

peptidyl-prolyl cis-trans isomerase activity

peptidyl-prolyl cis-trans isomerase activity

Enrichment in spots: peptidyl-prolyl cis-trans isomerase activity

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot A

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot B

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot C

Expression of peptidyl–prolyl cis–trans isomerase activity in Spot D

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot E

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot F

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot G

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot H

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot I

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot J

Expression of peptidyl–prolyl cis–trans isomerase activity in Spot K

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot L

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot M

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot N

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot O

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot P

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot Q

Expression of peptidyl-prolyl cis-trans isomerase activity in Spot R
