

phosphatidylcholine acyl-chain remodeling

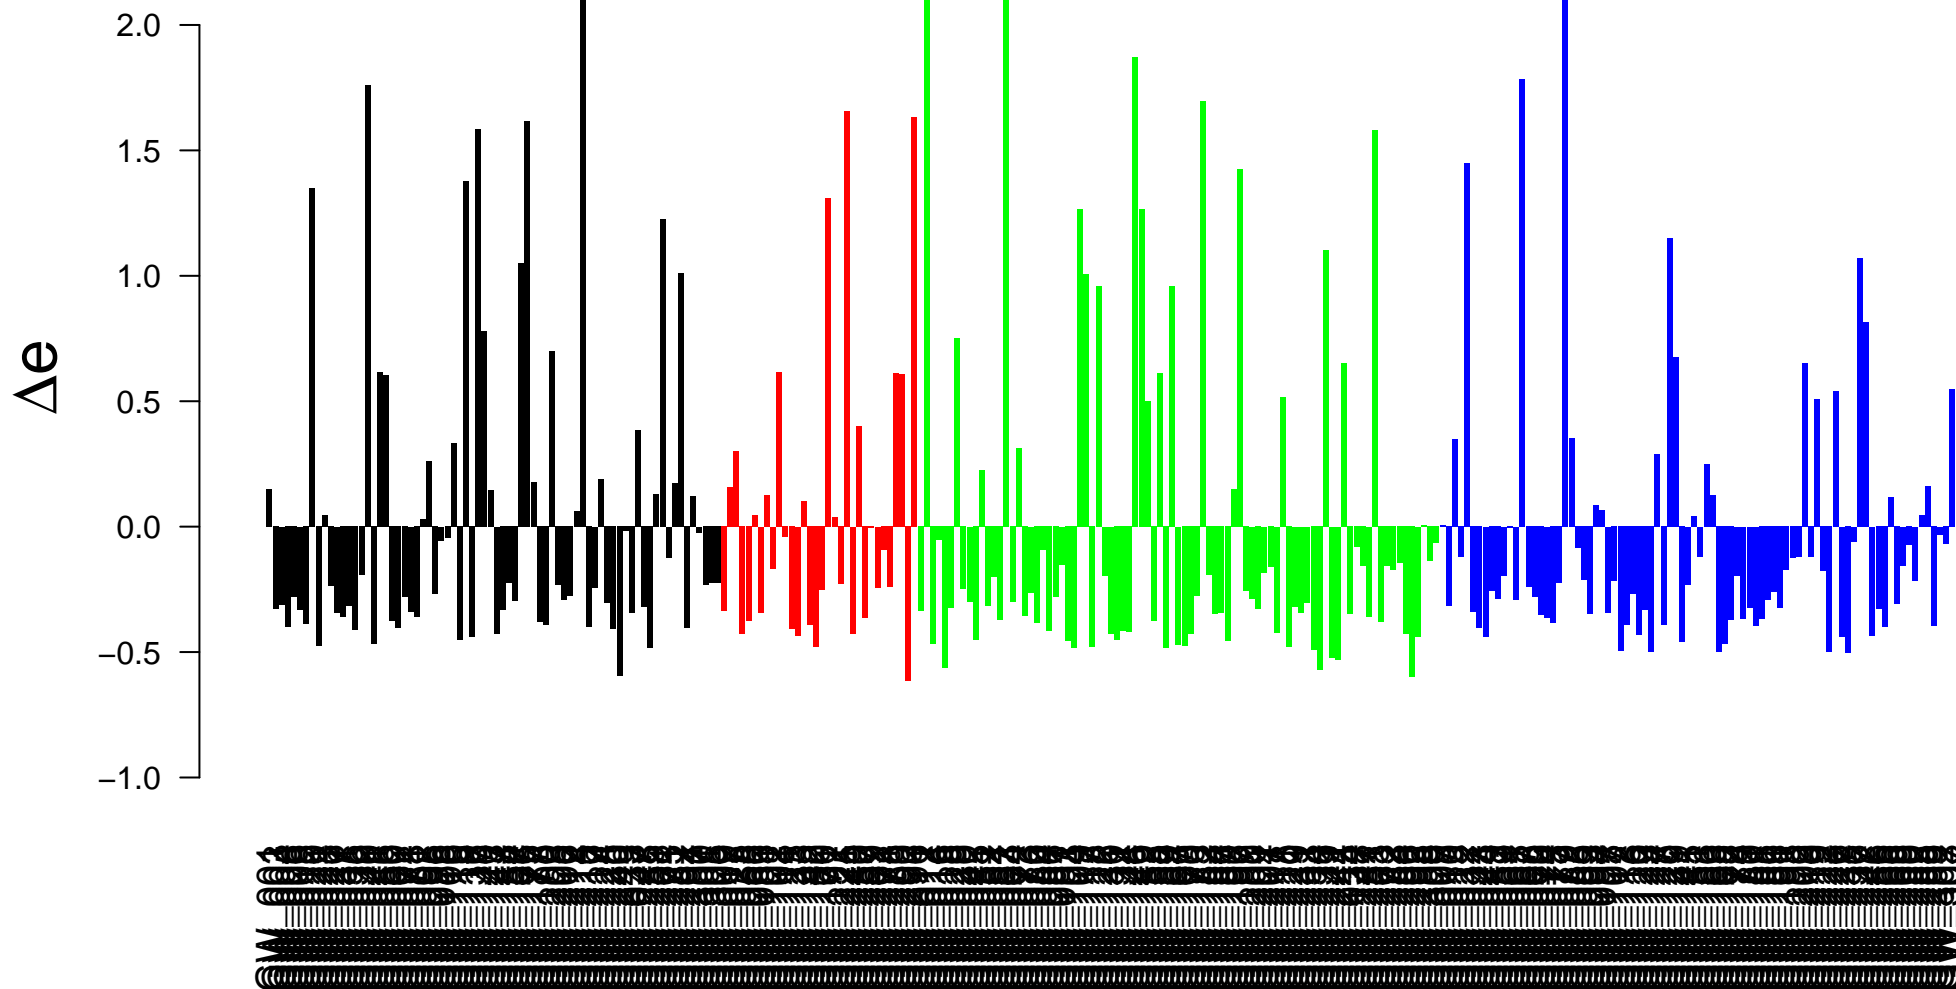

phosphatidylcholine acyl-chain remodeling

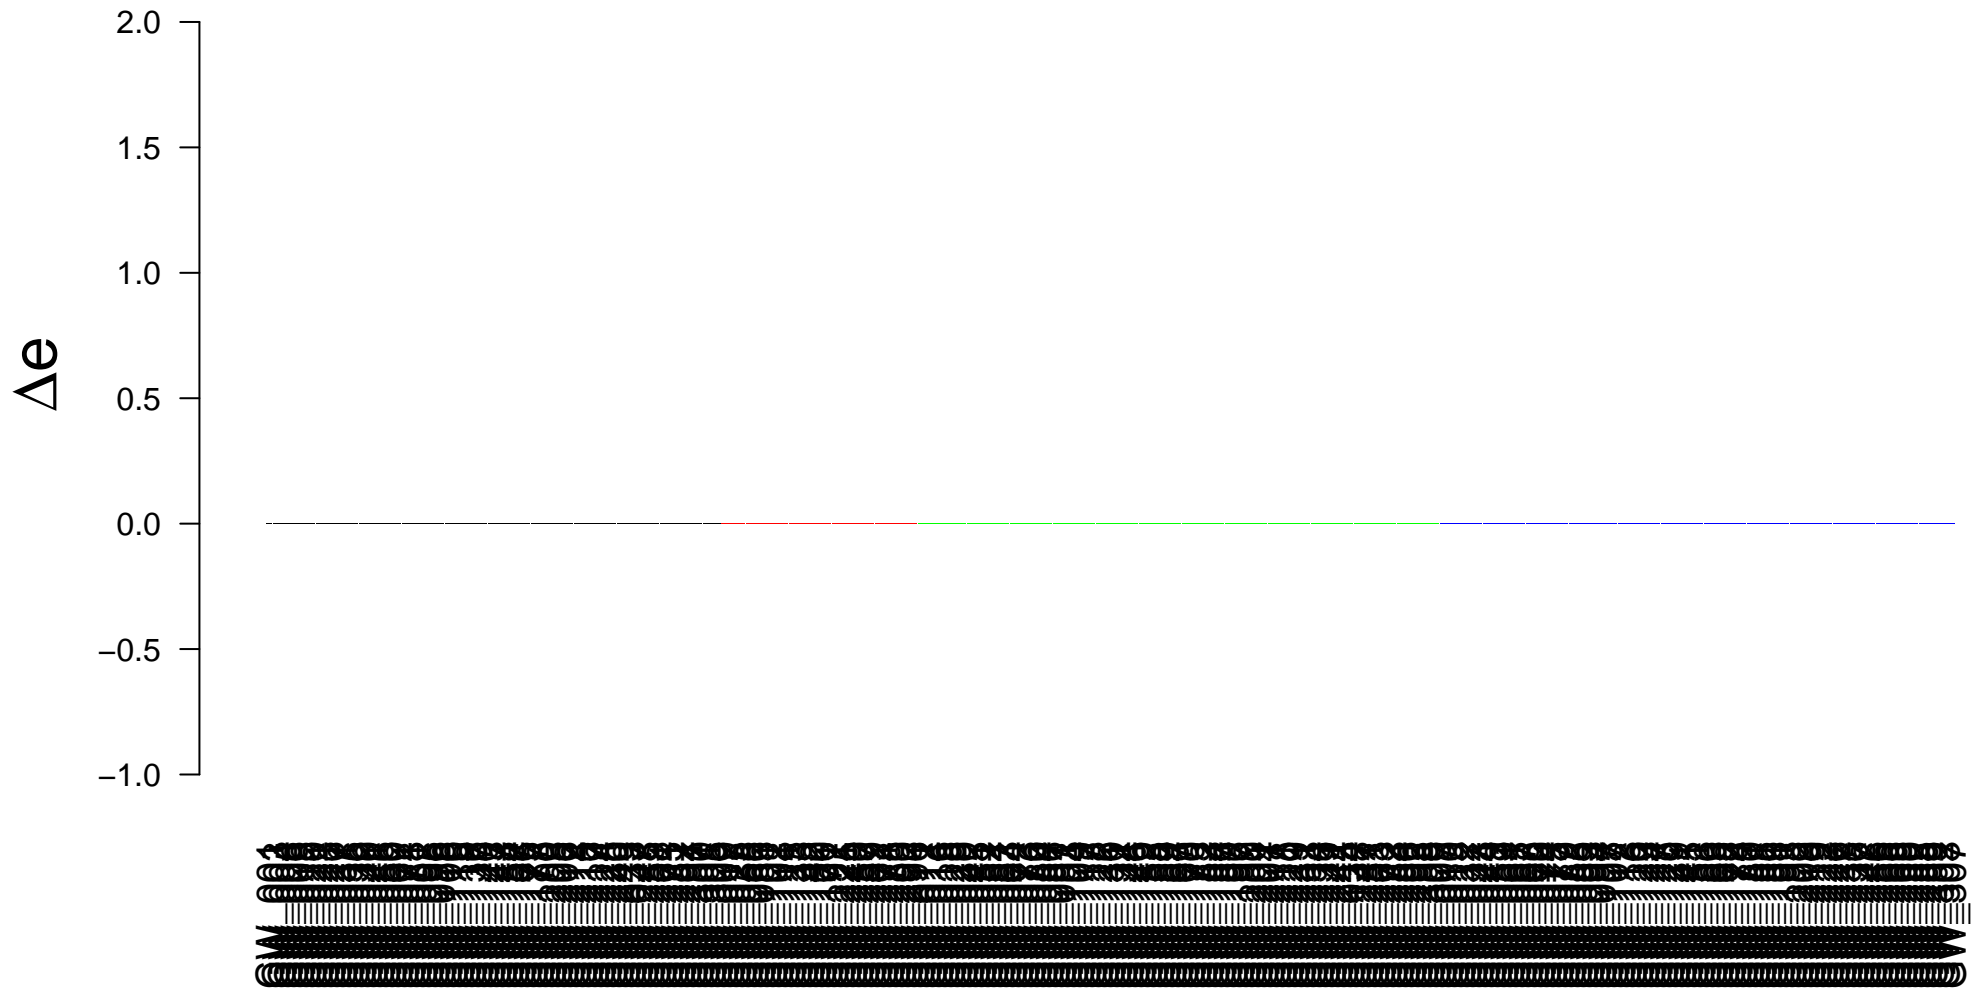

Enrichment in spots: phosphatidylcholine acyl-chain remodeling

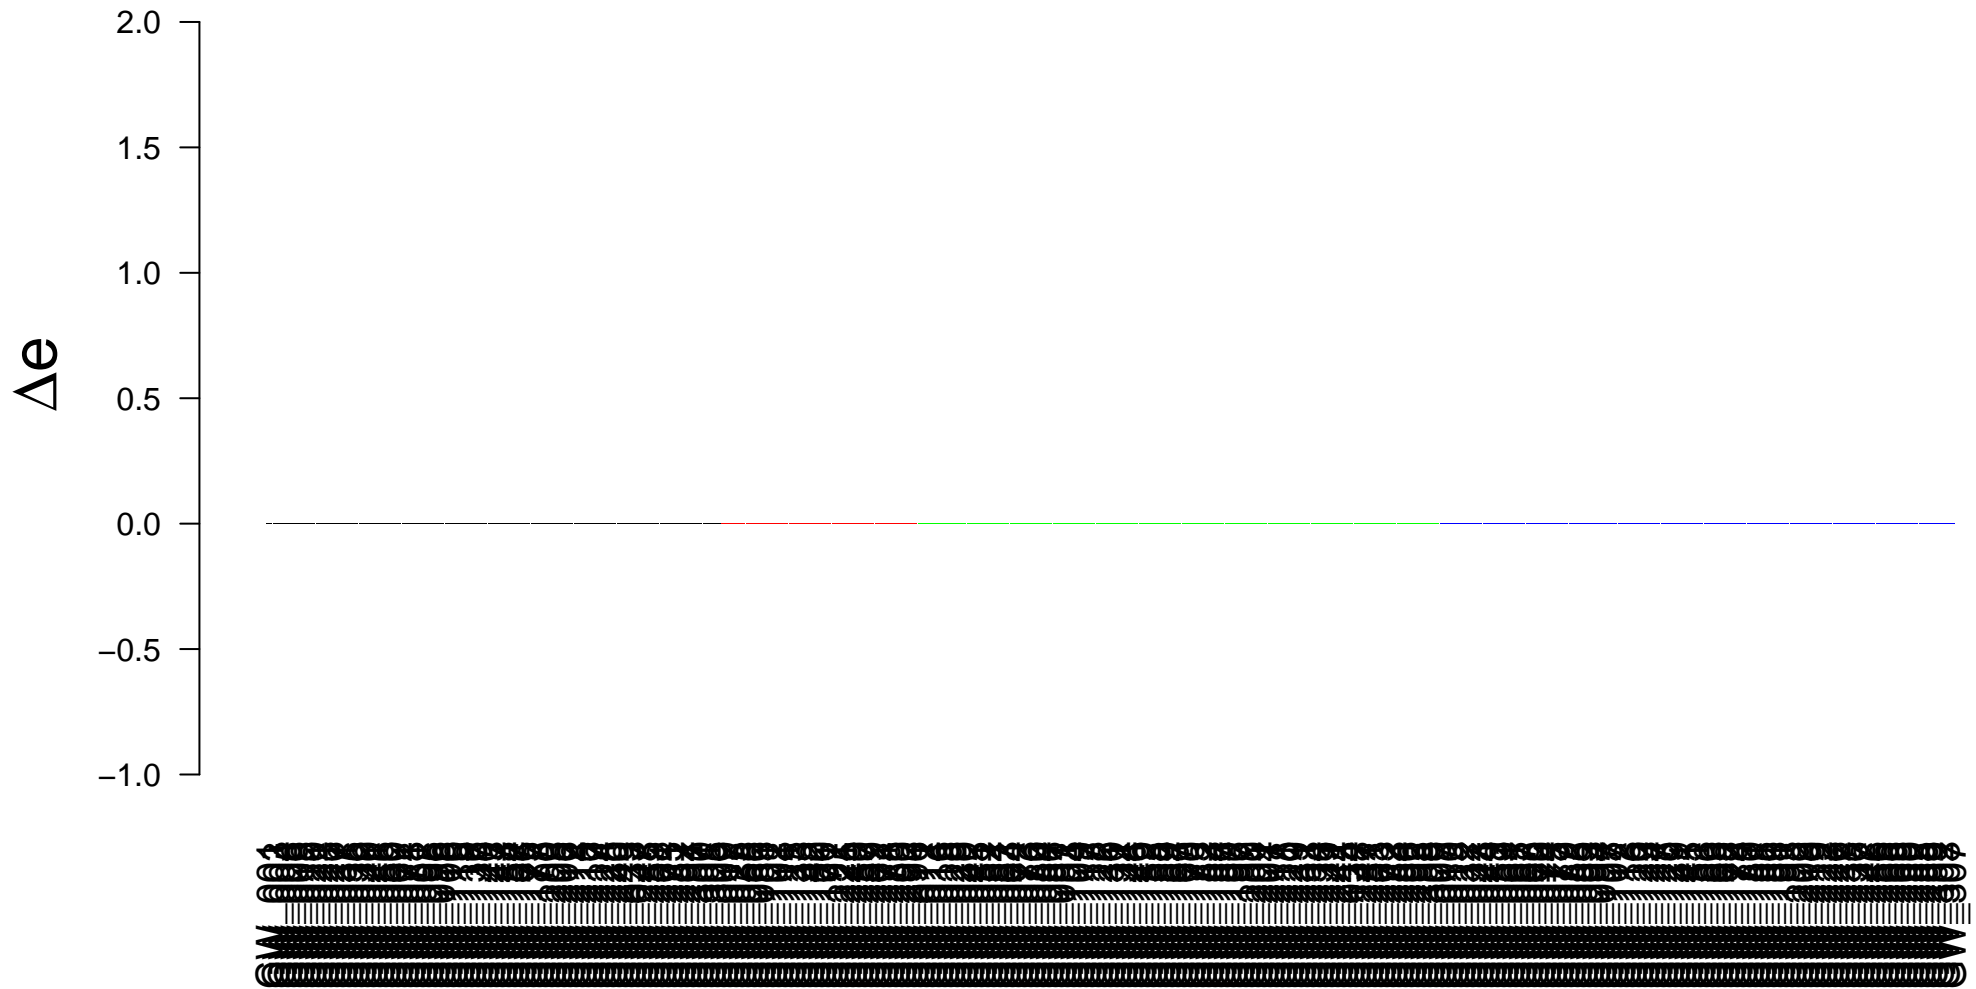

Expression of phosphatidylcholine acyl-chain remodeling in Spot A

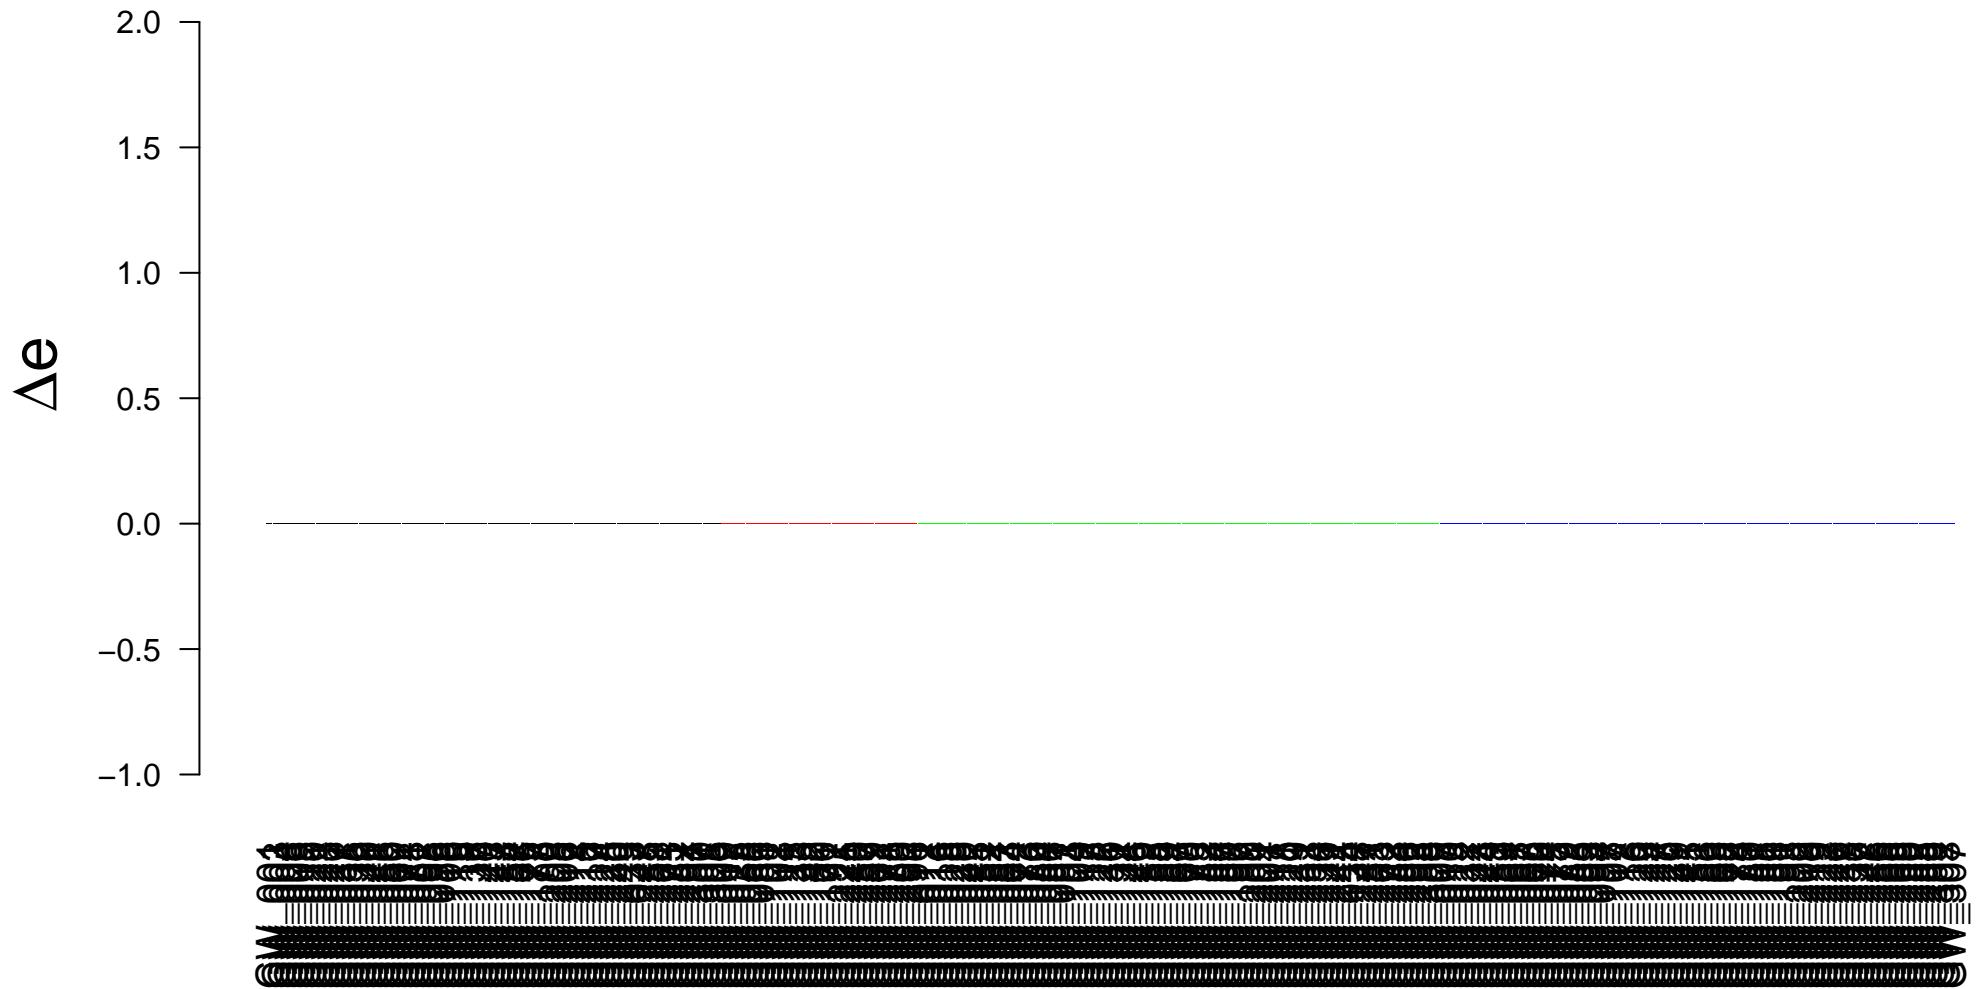

Expression of phosphatidylcholine acyl-chain remodeling in Spot B

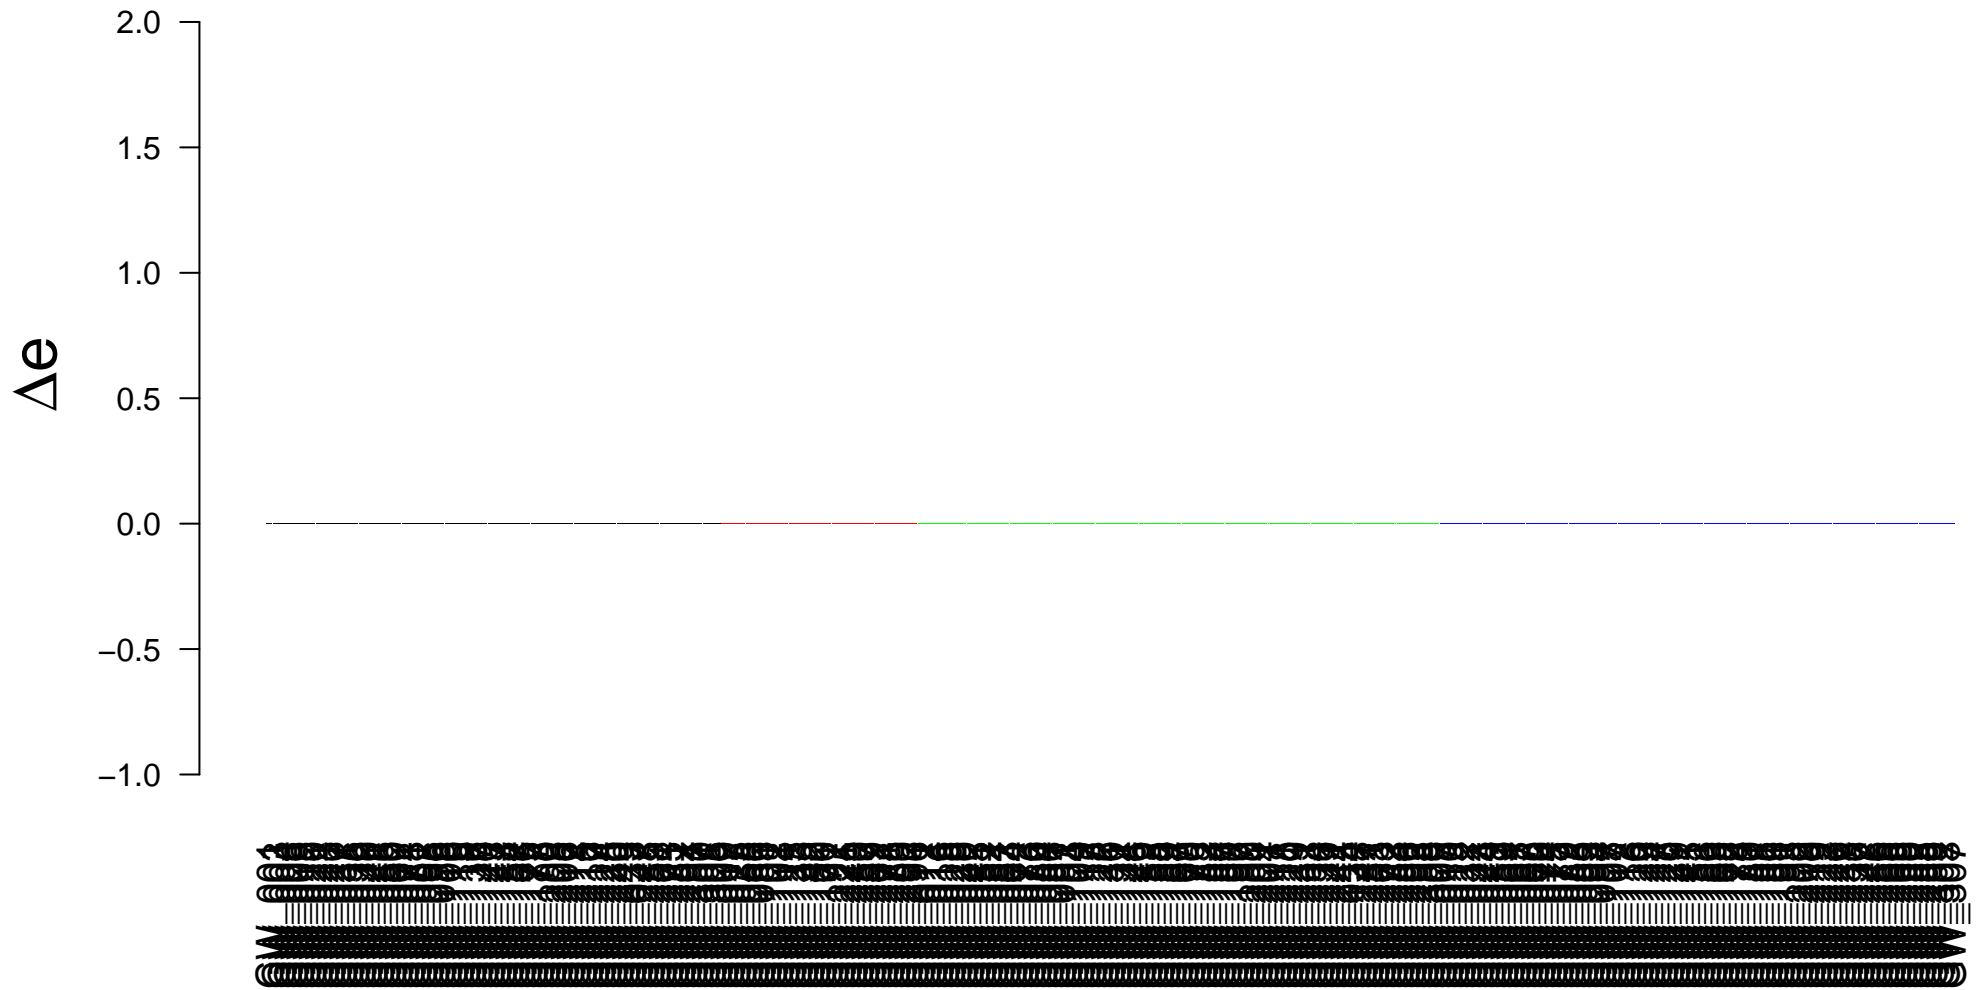

Expression of phosphatidylcholine acyl-chain remodeling in Spot C

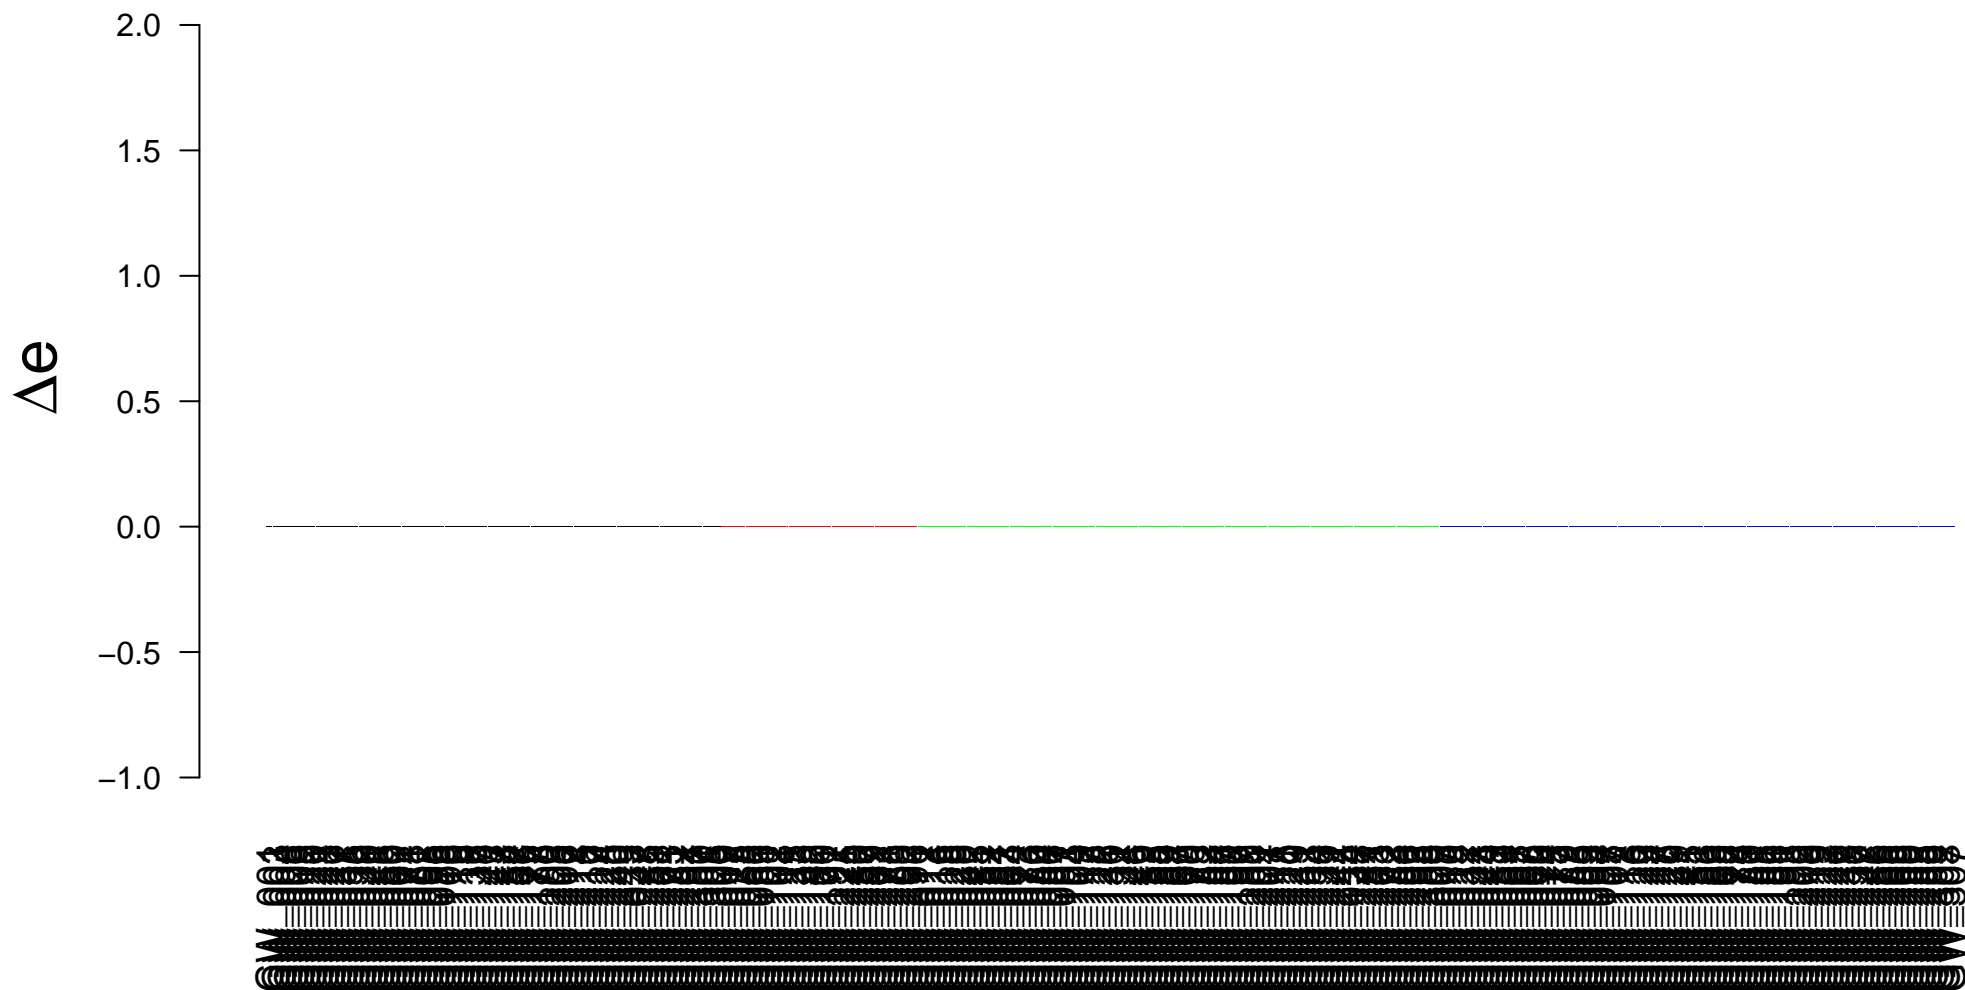

Expression of phosphatidylcholine acyl-chain remodeling in Spot D

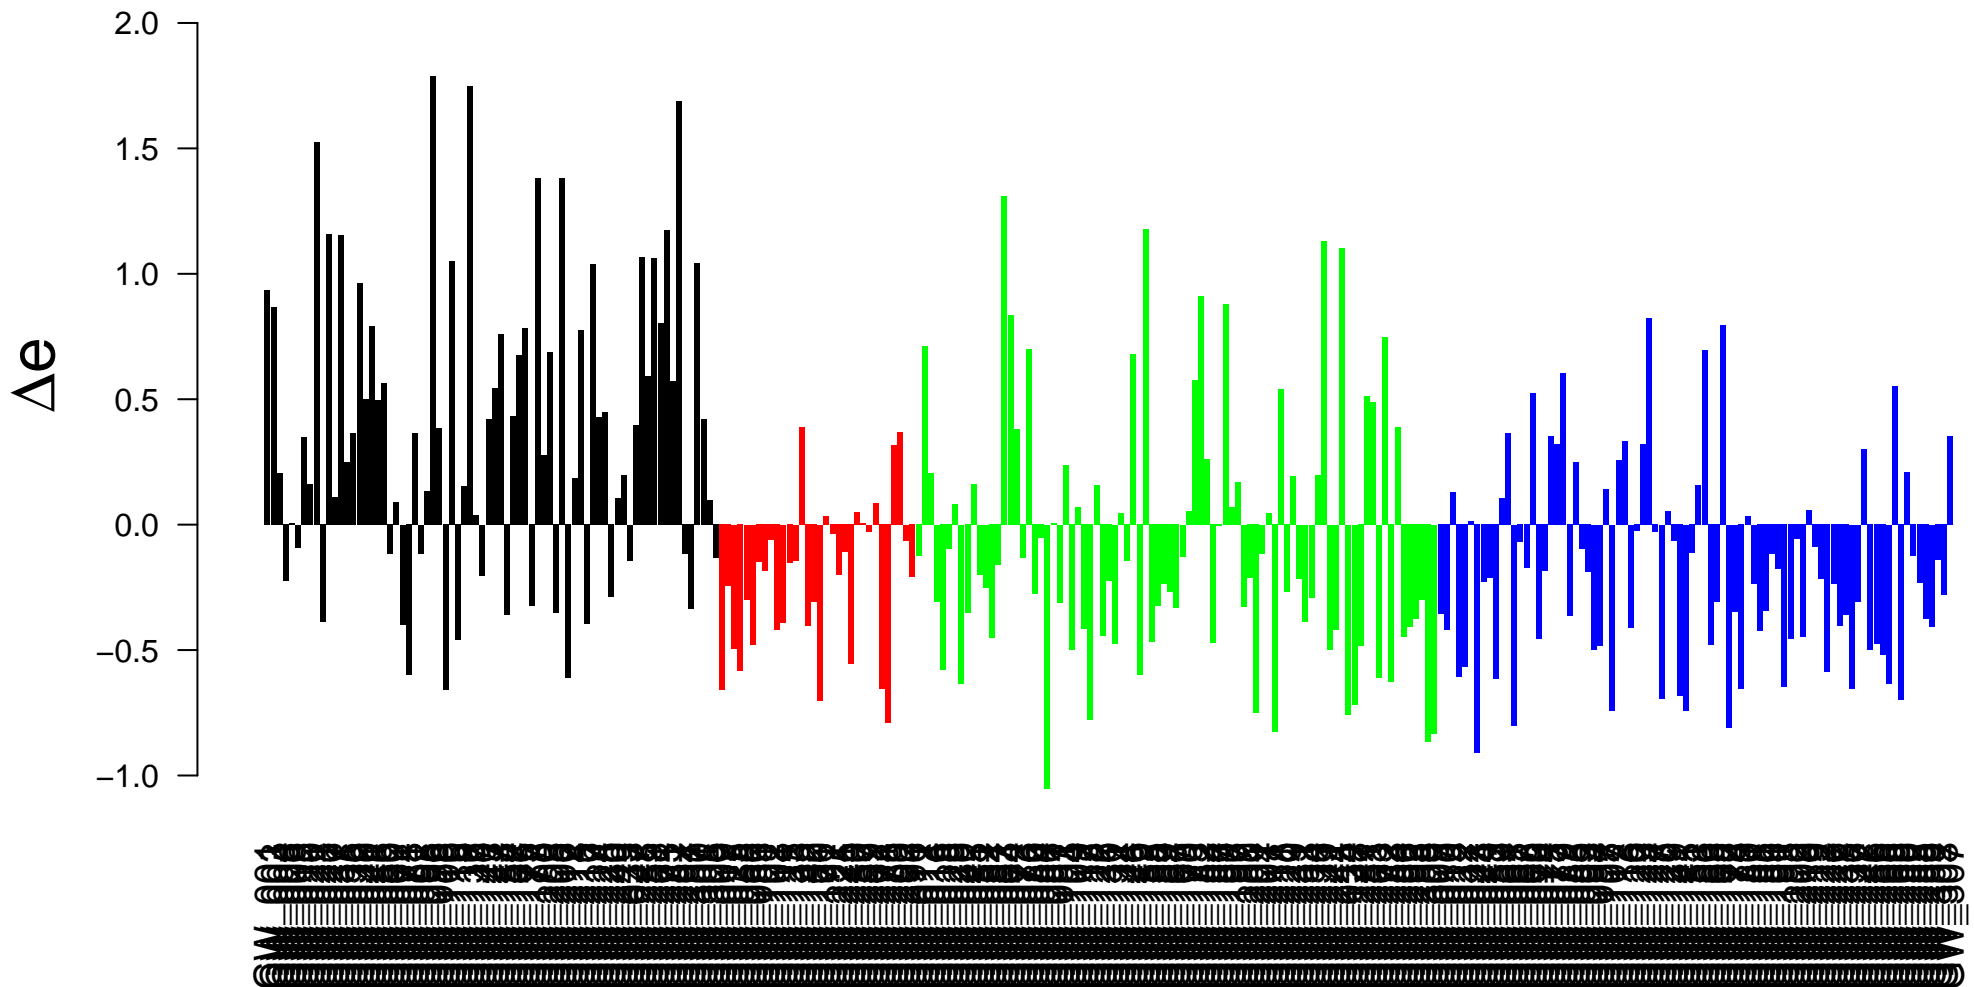

Expression of phosphatidylcholine acyl-chain remodeling in Spot E

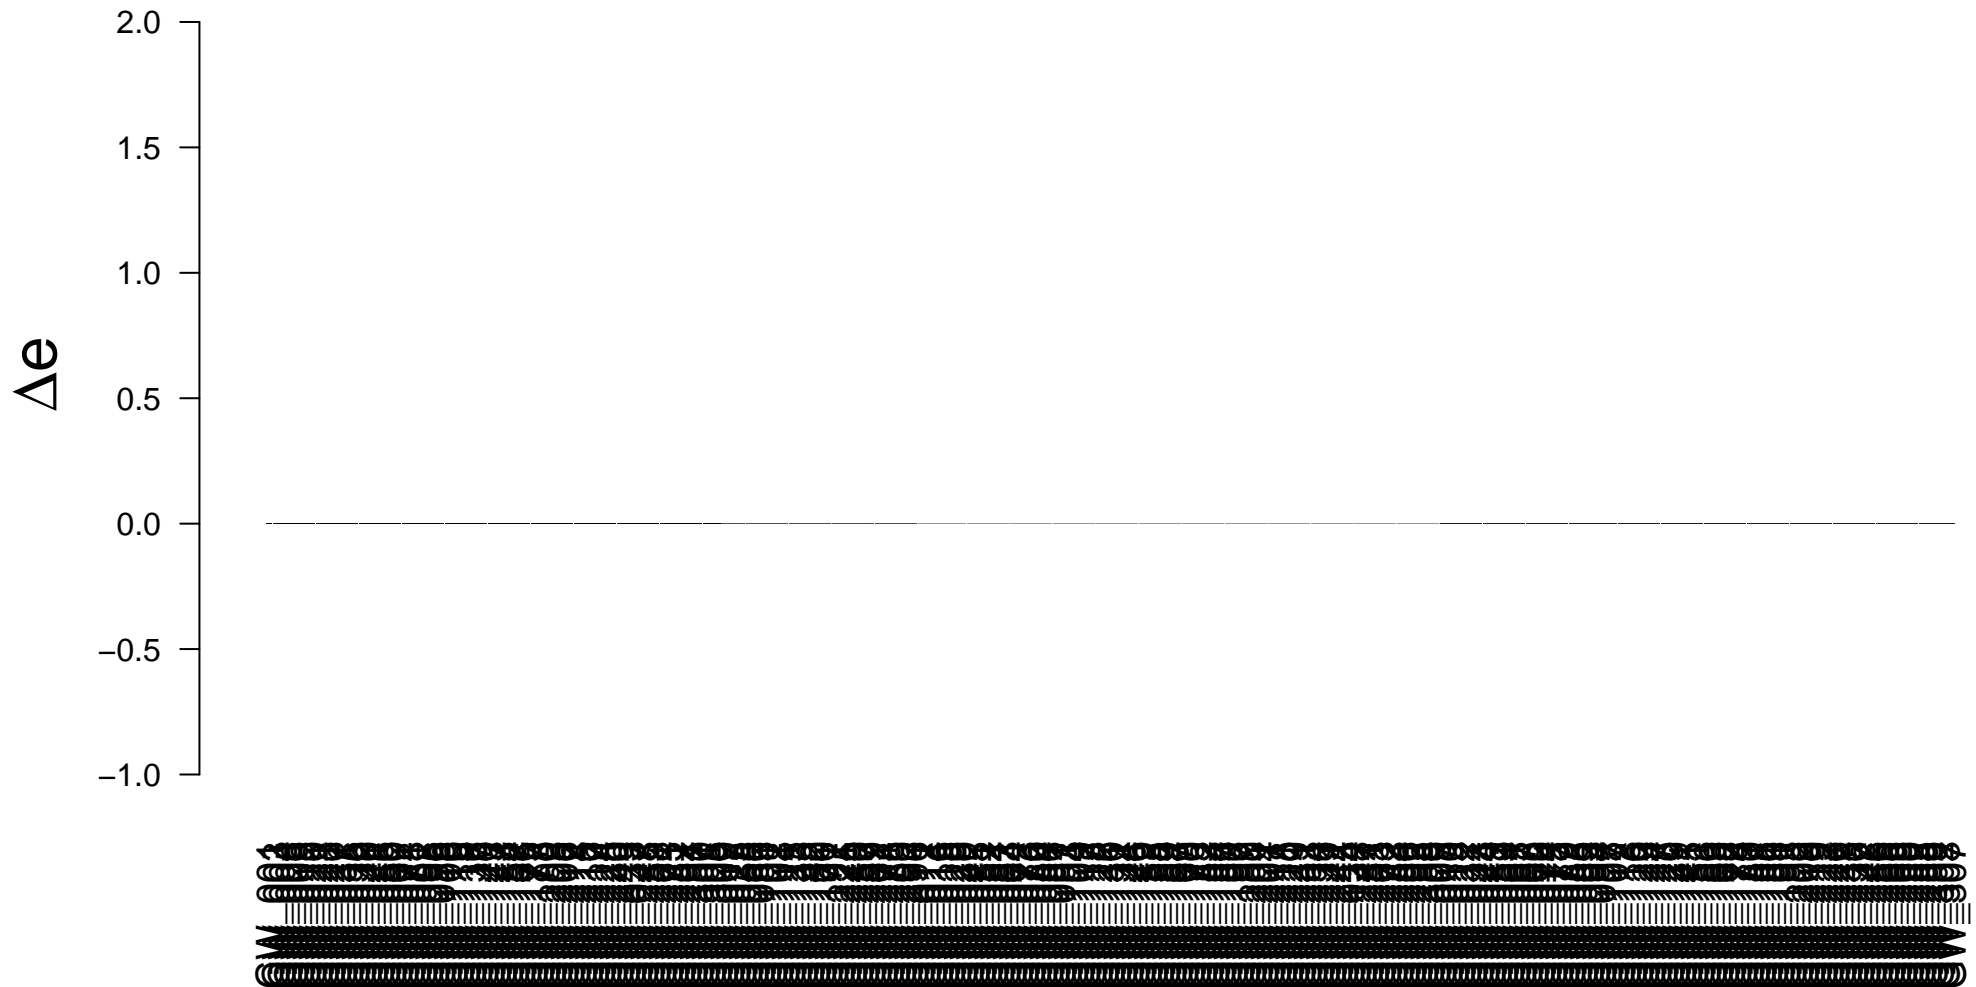

Expression of phosphatidylcholine acyl-chain remodeling in Spot F

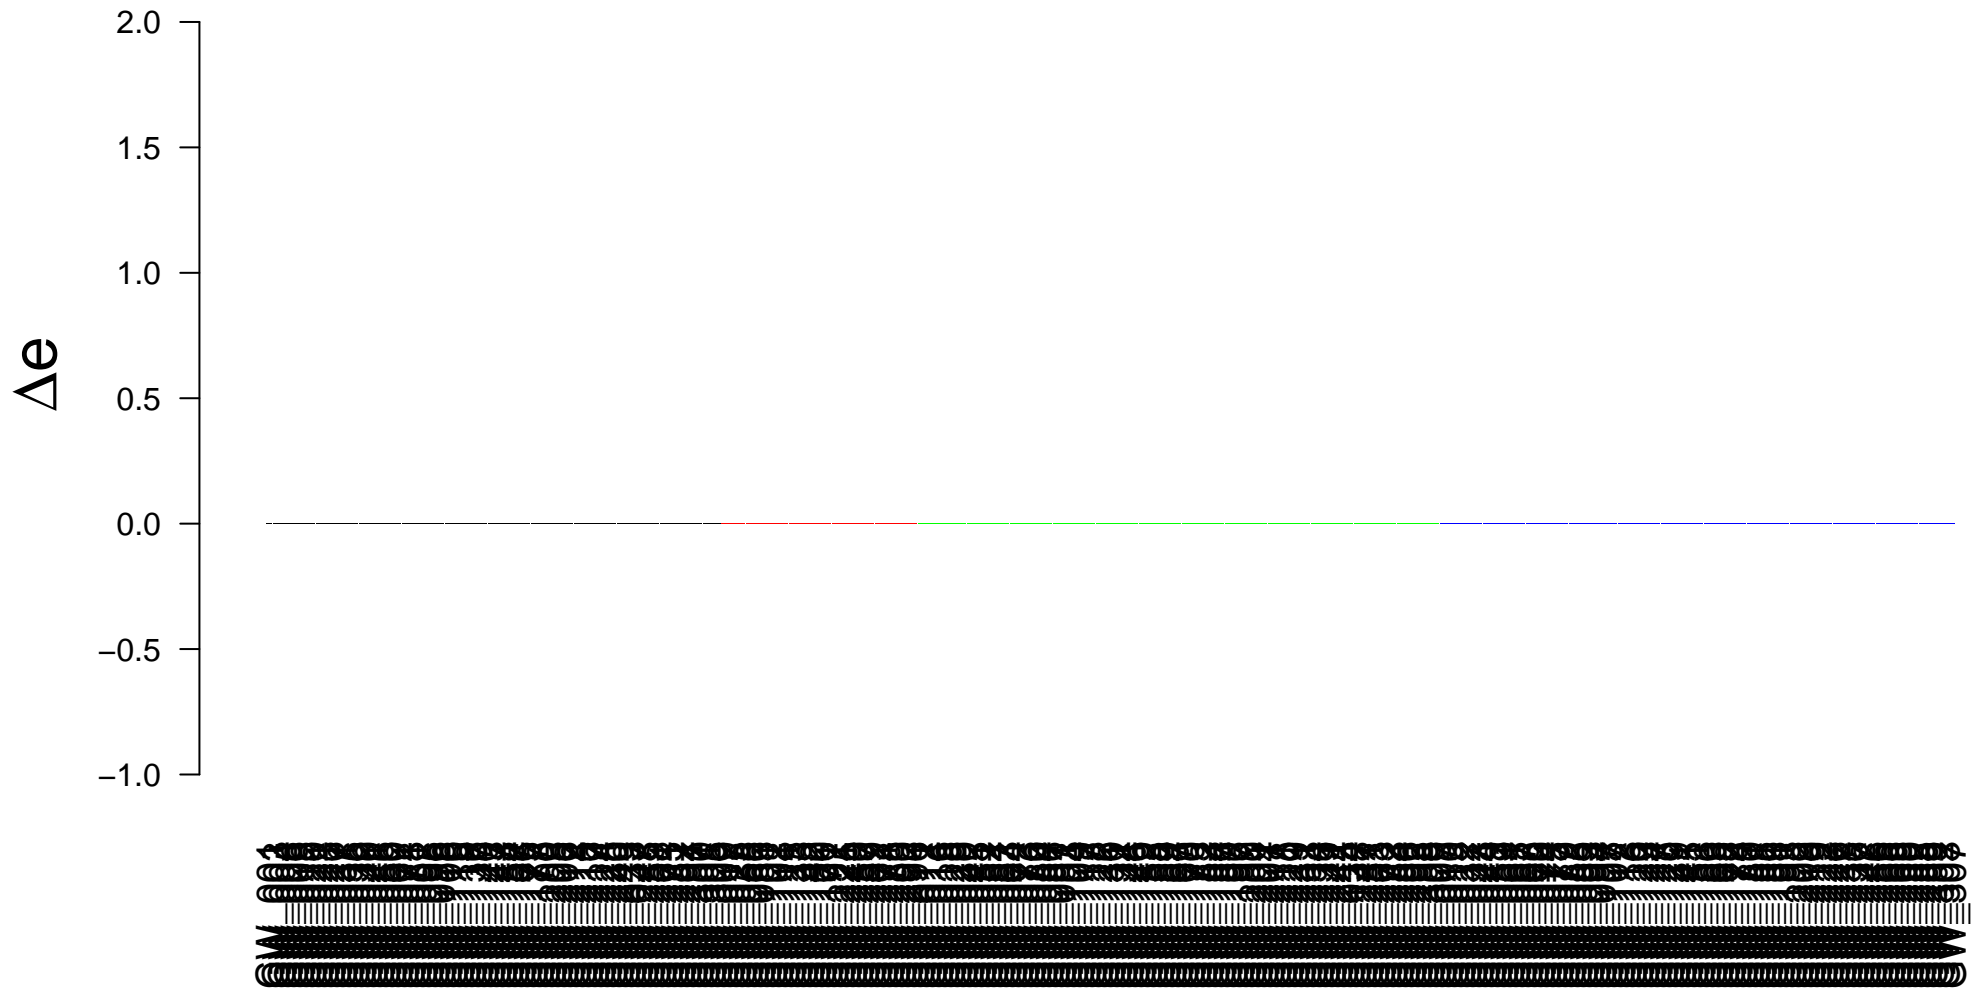

Expression of phosphatidylcholine acyl-chain remodeling in Spot G

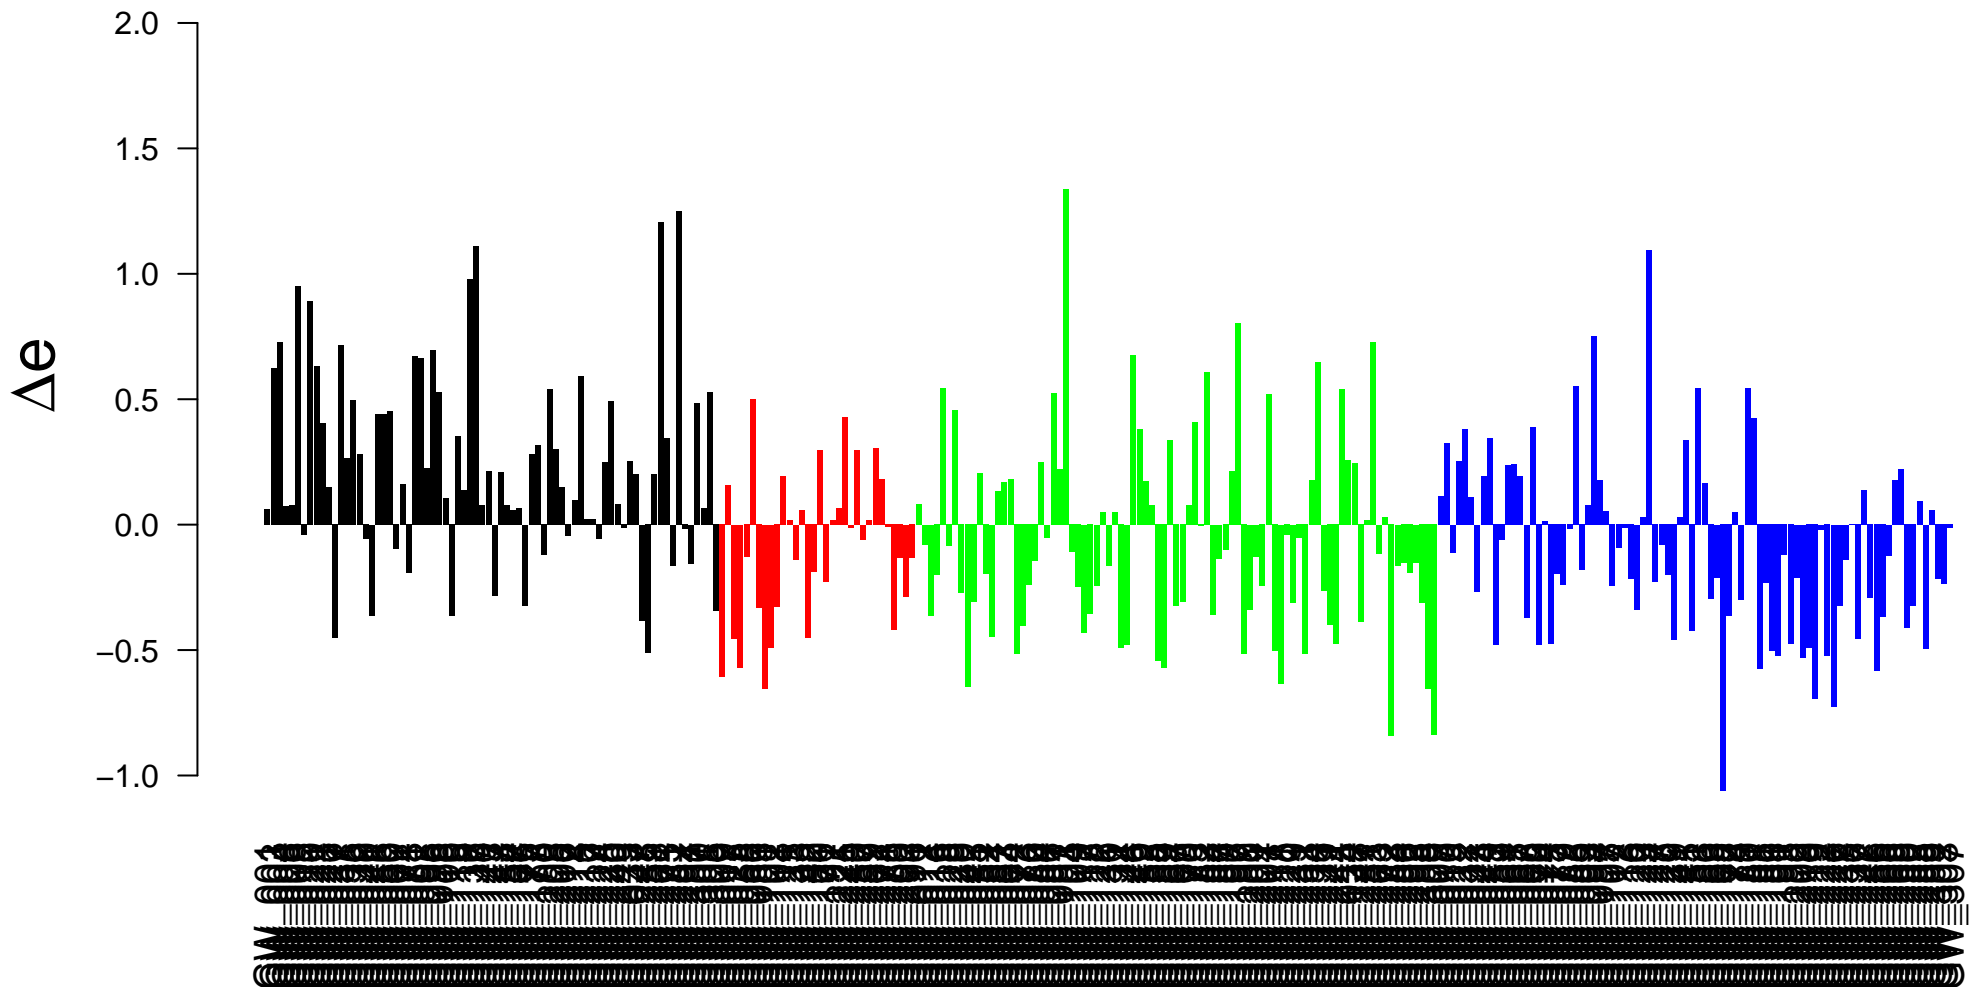

Expression of phosphatidylcholine acyl-chain remodeling in Spot H

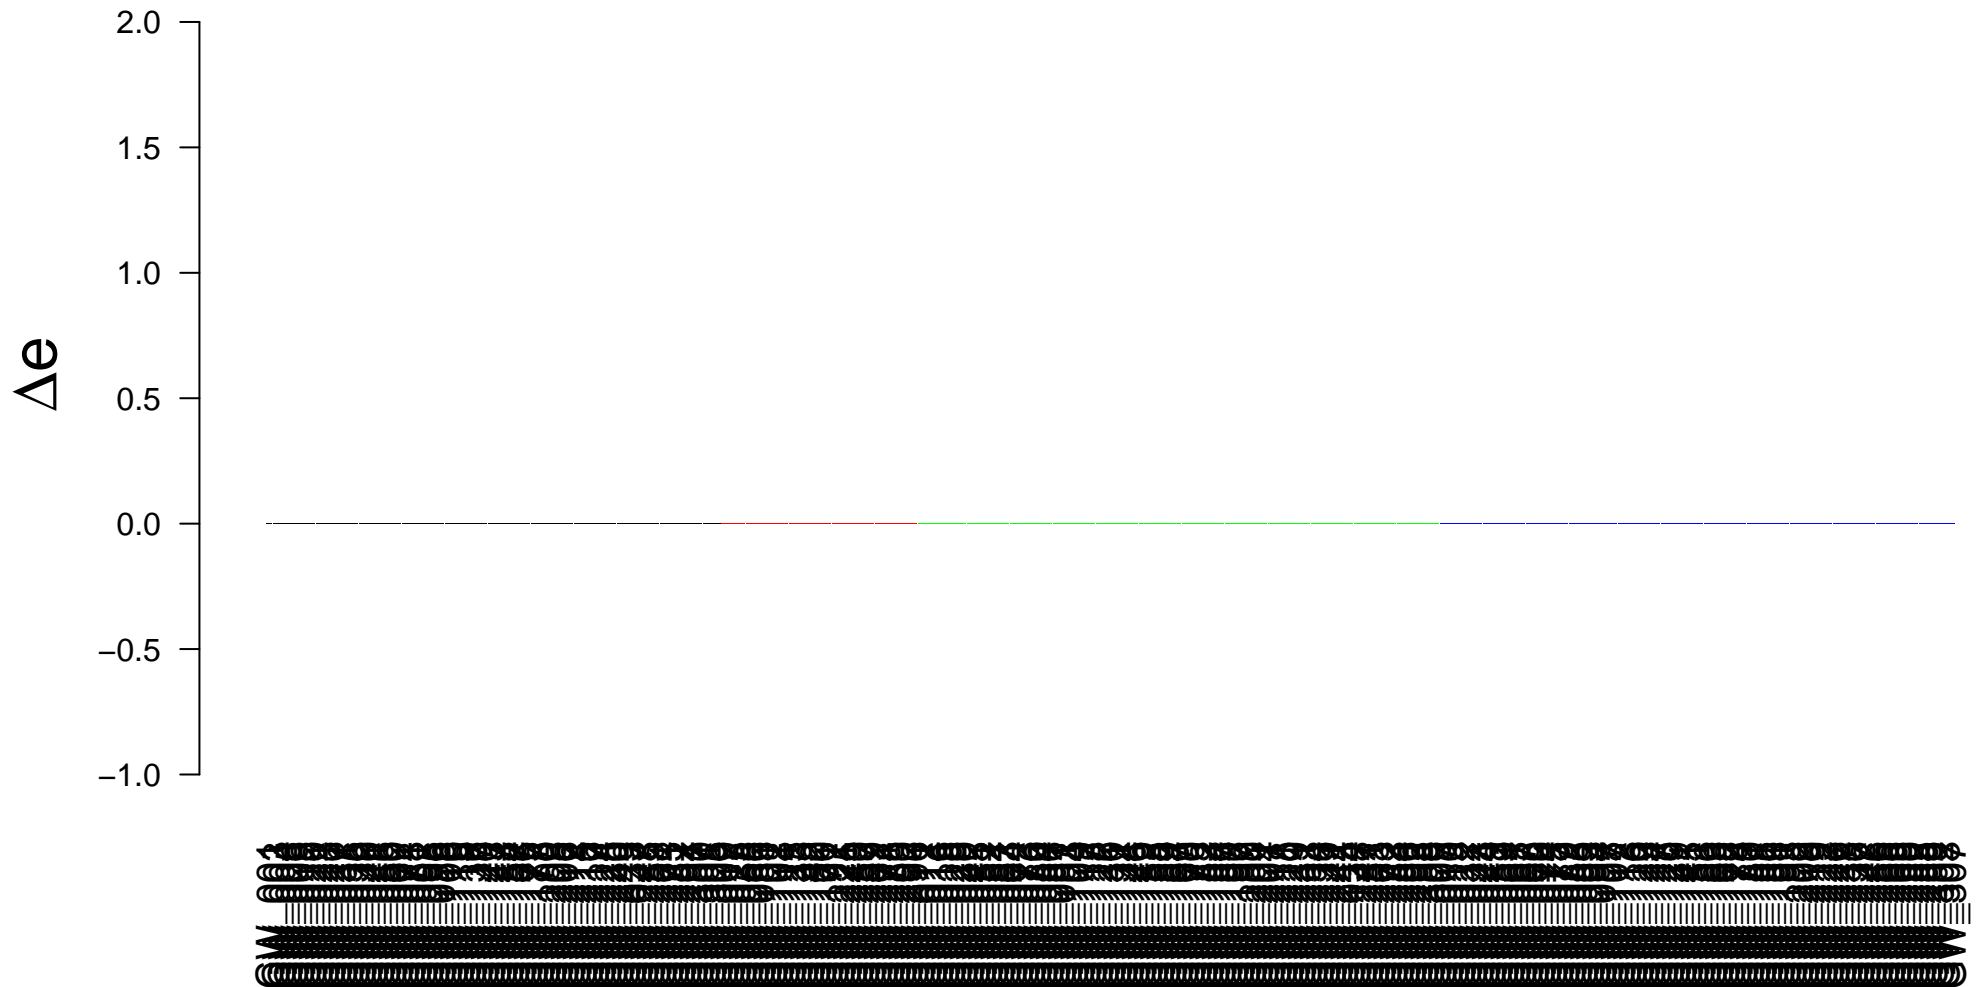

Expression of phosphatidylcholine acyl-chain remodeling in Spot I

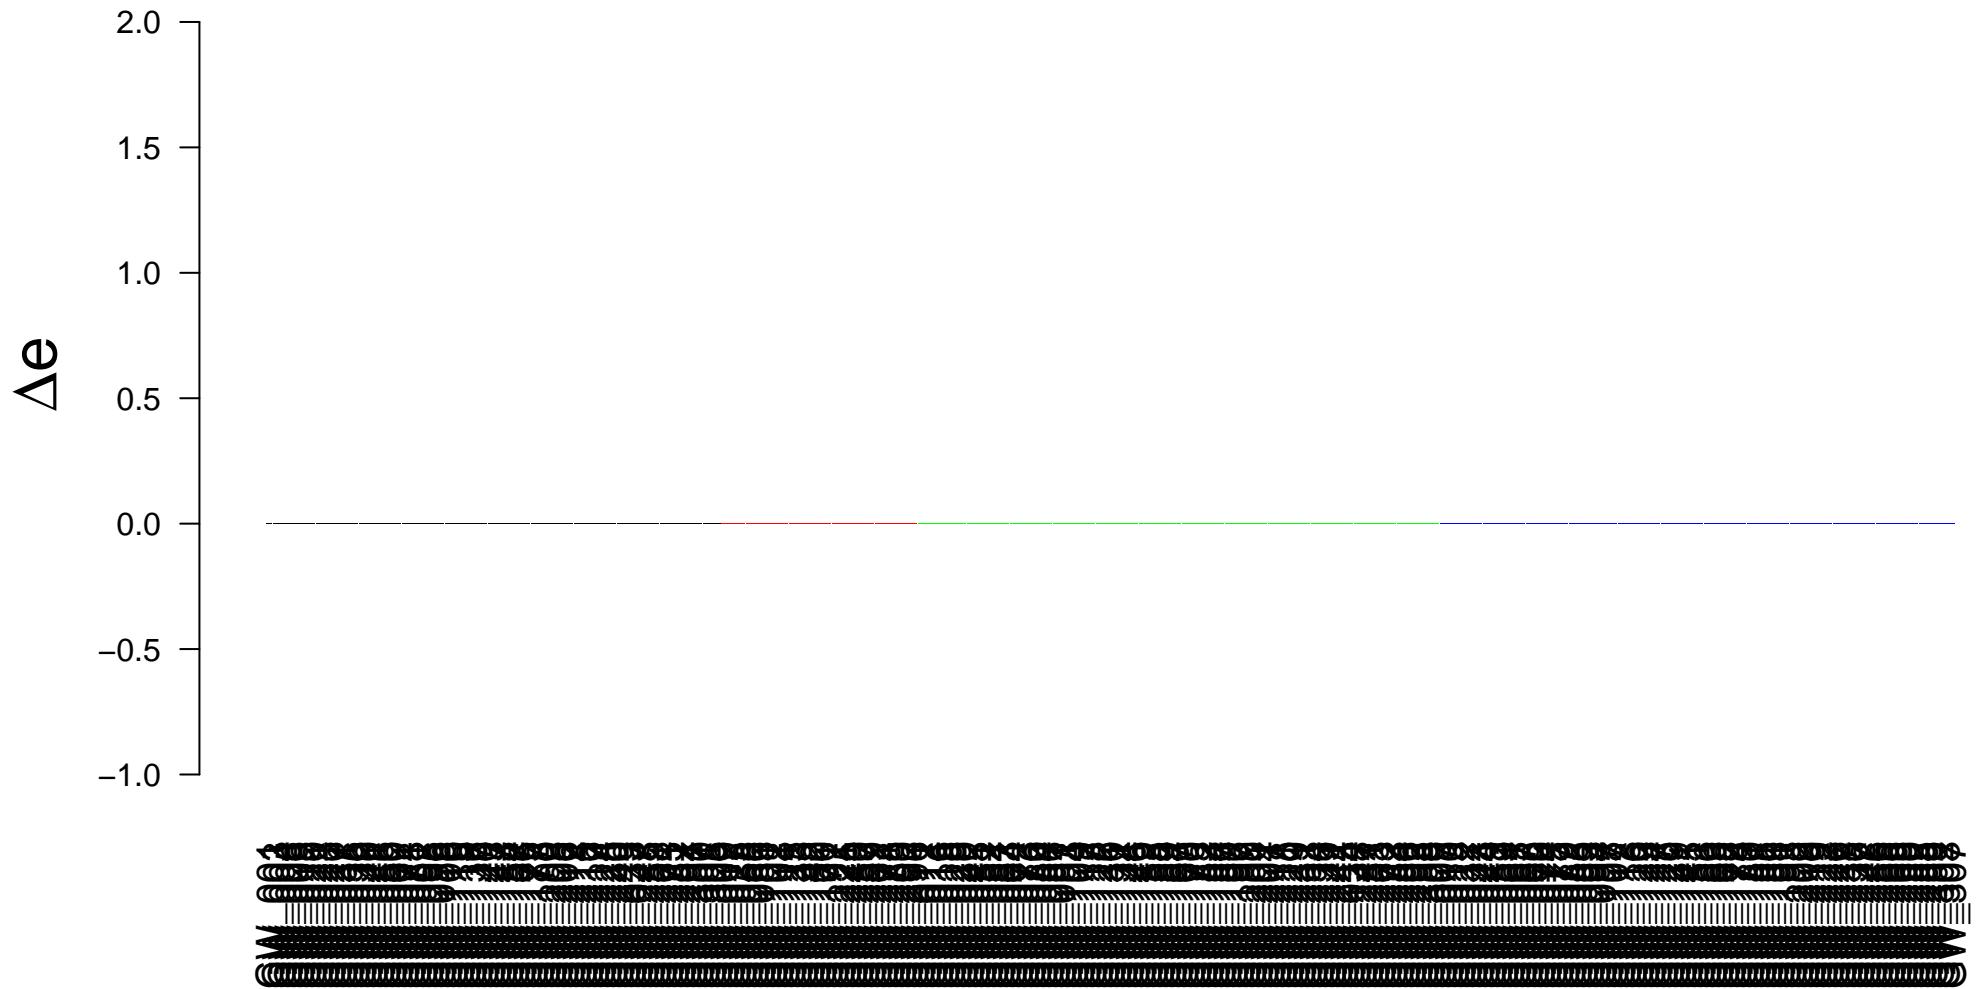

Expression of phosphatidylcholine acyl-chain remodeling in Spot J

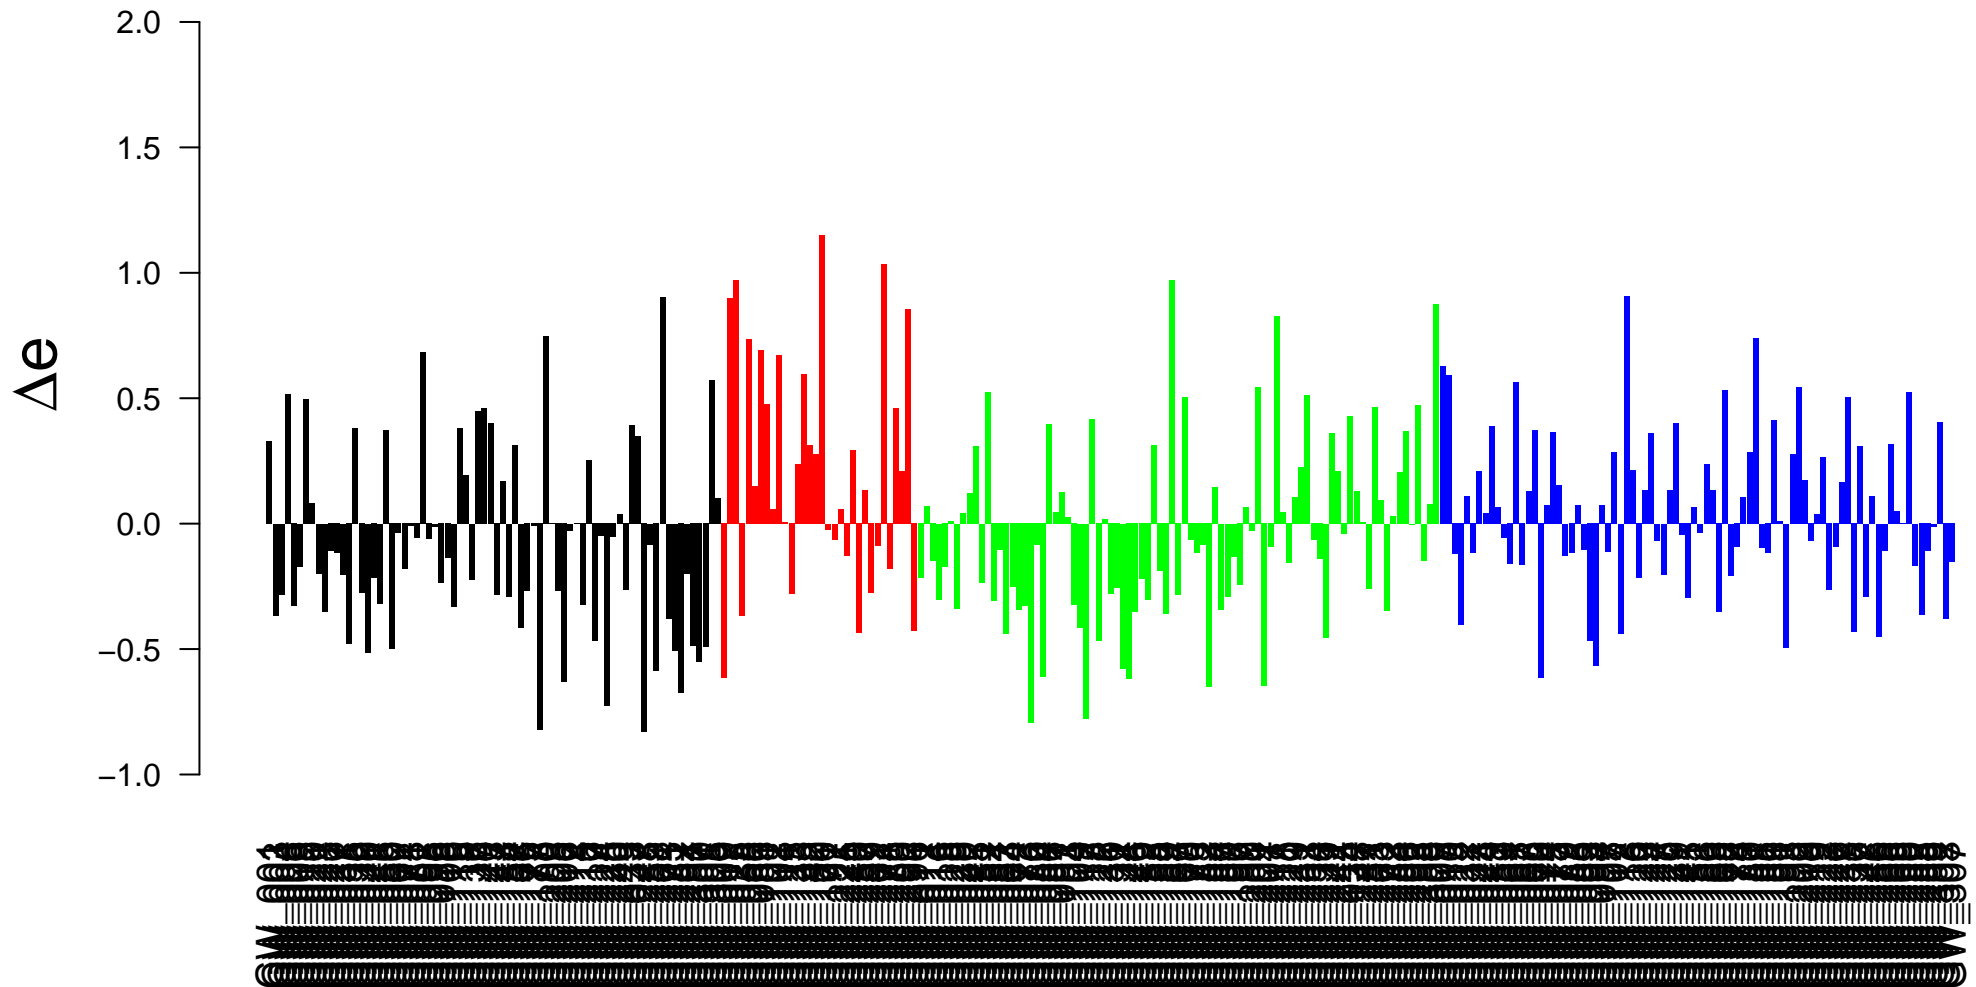

Expression of phosphatidylcholine acyl-chain remodeling in Spot K

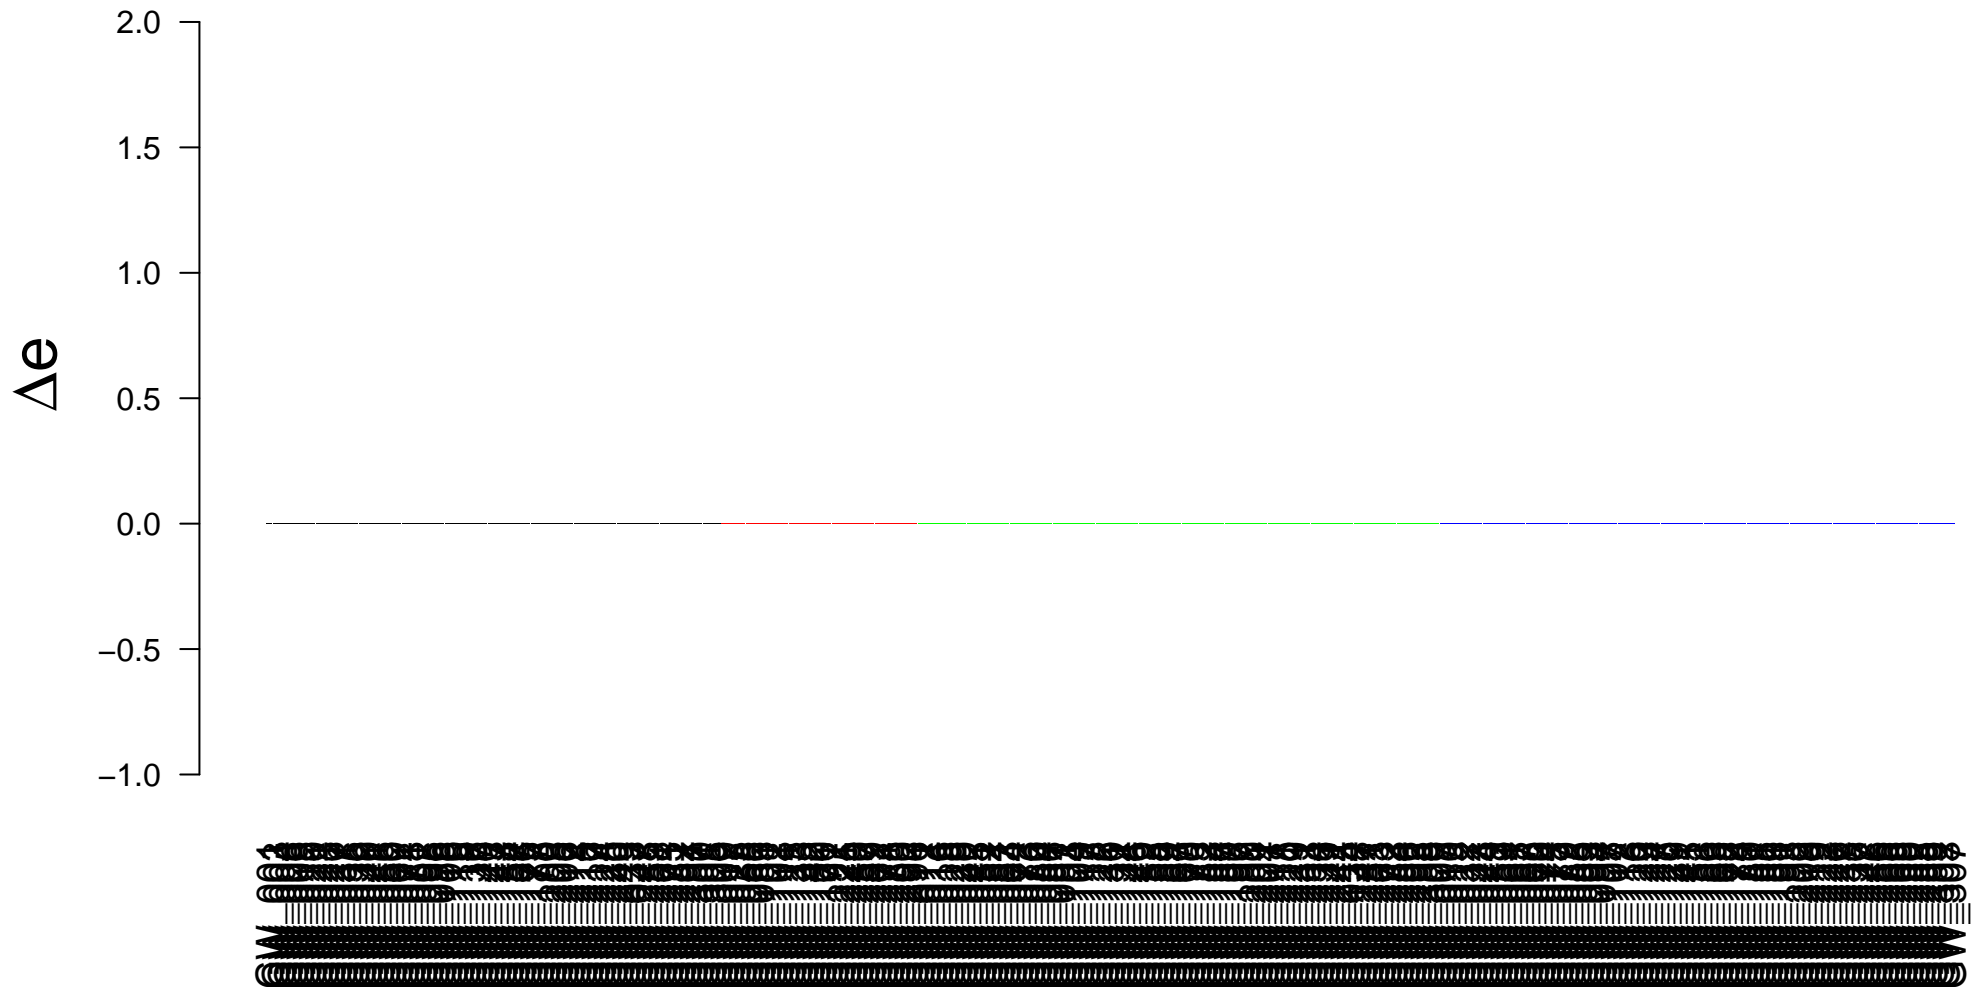

Expression of phosphatidylcholine acyl-chain remodeling in Spot L

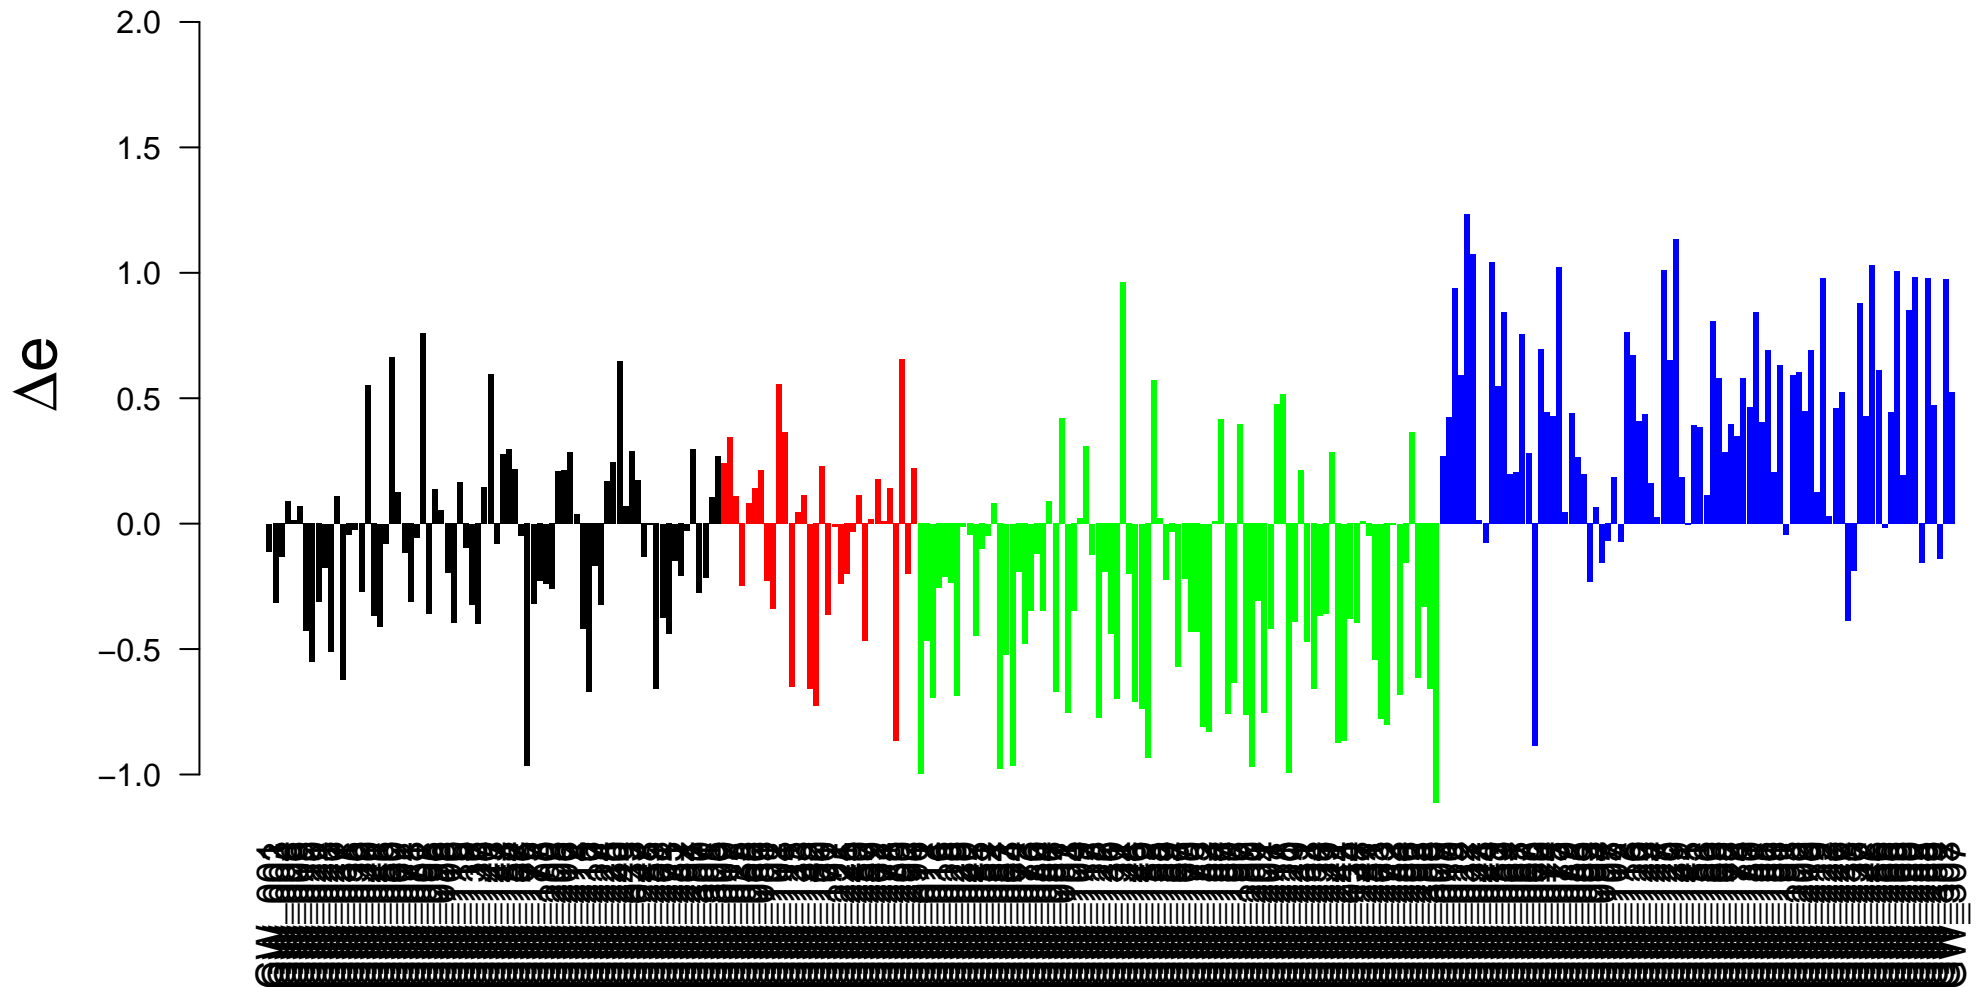

Expression of phosphatidylcholine acyl-chain remodeling in Spot M

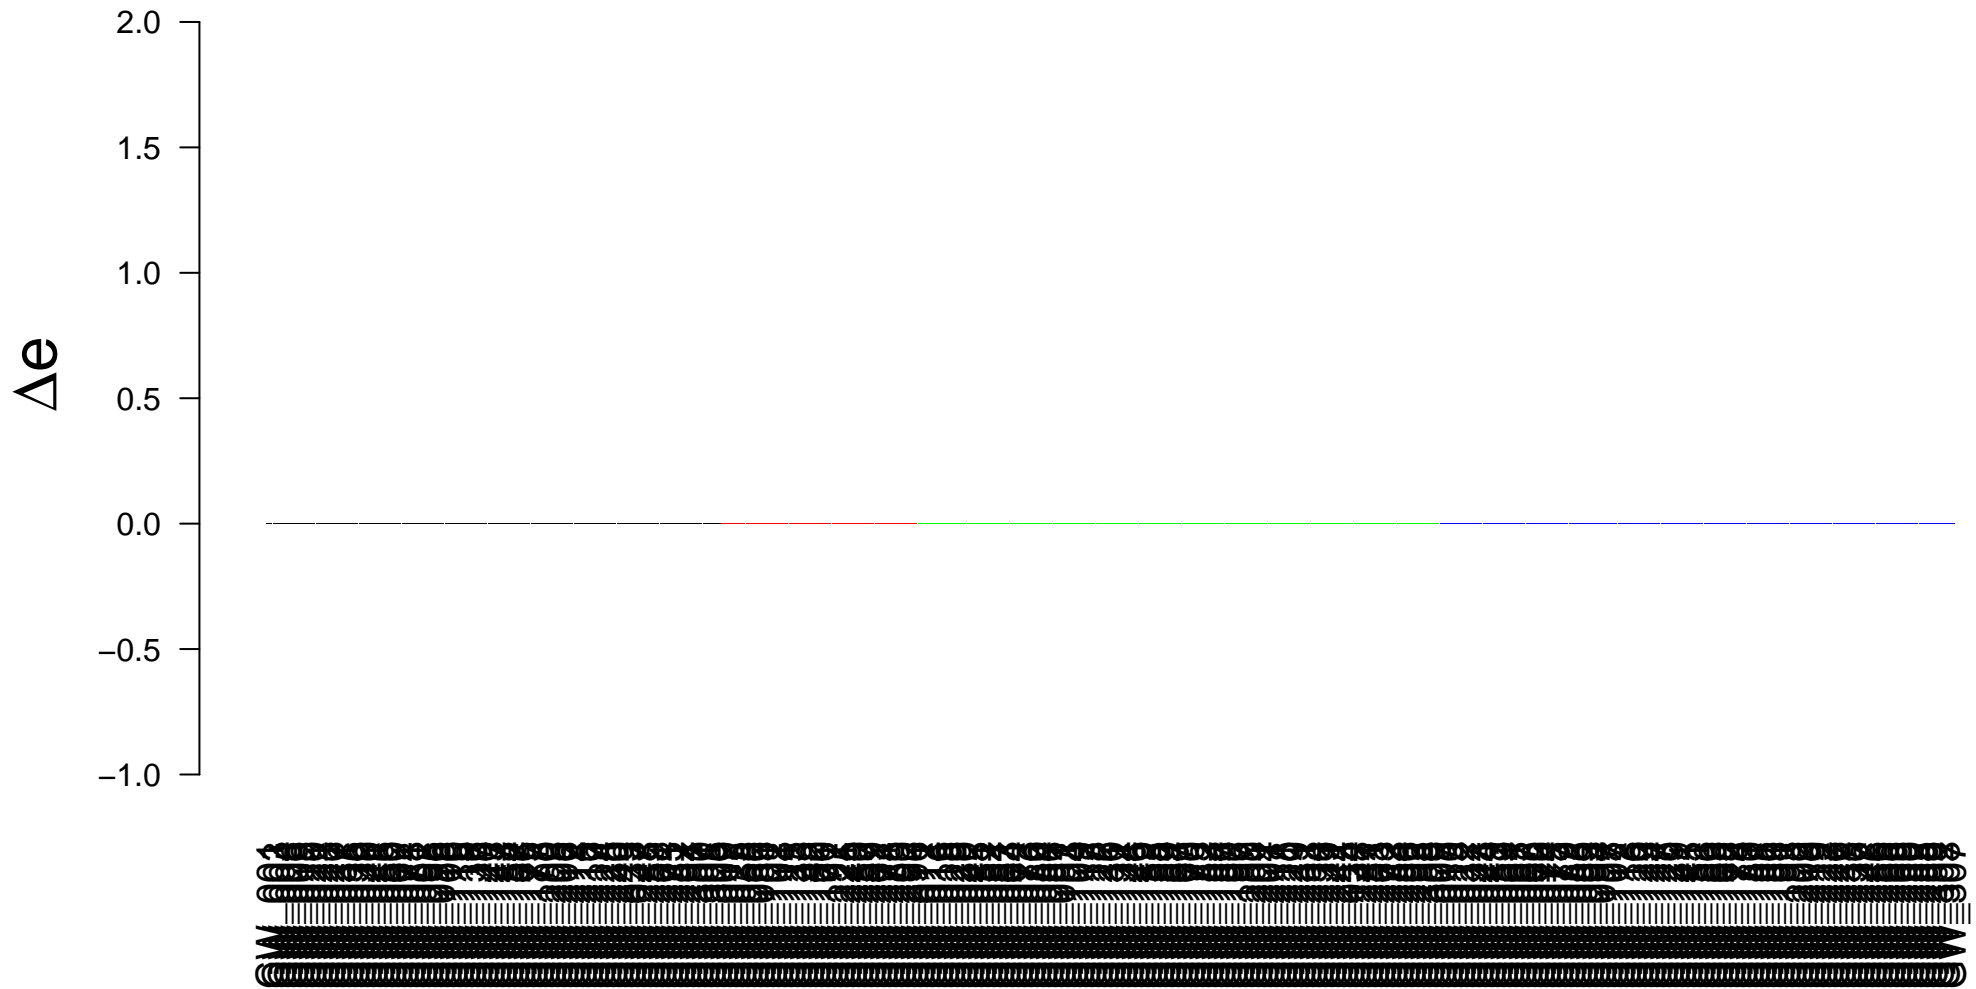

Expression of phosphatidylcholine acyl-chain remodeling in Spot N

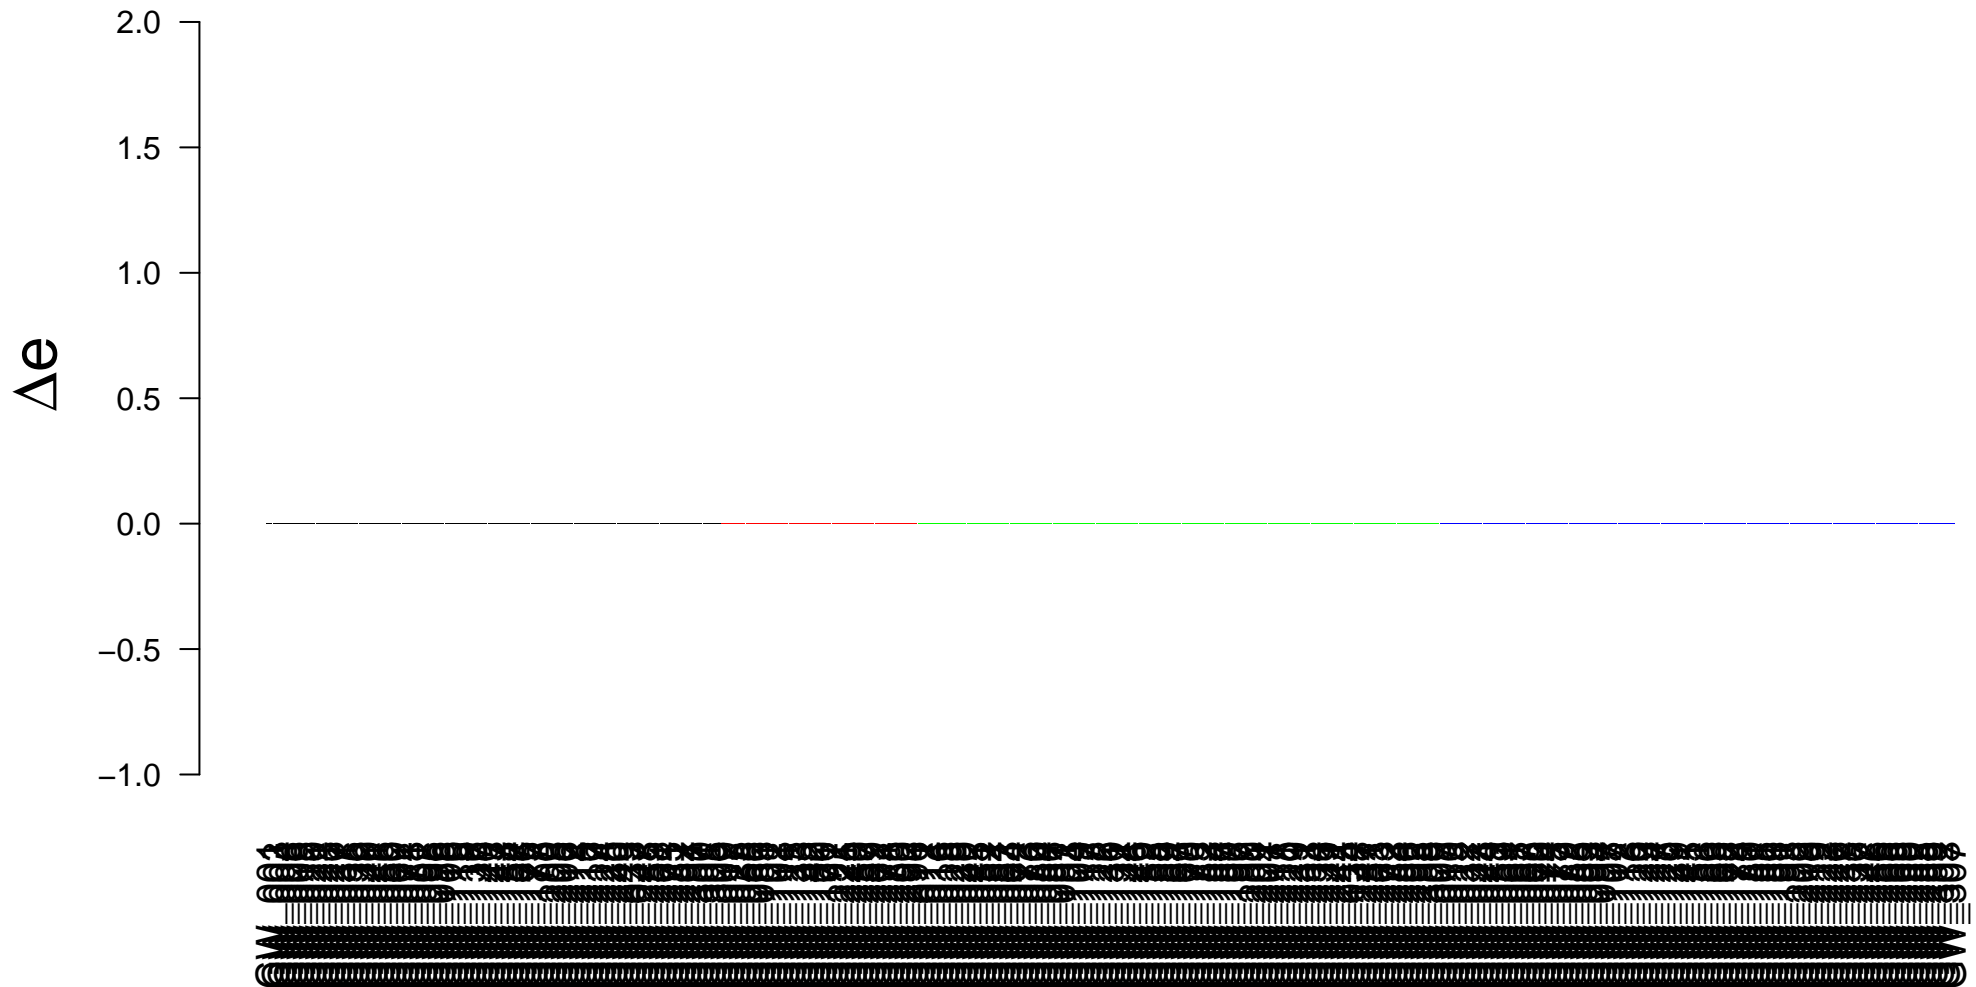

Expression of phosphatidylcholine acyl-chain remodeling in Spot O

Expression of phosphatidylcholine acyl-chain remodeling in Spot P

Expression of phosphatidylcholine acyl-chain remodeling in Spot Q

Expression of phosphatidylcholine acyl-chain remodeling in Spot R
