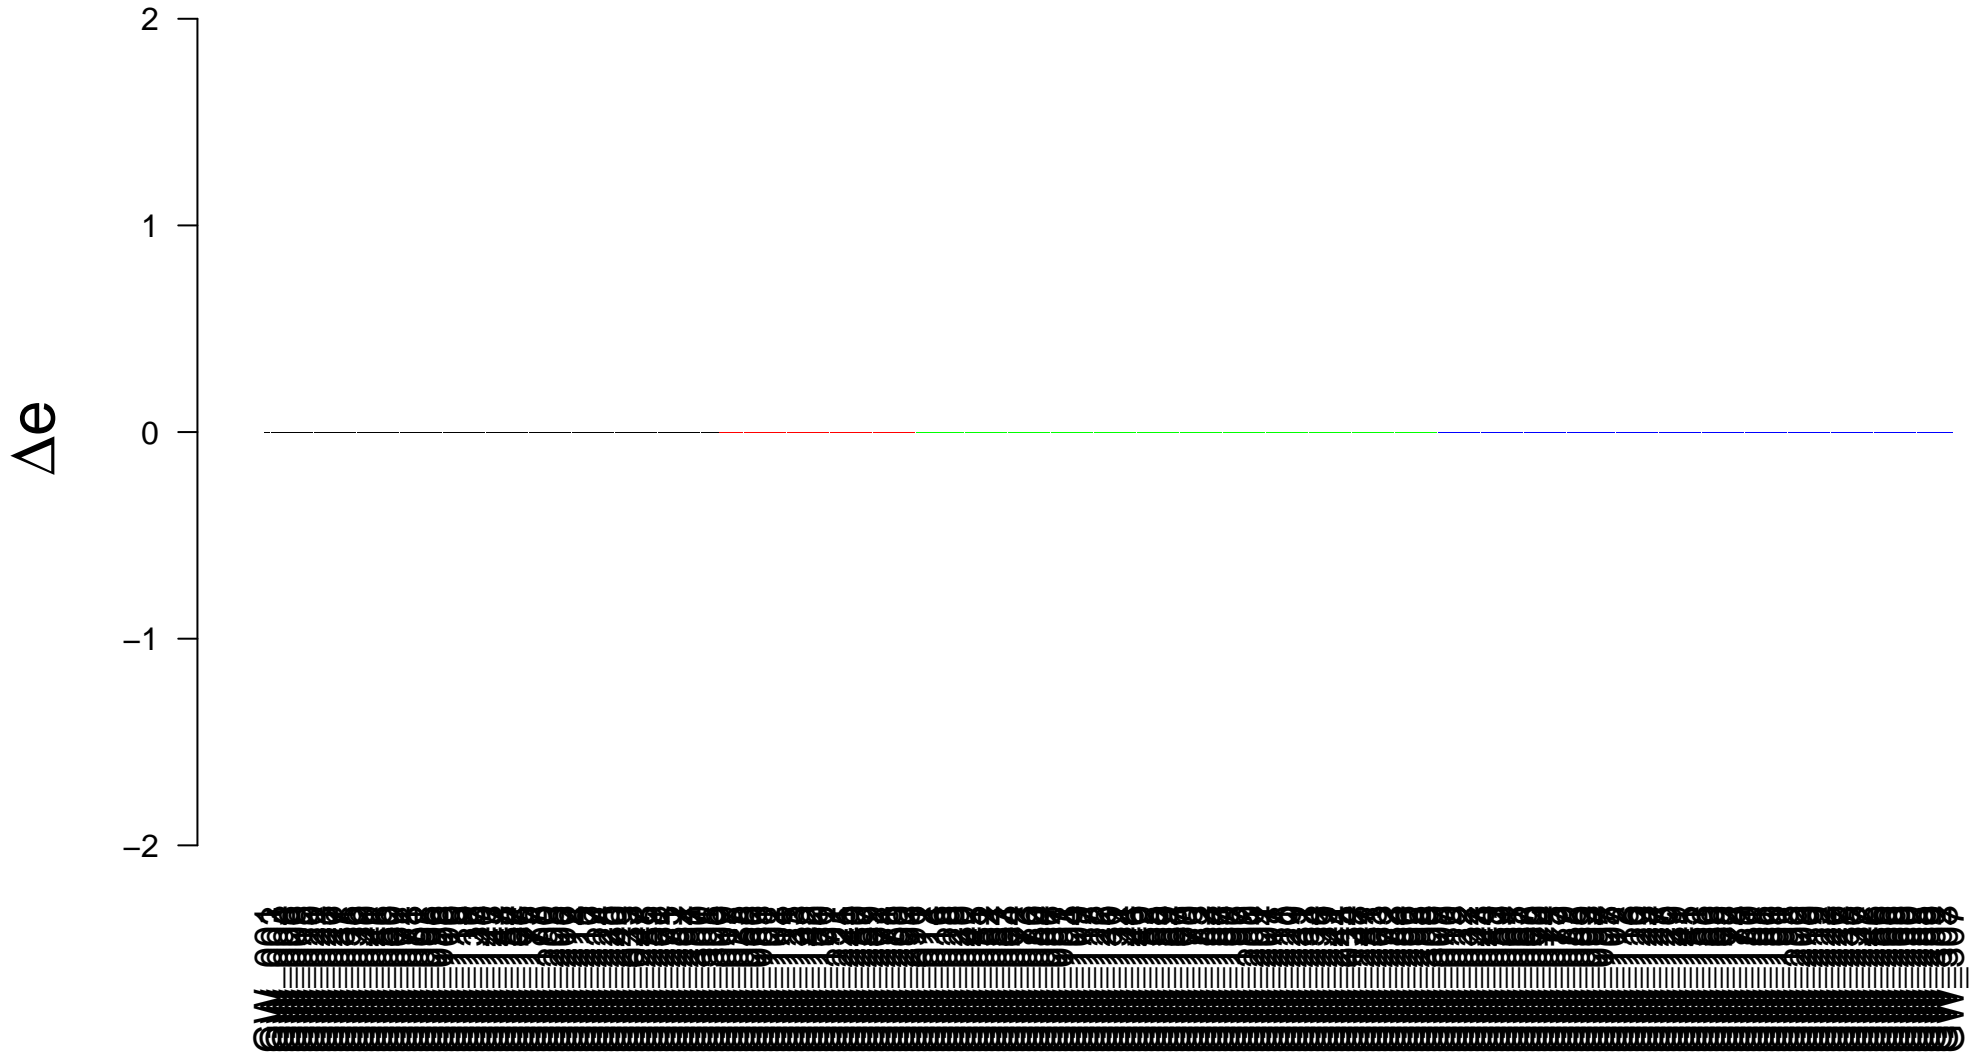

Expression of oligodendrocyte development in Spot J

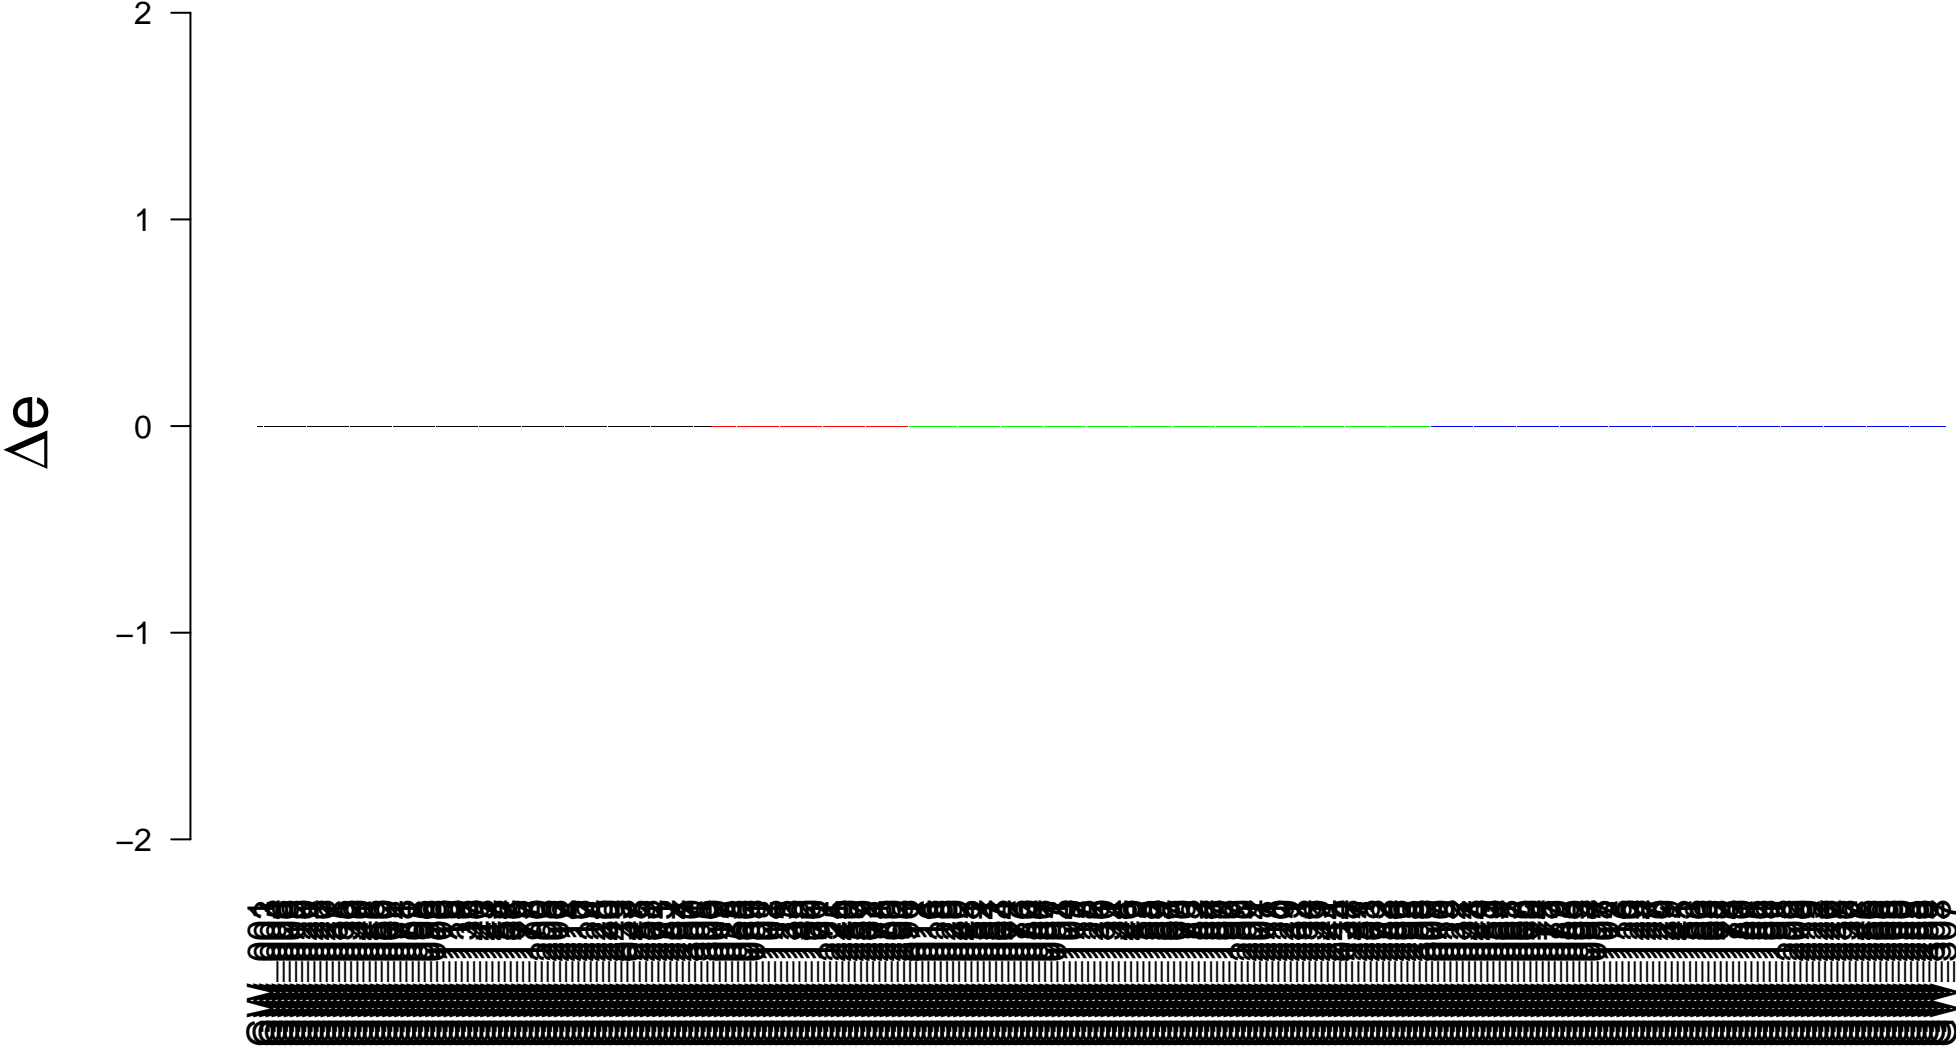

Expression of oligodendrocyte development in Spot K

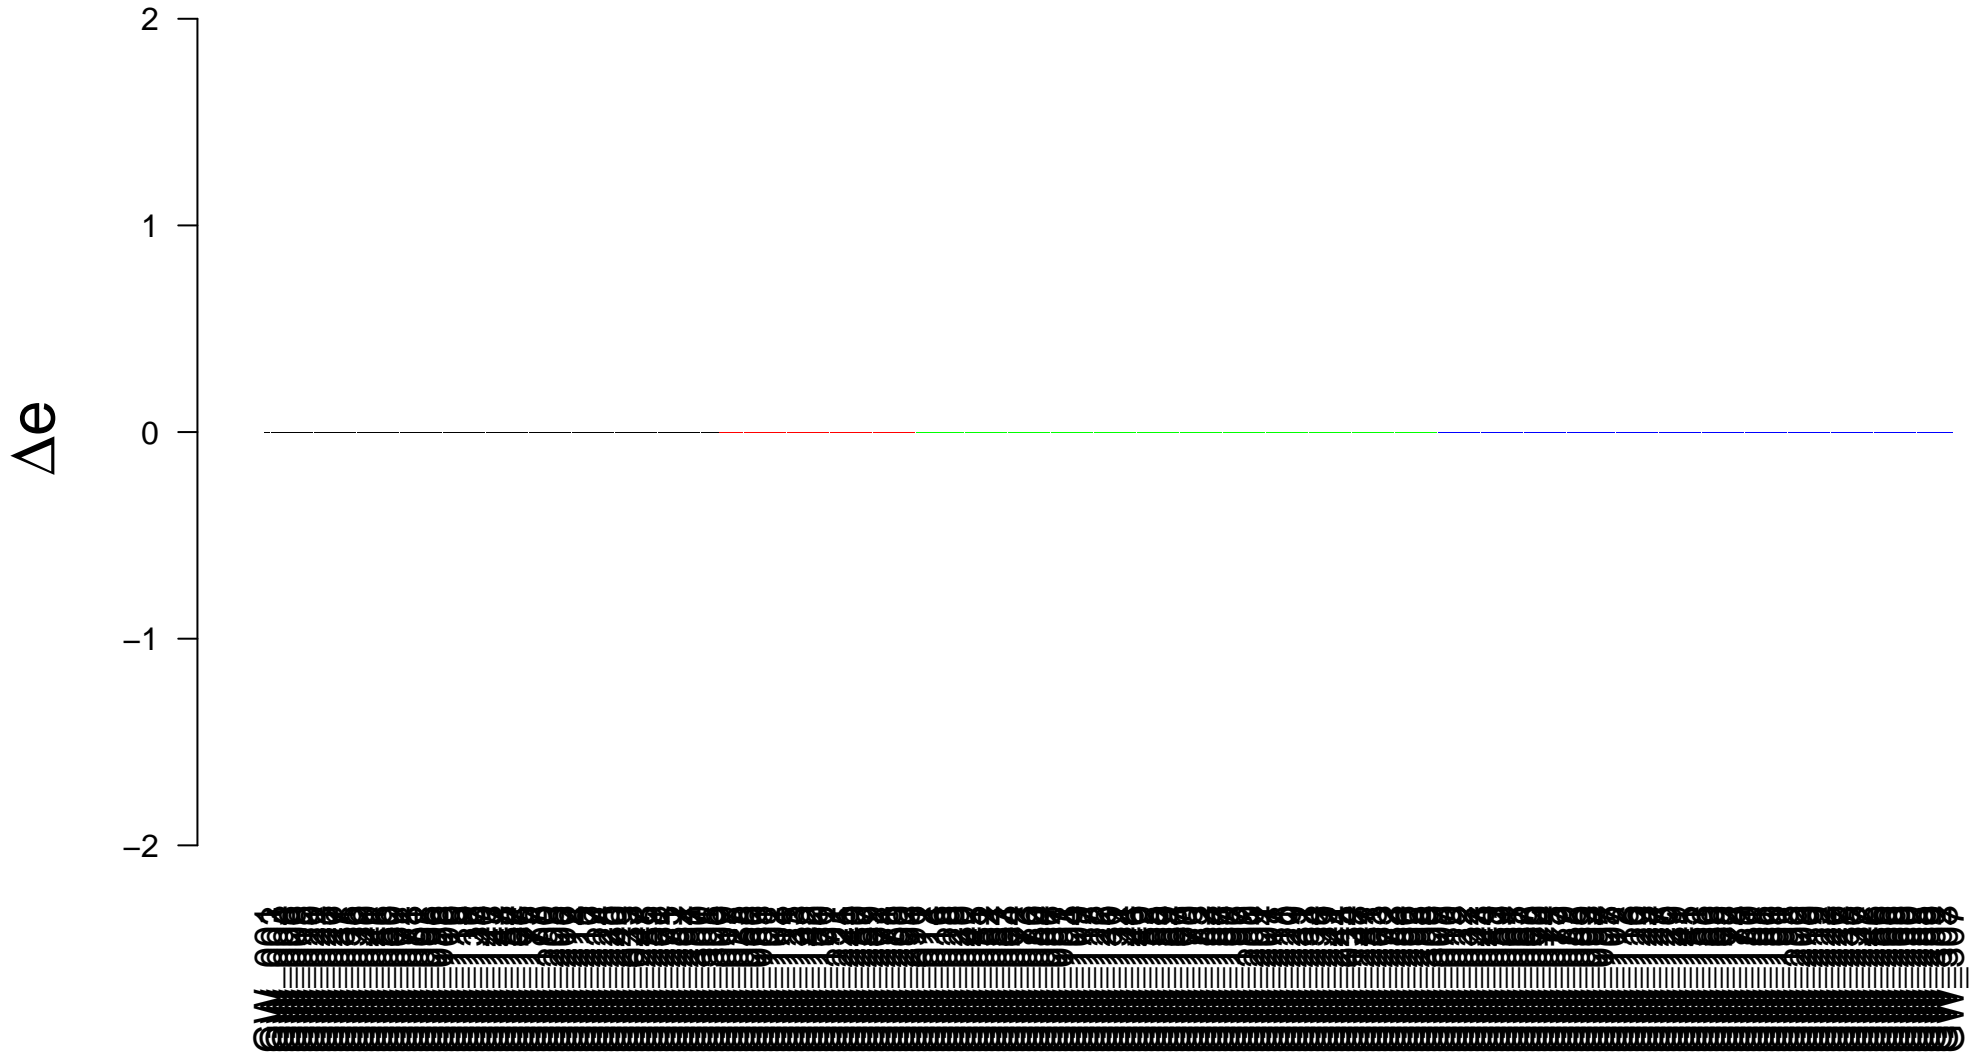

Expression of oligodendrocyte development in Spot L

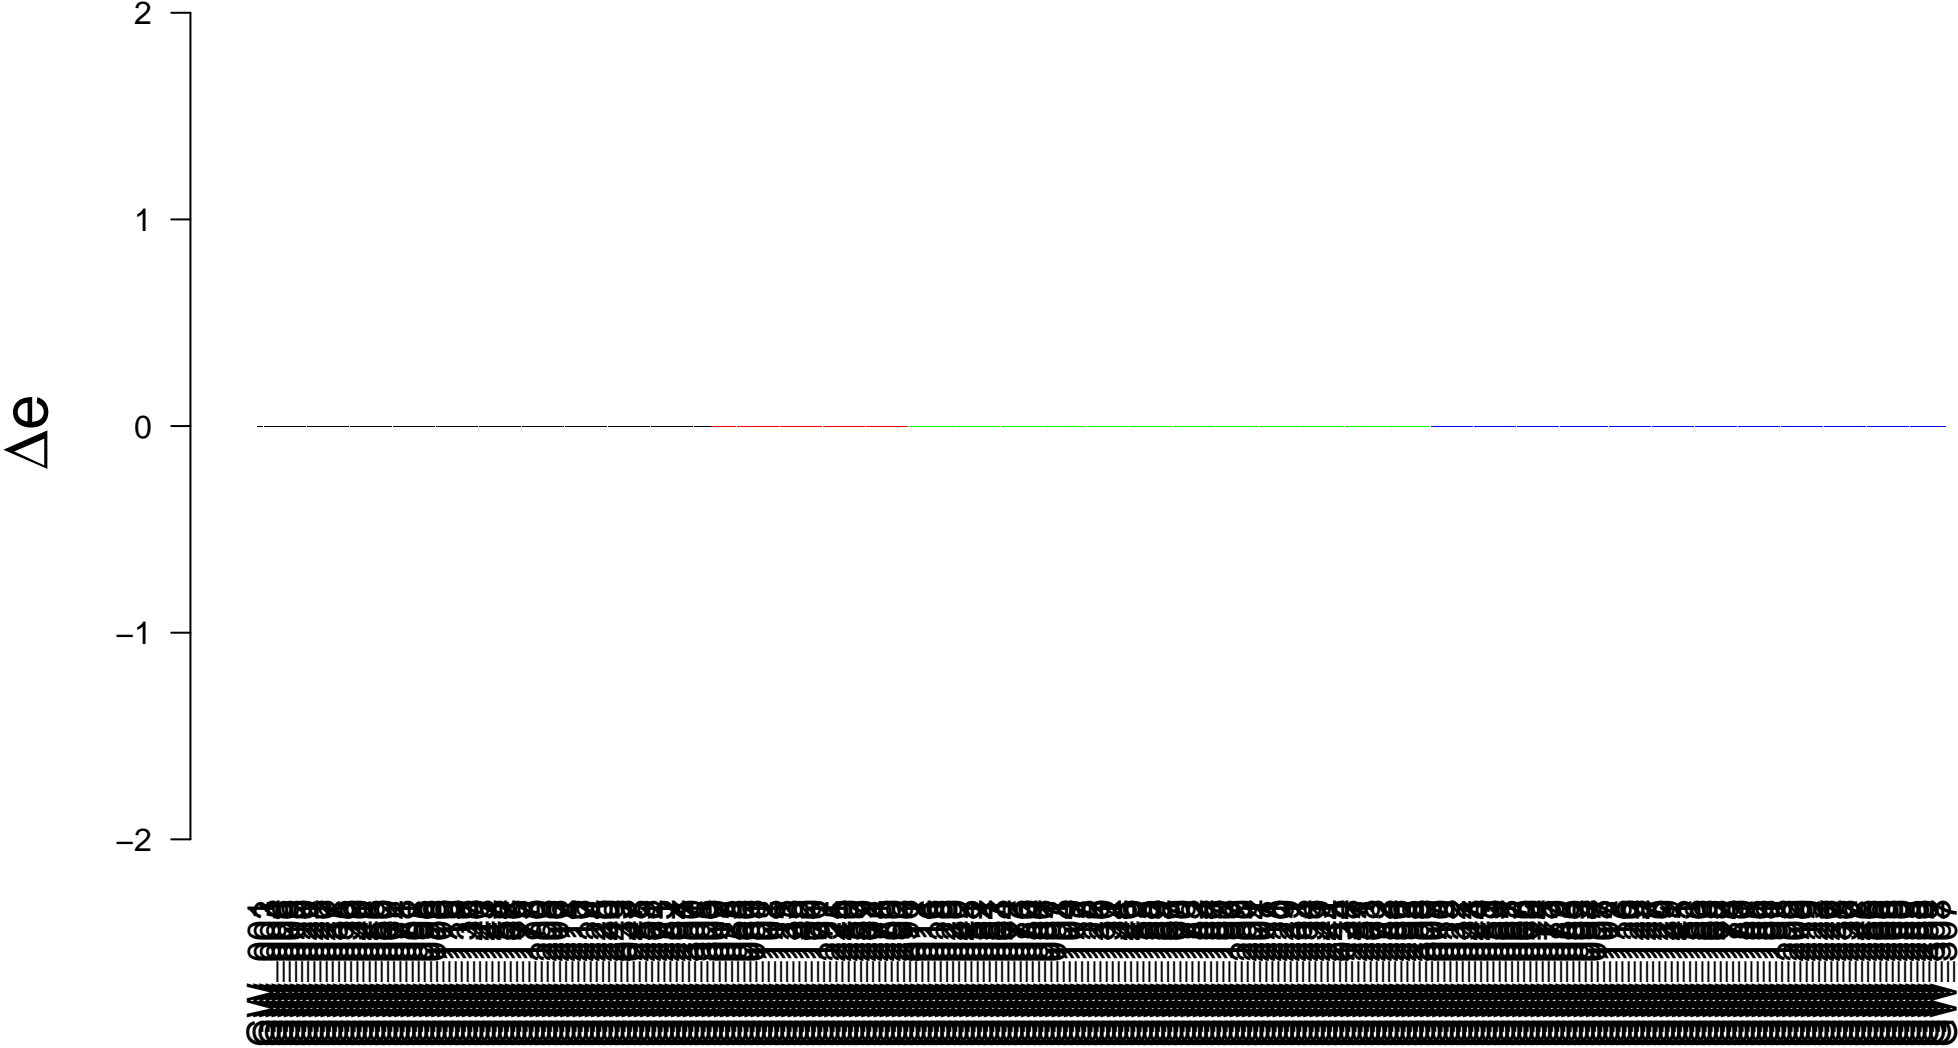

Expression of oligodendrocyte development in Spot M

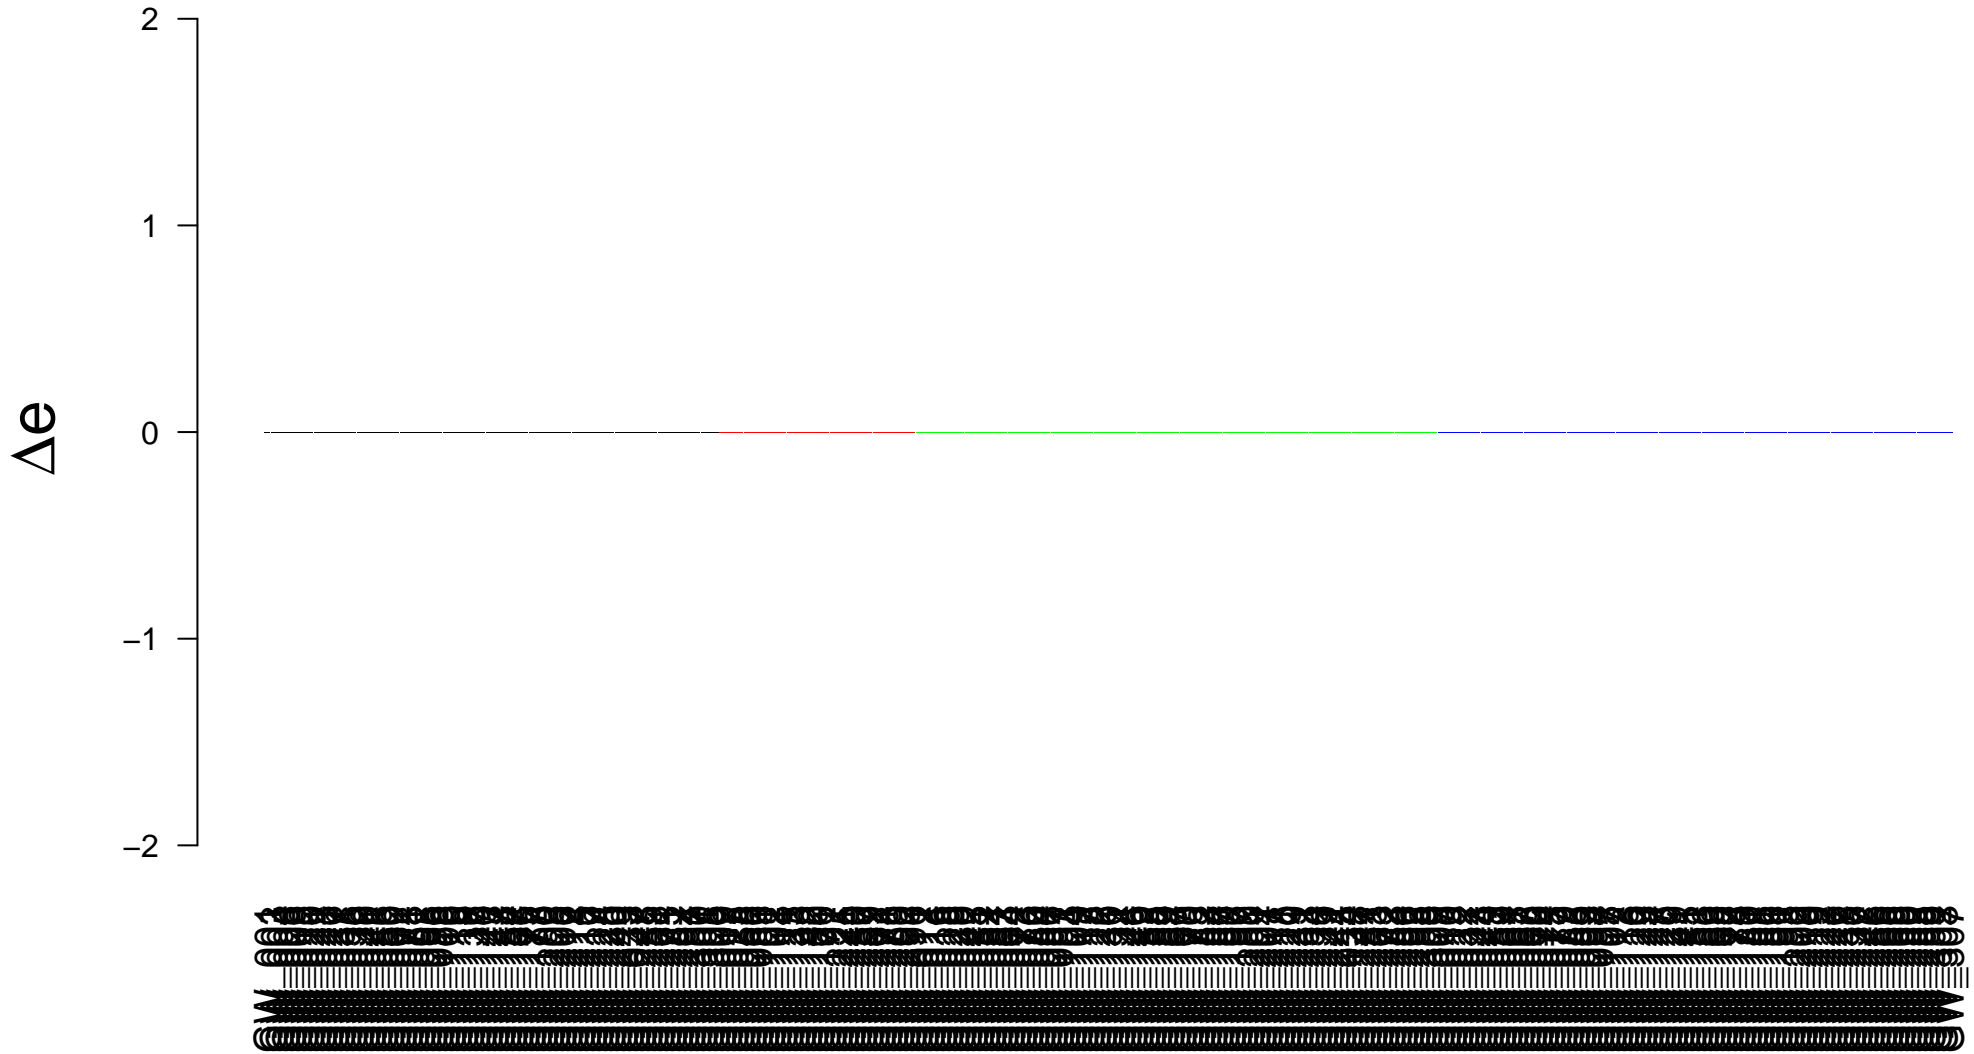

Expression of oligodendrocyte development in Spot N

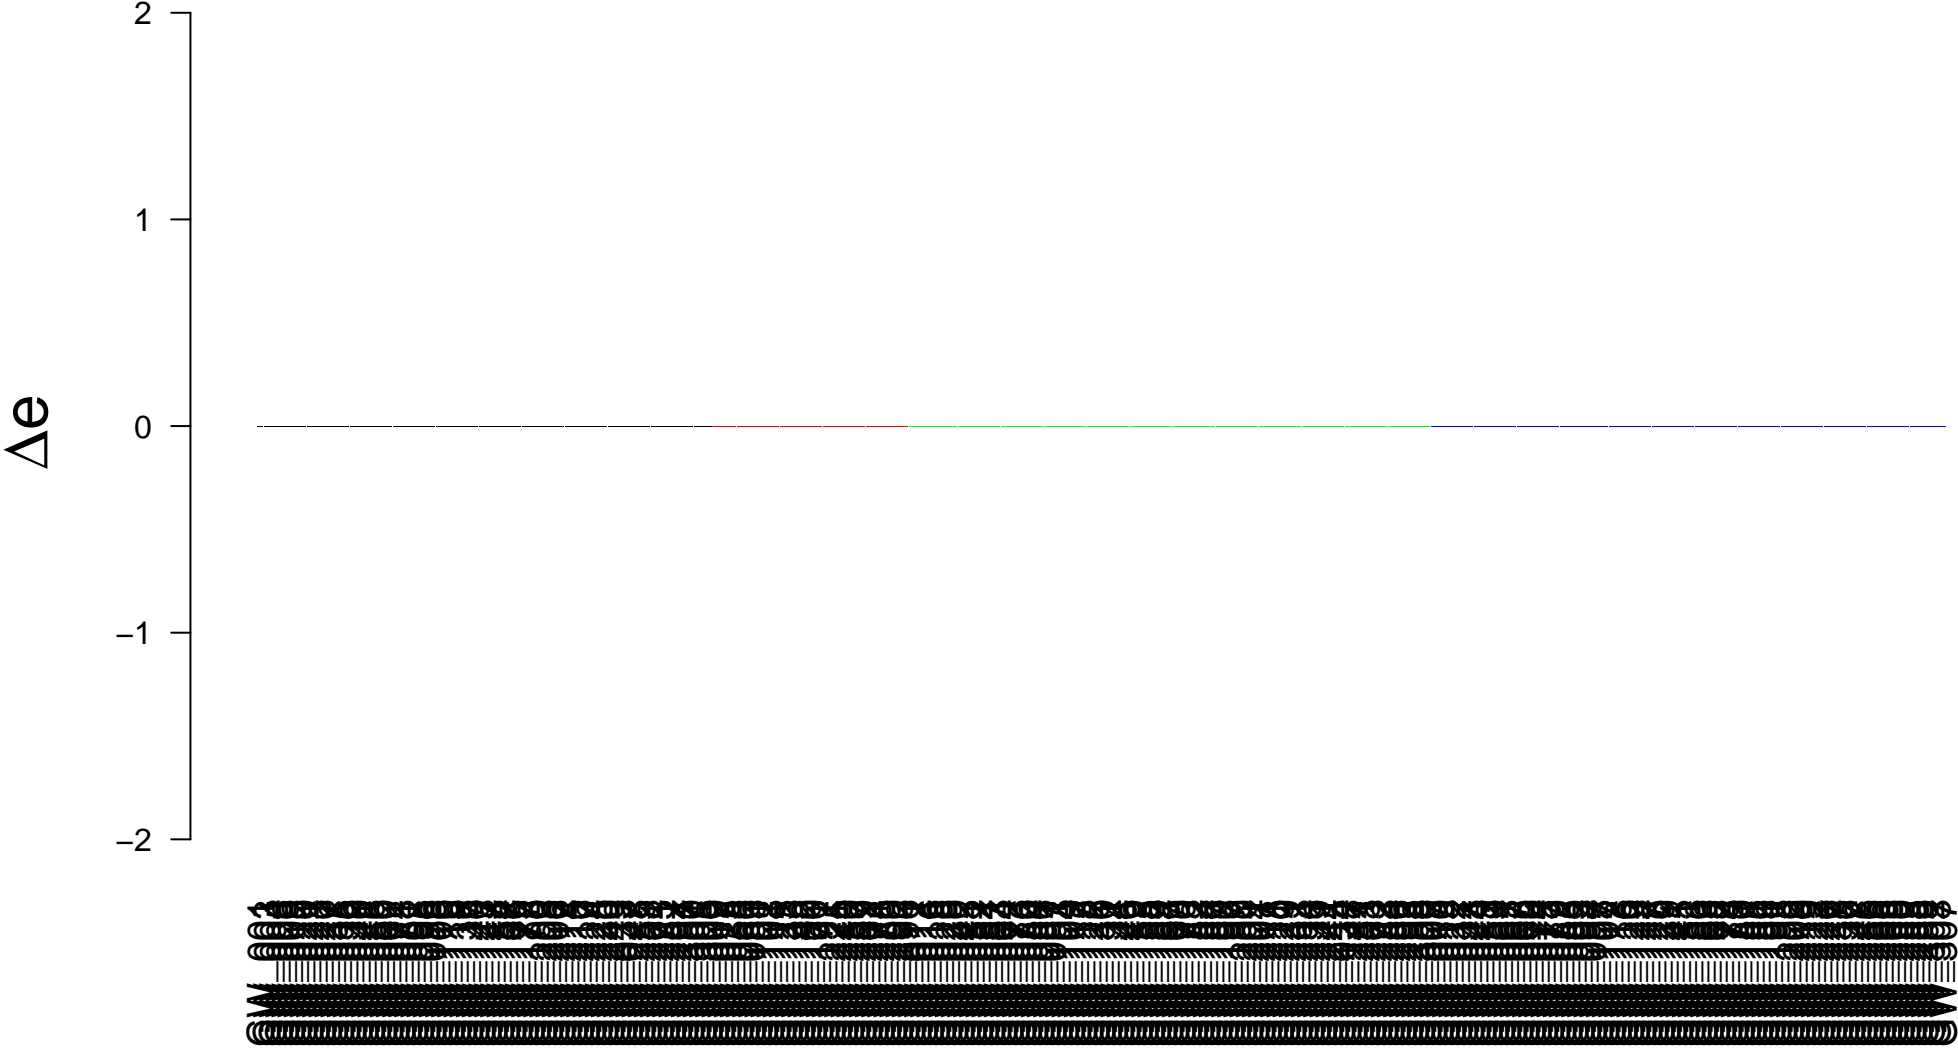

Expression of oligodendrocyte development in Spot O

Expression of oligodendrocyte development in Spot P

Expression of oligodendrocyte development in Spot Q

Expression of oligodendrocyte development in Spot R
