

patterning of blood vessels

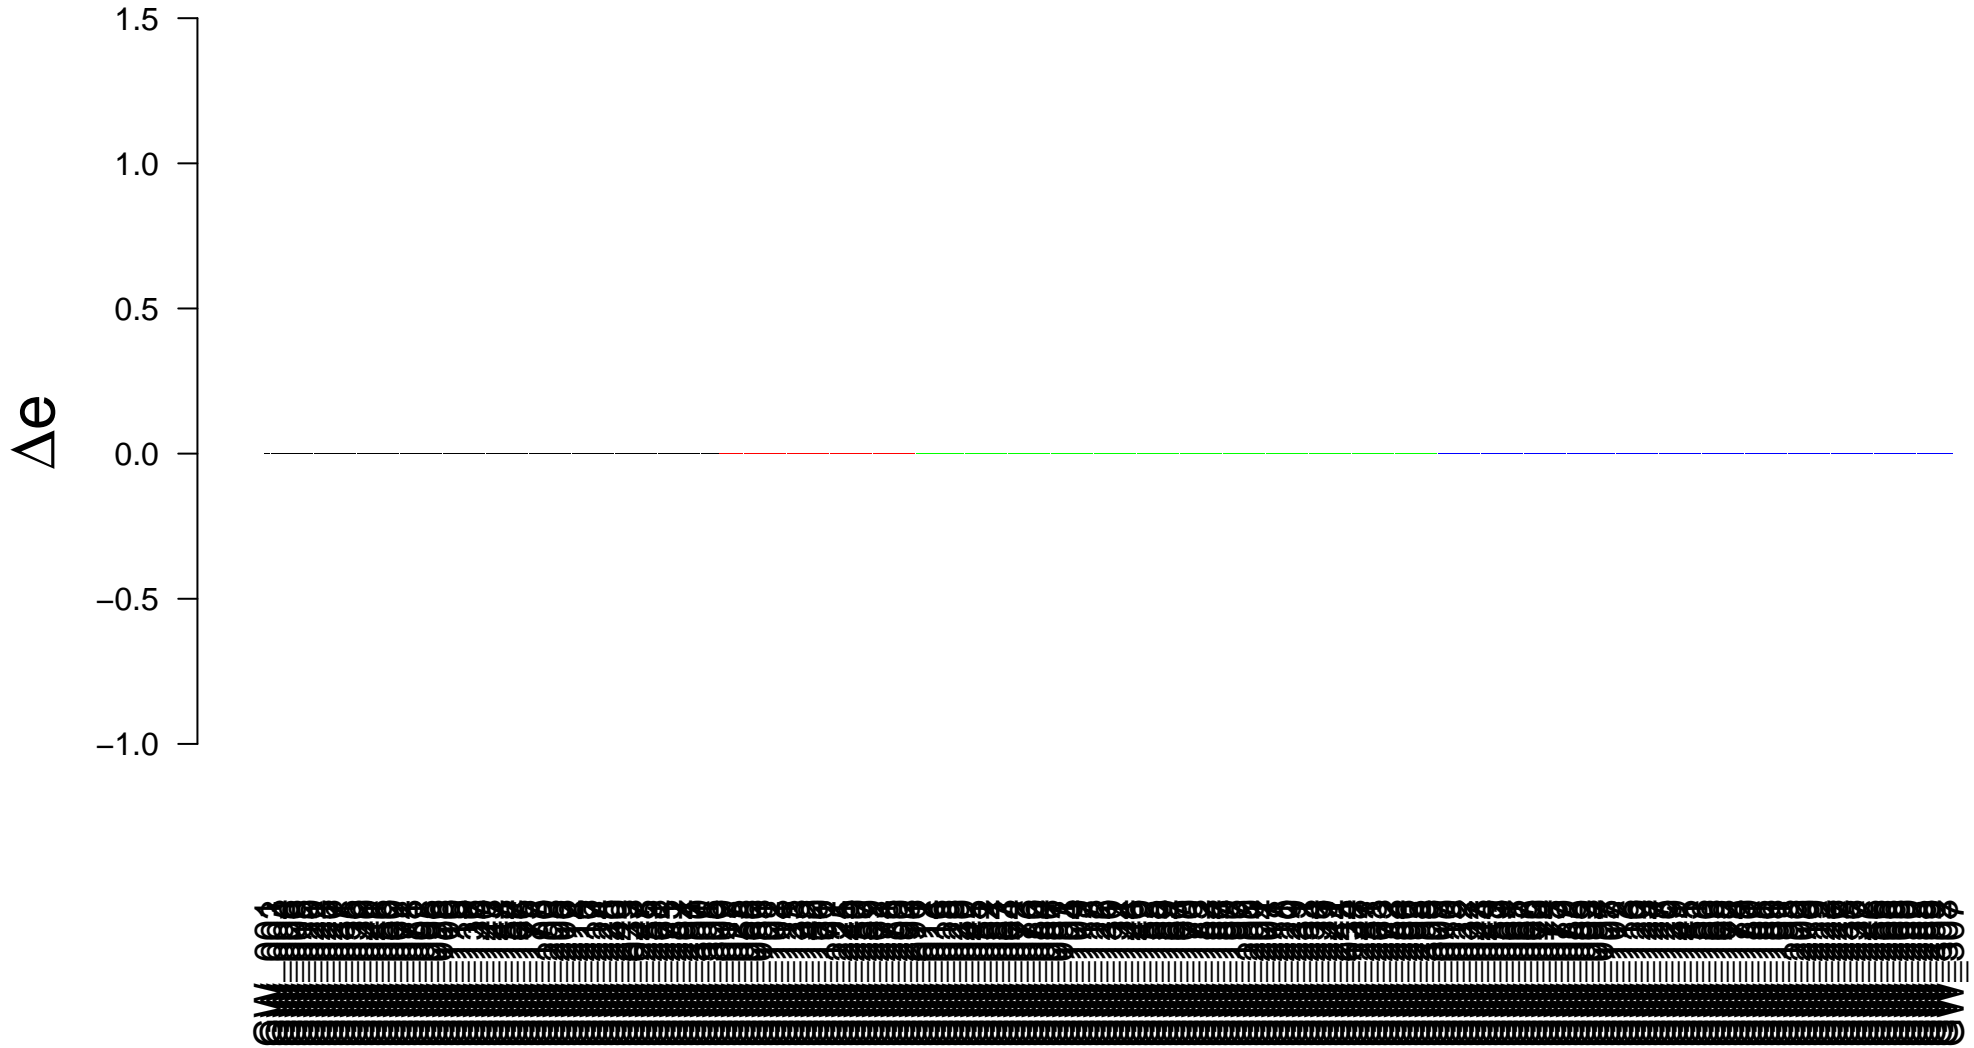

patterning of blood vessels

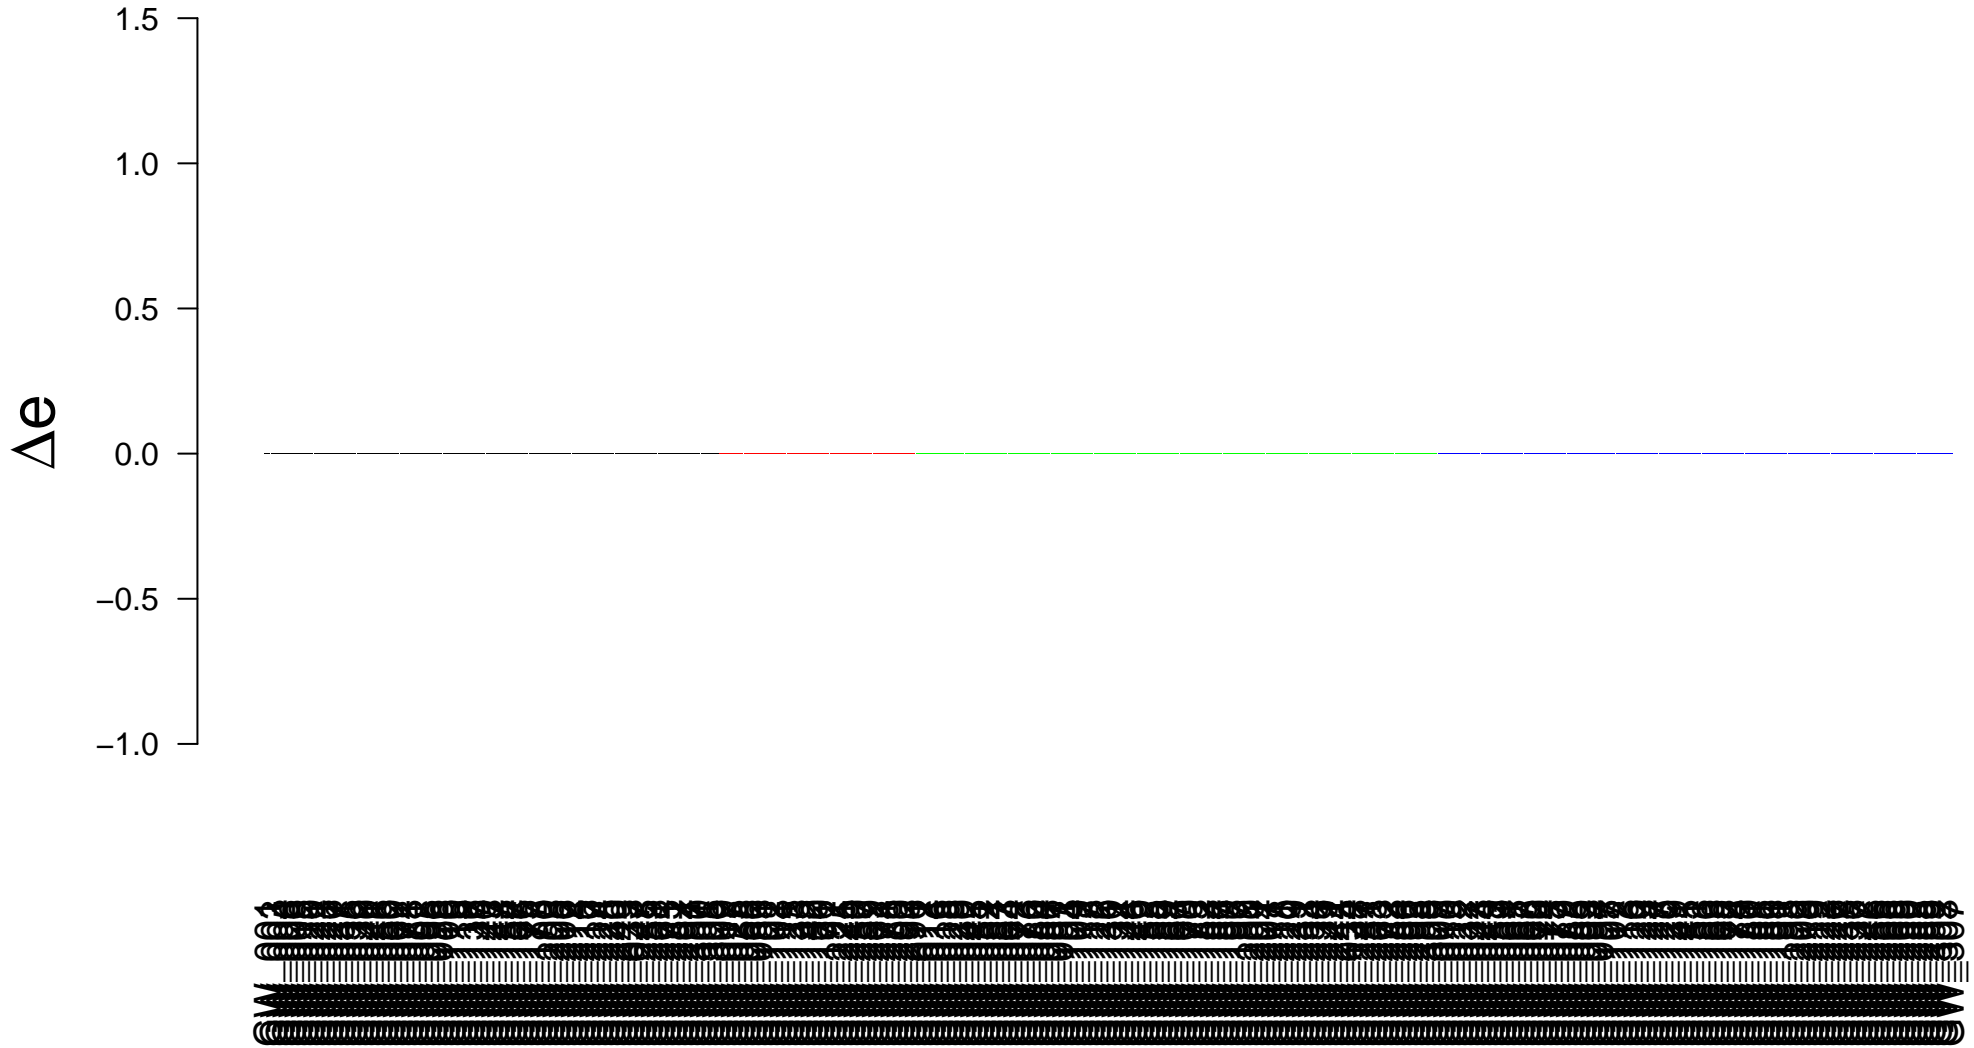

Enrichment in spots: patterning of blood vessels

Expression of patterning of blood vessels in Spot A

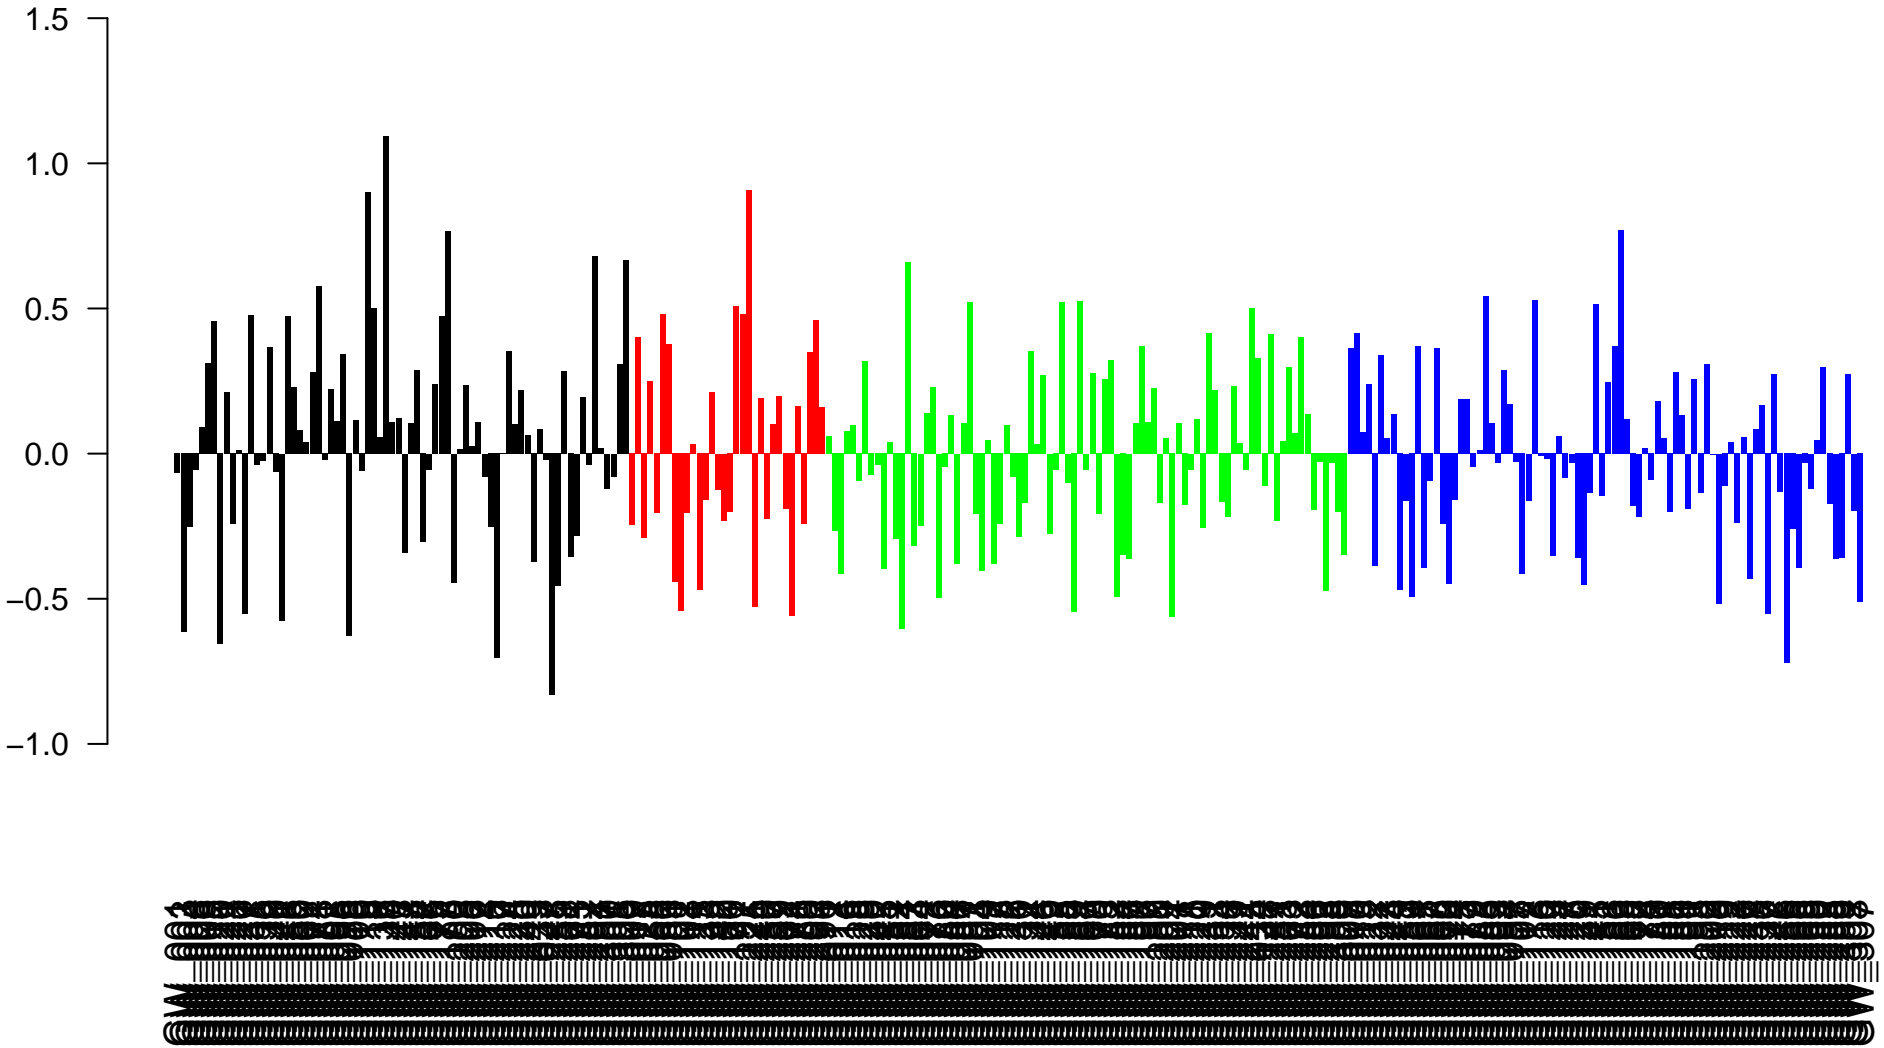

Expression of patterning of blood vessels in Spot B

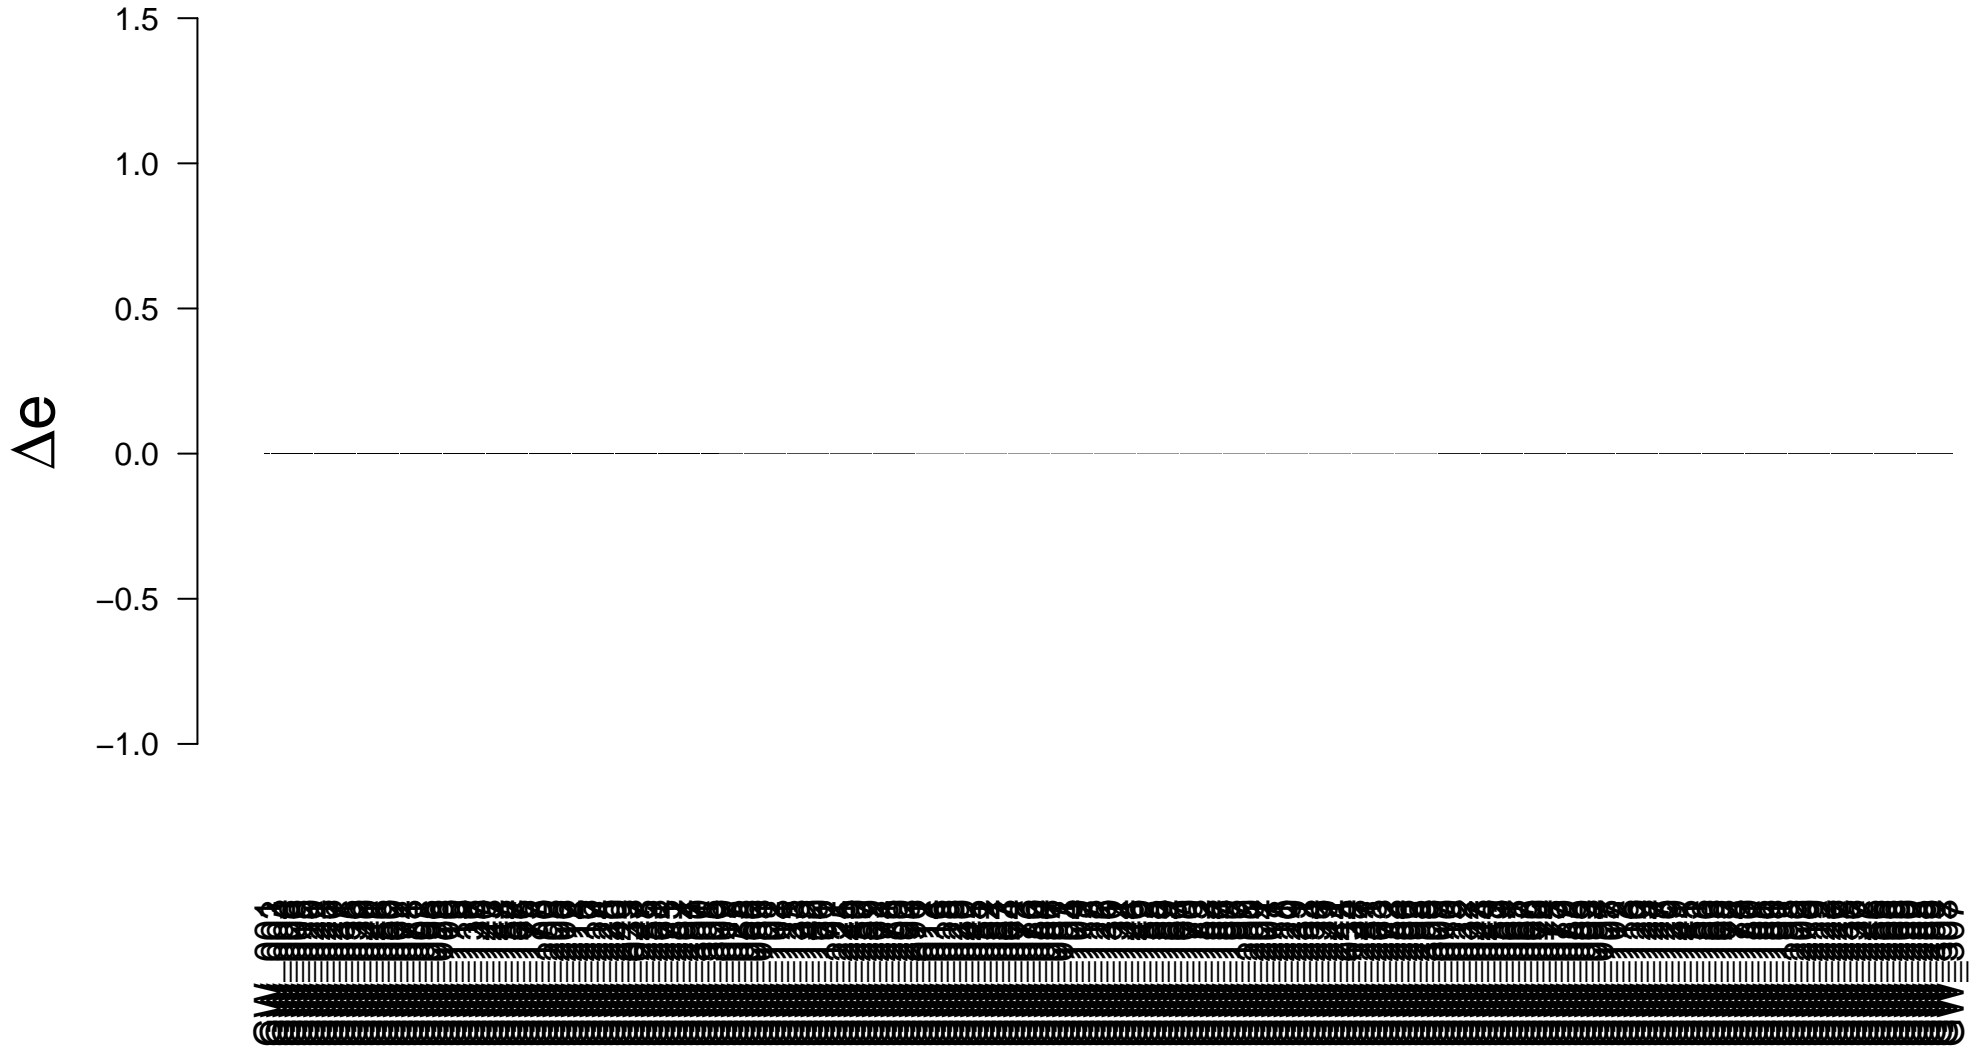

Expression of patterning of blood vessels in Spot C

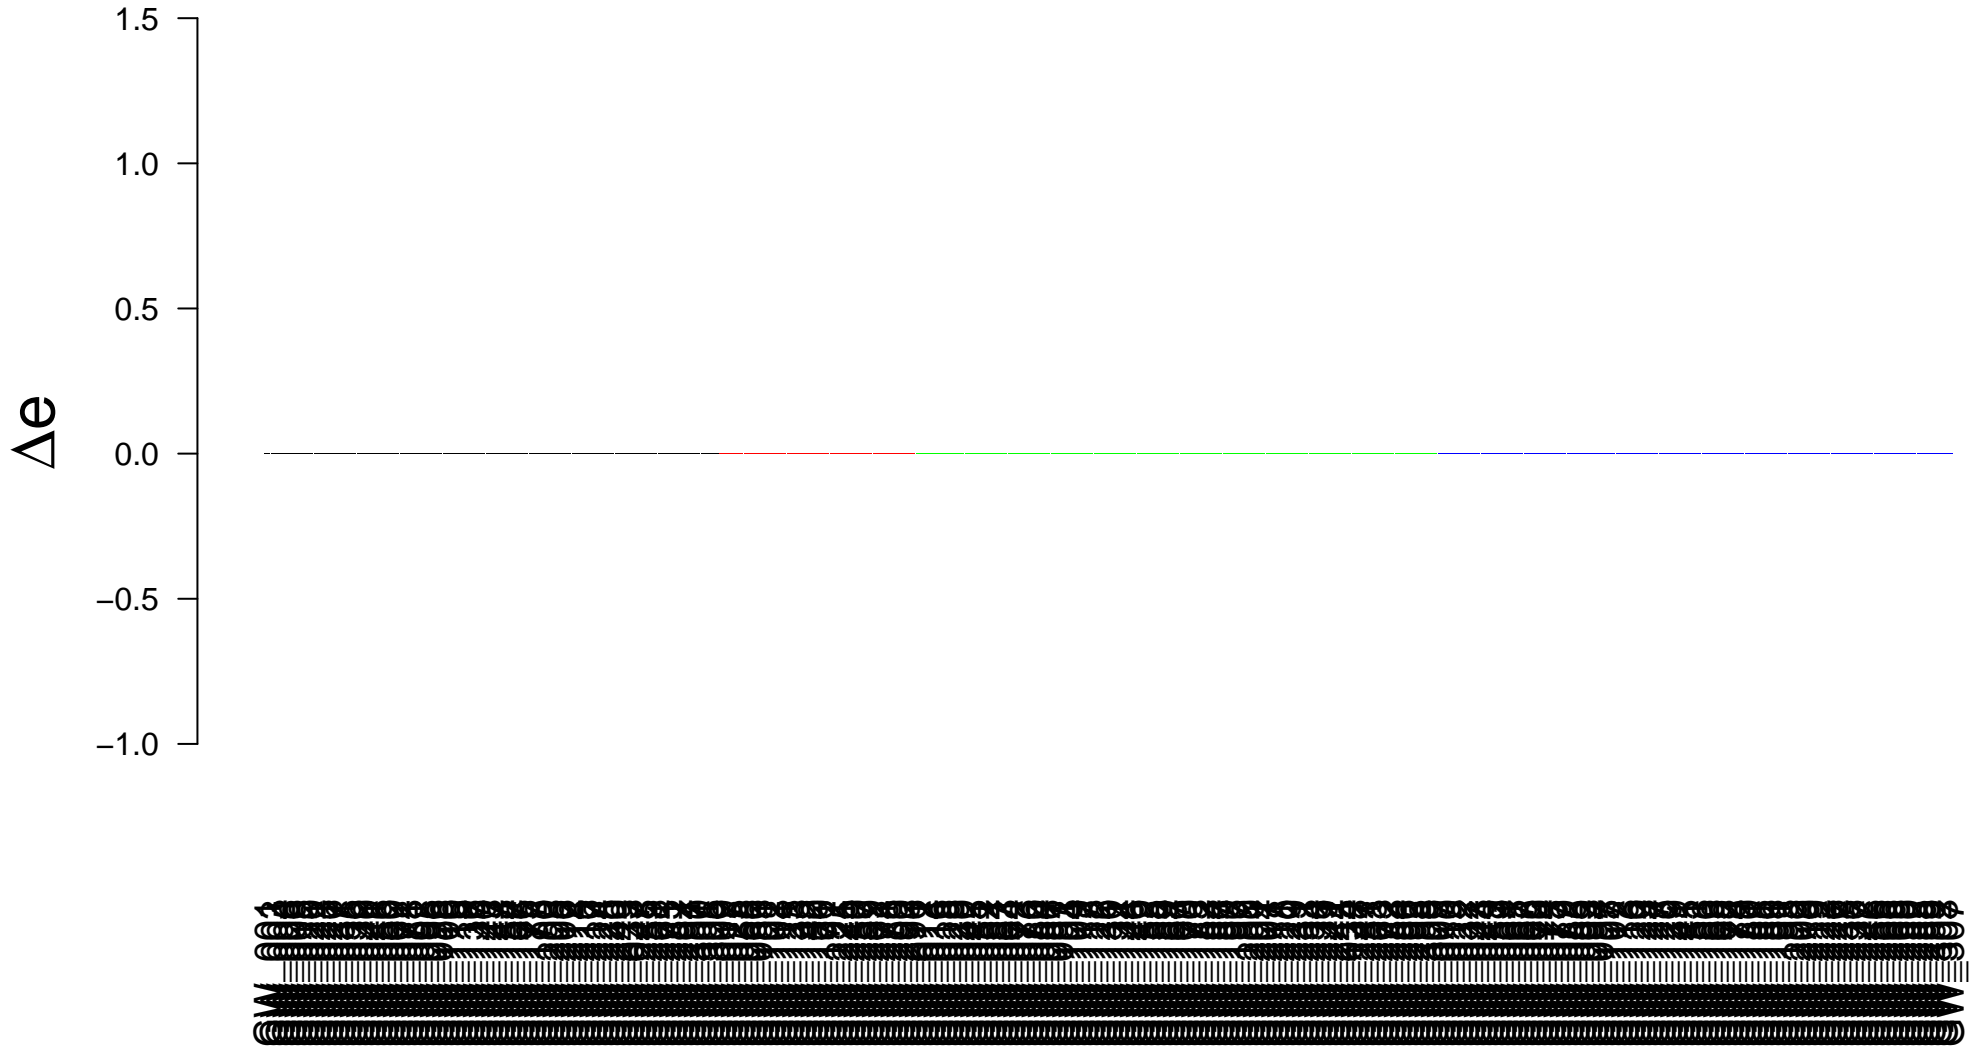

Δe

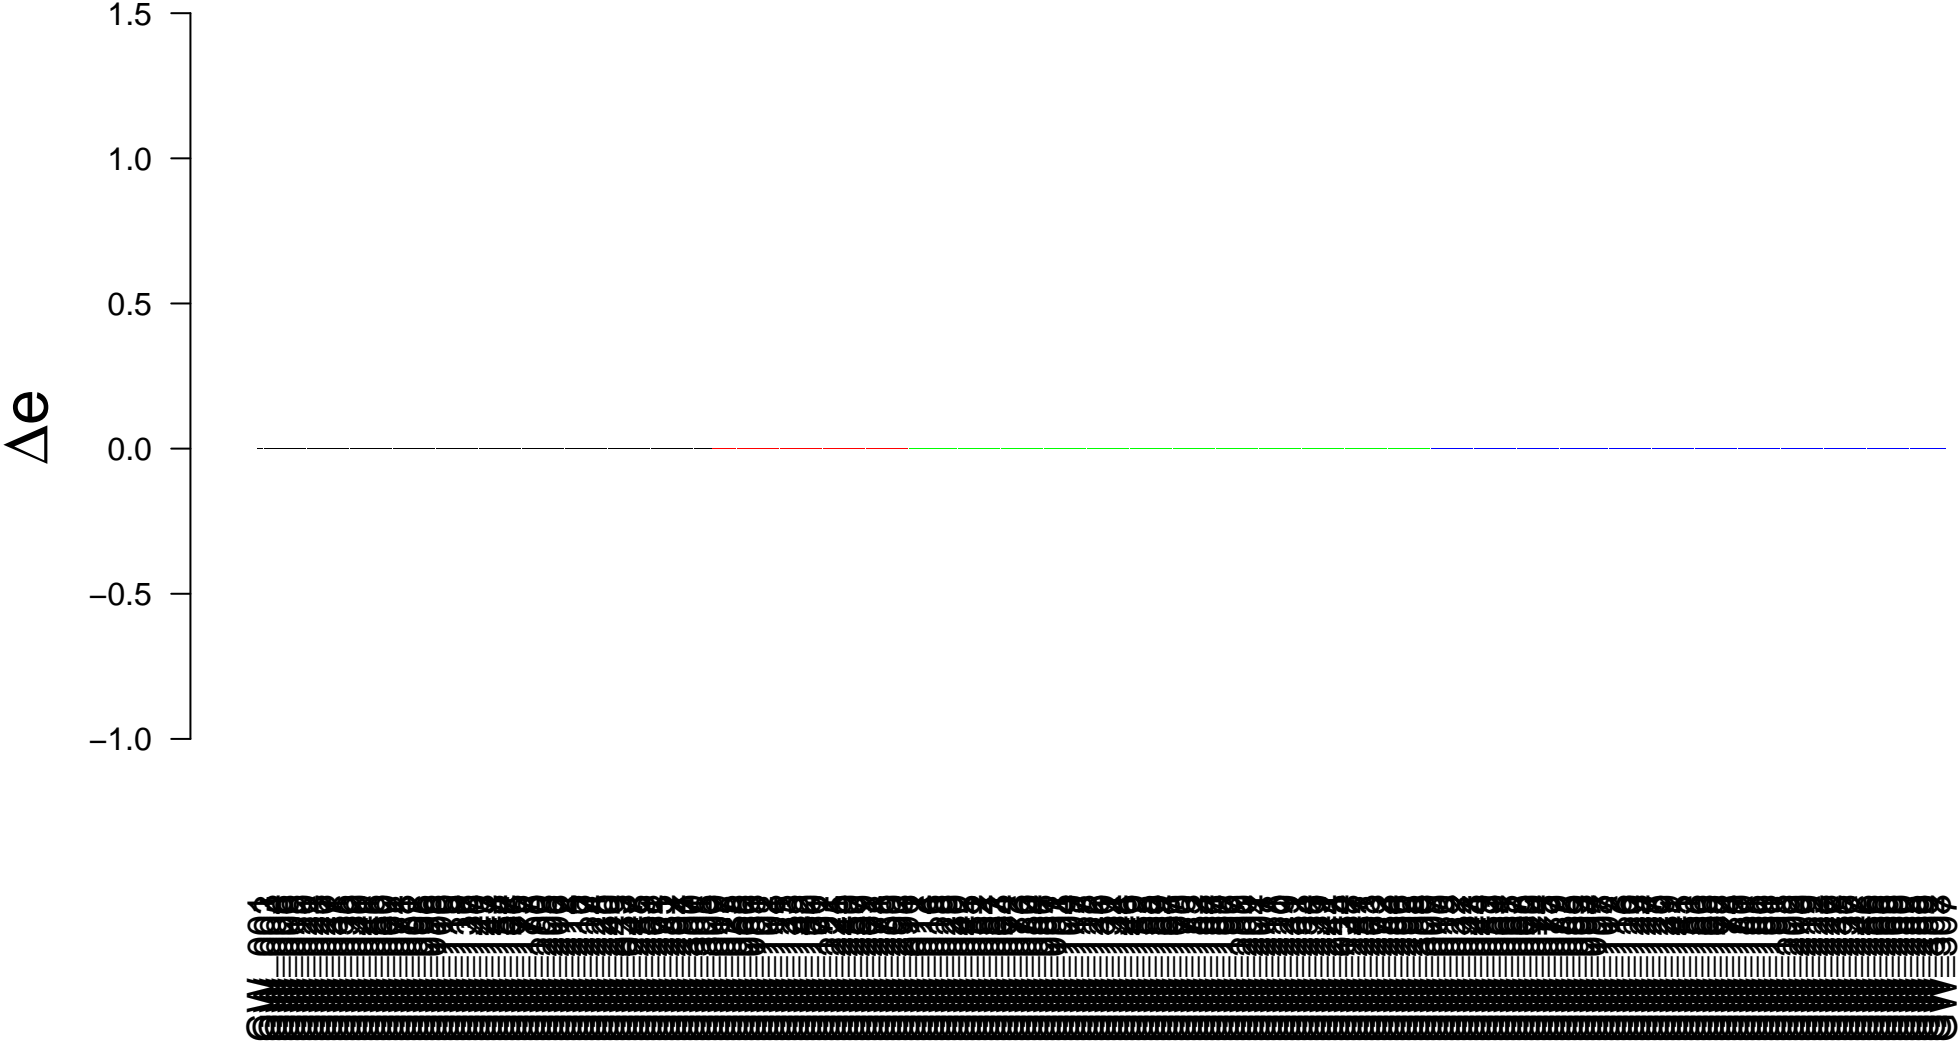

Expression of patterning of blood vessels in Spot D

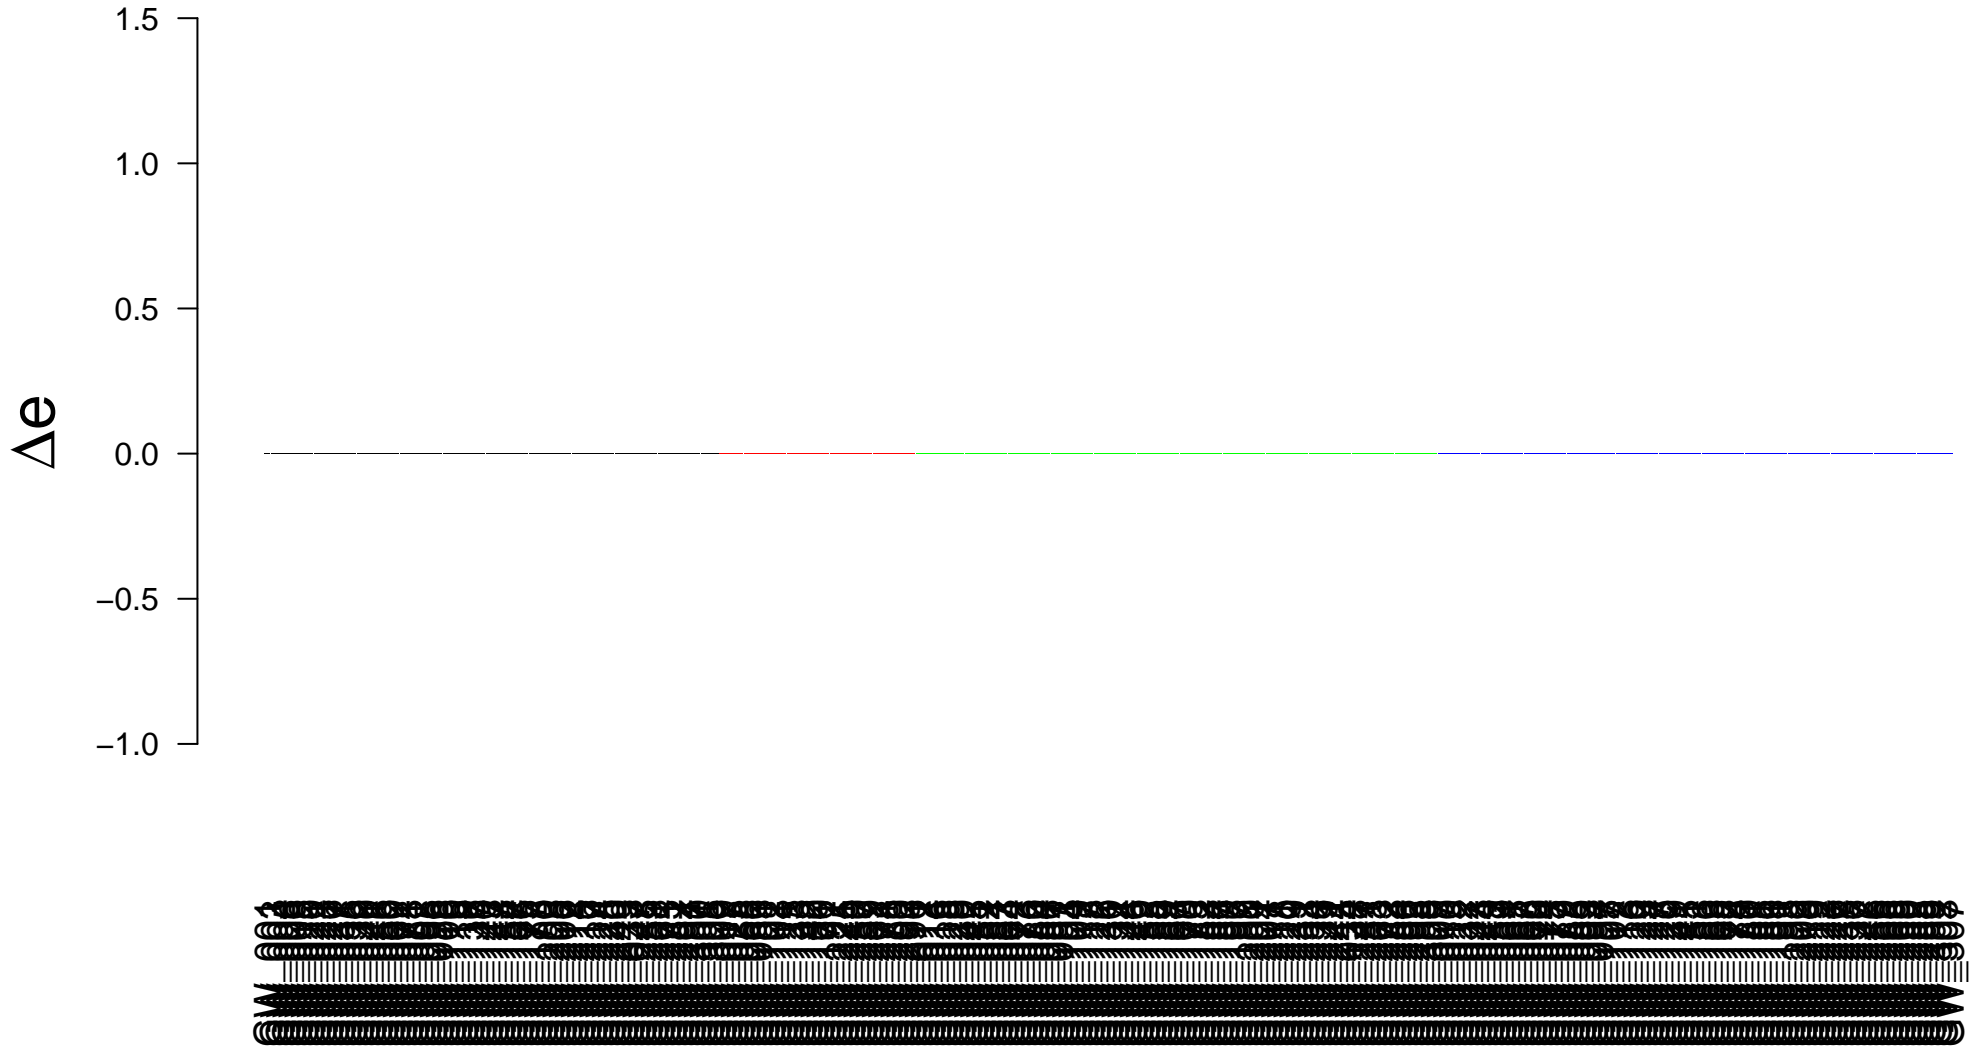

Expression of patterning of blood vessels in Spot E

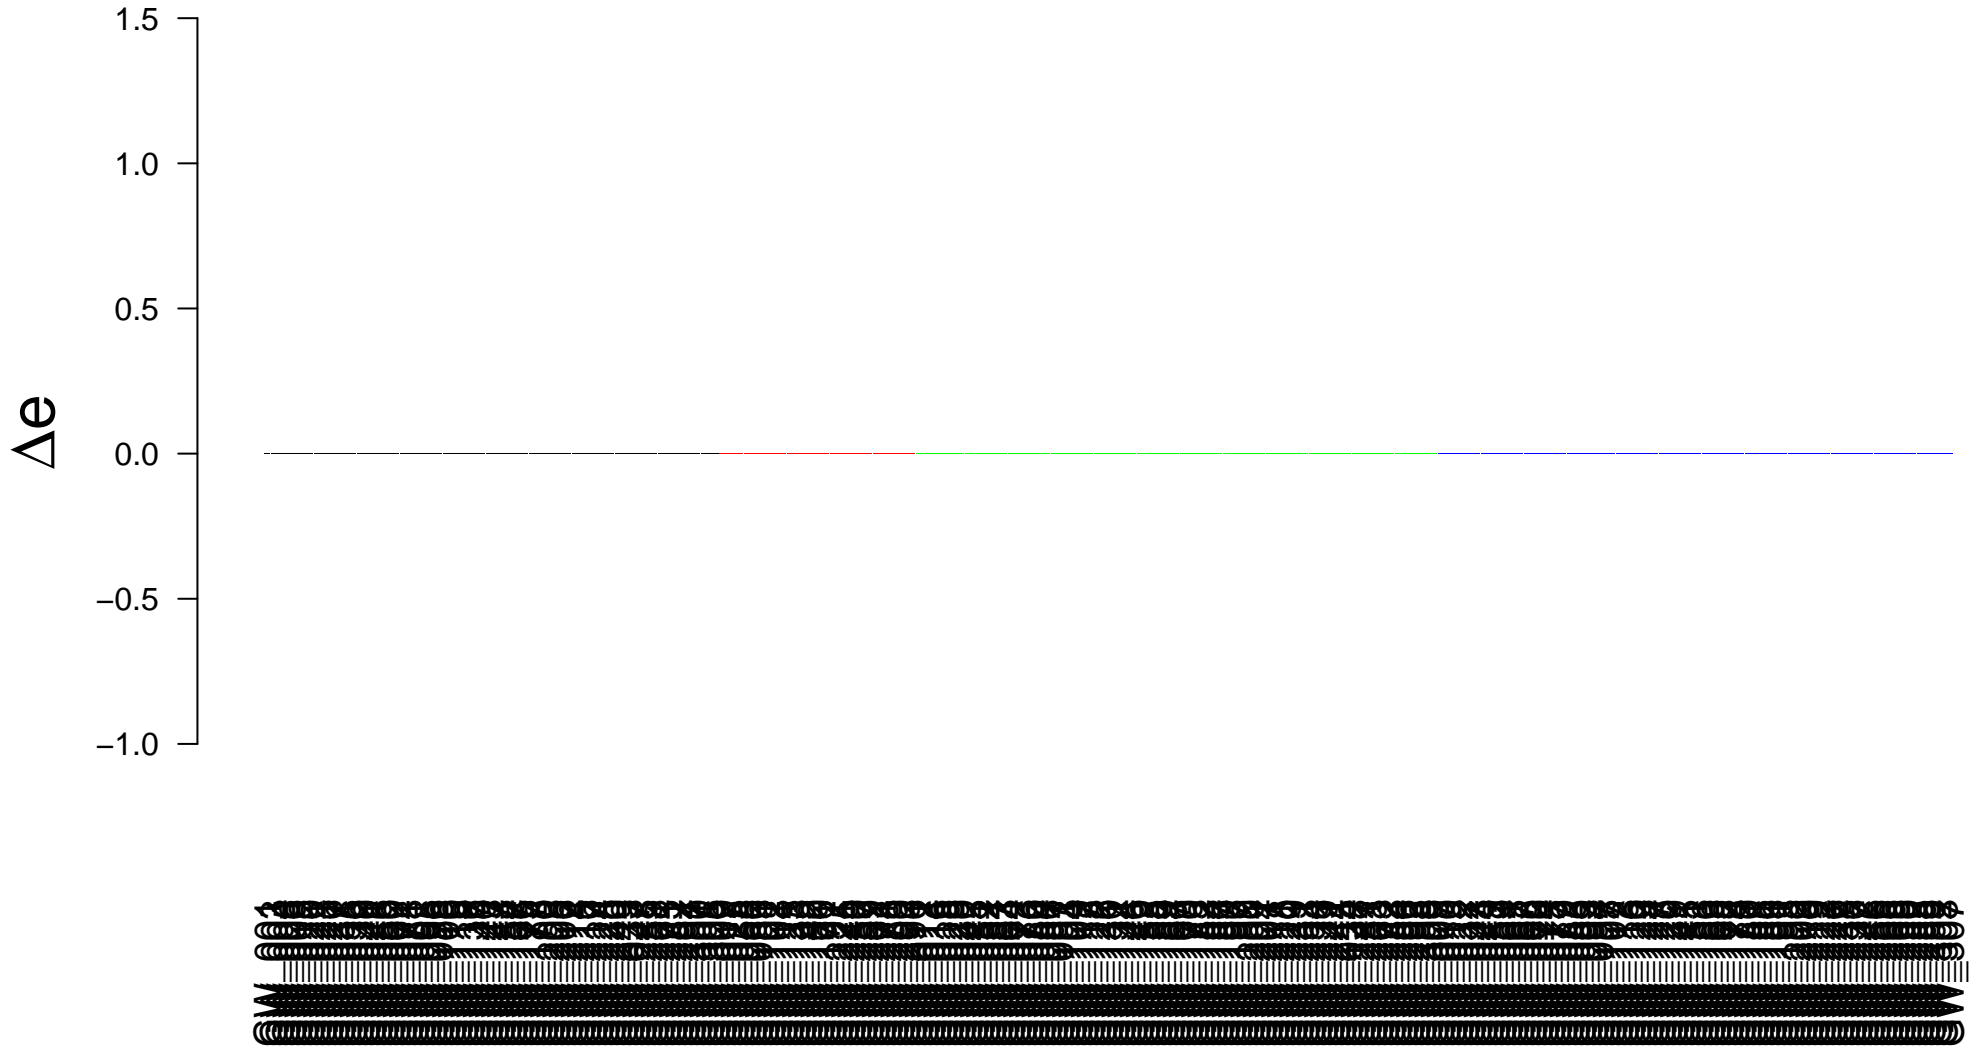

Expression of patterning of blood vessels in Spot F

Expression of patterning of blood vessels in Spot G

Expression of patterning of blood vessels in Spot H

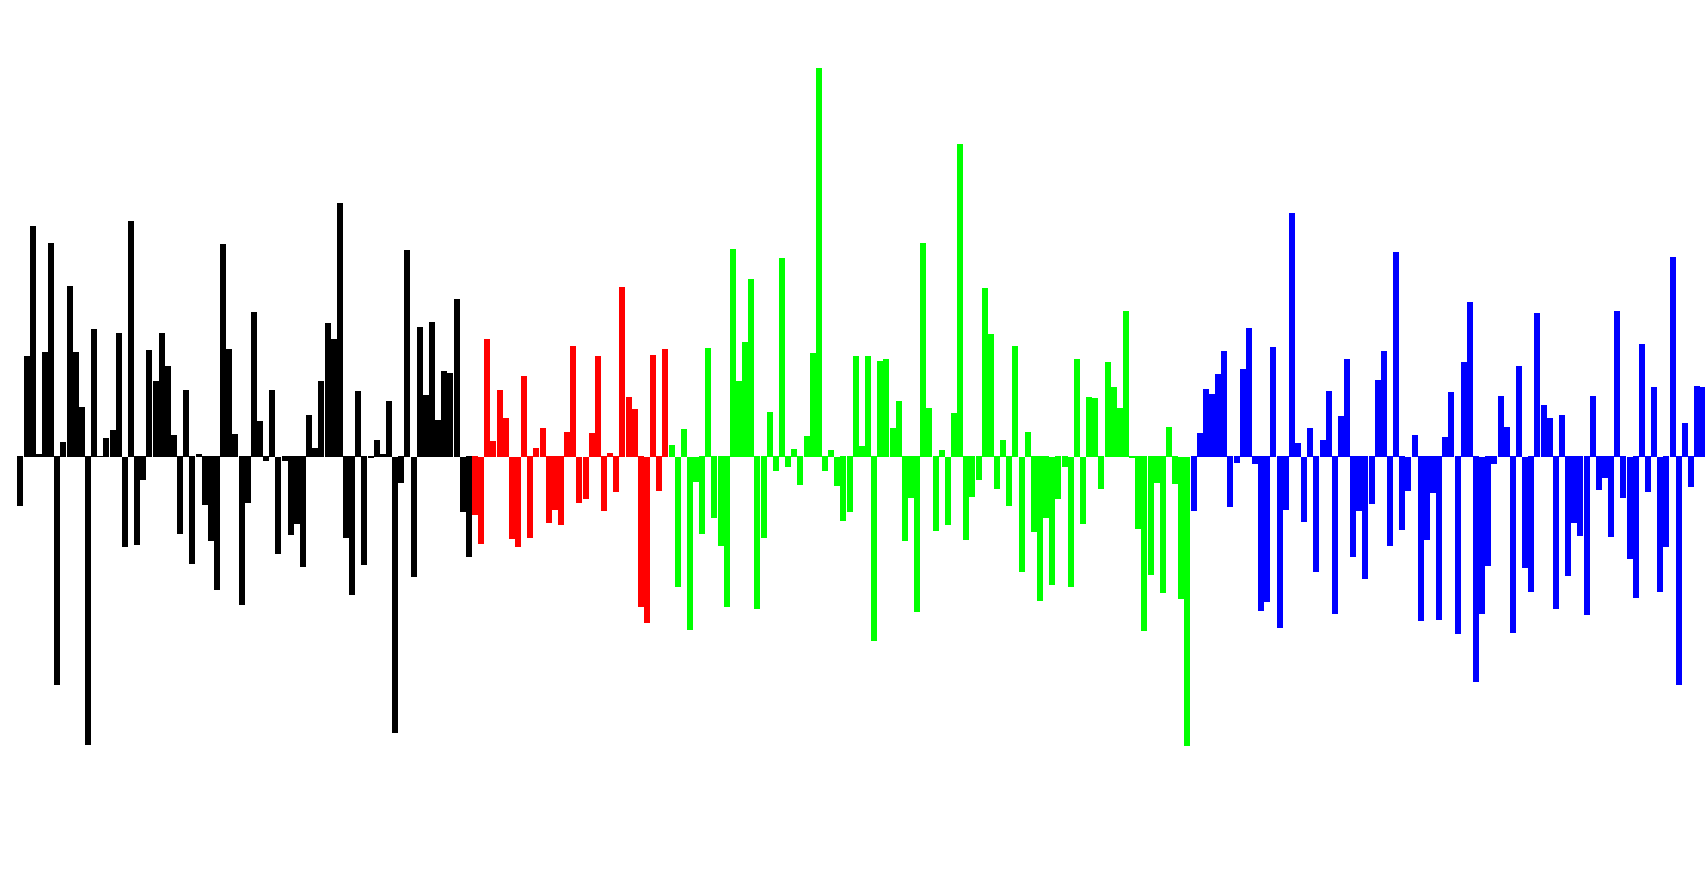

Expression of patterning of blood vessels in Spot I

Δe

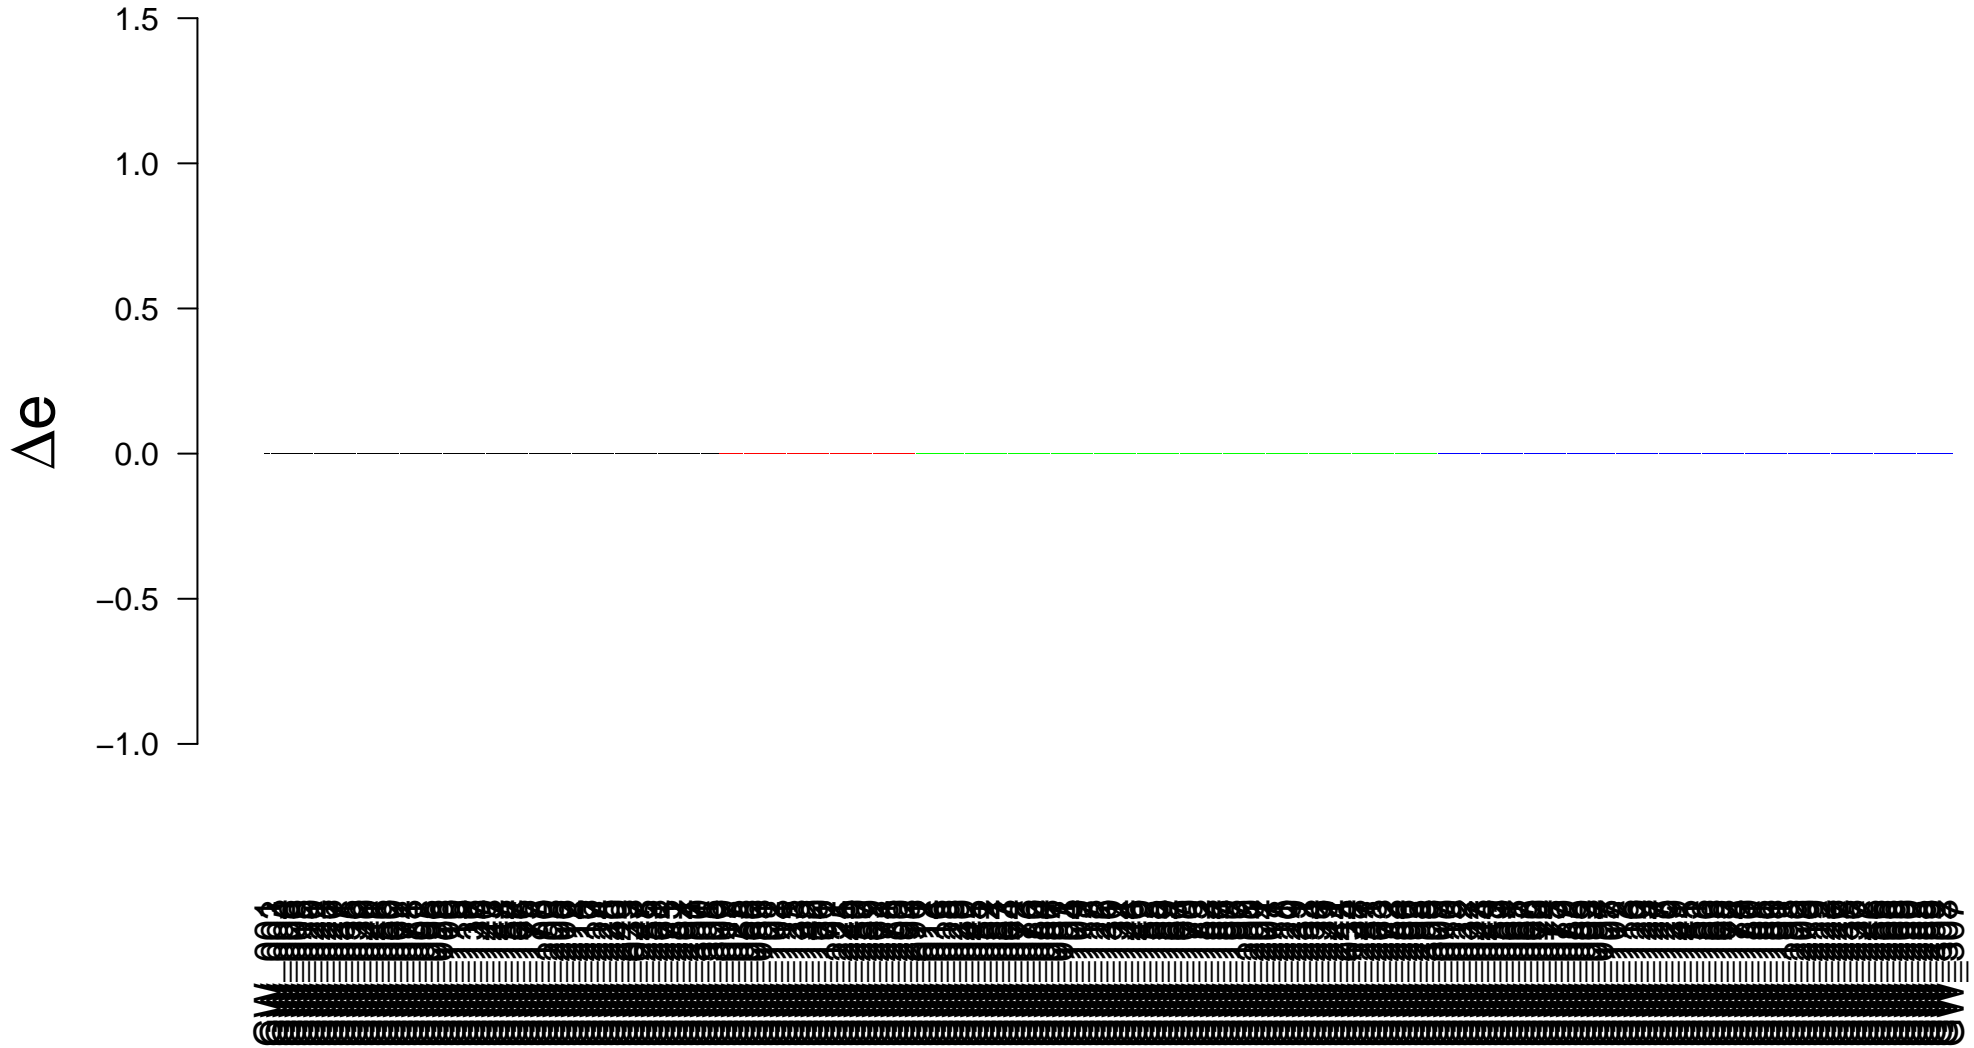

Expression of patterning of blood vessels in Spot J

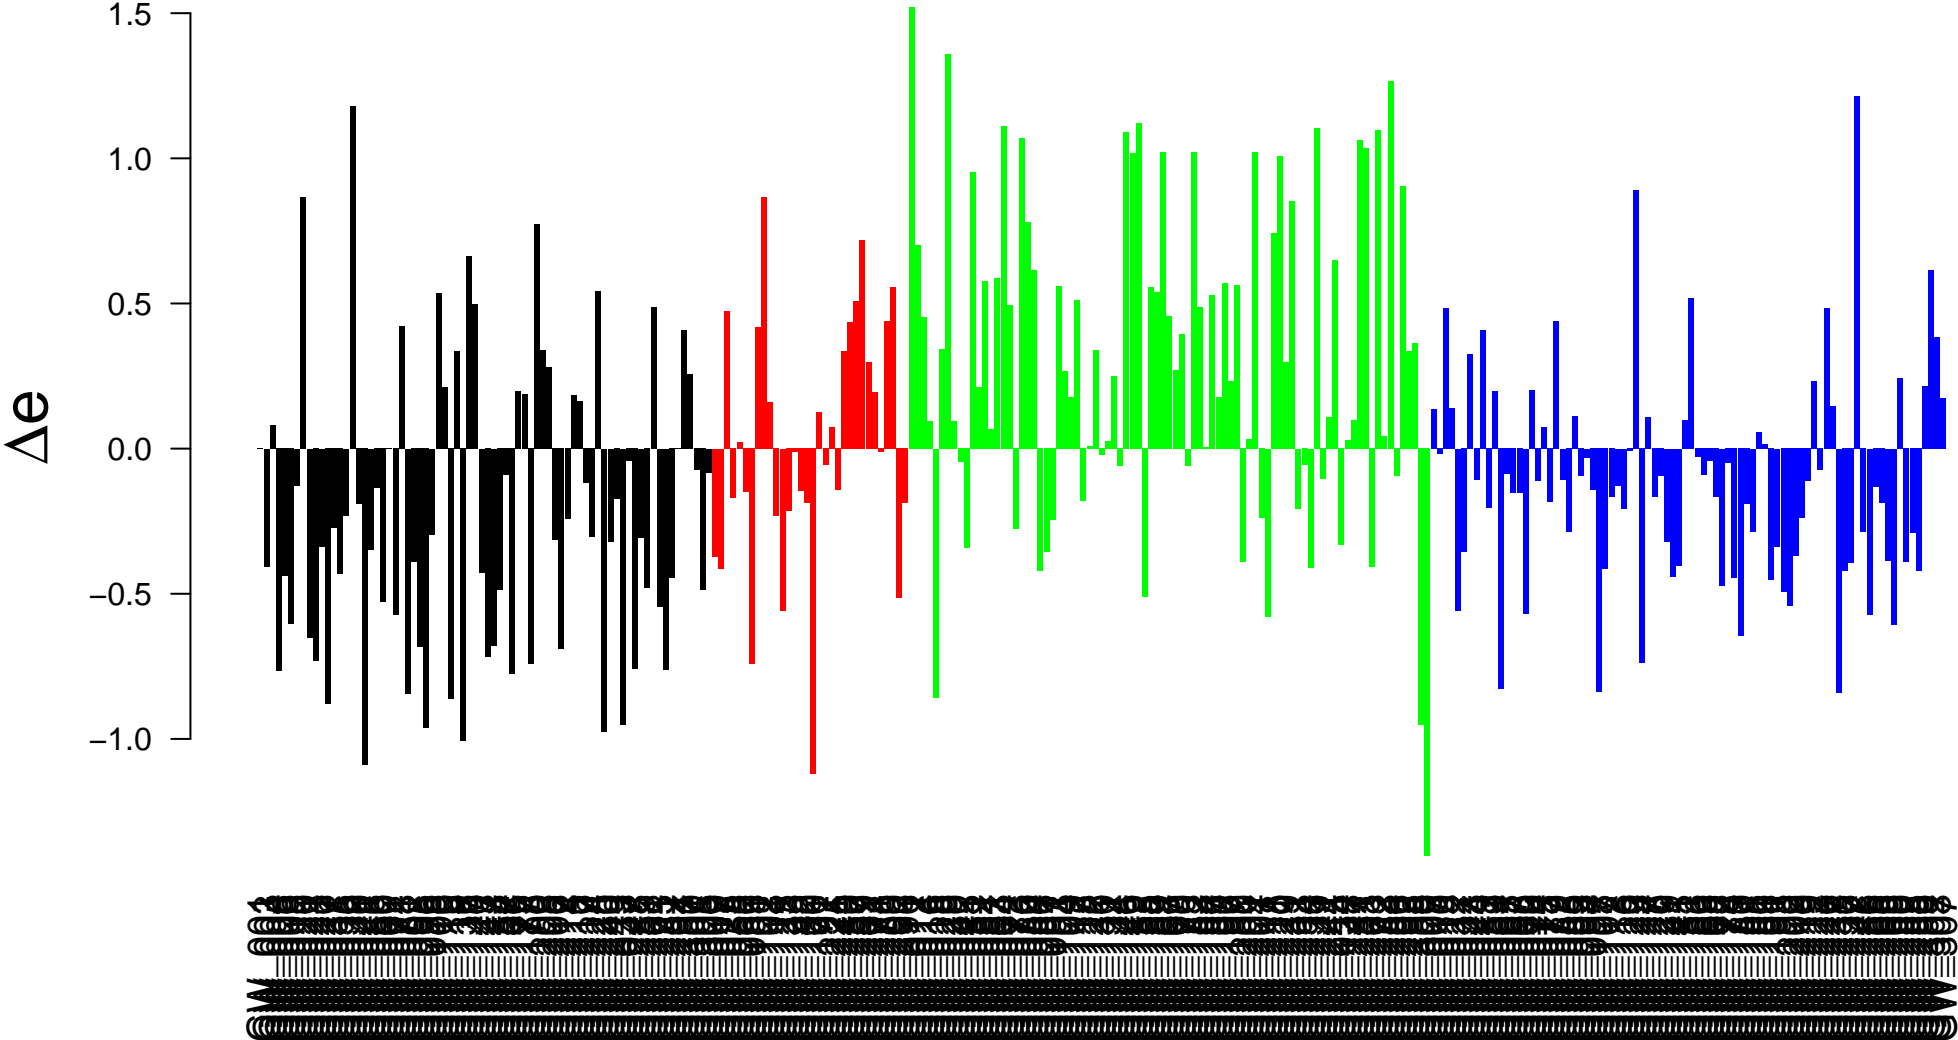

Δe

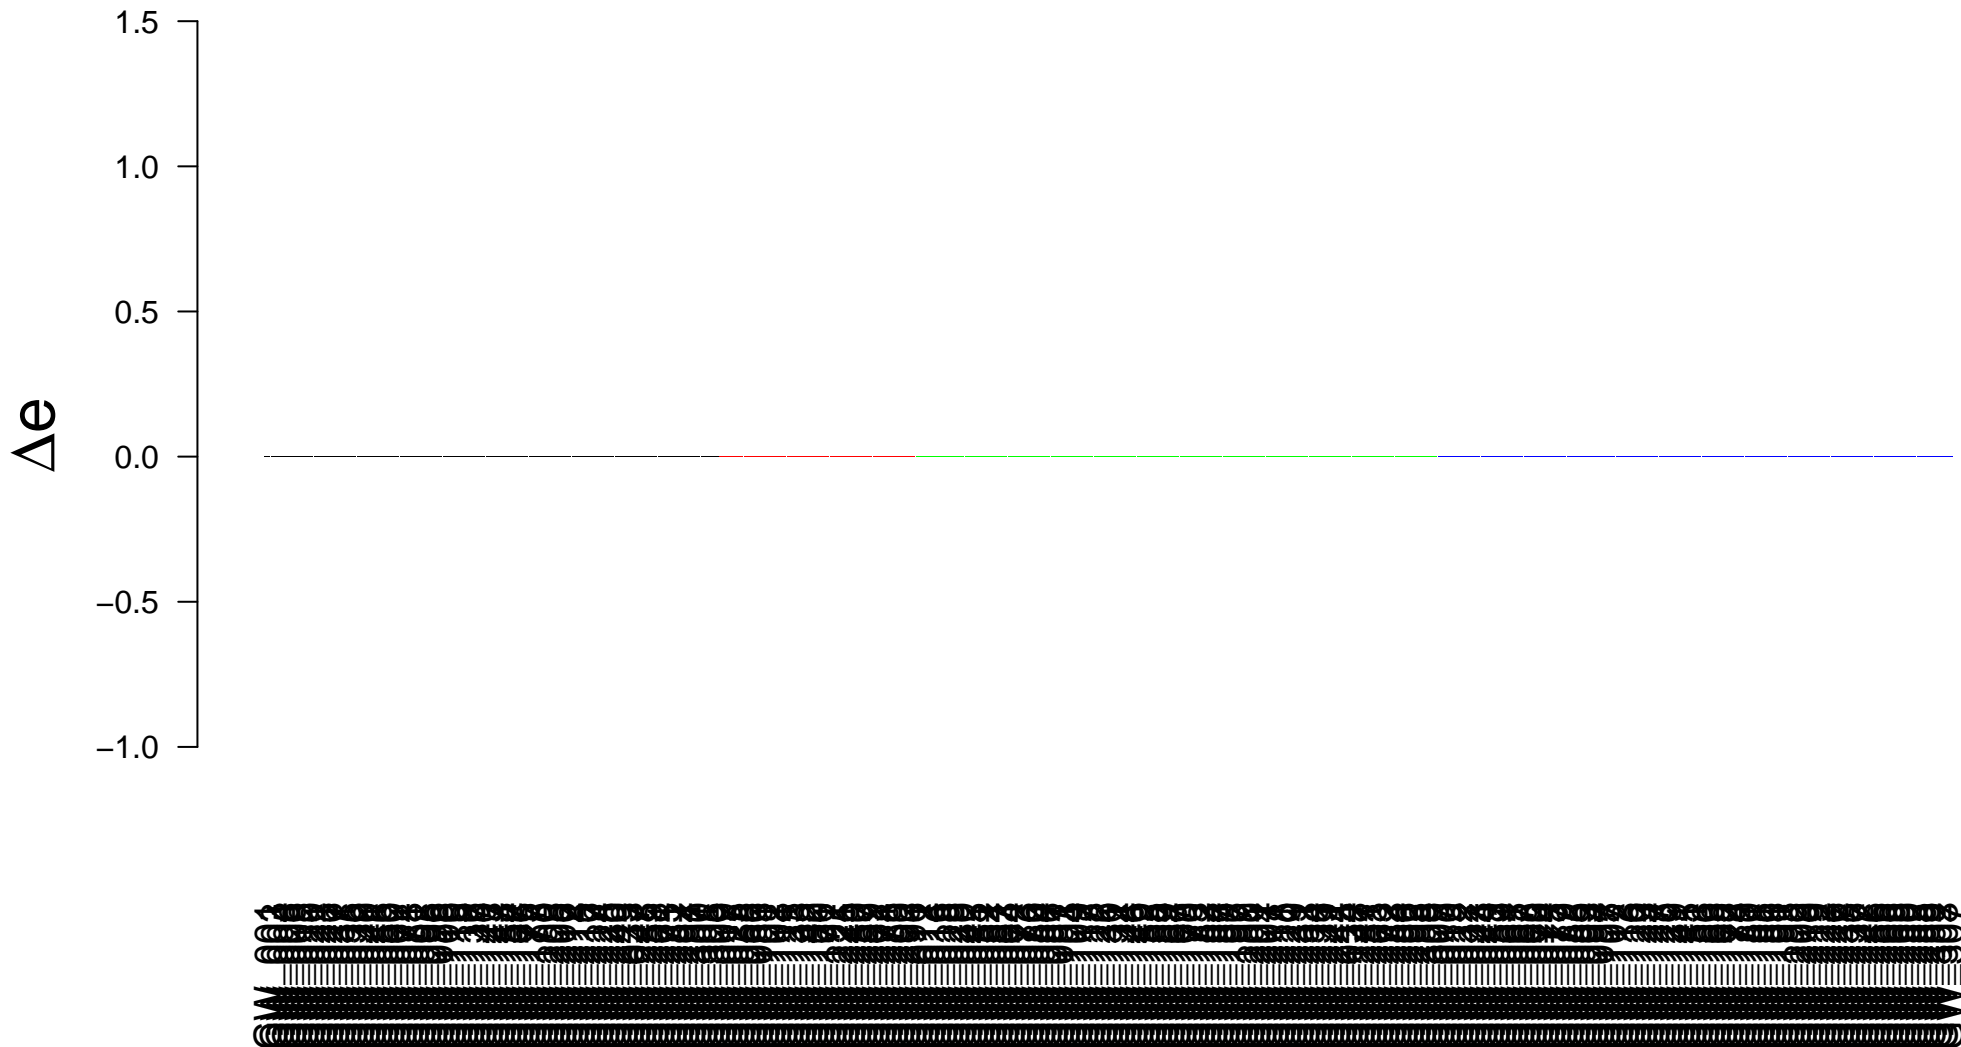

Expression of patterning of blood vessels in Spot K

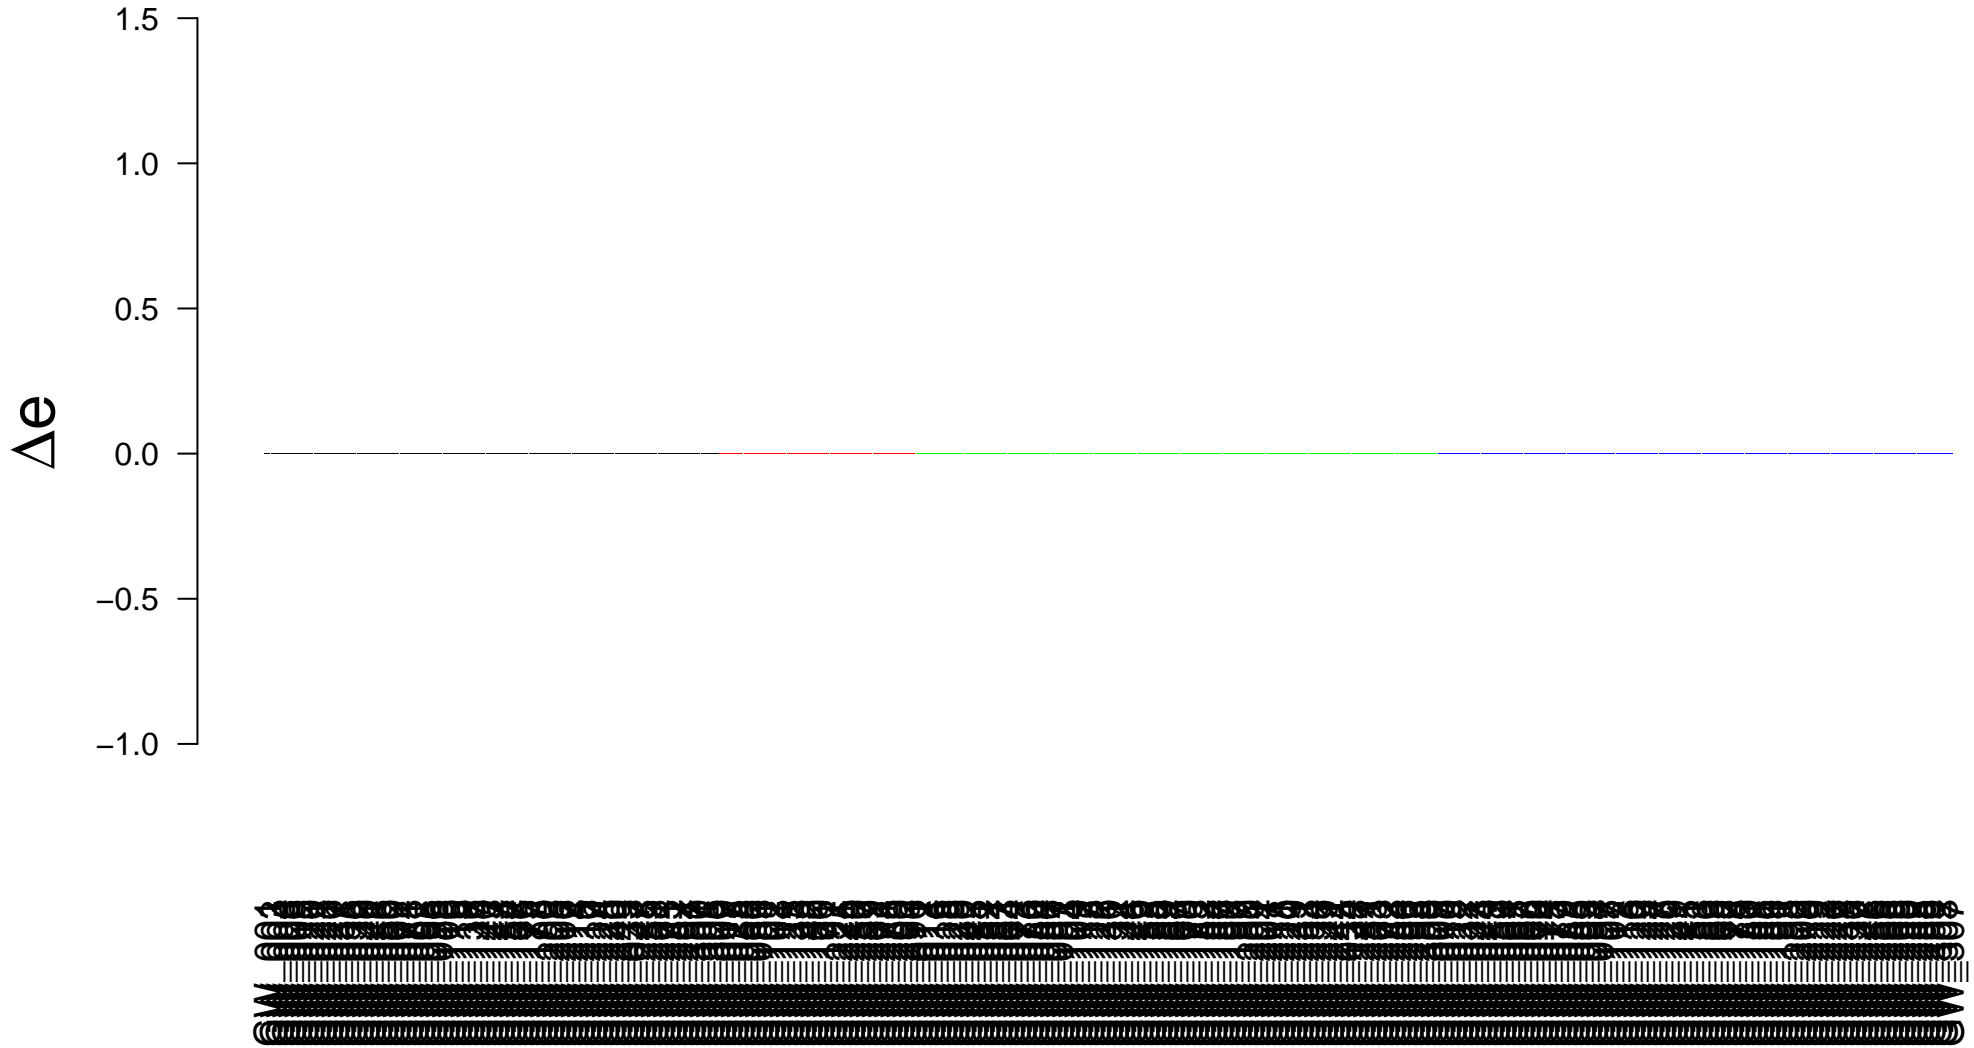

Expression of patterning of blood vessels in Spot L

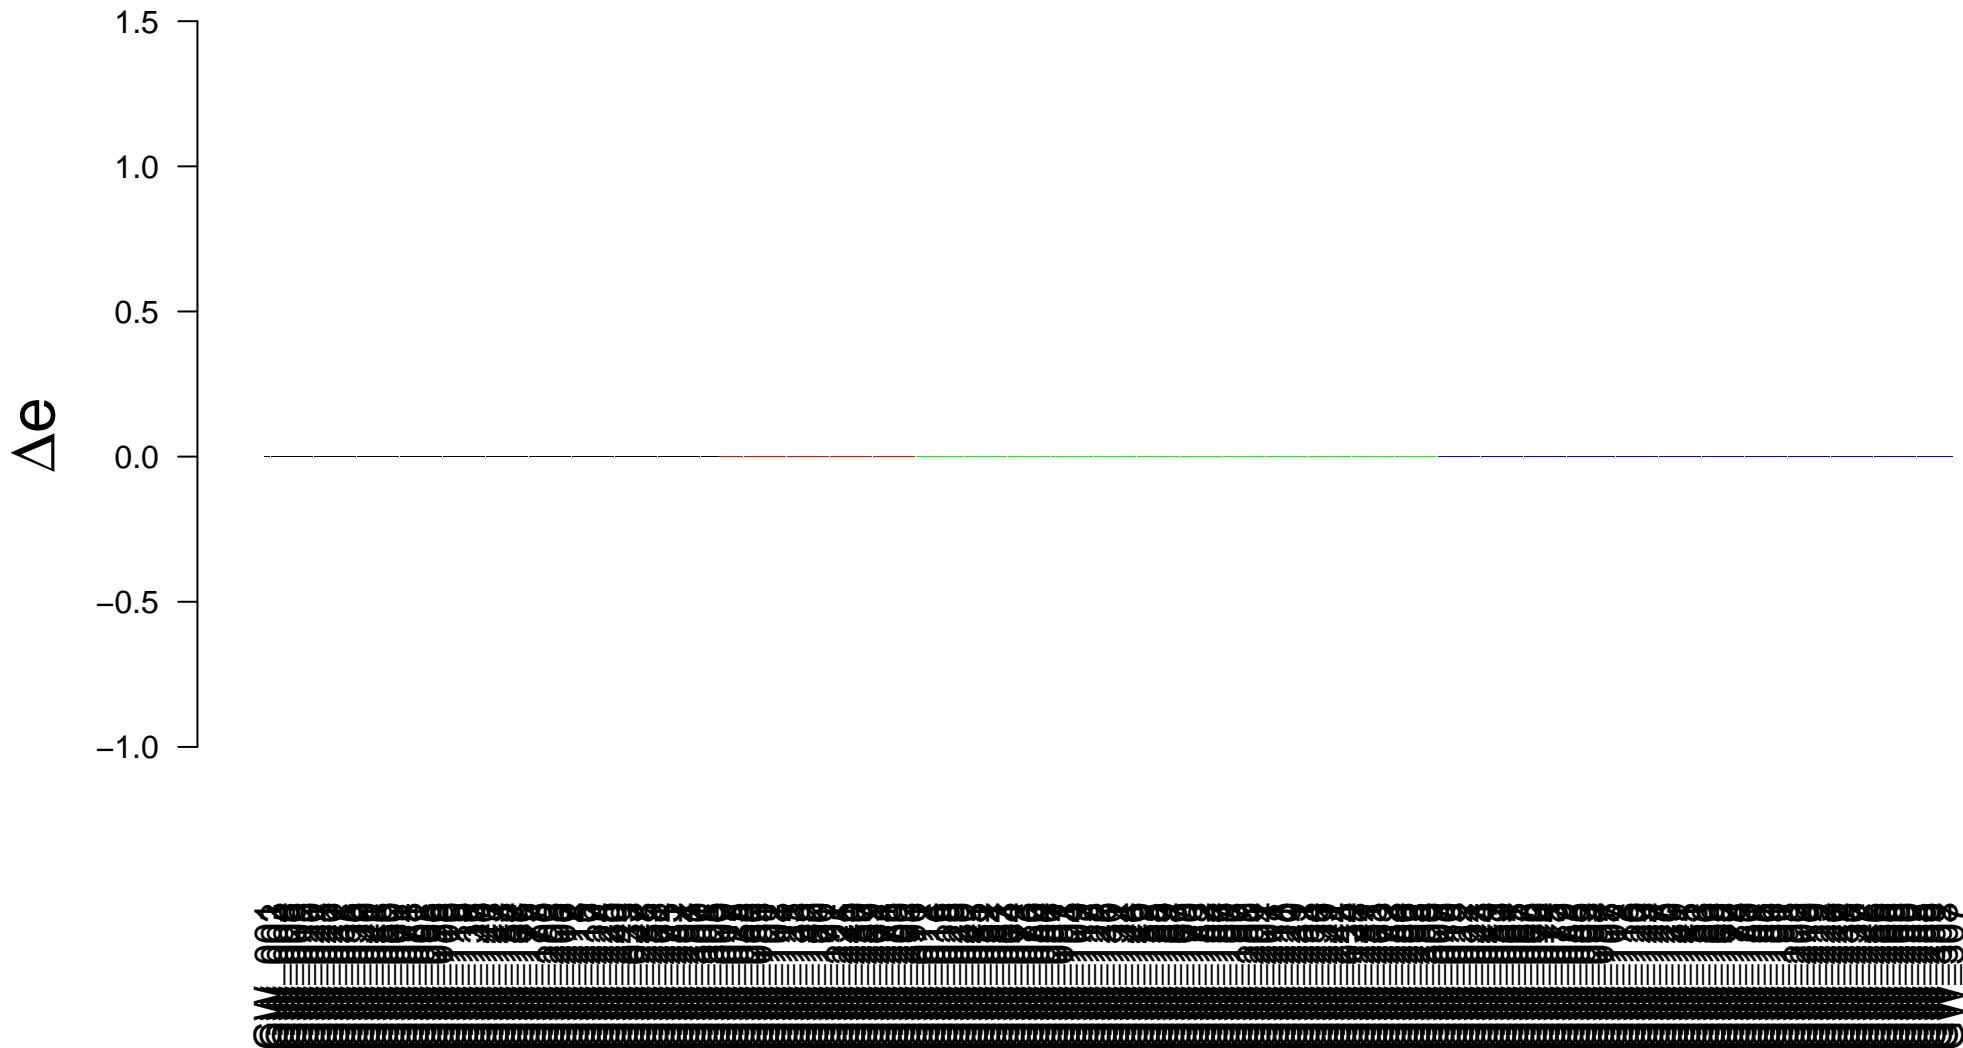

Expression of patterning of blood vessels in Spot M

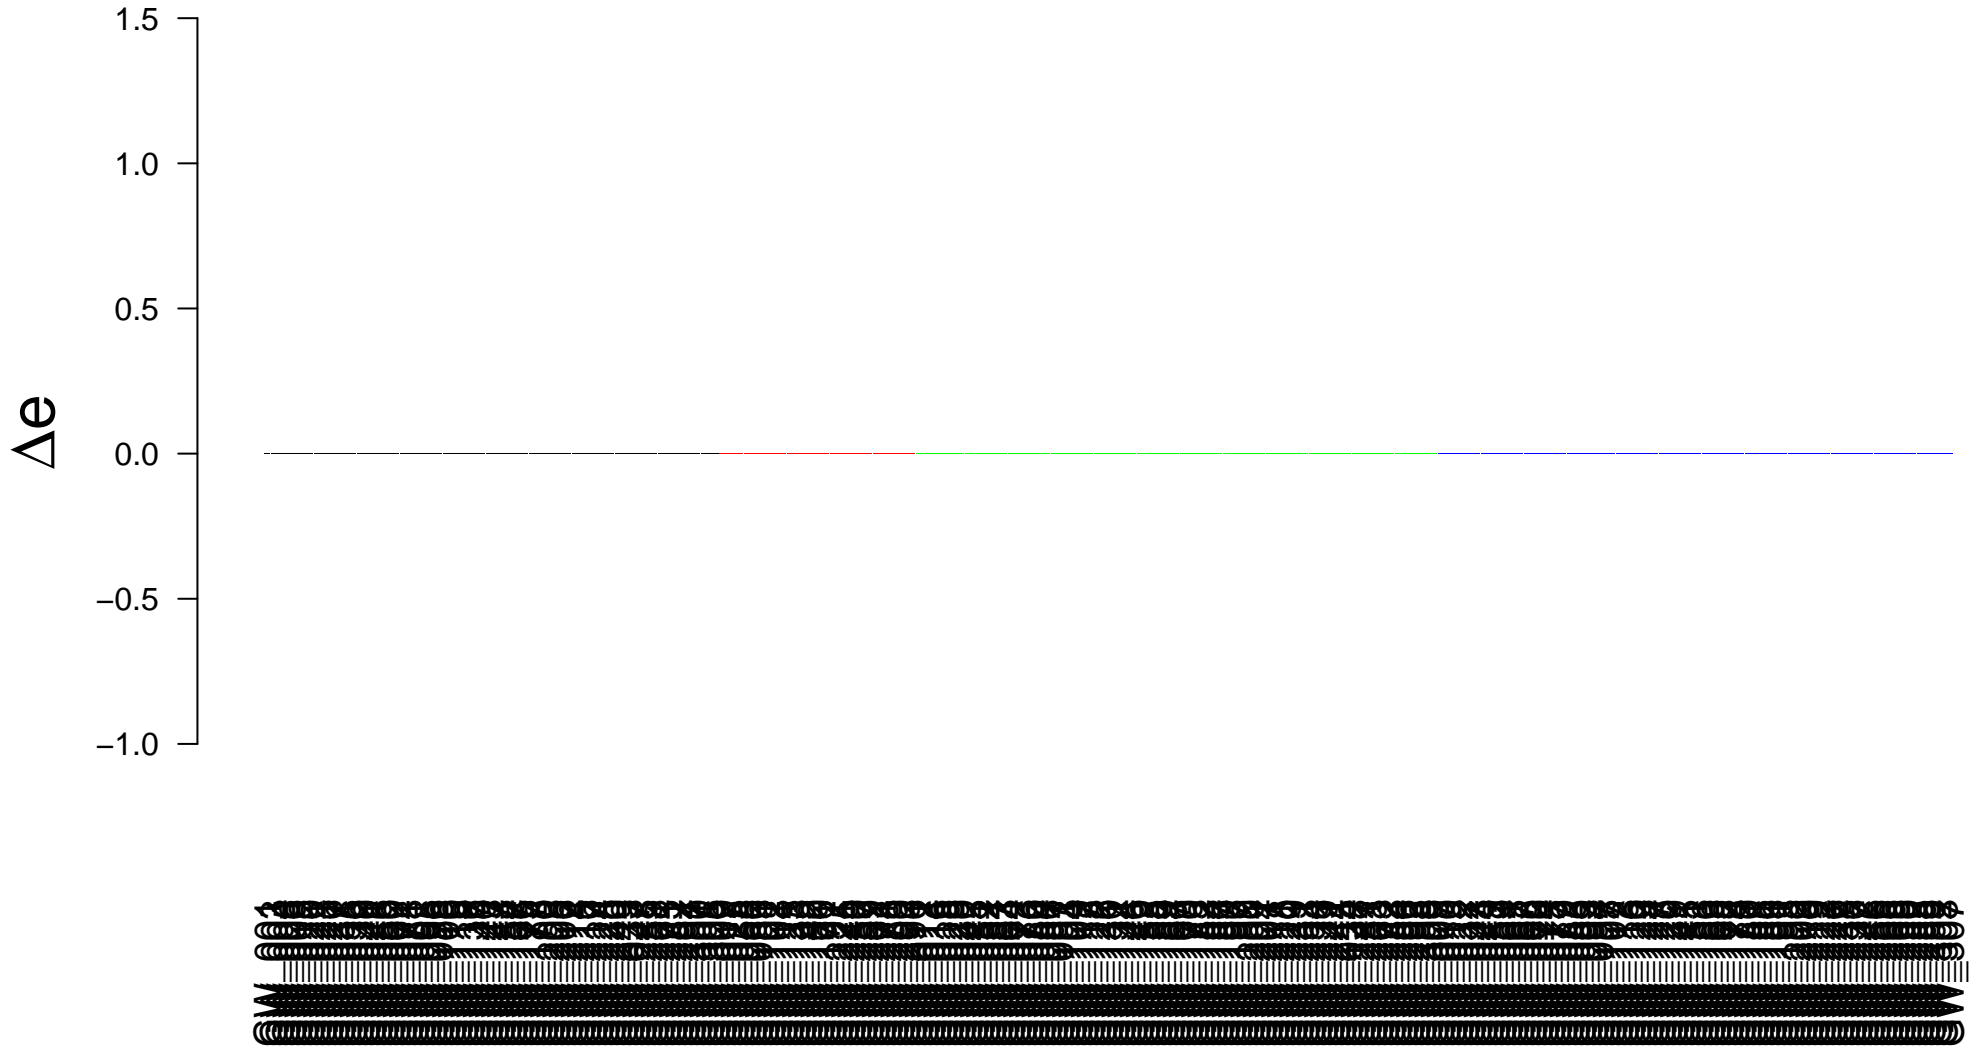

Expression of patterning of blood vessels in Spot N

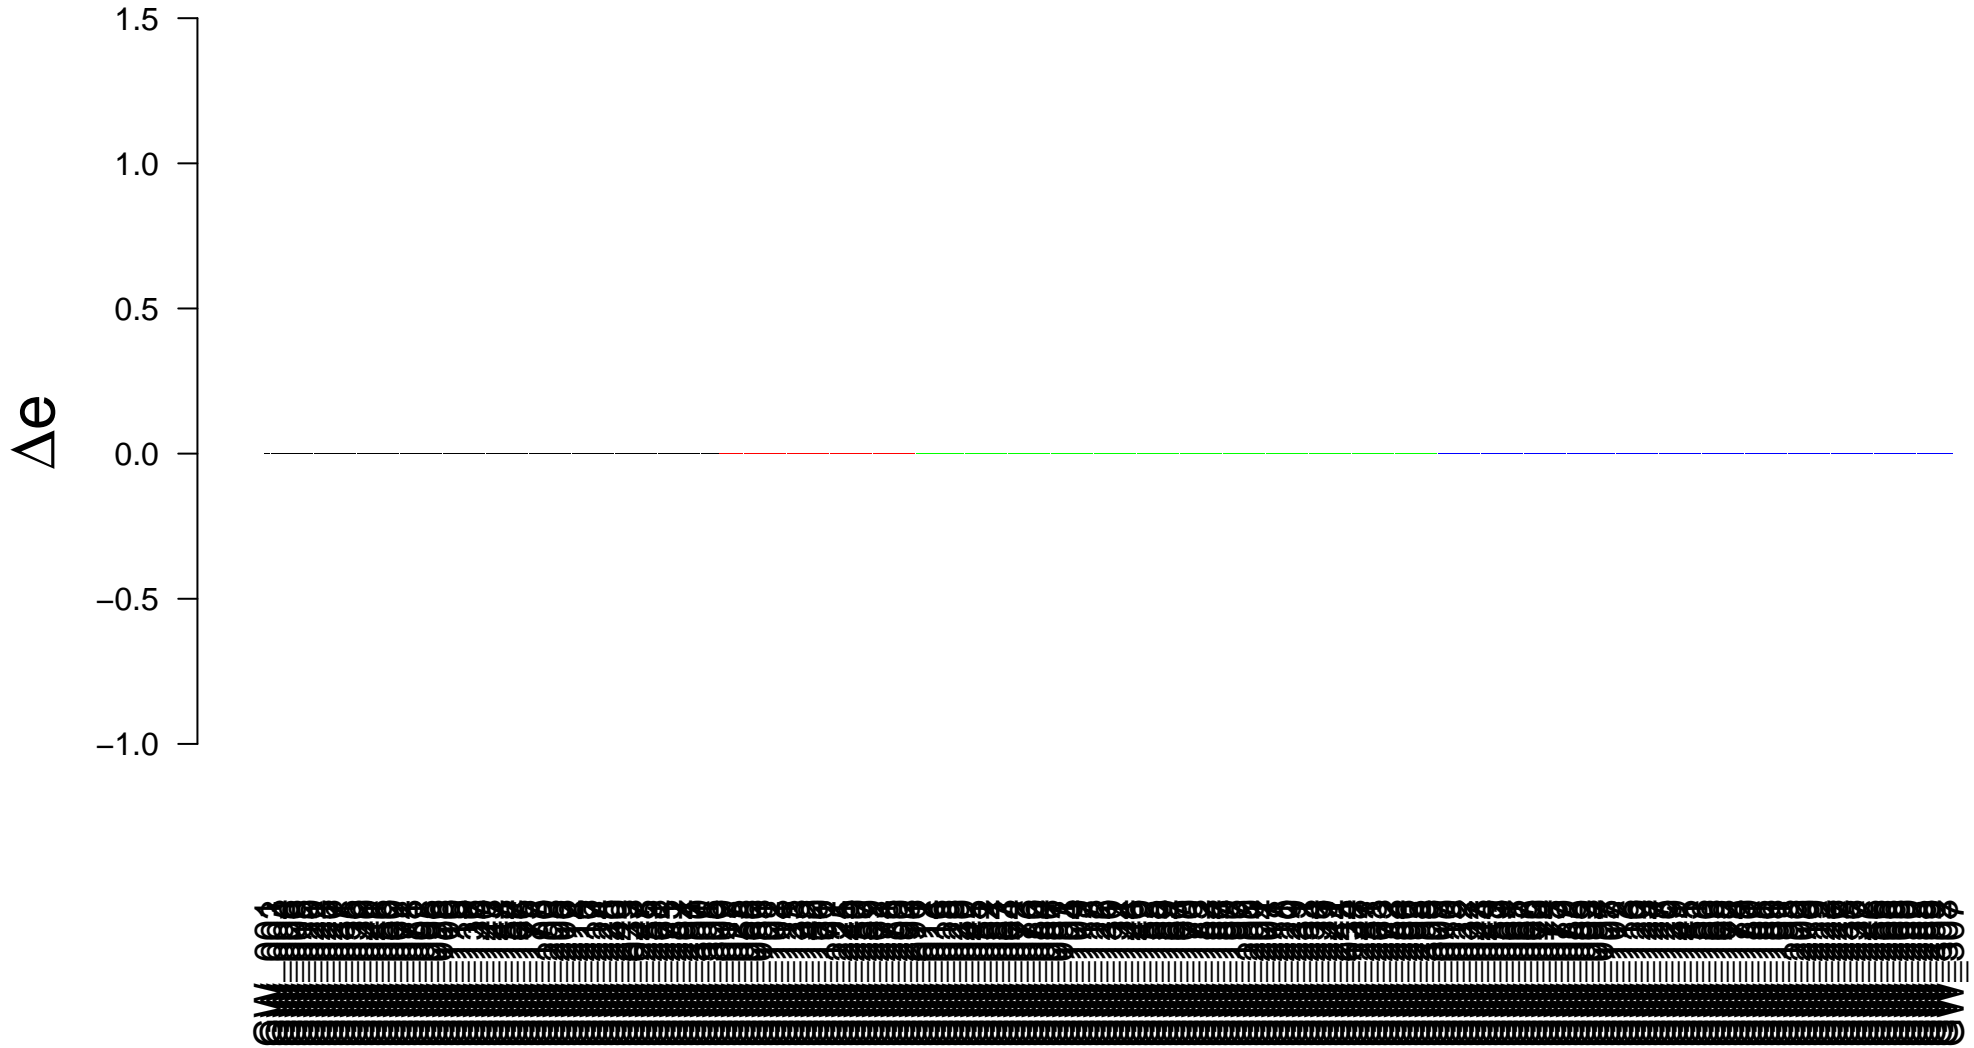

Expression of patterning of blood vessels in Spot O

Expression of patterning of blood vessels in Spot P

Expression of patterning of blood vessels in Spot Q

Expression of patterning of blood vessels in Spot R
