

# peptidyl-proline modification

# peptidyl-proline modification

# Enrichment in spots: peptidyl-proline modification

# Expression of peptidyl-proline modification in Spot A

# Expression of peptidyl-proline modification in Spot B

# Expression of peptidyl-proline modification in Spot C

# Expression of peptidyl-proline modification in Spot D

# Expression of peptidyl-proline modification in Spot E

# Expression of peptidyl-proline modification in Spot F

# Expression of peptidyl-proline modification in Spot G

# Expression of peptidyl-proline modification in Spot H

# Expression of peptidyl-proline modification in Spot I

# Expression of peptidyl-proline modification in Spot J

# Expression of peptidyl-proline modification in Spot K

# Expression of peptidyl-proline modification in Spot L

# Expression of peptidyl-proline modification in Spot M
