

phosphatidate phosphatase activity

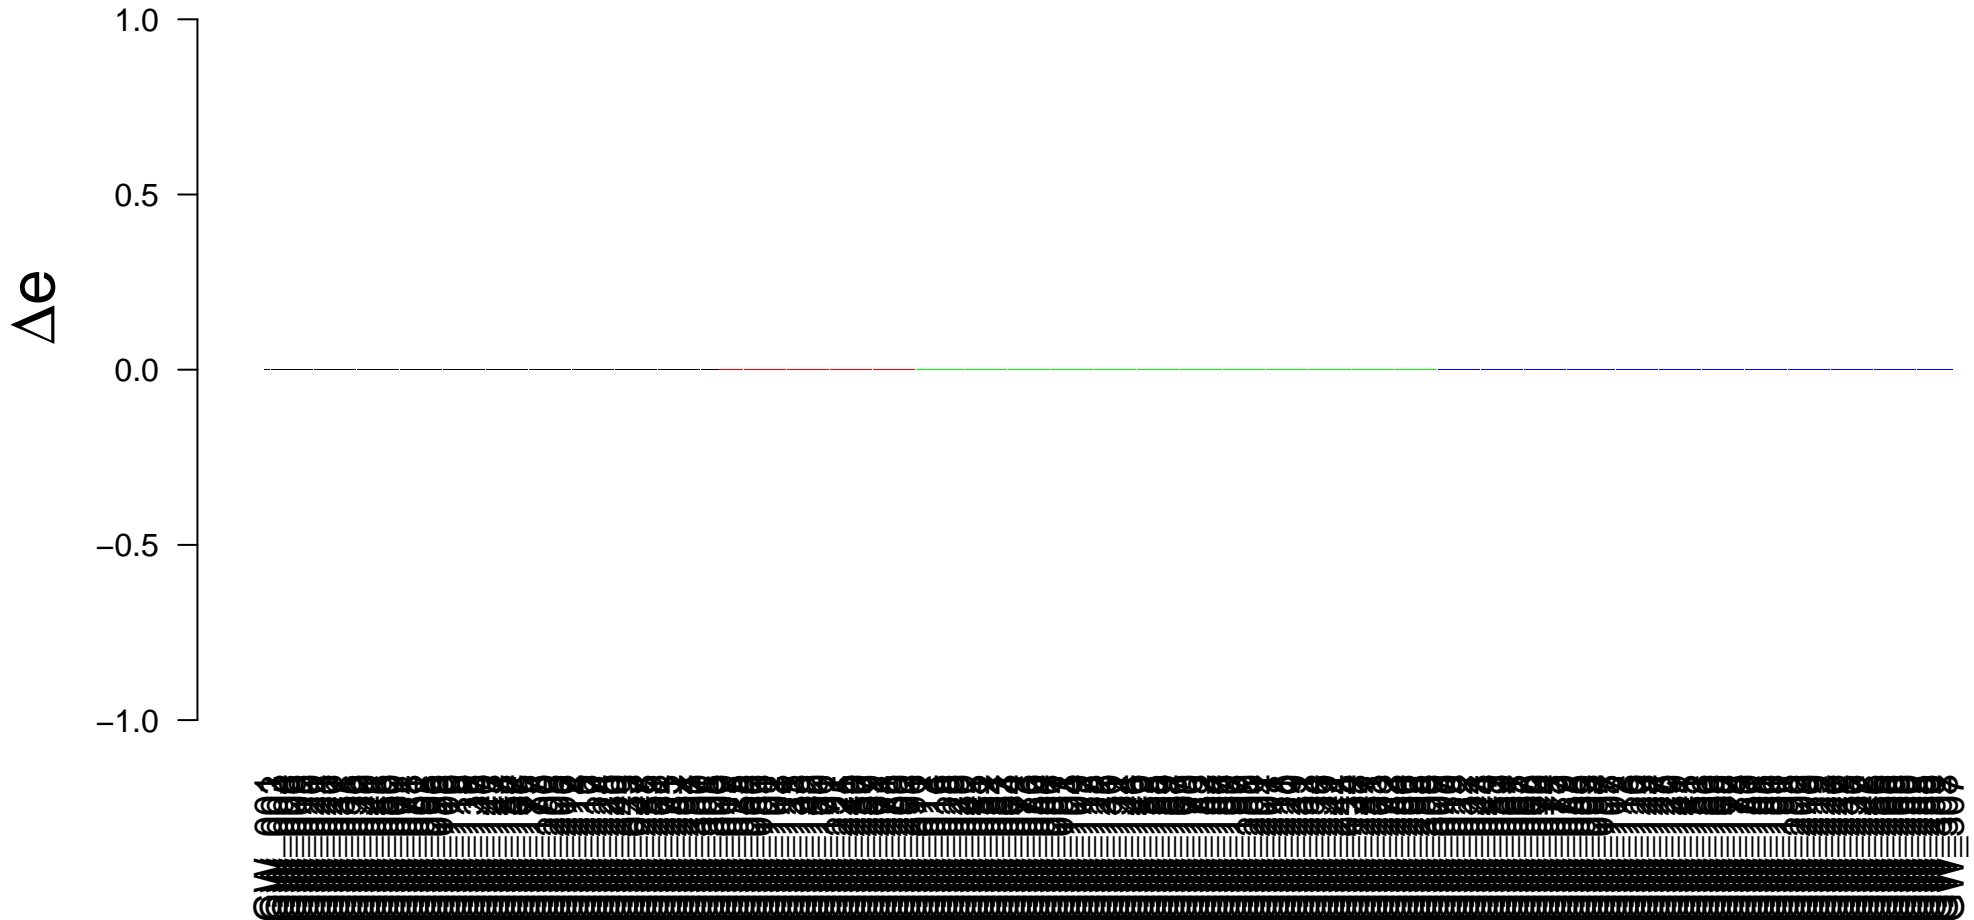

phosphatidate phosphatase activity

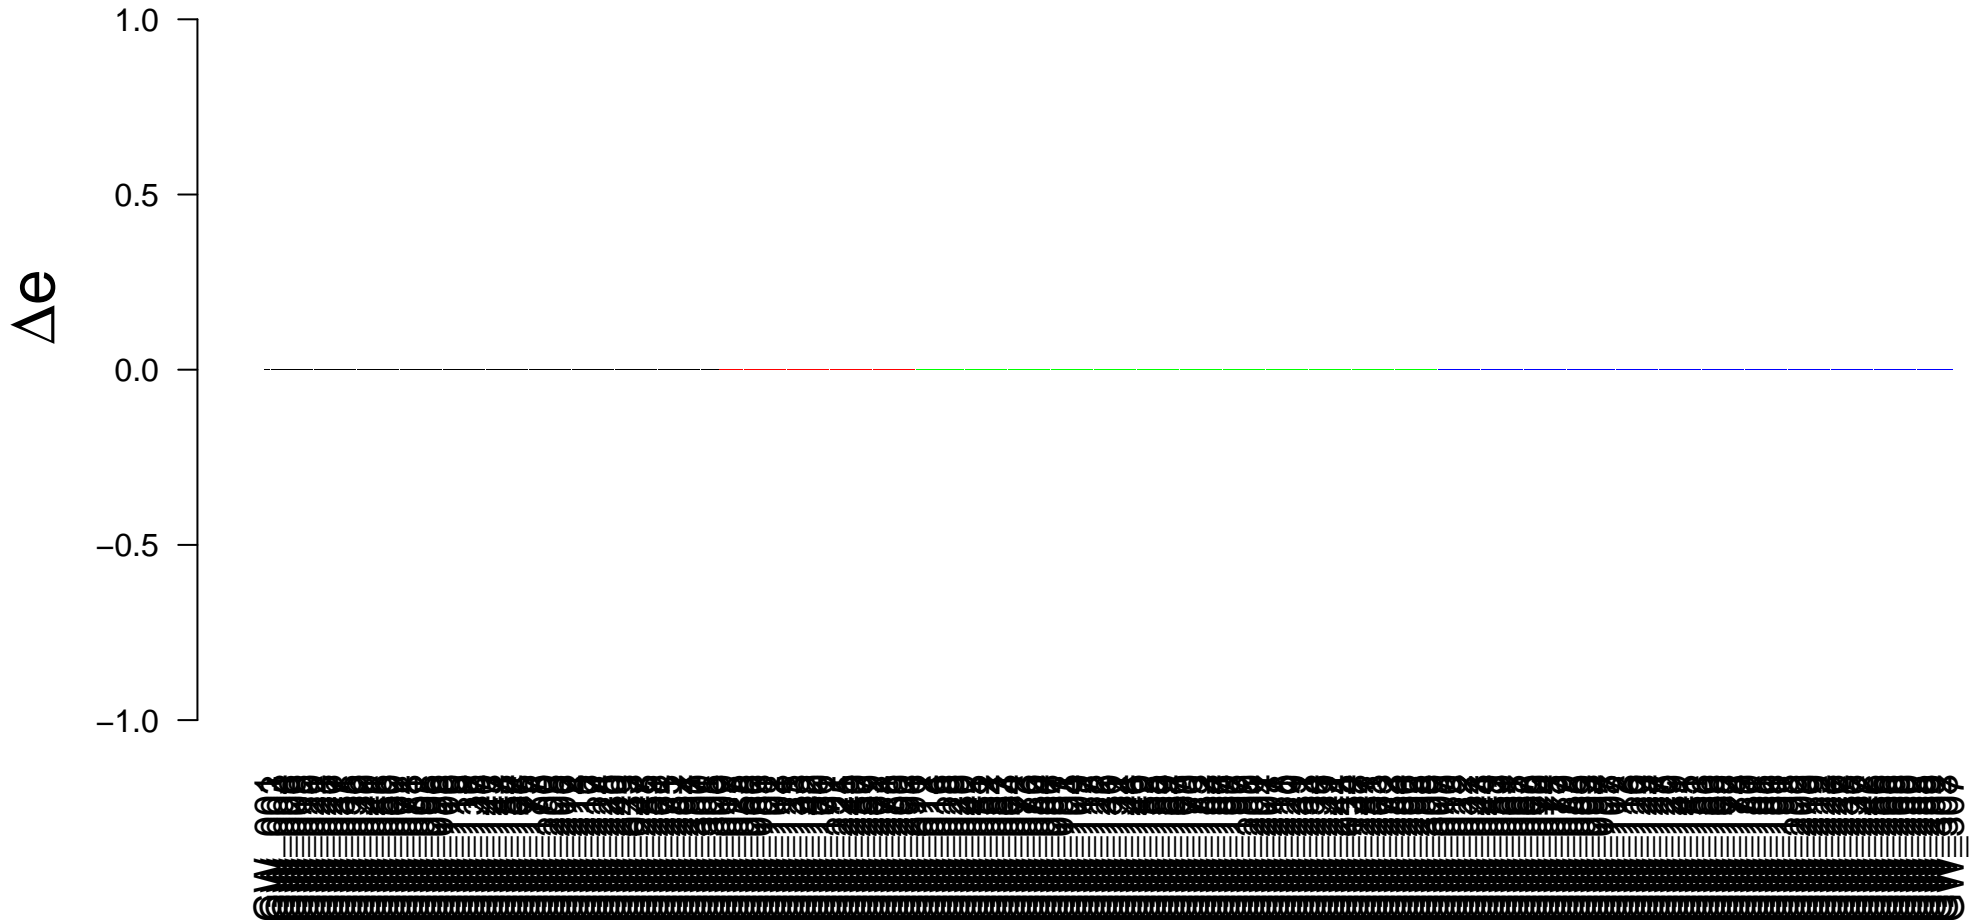

Enrichment in spots: phosphatidate phosphatase activity

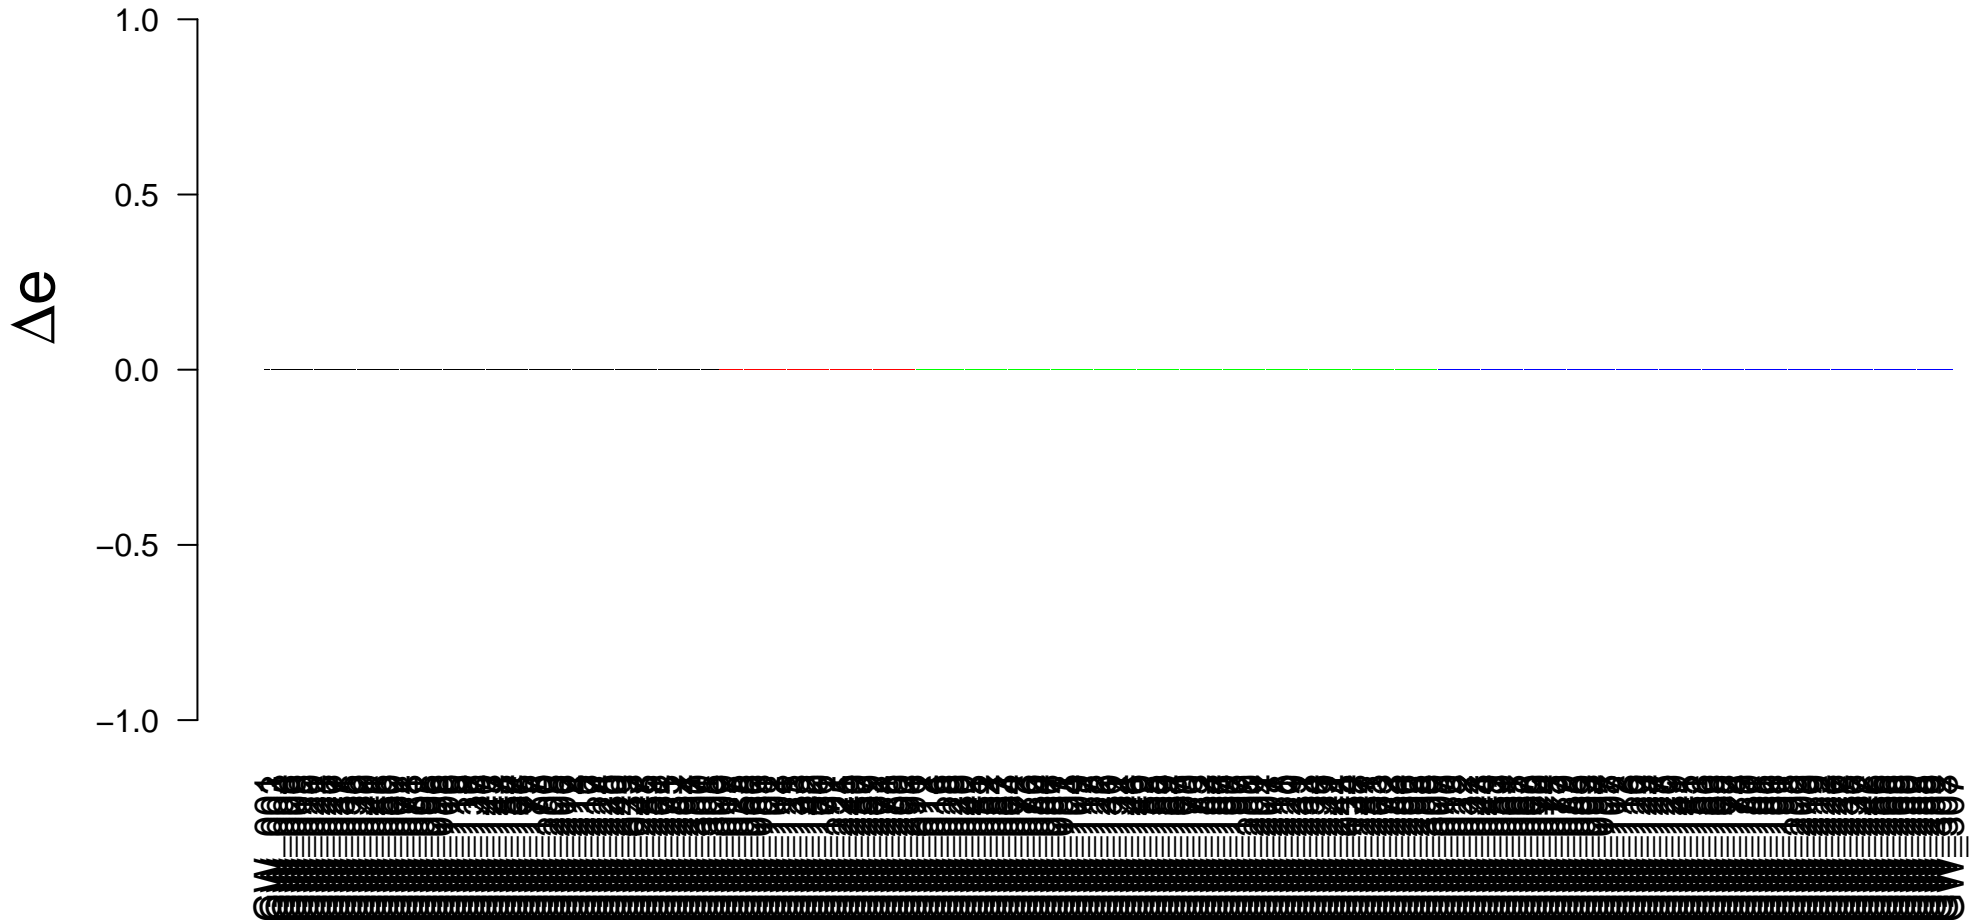

Expression of phosphatidate phosphatase activity in Spot A

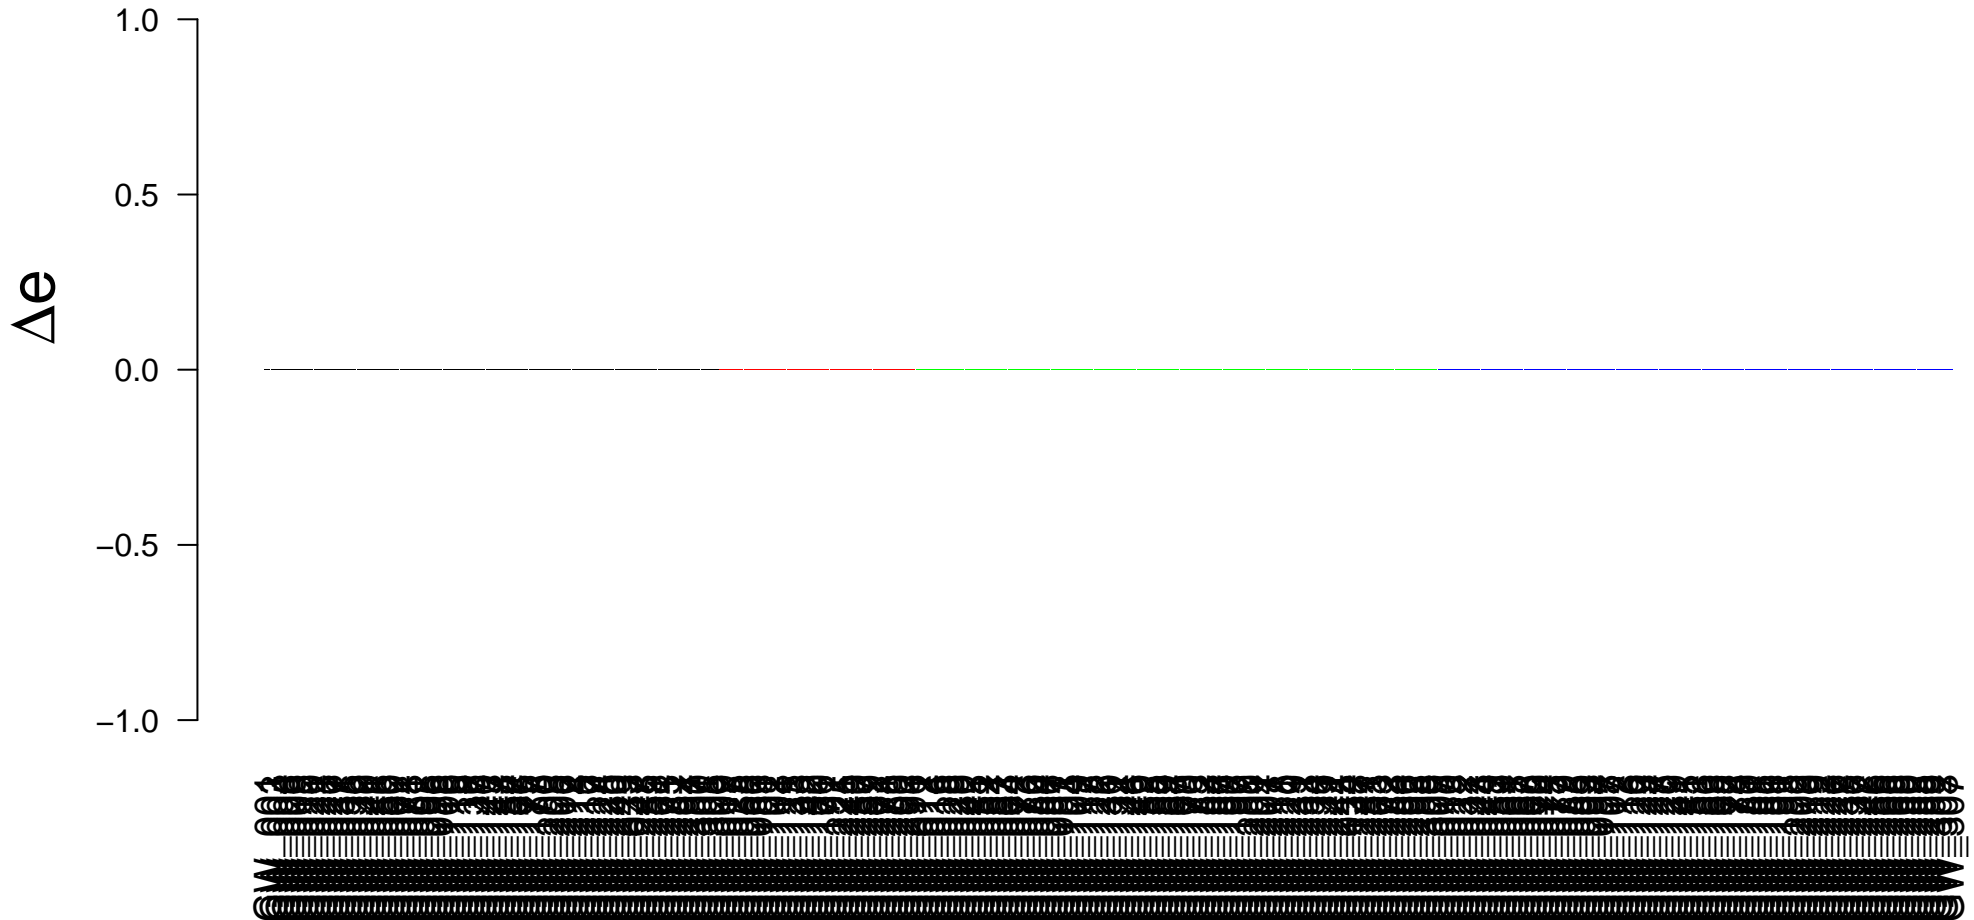

Expression of phosphatidate phosphatase activity in Spot B

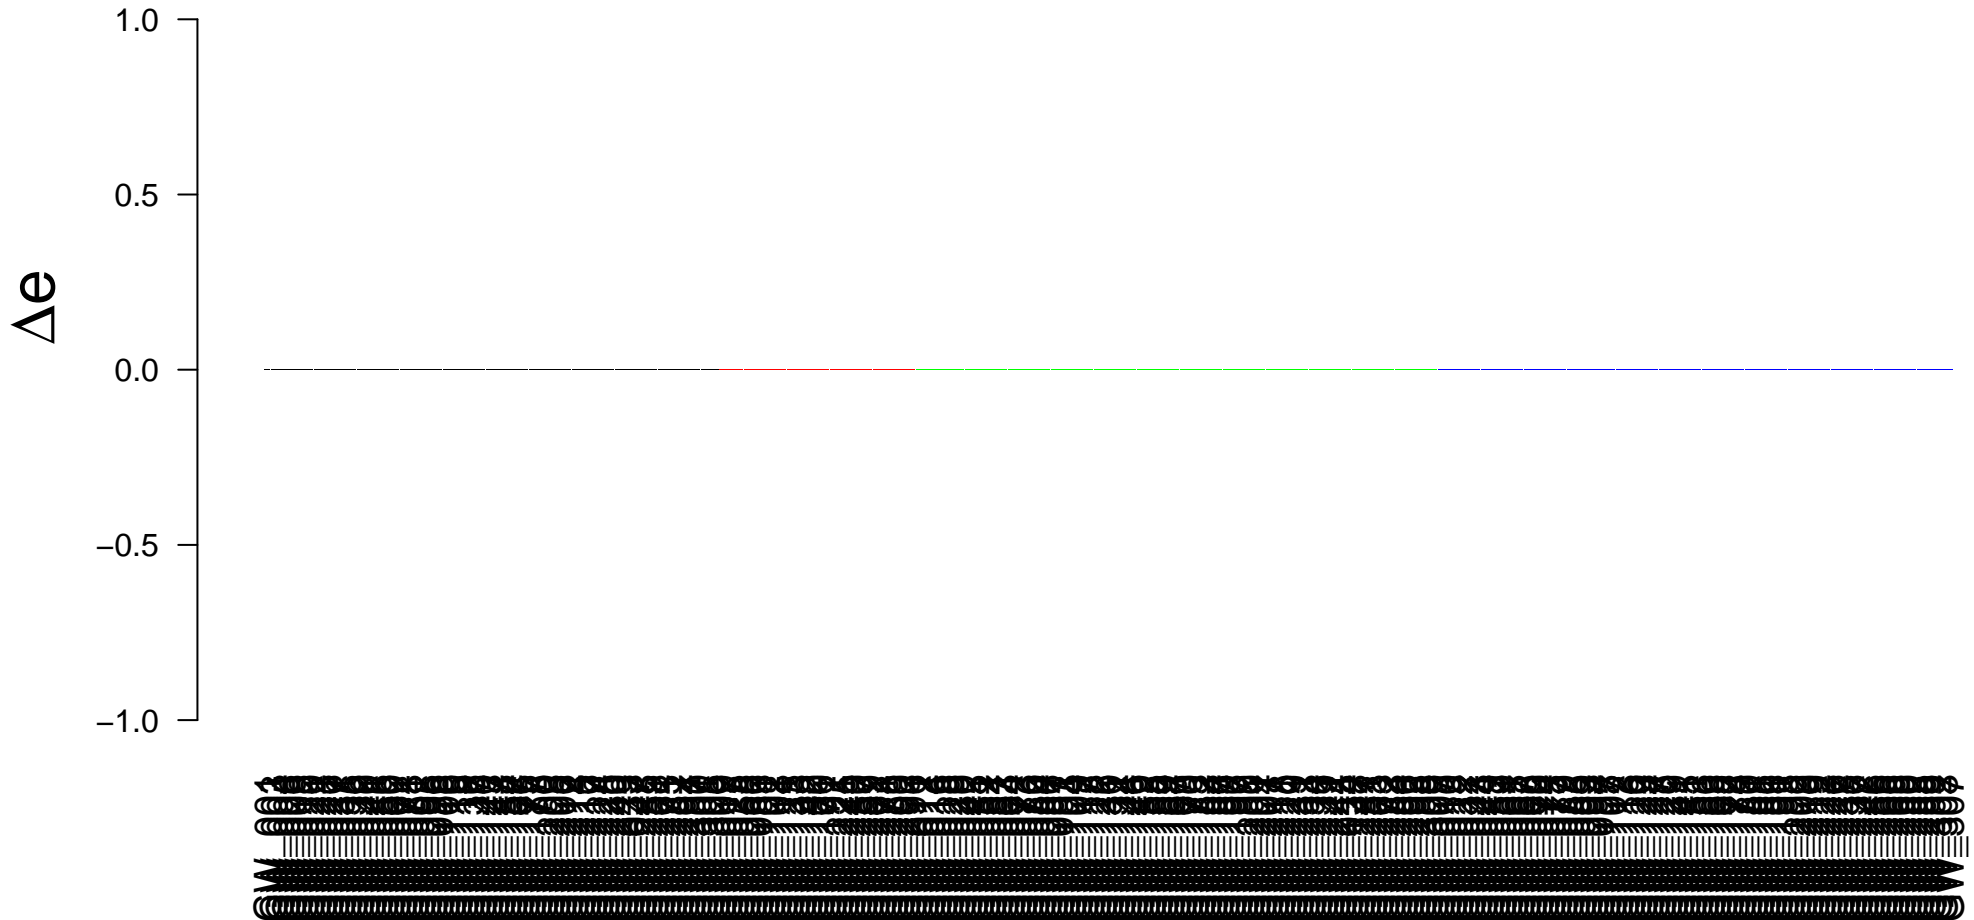

Expression of phosphatidate phosphatase activity in Spot C

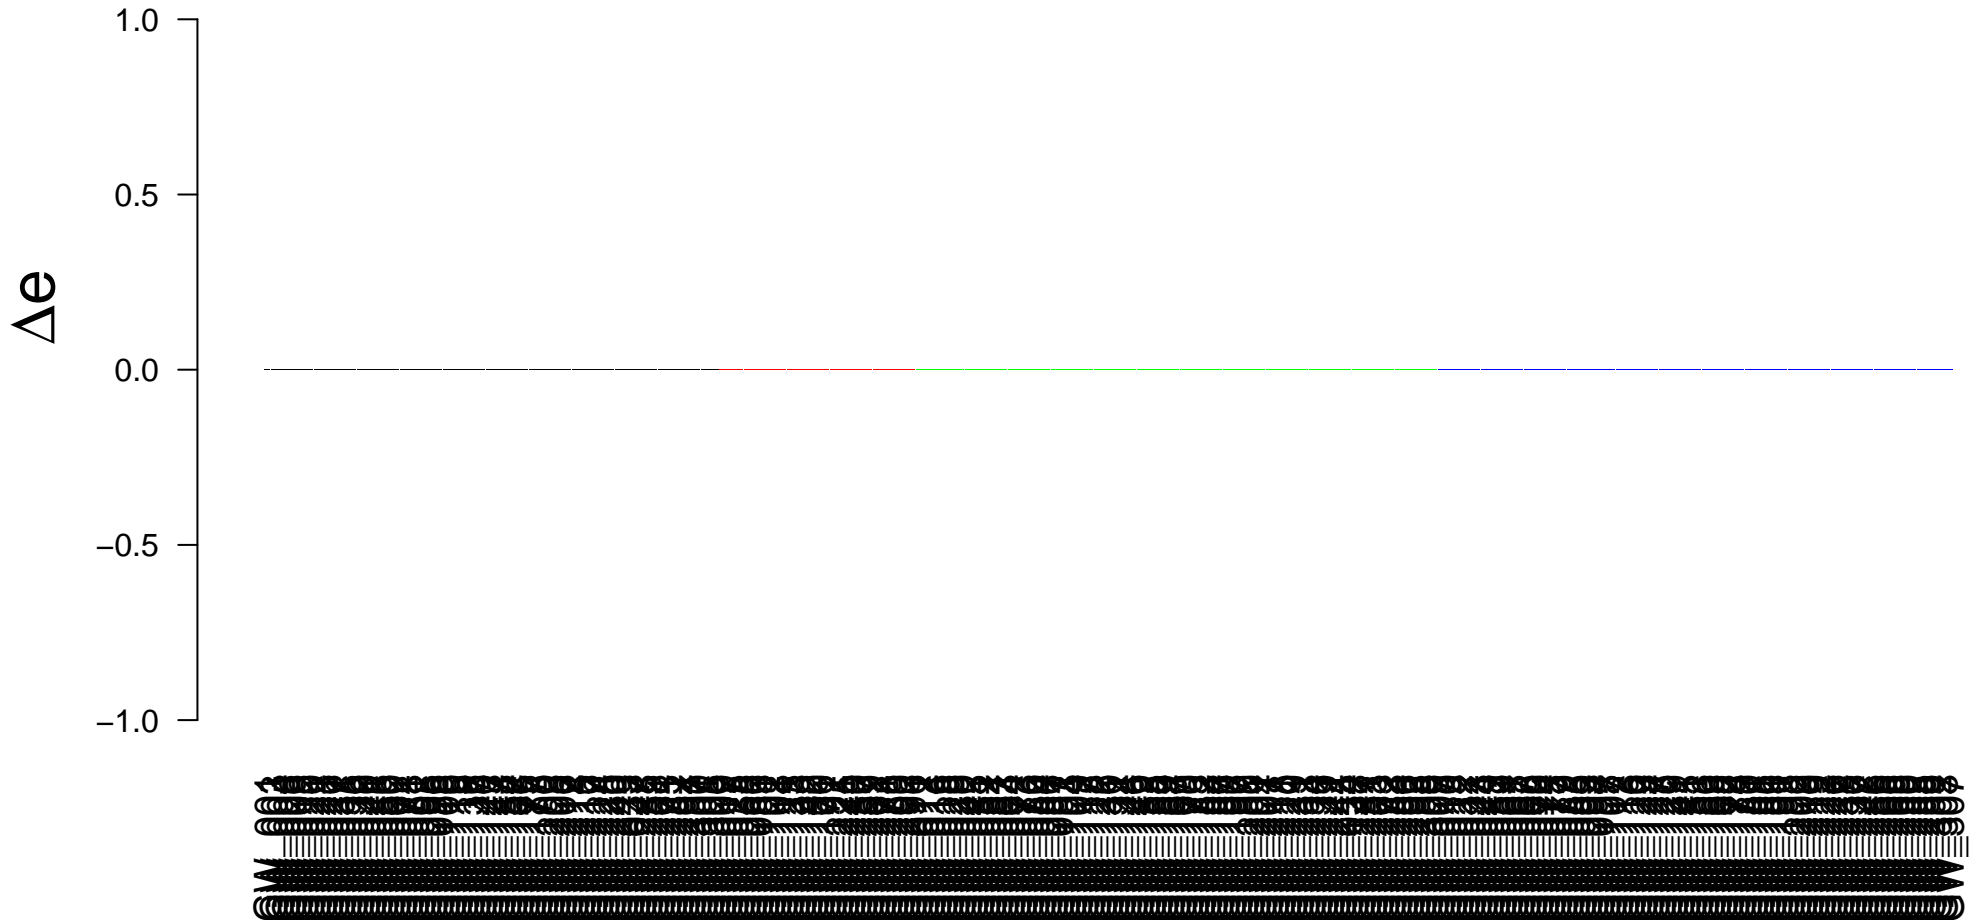

Expression of phosphatidate phosphatase activity in Spot D

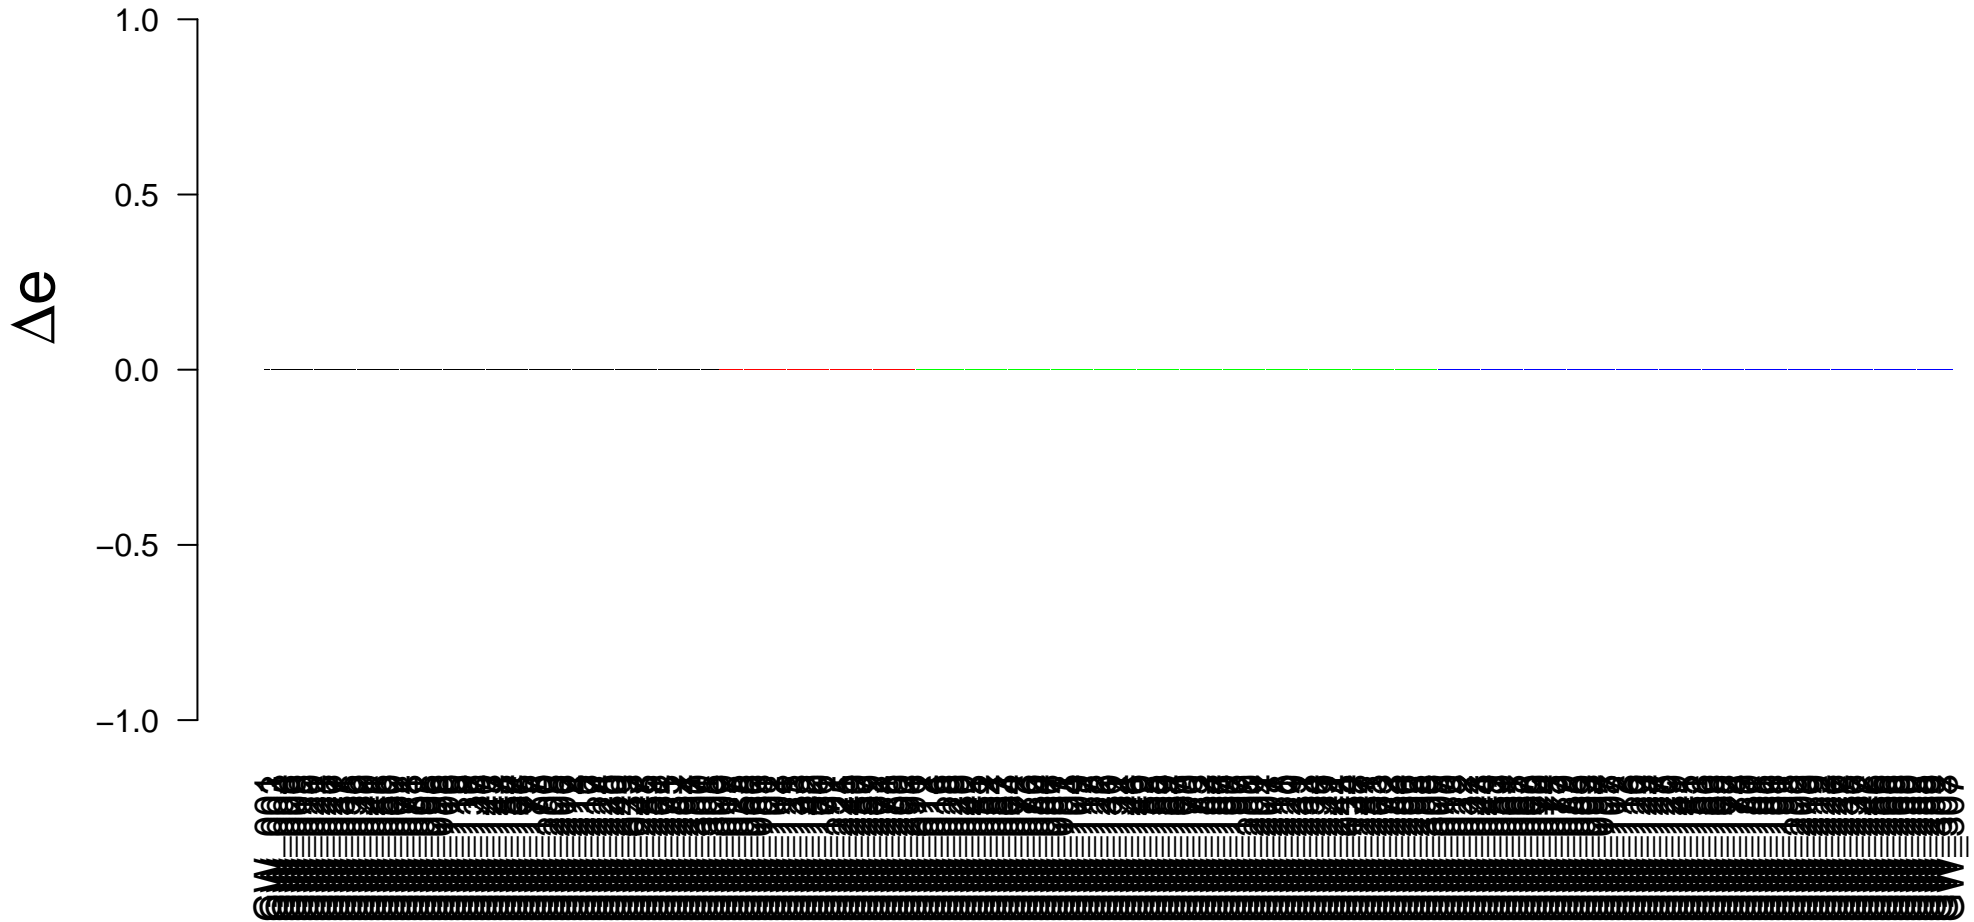

Expression of phosphatidate phosphatase activity in Spot E

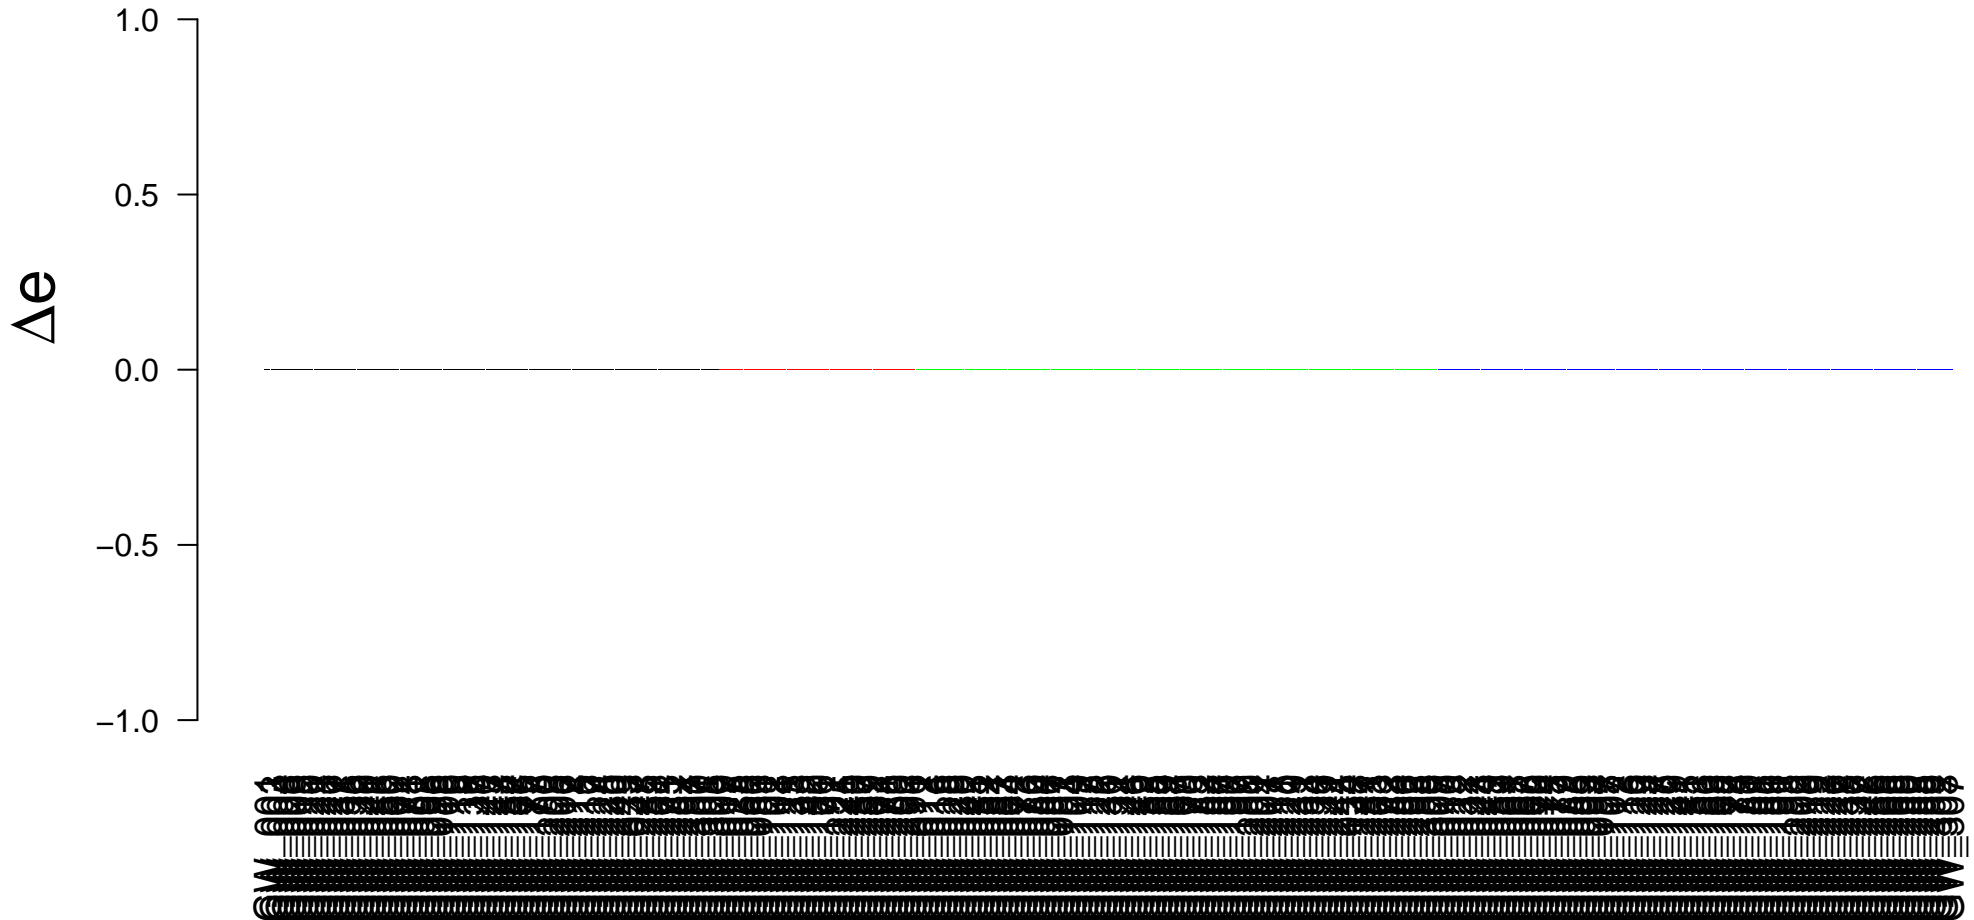

Expression of phosphatidate phosphatase activity in Spot F

Expression of phosphatidate phosphatase activity in Spot G

Expression of phosphatidate phosphatase activity in Spot H

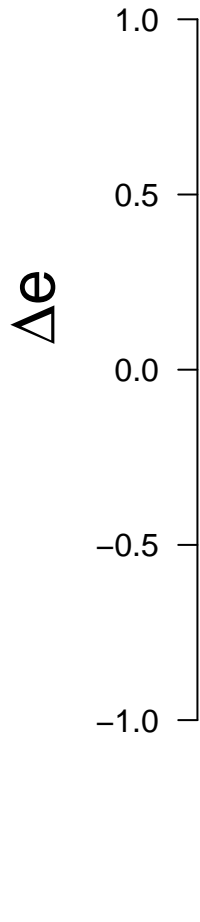

Expression of phosphatidate phosphatase activity in Spot I
