

phospholipid binding

phospholipid binding

Enrichment in spots: phospholipid binding

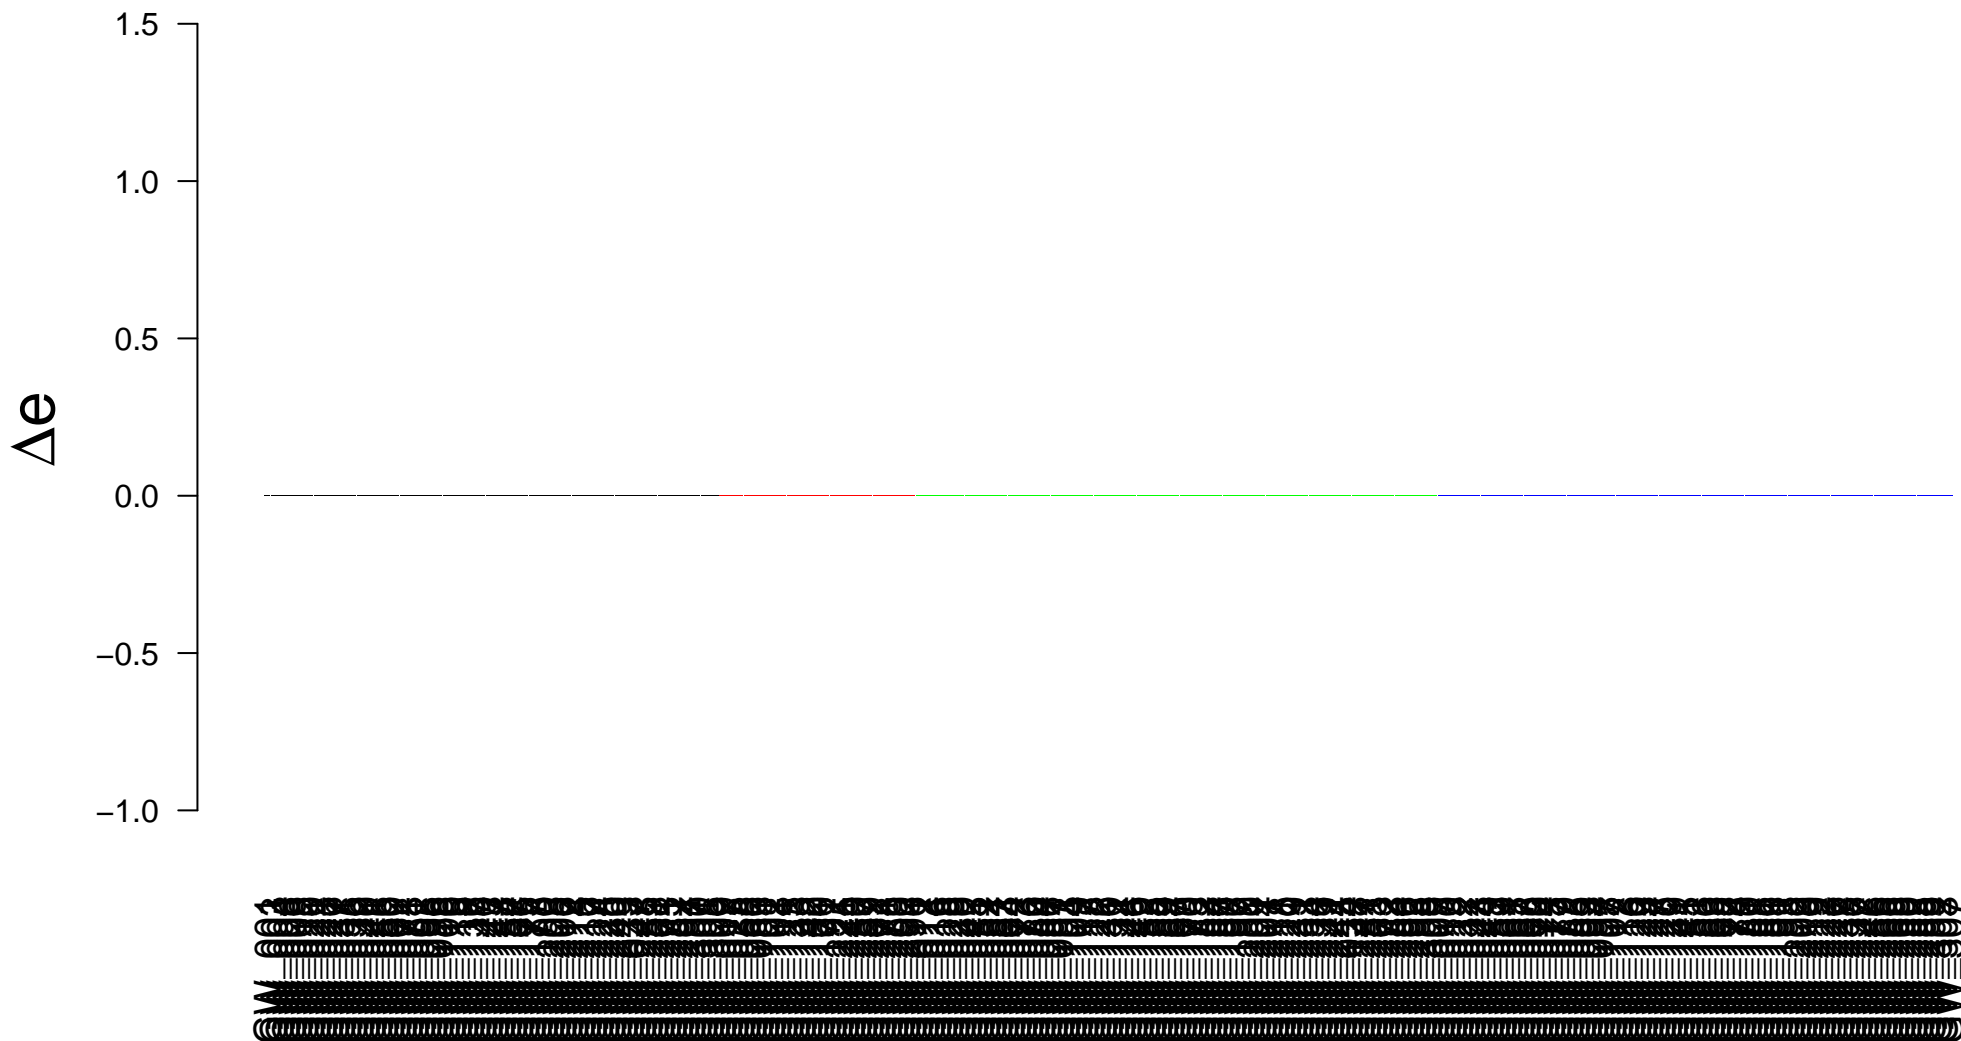

Expression of phospholipid binding in Spot A

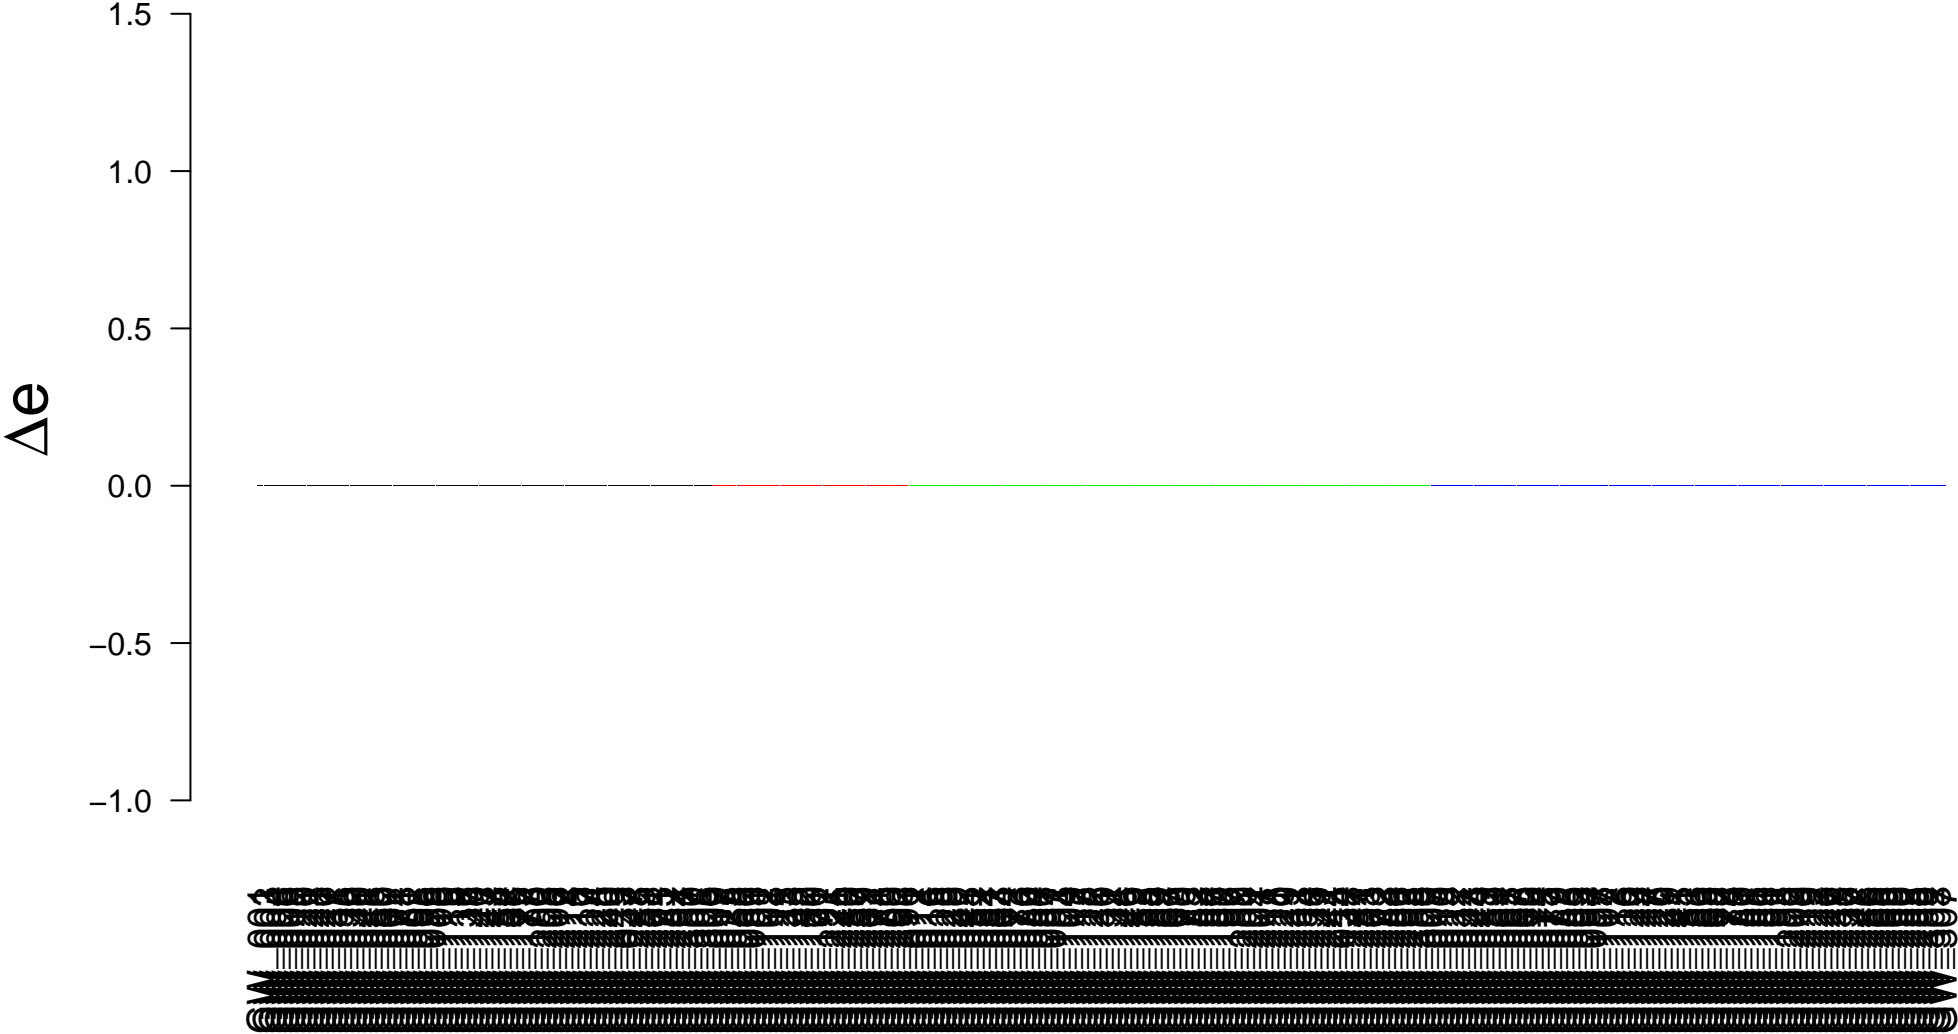

Δe

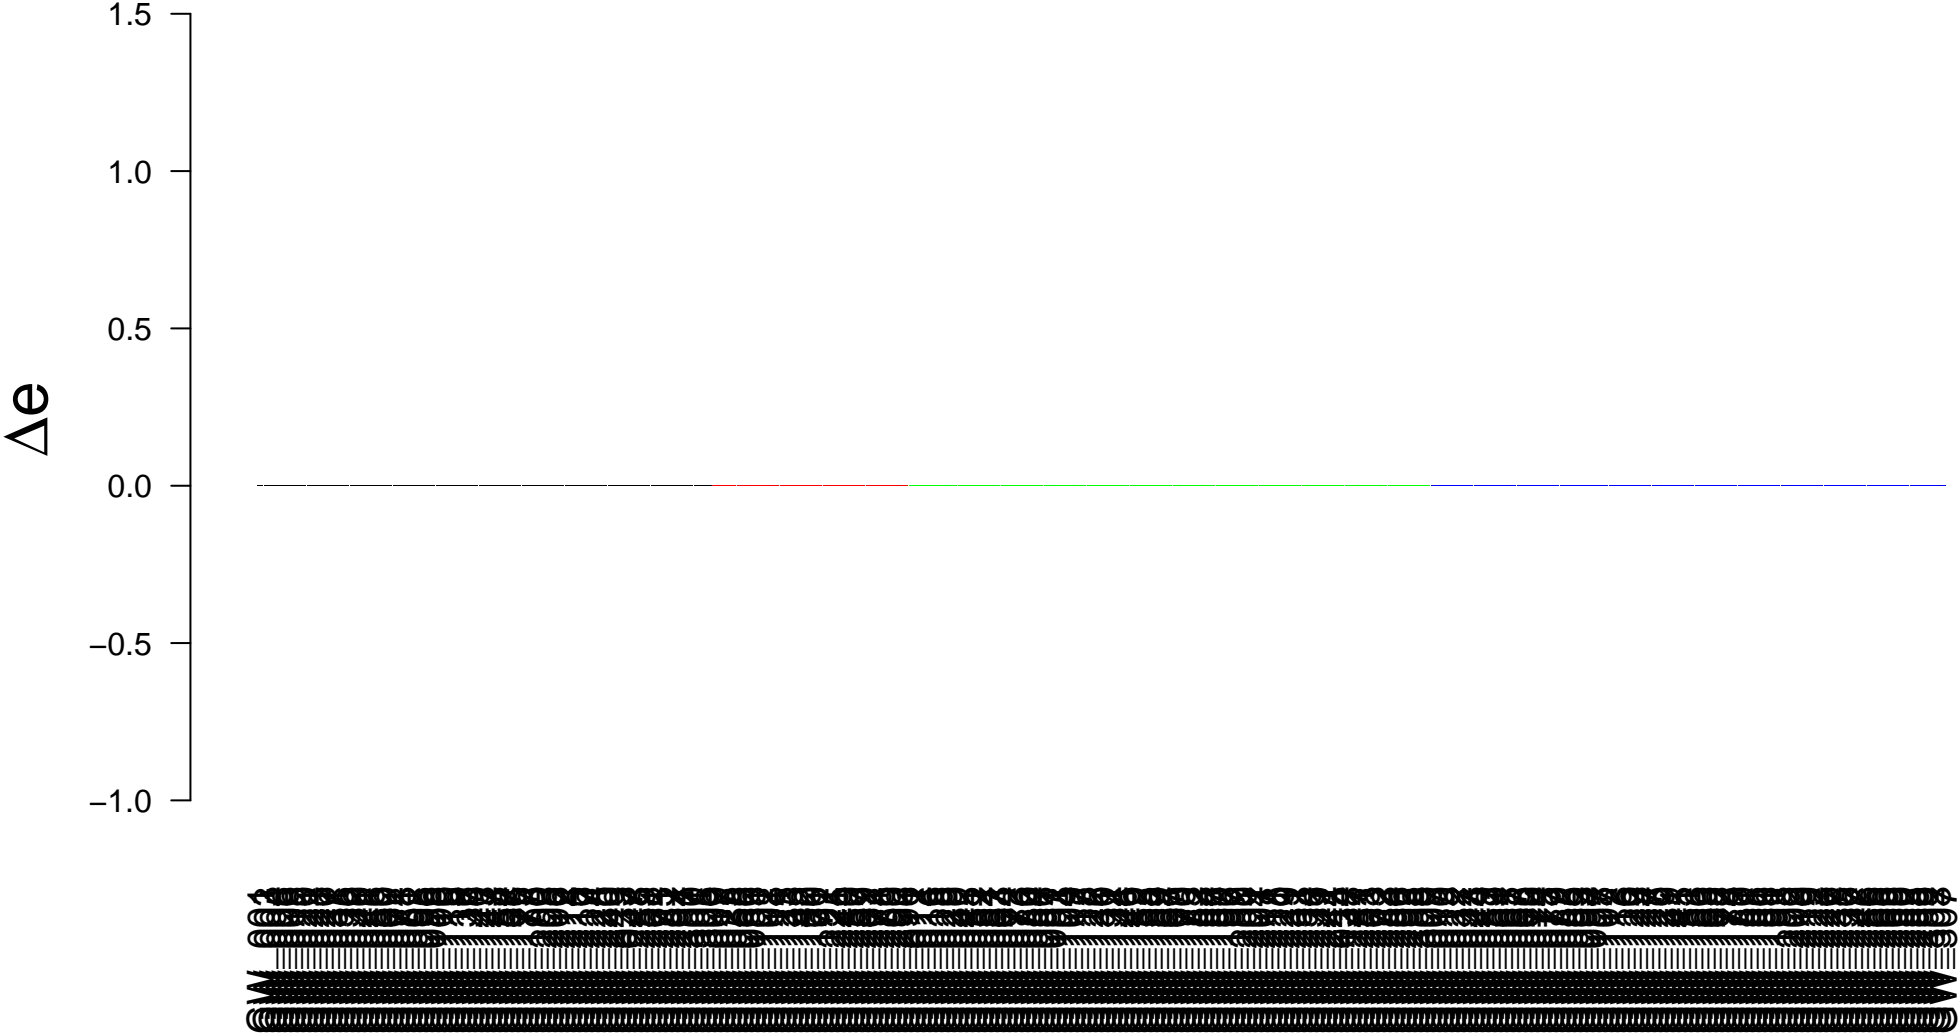

Expression of phospholipid binding in Spot B

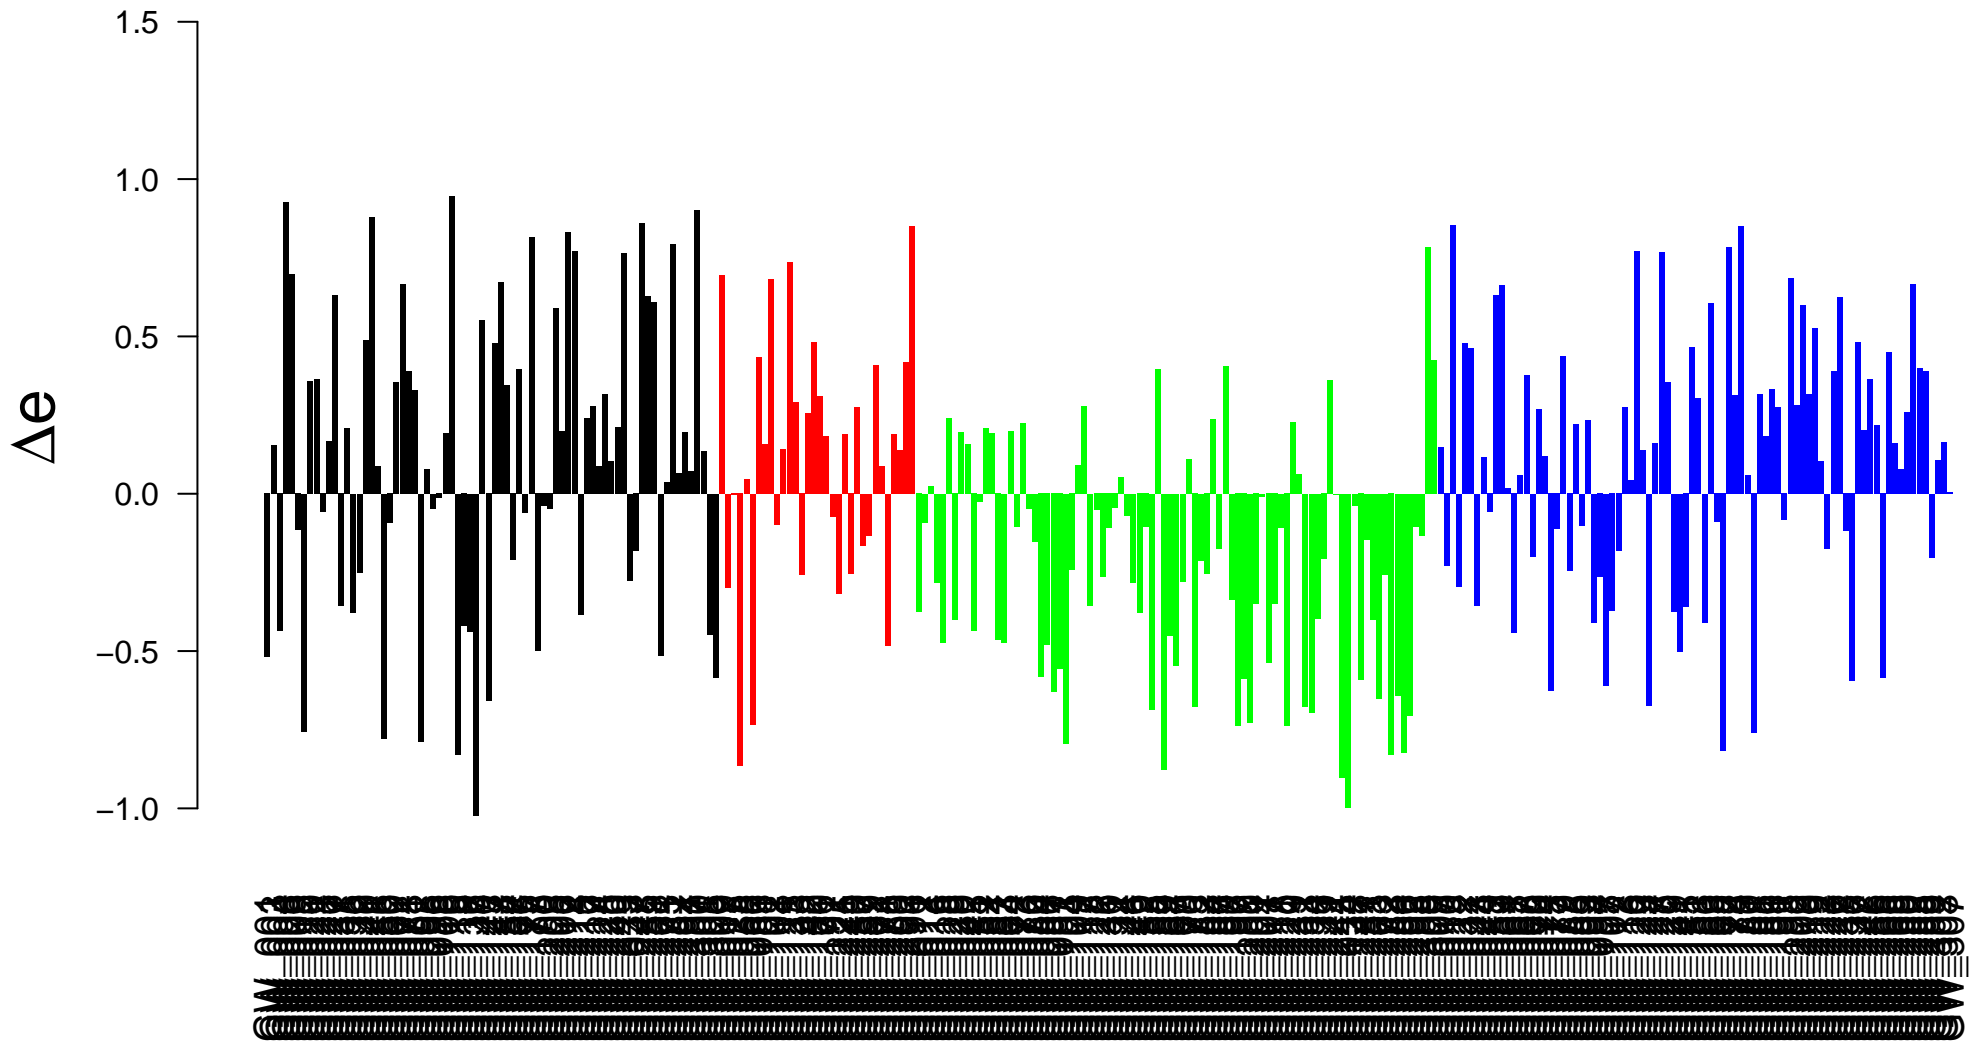

Expression of phospholipid binding in Spot C

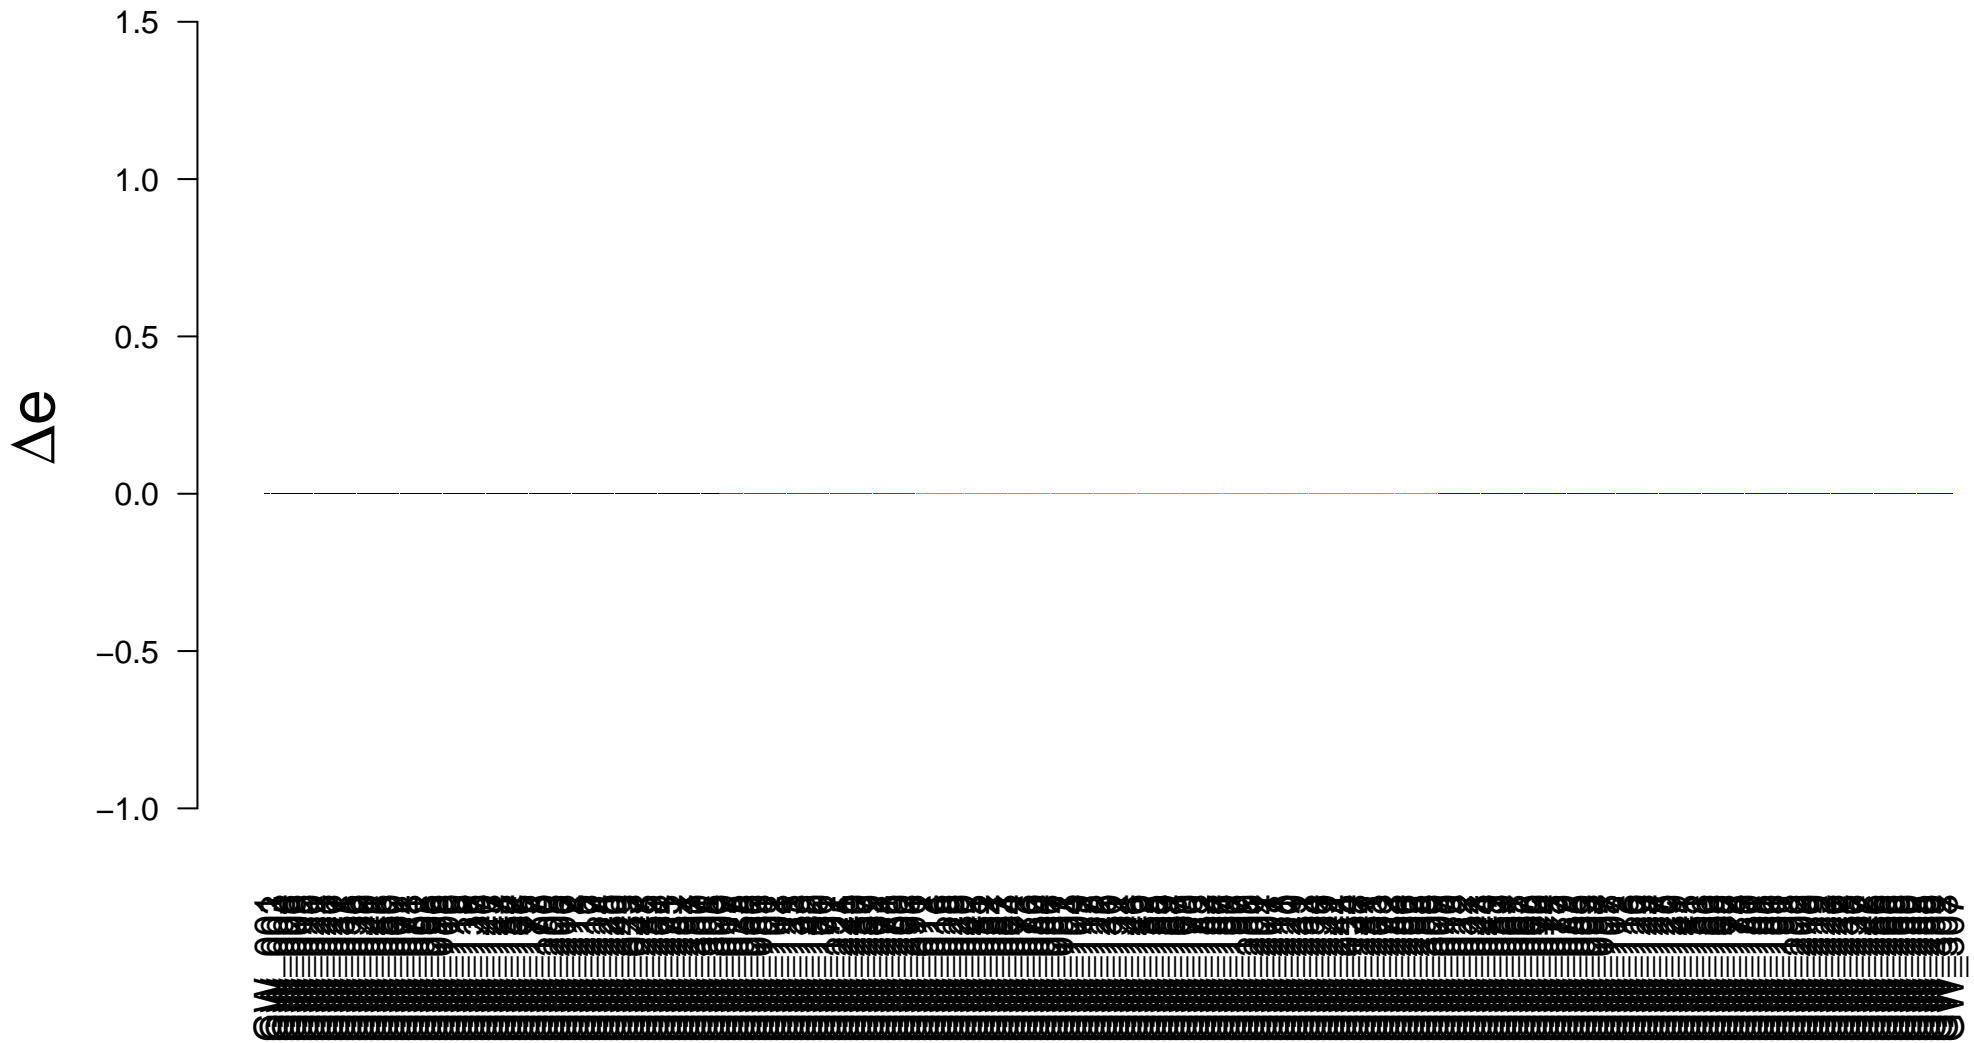

Expression of phospholipid binding in Spot D

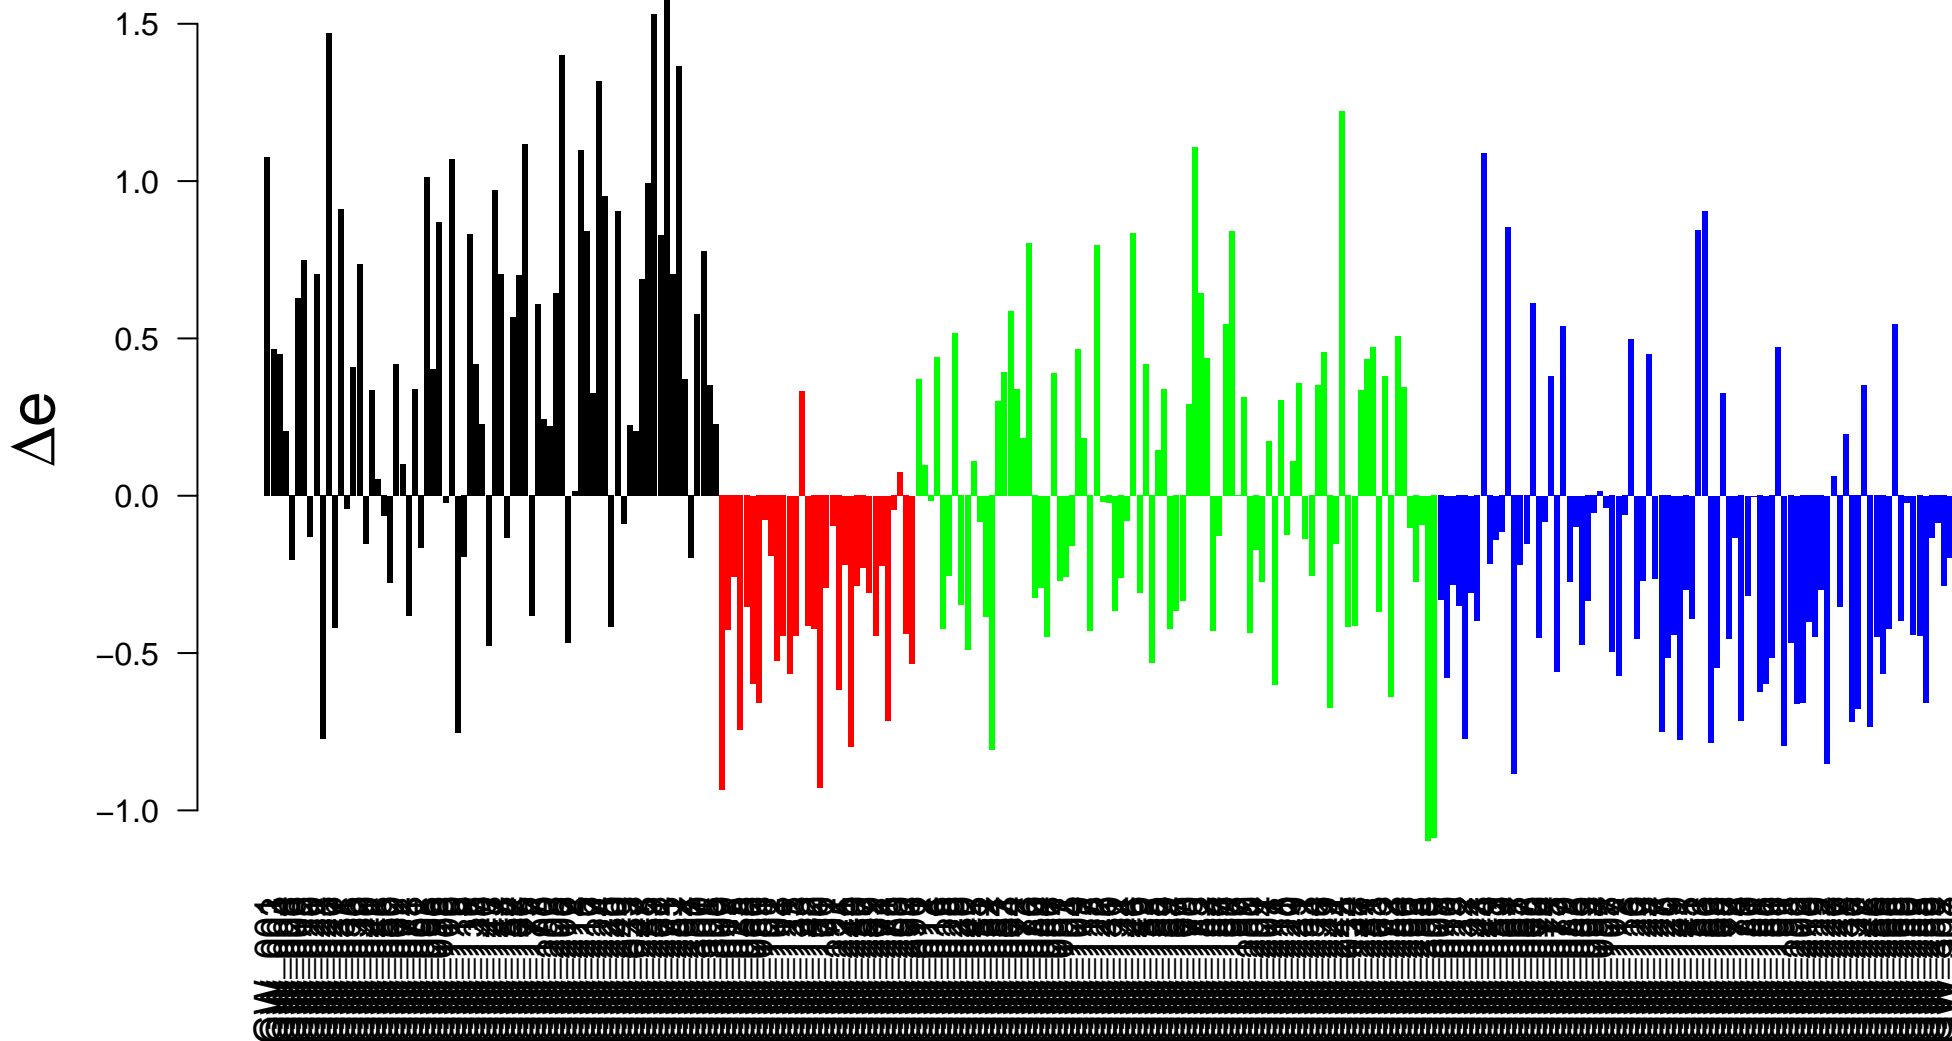

Expression of phospholipid binding in Spot E

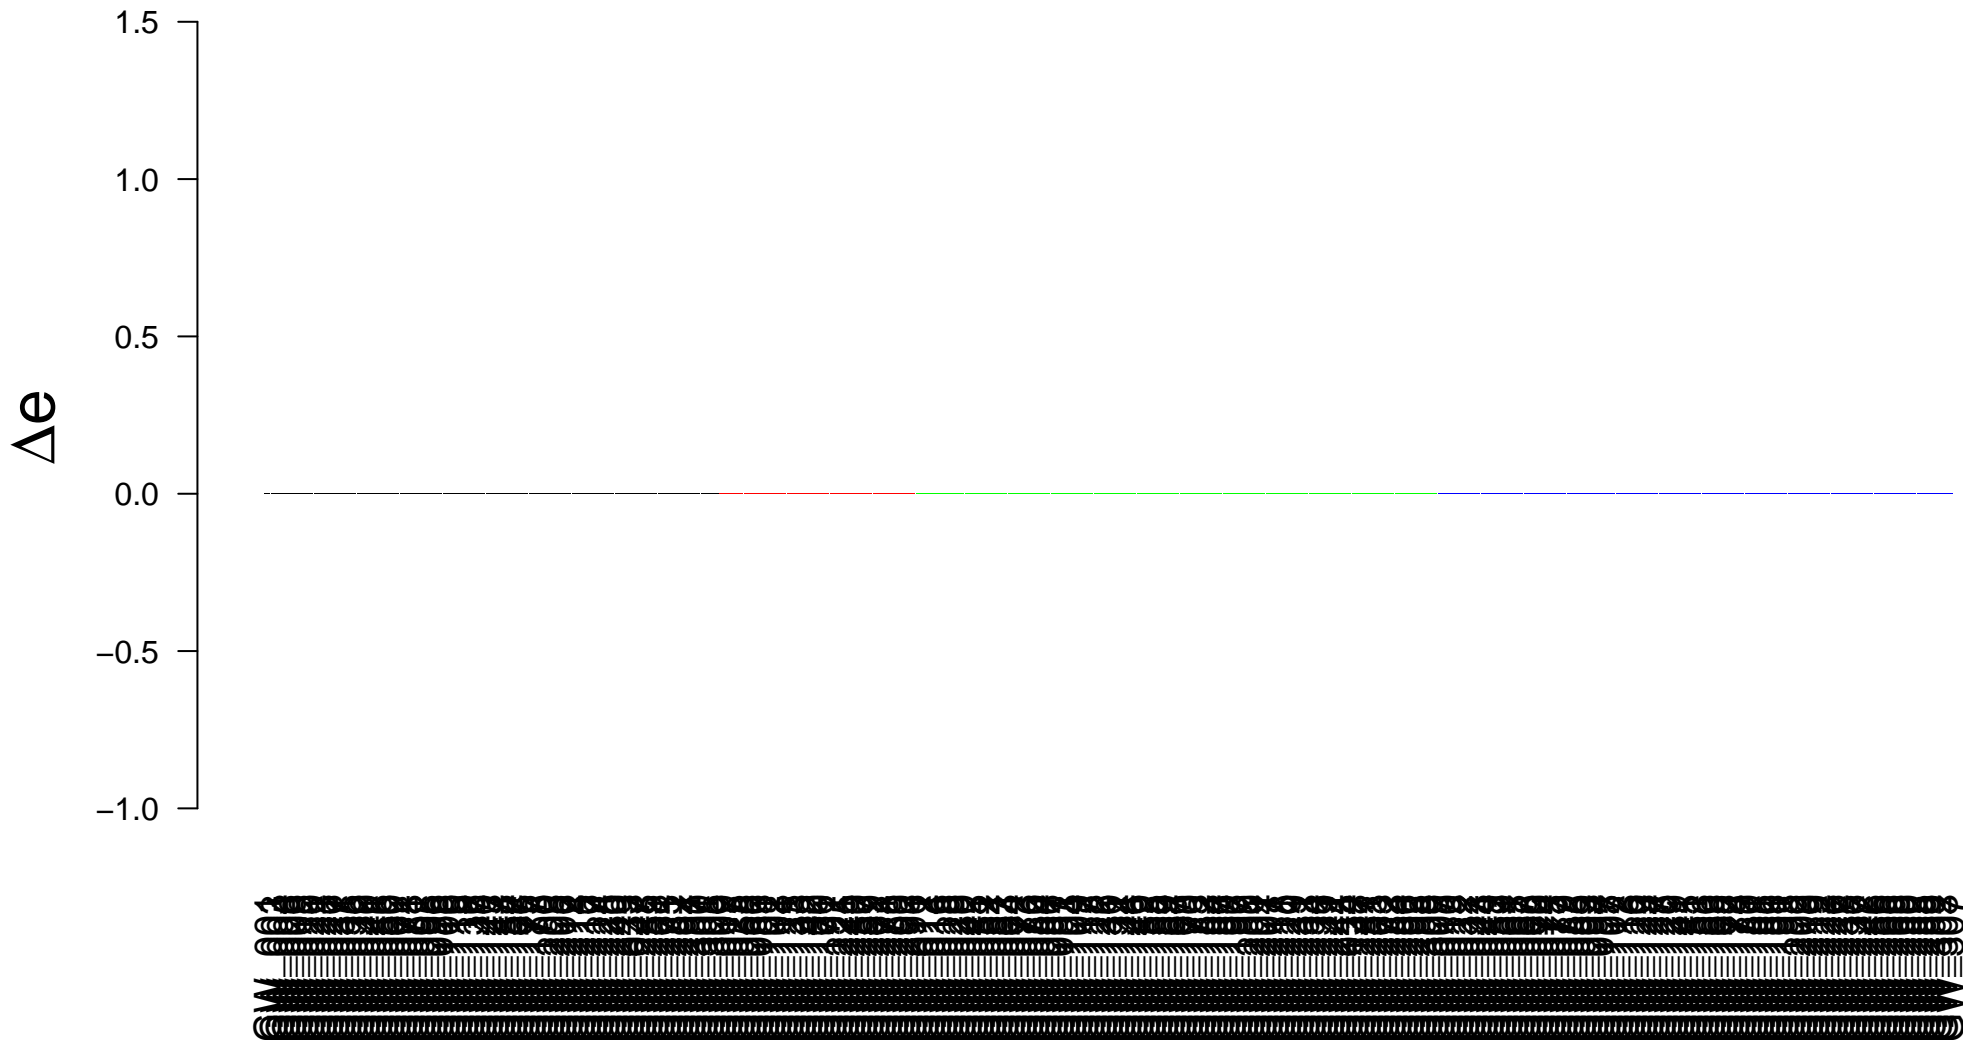

Expression of phospholipid binding in Spot F

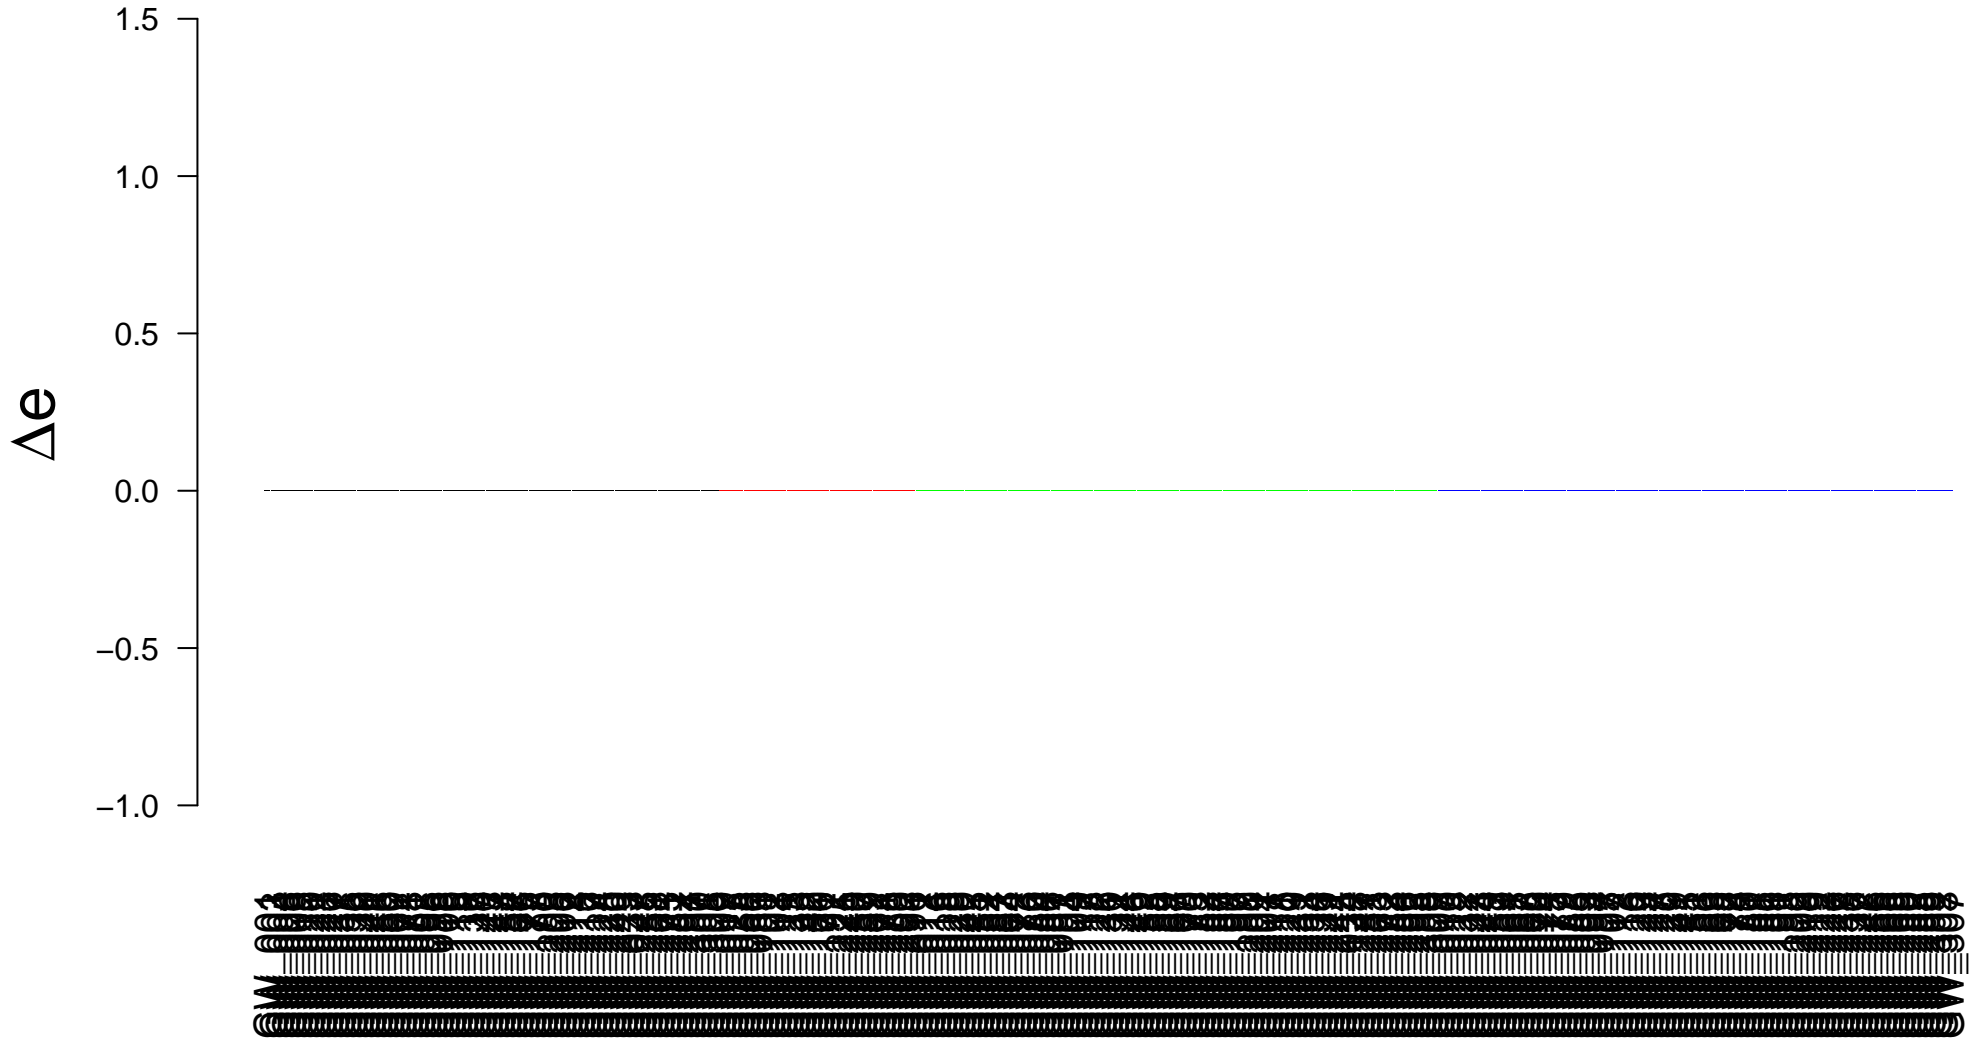

Expression of phospholipid binding in Spot G

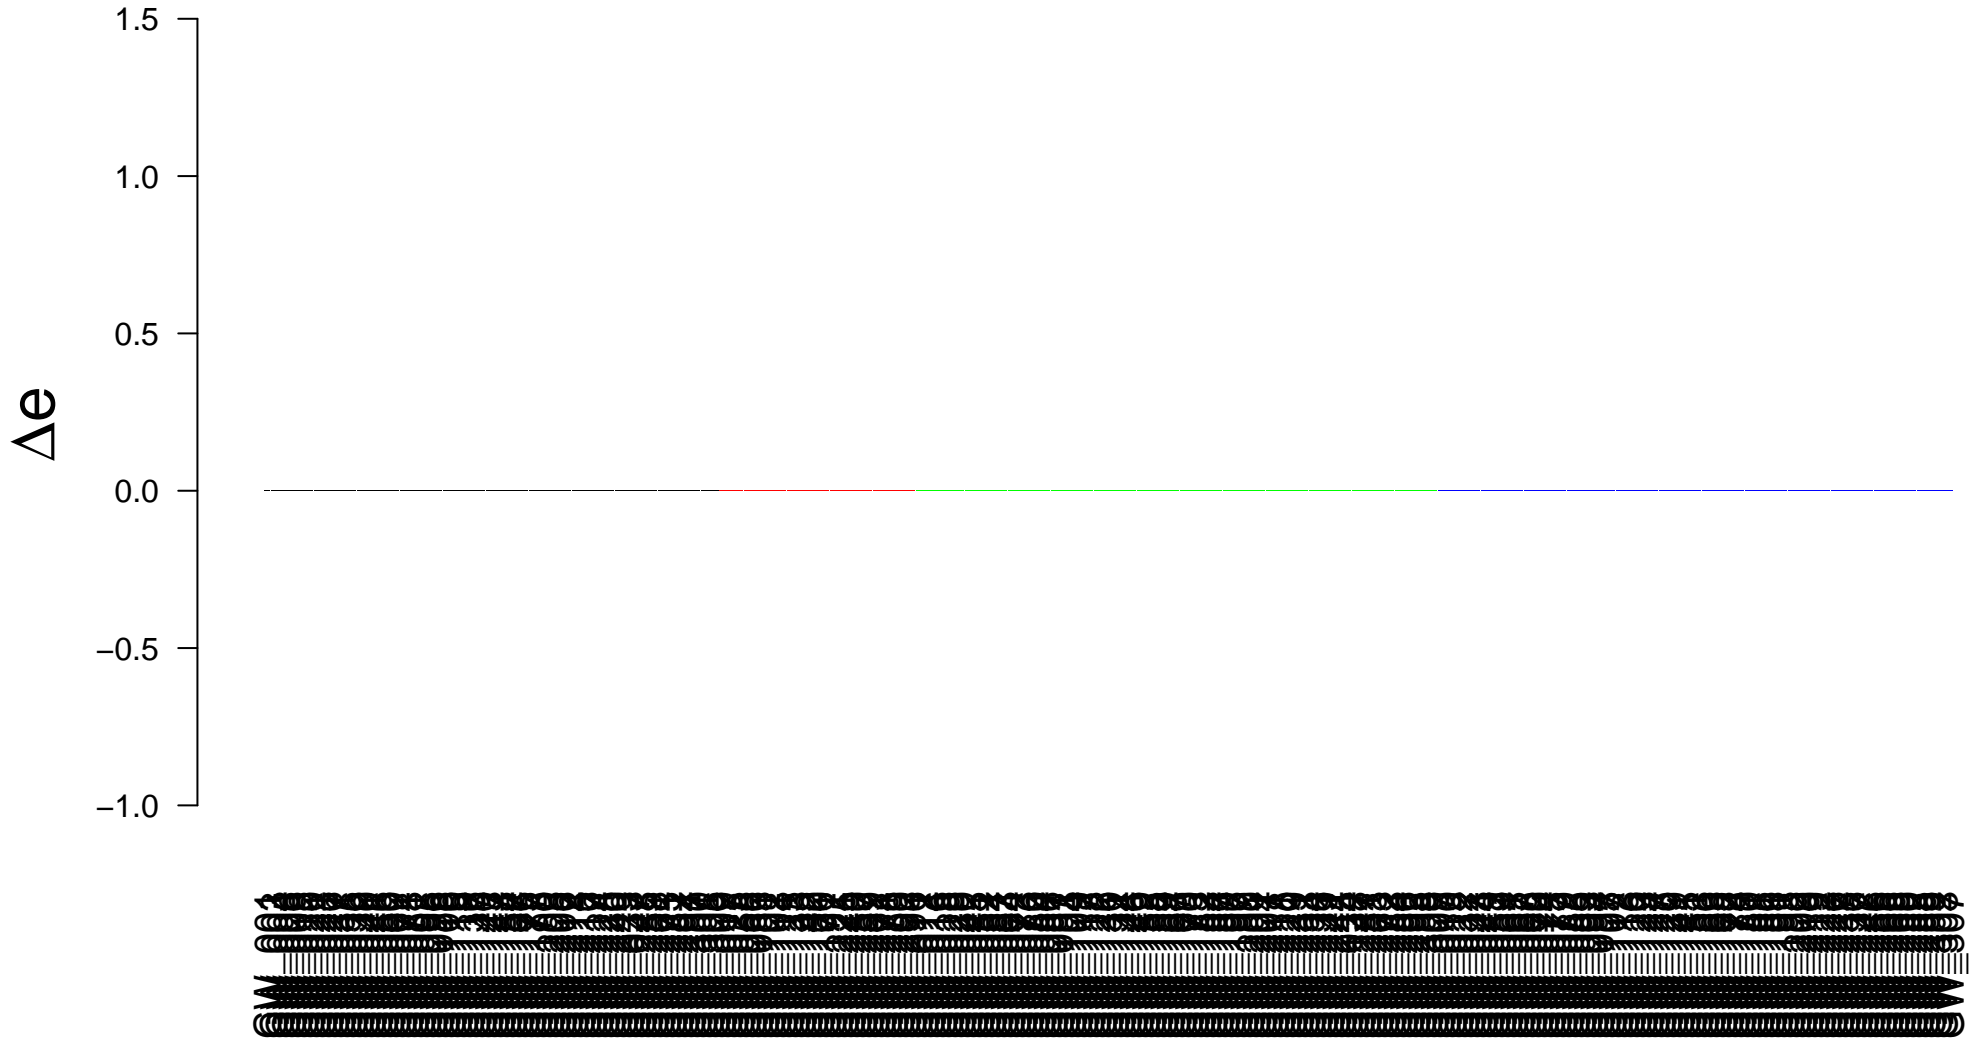

Expression of phospholipid binding in Spot H

Expression of phospholipid binding in Spot I

Expression of phospholipid binding in Spot J

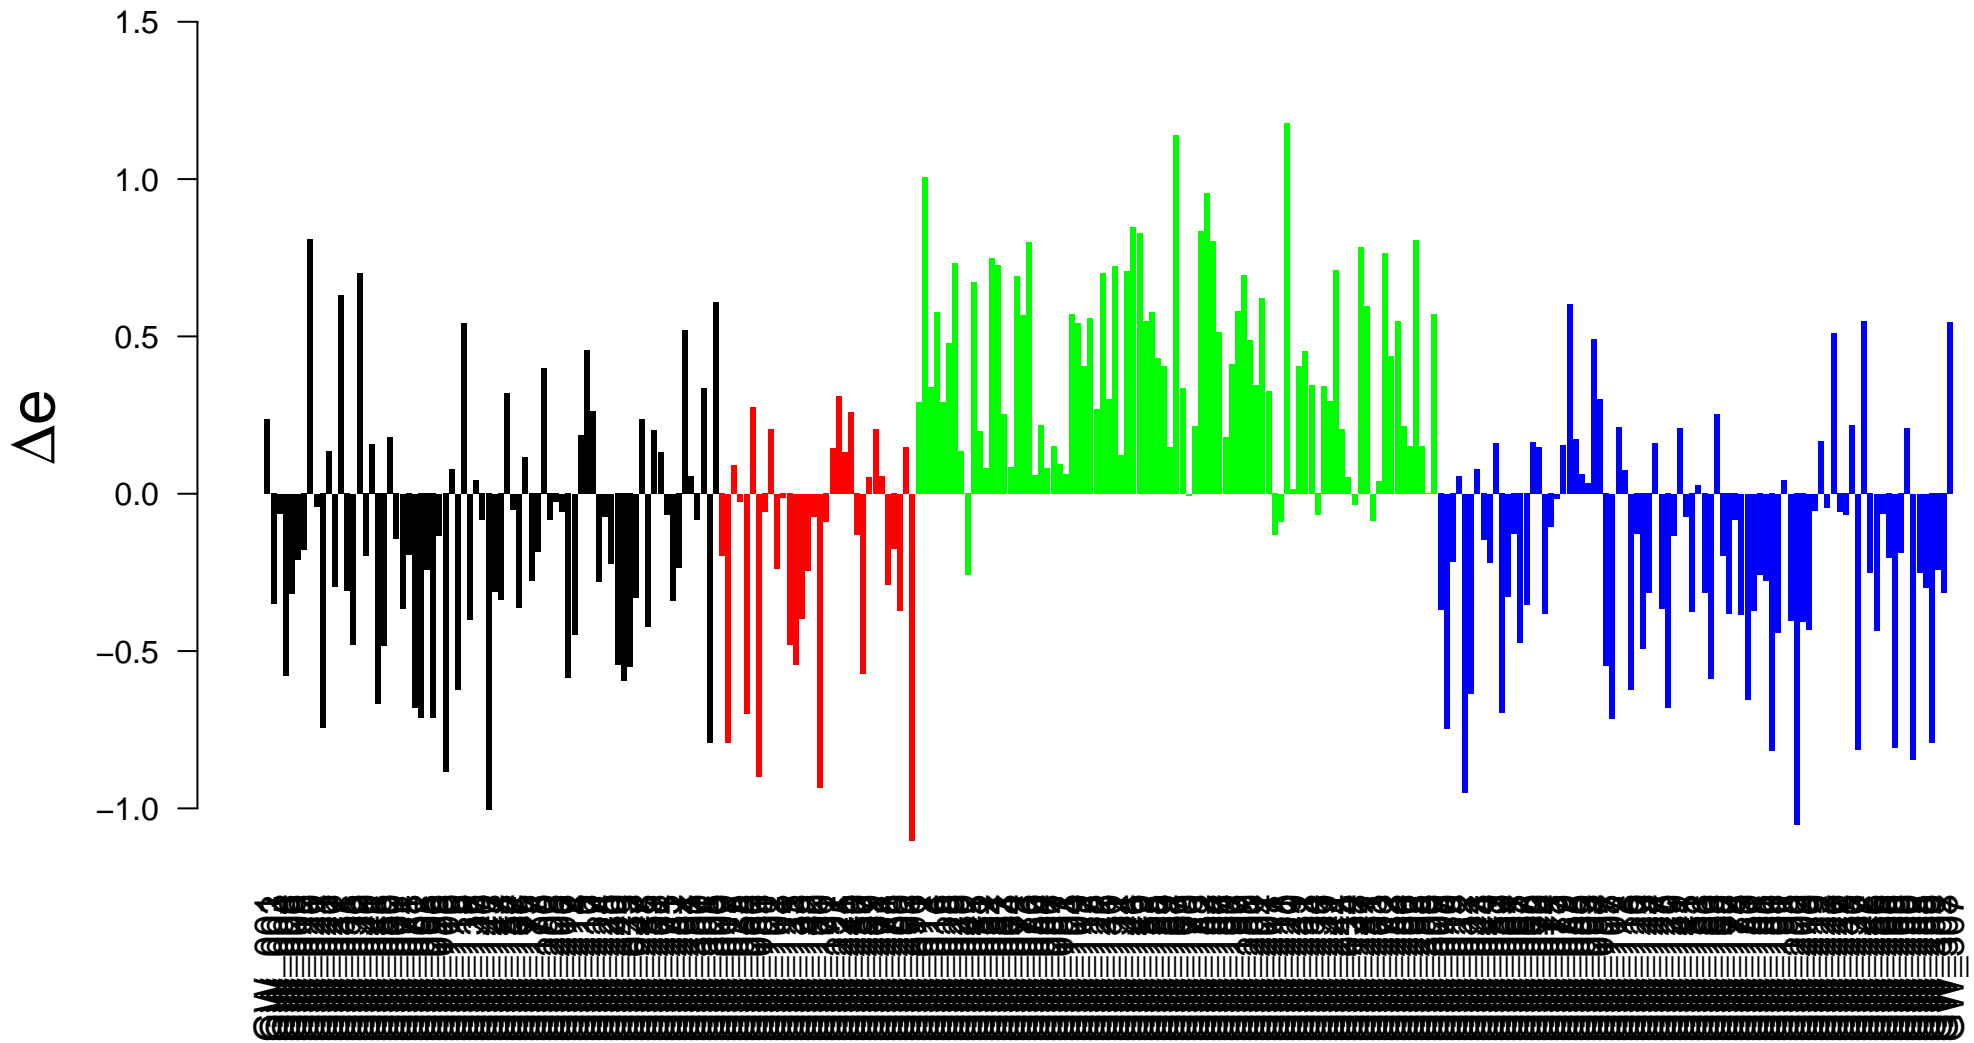

Expression of phospholipid binding in Spot K

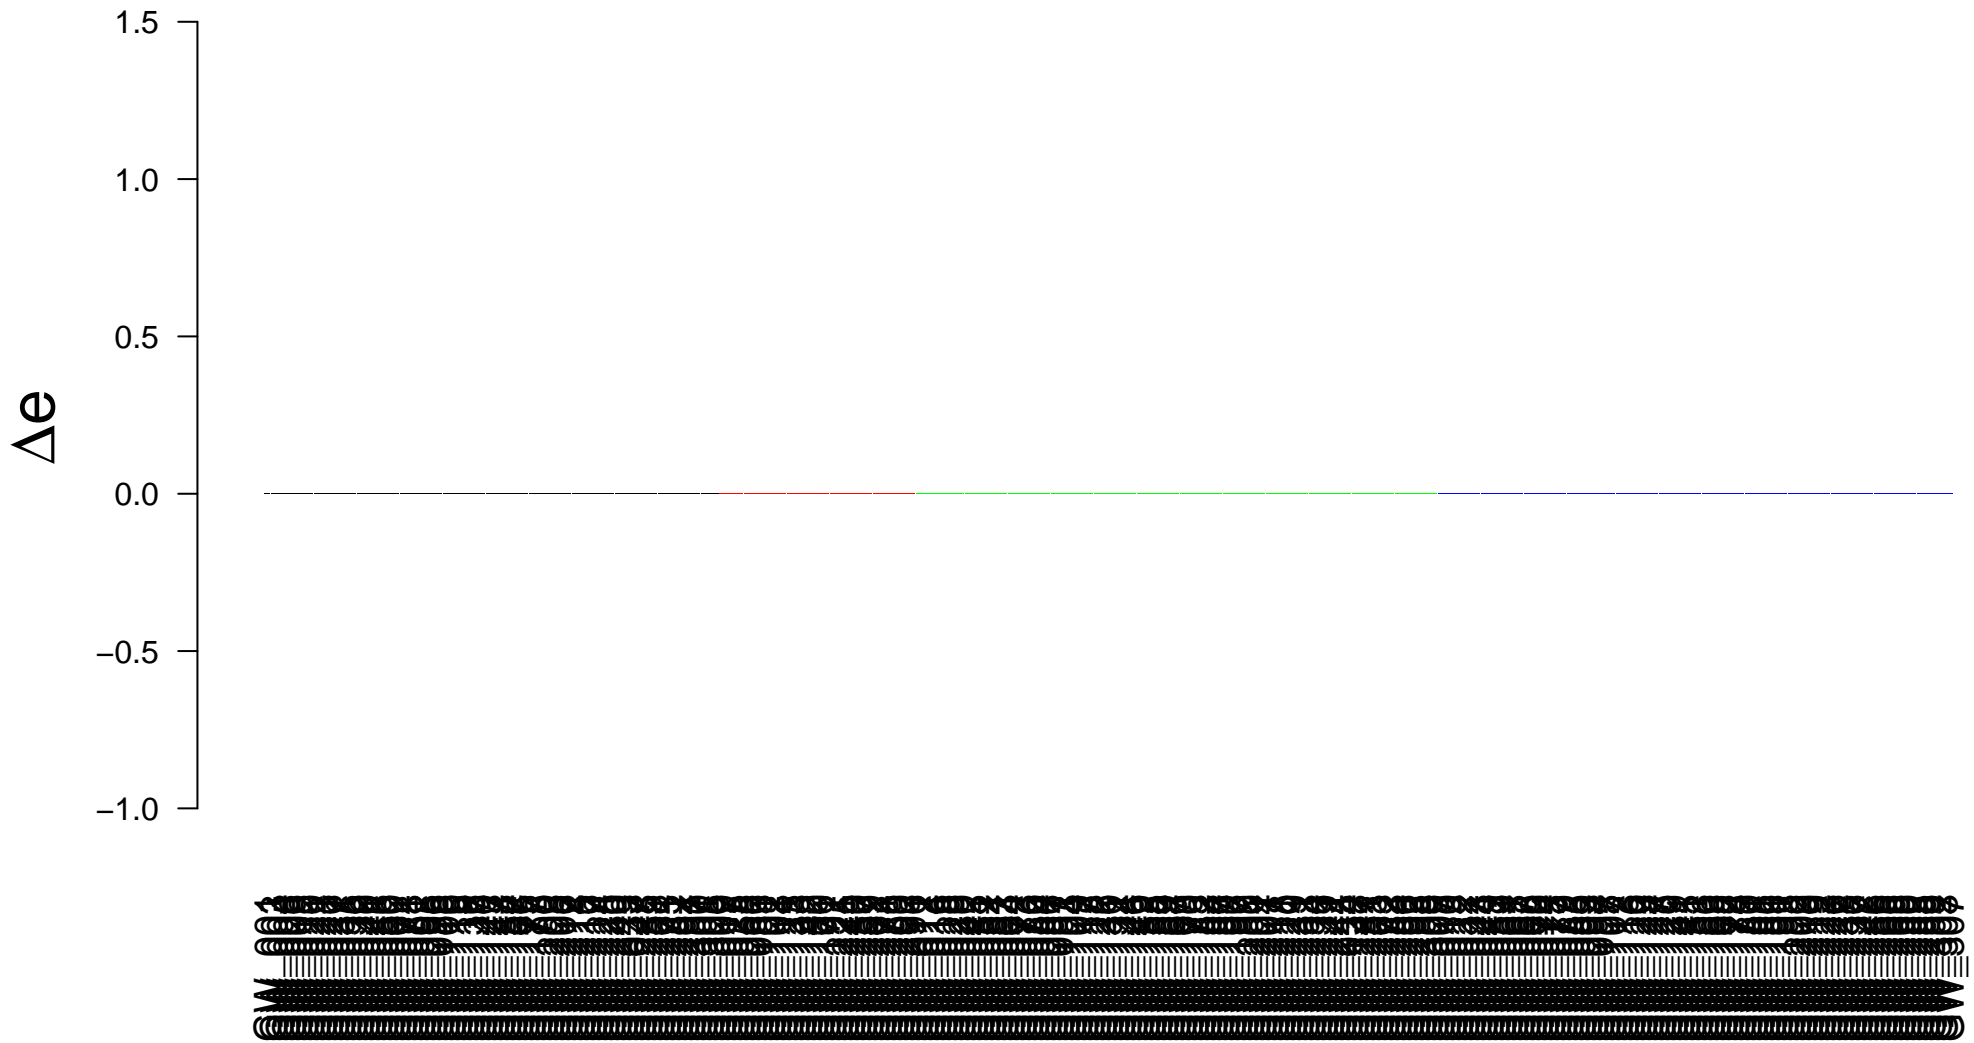

Δe

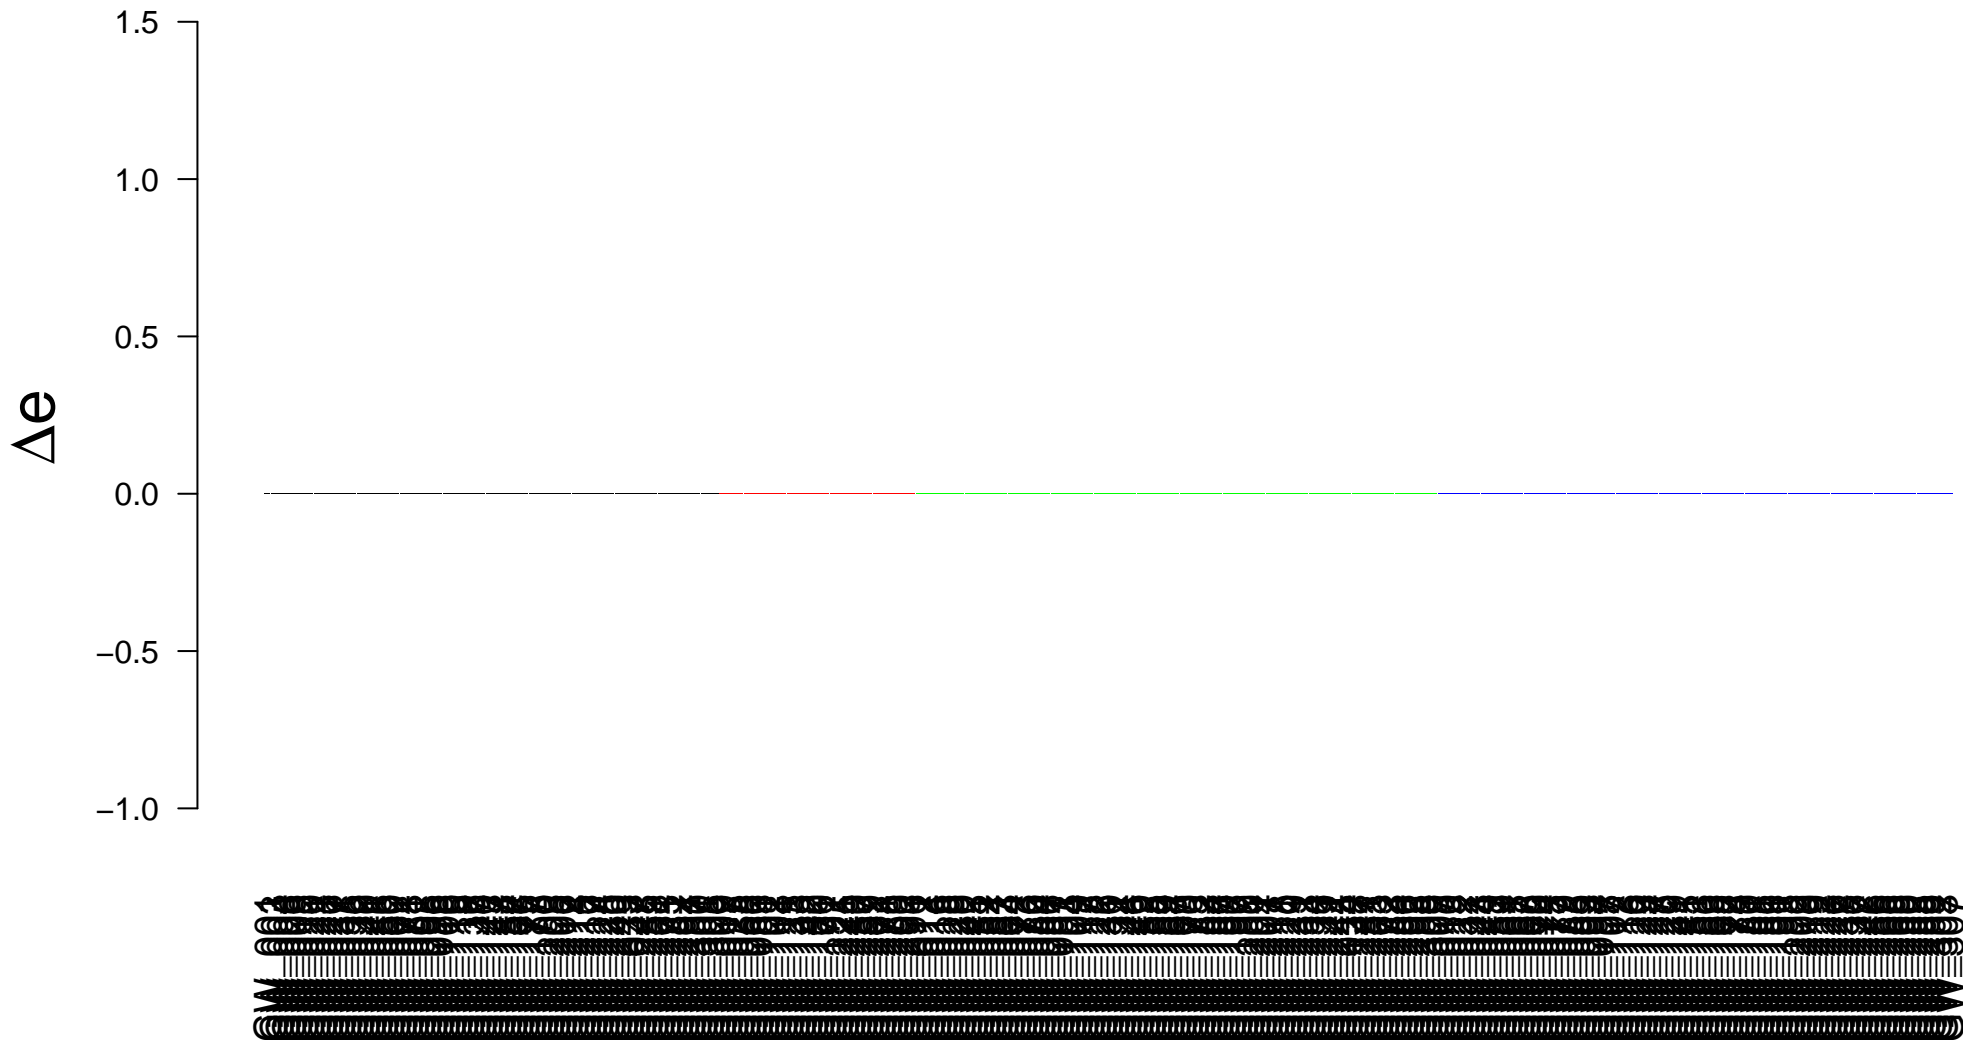

Expression of phospholipid binding in Spot L

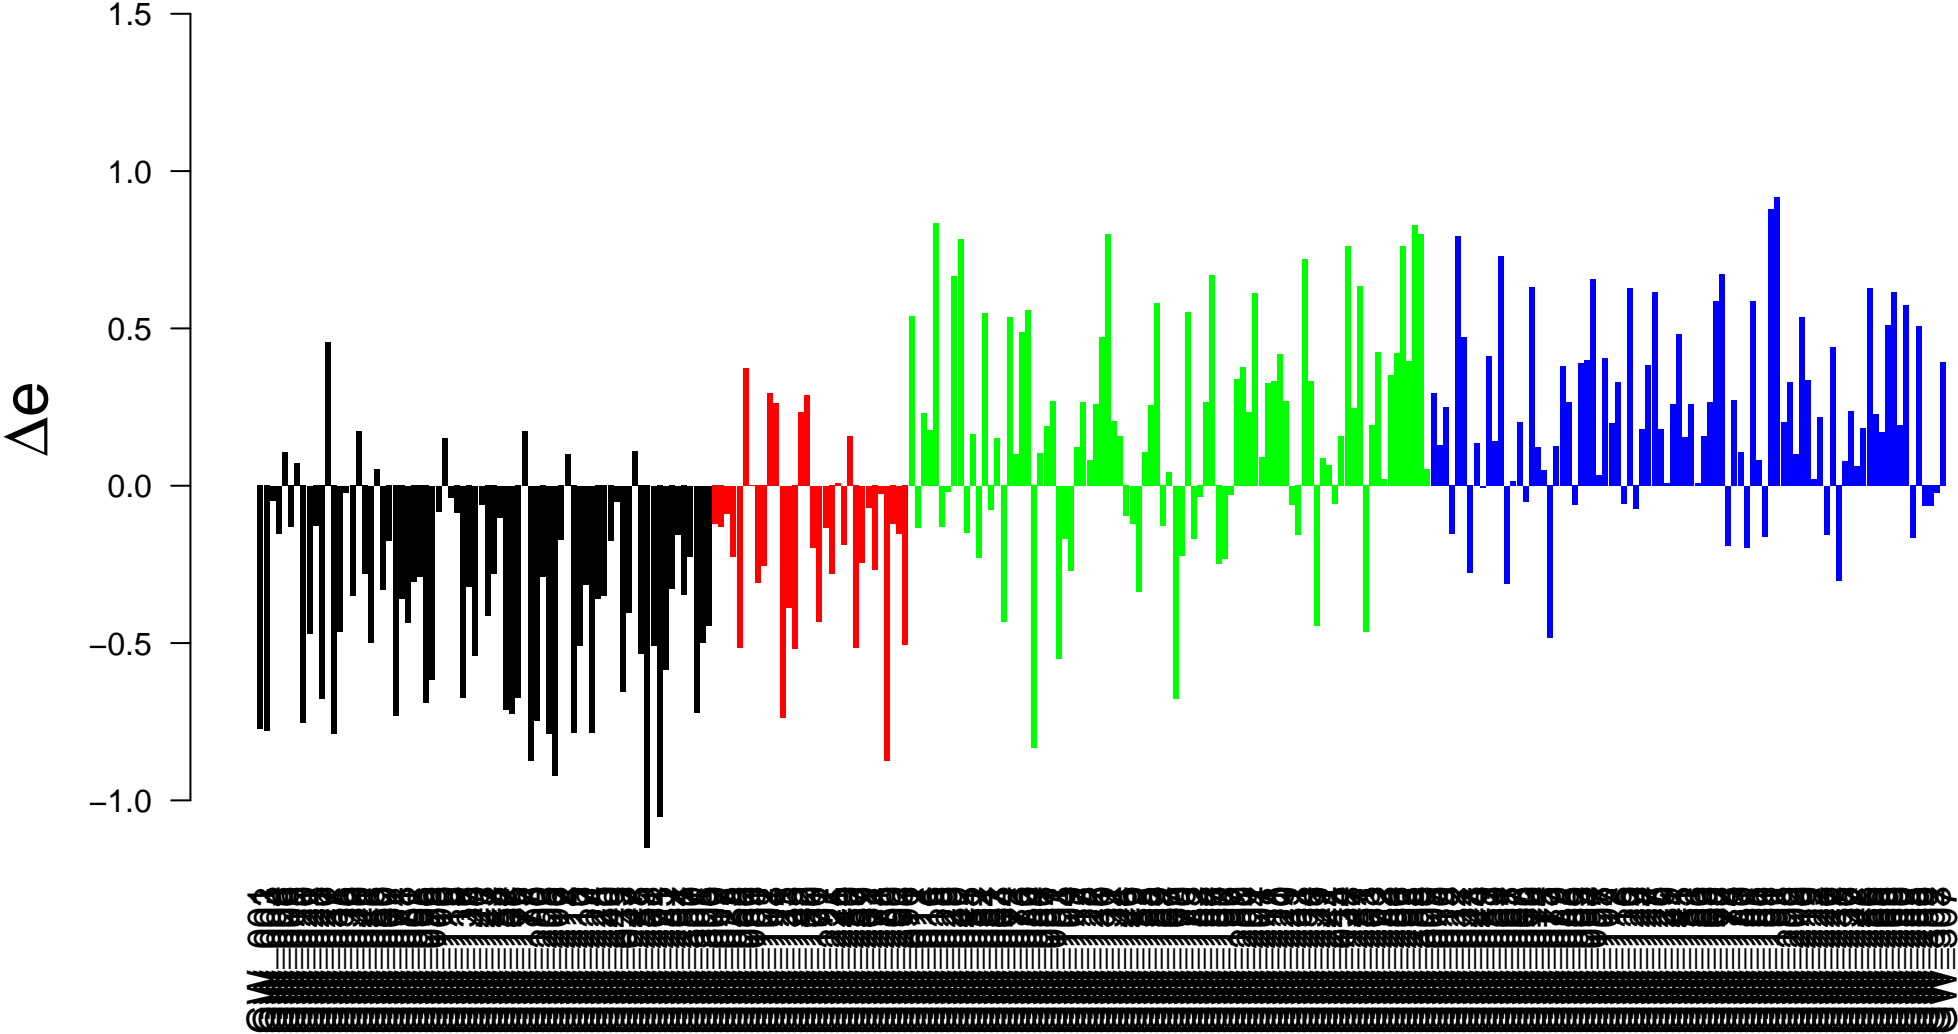

Expression of phospholipid binding in Spot M

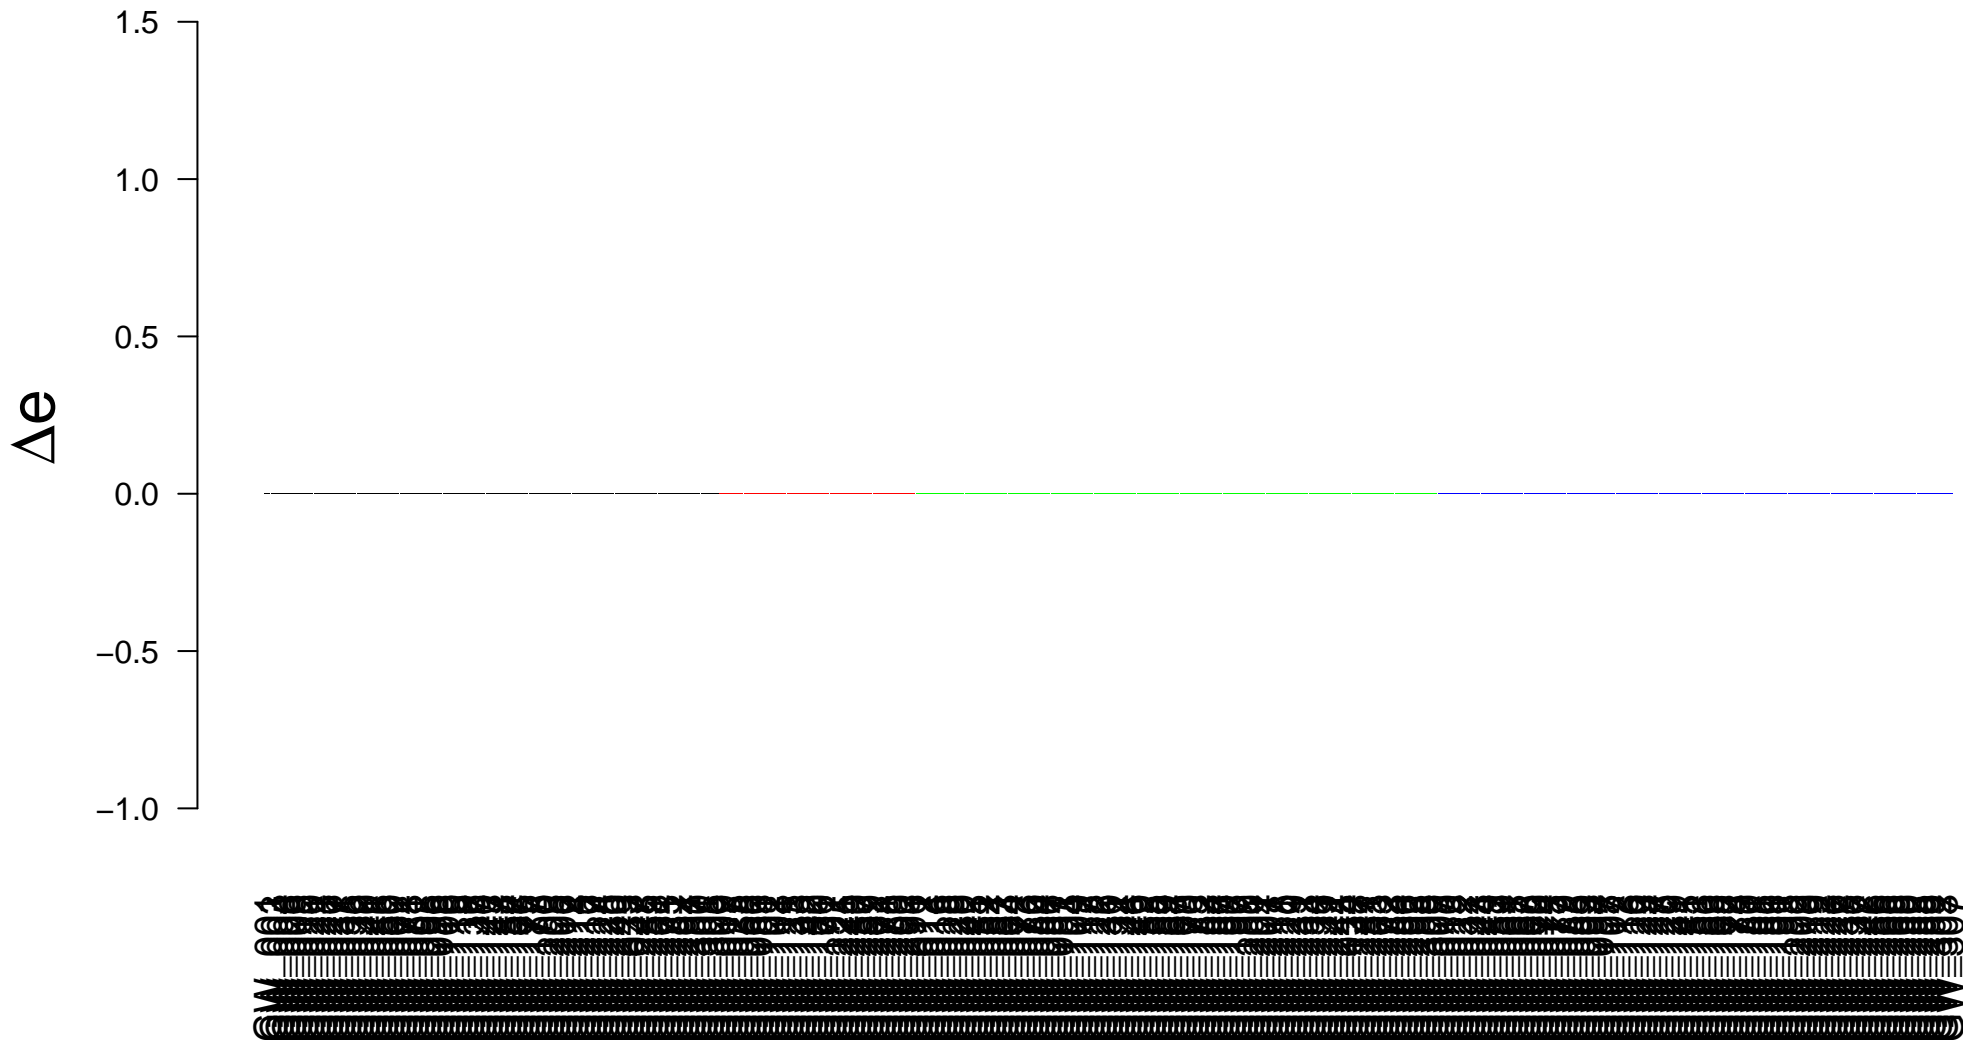

Expression of phospholipid binding in Spot N

Expression of phospholipid binding in Spot O

Expression of phospholipid binding in Spot P

Expression of phospholipid binding in Spot R
