

phosphatidylinositol phospholipase C activity

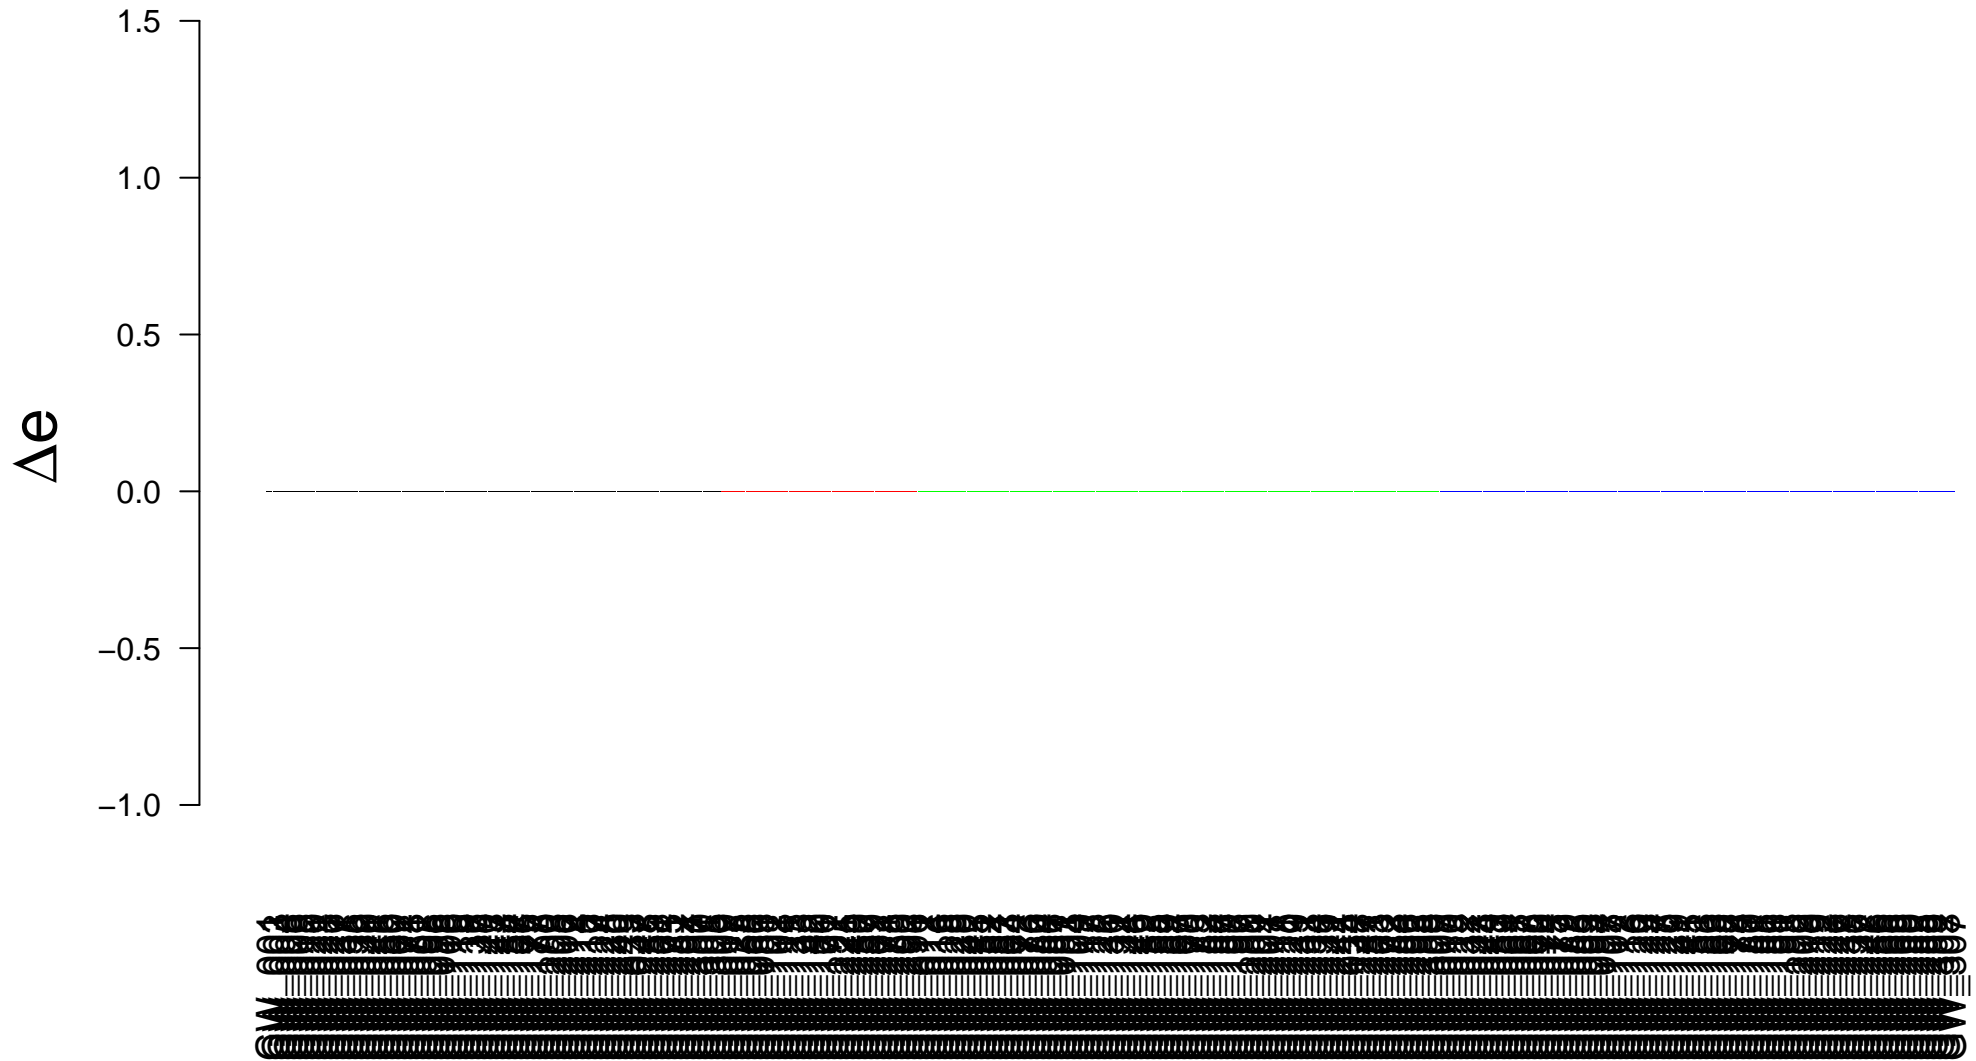

phosphatidylinositol phospholipase C activity

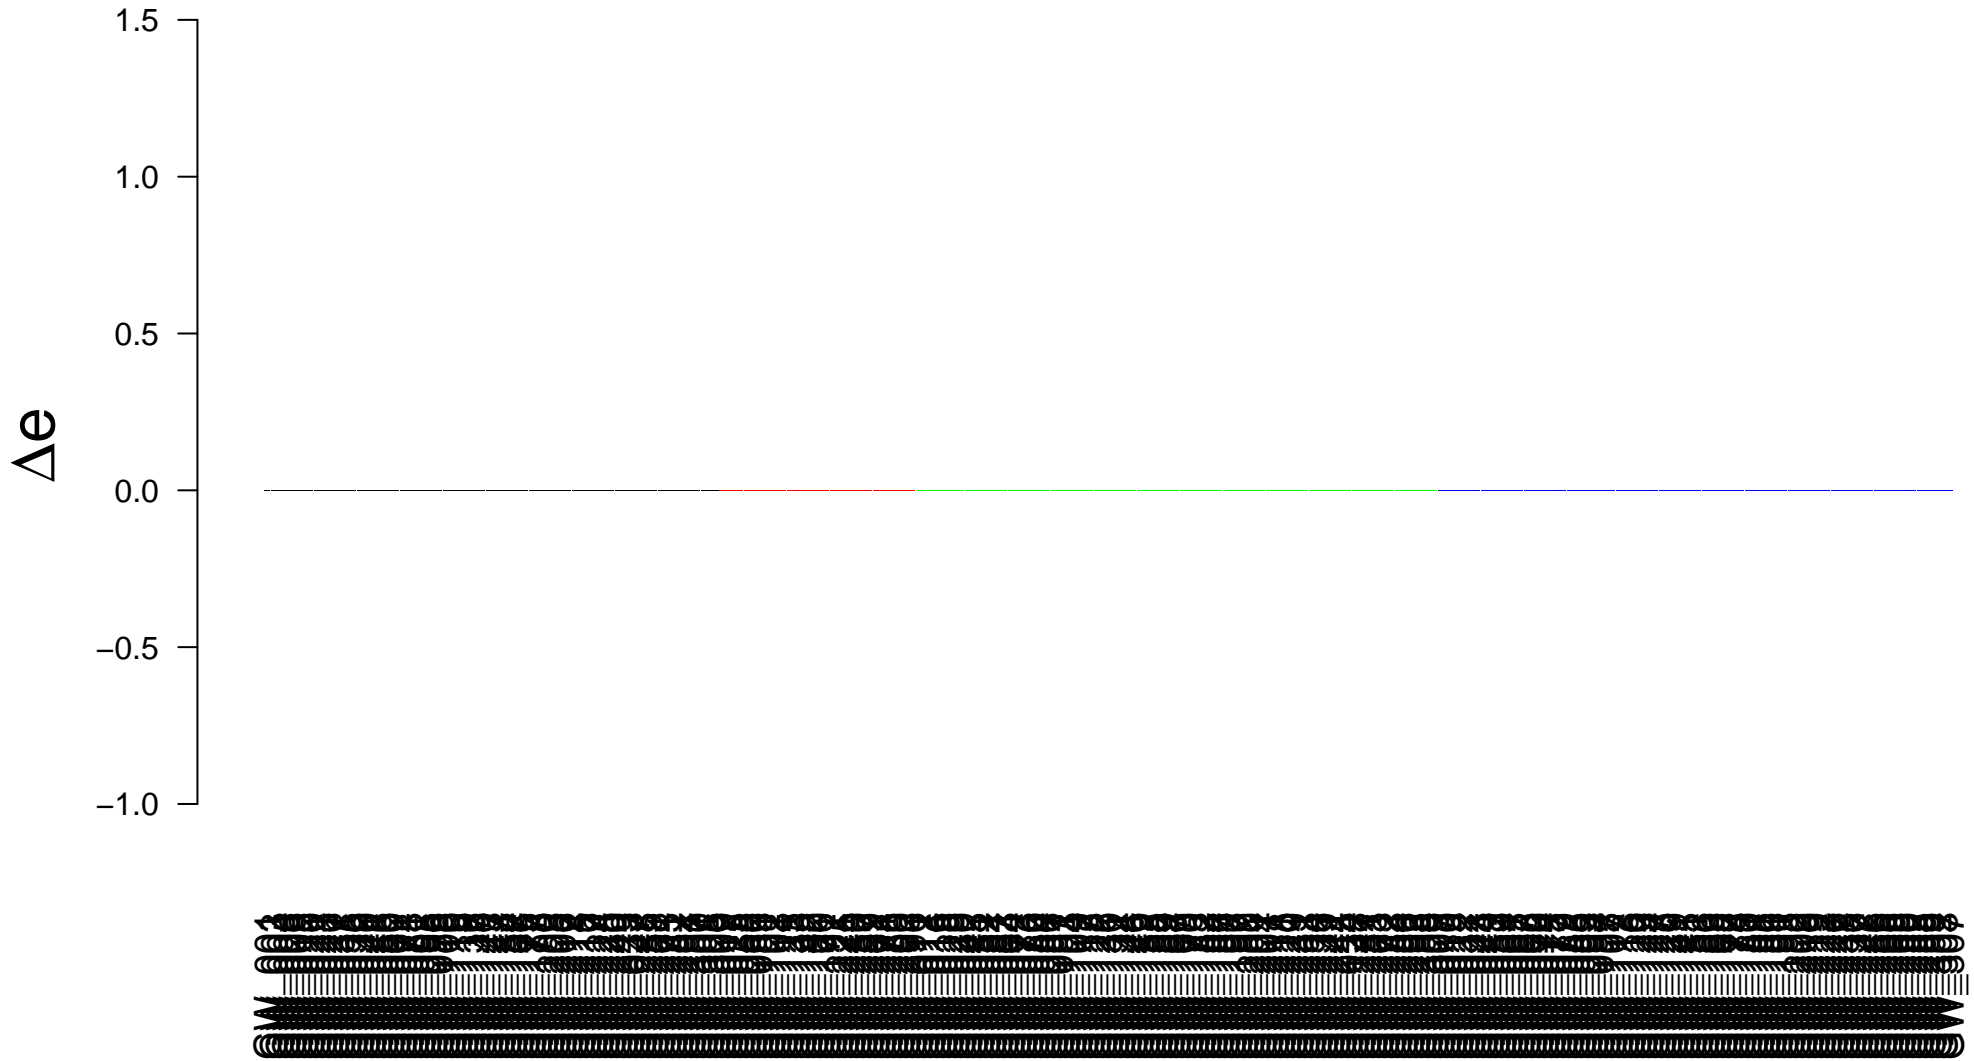

Enrichment in spots: phosphatidylinositol phospholipase C activity

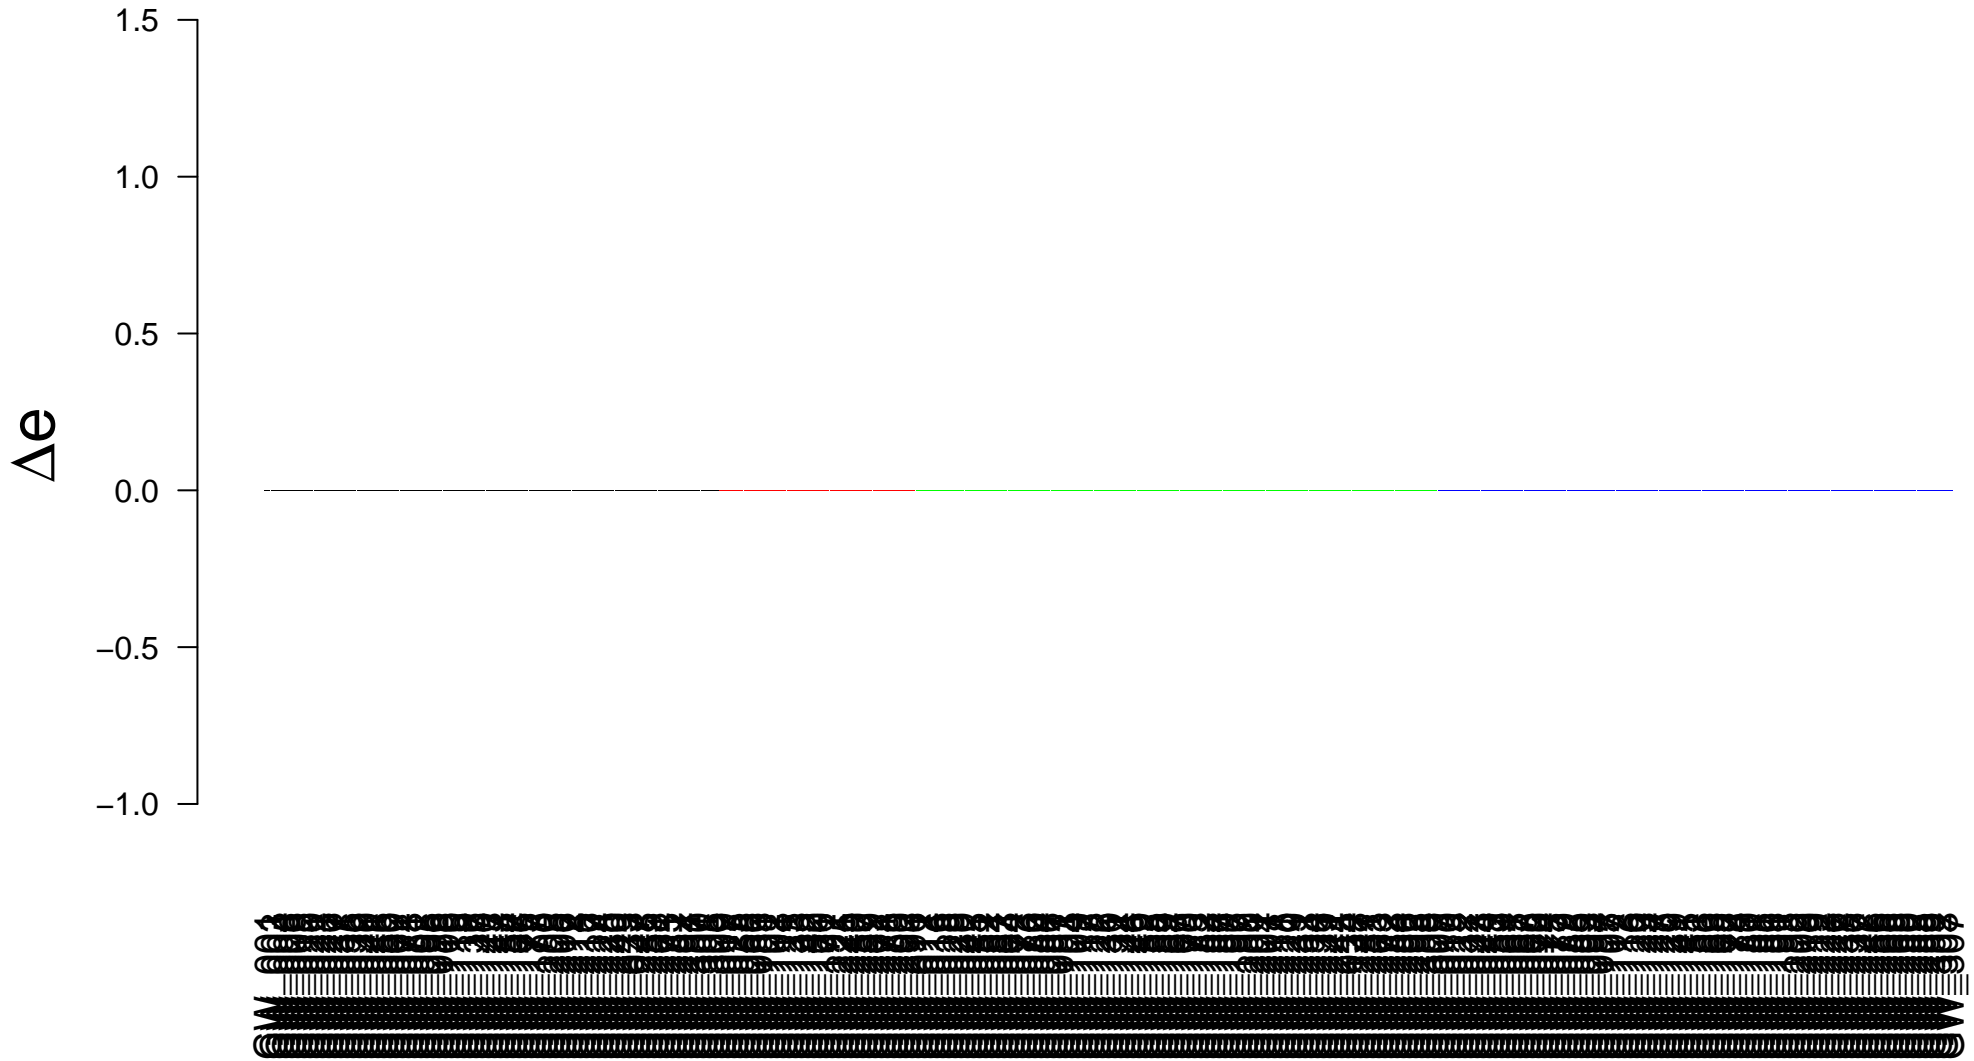

Expression of phosphatidylinositol phospholipase C activity in Spot A

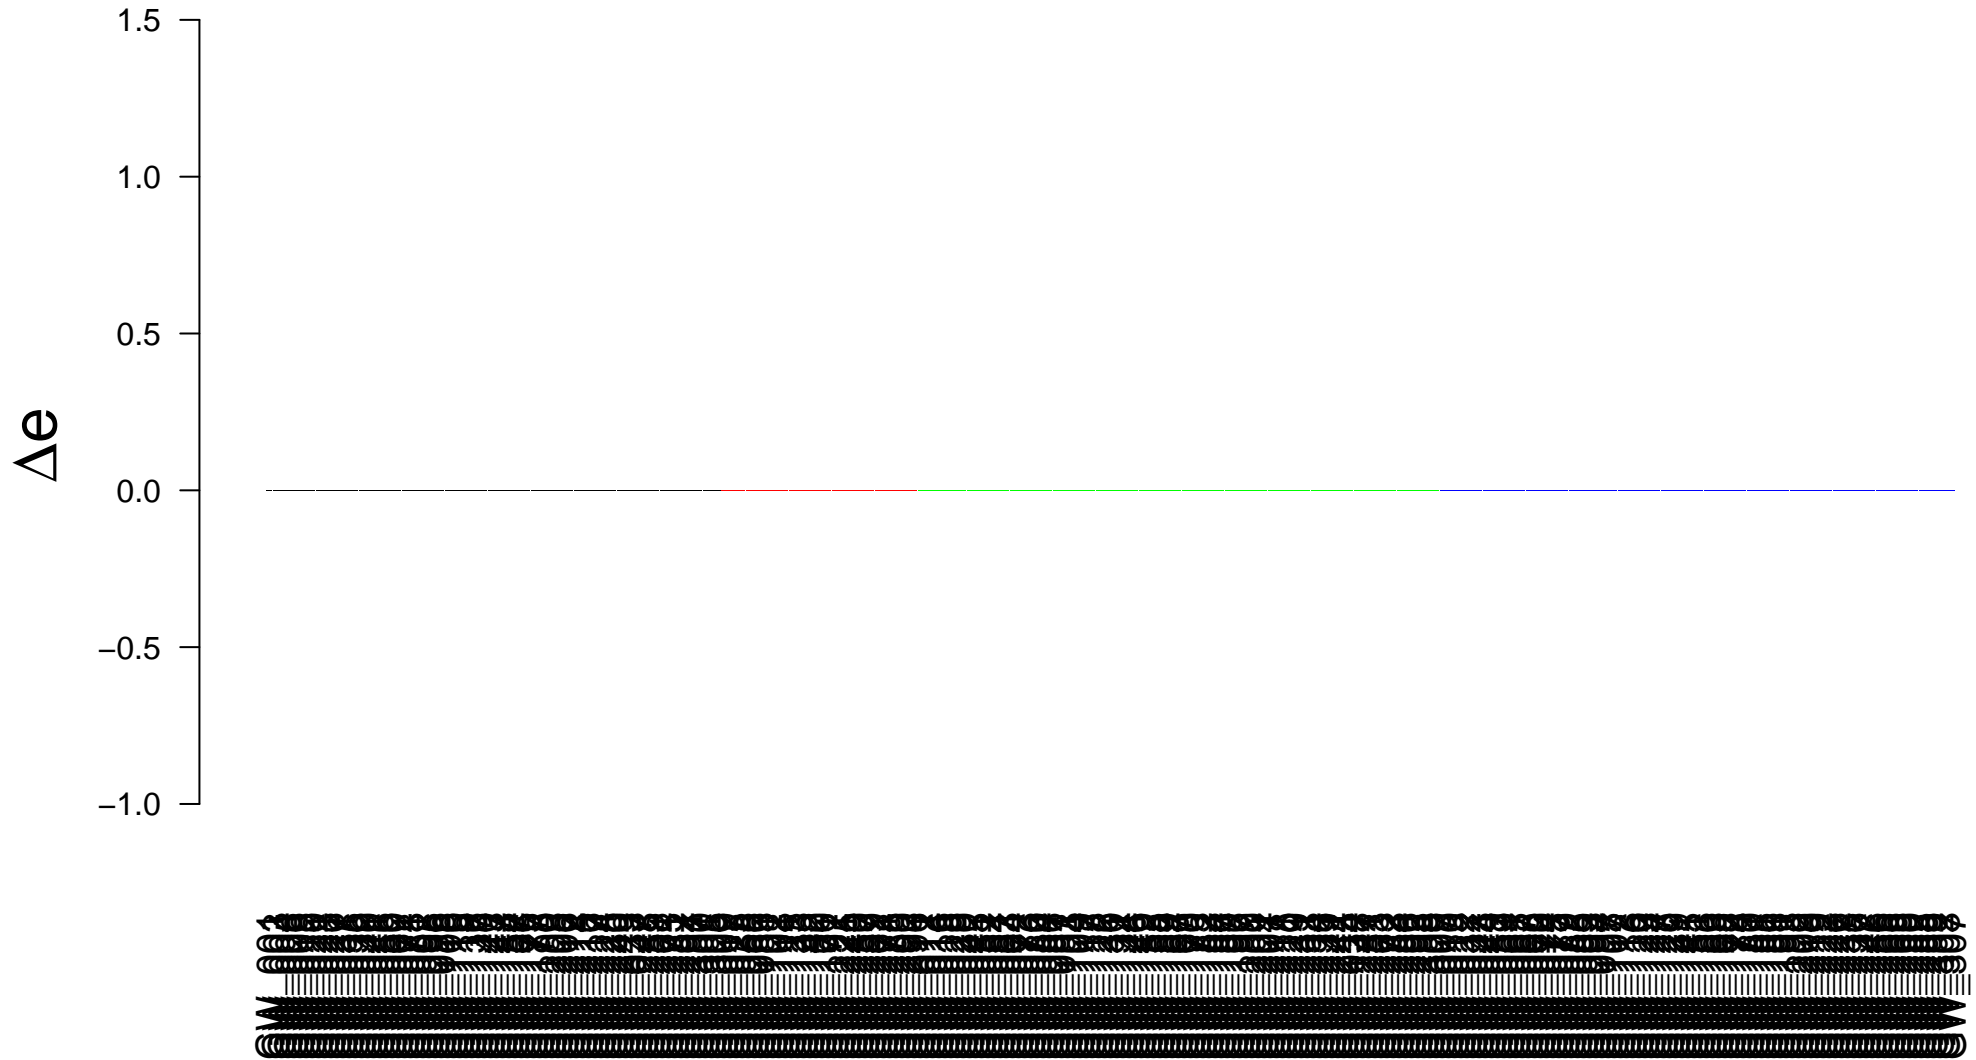

Expression of phosphatidylinositol phospholipase C activity in Spot B

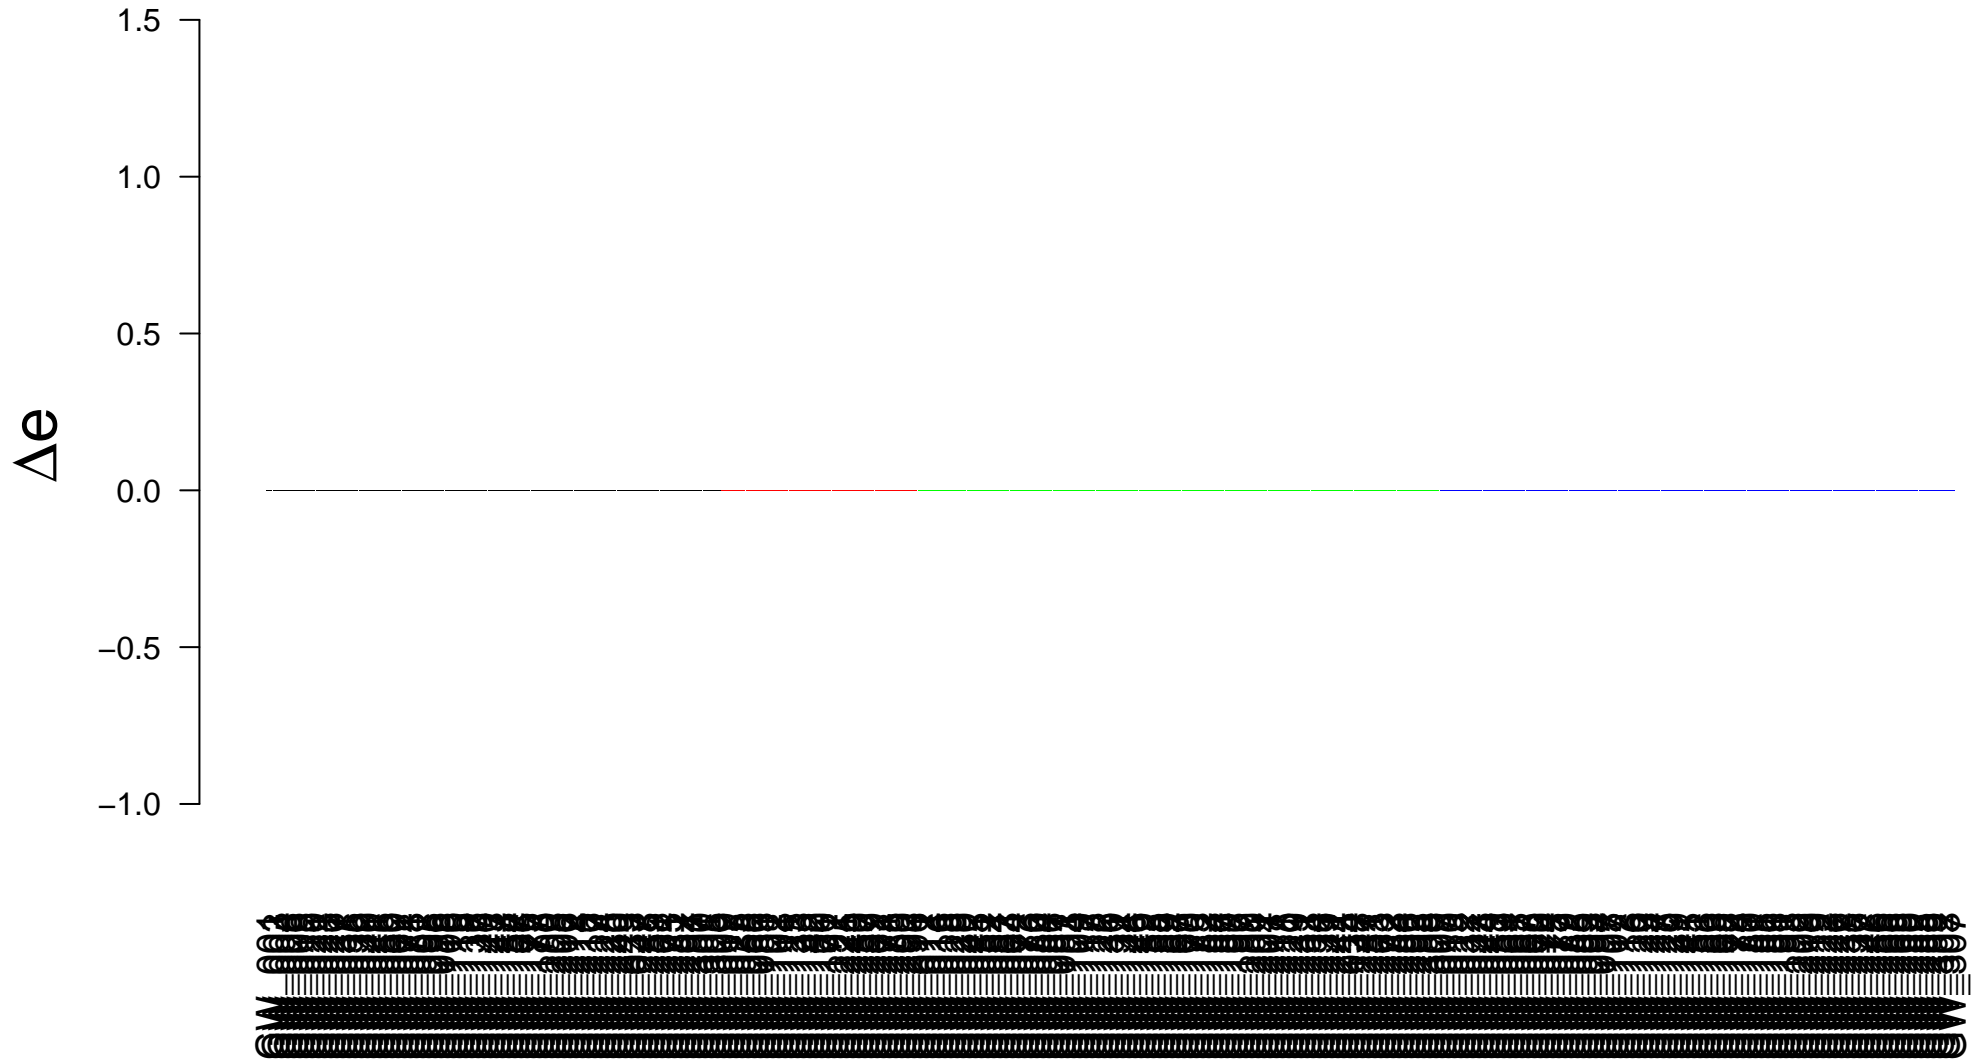

Expression of phosphatidylinositol phospholipase C activity in Spot C

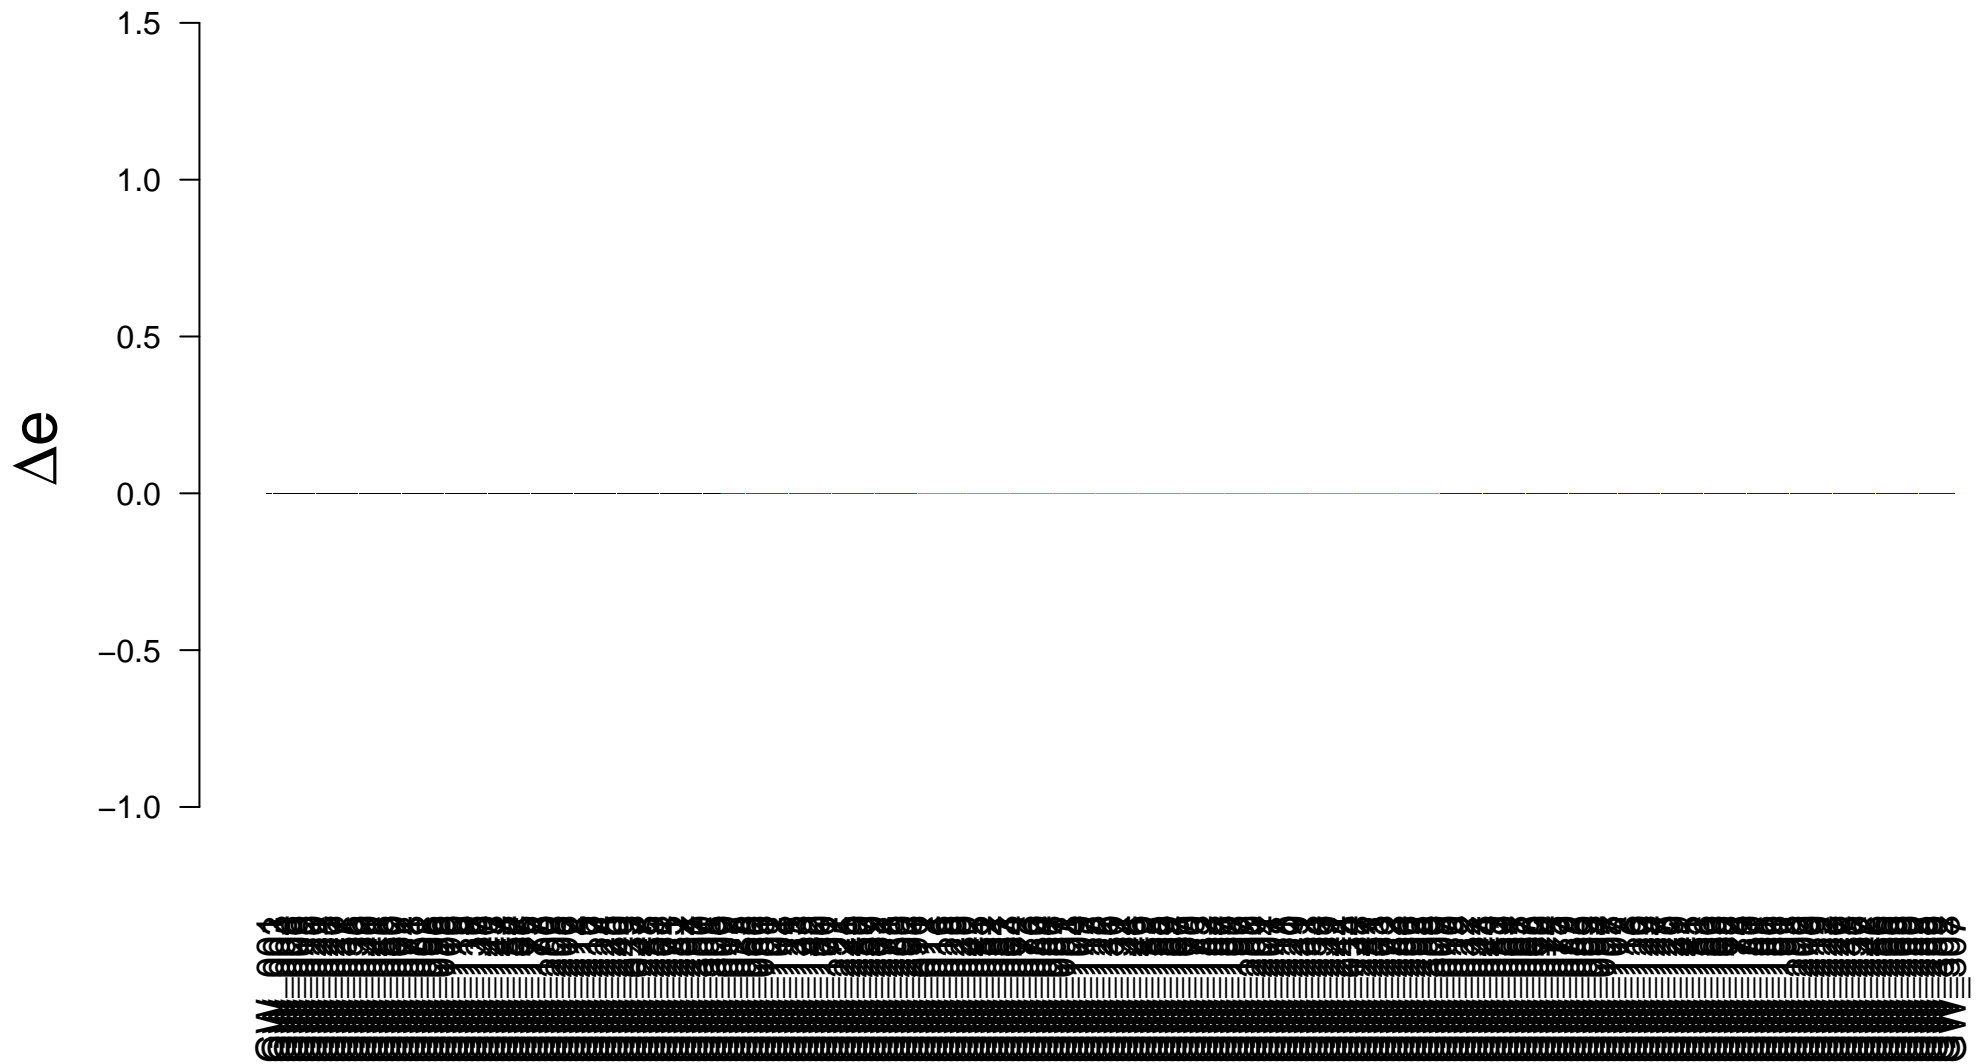

Expression of phosphatidylinositol phospholipase C activity in Spot D

Expression of phosphatidylinositol phospholipase C activity in Spot E

Expression of phosphatidylinositol phospholipase C activity in Spot F

Expression of phosphatidylinositol phospholipase C activity in Spot G
