

organ development

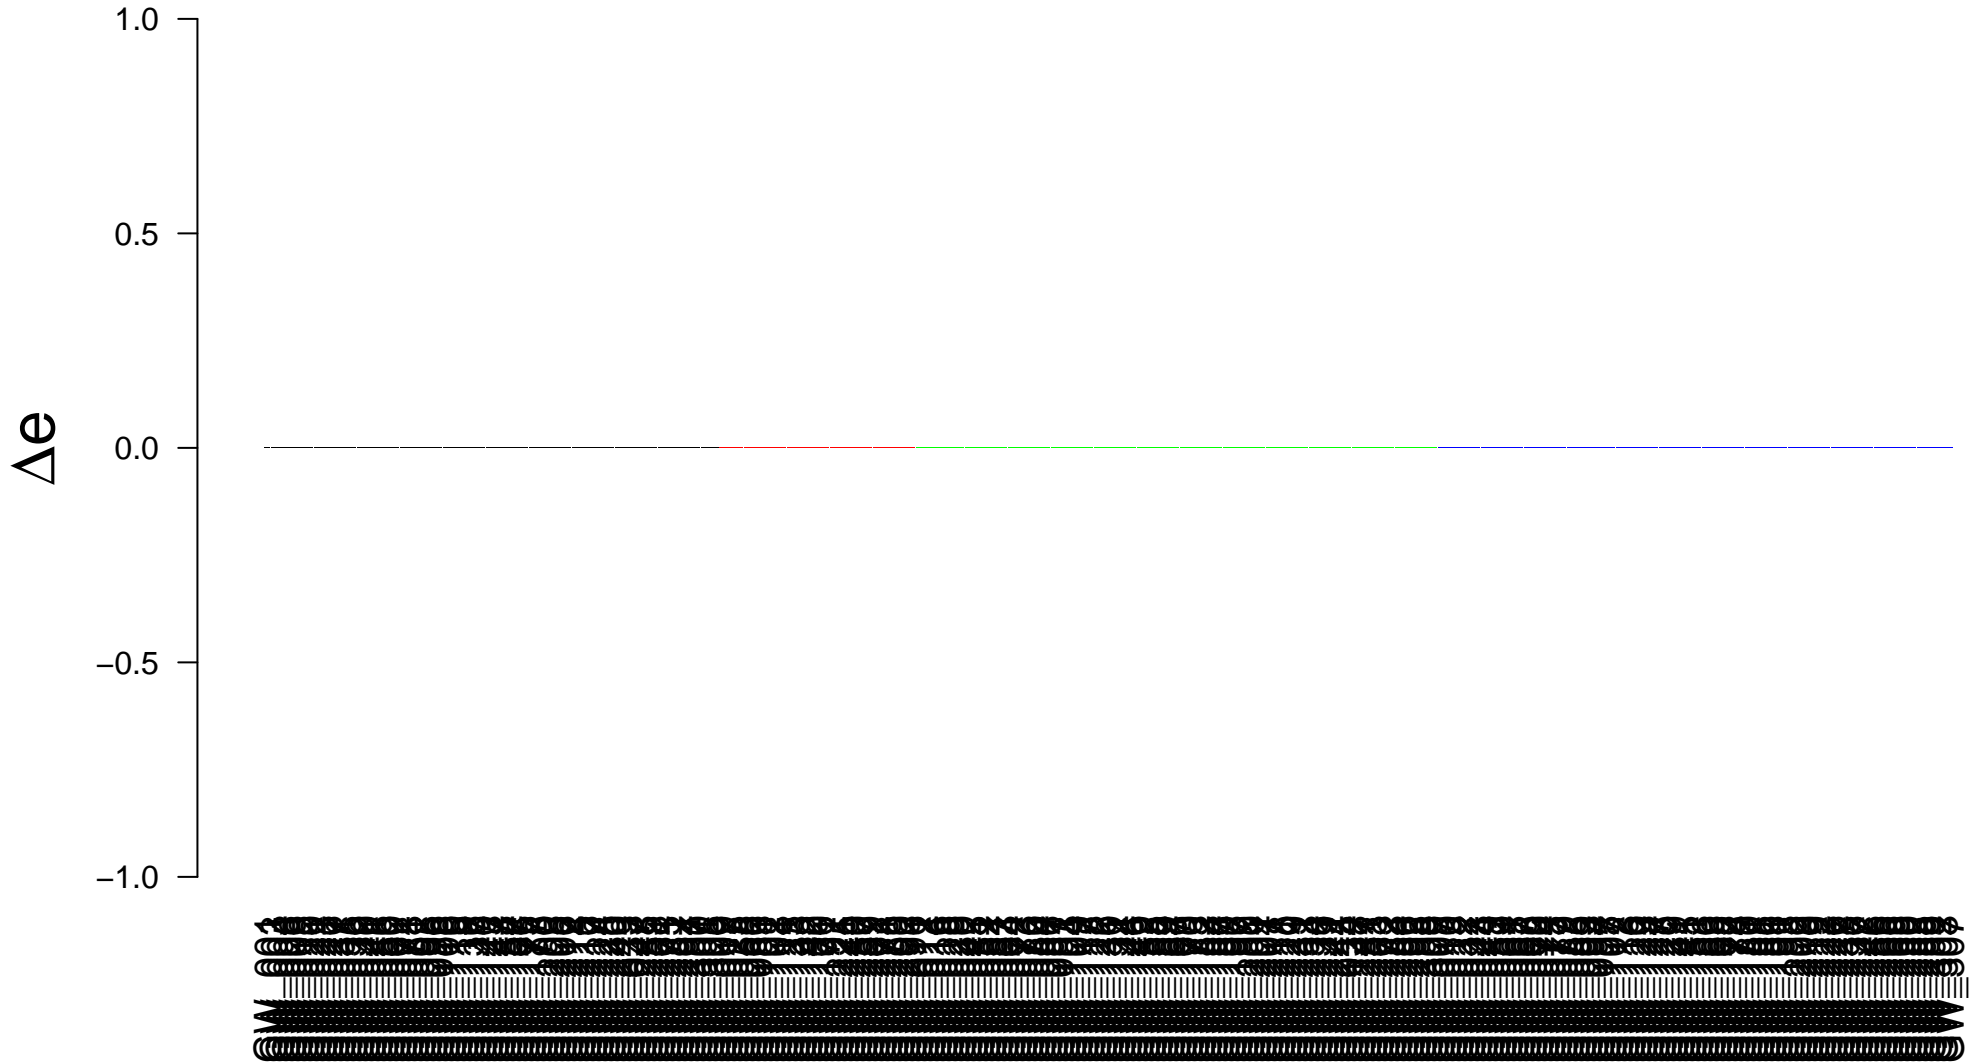

organ development

Enrichment in spots: organ development

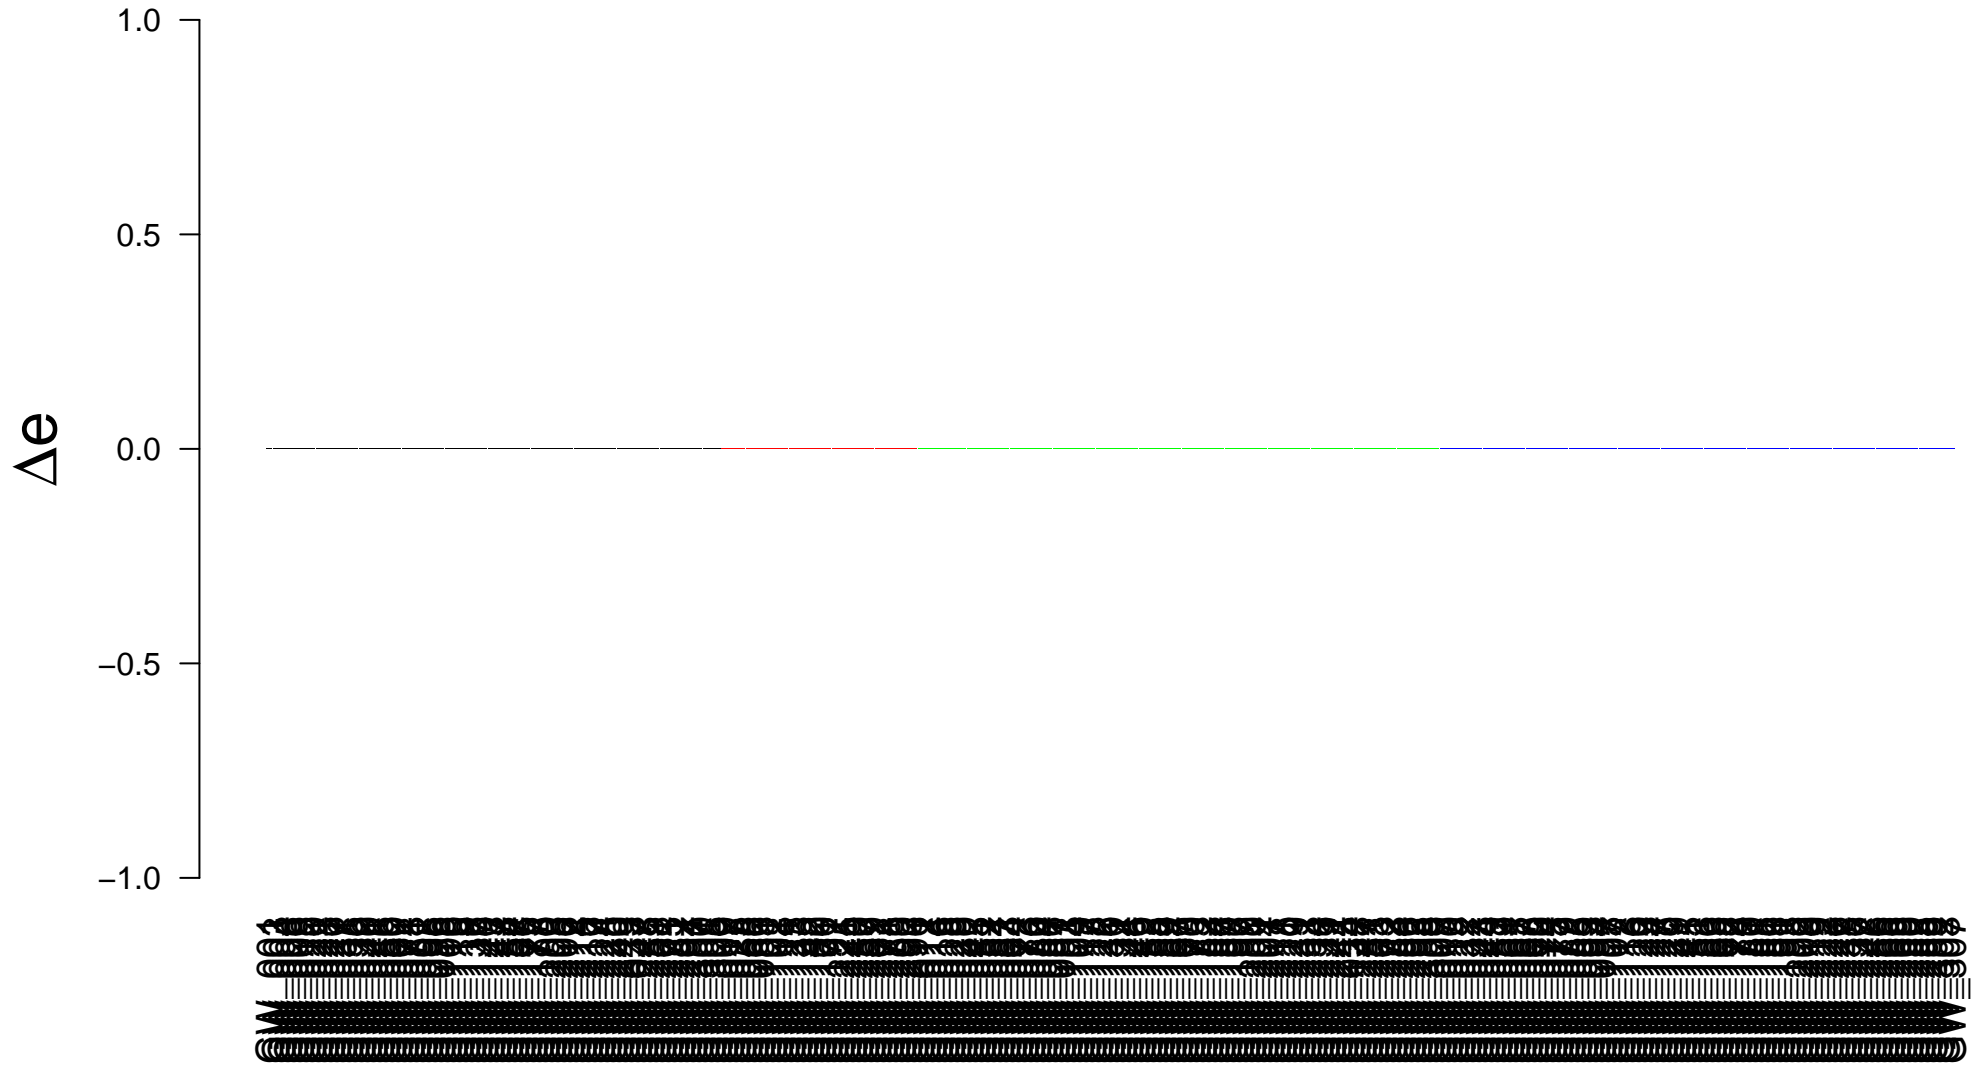

Expression of organ development in Spot A

Expression of organ development in Spot B

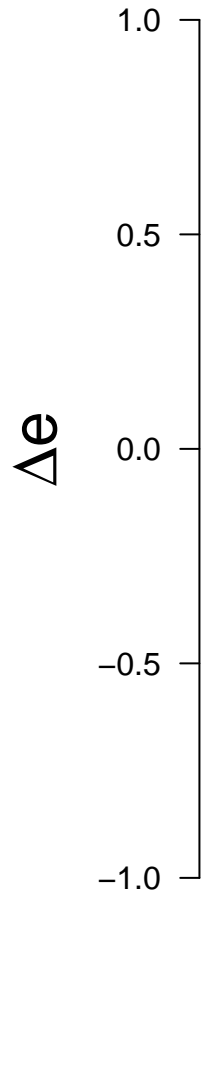

Expression of organ development in Spot C

Expression of organ development in Spot D

Expression of organ development in Spot E

Expression of organ development in Spot F

Expression of organ development in Spot G

Expression of organ development in Spot H

Expression of organ development in Spot I

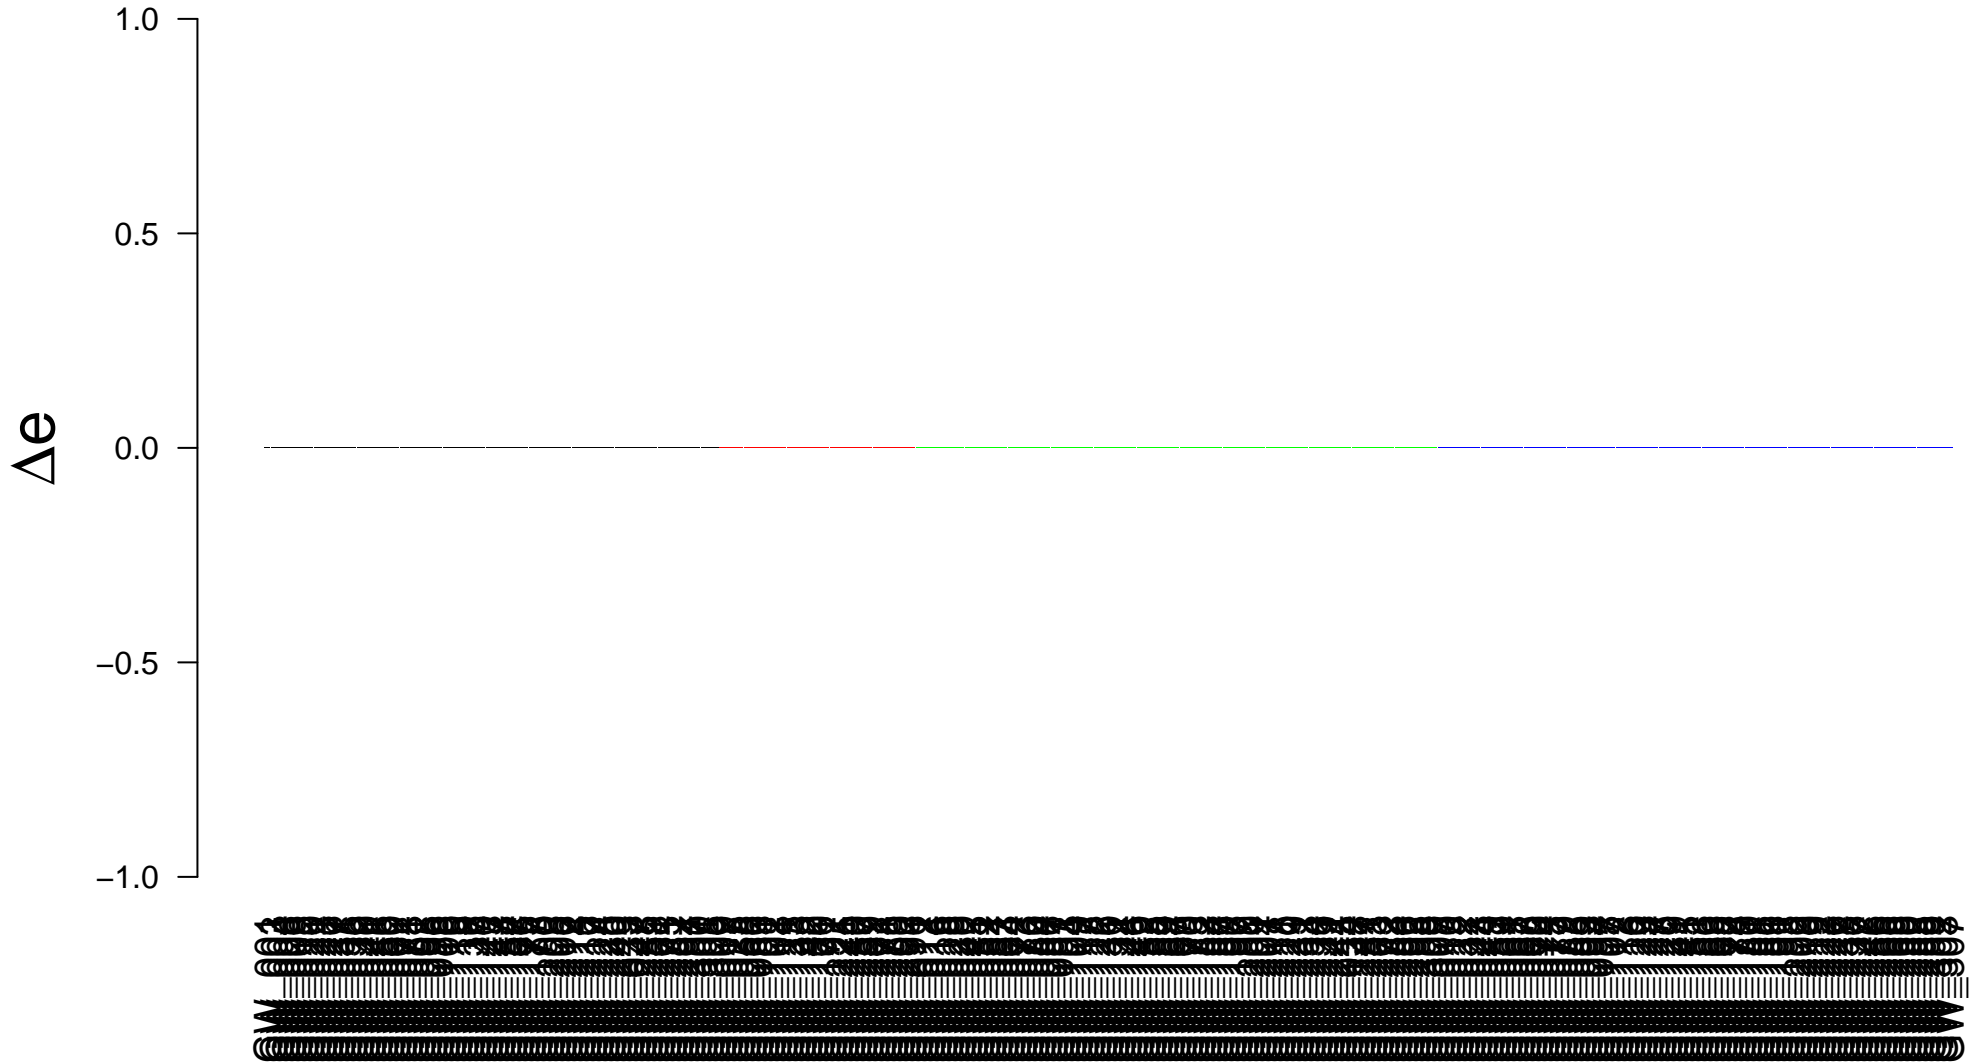

Expression of organ development in Spot J

Expression of organ development in Spot K

Expression of organ development in Spot L

Expression of organ development in Spot M

Expression of organ development in Spot N

Expression of organ development in Spot O

Expression of organ development in Spot P

Expression of organ development in Spot Q

Expression of organ development in Spot R
