

# peptide hormone processing

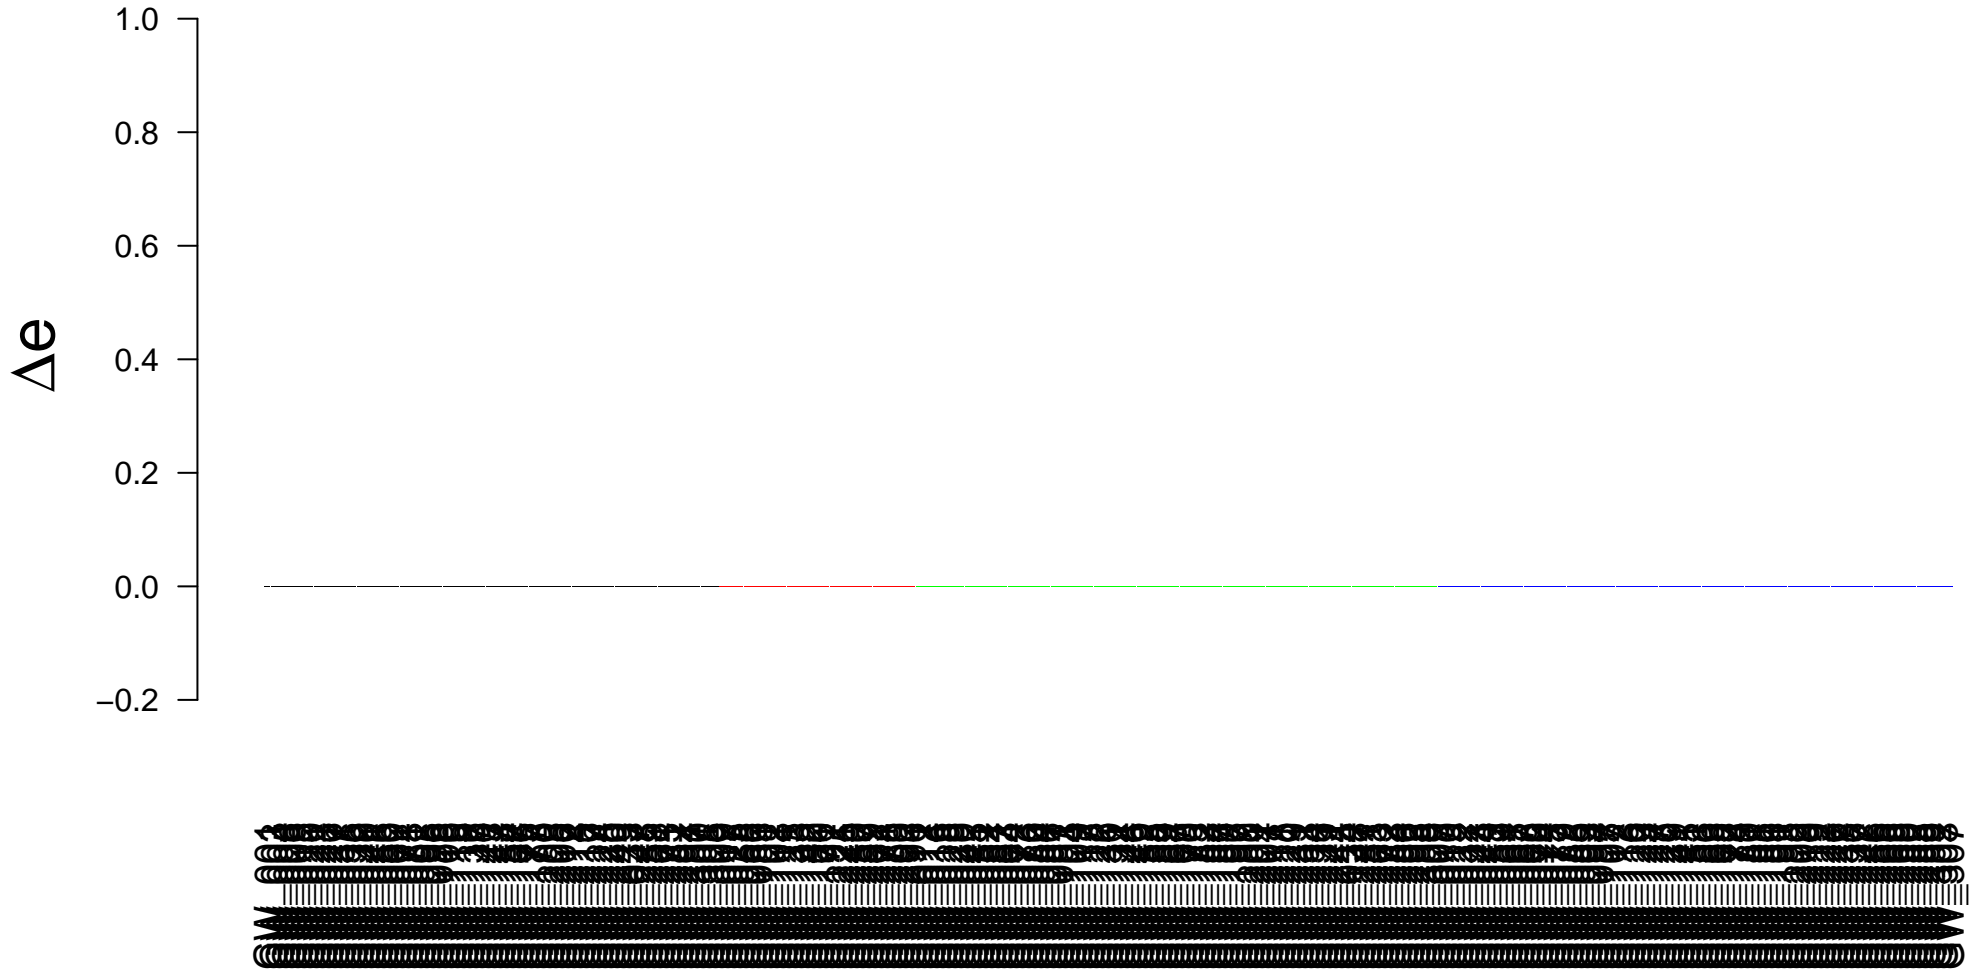

# peptide hormone processing

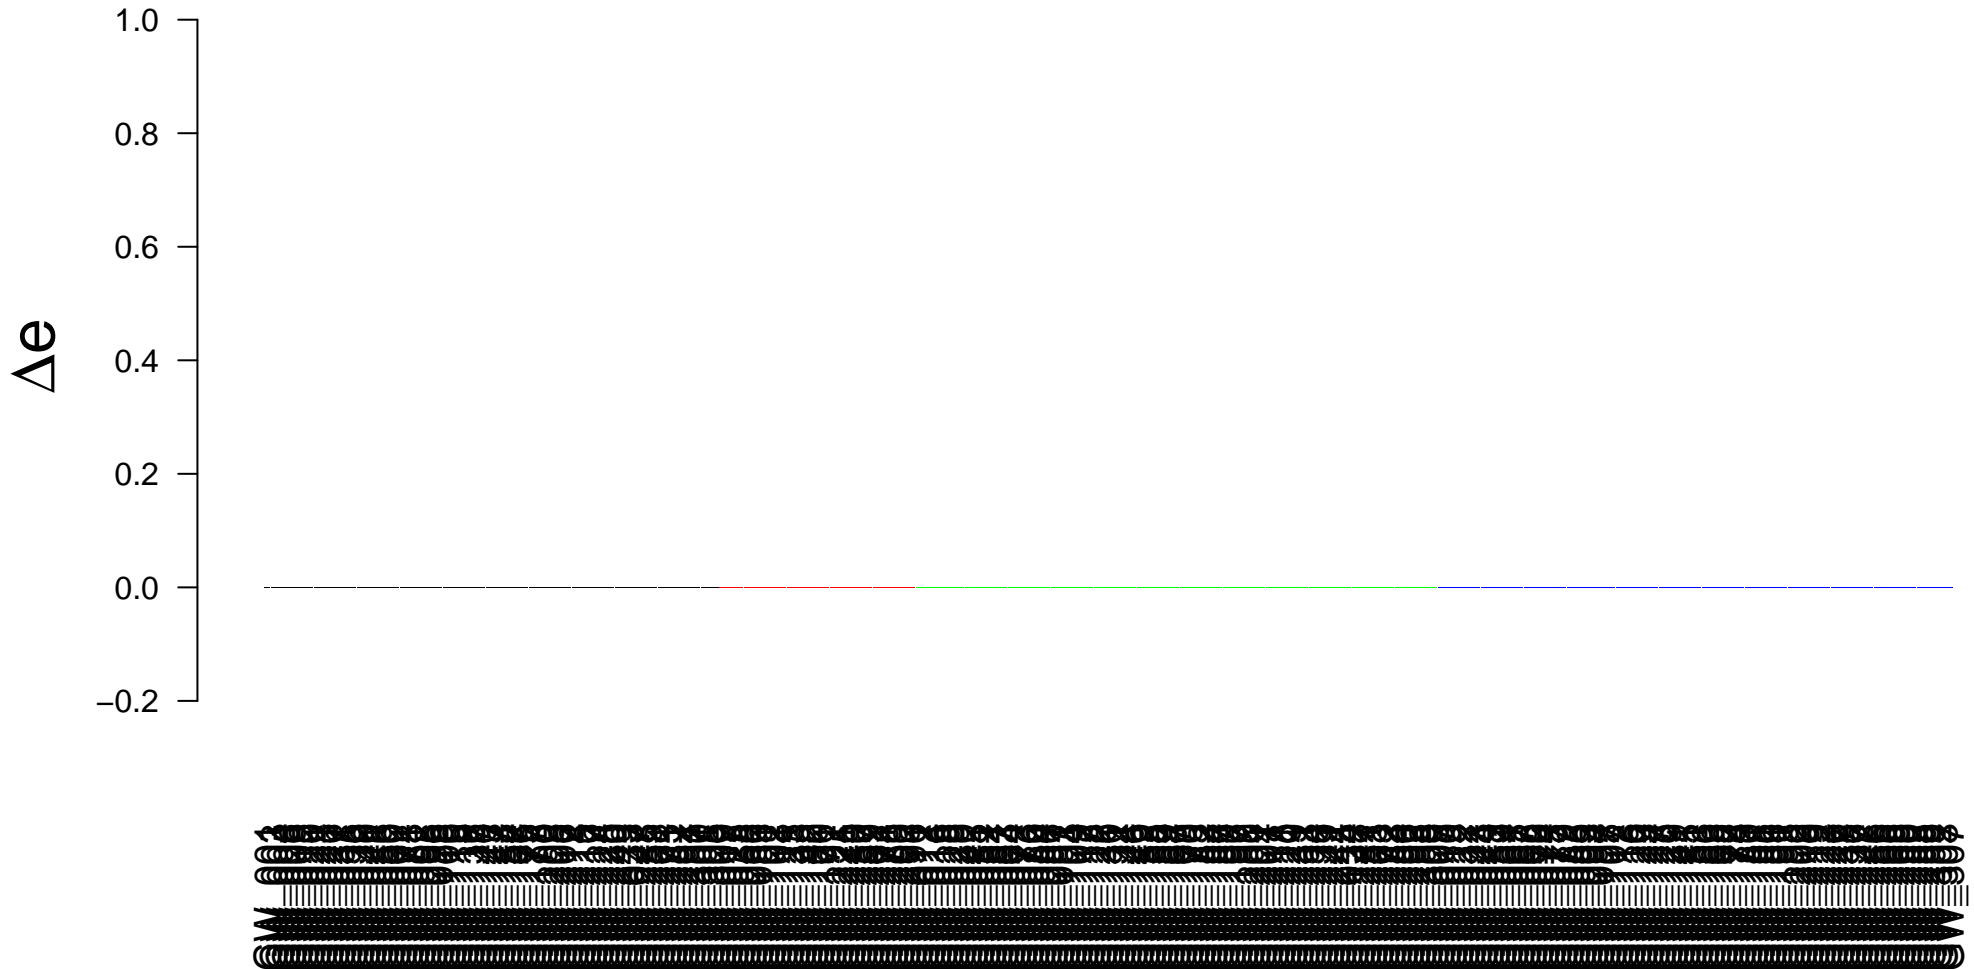

### Enrichment in spots: peptide hormone processing

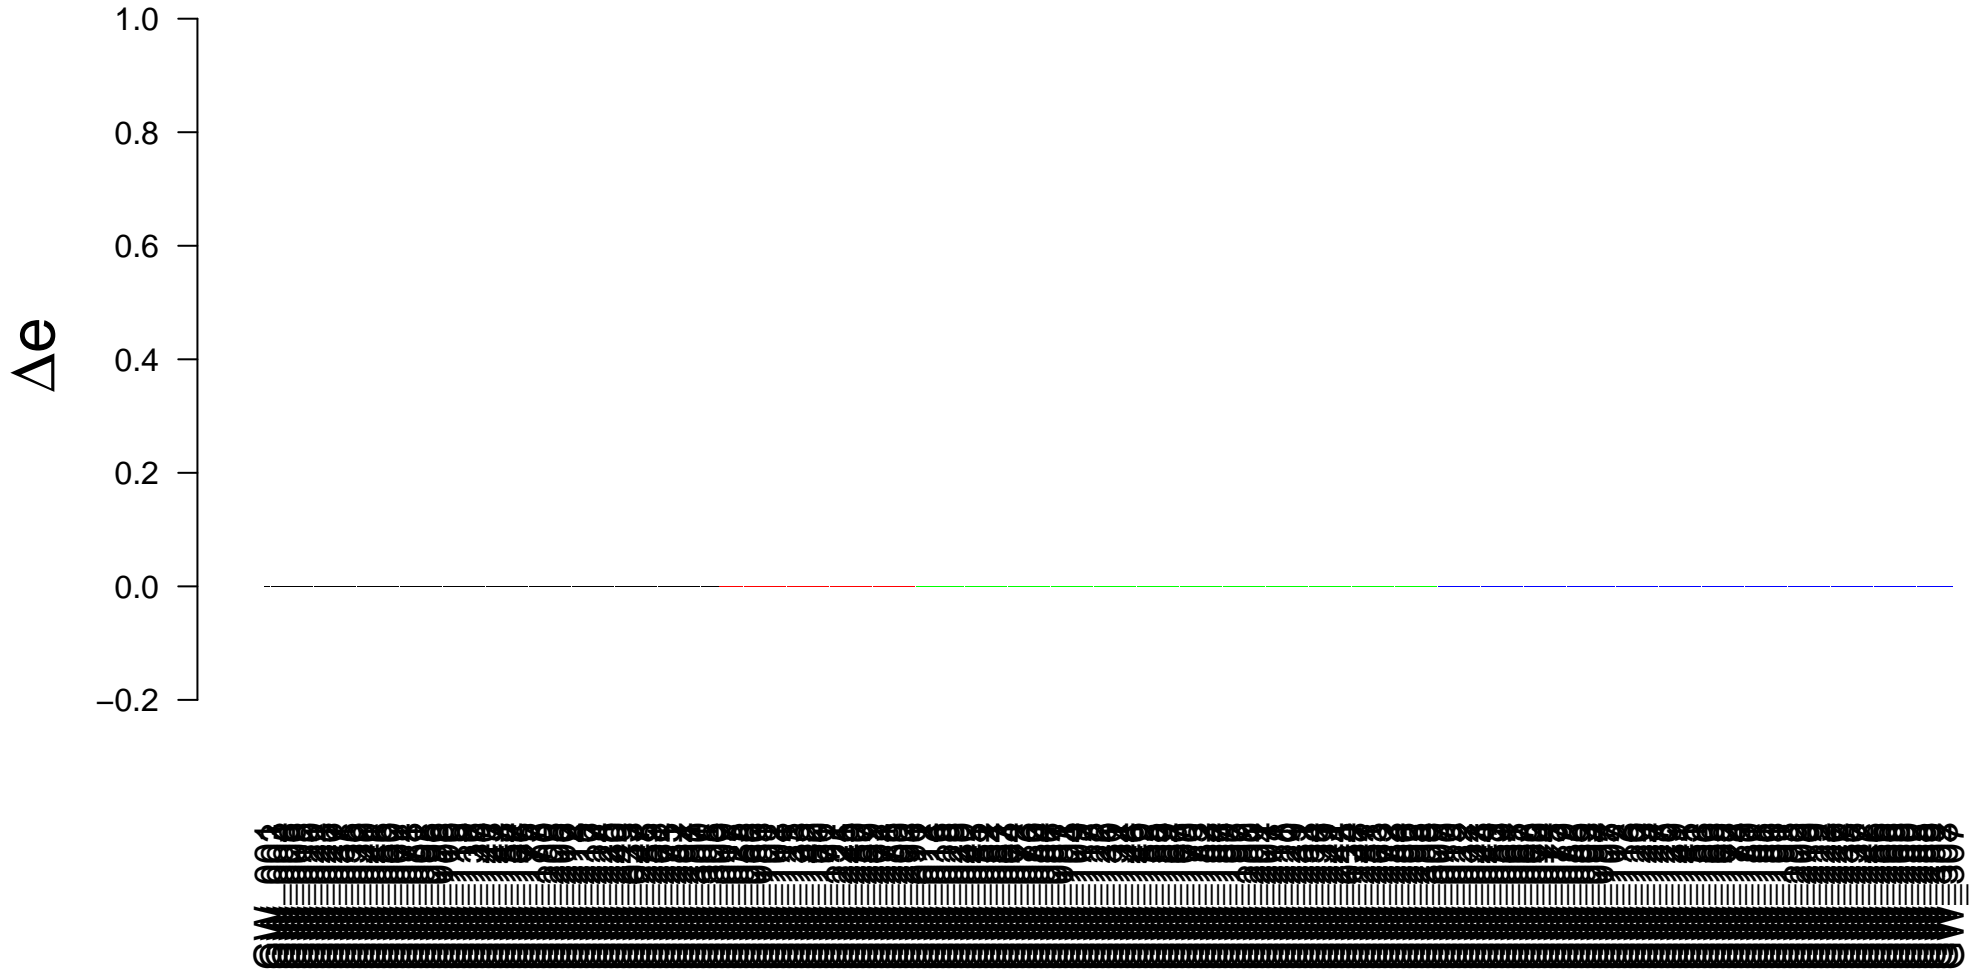

# Expression of peptide hormone processing in Spot A

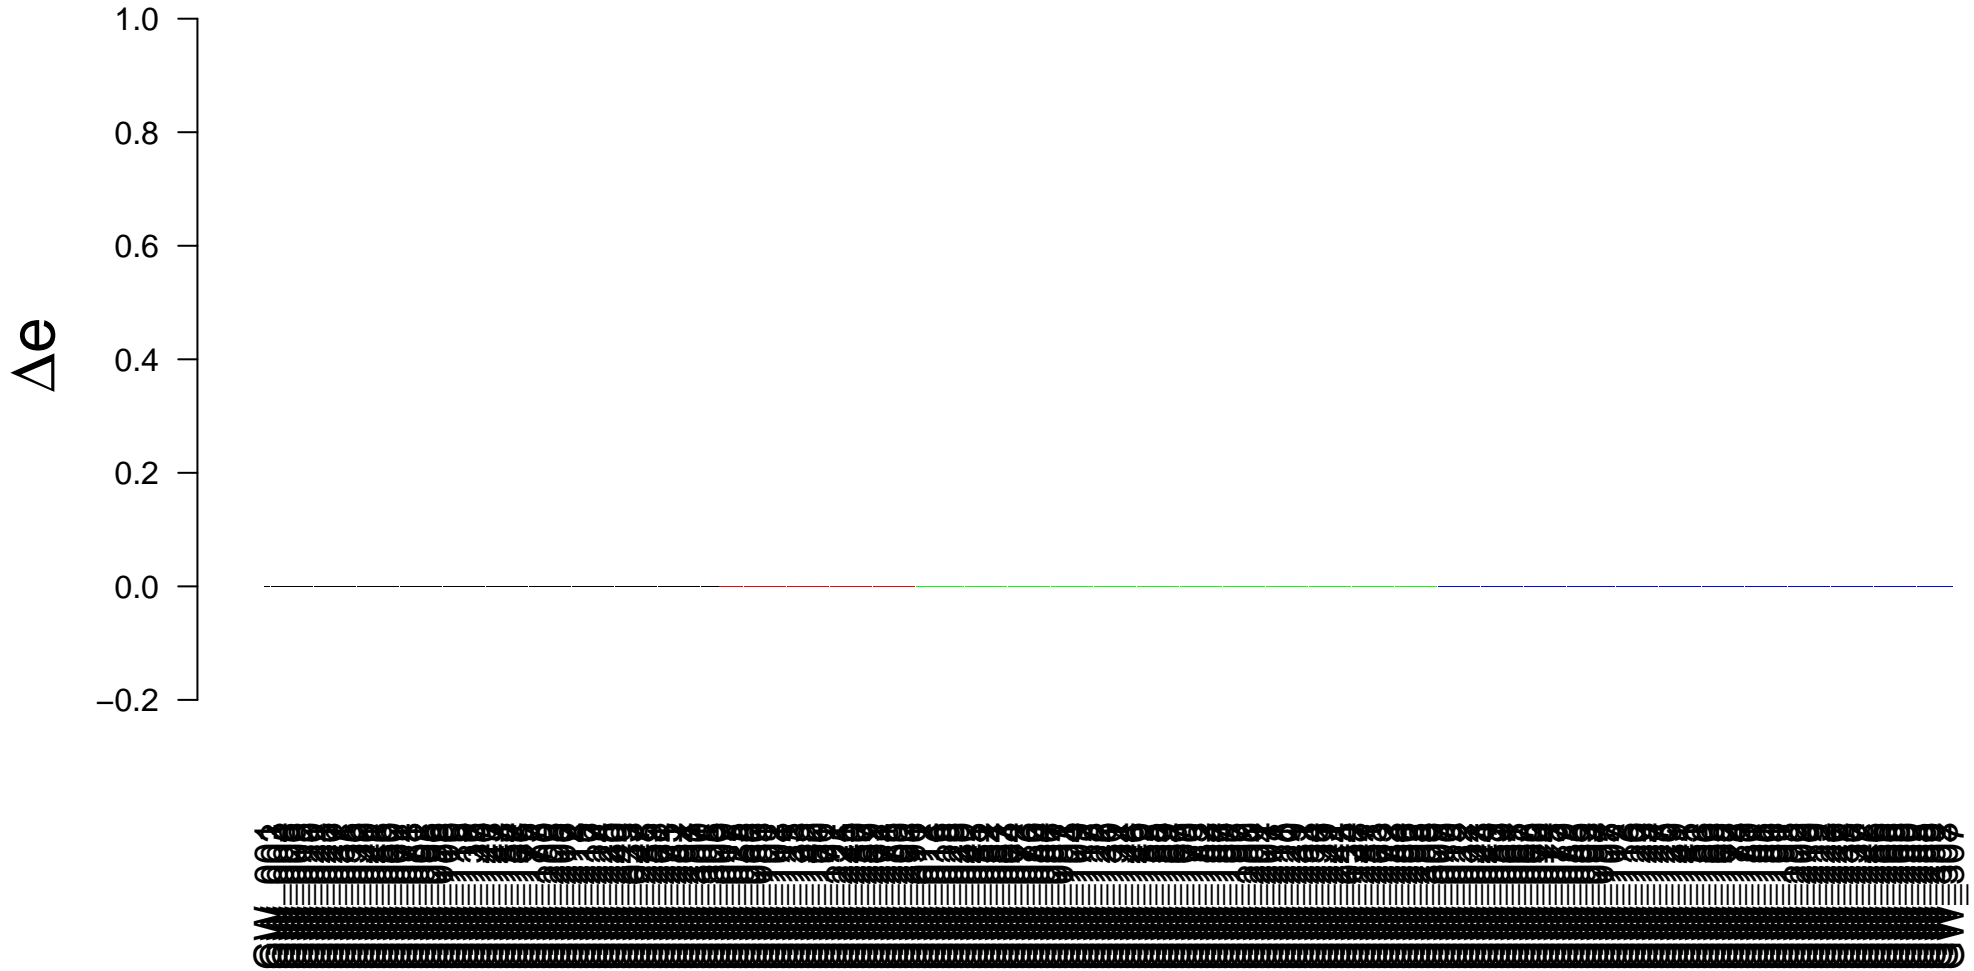

# Expression of peptide hormone processing in Spot B

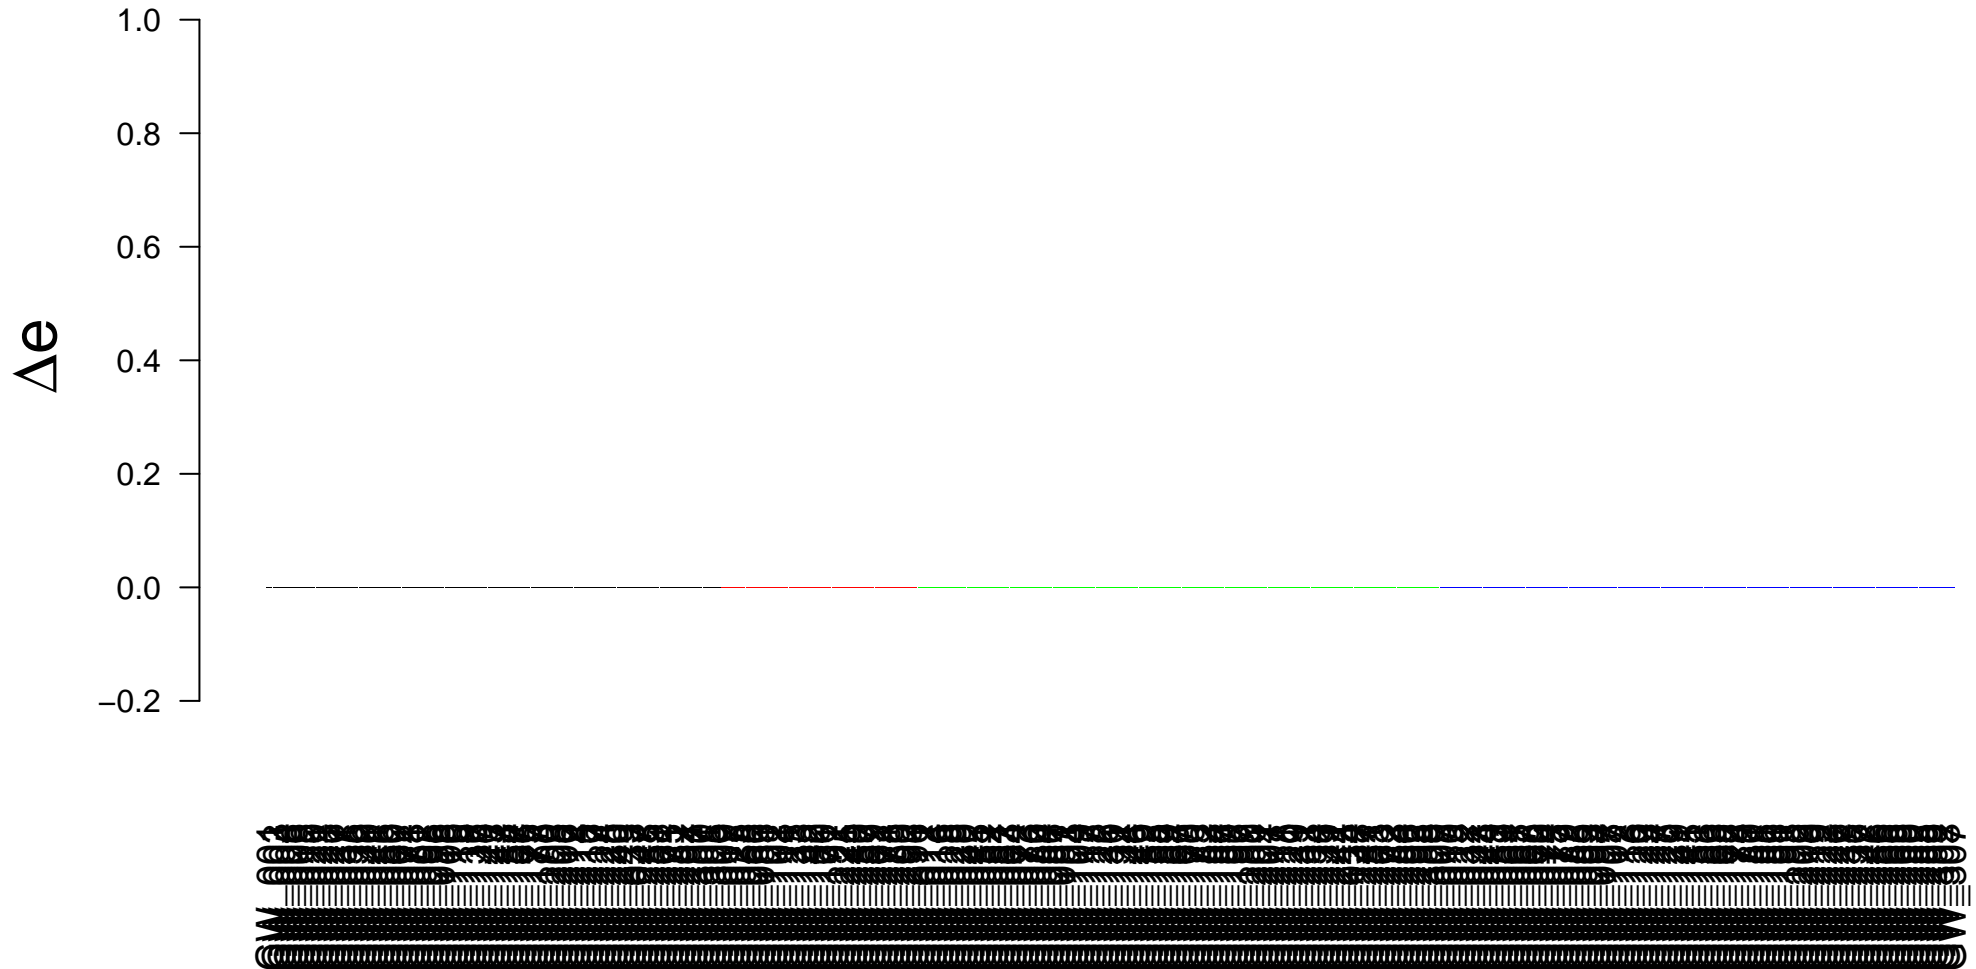

# Expression of peptide hormone processing in Spot C

# Expression of peptide hormone processing in Spot D

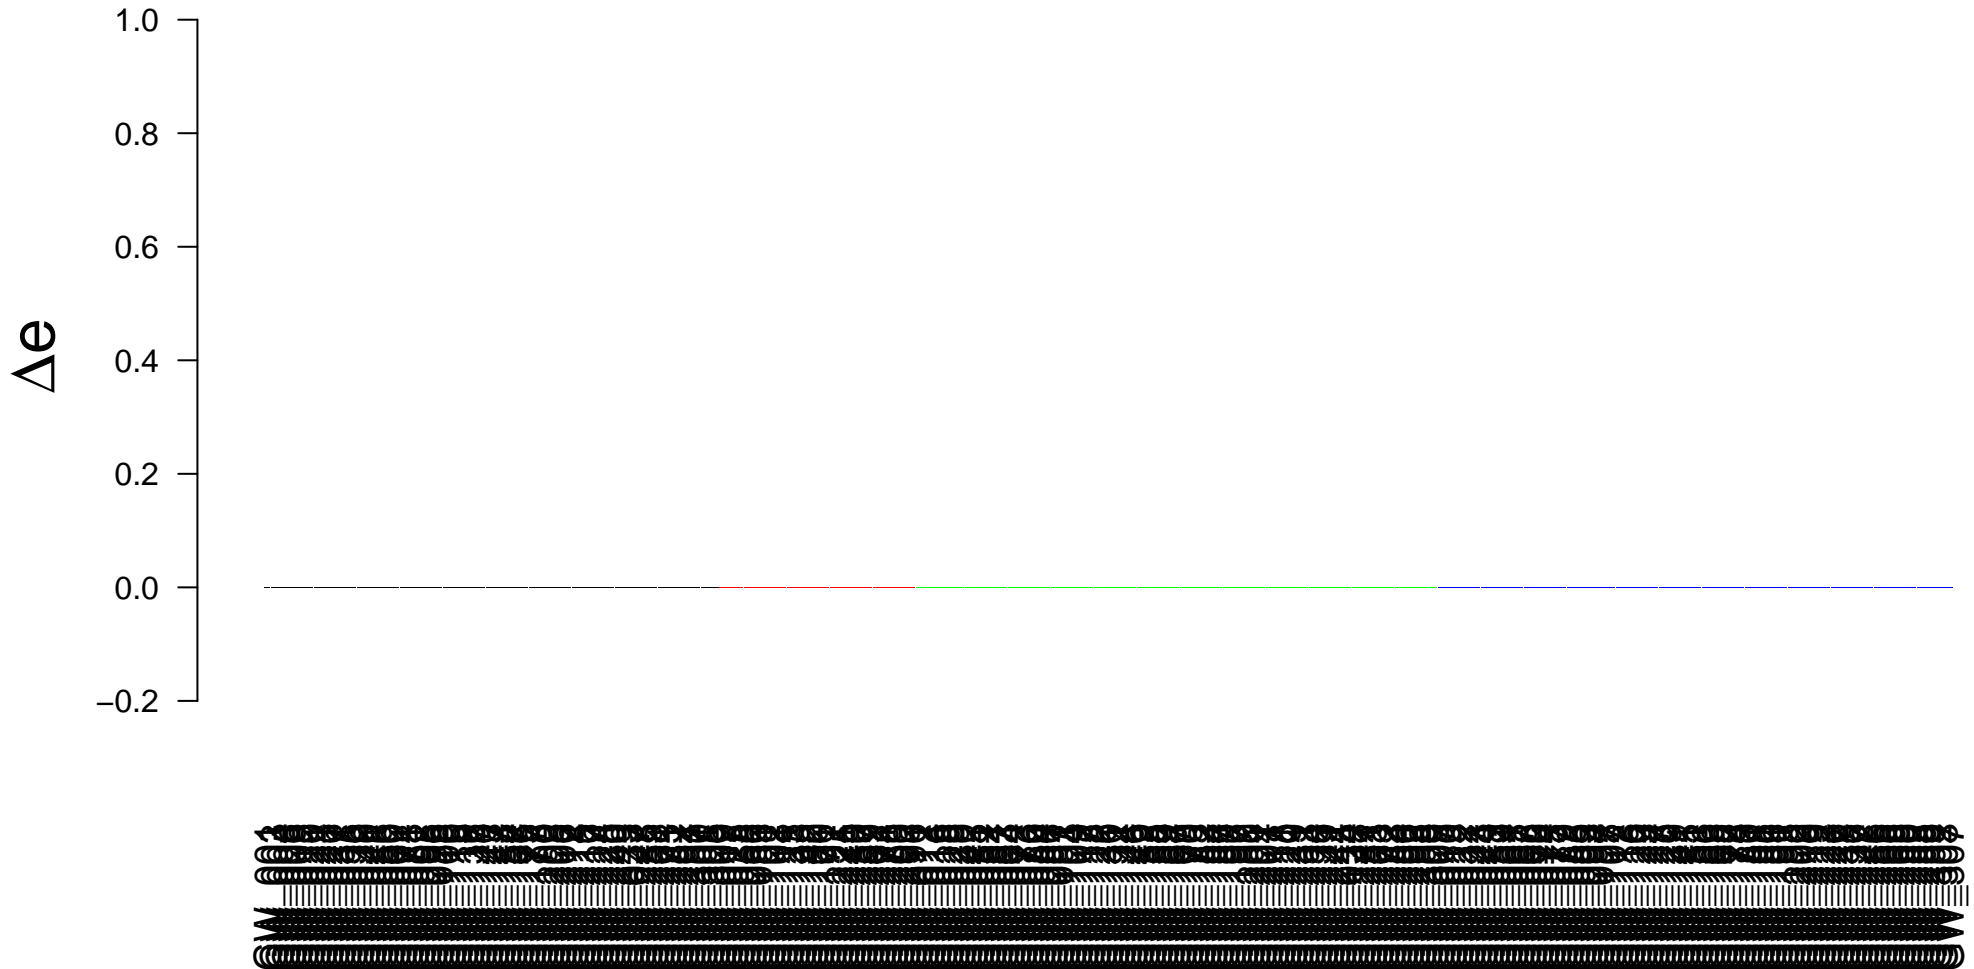

# Expression of peptide hormone processing in Spot E

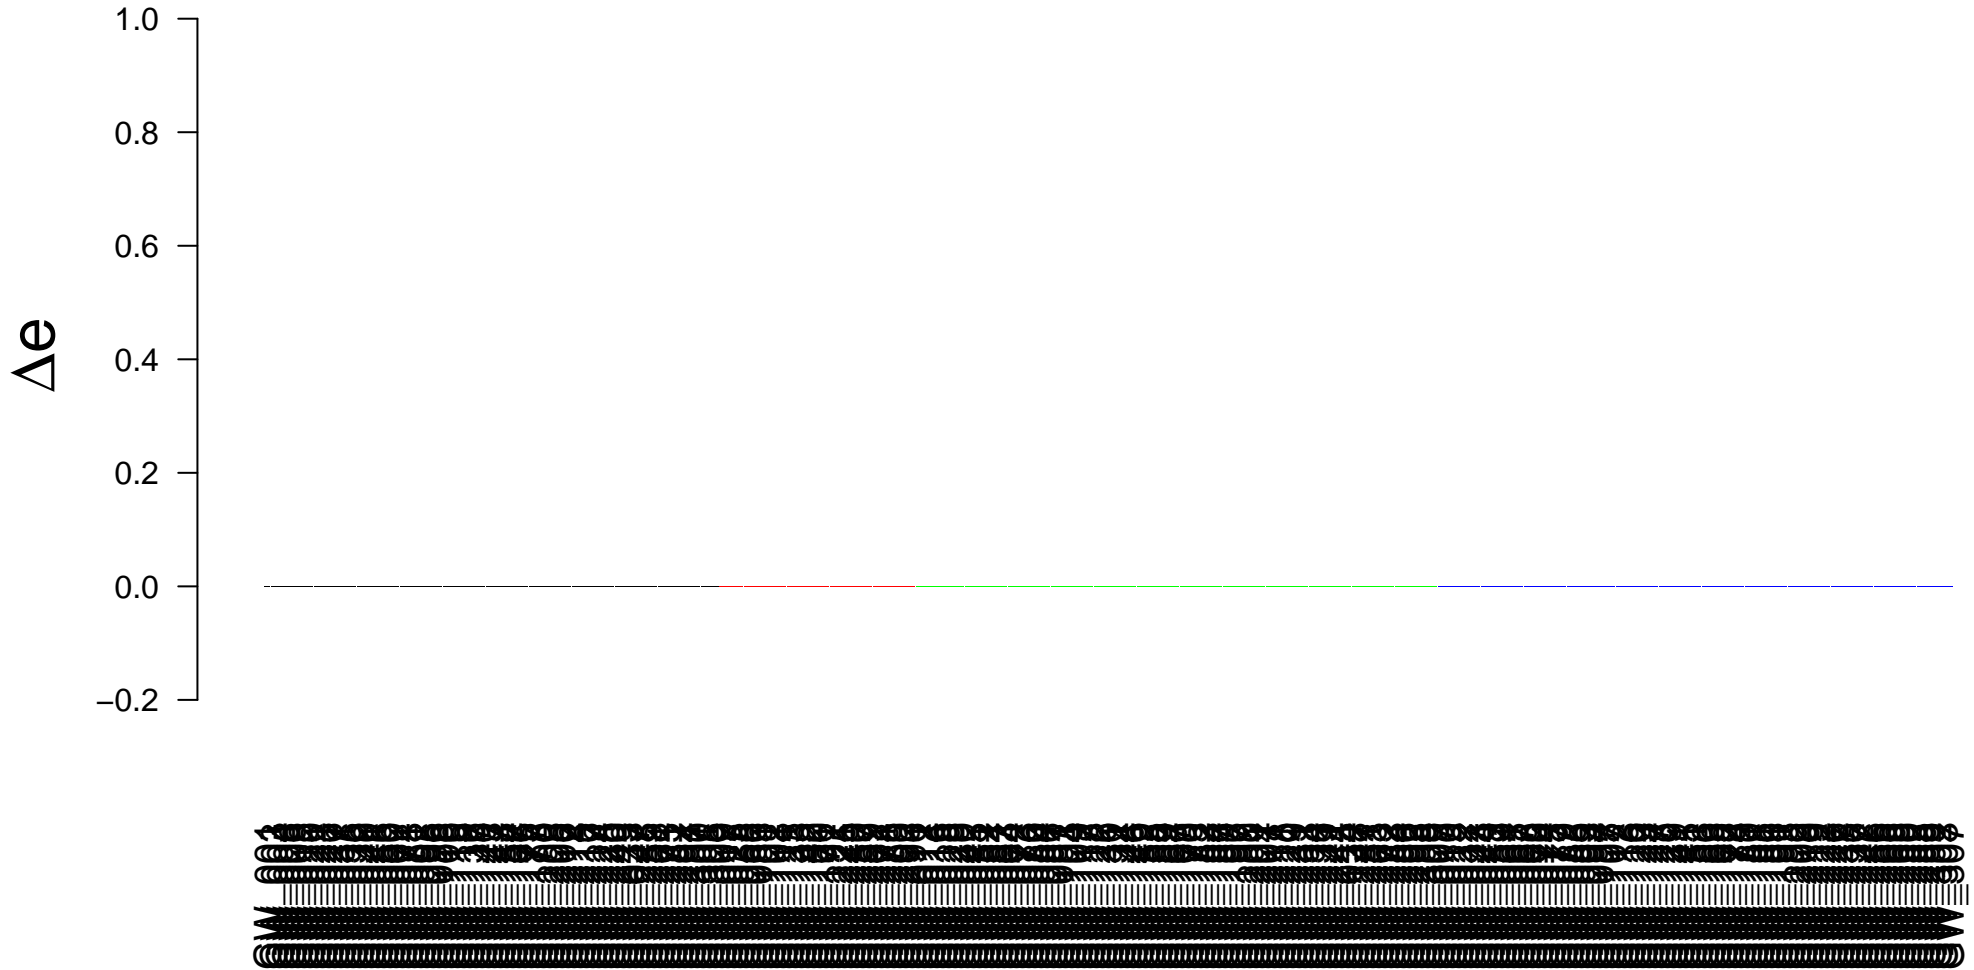

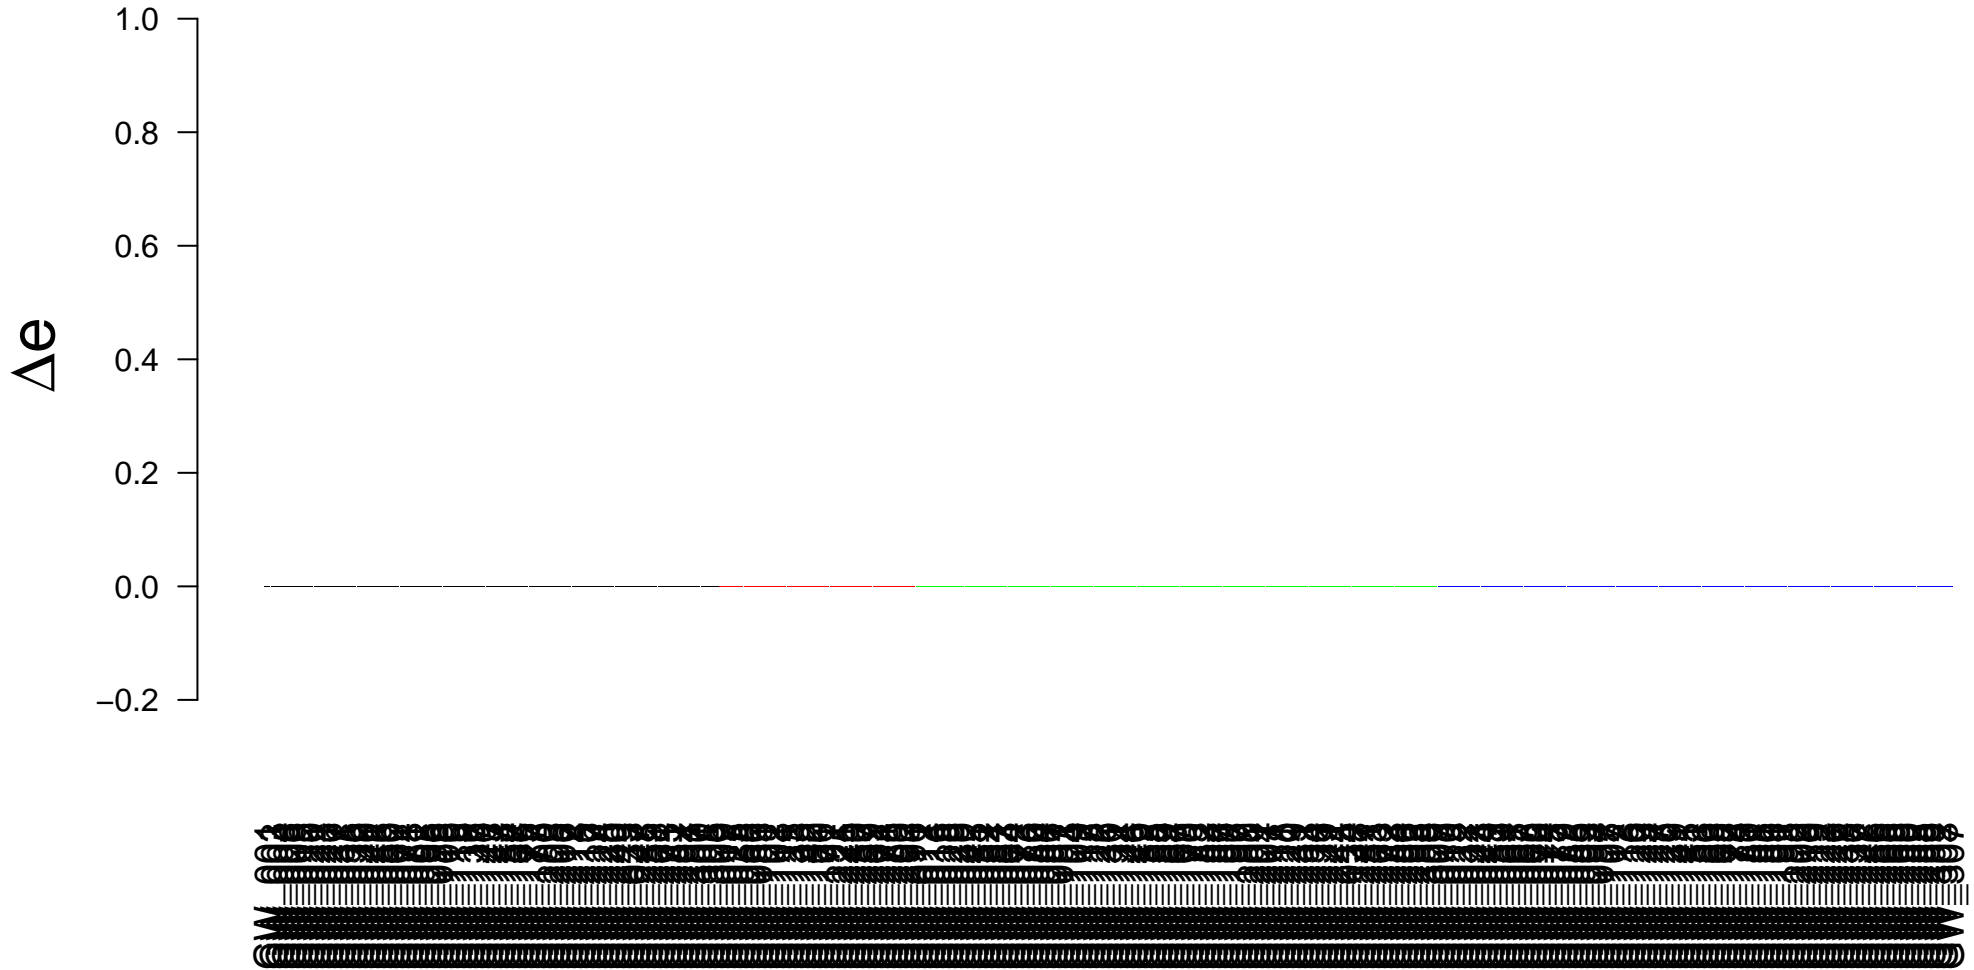

# Expression of peptide hormone processing in Spot F

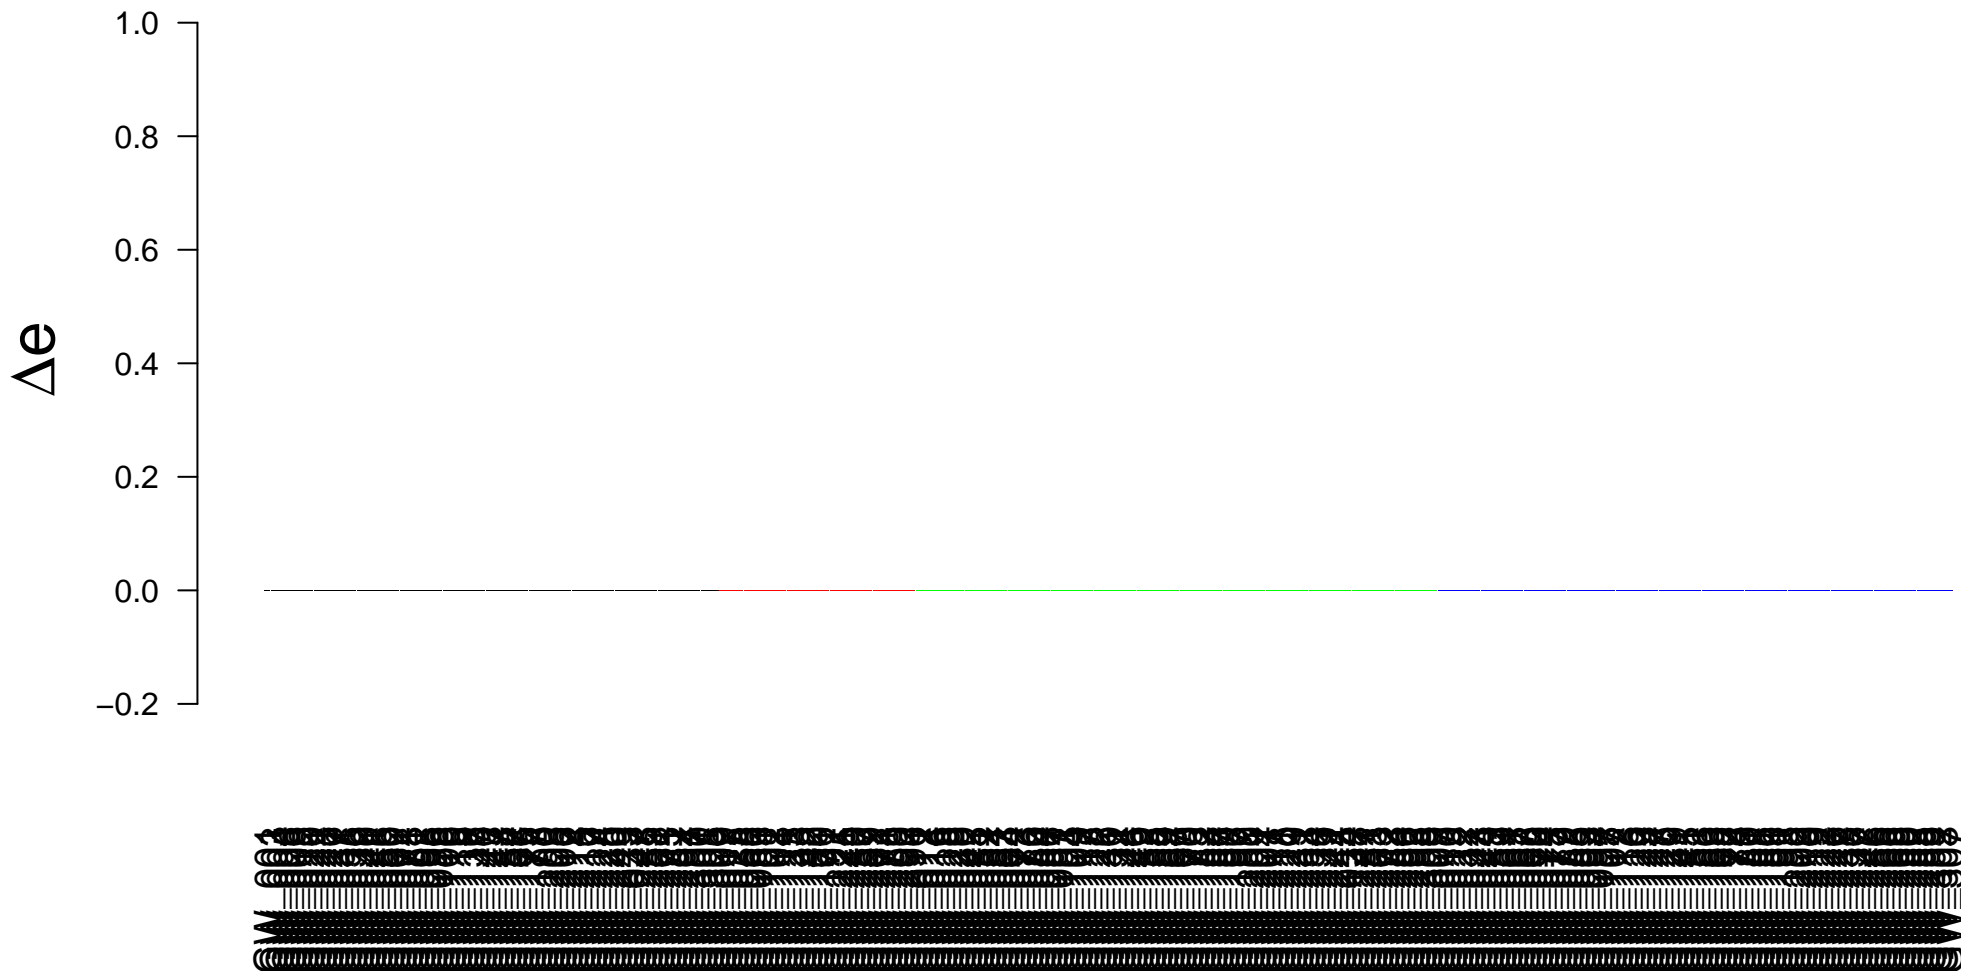

# Expression of peptide hormone processing in Spot G

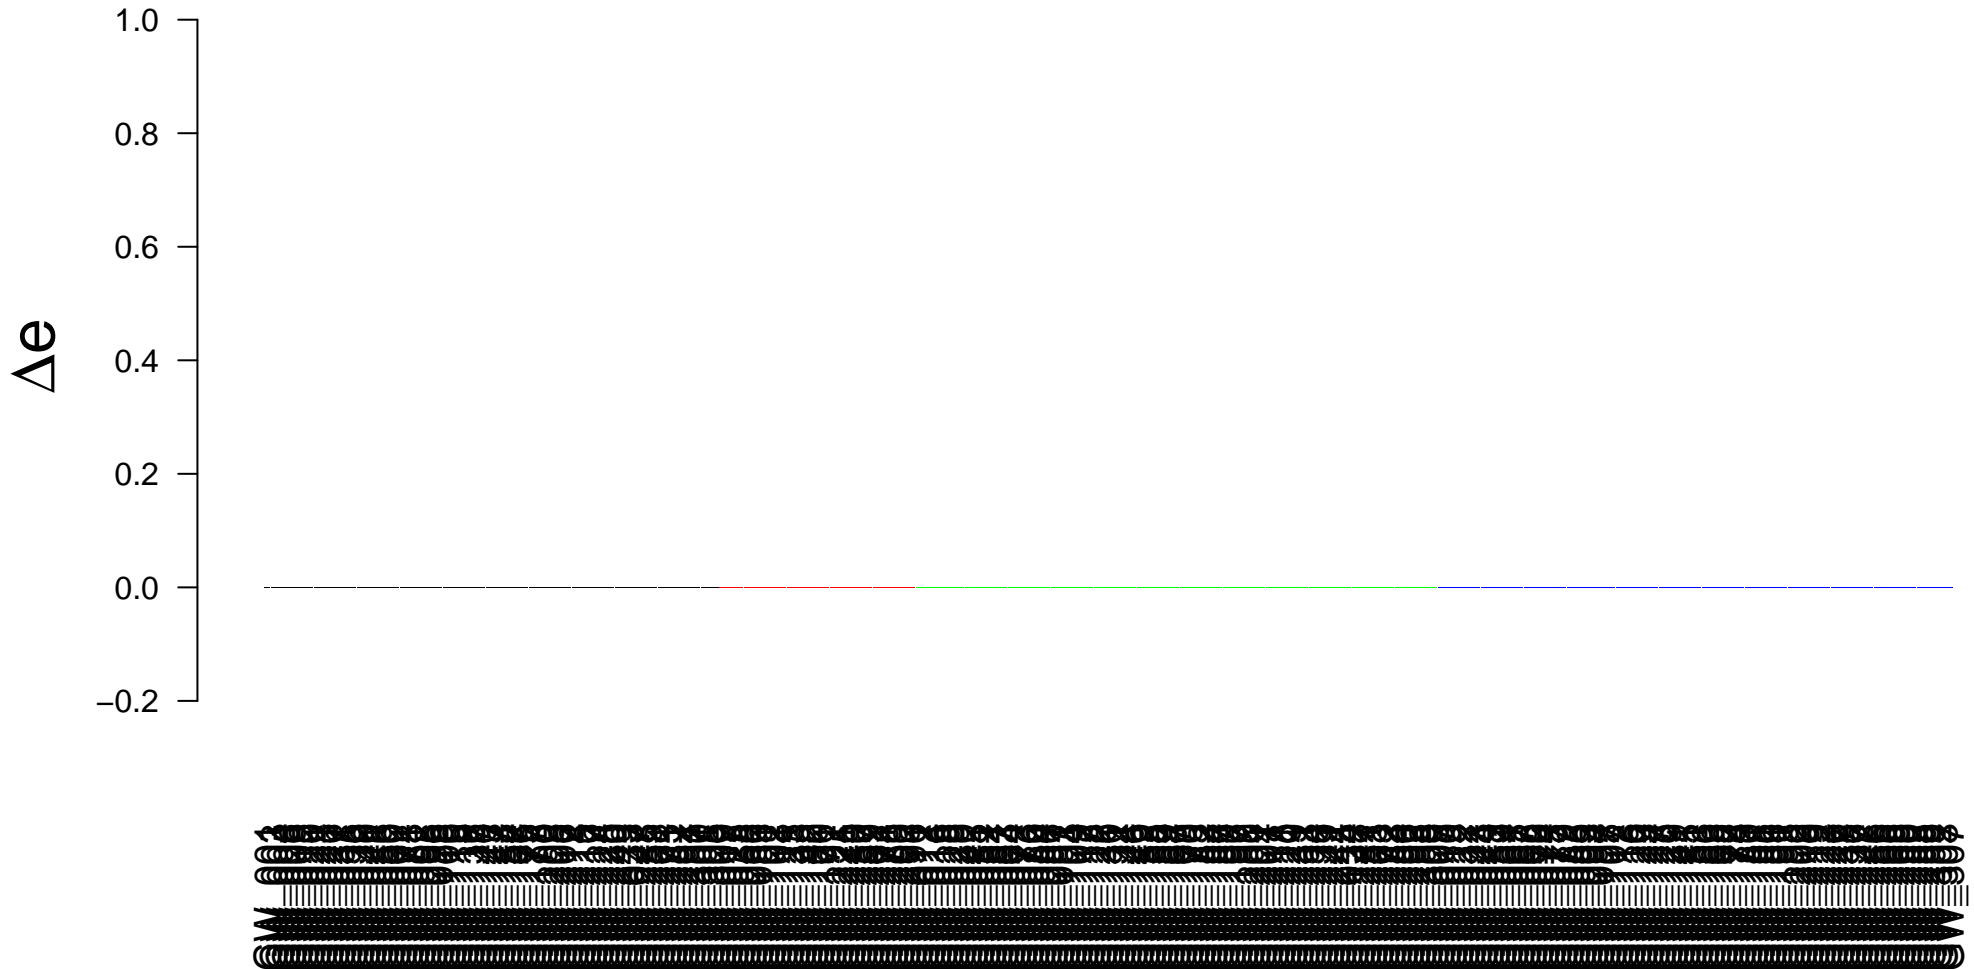

# Expression of peptide hormone processing in Spot H

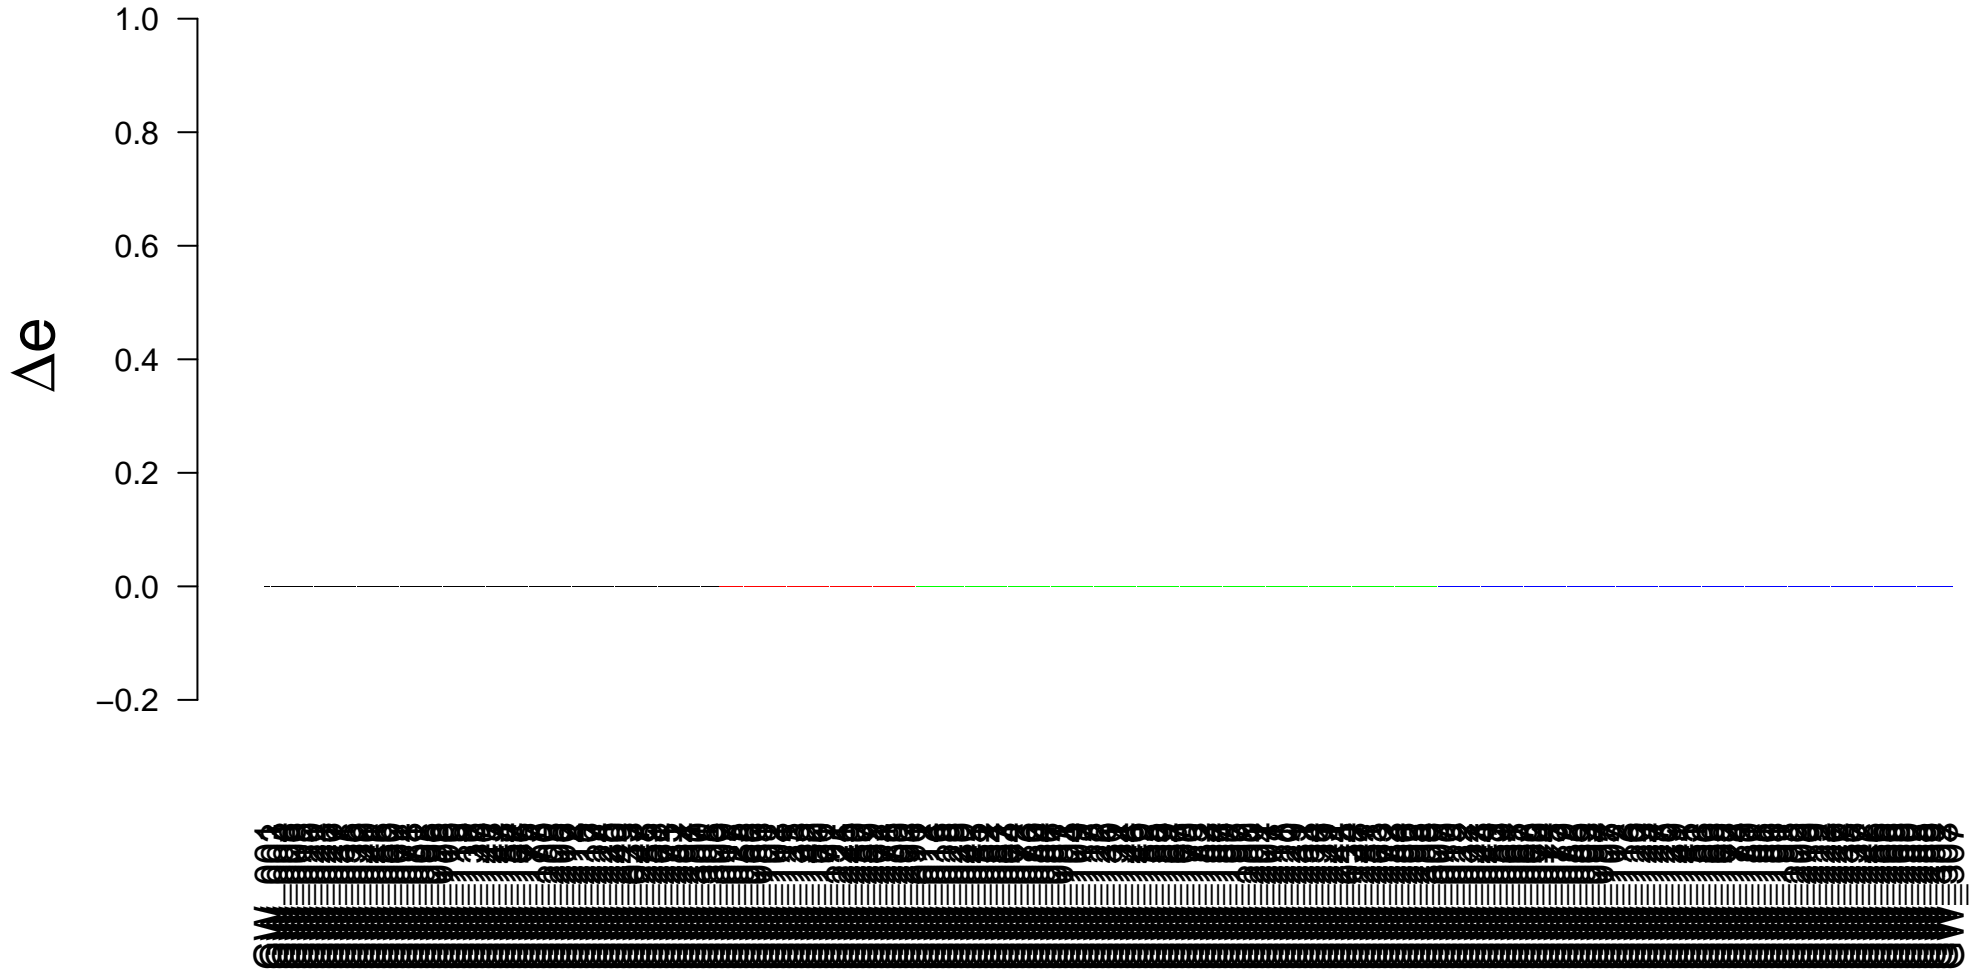

# Expression of peptide hormone processing in Spot I

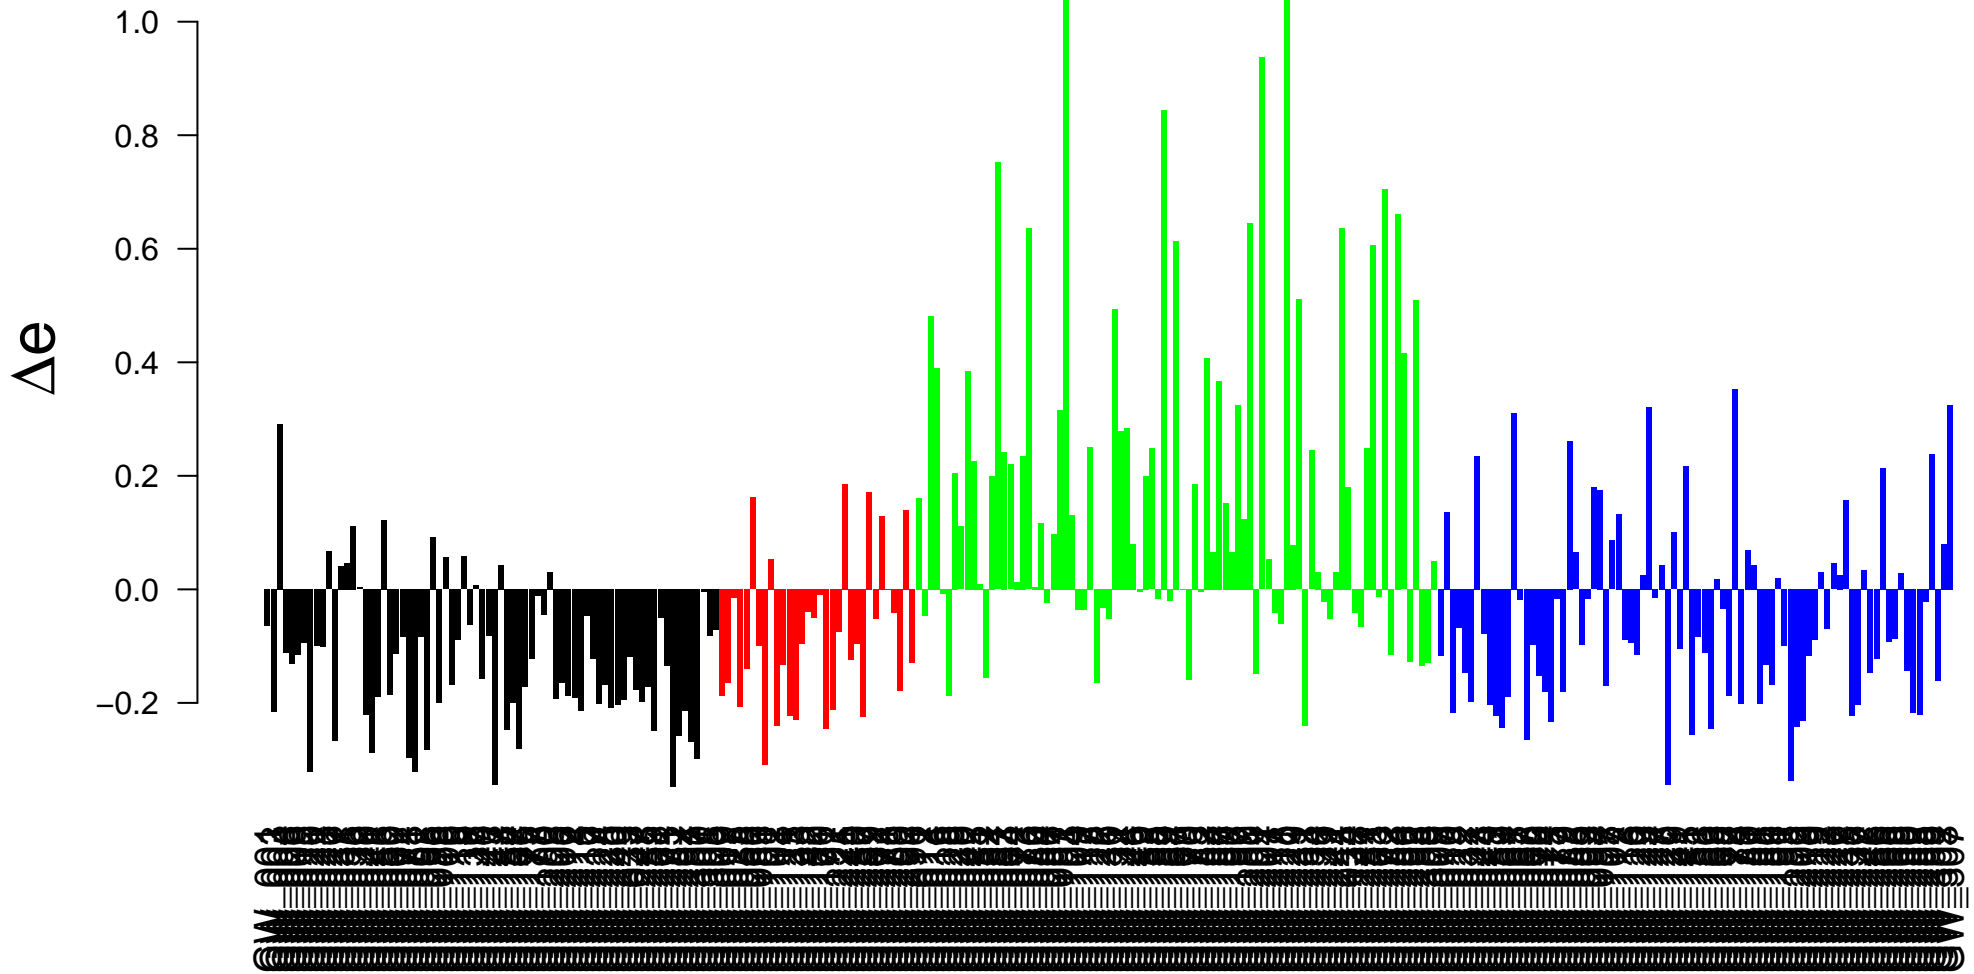

# Expression of peptide hormone processing in Spot J

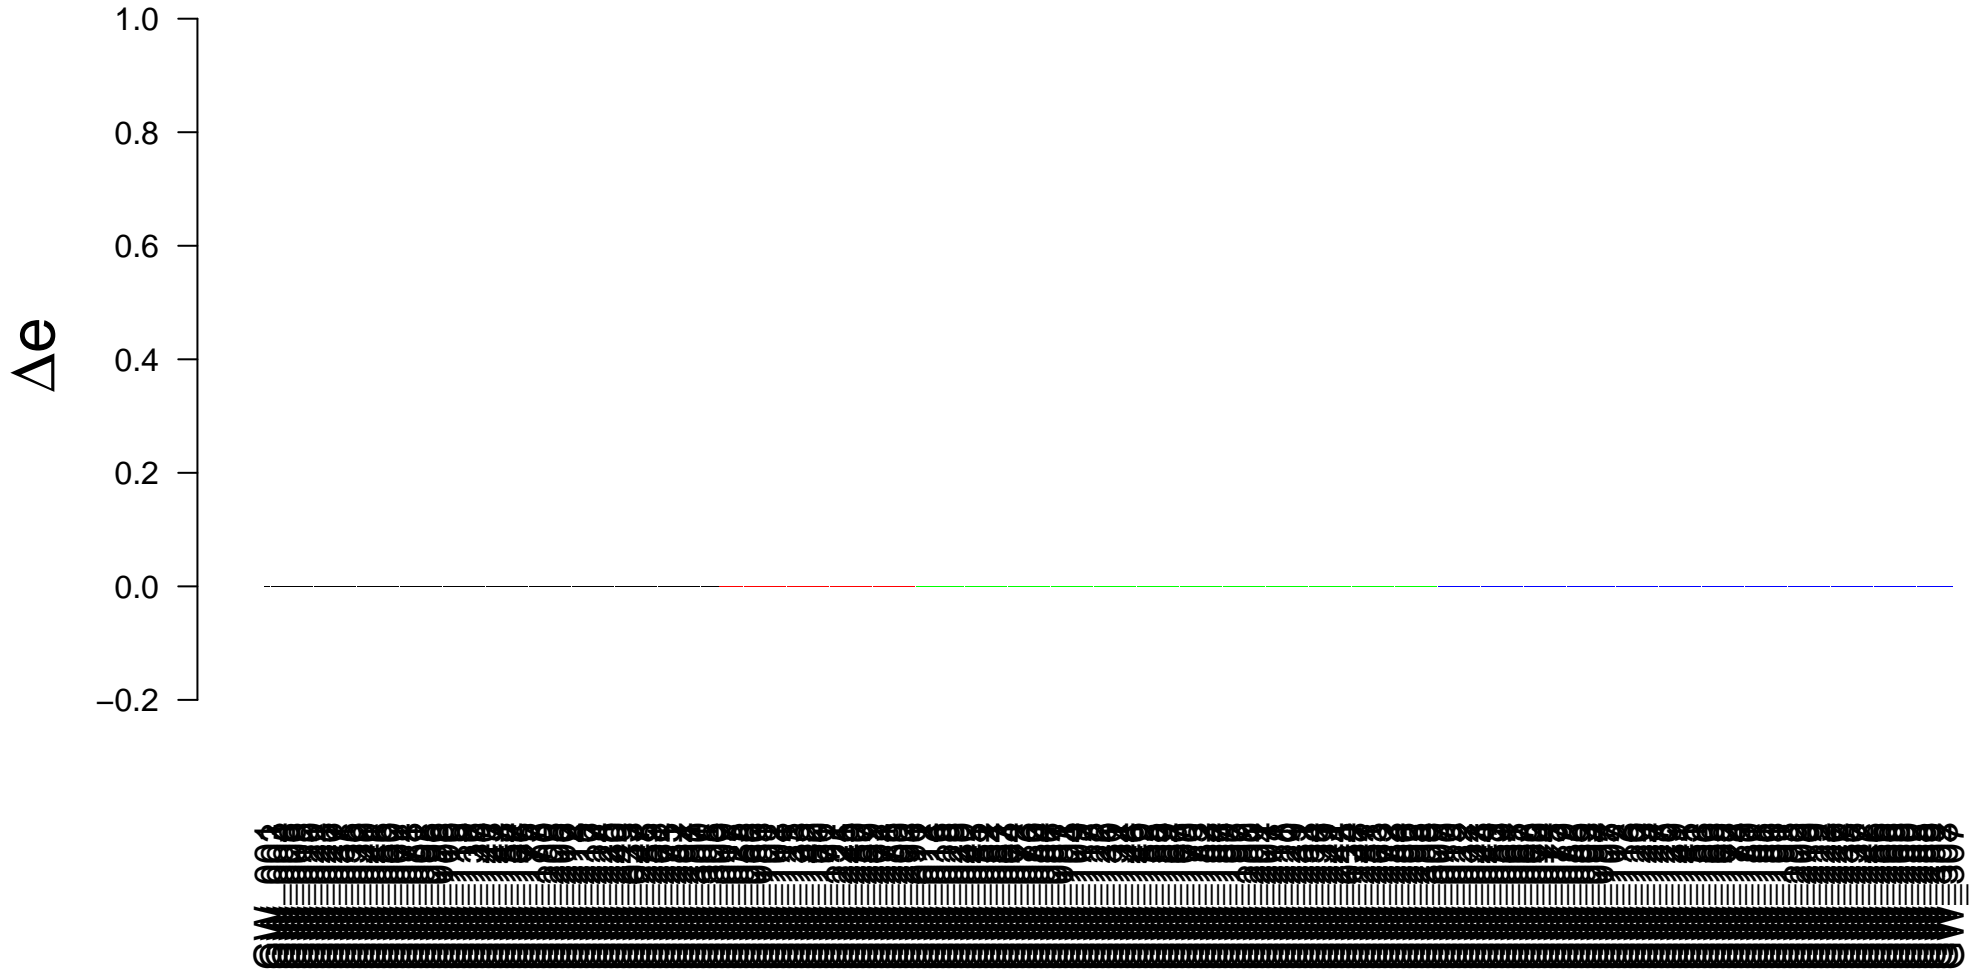

# Expression of peptide hormone processing in Spot K

# Expression of peptide hormone processing in Spot L

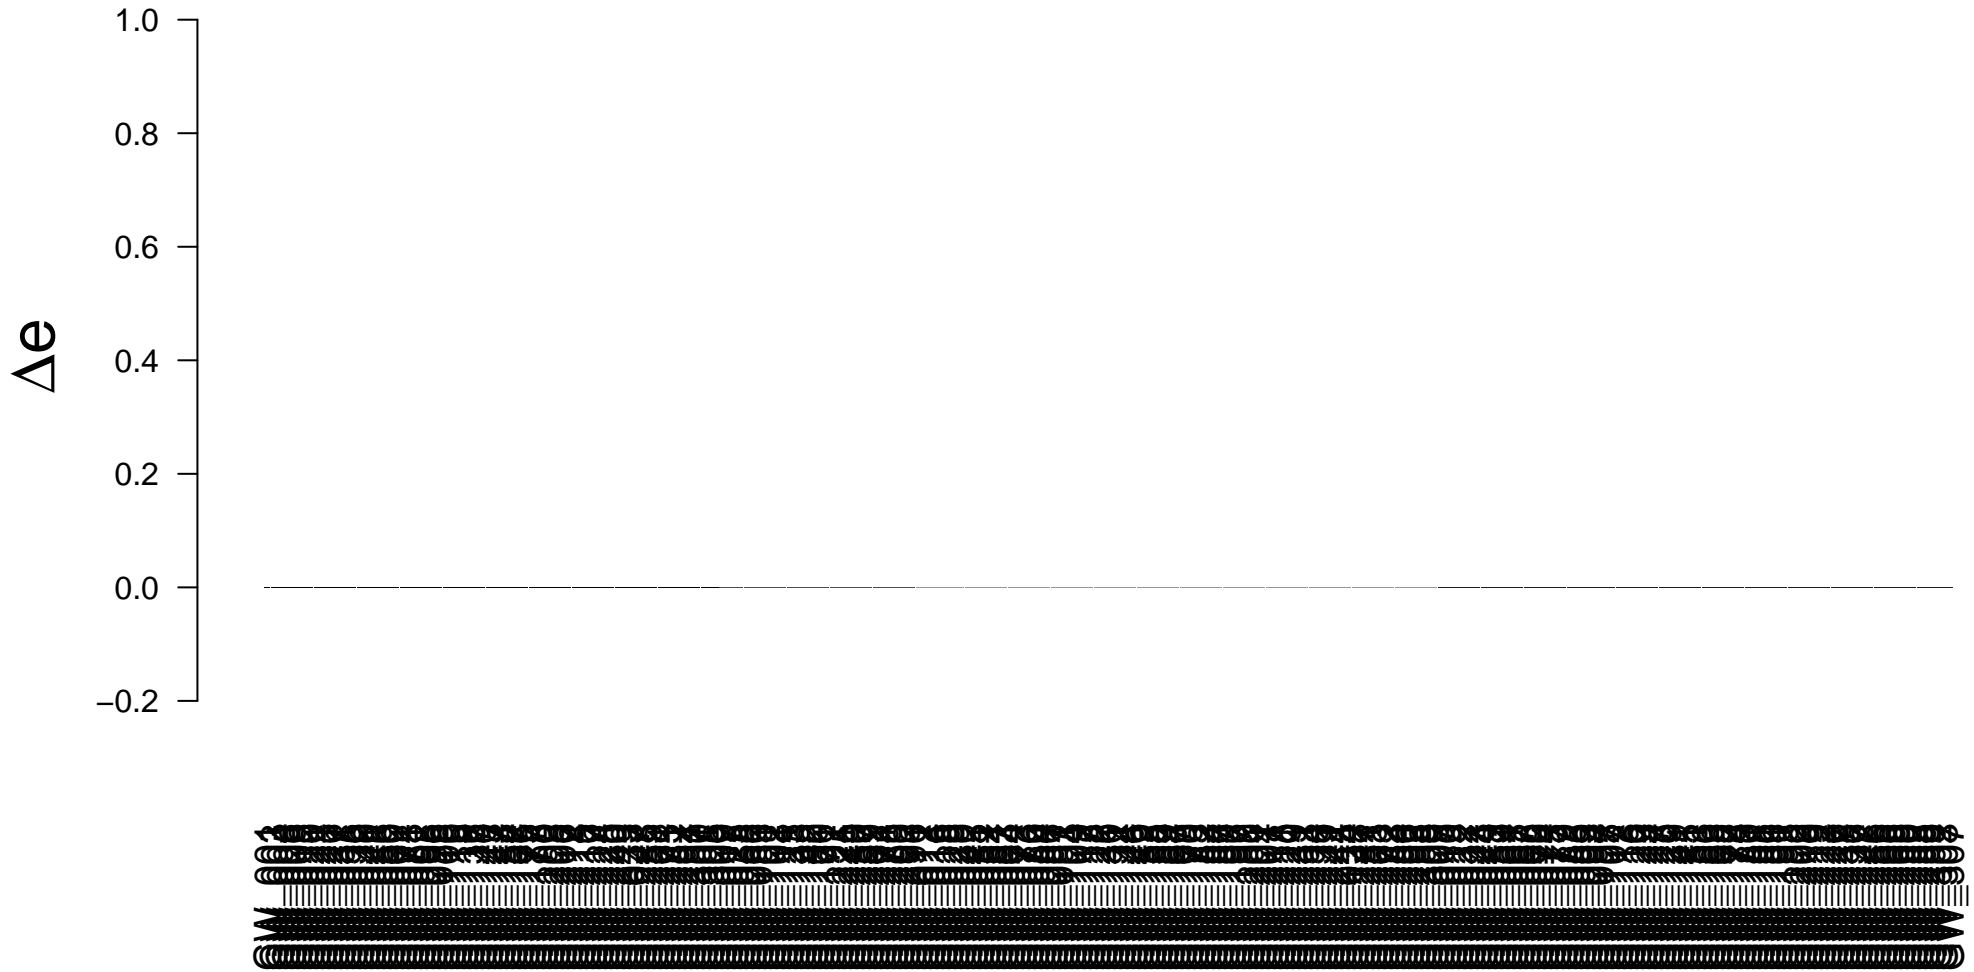

# Expression of peptide hormone processing in Spot M

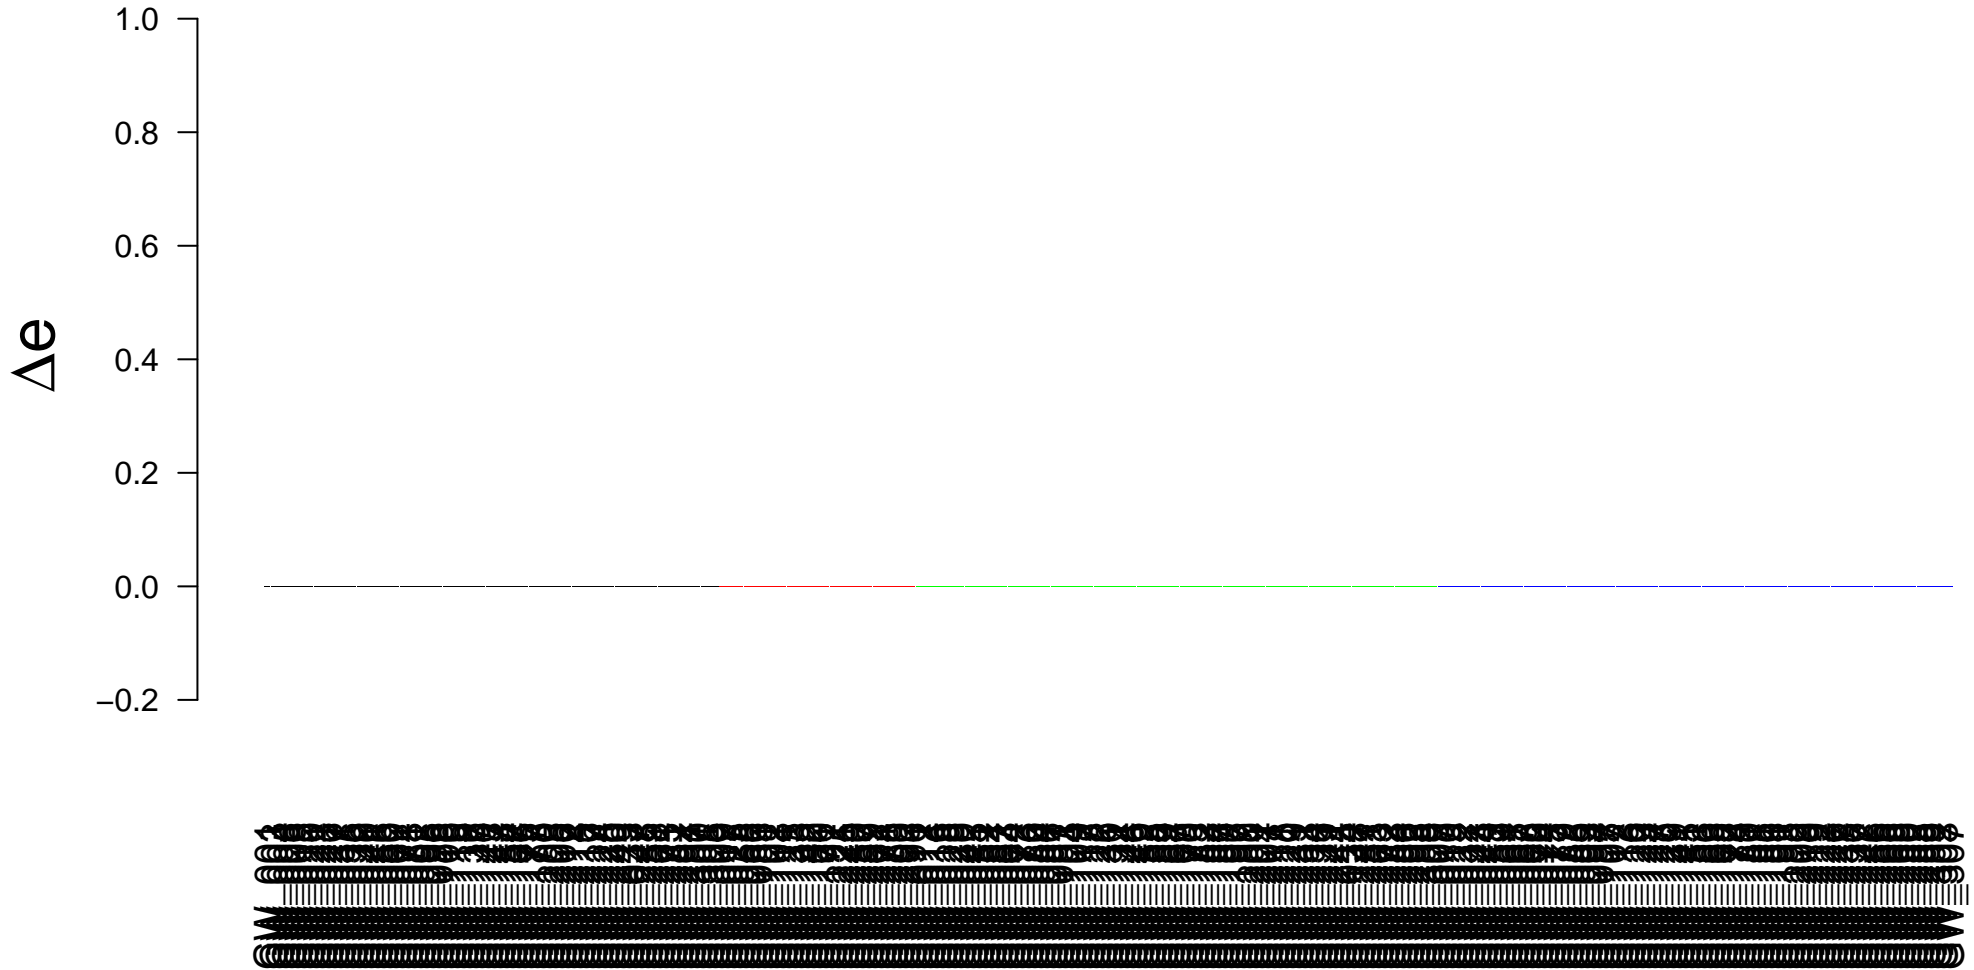

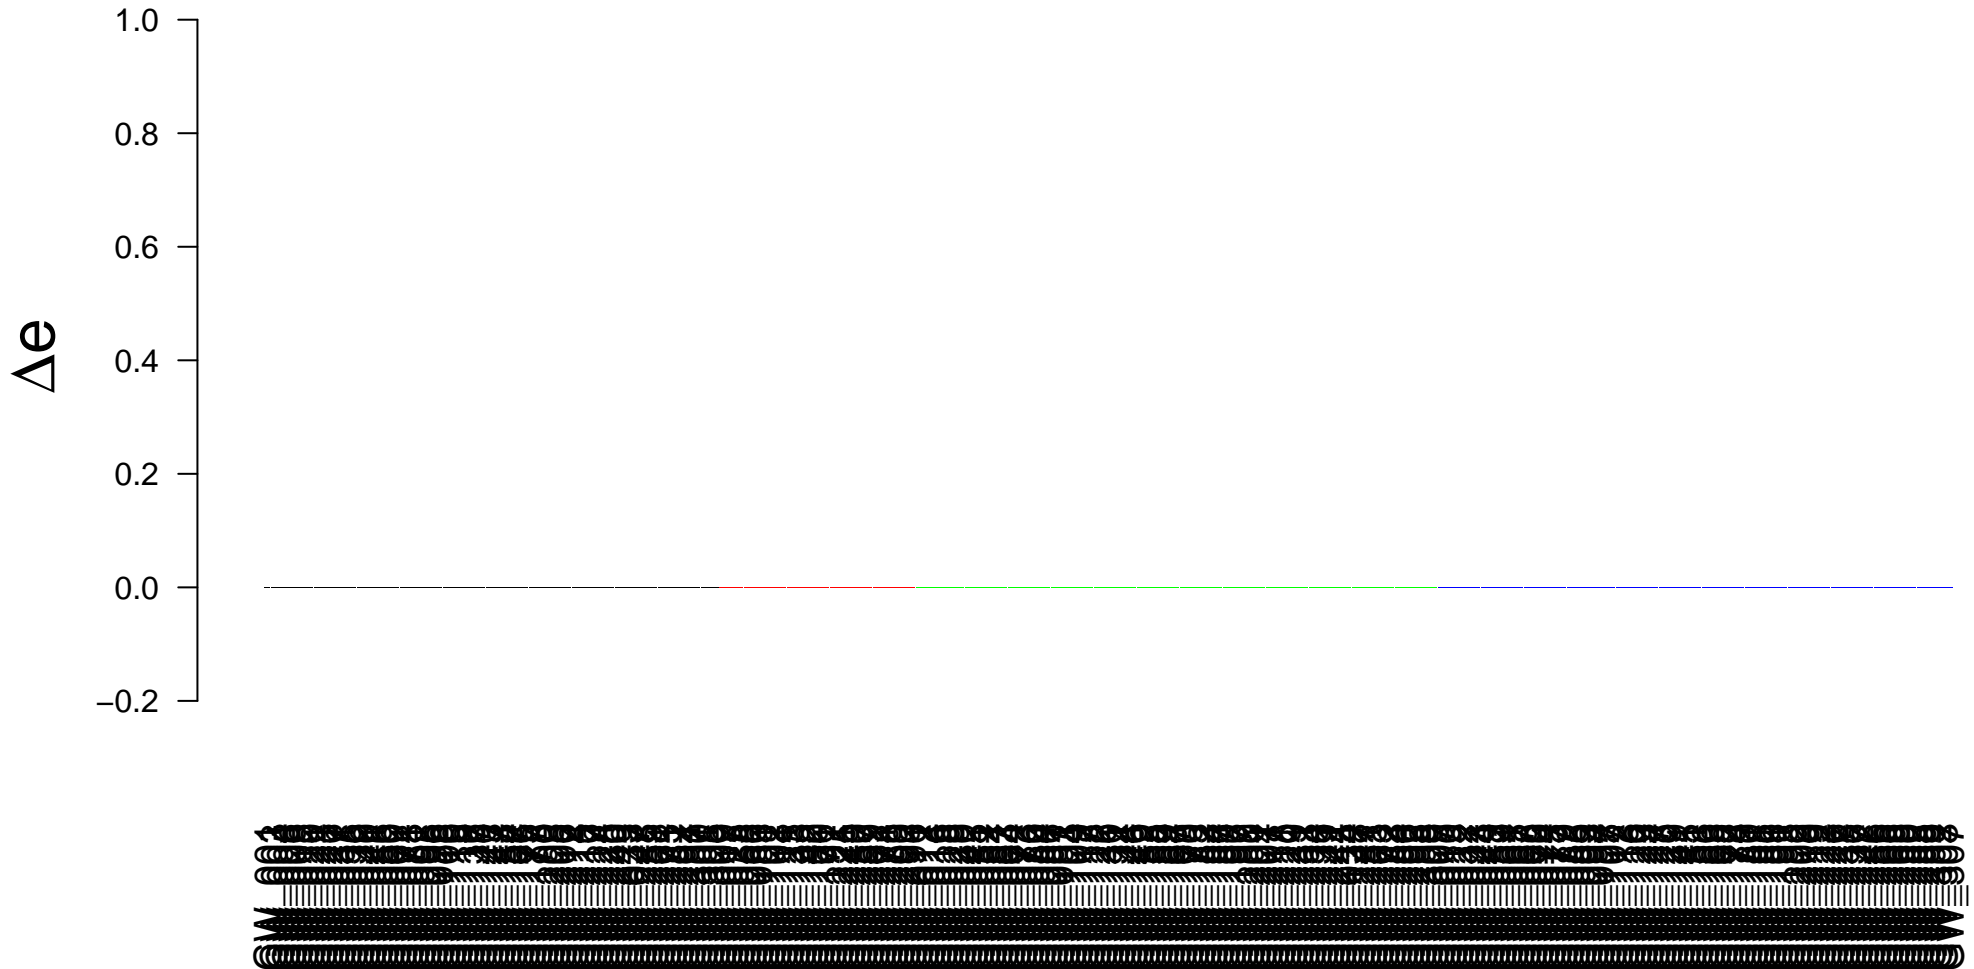

# Expression of peptide hormone processing in Spot N

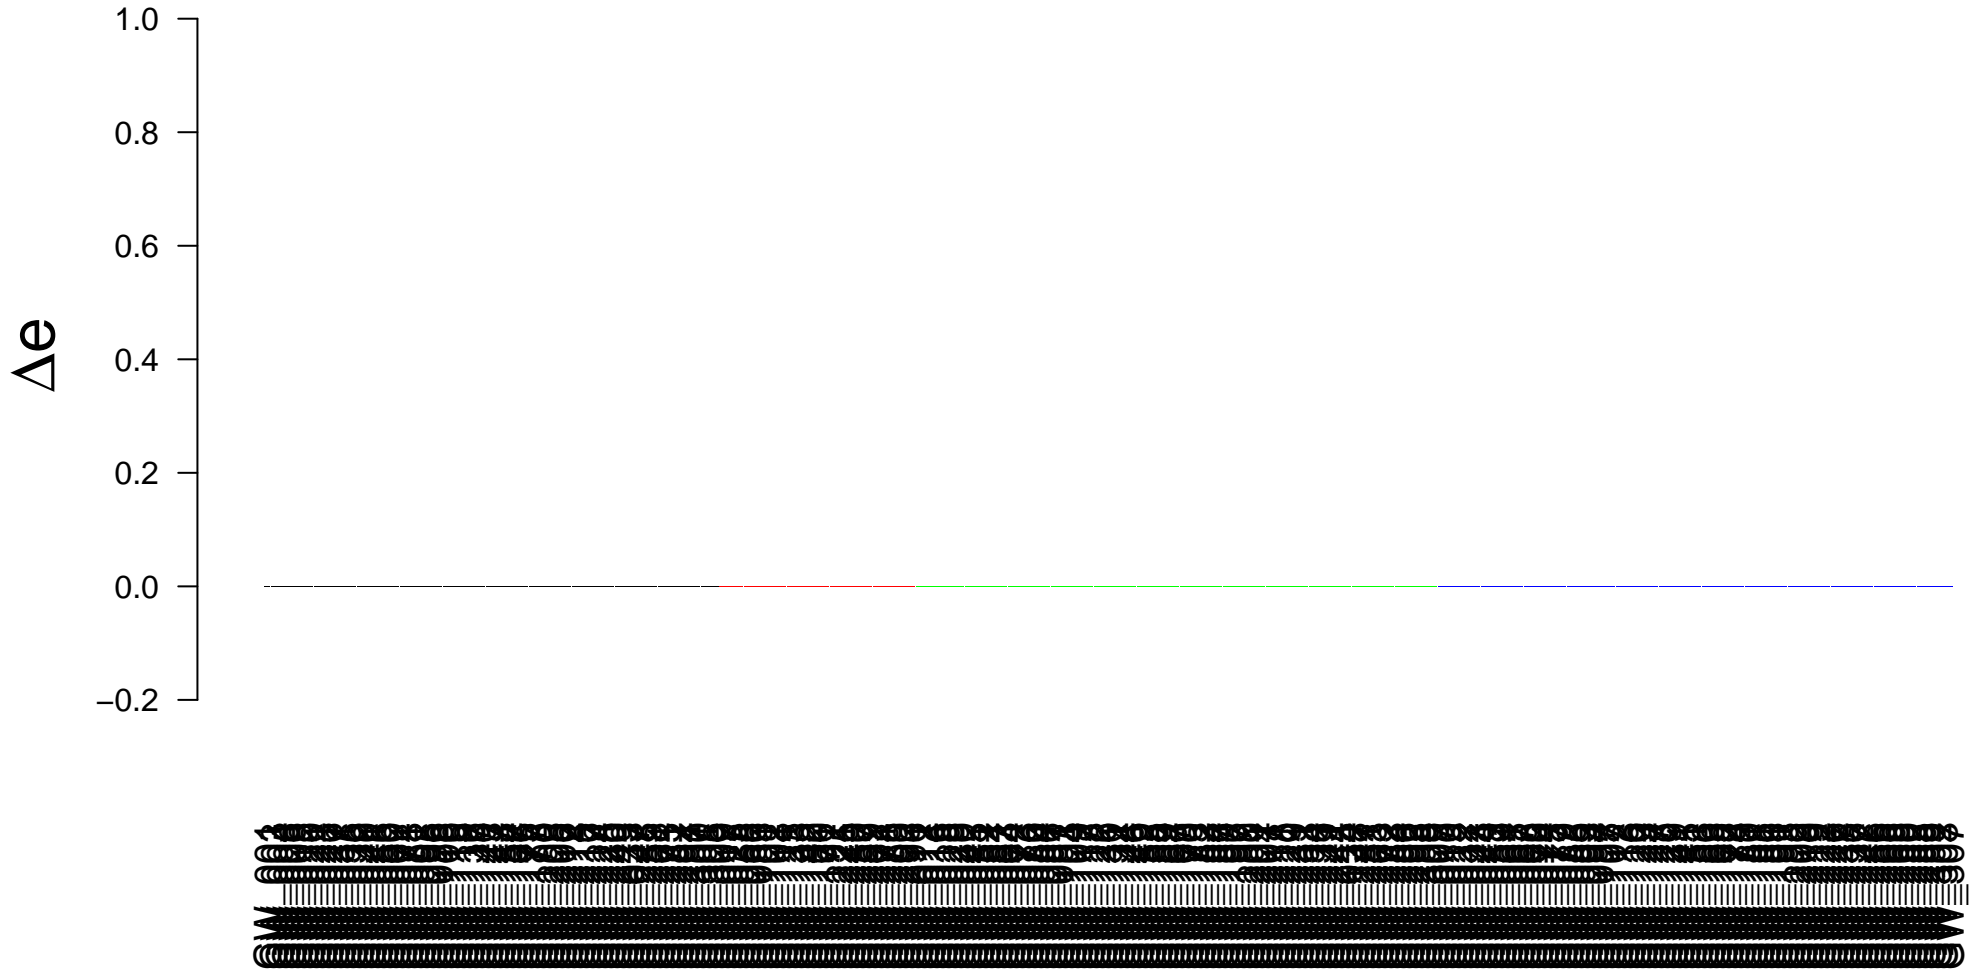

# Expression of peptide hormone processing in Spot O

# Expression of peptide hormone processing in Spot P

# Expression of peptide hormone processing in Spot Q

# Expression of peptide hormone processing in Spot R
