

phosphatidylinositol biosynthetic process

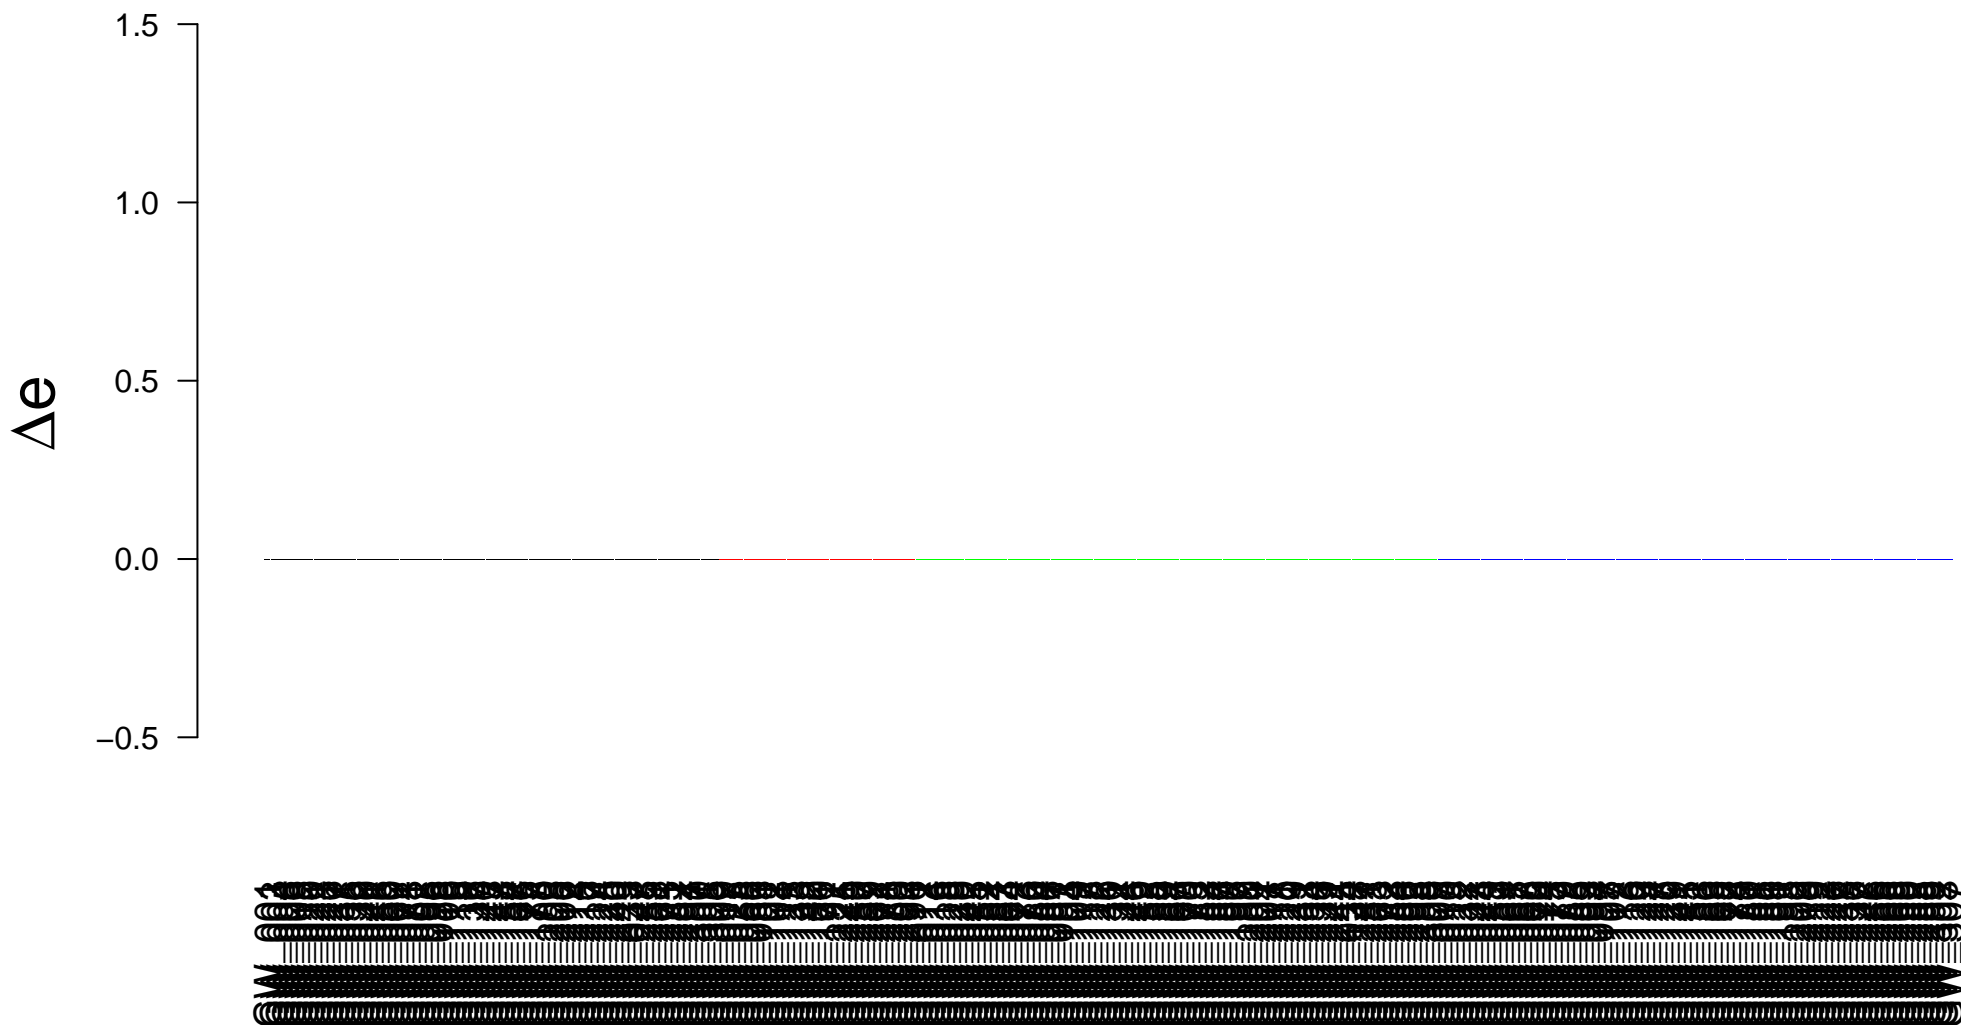

phosphatidylinositol biosynthetic process

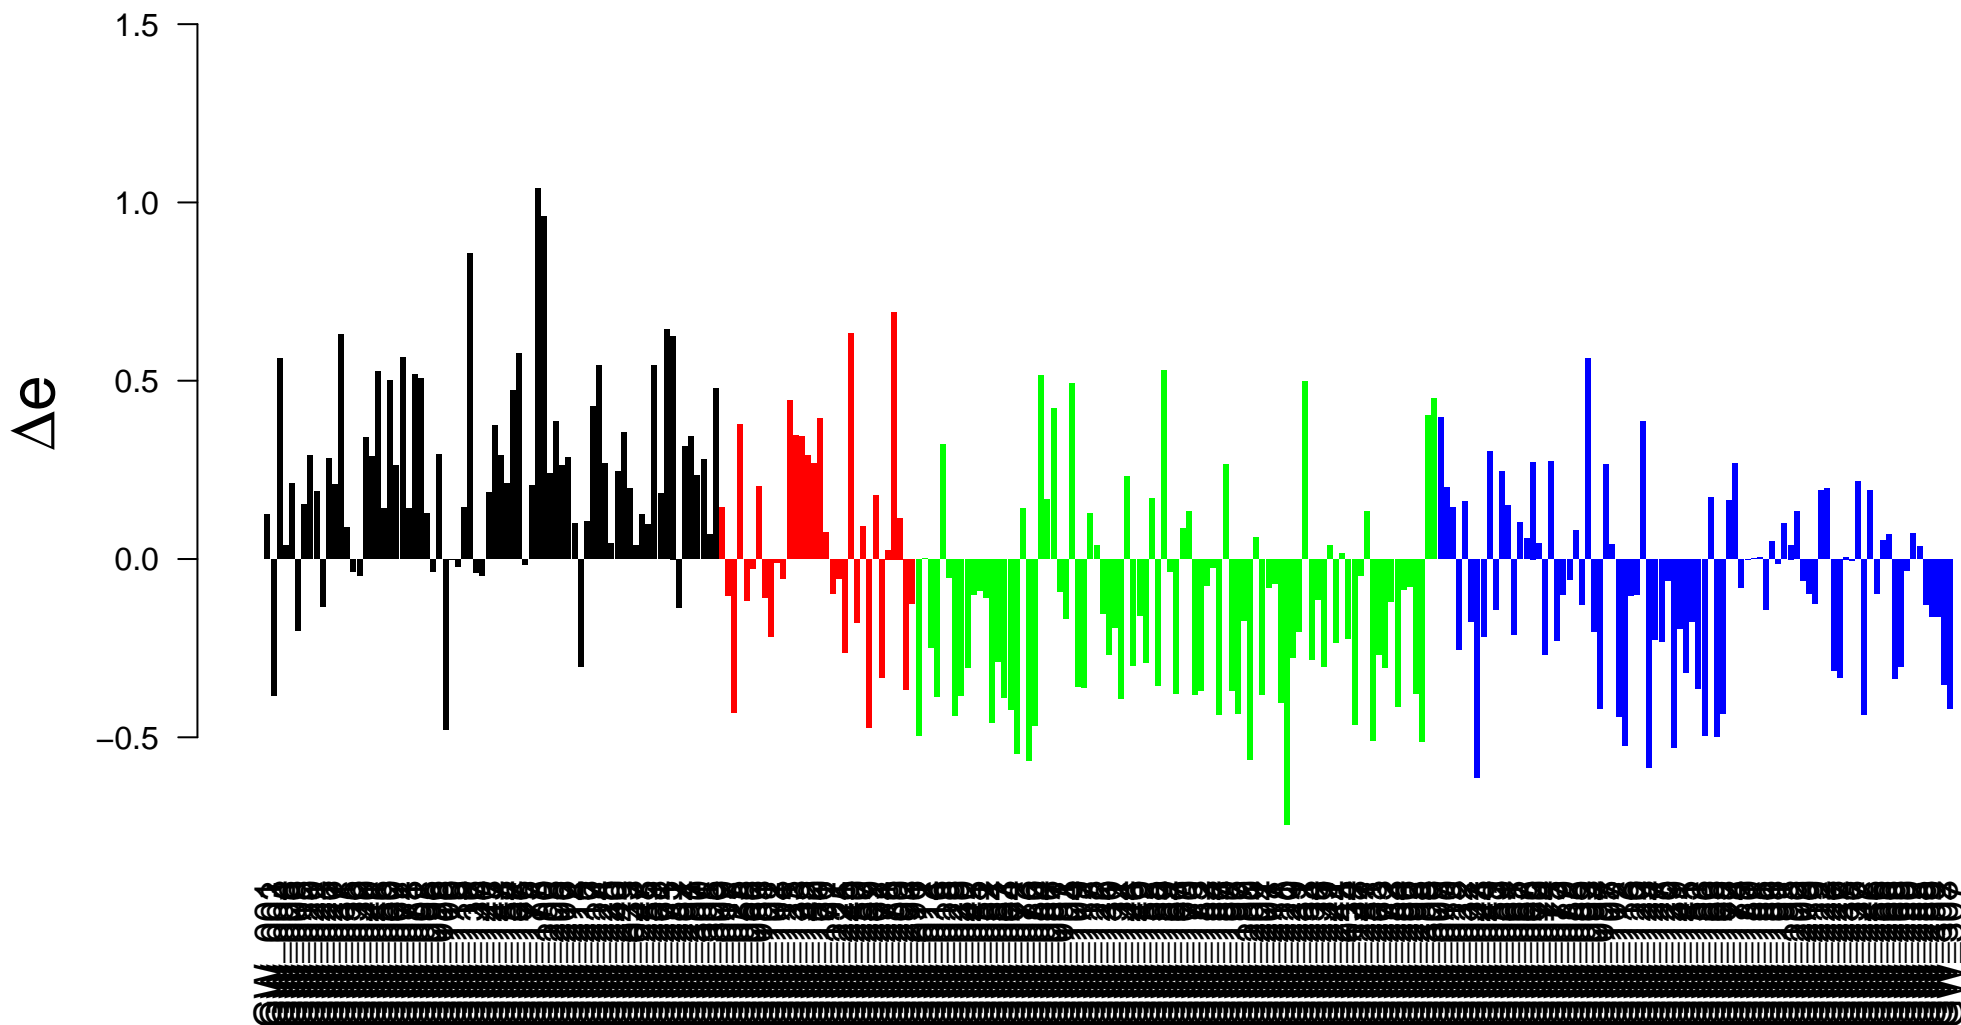

Enrichment in spots: phosphatidylinositol biosynthetic process

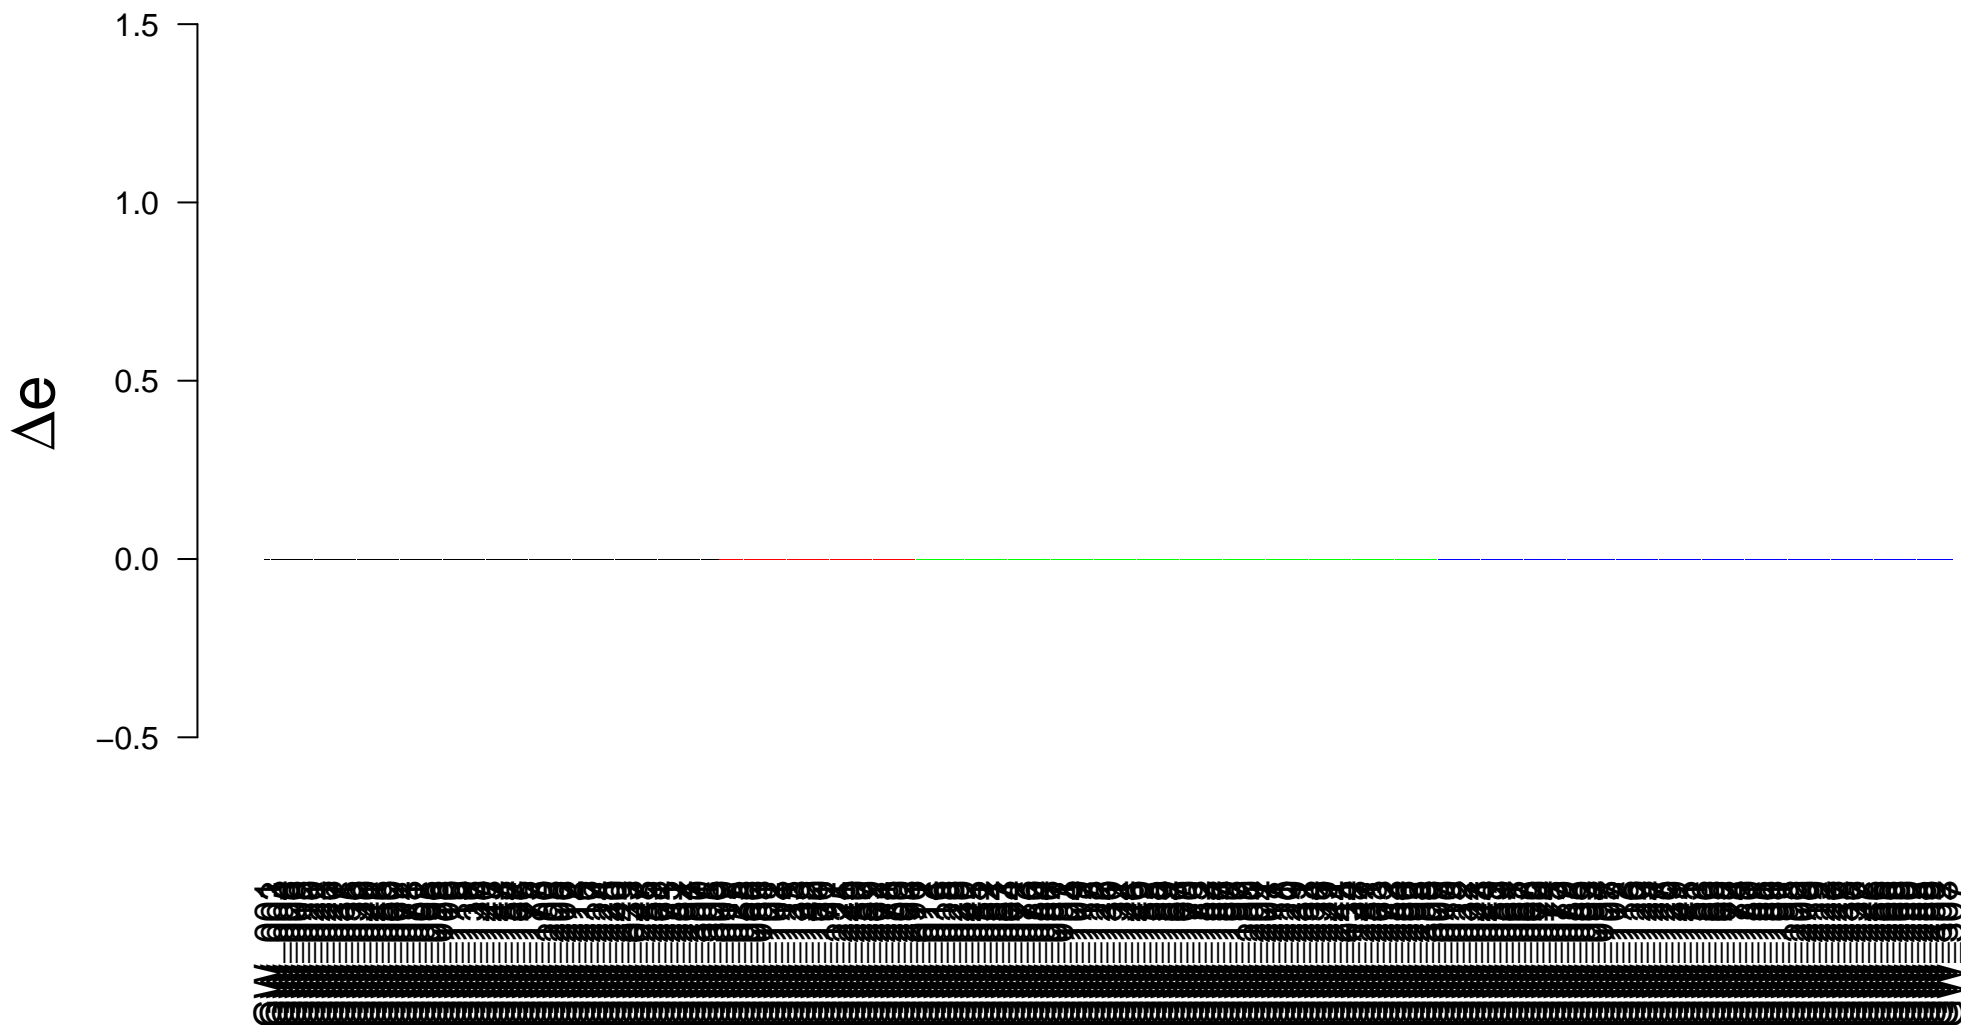

Expression of phosphatidylinositol biosynthetic process in Spot A

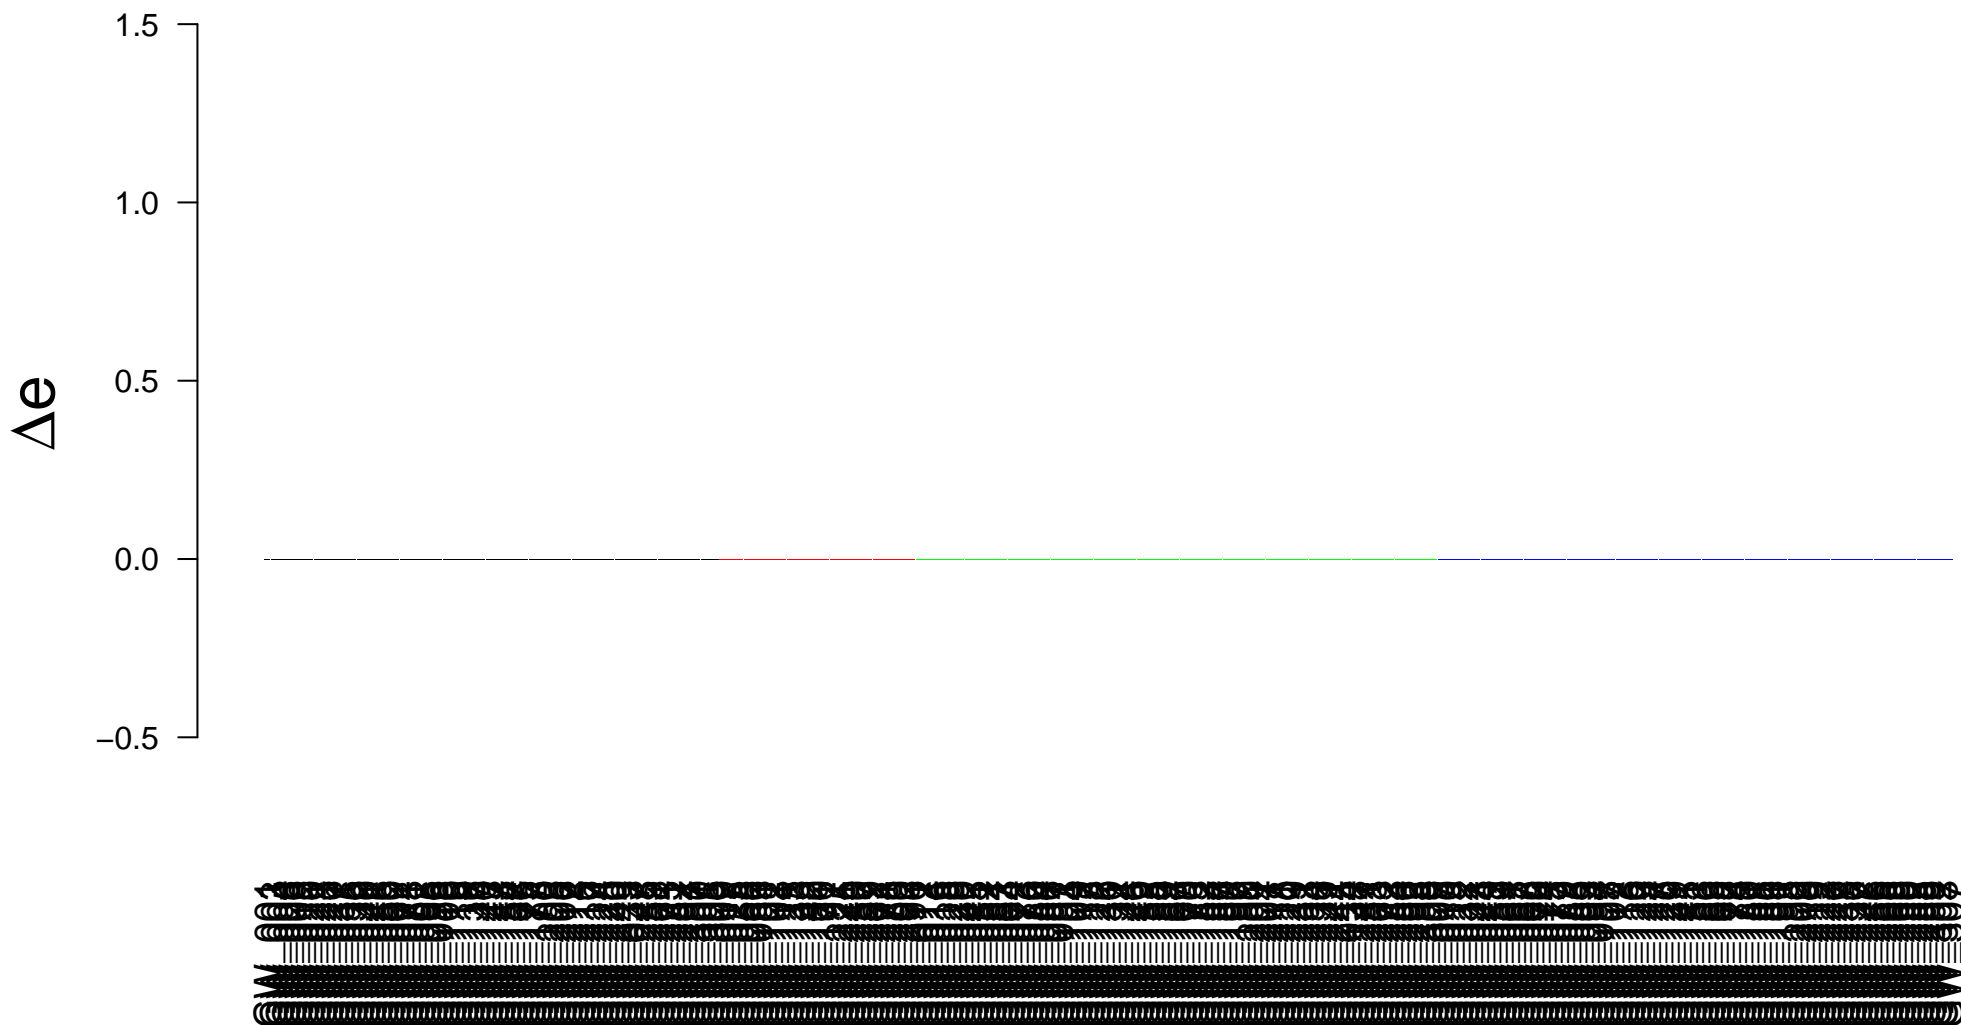

Expression of phosphatidylinositol biosynthetic process in Spot B

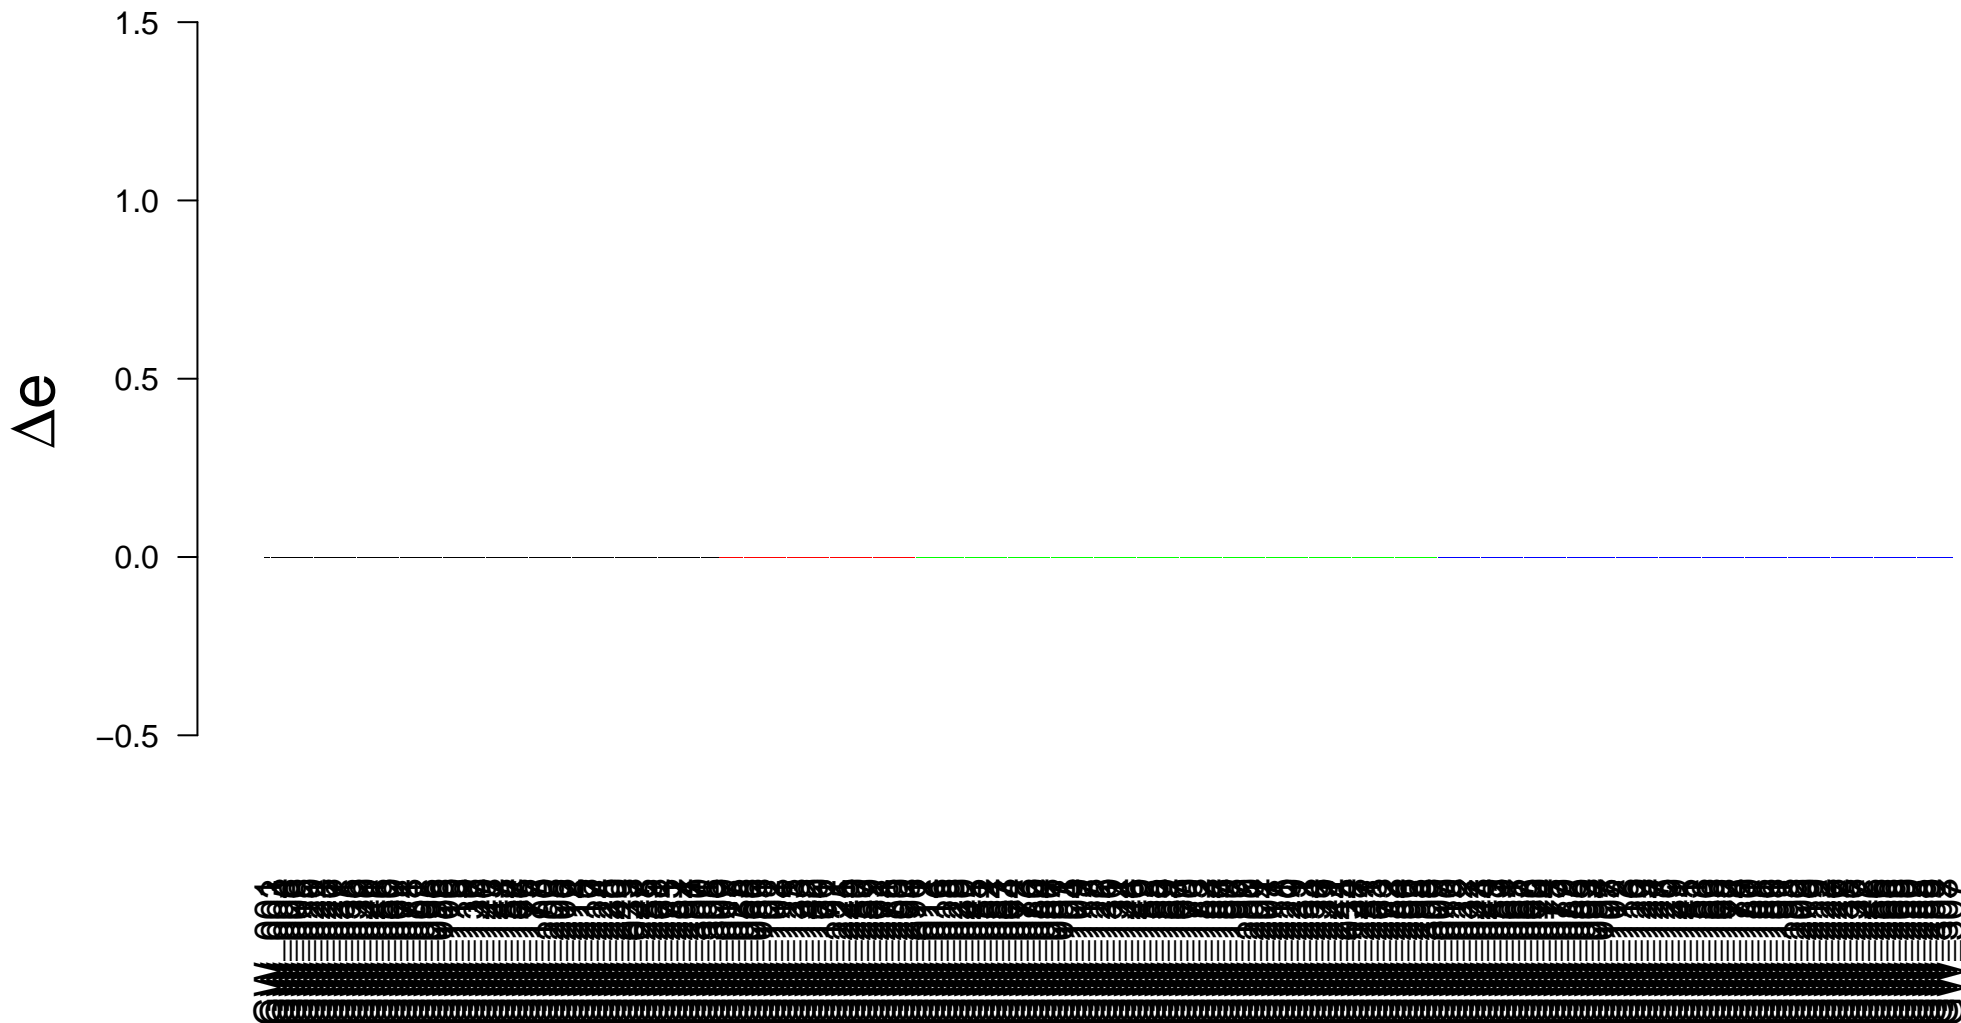

Expression of phosphatidylinositol biosynthetic process in Spot C

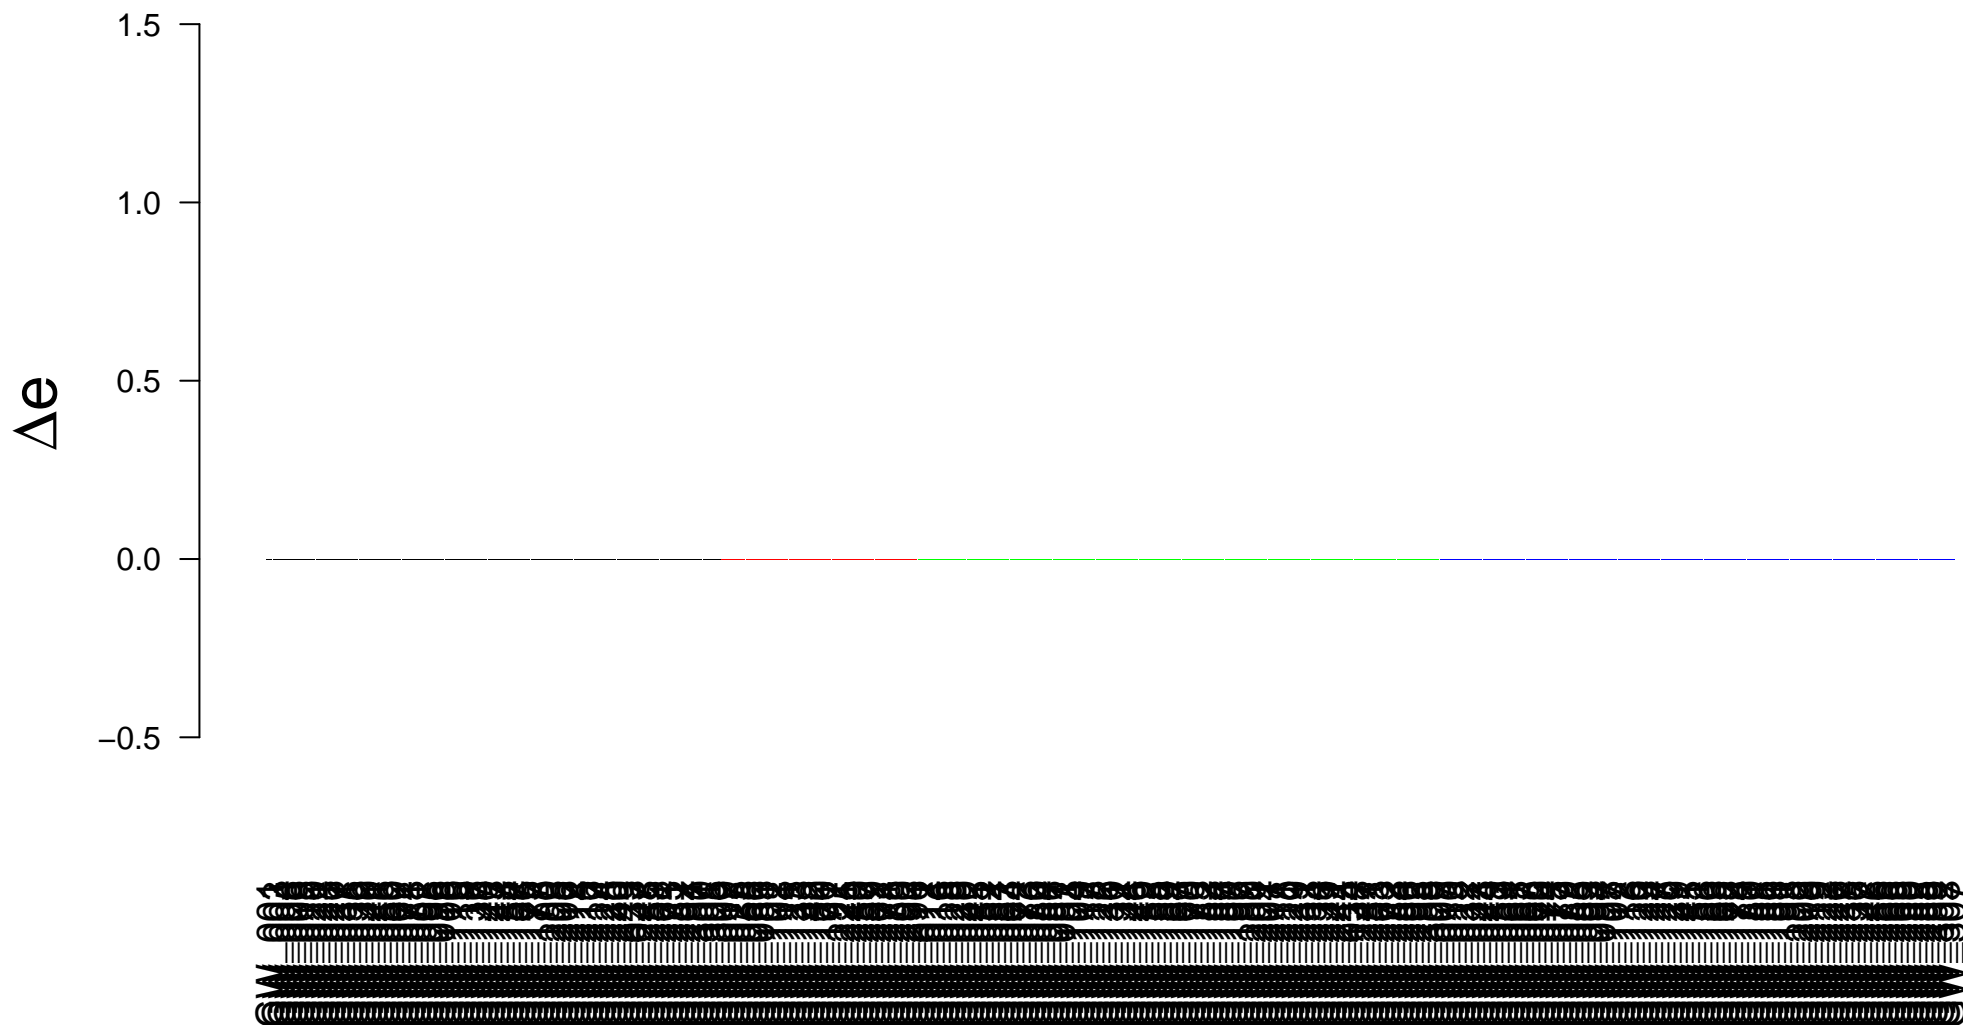

Expression of phosphatidylinositol biosynthetic process in Spot D

Expression of phosphatidylinositol biosynthetic process in Spot E

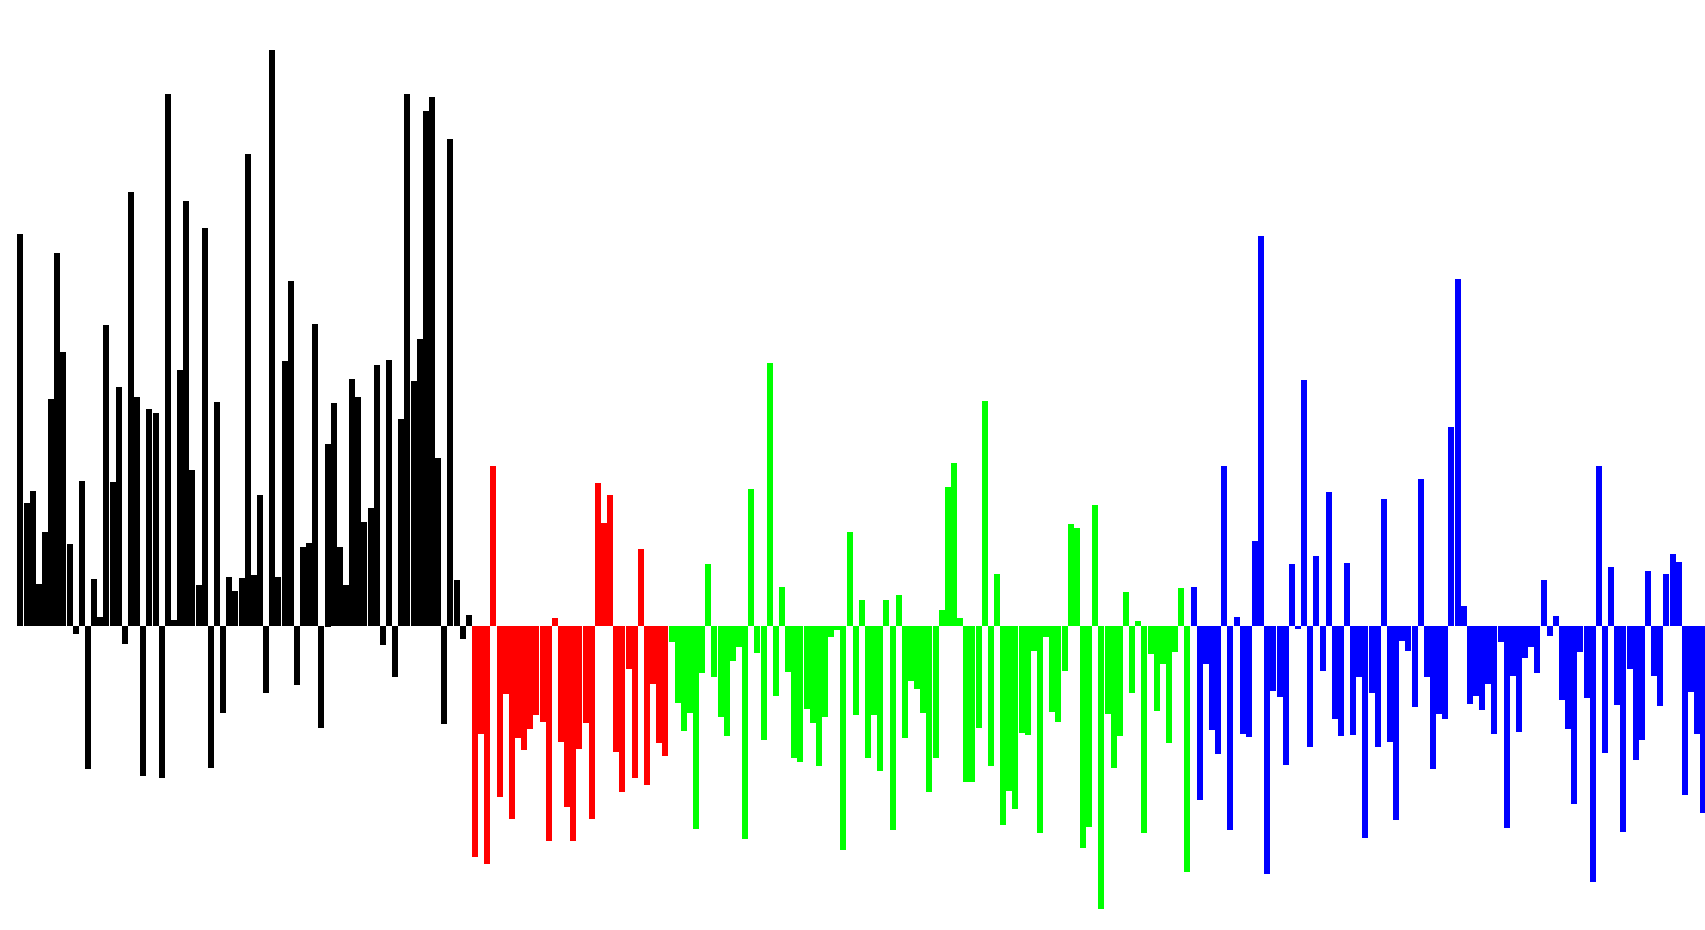

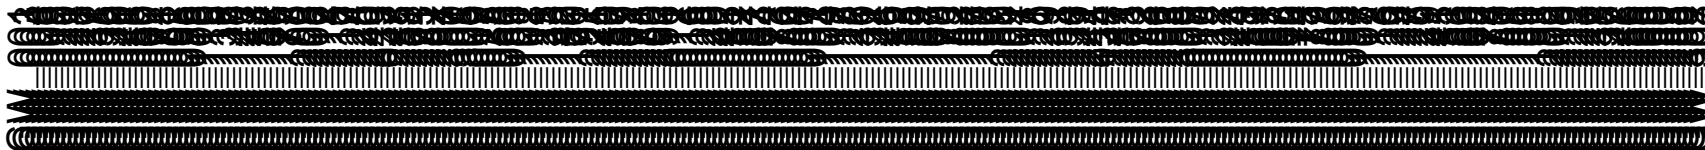

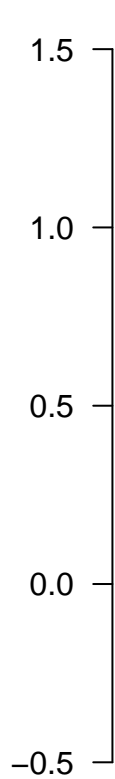

Expression of phosphatidylinositol biosynthetic process in Spot F

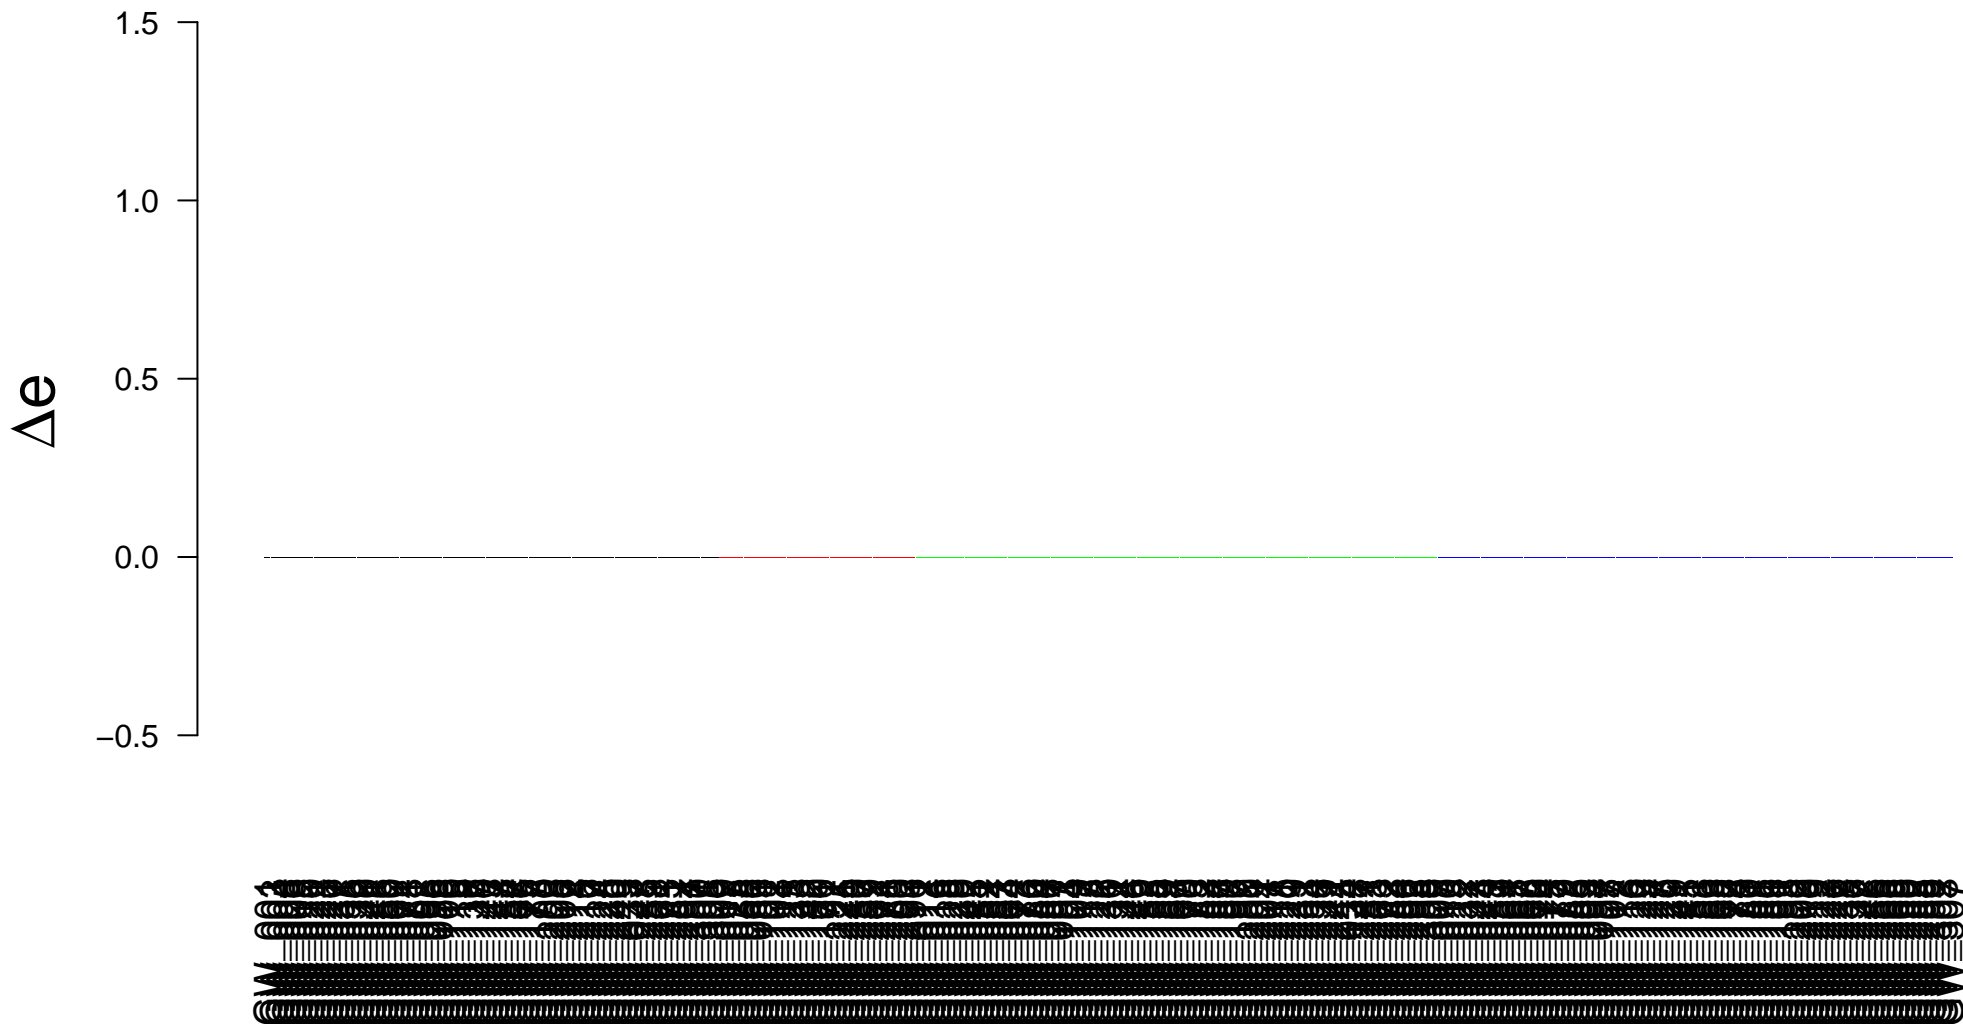

Expression of phosphatidylinositol biosynthetic process in Spot G

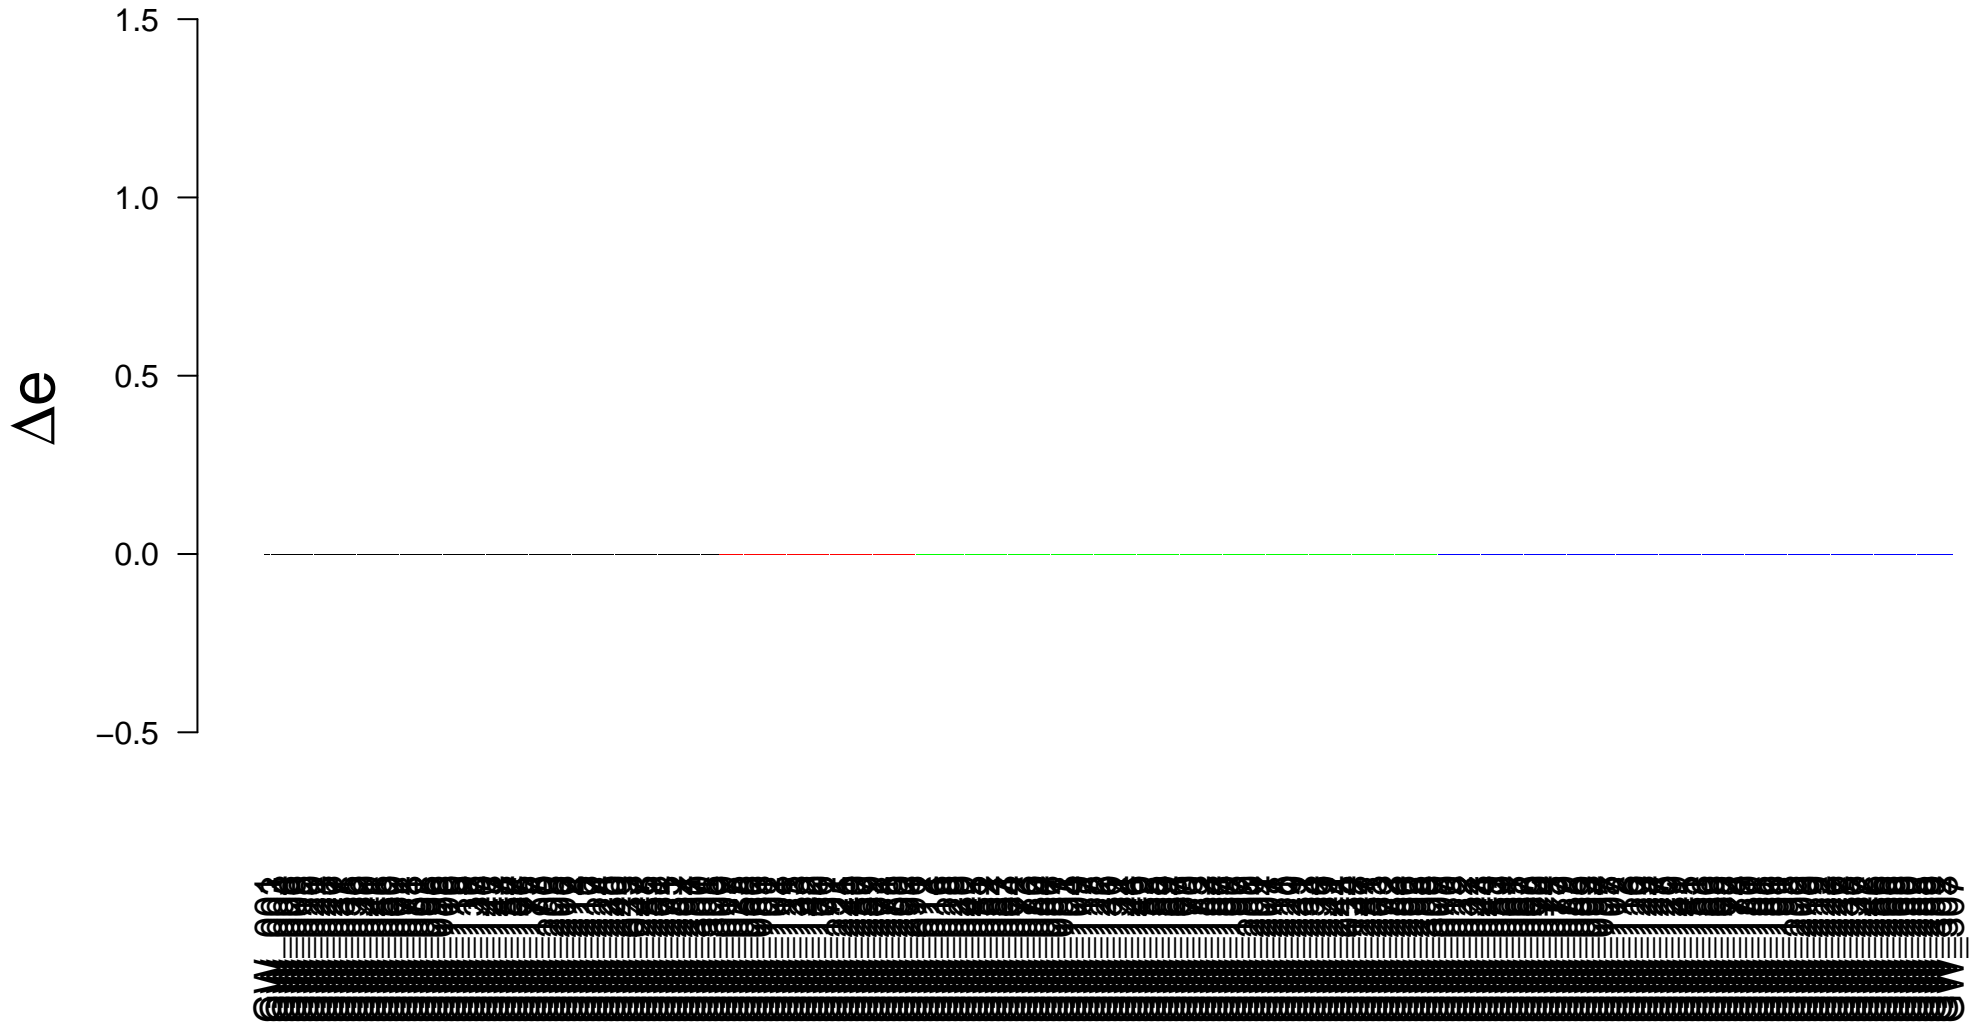

Δe

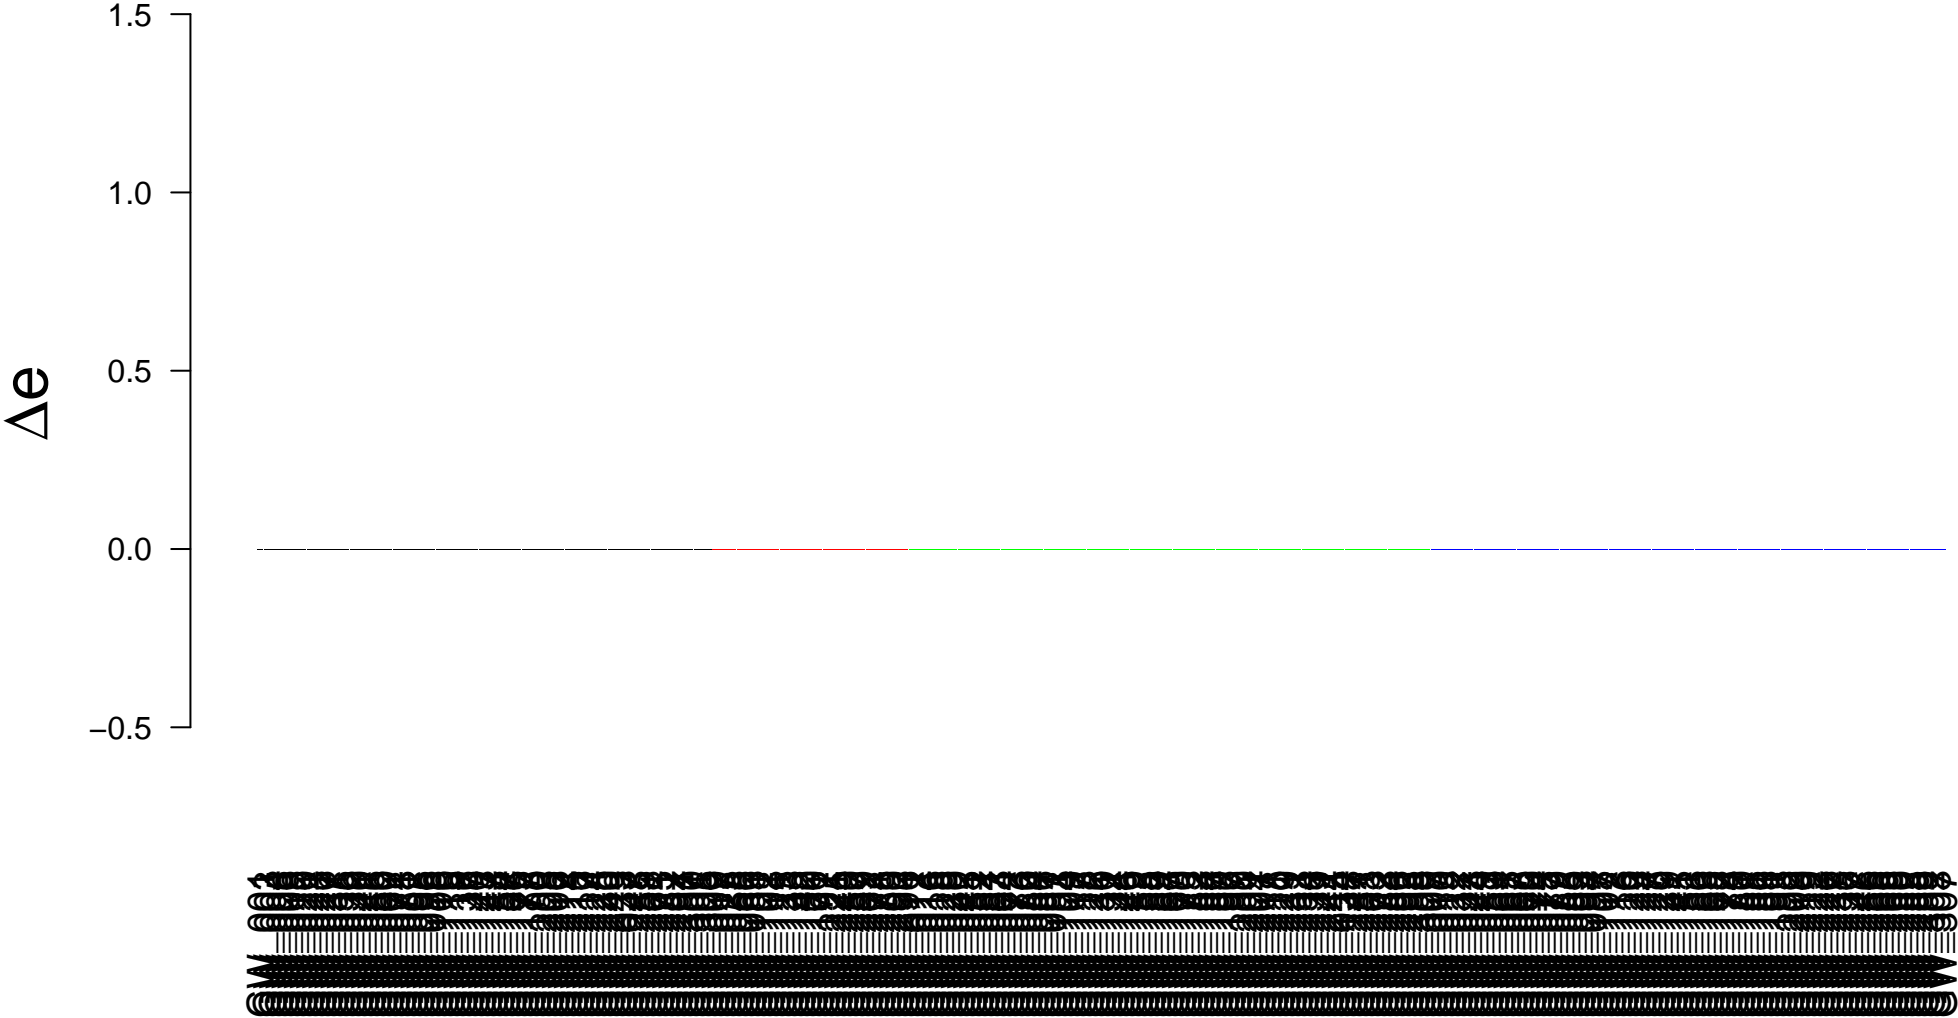

Expression of phosphatidylinositol biosynthetic process in Spot H

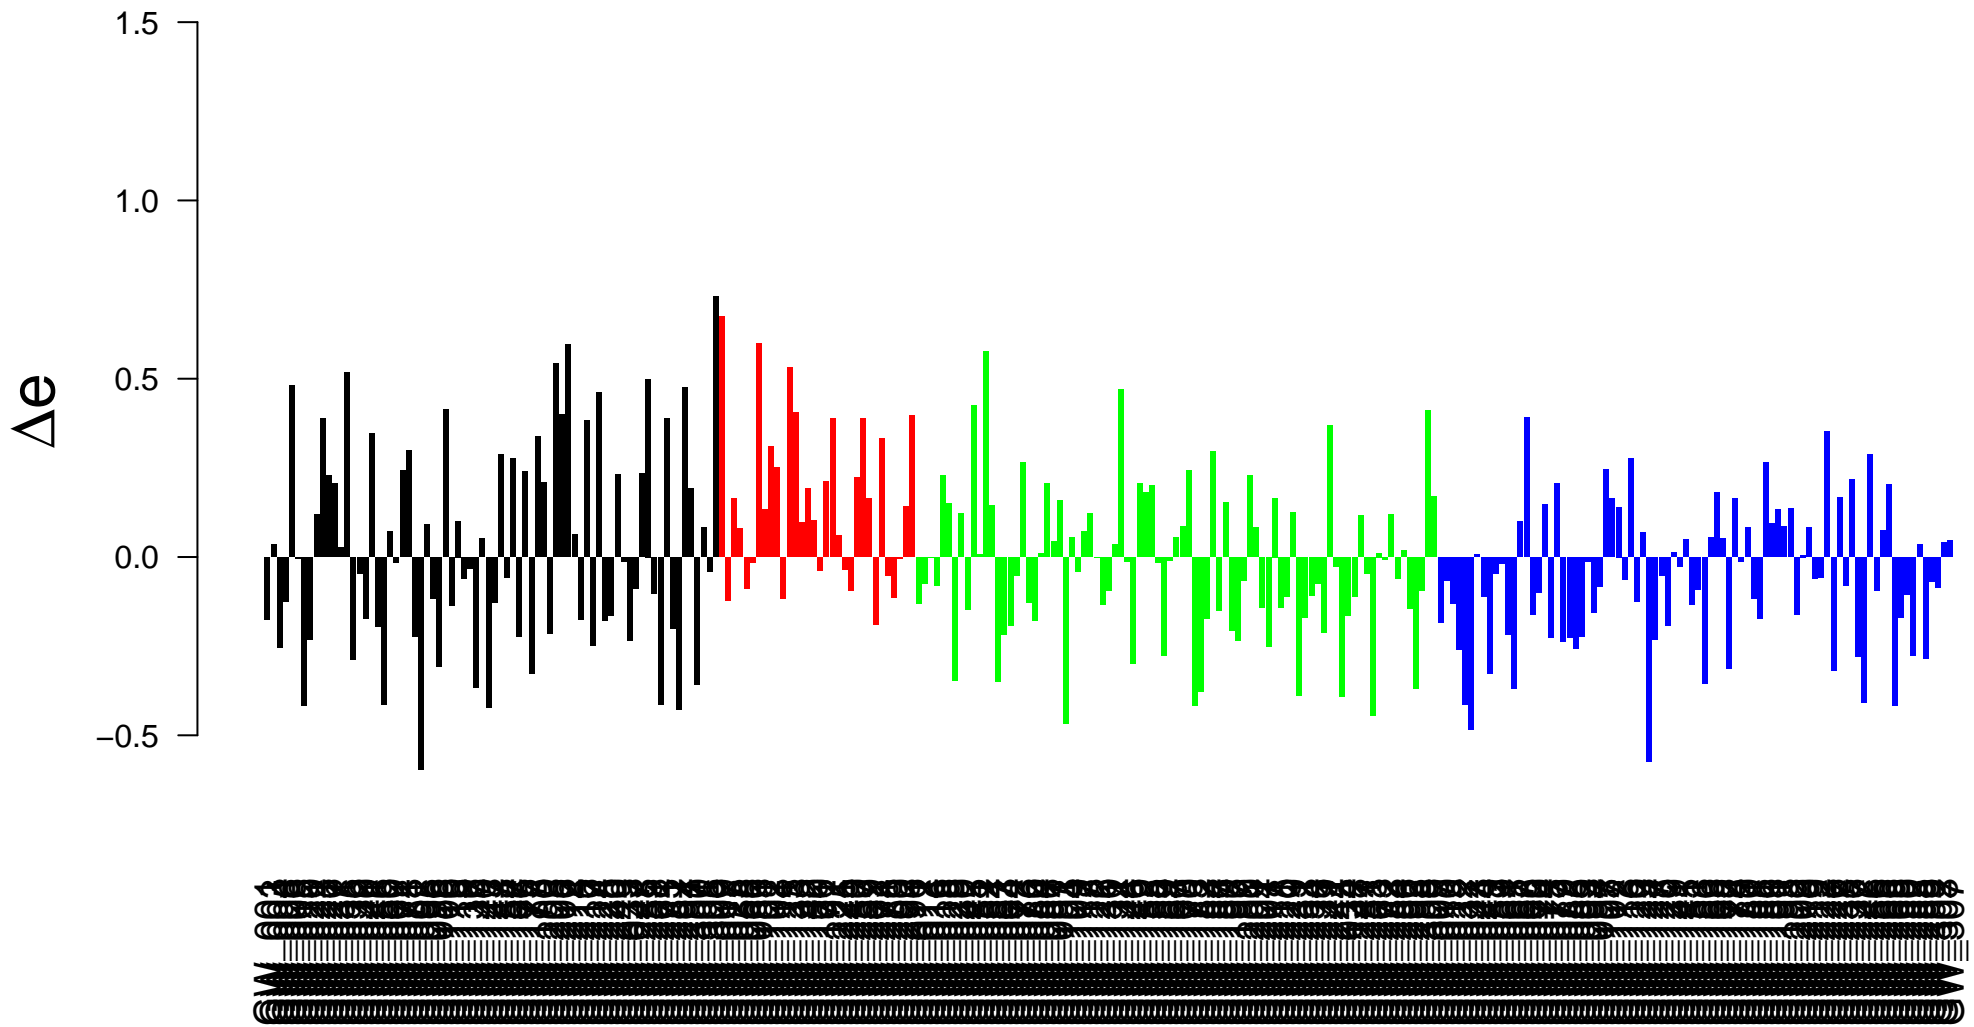

Expression of phosphatidylinositol biosynthetic process in Spot I

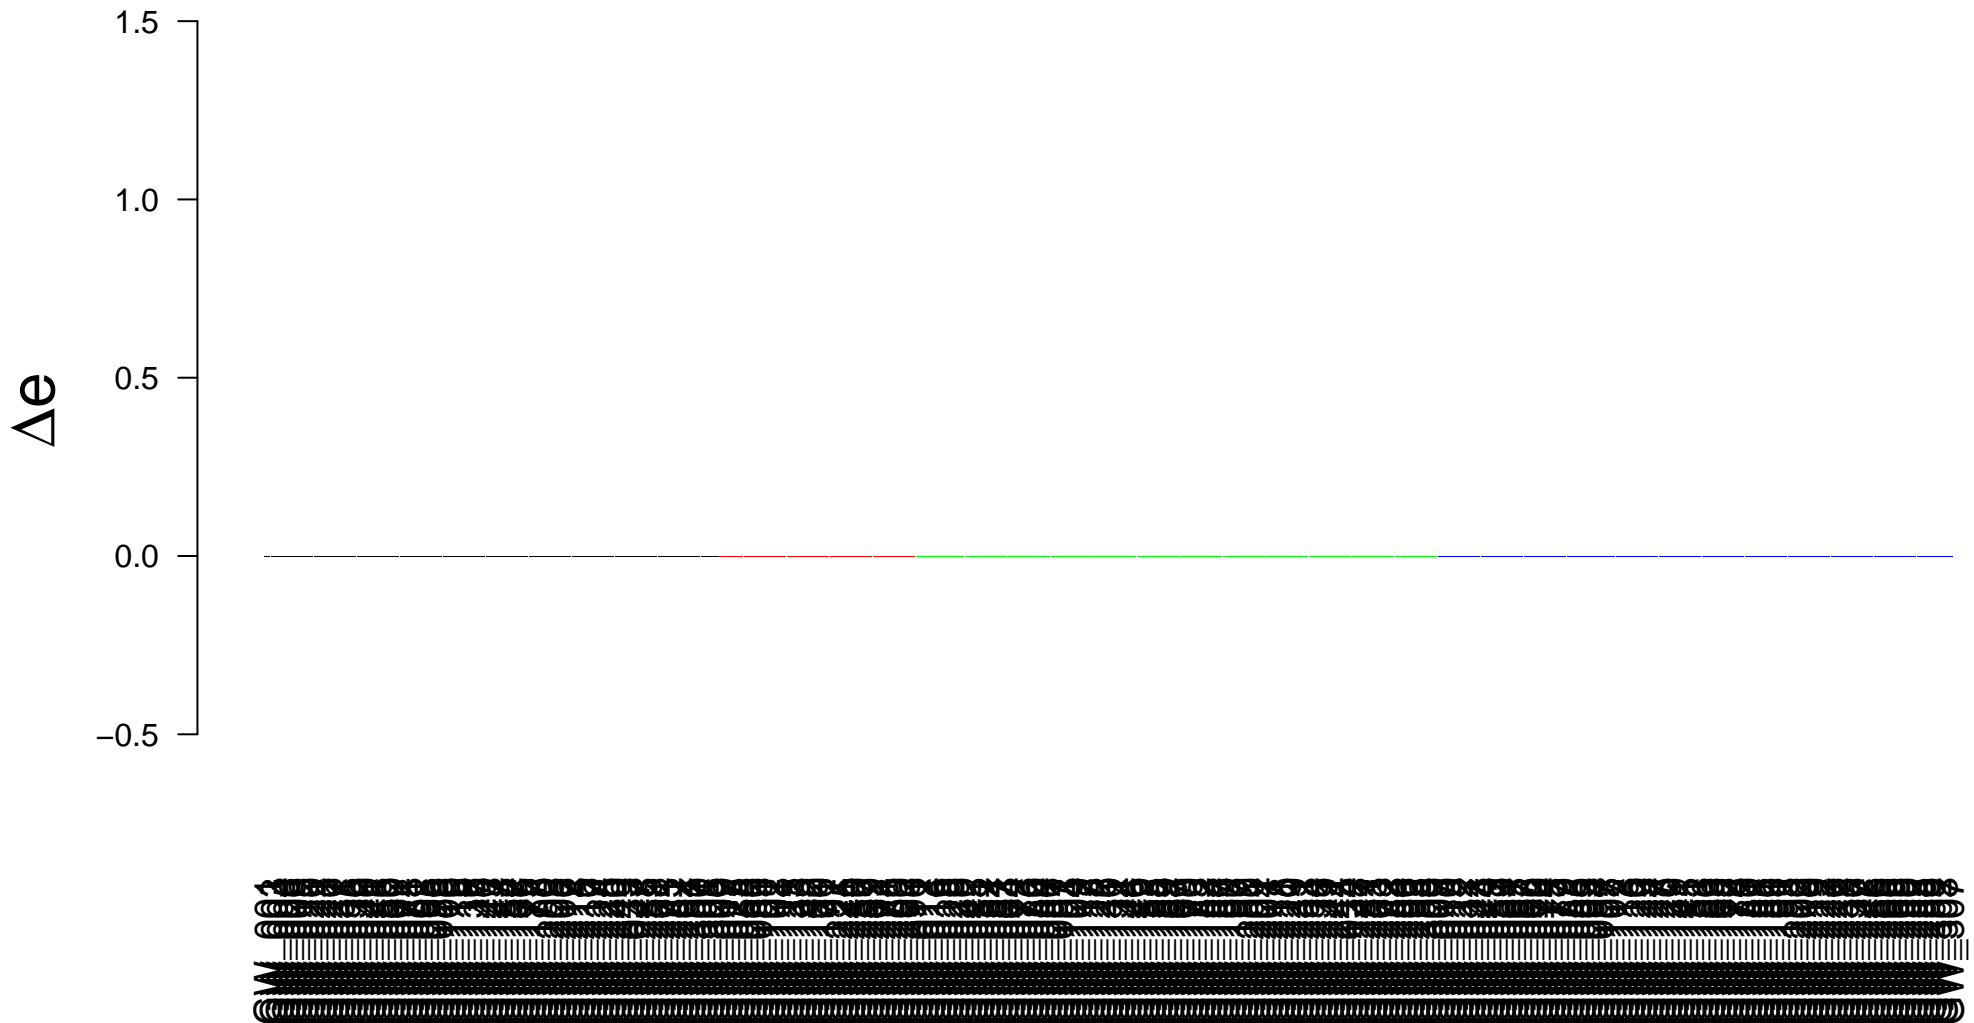

Expression of phosphatidylinositol biosynthetic process in Spot J

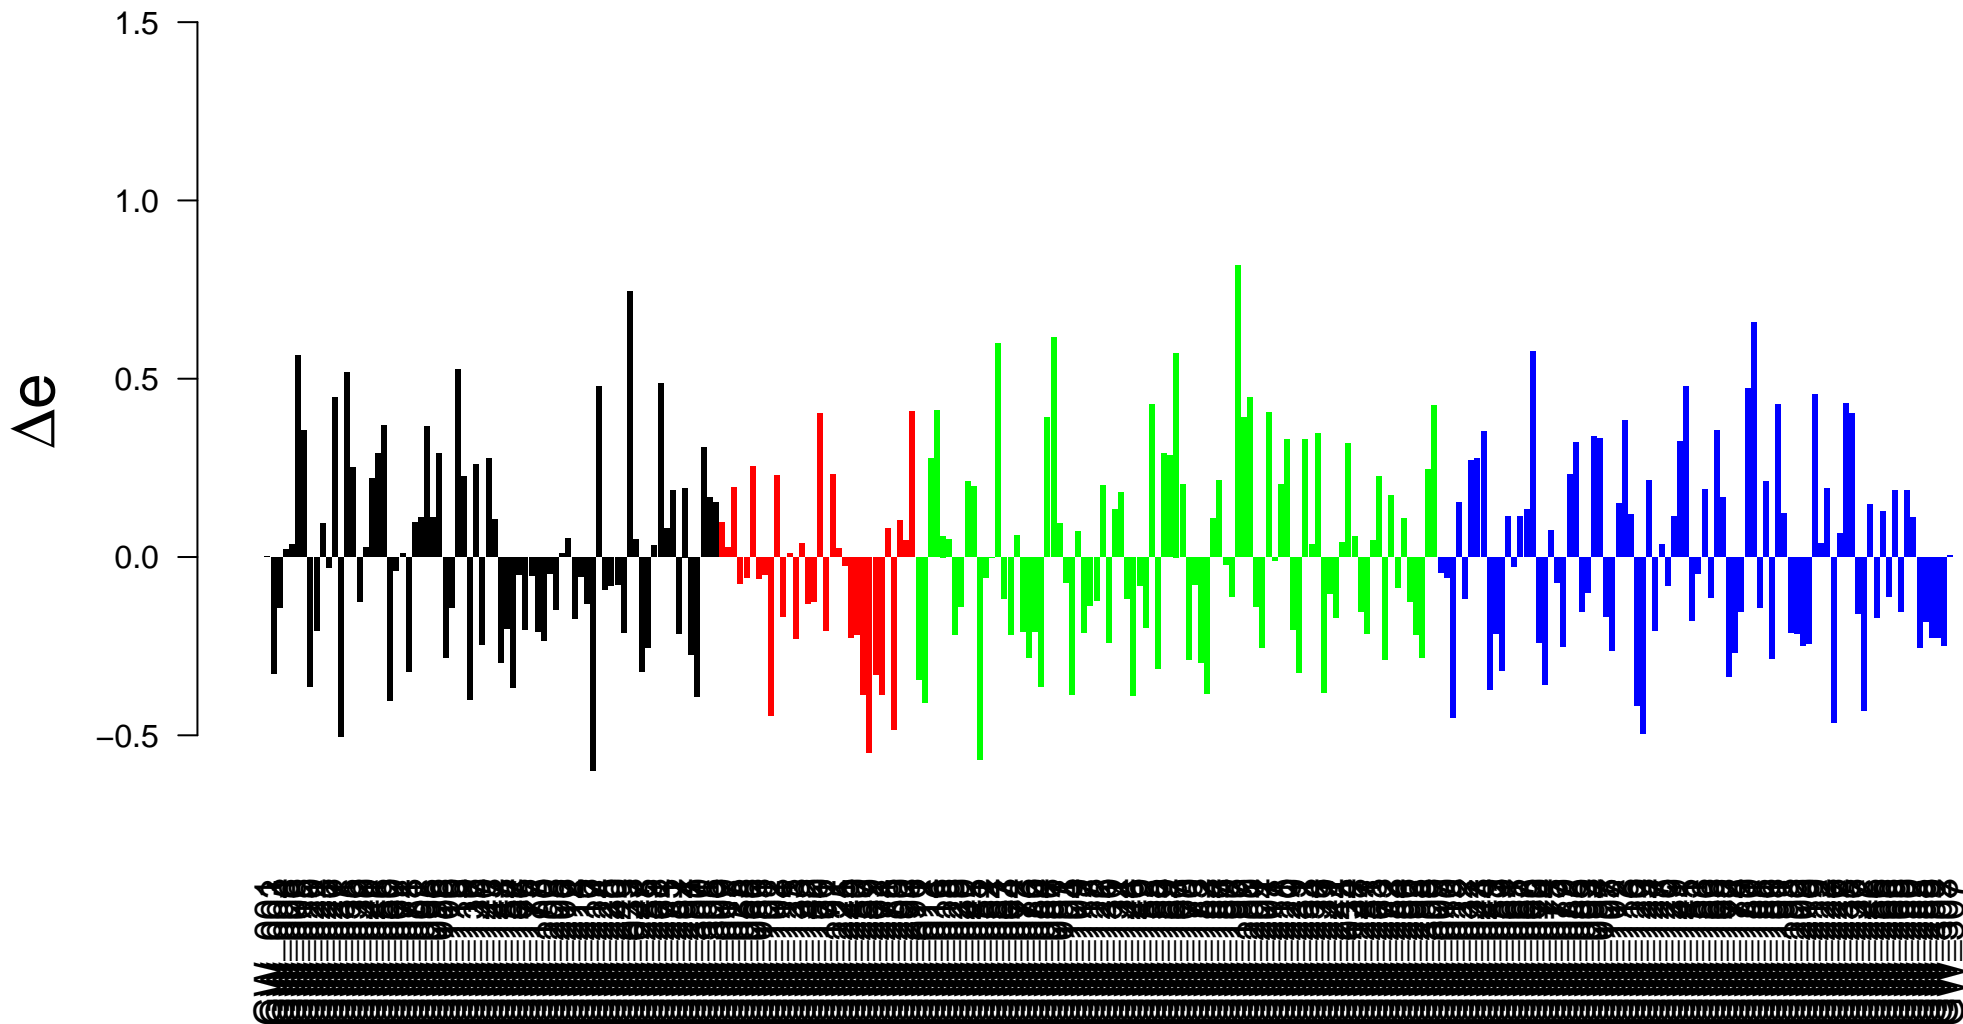

Expression of phosphatidylinositol biosynthetic process in Spot K

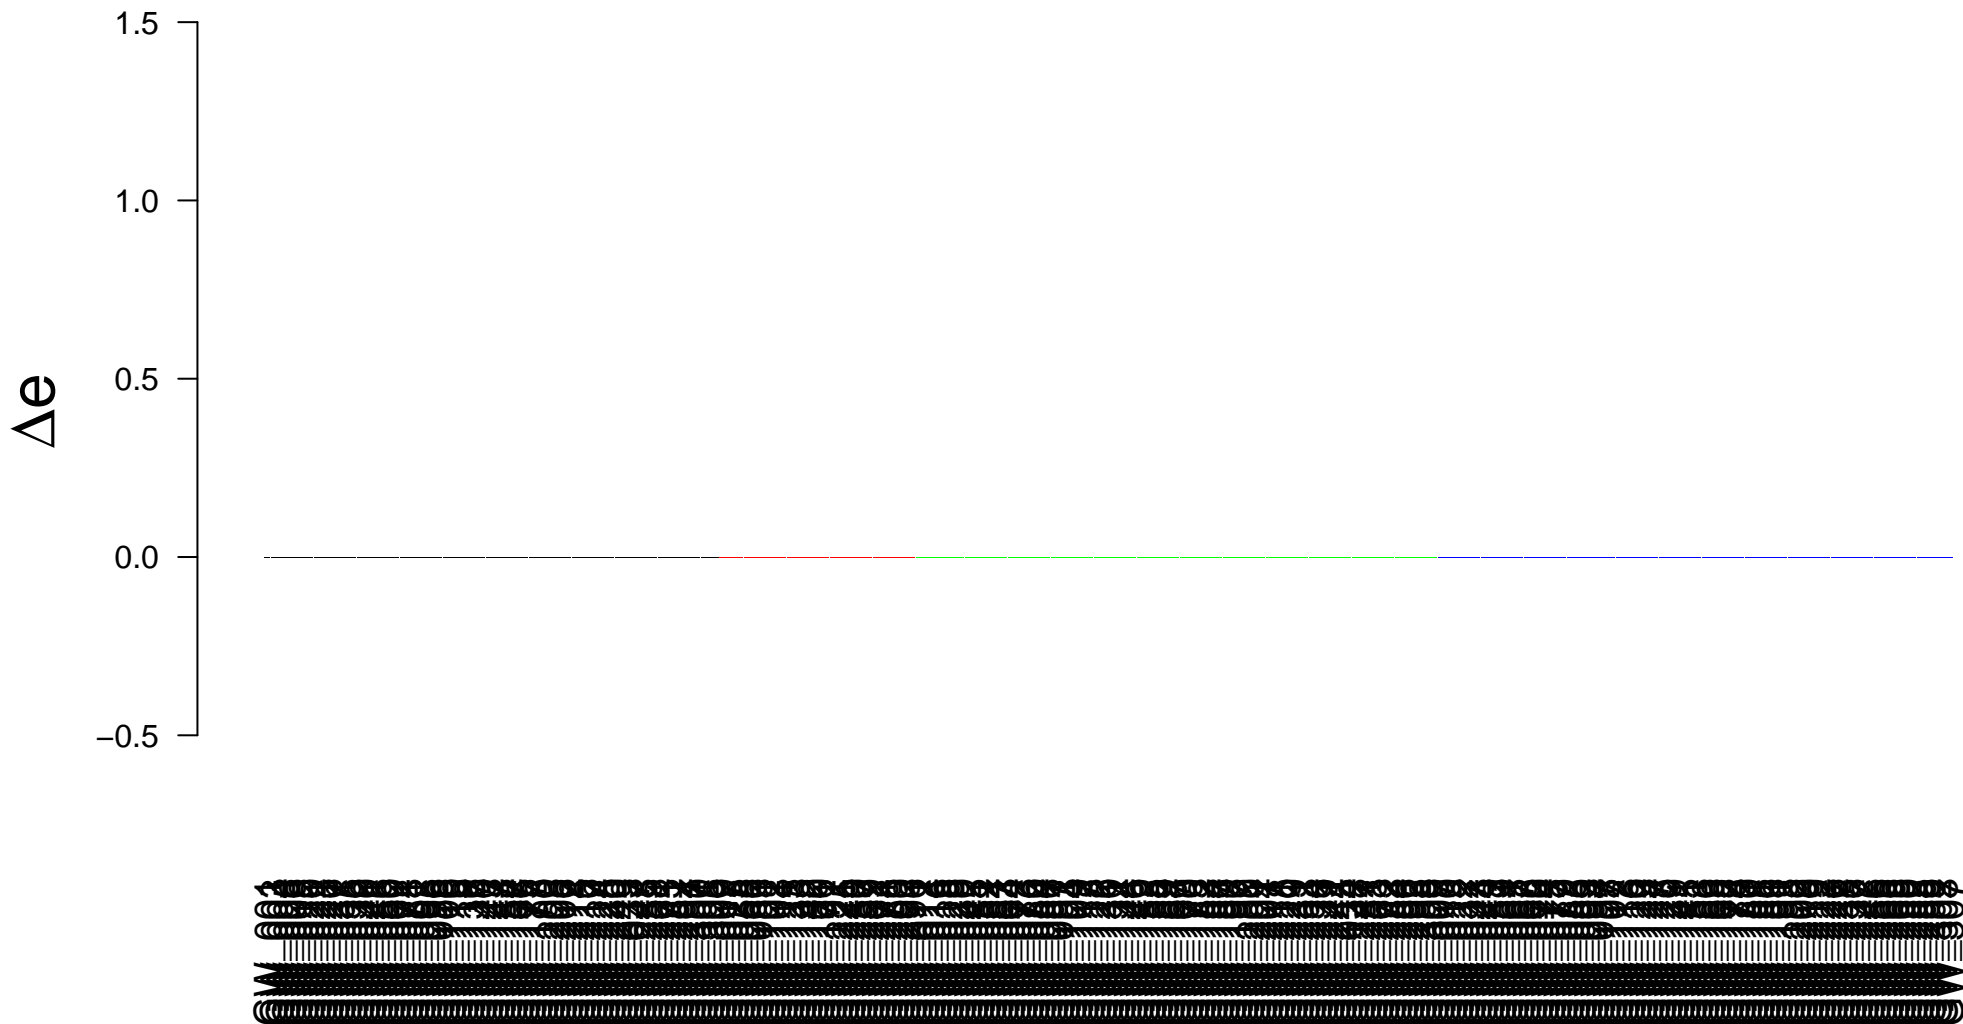

Expression of phosphatidylinositol biosynthetic process in Spot L

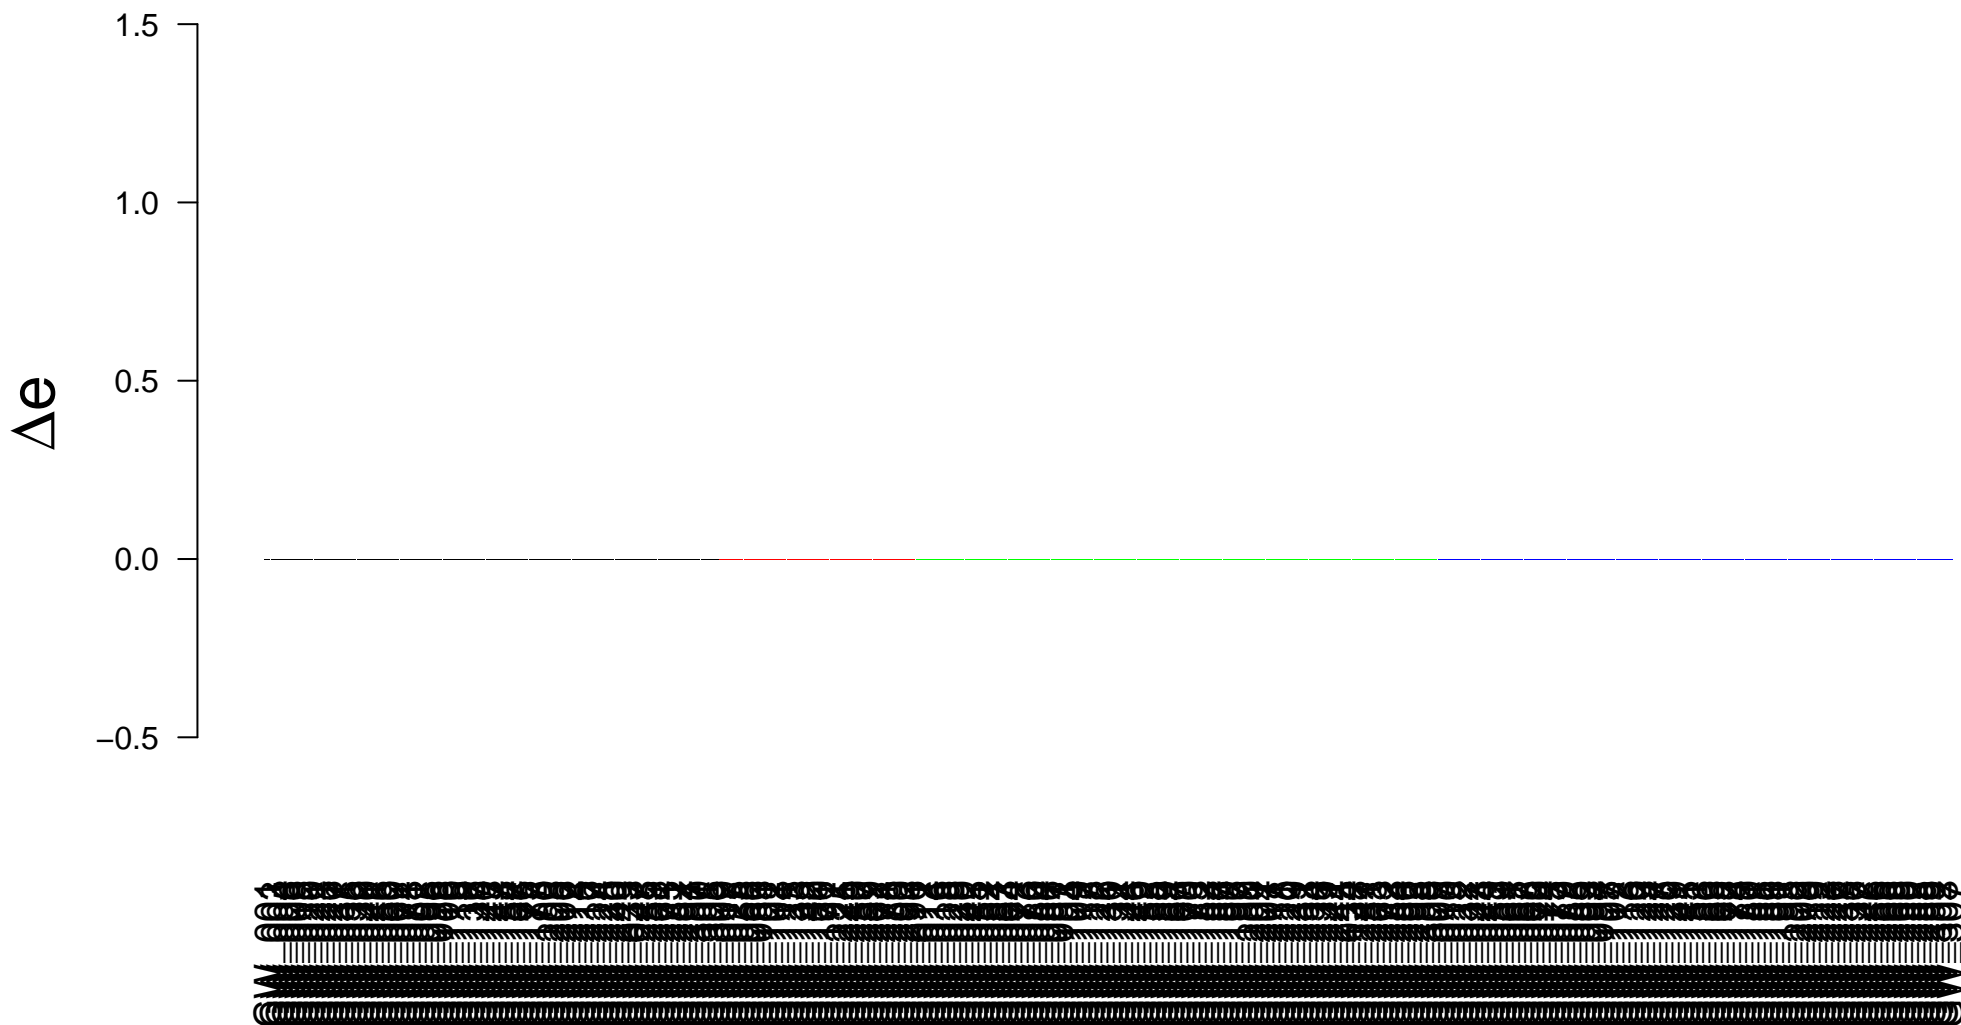

Expression of phosphatidylinositol biosynthetic process in Spot M

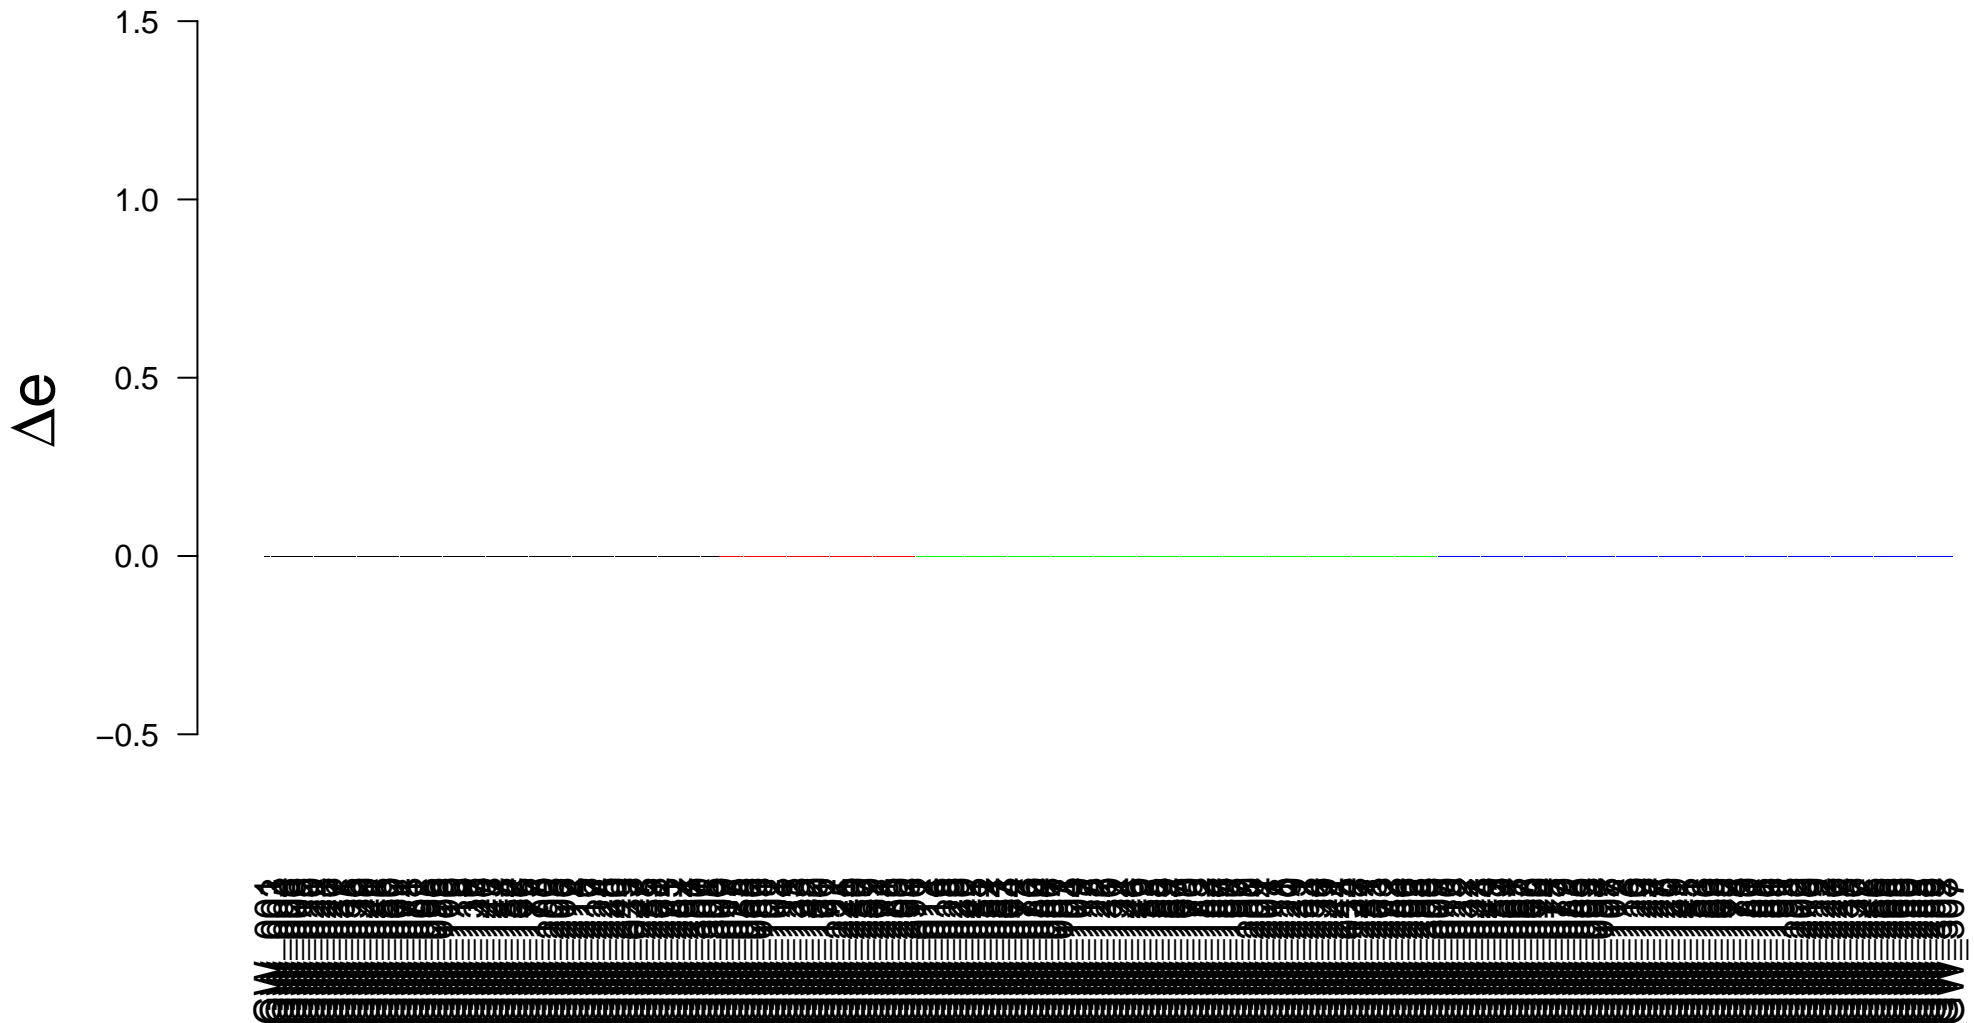

Expression of phosphatidylinositol biosynthetic process in Spot N

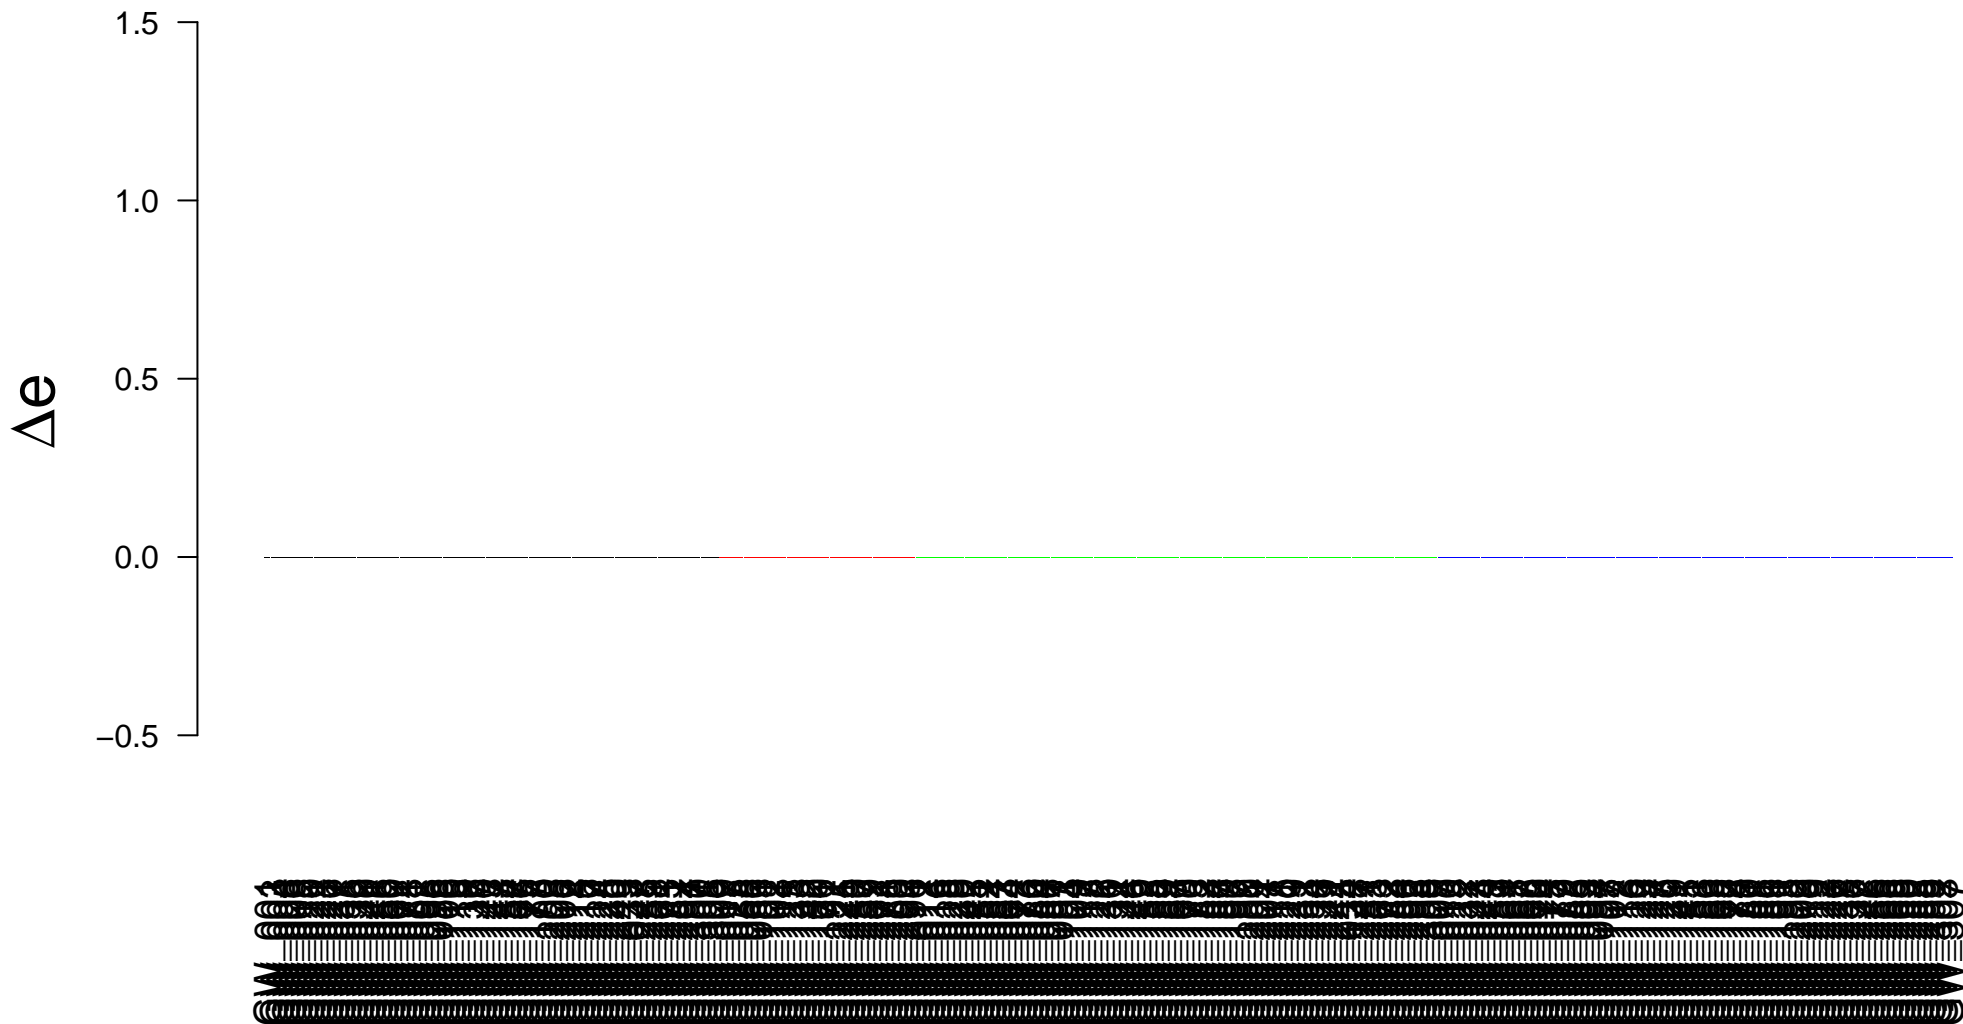

Expression of phosphatidylinositol biosynthetic process in Spot O

Expression of phosphatidylinositol biosynthetic process in Spot P

Expression of phosphatidylinositol biosynthetic process in Spot Q

Expression of phosphatidylinositol biosynthetic process in Spot R
