

phosphatidylinositol metabolic process

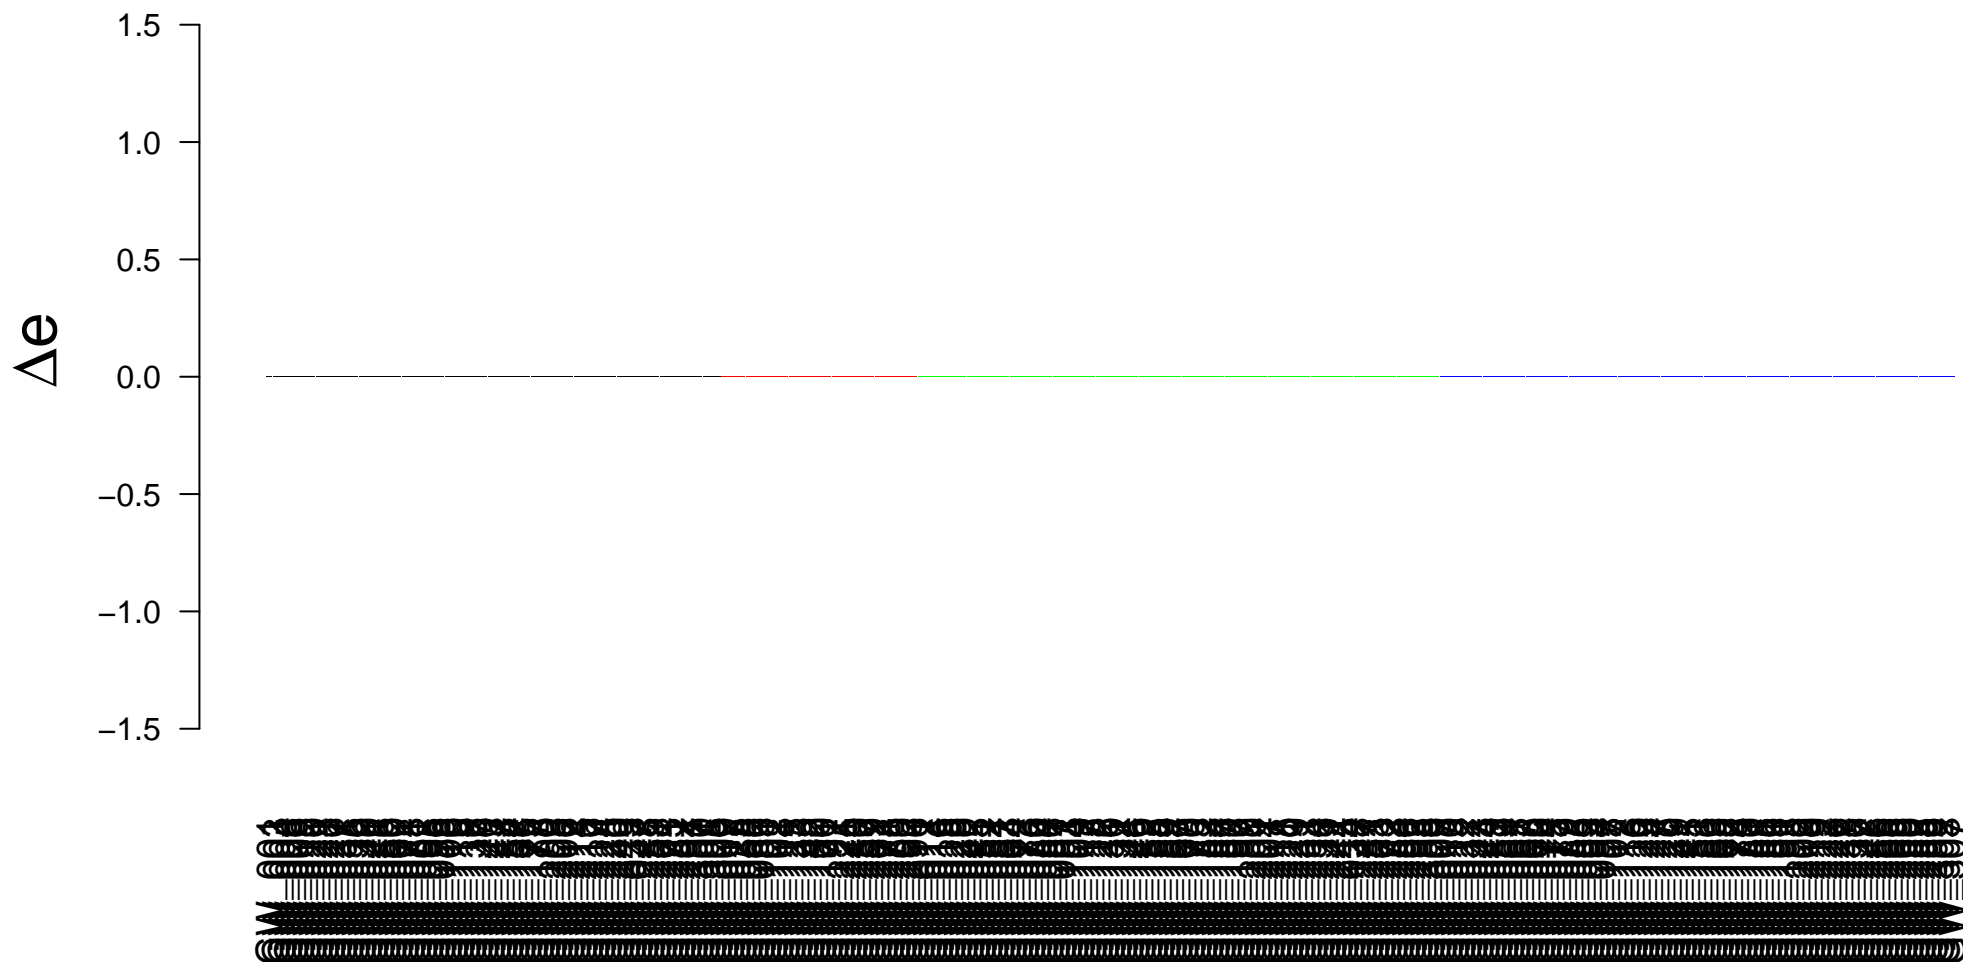

phosphatidylinositol metabolic process

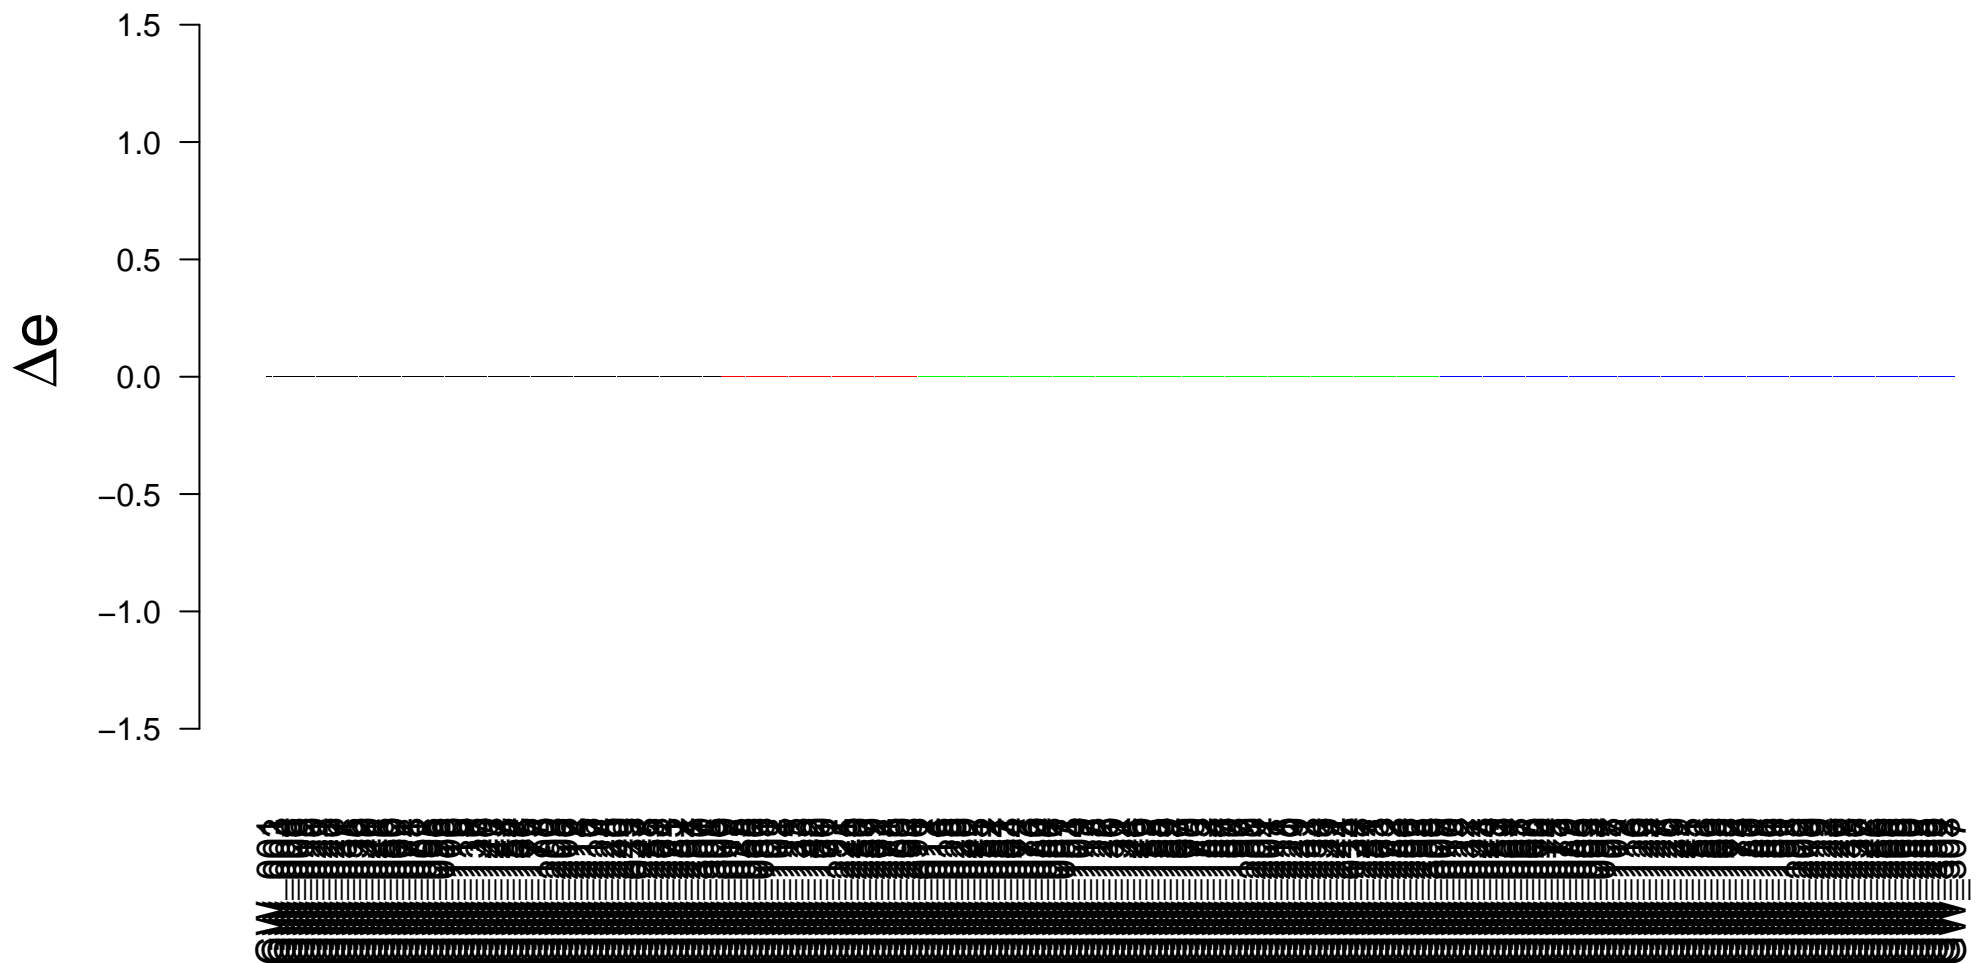

Enrichment in spots: phosphatidylinositol metabolic process

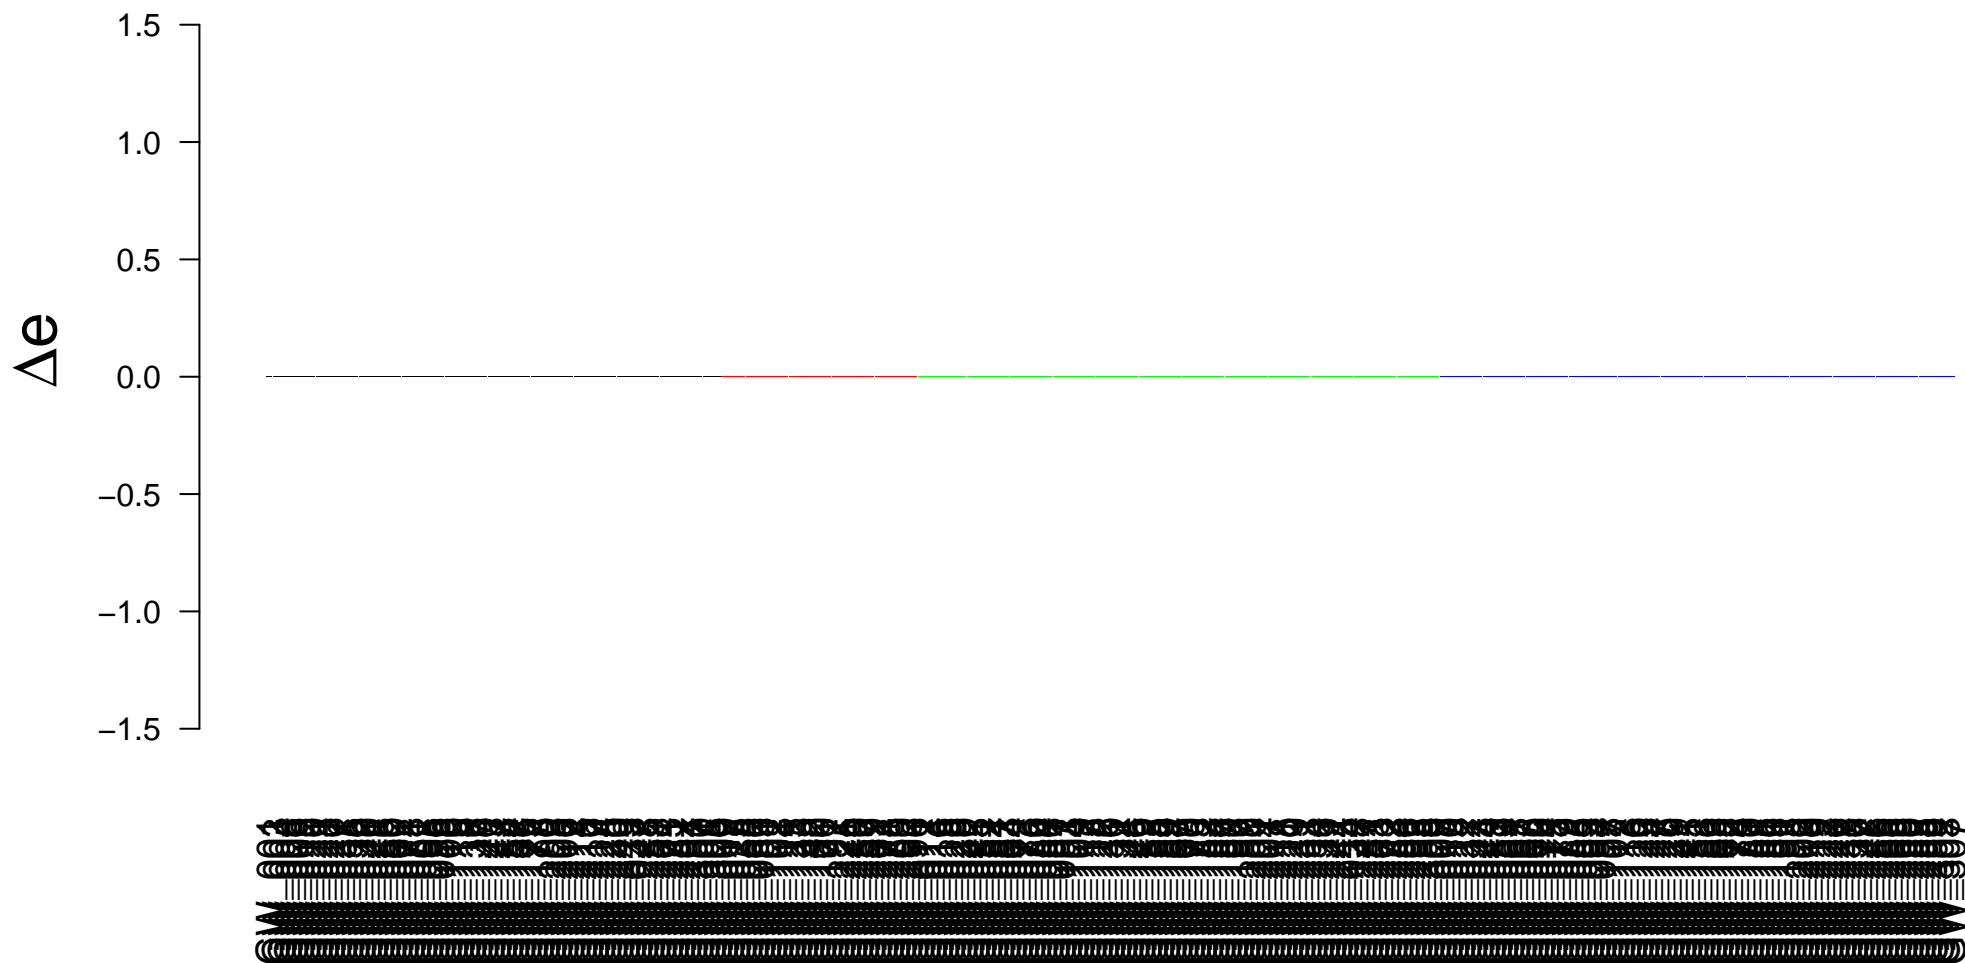

Expression of phosphatidylinositol metabolic process in Spot A

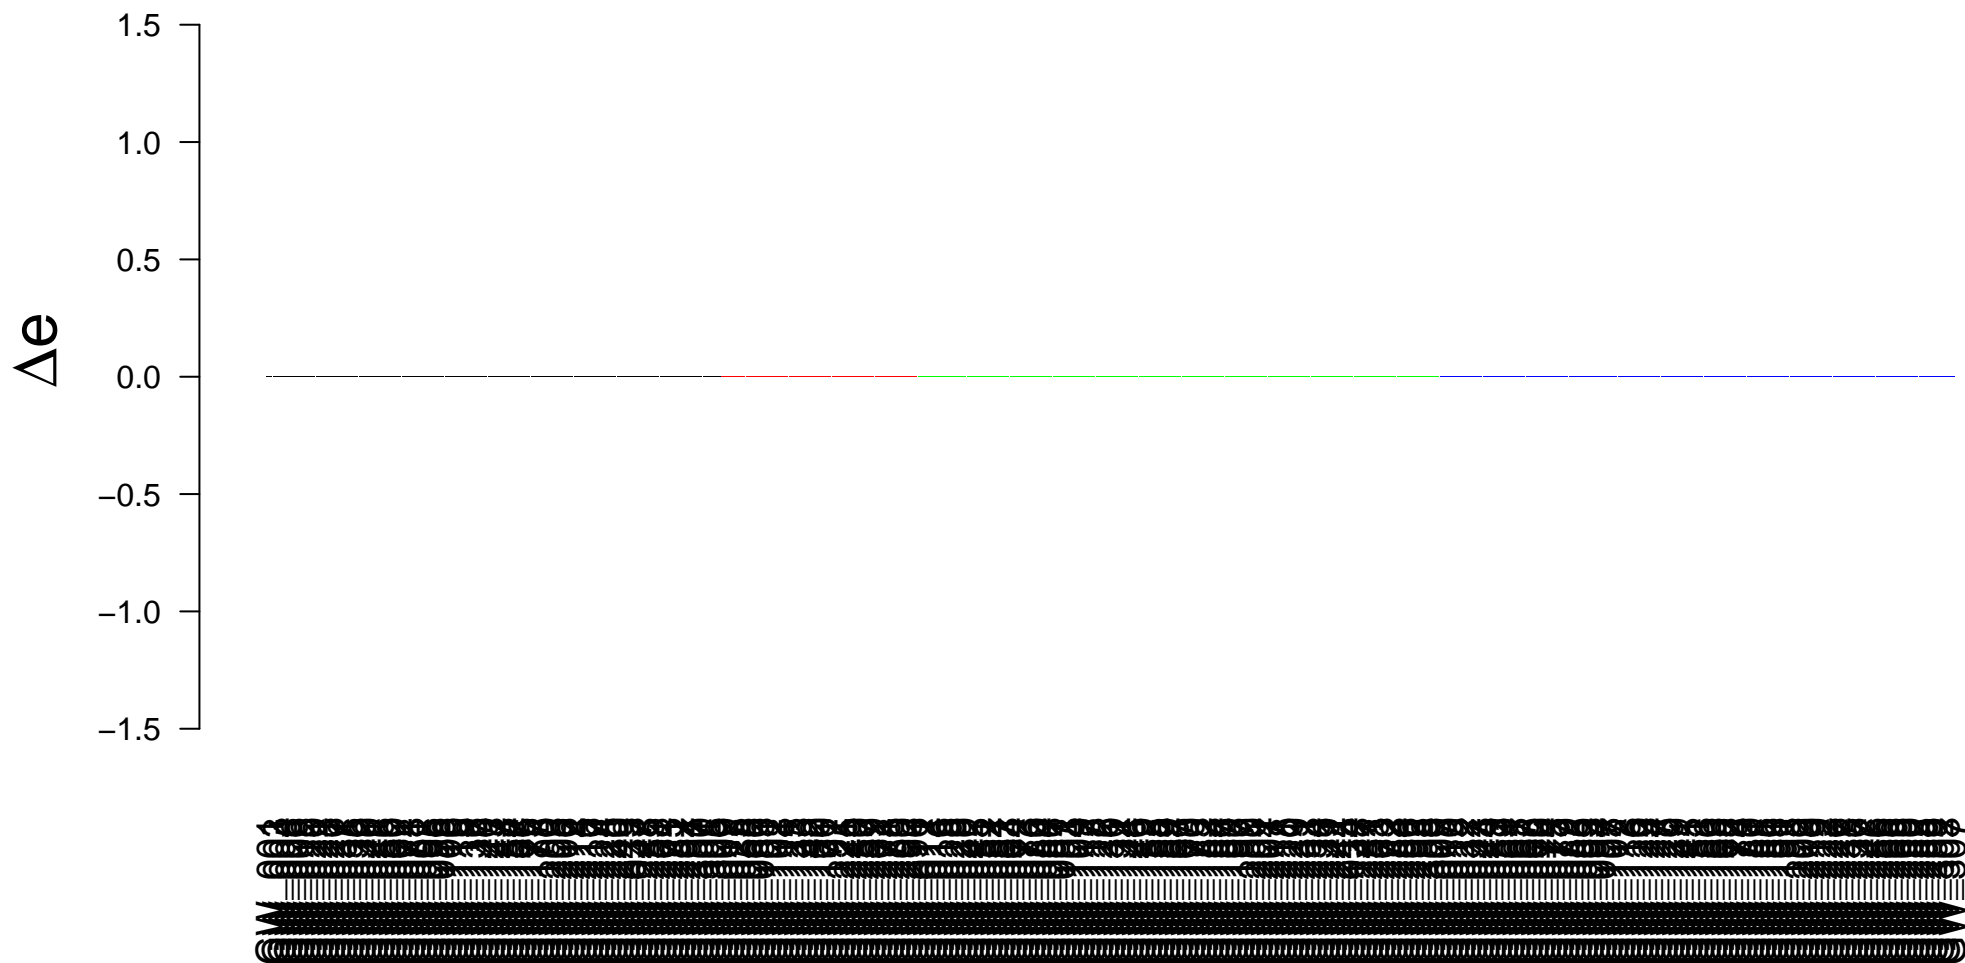

Expression of phosphatidylinositol metabolic process in Spot B

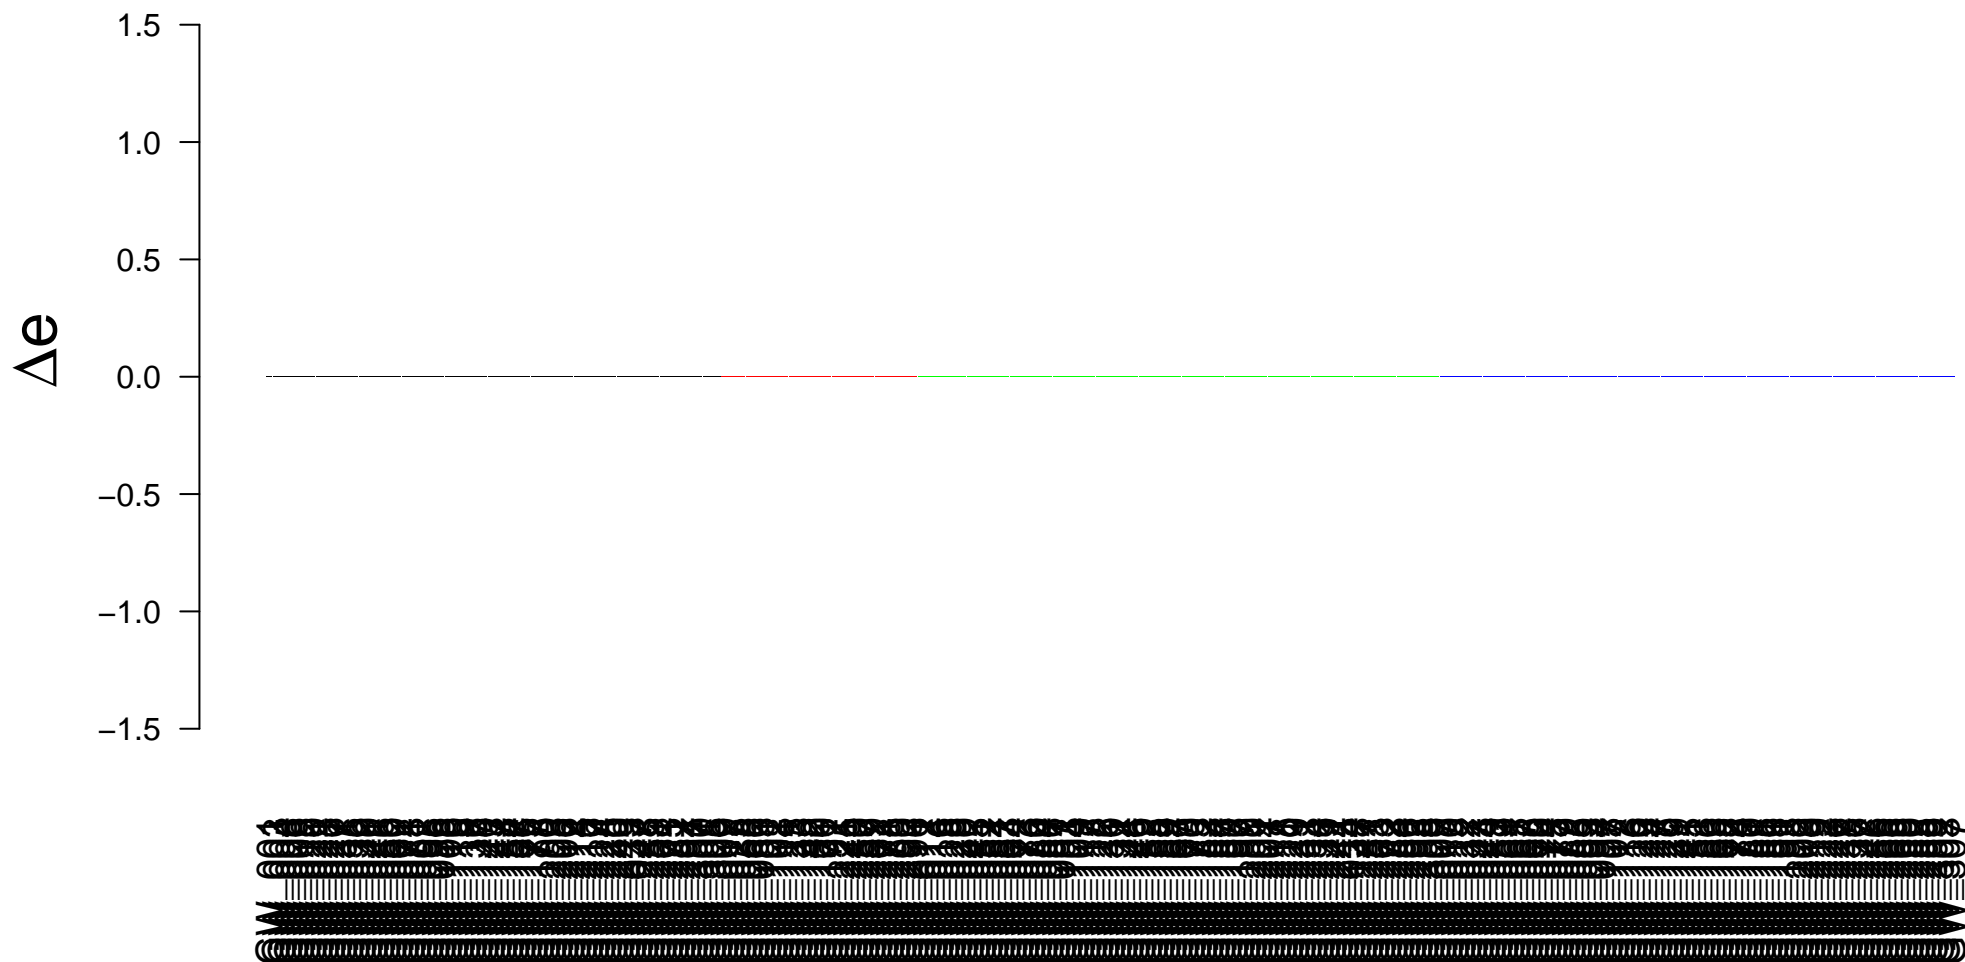

Expression of phosphatidylinositol metabolic process in Spot C

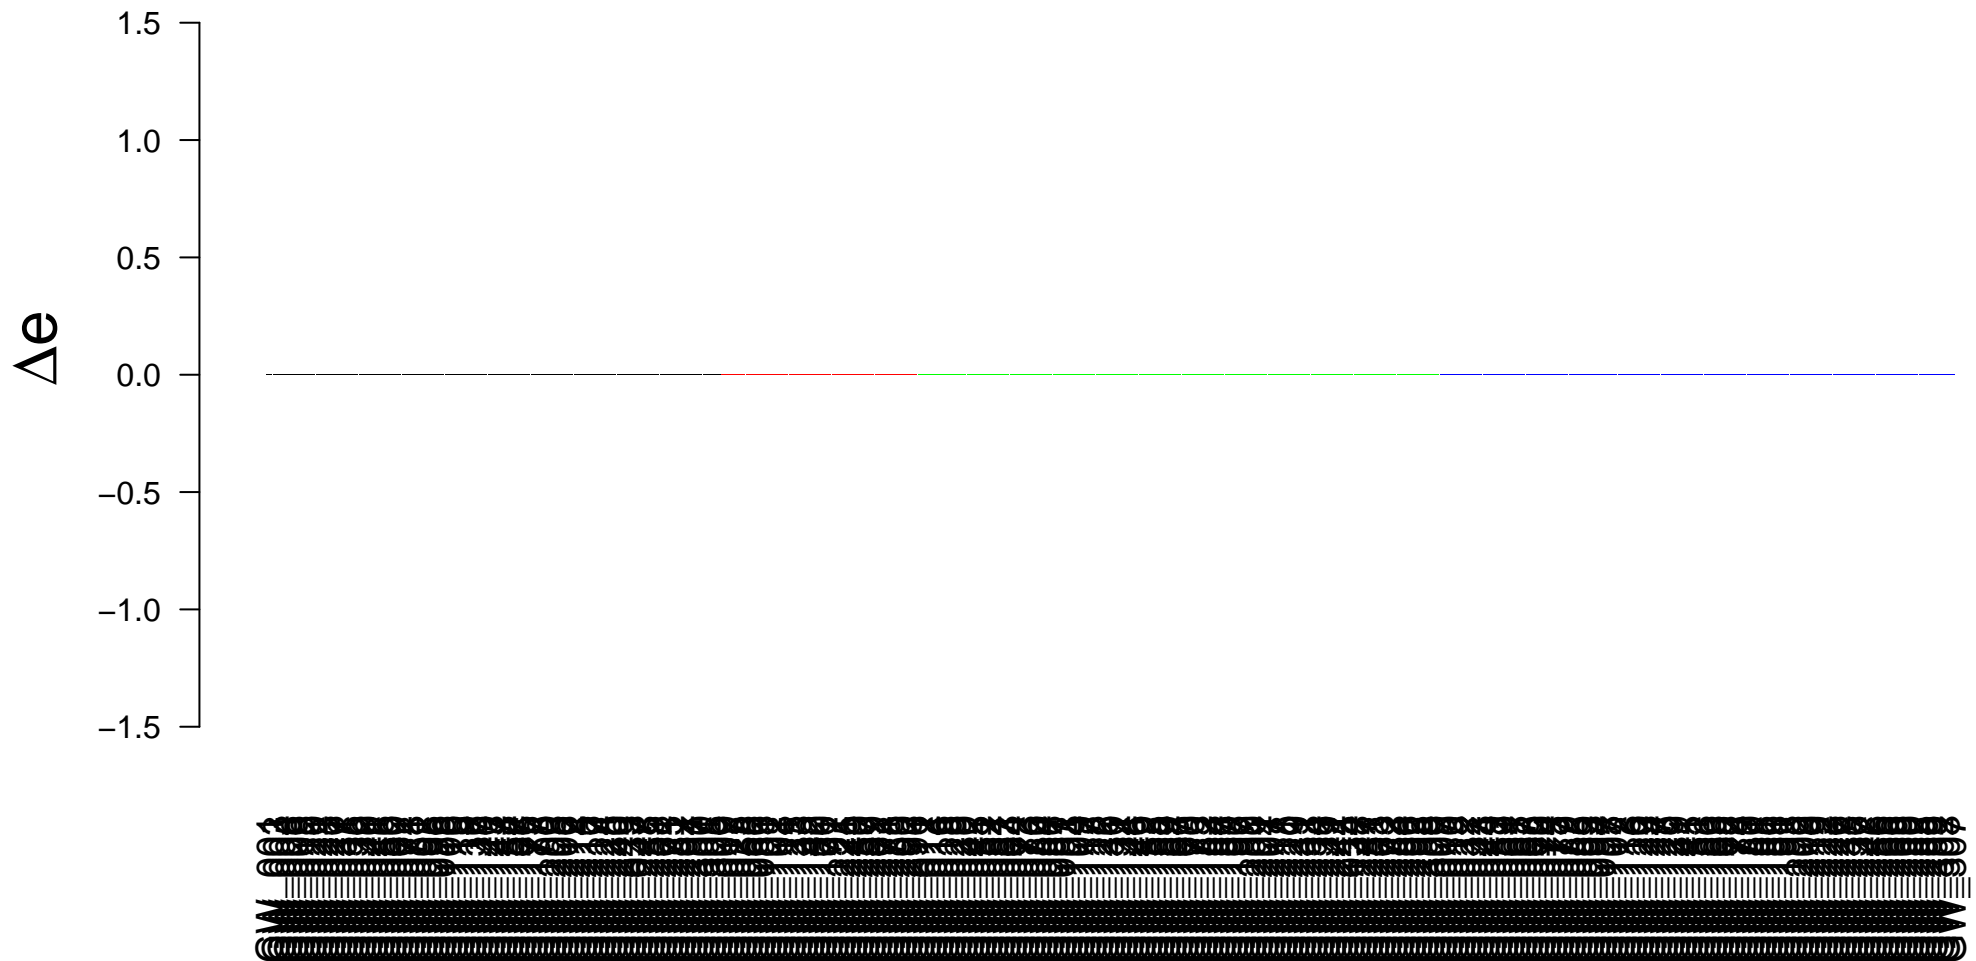

Expression of phosphatidylinositol metabolic process in Spot D

Expression of phosphatidylinositol metabolic process in Spot E

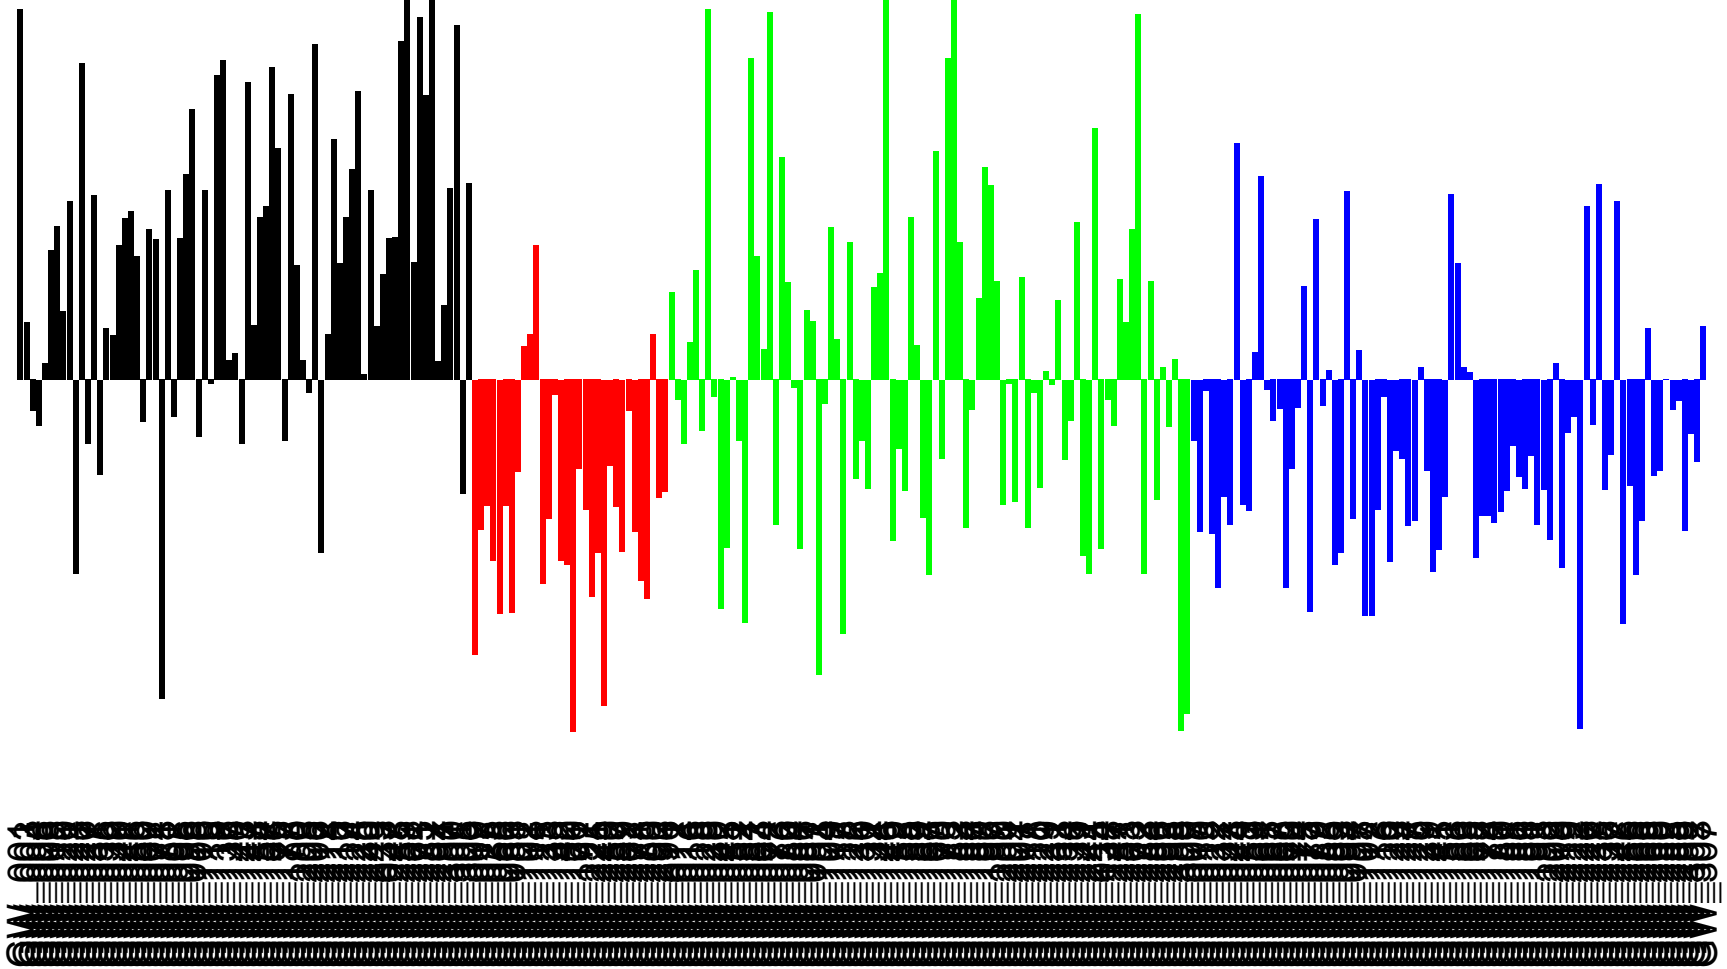

Expression of phosphatidylinositol metabolic process in Spot F

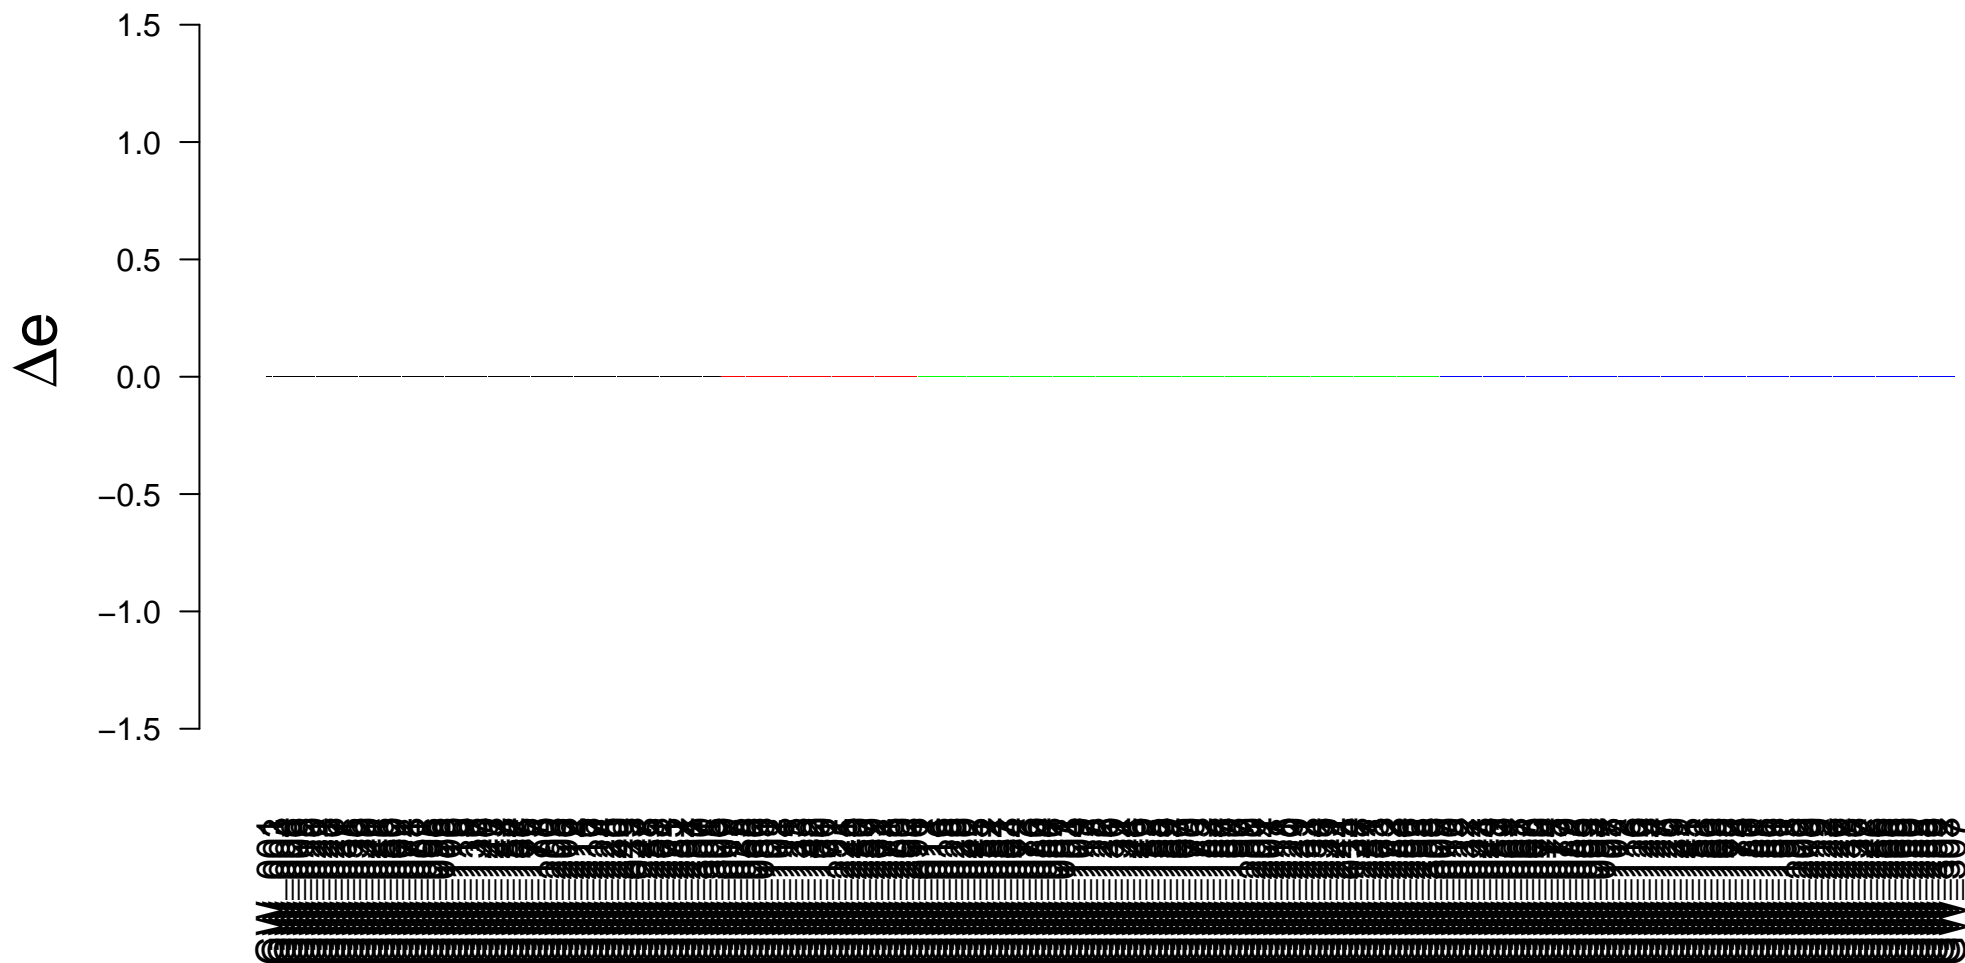

Expression of phosphatidylinositol metabolic process in Spot G

Expression of phosphatidylinositol metabolic process in Spot H

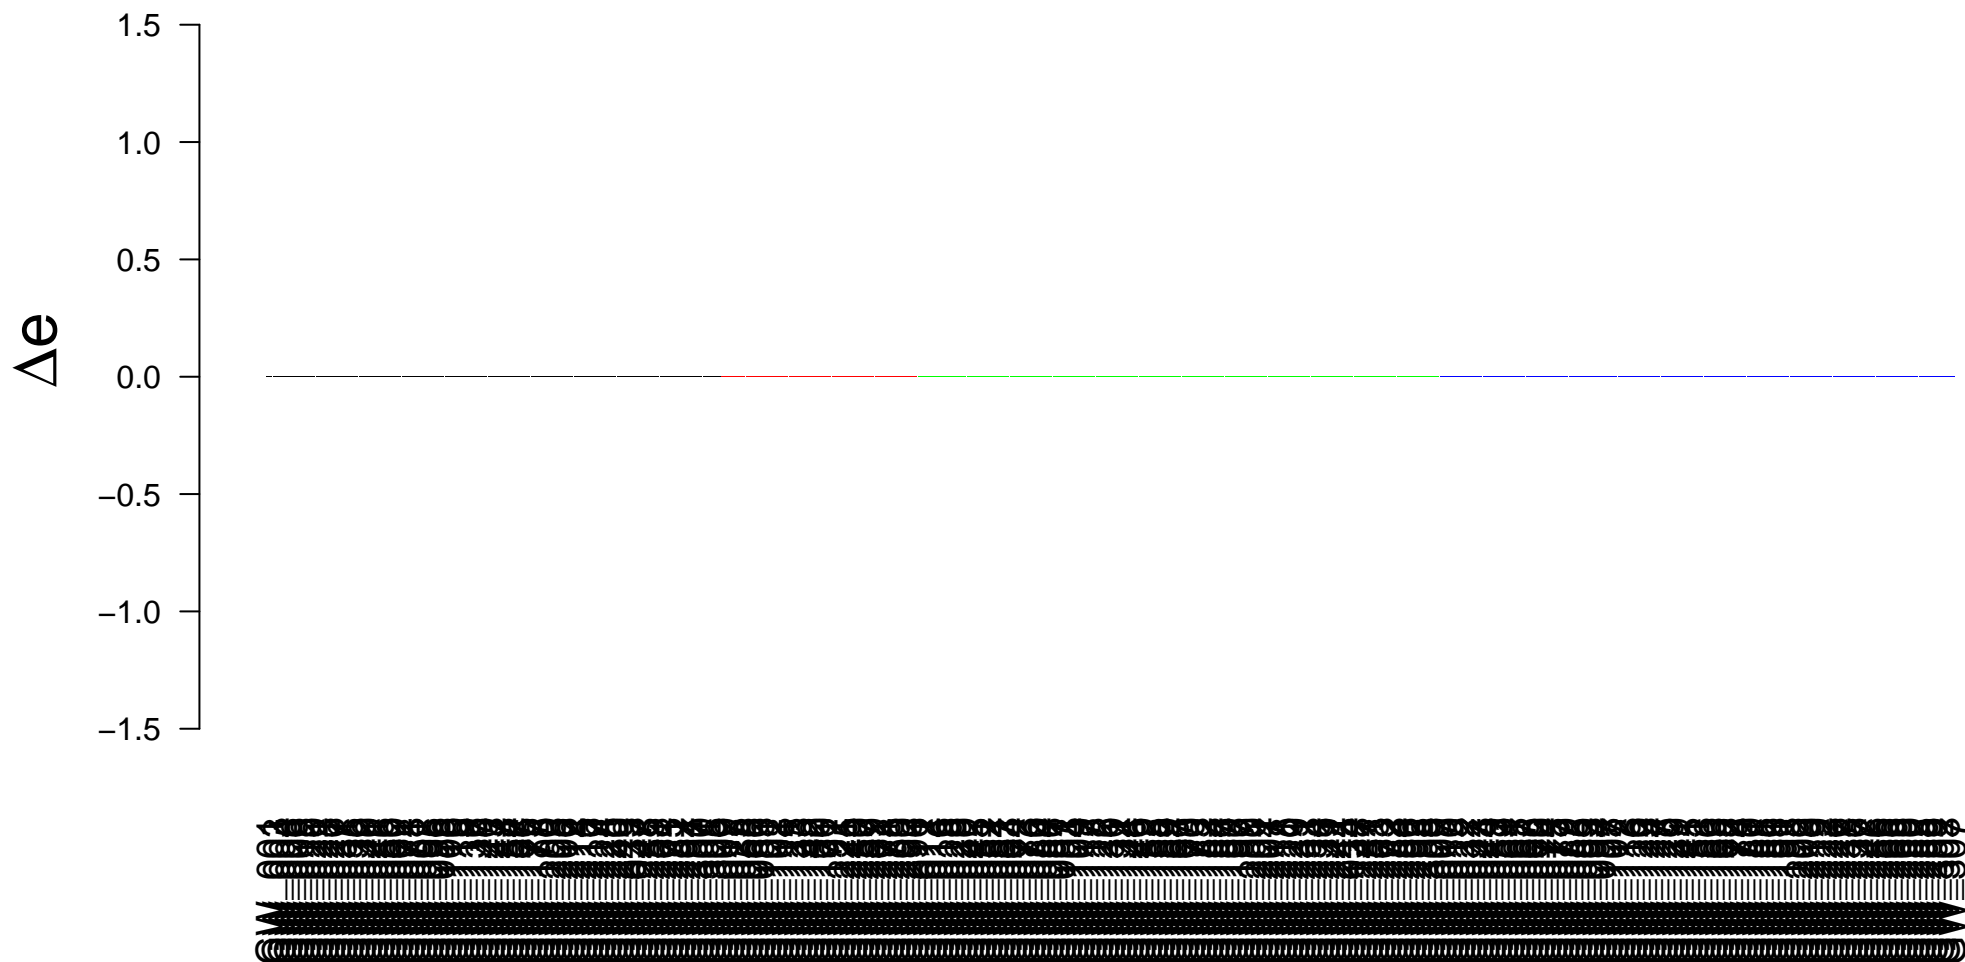

Expression of phosphatidylinositol metabolic process in Spot I

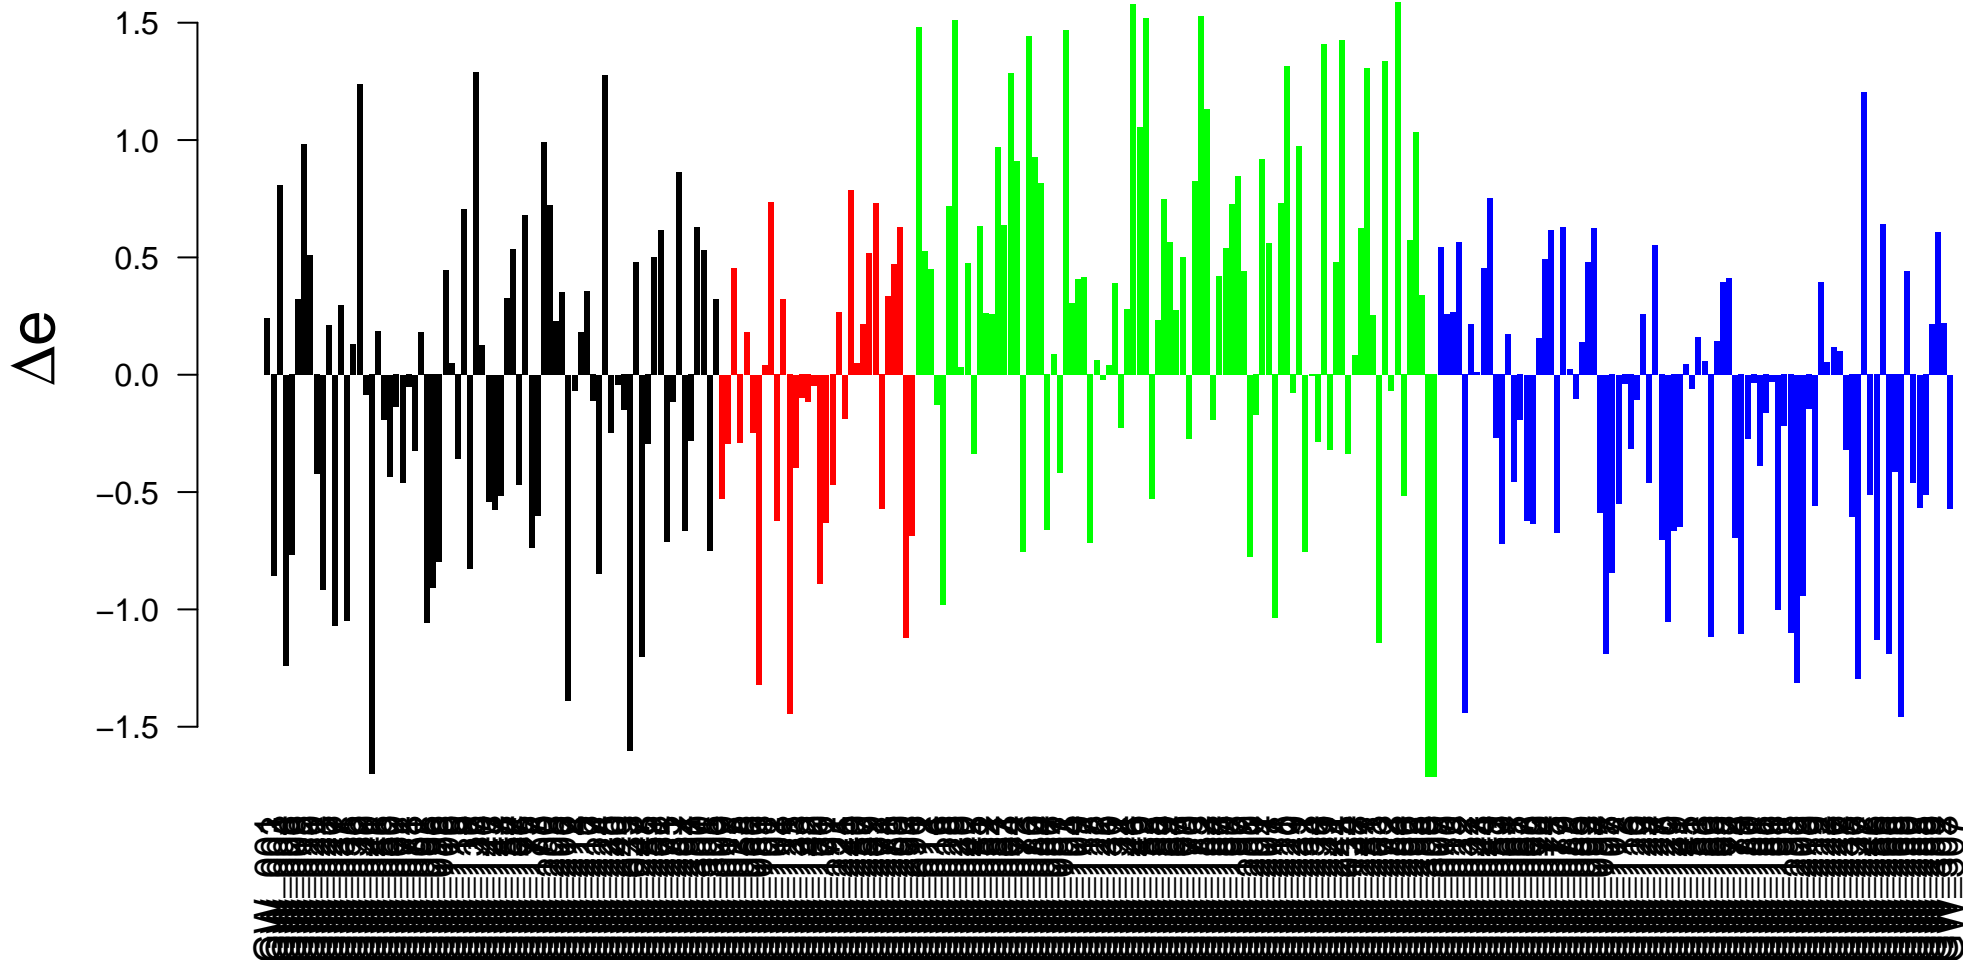

Expression of phosphatidylinositol metabolic process in Spot J

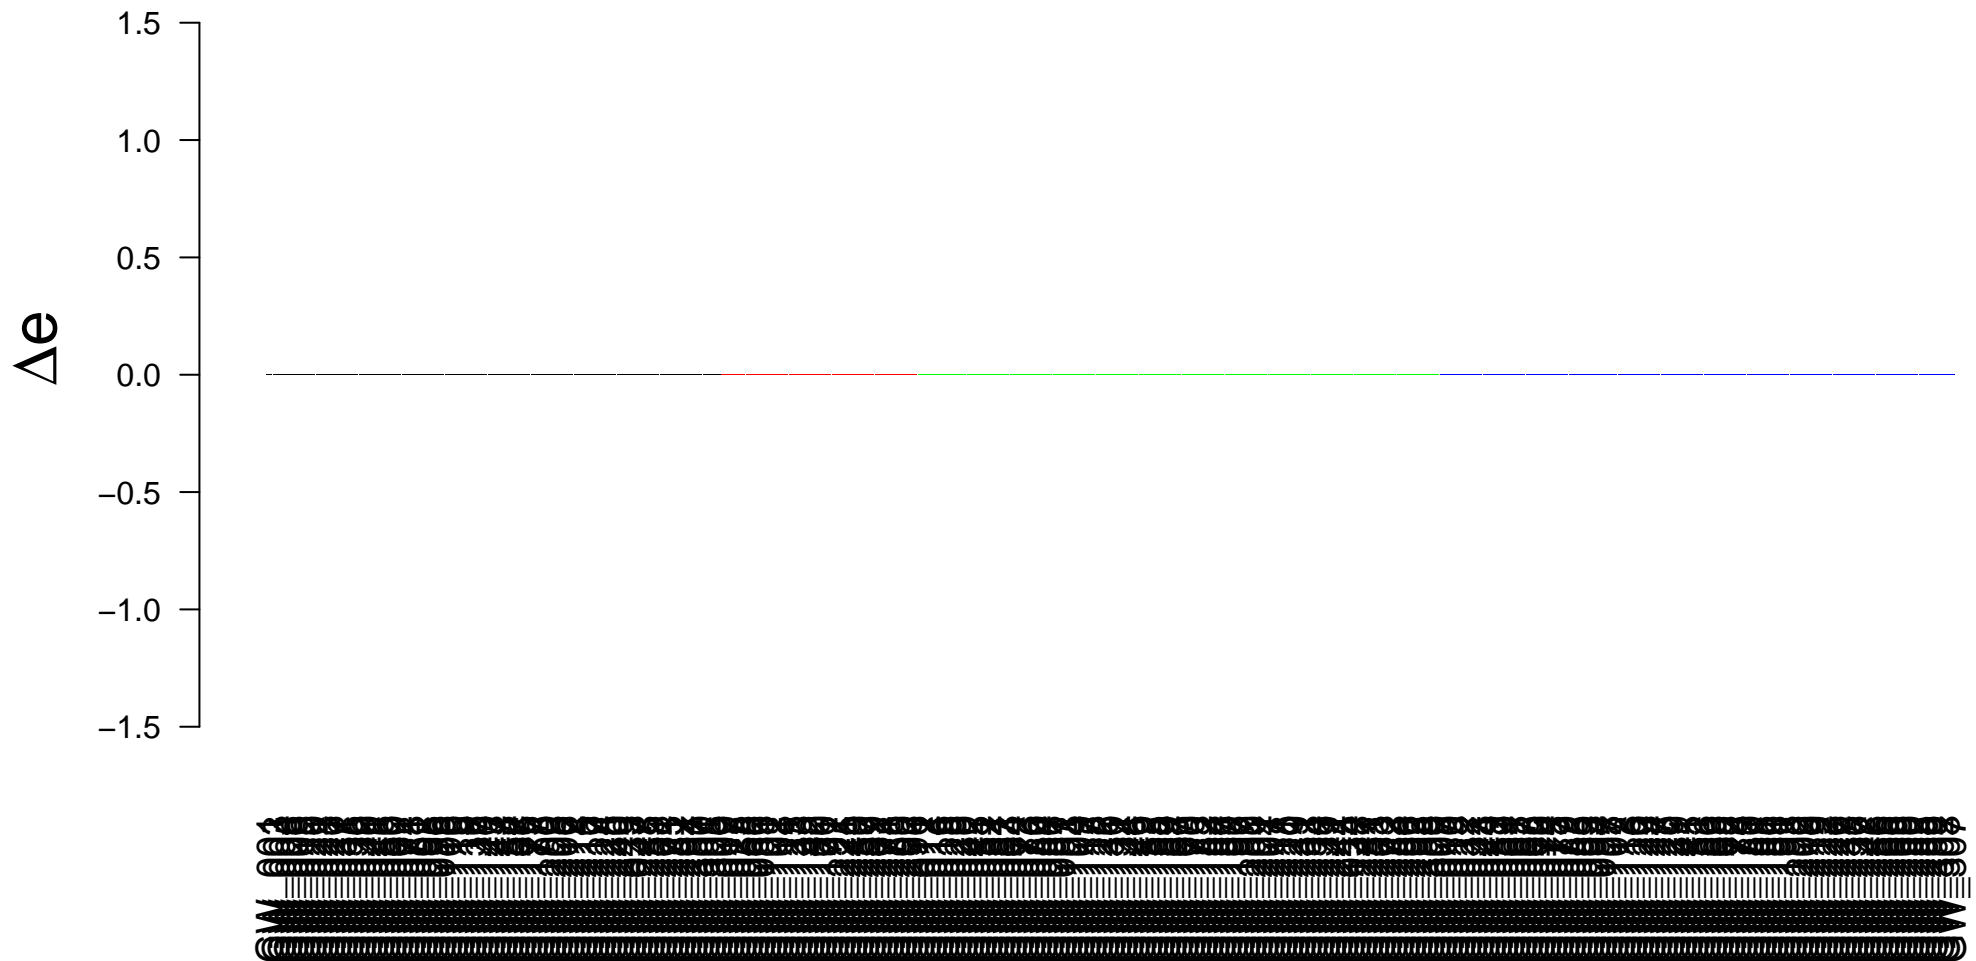

Expression of phosphatidylinositol metabolic process in Spot K

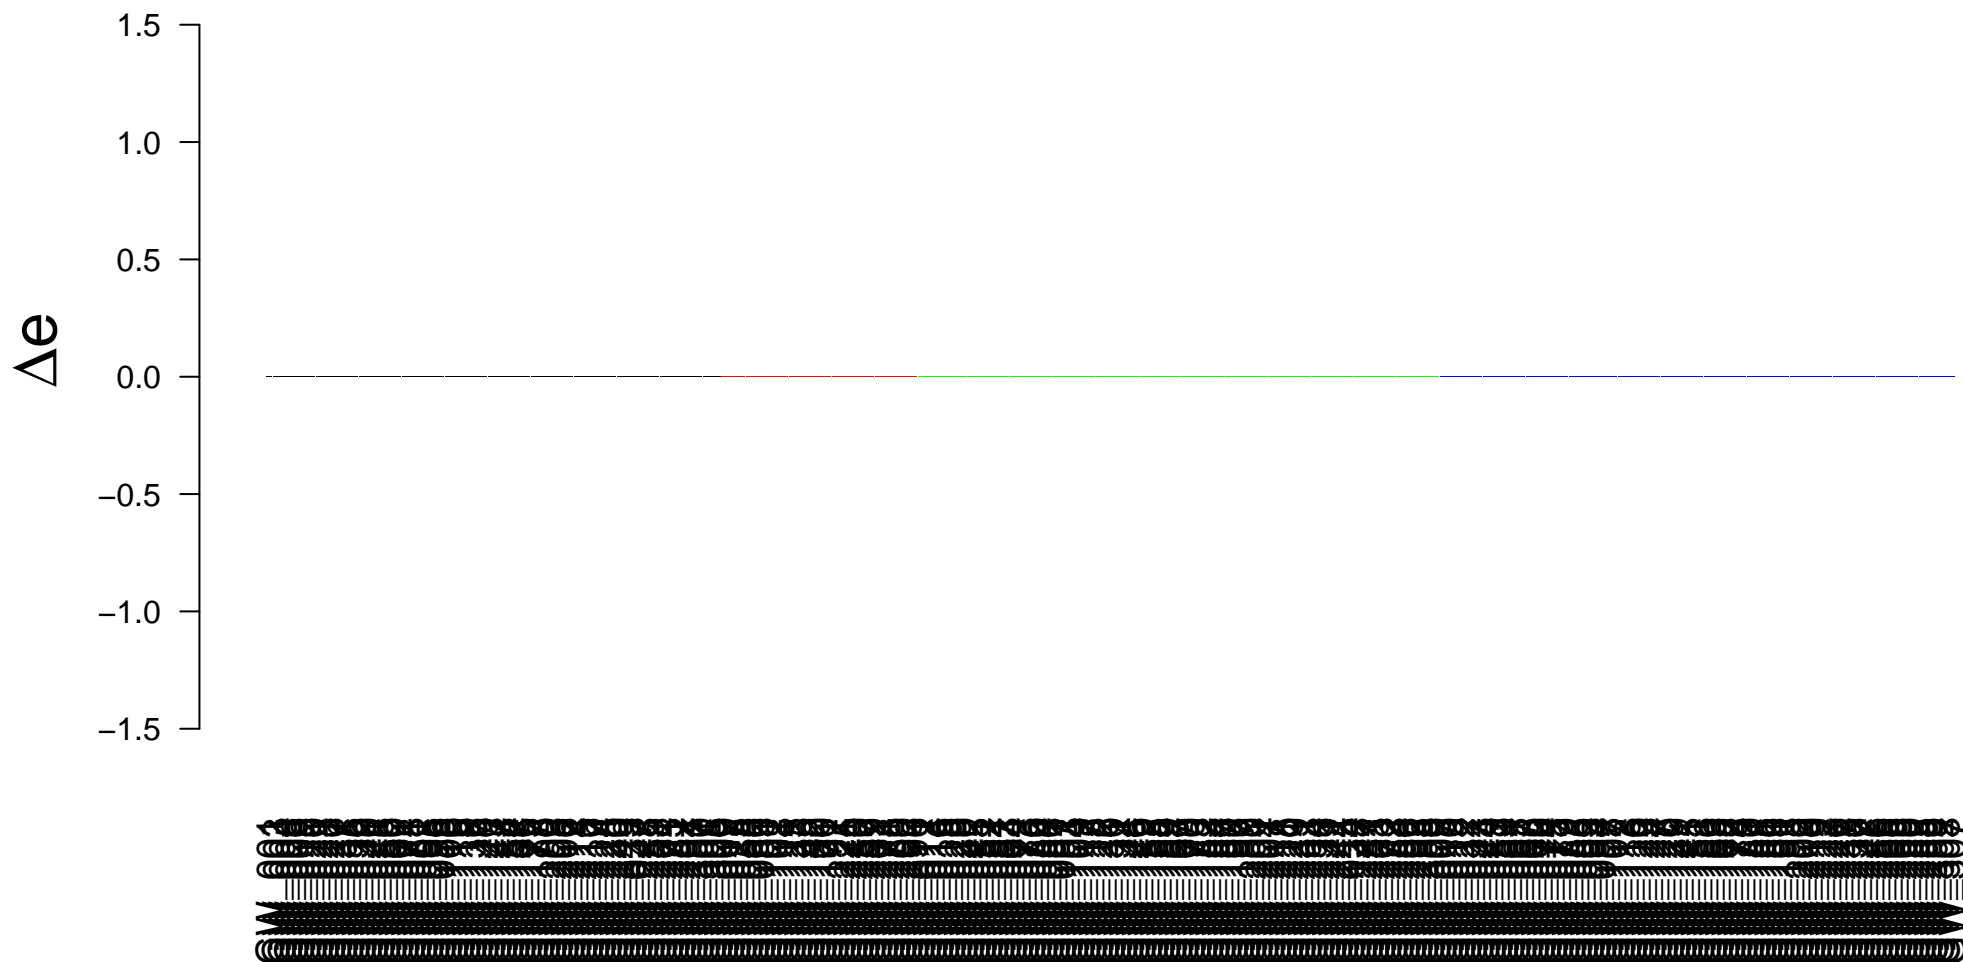

Expression of phosphatidylinositol metabolic process in Spot L

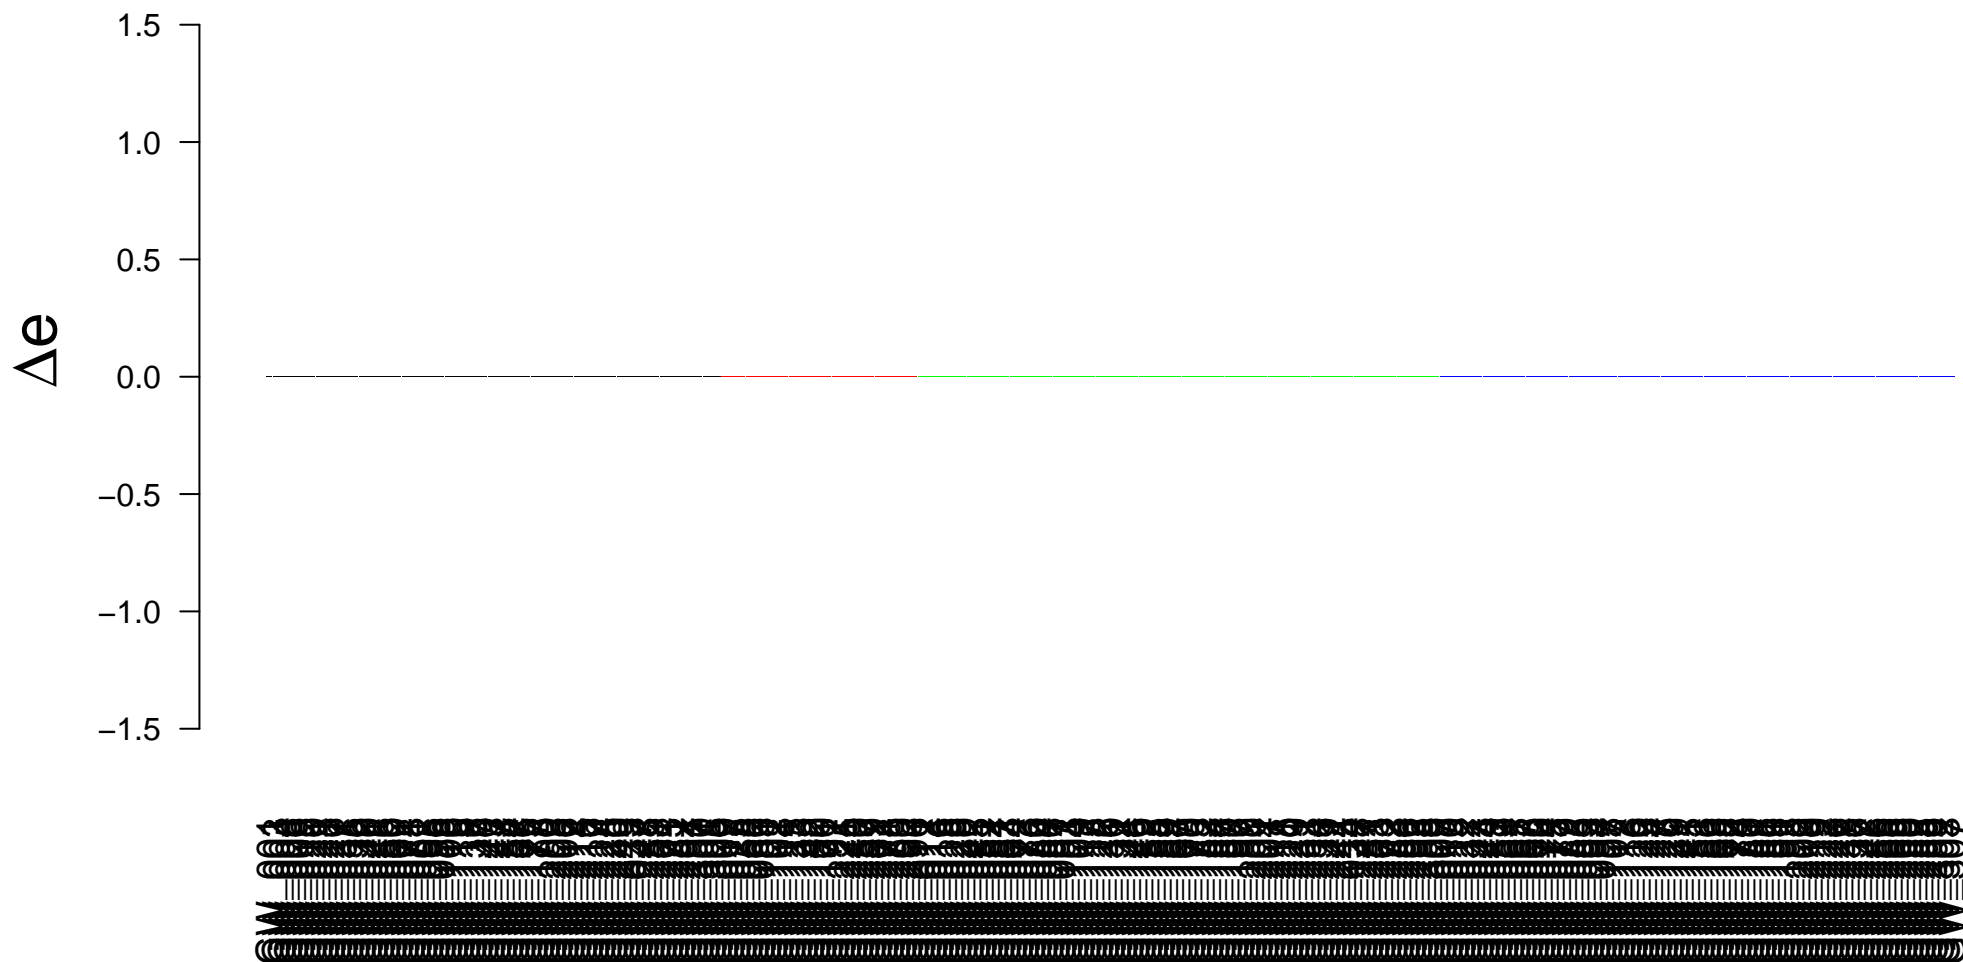

Expression of phosphatidylinositol metabolic process in Spot M

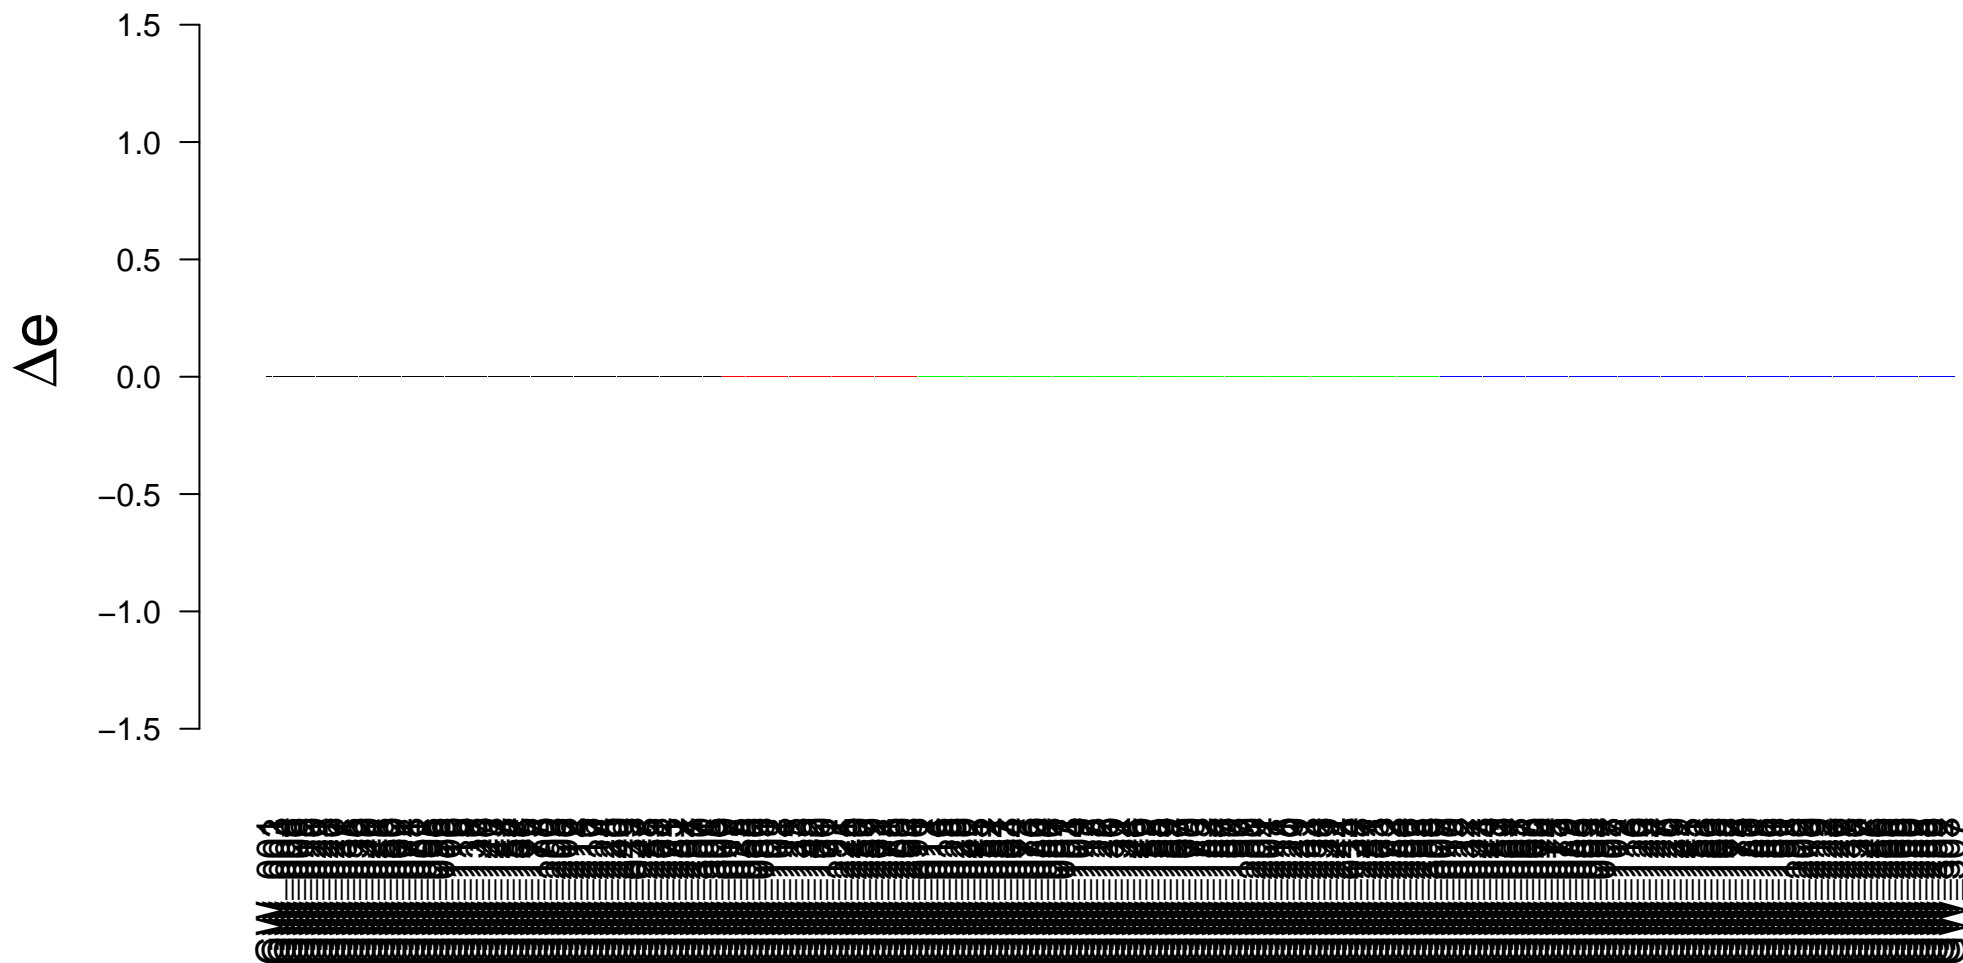

Expression of phosphatidylinositol metabolic process in Spot N

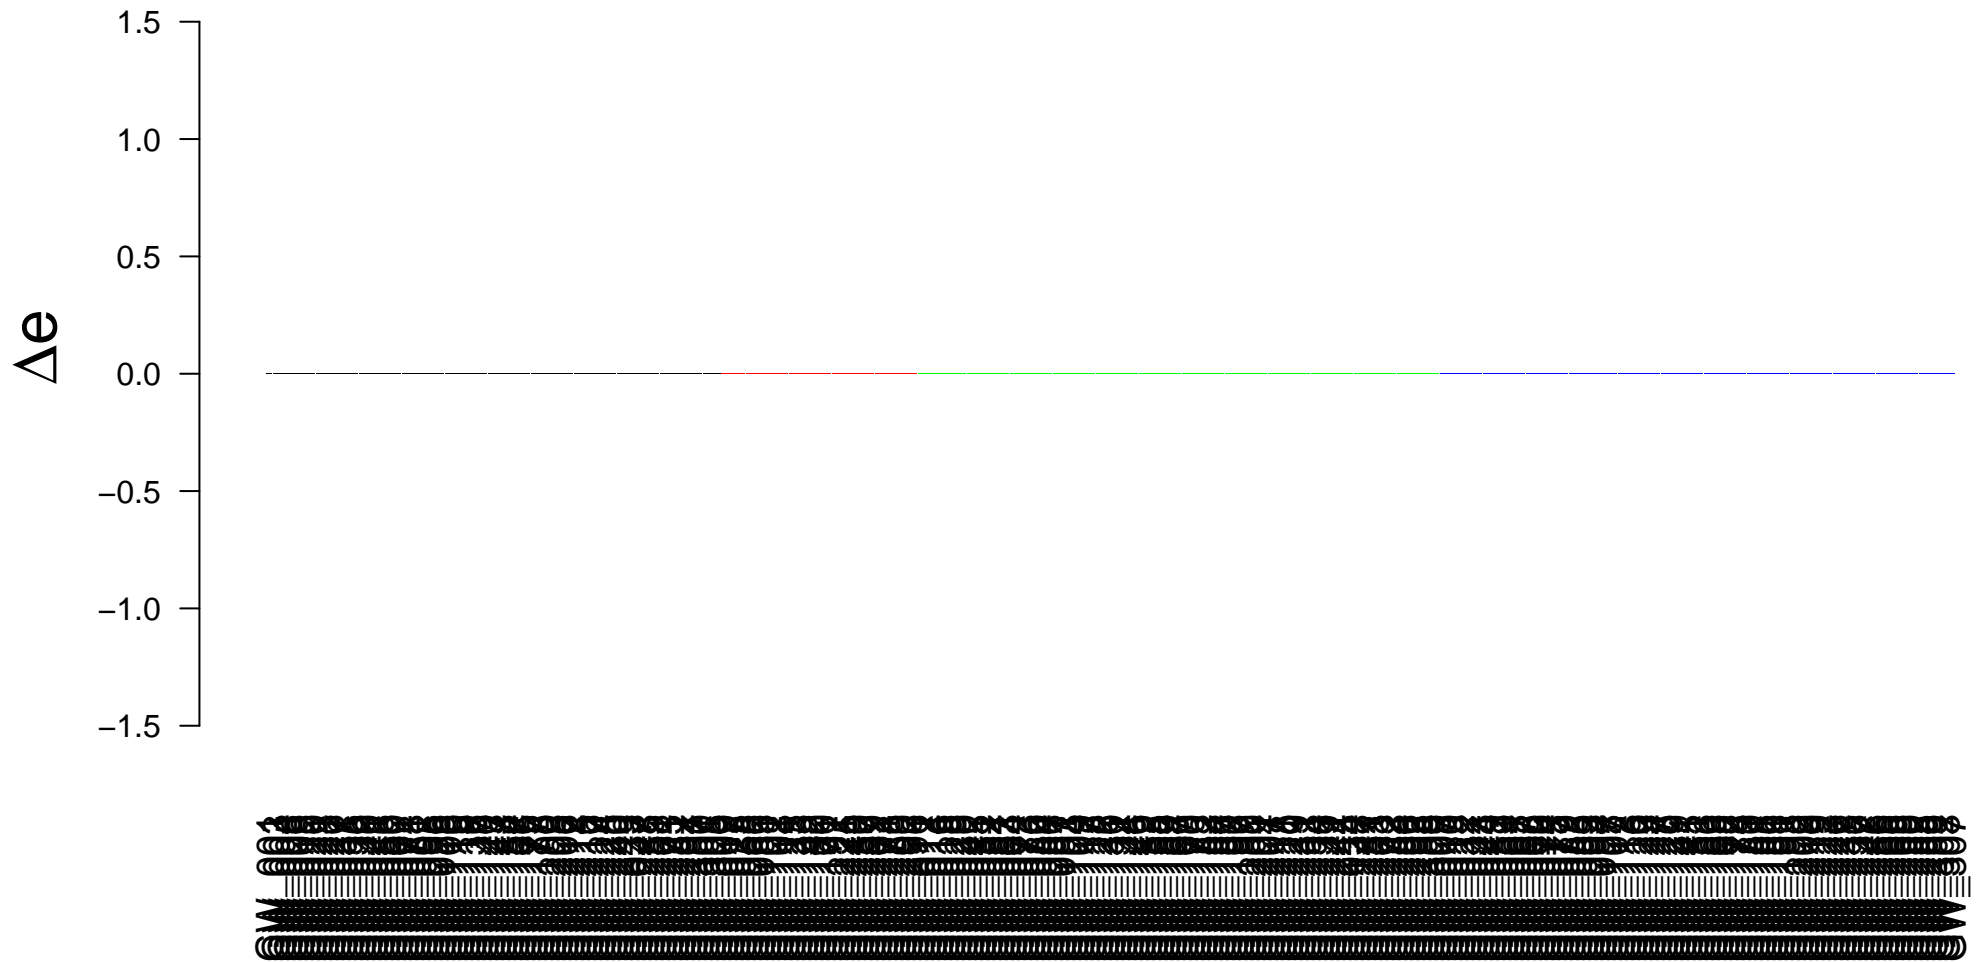

Expression of phosphatidylinositol metabolic process in Spot O

Expression of phosphatidylinositol metabolic process in Spot P

Expression of phosphatidylinositol metabolic process in Spot Q

Expression of phosphatidylinositol metabolic process in Spot R
