

omega peptidase activity

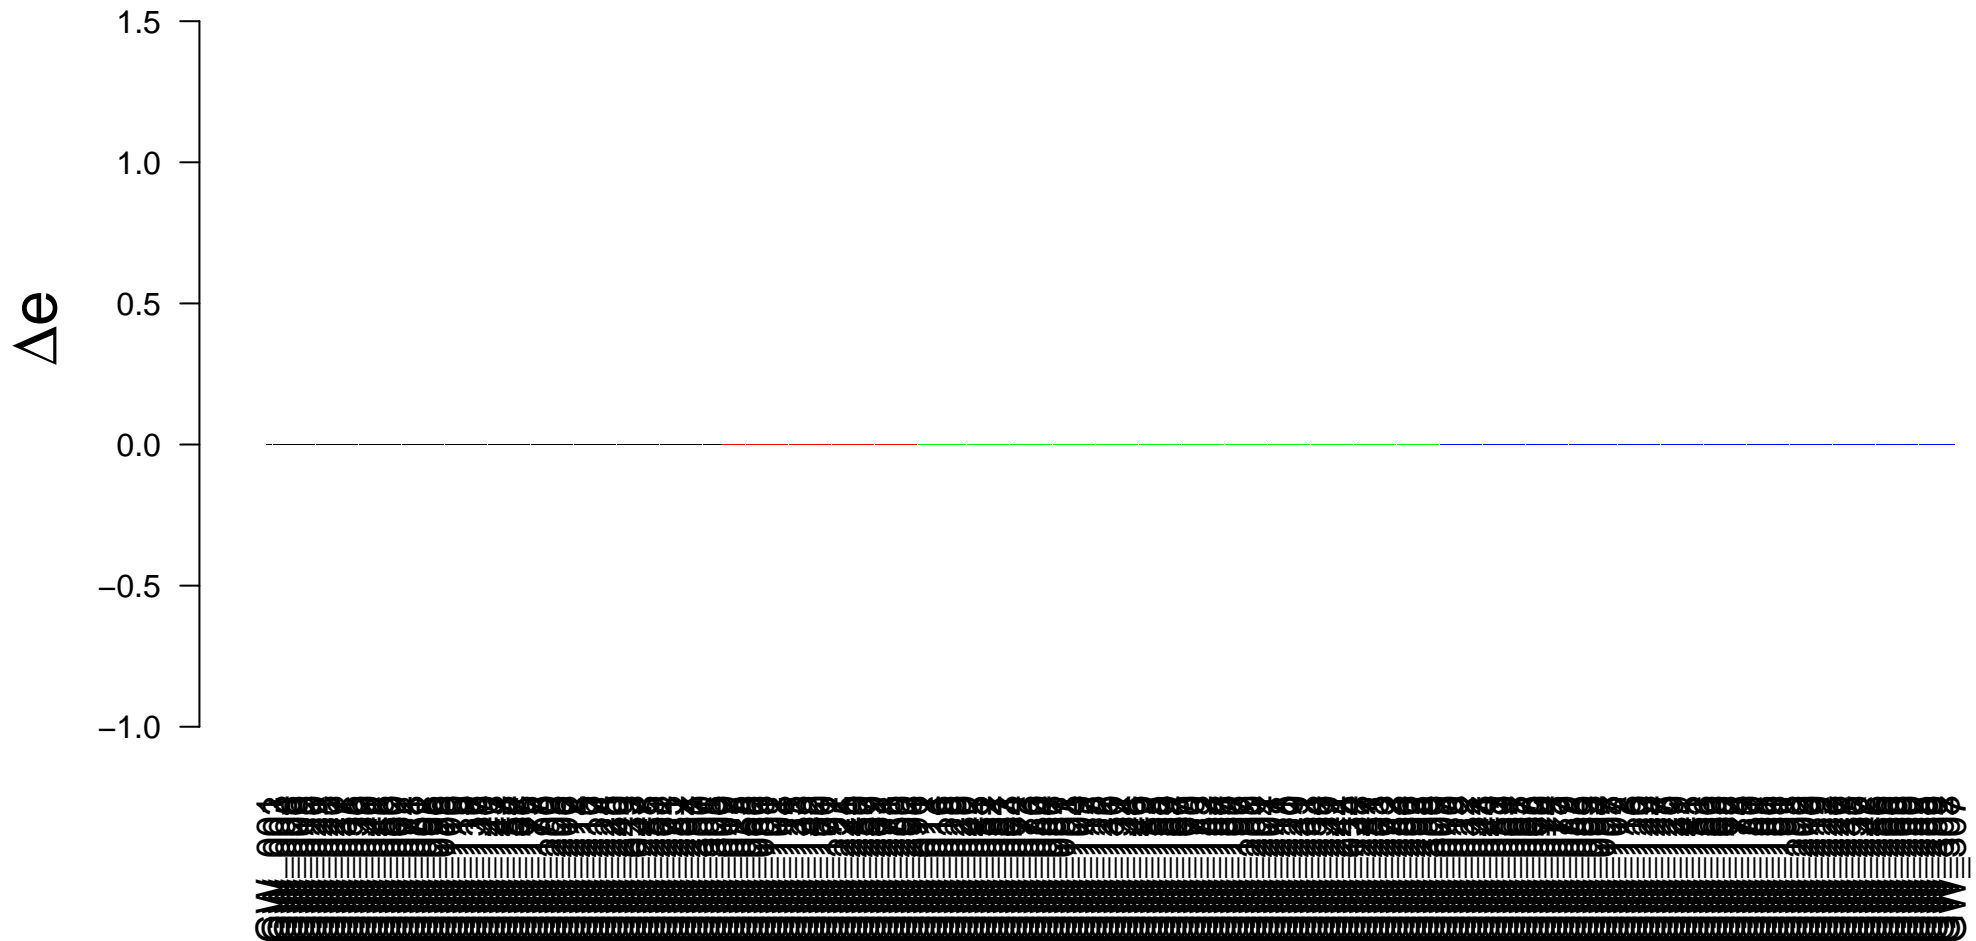

omega peptidase activity

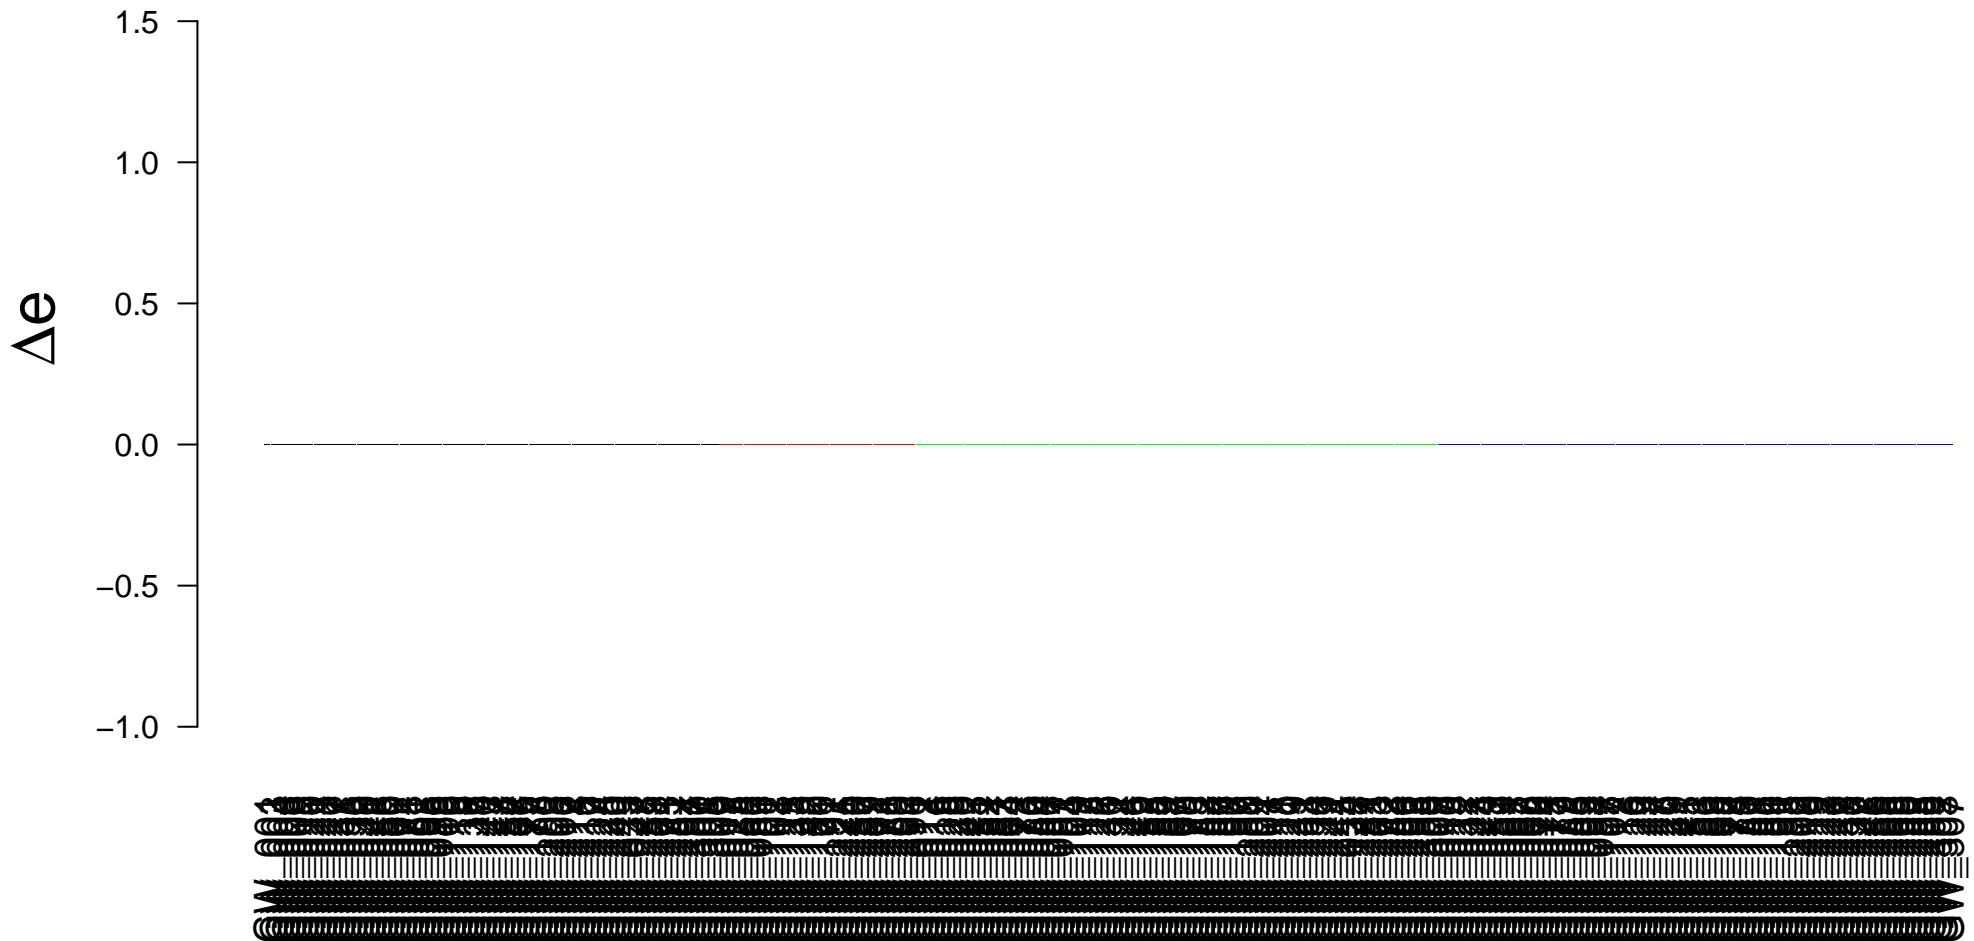

Enrichment in spots: omega peptidase activity

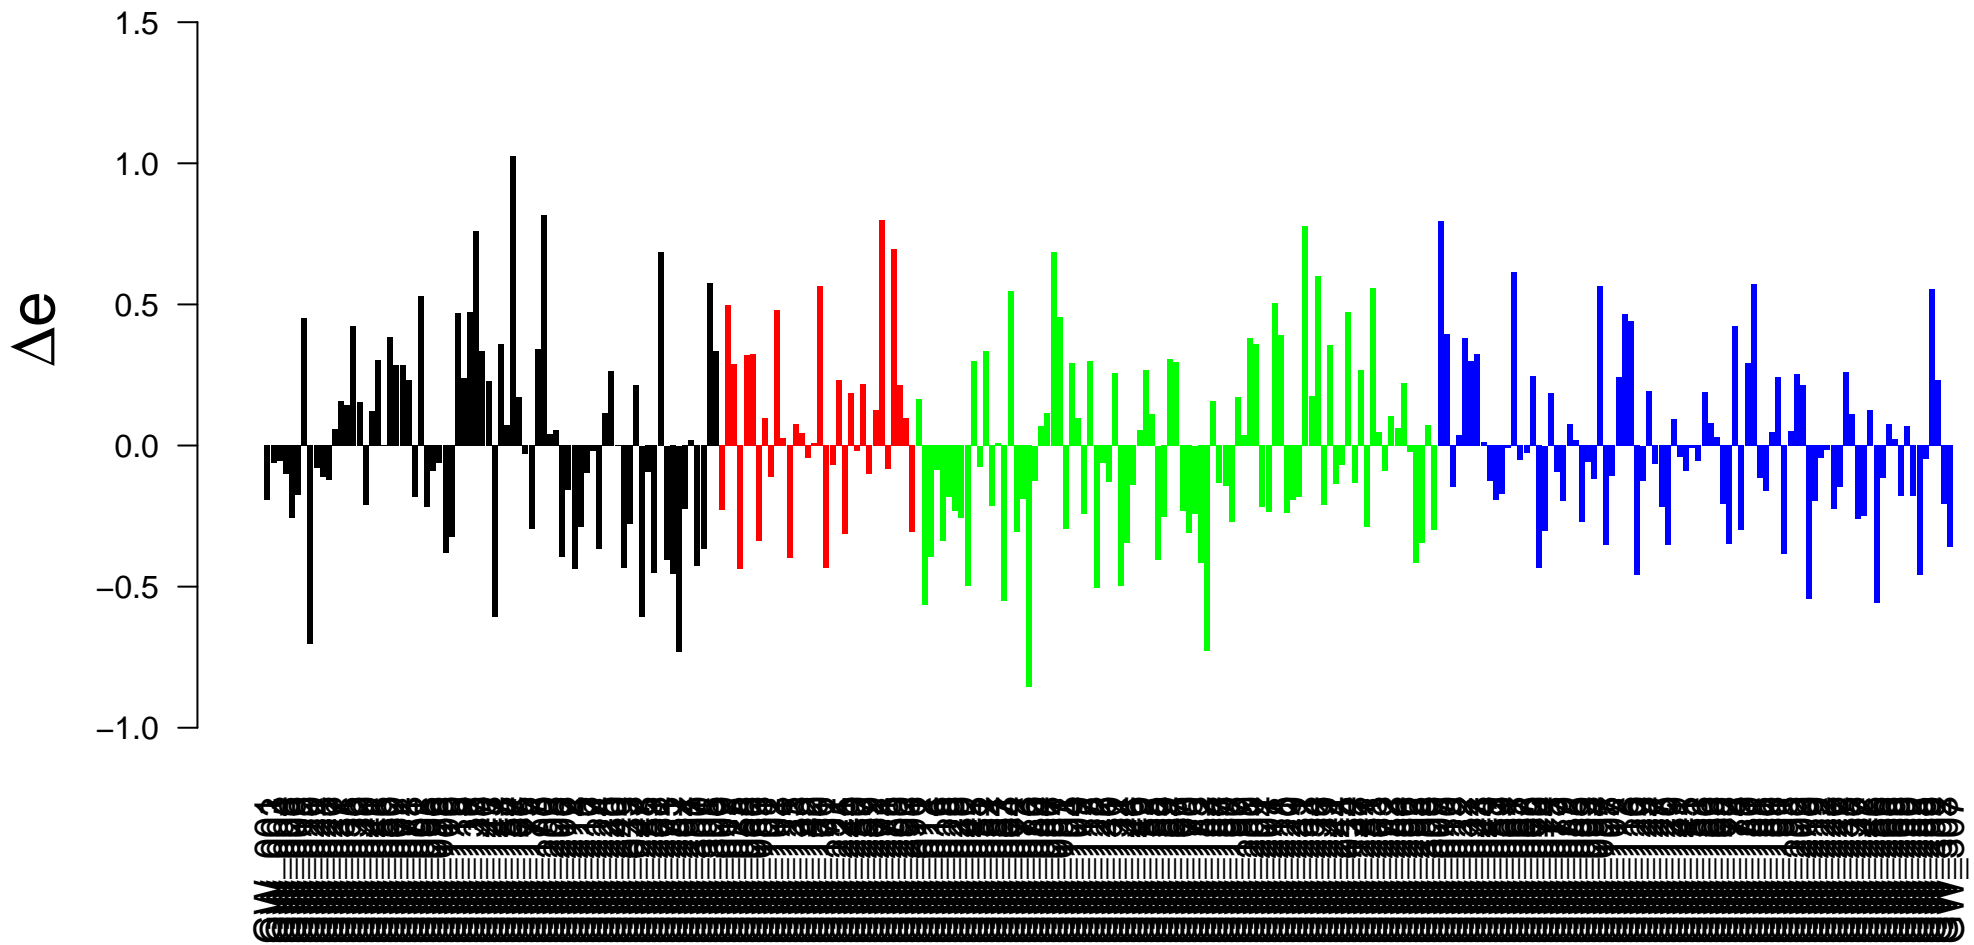

Expression of omega peptidase activity in Spot A

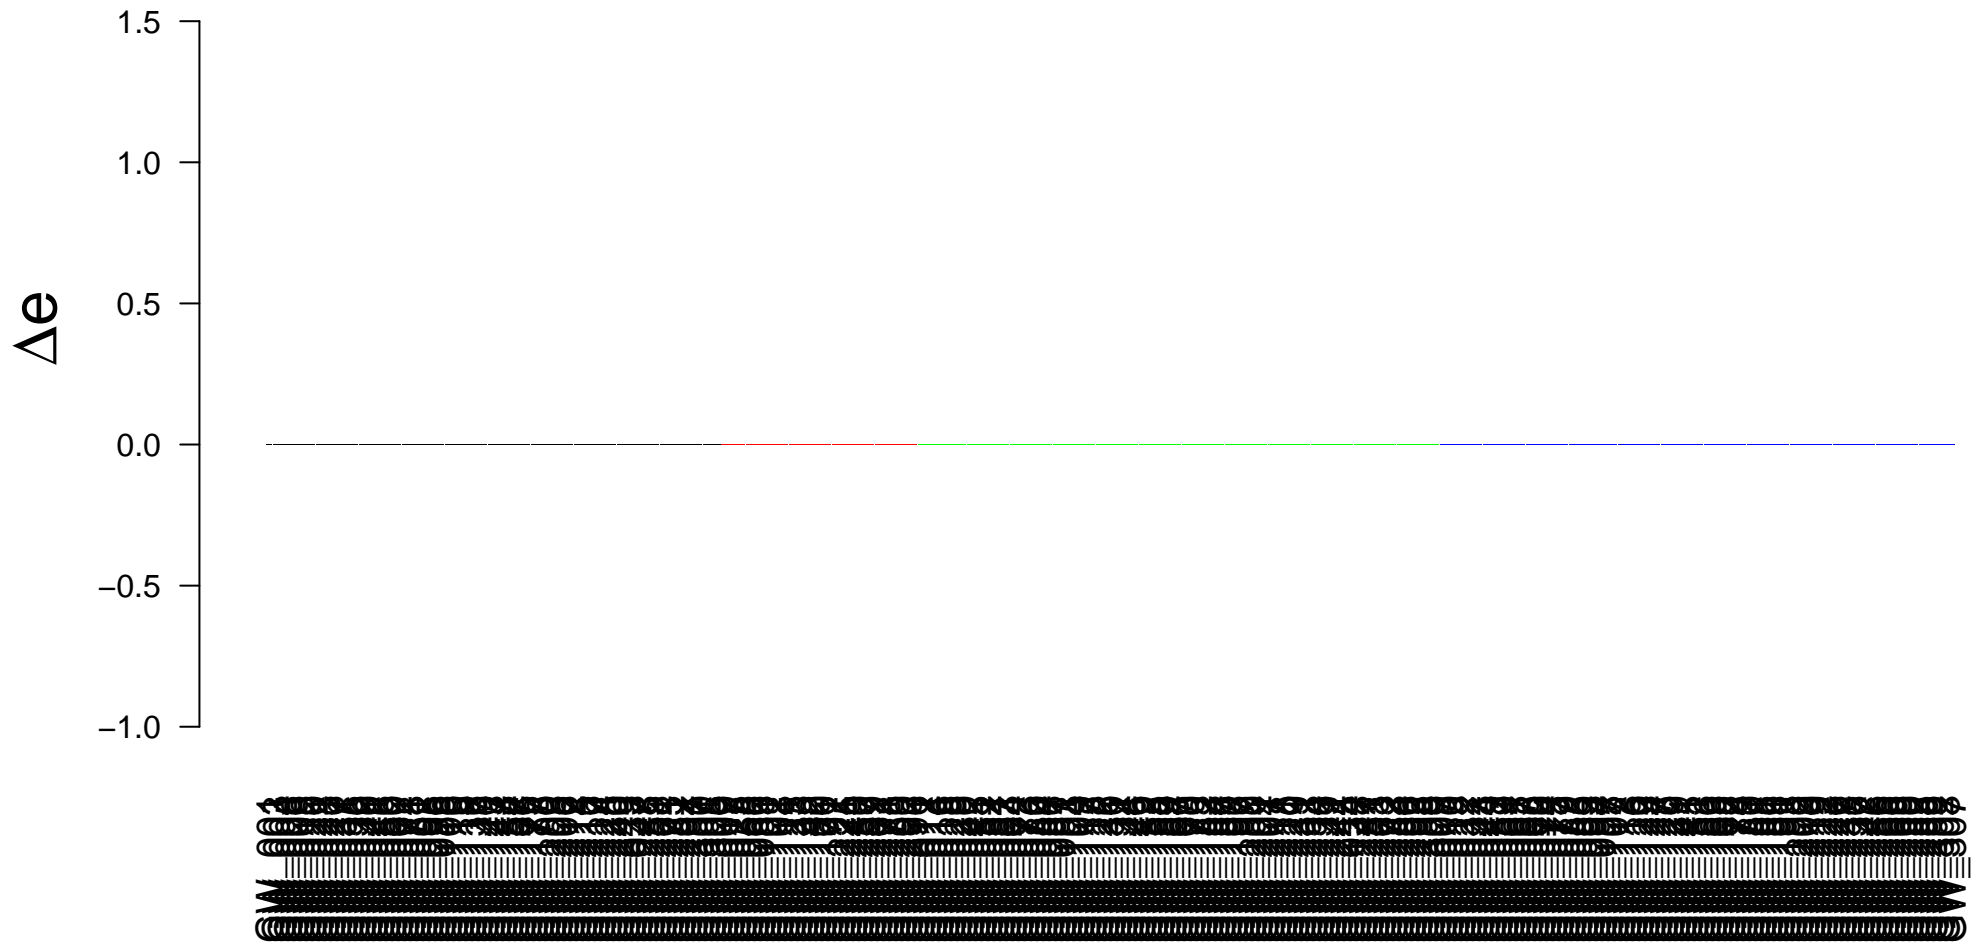

Expression of omega peptidase activity in Spot B

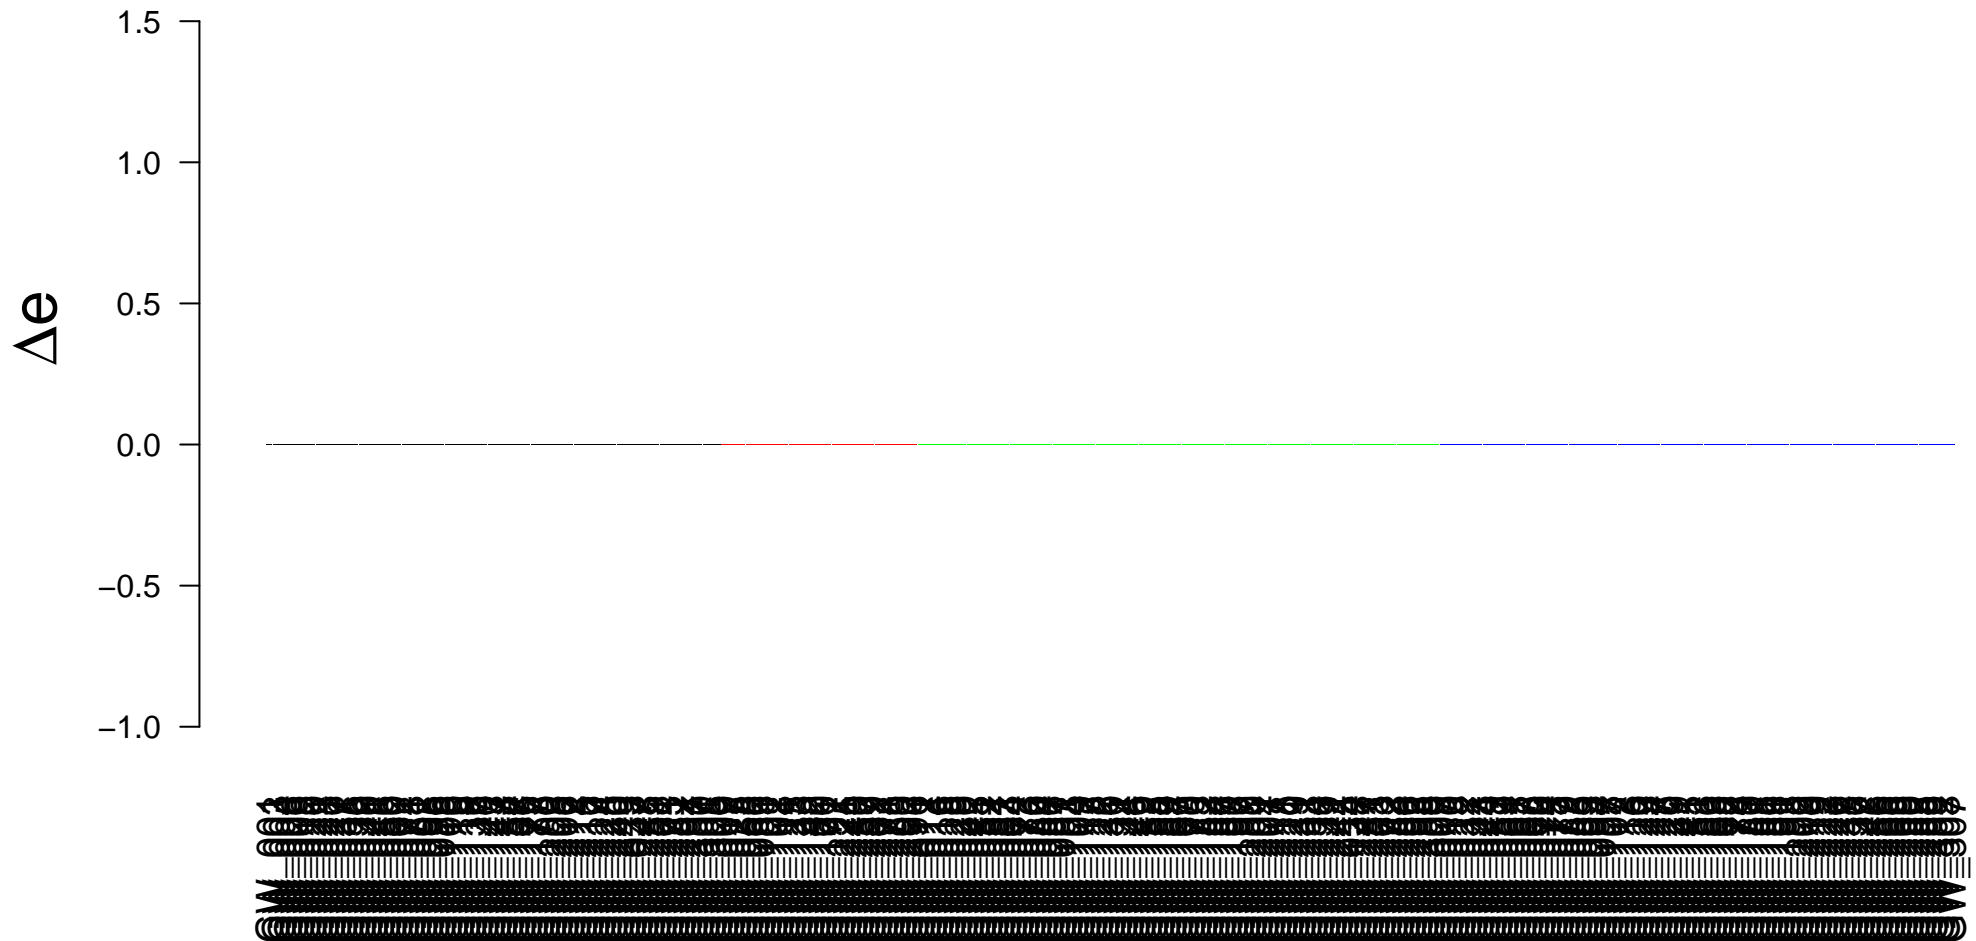

Expression of omega peptidase activity in Spot C

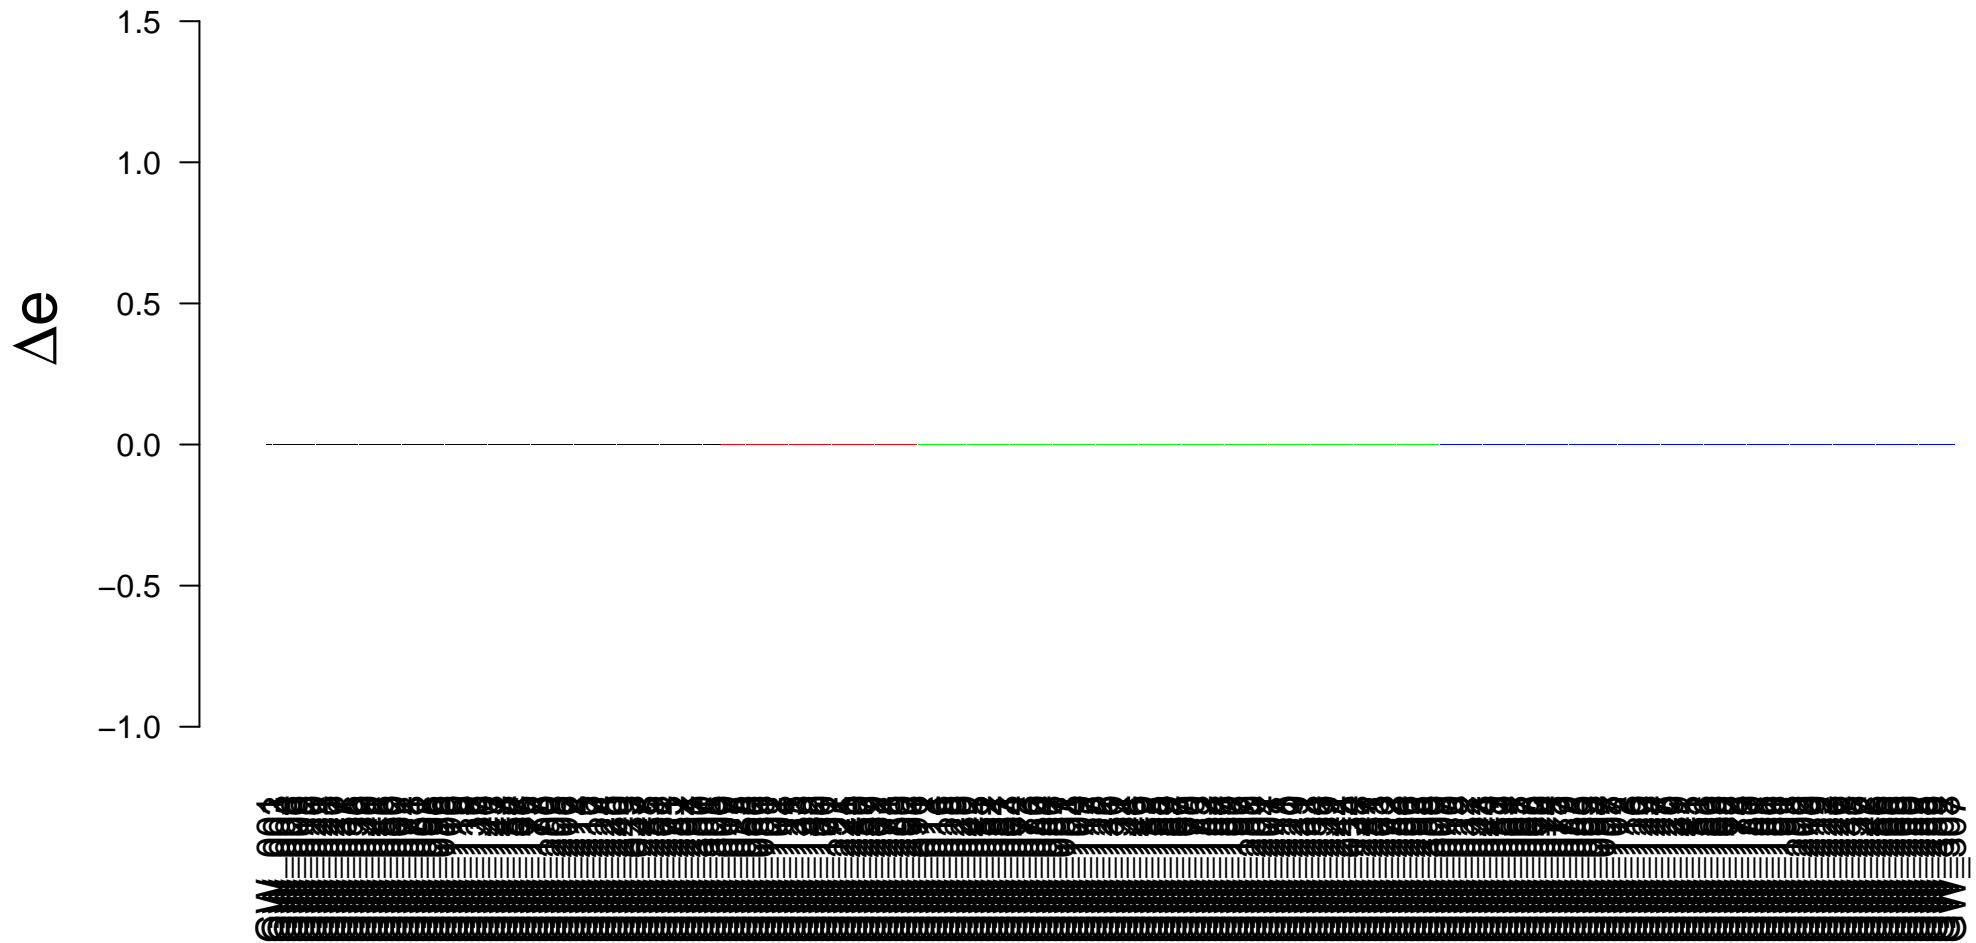

Expression of omega peptidase activity in Spot D

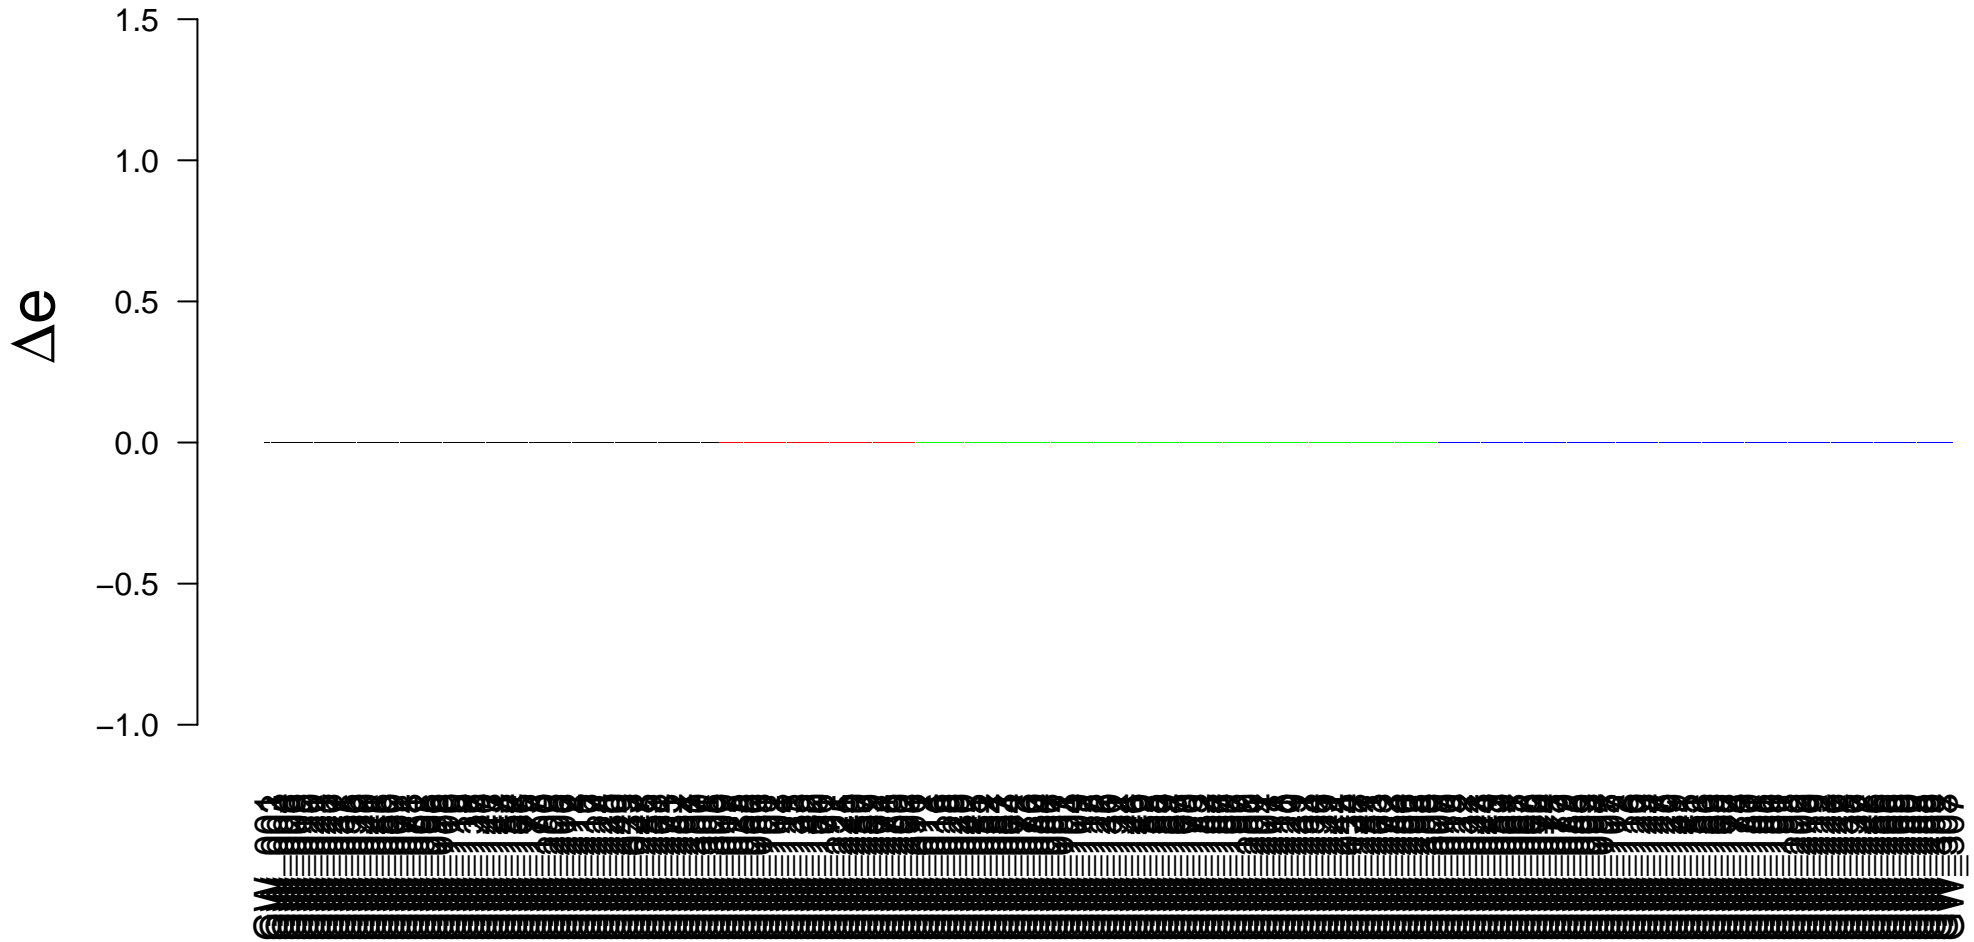

Expression of omega peptidase activity in Spot E

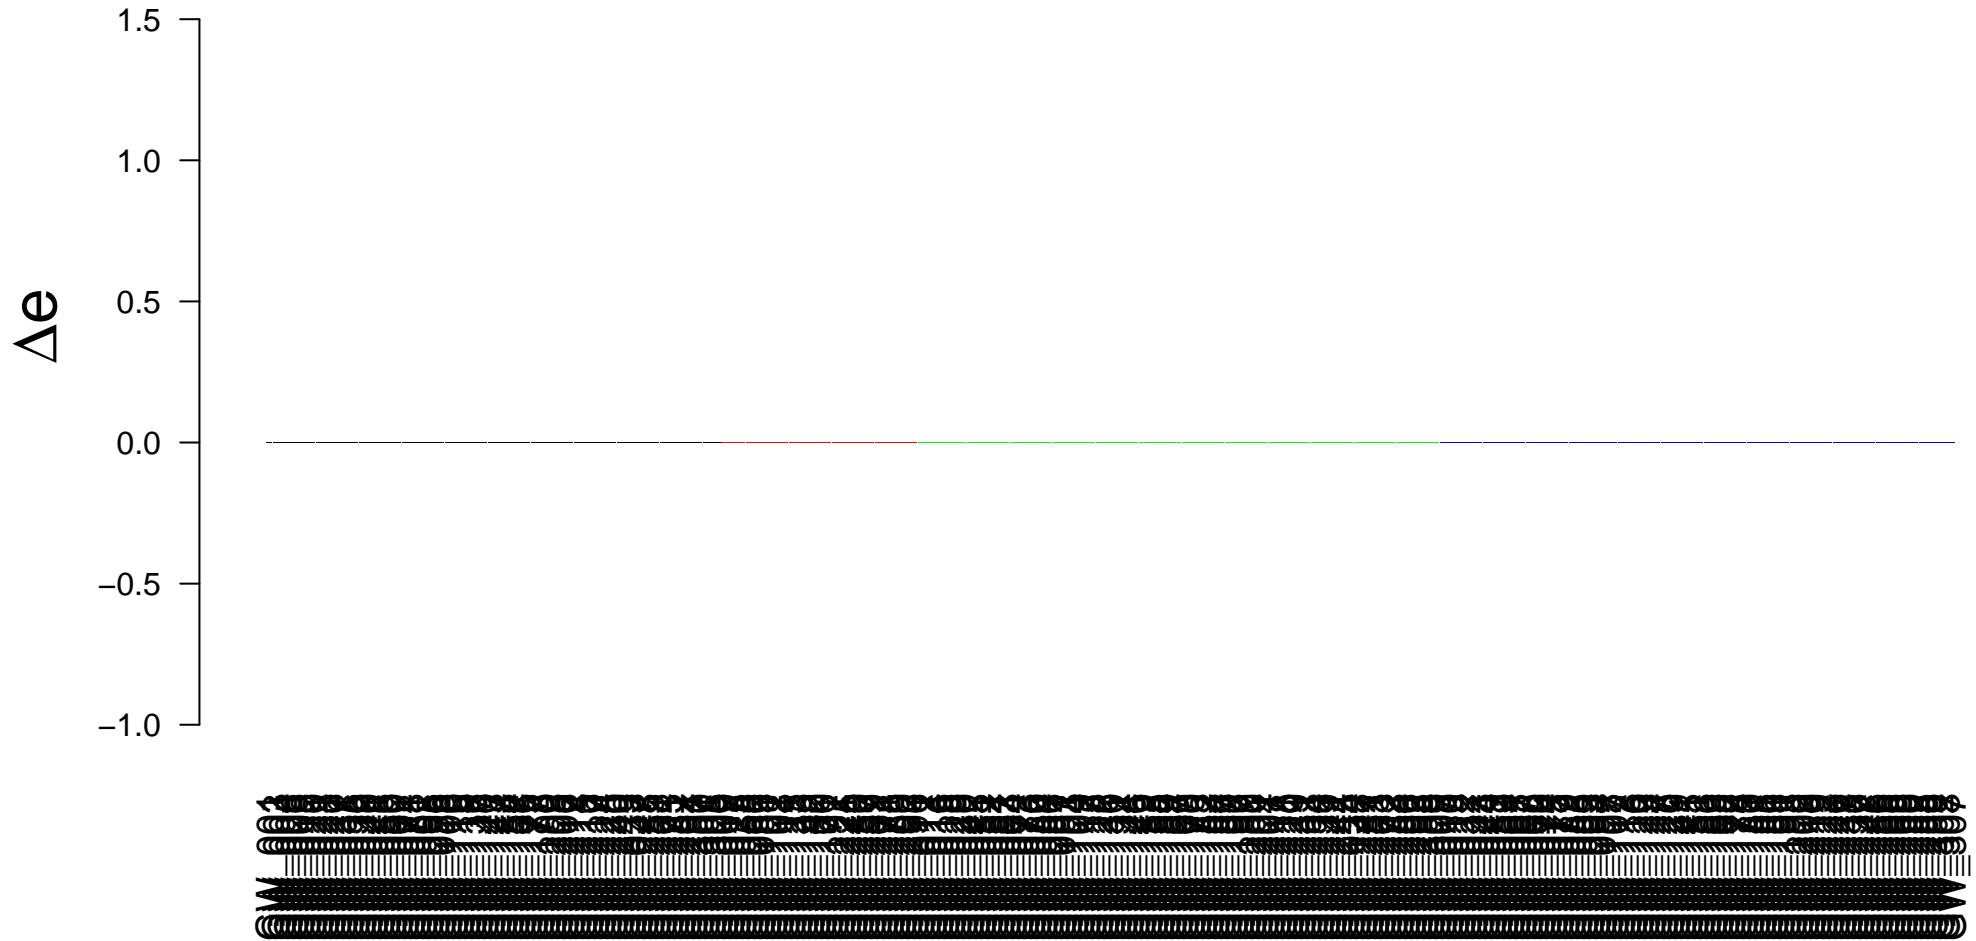

Expression of omega peptidase activity in Spot F

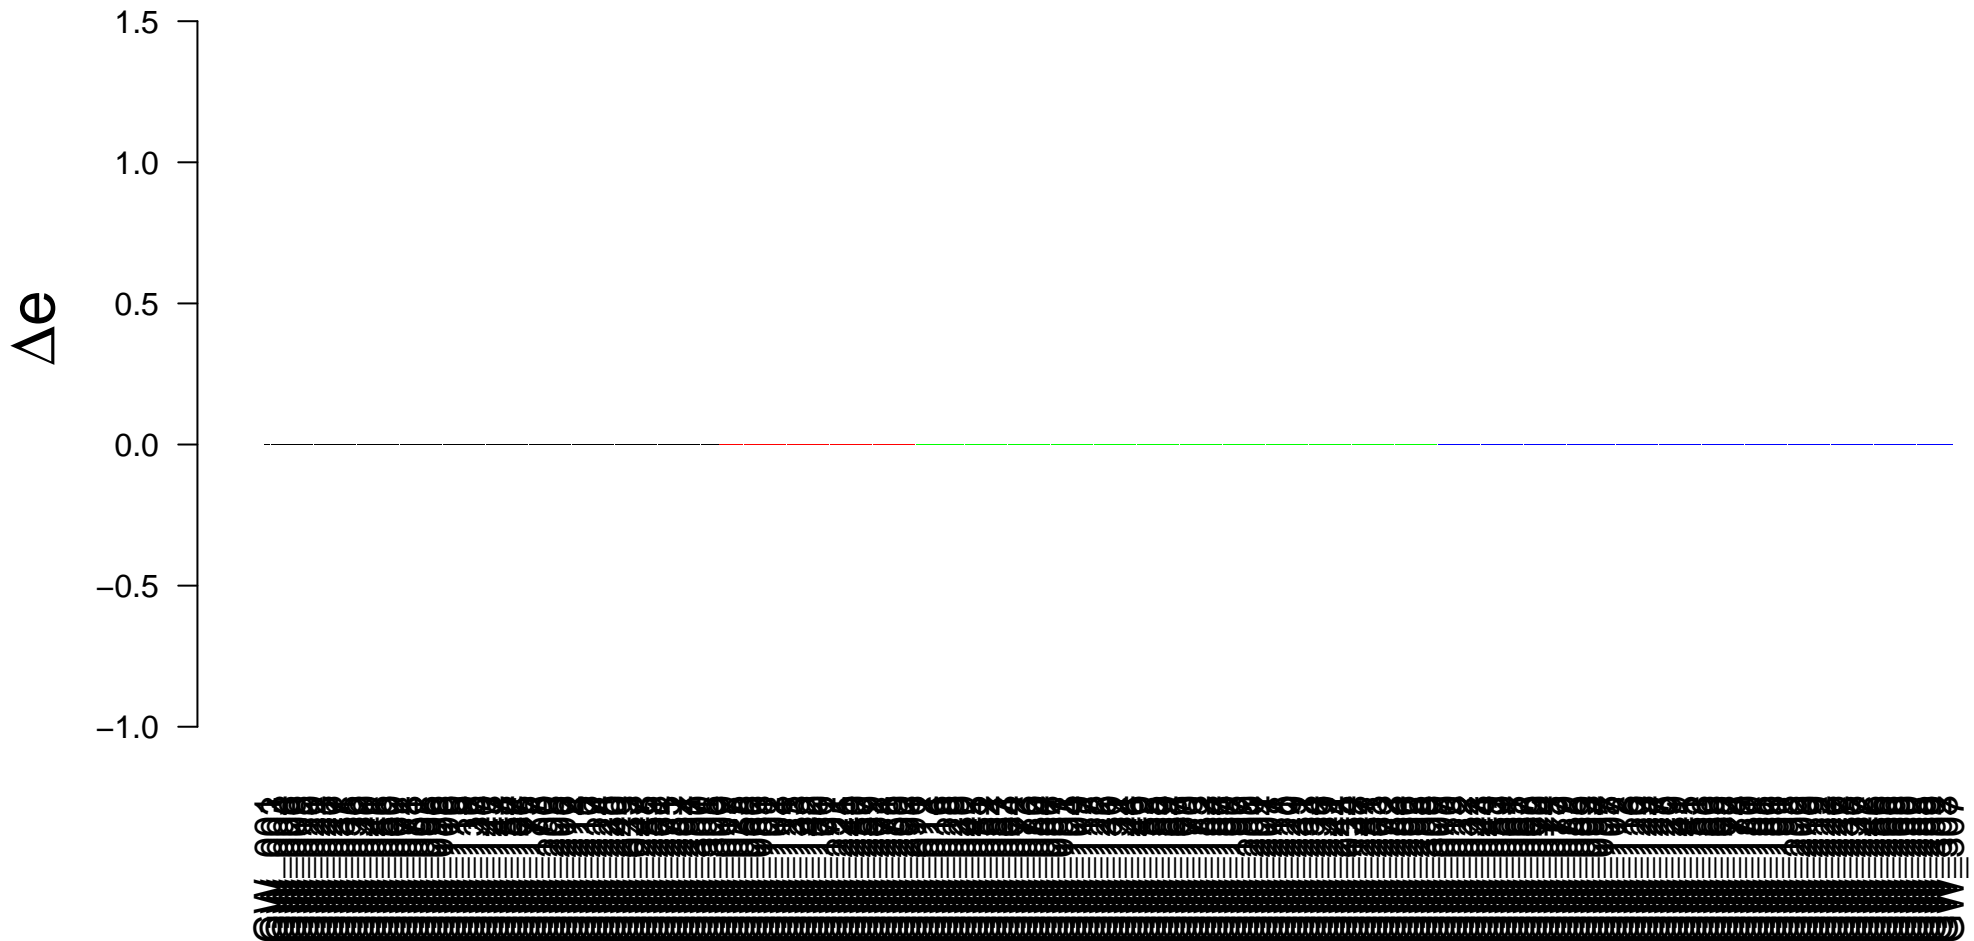

Expression of omega peptidase activity in Spot G

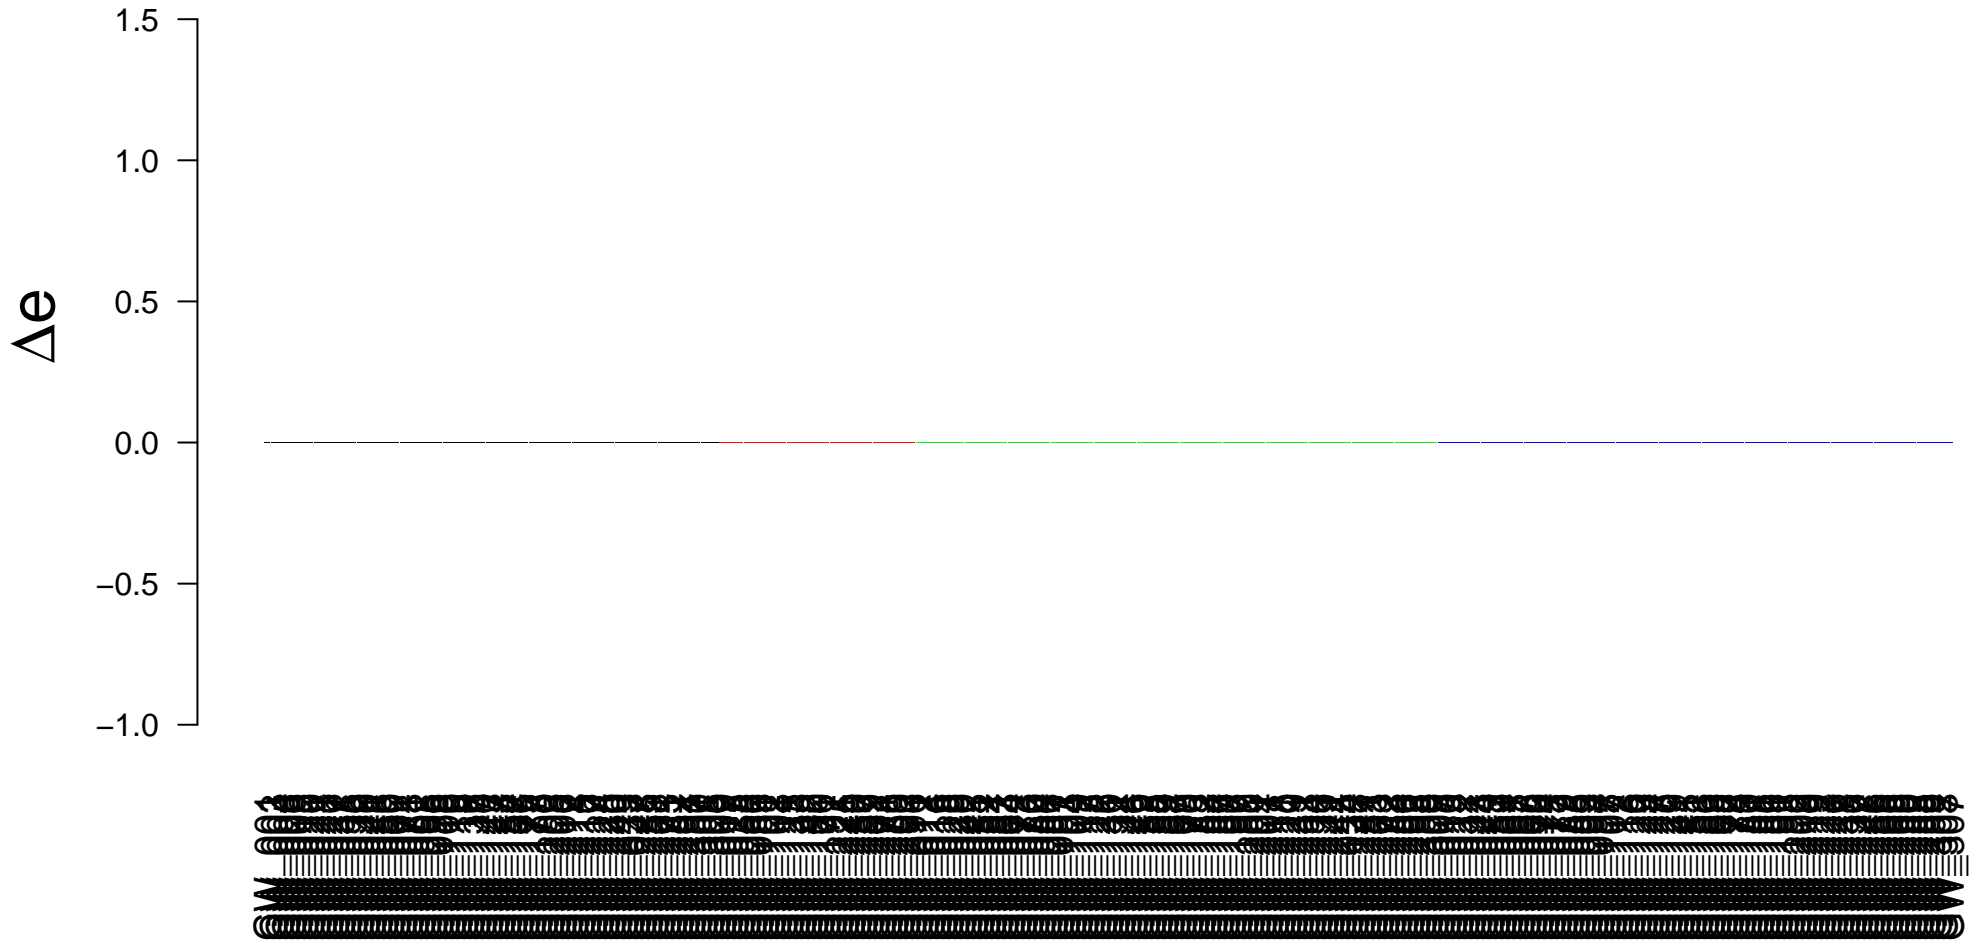

Expression of omega peptidase activity in Spot H

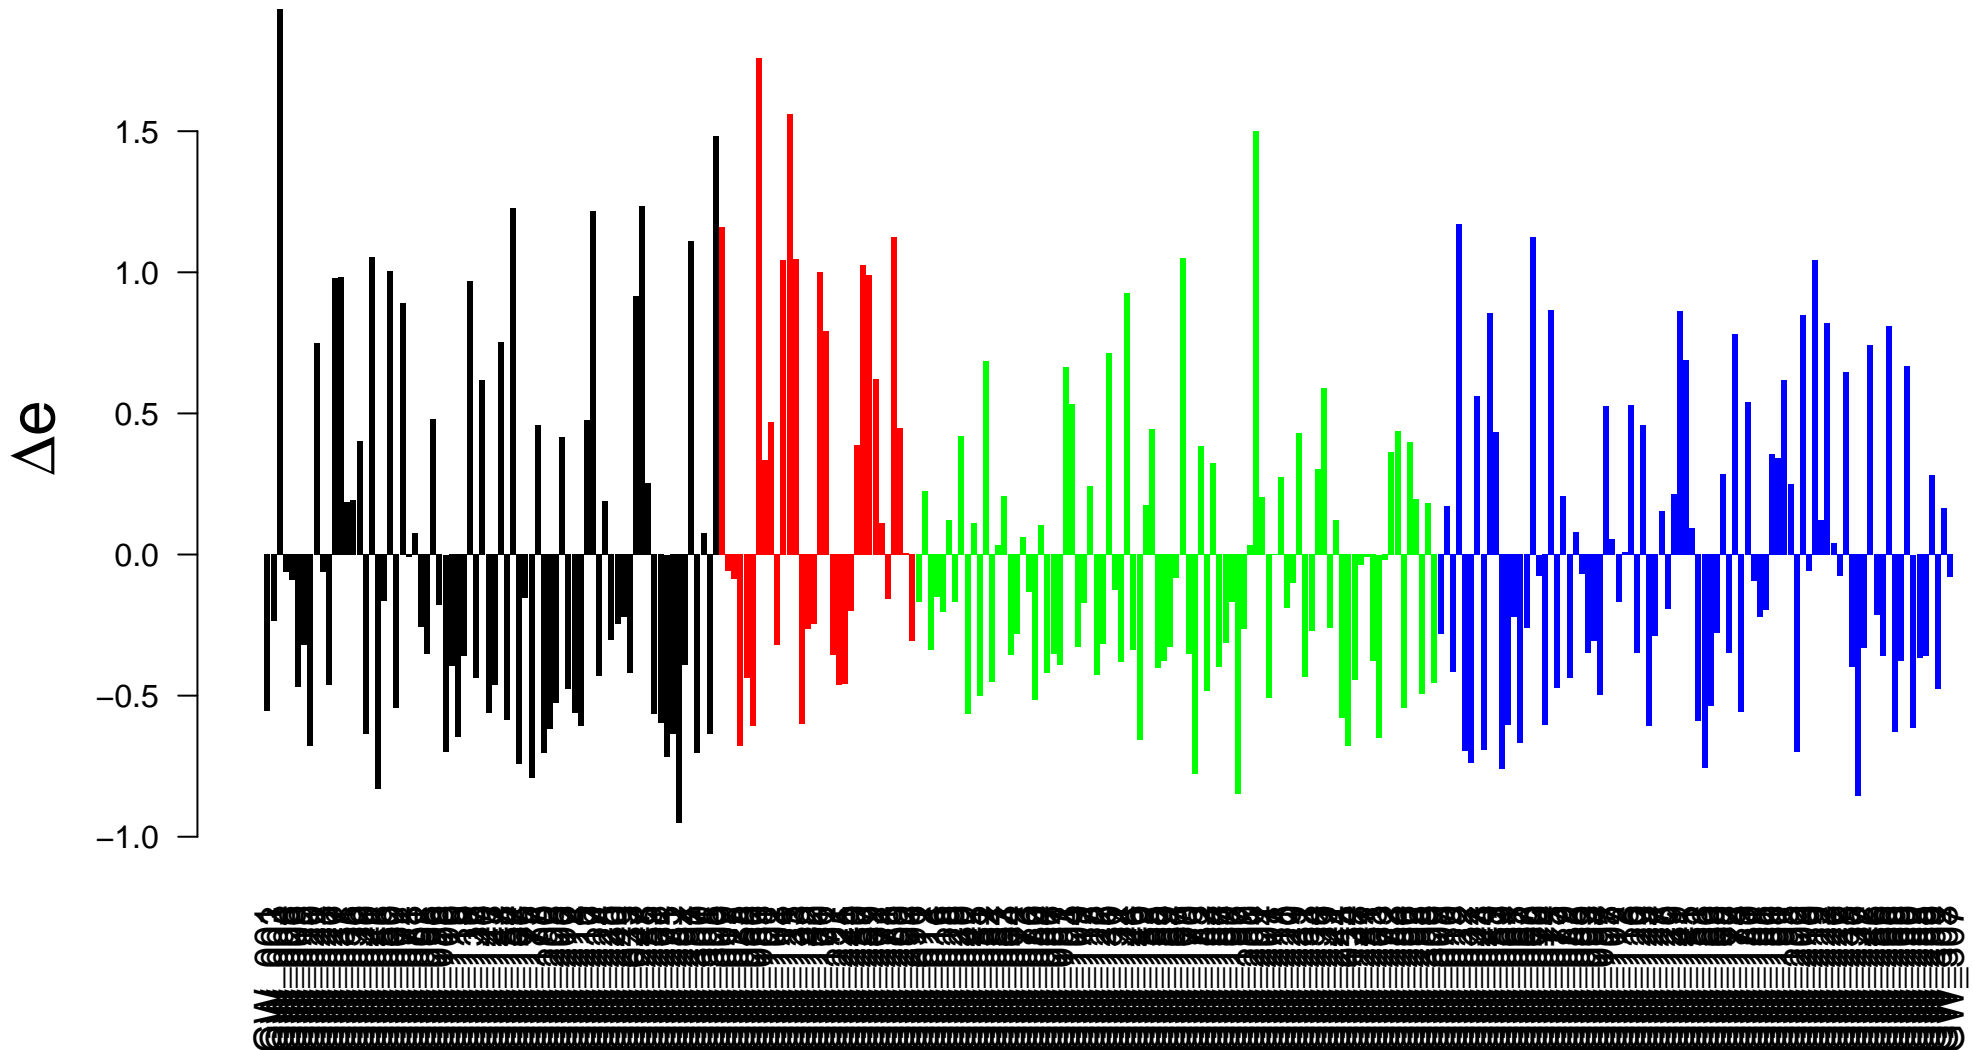

Expression of omega peptidase activity in Spot I

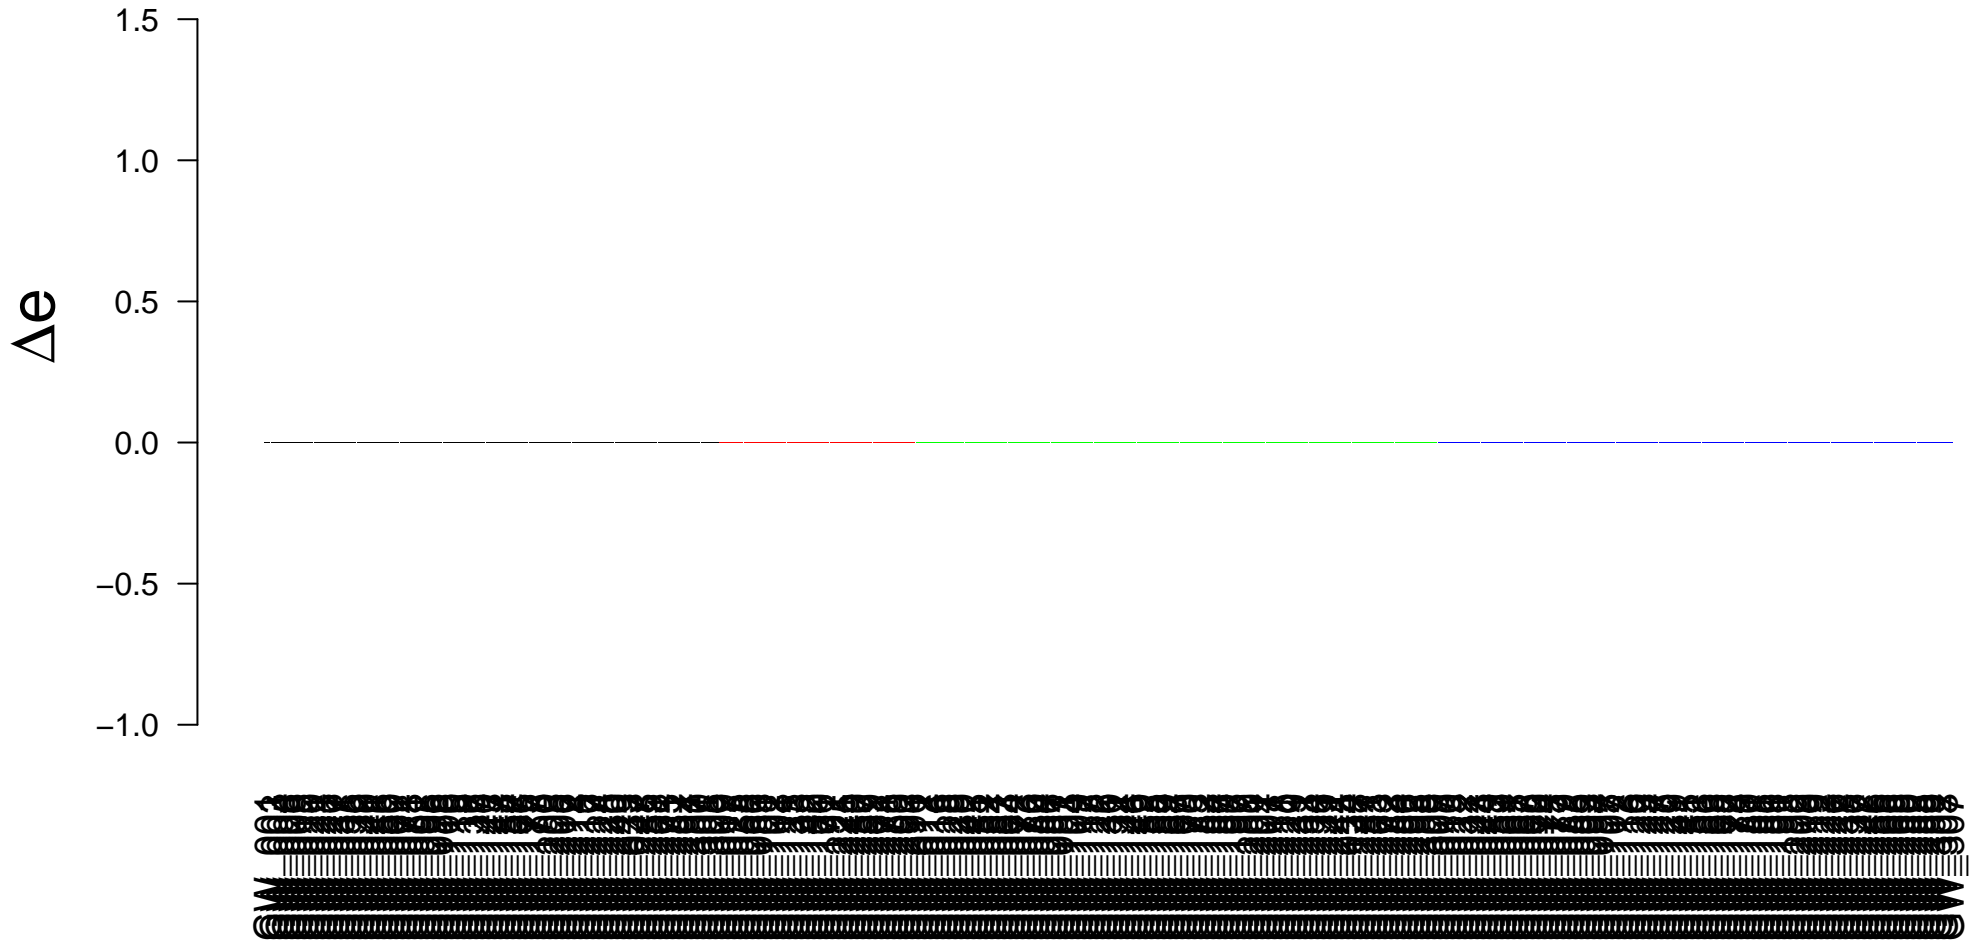

Expression of omega peptidase activity in Spot J

Expression of omega peptidase activity in Spot K

Expression of omega peptidase activity in Spot L

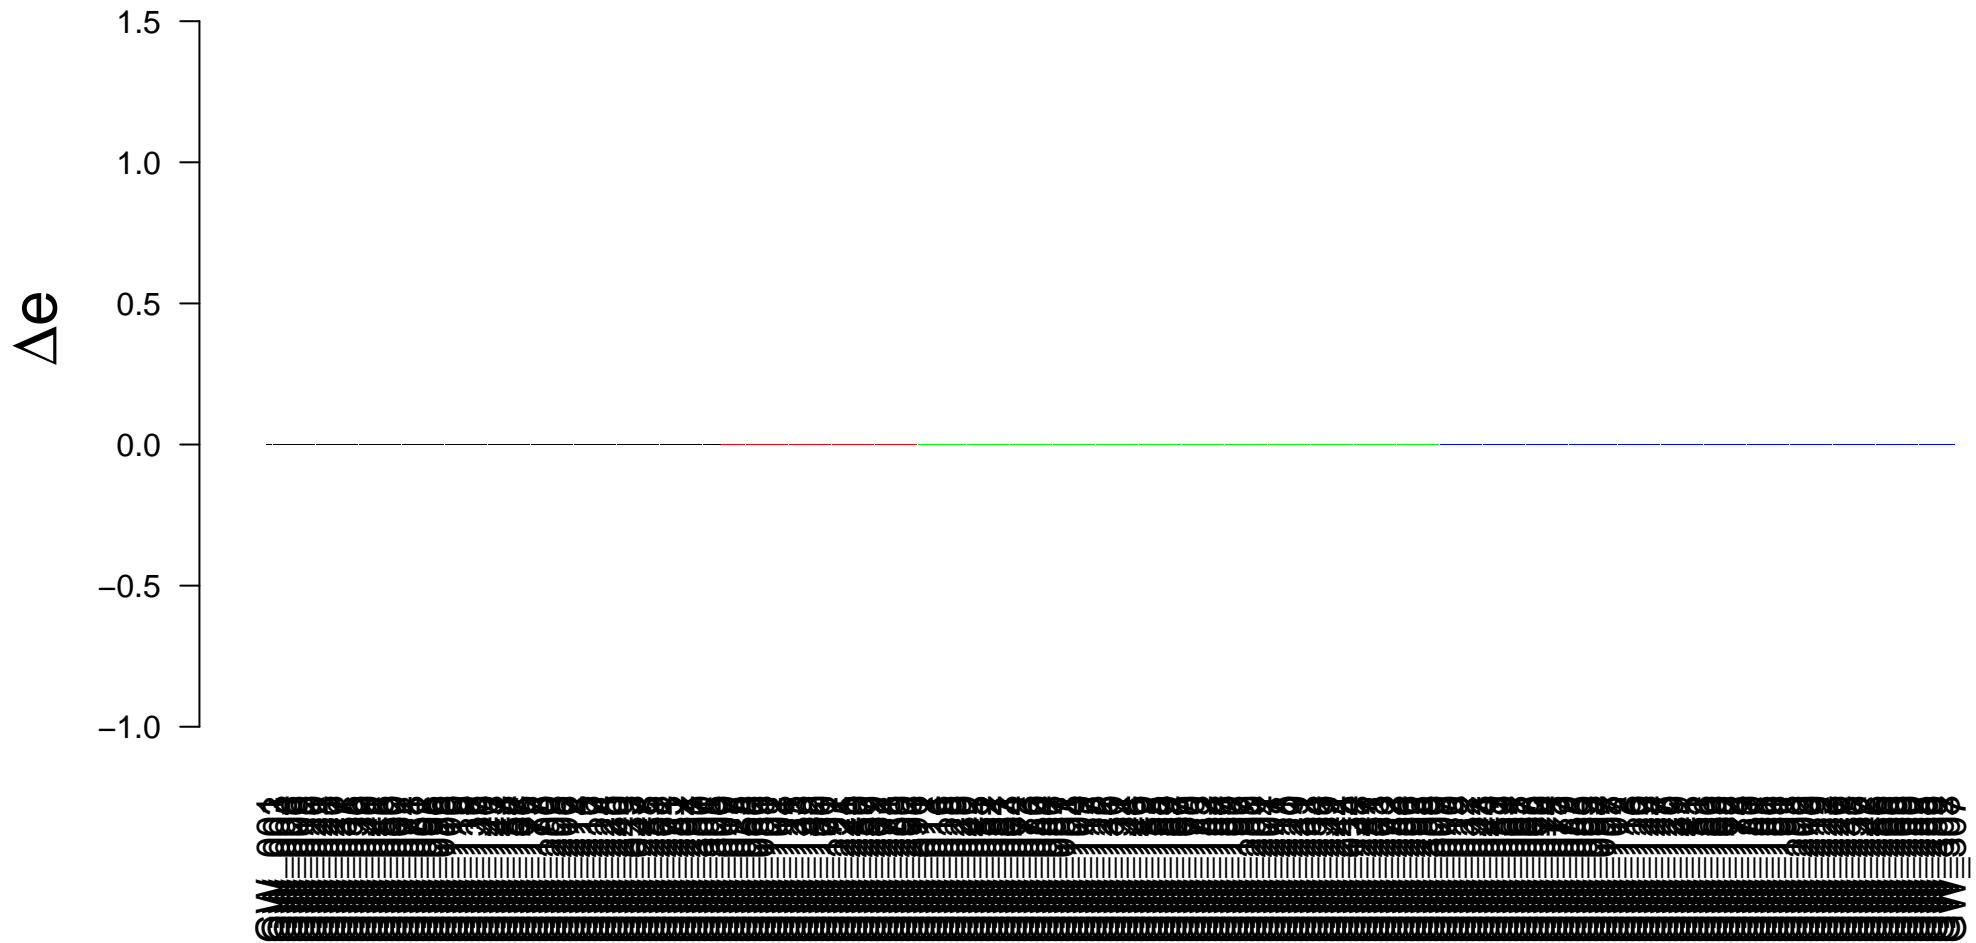

Expression of omega peptidase activity in Spot M
