

peptidyl-serine phosphorylation

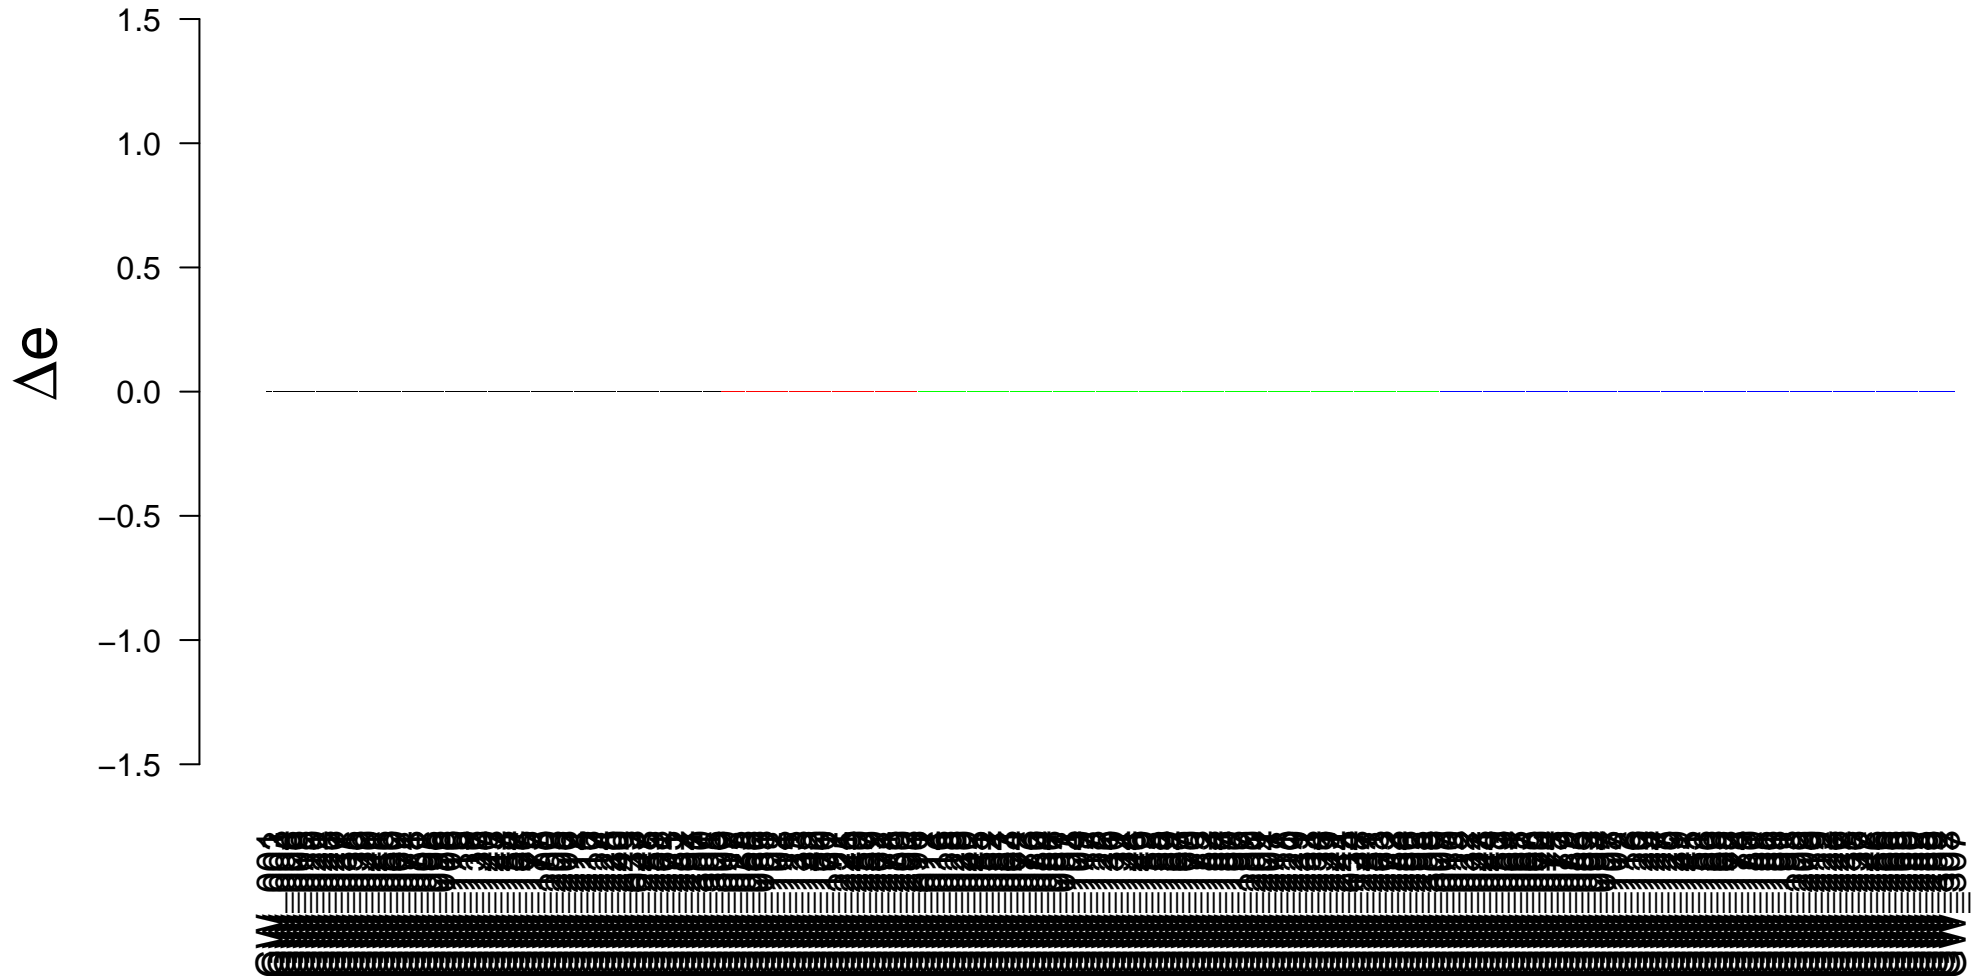

peptidyl-serine phosphorylation

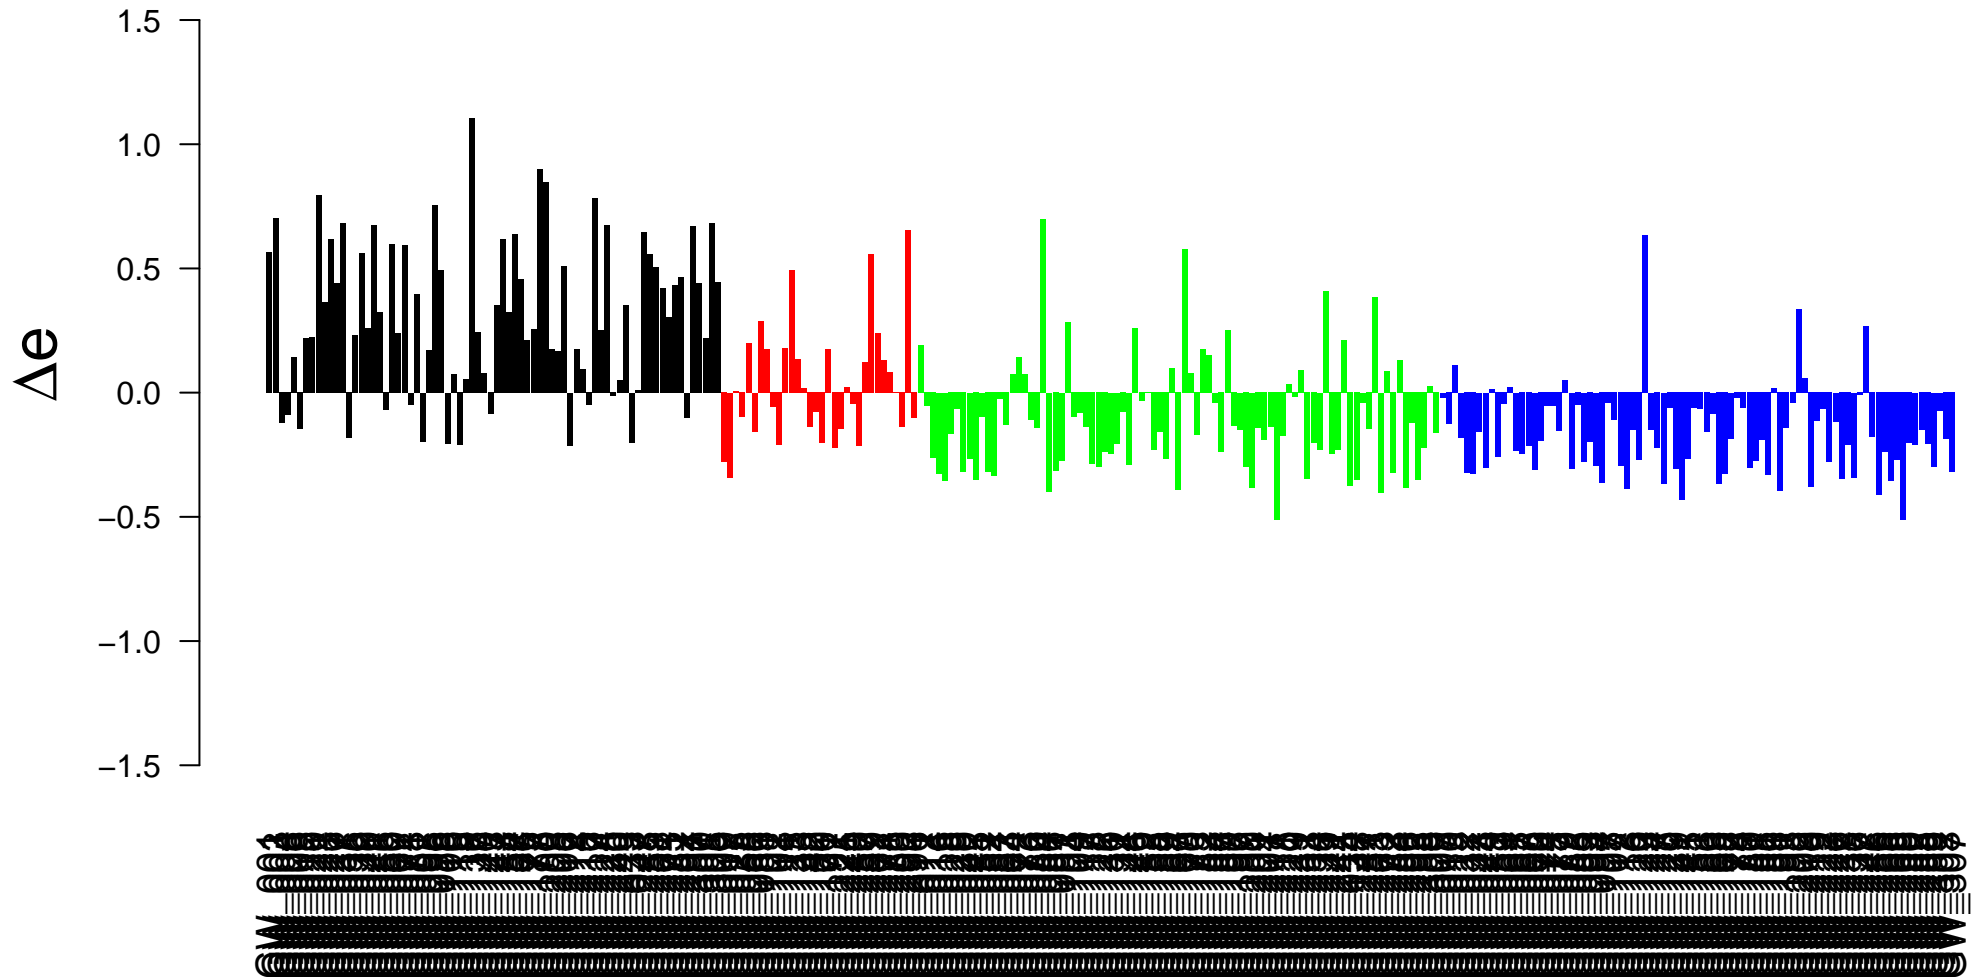

Enrichment in spots: peptidyl-serine phosphorylation

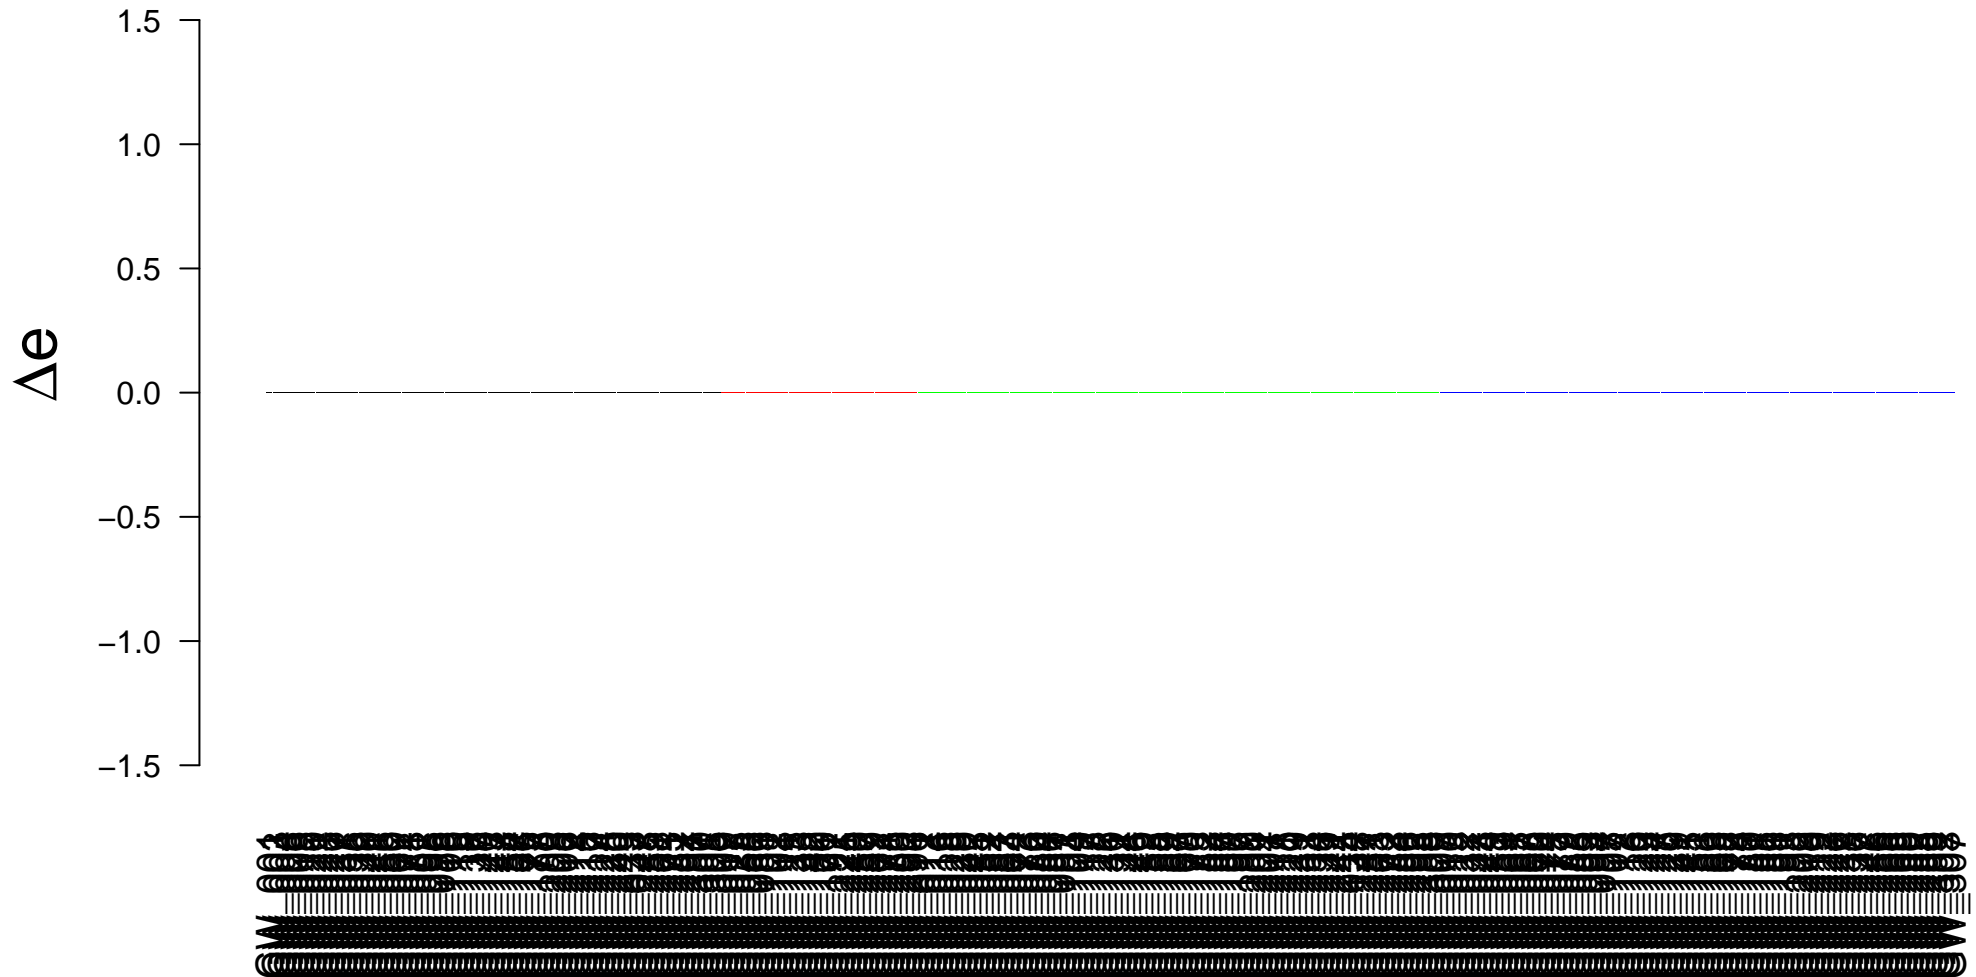

Expression of peptidyl-serine phosphorylation in Spot A

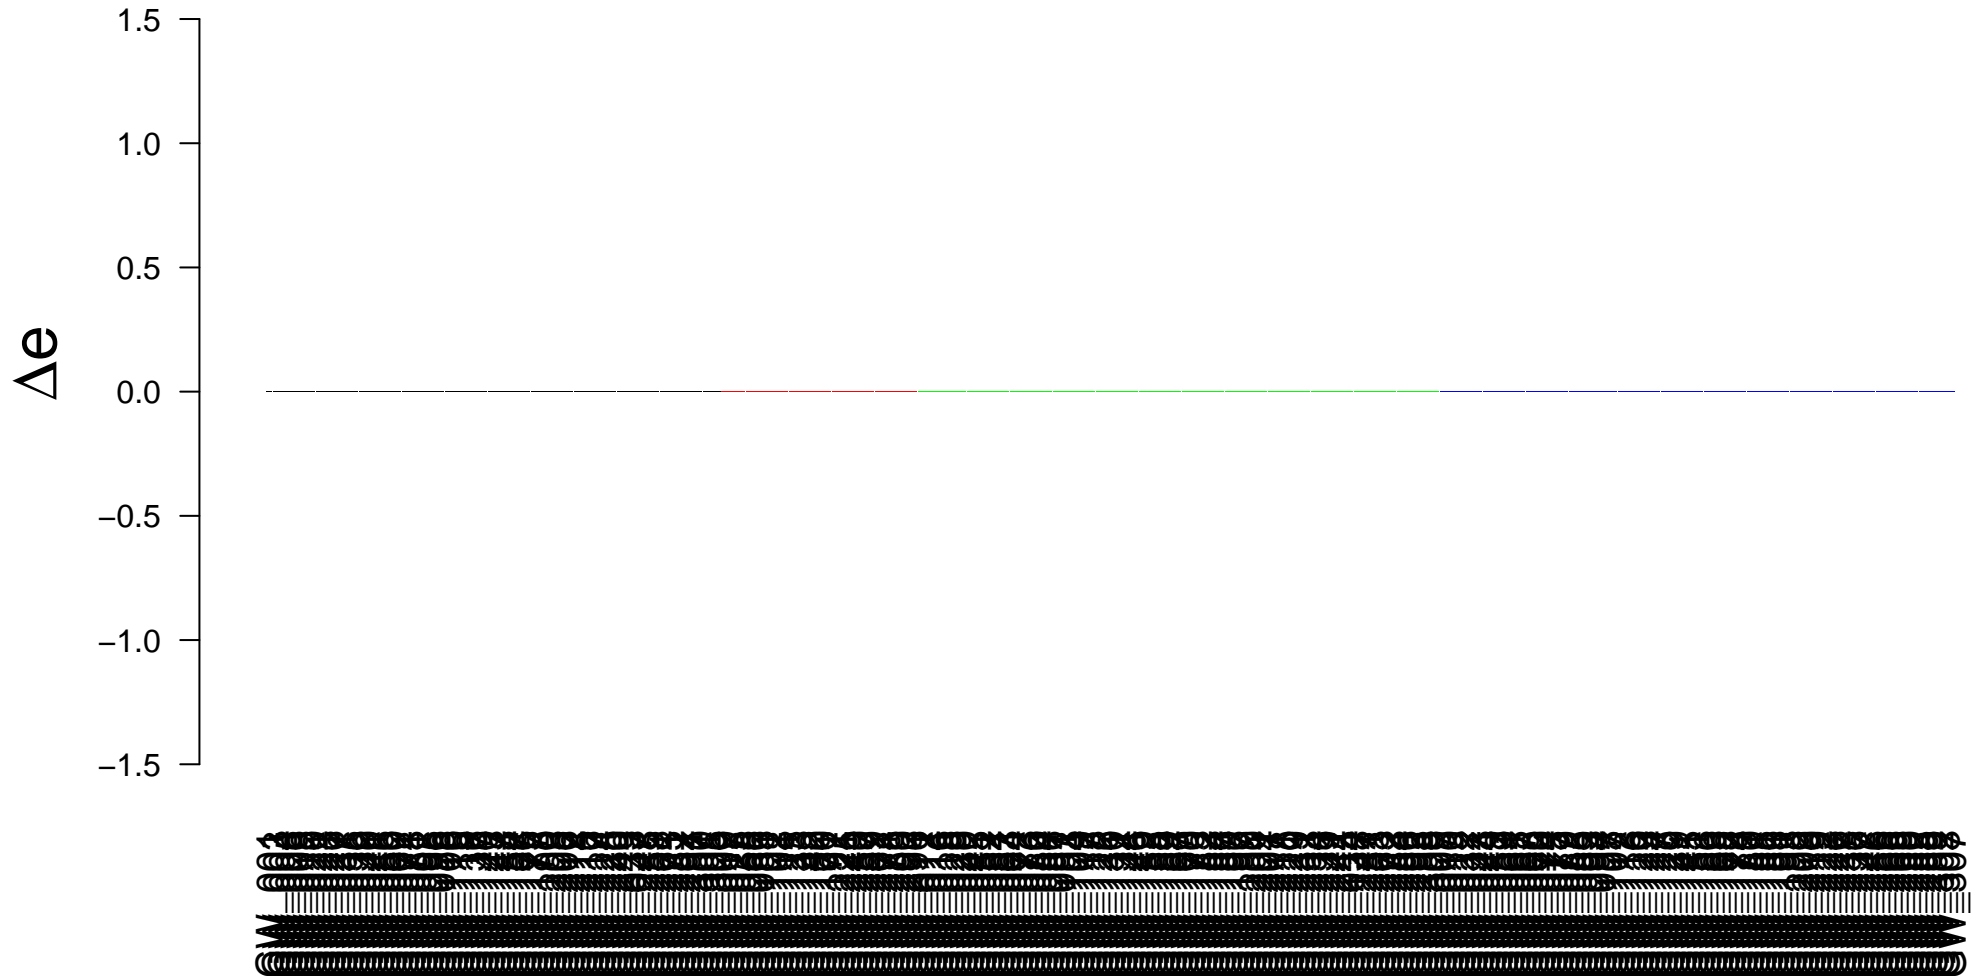

Expression of peptidyl-serine phosphorylation in Spot B

Expression of peptidyl-serine phosphorylation in Spot C

Expression of peptidyl-serine phosphorylation in Spot D

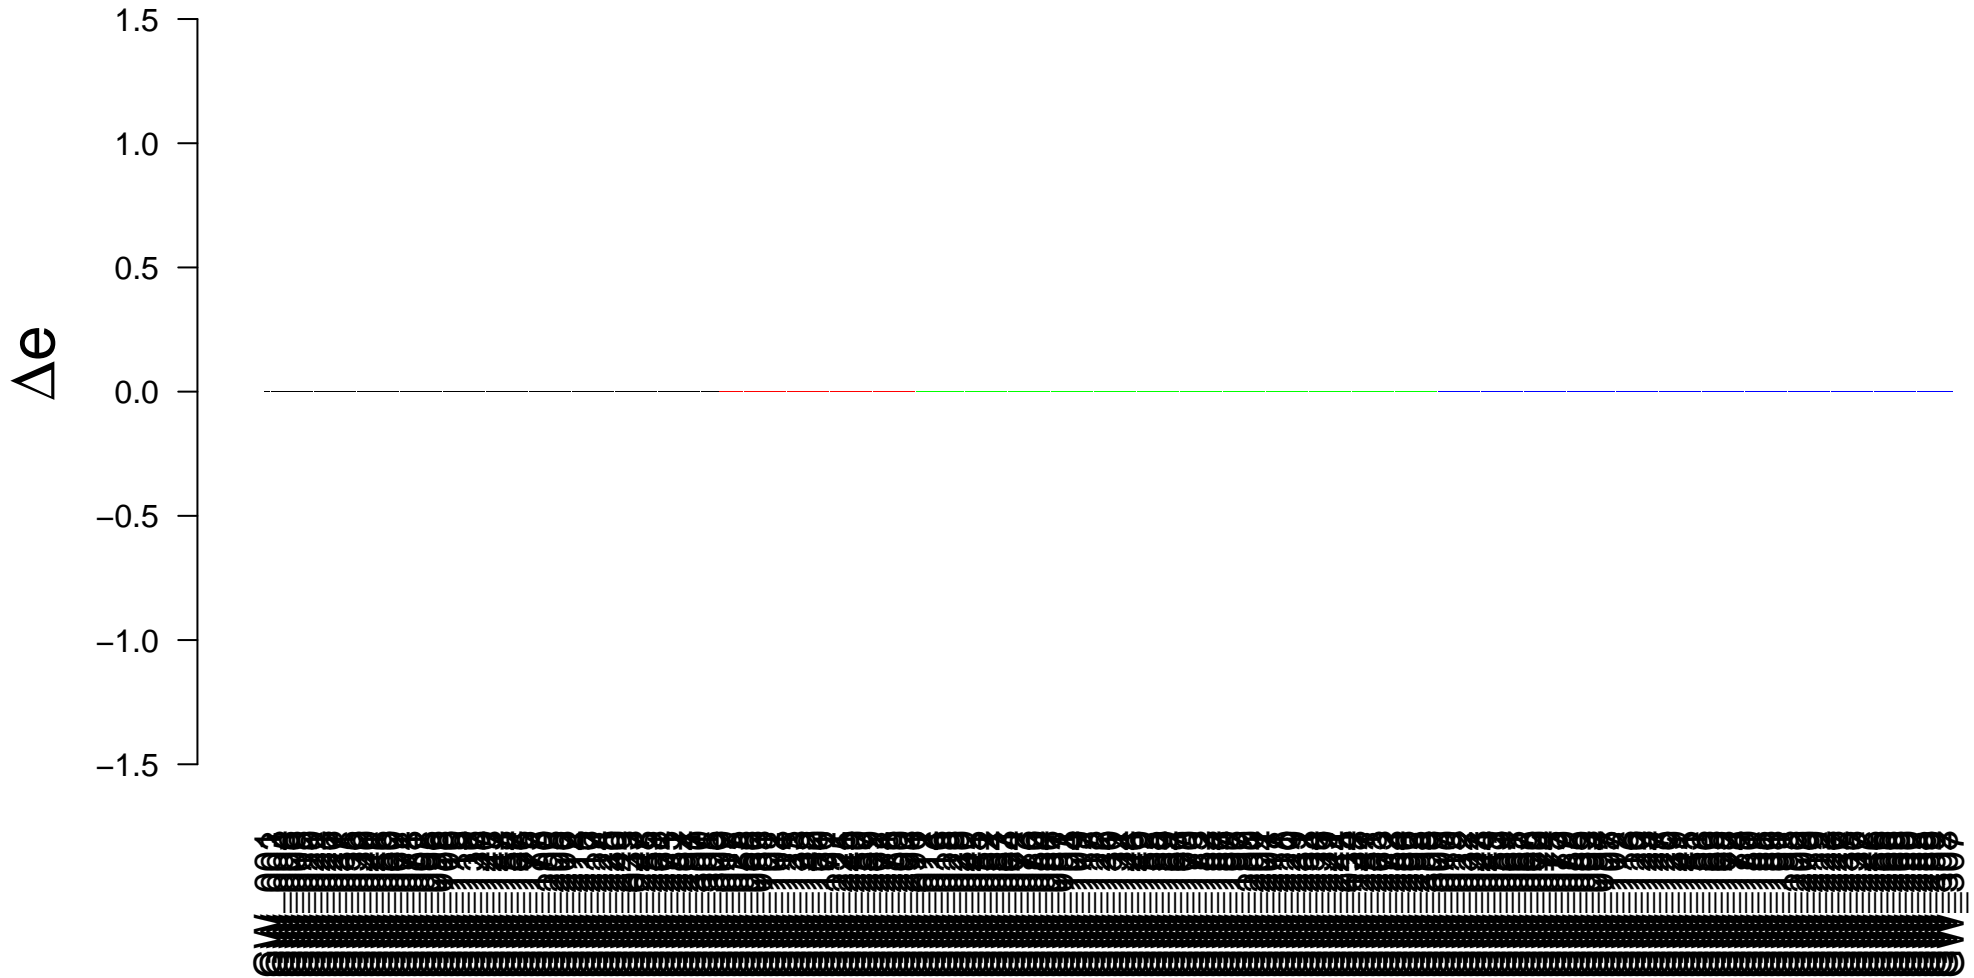

Expression of peptidyl-serine phosphorylation in Spot E

Expression of peptidyl-serine phosphorylation in Spot H

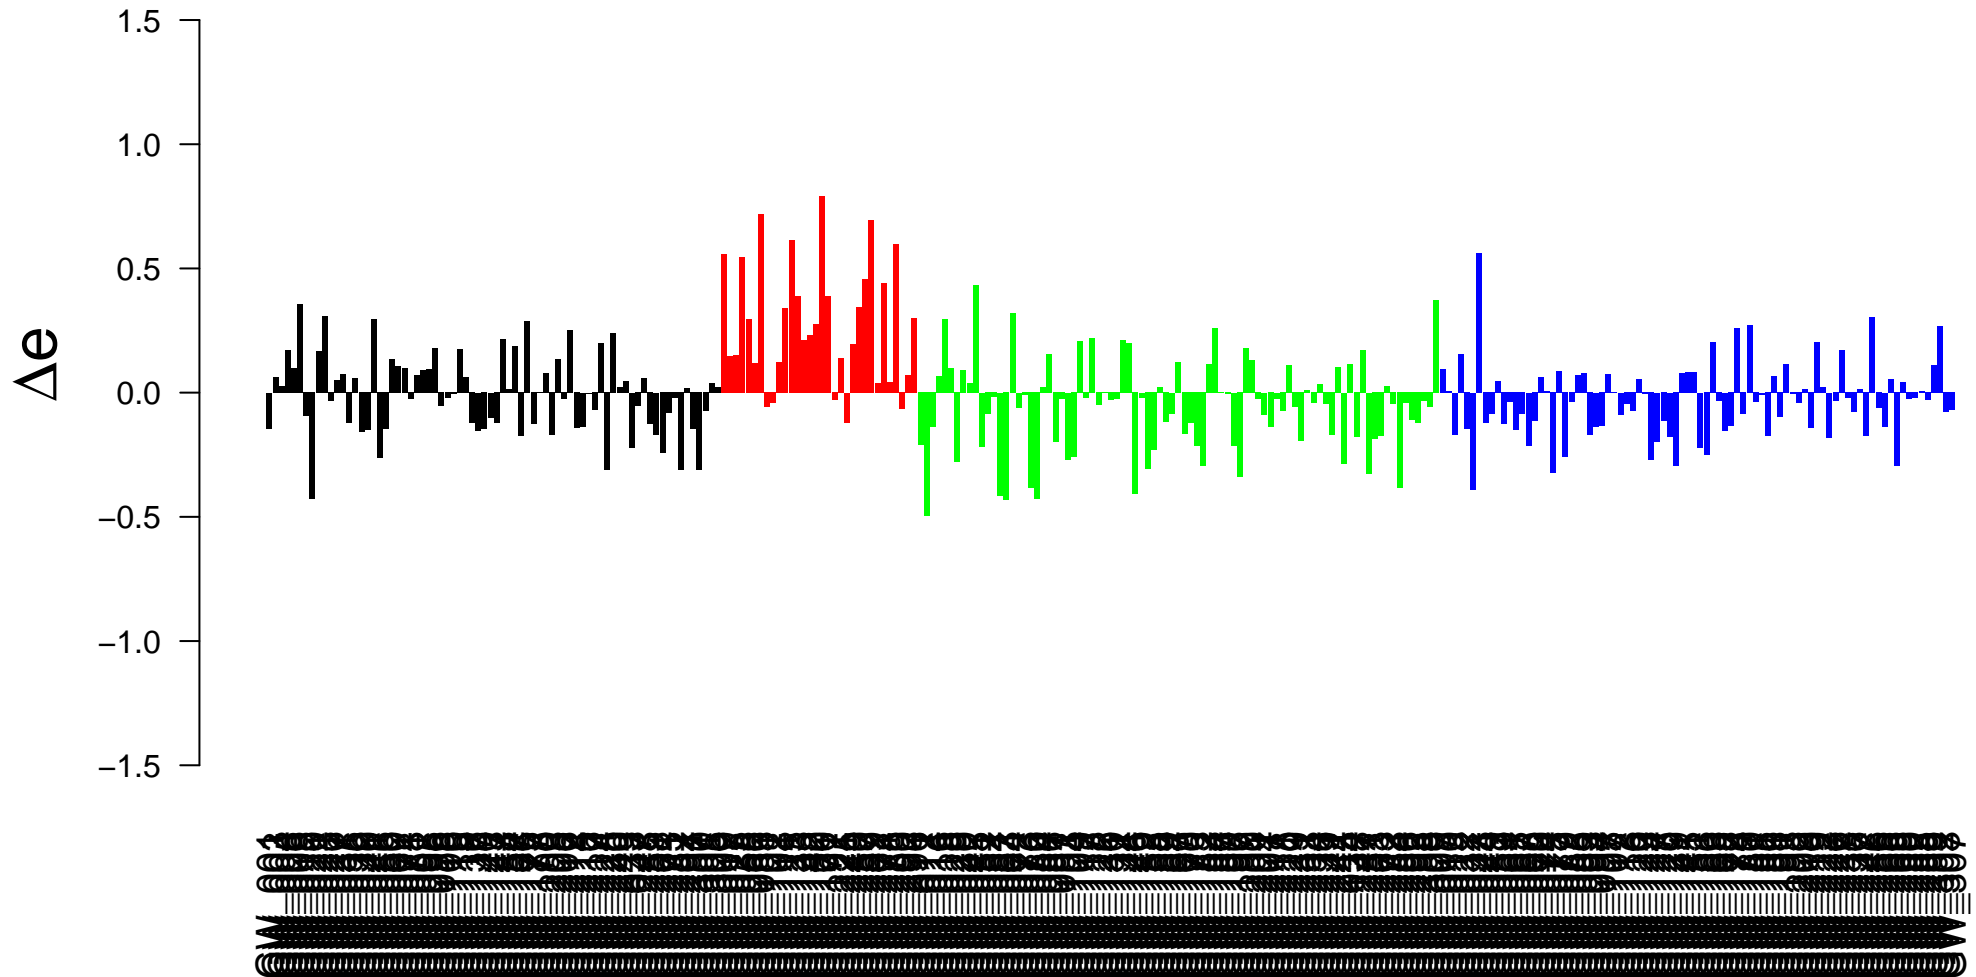

Expression of peptidyl-serine phosphorylation in Spot I

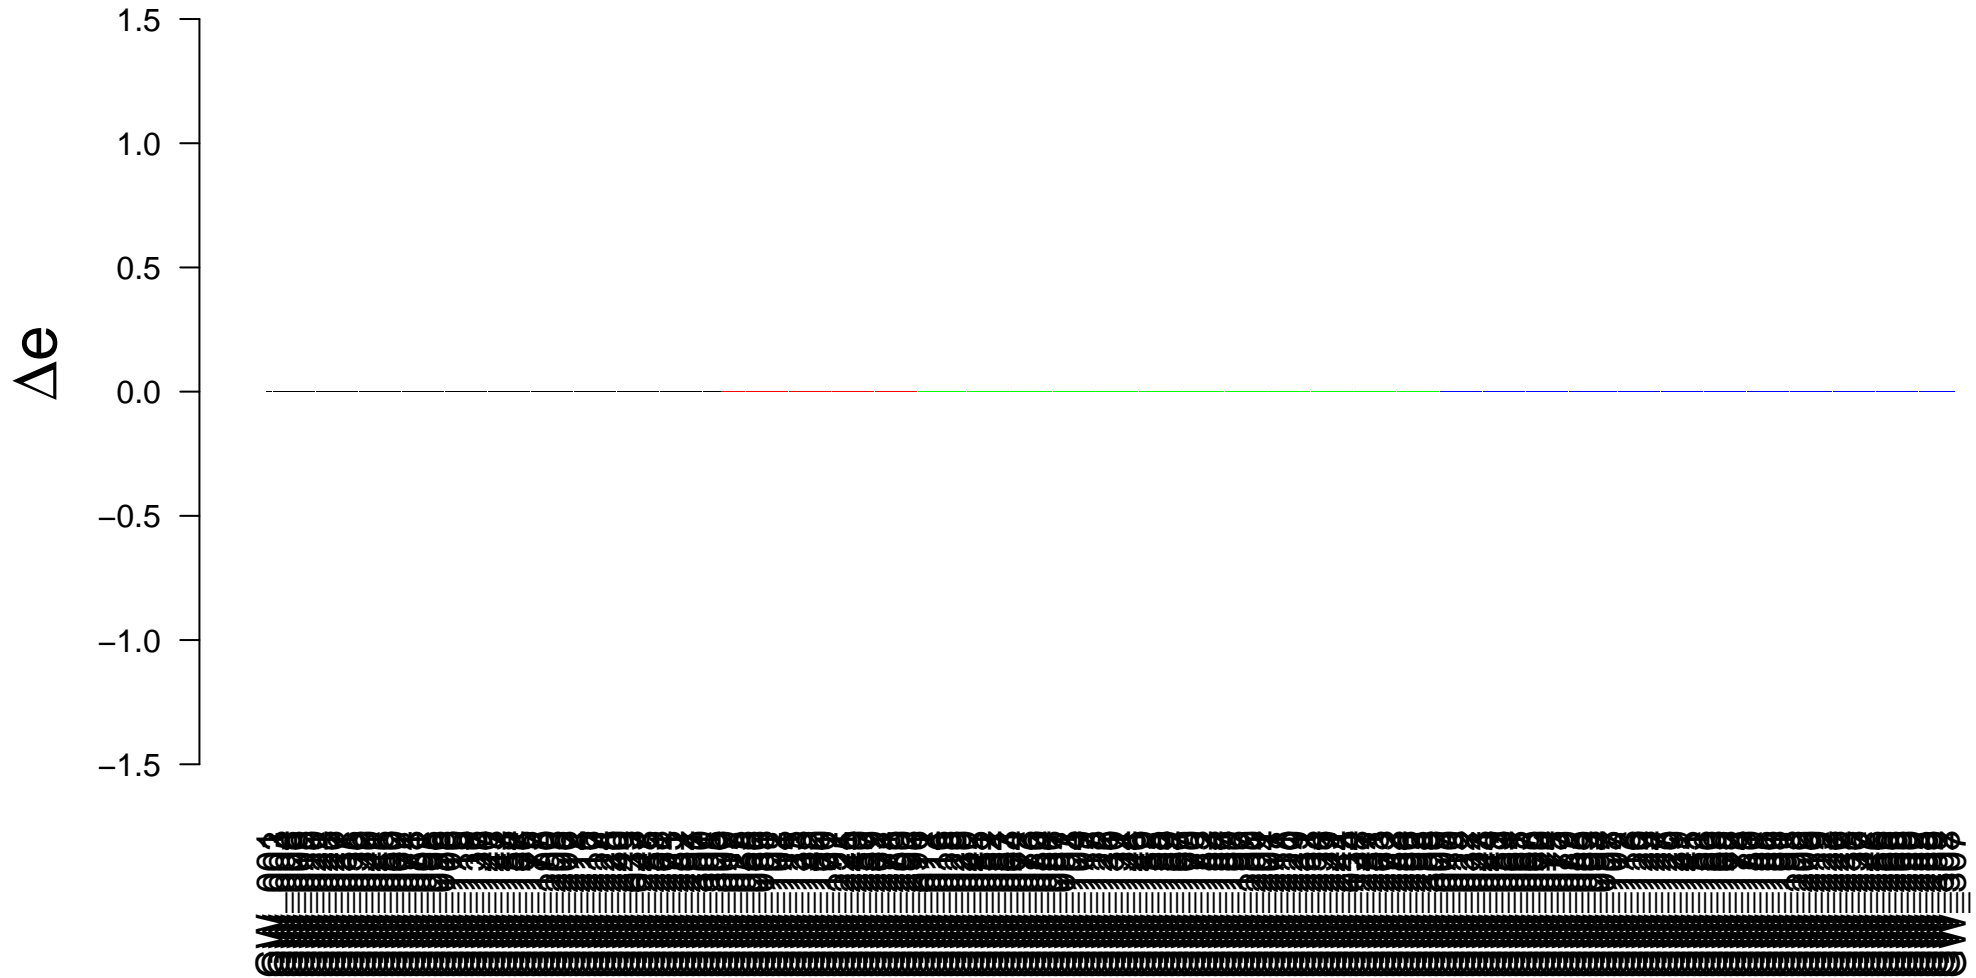

Expression of peptidyl-serine phosphorylation in Spot J

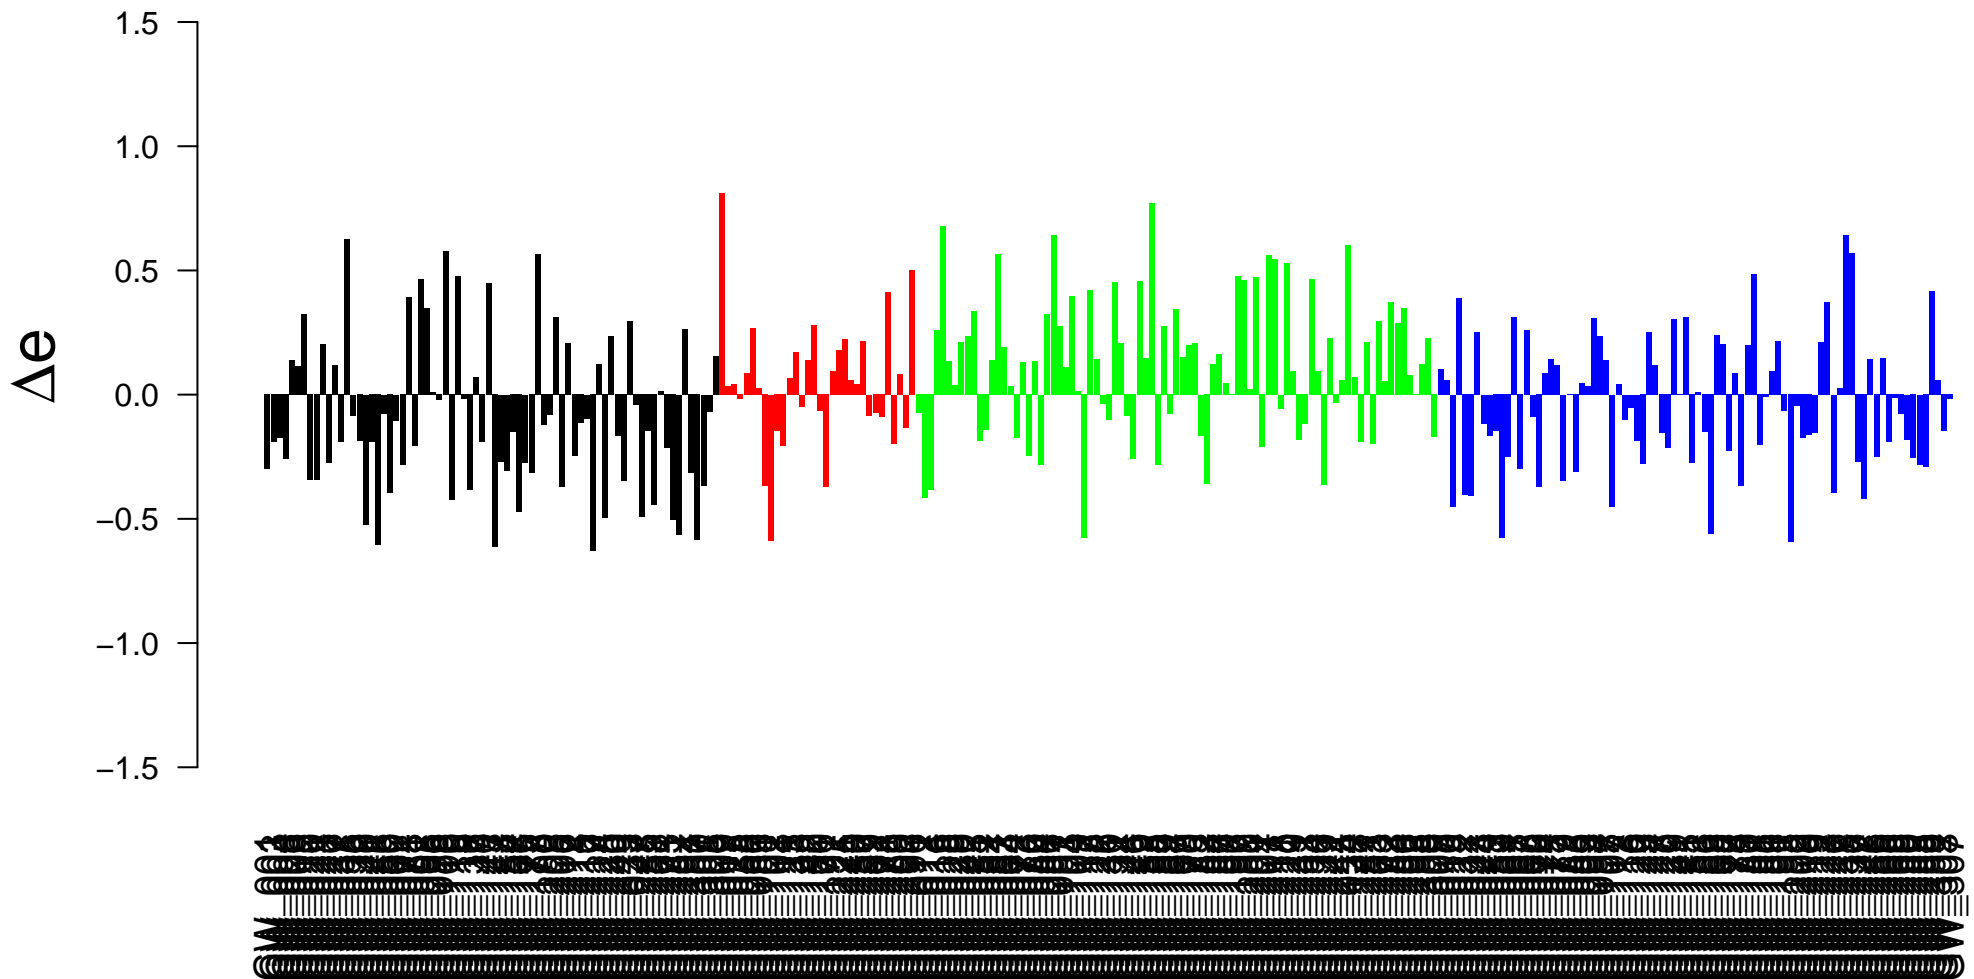

Expression of peptidyl-serine phosphorylation in Spot K

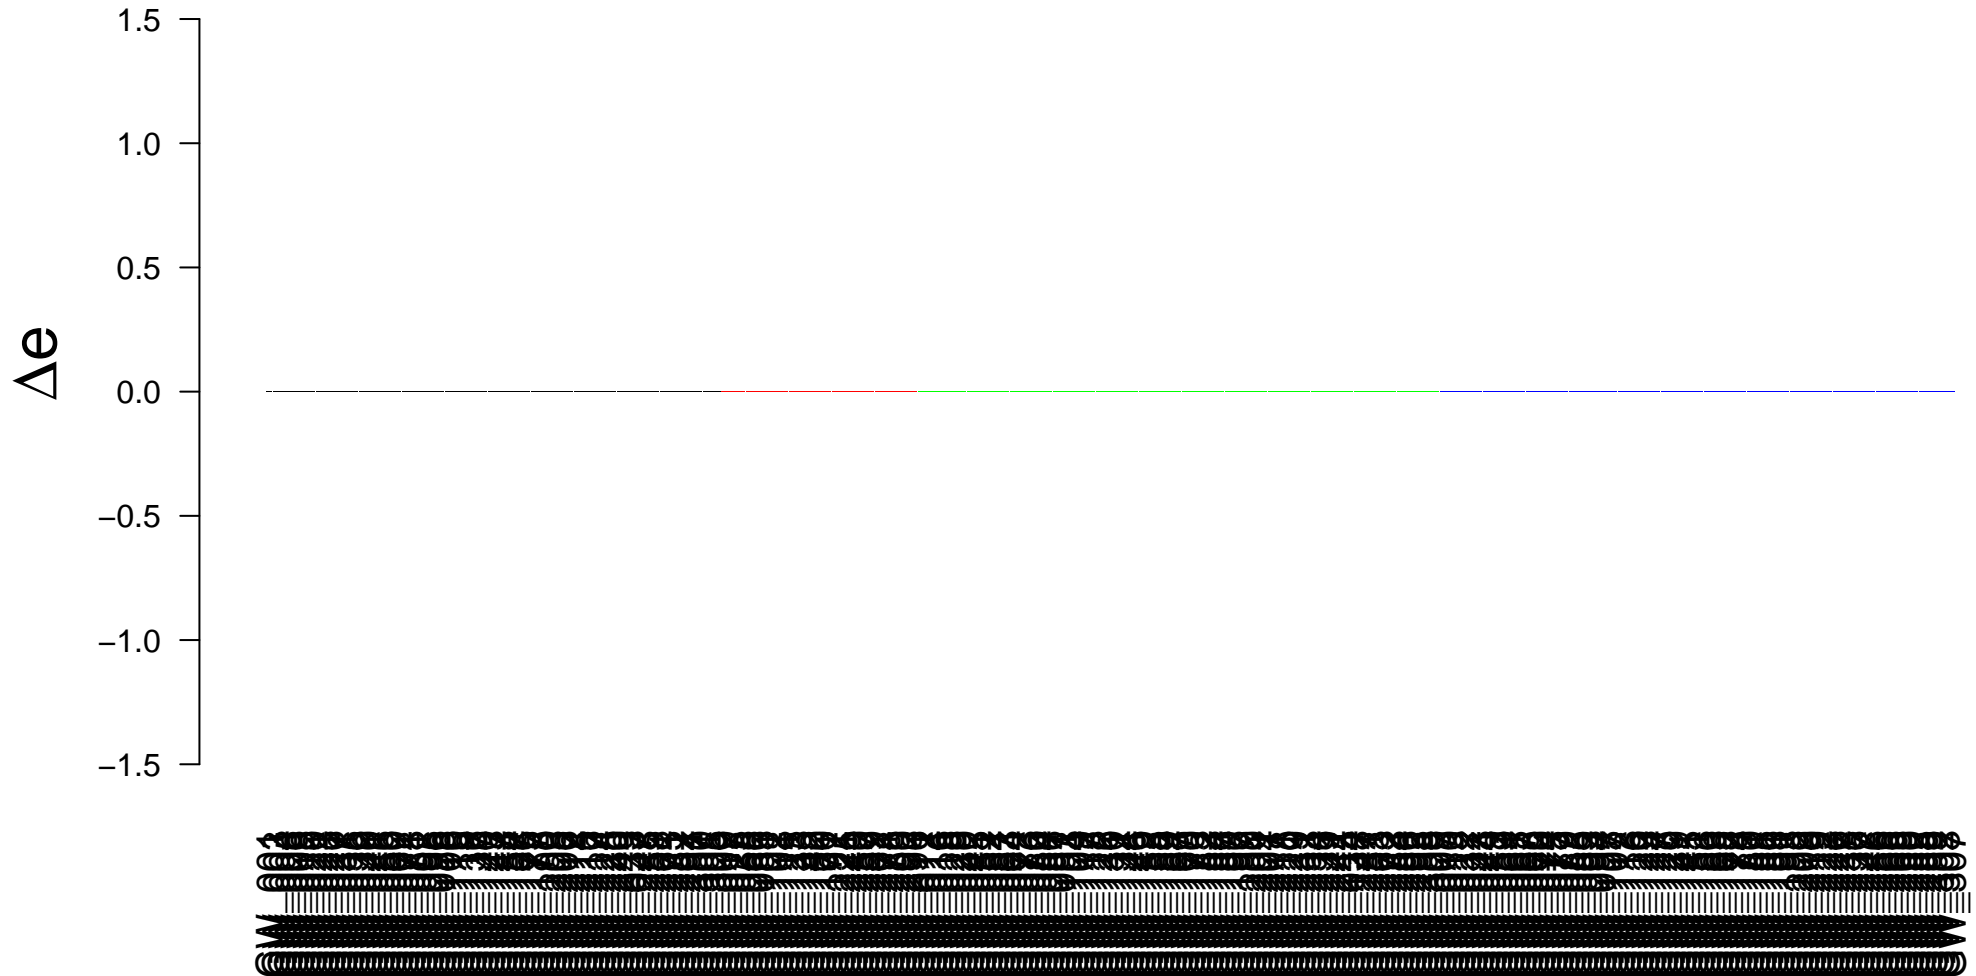

Expression of peptidyl-serine phosphorylation in Spot L

Expression of peptidyl-serine phosphorylation in Spot M

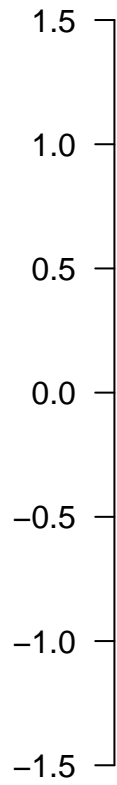

Expression of peptidyl-serine phosphorylation in Spot N

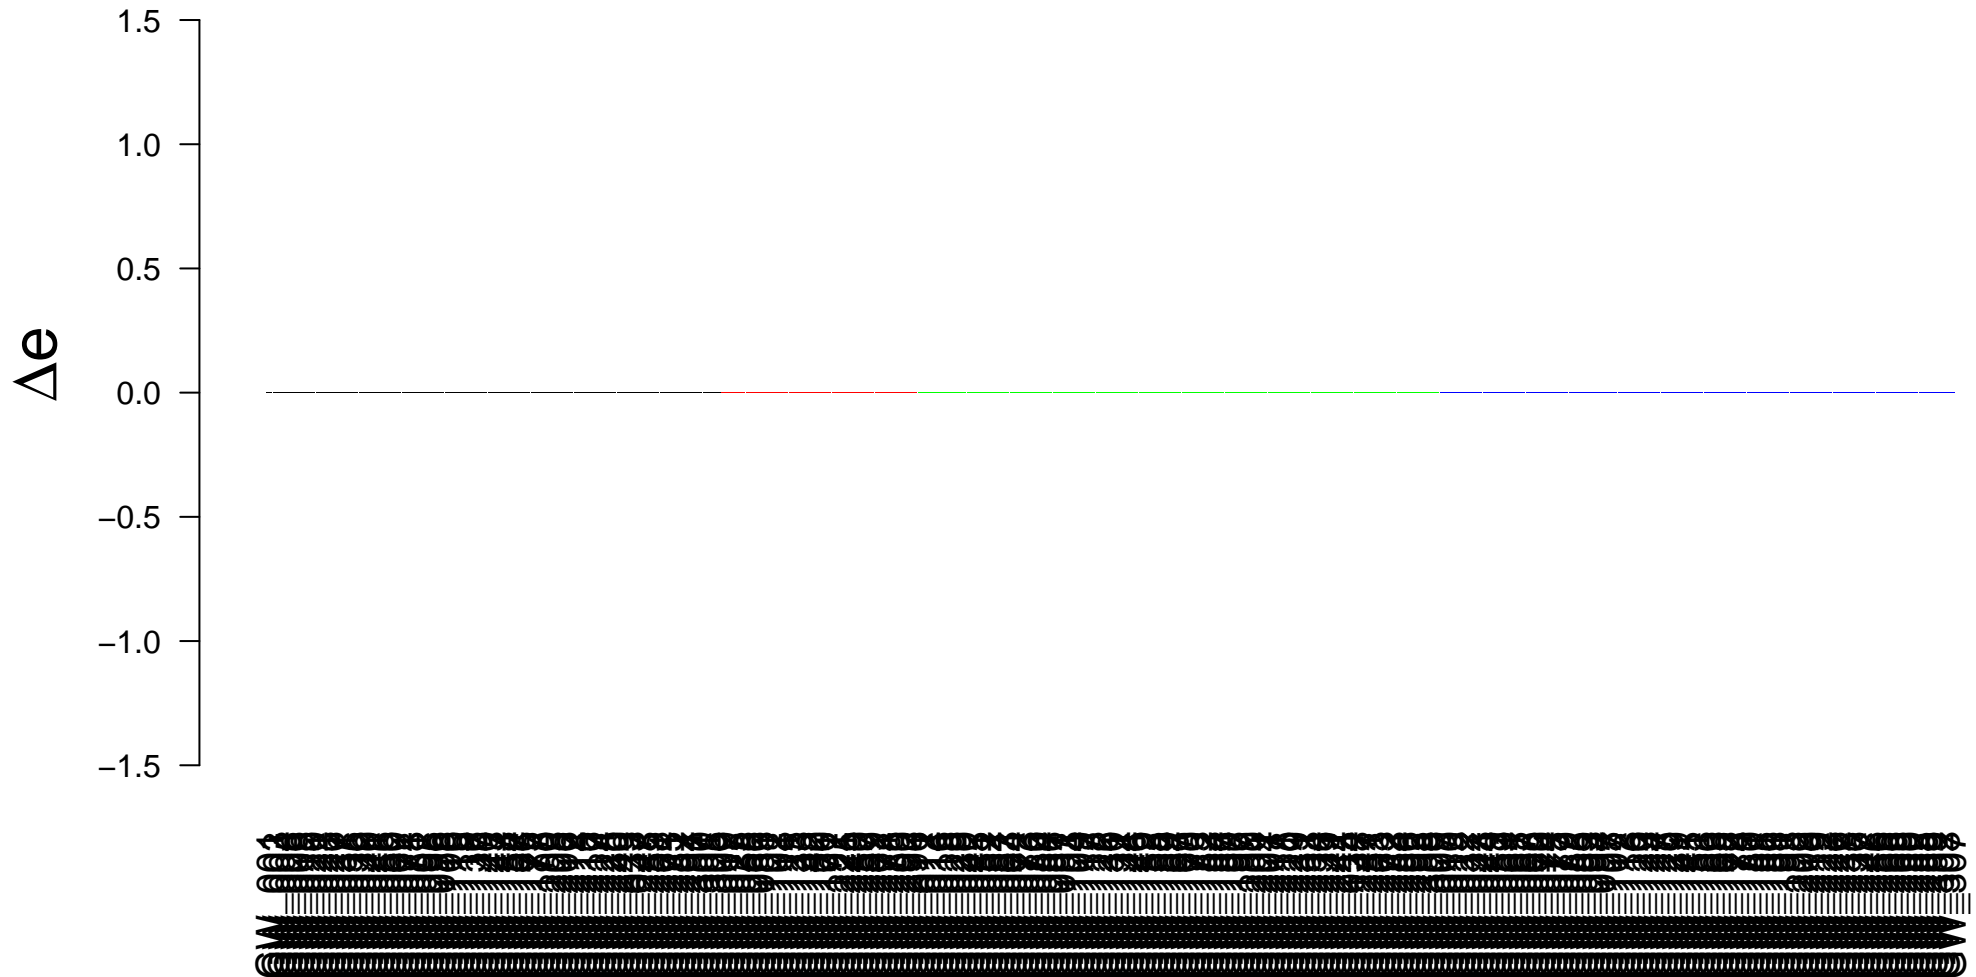

Expression of peptidyl-serine phosphorylation in Spot O
