

oxygen transporter activity

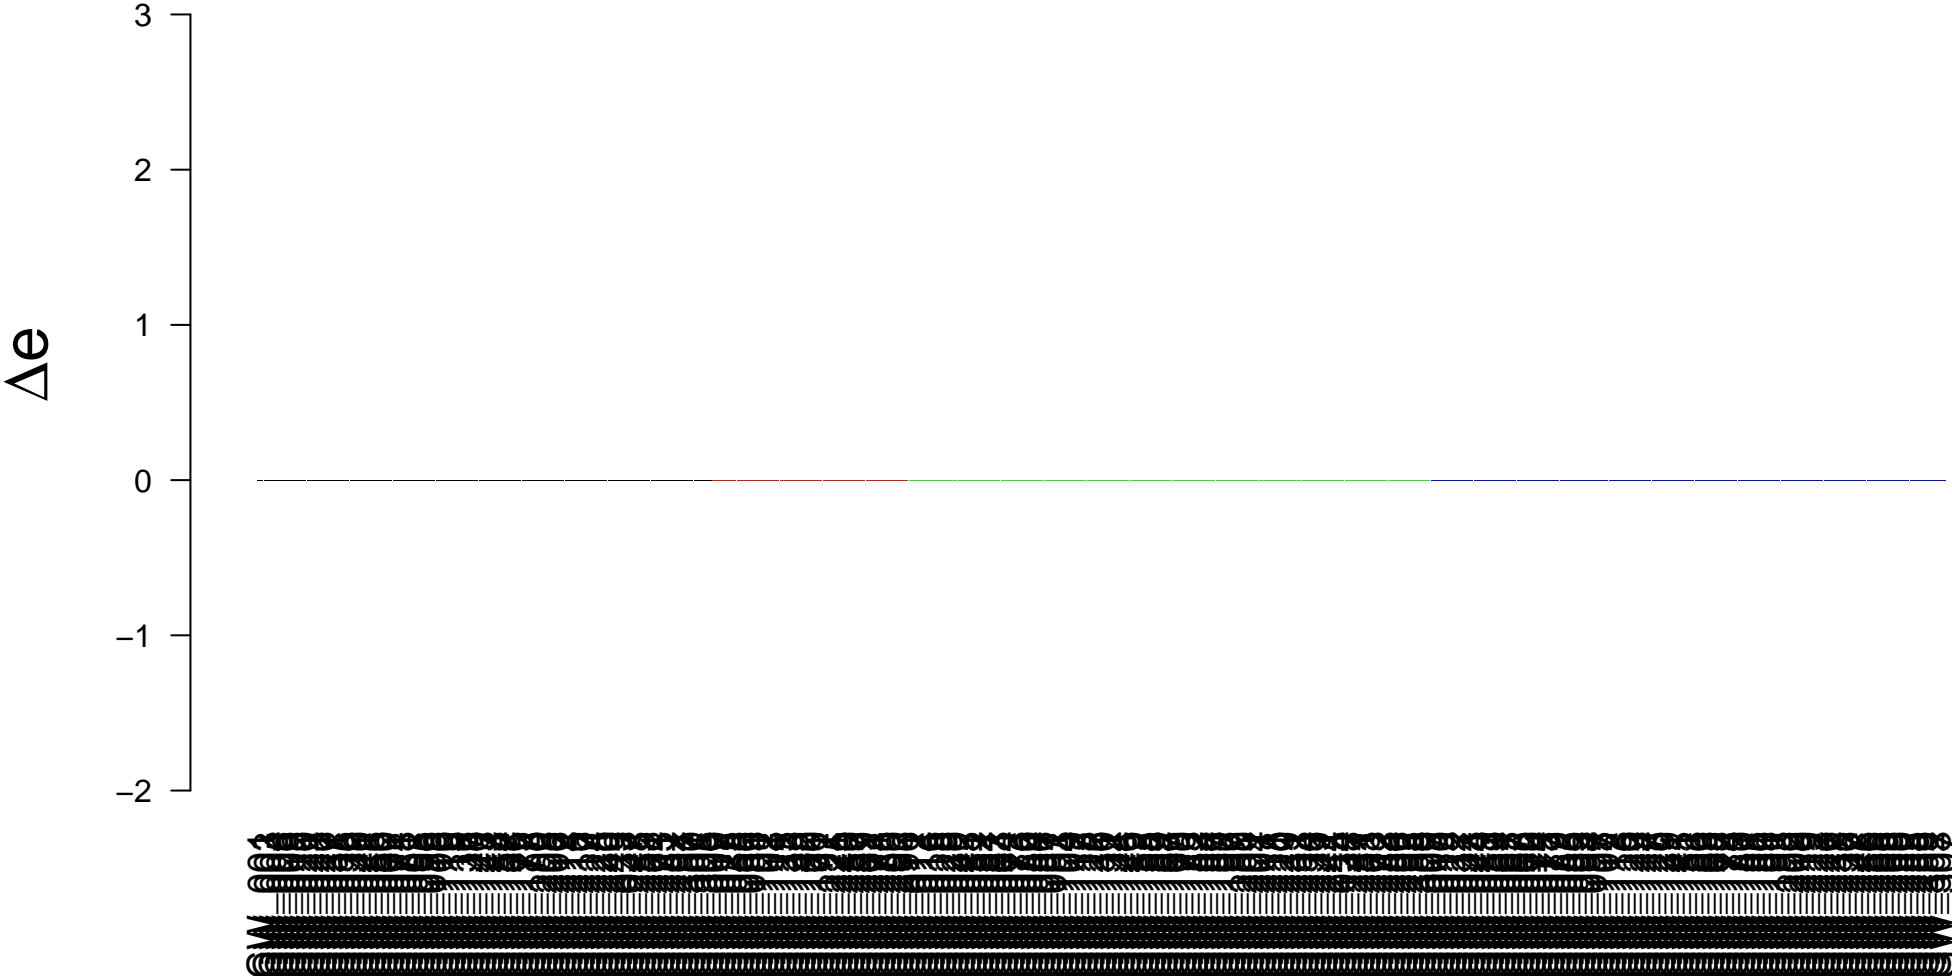

oxygen transporter activity

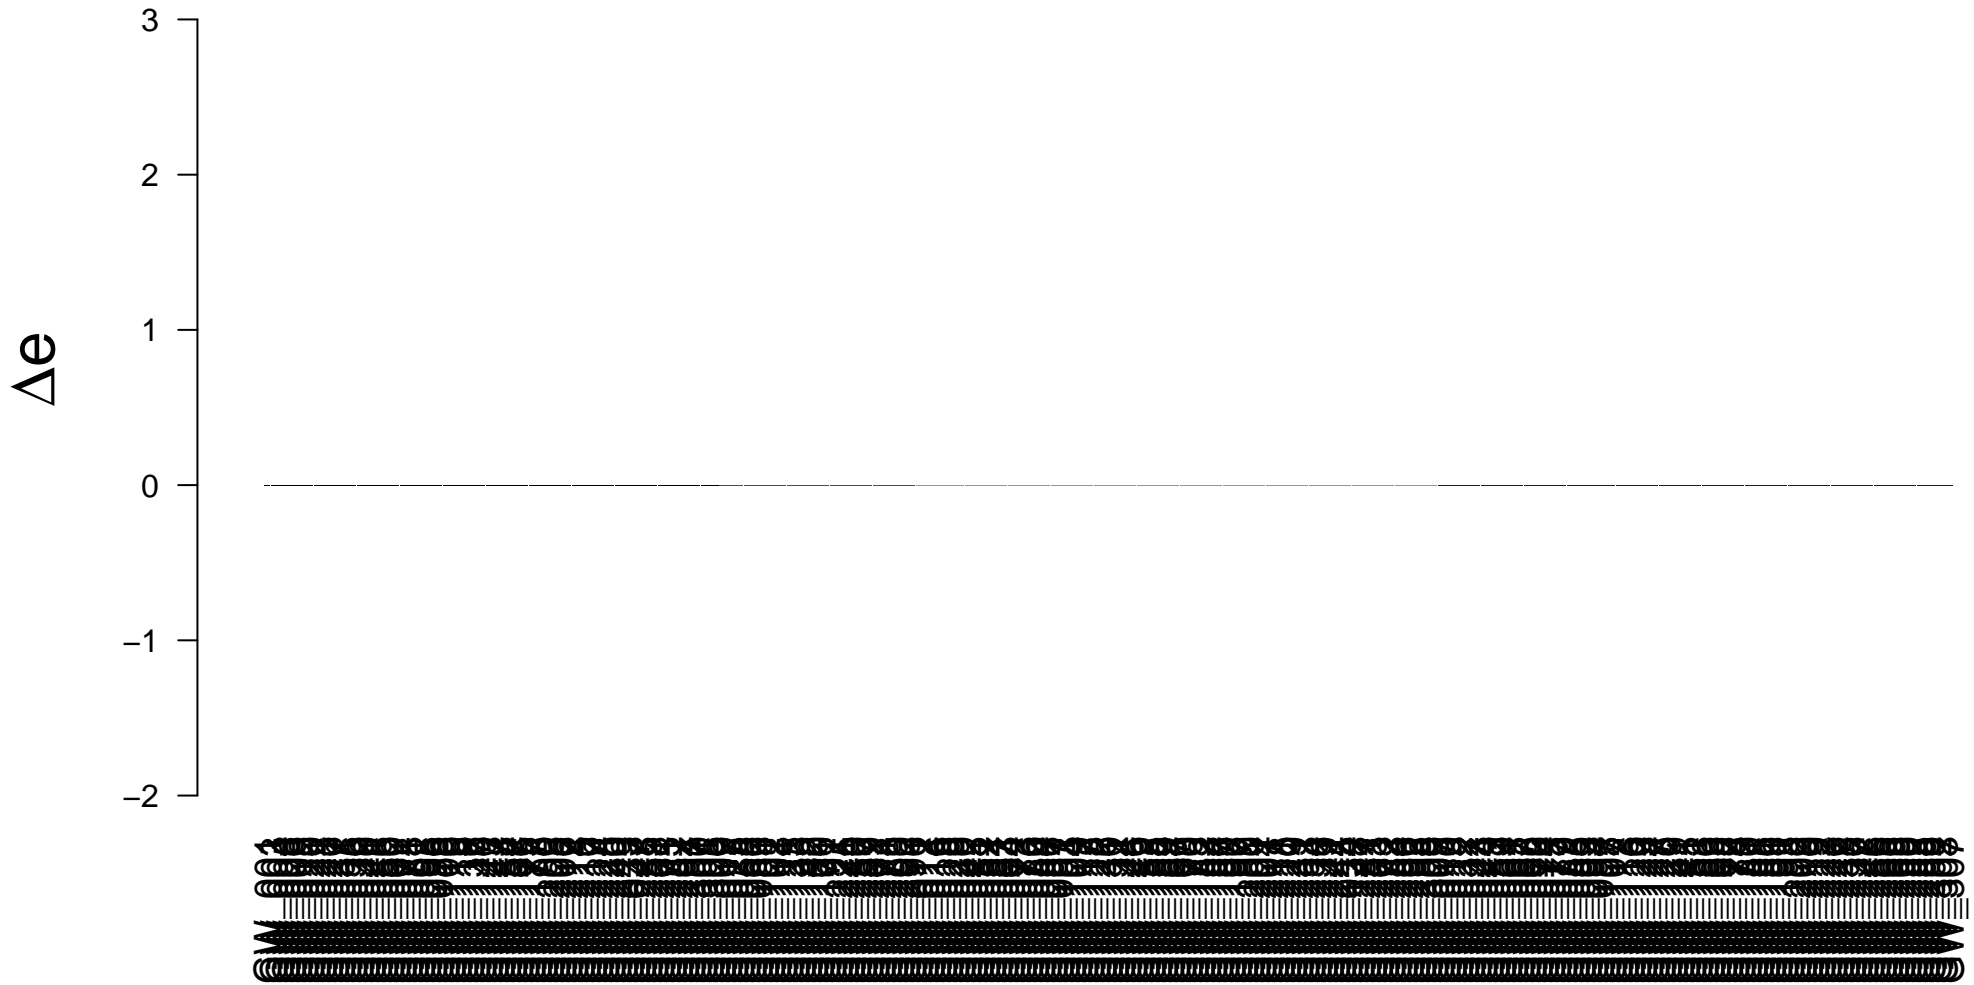

Enrichment in spots: oxygen transporter activity

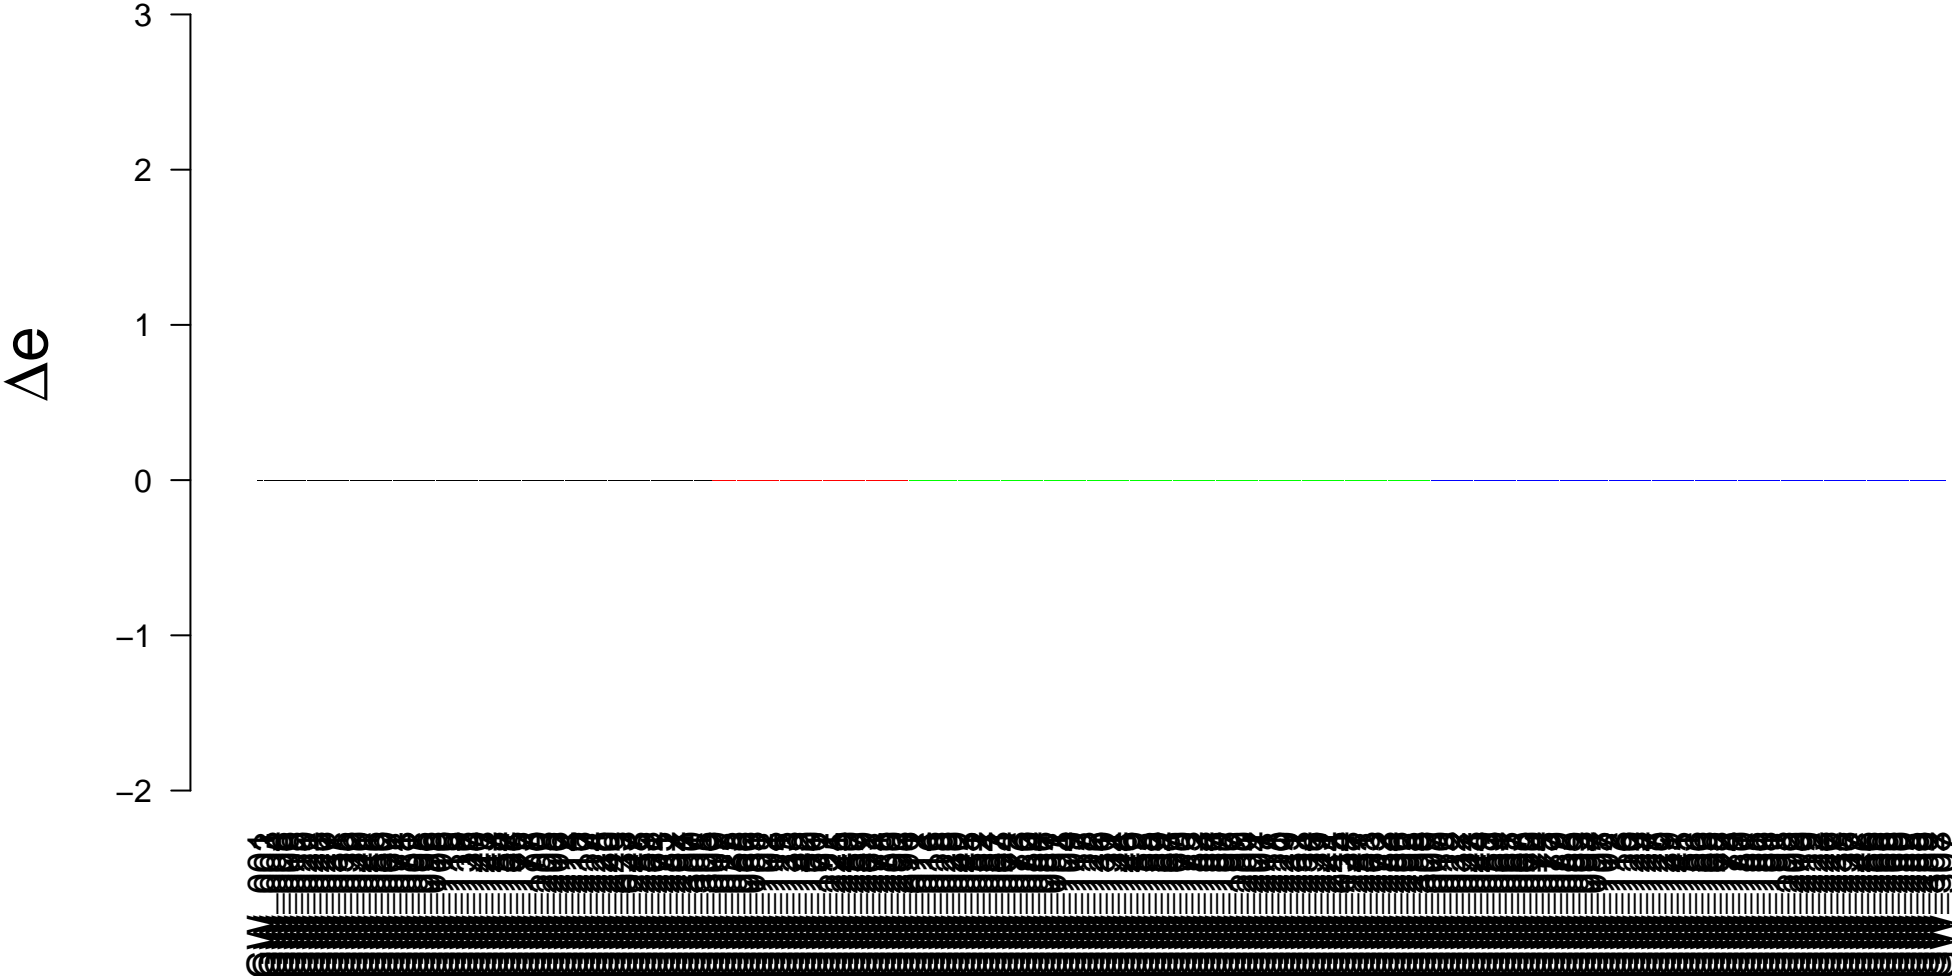

Expression of oxygen transporter activity in Spot A

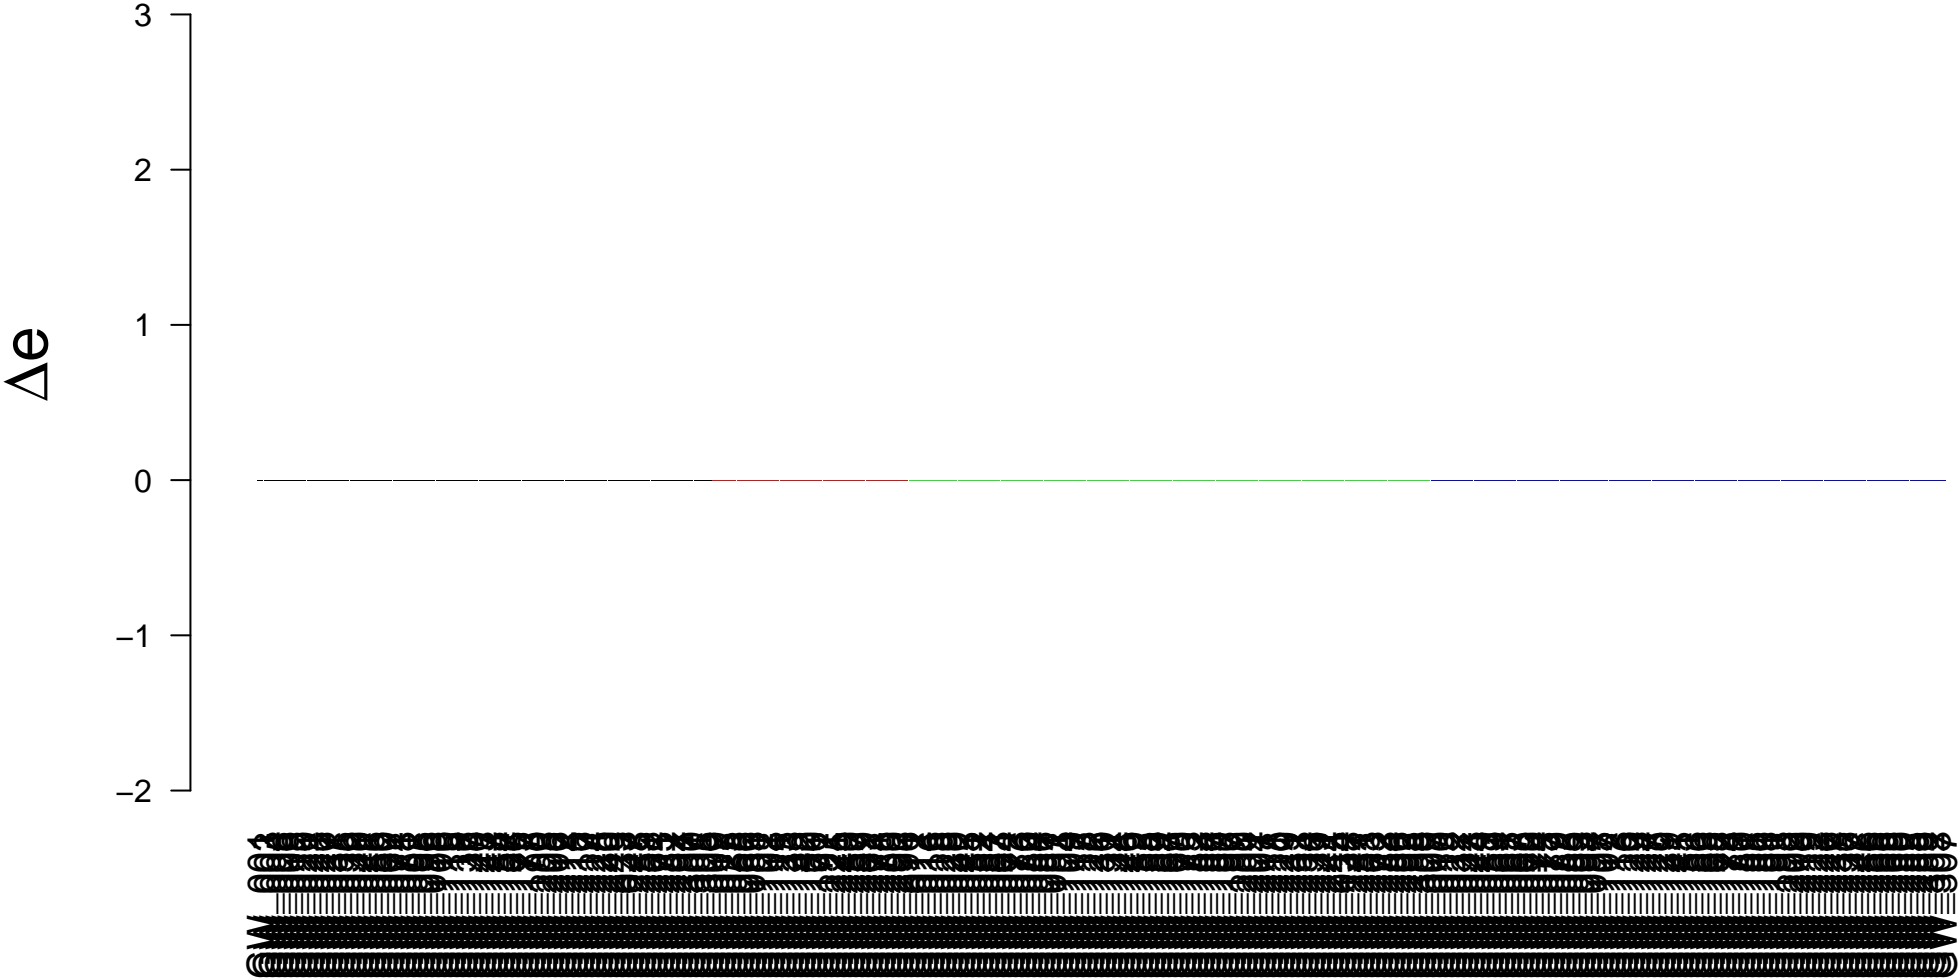

Expression of oxygen transporter activity in Spot B

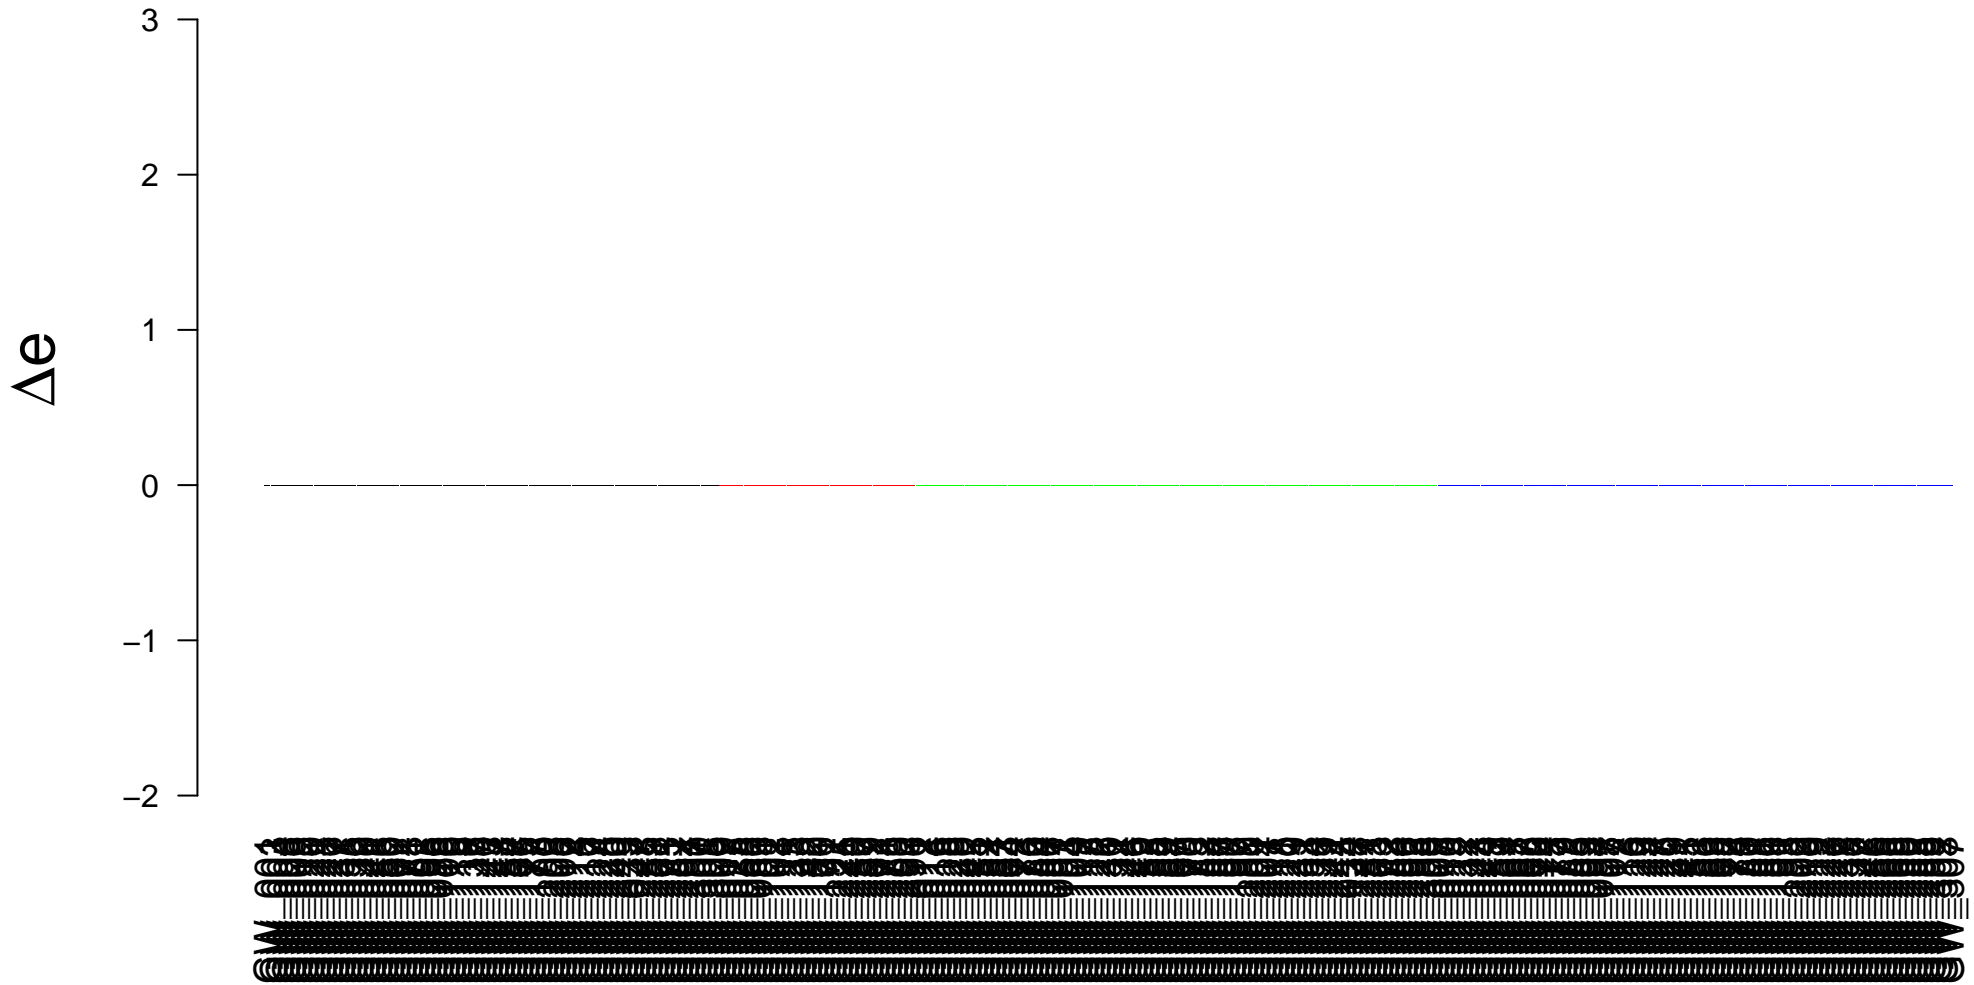

Expression of oxygen transporter activity in Spot C

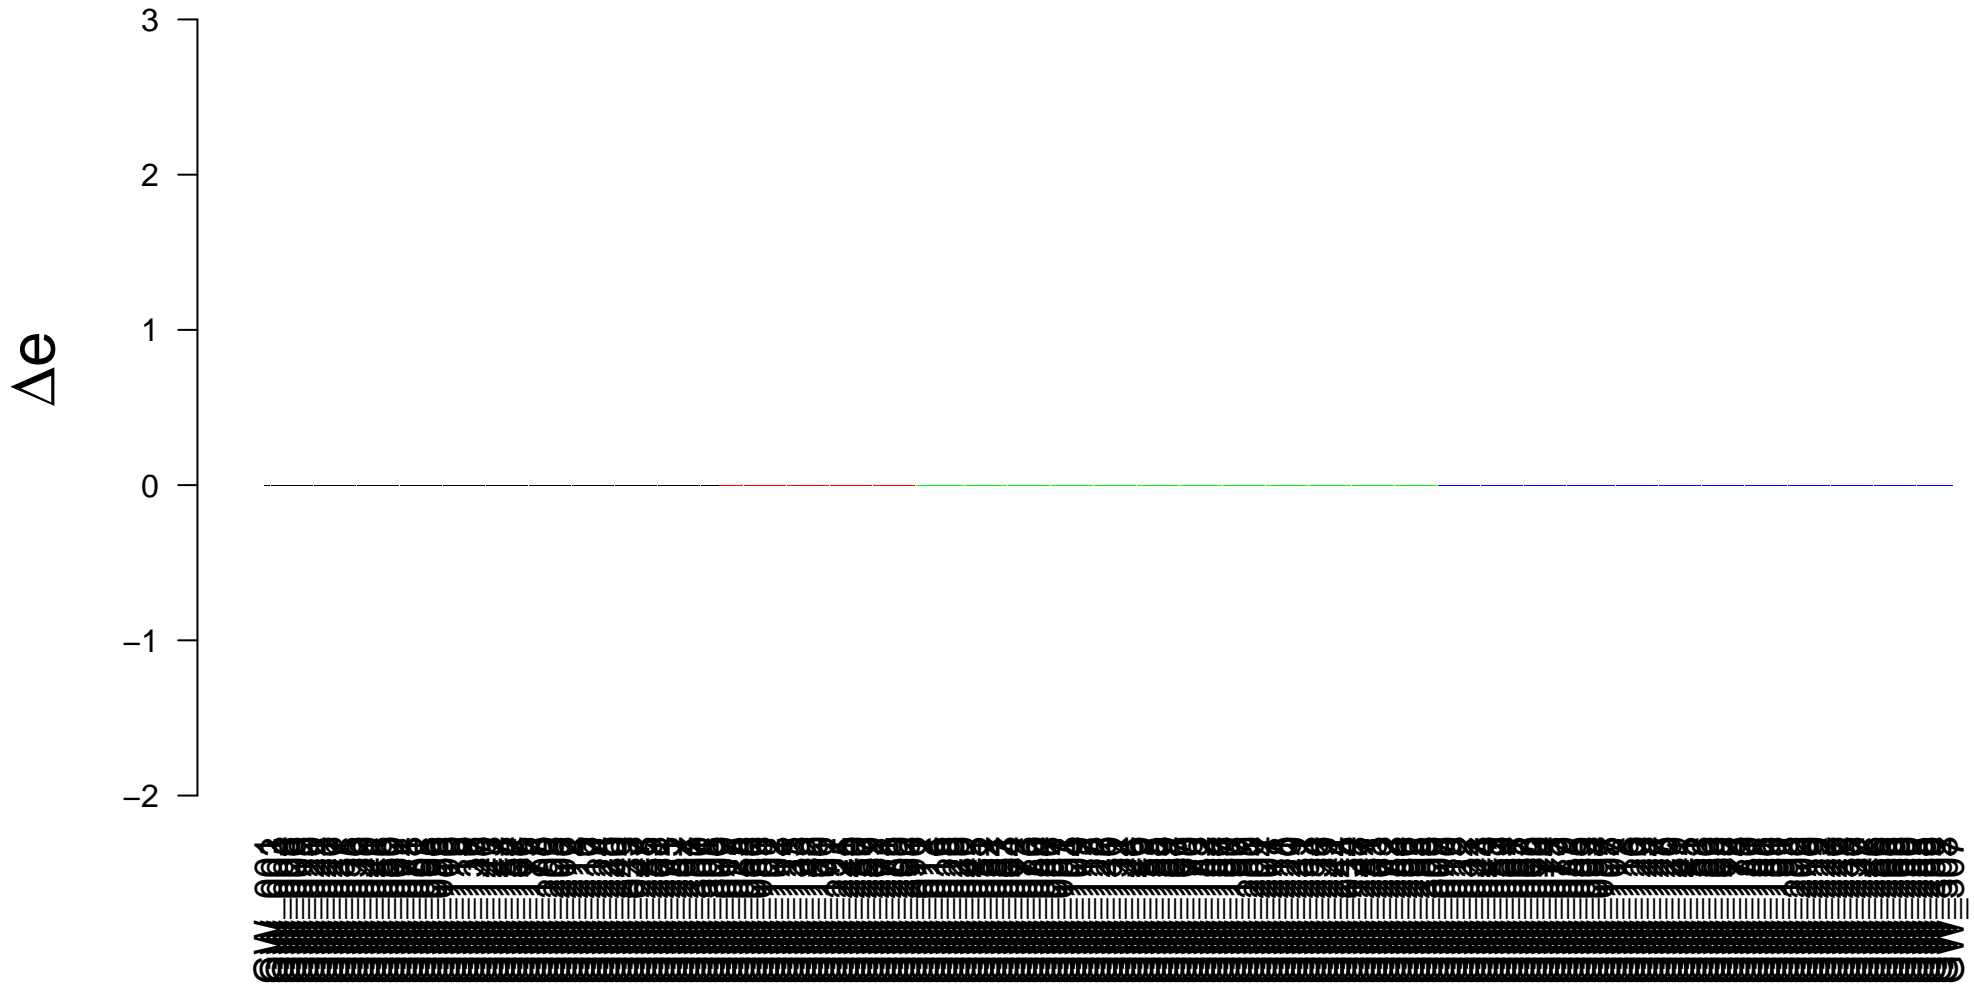

Expression of oxygen transporter activity in Spot D

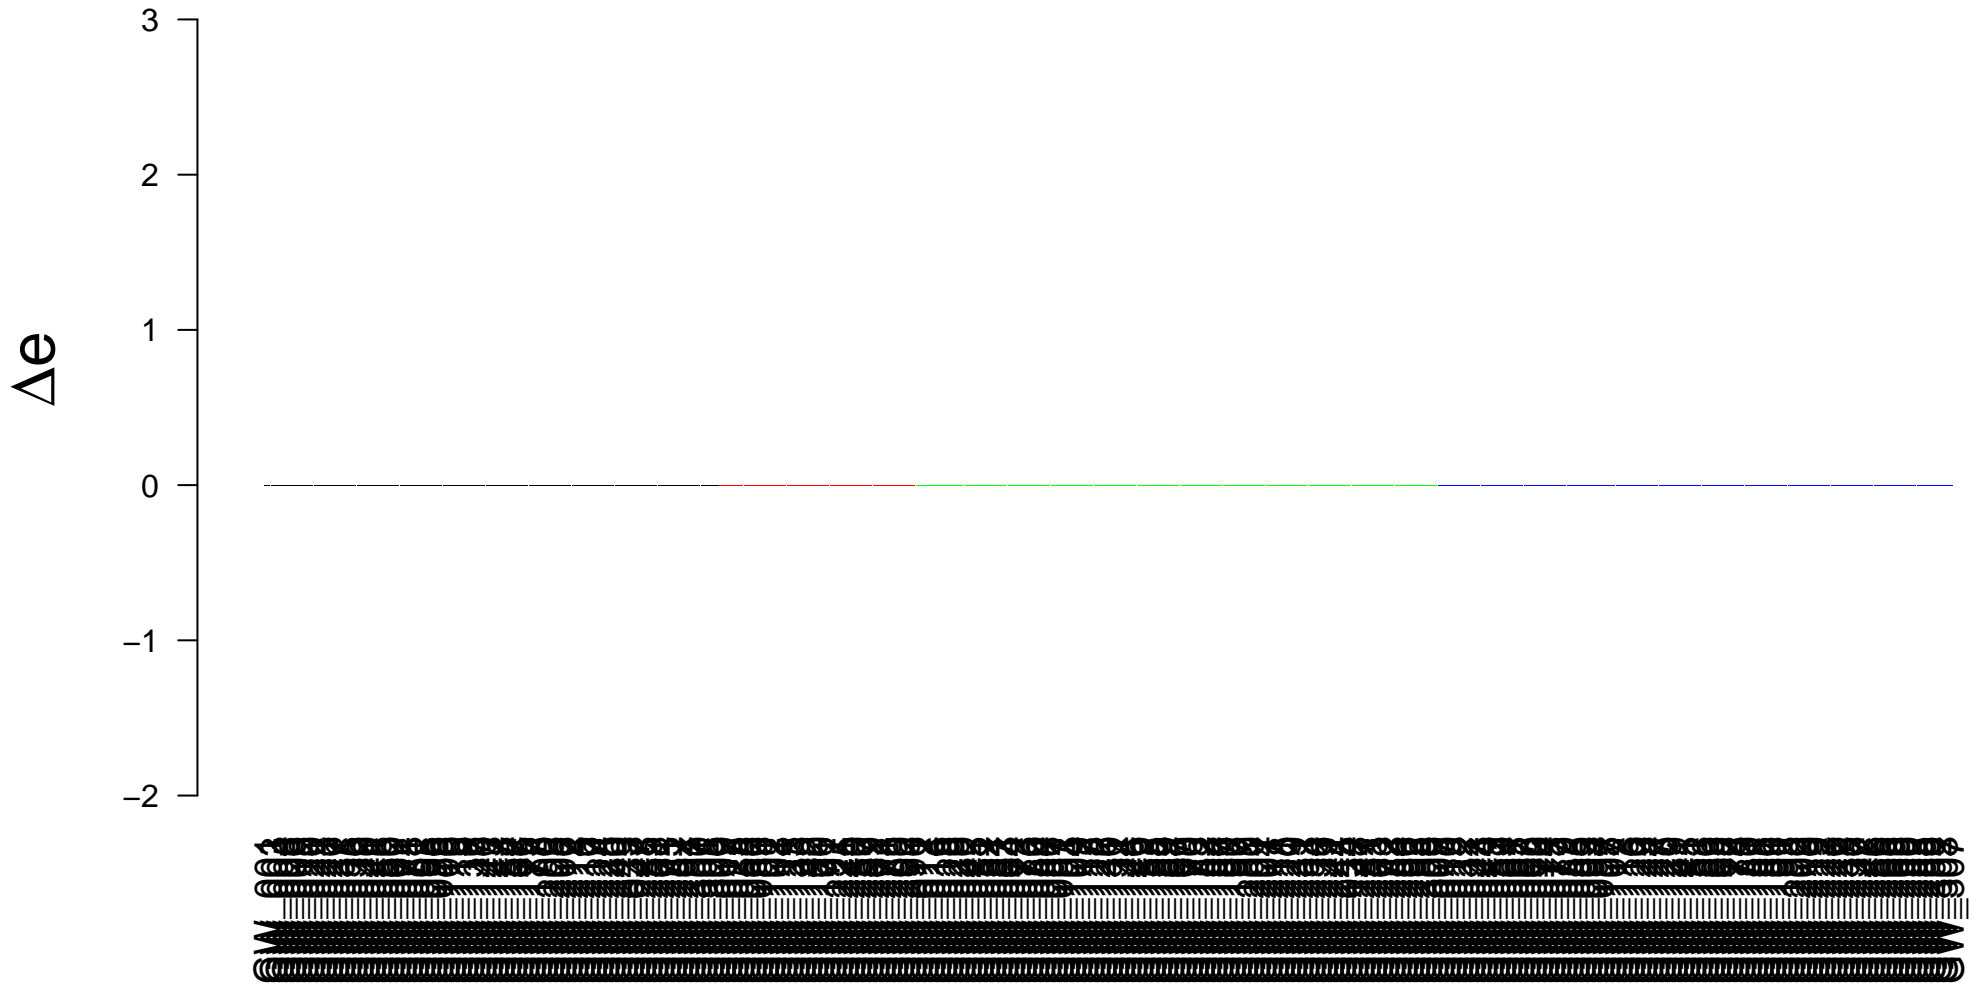

Expression of oxygen transporter activity in Spot E

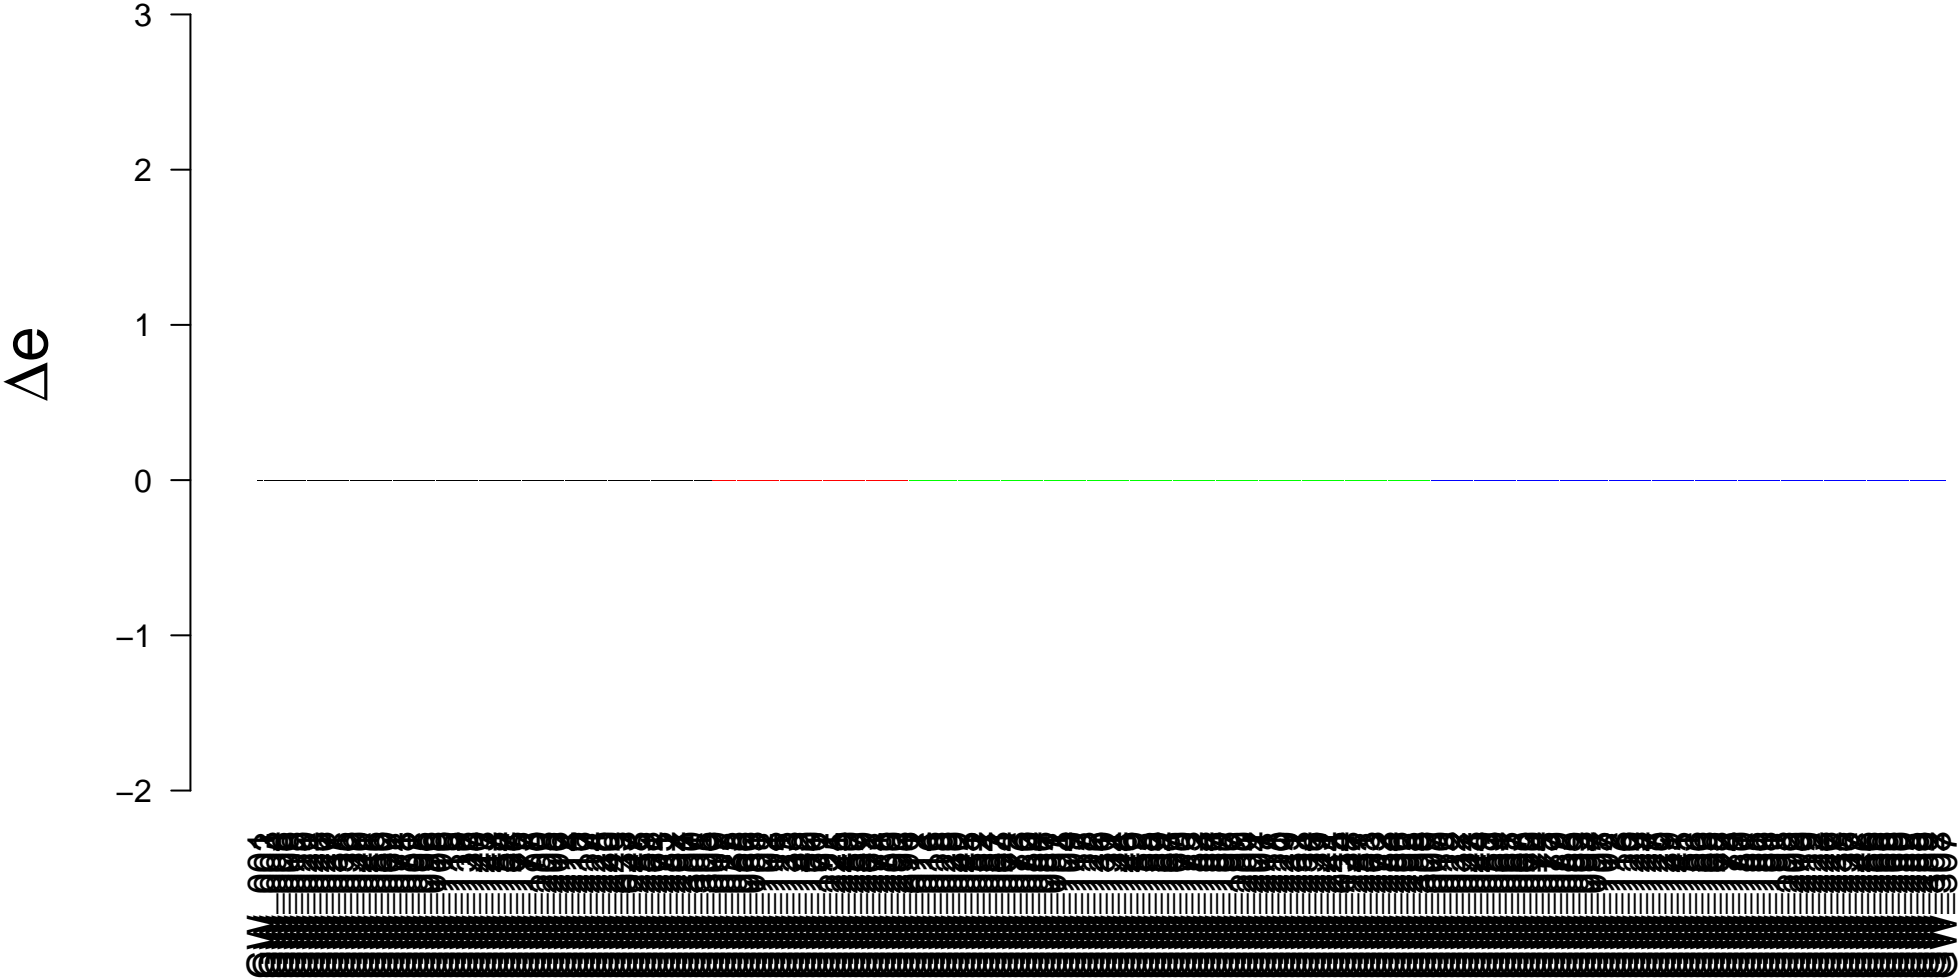

Expression of oxygen transporter activity in Spot F

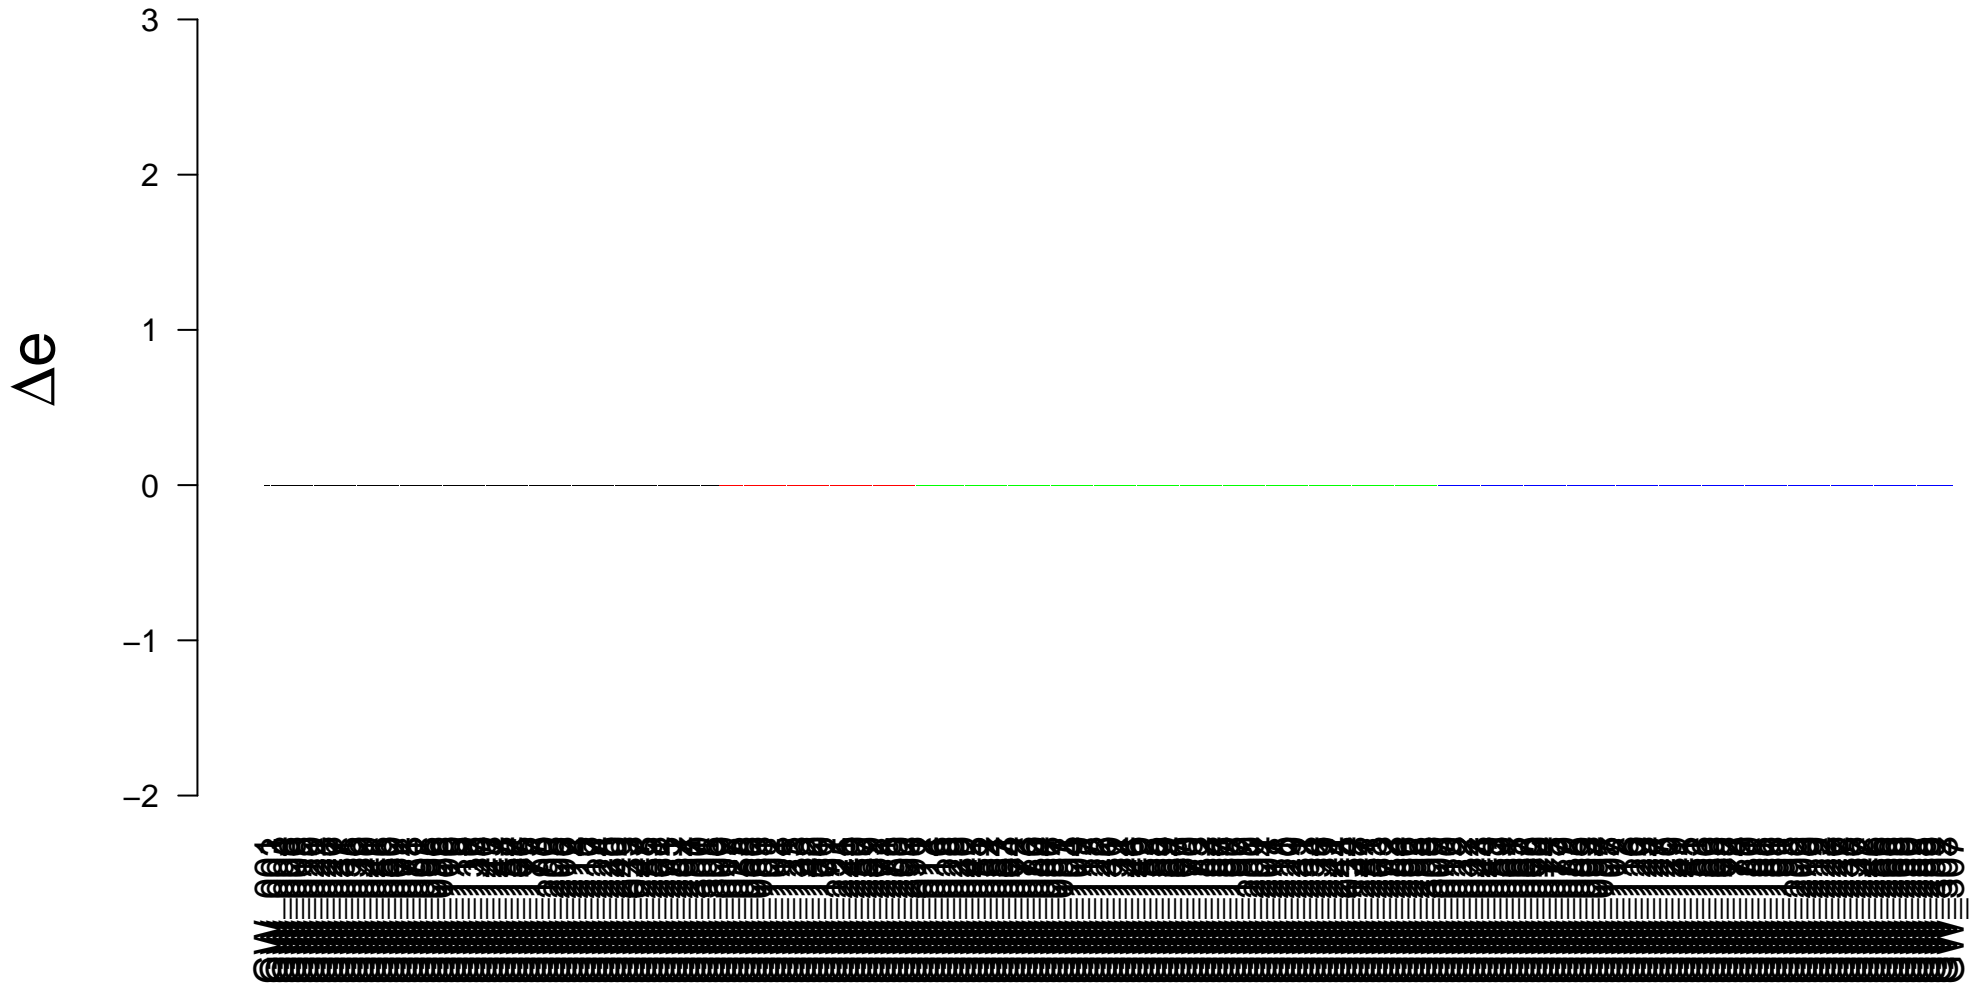

Expression of oxygen transporter activity in Spot G

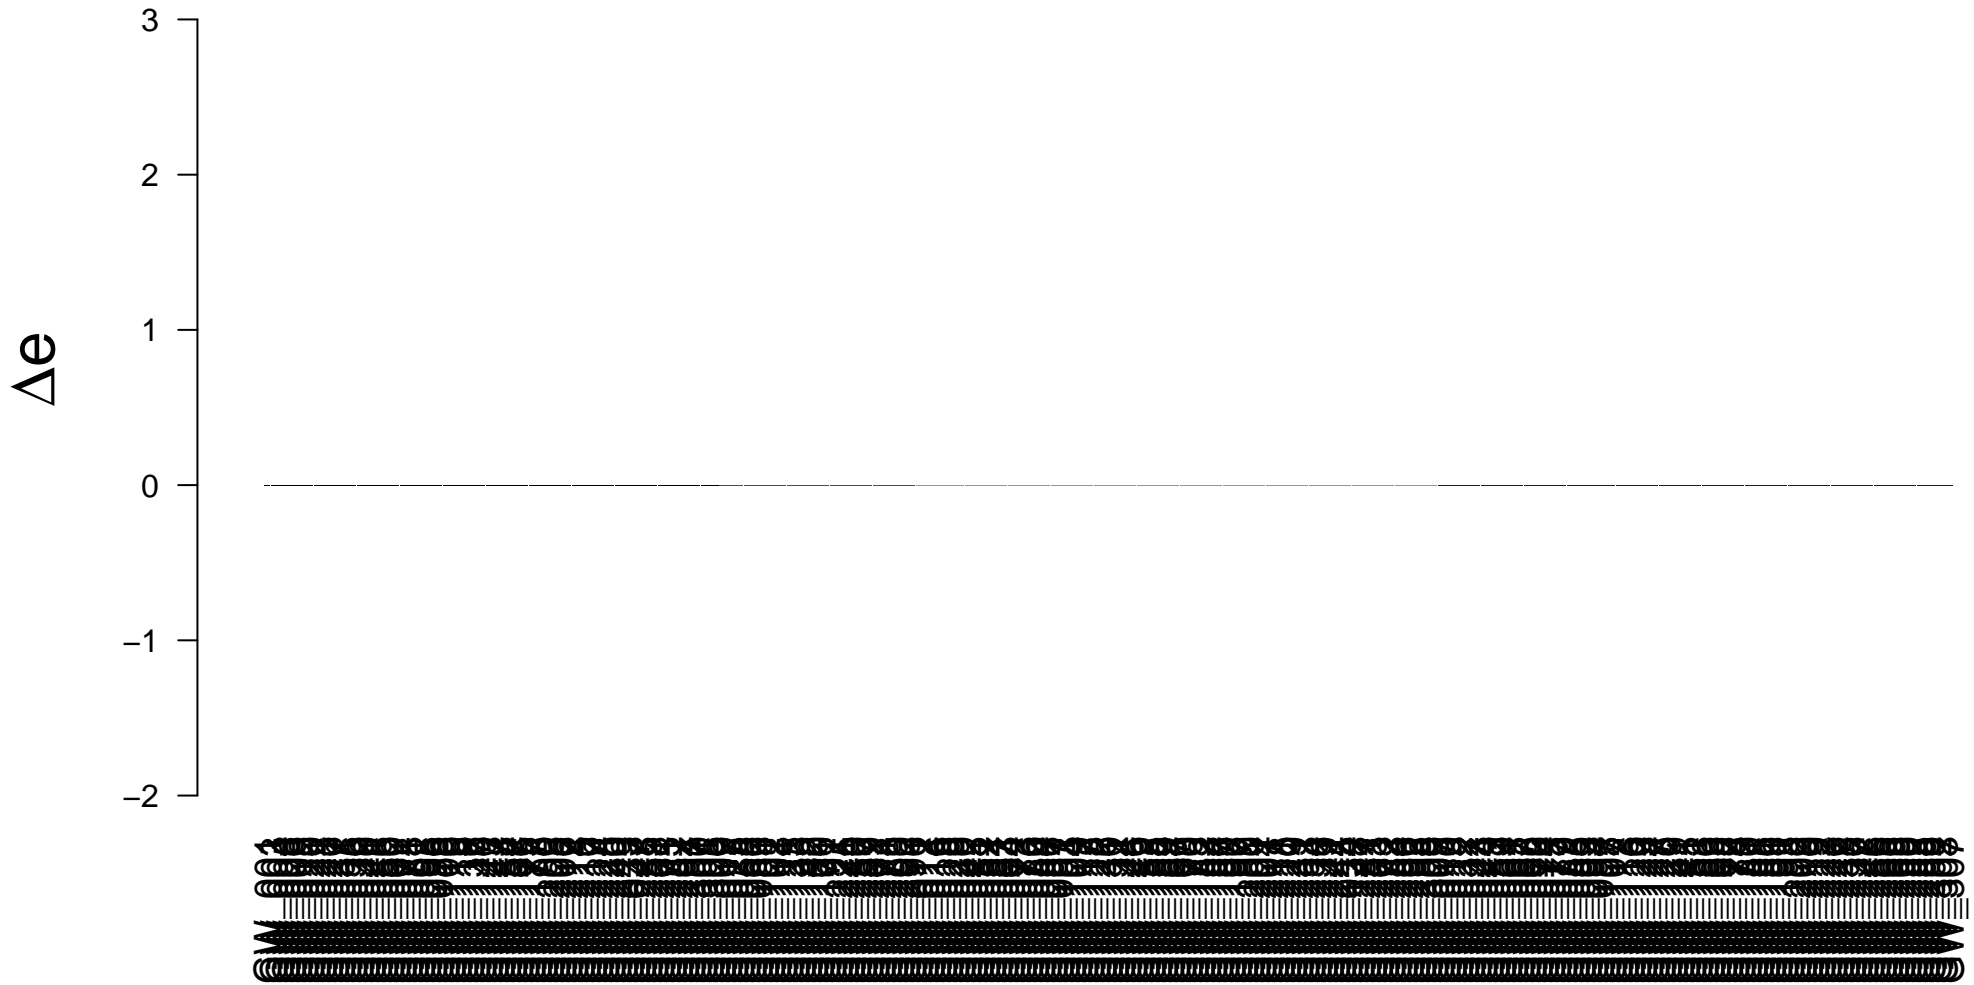

Expression of oxygen transporter activity in Spot H

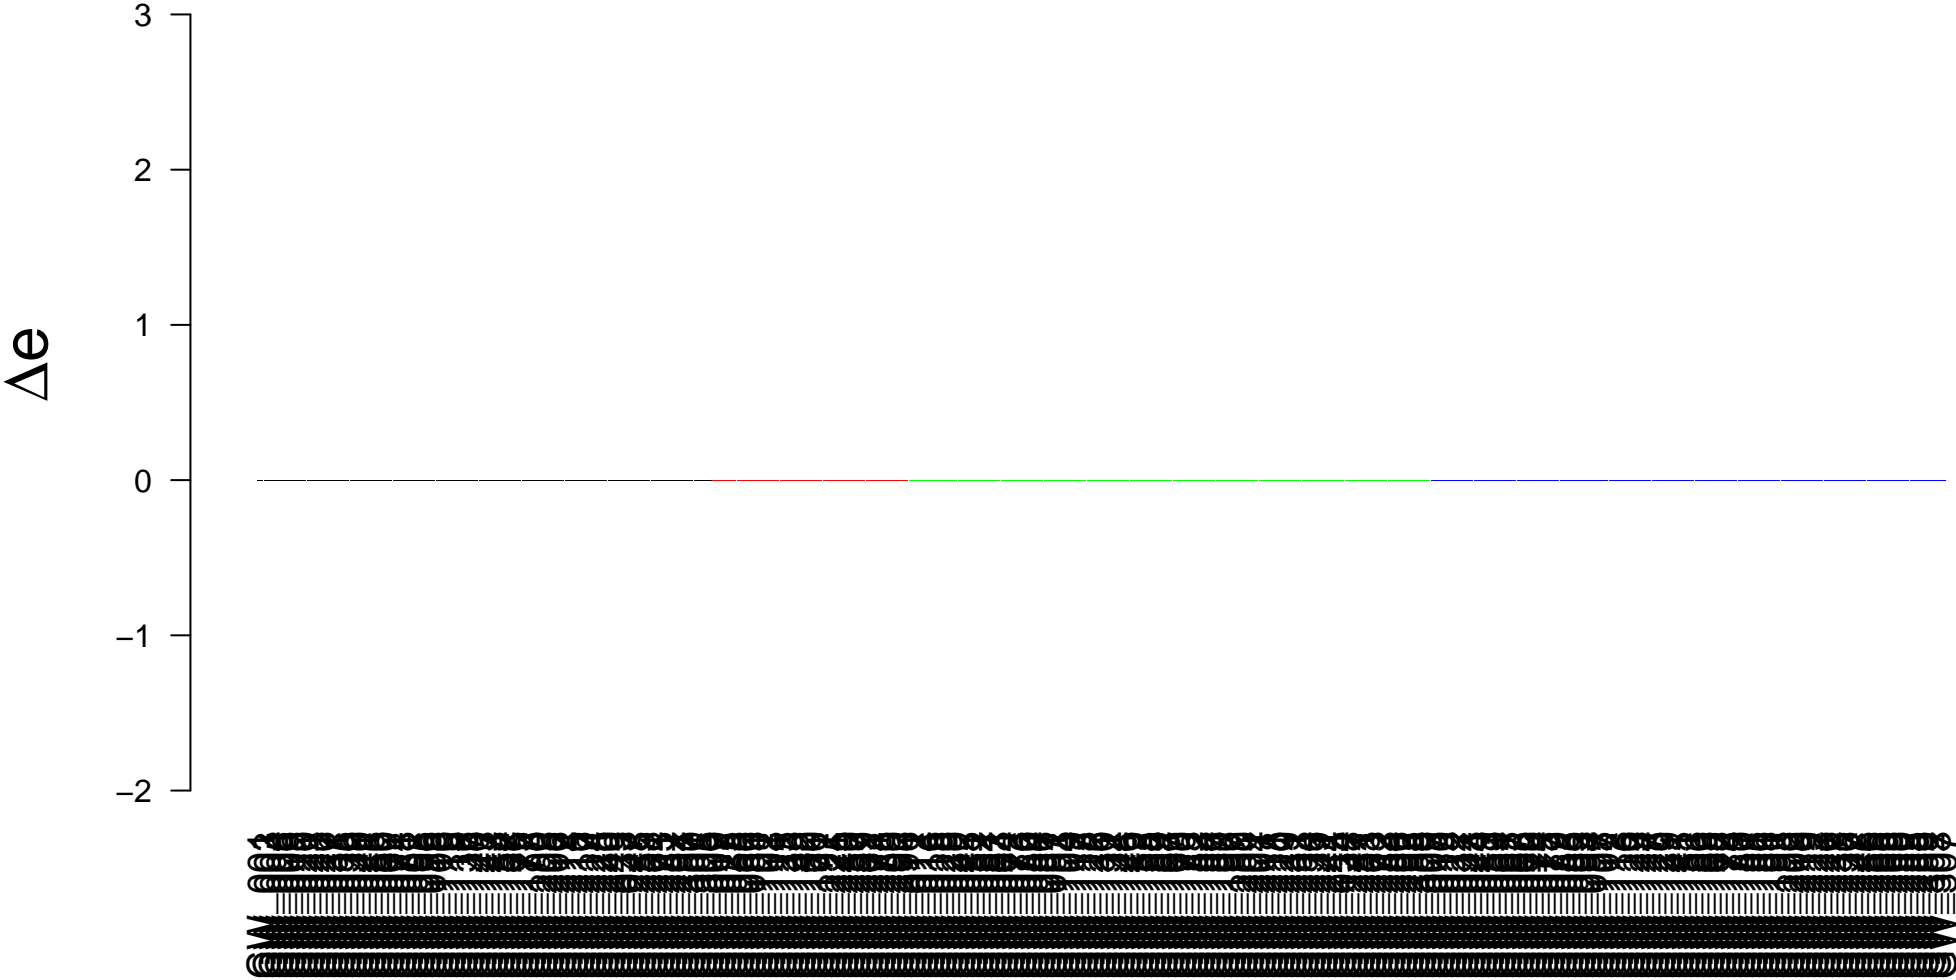

Expression of oxygen transporter activity in Spot I

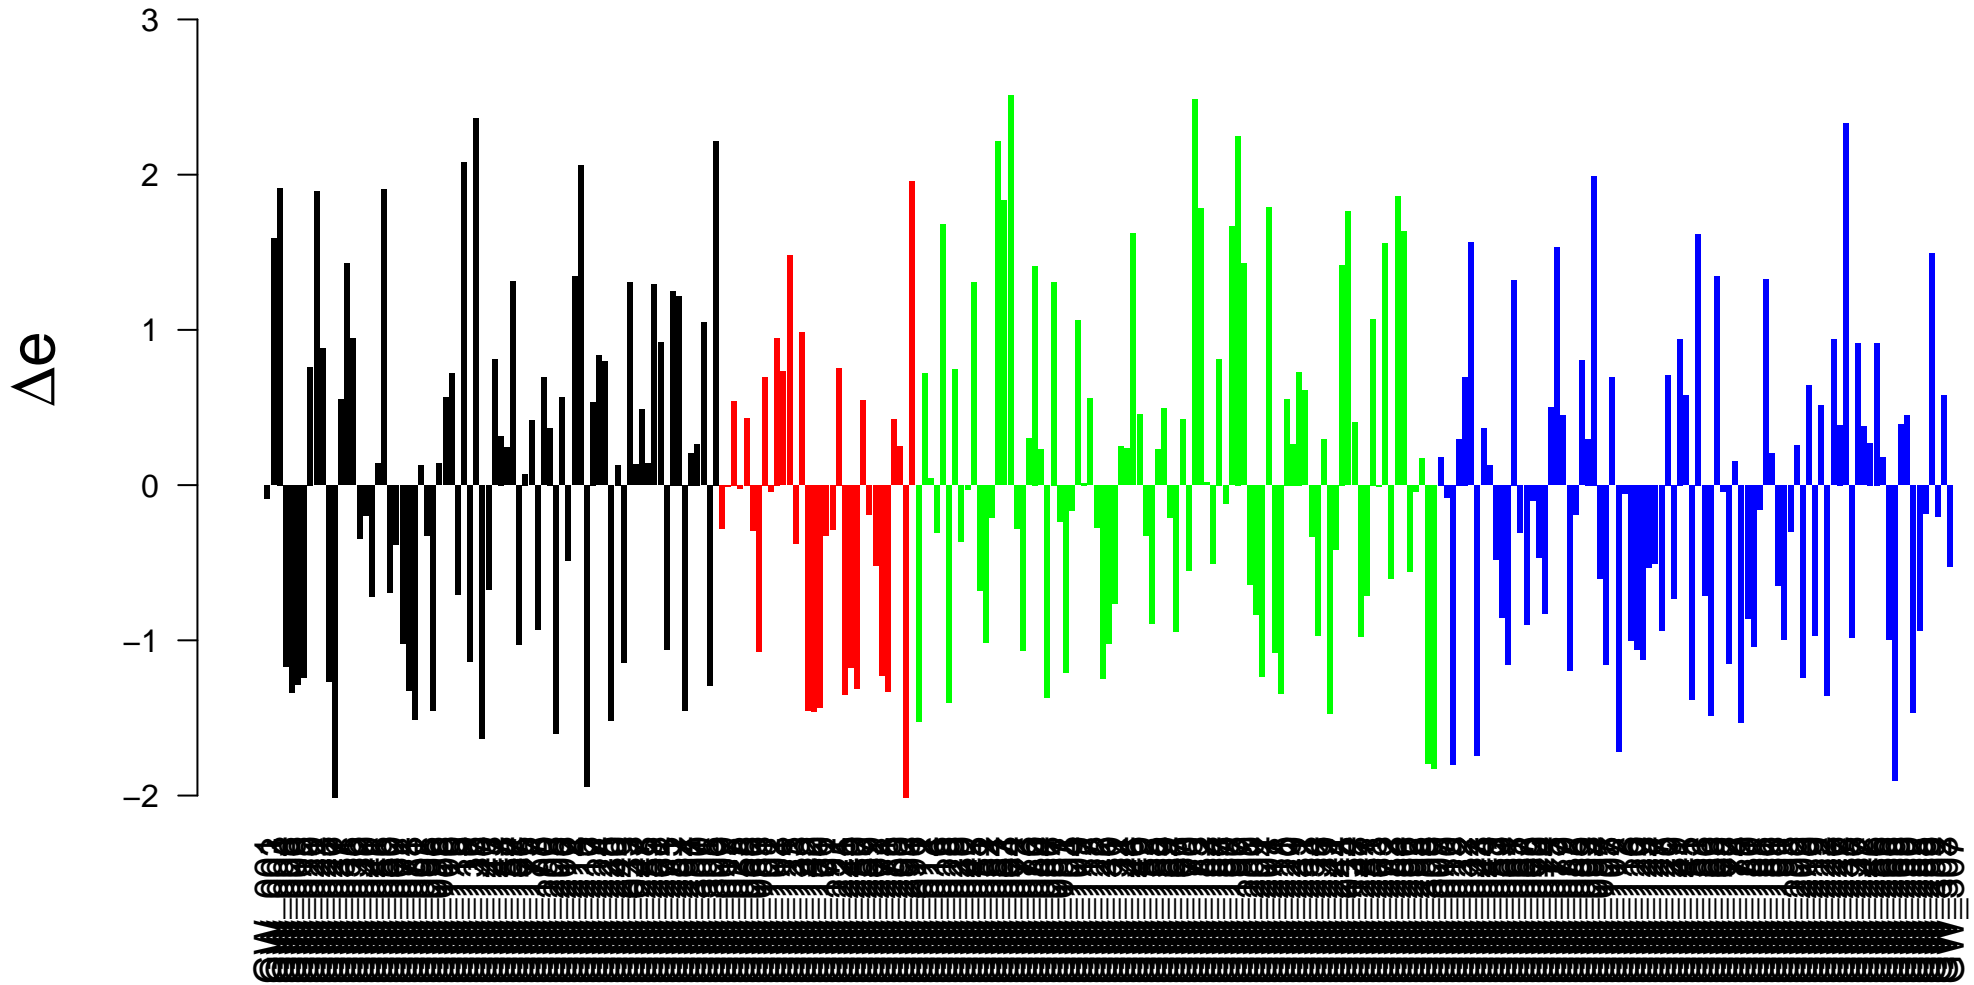

Expression of oxygen transporter activity in Spot J

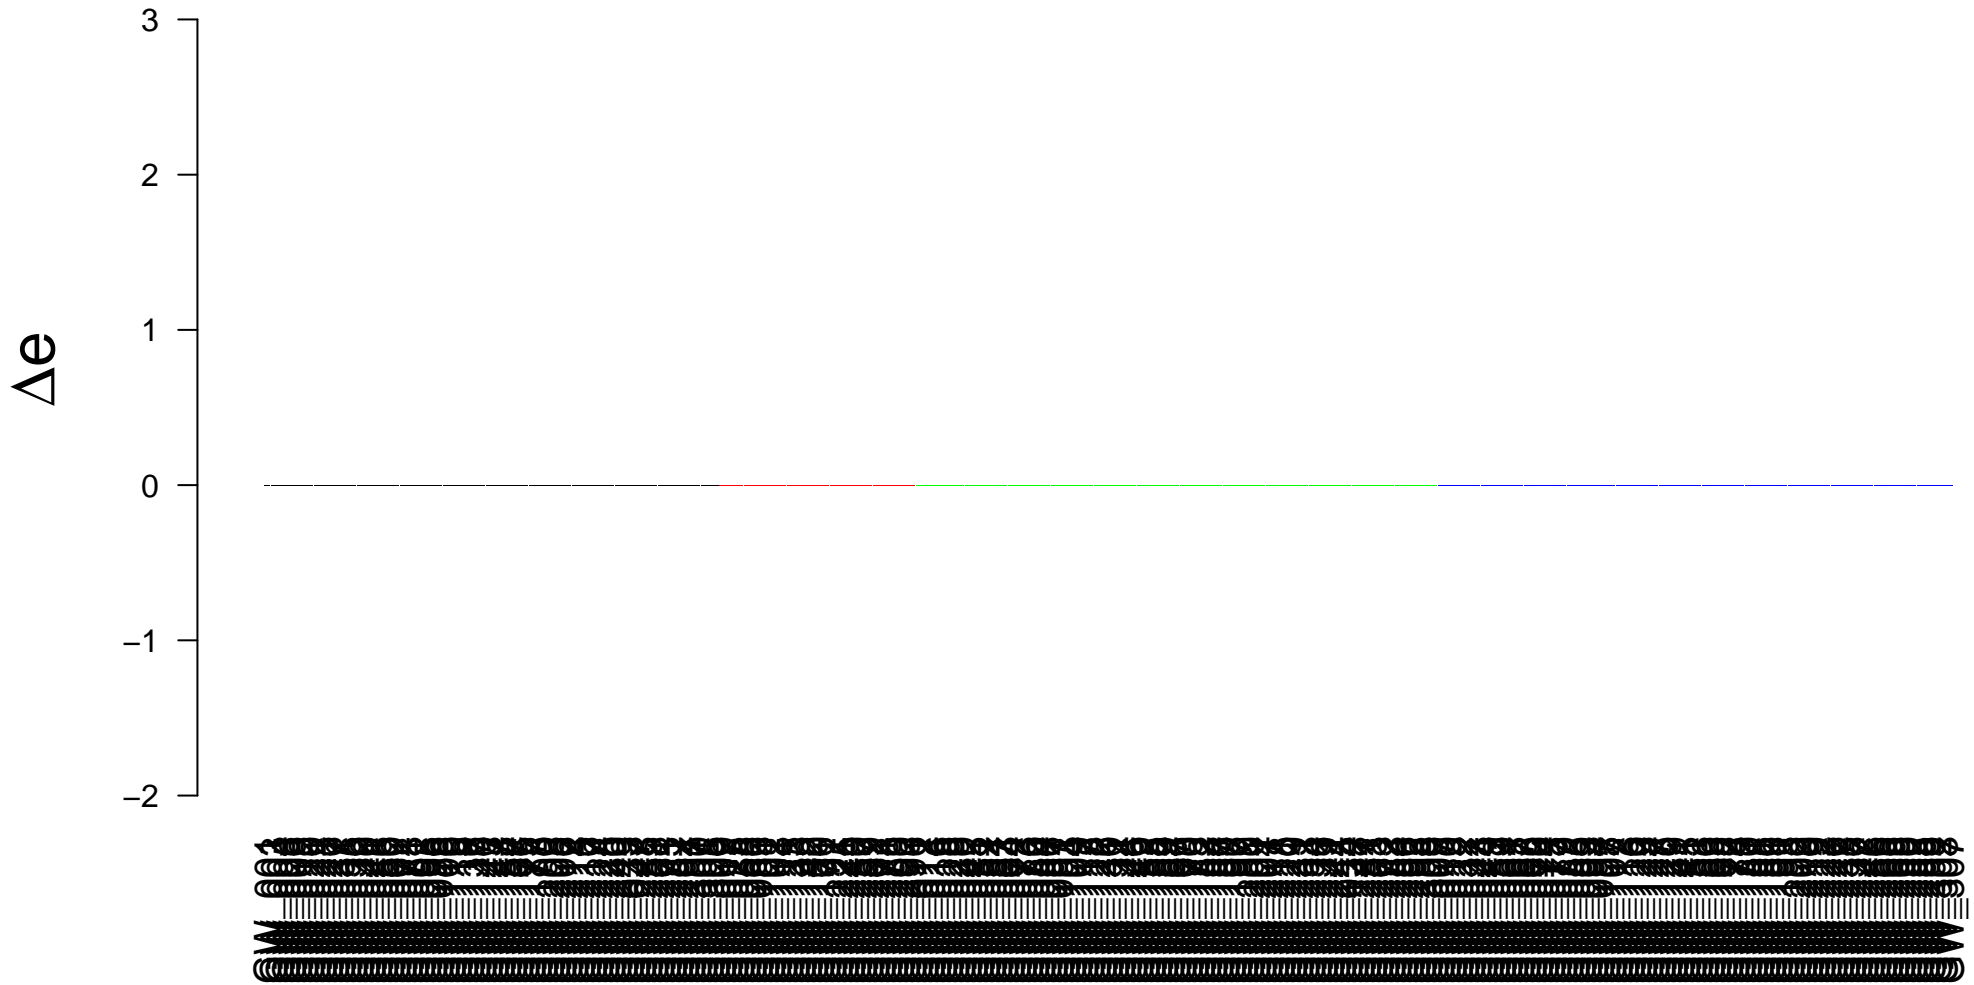

Expression of oxygen transporter activity in Spot K

Expression of oxygen transporter activity in Spot L

Expression of oxygen transporter activity in Spot M

Expression of oxygen transporter activity in Spot N
