

# phosphatidylinositol-mediated signaling

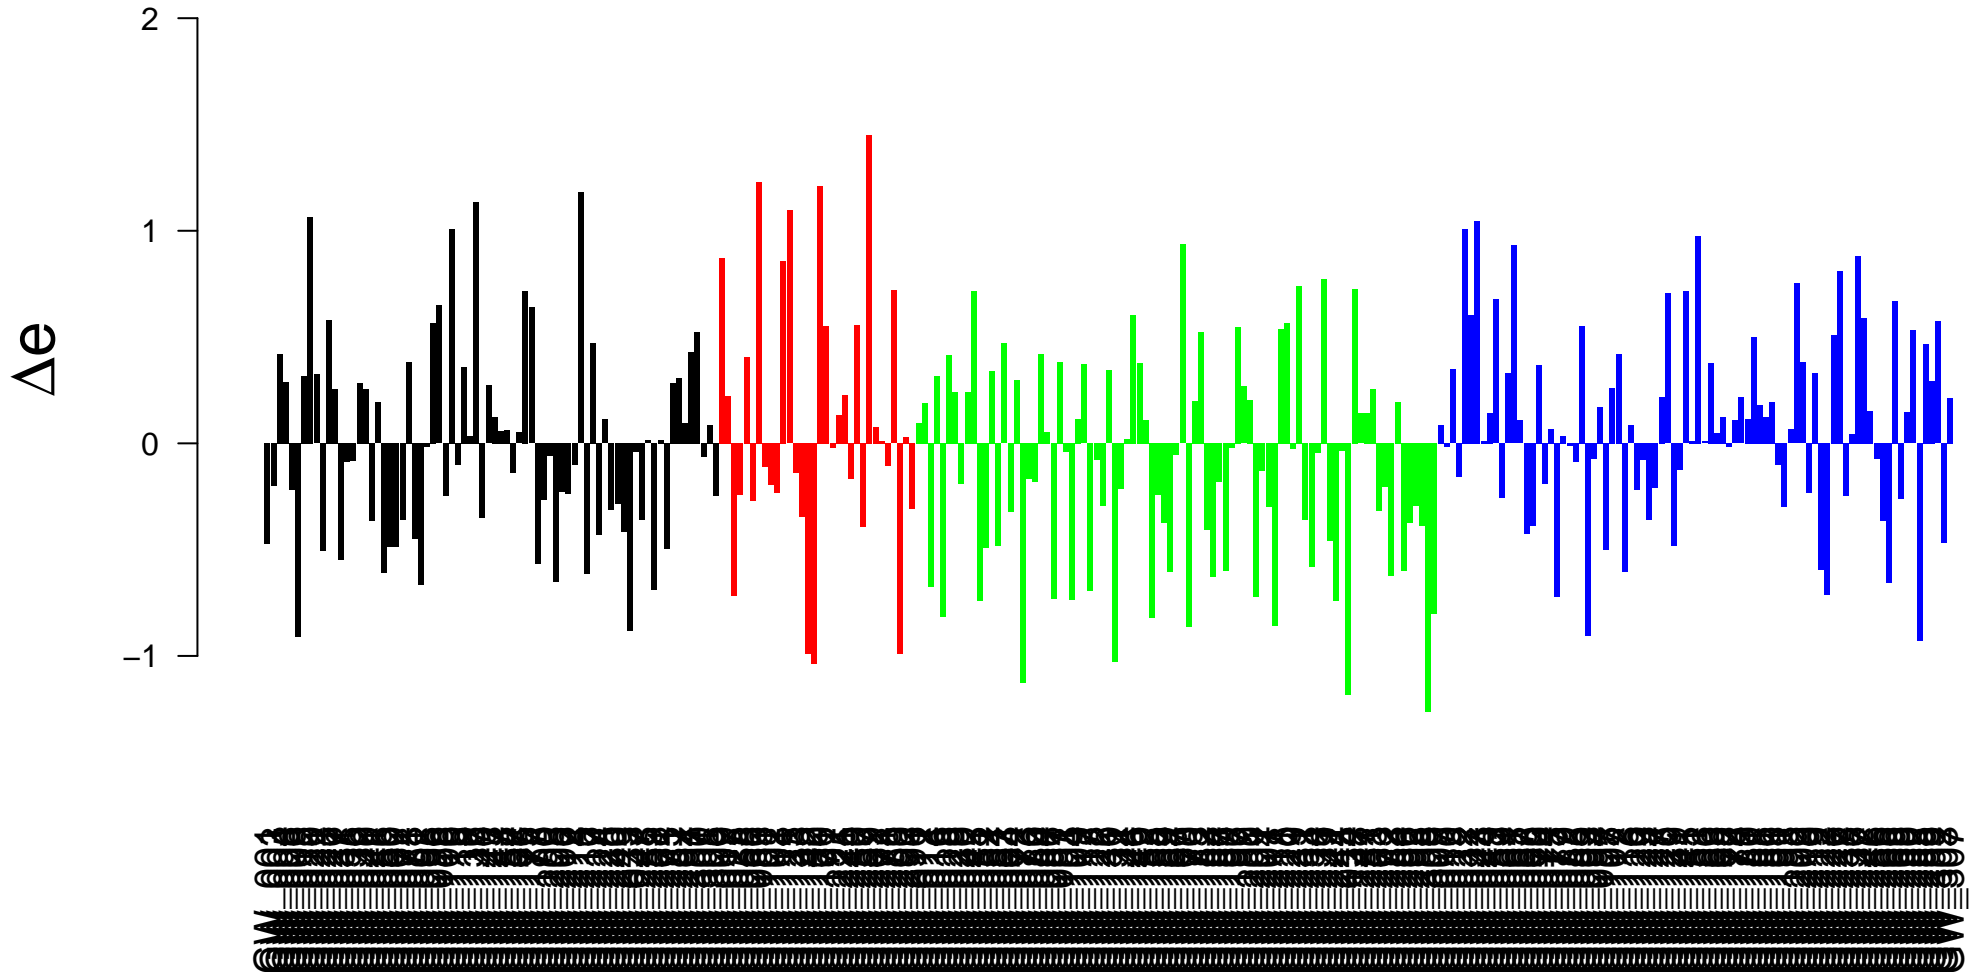

# phosphatidylinositol-mediated signaling

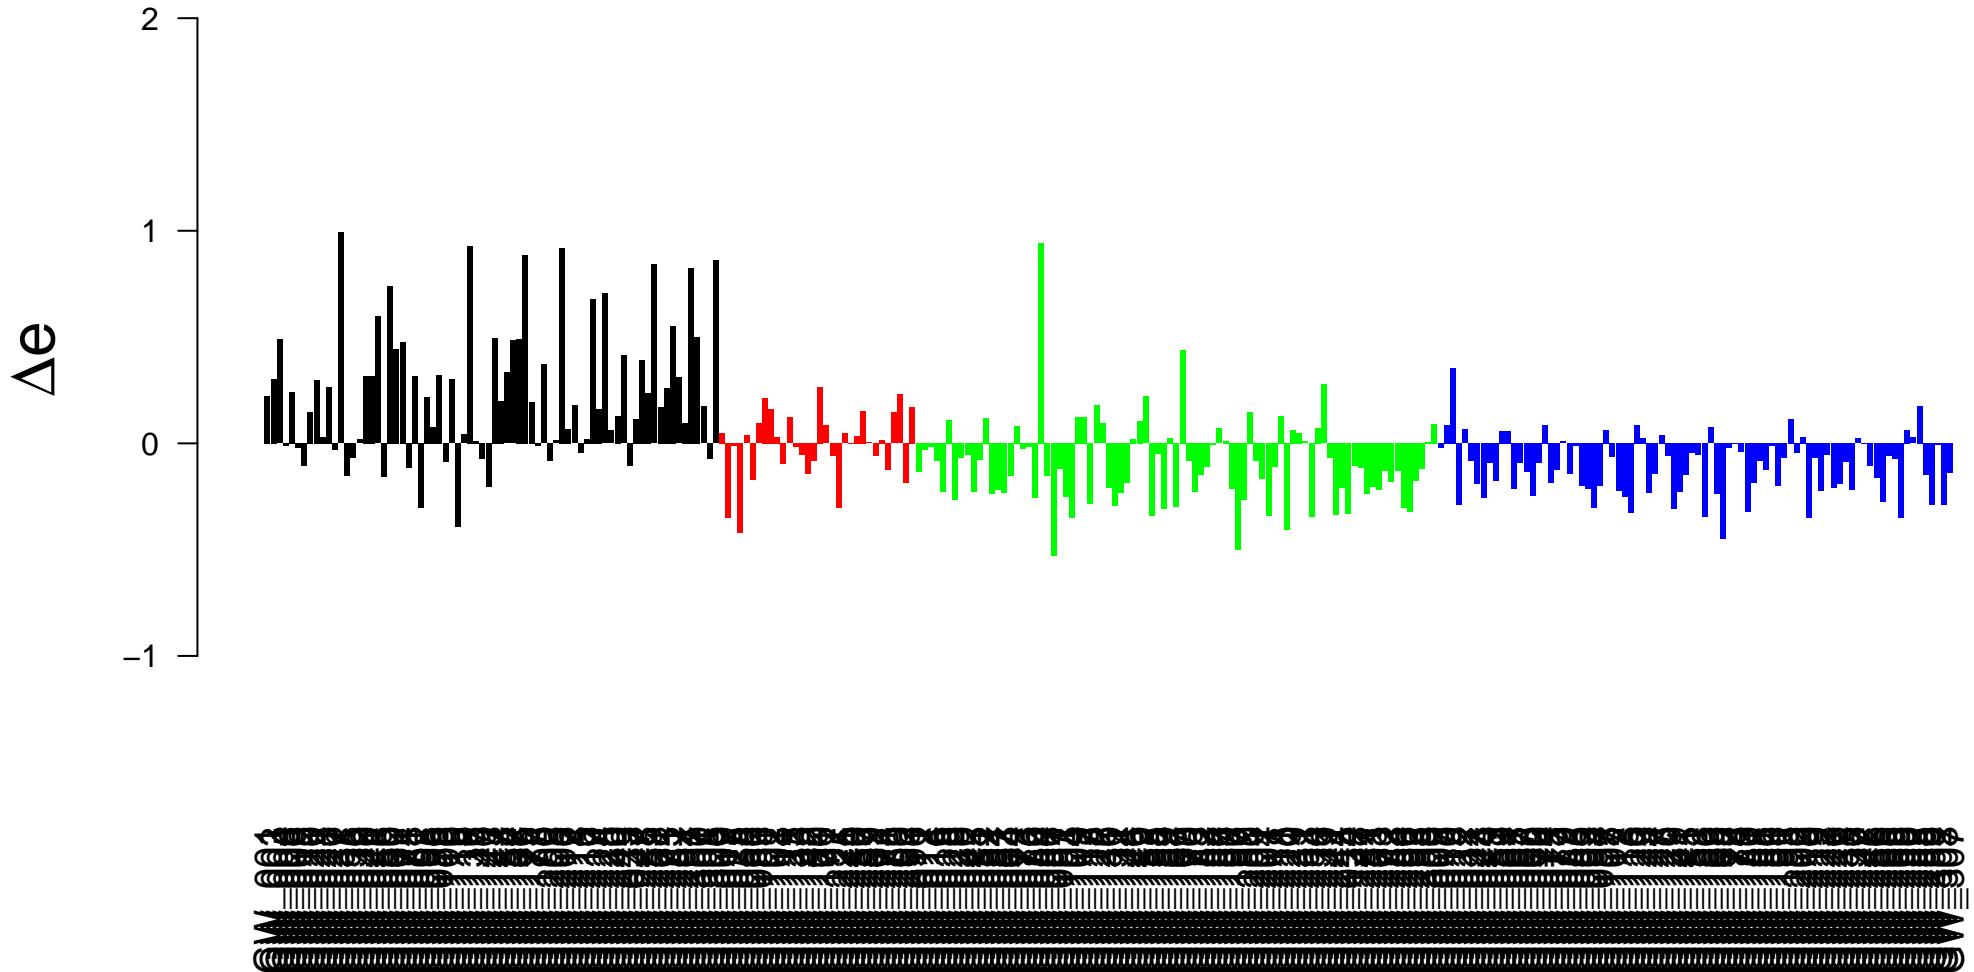

# Enrichment in spots: phosphatidylinositol-mediated signaling

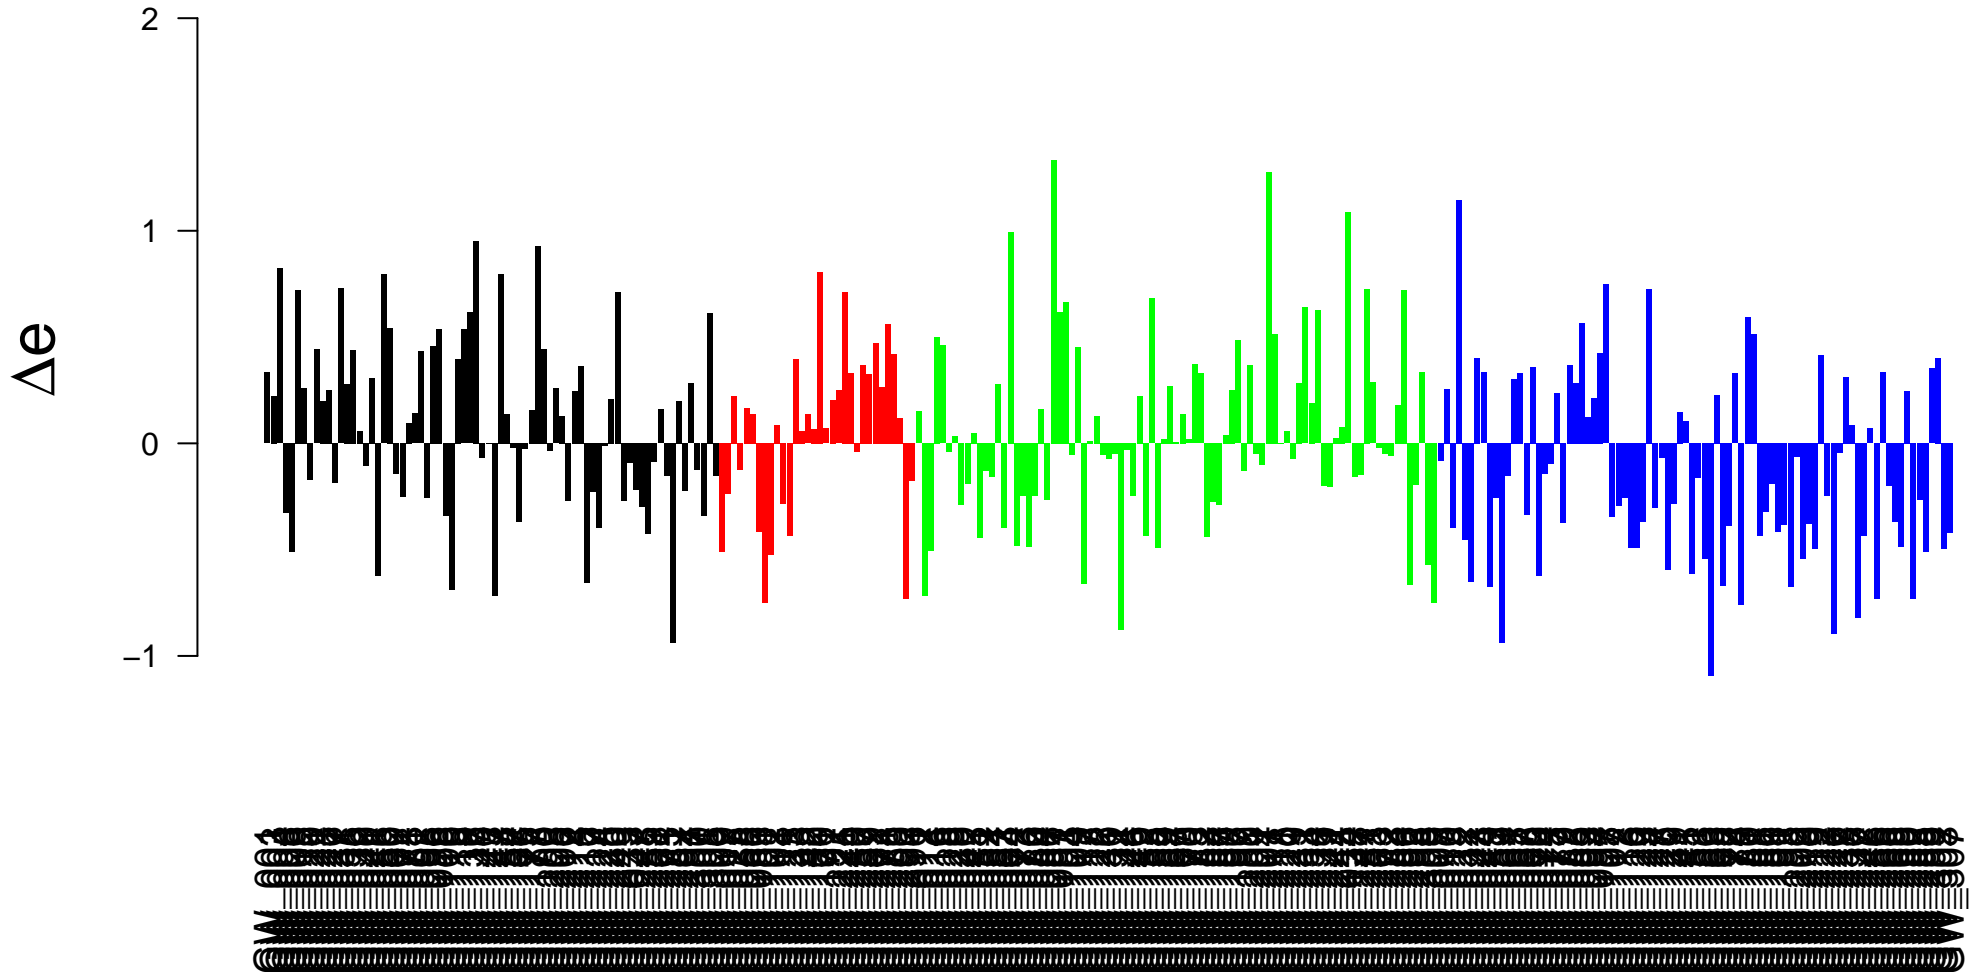

# Expression of phosphatidylinositol-mediated signaling in Spot A

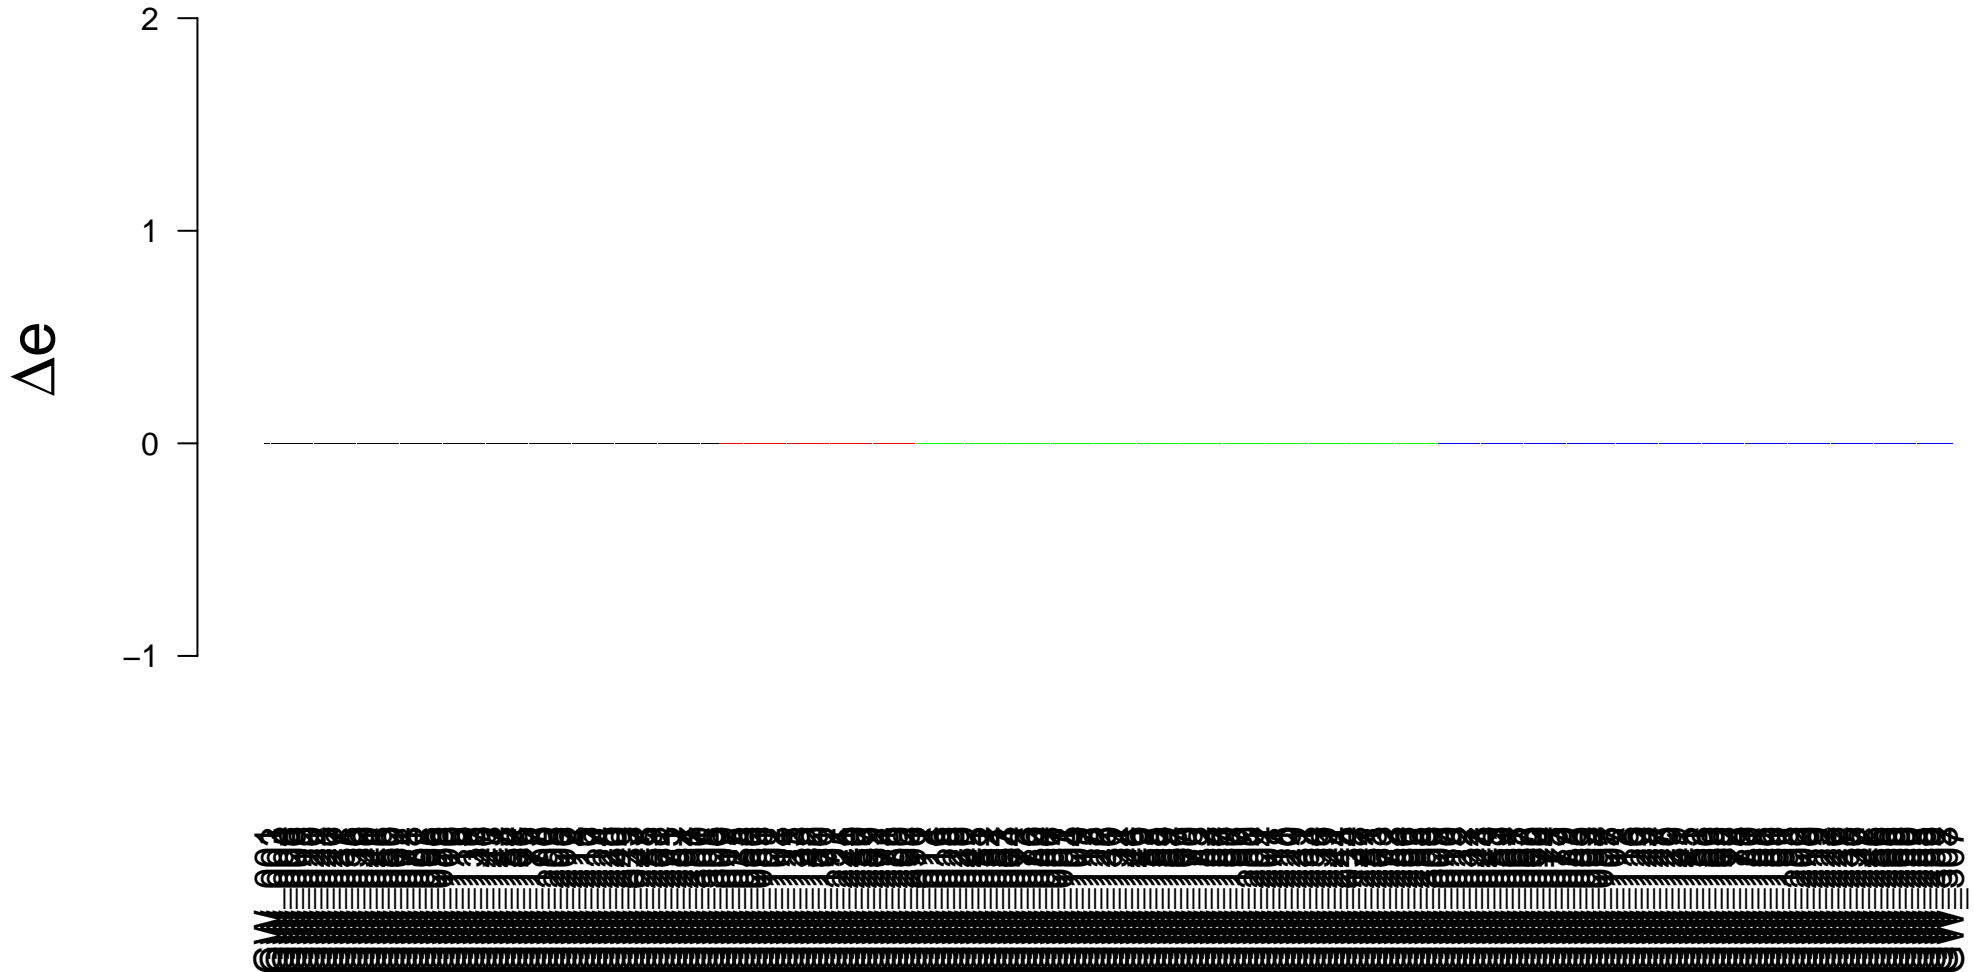

# Expression of phosphatidylinositol-mediated signaling in Spot B

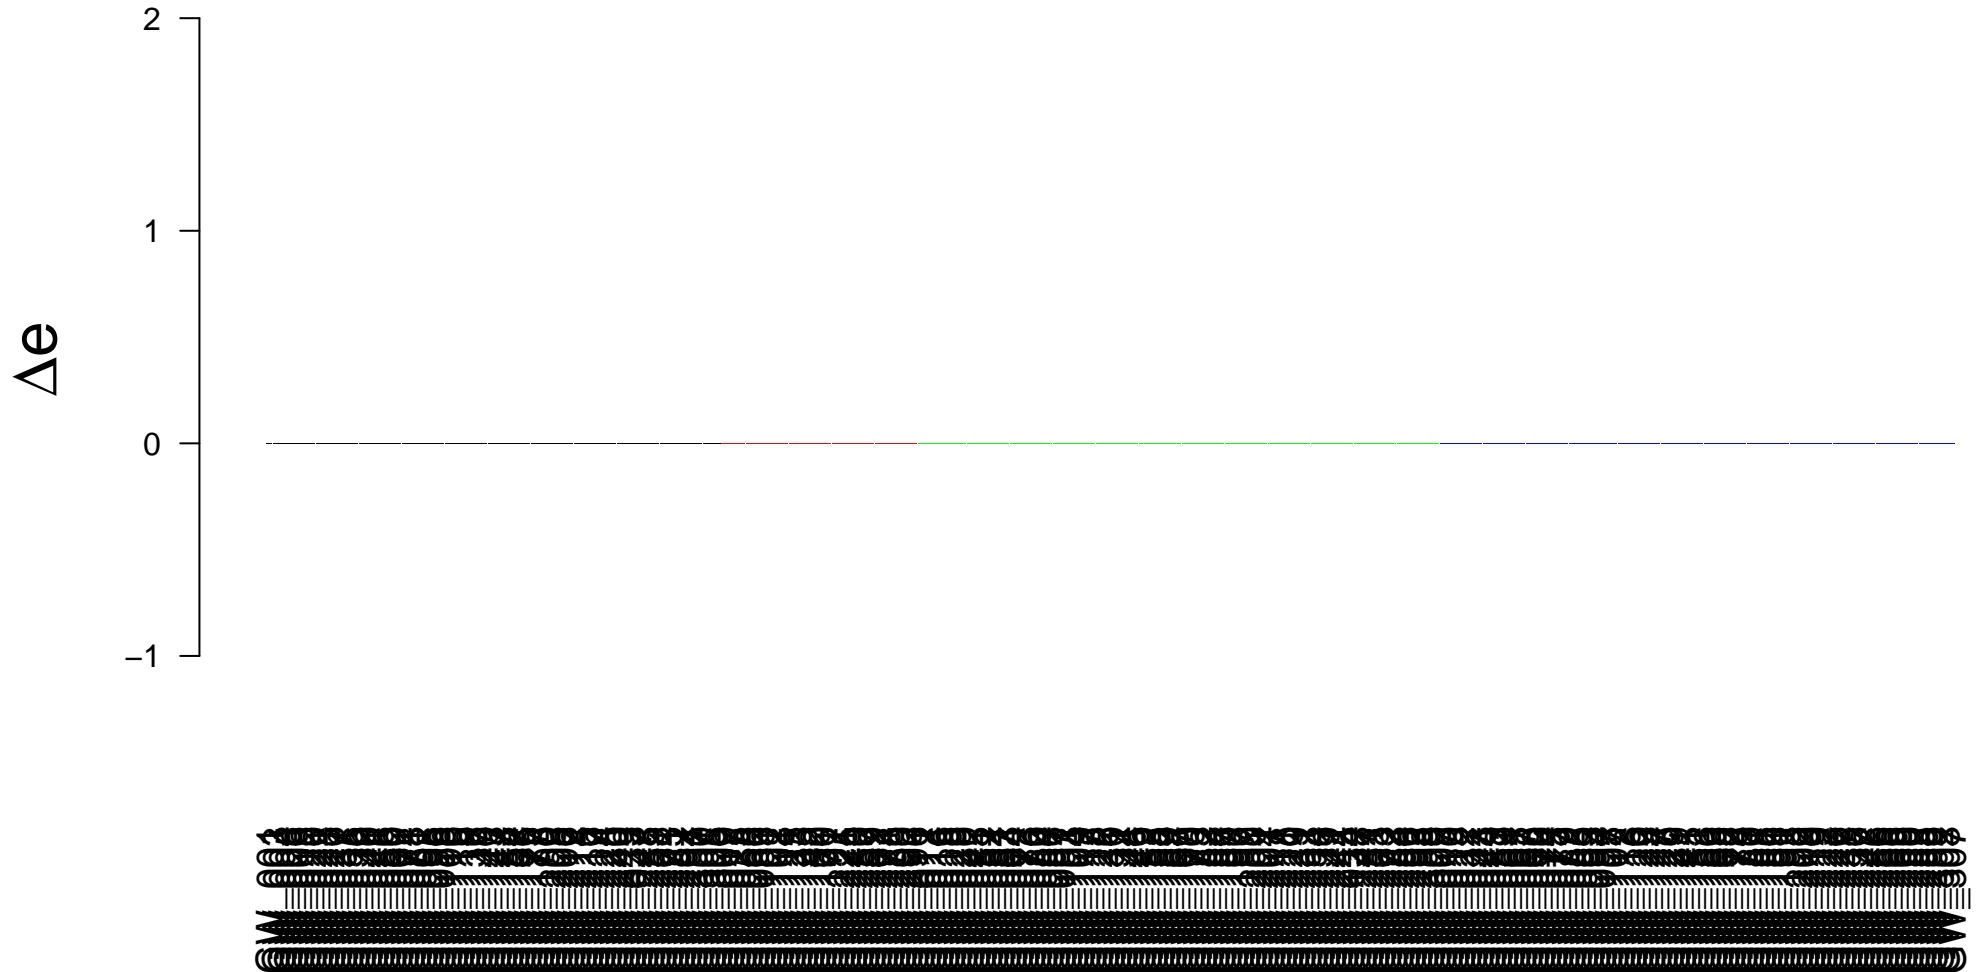

# Expression of phosphatidylinositol-mediated signaling in Spot C

# Expression of phosphatidylinositol-mediated signaling in Spot D

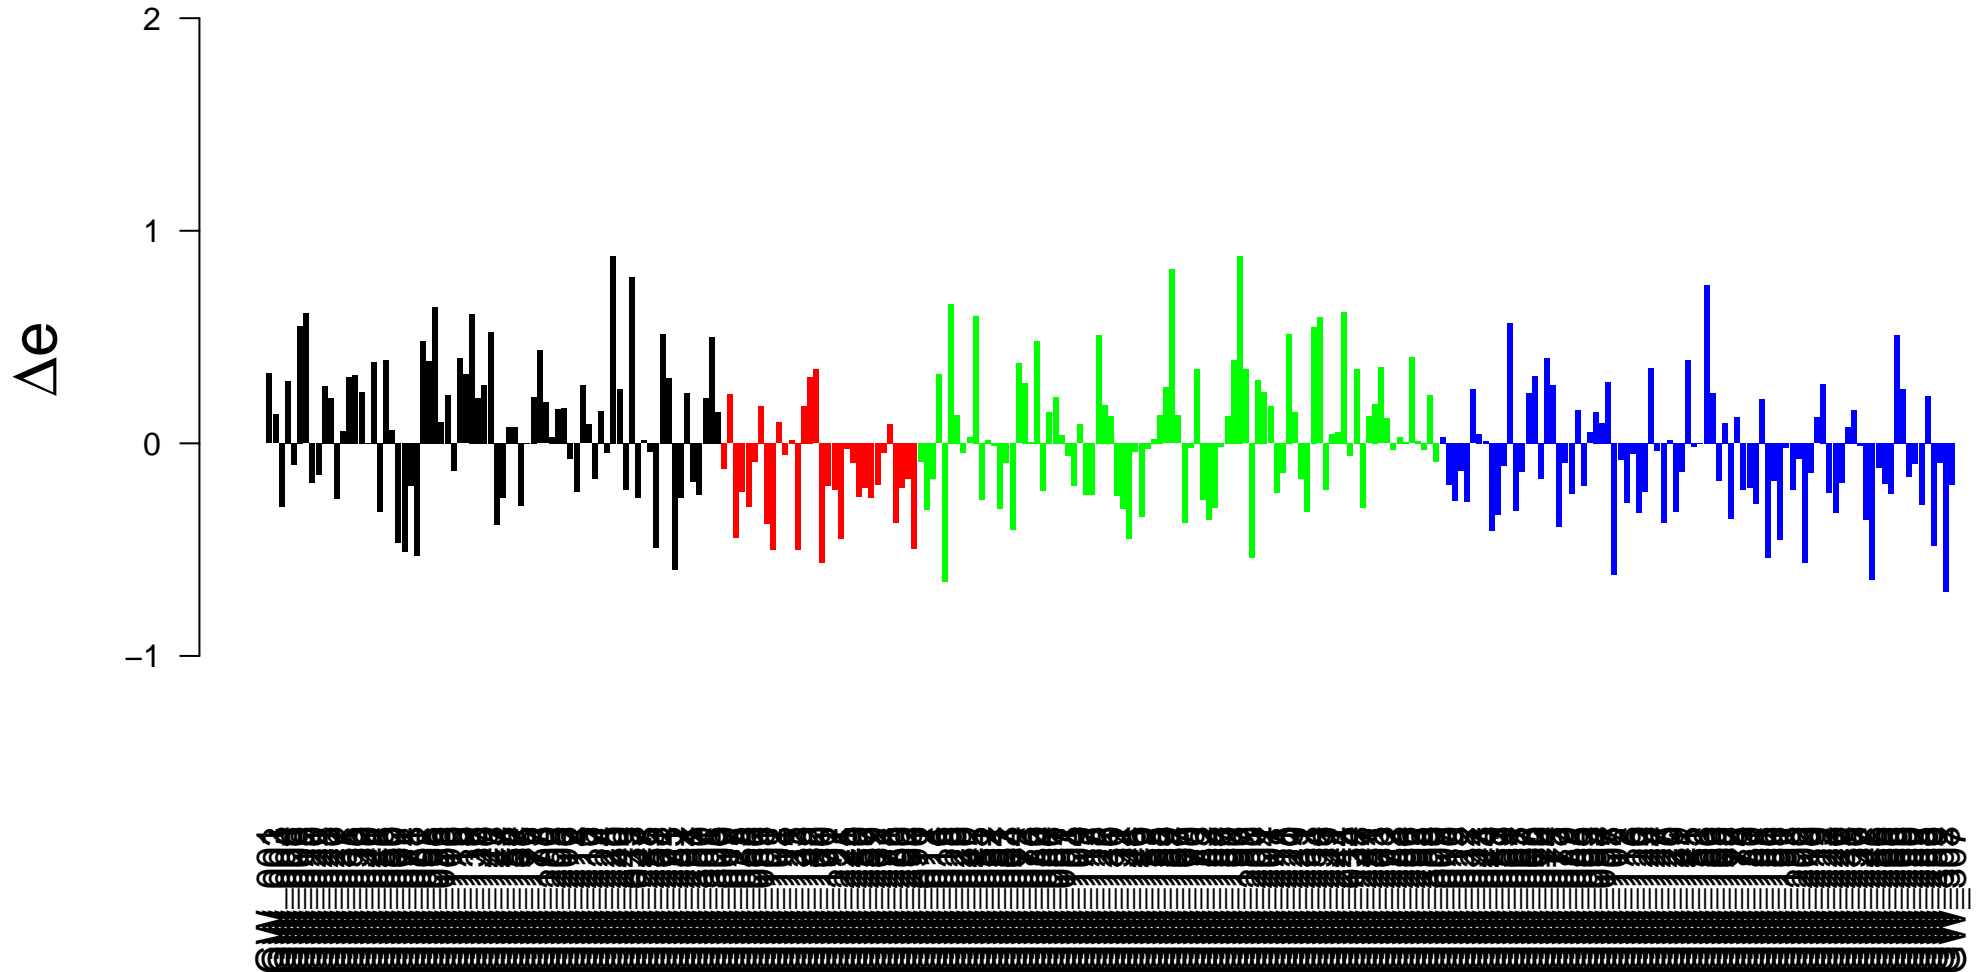

# Expression of phosphatidylinositol-mediated signaling in Spot E

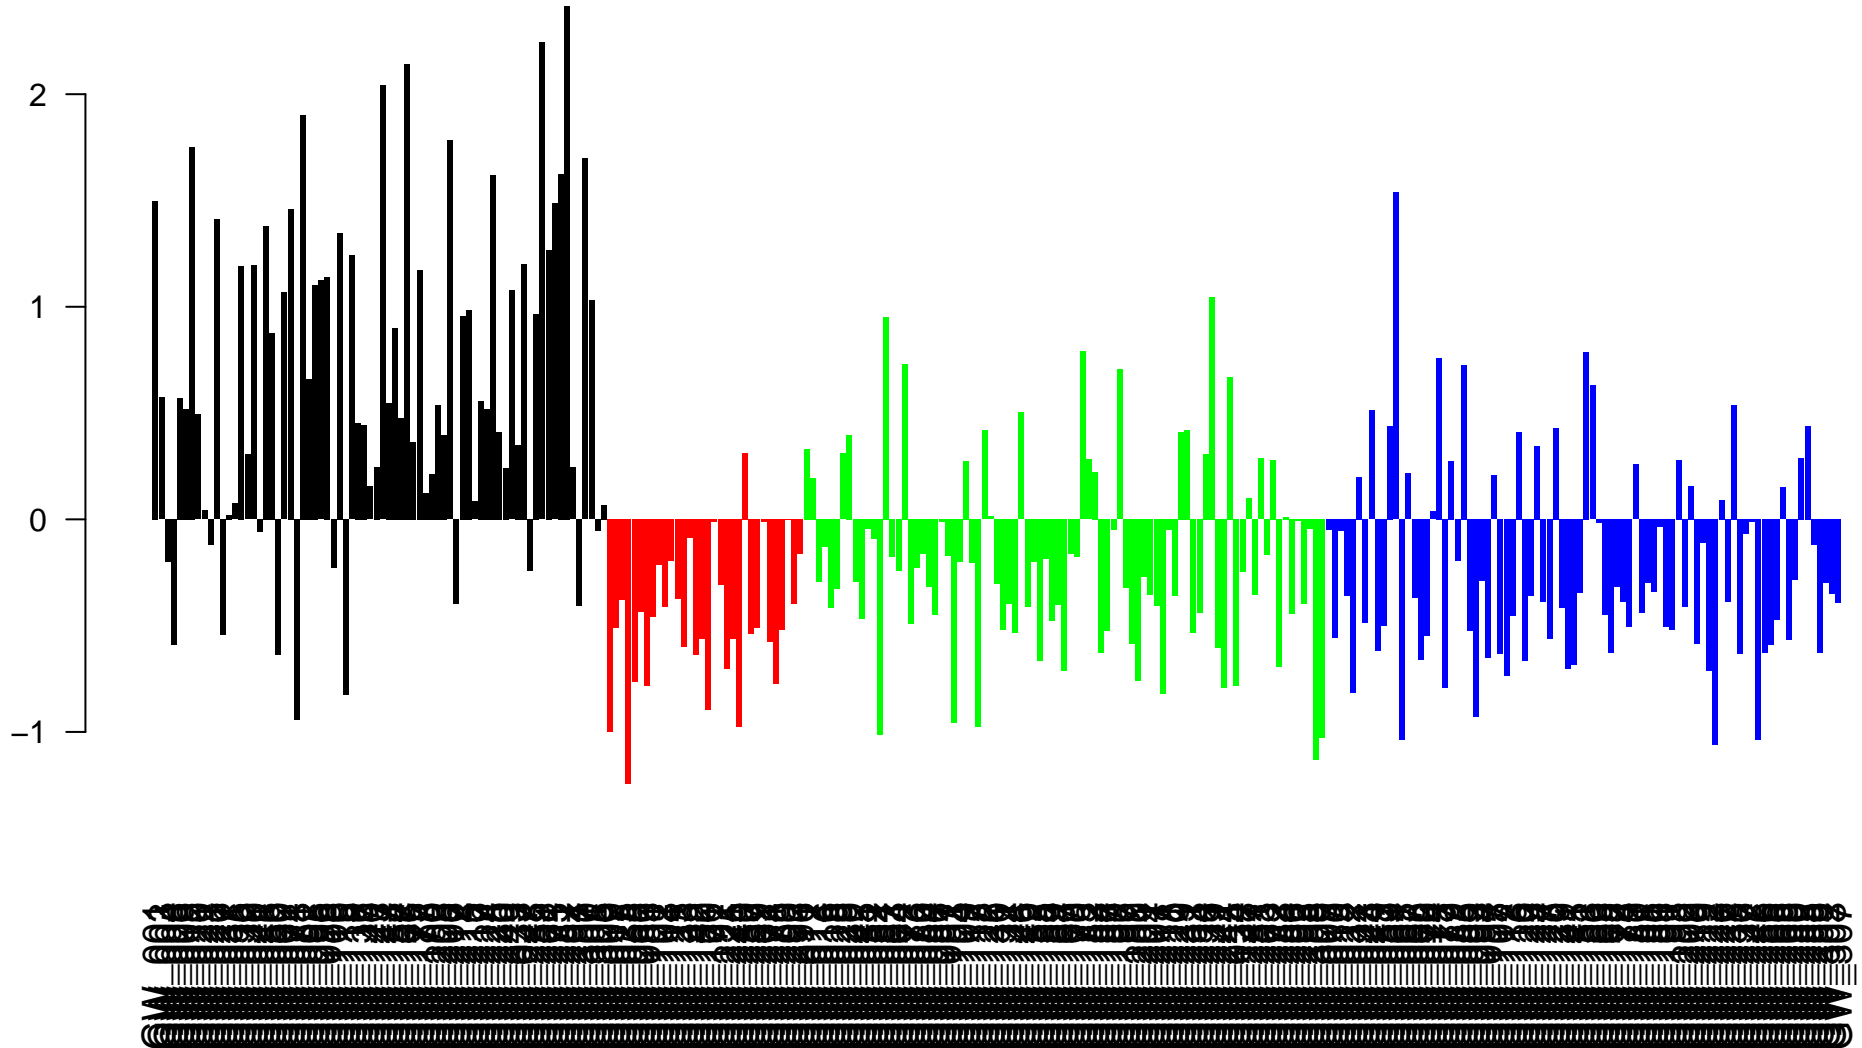

# Expression of phosphatidylinositol-mediated signaling in Spot F

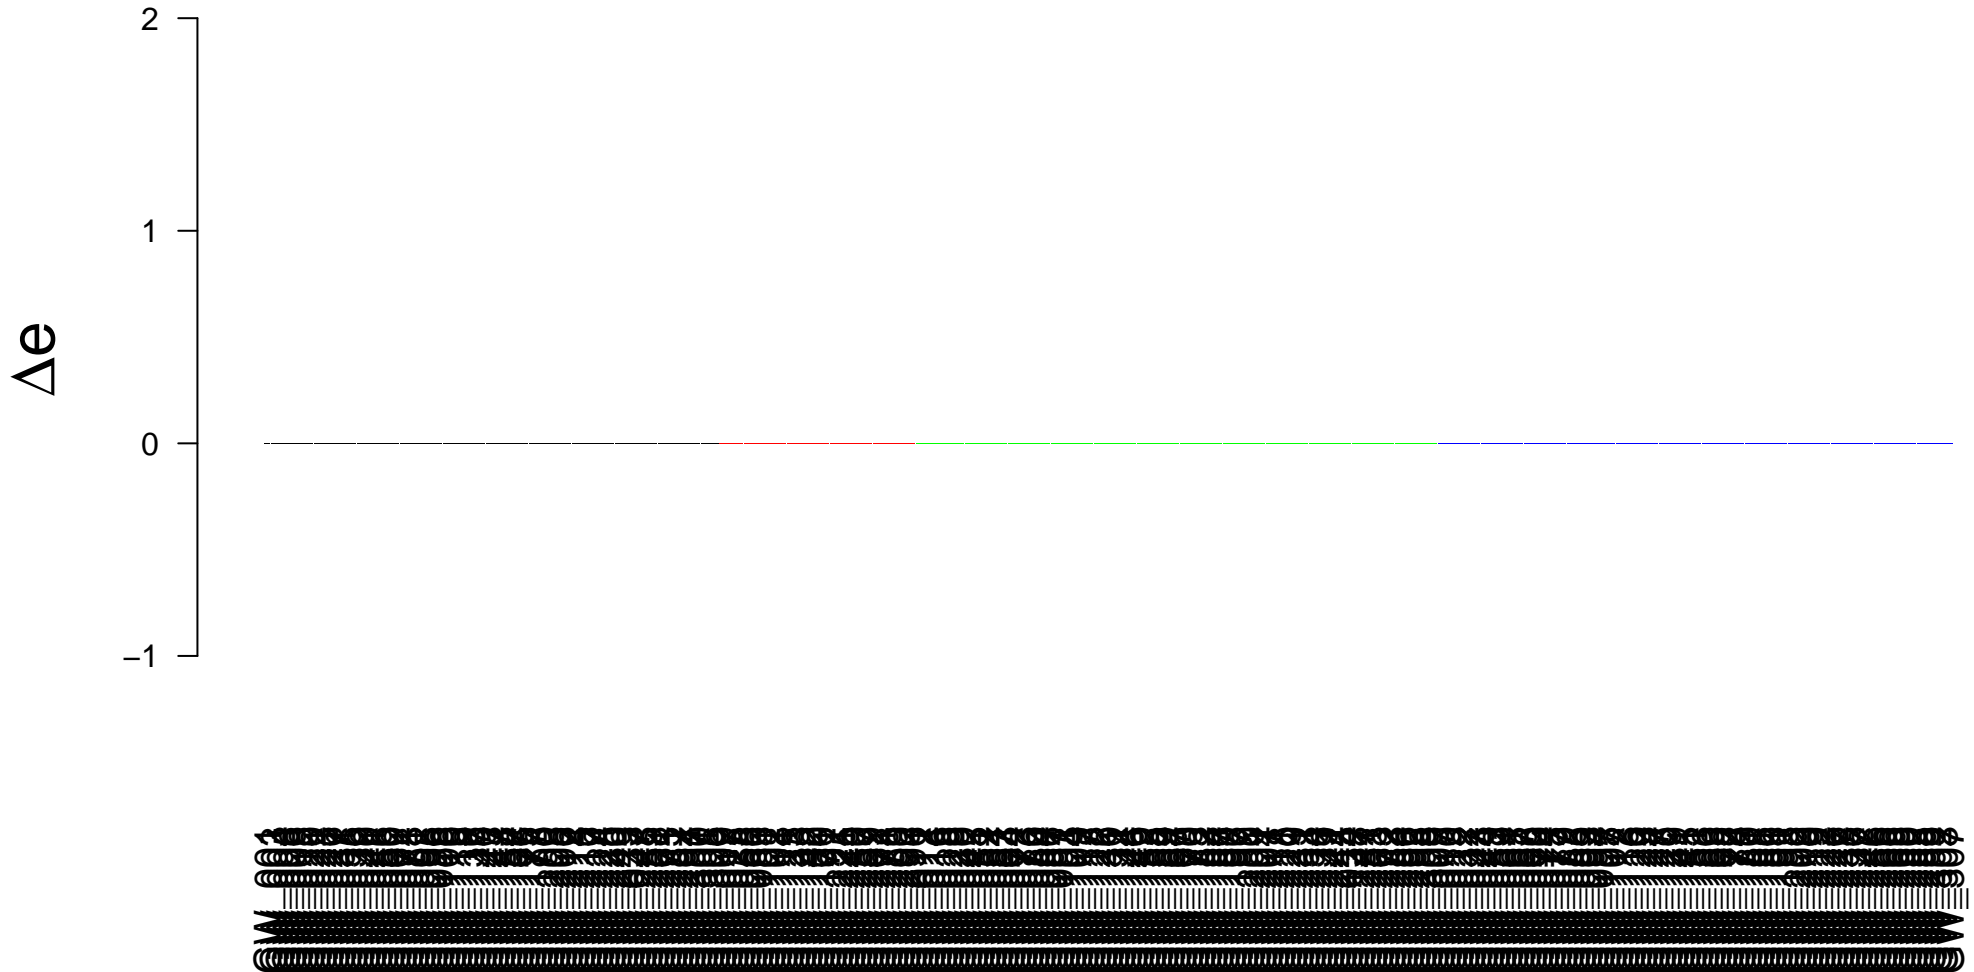

# Expression of phosphatidylinositol-mediated signaling in Spot G

$\Delta e$

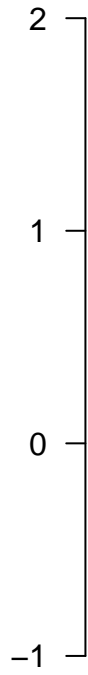

# Expression of phosphatidylinositol-mediated signaling in Spot H

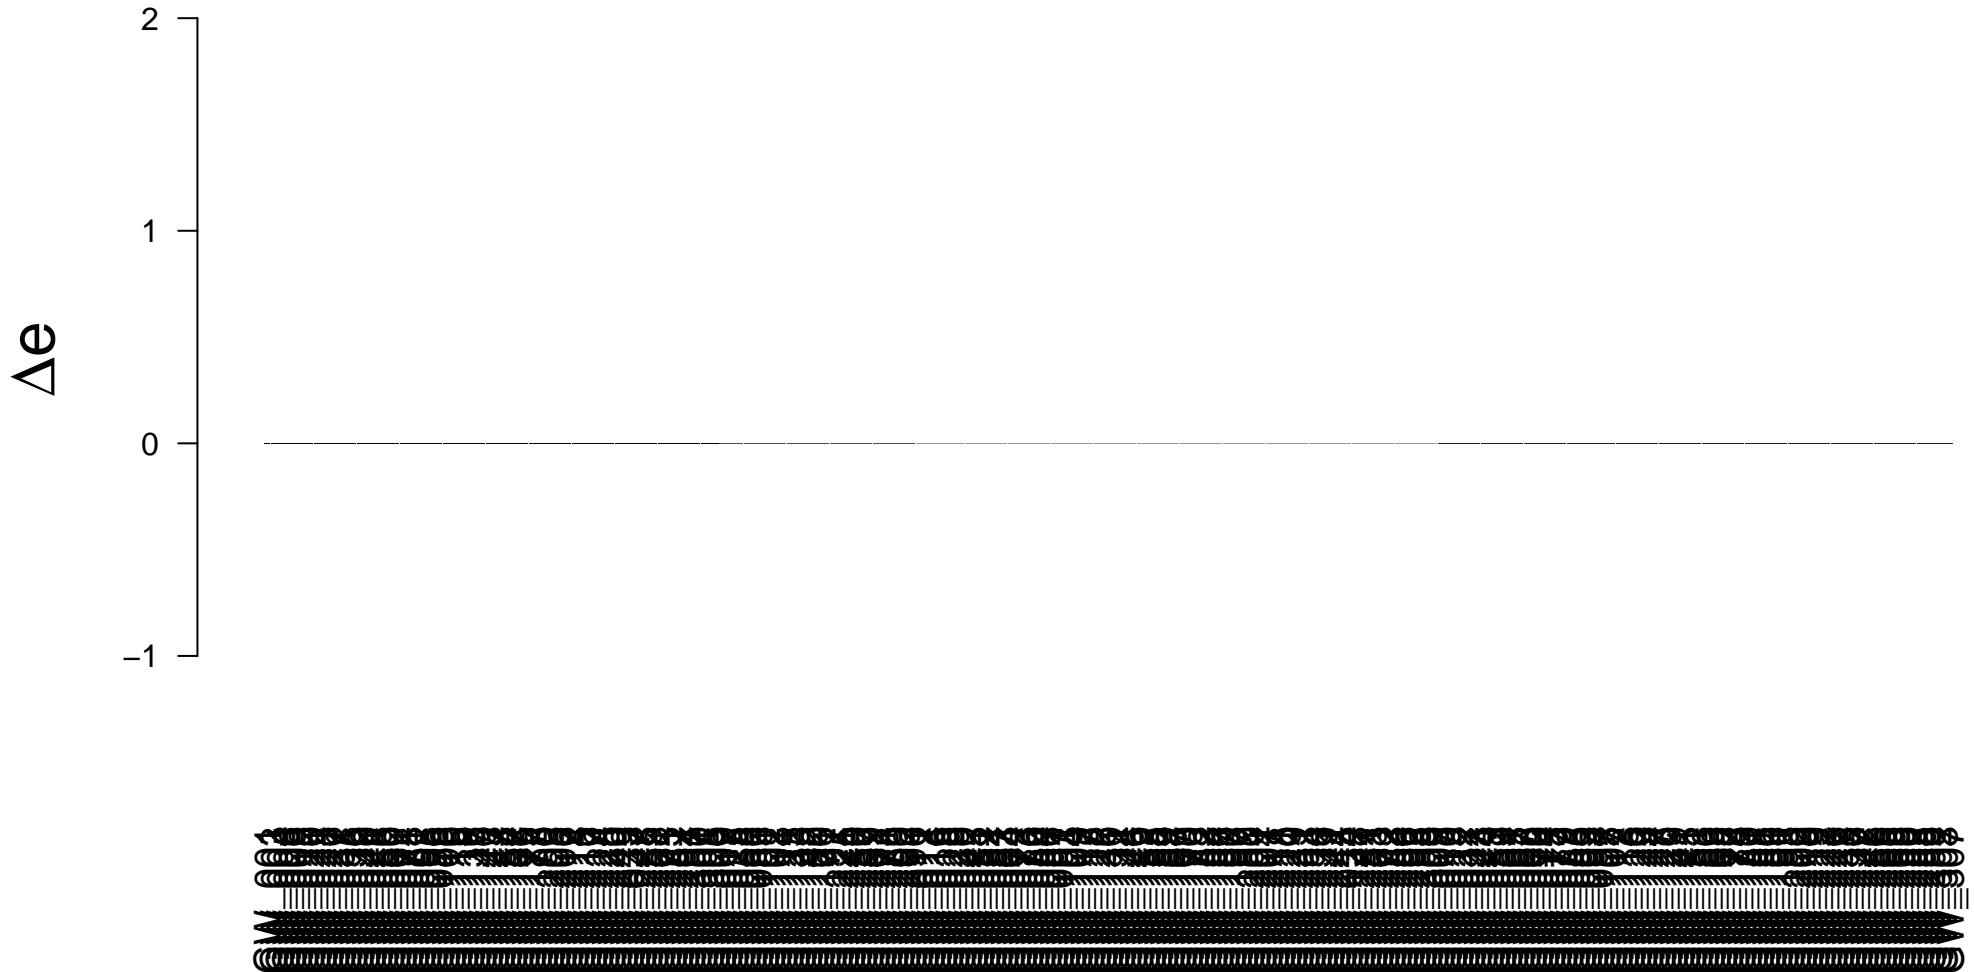

# Expression of phosphatidylinositol-mediated signaling in Spot I

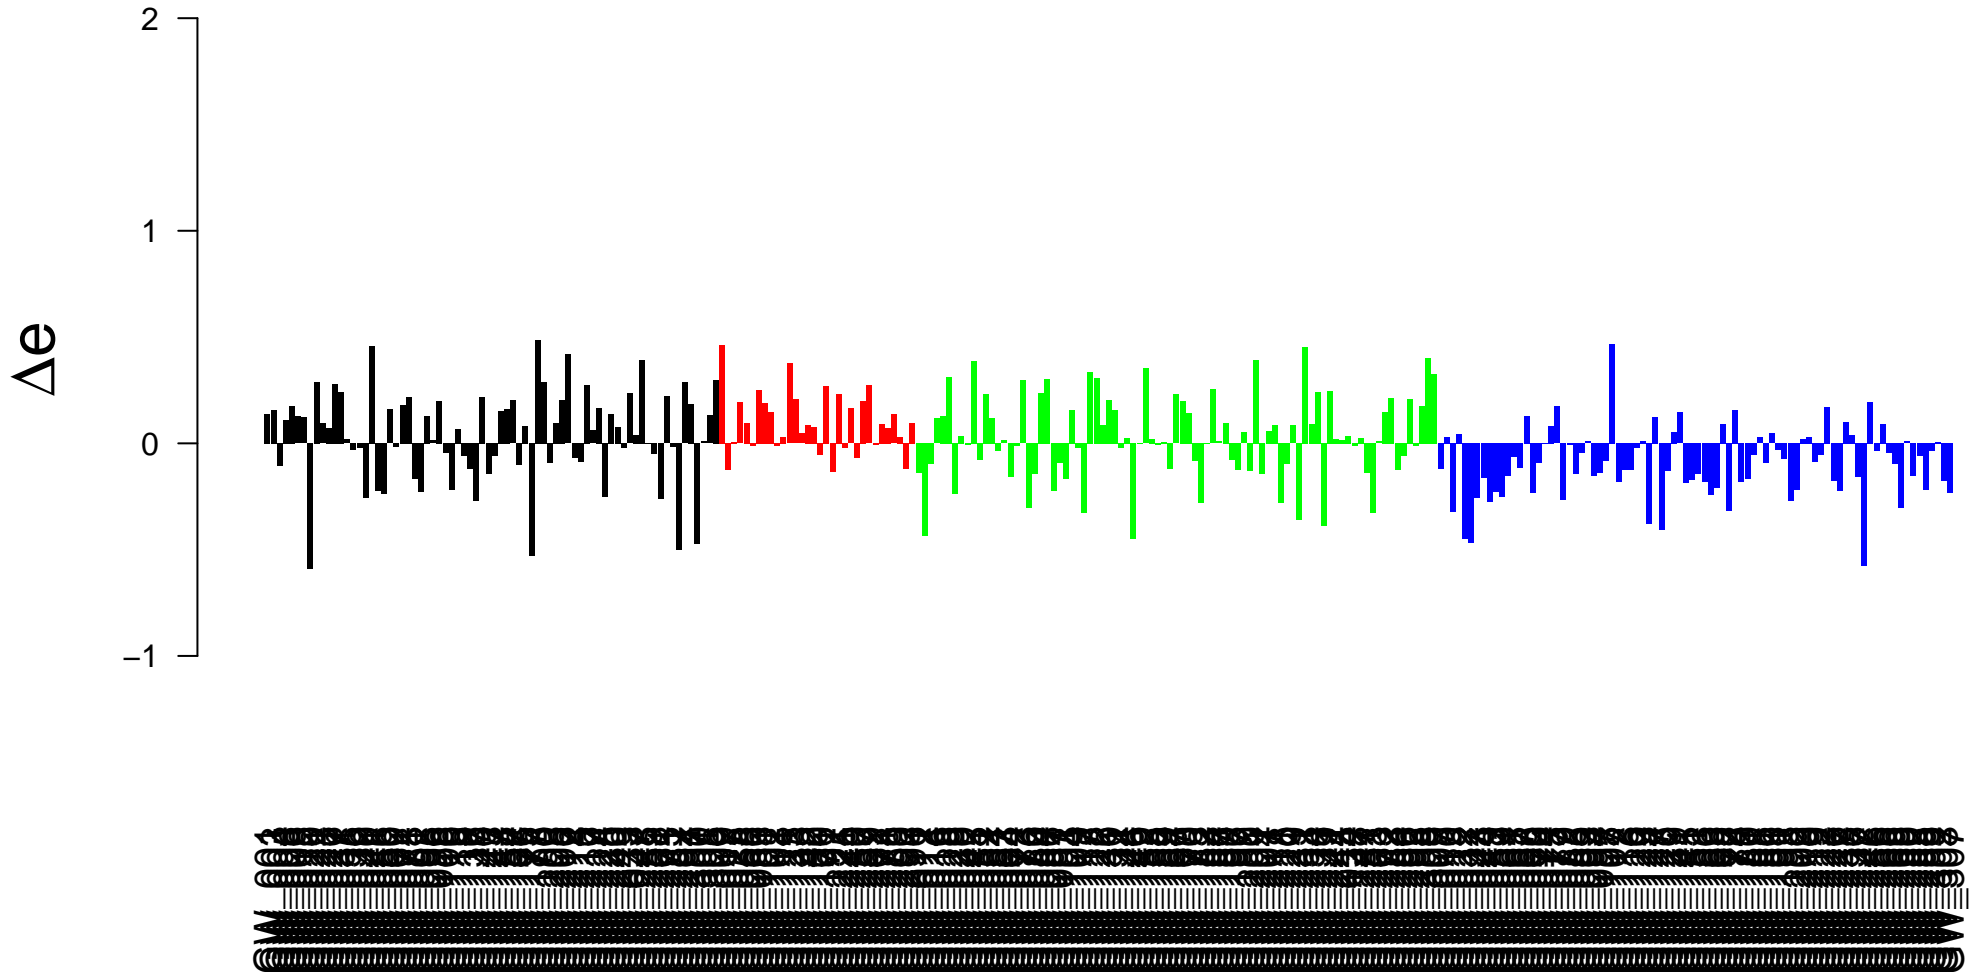

$\Delta e$

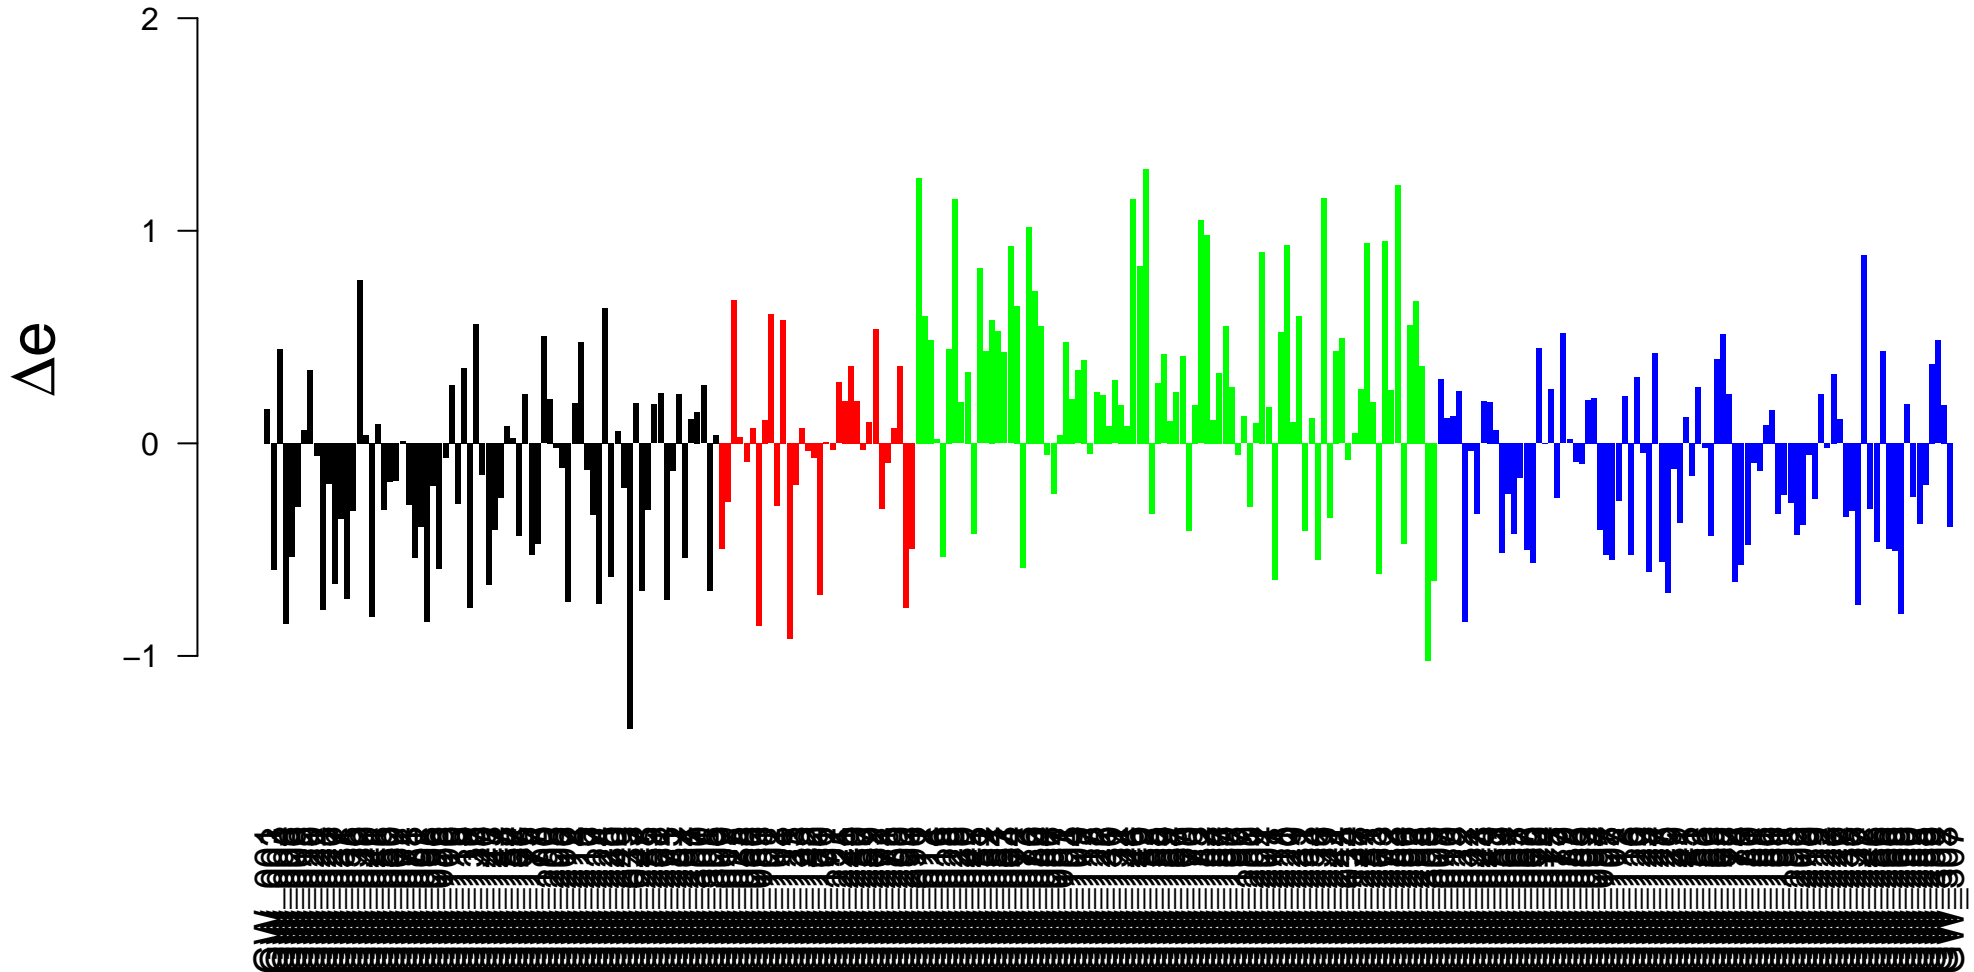

# Expression of phosphatidylinositol-mediated signaling in Spot J

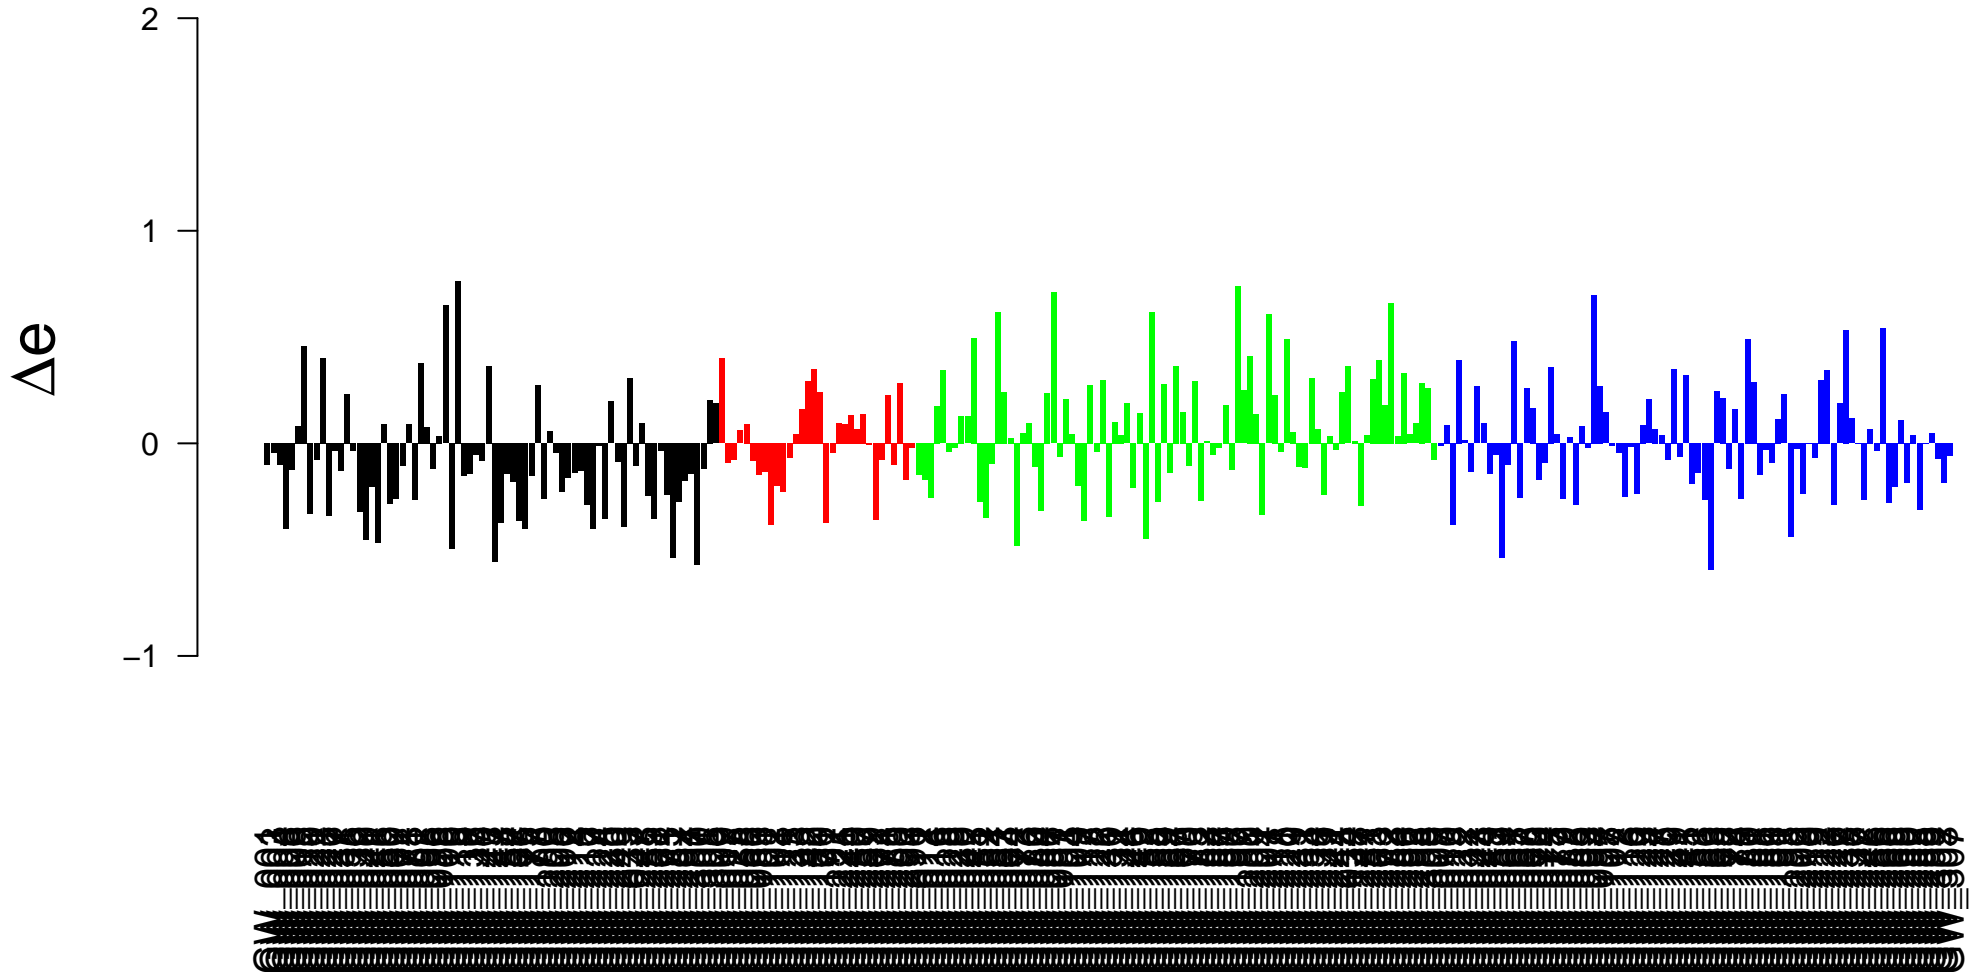

# Expression of phosphatidylinositol-mediated signaling in Spot K

# Expression of phosphatidylinositol-mediated signaling in Spot L

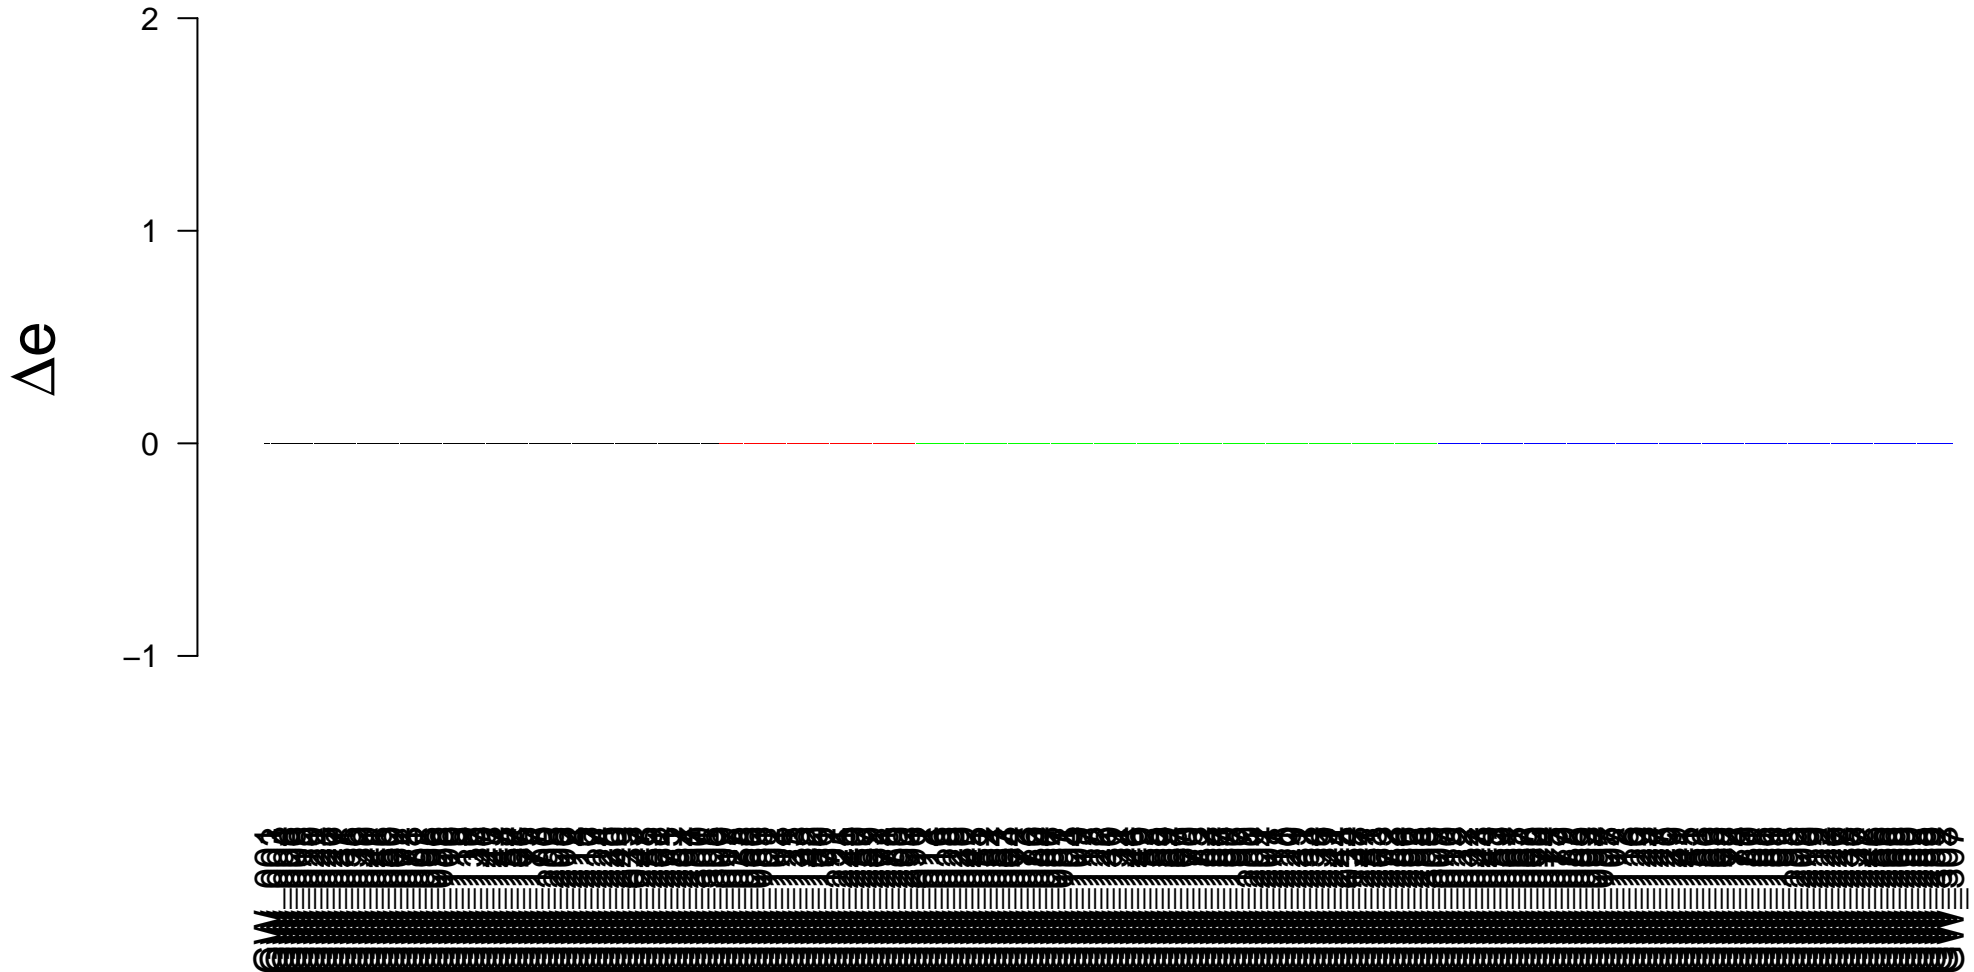

# Expression of phosphatidylinositol-mediated signaling in Spot M

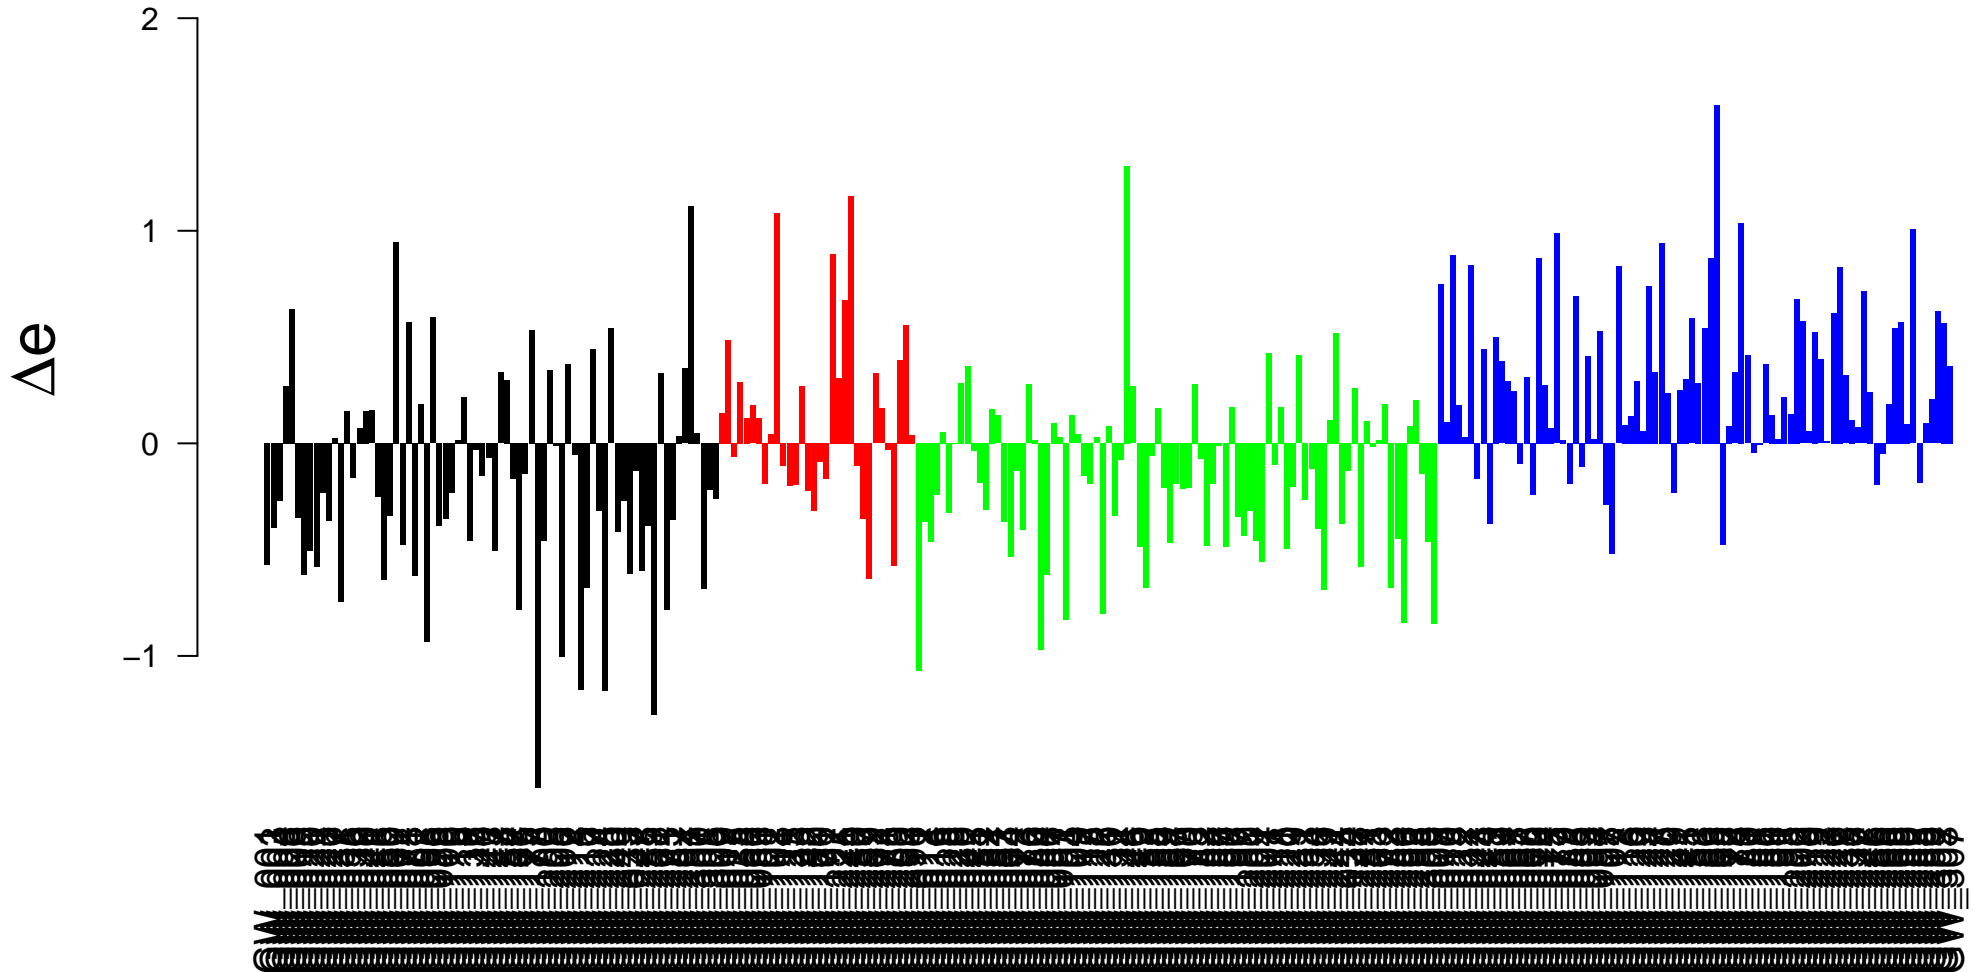

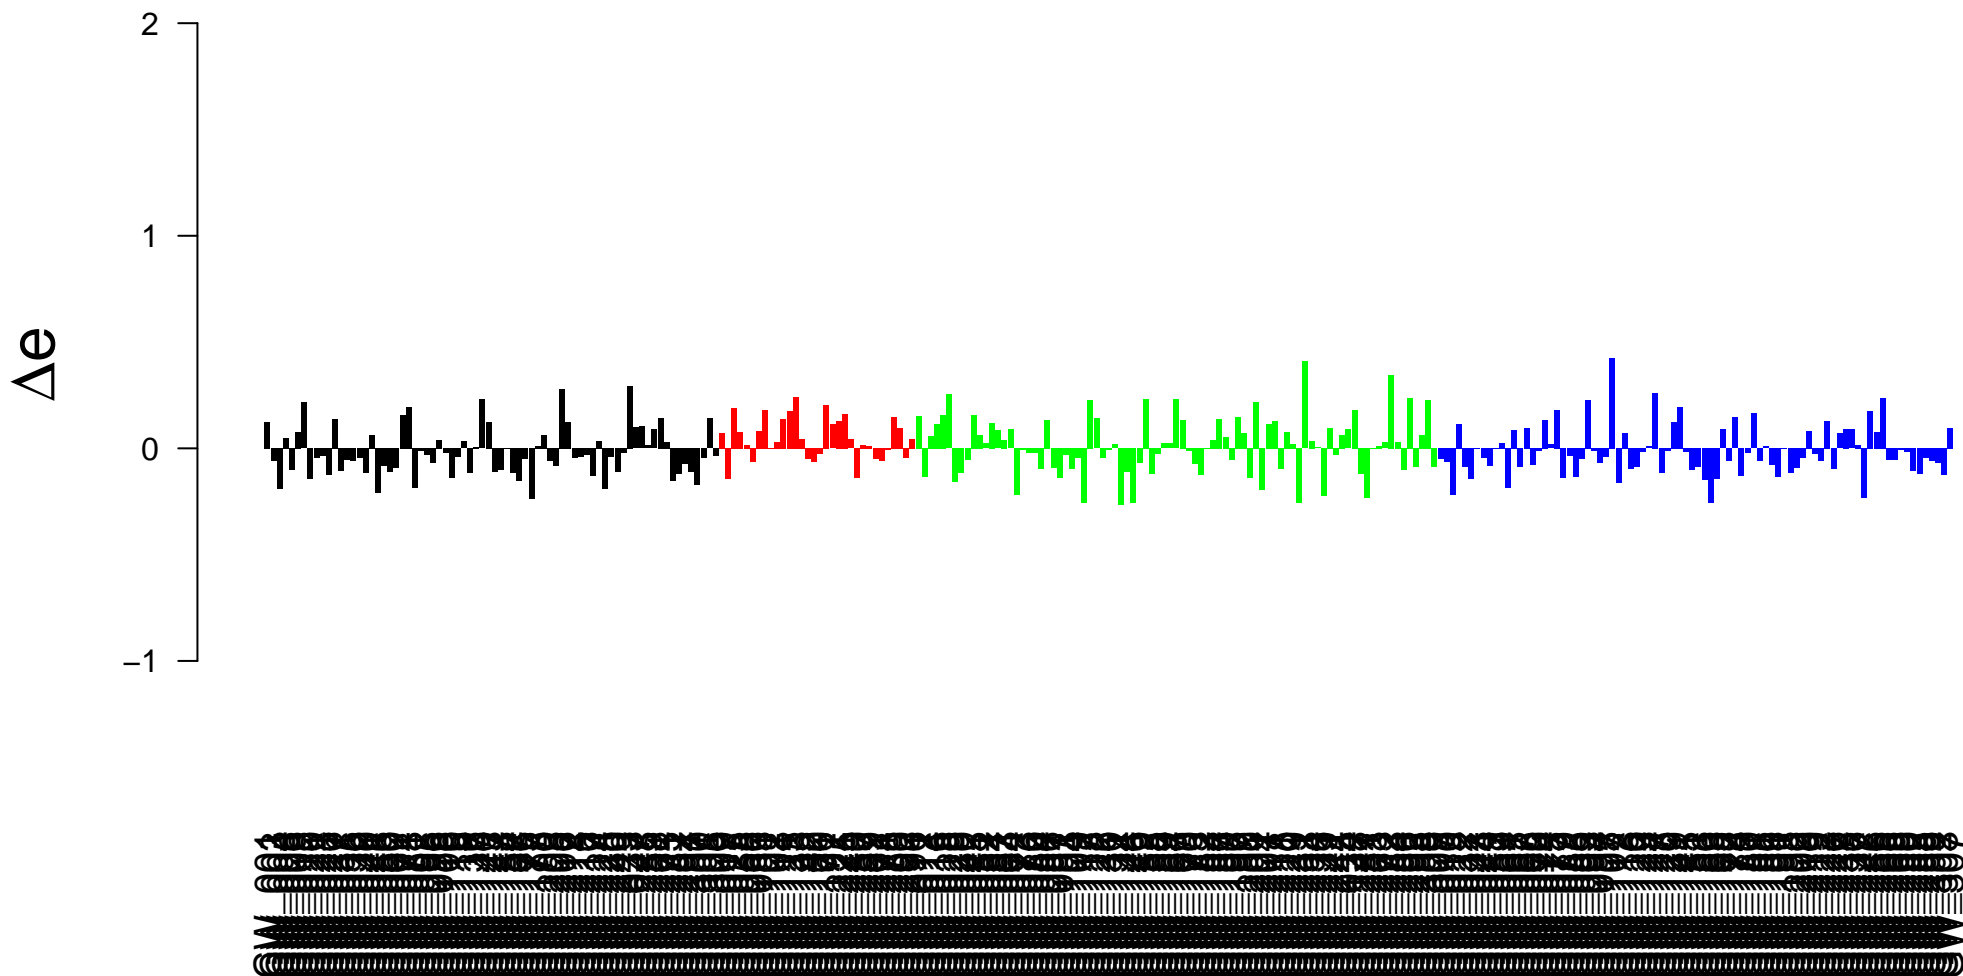

# Expression of phosphatidylinositol-mediated signaling in Spot N

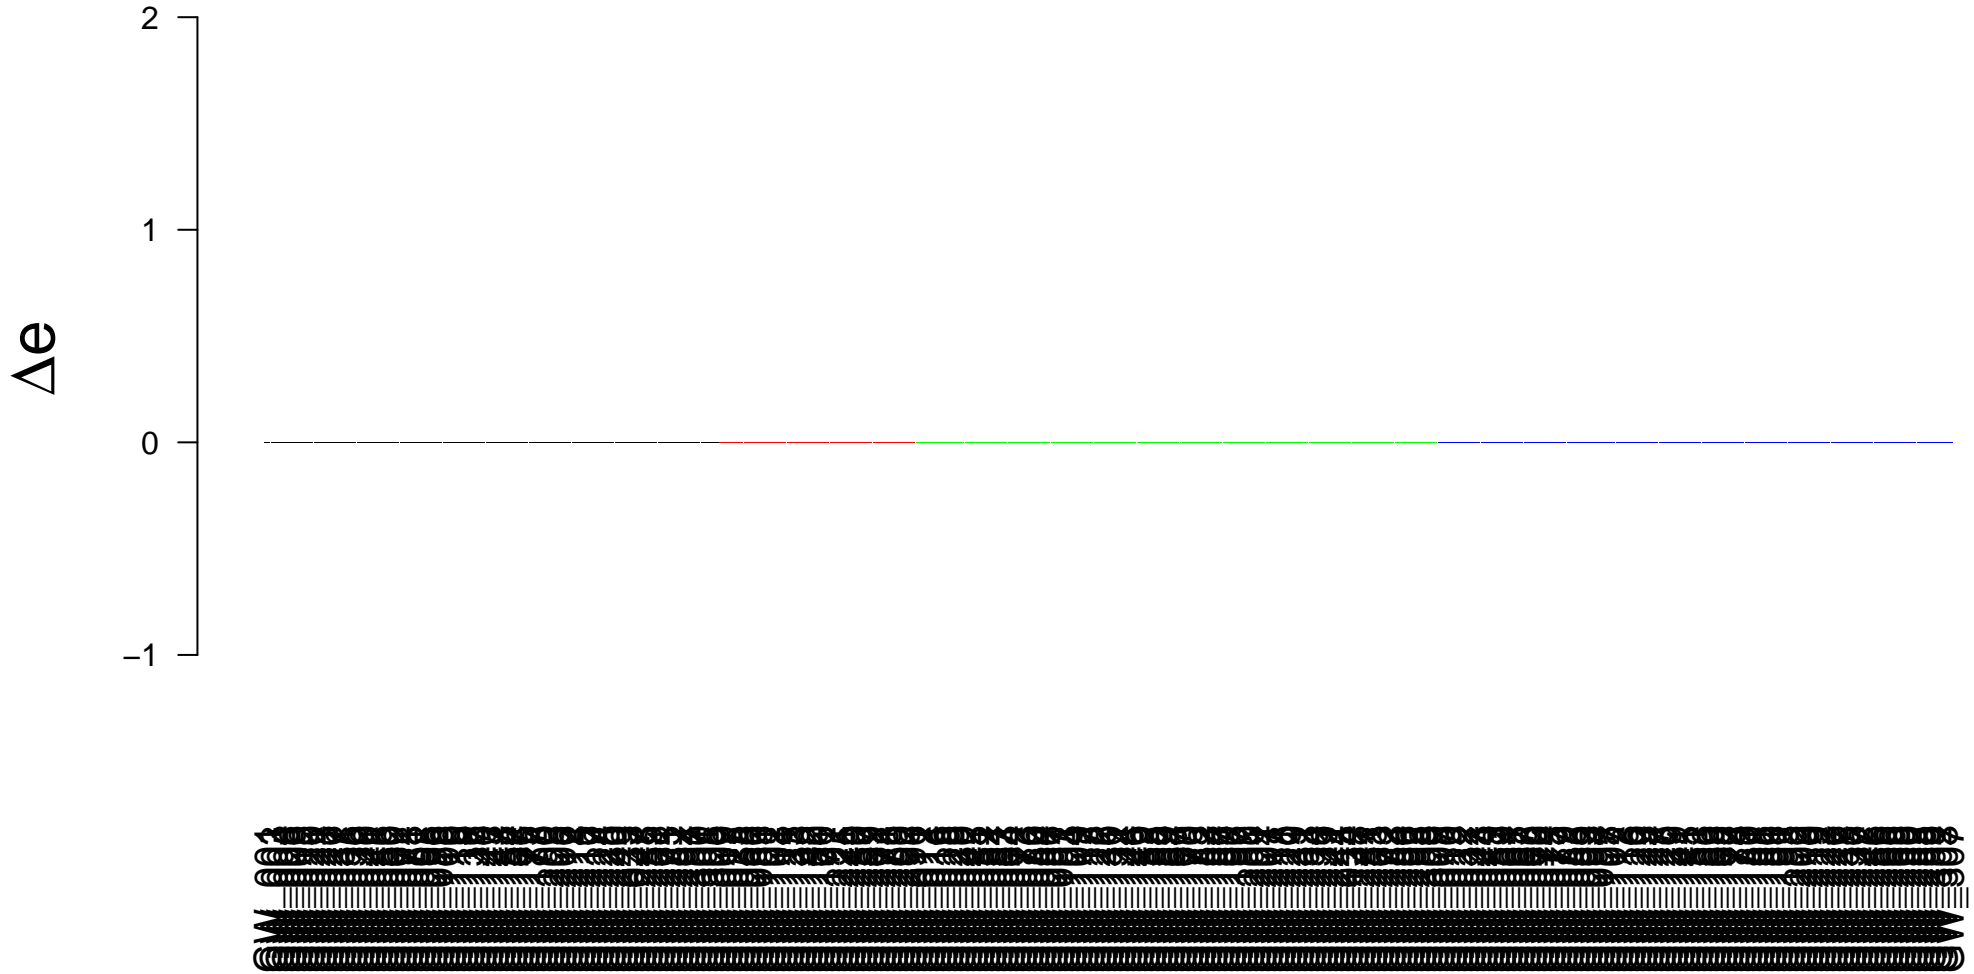

# Expression of phosphatidylinositol-mediated signaling in Spot O

# Expression of phosphatidylinositol-mediated signaling in Spot P

# Expression of phosphatidylinositol-mediated signaling in Spot Q

# Expression of phosphatidylinositol-mediated signaling in Spot R
