

oxygen binding

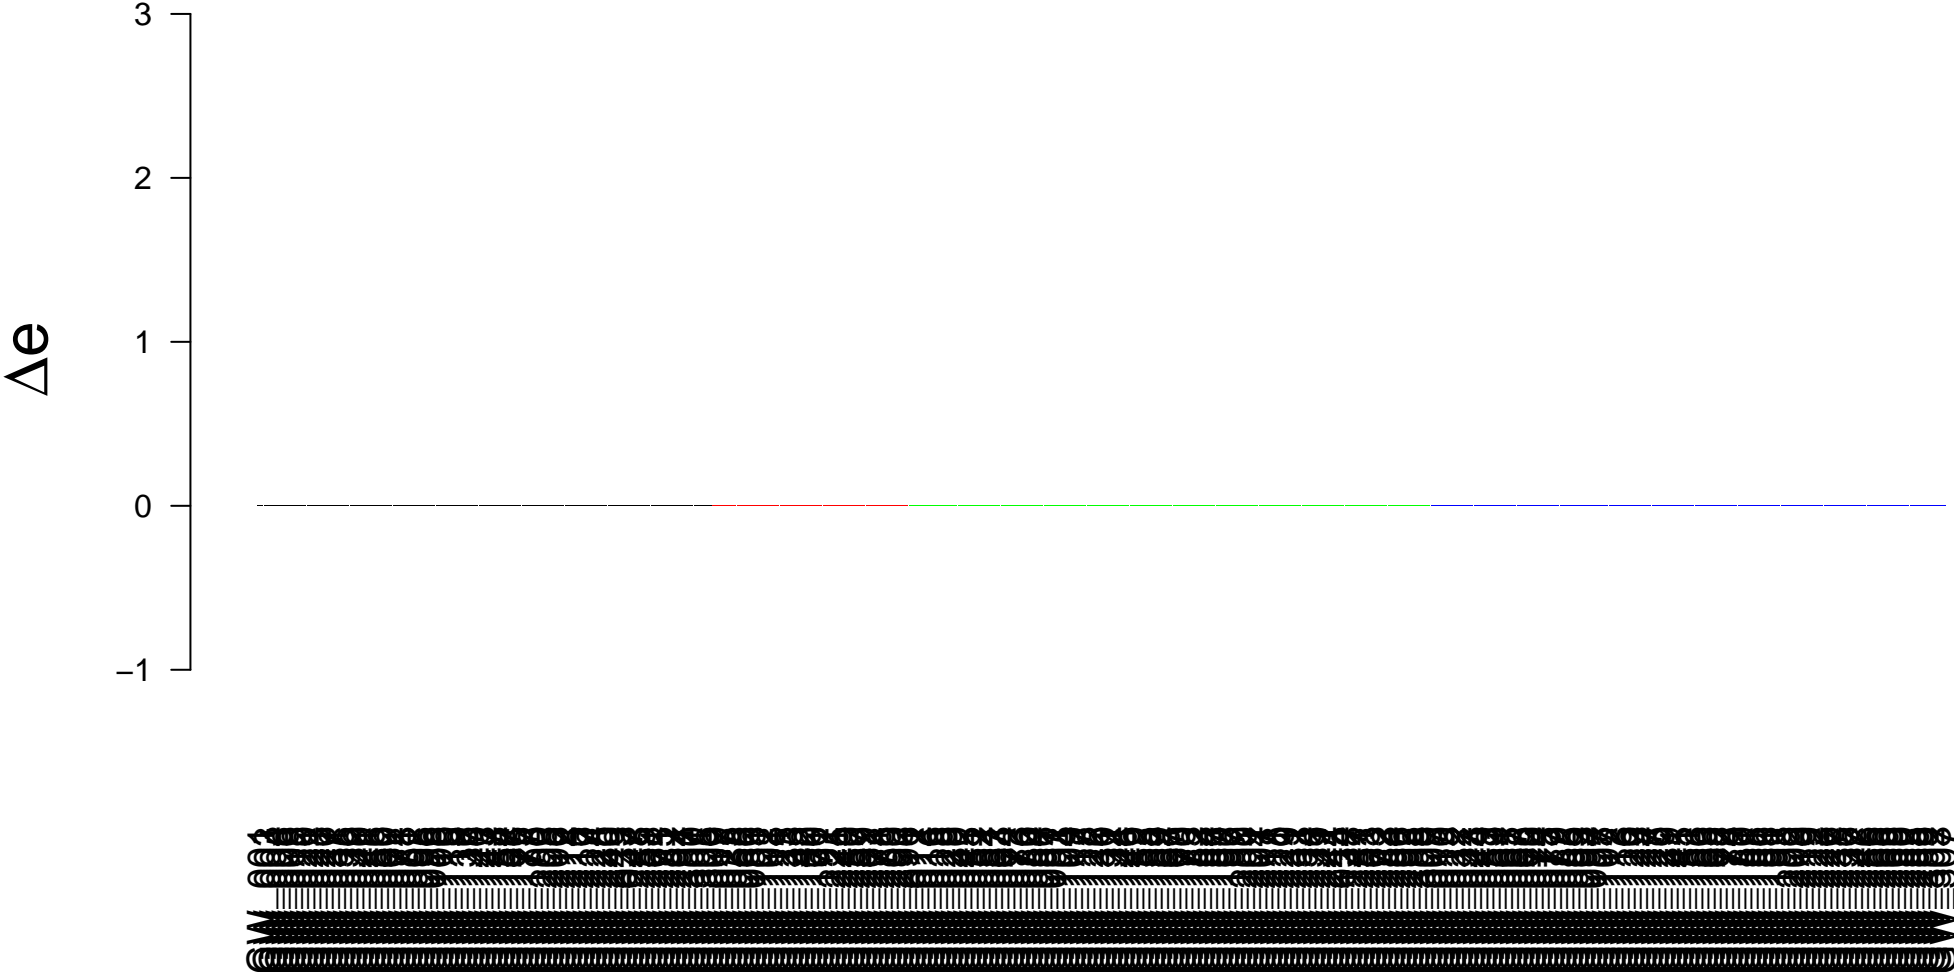

oxygen binding

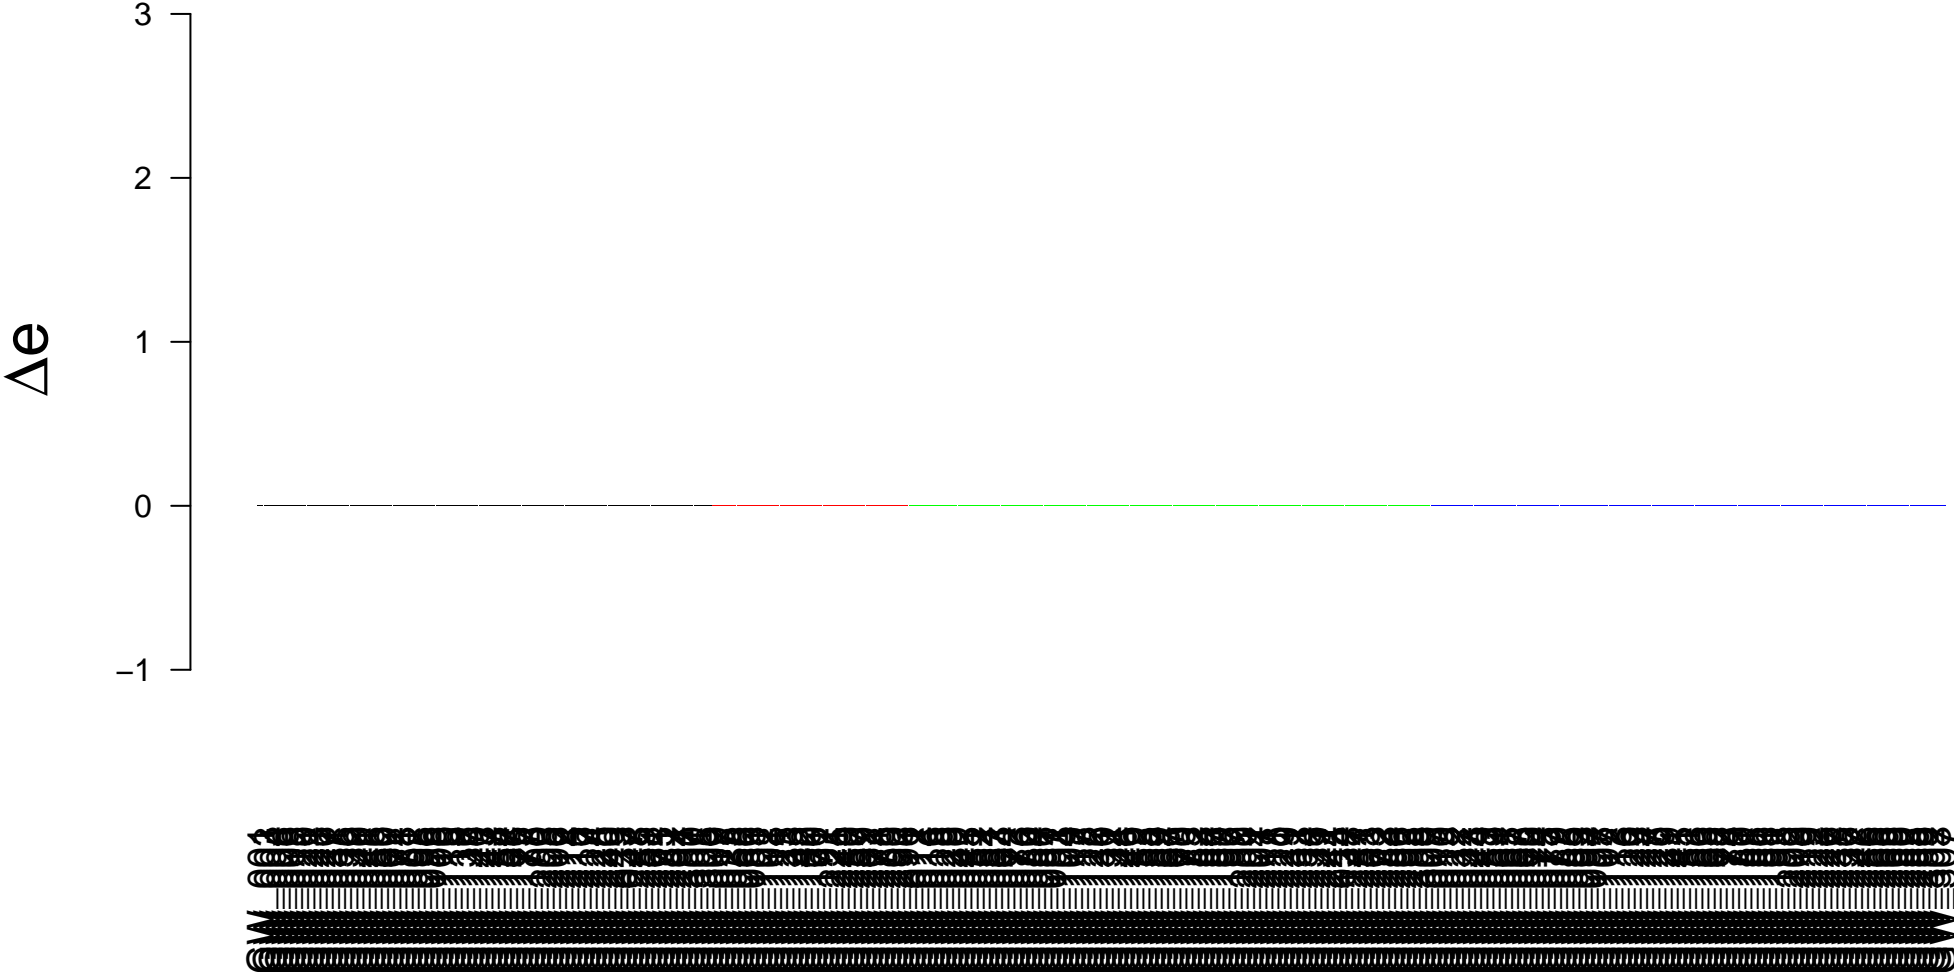

Enrichment in spots: oxygen binding

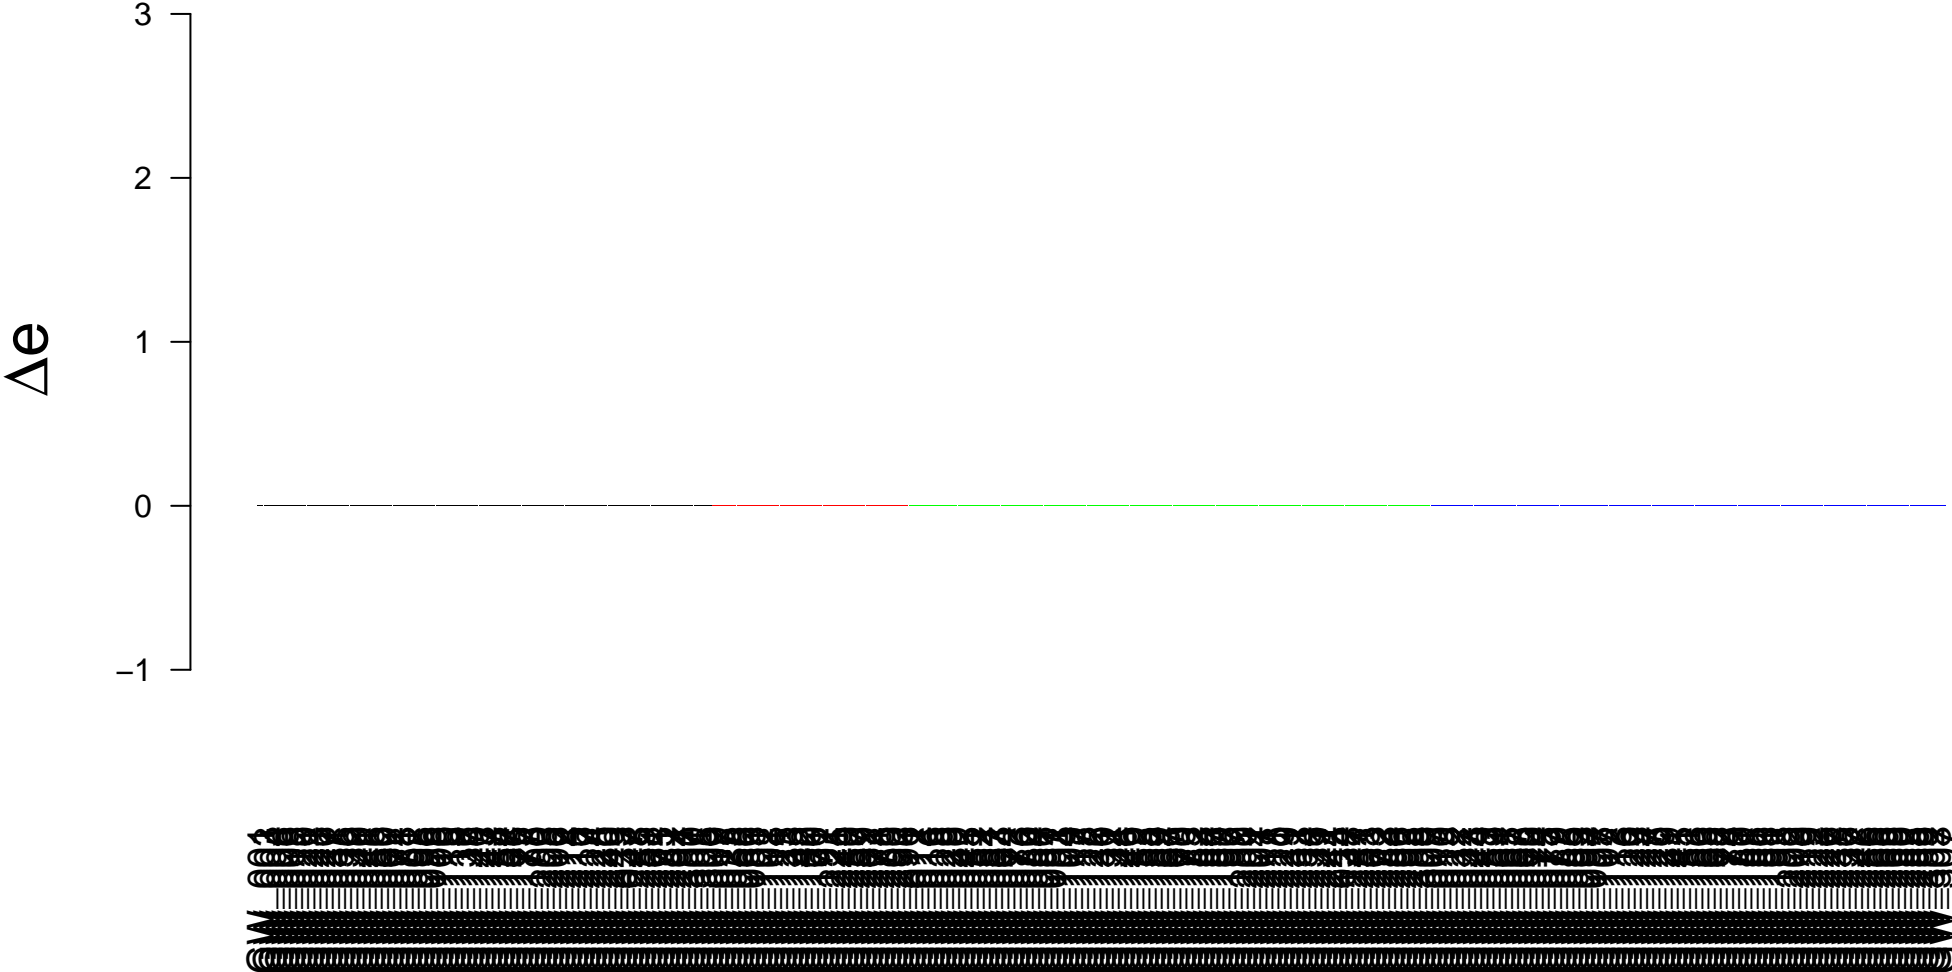

Expression of oxygen binding in Spot A

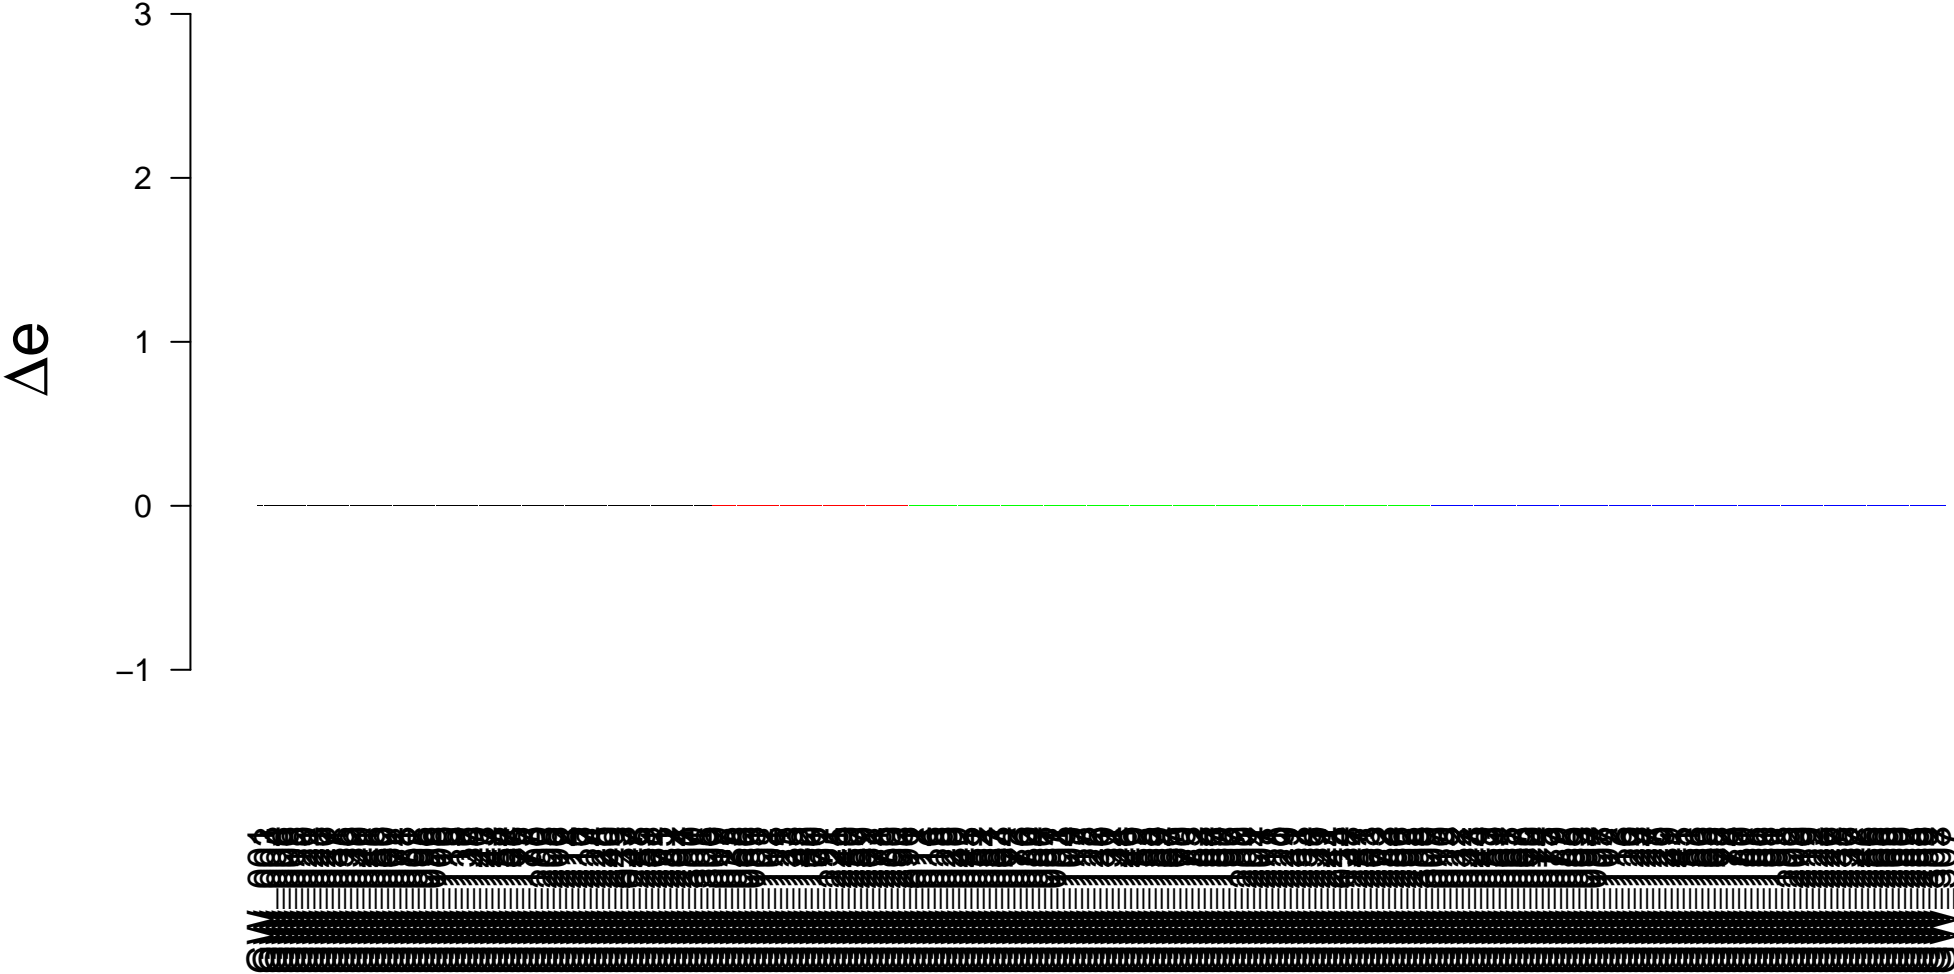

Expression of oxygen binding in Spot B

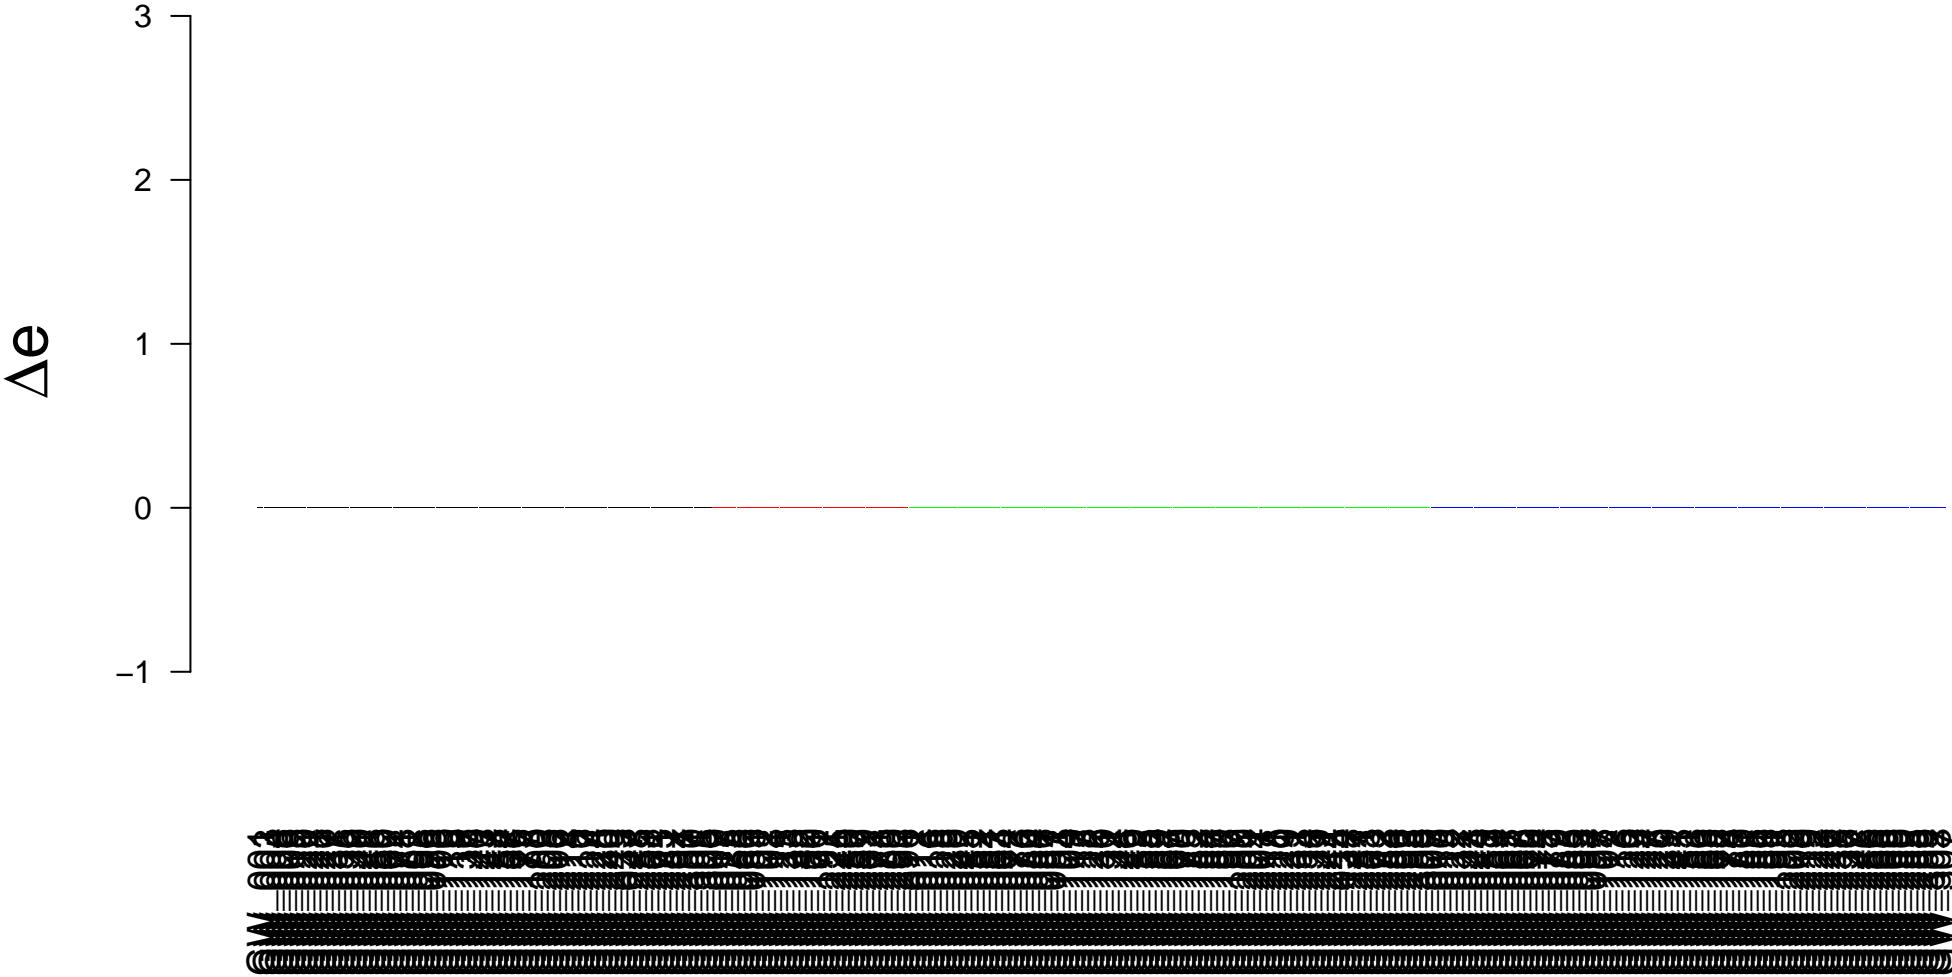

Expression of oxygen binding in Spot C

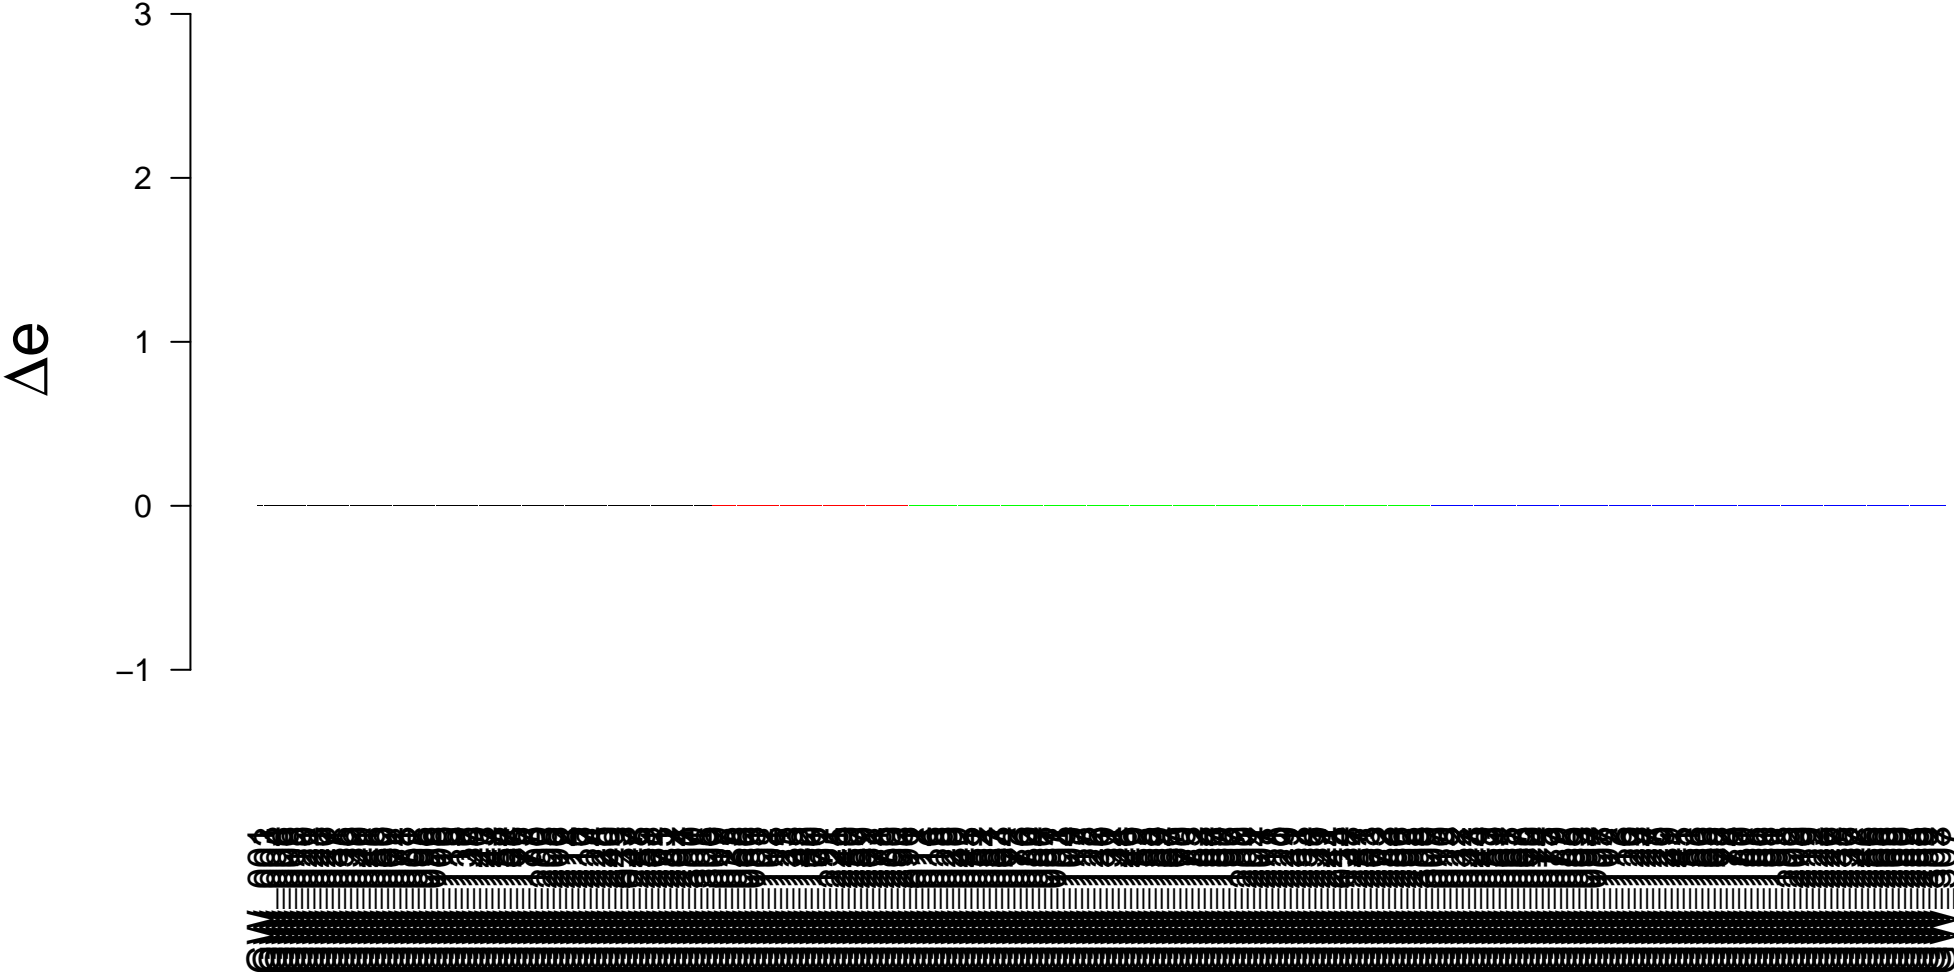

Expression of oxygen binding in Spot D

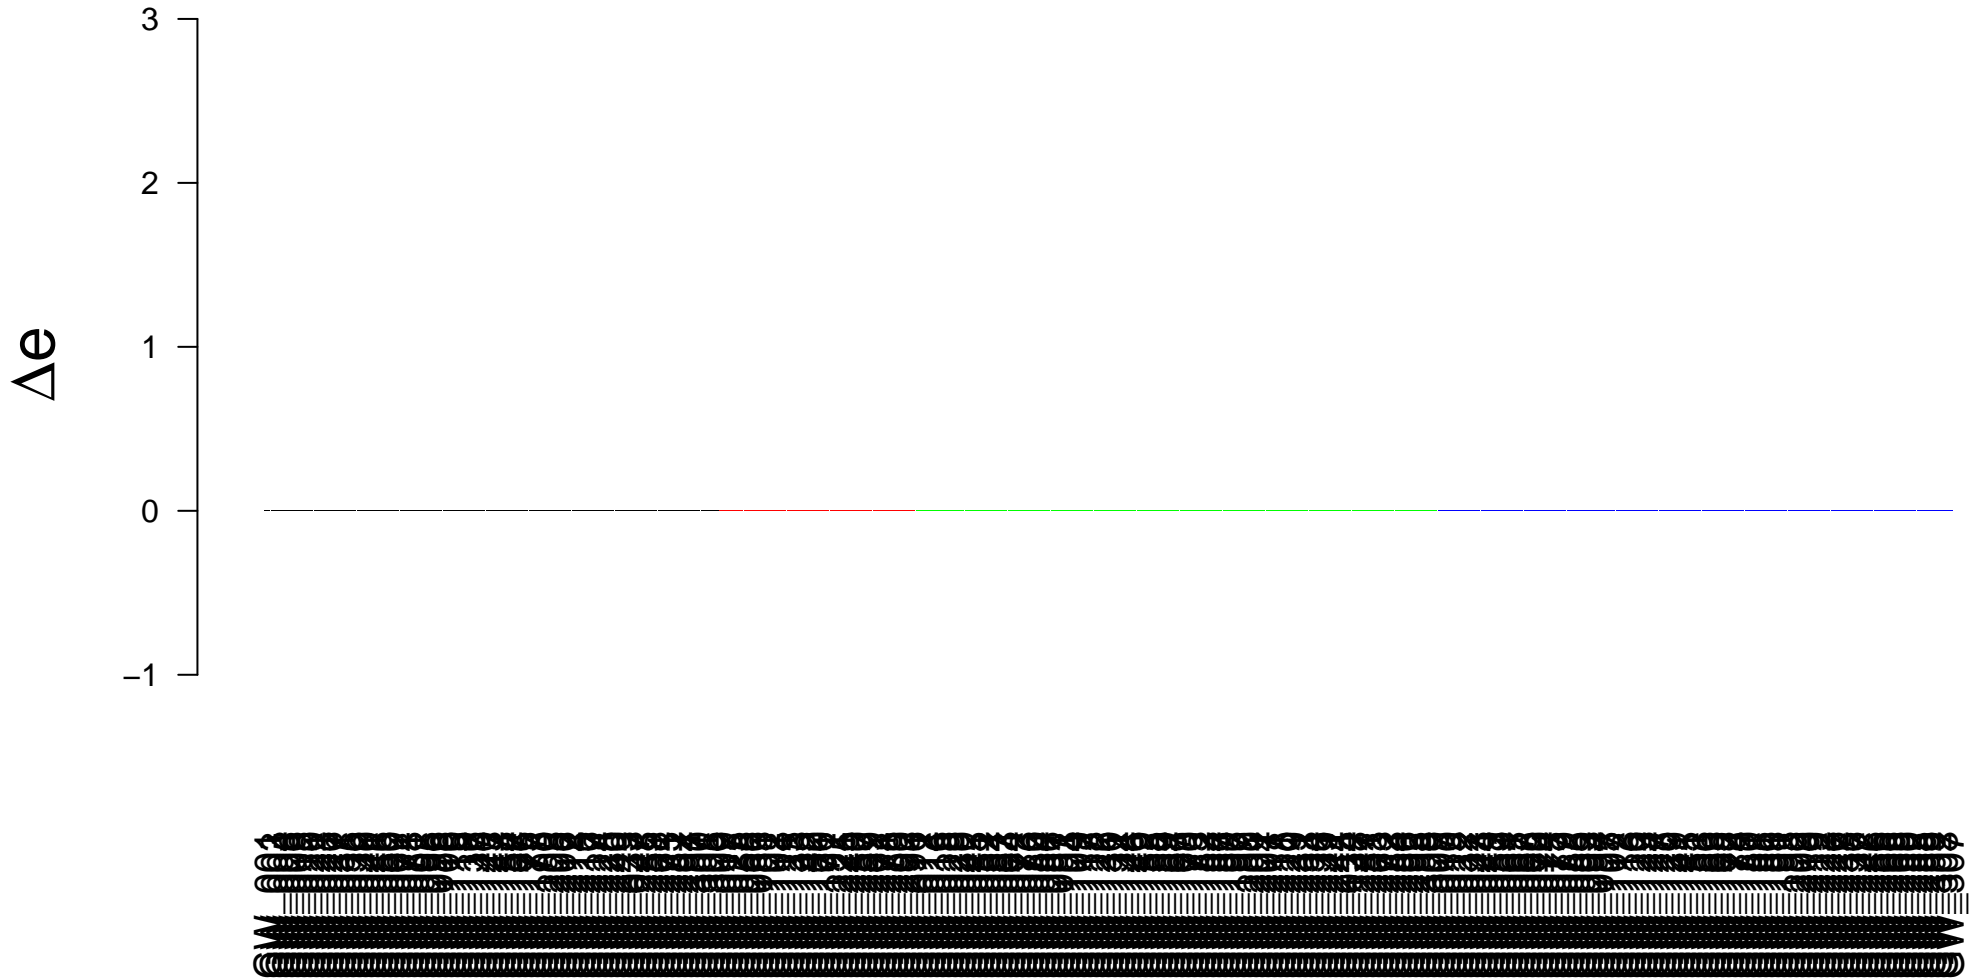

Expression of oxygen binding in Spot E

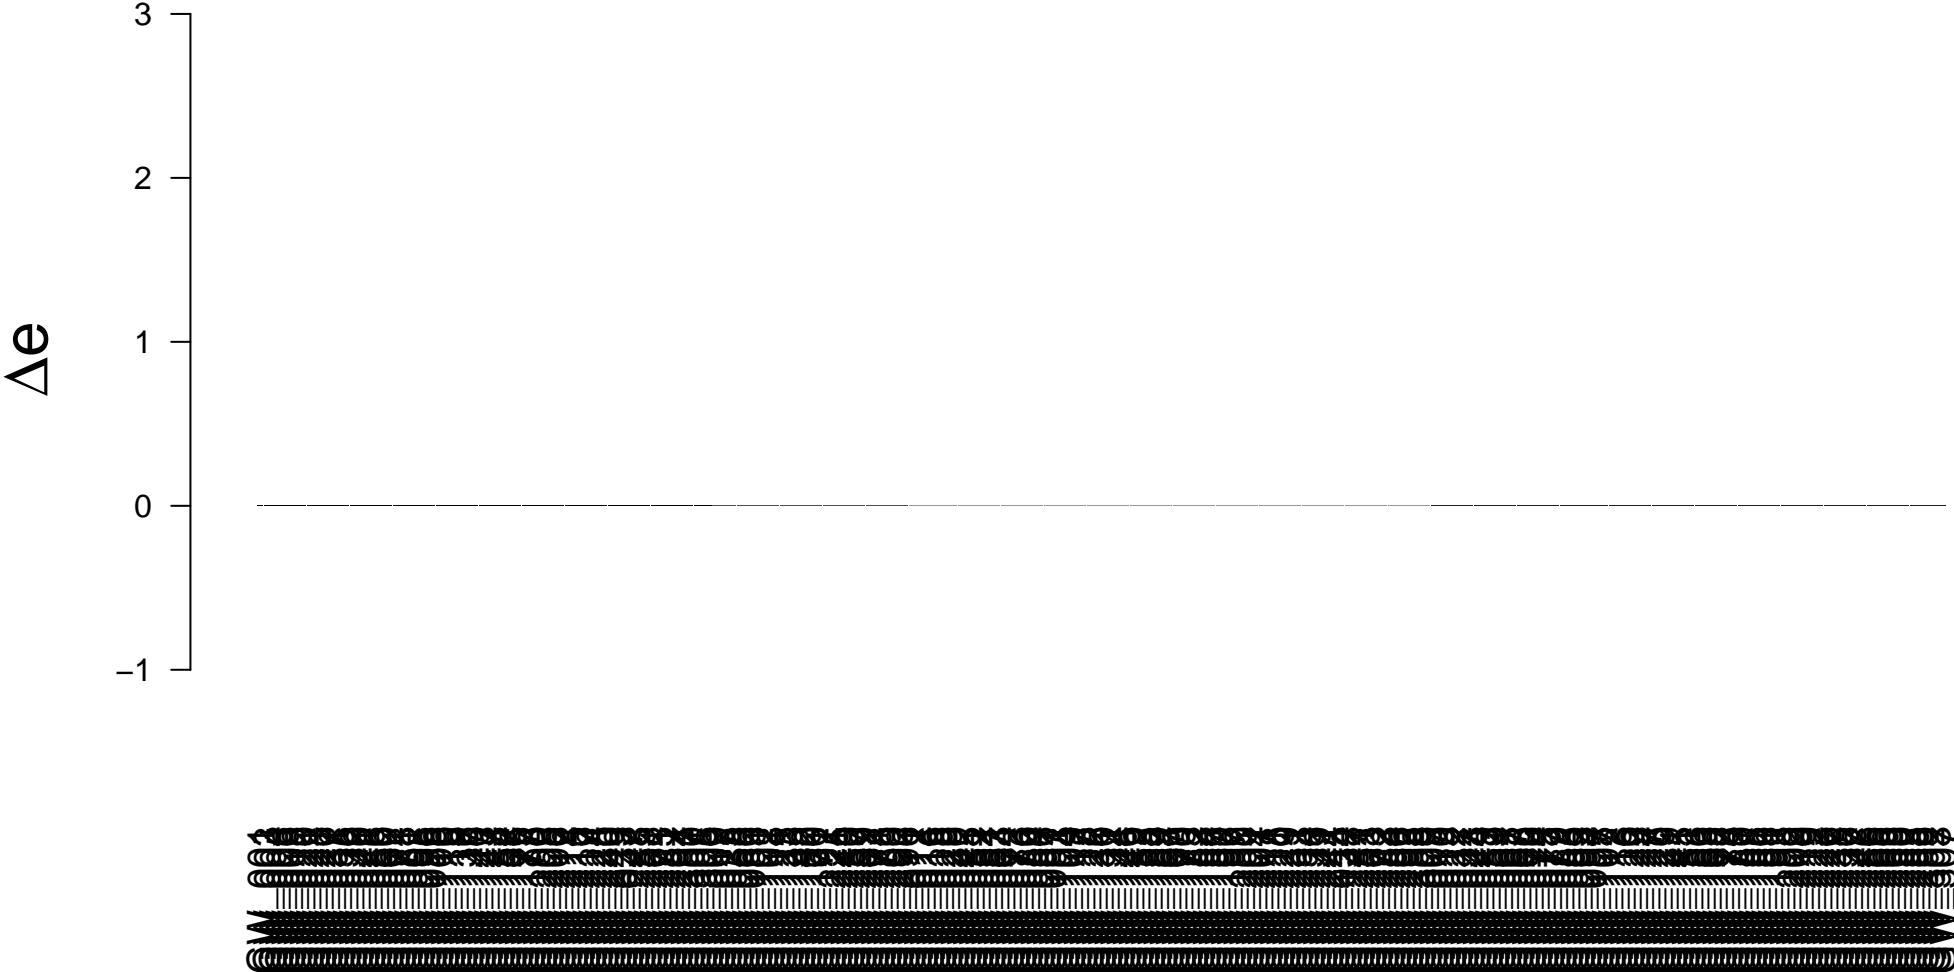

Expression of oxygen binding in Spot F

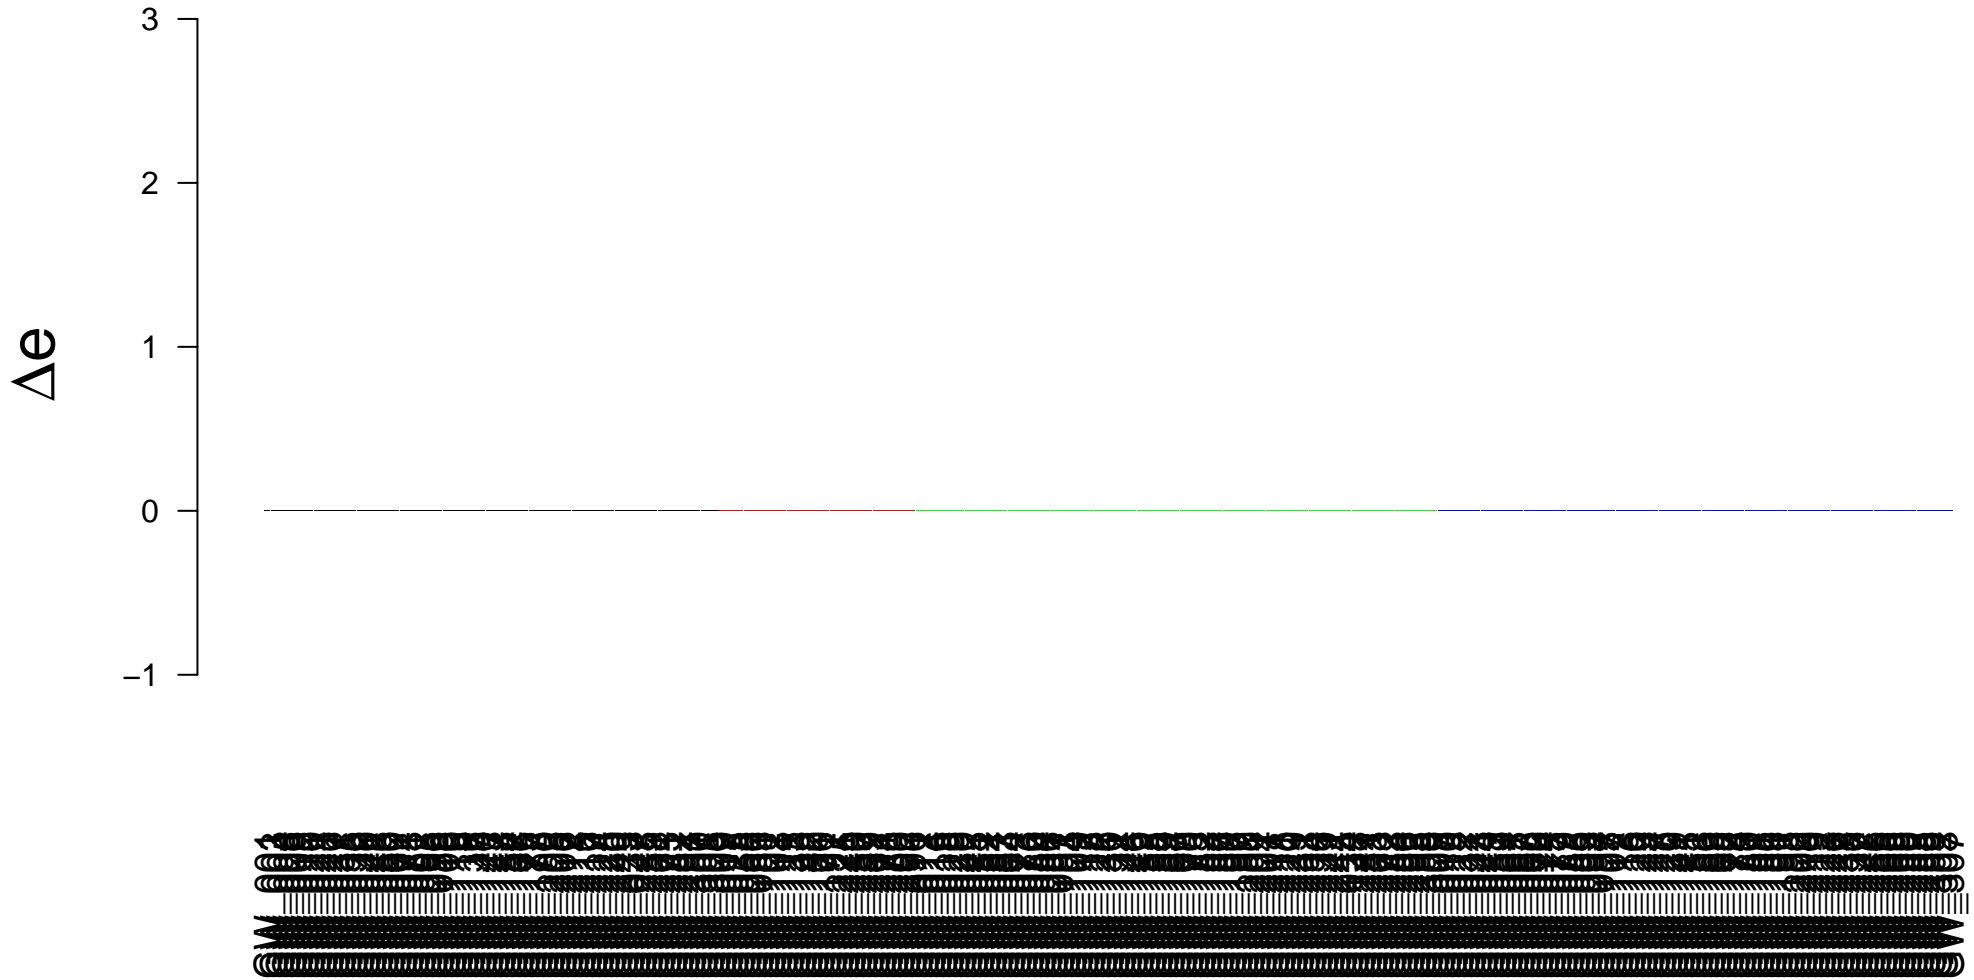

Expression of oxygen binding in Spot G

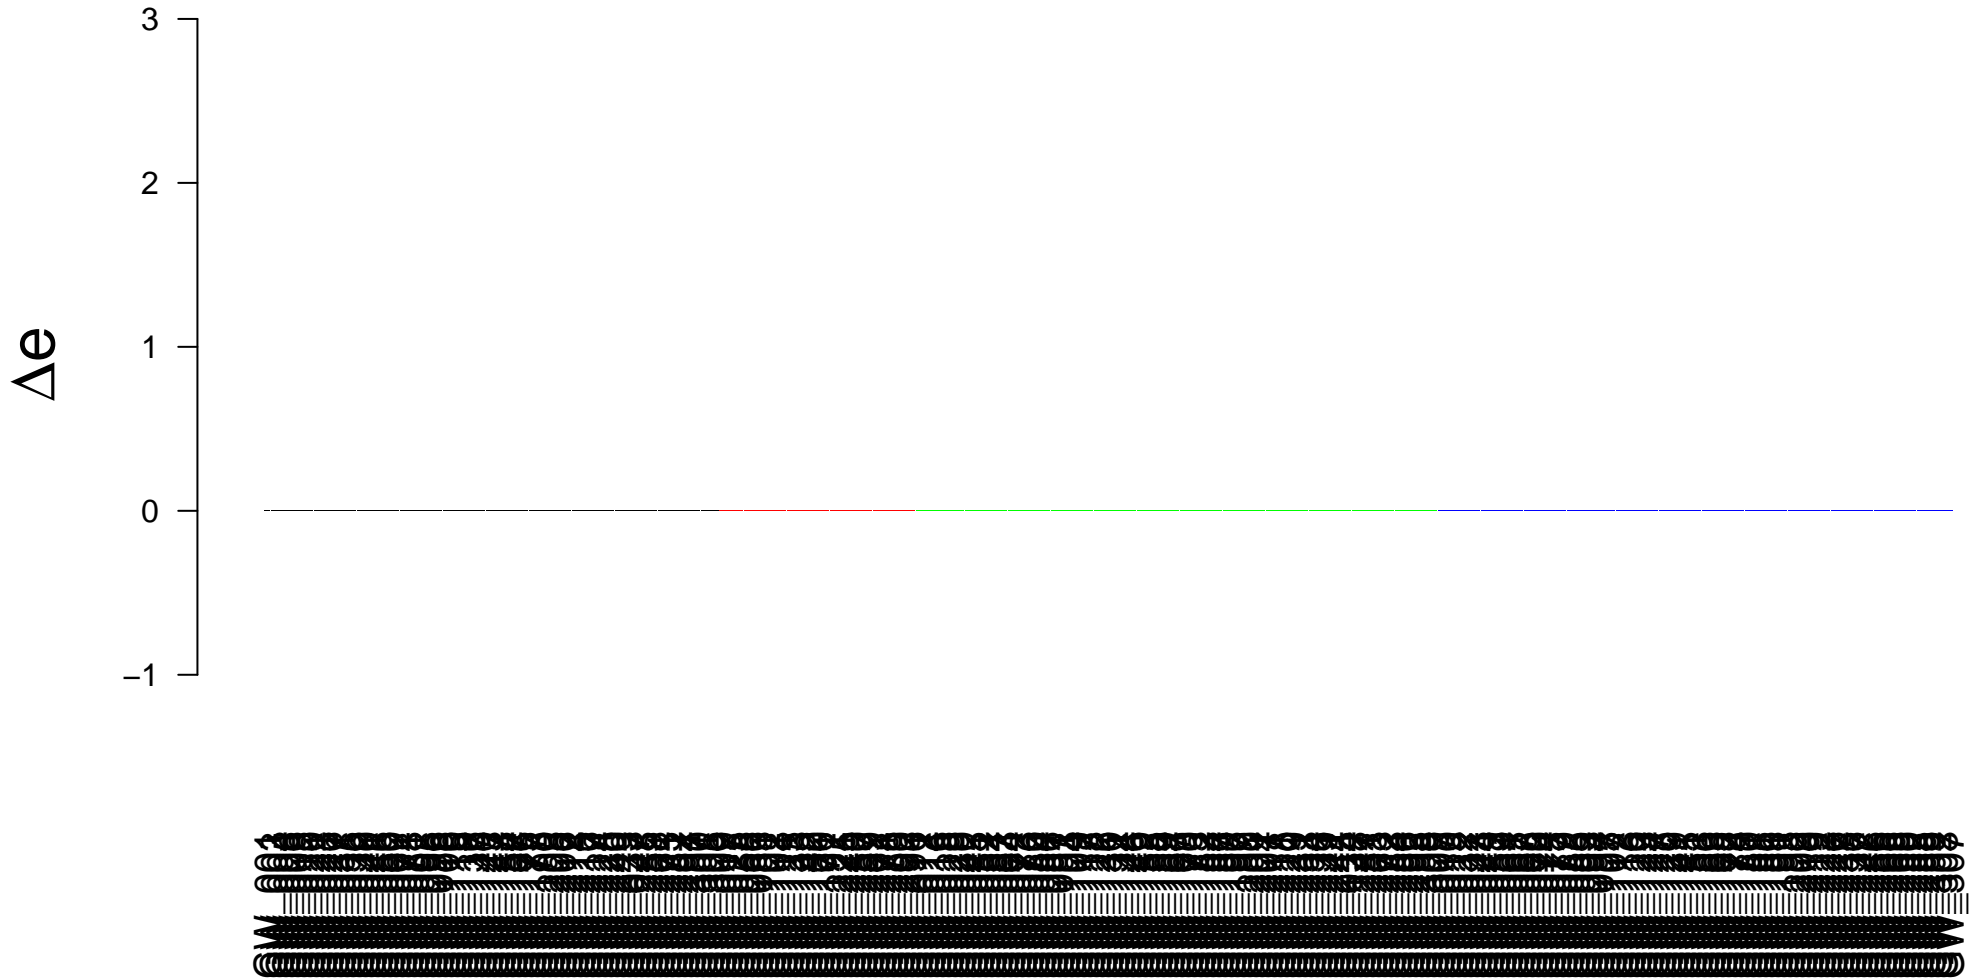

Expression of oxygen binding in Spot H

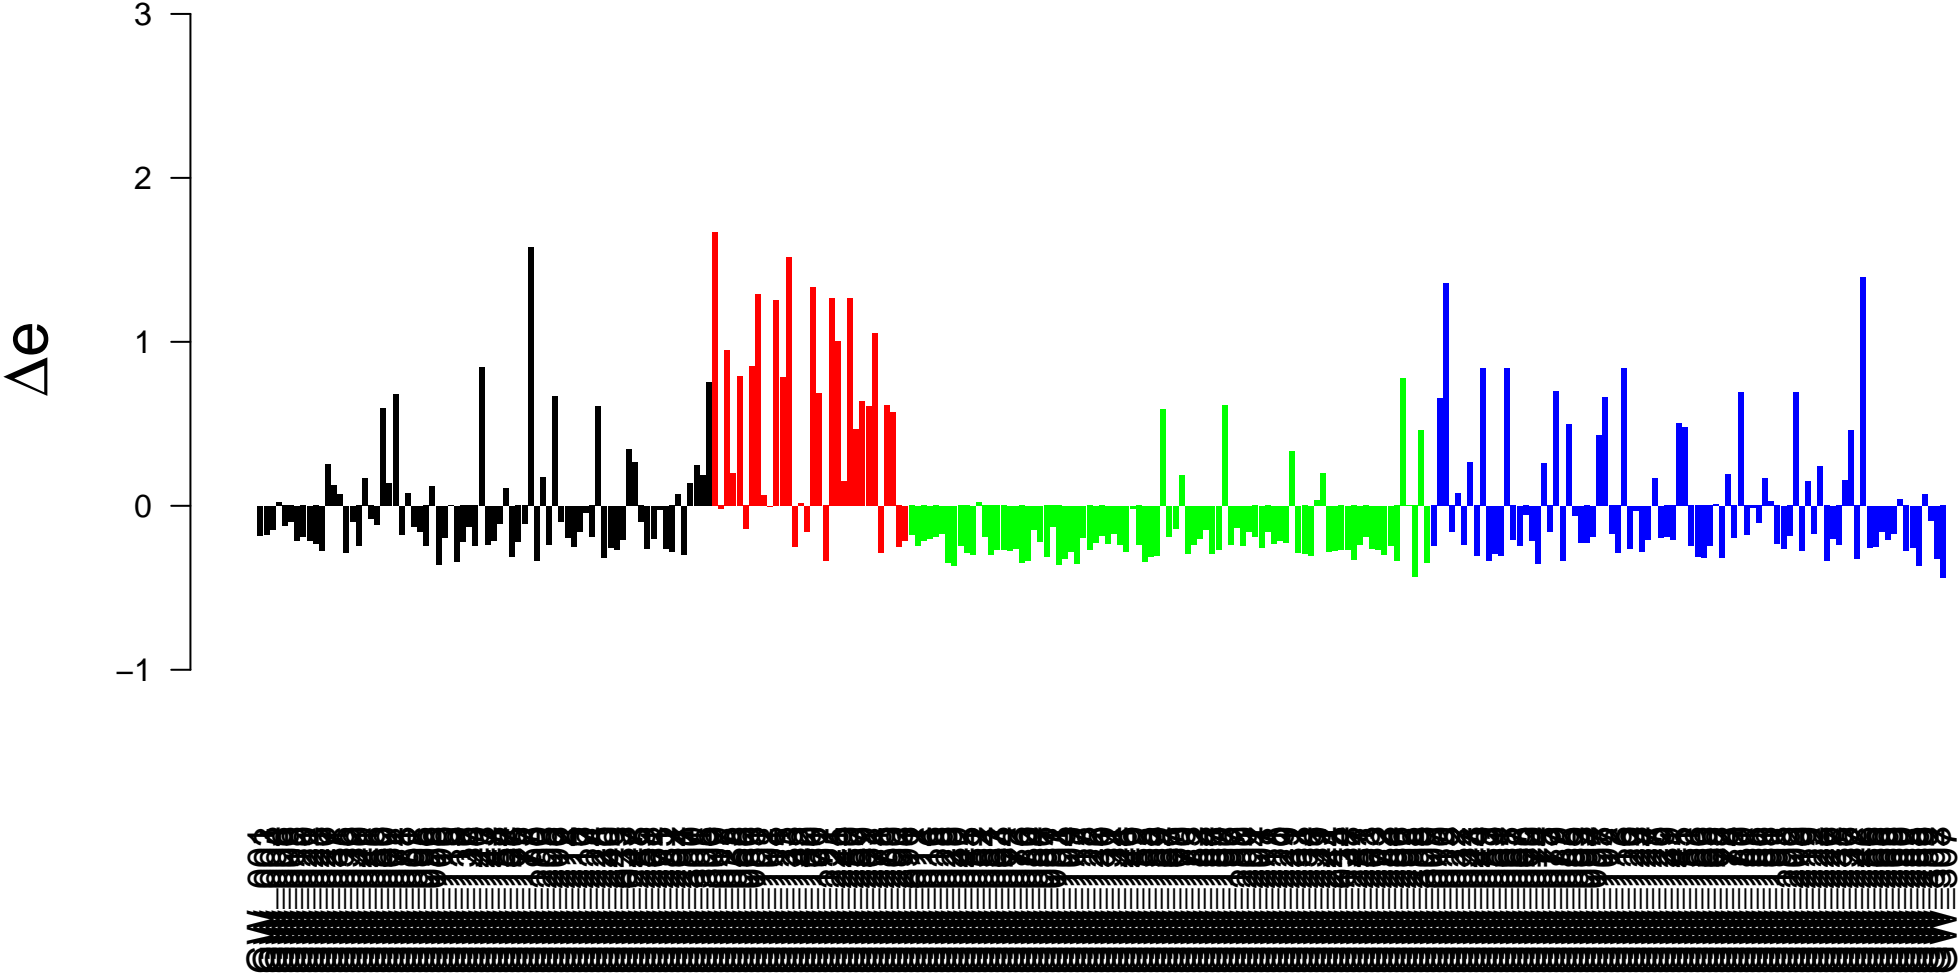

Expression of oxygen binding in Spot I

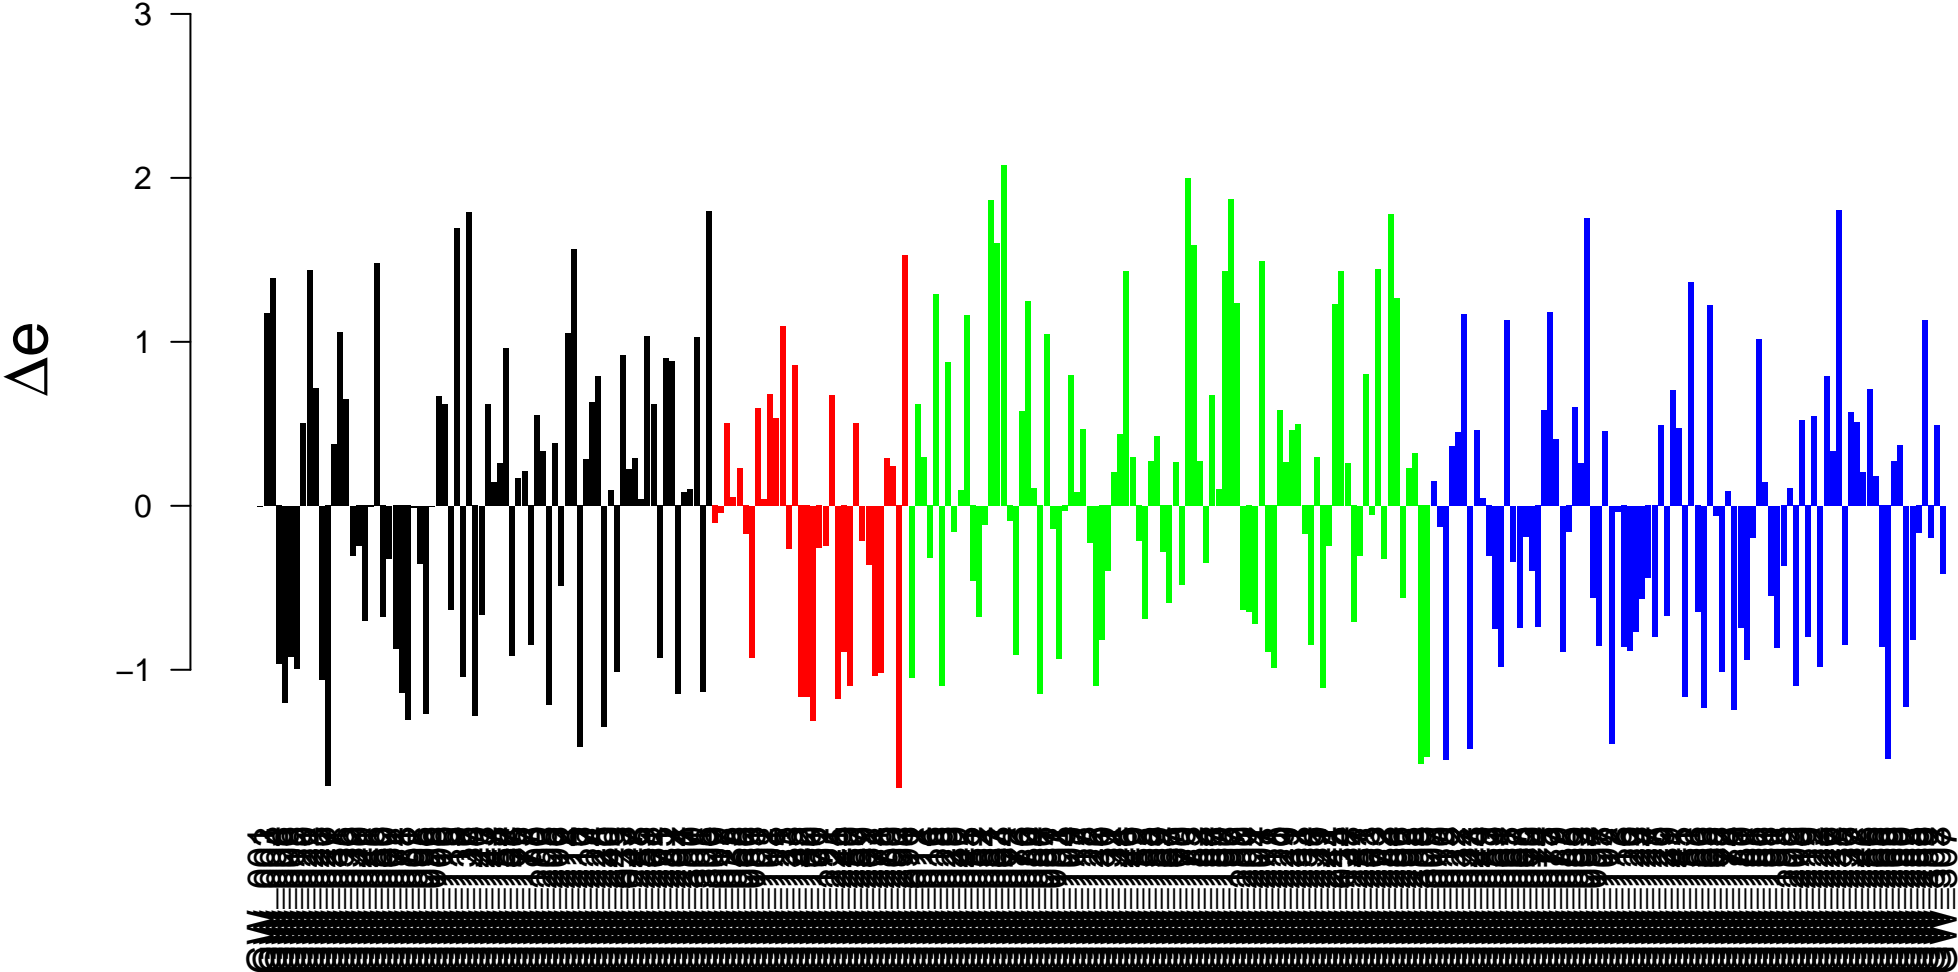

Expression of oxygen binding in Spot J

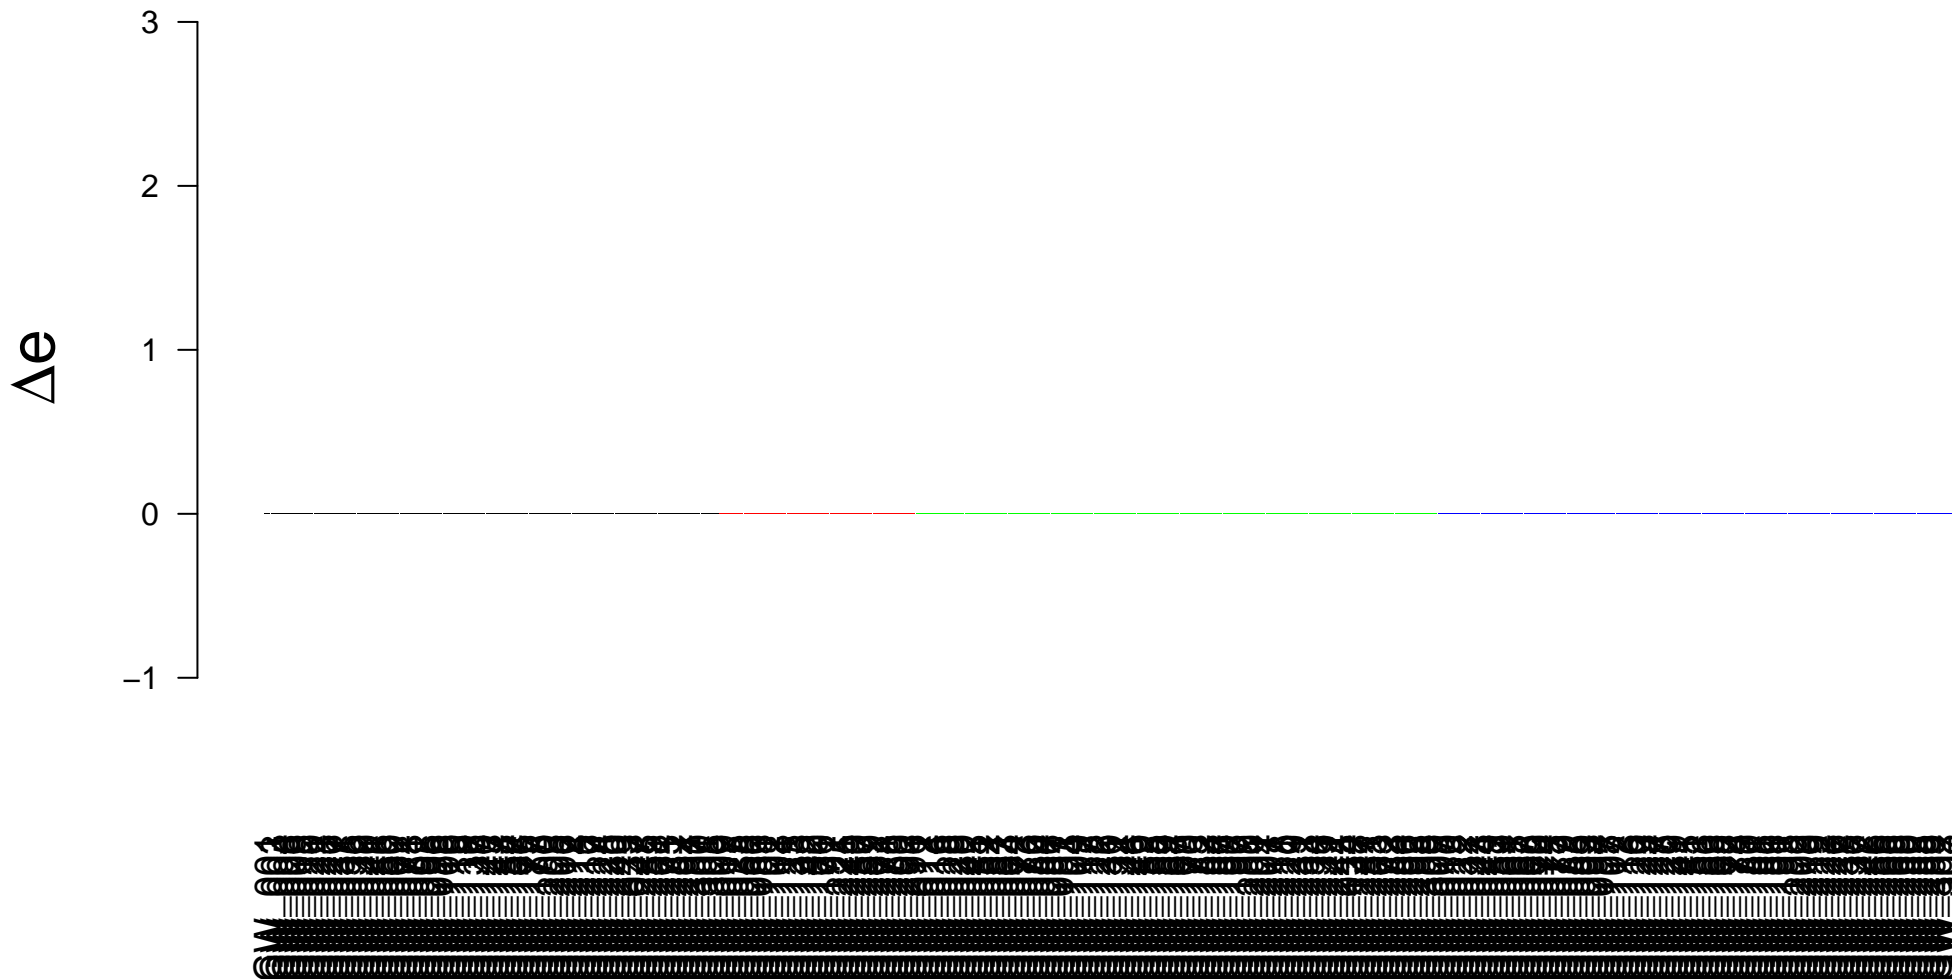

Expression of oxygen binding in Spot K

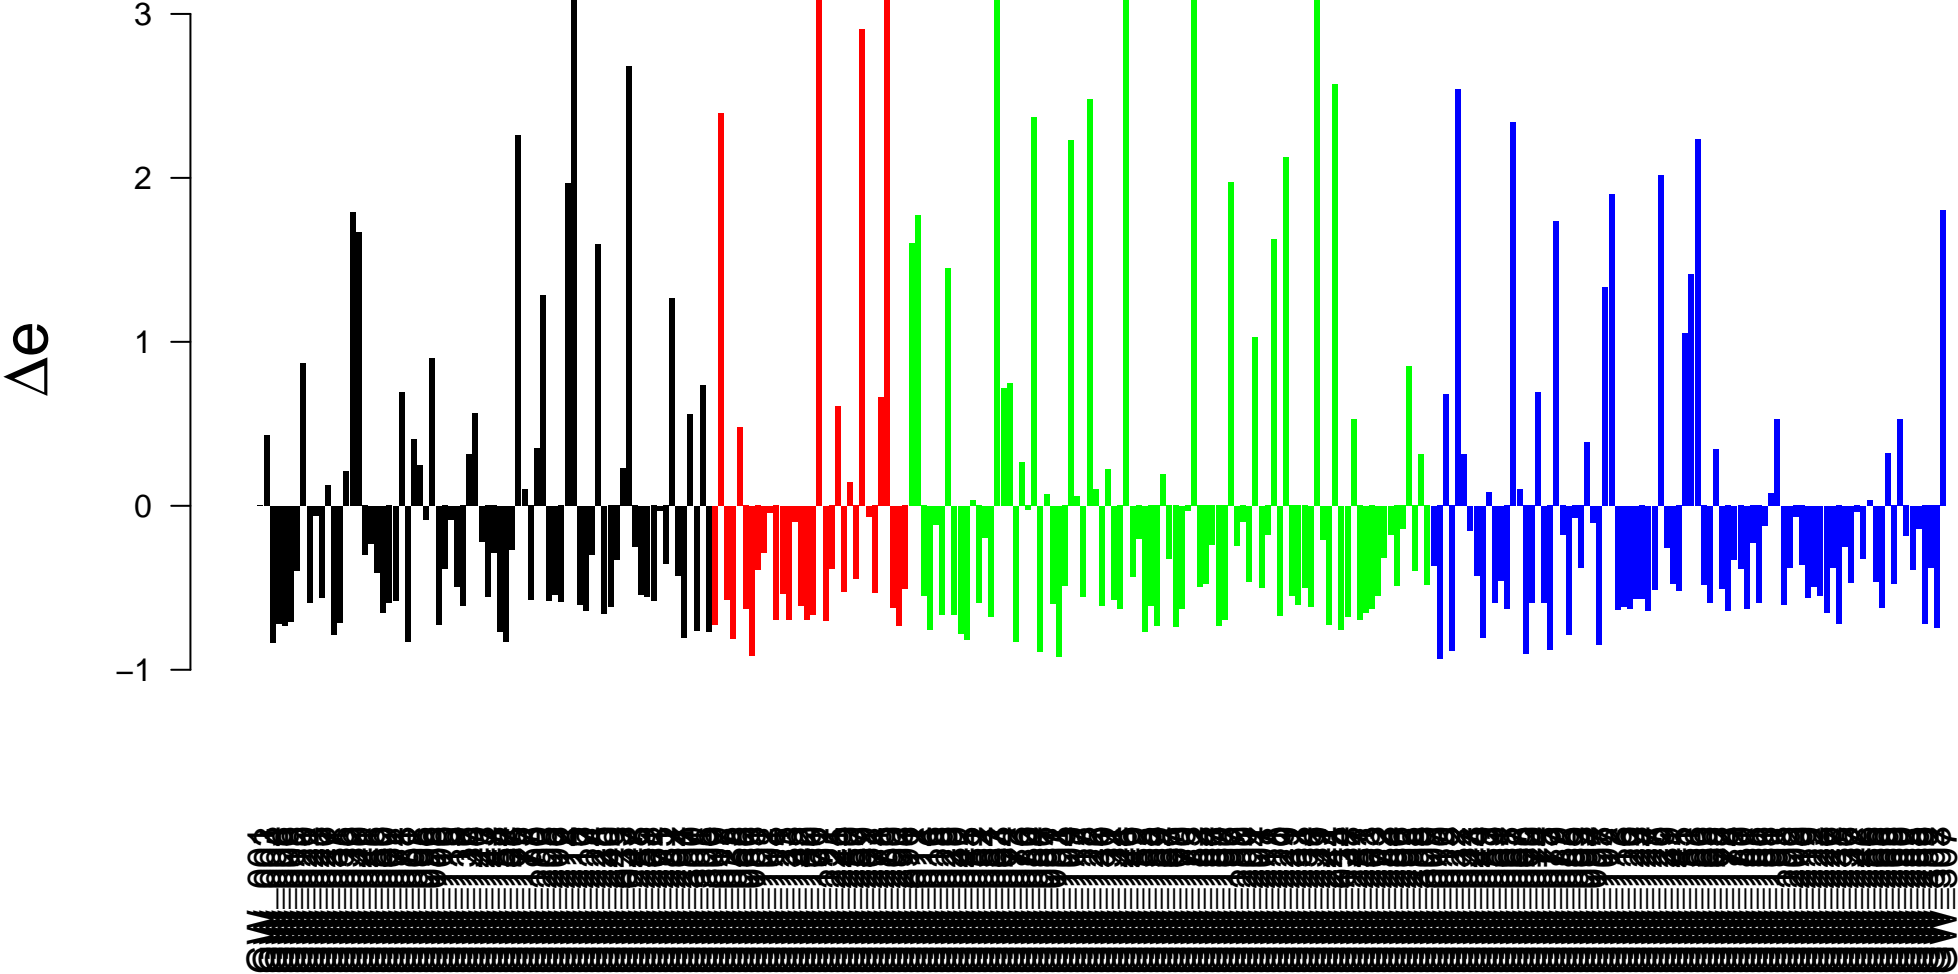

Expression of oxygen binding in Spot L

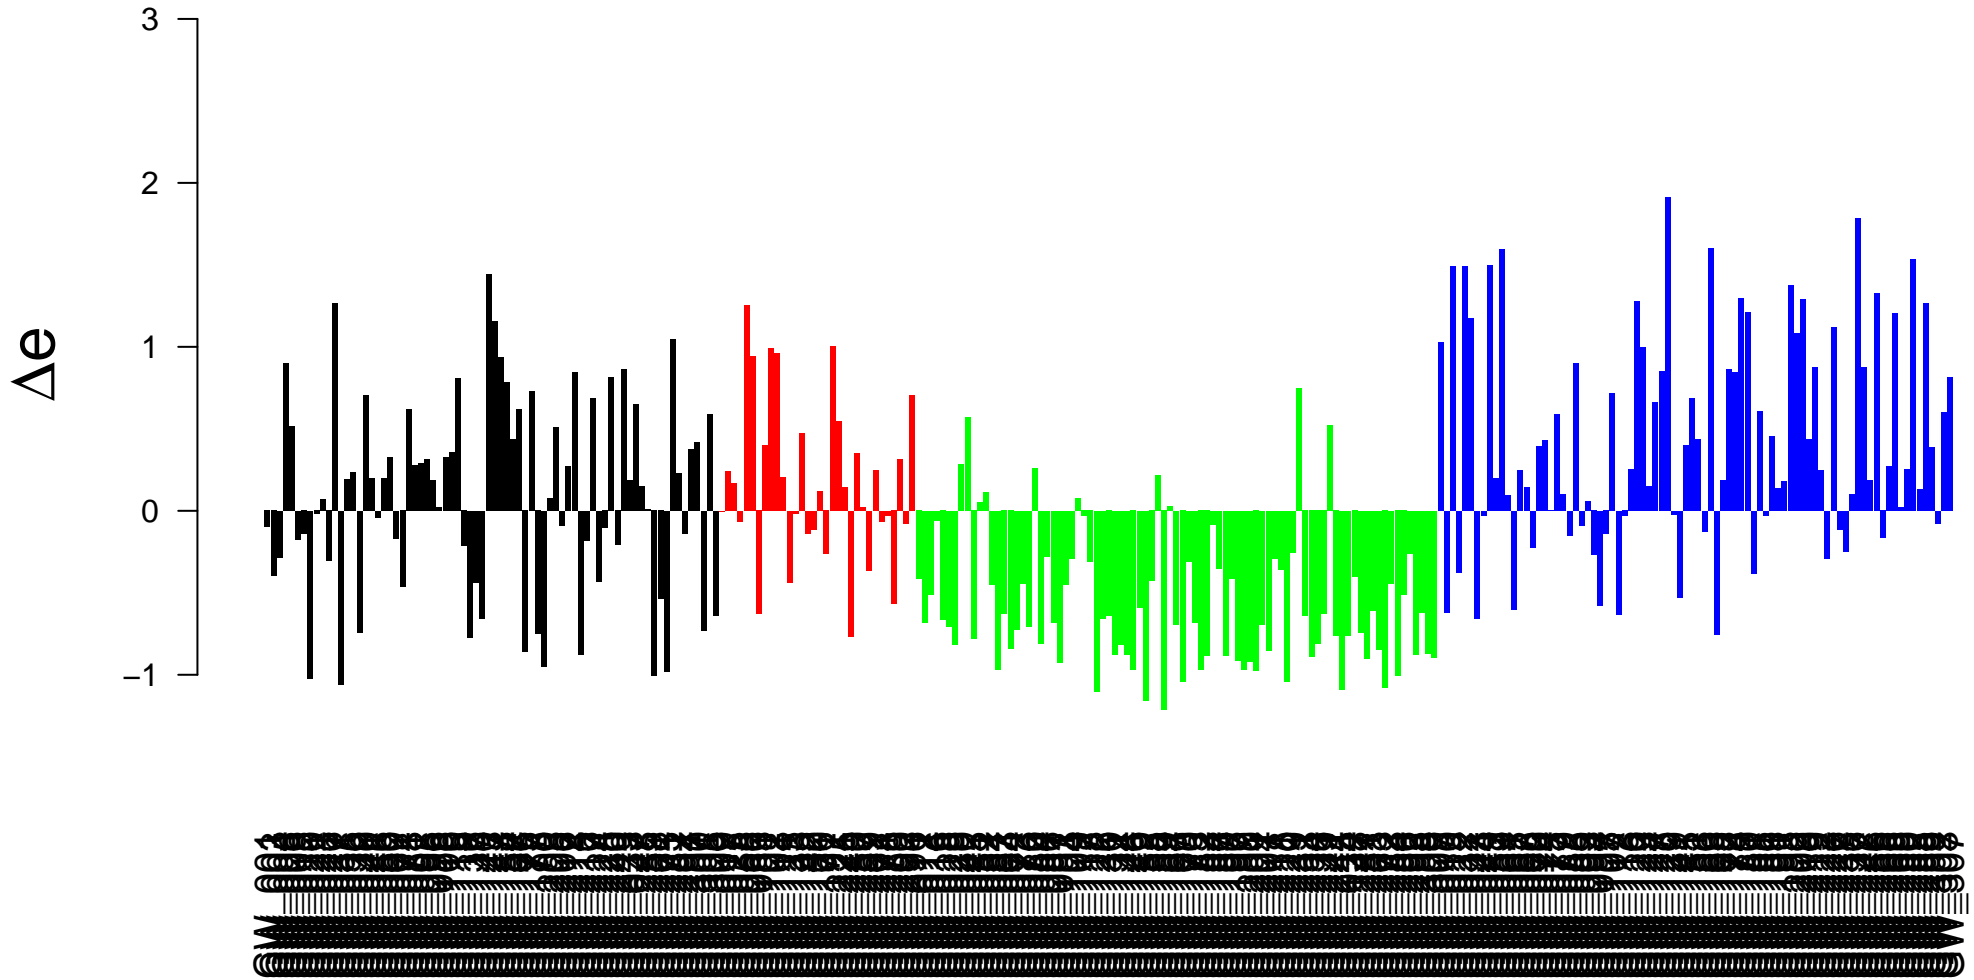

Expression of oxygen binding in Spot M

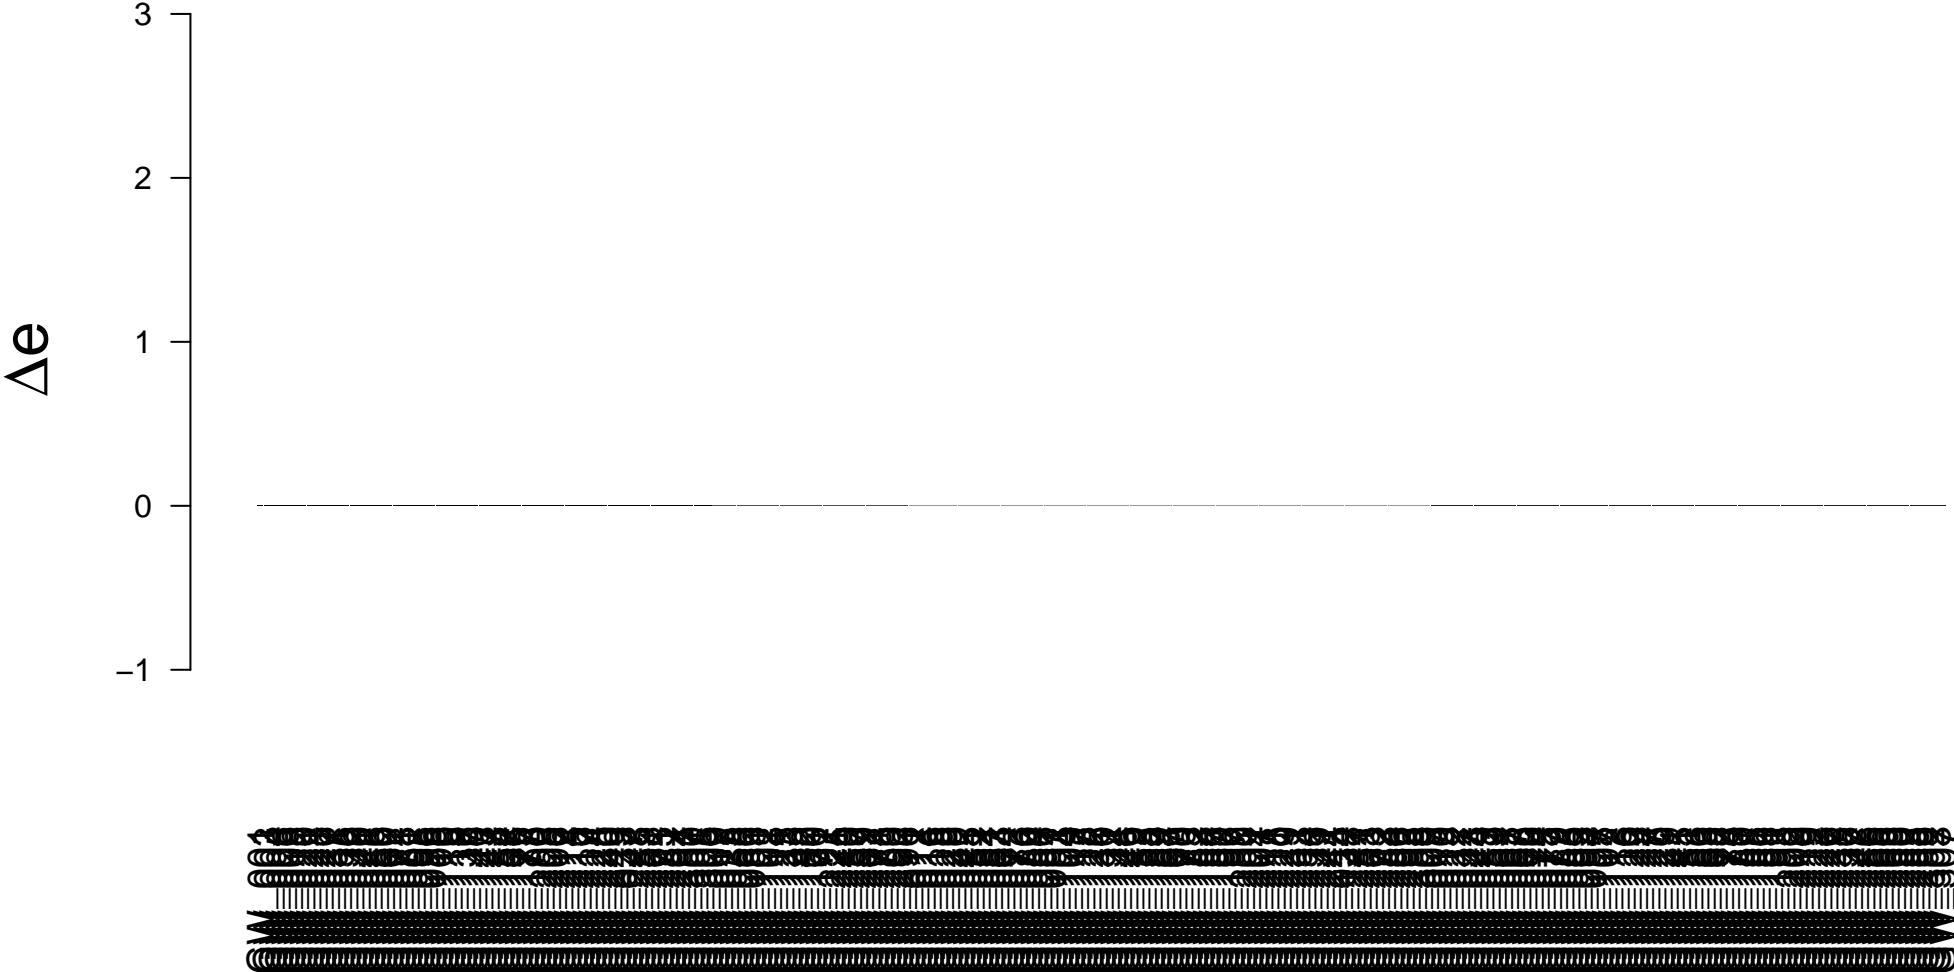

Expression of oxygen binding in Spot N

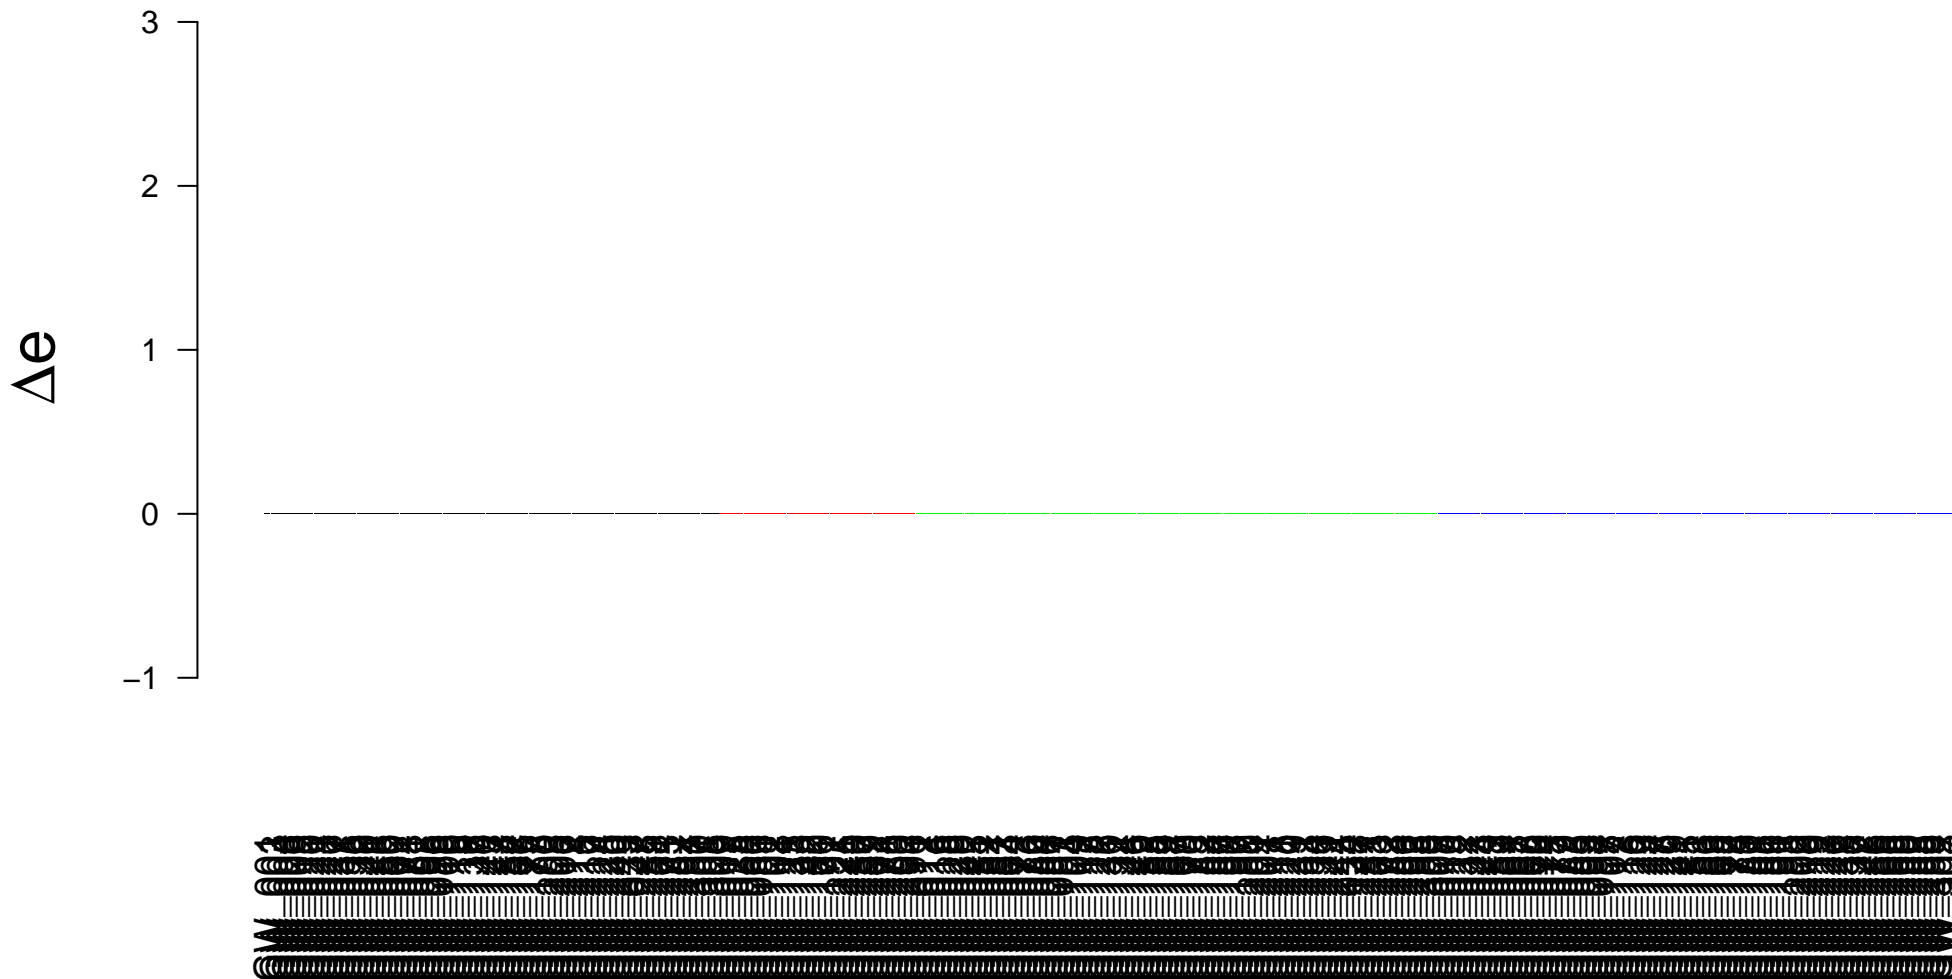

Expression of oxygen binding in Spot O

Expression of oxygen binding in Spot P

Expression of oxygen binding in Spot Q

Expression of oxygen binding in Spot R
