

phosphatidylinositol phosphorylation

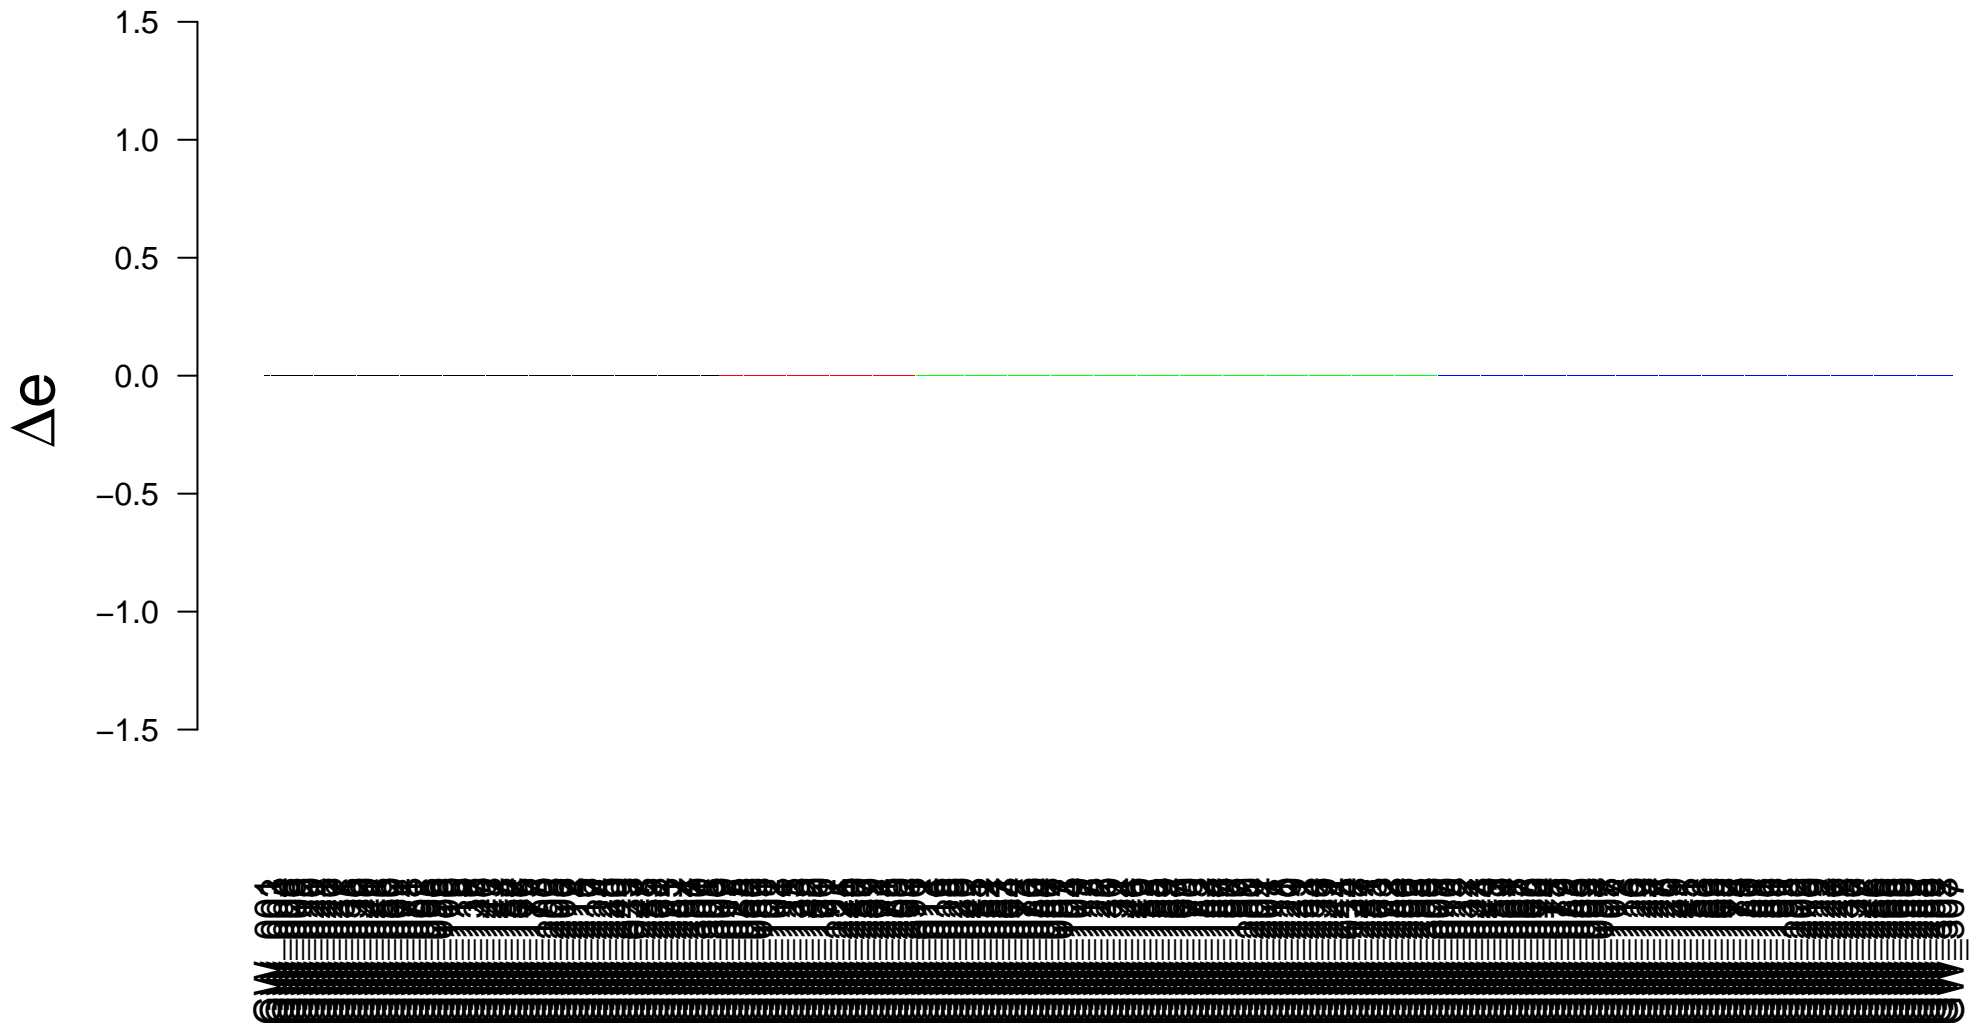

phosphatidylinositol phosphorylation

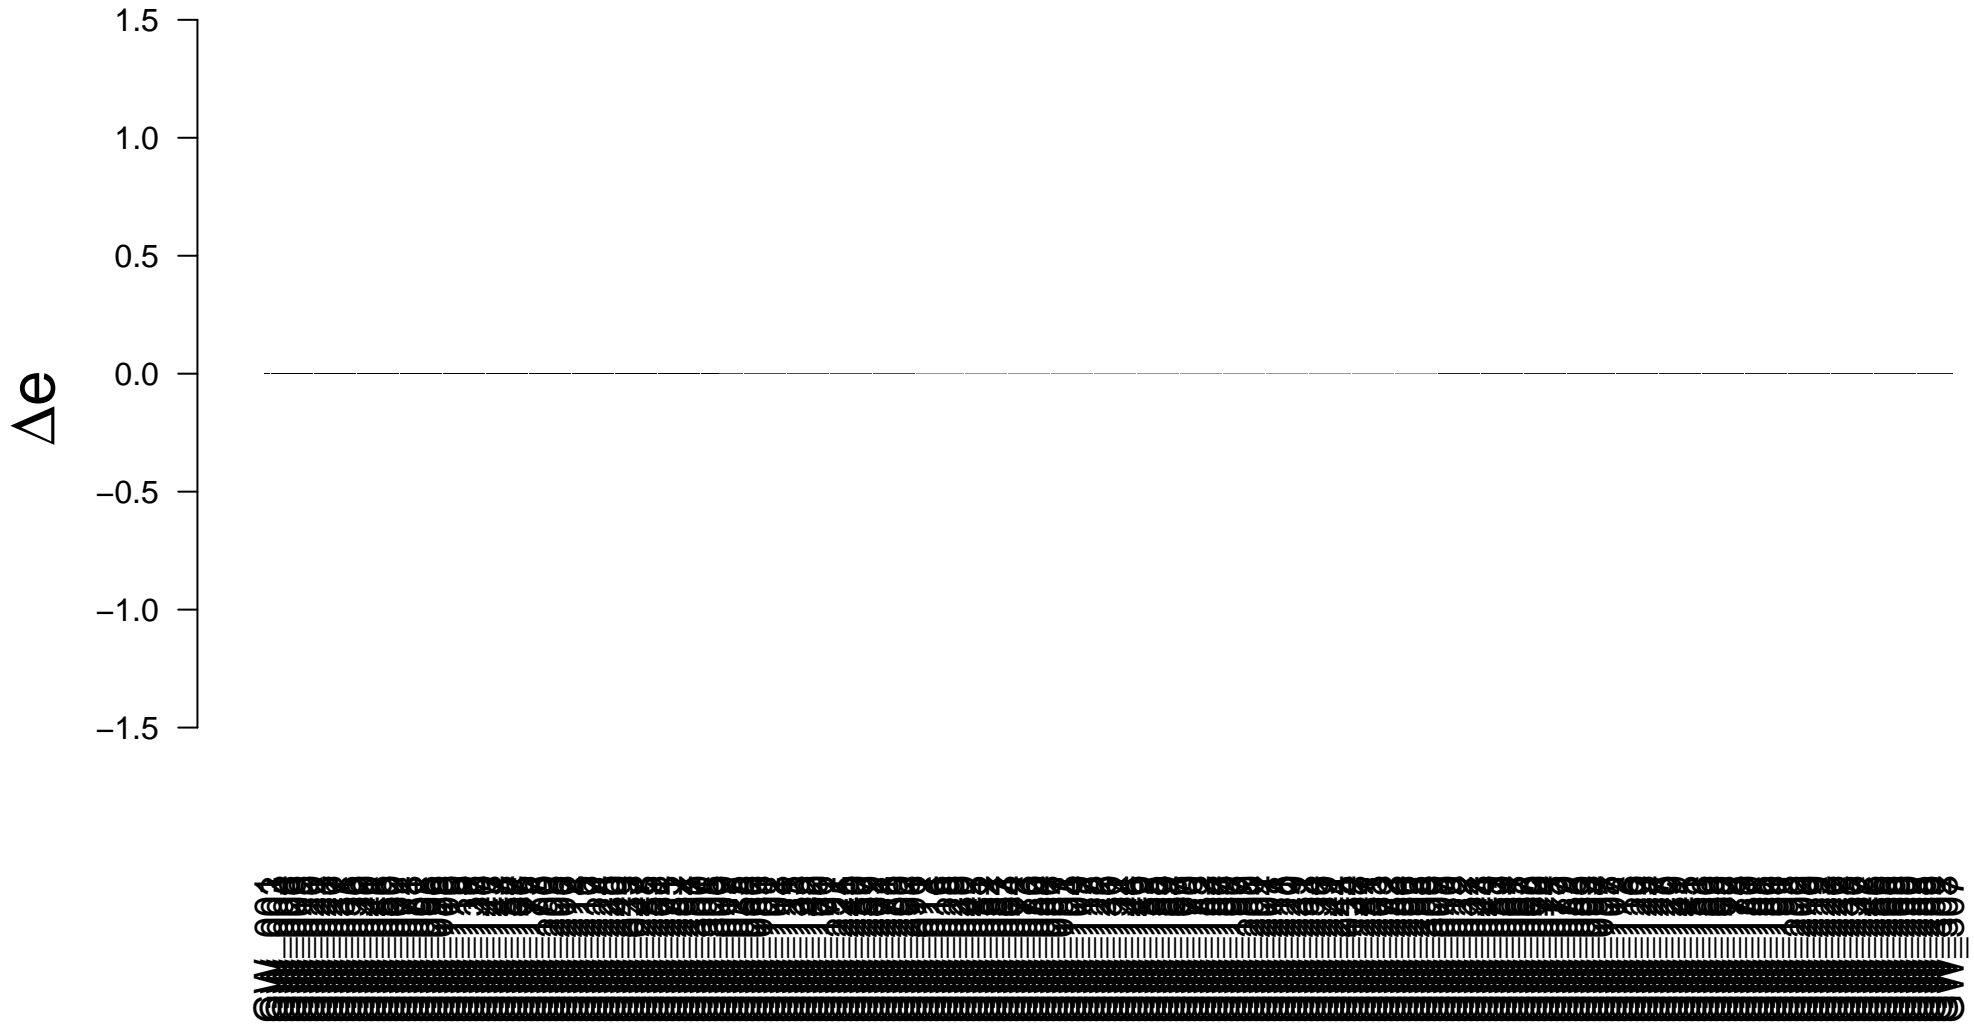

Enrichment in spots: phosphatidylinositol phosphorylation

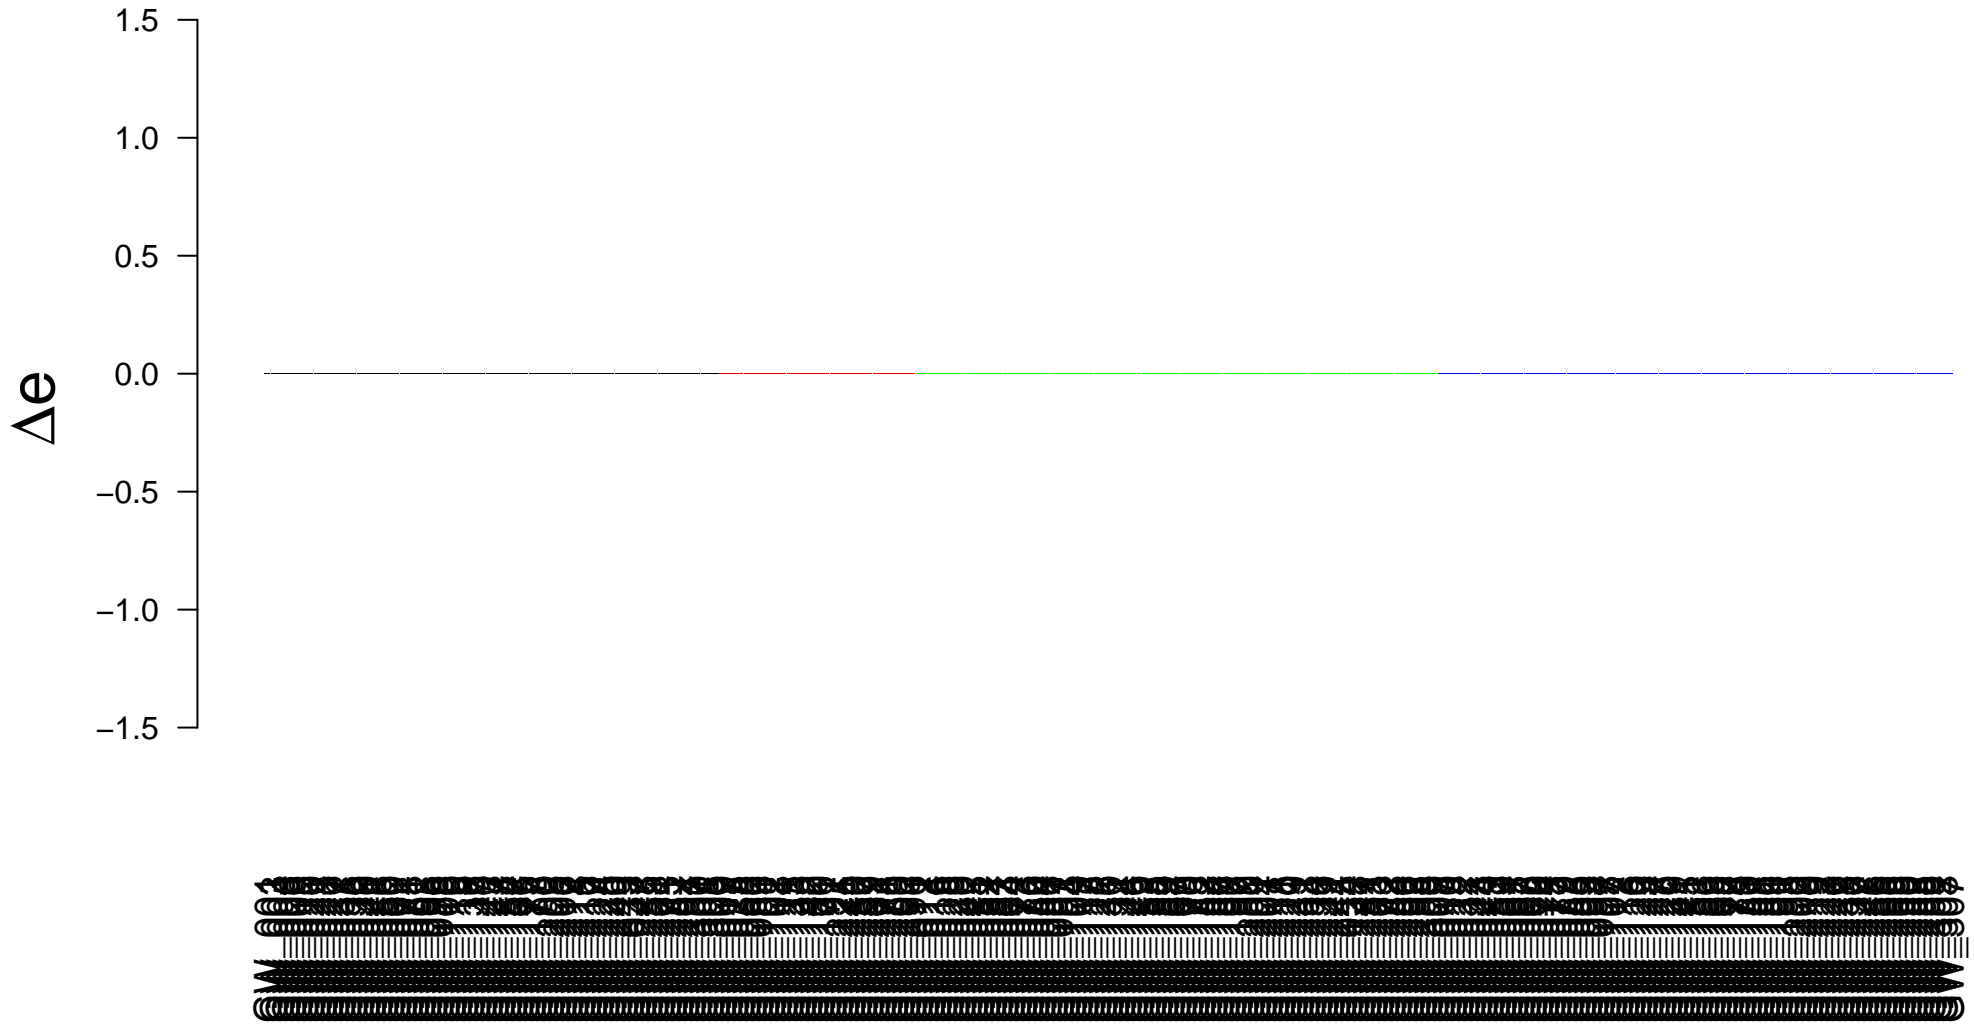

Expression of phosphatidylinositol phosphorylation in Spot A

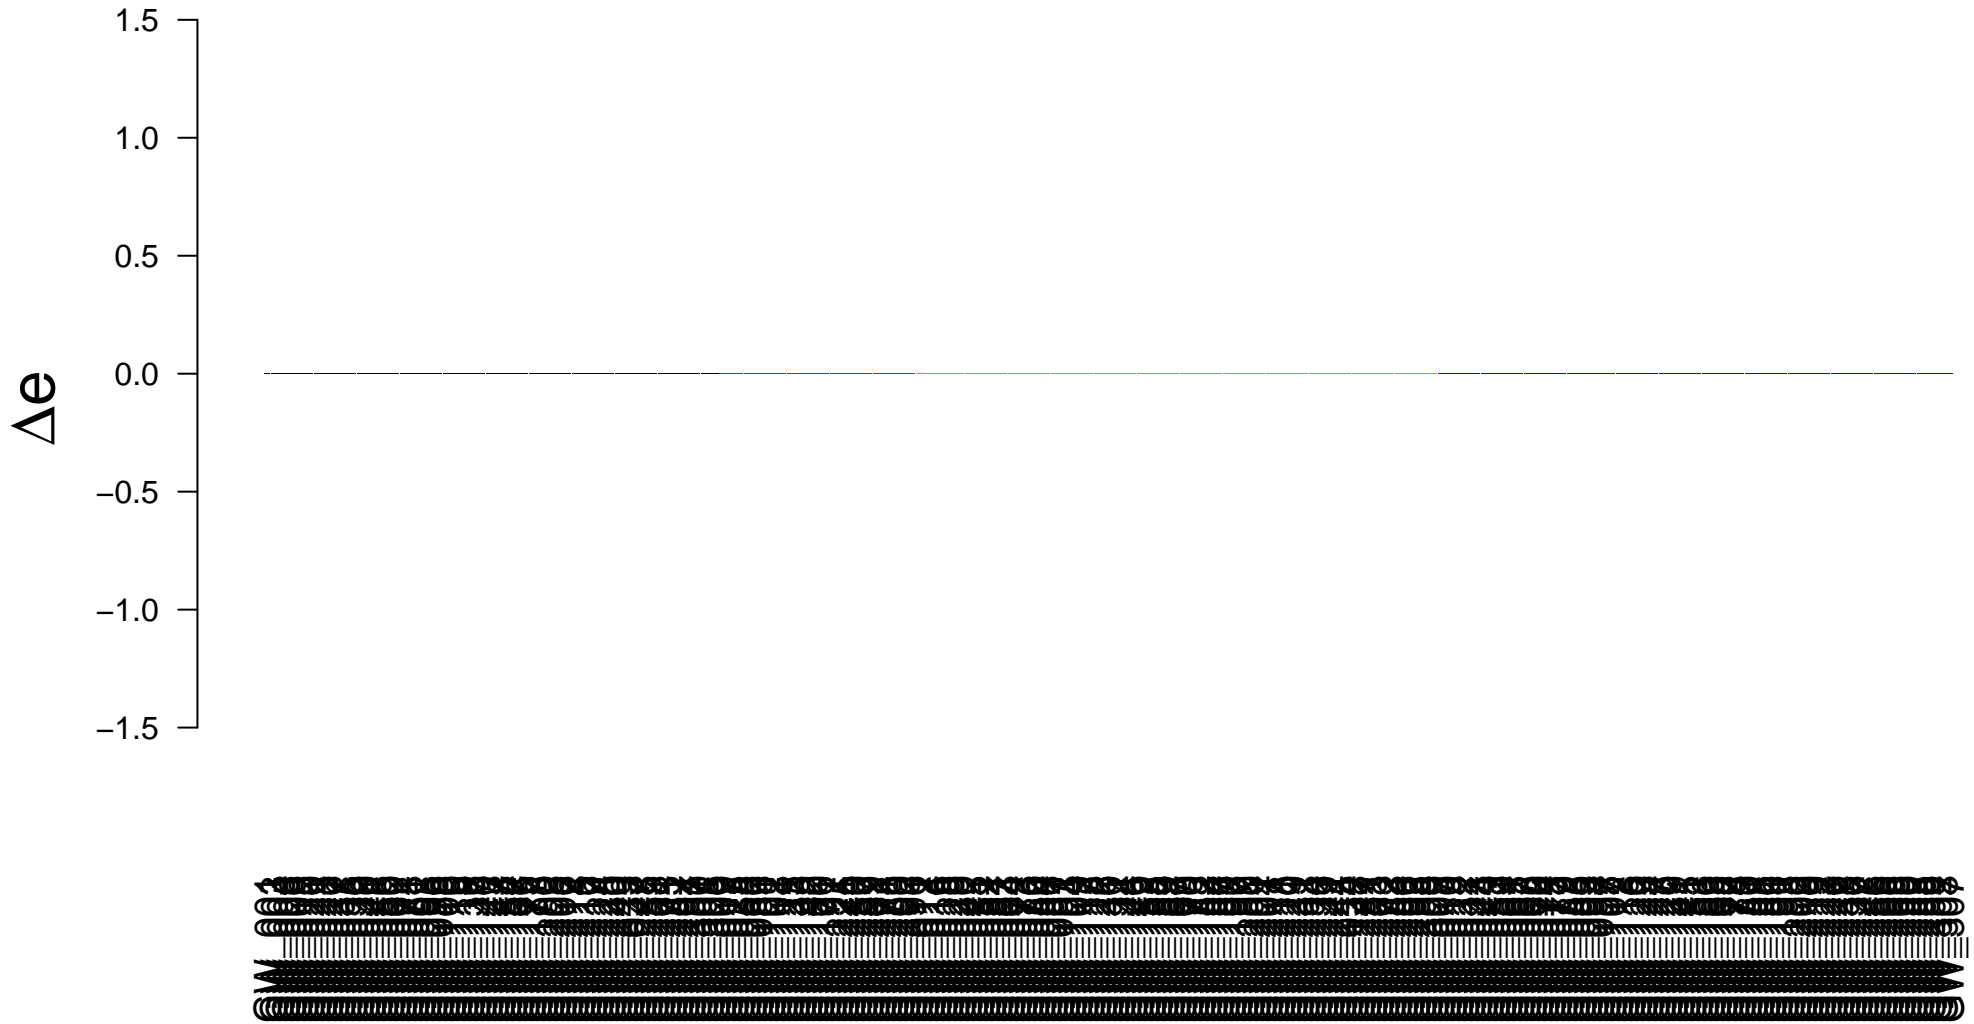

Expression of phosphatidylinositol phosphorylation in Spot B

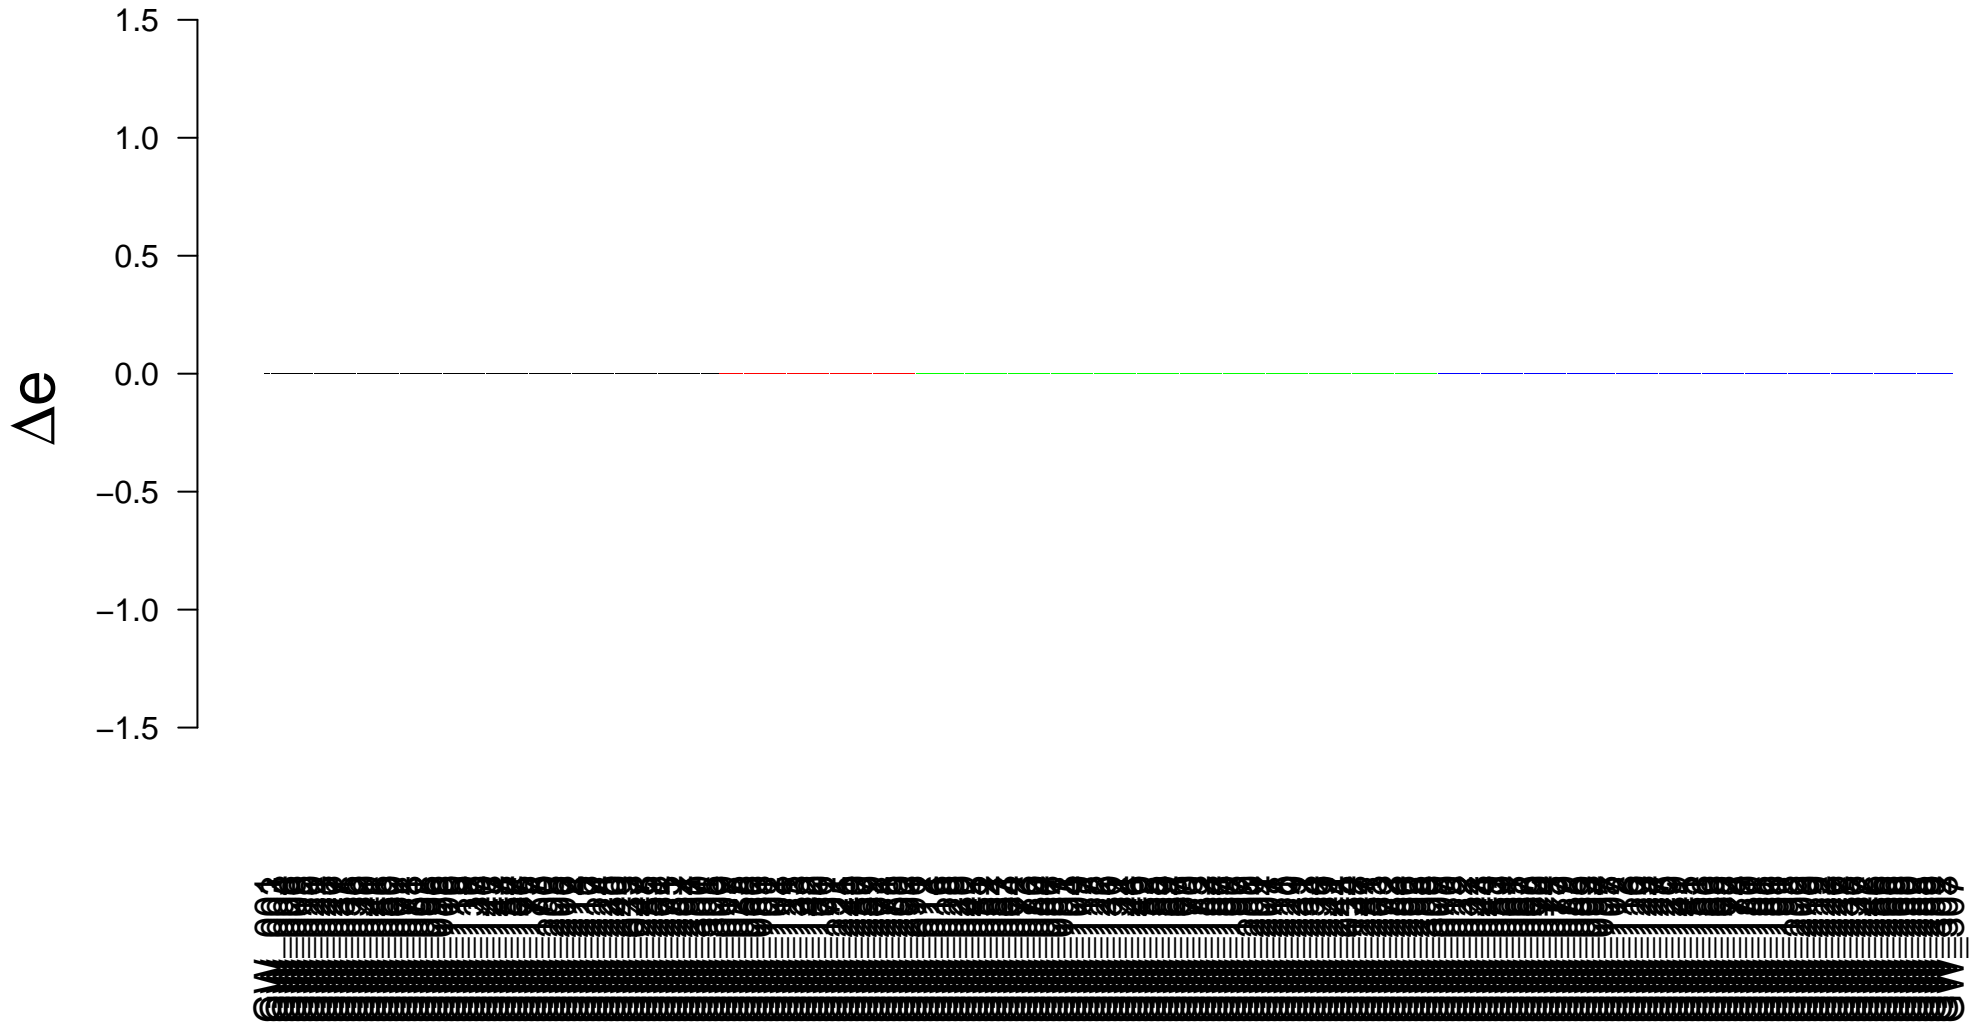

Expression of phosphatidylinositol phosphorylation in Spot C

Expression of phosphatidylinositol phosphorylation in Spot D

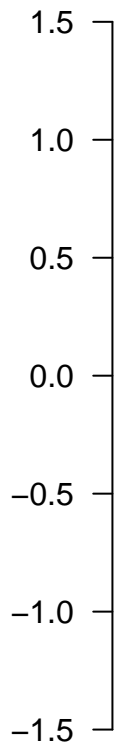

Expression of phosphatidylinositol phosphorylation in Spot E

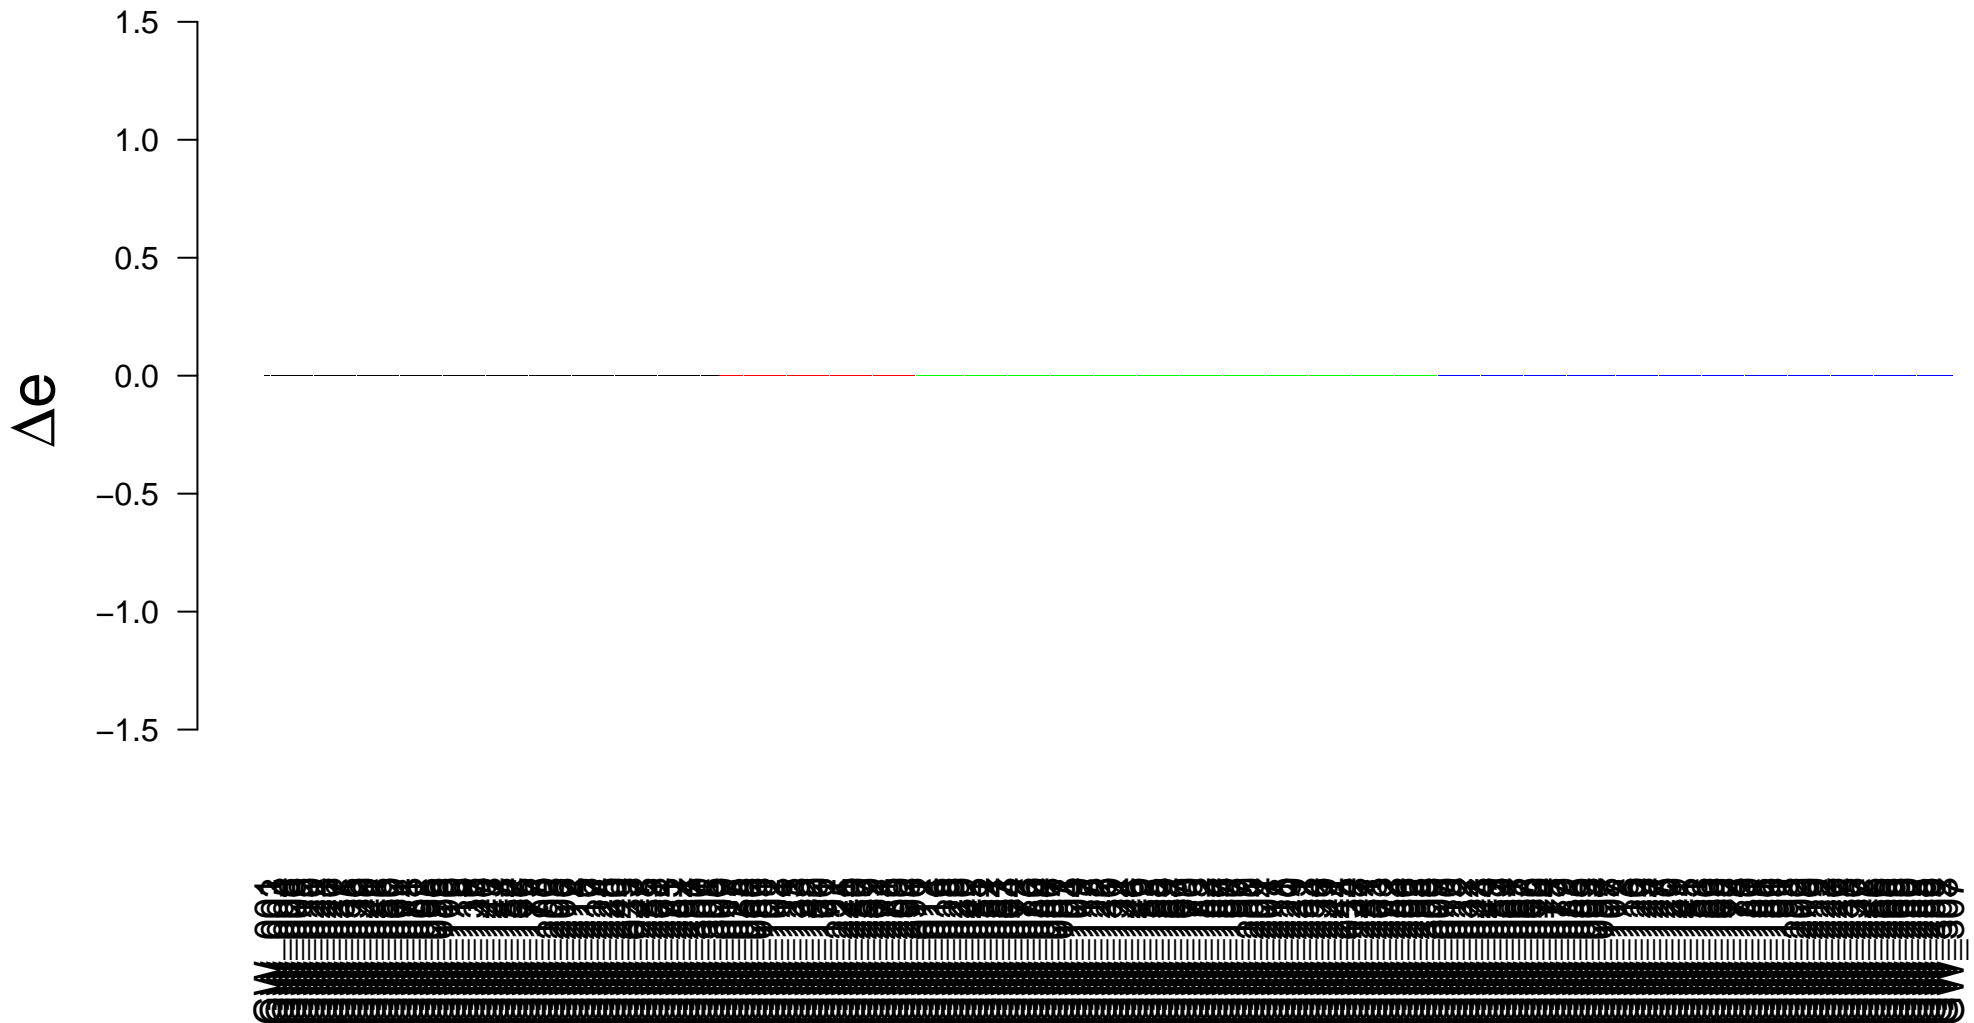

Expression of phosphatidylinositol phosphorylation in Spot F

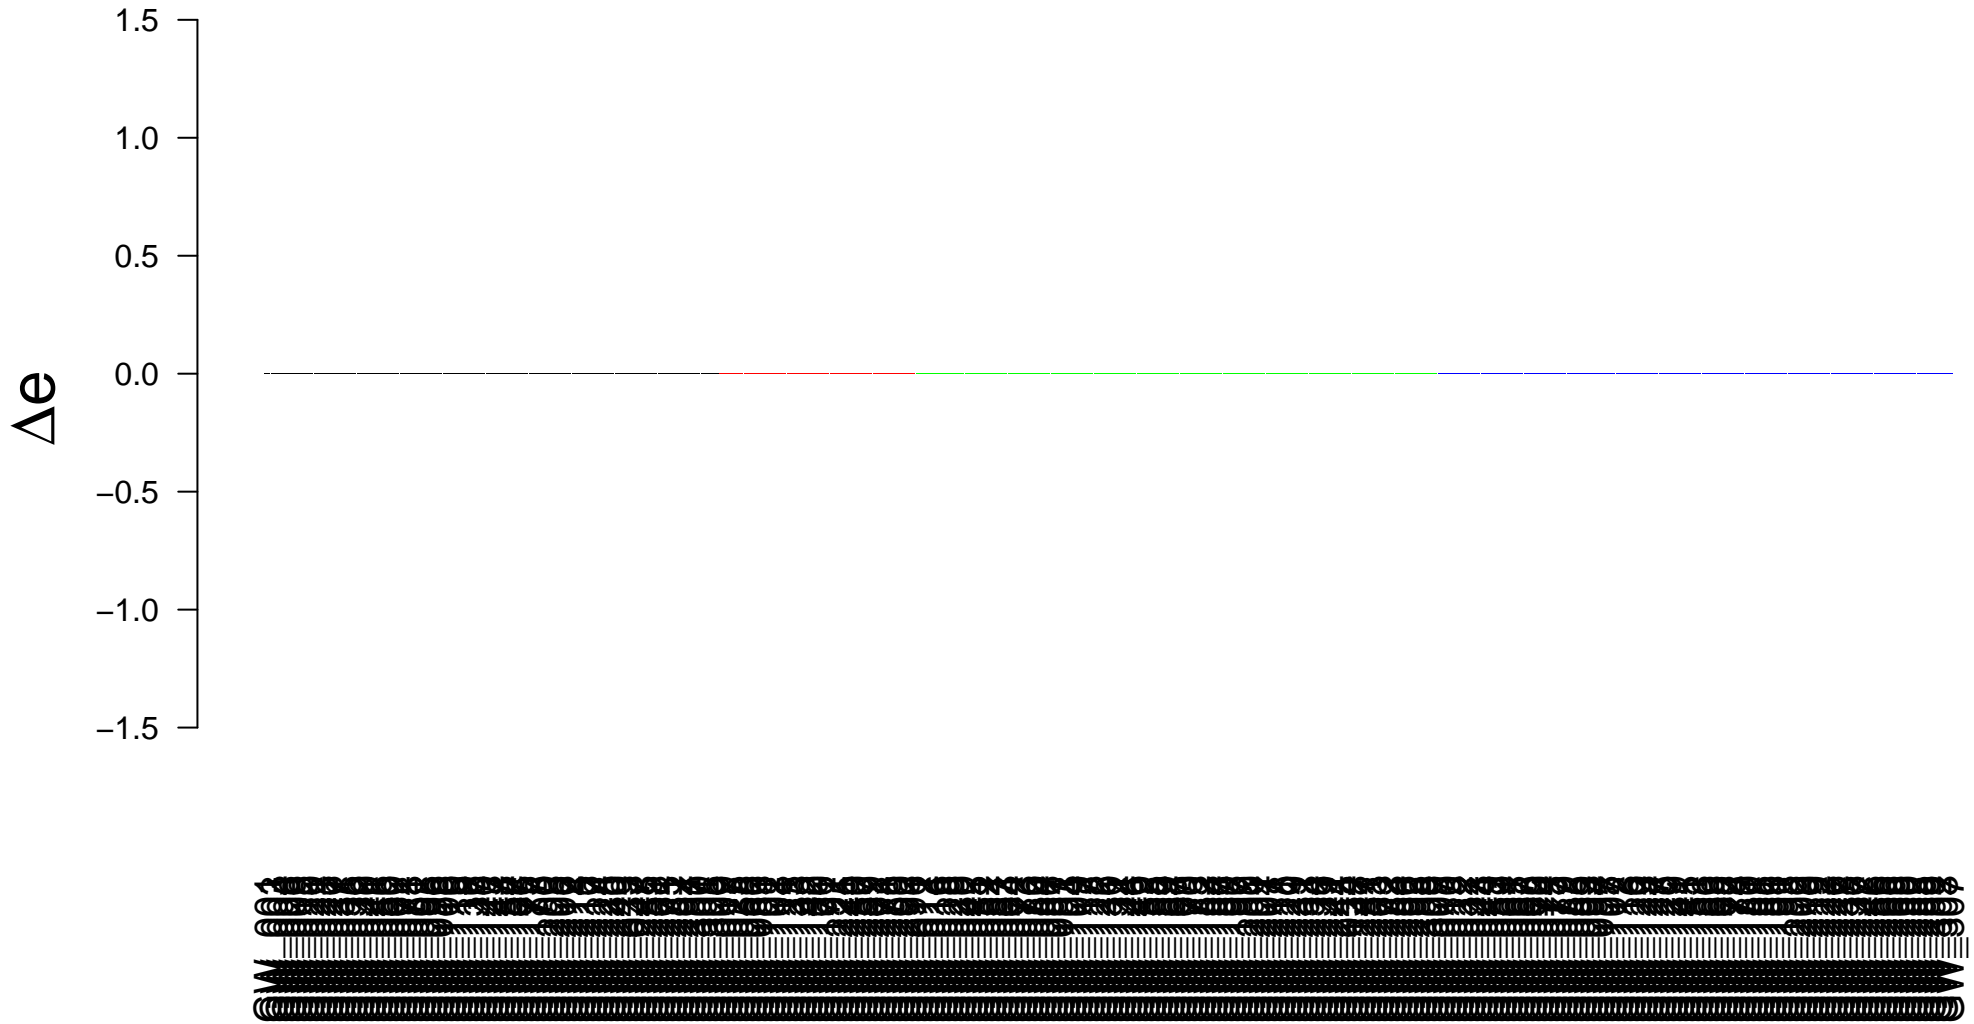

Δe

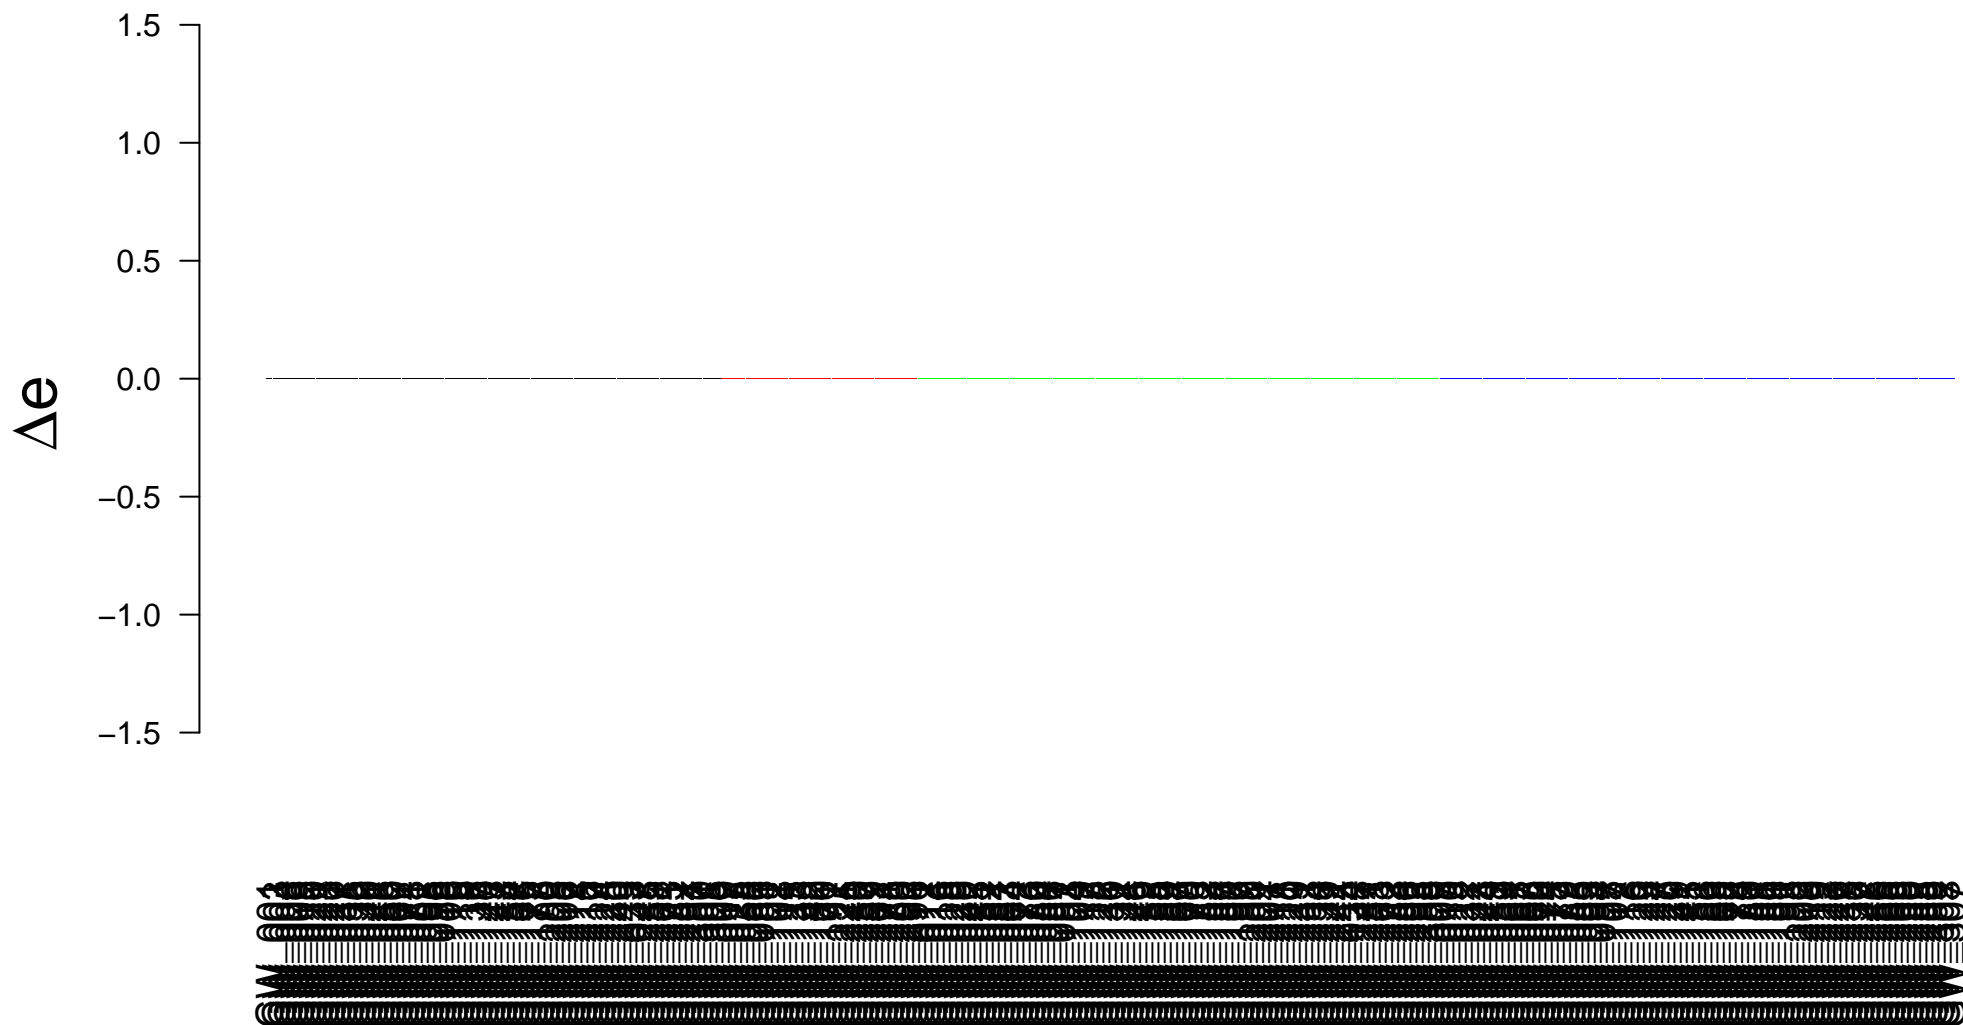

Expression of phosphatidylinositol phosphorylation in Spot G

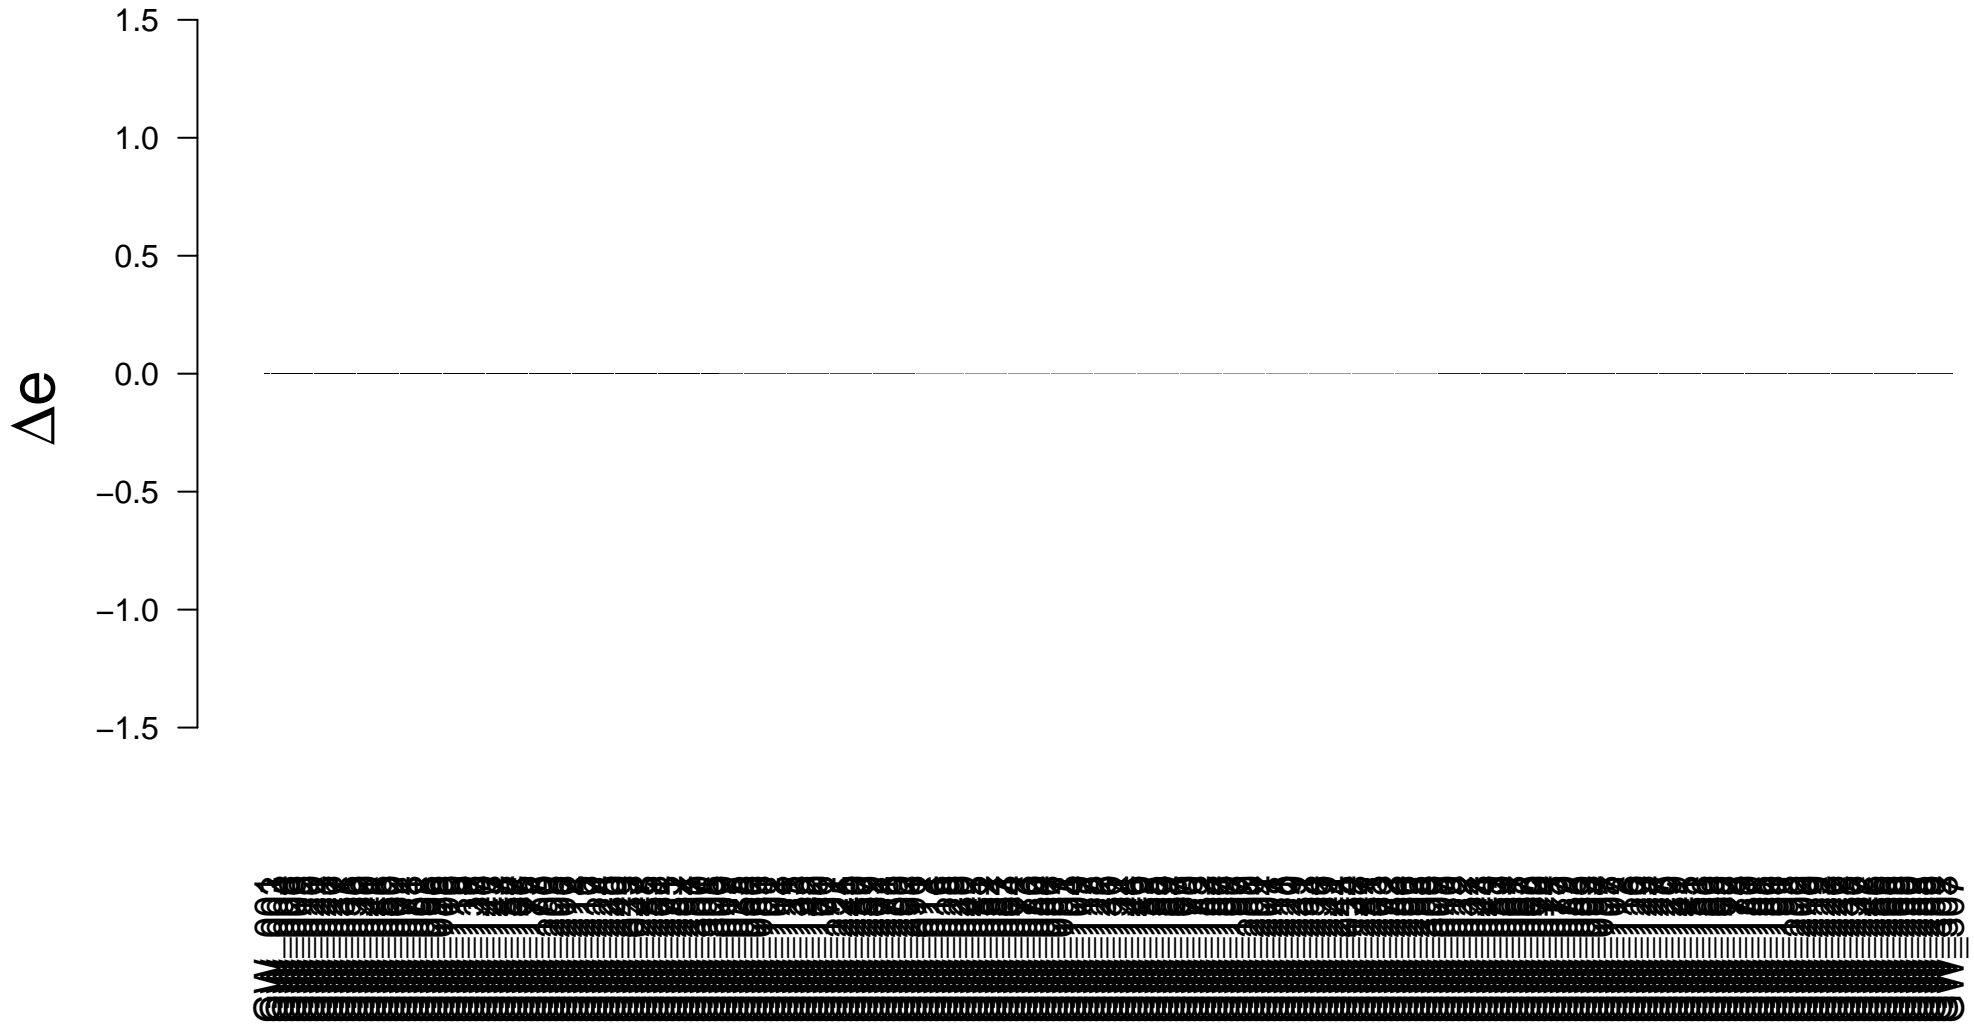

Expression of phosphatidylinositol phosphorylation in Spot H

Expression of phosphatidylinositol phosphorylation in Spot I

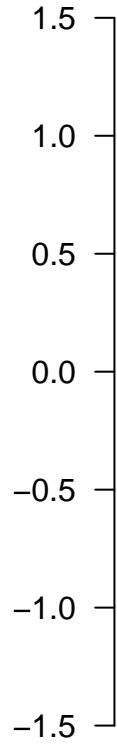

Expression of phosphatidylinositol phosphorylation in Spot J

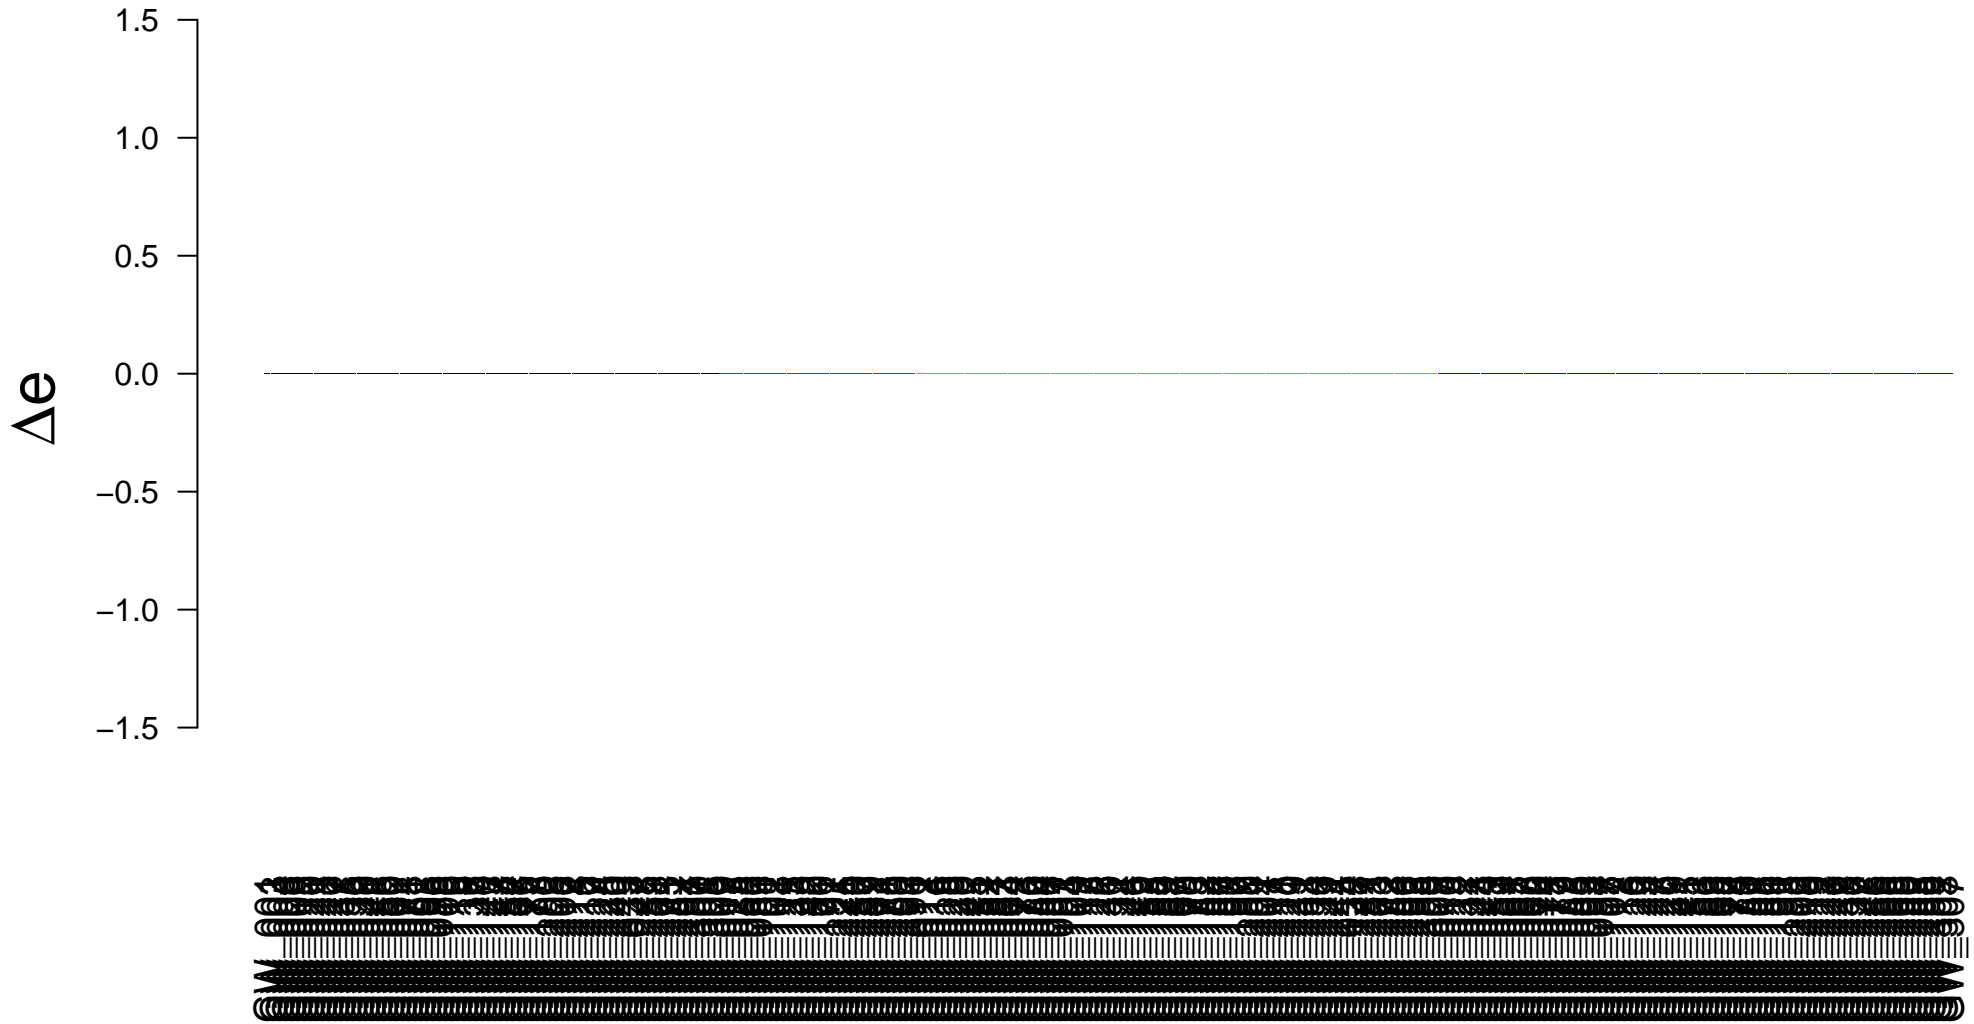

Expression of phosphatidylinositol phosphorylation in Spot K

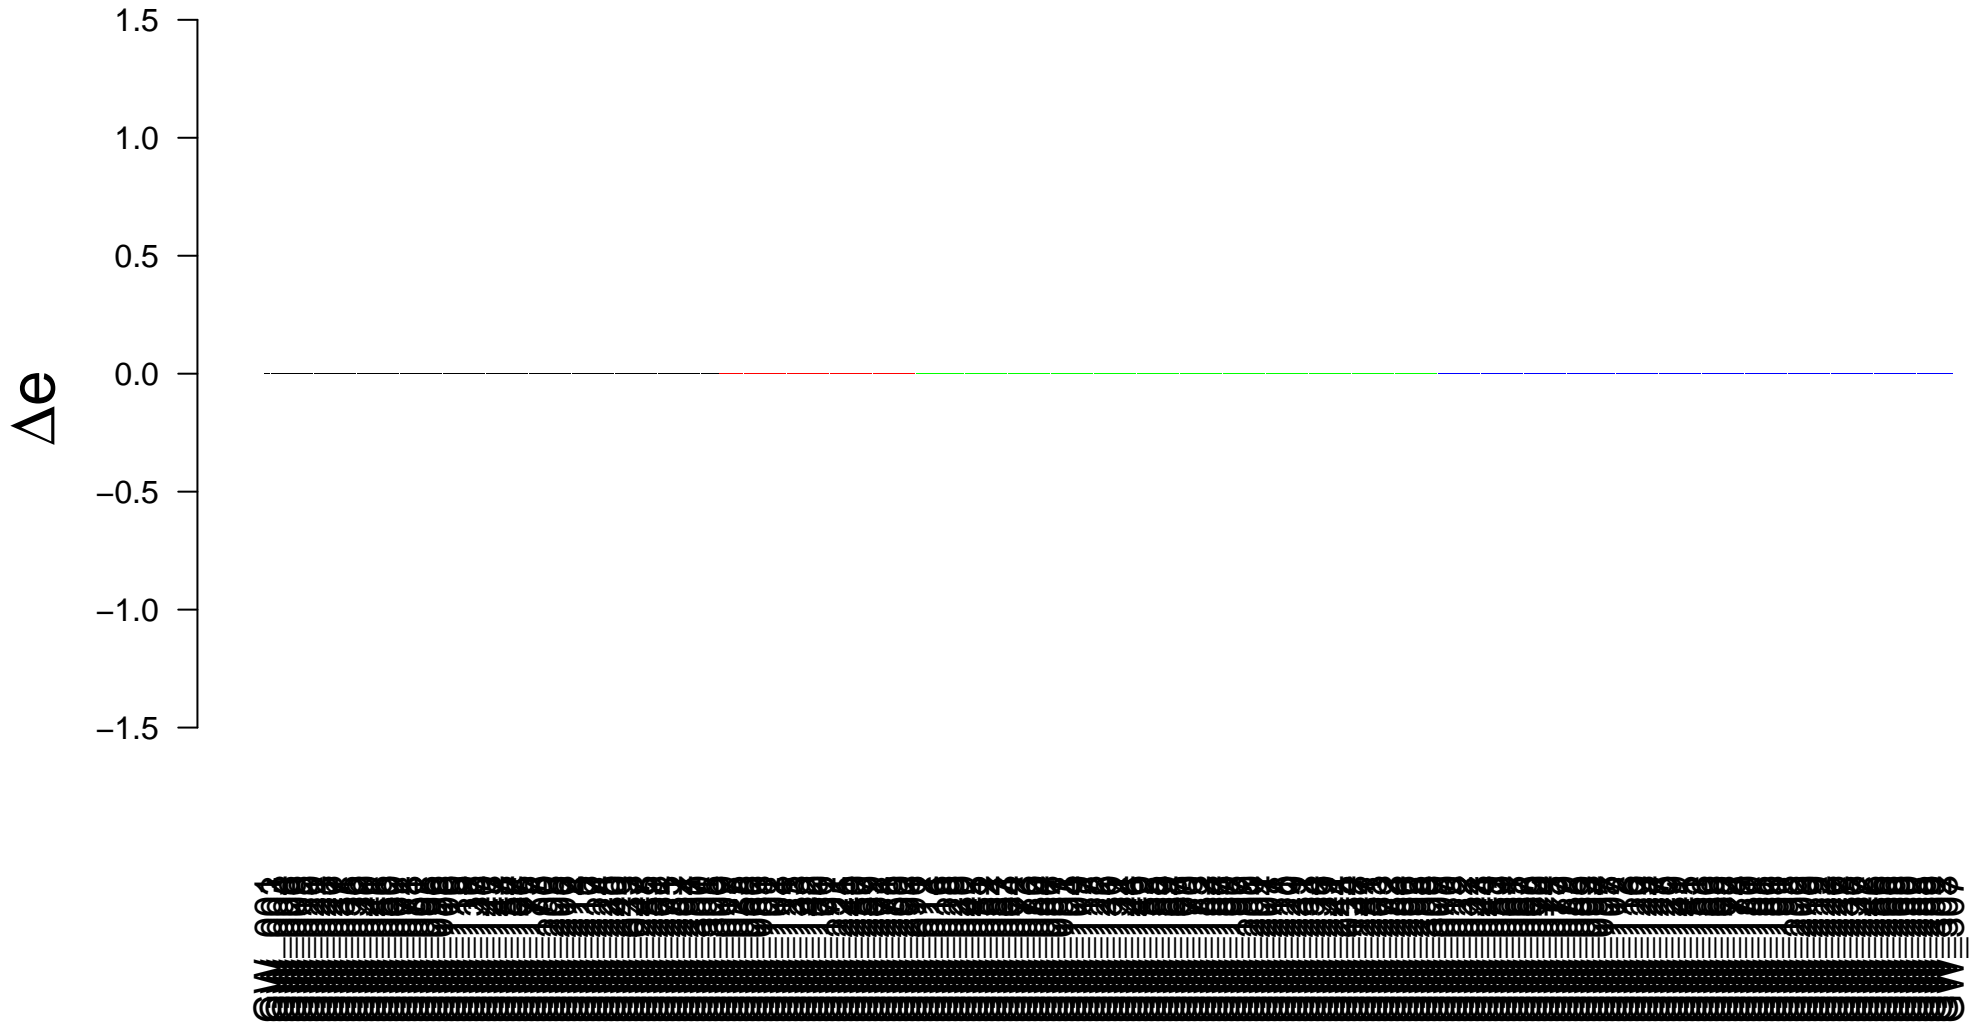

Δe

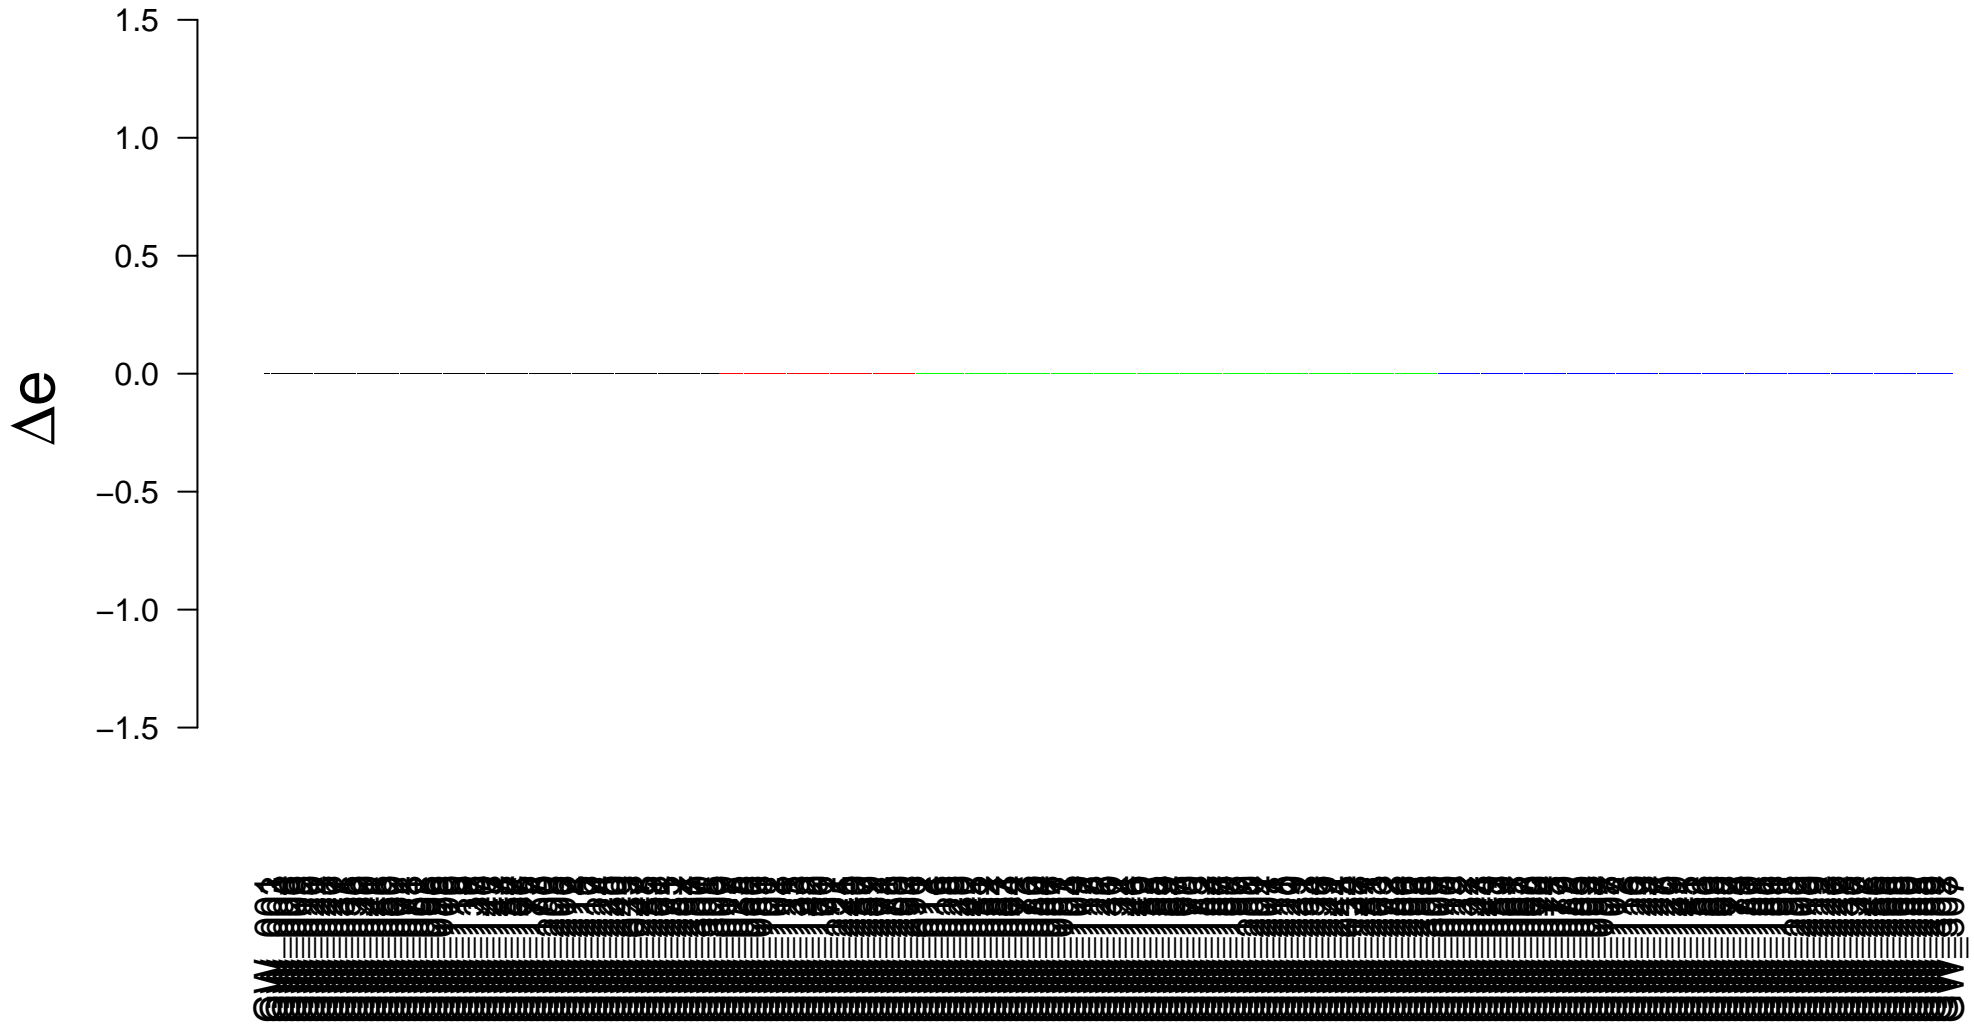

Expression of phosphatidylinositol phosphorylation in Spot L

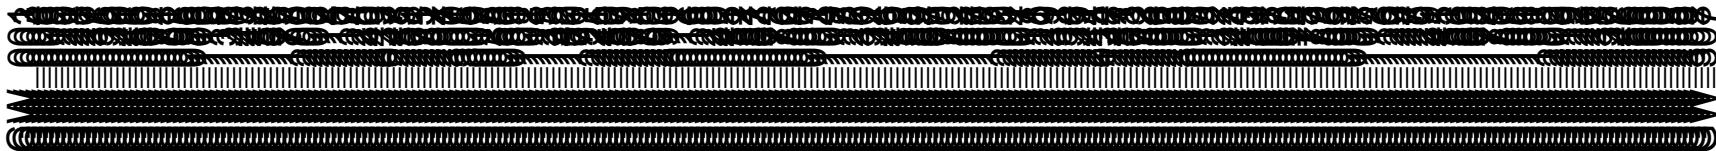

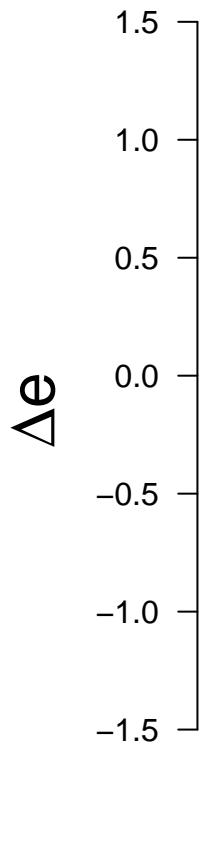

Expression of phosphatidylinositol phosphorylation in Spot M

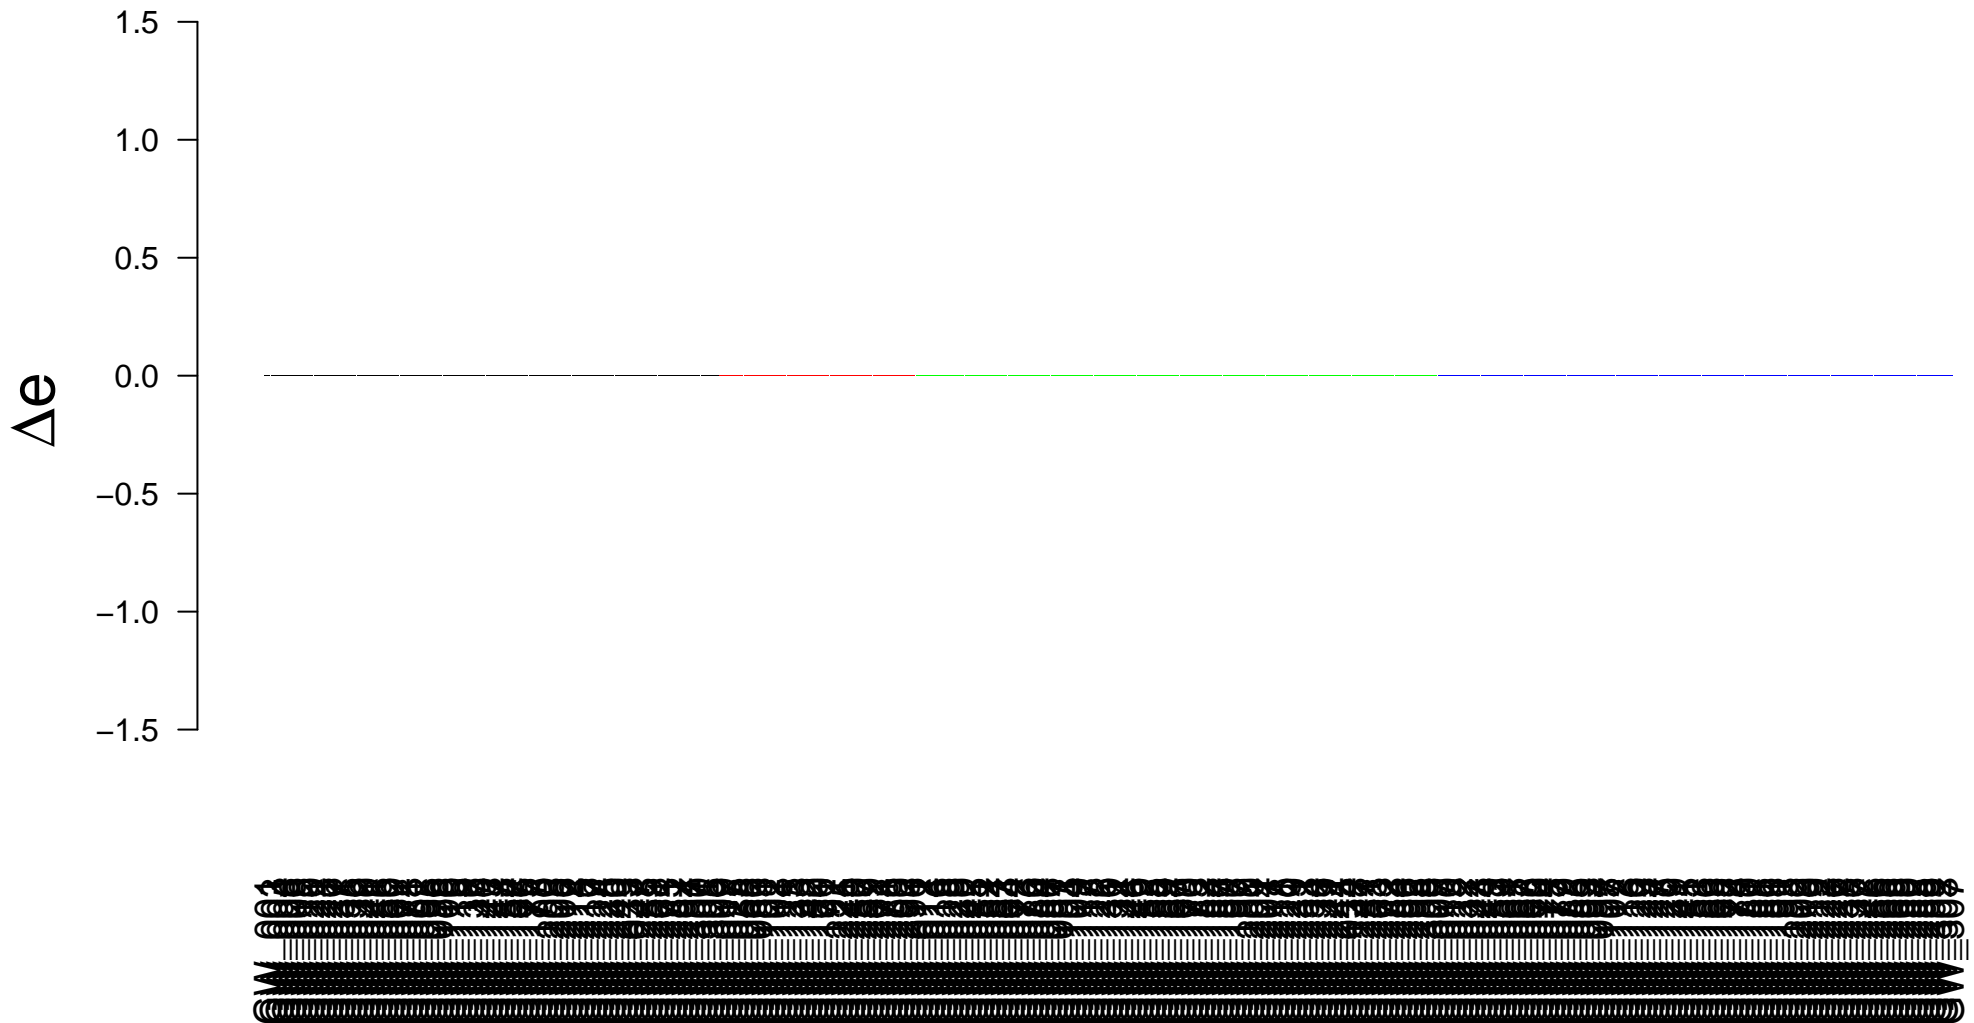

Expression of phosphatidylinositol phosphorylation in Spot N

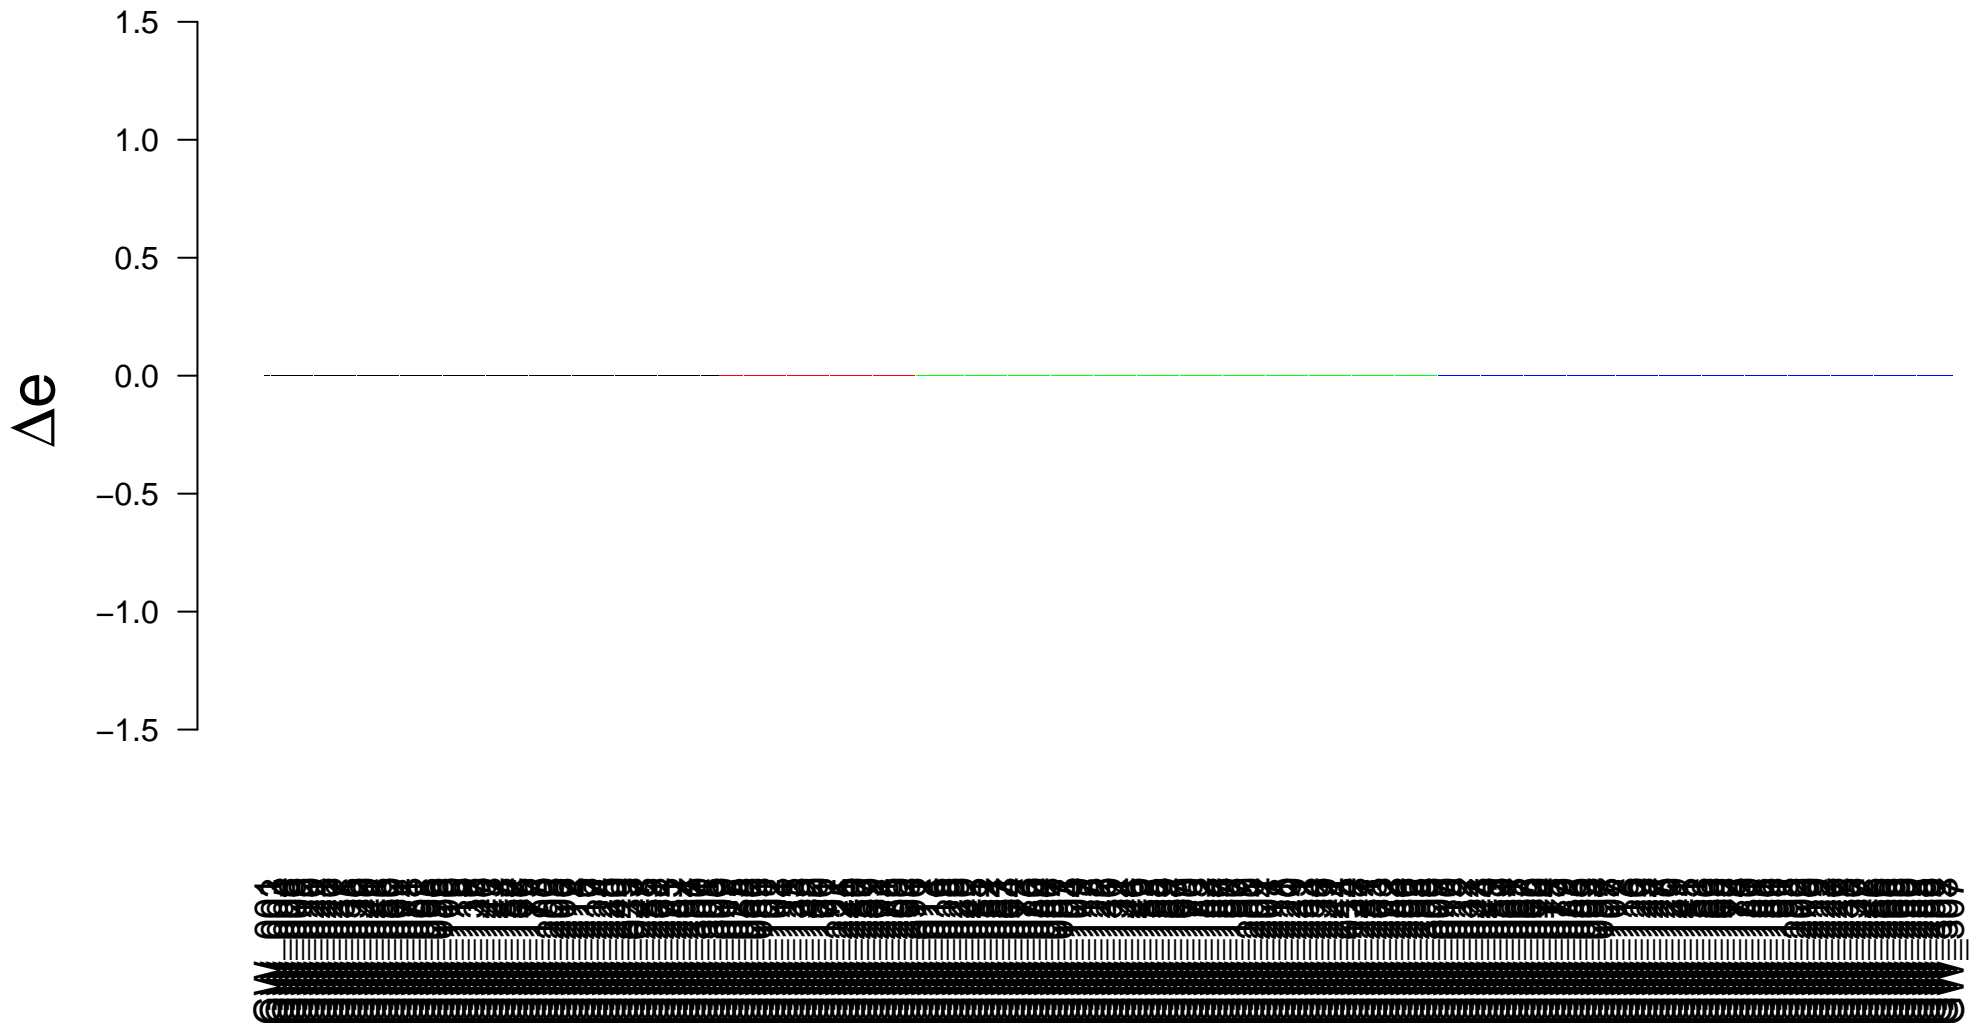

Expression of phosphatidylinositol phosphorylation in Spot O

Expression of phosphatidylinositol phosphorylation in Spot P

Expression of phosphatidylinositol phosphorylation in Spot Q

Expression of phosphatidylinositol phosphorylation in Spot R

Δe
