

phosphatidylinositol-3-phosphate binding

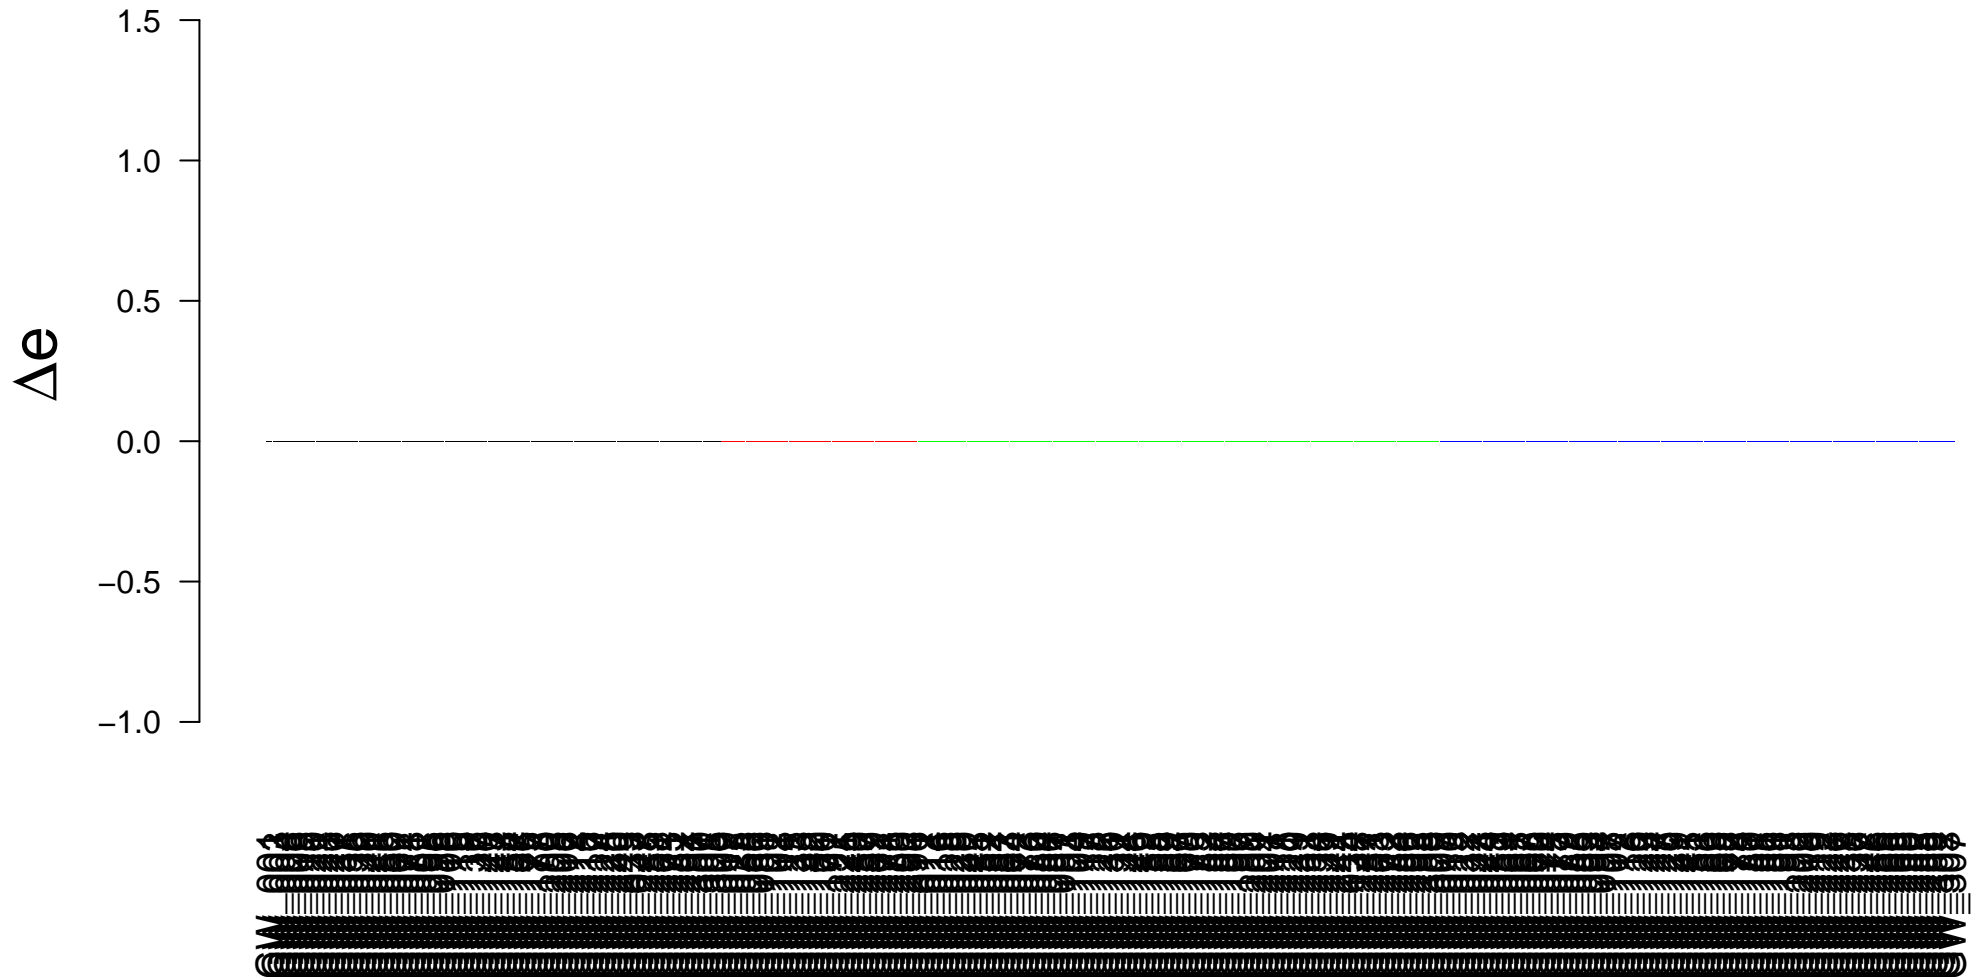

phosphatidylinositol-3-phosphate binding

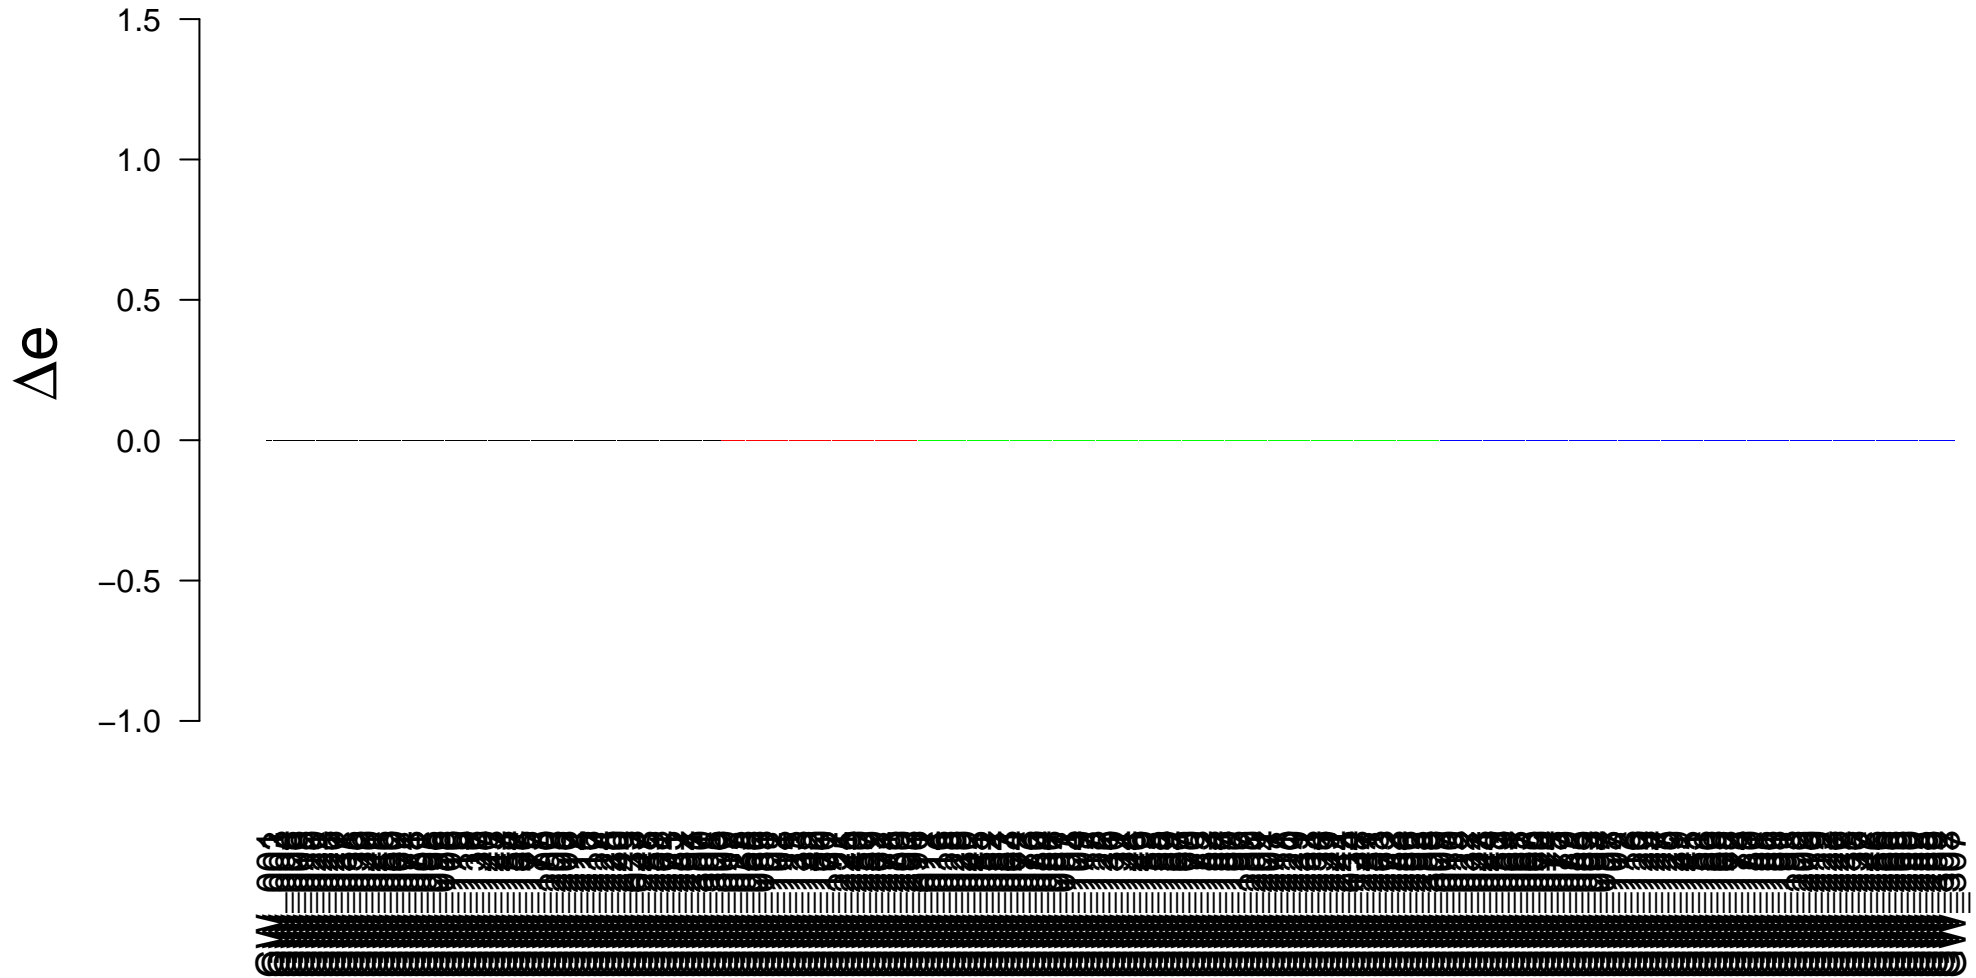

Enrichment in spots: phosphatidylinositol-3-phosphate binding

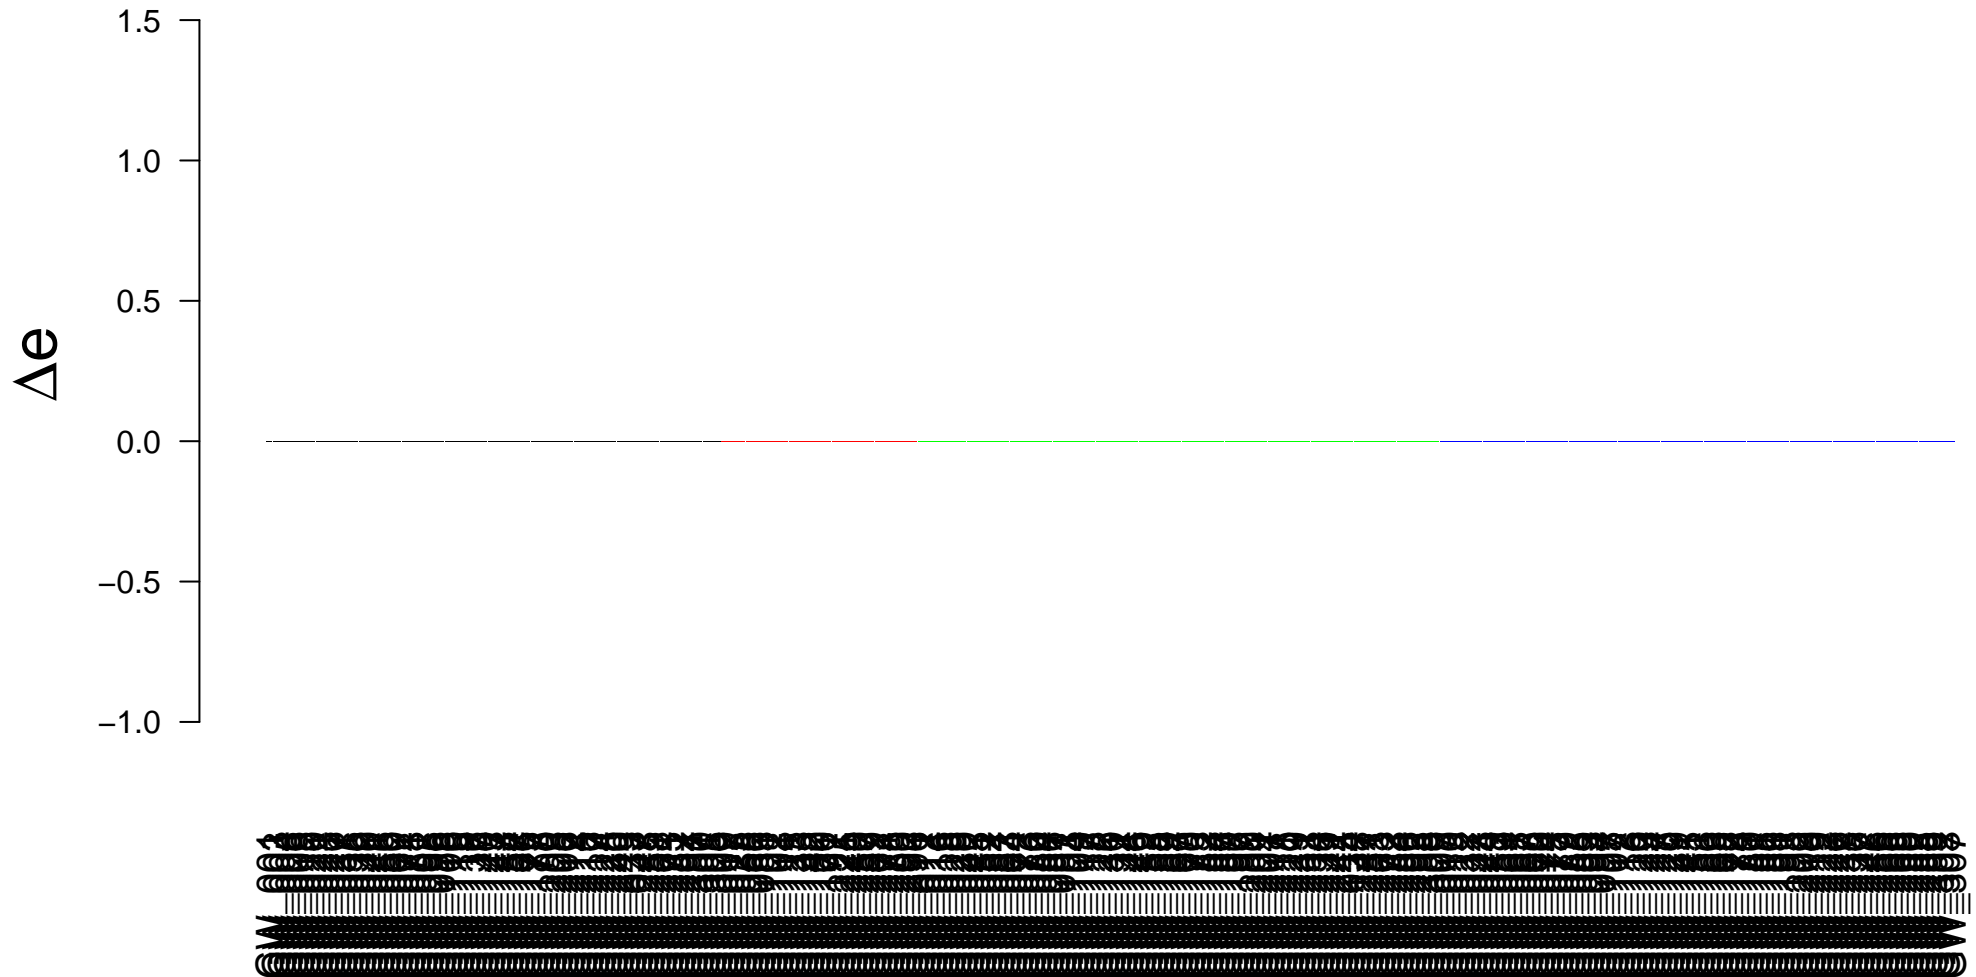

Expression of phosphatidylinositol-3-phosphate binding in Spot A

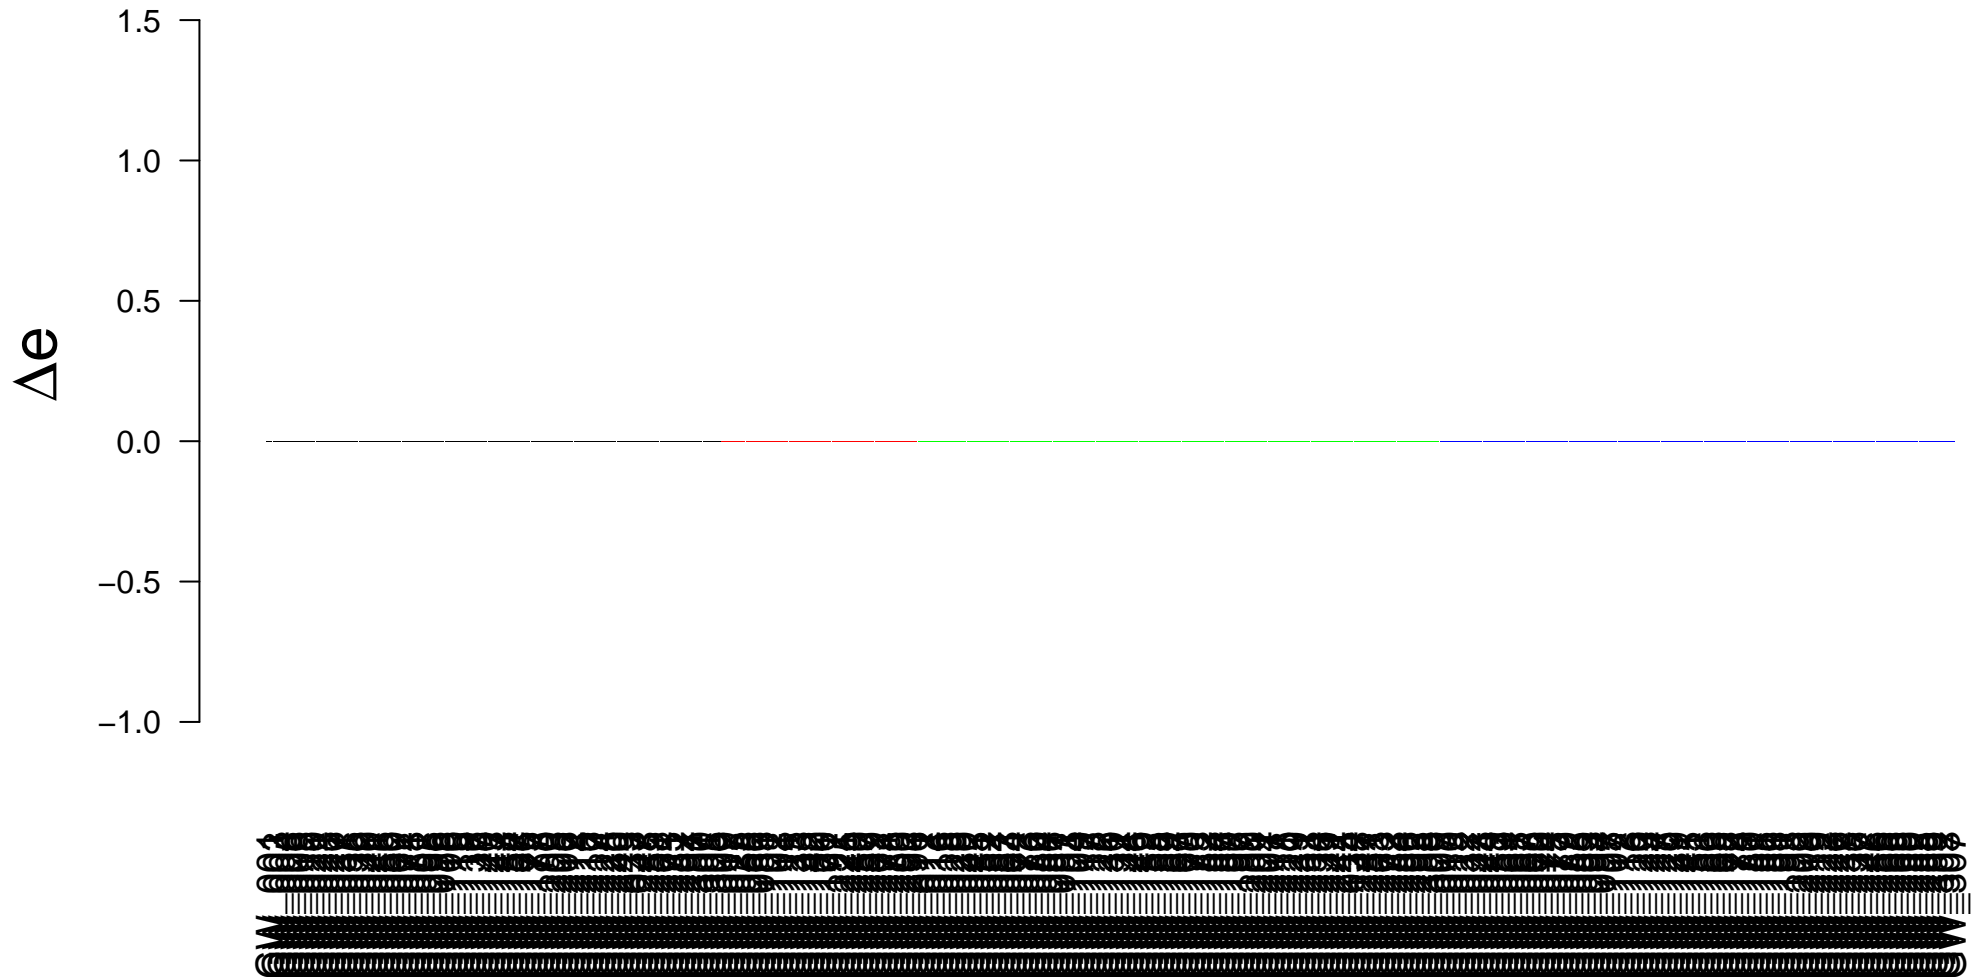

Expression of phosphatidylinositol-3-phosphate binding in Spot B

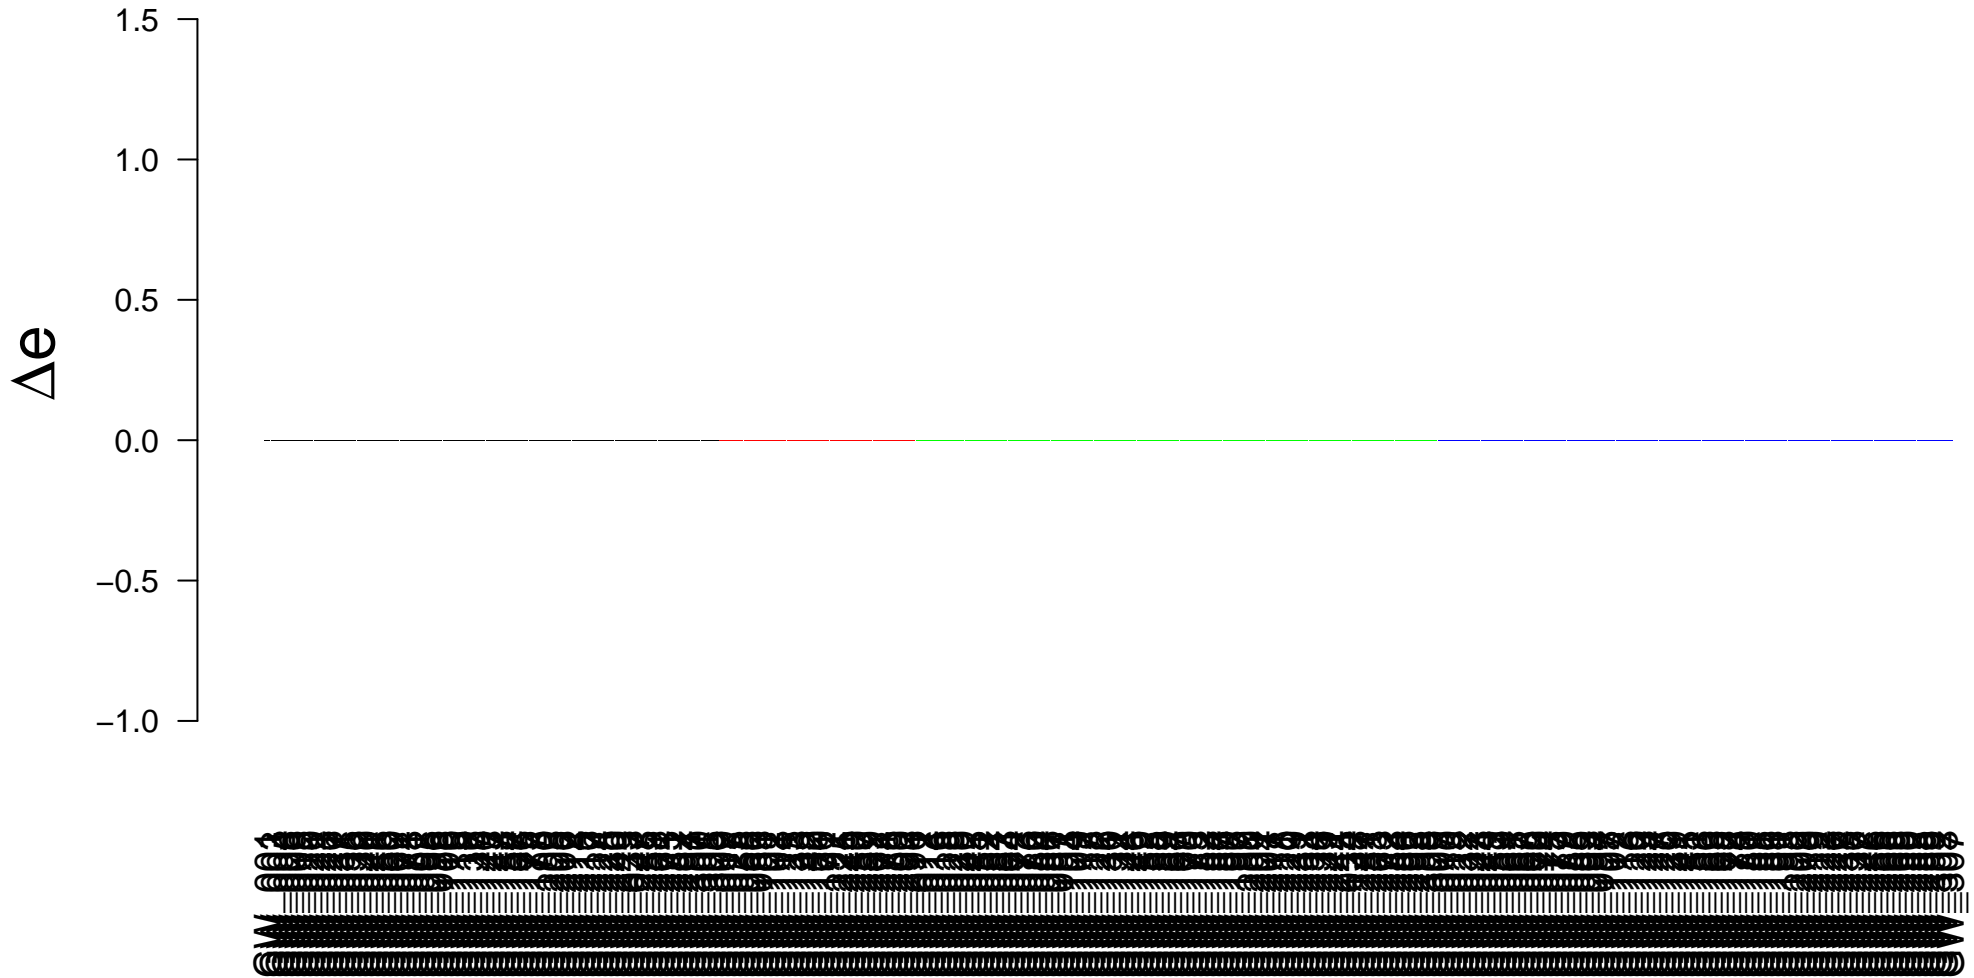

Expression of phosphatidylinositol-3-phosphate binding in Spot C

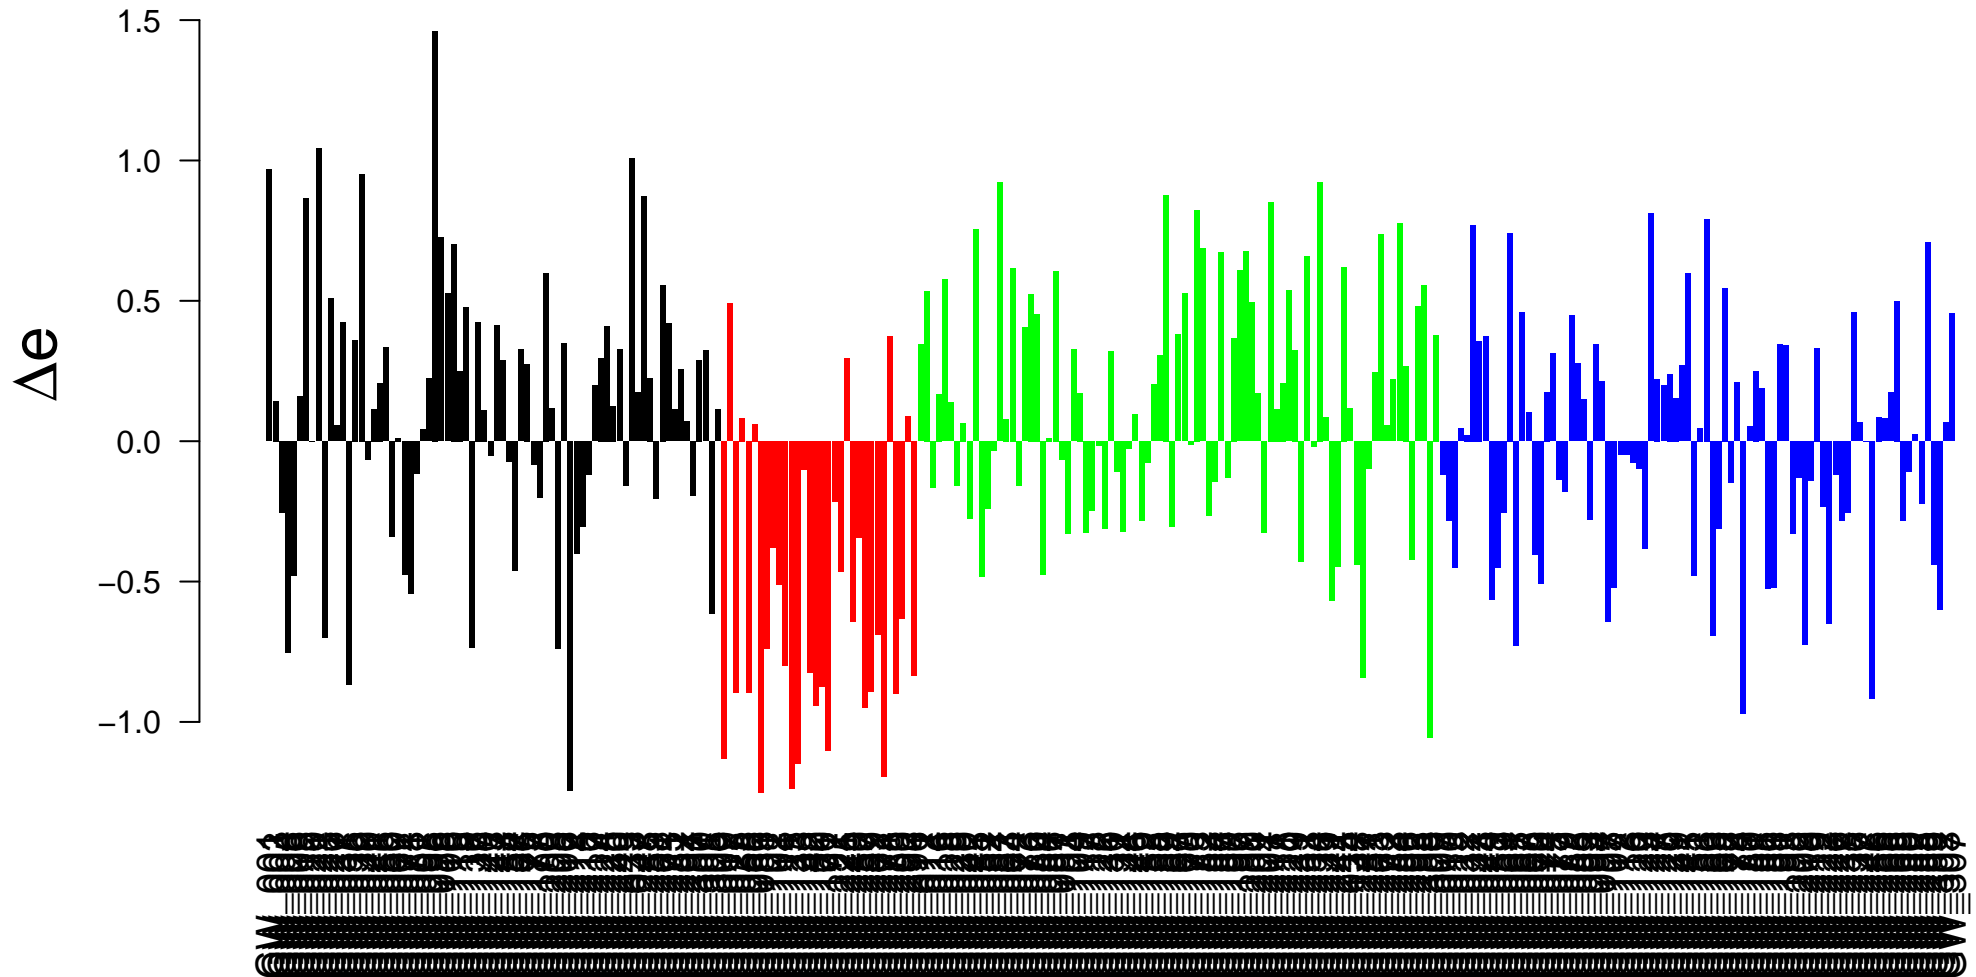

Expression of phosphatidylinositol-3-phosphate binding in Spot D

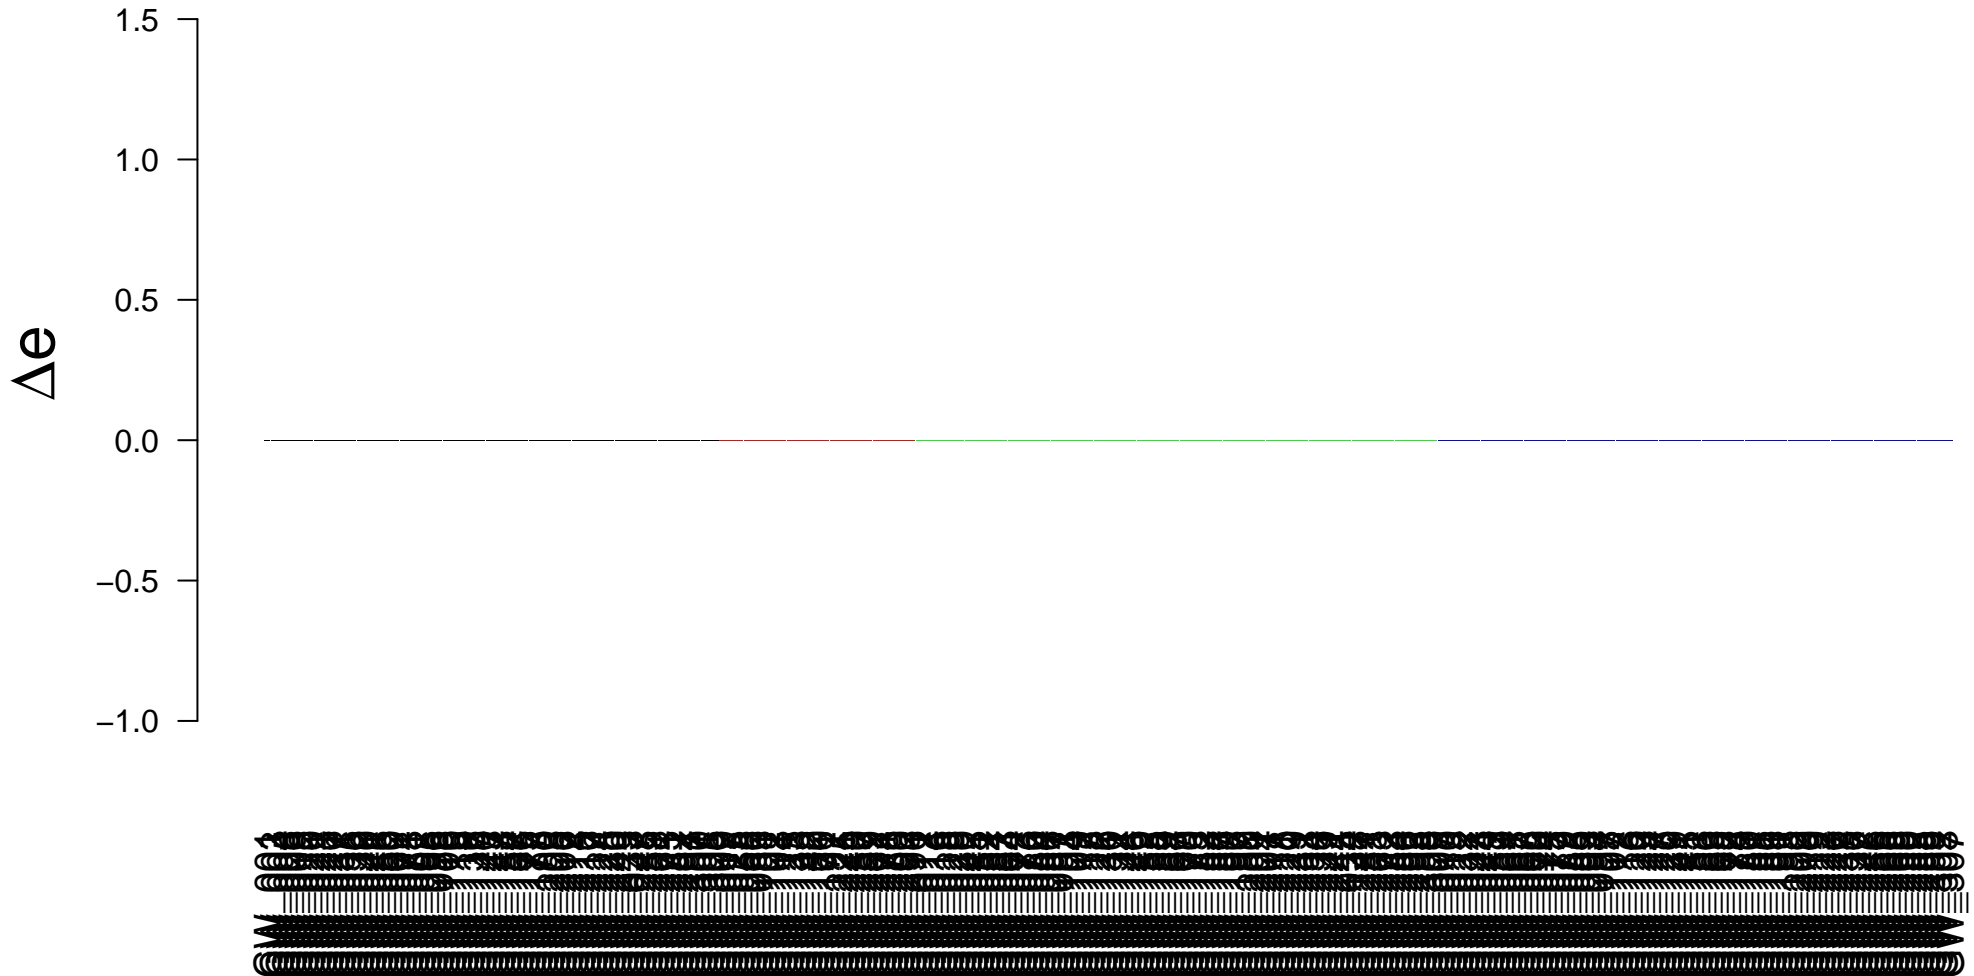

Expression of phosphatidylinositol-3-phosphate binding in Spot E

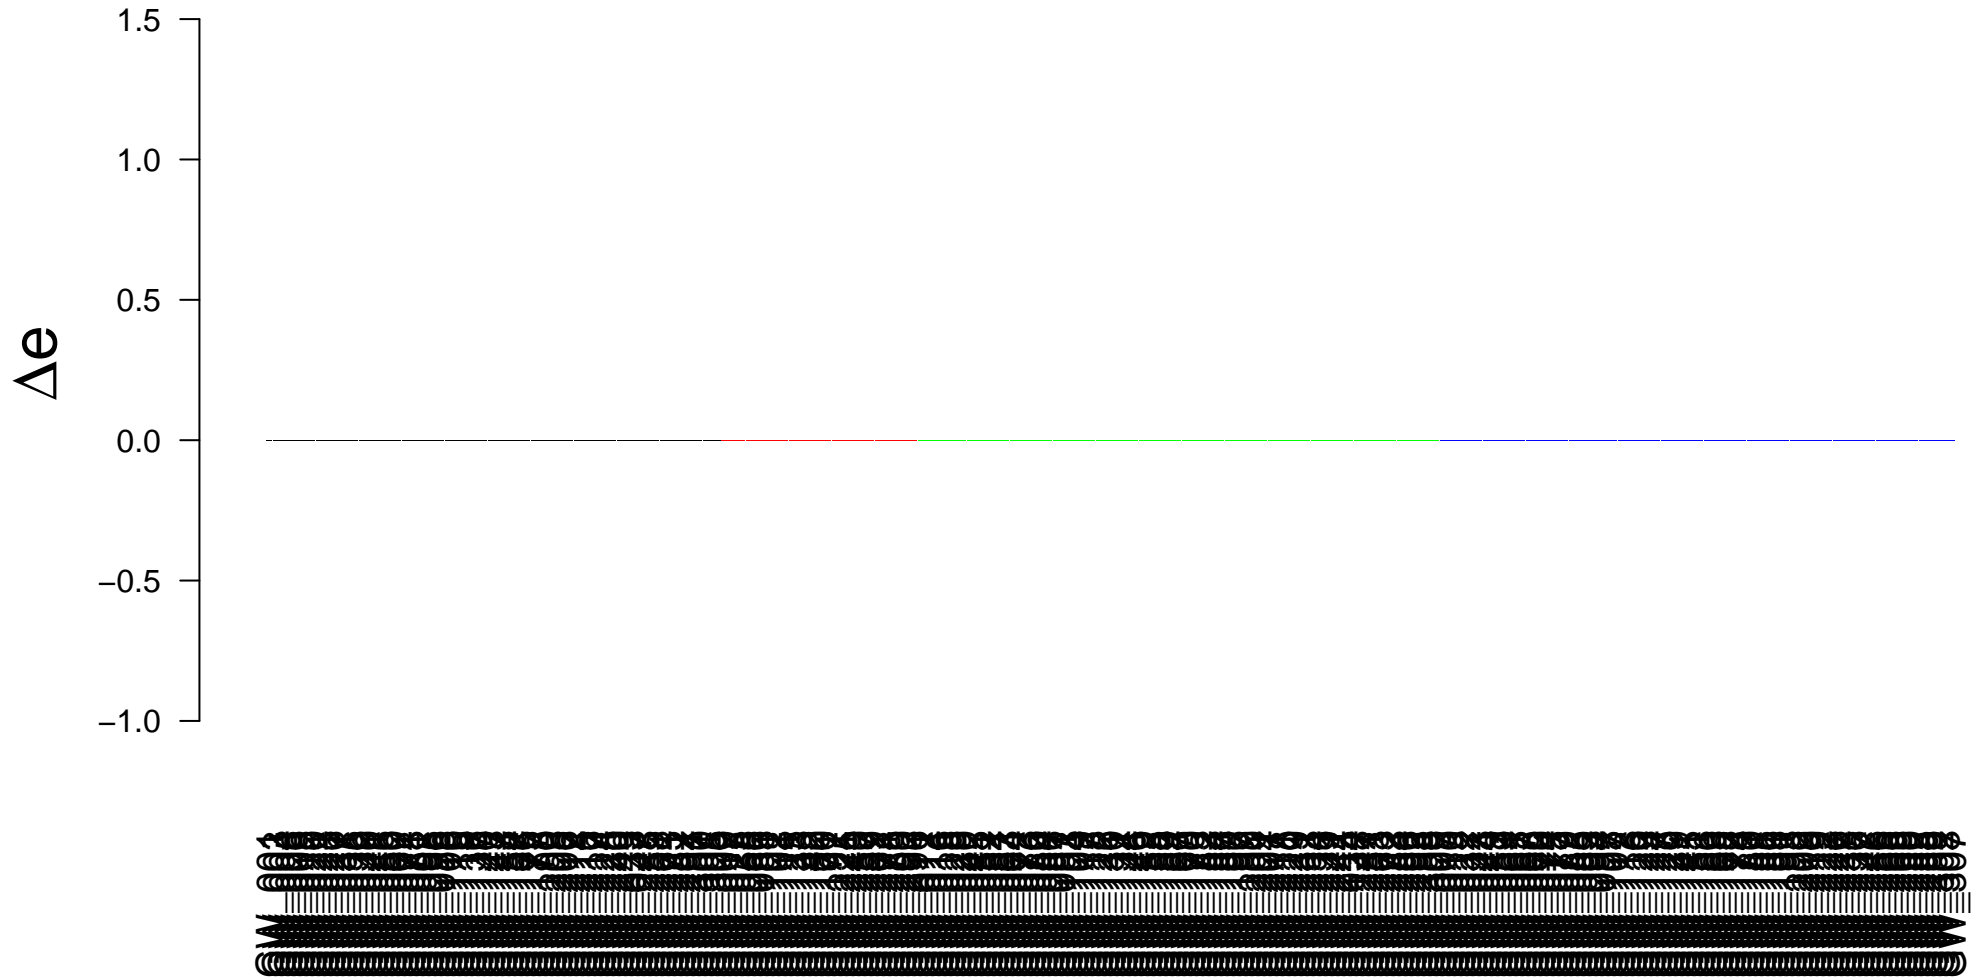

Expression of phosphatidylinositol-3-phosphate binding in Spot F

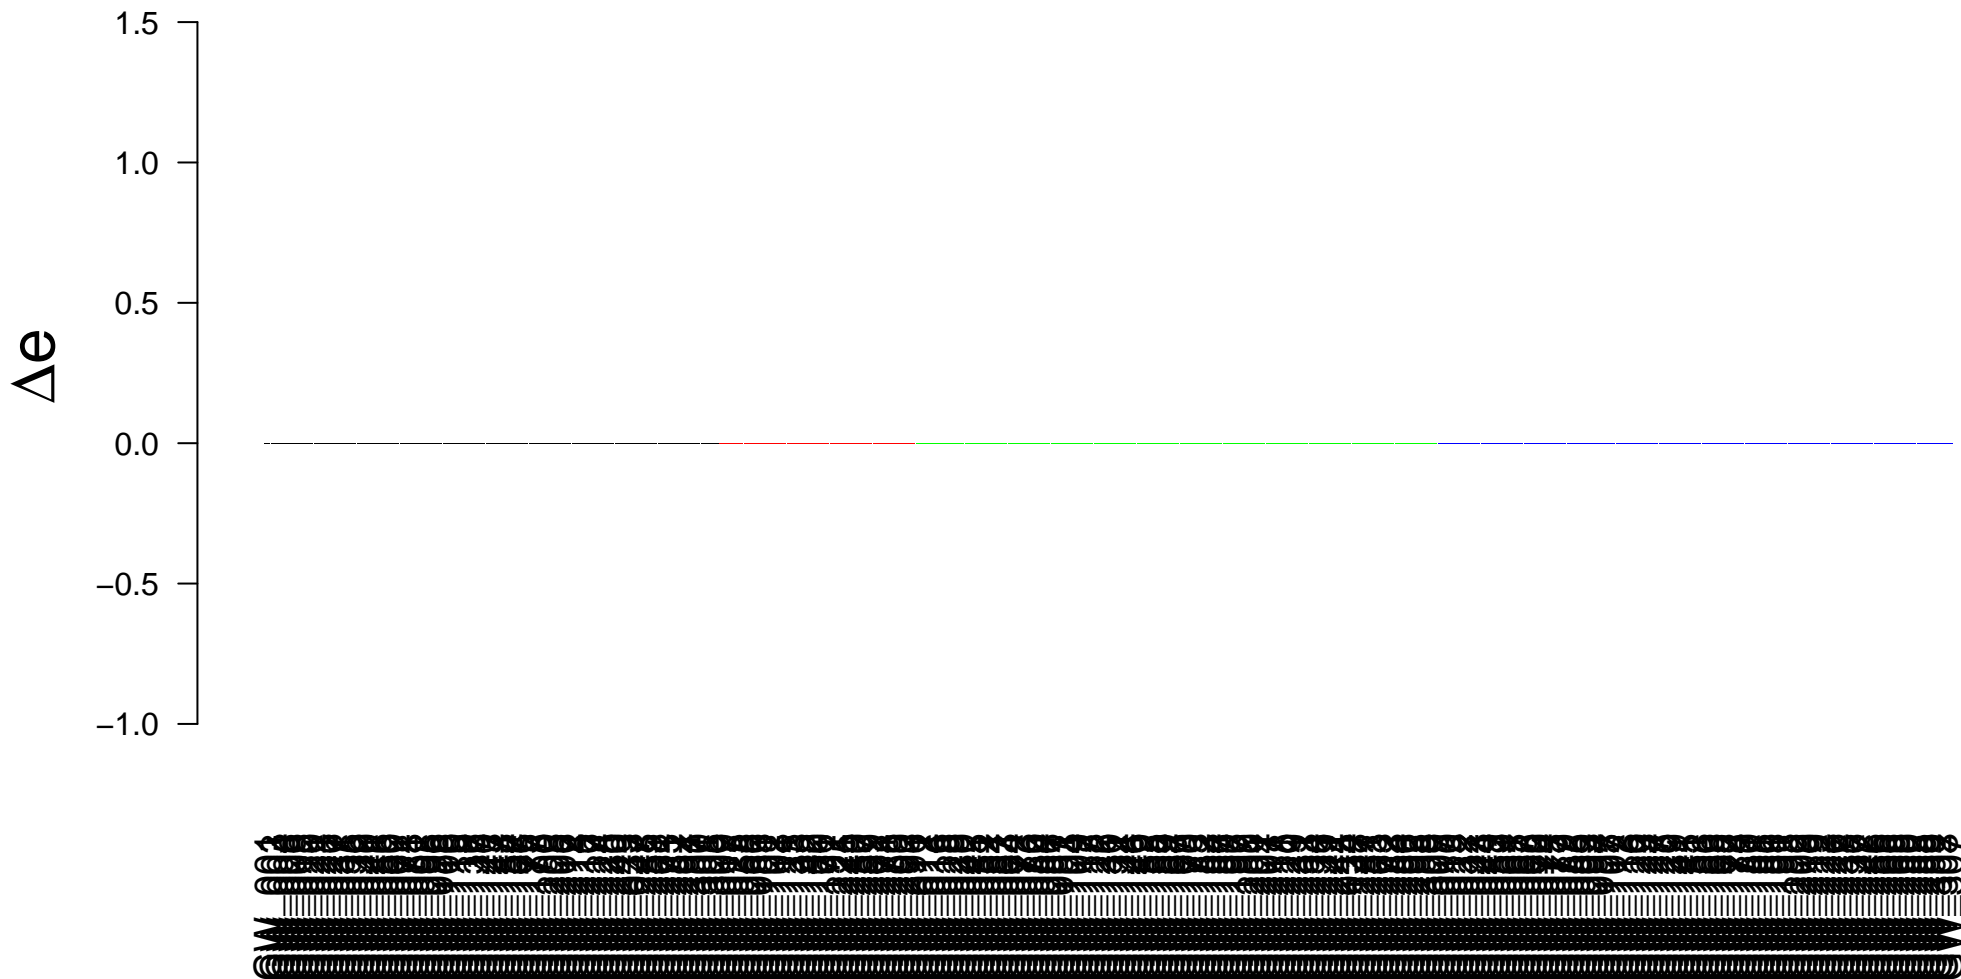

Expression of phosphatidylinositol-3-phosphate binding in Spot G

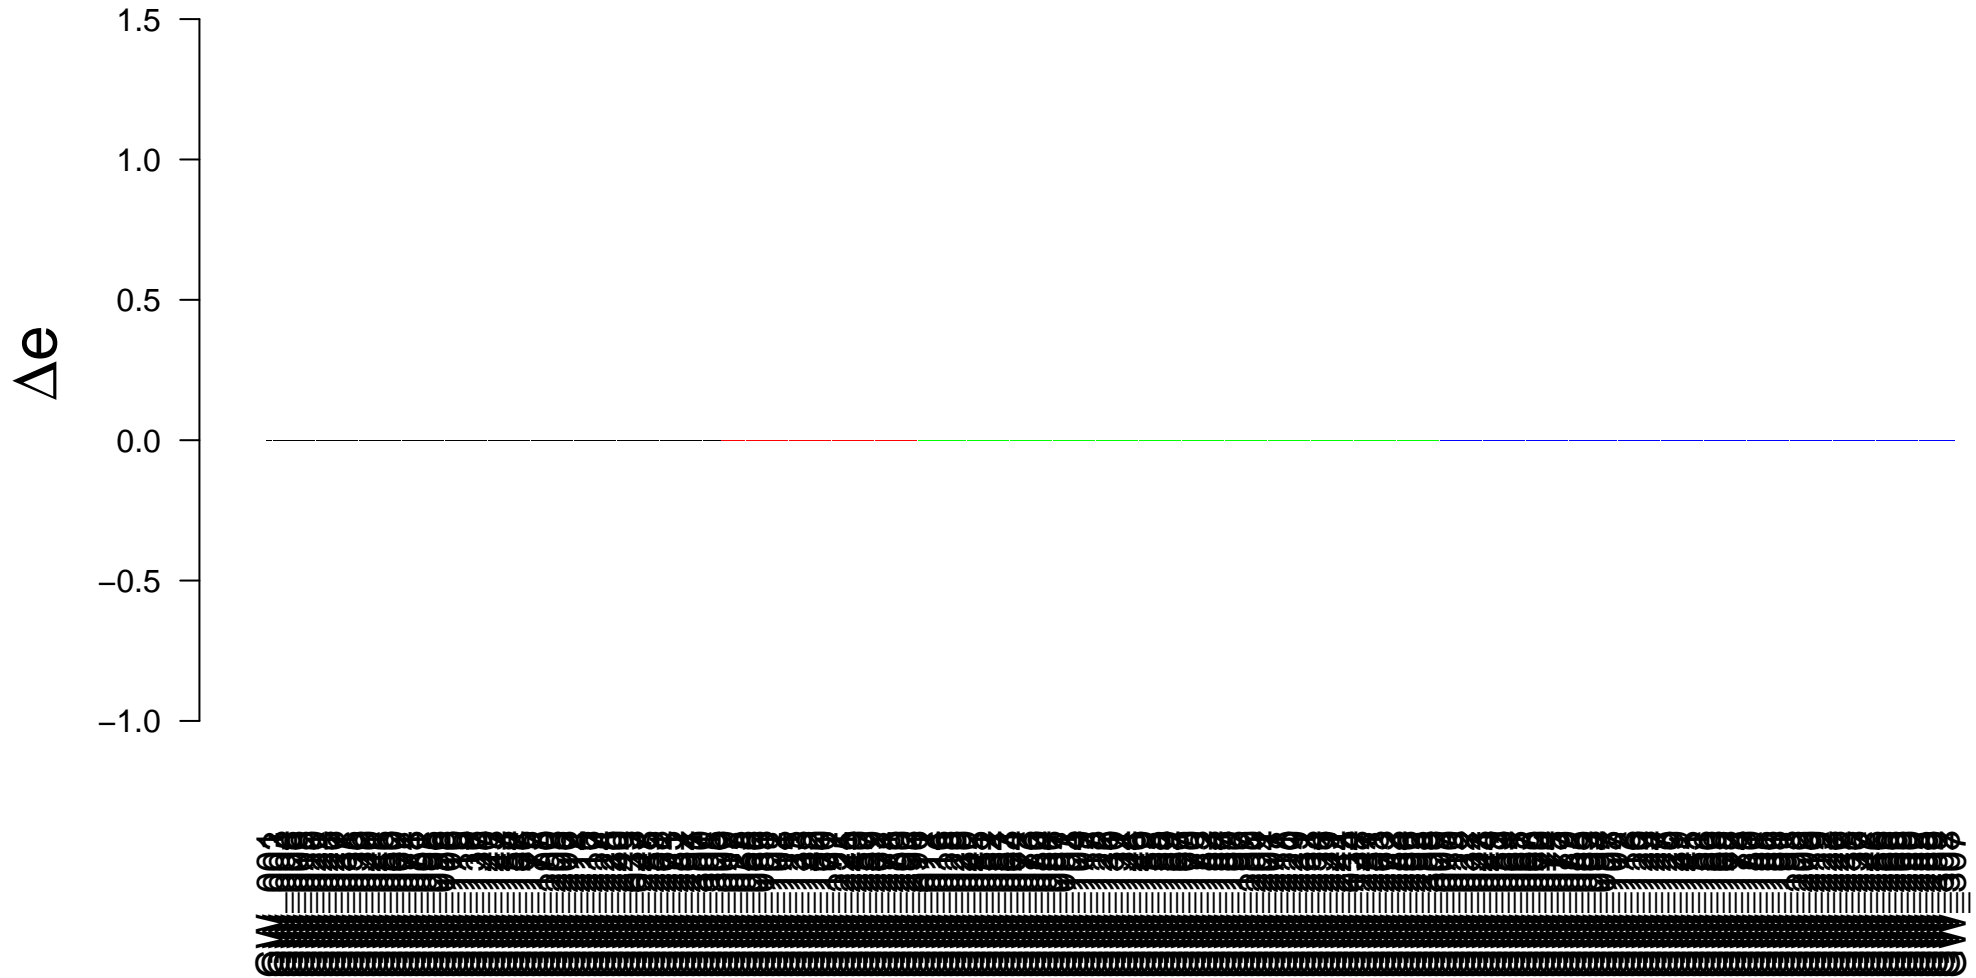

Expression of phosphatidylinositol-3-phosphate binding in Spot H

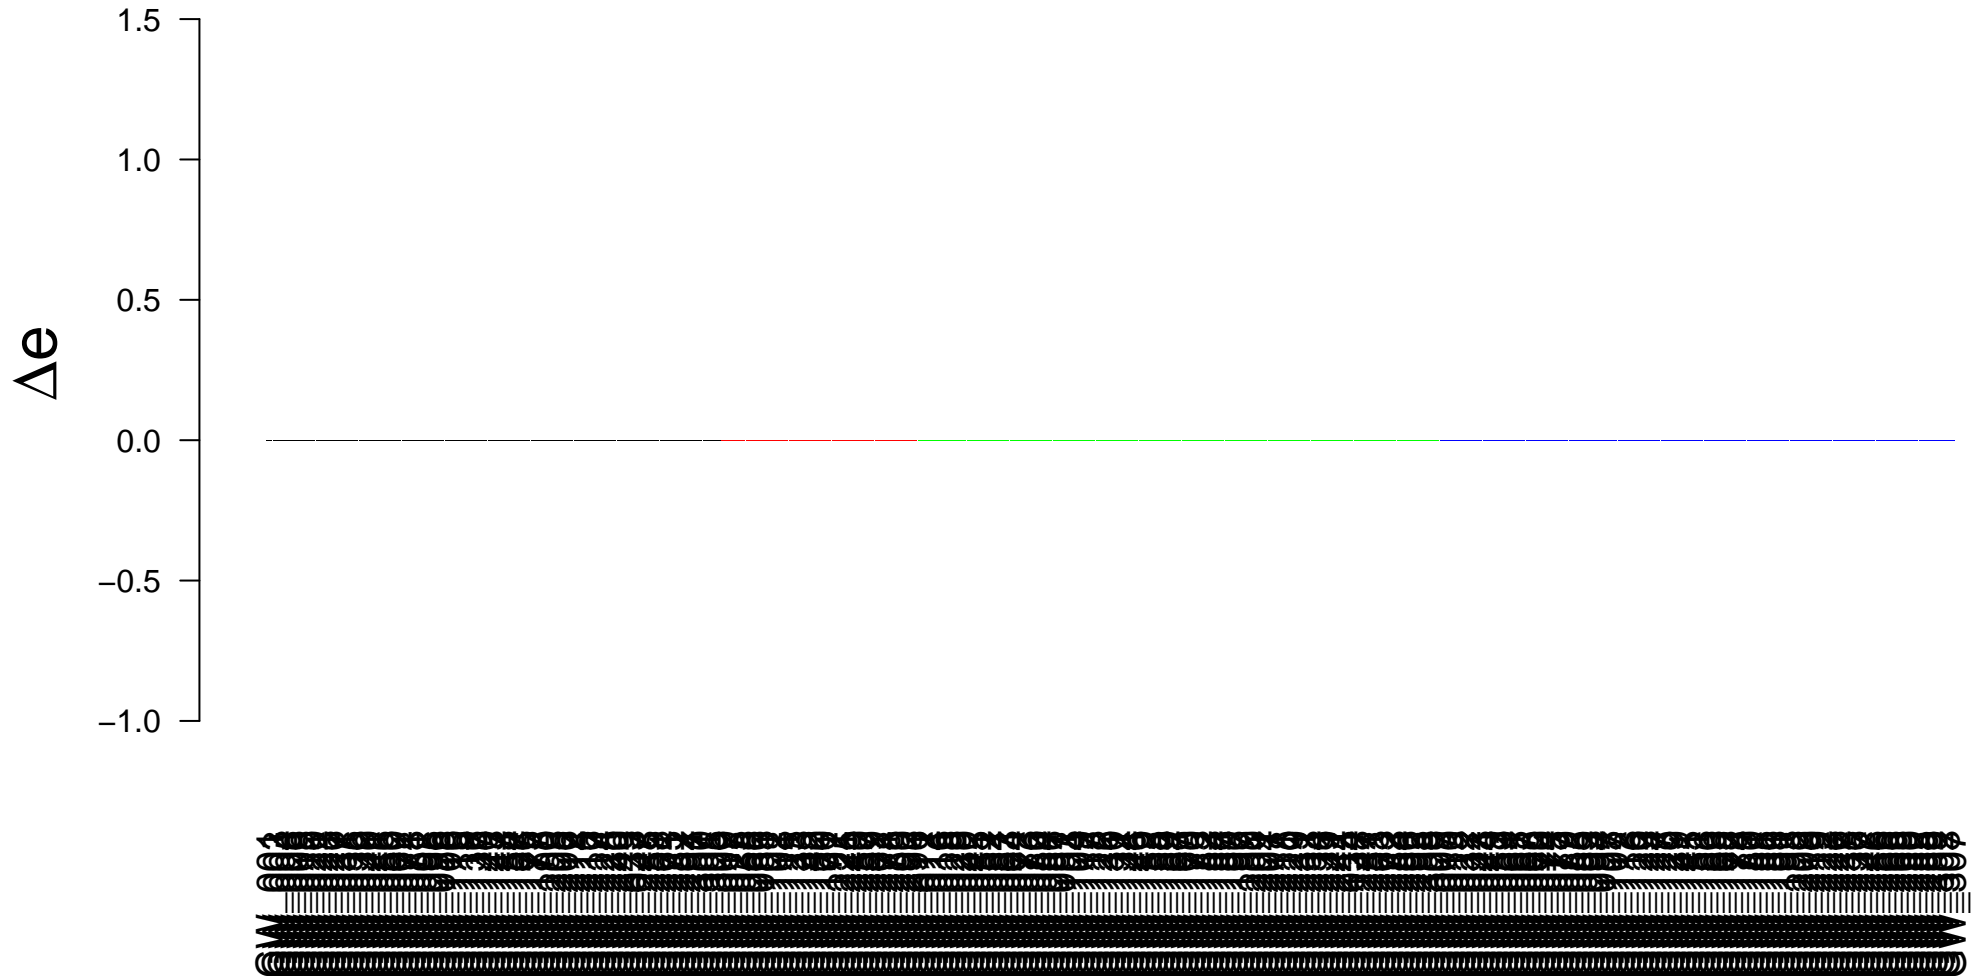

Expression of phosphatidylinositol-3-phosphate binding in Spot I

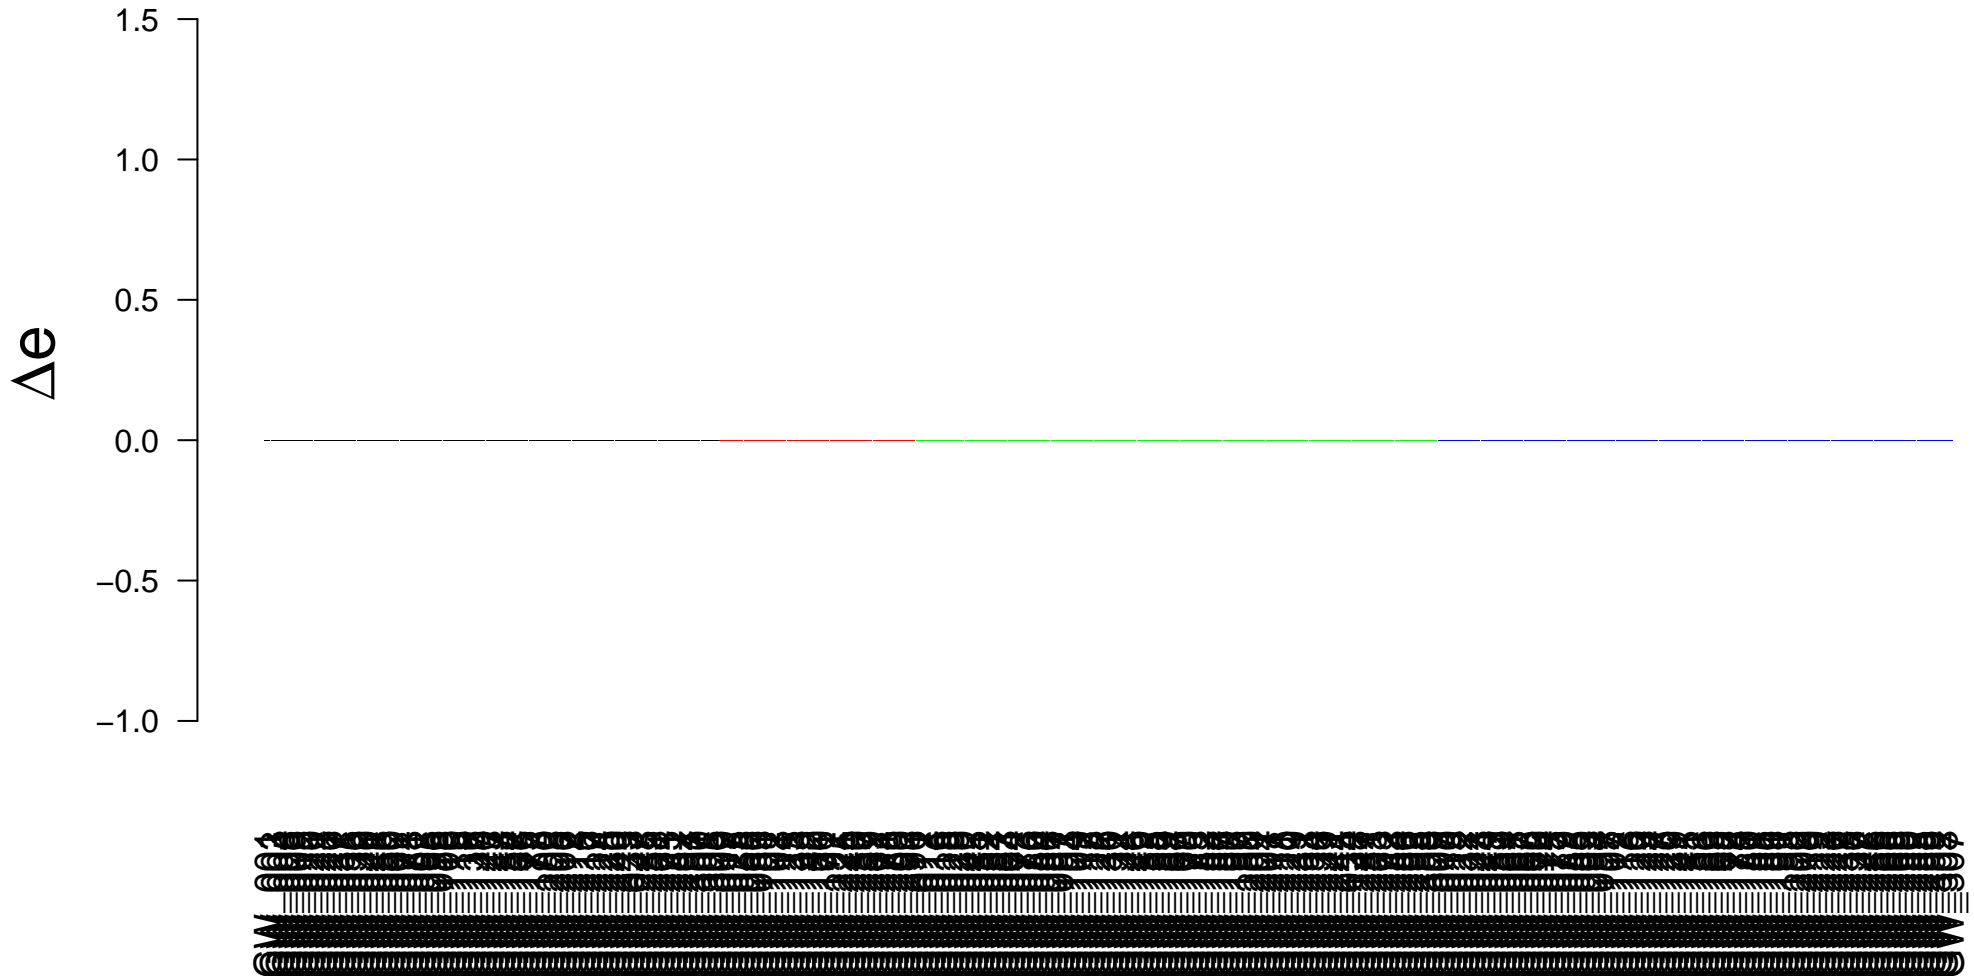

Expression of phosphatidylinositol-3-phosphate binding in Spot J

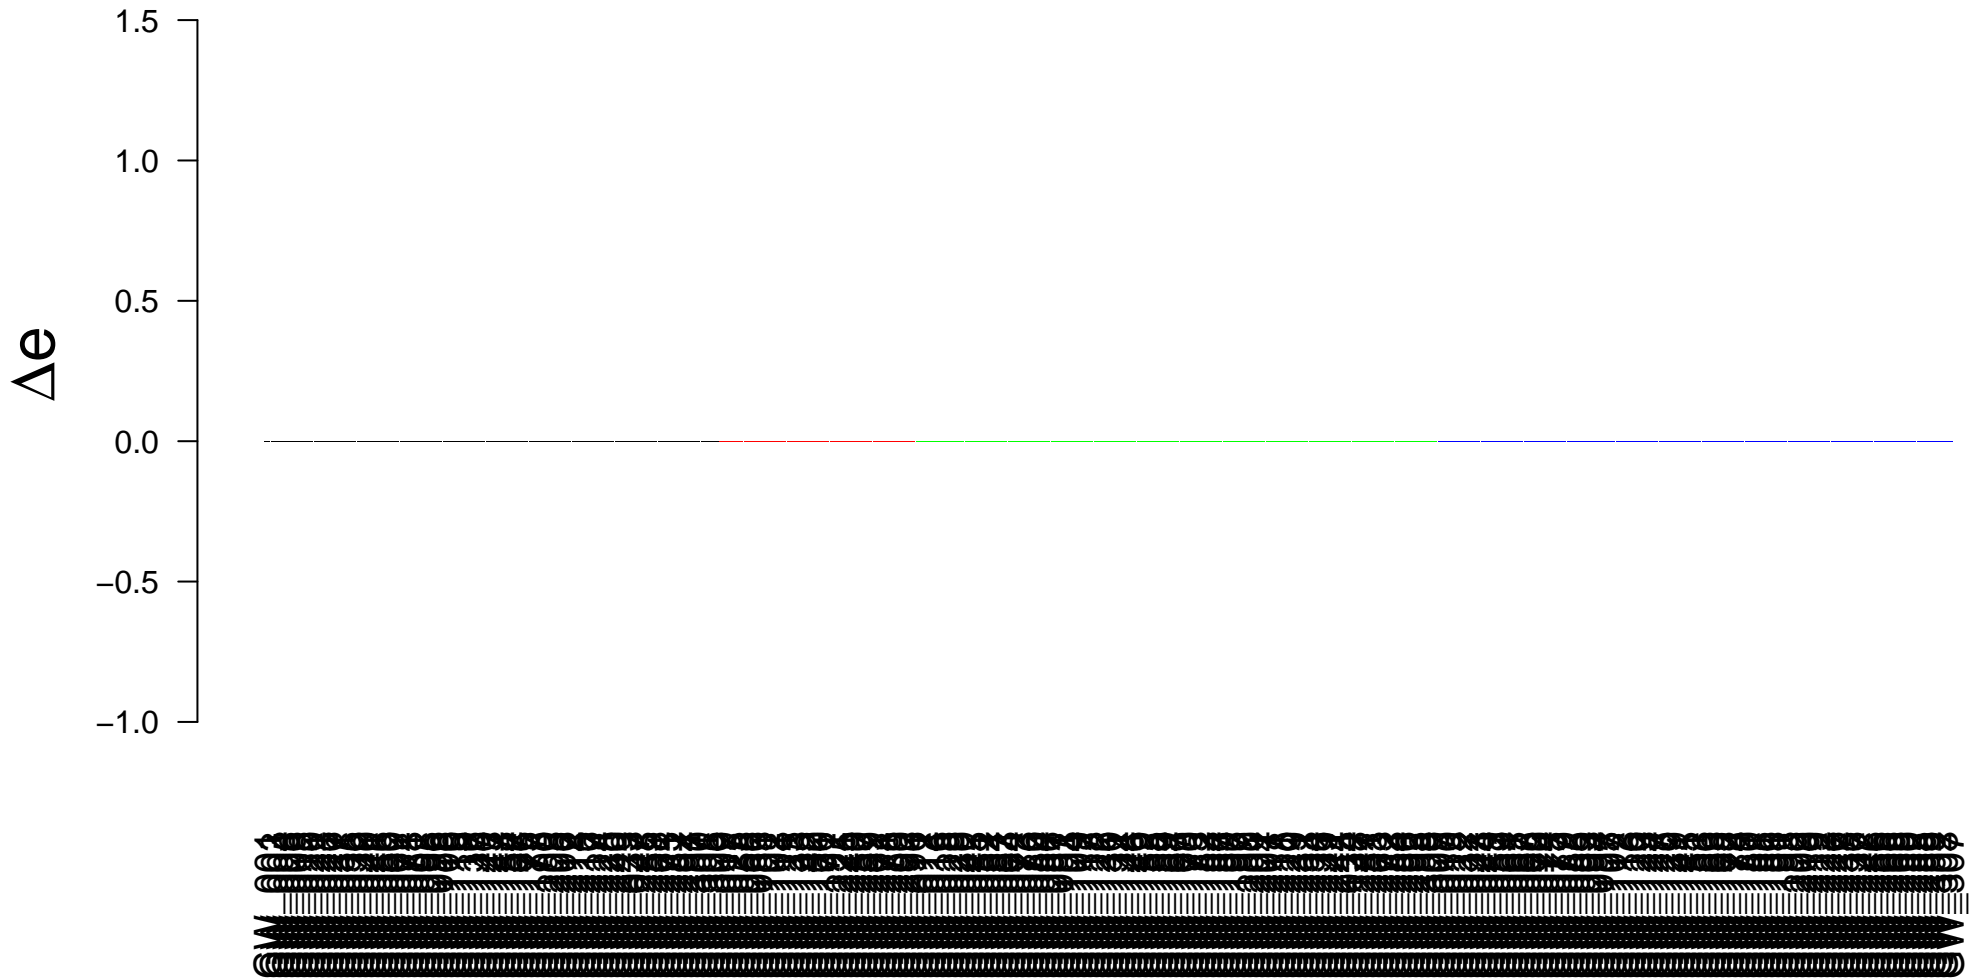

Expression of phosphatidylinositol-3-phosphate binding in Spot K

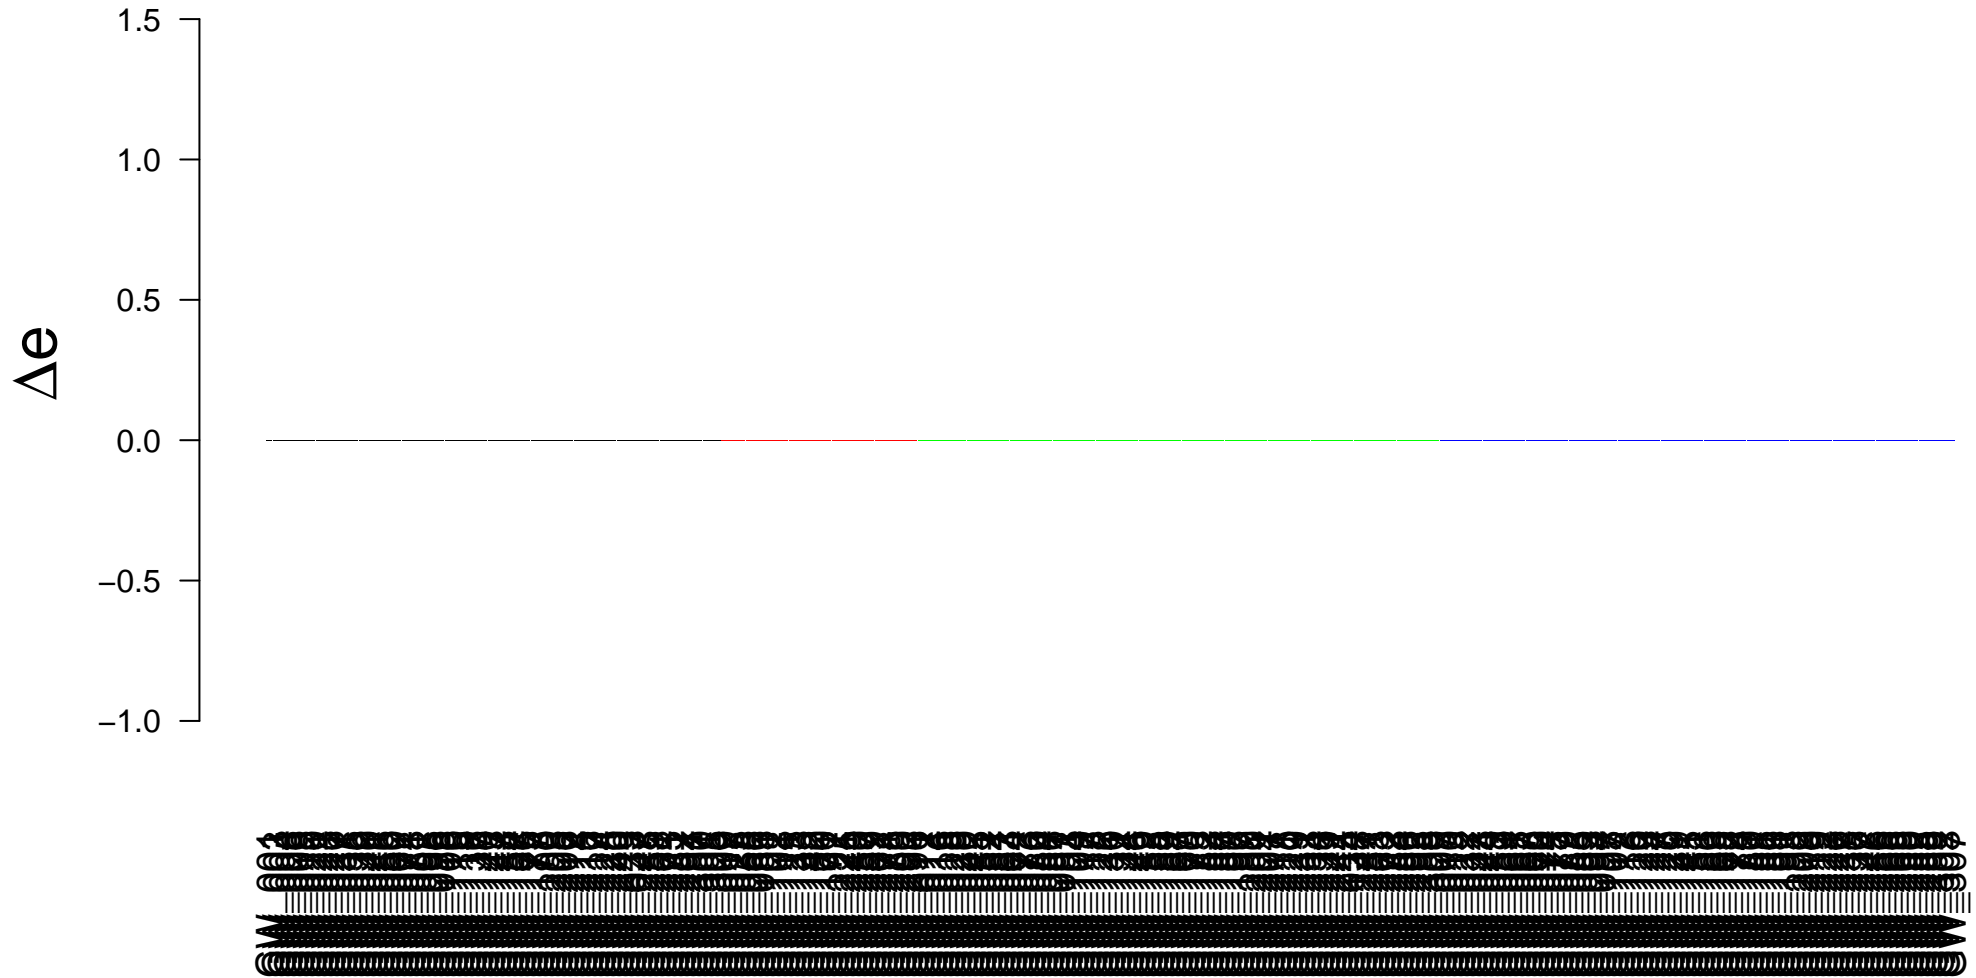

Expression of phosphatidylinositol-3-phosphate binding in Spot L

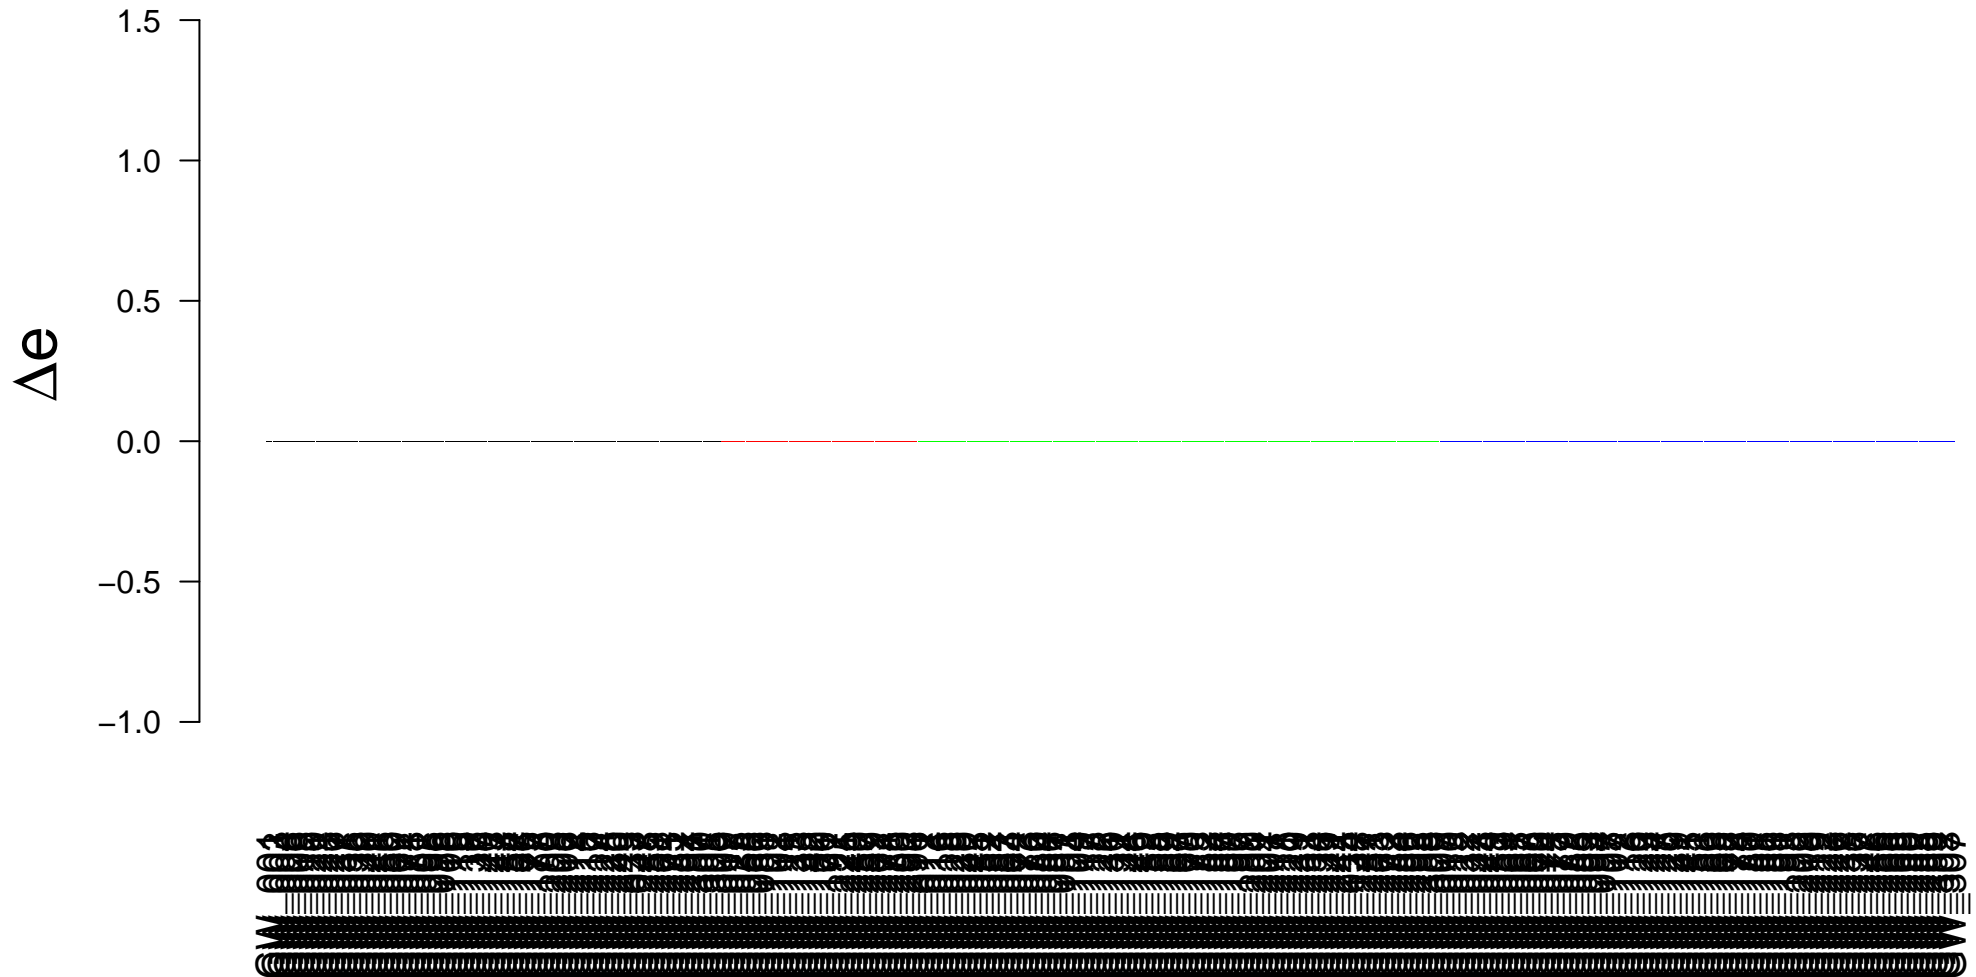

Expression of phosphatidylinositol-3-phosphate binding in Spot M

Expression of phosphatidylinositol-3-phosphate binding in Spot N

Expression of phosphatidylinositol-3-phosphate binding in Spot O

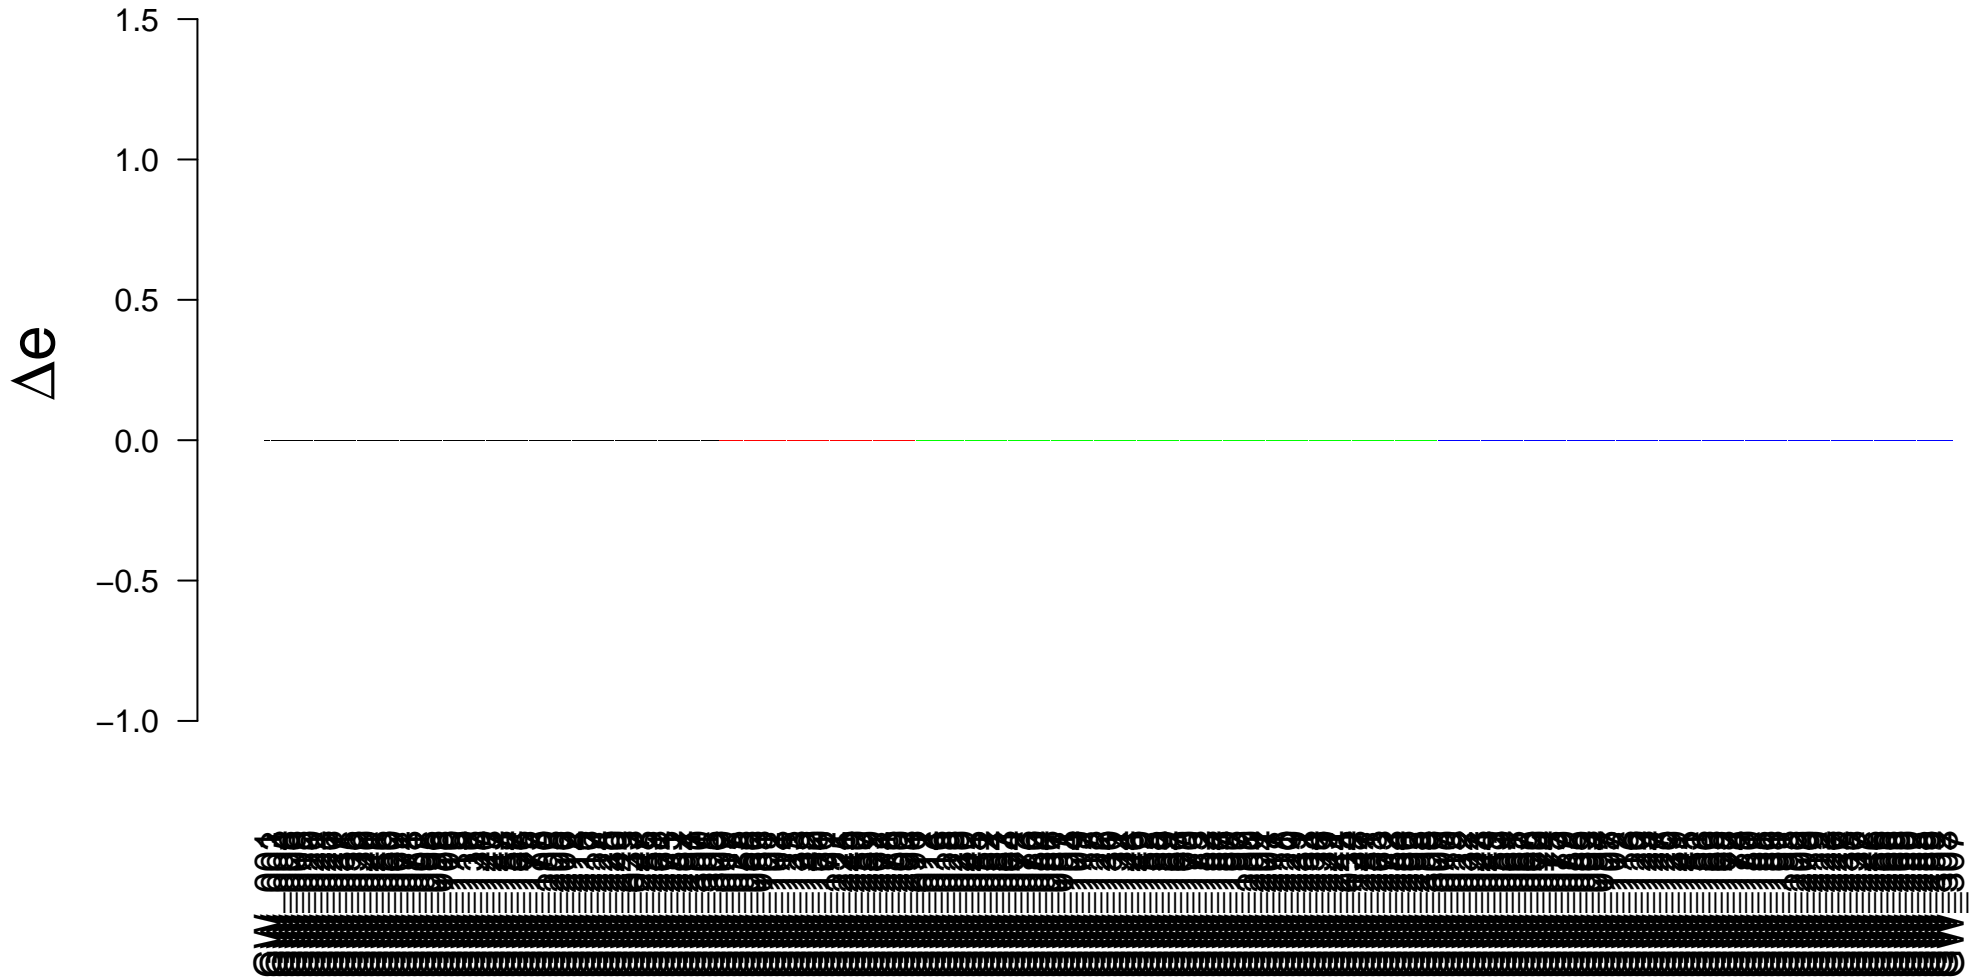

Expression of phosphatidylinositol-3-phosphate binding in Spot P

Δe

Expression of phosphatidylinositol-3-phosphate binding in Spot Q

Expression of phosphatidylinositol-3-phosphate binding in Spot R
