

phosphatidylinositol 3-kinase complex

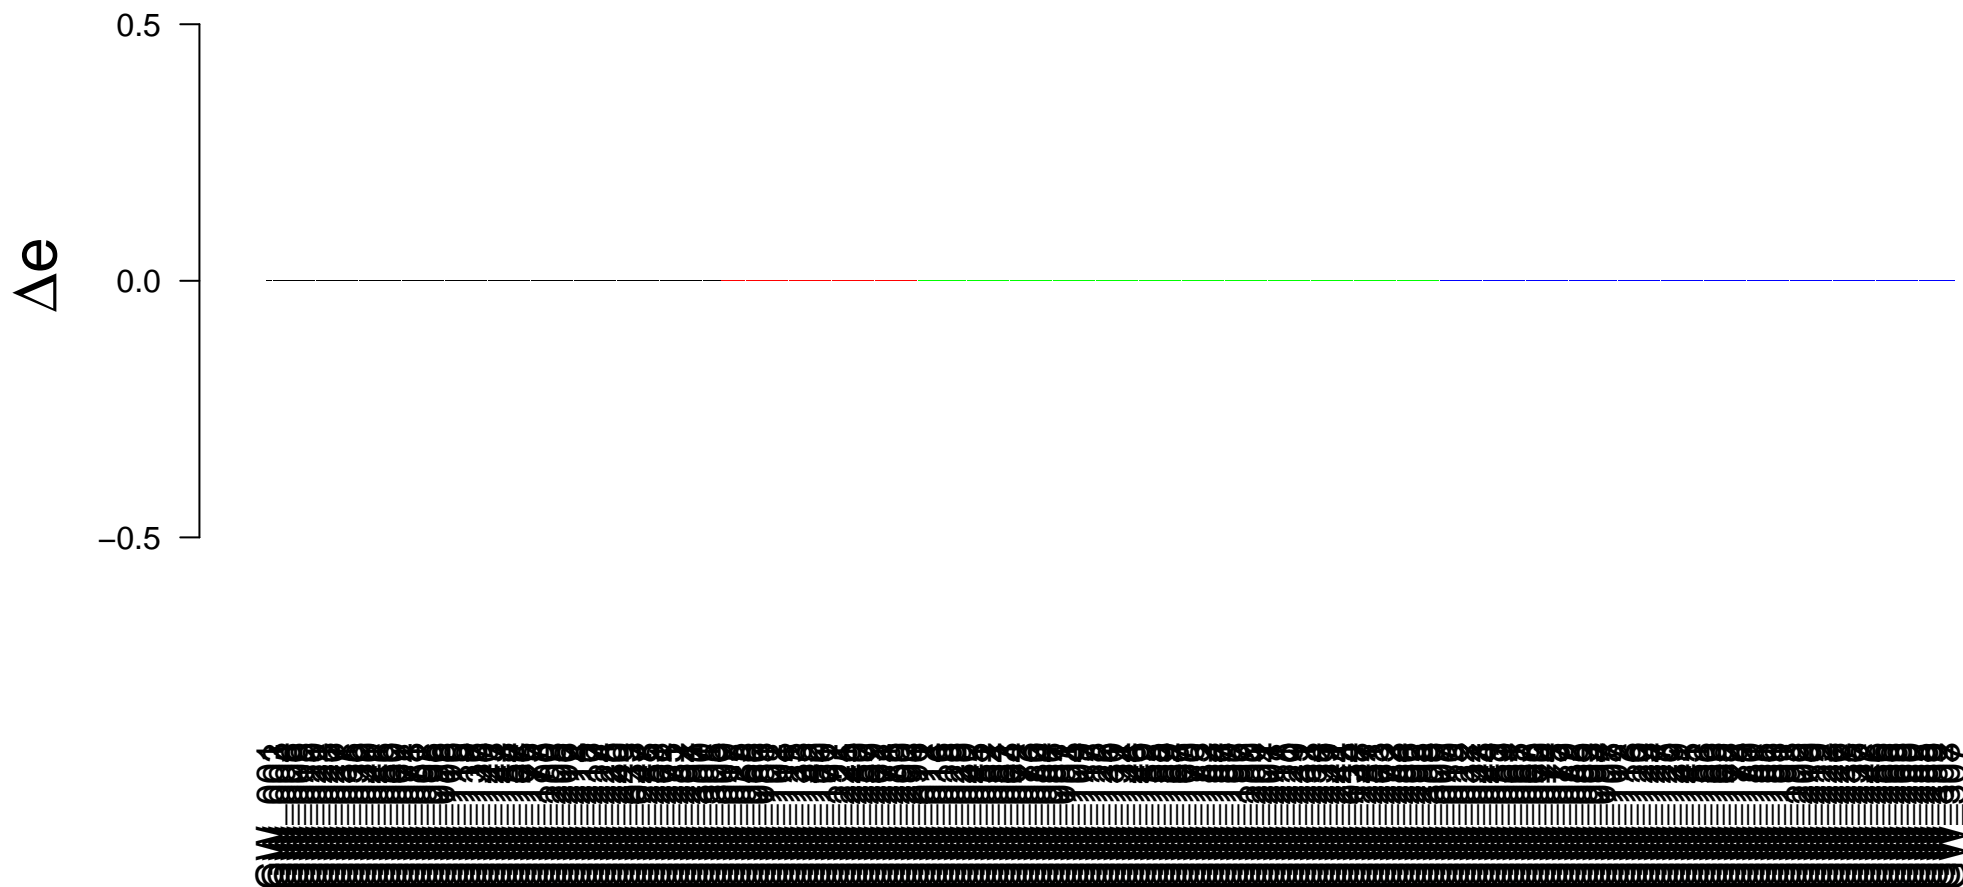

phosphatidylinositol 3-kinase complex

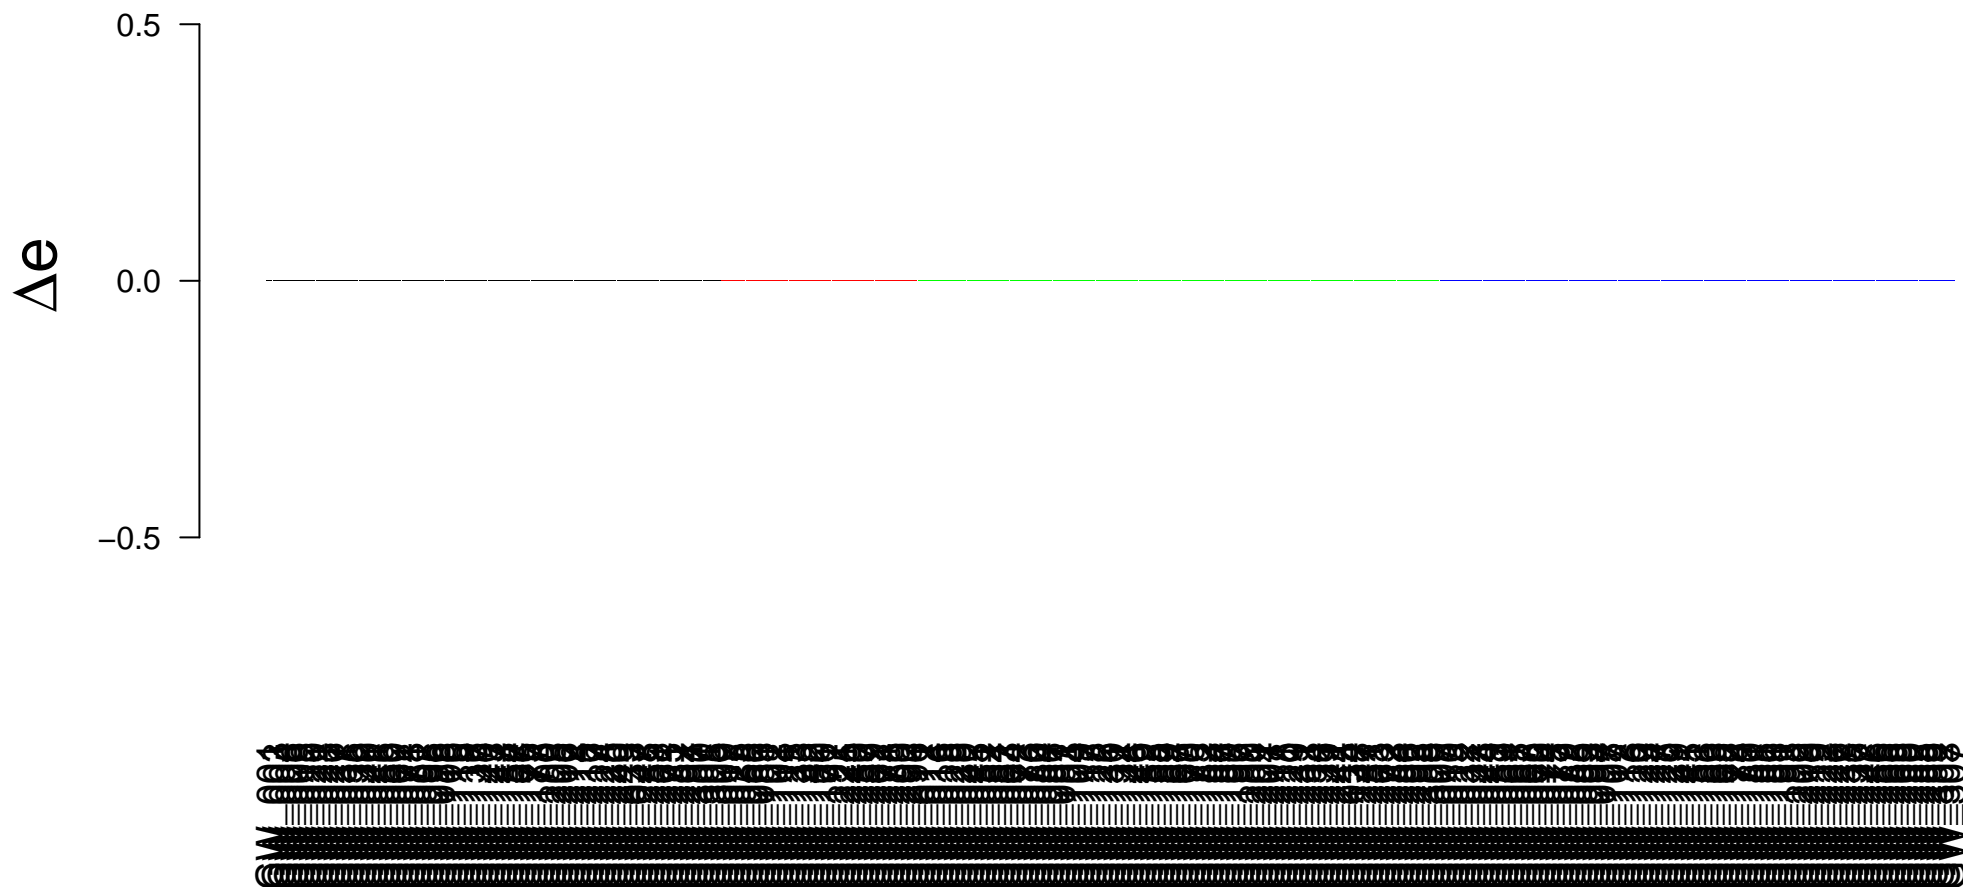

Enrichment in spots: phosphatidylinositol 3-kinase complex

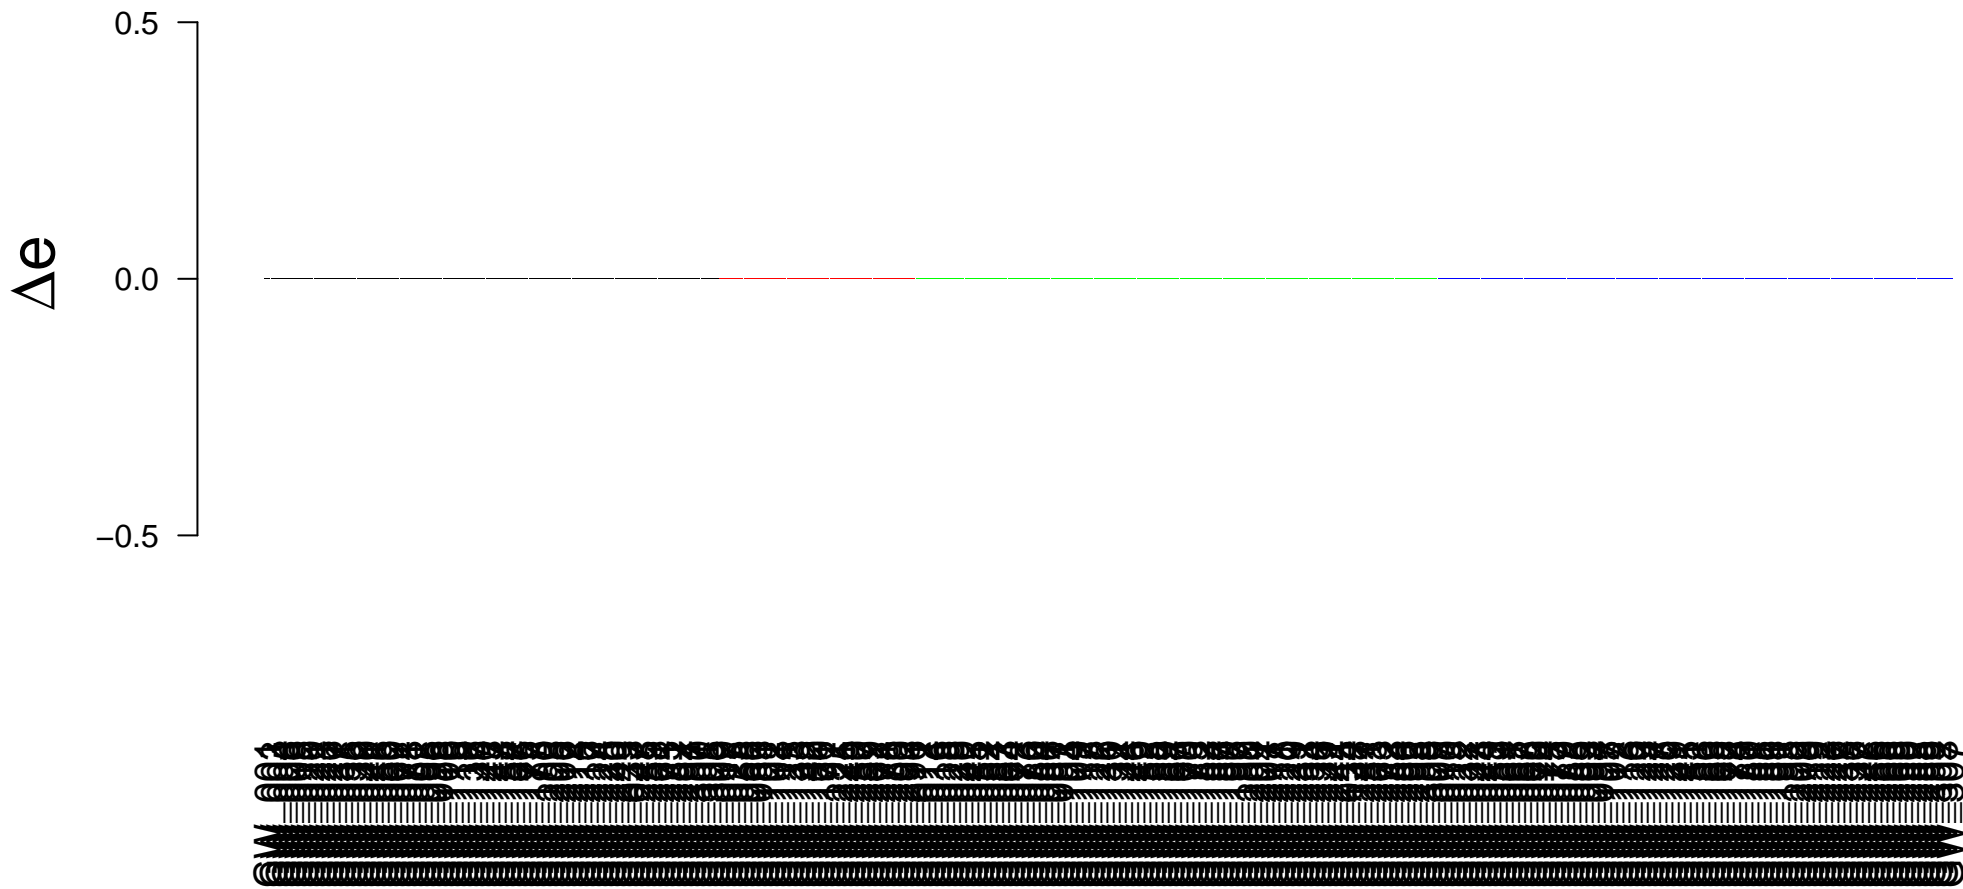

Expression of phosphatidylinositol 3-kinase complex in Spot A

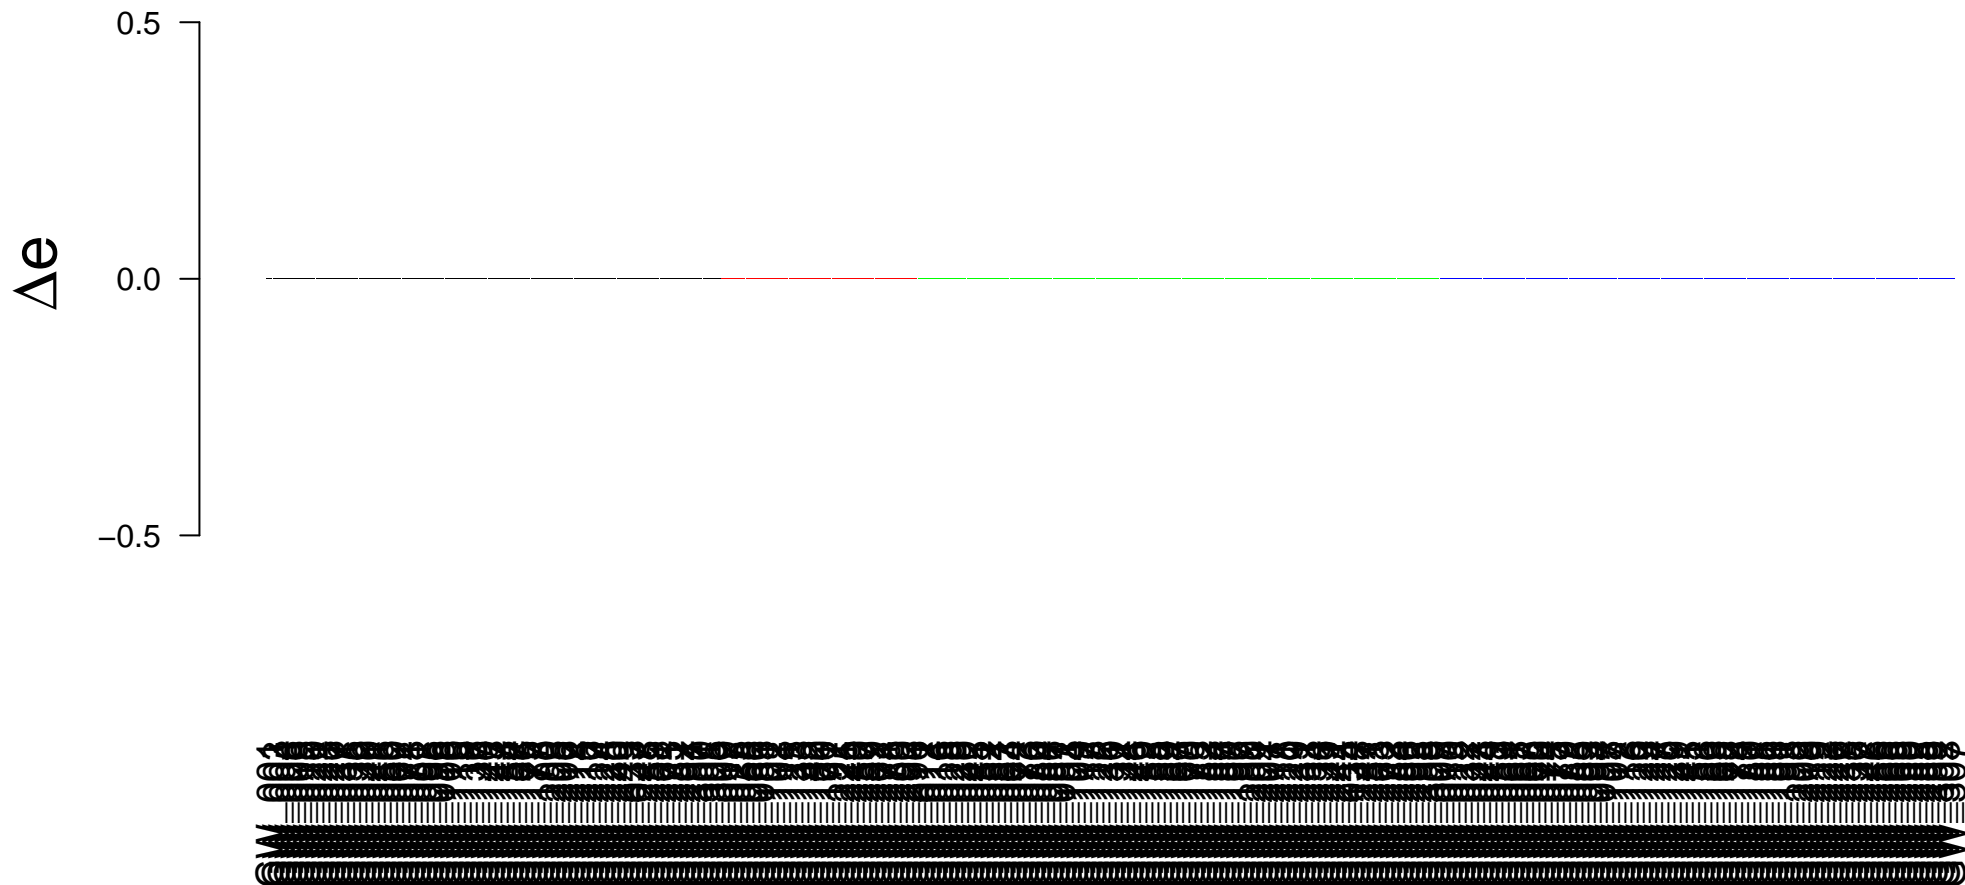

Expression of phosphatidylinositol 3-kinase complex in Spot B

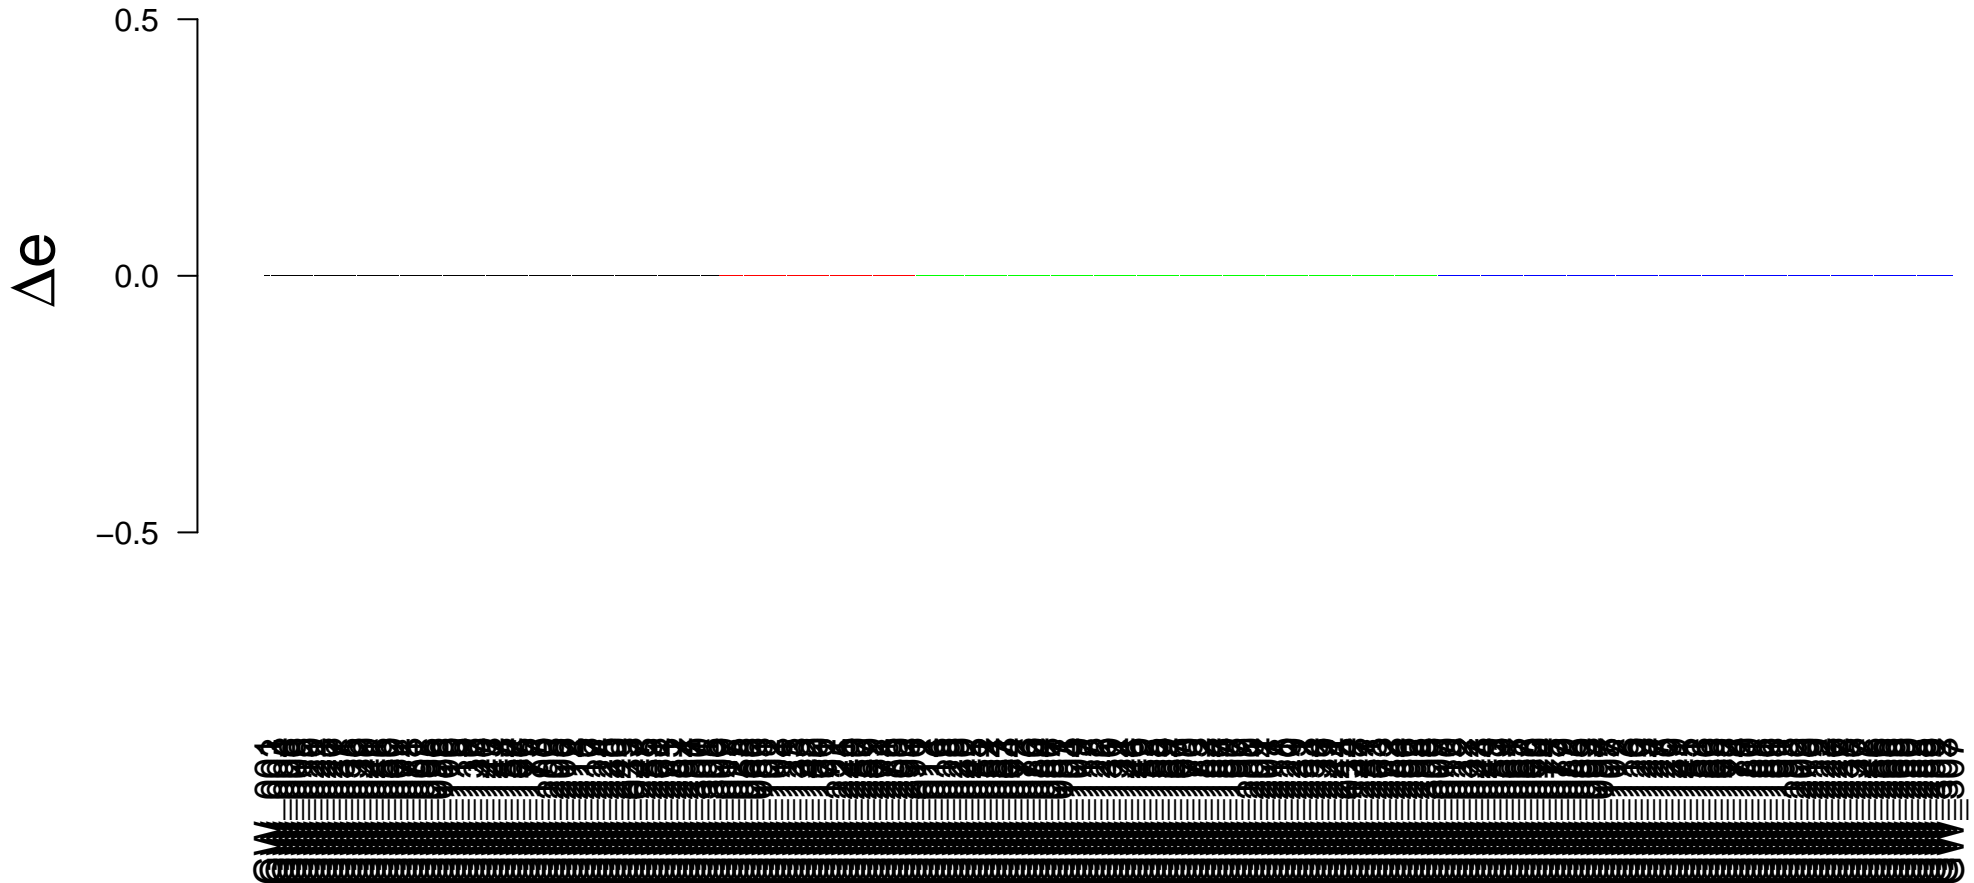

Expression of phosphatidylinositol 3-kinase complex in Spot C

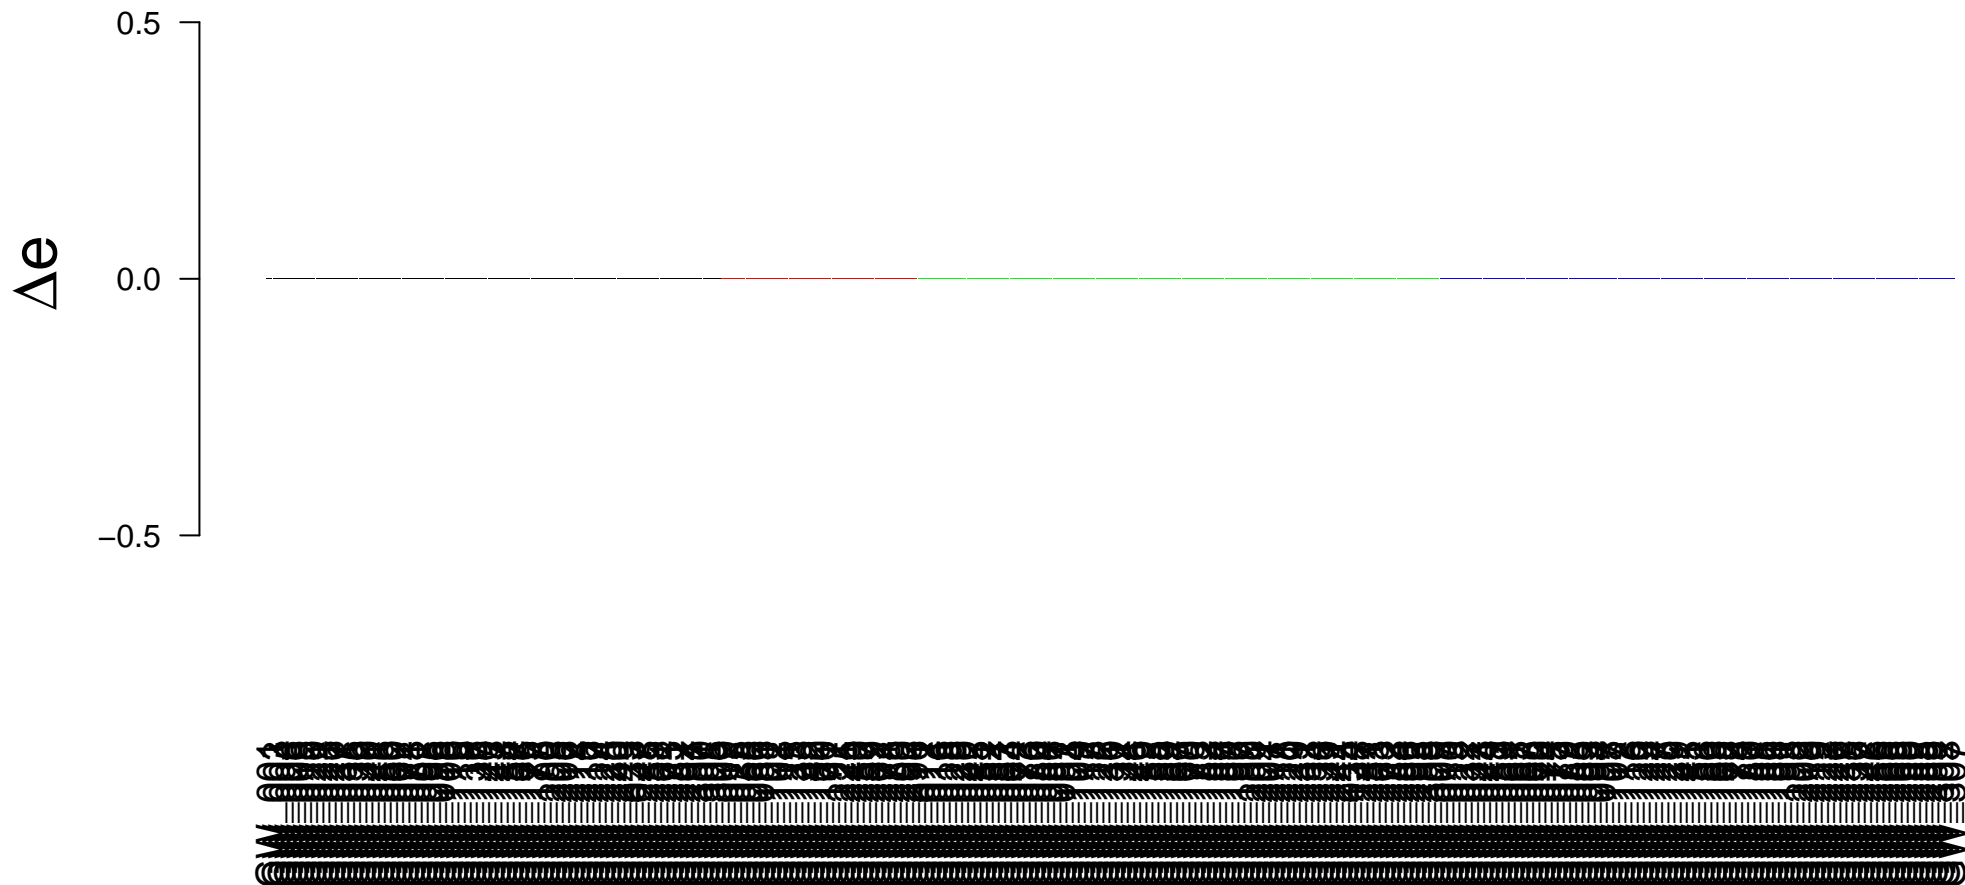

Expression of phosphatidylinositol 3-kinase complex in Spot D

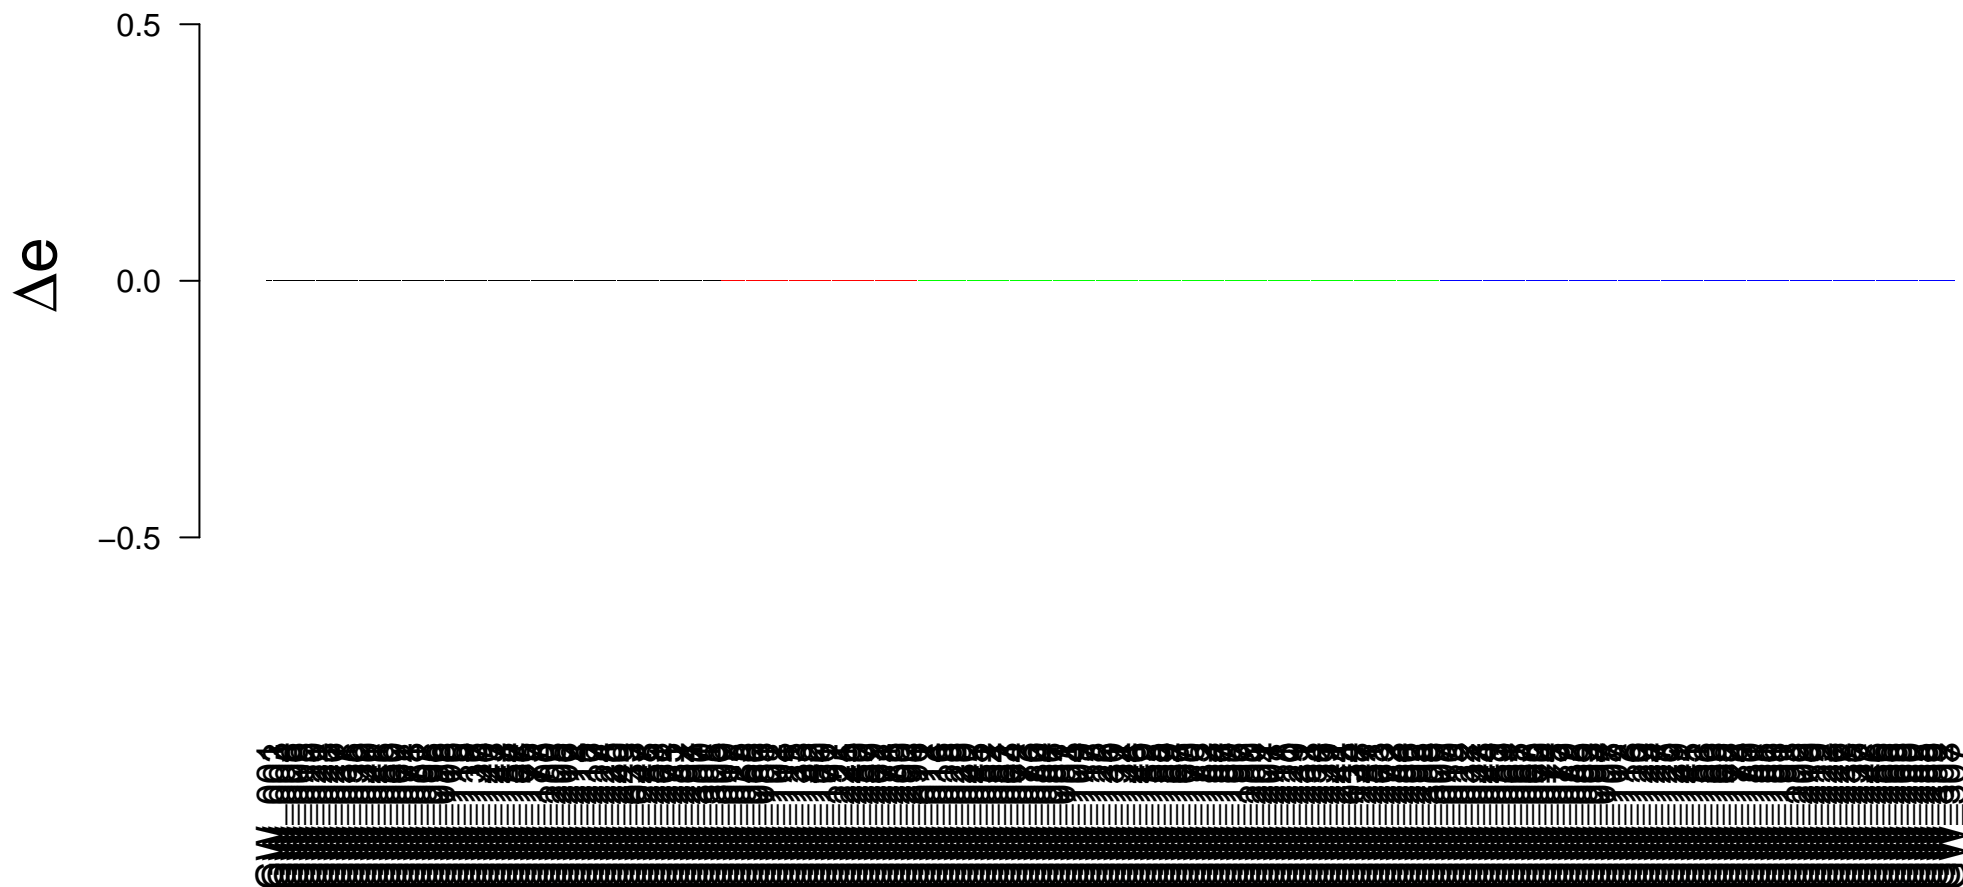

Expression of phosphatidylinositol 3-kinase complex in Spot E

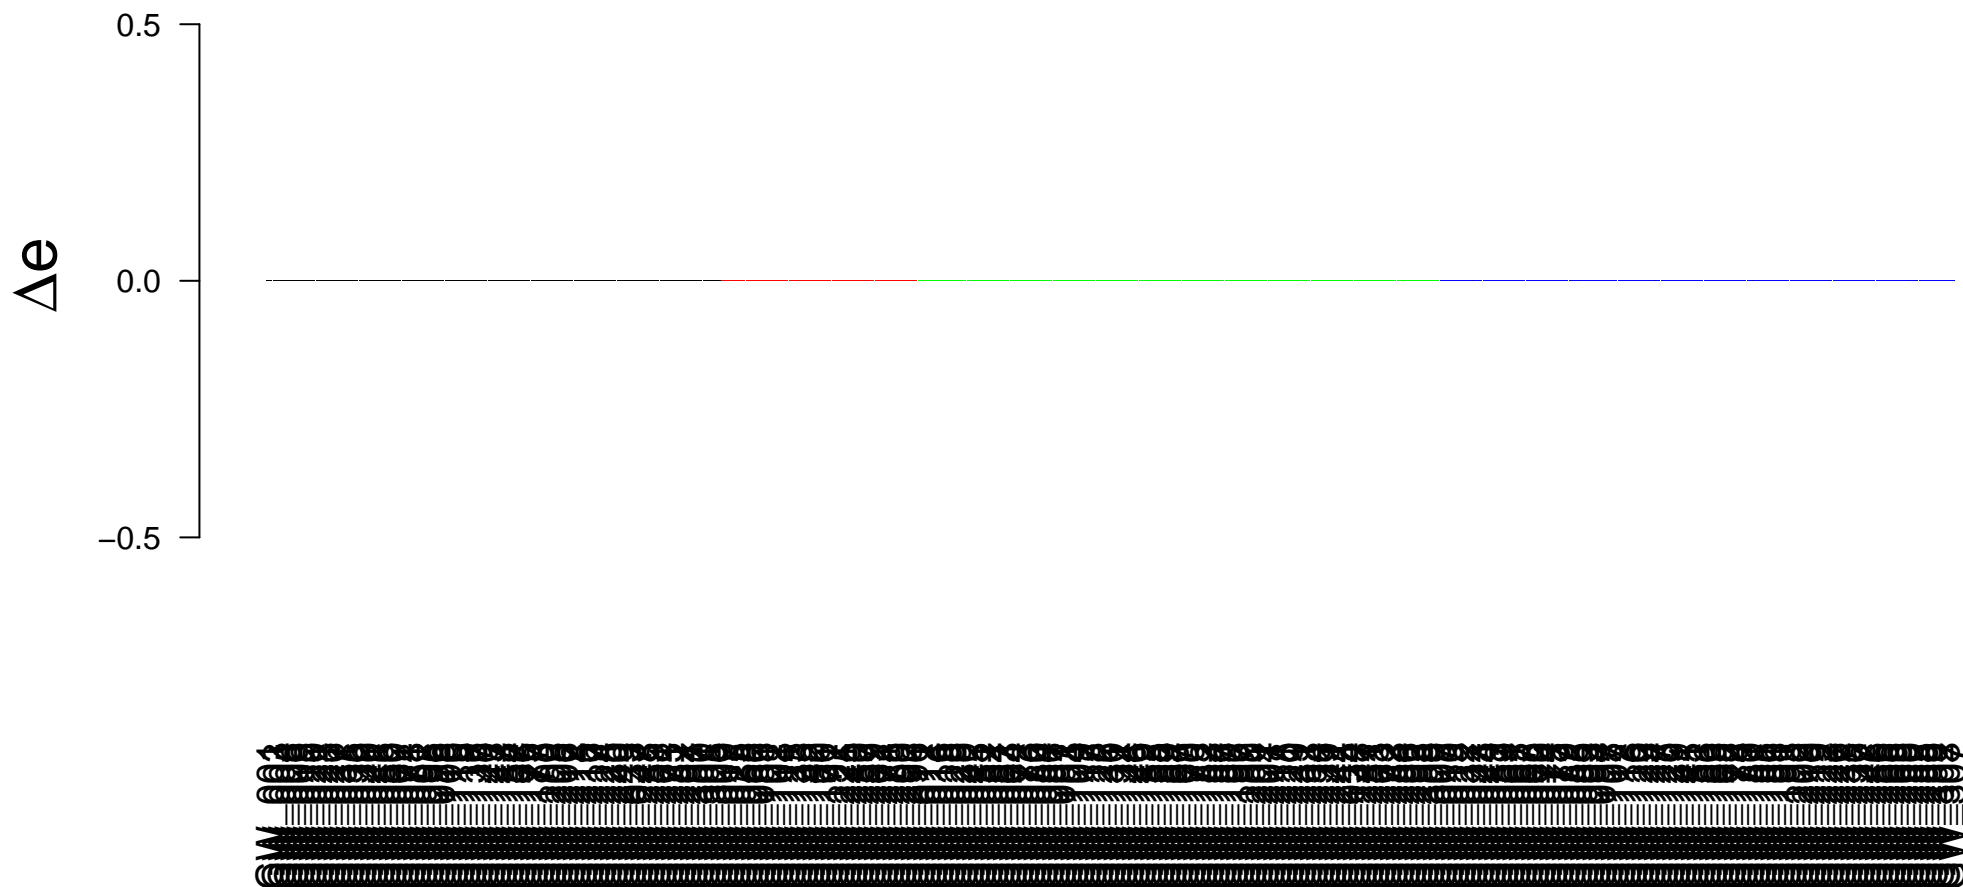

Expression of phosphatidylinositol 3-kinase complex in Spot F

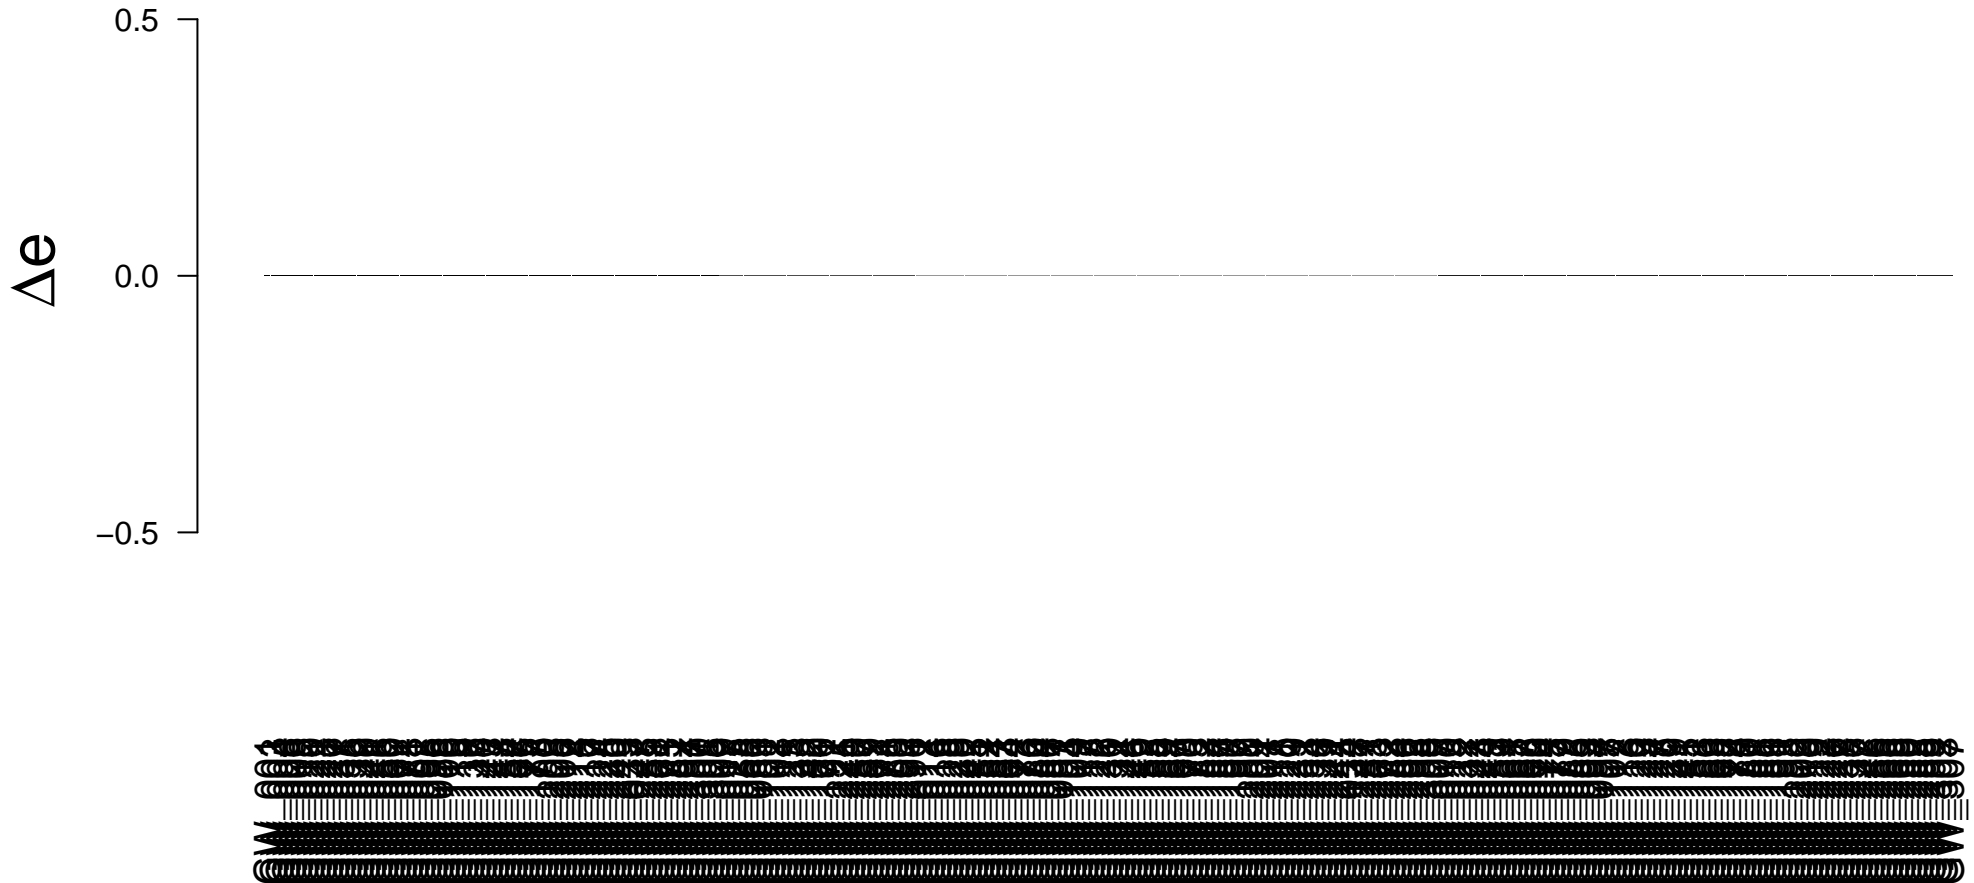

Expression of phosphatidylinositol 3-kinase complex in Spot G

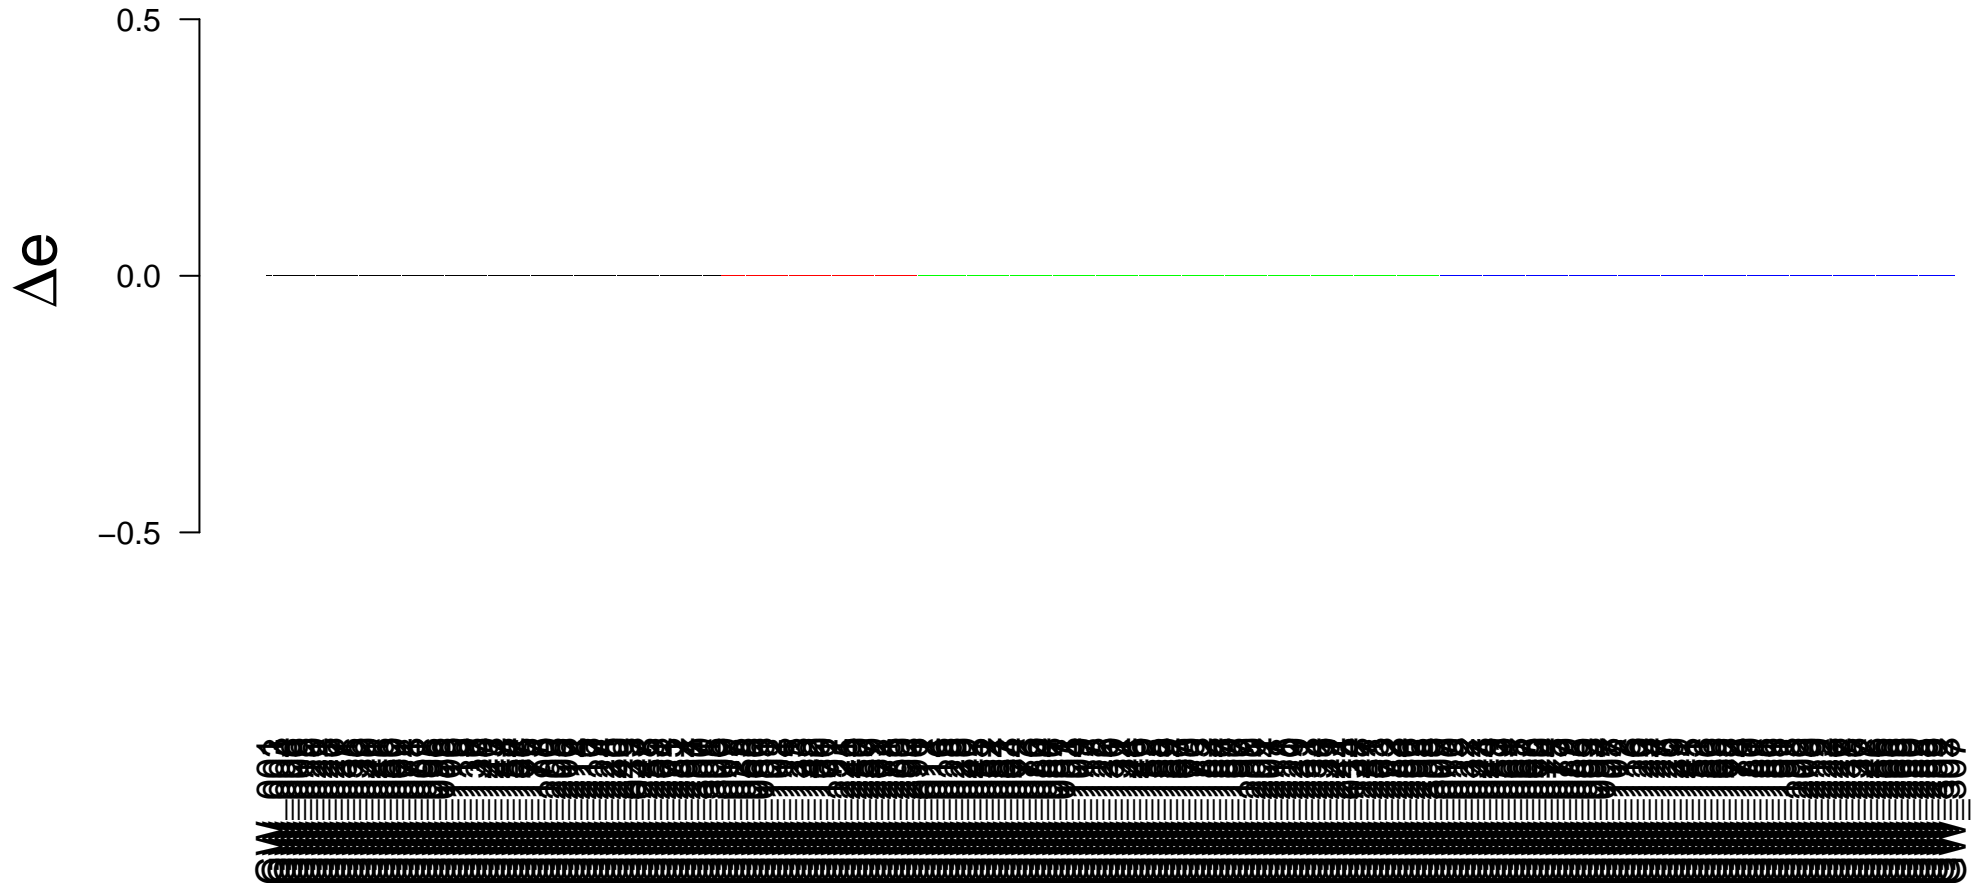

Expression of phosphatidylinositol 3-kinase complex in Spot H

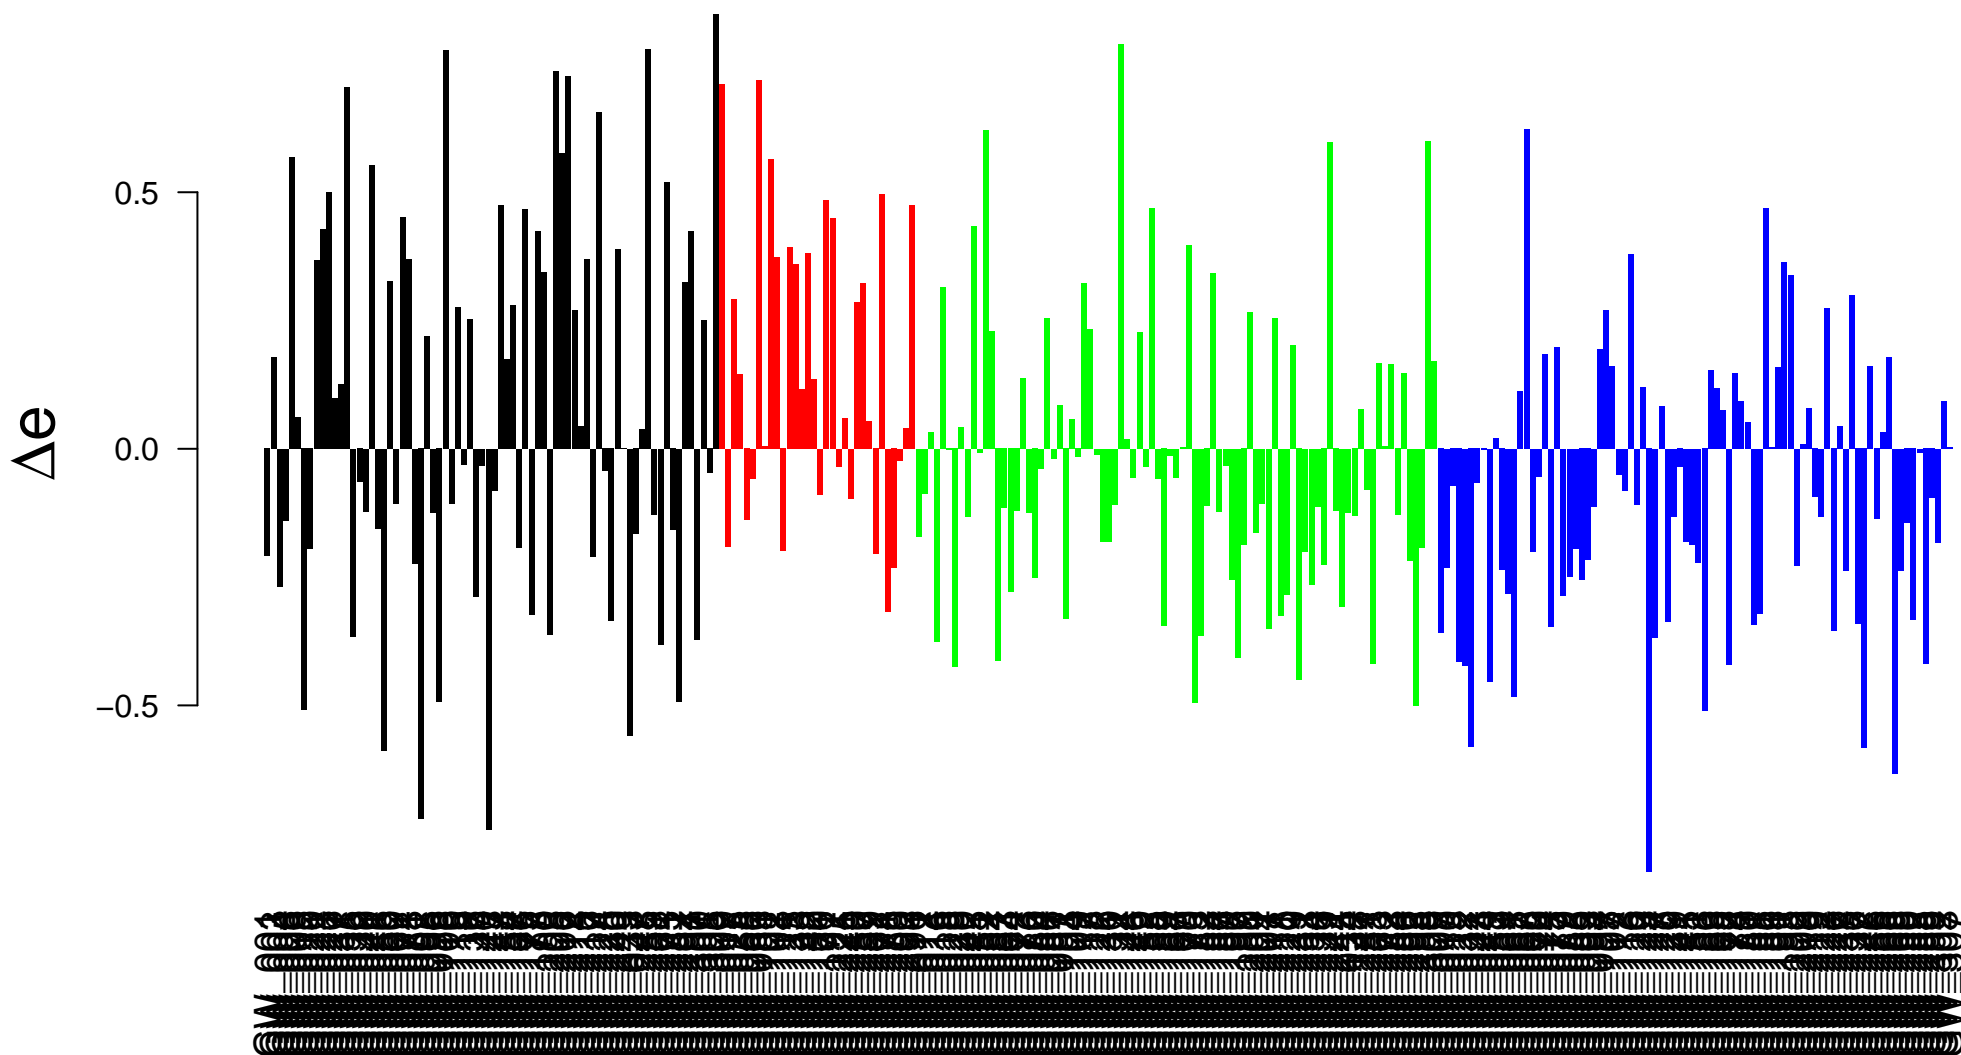

Expression of phosphatidylinositol 3-kinase complex in Spot I

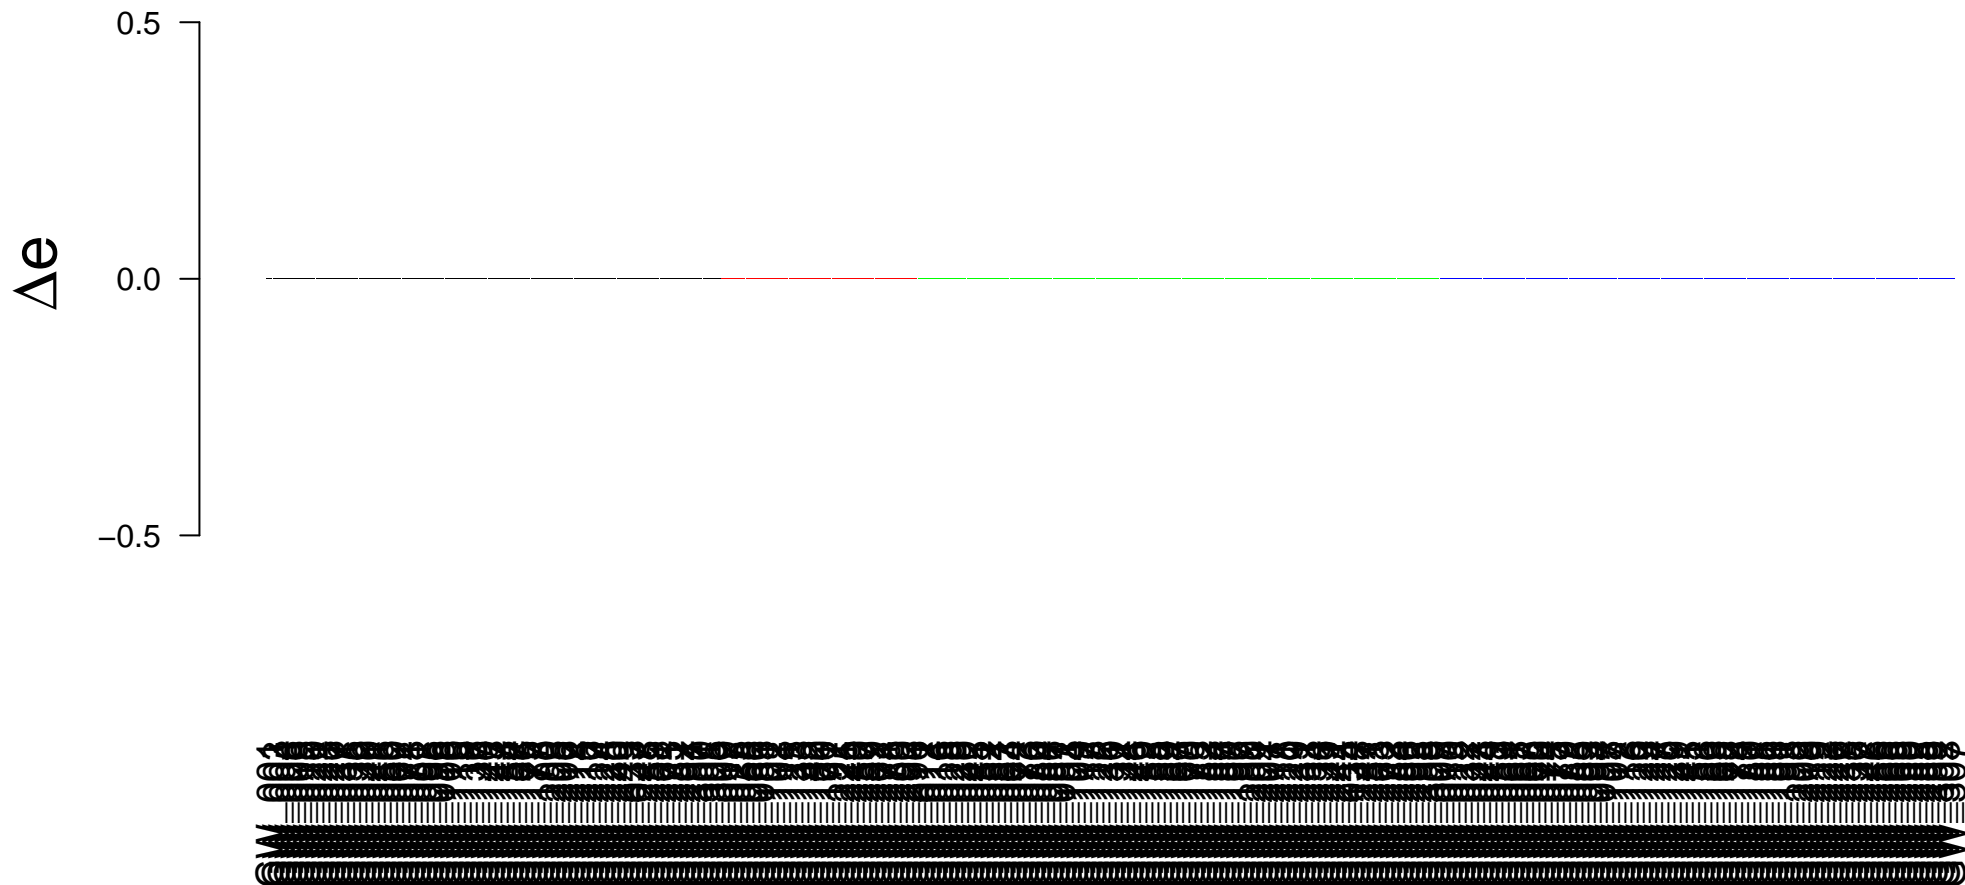

Expression of phosphatidylinositol 3-kinase complex in Spot J

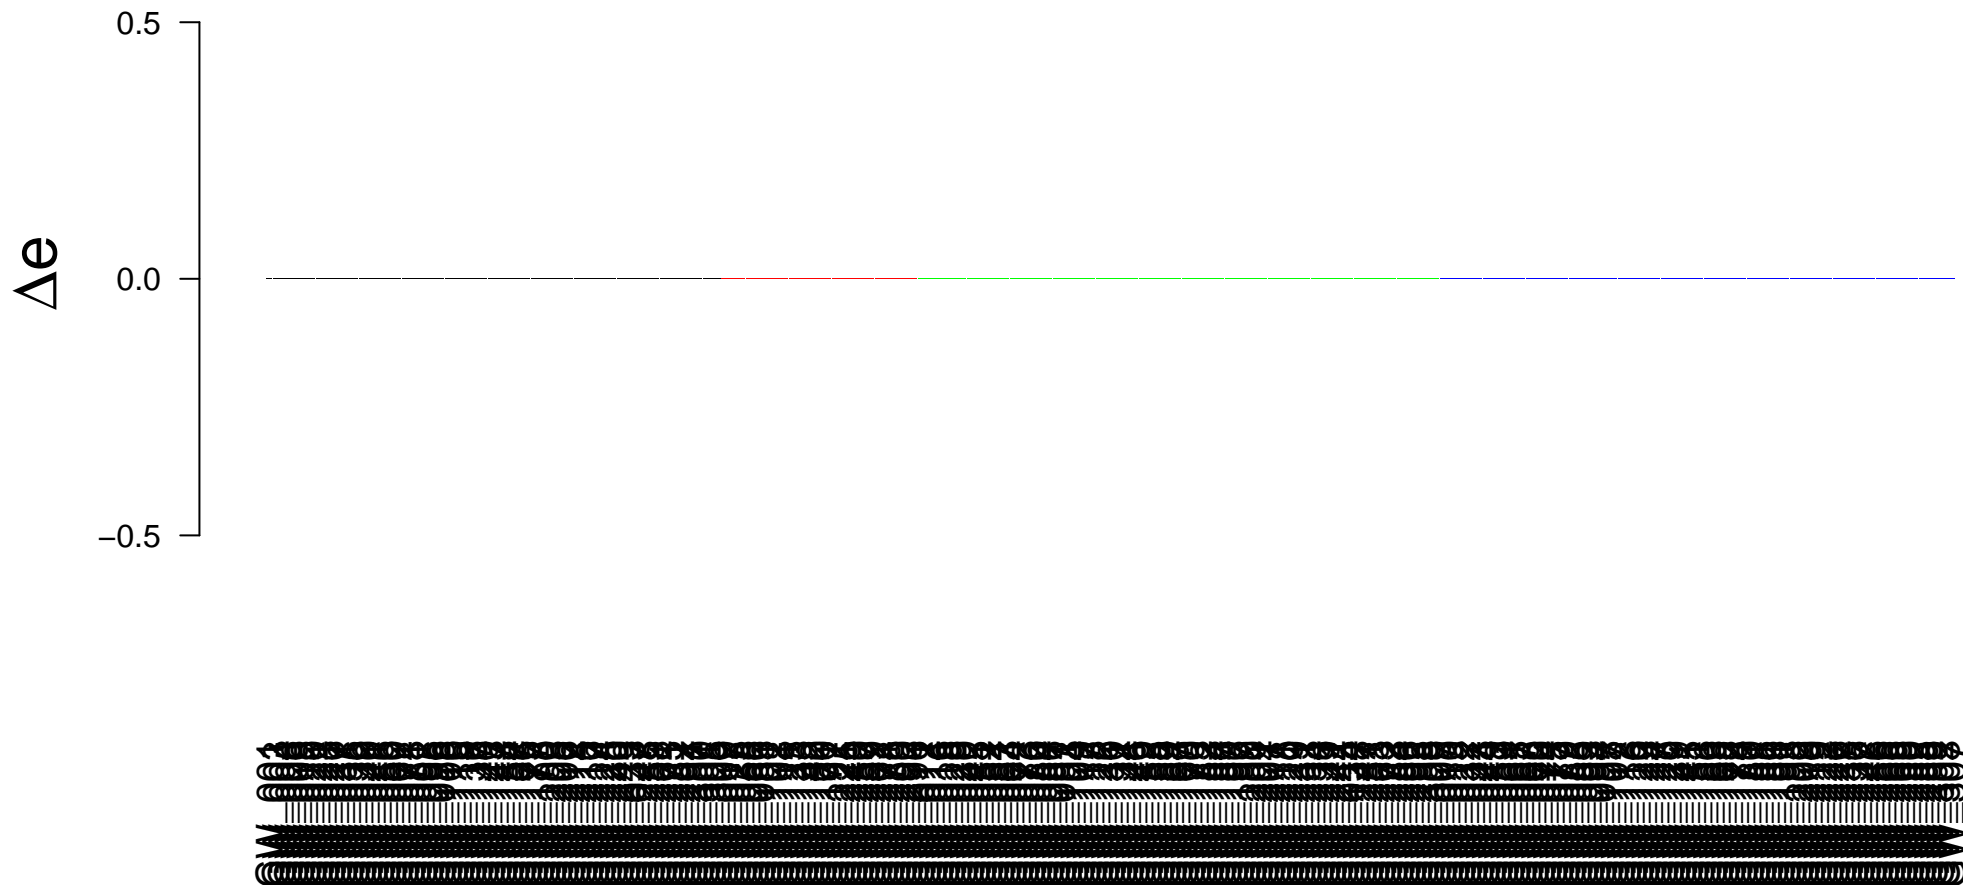

Expression of phosphatidylinositol 3-kinase complex in Spot K

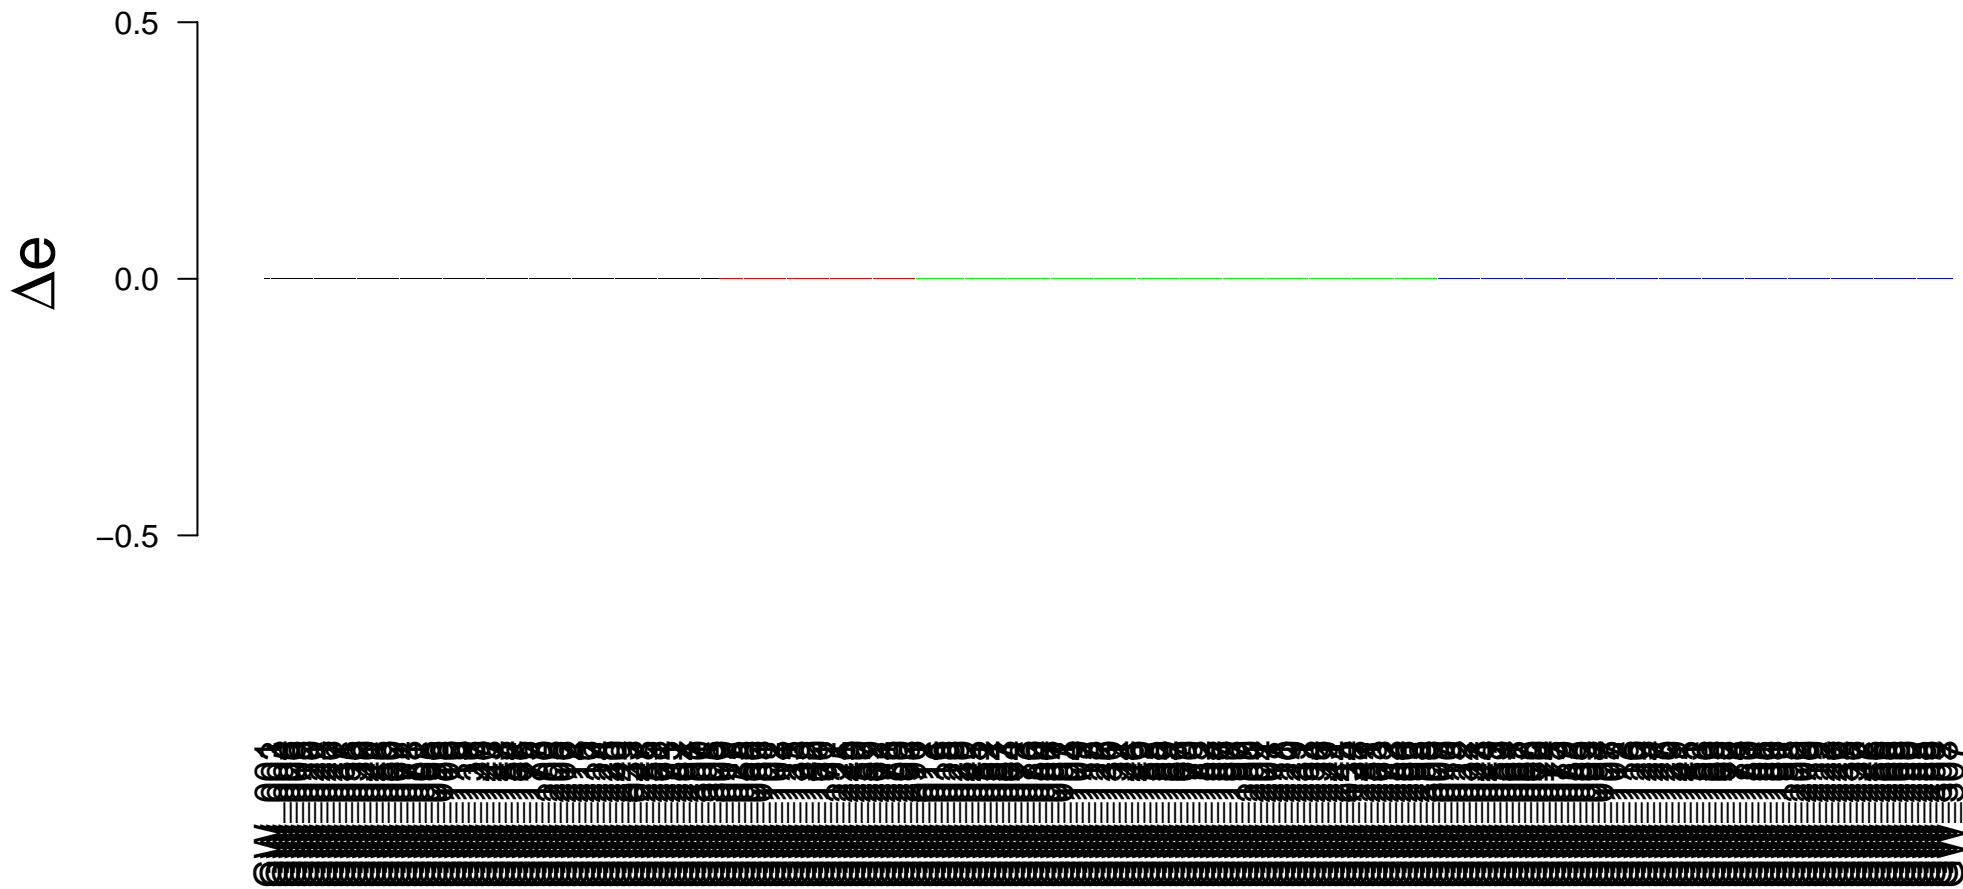

Expression of phosphatidylinositol 3-kinase complex in Spot L

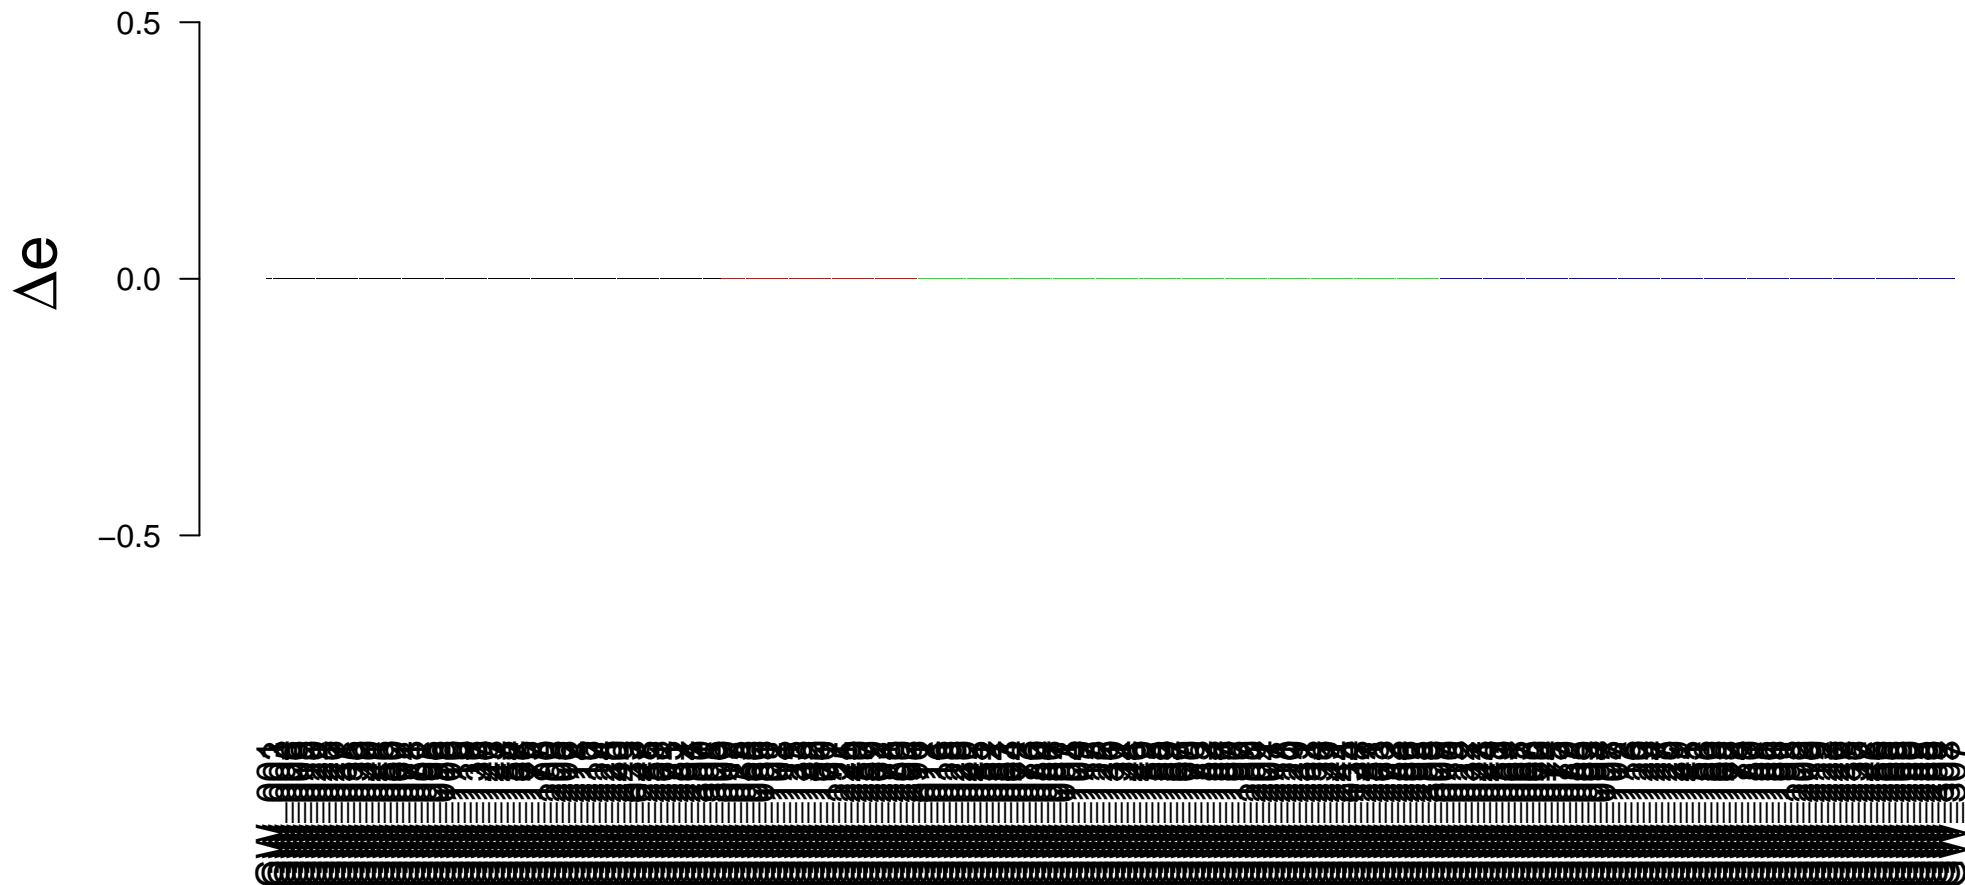

Expression of phosphatidylinositol 3-kinase complex in Spot M

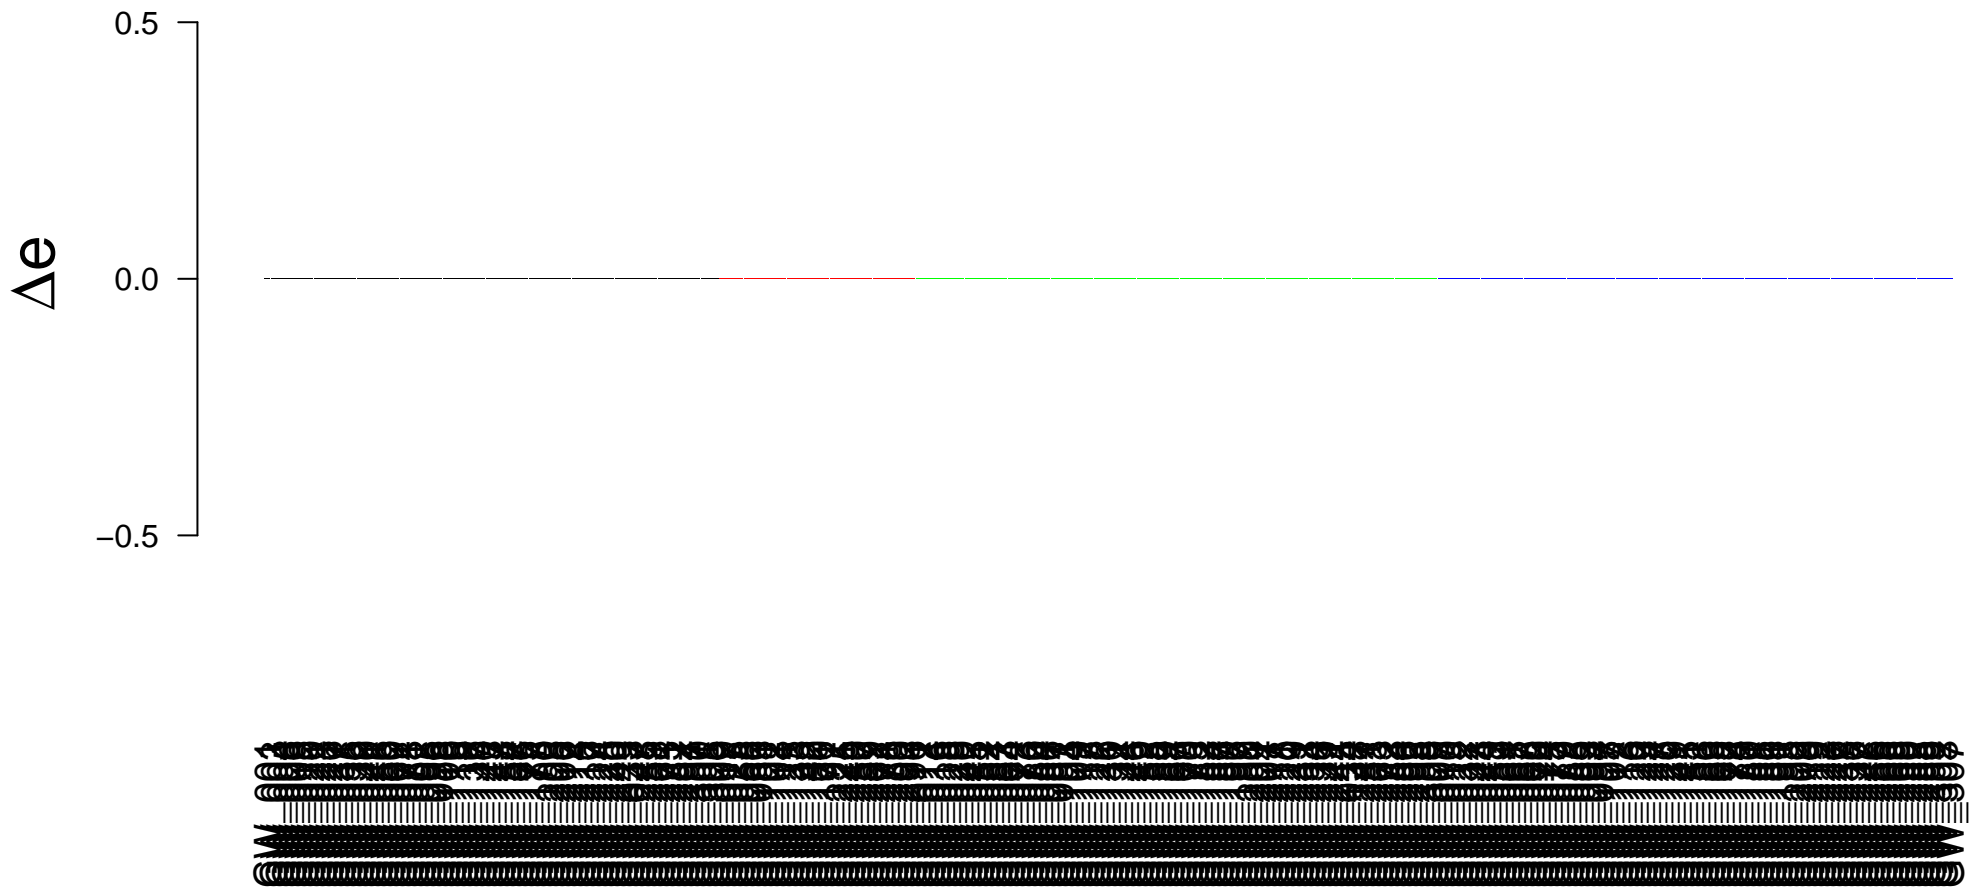

Expression of phosphatidylinositol 3-kinase complex in Spot N

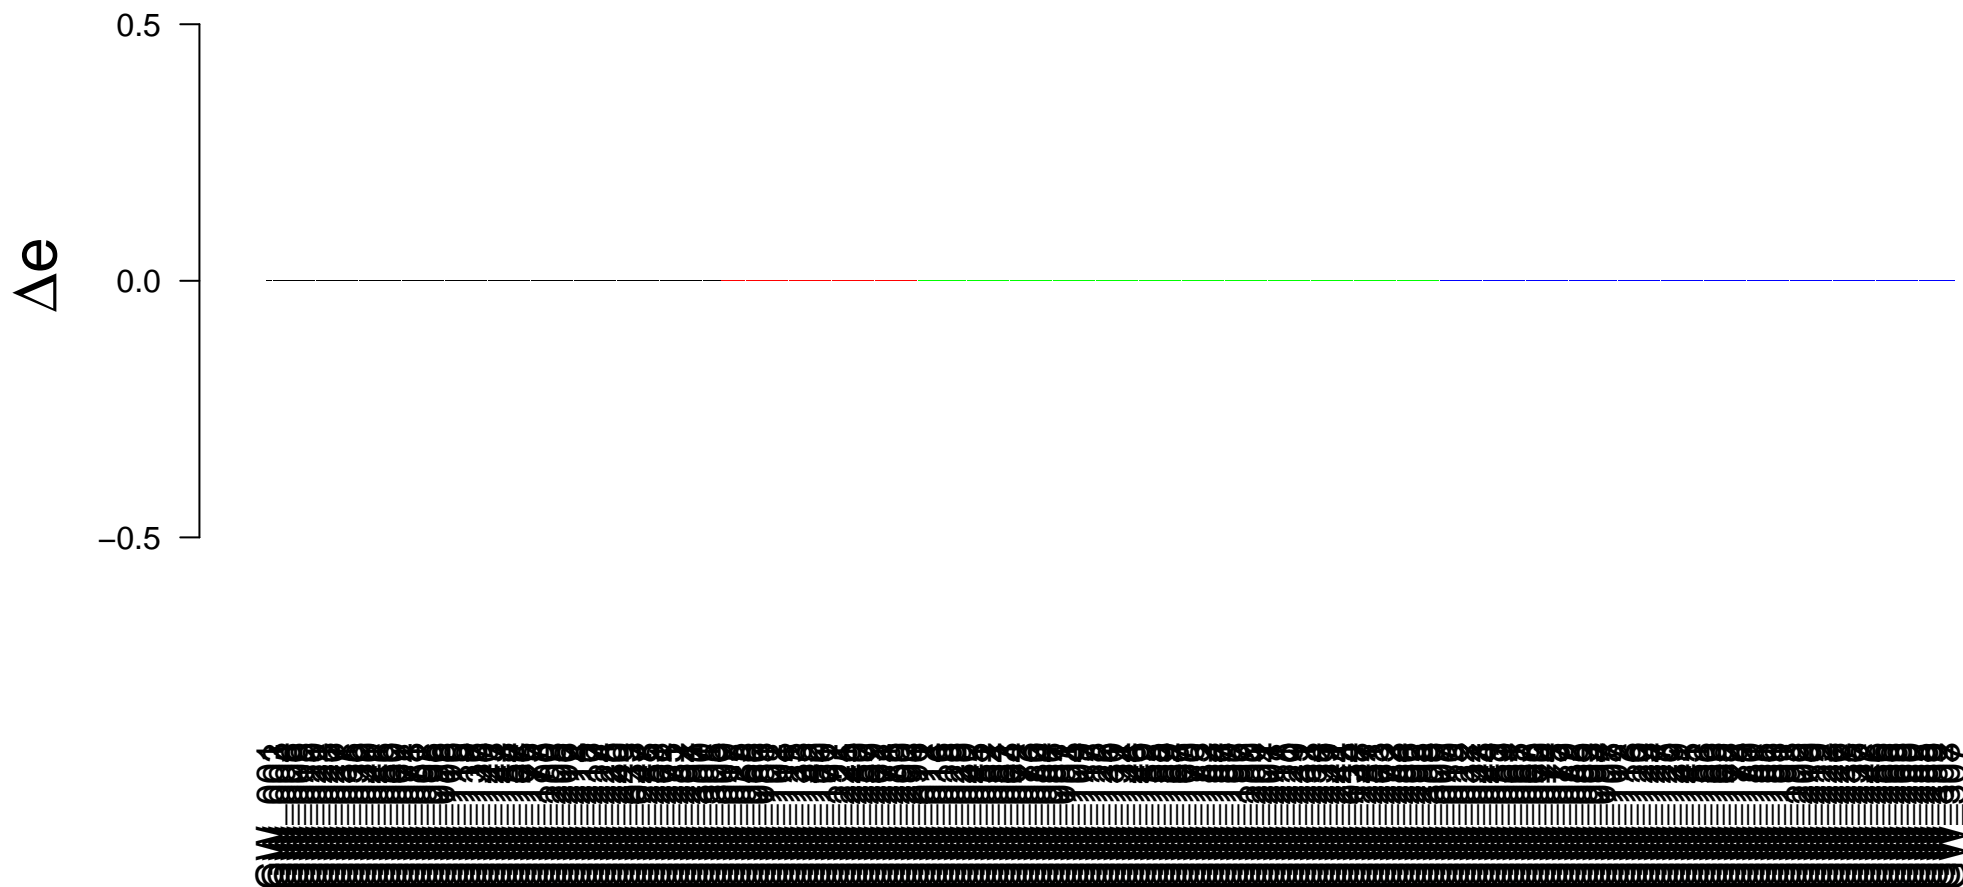

Expression of phosphatidylinositol 3-kinase complex in Spot O

Expression of phosphatidylinositol 3-kinase complex in Spot P

Expression of phosphatidylinositol 3-kinase complex in Spot Q

Expression of phosphatidylinositol 3-kinase complex in Spot R
