

osteoclast differentiation

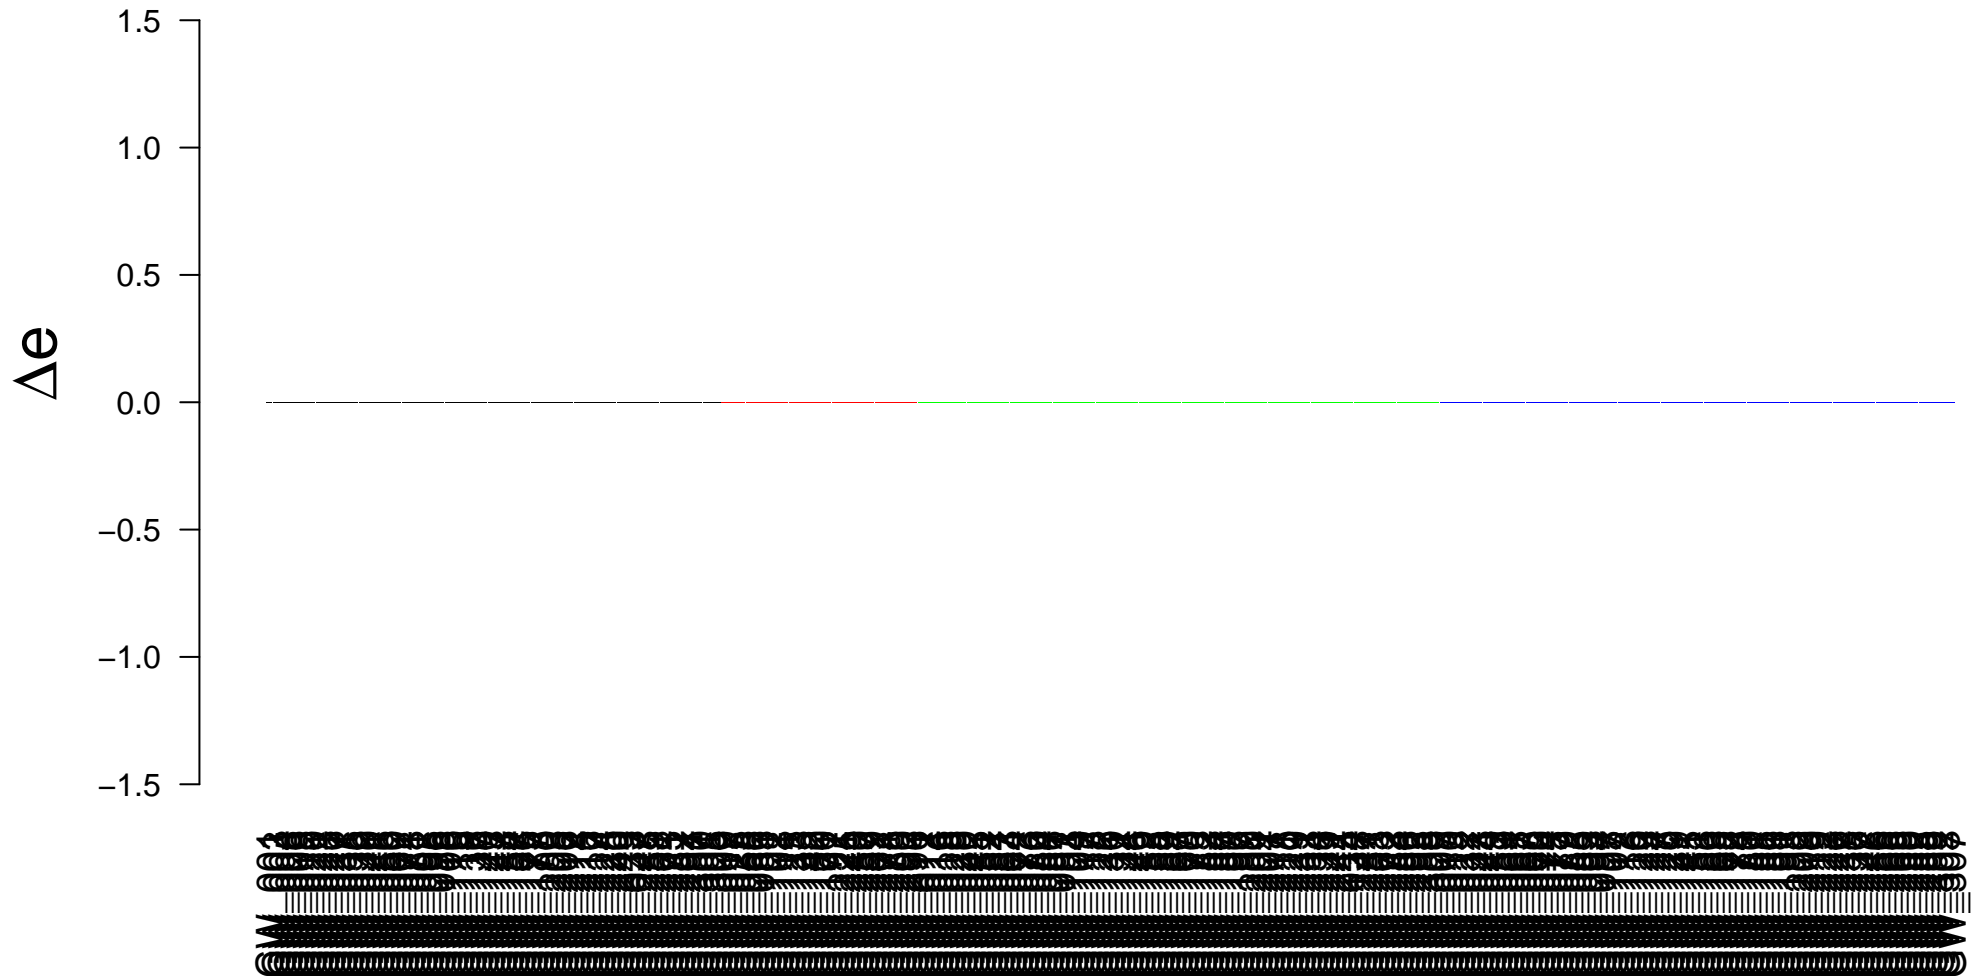

osteoclast differentiation

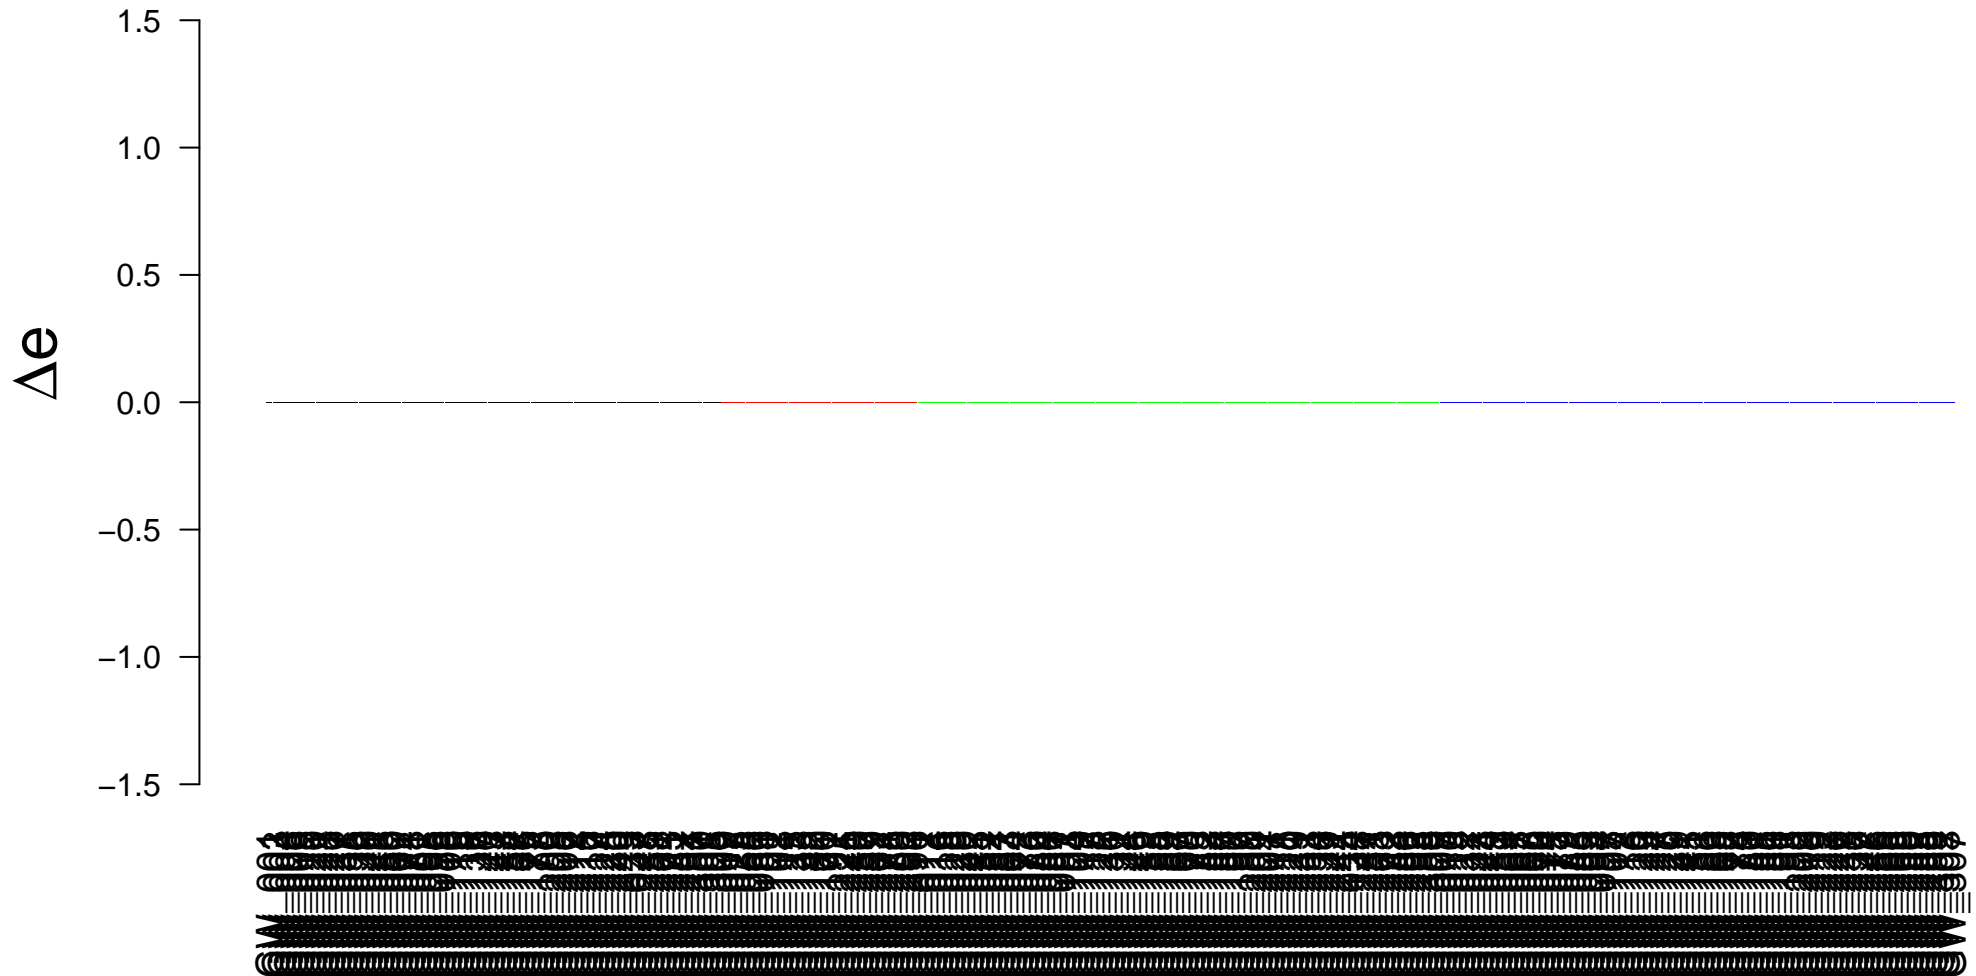

Enrichment in spots: osteoclast differentiation

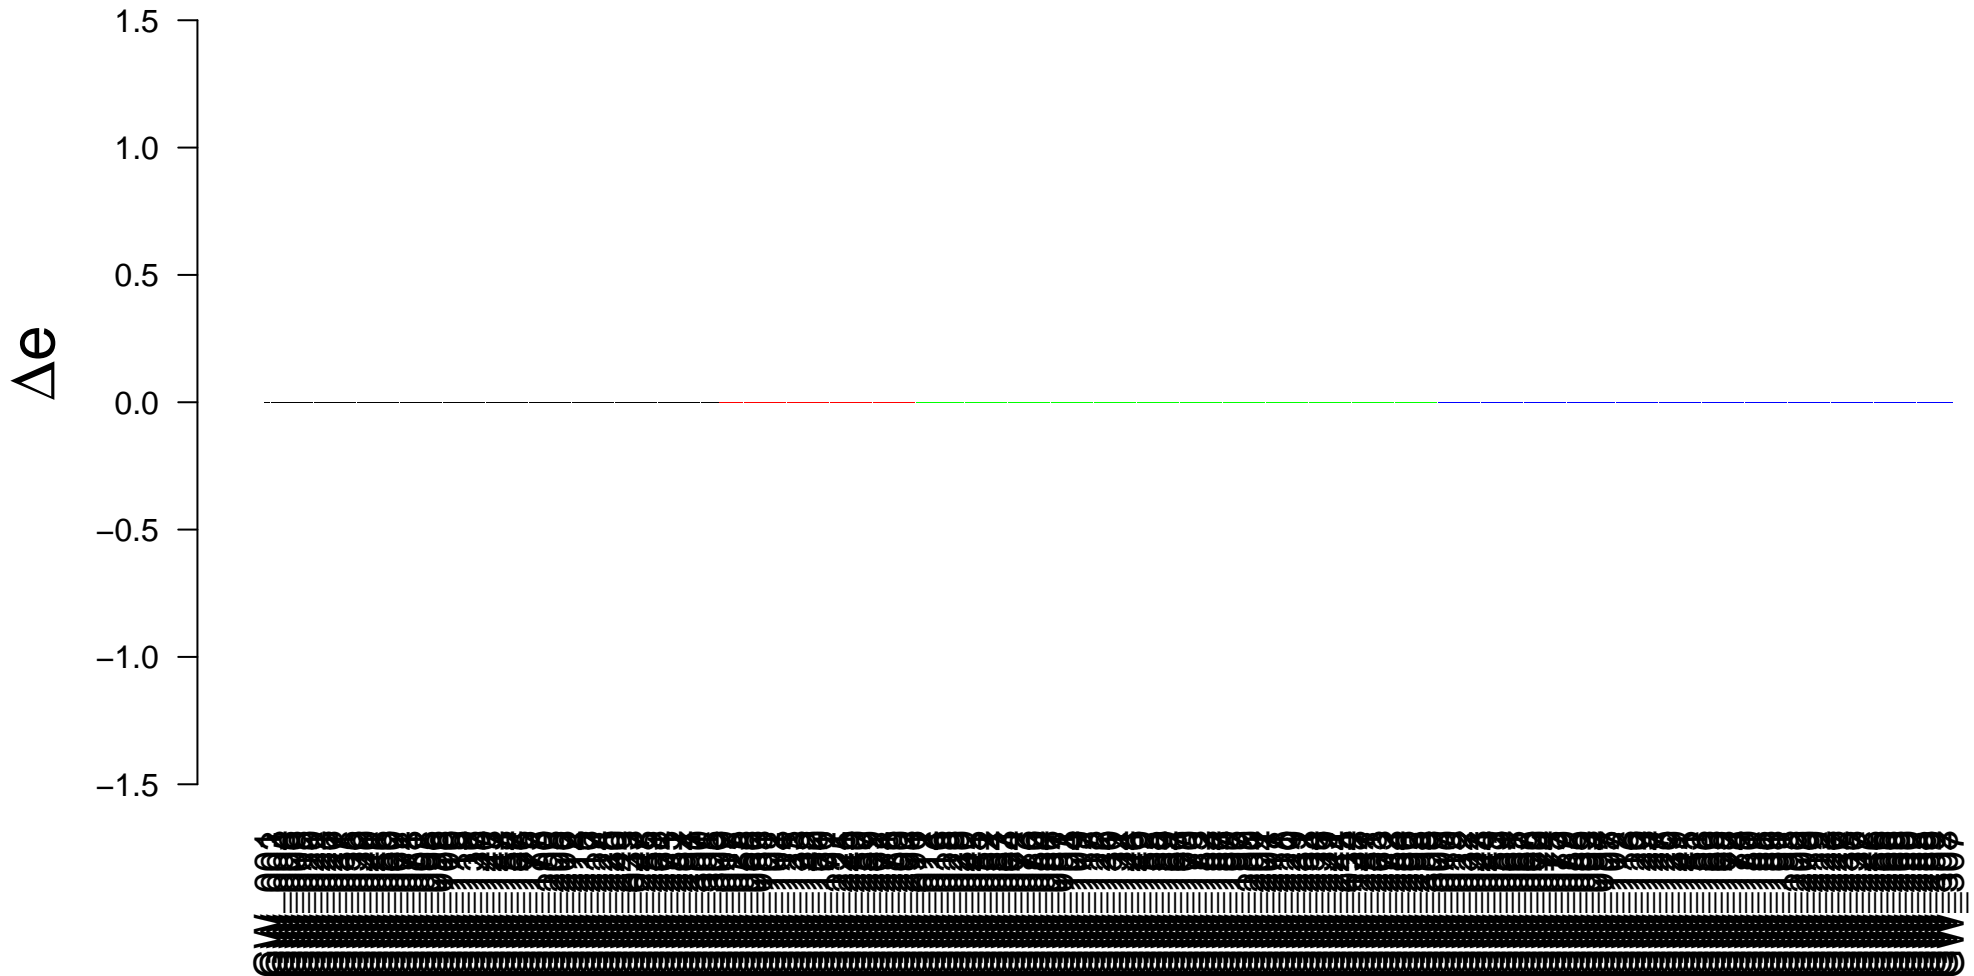

Expression of osteoclast differentiation in Spot A

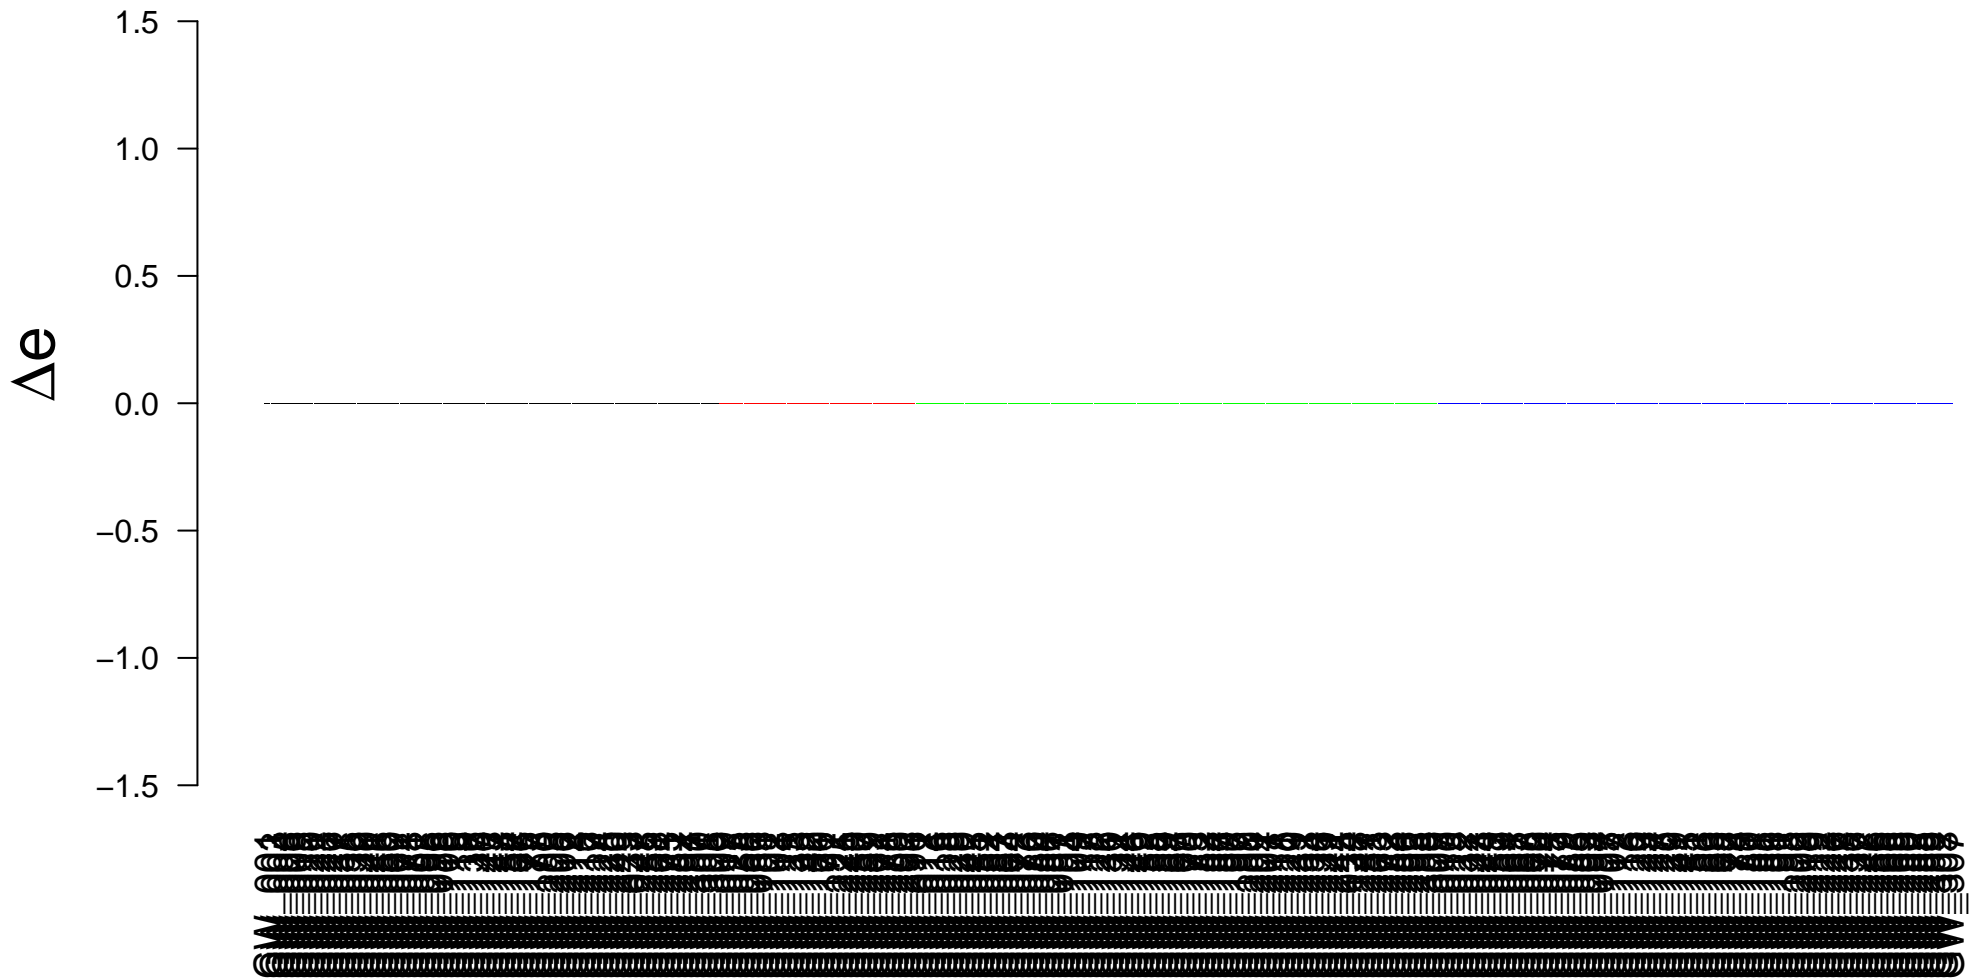

Expression of osteoclast differentiation in Spot B

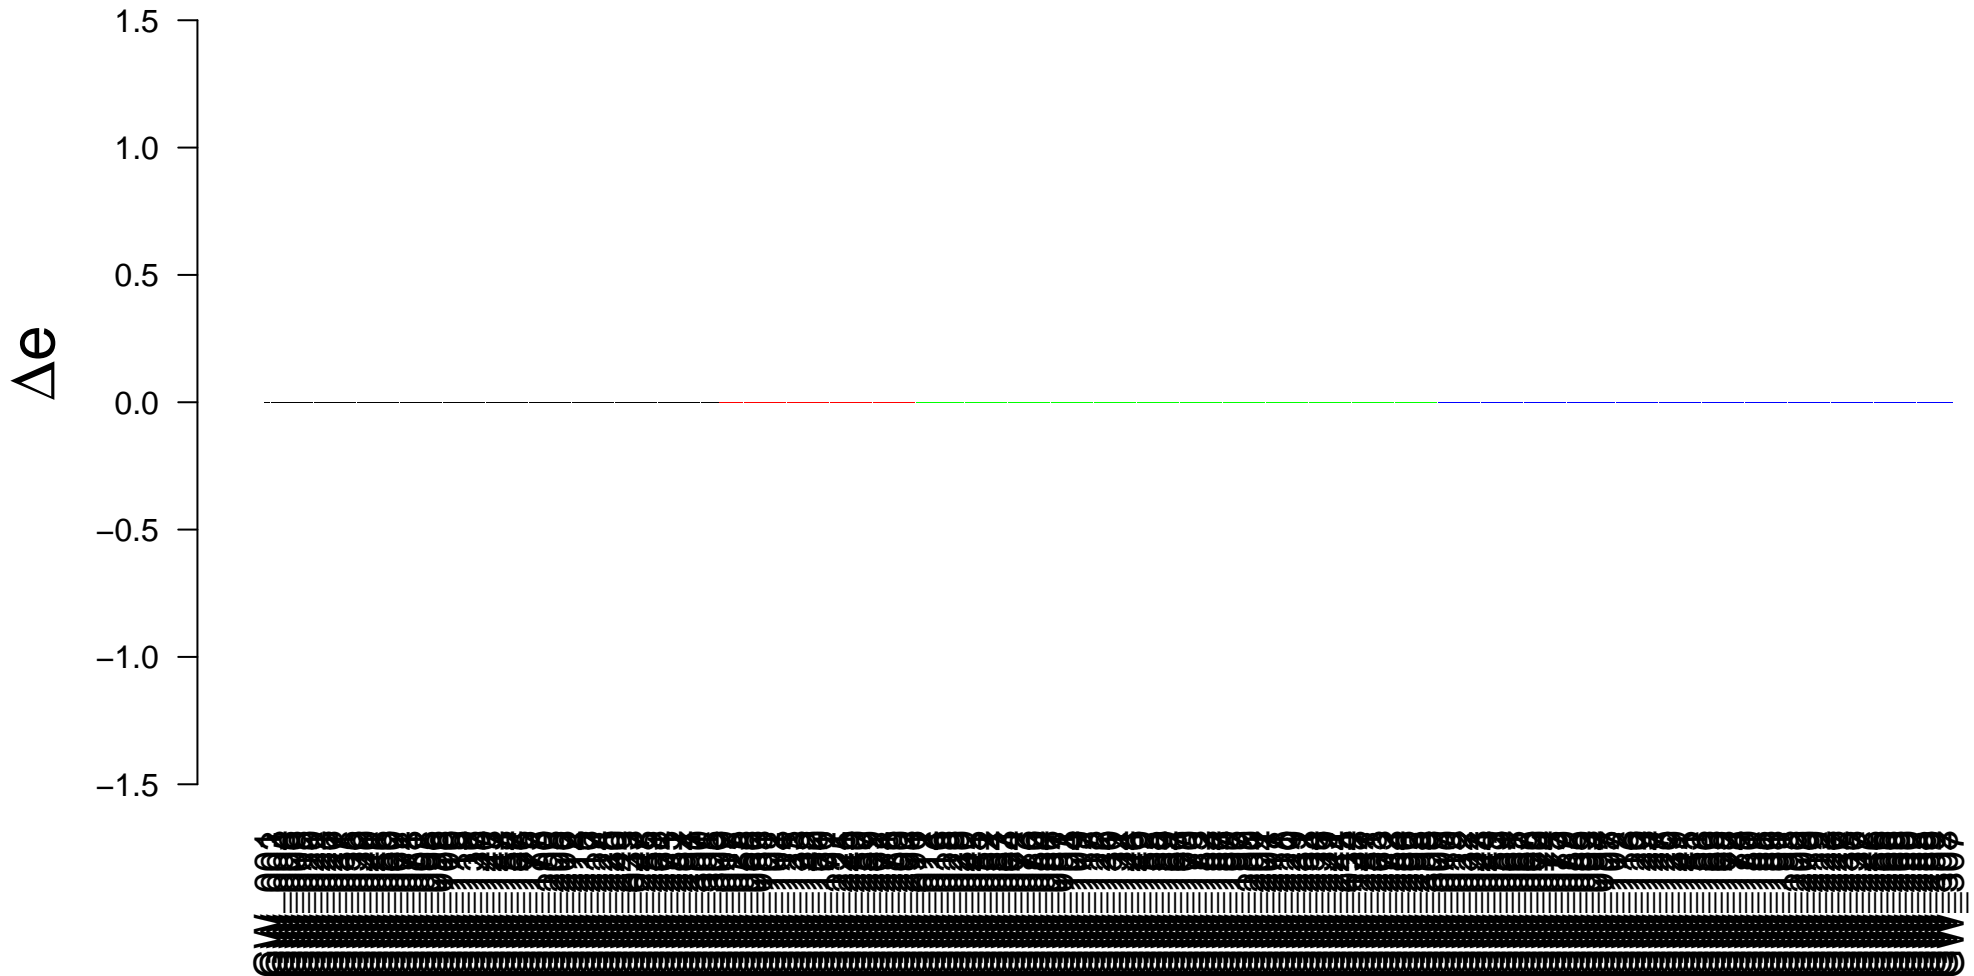

Expression of osteoclast differentiation in Spot C

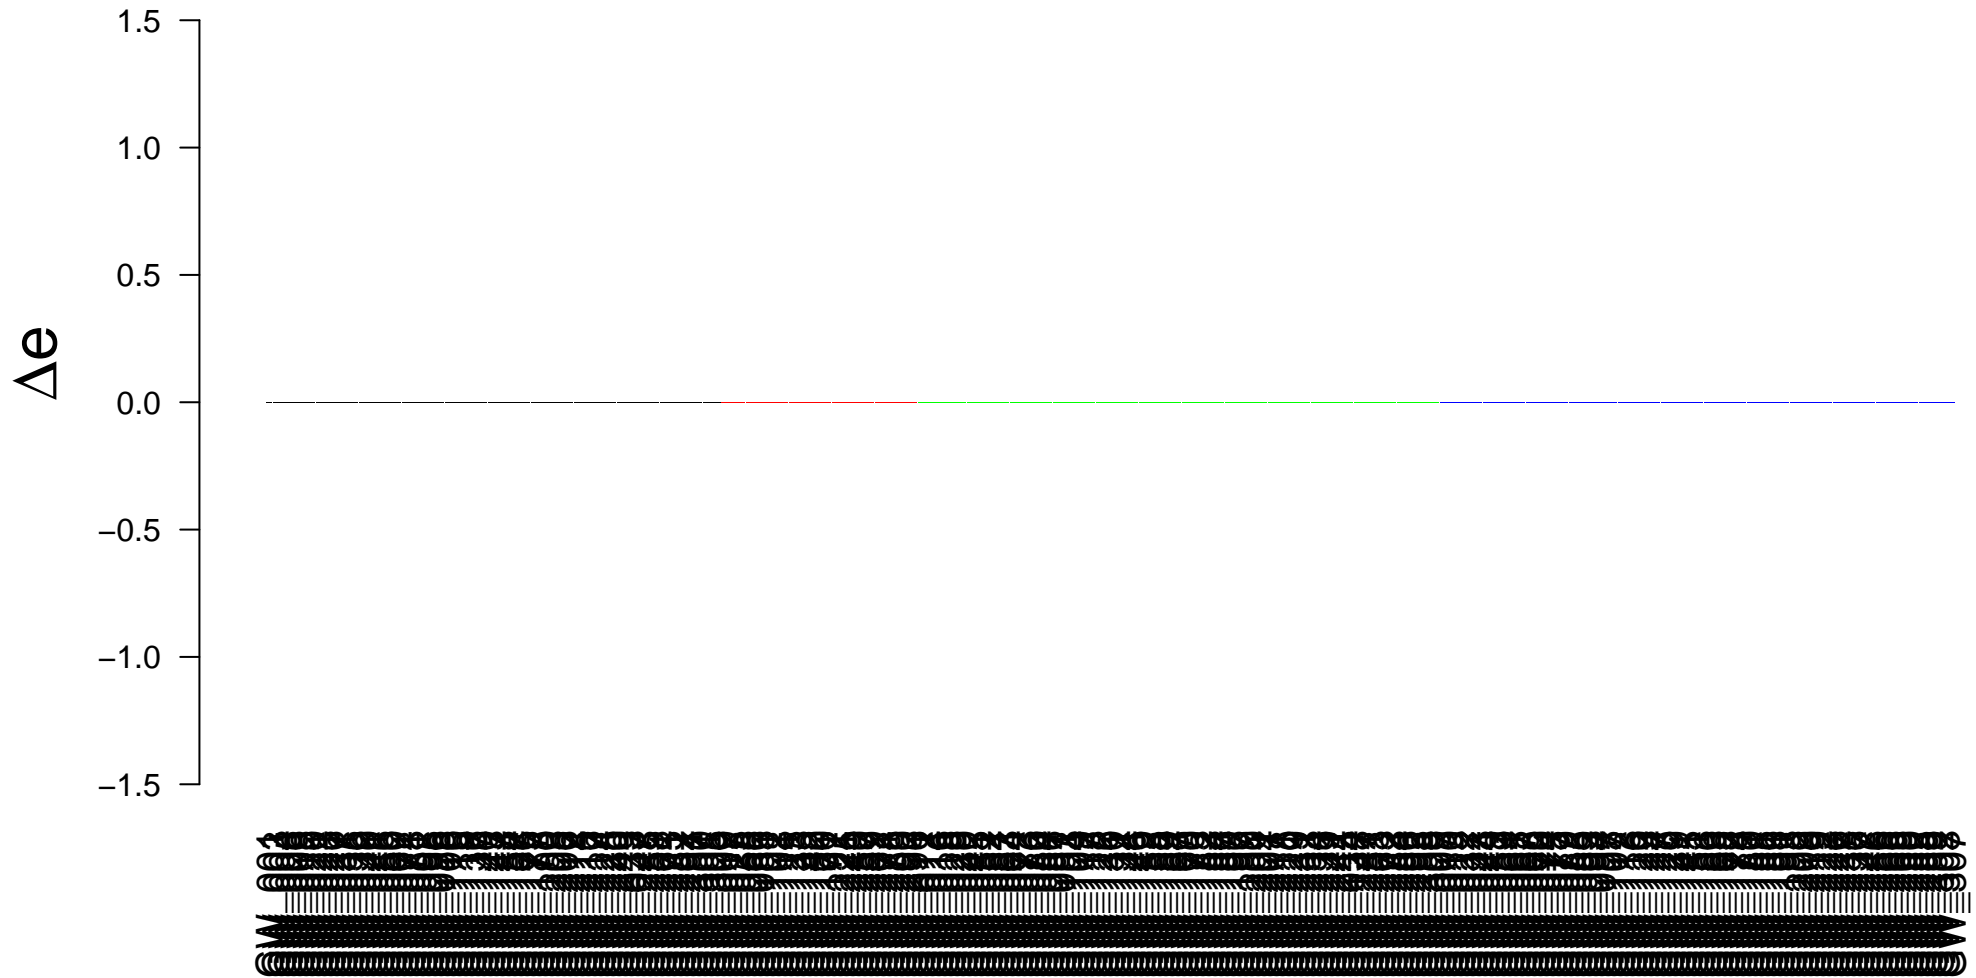

Expression of osteoclast differentiation in Spot D

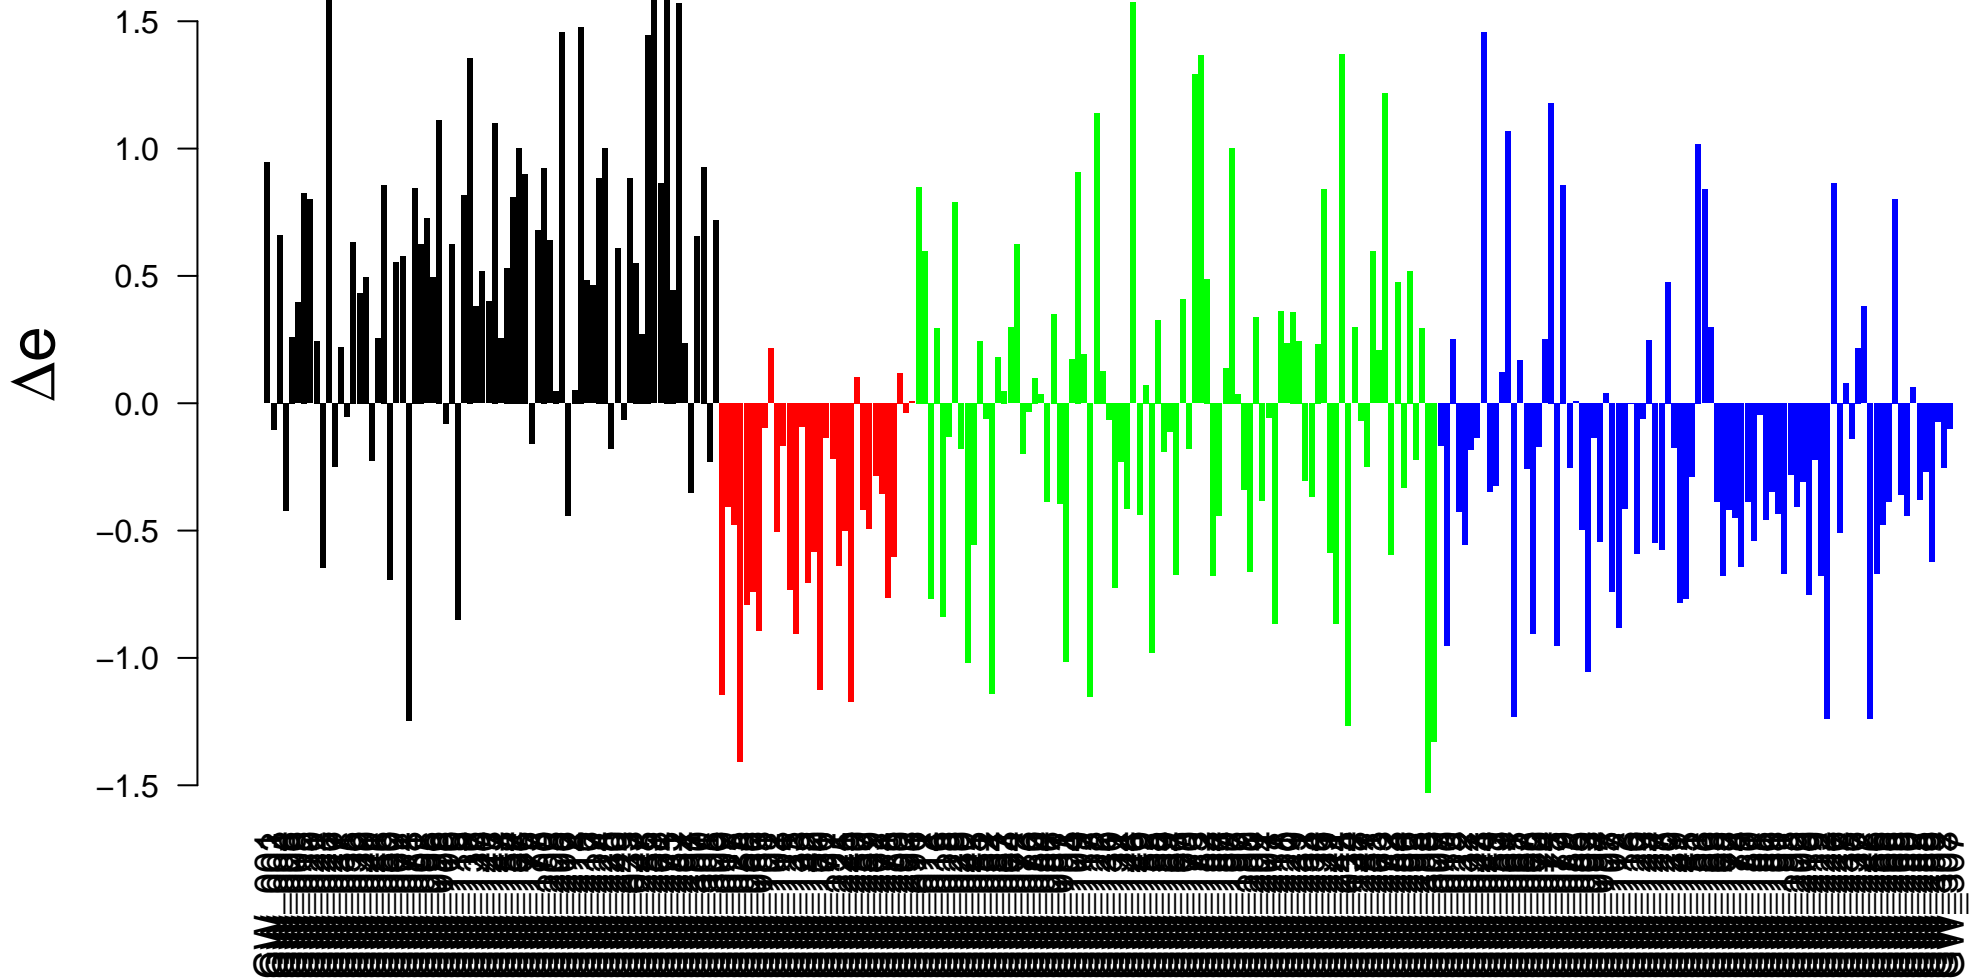

Expression of osteoclast differentiation in Spot E

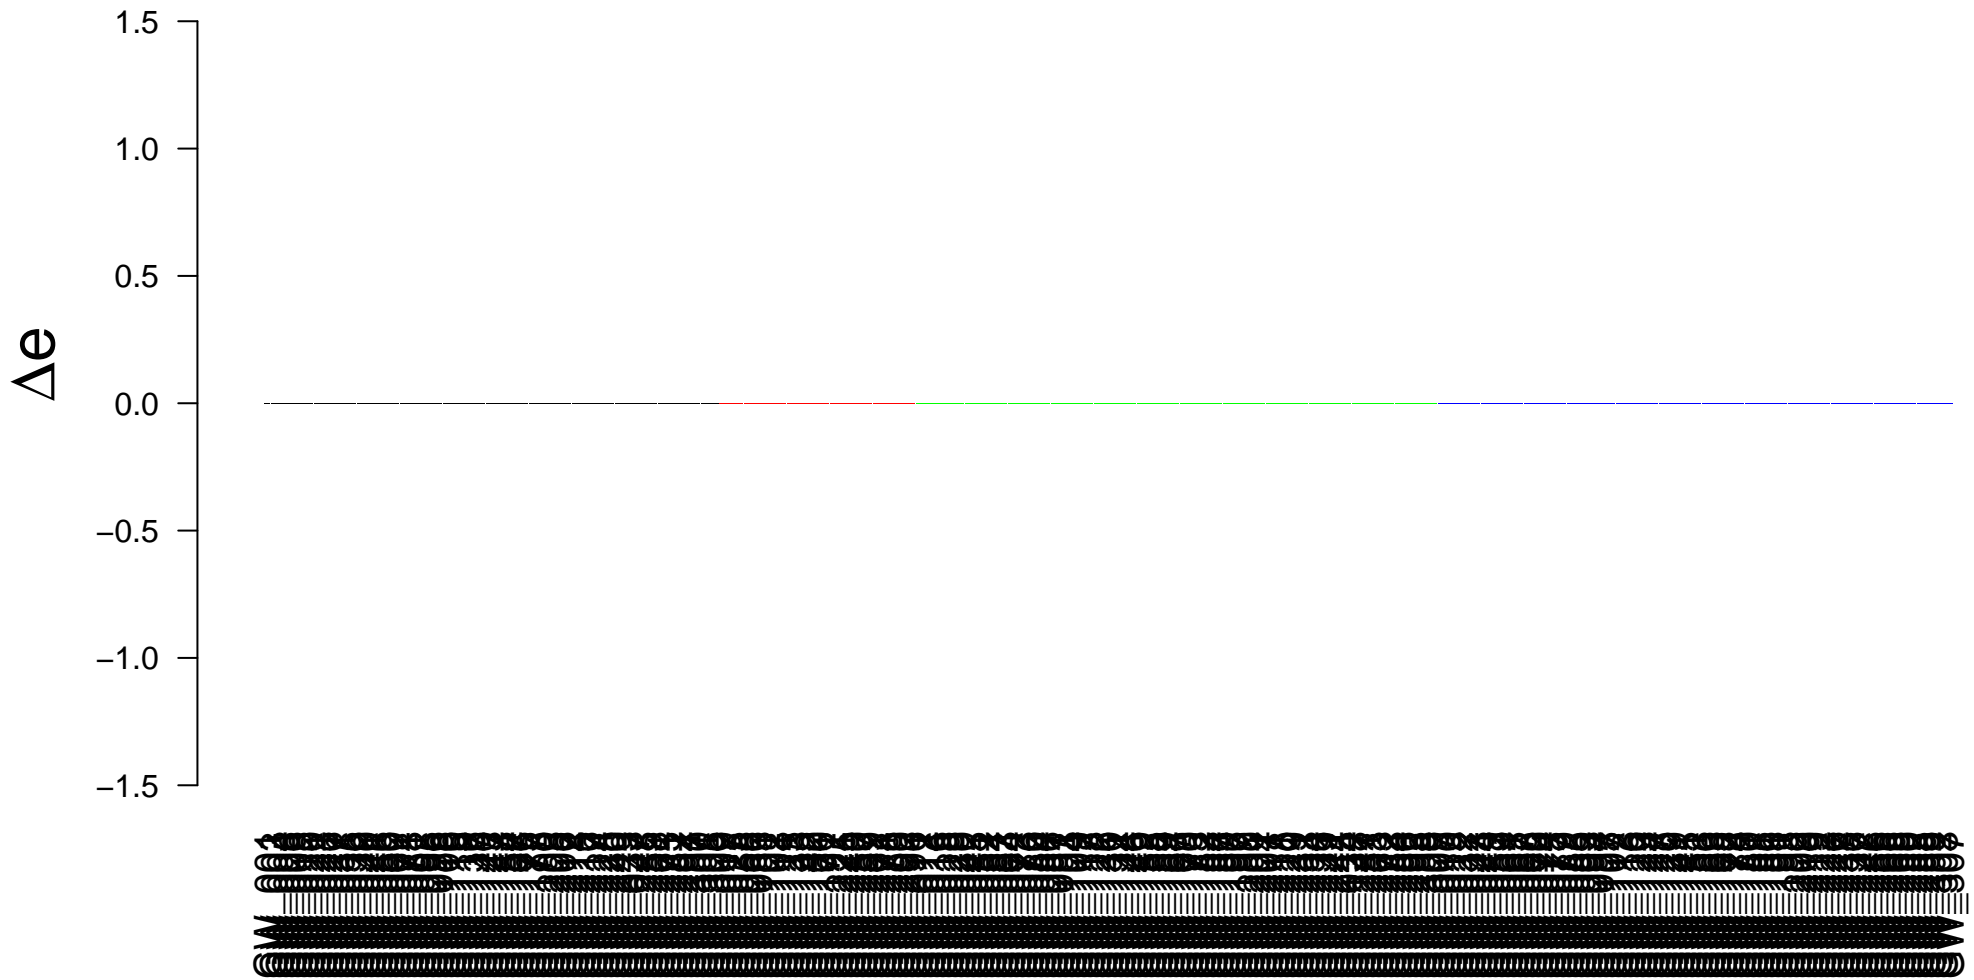

Expression of osteoclast differentiation in Spot F

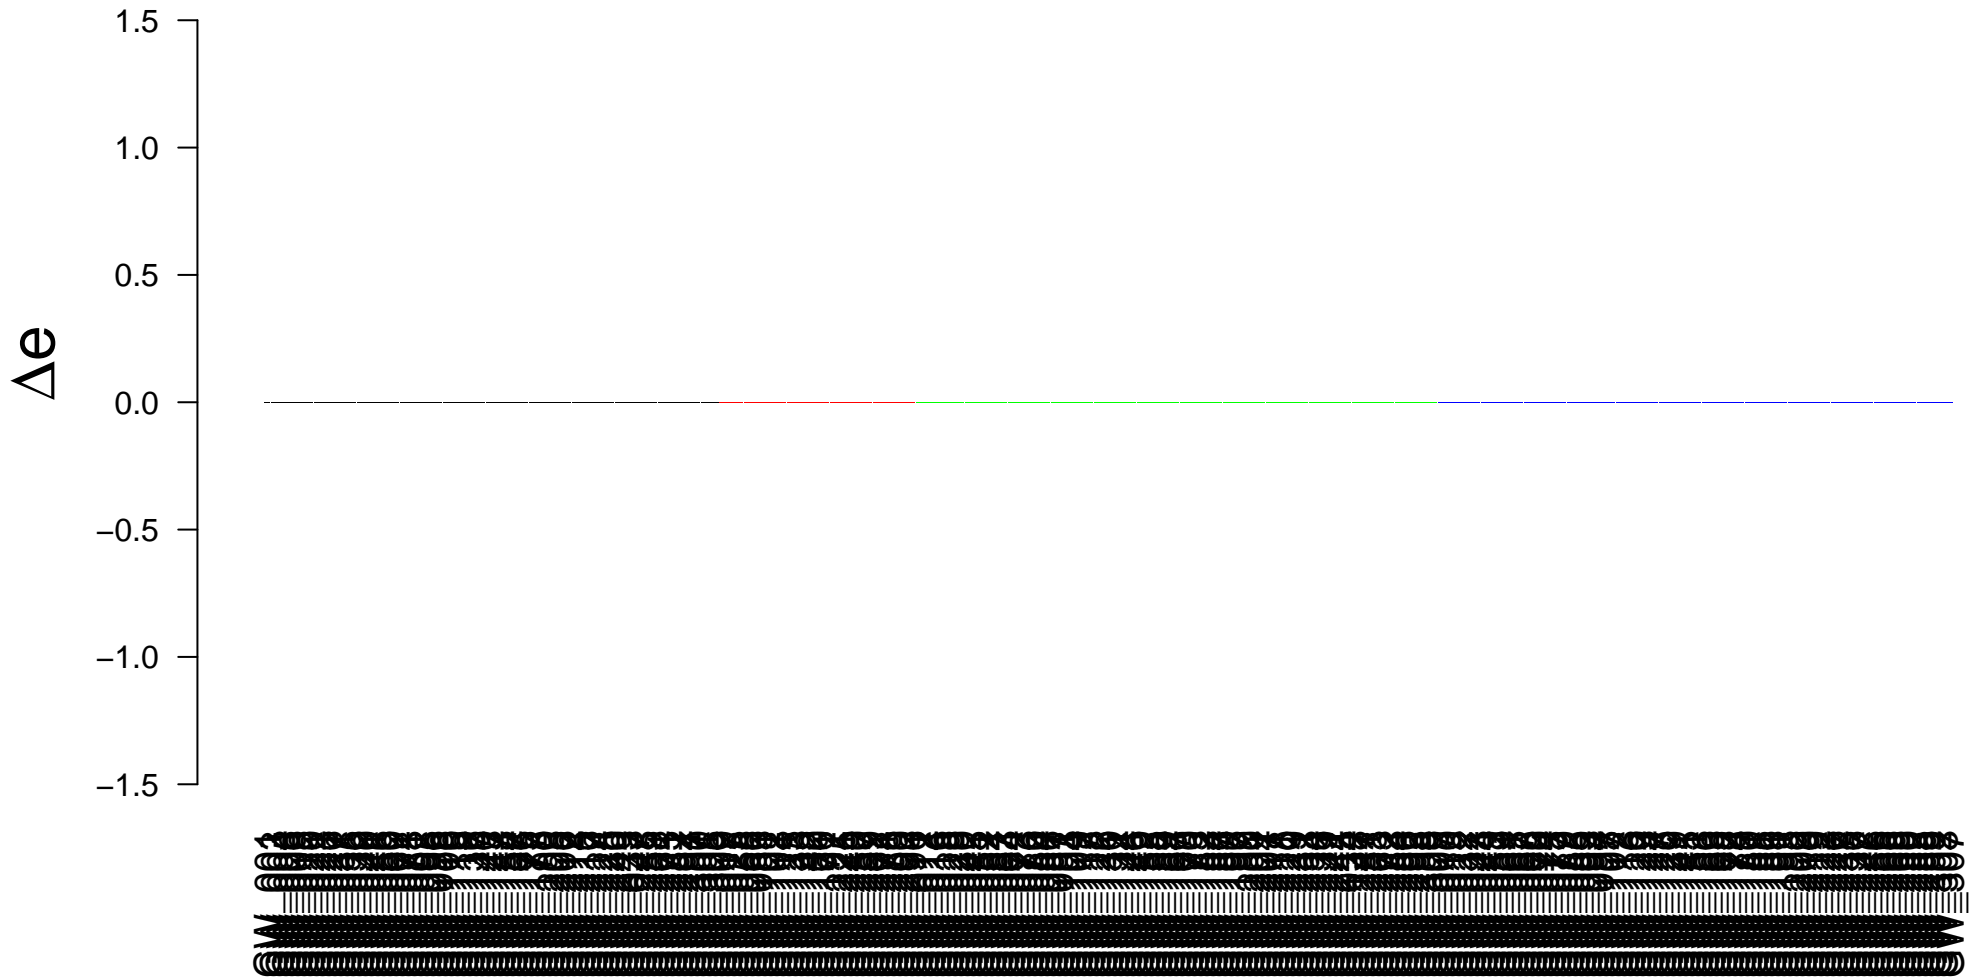

Expression of osteoclast differentiation in Spot G

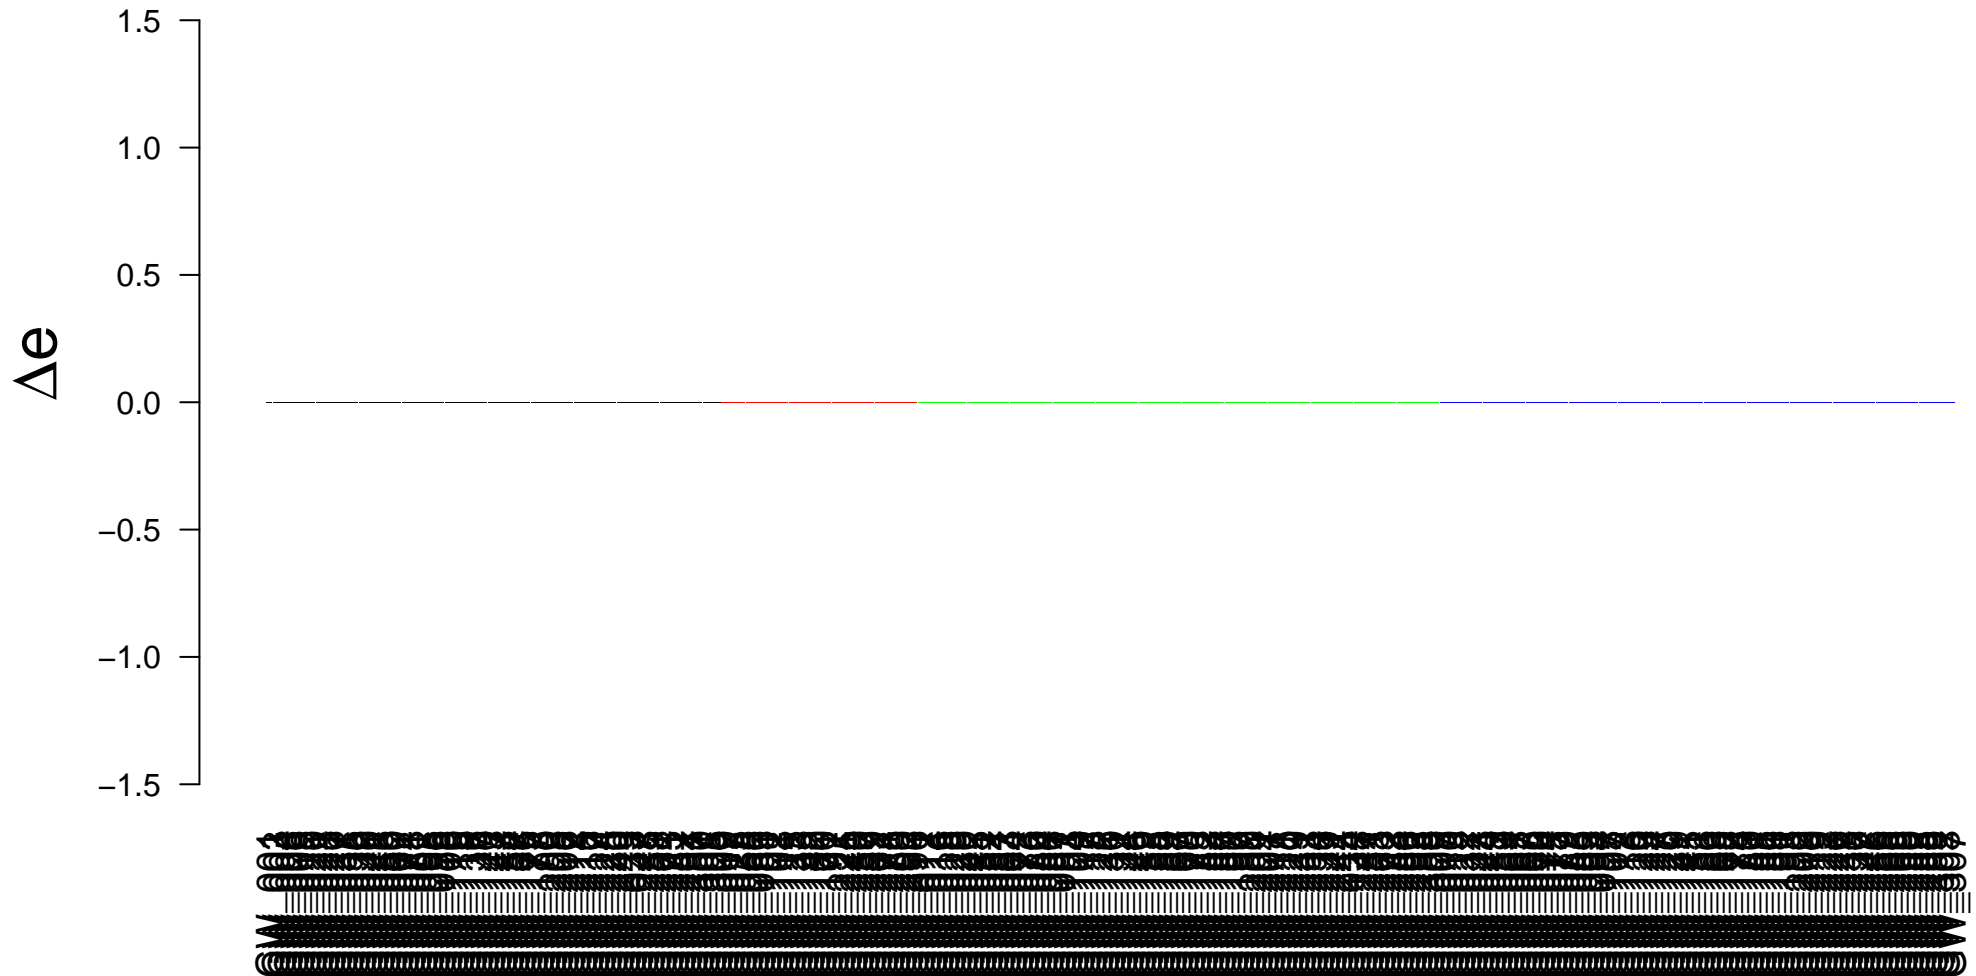

Expression of osteoclast differentiation in Spot H

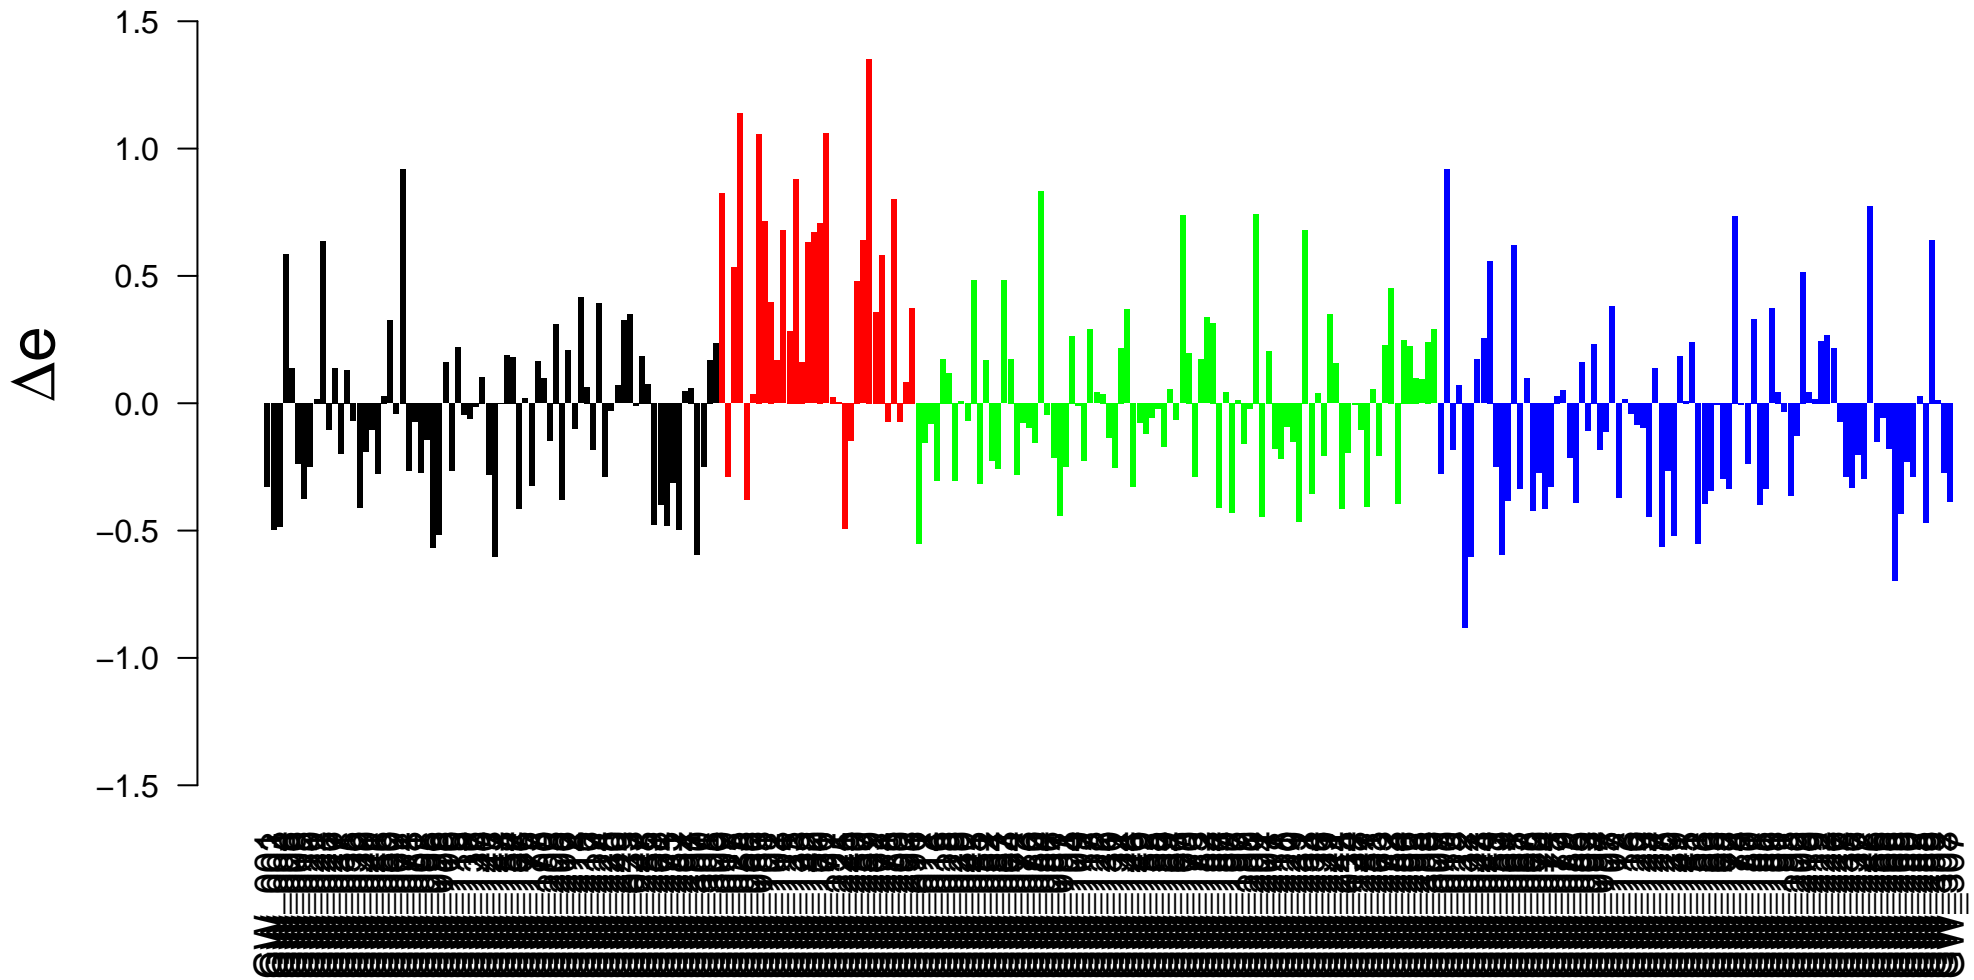

Expression of osteoclast differentiation in Spot I

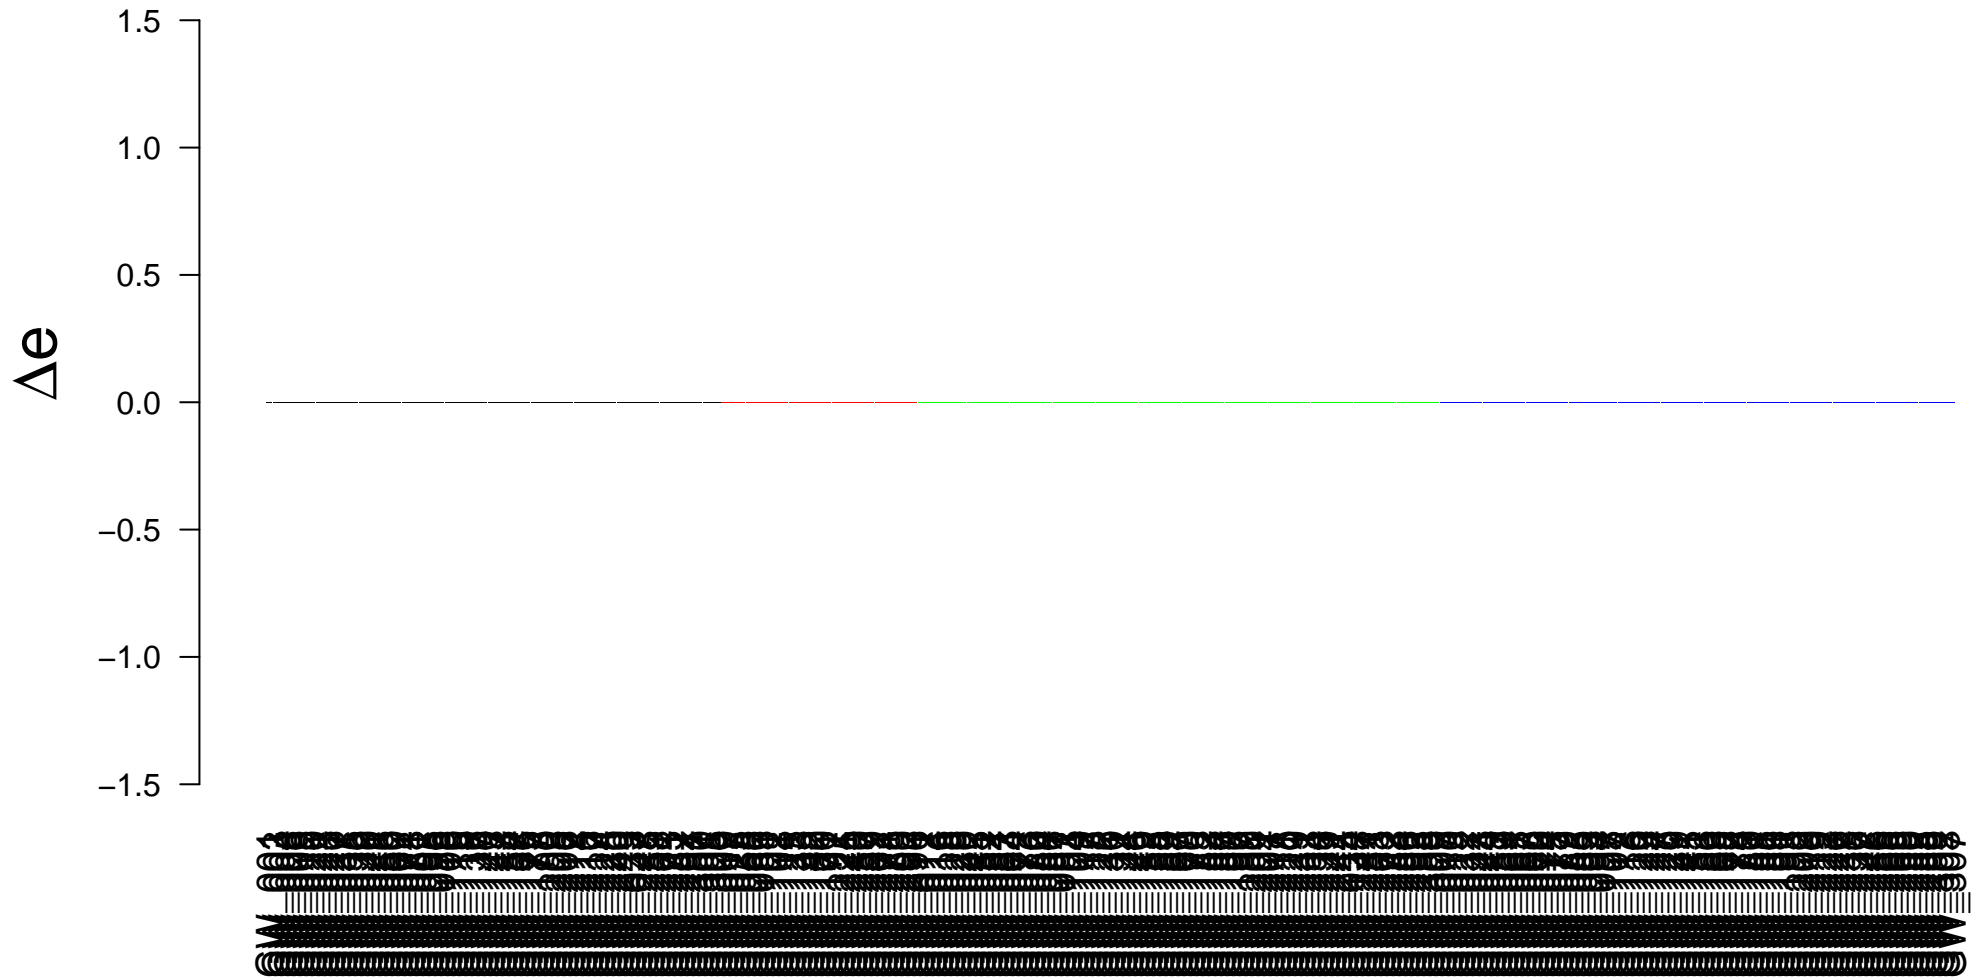

Expression of osteoclast differentiation in Spot J

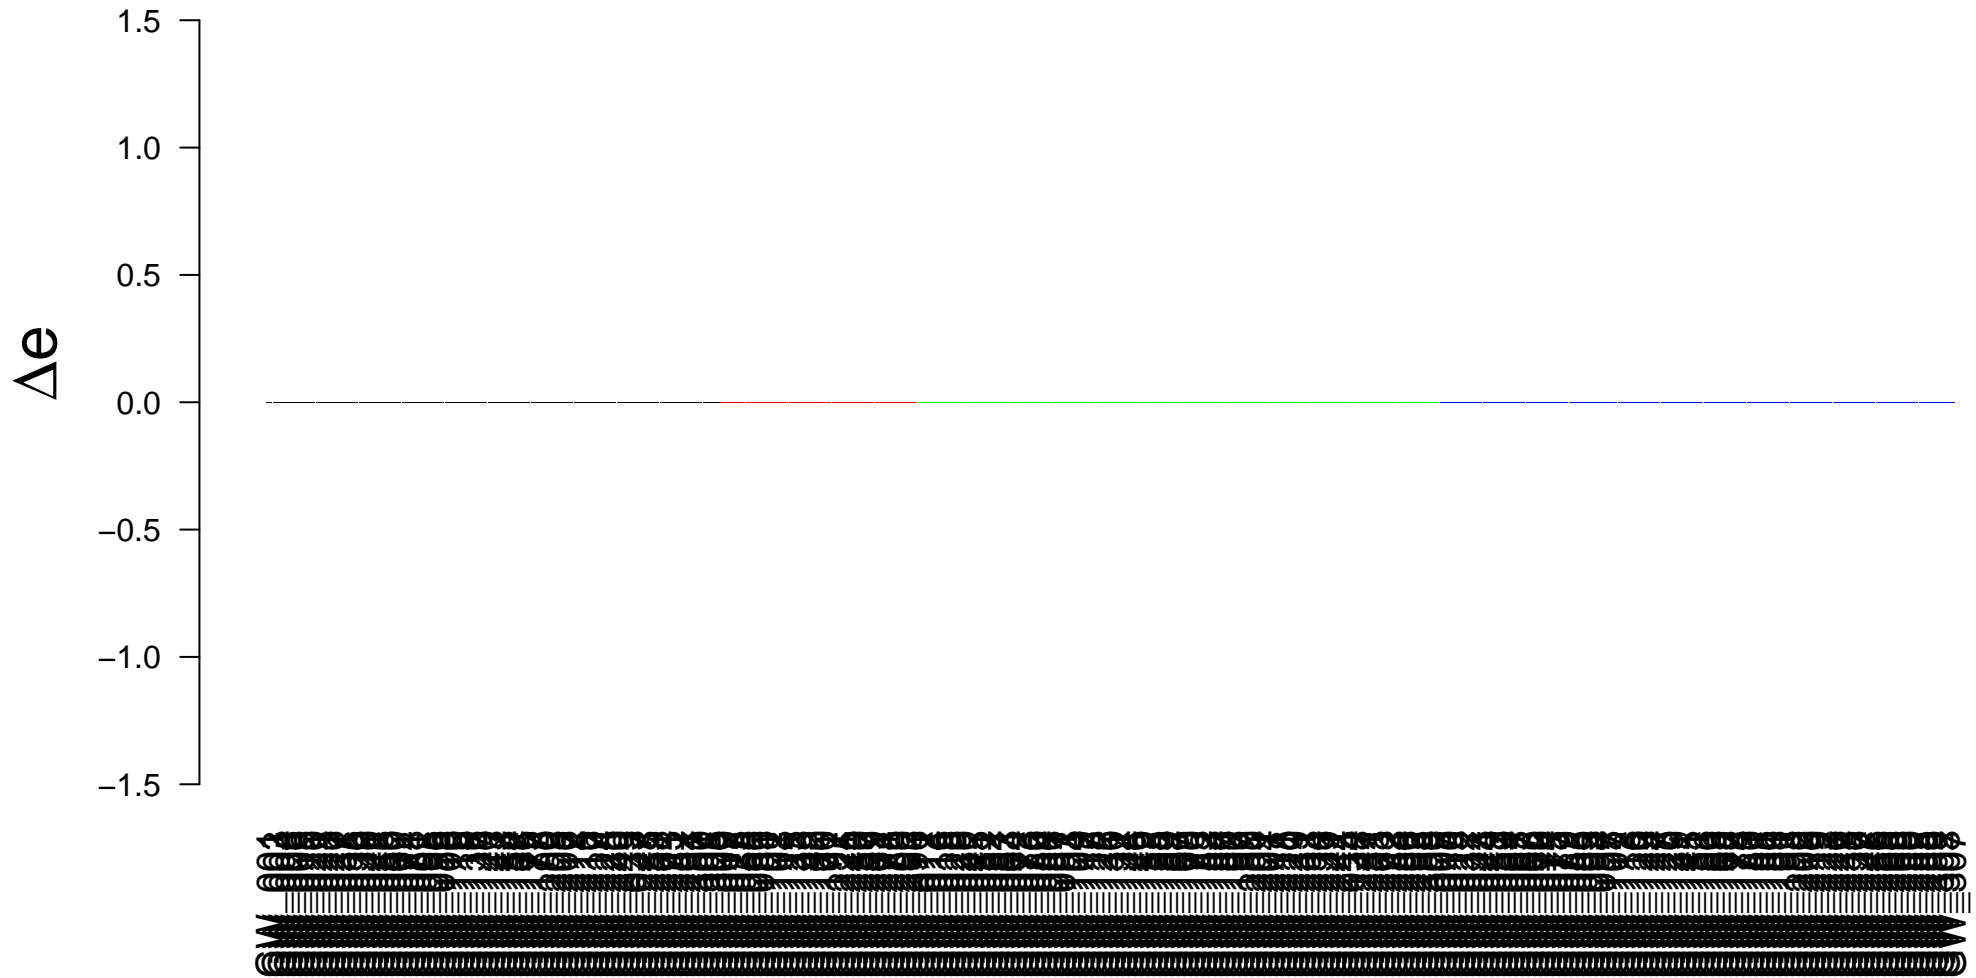

Expression of osteoclast differentiation in Spot K

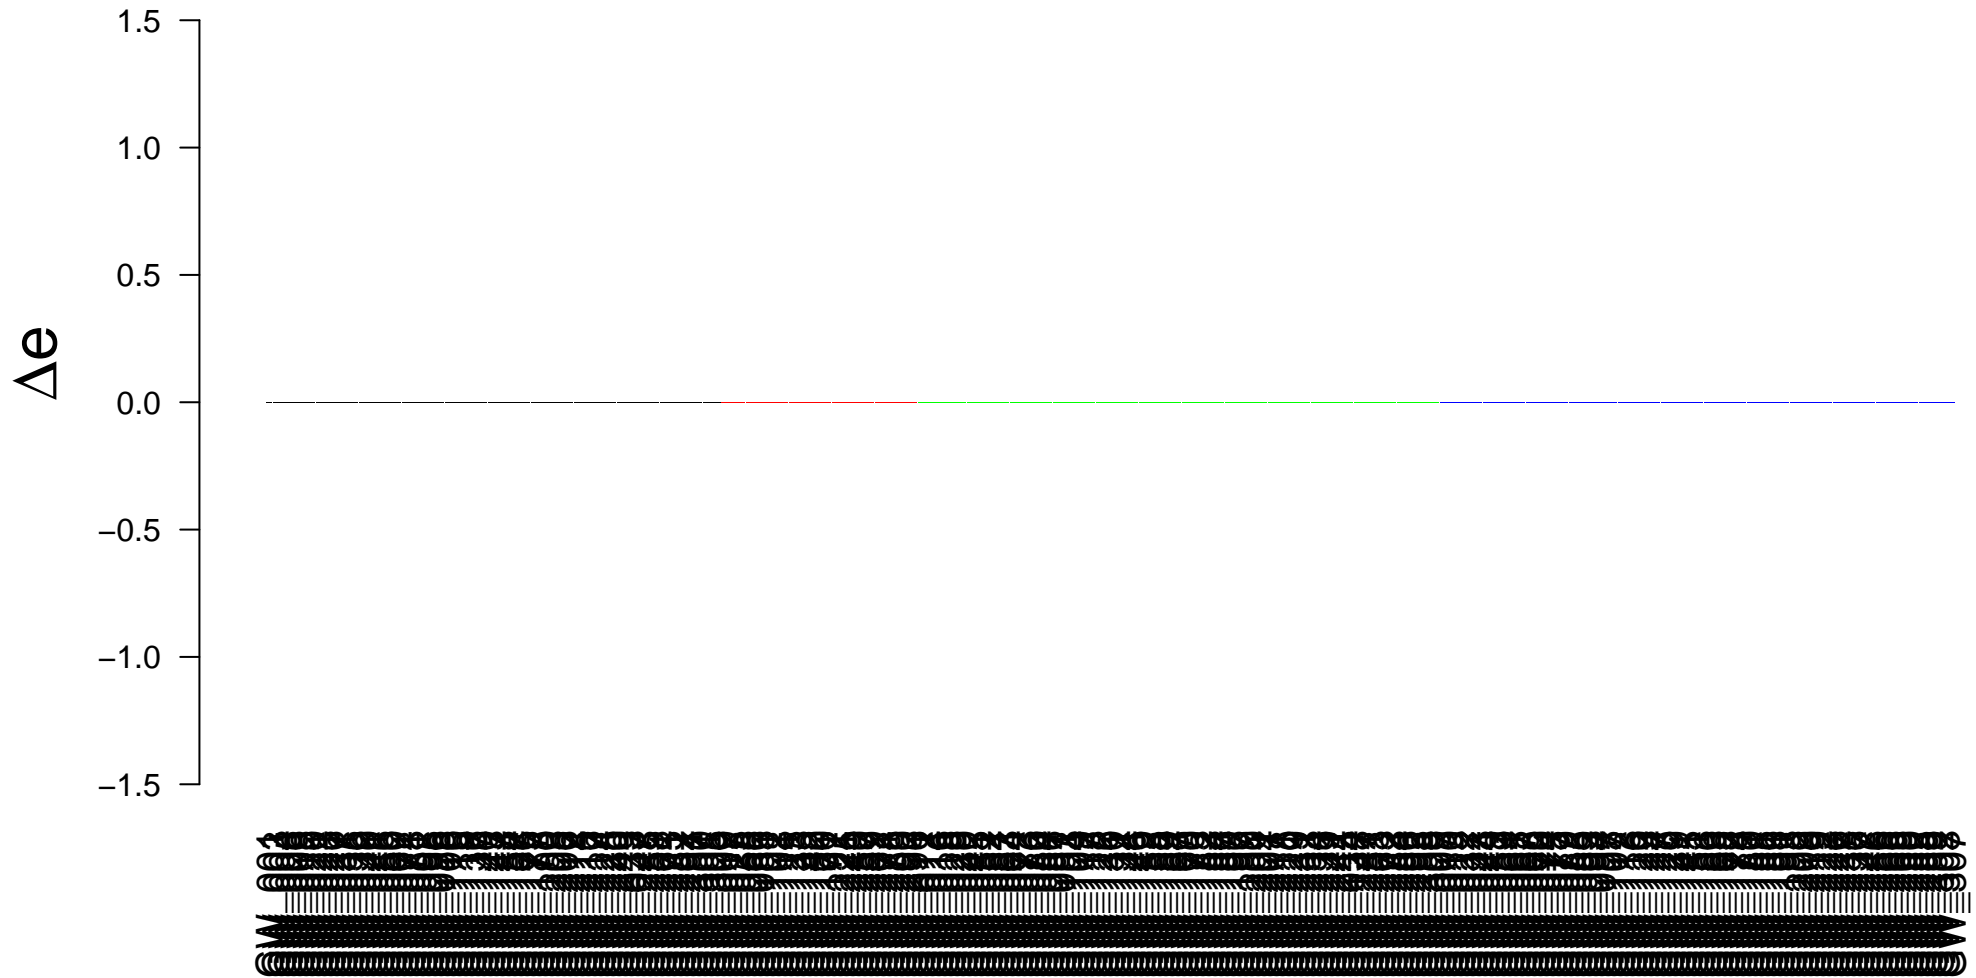

Expression of osteoclast differentiation in Spot L

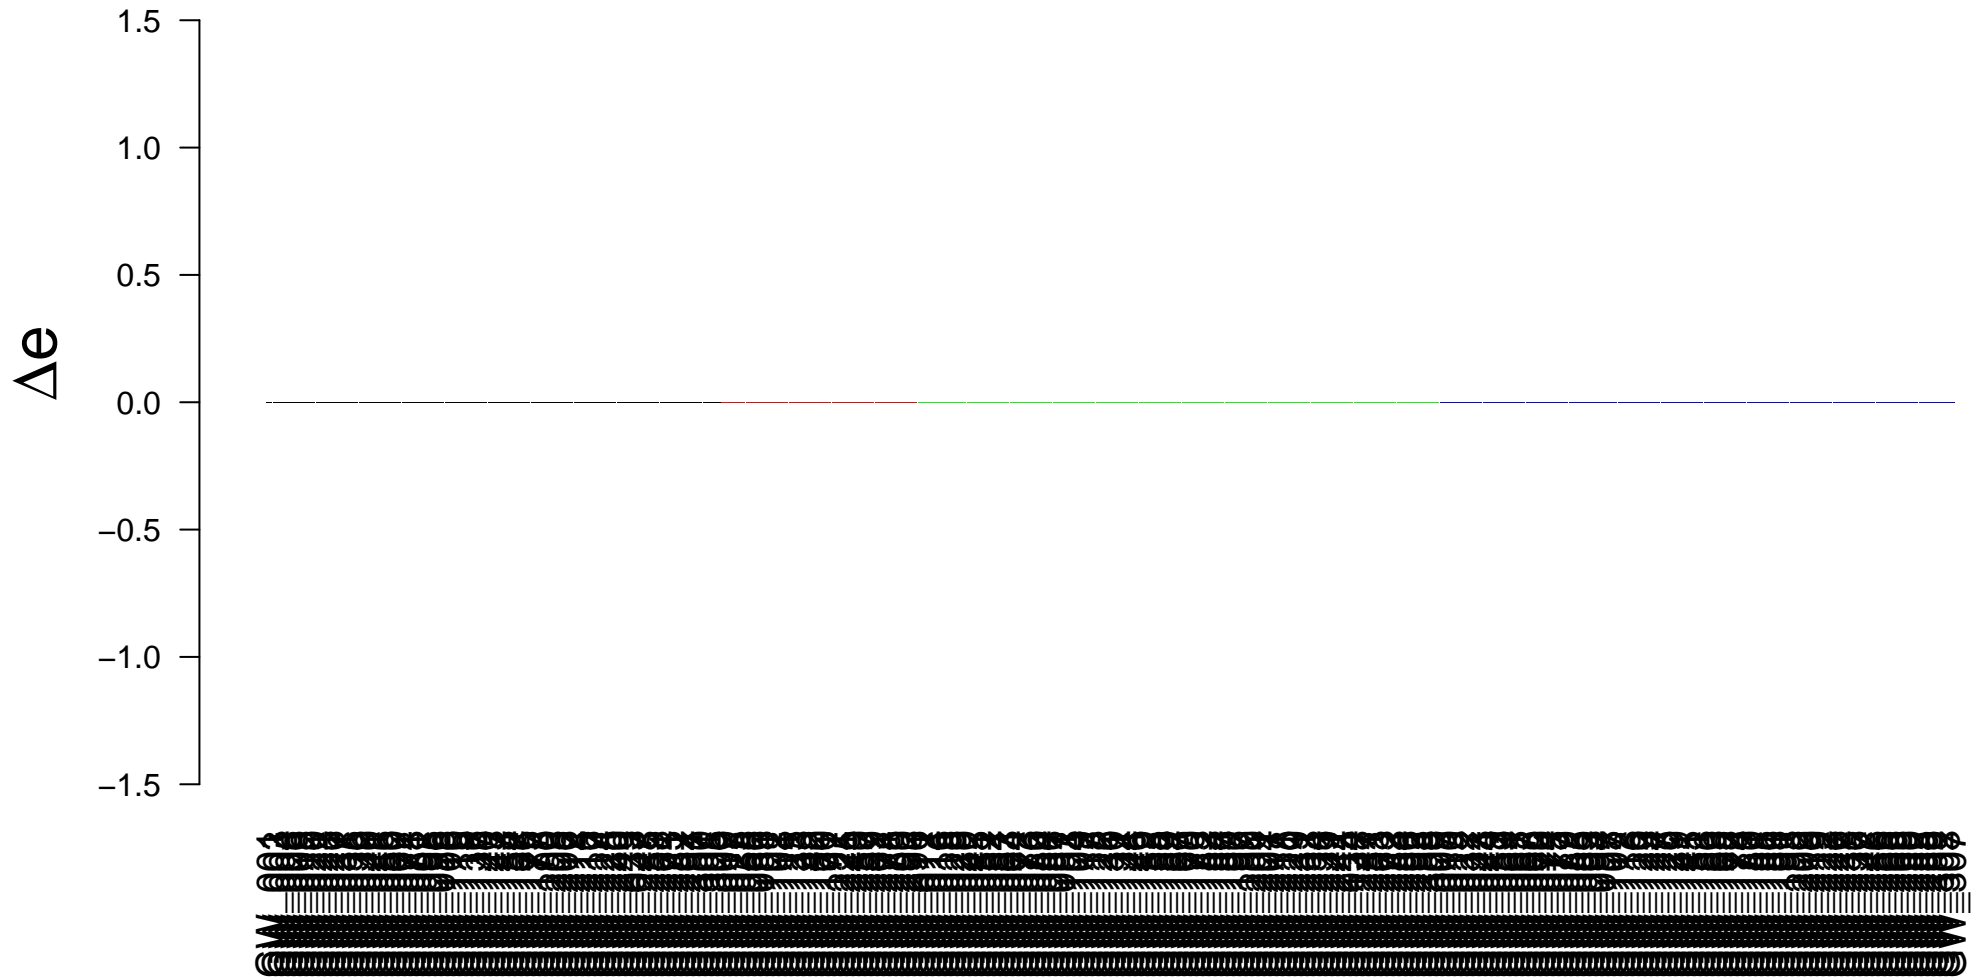

Expression of osteoclast differentiation in Spot M

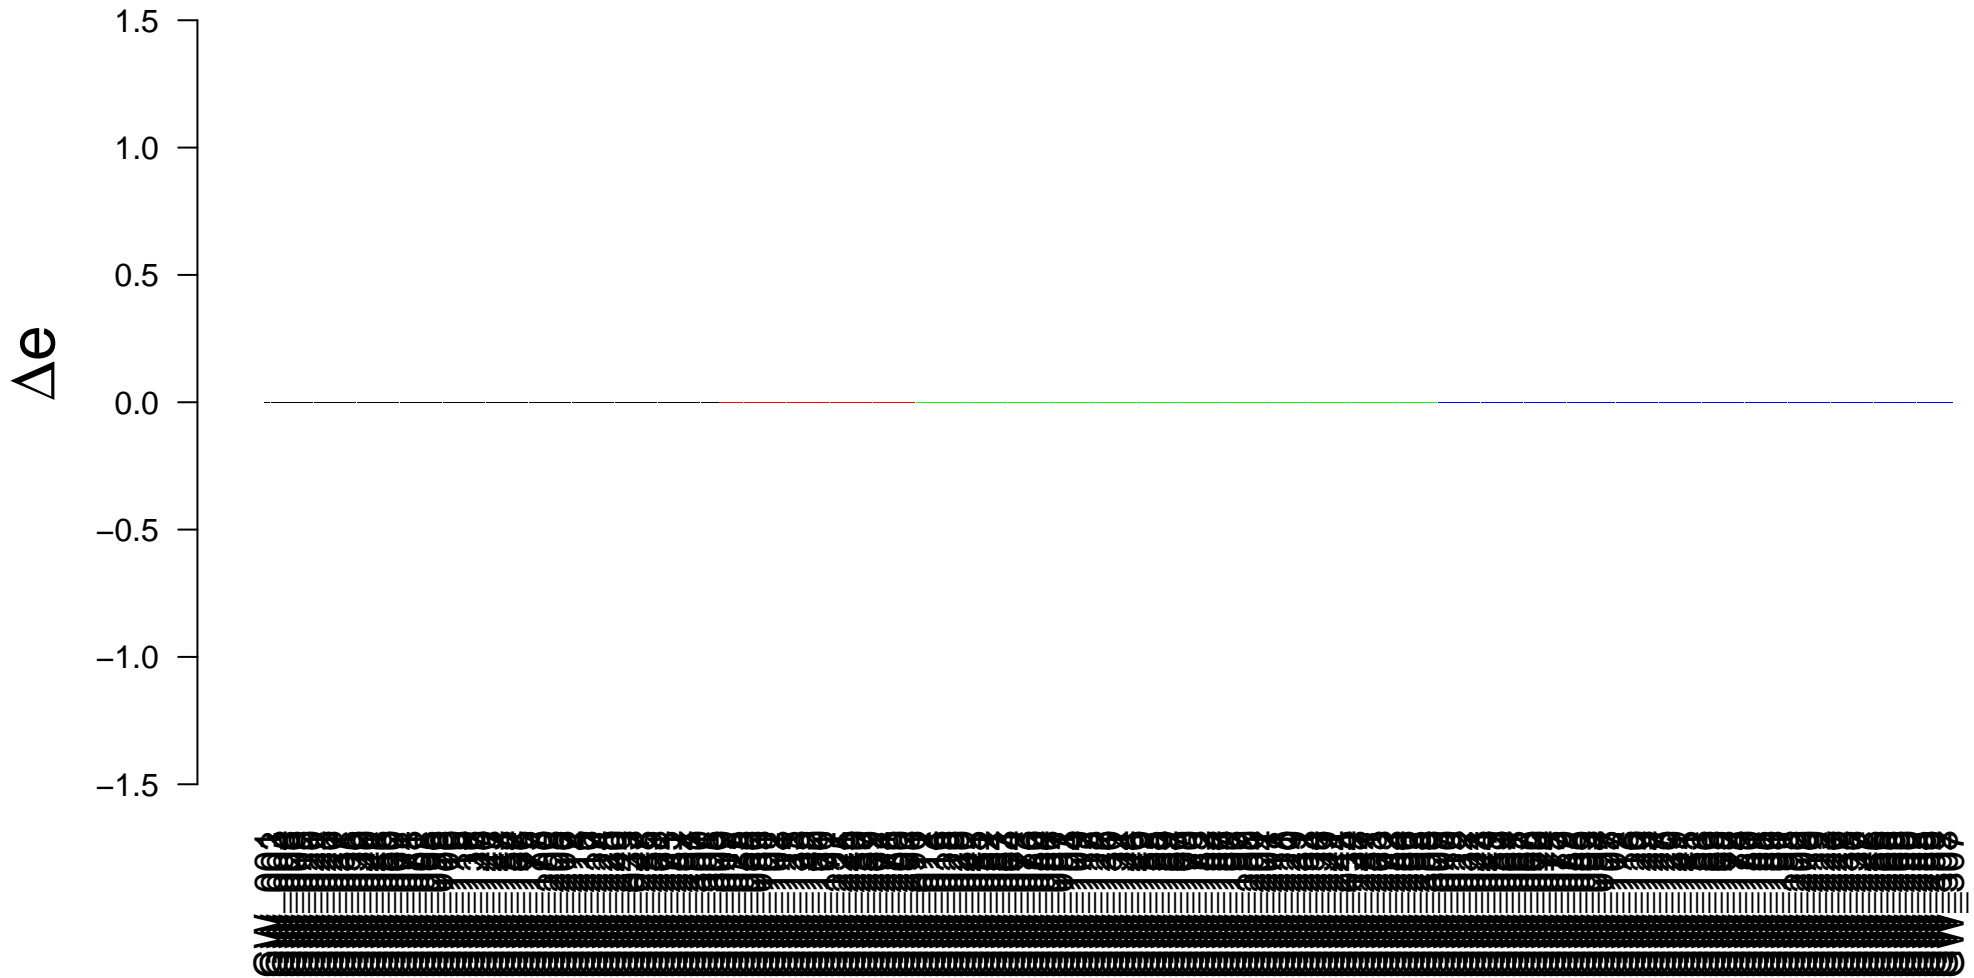

Expression of osteoclast differentiation in Spot N

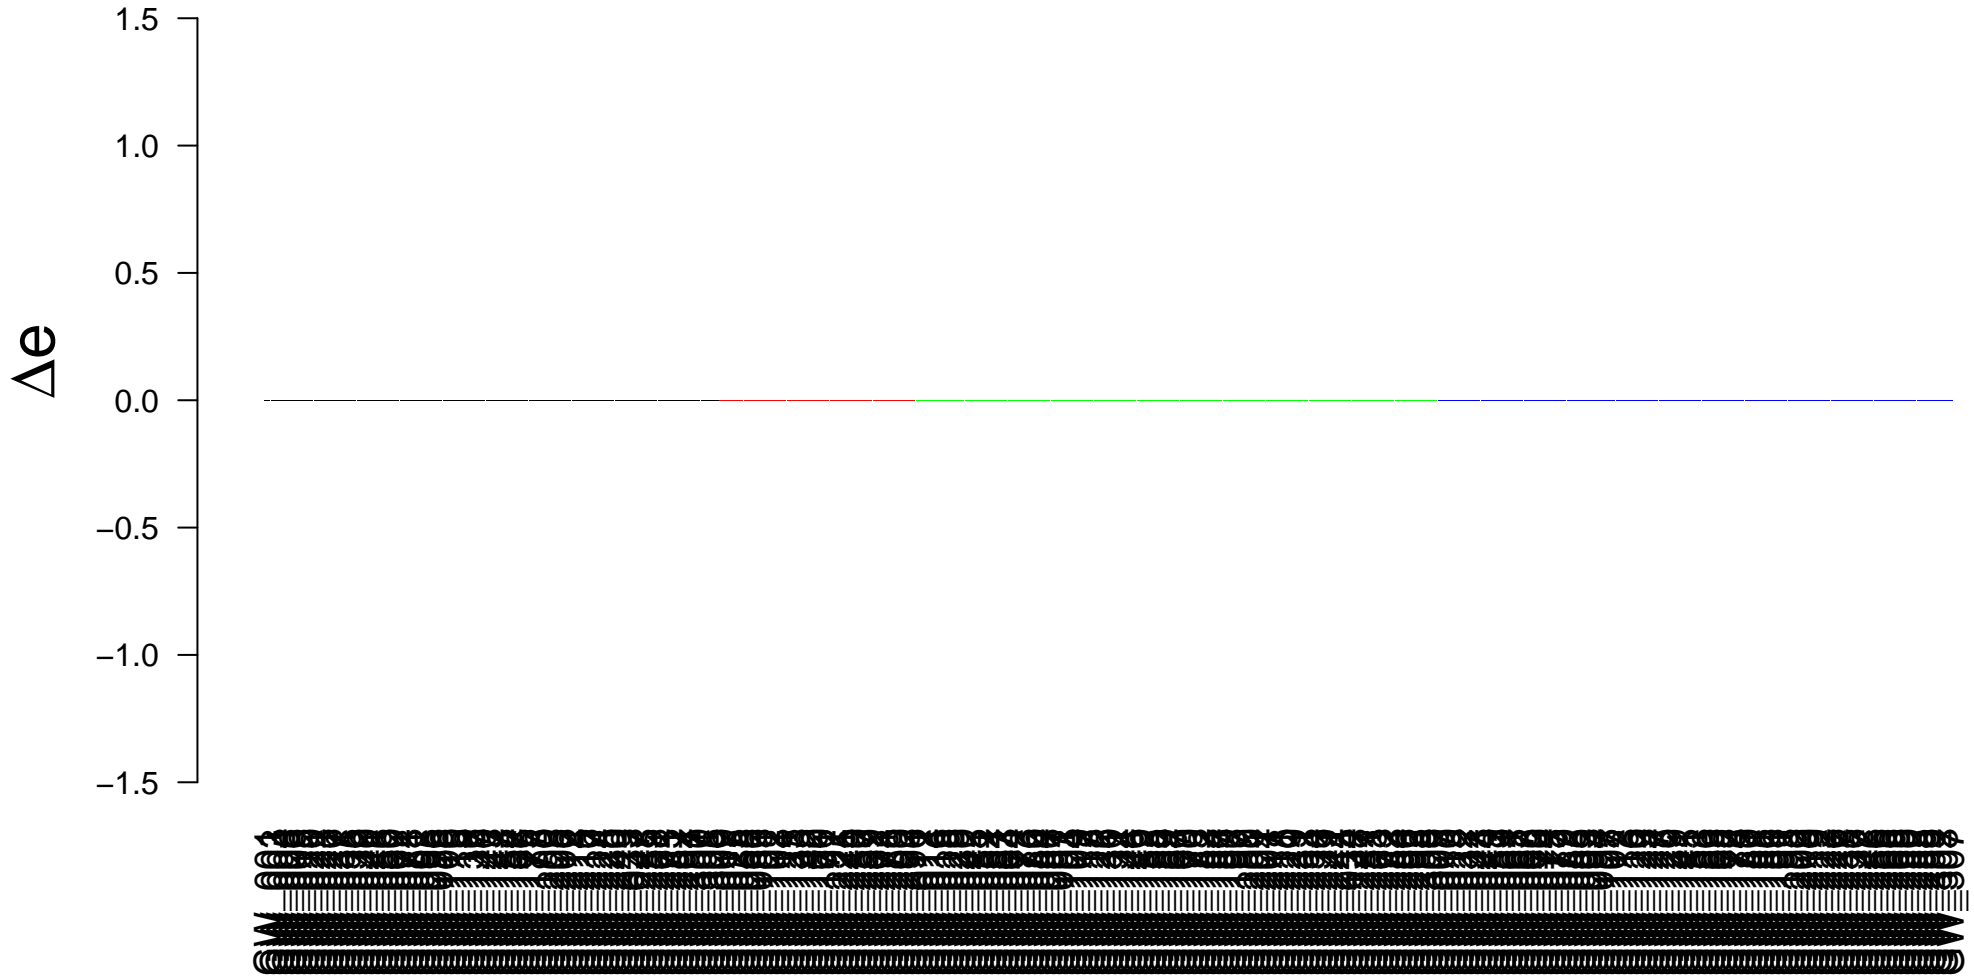

Expression of osteoclast differentiation in Spot O

Expression of osteoclast differentiation in Spot P

Expression of osteoclast differentiation in Spot Q

Expression of osteoclast differentiation in Spot R
