

oxidoreductase activity, acting on NAD(P)H

oxidoreductase activity, acting on NAD(P)H

# Enrichment in spots: oxidoreductase activity, acting on NAD(P)H

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot A

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot B

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot C

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot D

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot E

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot F

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot G

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot H

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot I

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot J

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot K

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot L

# Expression of oxidoreductase activity, acting on NAD(P)H in Spot M
